Note: State law requires boards of education to conduct employment history reviews before offering employment to an applicant for a position, including any position that is contracted for, if such applicant would have direct student contact. In conducting this review, boards of education are required to send an Educational Employer Verification form to an applicant’s previous employers. Among other information, the form requests an employer to disclose whether the applicant (1) has been the subject of an allegation of abuse or neglect or sexual misconduct for which there is an investigation pending with any employer, state agency, or municipal police department or which has been substantiated; (2) was disciplined or asked to resign from employment or resigned from or otherwise separated from any employment while an allegation of abuse or neglect or sexual misconduct was pending or under investigation, or due to a substantiation of abuse or neglect or sexual misconduct; or (3) has ever had a professional or occupational license, certificate, authorization or permit suspended or revoked or has ever surrendered such a license, certificate, authorization or permit while an allegation of abuse or neglect or sexual misconduct was pending or under investigation, or due to a substantiation of abuse or neglect or sexual misconduct. Public Act 24-41 amends this requirement and specifies that an applicants’ previous employers are not required to disclose information about a substantiated allegation of abuse or neglect or sexual misconduct if the substantiation was reversed as a result of an appeal to the Department of Children and Families (“DCF”). We have revised this policy in light of that change.

S & G also revised the policy to clarify a board of education’s responsibilities under the Fair Credit Reporting Act when deciding whether to take adverse actions against prospective employees.

The current policy is from S & G, therefore, this is a revised policy. It has been reviewed by the Director of Human Resources.

Applicants shall not be required to disclose any arrest, criminal charge or conviction that has been erased. An employment application form that contains any question concerning the criminal history of the applicant shall contain the following notice, in clear and conspicuous language:

In addition, the District shall conduct an employment history check for each applicant for a position, as set forth below.

I. Employment History Check Procedures

A. The District shall not offer employment to an applicant for a position, including any position that is contracted for, if such applicant would have direct student contact, prior to the District:

1. Requiring the applicant:

a. to list the name, address, and telephone number of each current employer or former employer (please note the definition of “former employer” above, including the applicable twenty year reporting period) during any of the previous twenty years, if:

(i) such current or former employer is/was a local or regional board of education, council of a state or local charter school, interdistrict magnet school operator, or a supervisory agent of a nonpublic school, and/or

- b. a statement as to whether the employer has knowledge that the applicant:

 - (ii) was disciplined or asked to resign from employment or resigned from or otherwise separated from any employment while an allegation of abuse or neglect or sexual misconduct was pending or under investigation, or due to a substantiation of abuse or neglect or sexual misconduct, unless such substantiation was reversed as a result of an appeal to DCF; or

Such review may be conducted telephonically or through written communication. Notwithstanding the provisions of subsection (g) of Conn. Gen. Stat. § 31-51i, not later than five (5) business days after the District receives a request for such information about an employee or former employee, the District shall respond with such information. The District may request more information concerning any response made by a current or former employer for information about an applicant, and, notwithstanding subsection (g), such employer shall respond not later than five (5) business days after receiving such request.

3. Requesting information from the Department concerning:

- a. the eligibility status for employment of any applicant for a position requiring a certificate, authorization or permit,
- b. whether the Department has knowledge that a finding has been substantiated by DCF pursuant to Conn. Gen. Stat. § 17a-101g of abuse or neglect or of sexual misconduct against the applicant and any information concerning such a finding, and
- c. whether the Department has received notification that the applicant has been convicted of a crime or of criminal charges pending against the applicant and any information concerning such charges.

- B. Notwithstanding the provisions of subsection (g) of Conn. Gen. Stat. § 31-51i, if the District receives information that an applicant for a position with or an employee of the District has been disciplined for a finding of abuse or neglect or sexual misconduct, it shall notify the Department of such information.
- C. The District shall not employ an applicant for a position involving direct student contact who does not comply with the provisions of paragraph I.A.1 of this policy.
- D. The District may employ or contract with an applicant on a temporary basis for a period not to exceed ninety (90) calendar days, pending the District's review of information received under this section, provided:
 - 1. The applicant complied with paragraph I.A.1 of this policy;
 - 2. The District has no knowledge of information pertaining to the applicant that would disqualify the applicant from employment with the District; and
 - 3. The applicant affirms that the applicant is not disqualified from employment with the District.
- E. The District shall not enter into a collective bargaining agreement, an employment contract, an agreement for resignation or termination, a severance agreement, or any other contract or agreement or take any action that:
 - 1. Has the effect of suppressing information relating to an investigation of a report of suspected abuse or neglect or sexual misconduct by a current or former employee;
 - 2. Affects the ability of the District to report suspected abuse or neglect or sexual misconduct to appropriate authorities; or
 - 3. Requires the District to expunge information about an allegation or a finding of suspected abuse or neglect or sexual misconduct from any documents maintained by the District, unless, after investigation, such allegation is dismissed or found to be false.
- F. The District shall not offer employment to a person as a substitute teacher, unless such person and the District comply with the provisions of paragraph I.A.1 of this policy. The District shall determine which such persons are employable as substitute teachers and maintain a list of such persons. The District shall not hire any person as a substitute teacher who is not on such list. Such person shall remain on such list as long as such person is continuously employed by the District as a substitute teacher, as described in paragraph III.B.2 of this policy, provided the District does not have any knowledge of a reason that such person should be removed from such list.
- G. In the case of an applicant who is a contractor, the contractor shall require any employee with such contractor who would be in a position involving direct student contact to supply to such contractor all the information required of an applicant under paragraphs I.A.1.a and I.A.1.c of this policy and a written authorization under paragraph I.A.1.b of this policy. Such contractor shall contact any current

or former employer (please note the definition of “former employer” above, including the applicable twenty year reporting period) of such employee that was a local or regional board of education, council of a state or local charter school, interdistrict magnet school operator, or a supervisory agent of a nonpublic school, or if the employee’s employment with such current or former employer caused the employee to have contact with children, and request, either telephonically or through written communication, any information concerning whether there was a finding of abuse or neglect or sexual misconduct against such employee. Notwithstanding the provisions of subsection (g) of Conn. Gen. Stat. § 31-51i, such employer shall report to the contractor any such finding, either telephonically or through written communication. If the contractor receives any information indicating such a finding or otherwise receives any information indicating such a finding or otherwise has knowledge of such a finding, the contractor shall, notwithstanding the provisions of subsection (g) of Conn. Gen. Stat. § 31-51i, immediately forward such information to the District, either telephonically or through written communication. If the District receives such information, it shall determine whether such employee of the contractor may work in a position involving direct student contact at any school in the District. No determination by the District that any such employee of the contractor shall not work under any such contract in any such position shall constitute a breach of such contract.

