GRADUATION REQUIREMENTS

The Wellston Board of Education recognizes that a 12-year course of study in certain specific subject areas has proven to be beneficial in assisting students to become productive citizens and to prepare for advanced study. Therefore, it is the policy of the board of education that a minimum of 23 units of credit be earned in the subject areas listed below to be eligible for graduation.

Students entering the eighth grade in the 2025- 2026 school year, in order to graduate from a public high school accredited by the State Board of Education with a standard diploma, shall complete a minimum of the following 23 curriculum units or sets of competencies at the secondary level:

4 units of English to include Grammar, Composition, Literature, or any English course;

4 units of mathematics, two of which shall be Algebra I and either Algebra II or Geometry. The other two units may include Algebra II, Geometry, Trigonometry, Math Analysis, Calculus, Statistics, Math of Finance, Computer Science, college courses approved for dual credit, an approved full-time postsecondary career and technology program, or locally approved math-based application course, or any mathematics course with content and/or rigor above Algebra I;

3 units of laboratory science approved for college admission requirements including one unit of life science meeting the standards for Biology I, one unit of physical science meeting the standards for Physical Science, Chemistry or Physics; and one unit from the domains of physical science, life science, or earth and space science, or approved full-time postsecondary career and technology program or locally approved science-based application course, or any course with content and/or rigor above Biology I or Physical Science;

3 units of history and citizenship skills including one unit of American History, ½ unit of Oklahoma History, ½ unit of United States Government, and one unit from the subjects of History, Government, Geography, Economics, Civics or non-Western culture;

6 pathway units which align with the student’s Individual Career and Academic Plan (ICAP) which may include, but are not limited to, any additional math, science, English, history, world or non-English language, computer technology, Junior Reserve Officers’ Training Corp, internship or apprenticeship programs, career and technology education courses, concurrently enrolled courses, advanced placement courses, International Baccalaureate courses approved for college admission requirements, music, art, drama, speech, dance, media arts, or other approved courses; and

3 units of elective courses.

Beginning with the 2024-2025 school year, a student whose parent or legal guardian approves modification of the student’s existing graduation track, subject to school approval, may complete a minimum of 23 curriculum units or sets of competencies at the secondary level as listed above. All other students graduating prior to 2030, in order to graduate from an Oklahoma public school, will be required to complete the “college preparatory/work ready curriculum units or sets of competencies” at the secondary level. A student will be allowed to enroll in the core curriculum in lieu of the requirements of the college preparatory/work ready curriculum upon the written approval of the parent or legal guardian of the student. Current state graduation requirements will be deemed to be the “core curriculum” option. The “college preparatory/work ready curriculum” will include the following:

knowledge in the OAS may, upon approval of the State Board of Education and the school district board of education, be counted for academic credit and toward meeting state graduation requirements.

No student will be allowed to receive credit more than once for completion of the same unit or sets of competencies. All of the above-referenced classes may not be offered by the district. However, sufficient courses shall be offered to allow students to meet the graduation requirements during the secondary grade years of the student.

The remaining units need to consist of coursework designed to meet the individual needs and interests of the student. However, all students in grades nine through twelve are required to enroll in a minimum of six periods, or the equivalent in block scheduling, of rigorous academic and/or rigorous vocational courses each day, which may include arts, vocal and instrumental music, speech classes, and physical education classes.

Students who transfer into this school district from out of state after their junior year of high school shall not be denied, because of differing graduation requirements, the opportunity to be awarded a standard diploma. This applies to students who would be unable to meet the specific graduation requirements listed above without extending the date of graduation. Exception from the graduation requirements will be based on rules established by the State Department of Education. All exceptions and the reasons therefor shall be reported to the State Department of Education on or before July 1 of each year.

All course credit earned through examination by students in required curriculum areas shall be appropriately noted on the student’s transcript and/or student record. Completion may be recorded with a letter grade or pass notation, credits earned by a student through examination in accordance with the provisions of 210:35-27-2 shall be transferrable to or from any other school district within the State of Oklahoma in which the student was enrolled, is currently enrolled, or may be enrolled. Credit for units of secondary coursework in curriculum areas required for graduation count toward meeting the requirements for the high school diploma.

Beginning with the 2015-2016 school year, all students shall be required to receive instruction in cardiopulmonary resuscitation (CPR) and the awareness of the purpose of an automated external defibrillator at least once between ninth grade and high school graduation. A school administrator may waive this requirement for an eligible student who has a disability. A student may also be excused from this requirement if a parent or guardian of the student objects in writing.

~~Students who start ninth grade prior to or during the 2016-2017 school year will be~~ are required to complete an assessment in order to graduate with a standard diploma. The assessment required will be one that is required or has been required by the Oklahoma School Testing Program or an alternate assessment as approved by the superintendent. The highest-achieved score on the assessment and any business and industry-recognized endorsements attained will be reflected on the student’s transcript.

Beginning with ninth graders in the 2021-2022 school year, in order to graduate from a public high school accredited by the State Board of Education, students shall pass the United States naturalization test. The United States naturalization test shall be provided at least once per school year, beginning as early as eighth grade. Students may retake the exam upon request and as often as desired until earning a passing score. A passing score shall be 60 out of 100 questions. The district shall exempt students with disabilities whose individualized education program (IEP), consistent with state law, indicates that the student is to be assessed with alternative achievement standards through the Oklahoma Alternative Assessment Program (OAAP).
