Leading Learning Award January 2026

Dan Bolthouse

Dan is an outstanding member of our facilities team. His dedication, professionalism, and unwavering commitment to supporting our early childhood programs make him an invaluable asset to our organization.

Dan consistently goes above and beyond to meet the needs of even the most complicated programs. He demonstrates remarkable flexibility and problem-solving skills, ensuring that every detail is handled with care. His accommodating nature fosters collaboration and makes it possible for our teams to focus on delivering high-quality outcomes without worrying about logistical challenges.

Whether it's coordinating last-minute adjustments, anticipating potential issues, or simply lending a helping hand, Dan approaches every task with a positive attitude and a strong work ethic. His contributions not only enhance the efficiency of our program but also create a supportive environment. His efforts exemplify the values of dedication, teamwork, and leading learning.

Emily Baxter

Emily Baxter, an ASL interpreter at Crossroads Middle School, consistently models what it means to be a leader of learning. For each of her Deaf and Hard of Hearing students, she goes the extra mile and takes the time to understand their individual language needs. She adjusts her interpreting so that students can have complete access to the lesson. She is patient and committed to helping students feel supported in and out of the classroom.

She works closely with teachers and staff and is always ready to help. She is a valued member of the DHH team at Crossroads, and her work is truly valued!

The Kent ISD School Board held a regular meeting at the Kent Conference Center on Monday, December 15, 2025. President Haidle called the meeting to order at 4:00 p.m.

Members Present: Hamming, Featherston, Schottke, Drake (arrived at 4:22 p.m.), Haidle.
Member Absent:

Kent ISD Staff Present: Superintendent Gorman, Assistant Superintendents Finkel, Philipps, Rodgers, Gardner Myers; Directors Arnold, Bray, Behm, Graham, Hissong, Hofstee, Houtman, Karsten, Larkin, Lienesch, Lillis, Maynard, McClintic, Murphy, Sneider, Verwey; Recording Secretary Lovell; Staff Members: Cinnamon Mellema, Renee Hordyk, Kathryn O'Hara Wallis, Lisa Elders, Lori Reuben

Ayes: Featherston, Schottke, Drake, Hamming, Haidle
Nays: None

Motion declared to have carried.

Upon motion of Member Hamming, supported by Member Schottke, it was resolved to approve the December Budget Amendments as outlined in the board packet. Mr. Philipps shared the major highlights, including transfers to capital project funds, enhancement millage election costs, health insurance expenses, and state retirement funds and costs. Board Members had the opportunity to ask questions.

Ayes: Schottke, Hamming, Featherston, Drake, Haidle
Nays: None

Motion declared to have carried.

President Haidle offered the opportunity for public comment. No comments were given.

President Haidle shared that there is an open seat on the MASB Board of Directors. If any board members are interested, the deadline to submit your application is January 14. President Haidle also provided information about an upcoming K-Connect webinar on December 17 from 12-1:30 p.m., focusing on the impact of state budget cuts.

Superintendent Gorman shared that he attended a press conference this week with Representatives Carol Glanville and Kristian Grant to discuss the recent funding cuts made to the state budget. Currently, \$2 million has been cut from the West Michigan Teacher Collaborative program, along with many other programs that support students and families in Kent County. He will continue to share state budget updates as they become available. Dr. Gorman also thanked Ron Houtman for his strategic plan update and the Communications team for producing a holiday message for staff to be published this Friday.

A motion by Member Featherston, supported by Member Hamming, to move to closed session to conduct the Superintendent’s mid-year progress review. (OMA Sec 8a)

Ayes: Schottke, Hamming, Featherston, Drake, Haidle

Nays: None

Motion declared to have carried.

The board moved to closed session at 4:52 p.m.

The board moved to open session at 5:41 p.m.

Upon motion by Member Drake, supported by Member Hamming, it was resolved to approve the mid-year progress report and to make no changes to Superintendent Gorman’s current goals.

