**A. 6146: Graduation Requirements**

Dr. Henckel presented changes to graduation requirements, covering updates from legal advisories on personal finance, community service, and the integration of writing portfolios. The committee will move this policy forward for a first-read by the Board at the November meeting.

**B. 1331: Video Monitoring and Recording Devices**

Superintendent Barbiero and Mr. DiVito explained that the updates proposed are to formalize practices around video monitoring, particularly in relation to law enforcement access and privacy protections. Cameras will be video-only (no audio), except on buses, where audio is allowed. The policy also restricts access to video recordings to designated personnel and specifies usage for internal security. The committee will move this policy forward for a first-read by the Board at the November meeting.

**C. 3150: Board Budget Procedures and Line Item Transfers**

Superintendent Barbiero and Mr. Cross identified policy changes to include unexpended fund accounts, or non-lapsing accounts, allowed

by state law. The committee decided to consult further with the Board of Finance to align on details before implementing.

**D. 1258: Non-Discrimination (Community)**

Superintendent Barbiero explained that this policy was updated to align with state and federal non-discrimination guidelines, with emphasis on maintaining a team-based approach in investigations. The committee discussed potential challenges if federal guidelines change and the need for a flexible but team-centered investigative process. The committee will hold off on moving this policy forward, and get clarification from counsel regarding any potential federal guideline changes.

**E. MOU Between Weston Board of Education and Weston Youth Services**

The MOU with Weston Youth Services aimed to formalize privacy and data-sharing protocols to protect student information. The committee is awaiting confirmation on the correct signatory for the MOU. ## **II. Procedures for Grievances/Complaints Alleging Discrimination on the Basis of Disability**

- A. Any eligible person, including any student, parent/guardian, staff member or other employee who feels that he/she has been discriminated against on the basis of disability (including differential treatment, harassment and retaliation) may submit a written complaint to the district's designated Section 504/ADA Coordinator (see contact information below) within thirty (30) school days of the alleged occurrence.
- B. Timely reporting of complaints facilitates the prompt investigation and resolution of such complaints. If a complaint is filed relating to alleged discrimination occurring more than thirty (30) school days after the alleged occurrence, the ability of the \_\_\_\_\_ Public Schools (the "District") to investigate the allegations may be limited by the passage of time. Therefore, complaints received after thirty (30) school days of the alleged occurrence shall be investigated to the extent possible, given the passage of time and the impact on available information, witnesses and memory. If a complaint is made verbally, the individual taking the complaint will reduce the complaint to writing. Individuals wishing to make a complaint about discrimination against students on the basis of disability should be referred to the district's Section 504/ADA policies and regulations regarding students.
- C. Retaliation against any individual who complains pursuant to the Board's policy and regulations listed herein is strictly prohibited. The district will not tolerate any retaliation that occurs as a result of the good faith reporting or complaint of disability-based discrimination or as a result of an individual's participation or cooperating in the investigation of a complaint. The district will take necessary actions to prevent retaliation as a result of filing a complaint or the participation in an investigation of a complaint.

***[NOTE: Districts should note that Section 504 does not provide a statute of limitations for filing grievances/complaints with the district. We recommend that districts encourage prompt reporting by suggesting that complaints be filed within thirty (30) school days in order to facilitate timely resolution of potential disputes.]***

- D. If the Section 504/ADA Coordinator is the subject of the complaint, the complaint should be submitted directly to the Superintendent who may conduct the investigation or appoint a designee to conduct the investigation in accordance with these procedures. If the Superintendent is the subject of the complaint, the District shall designate an appropriate party to conduct the investigation in accordance with these procedures.
- E. Complaints will be investigated promptly within timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating

circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible.

F. The complaint should contain the following information:

1. The name of the complainant;
2. The date of the complaint;
3. The date(s) of the alleged discrimination;
4. The names of any witnesses or individuals relevant to the complaint;
5. A detailed statement describing the circumstances in which the alleged discrimination occurred; and
6. The remedy requested.

However, all complaints will be investigated to the extent possible, even if such information is not included in the complaint. In such circumstances, additional information may be requested by the investigator as part of the investigation process.