- H. Any applicant/employee who knowingly provides false information or knowingly fails to disclose information required in subdivision (1) of subsection (A) of this section shall be subject to discipline by the District that may include:
 - 1. denial of employment, or
 - 2. termination of the contract of a certified employee, in accordance with the provisions of Conn. Gen. Stat. § 10-151, or
 - 3. termination of a non-certified employee in accordance with applicable law and/or any applicable collective bargaining agreement, contract or District policy.
- I. If the District provides information in accordance with paragraph I.A.2 or I.G of this policy, the District shall be immune from criminal and civil liability, provided the District did not knowingly supply false information.
- J. Notwithstanding the provisions of Conn. Gen. Stat. § 10-151c and subsection (g) of Conn. Gen. Stat. § 31-51i, the District shall provide, upon request by another local or regional board of education, governing council of a state or local charter school, interdistrict magnet school operator, or supervisory agent of a nonpublic school for the purposes of an inquiry pursuant to paragraphs I.A.2 or I.G of this policy or to the Commissioner of Education pursuant to paragraph I.B of this policy any information that the District has concerning a finding of abuse or neglect or sexual misconduct by a subject of any such inquiry.
- K. Prior to offering employment to an applicant, the District shall make a documented good faith effort to contact each current and any former employer (please note the definition of “former employer” employer above, including the applicable twenty year reporting period) of the applicant that was a local or regional board of

education, governing council of a state or local charter school, interdistrict magnet school operator, or supervisory agent of a nonpublic school, or if the applicant's employment with such current or former employer caused the applicant to have contact with children in order to obtain information and recommendations that may be relevant to the applicant's fitness for employment. Such effort, however, shall not be construed to require more than three telephonic requests made on three separate days.

- L. The District shall not offer employment to any applicant who had any previous employment contract terminated by a local or regional board of education, council of a state or local charter school, interdistrict magnet school operator, or a supervisory agent of a nonpublic school, or who resigned from such employment, if the person has been convicted of a violation of Conn. Gen. Stat. § 17a-101a, when an allegation of abuse or neglect or sexual assault has been substantiated.

II. DCF Registry Checks

Prior to hiring any person for a position with the District, and before a student who is enrolled in a teacher preparation program in the District, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience with the District, begins such student teaching experience, the District shall require such applicant or student to submit to a records check of information maintained on the Registry concerning the applicant.

The District shall request information from the Registry promptly, and in any case no later than thirty (30) calendar days from the date of employment. Registry checks will be processed according to the following procedure:

- A. No later than ten (10) calendar days after the Superintendent or the Superintendent's designee has notified a job applicant of a decision to offer employment to the applicant, or as soon thereafter as practicable, the Superintendent or the Superintendent's designee will either obtain the information from the Registry or, if the applicant's consent is required to access the information, will supply the applicant with the release form utilized by DCF for obtaining information from the Registry.
- B. If consent is required to access the Registry, no later than ten (10) calendar days after the Superintendent or the Superintendent's designee has provided the successful job applicant with the form, the applicant must submit the signed form to DCF, with a copy to the Superintendent or the Superintendent's designee. Failure of the applicant to submit the signed form to DCF within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.
- C. Upon receipt of Registry information indicating previously undisclosed information concerning abuse or neglect investigations concerning the successful job applicant/employee, the Superintendent or the Superintendent's designee will notify the affected applicant/employee in writing of the results of the Registry check and will provide an opportunity for the affected applicant/employee to respond to the results of the Registry check.

- D. If notification is received by the Superintendent or the Superintendent's designee that the applicant is listed as a perpetrator of abuse or neglect on the Registry, the Superintendent or the Superintendent's designee shall provide the applicant with an opportunity to be heard regarding the results of the Registry check. If warranted by the results of the Registry check and any additional information provided by the applicant, the Superintendent or the Superintendent's designee shall revoke the offer of employment and/or terminate the applicant's employment if the applicant has already commenced working for the District.

III. Criminal Records Check Procedure

- A. Each person hired by the District shall be required to submit to state and national criminal records checks within thirty (30) calendar days from the date of employment. Each student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience with the District, shall be required to submit to state and national criminal records checks within sixty (60) calendar days from the date such student begins to perform such student teaching experience. Record checks will be processed according to the following procedure:*
1. No later than five (5) calendar days after the Superintendent or the Superintendent's designee has notified a job applicant of a decision to hire the applicant, or as soon thereafter as practicable, the Superintendent or the Superintendent's designee will provide the applicant with a packet containing all documents and materials necessary for the applicant to be fingerprinted. This packet shall also contain all documents and materials necessary for the police department to submit the completed fingerprints to the State Police Bureau of Identification for the processing of state and national criminal records checks. The Superintendent or the Superintendent's designee will also provide each applicant with the following notifications before the applicant obtains the applicant's fingerprints: (1) Agency Privacy Requirements for Noncriminal Justice Applicants; (2) Noncriminal Justice Applicant's Privacy Rights; (3) and the Federal Bureau of Investigation, United States Department of Justice Privacy Act Statement.
 2. No later than ten (10) calendar days after the Superintendent or the Superintendent's designee has provided the successful job applicant with the fingerprinting packet, the applicant must arrange to be fingerprinted. Failure of the applicant to have the applicant's fingerprints taken within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.
 3. Any person for whom criminal records checks are required to be performed pursuant to this policy must pay all fees and costs associated with the fingerprinting process and/or the submission or processing of the requests for criminal records checks. Fees and costs associated with the fingerprinting process and the submission and process of requests are waived for student teachers, in accordance with state law.

4. Upon receipt of a criminal records check indicating a previously undisclosed conviction, the Superintendent or the Superintendent's designee will notify the affected applicant/employee in writing of the results of the record check and will provide an opportunity for the affected applicant/employee to respond to the results of the criminal records check. The affected applicant/employee may notify the Superintendent or the Superintendent's designee in writing within five (5) calendar days that the affected applicant/employee will challenge such individual's criminal history records check. Upon written notification to the Superintendent or the Superintendent's designee of such a challenge, the affected applicant/employee shall have ten (10) calendar days to provide the Superintendent or the Superintendent's designee with necessary documentation regarding the affected applicant/employee's record challenge. The Superintendent or the Superintendent's designee may grant an extension to the preceding ten-day period during which the affected applicant/employee may provide such documentation for good cause shown.
5. Decisions regarding the effect of a conviction upon an applicant/employee, whether disclosed or undisclosed by the applicant/employee, will be made on a case-by-case basis. Notwithstanding the foregoing, the falsification or omission of any information on a job application or in a job interview, including but not limited to information concerning criminal convictions or pending criminal charges, shall be grounds for disqualification from consideration for employment or discharge from employment.
6. Notwithstanding anything in paragraph III.A.5 of this policy, above, no decision to deny employment or withdraw an offer of employment on the basis of an applicant/employee's criminal history record shall be made without affording the applicant/employee the opportunities set forth in paragraph III.A.4 of this policy, above.

B. Criminal Records Check for Substitute Teachers:

A substitute teacher who is hired by the District must submit to state and national criminal history records checks according to the procedures outlined above, subject to the following:

1. If the state and national criminal history records checks for a substitute teacher have been completed within one year prior to the date the District hired the substitute teacher, and if the substitute teacher arranged for such prior criminal history records checks to be forwarded to the Superintendent or the Superintendent's designee, then the substitute teacher will not be required to submit to another criminal history records check at the time of such hire.
2. If a substitute teacher submitted to state and national criminal history records checks upon being hired by the District, then the substitute teacher will not be required to submit to another criminal history records check so long as the substitute teacher is continuously employed by the District, that is, employed for at least one day of each school year, by the District,

provided a substitute teacher is subjected to such checks at least once every five years.

IV. Sex Offender Registry Checks

District personnel shall cross-reference the Connecticut Department of Public Safety's sexual offender registry prior to hiring any new employee and before a student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience with the District, begins such student teaching experience. Registration as a sexual offender constitutes grounds for denial of employment opportunities and opportunities to perform student teaching experiences in the District.