Item: 0.8 FTE Early Intervention Specialist

Submitted by: Alissa Hofstee

Date: December 17, 2025

Recommended by: Kirsten Myers

Board Meeting Date: January 12, 2026

The purpose of this memorandum is to request approval from the Kent ISD Board of Education for the addition of a 0.8 FTE Early Intervention Specialist to address elevated caseloads within Kent ISD Early On services resulting from multiple staff leaves of absence.

Kent ISD's Early On program has experienced increased service demands due to several Early Intervention Specialists being on approved leaves of absence. While these leaves are temporary, the overlap has significantly impacted staffing capacity and resulted in caseloads exceeding recommended practice standards.

Kent ISD is responsible for ensuring the timely provision of early intervention services in accordance with IDEA Part C and Michigan Administrative Rules for Special Education (MARSE). These requirements include timely evaluations, Individualized Family Service Plan (IFSP) development, service delivery, documentation, and ongoing family collaboration.

Administration recommends that the Kent ISD Board of Education approve the addition of a 0.8 FTE Early Intervention Specialist to ensure continued compliance, service quality, and timely support for children and families served by Kent ISD.

POSITION DESCRIPTION

Title: Early Intervention Specialist (SLP, OT, MSW, PT, ECSE teacher) Physical Therapist preferred at this time

Location: Kent ISD – Early On Program

Schedule: Full-time, 182-day position (KIEA contract)

Salary Grade: Per Master Agreement, Subject to all rules and regulations covering KIEA personnel

Reports to: Early On Administrators

Who We Are

At **Kent ISD**, we believe *relationships, learning, equity, opportunity, innovation, service, and excellence* drive everything we do. Our mission is to **partner with schools and communities to create equitable opportunities** that enrich the experiences and achievements of all learners.

Our **Early On** team serves infants and toddlers (birth–3) with developmental delays, disabilities, or established conditions. Our goal is for all enrolled families to feel confident and competent in enhancing their child’s learning and development by providing individualized support and resources.

We are deeply committed to building a diverse, inclusive team that reflects the families and communities we serve. Candidates of color, bilingual professionals, and early career professionals who bring fresh ideas and passion for early intervention are strongly encouraged to apply.

The Role

As an **Early Interventionist**, you’ll serve as a *Primary Service Provider (PSP)* within a transdisciplinary team, using a family-centered, coaching approach. You’ll support families through:

- Developmental evaluations and functional assessments,
- Co-creating Individualized Family Service Plans (IFSPs),
- Partnering with caregivers in homes and community settings to embed strategies into their daily routines
- Collaborating with local districts, healthcare providers, and community agencies to

provide service coordination for the families you serve.

Your work directly impacts families during one of the most meaningful periods in their child's development.

What You'll Do

- Conduct multidisciplinary evaluations for Early On and Early Childhood Special Education (eligibility determinations for IDEA Part C and Part B).
 - Provide home- and community-based intervention using a routines-based, coaching approach.
 - Serve as ongoing **Service Coordinator** for children and families assigned to your caseload
 - Develop and implement IFSPs and support transitions to IEPs as needed.
 - Maintain accurate documentation and ensure compliance with Michigan Part C regulations.
 - Participate in collaborative Primary Service Provider team meetings and continuous professional learning.
 - Facilitate or co-lead **parent education groups** and connect families to community and health resources.
 - Offer guidance and emotional support to families navigating developmental or behavioral differences.
-

What You Bring

- **Master's degree** or higher in Speech-Language Pathology, Occupational Therapy, Physical Therapy, School Social Work, School Psychology, or approved or endorsed Early Childhood Special Education Teacher.
- **Licensure or certification** for the appropriate discipline.
- Knowledge of **child development, family-centered practices,** and **equity-focused service delivery.**
- Strong communication, organization, and collaboration skills.
- Ability to practice cultural humility and promote inclusive practices by approaching families with openness and respect and ensuring that interventions are responsive to the diverse needs of children and families.
- Desire to engage in continuous learning: reflecting on personal biases, participating in ongoing professional development, use of evidenced-based practices, and seek feedback to strengthen culturally responsive practice.
- Enthusiasm to advocate for equity by recognizing and addressing barriers that impact access to early intervention services, and collaborating with families, colleagues, and community partners to promote equitable outcomes.