G. Upon receipt of the complaint, the individual investigating the complaint shall:

1. Provide a copy of the written complaint to the Superintendent of Schools;
2. Meet separately with the complainant and the respondent within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent believe have relevant information, and obtain any relevant documents the complainant may have;
3. Provide the complainant and respondent with a copy of the applicable Board Section 504/ADA Policy and these administrative regulations;
4. Consider whether and which interim measures might be appropriate for an alleged victim and the respondent pending the outcome of the District's investigation;
5. Conduct an investigation of the factual basis of the complaint that is adequate, reliable, and impartial, including conducting interviews with individuals with information and review of documents relevant to the complaint;
6. Maintain confidentiality to the extent practicable throughout the investigative process in accordance with state and federal law;
7. Communicate the outcome of the investigation in writing to the complainant, and to the respondent (to the extent permitted by state and federal confidentiality requirements), within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator or Superintendent. The written notice shall include a finding as to whether the complaint was substantiated and if so, shall identify how the District will remedy any identified violations of Section 504/ADA. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and the respondent shall be notified of any such extension;

8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint, and no later than fifteen (15) school days after the start of the following school year. The complainant and the respondent will receive notice if the investigation has been impeded by the summer recess, and interim measures may be implemented as necessary (see sub-paragraph 4);
  9. Ensure that appropriate corrective action is taken whenever allegations are verified. When allegations are verified, ensure that measures to remedy the effects of the discrimination and prevent its recurrence are appropriately considered, and offered, when appropriate. Corrective action should include steps to avoid continuing discrimination;
  10. In the event the investigator concludes that there is no violation of Section 504/ADA, the district may attempt to resolve the complainant's ongoing concerns, if possible.
- H. If the complainant or respondent is not satisfied with the findings and conclusions of the investigation, the appealing party may request review and reconsideration of the conclusion of the complaint within thirty (30) days of receipt of the written outcome. In requesting review, the appealing party must submit the complaint, the written outcome of the complaint, and explain why he/she believes the factual information relied upon by the investigator was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.

Upon review of a written request from the appealing party, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and other relevant witnesses, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator's conclusions or findings. The Superintendent shall provide written notice to the appealing party and other party of his/her decision within ten (10) school days following the receipt of the written request for review. When a written request for review is received during summer recess, the Superintendent conduct the review as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the review, and no later than ten (10) school days after the start of the following school year. The Superintendent's decision shall be final.

If a student’s parents/guardians disagree with the decisions made by the professional staff of the District with respect to the identification, evaluation or educational placement of their child, such parents/guardians have a right to request an impartial due process hearing.

In addition, a student or parent/guardian of a student may also file an internal grievance/complaint on these issues or any other type of discrimination on the basis of disability by or within the District by utilizing the grievance/complaint procedures outlined in the Administrative Regulations Regarding Students and Section 504 of Rehabilitation Act of 1973 and Title II of Americans with Disabilities Act associated

I. Upon receipt of the complaint, the individual investigating the complaint shall:

1. Provide a copy of the written complaint to the Superintendent of Schools;
2. Meet separately with the complainant and the respondent within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent believe have relevant information, and obtain any relevant documents the complainant and respondent may have;
3. Provide the complainant and the respondent with a copy of the applicable Board Section 504/ADA Policy and these administrative regulations;
4. Consider whether and which interim measures might be appropriate for an alleged victim and the respondent pending the outcome of the District's investigation;
5. Conduct an investigation of the factual basis of the complaint that is adequate, reliable, and impartial, including conducting interviews with individuals with information and review of documents relevant to the complaint;
6. Maintain confidentiality to the extent practicable throughout the investigative process in accordance with state and federal law;
7. Communicate the outcome of the investigation in writing to the complainant, and to the respondent (to the extent permitted by state and federal confidentiality requirements), within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator or Superintendent. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify how the District will remedy any identified violations of Section 504/ADA. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and the respondent shall be notified of any such extension;

8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint, and no later than fifteen (15) school days after the start of the following school year. The complainant and the respondent will receive notice if the investigation has been impeded by the summer recess, and interim measures may be implemented as necessary (see sub-paragraph 4);
  9. Ensure that appropriate corrective action is taken whenever allegations are verified. When allegations are verified, ensure that measures to remedy the effects of the discrimination and prevent its recurrence are appropriately considered, and offered, when appropriate. Corrective action should include steps to avoid continuing discrimination;
  10. In the event the investigator concludes that there is no violation of Section 504/ADA, the District may attempt to resolve the complainant's ongoing concerns, if possible.
- J. If the complainant or the respondent is not satisfied with the findings and conclusions of the investigation, the dissatisfied party may request review and reconsideration of the conclusion of the complaint (an "Appeal") within thirty (30) days of receipt of the written outcome. In requesting an Appeal, the appealing party must submit the complaint, the written outcome of the complaint, and explain why such party believes the factual information relied upon by the investigator was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the Appeal.

Upon review of an Appeal from the appealing party, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted, or shall appoint a designee to do so. Such action may include consultation with the investigator and other relevant witnesses, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator's conclusions or findings. The Superintendent or designee shall provide written notice to the appealing party and the other party of the Superintendent or designee's decision within ten (10) school days following the receipt of the Appeal. When an Appeal is received during summer recess, the Superintendent or designee shall conduct the review as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the review, and no later than ten (10) school days after the start of the following school year. The Superintendent or designee's decision shall be final.