V. Notice of Conviction

If, at any time, the District receives notice of a conviction of a crime by a person holding a certificate, authorization or permit issued by the State Board of Education, the District shall send such notice to the State Board of Education. In complying with this requirement, the District shall not disseminate the results of any national criminal history records check.

VI. School Nurses

School nurses or nurse practitioners appointed by, or under contract with, the District shall also be required to submit to a criminal history records check in accordance with the procedures outlined above.

VII. Personal Online Accounts

For purposes of this policy, "personal online account" means any online account that is used by an employee or applicant exclusively for personal purposes and unrelated to any business purpose of the District, including, but not limited to, electronic mail, social media and retail-based Internet web sites. "Personal online account" does not include any account created, maintained, used or accessed by an employee or applicant for a business purpose of the District.

A. During the course of an employment check, the District may not:

1. request or require that an applicant provide the District with a user name and password, password or any other authentication means for accessing a personal online account;
2. request or require that an applicant authenticate or access a personal online account in the presence of District personnel; or
3. require that an applicant invite a supervisor employed by the District or accept an invitation from a supervisor employed by the District to join a group affiliated with any personal online account of the applicant.

B. The District may request or require that an applicant provide the District with a user name and password, password or any other authentication means for accessing:

Agency Privacy Requirements for Noncriminal Justice Applicants

Authorized governmental and non-governmental agencies/officials that conduct a national fingerprint-based criminal history record check on an applicant for a noncriminal justice purpose (such as employment or a license, immigration or naturalization matter, security clearance, or adoption) are obligated to ensure the applicant is provided certain notices and that the results of the check are handled in a manner that protects the applicant’s privacy. All notices must be provided in writing.¹ These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.), Section 552a, and Title 28, Code of Federal Regulations (CFR), Section 50.12, among other authorities.

- Officials must ensure that each applicant receives an adequate written FBI Privacy Act Statement (dated 2013 or later) when the applicant submits the applicant’s fingerprints and associated personal information.²
- Officials must advise all applicants in writing that procedures for obtaining a change, correction, or update of an FBI criminal history record are set forth at 28 CFR 16.34. Information regarding this process may be found at <https://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- Officials must provide the applicant the opportunity to complete or challenge the accuracy of the information in the FBI criminal history record.
- Officials should not deny the employment, license, or other benefit based on information in the FBI criminal history record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.
- Officials must use the criminal history record for authorized purposes only and cannot retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Council.³

The FBI has no objection to officials providing a copy of the applicant’s FBI criminal history record to the applicant for review and possible challenge when the record was obtained based on positive fingerprint identification. If agency policy permits, this courtesy will save the applicant the time and additional FBI fee to obtain the applicant’s record directly from the FBI by following the procedures found at 28 CFR 16.30 through 16.34. It will also allow the officials to make a more timely determination of the applicant’s suitability.

Each agency should establish and document the process/procedures it utilizes for how/when it gives the applicant the FBI Privacy Act Statement, the 28 CFR 50.12 notice, and the opportunity to correct the applicant’s record. Such documentation will assist State and/or FBI auditors during periodic compliance reviews on use of FBI criminal history records for noncriminal justice purposes.

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for a job or license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing.⁴ These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulations (CFR), 50.12, among other authorities.

- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and associated person information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated information and whether your fingerprints and associated information will be searched, shared, or retained.⁵
- You must be advised in writing of the procedures for obtaining a change, correction, or updating of your criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your FBI criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the FBI criminal history record.
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI by submitting a request via <https://www.edo.cjis.gov>. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁶

Note: During the 2021 Legislative Session, the General Assembly passed Public Act 21-92, which has been codified at Connecticut General Statutes Section 10-212i. The new law requires local and regional boards of education, in consultation with local emergency medical services providers and allied health professionals, to develop and implement an emergency action plan for responding to serious and life-threatening sports-related injuries that occur during interscholastic and intramural athletic events. This policy outlines the requirements of such plan, but the particular components of any such plan will be district-specific and should be developed with medical professionals, as required by law.

- 7) A description of the protocols to be followed when a student suffers from a traumatic brain injury or spinal cord injury, provided such protocols are designed to include instructions that are based on the level of training of the person implementing the emergency action plan and are in accordance with best practices and state law; and
- 8) A description of the protocols to be followed in the event of heat and cold-related emergencies, provided such protocols are in accordance with current professional standards.

In developing the emergency action plan, the Administration may also consult recommendations from the governing authority for intramural and interscholastic athletics.

The Board shall annually review such emergency action plan and authorize the Administration to update such plan, as necessary. Any school employee, coach or licensed athletic trainer identified in the emergency action plan shall (1) annually rehearse such emergency action plan, and (2) be certified in cardiopulmonary resuscitation and have completed a course in first aid offered by the American Red Cross, the American Heart Association, the Department of Public Health, any director of health, or an organization using guidelines for first aid published by the American Heart Association and the American Red Cross.

Note: During the 2021 Legislative Session, the General Assembly passed Public Act 21-87, which has been codified at Connecticut General Statutes Section 10-149h. Beginning with the 2022-2023 school year, the new law requires any person who holds a coaching permit issued by the State Board of Education and who coaches intramural or interscholastic athletics to (1) complete an exertional heat illness awareness education program before beginning coaching for the season, and (2) review such program annually before the start of each coaching season. The new law also requires local and regional boards of education to implement a model exertional heat illness awareness plan developed by the Connecticut Interscholastic Athletics Conference (“CIAC”). Beginning with the 2022-2023 school year, the new law further requires boards to prohibit a student-athlete from participating in intramural or interscholastic athletics unless the student and the student’s parent or guardian read or view training materials or attend an in-person training. The parent or guardian must also sign an informed consent form, issued by the applicable board of education, acknowledging compliance with this requirement.

This is a best practice policy. Training and implementation of an exertional heat illness awareness education program are mandatory. This policy is new to NPS and it was reviewed by the Athletic Director.

Such program shall include, but need not be limited to, (1) the recognition of the symptoms of an exertional heat illness, (2) the means of obtaining proper medical treatment for a person suspected of having an exertional heat illness, and (3) the nature and risk of exertional heat illness, including the danger of continuing to engage in athletic activity after sustaining exertional heat illness and the proper method of allowing a student athlete who has sustained exertional heat illness to return to athletic activity.

Any person who holds or is issued a coaching permit by the State Board of Education and is a coach of Board intramural or interscholastic athletics shall annually review the Program.

Upon development by the governing authority for intramural and interscholastic athletics of a model exertional heat illness awareness plan, the Board shall implement such plan by utilizing written materials, online training or videos or in-person training that shall address, at a minimum: (1) the recognition of signs or symptoms of exertional heat illness, (2) the means of obtaining proper medical treatment for a person suspected of an exertional heat illness, (3) the nature and risks of exertional heat illness, including the danger of continuing to engage in athletic activity after experiencing exertional heat illness, (4) the proper procedures for

allowing a student athlete who has experienced exertional heat illness to return to athletic activity, and (5) best practices in the prevention and treatment of exertional heat illness.

The Board shall provide each participating student and each participating student's parent or legal guardian with information regarding exertional heat illness awareness. The Board shall prohibit a student athlete from participating in any intramural or interscholastic activity unless the student athlete, and a parent or guardian of such student athlete, (1) reads written materials, (2) views online training or videos, or (3) attends in-person training regarding exertional heat illness awareness. Acknowledgment of adherence to this standard by the student athlete and the parent or guardian shall be made by the parent's or guardian's signature on an athletic participation informed consent form issued by the Board.