- Willingness to drive throughout Kent ISD districts and provide services in a variety of natural environments.

What We Offer

- A **mission-driven, equity-centered team** culture that celebrates diverse voices and perspectives.
 - **Mentorship and onboarding support** for new professionals joining the team.
 - **Professional learning opportunities** to grow your expertise in early intervention, coaching, evidence-based practices, and transdisciplinary teaming.
 - Opportunities to contribute to team and community partnerships.
 - Comprehensive benefits and a schedule that honors work-life balance.
-

ENVIRONMENT:

Must be able to drive personal vehicle to home visits, meetings, and community groups throughout Kent ISD. Duties are performed in the child's home and community settings (both indoor and outdoor).

PHYSICAL DEMANDS:

- Physical, mental, and emotional stamina to perform the duties and responsibilities of the position under sometimes stressful conditions.
- Vision sufficient to read printed materials. Seeing to read, prepare and proofread documents and perform assigned duties.
- Hearing and speaking sufficient to exchange information.
- Ascending and descending stairs, kneeling, pushing/pulling, squatting, twisting, turning, bending at the waist, and reaching overhead, above the shoulders and horizontally as needed.
- Dexterity of hands and fingers to operate equipment.
- Sitting on various surfaces (including floor), or standing for extended periods of time.
- Lift up to twenty-five (25) pounds.
- Mental acuity to collect and interpret data, evaluate, reason, define problems, establish facts, draw valid conclusions, make valid judgments and decisions.

ACCOMODATIONS:

Kent ISD is committed to providing equal employment opportunities and will make reasonable accommodations for qualified individuals with disabilities in accordance with the Americans with Disabilities Act (ADA) and applicable state laws. If you require an accommodation to perform the essential functions of this position, please contact Human Resources.

Join Us

If you believe that *every family deserves equitable access to early support* — and you want to grow in a collaborative, innovative, and inclusive environment — we'd love to meet you.

Apply today to join a team that's building thriving communities through meaningful partnerships.

RECOMMENDATION:

Two Additional ISS Positions for Center Programs

Rationale:

- **KEC Oakleigh**
 - A floating ISS Emotional Impairment position is needed to support multiple student needs at KEC Oakleigh, including the increase in support for specific behavior interventions requiring additional adult support.
- **Lincoln School**
 - A floating ISS Autism Spectrum Disorder position is needed and will follow a schedule that allows them to rotate between several of Lincoln's younger autism classrooms. Lincoln has experienced an increase in students referred from their local districts, resulting in greater instructional and behavioral support needs within these classrooms.
 - Although Lincoln School was able to reduce one classroom this past summer due to a decrease in enrollment, the recent increase in student needs has shifted demands. The addition of this floating ISS position will help ensure consistent instruction and targeted support for our younger learners.

Item: 2026-27 Program Calendars

Submitted by: Dave Rodgers

Date: January 6, 2026

Recommended by: Leadership Team

Board Meeting Date: January 12, 2026

RECOMMENDATION:

It is recommended that Board of Education approve the respective 2026-27 program calendars.

- Secondary Programs (KCTC, My School at Kent and Launch U)
- Center Programs
 - Lincoln Pines
 - KEC Oakleigh & Beltline
 - Empower U
- Great Start Readiness Program (GSRP)
- Early On
- Adult Education

Note: the calendar for the DHH (Deaf and Hard of Hearing) Program is not yet known.

These calendars have been reviewed by the appropriate program leaders, have been checked for pupil accounting compliance and have received support by the KIEA leadership. The Secondary Program and Center Program calendars continue to reflect the use of Qualifying Professional Development (QPD) hours to meet the required minimum of 180 student attendance days.