### III. Grievance/Complaint Resolution Procedures for Complaints Involving a Student's Identification, Evaluation or Educational Placement

Complaints regarding a student's identification, evaluation or educational placement shall generally be handled using the procedures described below. **However, at any time, the complainant may request that the Section 504/ADA Coordinator submit the complaint directly to an impartial hearing officer, and request a hearing in accordance with the provisions of subsection D (below).**

#### A. Submission of Complaint to Section 504/ADA Coordinator

1. In order to facilitate the prompt investigation of complaints, any complaint regarding a student's identification, evaluation or educational placement under Section 504 should be forwarded to the District's Section 504/ADA Coordinator (*see* contact information below) within thirty (30) school days of the alleged date that the dispute regarding the student's identification, evaluation and/or education placement arose. Timely reporting of complaints facilitates the resolution of potential educational disputes.

*[NOTE: Districts should note that Section 504 does not provide a statute of limitations for filing complaints. We recommend that districts encourage prompt reporting by suggesting that complaints be filed within thirty (30) days in order to facilitate timely resolution of educational disputes.]*

2. The complaint concerning a student's identification, evaluation or educational placement should contain the following information:
  - a. Full name of the student, age, and grade level;
  - b. Name of parent(s);
  - c. Address and relevant contact information for parent/complainant;
  - d. Date of complaint;
  - e. Specific areas of disagreement relating to the student's identification, evaluation and/or placement; and
  - f. Remedy requested.

However, all complaints will be investigated to the extent possible even if such information is not included in the written complaint. In such circumstances, additional information may be requested by the investigator as part of the investigation process.

3. Complaints will be investigated promptly within timeframes identified below. Timeframes may be extended as needed given the complexity of

the investigation, availability of individuals with relevant information and other extenuating circumstances.

4. Upon receipt of the complaint, the Section 504/ADA Coordinator or the Coordinator's designee shall:
  - a. Forward a copy of the complaint to the Superintendent of Schools;
  - b. Meet with the complainant within ten (10) school days to discuss the nature of the complainant's concerns and determine if an appropriate resolution can be reached, or whether interim measures may be appropriate. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and other individuals who may have information relevant to the complaint, and no later than ten (10) school days after the start of the following school year;
  - c. If, following such a meeting, further investigation is deemed necessary, the Section 504/ADA Coordinator or designee shall promptly investigate the factual basis for the complaint, consulting with any individuals reasonably believed to have relevant information, including the student and/or complainant; and
  - d. Communicate the results of the investigation in writing to the complainant and any persons named as parties to the complaint (to the extent permitted by state and federal confidentiality requirements) within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator or designee.
  - e. In the event that the Section 504/ADA Coordinator or designee has a conflict of interest that prevents such individual from serving in this role, the complaint shall be forwarded to the Superintendent who shall appoint an investigator who does not have a conflict of interest.

**B. Review by Superintendent of Schools**

1. If the complainant is not satisfied with the findings and conclusions of the investigation, the dissatisfied party may present the complaint and written outcome to the Superintendent for review and reconsideration (an

“Appeal”) within thirty (30) calendar days of receiving the findings. This process provides an opportunity for the appealing party to bring information to the Superintendent’s attention that would change the outcome of the investigation. In submitting an Appeal, the appealing party must explain why such party believes the factual information relied upon by the investigator was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this information would change the investigator’s determination in the case. Failure to provide all such information may result in the denial of the Appeal.

2. Upon review of an Appeal from the appealing party, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted, or appoint a designee to do so. Such action may include consultation with the investigator and other relevant witnesses, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator’s conclusions or findings. The Superintendent or designee shall provide written notice to the appealing party of the Superintendent or designee’s decision within ten (10) school days following the receipt of the Appeal, or if the Appeal is received during summer recess, as quickly as possible but no later than ten (10) school days after the start of the following school year.
3. If the complainant is not satisfied with the Superintendent or designee’s decision or proposed resolution, such individual may request that the Superintendent submit the matter to a neutral mediator or to an impartial hearing officer. This request for mediation or a hearing should be made within fifteen (15) school days of the Superintendent or designee’s decision.