REPORTS OF SUSPECTED ABUSE OR NEGLECT OF ADULTS WITH AN INTELLECTUAL DISABILITY OR AUTISM SPECTRUM DISORDER

Section 46a-11b of the Connecticut General Statutes requires that certain school personnel report any suspected abuse or neglect of persons between eighteen (18) and sixty (60) years of age who: 1) have an intellectual disability or 2) receive funding or services from the Department of Social Services' ("DSS") Division of Autism Spectrum Disorder Services. In furtherance of this statute and its purpose, it is the policy of the Newtown Board of Education (the "Board") to require ALL EMPLOYEES of the Board to comply with the following procedures in the event that, in the ordinary course of their employment or profession, they have reasonable cause to suspect that a person with an intellectual disability or an individual receiving funding or services from DSS' Division of Autism Spectrum Disorder Services between eighteen (18) and sixty (60) years of age has been abused or neglected.

1. Scope of Policy

This policy applies not only to employees who are required by law to report suspected abuse and/or neglect of adults with intellectual disabilities, but also to ALL EMPLOYEES of the Board.

2. Definitions

For the purposes of this policy:

"Abuse" means the willful infliction of physical pain or injury or the willful deprivation by a caretaker of services which are necessary to the person's health or safety.

"Neglect" means a situation where a person with an intellectual disability either is living alone and is not able to provide for himself or herself the services

which are necessary to maintain his or her physical and mental health, or is not receiving such necessary services from the caretaker.

"Statutorily Mandated Reporter" means an individual required by Conn. Gen. Stat. Section 46a-11b to report suspected abuse and/or neglect of adults with intellectual disabilities. In the public school context, the term "statutorily mandated reporter" includes teachers, school administrators, school guidance counselors, paraprofessionals, licensed behavior analysts, registered or licensed practical nurses, psychologists, social workers, licensed or certified substance abuse counselors, mental health professionals, physical therapists, occupational therapists, dental hygienists, speech pathologists, and licensed professional counselors.

3. Reporting Procedures for Statutorily Mandated Reporters

If a statutorily mandated reporter has reasonable cause to suspect or believe that any person with an intellectual disability, or any individual who receives funding or services from DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the mandated reporter shall, as soon as practicable, but not later than forty-eight (48) hours after having reasonable cause to suspect abuse or neglect, make an oral report to:

Abuse Investigation Division
Department of Developmental Services ("DDS")
460 Capitol Avenue
Hartford, Connecticut 06106
Telephone: 1-844-878-8923

An unsuccessful attempt to make an initial report to DDS on the weekend, holiday, or after business hours shall not be construed as a violation of this policy or applicable law if the mandatory reporter makes reasonable attempts to make such report as soon as practicable after the initial attempt. For purposes of this policy, "reasonable attempts" means documented efforts to contact DDS by phone, electronic mail or in person.

The statutorily mandated reporter shall also immediately notify the Superintendent.

Such initial oral report shall be followed by a written report to the Abuse Investigation Division of DDS not later than five calendar days after the initial oral report was made, and a copy of any written report shall be given to the Superintendent.

4. Reporting Procedures for Non-Statutorily Mandated Reporters

The following procedures apply only to employees who are not statutorily mandated reporters, as set forth above.

- a) If an employee who is not a statutorily mandated reporter has reasonable cause to suspect that any person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the following steps shall be taken.
 - (1) The employee shall as soon as practicable, but not later than forty-eight (48) hours after having reasonable cause to suspect abuse or neglect, make an oral report by telephone or in person to the Superintendent of Schools or his/her designee, to be followed by an immediate written report to the Superintendent or his/her designee.
 - (2) If the Superintendent or his/her designee determines that there is reasonable cause to suspect or believe that any person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years has been abused or neglected, the Superintendent or designee shall cause reports to be made in accordance with the procedures set forth for statutorily mandated reporters, set forth above.
- b) Nothing in this policy shall be construed to preclude an employee from reporting suspected abuse and/or neglect of adults with intellectual disabilities, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, directly to the Abuse Investigation Division of DDS.

5. Contents of Report

Any oral or written report made pursuant to this policy shall contain the following information, if known:

- a) the name and address of the allegedly abused or neglected person;
- b) a statement from the reporter indicating a belief that the person is intellectually disabled or receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, together with information indicating that the person is unable to protect himself or herself from abuse or neglect;
- c) information concerning the nature and extent of the abuse or neglect; and
- d) any additional information that the reporter believes would be helpful in investigating the report or in protecting the person with an intellectual

disability or who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services.

6. Investigation of the Report

If the suspected abuser is a school employee, the Superintendent shall thoroughly investigate the report, and shall, to the extent feasible, endeavor to coordinate any such investigation with the investigation conducted by the Abuse Investigation Division of DDS.

The Superintendent's investigation shall include an opportunity for the suspected abuser to be heard with respect to the allegations contained within the report. During the course of an investigation of suspected abuse by a school employee, the Superintendent may suspend the employee with pay or may place the employee on administrative leave with pay, pending the outcome of the investigation.

If the investigation by the Superintendent and/or the Abuse Investigation Division of DDS produces evidence that a person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, has been abused by a school employee, the Superintendent and/or the Board, as appropriate, may take disciplinary action, up to and including termination of employment.

7. Delegation of Authority by Superintendent

The Superintendent may appoint a designee for the purposes of receiving and making reports, notifying and receiving notification, or investigating reports pursuant to this policy.

8. Disciplinary Action for Failure to Follow Policy

Any employee who fails to comply with the requirements of this policy shall be subject to discipline, up to and including termination of employment.

9. Non-discrimination Policy

The Board shall not discharge or in any manner discriminate or retaliate against any employee who, in good faith, makes a report pursuant to this policy, or testifies or is about to testify in any proceeding involving abuse or neglect.

**POLICY AND ADMINISTRATIVE REGULATIONS
ADDRESSING ENROLLMENT IN AN ADVANCED COURSE OR
PROGRAM AND CHALLENGING CURRICULUM**

The Newtown Board of Education (the “Board”) understands the importance of providing opportunities for students to enroll in an advanced course or program and offering students challenging curriculum in the Newtown Public Schools (the “District”). In accordance with Connecticut law, this policy shall explain the manner in which the District determines eligibility for enrollment in advanced courses or programs and creates academic plans for students in the District.

I. Definitions

For purposes of this policy:

"Advanced course or program" means an honors class, advanced placement class, International Baccalaureate program, Cambridge International program, dual enrollment, dual credit, early college or any other advanced or accelerated course or program offered by the Board in grades nine to twelve, inclusive.

“Advanced placement” program is a program authorized by the College Board that offers college-level courses and exams that students take in high school.

“Cambridge International program” is an internationally recognized academic program for students aged five (5) to nineteen (19). High school level courses, available only through approved Cambridge International Schools, provide students the opportunity to earn postsecondary credit that is accepted by colleges in the United States and abroad.

“Dual credit/Dual enrollment” courses are college courses offered by high schools in partnership with a college or university. Students taking these courses in high

school are simultaneously enrolled with the partner higher education institution. Students who successfully complete a dual credit/dual enrollment course earn credit toward high school graduation as well as college course credit that appears on a student transcript issued by a college or university.

“International Baccalaureate (“IB”) program” is a program that offers international education through four programs for students aged three (3) to nineteen (19). The four programs are: Primary Years, Middle Years, Diploma Program, and Career-related Program. Schools must be authorized to teach IB programs. Every authorized school is known as an IB World School.