Thank you, and as always, please let me know if you have any questions or concerns.

Item: Regional Anatomage Competition

Submitted by: Craig Weigel 

Date: 12/19/25

Recommended by: Sue Gardner

Board Meeting Date: 1/12/26

RECOMMENDATION:

Requesting approval for 8 students from the KCTC Health Careers Foundations program and 4 advisors to travel to Fort Wayne, IN on February 20, 2026. This is an opportunity for these students to compete at the Regional Anatomage Competition, held at University of Saint Francis.

BACKGROUND:

This year, we are continuing to grow our anatomy club at KCTC, with 40 students participating on a regular basis. We will hold a KCTC tournament on January 28th and take the top 2 KCTC teams to regionals at the University of St. Francis. The anatomy club focuses on student-driven learning and engagement using the Anatomage table and tablet. The Anatomage table and tablets are advanced 3D anatomy teaching tools that let students explore detailed digital models of the human body, making learning more interactive.

While the competition is a big part of the tournament, there are additional learning opportunities provided to students as part of participating in these experiences. In past years, the University of St. Francis students had the opportunity to learn anatomy in collegiate health and microbiology labs facilitated by graduate health science students and university faculty.

We believe participating in this event is a valuable opportunity for students to further their healthcare knowledge and network with other students with a passion for healthcare.

Estimate of Expenses (Acct # 26-1-127-3220-580-0000-06157-0000):

Registration: Free

Food (12 people): \$65/ for 1 day = \$780

Transportation: Instructors will drive 2 KISD pool vehicles. Due to the distance traveled in one day, requesting 2 instructors/vehicle to share driving

Total: \$780

Thank you for your continued support for our students and staff!

Item: Educational Services Center renovation – change order(s)

Submitted by: Russell Bray

Date: 1-5-26

Recommended by: Kevin Philipps

Board Meeting Date: 1-12-26

RECOMMENDATION:

Administration is recommending the Board approve change orders totaling \$623,950 for the ESC renovation project.

BACKGROUND:

In September of 2024, the Board approved a total amount of \$4,836,090 for the ESC renovation project. After subtracting out \$353,693 of projected A/E fees, the total construction costs approved were \$4,482,397. As the project has progressed, various changes and alterations have been made that have increased the cost of the project. A summary of the more significant changes is provided below:

- Addition of a storefront to secure the Business Office
- Changes to wall configurations to accommodate furniture and workspaces
- Alterations to HVAC and Fire Protection systems
- Alterations to wall coverings and finishes
- Camera wiring
- Additional ceiling grid replacements
- Flooring vapor barrier addition on the north side of the building

At this point in the project, Owen Ames Kimball is projecting a total construction cost of \$5,106,347, which includes \$100,000 in contingency funds. The overall increase of the combined change orders and \$100,000 contingency is \$623,950. With the project scheduled to be completed by the end of February, we are hopeful we have captured all potential changes with this request.

The ESC renovation project is being paid from the General Capital Projects Fund.

Item: WAN Hardware Approval Update

Submitted by: Tim Lillis

Recommended by: Glen Finkel

Date: 1.5.2026

Board Meeting Date: 1.12.2026

RECOMMENDATION:

It is recommended that the Kent ISD School Board approve \$124,814.56 in additional funding for the WAN Hardware Refresh project (Approved by Kent ISD school board in April 2025).

BACKGROUND:

Subsequent to project approval by the Kent ISD school board, changes to E-Rate eligibility and funding resulted in a reduction to the anticipated reimbursement for the WAN Hardware Refresh project awarded to the approved vendor, People Driven.

Specifically, the following factors impacted E-Rate funding:

- Certain licensing costs were deemed ineligible
- The E-Rate reimbursement percentage was reduced from 60% to 50%
- Annual support was reduced from three years to one year

As a result, E-Rate did not fund \$124,814.56 of the project cost.