#### C. Mediation Procedures

1. A parent/guardian or student aged 18 or older may request mediation with a neutral mediator to attempt to resolve a disagreement with the decisions made by the professional staff of the District with respect to the identification, evaluation or educational placement of the student.
2. A request for mediation regarding a student’s identification, evaluation or educational placement under Section 504 should be forwarded to the District’s Section 504/ADA Coordinator within thirty (30) school days of the alleged date that the dispute regarding the student’s identification, evaluation, and/or education placement arose or within fifteen (15) school days of the Superintendent’s decision in reviewing a complaint handled

through the grievance/complaint procedure described in Section III.B, above. Mediation shall only occur by mutual agreement of the parties.

3. The request for mediation concerning a disagreement relating to a student's identification, evaluation or educational placement should contain the following information:
  - a. Full name of the student, age, and grade level;
  - b. Name of parent(s);
  - c. Address and relevant contact information for parent/complainant;
  - d. Date of complaint;
  - e. Specific areas of disagreement relating to the student's identification, evaluation and/or placement; and
  - f. Remedy requested.
4. Upon receipt of a request for mediation,
  - a. The Section 504/ADA Coordinator shall:
    - i. Forward a copy of the request for mediation to the Superintendent of Schools; and
    - ii. Inform the parent/guardian or student 18 years old or older as to whether the District agrees to mediation in writing.
  - b. If the District agrees to mediation, the Board shall retain a neutral mediator who is knowledgeable about the requirements of Section 504/ADA and has an understanding of a free appropriate public education ("FAPE") under Section 504 and the distinctions between and among Section 504, the ADA and the Individuals with Disabilities Education Act ("IDEA").
  - c. If the District does not agree to mediation, the Section 504/ADA Coordinator shall inform the parent/guardian or student aged 18 or older of their right to request an impartial hearing.
5. The mediator shall inform all parties involved of the date, time and place of the mediation and of the right to have legal counsel or other representation at the complainant's own expense, if desired.
6. The mediator shall meet with the parties jointly, or separately, as determined by the mediator, and shall facilitate a voluntary settlement of the dispute between the parties, if possible.
7. All statements, offers, or discussions and/or information shared during the mediation process, but not available from other means, shall be

confidential, and may not be used in a subsequent hearing or other administrative or judicial proceeding related to the disagreement that is the subject of the mediation.

8. If the parties are not able to reach a voluntary settlement of the dispute, the complainant may request an impartial hearing, as described below.

#### D. Impartial Hearing Procedures

An impartial due process hearing is available to a parent/guardian of a student, or a student aged 18 years of age or older, who disagrees with the decisions made by the professional staff of the District with respect to the identification, evaluation or educational placement of the student, or otherwise makes a claim of discrimination relating to the identification, evaluation or educational placement of the student.

1. The request for a due process hearing concerning a disagreement relating to a student's identification, evaluation or educational placement should contain the following information:
  - a. Full name of the student, age, and grade level;
  - b. Name of parent(s);
  - c. Address and relevant contact information for parent/complainant;
  - d. Date of complaint;
  - e. Specific areas of disagreement relating to the student's identification, evaluation and/or placement; and
  - f. Remedy requested.
2. Upon receipt of a request for an impartial due process hearing, the Board shall retain an impartial hearing officer. The impartial hearing officer must be someone who is knowledgeable about the requirements of Section 504/ADA and has an understanding of a free appropriate public education ("FAPE") under Section 504 and the distinctions between and among Section 504, the ADA and the IDEA.
3. The impartial hearing office shall schedule a pre-hearing conference with the District and the parent(s) or student aged 18 years of age or older (and/or legal counsel for the student) to identify the issue(s) for hearing, set the hearing schedule and address other administrative matters related to the hearing, including the option for mediation.
4. The impartial hearing officer shall inform all parties involved of the date, time and place of the hearing and of the right to present witnesses, other

evidence and to be represented by legal counsel at each party's own expense, if desired.

5. The impartial hearing officer shall hear all aspects of the complainant's complaint concerning the identification, evaluation or educational placement of the student and shall reach a decision within forty-five (45) school days of receipt of the request for hearing. The decision shall be presented in writing to the complainant and to the Section 504/ADA Coordinator. The impartial hearing officer's decision shall be final.
6. An impartial hearing officer under Section 504 does not have jurisdiction to hear claims alleging discrimination, harassment or retaliation based on an individual's disability unless such a claim is *directly related* to a claim regarding the identification, evaluation, or educational placement of a student under Section 504.
7. The time limits noted herein may be extended for good cause shown for reasons including, but not limited to, permitting more time for thorough review of the record, presentation of evidence or opportunity for resolution.

E. Drug/Alcohol Violations

If a student with a disability violates the Board's policies relative to the use or possession of illegal drugs or alcohol, the Board may take disciplinary action against such student for the student's illegal use or possession of drugs or alcohol to the same extent that the Board would take disciplinary action against nondisabled students. Such disciplinary action is not subject to the complaint or due process procedures outlined above.