"Prior academic performance" means the course or courses that a student has taken, the grades received for such course or courses and a student's grade point average.

II. Eligibility Criteria

Consistent with state law, the District will identify students in grades eight and nine who may be eligible to take or enroll in an advanced course or program. Students will be eligible to enroll in advanced courses or programs throughout their high school career, even if they are not identified as eligible in grades eight or nine.

Eligibility for enrollment in an advanced course or program shall not be based exclusively on a student’s prior academic performance. There are multiple methods by which a student may satisfy the eligibility criteria for enrollment in an advanced course or program, including:

- Recommendations from teachers, administrators, school counselors or other school personnel.
- A student’s prior academic performance, as determined by evidence-based indicators of how a student will perform in an advanced course or program.
- Grade Point Average (GPA) improvement over time.
- Student interests and persistence.
- The District administration may, in its discretion, identify and publicize additional criteria, including but not limited to student or parent request. Any such criteria shall be established prior to the commencement of an academic term.

III. Creation of an Academic Plan/Challenging Curriculum

The District will create an academic plan for each student who is identified in grade eight or nine as eligible for enrollment in an advanced course or program. Such plan will be designed to enroll the student in one or more advanced courses or programs and allow the student to earn college credit or result in career readiness. Such academic plan will also be aligned with:

- The courses or programs offered by the Board,
- The student’s student success plan, created pursuant to Conn. Gen. Stat. § 10-221a(j),
- High school graduation requirements, and

- Any other policies or standards adopted by the Board relating to the eligibility for student enrollment in advanced courses or programs.

The academic plan may be part of the student’s success plan, which plan is required for each student by Conn. Gen. Stat. §10-221a. A student, or the student’s parent or guardian, may decline to implement the provisions of an academic plan created for such student.

IV. Guiding Principles and Implementation

The Board recognizes that course access and academic planning should be guided by considerations beyond traditional course eligibility criteria. Specifically, the Board recognizes that academic achievement and engagement in middle school are strong precursors to high school success. In addition, the Board recognizes the importance of engaging with a student’s parents and/or guardians throughout the student’s educational experience, reducing barriers to opportunities for advanced courses and programs, and providing a wide range of advanced courses that appeal to students with various interests.

The District will utilize practices designed to ensure that eligibility for enrollment in an advanced course or program, including appropriate evaluation and testing procedures, do not screen out students who are English learners/multilingual learners because of their limited English proficiency unless an advanced or specialized program is demonstrated to require proficiency in English for meaningful participation.

The Superintendent or designee shall be responsible for implementing this policy and developing procedures in furtherance of this policy and in accordance with guidance provided by the Connecticut State Department of Education.

**ADMINISTRATIVE REGULATIONS ADDRESSING ENROLLMENT IN AN
ADVANCED COURSE OR PROGRAM AND CHALLENGING CURRICULUM**

The Newtown Board of Education (the “Board”) understands the importance of providing opportunities for students to enroll in an advanced course or program and offering students challenging curriculum in the Newtown Public Schools (the “District”). In accordance with the Board’s Policy Addressing Enrollment in an Advanced Course or Program and Challenging Curriculum, the administration adopts the following regulations:

1. The District will identify students in grades eight and nine who may be eligible to take or enroll in an advanced course or program. Students will be eligible to enroll in advanced courses or programs throughout their high school career, even if they are not identified as eligible in grades eight or nine.
2. Eligibility for enrollment in an advanced course or program shall be based on the following:
 - Recommendations from teachers, administrators, school counselors or other school personnel.
 - A student’s prior academic performance, as determined by evidence-based indicators of how a student will perform in an advanced course or program.
 - Grade Point Average (GPA) improvement over time.
 - Student interests and persistence.
 - The District administration may, in its discretion, identify and publicize additional criteria, including but not limited to student or parent request. Any such criteria shall be established prior to the commencement of an academic term.
3. In addition to or as part of student success plans required by Conn. Gen. Stat. § 10-221a(j), the District will create an academic plan for each student who is identified in grade eight or nine as eligible for enrollment in an advanced course or program. A student, or the student’s parent or guardian, may decline to implement the provisions of an academic plan created for such student.
4. Such academic plan will be designed to enroll the student in one or more advanced courses or programs and allow the student to earn college credit or result in career readiness.

[OPTIONAL: The following sections are optional and reflect guidance and recommendations provided by the Connecticut State Department of Education and the United States Department of Education Office for Civil Rights. Districts may choose to adopt any or all of the recommendations listed herein.]

5. Middle School Preparation: Academic achievement and engagement are strong precursors to high school success. Therefore, the District strives to:

- *Coordinate standards, instruction, and expectations across middle and high school by fostering regular communication among faculty districtwide, with a focus on vertical articulation of content across the grades rather than offering courses for high school credit in middle school.*
- *Offer career awareness, exploration, and immersion activities that directly align with the high school program of studies.*
- *Encourage high school faculty to familiarize themselves with the Smarter Balanced system of assessments and Next Generation Science Standards assessments, including interim assessment blocks, which can be used to measure student understanding and adjust instruction in Grades 9-12.*
- *Remind middle school faculty that their messaging to students regarding high school expectations has an impact on students, and assure students that if they are mastering middle school standards, they are prepared academically.*
- *Share students' middle school data with high school faculty to improve the quantity and quality of information available for decision making, reduce unnecessary pre-tests and the administration of screening tools, and maximize instructional time.*

6. Partnerships with Families: The District recognizes and values the importance of engaging with a student's family throughout the student's educational experience. Therefore, the District strives to:

- *Engage families in the development of student success plans during students' middle school years.*
- *Continue and improve upon effective systems of family engagement used in middle school at the high school level.*
- *Ensure families are fully aware of the benefits of taking college courses and participating in work-based learning opportunities, if available, during high school.*
- *Communicate in a manner that is ongoing and accessible to families (e.g., by providing materials in multiple languages, and having translators available during information sessions, as necessary).*
- *Provide families with a variety of options for engaging on the topic of course selection (e.g., large group information sessions, sessions offering more personalized support, and small sessions designed for families that have not experienced college).*

- *Invite students and families to express interest in advanced coursework and discuss those choices along with career options with their school counselors, who can answer questions and serve as an advocate for the students.*
7. *Reducing Barriers: The District recognizes the importance of reducing barriers to opportunities for advanced courses and programs. Therefore, the District strives to:*
- *Provide school counselors and teachers with lists of students identified by the Connecticut State Department of Education as having potential for success in rigorous courses.*
 - *Share descriptive statistics with faculty showing advanced course enrollment over time and disaggregated by student group. These data can be used to track progress, discuss effective strategies, identify challenges, and/or generate potential solutions.*
 - *Urge staff to pay special attention to student interests and coursework fit rather than relying solely on past performance when recommending advanced coursework for students.*
 - *Not exclude students from consideration based on disability status.*
 - *Ensure that eligibility for advanced courses and programs, including appropriate evaluation and testing procedures, do not screen out students who are English learners/multilingual learners because of their limited English proficiency unless an advanced or specialized program is demonstrated to require proficiency in English for meaningful participation.*
 - *Ensure that students who are English learners/multilingual learners receive appropriate language assistance services while participating in advanced courses or programs.*
 - *Communicate directly with students from low-income families that registration fees and exam fees for advanced coursework will be waived.*
 - *Encourage students to self-advocate based on their individual goals and future plans.*
 - *Monitor course registrations throughout the enrollment period and encourage students to reconsider selections if they have potential to be successful in more challenging courses.*
 - *If possible, provide opportunities during the summer for students to prepare for challenging coursework by offering sessions that focus on reviewing study habits, organization, and time management.*
 - *Provide periodic training for all staff members who identify, assist, facilitate, select, counsel, or teach students in advanced courses or programs to provide strategies to remove barriers for participation and provide high-quality instruction to all students, including students who are English learners.*
 - *Schedule advanced courses and programs so that students do not face a scheduling barrier for participation (e.g., scheduling the only AP calculus*

class for the same period as English learner/multilingual learner instruction).