The total bid from People Driven was \$670,089.67 prior to E-Rate discounts. With the originally anticipated Category 1 E-Rate funding applied, Kent ISD's projected cost was approximately \$268,035.87. Due to the E-Rate changes noted above, Kent ISD is now responsible for an additional \$124,814.56.

Item: Approval of Purchase Agreement for Dutton Elementary site

Submitted by: Kevin Philipps

Date: 1-5-26

Recommended by: Kevin Philipps

Board Meeting Date: 1-12-26

RECOMMENDATION:

Administration recommends approval of the attached resolution and purchase agreement with Caledonia Community Schools for the Dutton Elementary site in the amount of \$2,020,000.

BACKGROUND:

Kent ISD and Caledonia administration have worked collaboratively to agree on a proposed sale of Caledonia's Dutton Elementary site. Kent ISD will utilize the property to construct a satellite campus for career technical education programs as well as Empower U programming. The resolution authorizes the purchase of the property from Caledonia and directs the Superintendent of his designee, to execute the purchase agreement and take any other actions required to complete the purchase of the property, including signing closing documents.

CTE Capital Project funds will be used to purchase the property and the cost of the purchase was included in the fall budget amendment.

Attachment(s)

Kent Intermediate School District, Kent County, Michigan (the “ISD”).

A regular meeting of the Board of Education (the “Board”) was held within the boundaries of the ISD, on the 12th day of January, 2026, at 4:00 p.m.

The meeting was called to order by _____, President.

Present: Members

Absent: Members

The following preamble and resolution were offered by Member _____ and supported by Member _____

WHEREAS, the ISD wishes to purchase approximately 14.36 acres of property, commonly known as the former Dutton Elementary School, which is located at 3820 68th Street SE, within the Township of Gaines, Kent County, Michigan (the “Property”) from Caledonia Community Schools (the “Seller”); and

WHEREAS, this Property conveyance is subject to the ISD’s use of the Property for career and technical education programming; and

WHEREAS, the Board has determined that it would be in the best interests of the ISD to purchase the Property from the Seller, subject to Seller’s reversionary interest, which would be triggered in the event the Property is no longer used for career and technical education programming, and under the other terms and conditions contained in the Purchase Agreement, attached hereto and made a part hereof as Attachment “1”.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Board hereby authorizes the purchase of the Property from the Seller.
2. The Board authorizes and directs Ron Gorman, the Superintendent of Schools, or his designee, to execute the Purchase Agreement substantially in the form in Attachment “1” and to make any revisions to the Purchase Agreement not inconsistent with this resolution, and to take any other action to purchase the Property, including signing closing documents, all subject to review and approval by the ISD’s legal counsel.
3. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same are hereby rescinded.

ATTACHMENT "1"

See attached Purchase Agreement.

PURCHASE AGREEMENT

This Purchase Agreement (“Agreement”) is made and entered into this 12th day of January, 2026 (“Effective Date”), by and between **CALEDONIA COMMUNITY SCHOOLS**, a Michigan general powers school district organized and operating under the provisions of the Revised School Code, MCL 380.1, *et seq.*, as amended, whose address is 8948 Kraft Avenue SE, Caledonia, MI 49316 (“Seller”), and **KENT INTERMEDIATE SCHOOL DISTRICT**, a Michigan intermediate school district organized and operating under the provisions of the Revised School Code, MCL 380.601, *et seq.*, as amended, whose address is 2930 Knapp Street, Grand Rapids, MI 49525 (“Purchaser”), for the transfer of real property, known as the former “Dutton Elementary School,” located at 3820 68th Street SE within the Township of Gaines, Kent County, Michigan (Tax Parcel No. 41-22-11-200-105), consisting of approximately 14.36 acres.