## WESTON PUBLIC SCHOOLS

### NOTICE OF PARENT/STUDENT RIGHTS UNDER SECTION 504 OF THE REHABILITATION ACT OF 1973 AND TITLE II OF THE AMERICANS WITH DISABILITIES ACT OF 1990

Section 504 of the Rehabilitation Act of 1973 (“Section 504”) is a non-discrimination statute enacted by the United States Congress. Section 504 prohibits discrimination on the basis of disability by recipients of federal funds. Title II of the Americans with Disabilities Act (“ADA” or “Title II”) also prohibits discrimination on the basis of disability by state and local governments. To be protected under Section 504 and the ADA (“collectively, “Section 504/ADA”) as an individual with a disability, an individual must (1) have a physical or mental impairment that substantially limits one or more major life activities; (2) have a record of such an impairment; or (3) be regarded as having such an impairment.

Under Section 504, the Weston Public Schools (the “District”) has specific responsibilities to identify, evaluate and provide an educational placement for students with a disability. The District’s obligation includes providing such eligible students a free appropriate public education (“FAPE”). Section 504 defines FAPE as the provision of regular or special education and related services that are designed to meet the individual educational needs of a student with a disability as adequately as the needs of students without disabilities are met, and that are provided without cost (except for fees similarly imposed on nondisabled students/parents).

A student is eligible for regular or special education and related services under Section 504 if it is determined that the student has a mental or physical disability that substantially limits one or more major life activity such as (but not limited to): caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating or working. A major life activity may also include the operation of a major bodily function, such as an individual’s immune, digestive, respiratory or circulatory systems.

A student can have a disability and be covered by Section 504/ADA even if the student does not qualify for, or receive, special education services under the IDEA.

The purpose of this notice is to provide parents/guardians and students 18 years of age or older with information regarding their rights under Section 504. Under Section 504, you have the right:

1. To be informed of your rights under Section 504;
2. To have your child take part in and receive benefits from the District's education programs without discrimination based on your child's disability;
3. For your child to have equal opportunities to participate in academic, nonacademic and extracurricular activities in your school without discrimination based on your child's disability;
4. To be notified of decisions and the basis for decisions regarding the identification, evaluation, and educational placement of your child under Section 504;
5. If you suspect your child may have a disability, to request an evaluation, at no expense to you and to have an eligibility determination under Section 504 (and if eligible, placement decisions made) by a team of persons who are knowledgeable of your child, the assessment data, and any placement options;
6. If your child is eligible for services under Section 504, for your child to receive a free appropriate public education (FAPE). This includes the right to receive regular or special education and related services that are designed to meet the individual needs of your child as adequately as the needs of students without disabilities are met;
7. For your child to receive reasonable accommodations and services to allow your child an equal opportunity to participate in school, extra-curricular and school-related activities;
8. For your child to be educated with peers who do not have disabilities to the maximum extent appropriate;
9. To have your child educated in facilities and receive services comparable to those provided to non-disabled students;
10. To review all relevant records relating to decisions regarding your child's Section 504 identification, evaluation, and educational placement;
11. To examine or obtain copies of your child's educational records at a reasonable cost unless the fee would effectively deny you access to the records;

12. To request changes in the educational program of your child, to have your request and related information considered by the team, a decision made by the team, and if denied, an explanation for the team's decision/determination;
13. To request an impartial due process hearing if you disagree with the District's decisions regarding your child's Section 504 identification, evaluation or educational placement. The costs for this hearing are borne by the District. You and the student have the right to take part in the hearing and to have an attorney represent you at your expense;
14. To file a local grievance/complaint with the District's designated Section 504/ADA Coordinator to resolve complaints of discrimination including, but not limited to, claims of discrimination directly related to the identification, evaluation or placement of your child; and
15. To file a formal complaint with the U.S. Department of Education, Office for Civil Rights.

The Section 504/ADA Coordinator for the District is:

➤ If the team determines additional information is necessary and the information to be obtained includes testing, team must obtain parent consent on *Consent for Section 504 Evaluation* form; tests/evaluations recommended by the team shall be conducted at District expense. Parent may wish to provide outside evaluation and/or testing information from a qualified provider to be considered by the team; such evaluations and/or testing shall be at Parent expense. The District shall consider such outside information at team meeting, and must determine whether the information provided by the Parent meets the District's standards for evaluators and evaluations. If it is necessary to communicate with outside providers, the District must obtain a release to communicate with professionals outside of district. Once needed information is gathered, a 504 meeting will be reconvened to continue the process of determining eligibility.