8. *Increasing Supply: The District recognizes the importance of providing a wide range of advanced courses that appeal to students with various interests. Therefore, the District strives to:*

- *Re-evaluate prerequisites so that educators identify what is needed to succeed in the course rather than before the course.*
- *Promote enrollment in advanced courses to students in all grades, including for students who may not have taken an advanced course at the beginning of high school.*
- *Review the current program of studies to identify courses with the potential to be offered in partnership with a college or university.*
- *Consider adding sections of high-interest courses while encouraging teachers of advanced courses to ensure consistency of content and expectations for a diverse set of learners.*
- *Consider offering or expanding work-based learning opportunities for students.*
- *Leverage remote options to expand the range of courses available to students.]*

Personnel -- Certified/Non-Certified

Family and Medical Leave (FMLA)

Purpose

The purpose of this policy is to apprise employees of their rights, and establish guidelines for leaves taken by employees of the Newtown Board of Education (the “Board”), under the federal Family and Medical Leave Act of 1993 (“FMLA”) and applicable Connecticut state law. This policy is not intended to, and does not, recite every provision of applicable law and regulations.

Eligibility

Employees ~~other than school paraprofessionals~~ who have been employed by the Board for at least twelve (12) months, and who have worked at least 1,250 actual work hours during the twelve (12) months immediately preceding the start of a leave, are eligible for unpaid leave under the FMLA.

A ~~school paraprofessional~~ **noncertified employee** in an educational setting is eligible for the leave described in this policy if the ~~paraprofessional~~ **noncertified employee** has worked for the Board for at least twelve (12) months, and has worked at least 950 service hours during the twelve (12) months immediately preceding the start of such leave.

Full-time instructional employees meet the 1,250 hours of service requirement unless the Board can demonstrate that the full-time instructional employee did not meet the 1,250 hours of service requirement in the 12-month period prior to the start of leave.

Definitions

Genetic information: For purposes of this policy, “genetic information” includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Instructional employee: For purposes of this policy, an “instructional employee” is defined as a teacher or other employee of the Board who is employed principally in an instructional capacity and whose principal function is to teach and instruct students in a class, a small group, or an individual setting, and includes athletic coaches, driving instructors, and special education assistants such as signers for the hearing impaired. The term does not include teacher assistants or aides who do not have as their principal function actual teaching or instructing, nor auxiliary personnel such as counselors, psychologists, curriculum specialists, cafeteria workers, maintenance workers, bus drivers, or other primarily non-instructional employees.

Paraprofessional: ~~For purposes of this policy, a “paraprofessional” means a school employee who performs duties that are instructional in nature or deliver either direct or indirect services to students and/or parents and serves in a position for which a teacher has ultimate responsibility for the design and implementation of educational programs and services. This definition is only used for the purpose of calculating eligibility for the leave described in this policy at the 950 hour threshold.~~

Reasons for Leave

Leaves under the FMLA and applicable state law may be taken for the following reasons:

- incapacity due to pregnancy, prenatal medical care or child birth; or
- to care for the employee's newborn child; or
- the placement of a child with the employee by adoption or for foster care; or
- to care for the employee's spouse, child or parent who has a serious health condition; or
- to care for the employee's own serious health condition that renders the employee unable to perform the functions of the employee's position; or
- to serve as an organ or bone marrow donor; or
- to care for an injured or ill servicemember (see below – Length of Leave – for further information); or
- a qualifying exigency arising out of a family member's military service, including one or more of the following reasons (note – more detailed information on the following categories is available from the Human Resources (HR) Department:

- short-notice deployment;
- military events and related activities;
- childcare and school activities;
- financial and legal arrangements;
- counseling;
- rest and recuperation;
- post-deployment activities;
- parental care leave for military member's parent who is incapable of self-care and care is necessitated by the military member's covered active duty;
- additional activities that arise out of the active duty or call to active duty status of a covered military member, provided that the Board and the employee agree that such leave qualifies as an exigency, and agree to both the timing and the duration of such leave.

Length of Leave

(a) Basic FMLA Leave Entitlement

If a leave is requested for one of the above-listed reasons, each eligible employee may take up to a total of twelve (12) weeks unpaid family or medical leave in the 12-month entitlement period.

The 12-month entitlement period for family or medical leave is measured on the basis of a "rolling" 12-month period measure backward from the date an employee uses any FMLA leave. For example, as of

today's date if an employee has taken five (5) weeks of during the past twelve (12) months, the employee may take up to an additional seven (7) weeks of leave.

P4152.6/4252.6(c)

(b) Leave to Care for an Injured or Ill Servicemember

In addition to the reasons for leave listed above, an eligible employee may take up to twenty-six (26) workweeks of FMLA leave during a 12-month period to care for (i) a servicemember who is the employee's spouse, parent, child or next of kin, and who incurred a serious injury or illness in the line of duty and while on active duty in the Armed Forces or had a preexisting injury or illness prior to beginning active duty that was aggravated by service in the line of duty on active duty in the Armed Forces; or (ii) a covered veteran with a serious injury or illness who is the employee's spouse, parent, child or next of kin.

For servicemembers, the injury or illness must render the servicemember medically unable to perform the duties of office, grade, rank or rating. This provision applies to servicemembers who are undergoing medical treatment, recuperation, or therapy, are in outpatient status, or who are on the temporary disability retired list, for a serious injury or illness.

For covered veterans, the veteran must be undergoing medical treatment, recuperation or therapy for a serious injury or illness and must have been (1) a member of the Armed Forces (including the National Guard or Reserves); (2) discharged or released under conditions that were other than dishonorable; and (3) discharged within the five-year period before the eligible employee first takes FMLA military caregiver leave to care for the veteran.¹

For covered veterans, serious injury or illness means any of the following:

- (i) a continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember's office, grade, rank, or rating; or
- (ii) a physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service-Related Disability Rating (VASRD) of 50 percent or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for military caregiver leave; or
- (iii) a physical or mental condition that substantially impairs the covered veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or
- (iv) an injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers.

When combined with any other type of FMLA qualifying leave, total leave time may not exceed twenty-six (26) weeks in a single twelve (12) month period. Standard FMLA leave procedures described below apply to all requests for and designation of leave for this purpose. *However*, in the case of leave to

¹ The employee's first date of leave must be within the five-year period. However, the employee may continue to take leave throughout the single 12-month period even if the leave extends past the five-year period. Note - special rules may apply to calculating the five-year period for veterans discharged between October 28, 2009 and March 8, 2013. This period will effectively be excluded from the five-year calculation.

care for a servicemember with a serious injury or illness, the 12-month period begins on the day such leave actually commences.

