August 20, 2026

Dear Superintendent of Frontier Public Schools,

The Oklahoma State Board of Education has reviewed and approved the district's request for deregulation under the following Oklahoma Administrative Code provisions:

- OAC 210:35-5-71 – Library Media Services, Elementary School
- OAC 210:35-7-61 – Library Media Services, Middle School
- OAC 210:35-9-71 – Library Media Services, Secondary School

This deregulation is approved for a period of one year and is valid for the 2026-2027 school year only. Continued deregulation beyond the 2026-2027 school year will require a new request and approval for the subsequent year.

After reviewing the district's application and supporting documentation, the Board determined that continued efforts must be made to recruit a qualified individual to fulfill Library Media Services requirements. The Board emphasized its expectation that the district would make every reasonable effort to secure a certified librarian or an individual actively pursuing librarian certification.

Please retain this letter with your district's official accreditation documentation, as it serves as formal approval for the upcoming school year.

If you have any questions or need further clarification, please contact the Office of Accreditation. We appreciate the district's dedication to meeting student needs and maintaining compliance with accreditation standards.

Sincerely,

Dr. Jennifer Hembree
Executive Secretary