3. Does the student have one or more physical or mental impairments?

*A "physical or mental impairment" means (a) any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems, such as: neurological, musculoskeletal, special sense organs, respiratory (including speech organs), cardiovascular, reproductive, digestive, genitourinary, immune, circulatory, hemic, lymphatic, skin, and endocrine or (b) any mental or psychological disorder, such as intellectual disability, organic brain syndrome, emotional or mental illness, and specific learning disability. Physical or mental impairment includes, but is not limited to, contagious and noncontagious diseases and conditions such as the following: orthopedic, visual, speech, and hearing impairments, and cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disability, emotional illness, dyslexia and other specific learning disabilities, Attention Deficit Hyperactivity Disorder, Human Immunodeficiency Virus infection (whether symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.*

**NO**       **YES**

If "NO": If no physical or mental impairment exists, the student is not identified as an individual with a disability. Go to **Section E** of this form.

If "YES": What are the impairments? Please describe as recognized in DSM 5 or other respected source, if possible, if not excluded under Section 504/ADA (e.g., illegal drug use).

\_\_\_\_\_  
\_\_\_\_\_

➤ **Attach all supporting documentation to this form. A statement of "YES" without supporting documentation is insufficient to meet this standard.**

➤ **If the team determines that the student is identified as having one or more physical or mental impairments, continue to the next page to determine whether there is a substantial limitation to one or more major life activities.**

4. Does the identified impairment substantially limit one or more major life activities? Please describe degree of limitation as compared to other students. Ask: Is the impairment impacting one or more major life activities? Which ones? How is one or more major life activity impacted? What is the impact at school?

\_\_\_\_\_  
*A "major life activity" includes, but is not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, sitting, reaching, **38** lifting, bending, speaking, breathing, learning, reading,*

*concentrating, thinking, communicating, interacting with others, or working. A major life activity also includes the operation of a major bodily function, such as the functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, cardiovascular, endocrine, hemie, lymphatic, musculoskeletal, or reproductive systems. The operation of a major bodily function includes the operation of an individual organ within a body system.*

**5. Mitigating Measures:**

— In determining eligibility, the team must consider the impact of the disability without consideration of the ameliorative effects of any “mitigating measures” that the student may be using. For example, if the student is currently using a hearing aid, did the team consider whether the student would have a physical or mental impairment that substantially limits a major life activity if the student were not using the hearing aid?

— Therefore, with respect to this student, did the team consider the impact of the disability on a major life activity without the potential impact of mitigating measures (except eyeglasses or contact lenses)?

— Yes  — No

*Mitigating measures include, but are not limited to, (a) medication, medical supplies, equipment, appliances, low vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics including limbs and devices, hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment and supplies; (b) use of assistive technology; (c) reasonable modifications or auxiliary aids or services; (d) learned behavioral or adaptive neurological modifications; or (e) psychotherapy, behavioral therapy, or physical therapy.*

— **Please include any information relevant to consideration of mitigating measures:**

---

---

---

**E. Does the student have a disability under Section 504?**

1. — Does the student have one or more **physical or mental impairments**?  No  Yes

2. — Does the physical or mental impairment **substantially limit** one or more Major Life Activity?  No  Yes

*Both questions must be answered **YES**, based on the preceding review of evaluative data, in order to determine that the student **has a disability under Section 504** of the Rehabilitation Act.*

3. — Based on the answers to #1 and #2 above, does the student have a disability?   
under Section 504?  No  Yes

*If the answer to #3 is “No,” skip to Section I. If the answer to #3 is “Yes,” continue to Section F.*

**F. Does the student require a Section 504 Plan in order to provide the student with a free appropriate public education and access to the school’s programs (e.g. curriculum, extra-curricular activities, facilities, etc.)?**

No  Yes

*If “Yes,” the team must develop a Section 504 Plan.*

**G. Is this a re-evaluation (i.e. review of current plan/status) before a significant change in placement (e.g., review of new information)?**

\_\_\_\_\_  No \_\_\_\_\_  Yes *[If "NO," skip to Section H]*

1. What is the anticipated significant change of placement? \_\_\_\_\_

- New information received about the student, the impairment or current placement
- Graduation \_\_\_\_\_

## NON-DISCRIMINATION

### ***Protected Class Discrimination Prohibited:***

The \_\_\_\_\_ Weston Board of Education (the “Board”) will not make employment decisions (including decisions related to hiring, assignment, compensation, promotion, demotion, disciplinary action and termination) on the basis of race, color, religion, age, sex, marital status, sexual orientation, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, gender identity or expression, status as a victim of domestic violence, or any other basis prohibited by state or federal law (“Protected Class”), except in the case of a bona fide occupational qualification.