P4152.6/4252.6(d)

Types of Leave and Conditions

(a) Full-Time, Intermittent and Reduced Schedule Leave

Full-time leave excuses the employee from work for a continuous period of time. Full-time unpaid leave may be taken for any of the reasons permitted by the FMLA.

Intermittent leave means leave taken due to a single qualifying reason in separate periods of time rather than for one continuous period of time. Examples of intermittent leave include: leave taken one day per week over a period of a few months; or leave taken on an occasional/as-needed basis for medical appointments.

Reduced schedule leave is leave that reduces the employee's usual number of work hours per day for some period of time. For example, an employee may request half-time work for a number of weeks so the employee can assist in the care of a seriously ill parent.

Intermittent or reduced schedule leave may be taken (a) when medically necessary for an employee's or covered family member's serious health condition, or for a covered service member's serious illness or injury, and (b) the need for leave can be best accommodated through an intermittent or reduced schedule leave. In addition, FMLA leave may be taken intermittently or on a reduced schedule basis (1) due to a qualifying exigency; or (2) to effectuate the placement of a child for adoption or foster care before the placement of the child in the home.

If foreseeable intermittent or reduced schedule leave is medically required based upon planned medical treatment of the employee or a family member or a covered service member, including during a period of recovery from an employee's or family member's serious health condition or a serious injury or illness of a covered service member, the Board may, in its sole discretion, temporarily transfer the employee to another job with equivalent pay and benefits that better accommodates the type of leave requested. Also, special arrangements may be required of an instructional employee who needs to take intermittent or reduced-schedule leave which will involve absence for more than twenty (20) percent of the work days in the period over which the leave will extend (for example, more than five days over a five-week period), if the leave is to care for a family member with a serious health condition, to care for a covered service member with a serious injury or illness, or for the employee's own serious health condition, which is foreseeable based on planned medical treatment. In such situations, the Board may require the instructional employee to transfer temporarily to another job or take leave for a particular duration, not to exceed the duration of the planned medical treatment.

(b) Both Spouses Working for the Same Employer

If both spouses are eligible employees of the Board and request leave for the birth, placement of a child by adoption or for foster care, or to care for a parent with a serious health condition, they only will be entitled to a maximum combined total leave equal to twelve (12) weeks in the 12-month entitlement period. If either spouse (or both) uses a portion of the total 12-week entitlement for one of the purposes in the preceding sentence, each is entitled to the difference between the amount the employee has taken individually and the 12 weeks for FMLA leave for their own or their spouse's serious health condition in the 12-month entitlement periods.

(c) Leave Taken by Instructional Employees Near the End of an Academic Term

If a leave taken by an instructional employee for any reason begins more than five (5) weeks before the end of an academic term, the Board may require that instructional employee to continue the leave until the end of the term if the leave will last at least three (3) weeks and the instructional employee would return to work during the three-week period before the end of the term.

If the instructional employee begins a leave during the five-week period preceding the end of an academic term for a reason other than the instructional employee's own serious health condition, the Board may require the instructional employee to continue taking leave until the end of the term if the leave will last more than two (2) weeks and the instructional employee would return to work during the two-week period before the end of the term.

If the instructional employee begins a leave during the three-week period preceding the end of an academic term for a reason other than the instructional employee's own serious health condition, the Board may require the instructional employee to continue taking leave until the end of the term if the leave will last more than five (5) working days.

Requests for Leave

(a) Foreseeable Leave

An employee must notify the HR Department of the need for a family or medical leave at least thirty (30) days before the leave is to begin if the need for the leave is foreseeable based on the expected birth of the employee's child, placement of a child with the employee for adoption or foster care, planned medical treatment for the employee's or family member's serious health condition, or the planned medical treatment for a serious injury or illness of a covered service member. If 30 days-notice is not practicable, then the employee must provide notice as soon as practicable under the circumstances, usually the same day or the next business day after the employee becomes aware of the need for FMLA leave.

(b) Qualifying Exigency

An employee must provide notice as soon as practicable if the foreseeable leave is for a qualifying exigency, regardless of how far in advance such leave is foreseeable.

(c) Unforeseeable Leave

When the employee's need for leave is not foreseeable, an employee must provide notice as practicable under the circumstances.

Scheduling Planned Medical Treatment

When planning medical treatment for foreseeable FMLA leave, an employee must consult with the HR Department and make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations, subject to the approval of the health care provider. Similarly, if an employee needs leave intermittently or on a reduced leave schedule for planned medical treatment, the employee must make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations. Ordinarily,

the employee should consult with the HR Department prior to scheduling the treatment in order to work out a treatment schedule that best suits the needs of the Board and the employee. The Board and the employee shall attempt to work out a schedule for leave that meets the employee's needs without unduly disrupting the Board's operations, subject to the approval of the health care provider as to any modification of the treatment schedule.

P4152.6/4252.6(f)

Required Certifications/Documentation

For leaves taken for any FMLA-qualifying reason, an employee must submit a completed certification form supporting the need for leave. The appropriate form will be provided to the employee. The employee must submit a complete and sufficient certification form as required within fifteen (15) calendar days of receiving the request for the completed certification. If it is not practicable for the employee to provide the completed form by the due date despite the employee's diligent, good faith efforts, the employee must inform the HR Department of the reason(s) for delay and what efforts the employee undertook to obtain the required certification. FMLA-protected leave may be delayed or denied if the employee does not provide a complete and sufficient certification as required. Depending on the reason for leave, an employee may be required to submit medical certification from the employee's health care provider, medical certification the employee's family member's health care provider, and/or other documentation (e.g., to establish a family relationship, military active duty orders, etc.). In certain circumstances and under certain conditions, employees may also be required to obtain second or third medical opinions and/or recertifications, in accordance with applicable law.

The Board may require medical recertification on a reasonable basis, including under the following circumstances:

- (i) every six (6) months or annually in connection with an FMLA-related absence if the previous certification indicates that the employee will need intermittent or reduced schedule leave for a period in excess of six (6) or twelve (12) months;
- (ii) the circumstances described by the previous certification have changed significantly (e.g. the duration or frequency of the absence, the nature or severity of the illness, medical complications); or
- (iii) whenever the school district receives information that casts doubt upon the employee's stated reason for the absence or the continuing validity of the certification.

If an employee takes leave for the employee's own serious health condition (except on an intermittent or reduced-schedule basis), prior to returning to work the employee must provide a medical fitness-for-duty certification that the employee is able to resume work and the health condition that created the need for the leave no longer renders the employee unable to perform the essential functions of the job. This certification must be submitted to the HR Department. If the employee is unable to perform one or more of the essential functions of the employee's position, the Board will determine whether the employee is eligible for additional FMLA leave (if such leave has not been exhausted) or whether an accommodation is appropriate, in accordance with the Americans with Disabilities Act.

In connection with the Board's request for medical information, employees must be aware that the Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by Title II of GINA from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, the Board

requests that employees not provide any genetic information when responding to a request for medical information.

P4152.6/4252.6(g)

Use of Paid Leave

Accrued paid personal leave and accrued paid vacation will be substituted (in that order) for any unpaid portions of family or medical leave taken for any reason. However, where the leave is for the employee's own serious health condition, accrued paid sick leave shall be substituted for unpaid portions of family or medical leave prior to the substitution of accrued paid personal and accrued paid vacation leave. The amount of unpaid family or medical leave entitlement is reduced by the amount of paid leave that is substituted.

