Dr. Richard K. Nye, Superintendent  
Granite School District  
2500 South State Street  
Salt Lake City, UT 84115

Dear Dr. Nye:

The request has been made for the Board of Education to approve an exception to the overnight student travel policy for Hunter High School and Kearns High School Speech and Debate teams to attend the National Catholic Forensic League Tournament in Chicago, Illinois, May 24-28, 2024. As an action item at the Board of Education Meeting on March 19, 2024, we respectfully ask that the Board consider this request.

Our current policy limits the locations that students can travel. In order for the students to attend this event, they would be traveling to a location that is not allowed in the current policy.

If you have any further questions, please let me know.

Sincerely,