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual’s actual or perceived membership in a Protected Class, whether by students, Board employees, Board members or third parties subject to the control of the Board, is prohibited in the \_\_\_\_\_ Weston Public Schools (the “District”). The Board’s prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics.

### ***Discrimination on the Basis of Erased Criminal History Prohibited:***

The Board will not discriminate against any employee or applicant for employment solely on the basis of the individual’s erased criminal history record information, as defined in Conn. Gen. Stat. § 46a-80a.

### ***Retaliation Prohibited:***

The Board further prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

### ***Discrimination on the Basis of Protected Class Association Prohibited:***

Discrimination and/or harassment against any individual on the basis of that individual’s association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment, and is therefore prohibited by this policy.

### ***Scope and Applicability:***

- graphic, written or electronic communications that are harmful or humiliating based on Protected Class membership;
- bigoted conduct or communications; or

Harassment does not have to include intent to harm, be directed at a specific target, or involve repeated incidents.

## **ADMINISTRATIVE REGULATIONS REGARDING DISCRIMINATION COMPLAINTS (PERSONNEL)**

### ***Protected Class Discrimination Prohibited:***

The \_\_\_\_\_ Weston Board of Education (the “Board”) will not make employment decisions (including decisions related to hiring, assignment, compensation, promotion, demotion, disciplinary action and termination) on the basis of race, color, religion, age, sex, marital status, sexual orientation, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, gender identity or expression, status as a victim of domestic violence, or any other basis prohibited by state or federal law (“Protected Class”), except in the case of a bona fide occupational qualification

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual’s actual or perceived membership in a Protected Class, whether by students, Board employees, Board members or third parties subject to the control of the Board, is prohibited in the \_\_\_\_\_ Weston Public Schools (the “District”). Students, Board employees, Board members and third parties are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

### ***Discrimination on the Basis of Erased Criminal History Prohibited:***

It is also the policy of the Board to provide for the prompt and equitable resolution of complaints alleging Protected Class discrimination or harassment. The District will investigate both formal and informal complaints of discrimination, harassment or retaliation.

### ***Retaliation Prohibited:***

The Board further prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

The District will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of Protected Class discrimination or harassment. Any such reprisals or retaliation may result in disciplinary action against the retaliator, and other corrective actions as appropriate.

### ***Discrimination on the Basis of Protected Class Association Prohibited:***

Discrimination and/or harassment against any individual on the basis of that individual's association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment.

***Scope and Applicability:***

Students, Board employees, Board members and community members (e.g., other individuals affiliated with the District, accessing or seeking access to District facilities) are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

It is also the policy of the Board to provide for the prompt and equitable resolution of complaints alleging Protected Class discrimination or harassment. The District will investigate both formal and informal complaints of discrimination, harassment, or retaliation.

The following non-exhaustive list provides examples of the types of prohibited conduct that may be considered Protected Class harassment that can lead to a hostile environment, and are therefore prohibited:

- objectively offensive racial, ethnic, or religious epithets (or epithets commonly associated with any Protected Class membership);
- other words or phrases commonly considered demeaning or degrading on the basis of Protected Class membership;
- display of images or symbols commonly associated with discrimination against individuals on the basis of their membership in a Protected Class;
- graphic, written or electronic communications that are harmful or humiliating based on Protected Class membership;
- bigoted conduct or communications; OR
- physical, written, electronic or verbal threats based on Protected Class membership.

Harassment does not have to include intent to harm, be directed at a specific target, or involve repeated incidents.

***Reporting to District Officials:***

It is the policy of the Board to provide for the prompt and equitable resolution of complaints alleging Protected Class discrimination or harassment.

Employees are encouraged to report incidents of alleged Protected Class discrimination, harassment, or retaliation immediately.

Any employee who believes they or another employee has experienced Protected Class discrimination or harassment or an act of retaliation or reprisal in violation of Board policy should report such concern in writing to **IDENTIFY APPROPRIATE**

~~PERSONNEL~~ **Director of Pupil Personnel Services** in accordance with the Board's complaint procedures included in these Administrative Regulations Regarding Non-Discrimination/Personnel.

In the event conduct reported as Protected Class discrimination and/or harassment allegedly violates more than one policy, the Board will coordinate any investigation in compliance with the applicable policies.

***Mandatory Staff Reporting for Student Incidents:***

District employees are required to report incidents of alleged student-to-student and employee-to-student discrimination, harassment or retaliation that may be based on a Protected Class when District employees witness such incidents or when District employees receive reports or information about such incidents, whether such incidents are verbal or physical or amount to discrimination, harassment or retaliation in other forms. **Reports should be made to any District administrator or to:**

***Complaint Procedure***

Preferably, complaints should be filed within thirty (30) calendar days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints. The District will investigate such complaints promptly and equitably, and will take corrective action when allegations are verified.