For leaves taken because of the employees own serious health condition and receiving Workers' Compensation benefits, will have such leave charged against his or her FMLA entitlement.

In addition, in cases involving absences due to a Workers' Compensation injury that also qualifies as an FMLA serious health condition, and if the employee (and the employee's collective bargaining agent, if applicable) and the Board agree to do so, the Board will apply the employee's available accrued paid leave in increments as a supplement to the Workers' Compensation weekly benefit in an appropriate amount so that the employee can maintain the employee's regular weekly income level.

Medical Insurance and Other Benefits

During approved family or medical leaves of absence, the Board will continue to pay its portion of medical insurance premiums for the period of unpaid family or medical leave. The employee must continue to pay the employee's share of the premium, and failure to do so may result in loss of coverage. If paid leave is substituted for unpaid portions of FMLA leave, the employee will pay the employee's share of premiums in the manner used prior to leave (e.g. payroll deduction.) If the employee does not return to work after expiration of the leave, the employee will be required to reimburse the Board for payment of medical insurance premiums during the family or medical leave, unless the employee does not return because of a serious health condition or circumstances beyond the employee's control.

During an FMLA leave, an employee shall not accrue benefits such as seniority, pension benefits or sick or vacation leave, unless otherwise required by any applicable collective bargaining agreement or Board policy. However, unused employment benefits accrued by the employee up to the day on which the leave begins will not be lost upon return to work. Leave taken under this policy does not constitute an absence under the Board's attendance policy, if any.

Reinstatement

Except for circumstances unrelated to the taking of a family or medical leave, and unless an exception applies, an employee who returns to work following the expiration of a family or medical leave is entitled to return to the job such employee held prior to the leave or to an equivalent position with equivalent pay and benefits.

Additional Information

Questions regarding family or medical leave may be directed to the Superintendent or designee. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer. FMLA does not affect any federal or state law prohibiting discrimination, or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

Item 1 – Pledge of Allegiance

Item 2 – Consent Agenda

MOTION: Mr. Vouros moved that the Board of Education approve the consent agenda which includes the correspondence reports. Mr. Gilson seconded. Motion passes unanimously.

Item 3 – Public Participation

Tracey Fiore, 19 Taunton Lake Drive, expressed concern on President Trump's recent executive order titled Ending Radical Indoctrination in K-12 Schooling. It mandates that federal funding be withheld from schools that teach about systemic racism, diversity and inclusion, and undermines the ability for boards of education to make decisions that serve their students. She urged the Board to take a stand against policies affecting students' education and well-being and to make a public statement reaffirming its commitment to inclusive evidence-based education and protecting teachers from political attacks.

Item 4 – Reports

Chair Report: Mrs. Plante noted there will be a budget review by the Board of Finance Thursday night and we will address their questions. She reminded the parents and community members to remain engaged as the budget could still be adjusted by the Board of Finance and Legislative Council. The town budget can also impact families. At the last Board of Finance meeting the First Selectman mentioned possible reductions to their budget which includes an increase in the cost for Parks and Rec summer camp, potentially selling the Teen Center, and removing the addition of a police officer.

Superintendent's Report: Mrs. Uberti thanked the families who have been at the PTA meetings regarding the budget and asked people to attend the Board of Finance meeting tomorrow night where a determination will be made for further reductions in our budget so it's important to attend at 7:30 p.m. Chambers at the municipal center.

Committees or Liaison Reports:

Mr. Gilson noted that Curriculum and Instruction met and Dr. Longobucco was there to discuss the dual enrollment courses. There is a \$60,000 grant to expand our courses and use for teacher training. We partner with all of our state schools to provide another path to get credits for college.

Mr. Purcaro reported that we were adding 28 course offerings next year that will have dual credit.

Mr. Gilson suggested that Dr. Longobucco attend a future Board meeting to provide an update. Also, the DEAI Subcommittee met and he will have a full report at the next meeting.

Student Representatives Report:

Ms. Ihlefeld reported on the winter sports playoff season with the girls indoor track getting the title of SWC Champions for the second year in a row and boys track found success in the long jump and high jump along with athletes being added to the All-SWC team. The wrestling team also won their SWC Championship on Monday. Newtown Cheer and Dance won their SWC Championship for the seventh year in a row. The National Honor Society made Valentine's Day cards to send to our troops thanking them for their service. With February being Black History Month each morning the announcements covered influential African American figures from civil rights activists to innovators in science, art and culture. There will be a college fair March 20 for current sophomores and juniors. Finally, a group of students just returned from India where they experienced a new culture and lifestyle.

Item 6 – New Business

MOTION: Mr. Vouros moved that the Board of Education approve the 2025-2026 and 2026-2027 calendars. Mr. Gilson seconded.

Mrs. Uberti spoke about the current calendar changes which were based on feedback last year from teachers and the union which is working well. We reduced the number of half days, added the Wednesday before Thanksgiving, and added in some days in February to have a five-day break which have all been well received. Both proposed calendars are essentially the same. We like to finish school no later than the second week in June because we use the other weeks for summer curriculum writing and start ESY the last week in June. One change is all conferences have been moved to November. Also, in the 2025-2026 calendar, December 14 is on a weekend but the following year it is on a school day. Last year having the delayed opening was well received. As long as we have families in the district who have suffered loss and staff who are still in the district the half-day will allow them to honor that day.

Mrs. Plante noted that professional development is important and if there was enough.

Mrs. Uberti said its contractual so we built in as much as we could. Its adequate now and we like having them at the beginning of the year.

Mrs. Plante asked about other cultural holidays not in our calendar.

Mrs. Uberti said it is possible we can do a survey for feedback from the community as to what others should have off in terms of demographics. We do provide various holidays even if we aren't off but acknowledge they exist.

Mrs. Plante feels the survey would make sense and be useful.

Mr. Gilson said that some mentioned that at the DEAI meeting.

Motion passes unanimously.

Policies to Rescind for First Read:

Mrs. Plante provided information on the following policies to be rescinded.

- 1 – 0000 Mission of the Newtown Public Schools – this is a mission statement not a policy.
- 2 – 0200 Goals and Objectives - this was not really a policy but will include some language when we get to the board bylaws in the 9000 series
- 3 – 0600 Monitoring and Reporting: State - requires we keep the public informed about the board.
- 4 – 1000 Concept, Goals and Roles in Community Relations – this is antiquated and is regarding engaging with press, television and radio.
- 5 – 1100 Communication Protocol for Parents – Dispute Relations – this is non-mandated.

Ms. Zukowski asked how parents would know what due process is if it is taken away.

Mrs. Plante said the procedures are in other policies such as discipline.

Mrs. Uberti noted that some of these policies are better being in school handbooks as the committee discussed but should also be available somewhere for parents.

6 – 5114.21 Conduct Code for Participation in Extracurricular Activities – we have an existing code of conduct for athletes also.

7 – 5121.2 Eligibility for Honor Rolls - this should be in the middle and high school handbooks.

8 – 5141.61 Dealing with The Effect Of A Dream - administrators will be in touch with families so it's better to be in the staff handbook.

9 – 5142 Student Safety – this is also redundant and over laps with policy 6114. We also spoke to the security director about rescinding this policy.

Mrs. Plant asked for questions to be sent to the Policy Committee before the next meeting.

Item 7 – Public Participation

MOTION: Mr. Vouros moved to adjourn. Mr. Gilson seconded. Motion passes unanimously.

Item 8 – Adjournment

The meeting adjourned at 7:40 p.m.