I. Property Transferred. The Purchaser shall purchase and receive and the Seller shall sell the property legally described in Exhibit “A” and the buildings thereon and, if any, all easements and all other interests and rights of the Seller which are appurtenant to the real estate, including, but not limited to, all right, title, and interest, if any, of the Seller in and to any land lying in street, road, or avenue in front of, within, or adjacent to, or adjoining such land (collectively, the “Property”). Any personal property remaining in or on the Property upon Closing will be considered abandoned by Seller and belonging to Purchaser.

II. Purchase Price. The Property shall be purchased for the sum of Two Million Twenty Thousand and 00/100 Dollars (\$2,020,000.00) (the “Purchase Price”). The Purchase Price shall be paid by the Purchaser in full in certified funds at Closing.

III. Evidence of Title. The Seller shall, as soon as practical, obtain a commitment for an owner’s policy of title insurance in an amount to be determined by the Purchaser. The title company is the First American Title Insurance Company, 4362 Cascade Road SE, Suite 109, Grand Rapids, MI 49546 (the “Title Company”). Within five (5) days of receipt of the commitment for title insurance, the Purchaser shall notify the Seller of any restrictions, reservations, limitations, easements, liens and other conditions of record (together the “Title Defects”), disclosed in such commitment all Title Defects which would interfere with Purchaser’s proposed use of the Property and are therefore objectionable to the Purchaser. Should the Purchaser notify the Seller of any such Title Defects, the Seller shall have until Closing to cure or remove the same. If such Title Defects are not cured by Closing, the Purchaser may, at the Purchaser’s option, terminate this Agreement, or alternatively, set a date with the Seller to extend the closing date to a mutually agreed upon closing date so as to provide the Seller with an additional opportunity to cure said Title Defects. In the event such Title Defects are not cured by the Closing, or any extension thereof, and the Purchaser elects not to waive its title objections, the Agreement shall be terminated, and neither Party shall have any further obligations with regards to this Agreement.

IV. Closing. The Closing of the sale described herein shall take place at the Title Company that provides the Title Commitment, as required above. Closing shall be held not later than **March 31, 2026**, unless the parties agree in writing to another date (the “Closing”). The Purchaser shall take possession of the Property upon Closing.

V. Inspections; Tests and Zoning Approvals. The Purchaser shall have the right and license to enter upon the Property, upon reasonable advance notice to the Seller, for the purposes of making any and all surveys, appraisals, explorations, soil tests, inspections, environmental reports, wetlands and flood plain evaluations, water and perk tests, mechanical and electrical system inspections and the like, and zoning and rezoning approvals, all of which inspections and approvals shall be completed within sixty (60) days from the Effective Date of this Agreement (the "Inspection Period"). If the Purchaser is not satisfied with the condition of the Property and has not obtained all necessary zoning approvals and so notifies the Seller within the Inspection Period, then the Agreement shall terminate, and except as provided below, neither Party shall have any further obligations with regards to this Agreement.

VI. Environmental Testing. Purchaser will be responsible for any claims, damages, or causes of action that arise out of or in the course of Purchaser's activities on the Property during the Inspection Period. Additionally, Purchaser shall restore the Property to the existing condition before said test or investigations were conducted. This provision shall survive Closing or termination of this Agreement.

VII. Conditions Precedent. In addition to any other conditions contained in this Agreement, the obligation of the Parties to consummate the sale contemplated by this Agreement is subject to the fulfillment of the following conditions prior to Closing:

- (a) Each of the representations or warranties of the Parties will be true and correct as though made again as of the closing date of this Agreement and no representations or warranties will have been violated or breached prior to Closing;
- (b) The Parties will perform and comply with all agreements and conditions required to be performed or complied with as of the date of Closing;
- (c) There will be no material adverse change in the Property, excepting normal wear and tear; and
- (d) No action or proceeding to restrain, prohibit, or declare illegal the transactions contemplated hereby will be pending or threatened, nor will any order restraining or prohibiting the transactions contemplated hereby have been issued by any public authority, governmental agency, or court, nor will any attachments, garnishments, levies, liens, or other litigation have been filed or be in effect regarding the transactions contemplated by this Agreement or the Property

(collectively together, the "Closing Contingencies").