As soon as an individual feels that they, or another employee has been subjected to Protected Class discrimination or harassment, the individual should make a written complaint to the Superintendent or designee.

The individual who is alleged to have experienced Protected Class discrimination/harassment (the "complainant") and any individual accused of Protected Class discrimination/harassment (the "respondent") (if applicable) will be provided a

In the event the Superintendent or designee receives a complaint alleging discrimination or harassment based on disability, the Superintendent or designee shall follow the procedures identified in Board Policy # \_\_\_\_\_ **[Insert Policy #]** 4118.13, Section 504/ADA (Personnel).

Any individual who makes an oral complaint of discrimination or harassment of an employee will be provided a copy of this regulation and will be requested to make a written complaint pursuant to the above procedure. All complaints received by employees are to be forwarded immediately to the Superintendent or designee. Upon receipt of a complaint alleging discrimination or harassment of an employee under this complaint procedure, the Superintendent shall promptly investigate the complaint, or designate a District administrator or other trained individual to do so.

During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the complainant, the reporter (if different from the complainant), the respondent, and any witnesses to the

conduct. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and/or other extenuating circumstances. 7. Communicate the outcome of the investigation in writing to the complainant and respondent (if any) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) from the date the complaint was

received by the Superintendent's office. The complainant and respondent (if any) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination or harassment, adhering to the requirements of state and federal law;

8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of employees and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent (if any) will receive notice and interim measures may be implemented as necessary (see subparagraph 6);
9. Whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the discrimination or harassment. Corrective action should include steps to avoid continuing discrimination or harassment;
10. If a complainant or a respondent is not satisfied with the findings and conclusions of the investigation, such party may present the complaint and written outcome to the Superintendent within thirty (30) calendar days of receiving the findings. Upon review of a written request from the party requesting an appeal, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with a designated investigator (if applicable), complainant, and respondent (if any) and meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling a designated investigator's conclusions or findings (if applicable). The Superintendent shall provide written notice to the complainant and respondent (if any) of the proposed actions within thirty (30) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) following the receipt of the written request for review.

## ADMINISTRATIVE REGULATIONS REGARDING DISCRIMINATION COMPLAINTS (STUDENTS)

### *Protected Class Discrimination Prohibited:*

The \_\_\_\_\_ Weston Board of Education (the “Board”) complies with all laws prohibiting the exclusion of any person from any of its educational programs or activities, or the denial to any person of the benefits of any of its educational programs or activities, on the basis of any protected characteristic (or protected class) including race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, veteran status, status as a victim of domestic violence or any other basis prohibited by state or federal law (“Protected Class”), subject to the conditions and limitations established by law. When the Board has created a limited public forum, the Board shall provide equal access to the Boy Scouts and other groups as required by law.

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual’s actual or perceived membership in a Protected Class, ~~whether, whether~~ by students, Board employees, Board members or third parties subject to the control of the Board, is prohibited in the \_\_\_\_\_ Weston Public Schools (the “District”)

### *Retaliation Prohibited:*

The Board further prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

The District will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of Protected Class discrimination or harassment. Any such reprisals or retaliation may result in disciplinary action against the retaliator, and other corrective actions as appropriate.

### *Discrimination on the Basis of Protected Class Association Prohibited:*

Discrimination and/or harassment against any individual on the basis of that individual’s association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment.

### *Scope and Applicability:*

Students, Board employees, Board members and community members (e.g., other individuals affiliated with the District, accessing or seeking access to District facilities)

are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

It is also the policy of the Board to provide for the prompt and equitable resolution of complaints alleging Protected Class discrimination or harassment. The District will investigate both formal and informal complaints of discrimination, harassment or retaliation.

The following non-exhaustive list provides examples of the type of prohibited conduct that may be considered Protected Class harassment that can lead to a hostile environment, and are therefore prohibited:

- objectively offensive racial, ethnic, or religious epithets (or epithets commonly associated with any Protected Class membership);
- other words or phrases commonly considered demeaning or degrading on the basis of Protected Class membership;
- display of images or symbols commonly associated with discrimination against individuals on the basis of their membership in a Protected Class;
- graphic, written or electronic communications that are harmful, or humiliating based on Protected Class membership;
- bigoted conduct or communications; or

Harassment does not have to include intent to harm, be directed at a specific target, or involve repeated incidents.

The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination or harassment, adhering to the requirements of state and federal law;

If fixed timeframes cannot be met, the complainant (and respondent, if applicable) will receive notice and interim measures may be implemented as necessary (see subparagraph 6);
9.