In the event any of the Closing Contingencies have not been satisfied and a Party so notifies the other Party as set forth herein, this Agreement will terminate, and neither Party will have further liability or responsibility thereunder, except as expressly provided herein.

VIII. Closing Costs. The Seller shall pay the transfer tax, if any, and the costs of the title insurance policy. At the Closing, the Purchaser shall pay the recording fees for the Warranty Deed,

and any costs for inspections undertaken by the Purchaser. Also at the Closing, the Purchaser and the Seller shall each pay 1/2 of the Closing costs required by the Title Company to close this transaction.

IX. Warranty Deed. At the Closing, the Seller shall deliver to the Purchaser a Warranty Deed, subject to any and all easements, covenants, and restrictions, in the form attached hereto as Exhibit "B". The Warranty Deed shall transfer all permitted land divisions under the Land Division Act, PA 288 of 1967, as amended. The Warranty Deed will contain language requiring the Purchaser to use the Property for career and technical education programming and when same ceases to be used by Purchaser for that purpose, it shall revert to the Seller. "Career and technical education programming" is defined to mean vocational or occupational instruction for secondary school students during the school day through the Purchaser's common calendar or academic school year. Nothing precludes the Purchaser from using the Property for other uses so long as the Property is also used for career and technical education programming.

X. Environmental Matters. To the best of Seller's knowledge, there is no asbestos or asbestos-containing materials on the Property. Nevertheless, it is the intention and agreement of the Seller and the Purchaser that following the conveyance of the Property to the Purchaser, the Seller shall have no liability or exposure with respect to environmental remediation, if any, required on the Property or with respect to claims of third parties arising out of or based upon exposure, occurring subsequent to such conveyance, to hazardous substances or other conditions in or about the Property, and as stated above, the Purchaser is accepting the Property in its "as is" condition with full liability therefor.

XI. Time of Essence. Time is of the essence with respect to all dates and times set forth in this Agreement.

XII. Taxes. The Seller shall pay all real property taxes, if any, on the Property prior to the date of Closing. The Purchaser shall be responsible for all real property taxes on the Property which become due on or after the date of Closing.

XIII. Special Assessments. Special assessments which are or become a lien on the Property before the date of Closing shall be paid by the Seller. Special assessments which become a lien on the Property on or after the Closing date shall be paid by the Purchaser.

XIV. Disclaimer of Warranties. At closing, the Purchaser shall confirm in writing that it has conducted all inspections which, in its sole discretion, it has determined necessary to establish the condition of the property and takes the property "as is" and in its present condition. The purchaser will execute the Purchaser's statement that is attached as Exhibit "C" (the Purchaser's Statement).

XV. Attorney's Opinion. The Purchaser acknowledges that the Seller has recommended that the Purchaser retain an attorney to pass on the marketability of the title to the Property and to review the details of the sale before the Closing.

XVI. Notices. All notices required or given under this Agreement shall be in writing and either delivered personally or mailed by regular mail addressed to the parties at their addresses specified above. Mailed notices shall be effective upon mailing.

XVII. Whole Agreement. This Agreement constitutes the entire agreement between the parties and shall be deemed to supersede and cancel any other agreement between the parties relating to the transactions herein contemplated. Each party acknowledges that no representation, inducement, or condition not set forth herein has been made or relied upon by either party.

XVIII. Amendments. This Agreement may be amended or modified only by a document in writing executed by each of the parties named above.

XIX. Successors and Assigns. This Agreement shall bind and benefit the parties hereto and their respective successors and assigns.

XX. Governing Law. This Agreement shall be construed in accordance with and governed by the laws of the State of Michigan.

XXI. Counterpart Signatures. This Agreement may be executed in one or more counterparts, including facsimile copies, each of which shall be deemed an original, but all of which shall together constitute one and the same instrument
