PUBLIC PARTICIPATION AT BOARD MEETINGS; MEETING RULES

Adopted: September 14, 2021

Revised: November 19, 2024

The Board desires to hear the views of citizens of the District and welcomes public comments at business meetings. Public comments at work sessions or special meetings will not be allowed unless otherwise delineated on the meeting agenda. To ensure the safety, security, and orderly conduct at Board meetings all participants must adhere to these rules and any additional instructions provided by security personnel or meeting facilitators.

Eligibility and priority to address the Board: To ensure the students are prioritized and heard, the Board will allow students to speak first during the public comment portion of the meetings. Students wishing to address the Board must sign up and will be called in the order of registration before other community members.

Process/Procedure:

1. Individuals wishing to address the Board must sign up and will be called in the order of registration.
2. Comments will be limited to agenda item(s).
3. The public comment portion will be limited to 60 minutes unless the Board votes to extend the time. If additional time is approved, it will be at the discretion of the Board and based on the circumstances of the meeting.
4. Each speaker will be allotted up to three minutes to address the Board during public comment. If there are a large number of individuals signed up to speak, the Board reserves the right to reduce the time per speaker to ensure that as many voices are heard within the allotted comment period. If time constraints prevent all individuals from speaking during the public comment period, the Board encourages those unable to address the Board in person to submit their input via emails, written letters, or other formats. All submitted comments will be reviewed by the Board.
5. Speakers should not repeat the same message shared by others. If a speaker's point has already been addressed, comment briefly in support of previous comments and provide any other unique insights.

Prohibited Items: For security purposes, attendees may not bring bags into the meeting room. This includes, but is not limited to: backpacks, purses larger than a clutch, and tote bags. Exceptions will be made for medically necessary items or diaper bags, which are subject to inspection. Employees who are required to attend and work during the meeting are exempt from the bag policy but may be subject to standard security procedures.

Orderly Conduct:

1. All speakers and attendees are expected to maintain respectful and proper decorum during Board meetings.
2. Comments shall be directed to the Board as a whole and not an individual member, staff, or other attendees.
3. Personal attacks, threats, shouting, cheering, snapping, and other distractions or disruptive behavior, will not be tolerated.
4. Clapping after a comment may be allowed unless it is disrespectful or disrupts the flow of the meeting. Attendees are encouraged to keep expressions of support by clapping brief. If attendees disregard this expectation, the Board may temporarily pause the meeting to restore order or remove individuals causing the disruptions.
5. All comments must be age-appropriate, to include kindergarten through twelfth grade, and suitable for a school setting. Speakers are expected to use language and share content that is respectful and appropriate for all ages.
6. Comments containing profanity, vulgarity, or otherwise inappropriate material will not be permitted.
7. Attendees may not bring signs, banners, props, or other similar items/materials into the meeting. Any individual wishing to display any of the items referenced, or demonstrate, should do so in appropriate spaces outside of the meeting room, in compliance with District policies.
8. Media representatives wishing to record the Board meeting will be assigned a designated location to ensure their activities do not disrupt the proceedings or obstruct the view of attendees. All recording equipment must remain within the assigned area for the duration of the meeting.

Enforcement of Meeting Rules: Individuals who fail to follow the established rules for public comments or meeting decorum will receive a warning. If the disruptive behavior continues after the warning, the individual may be removed from the meeting. Repeated violations may result in a ban from attending future meetings as determined by the Board.

Would the Phoenix Girl's Wrestling Team and coaches please join me at the front of the room?

The D51 Phoenix Girl's Wrestling Team achieved a historic milestone last month, competing in the 2025 Class 5A Colorado State Girls Wrestling Championship and bringing home the state title!

Under the strong leadership of head coach Chad Dare, the D51 Phoenix Girls Wrestling Team hit the mats with depth, determination, and impressive talent. They clinched the state title despite not having an individual champion, a true testament to the team's overall strength and consistency.

Eight wrestlers placed in the top five of their weight classes, including standout performances by Shylee Tuzon and Claris McCoy, who both finished as state runners-up at 155 and 170 pounds and Violet Gray, who secured 3rd place at 130 pounds.

This marks the first-ever state wrestling title for the program—a well-earned award for the hard work, perseverance, and grit these student-athletes have shown over the past few seasons. Their success reflects not only the growth of girls wrestling in Colorado but also the high bar this team has set for the future.

The Board of Education and Superintendent Dr. Hill want to congratulate our D51 Phoenix Girls athletes and coaches on these tremendous achievements. We look forward to watching your continued growth and success in the seasons to come!

Would Tatum Williams please join me at the front of the room?

In February, Tatum Williams, a senior at Fruita Monument High School, closed out his high school wrestling career by bringing home the 5A State Championship title in Boys Wrestling—and earning his 100th high school career win!

Competing in the 2025 Colorado State Wrestling Championship, Tatum demonstrated outstanding skill, focus, mental toughness, and determination—earning the top spot in his weight class and ending a championship drought for both District 51 and Fruita Monument.

His victory highlights the years of hard work and long hours he poured into the sport and the strength of Fruita Monument's wrestling program, supported by dedicated coaches, teammates, and a proud Wildcat community.

The Board of Education and Superintendent Dr. Hill are proud to celebrate Tatum's success and congratulate him on this achievement. We look forward to seeing what's next for this talented Wildcat—both on and off the mat!

Board of Education Resolution: 24/25: 70

Presented: March 25, 2025

Would Abigail Martinez please join me at the front of the room?

Abbie, a senior at Grand River Academy and a dedicated member of D51's HOSA team has received the Barbara James Service Award—a national recognition honoring students who volunteer their time to support health-related causes and serve their communities.

This award, created in memory of Barbara James, a former HOSA leader who wholeheartedly believed in the power of service, highlights students who go above and beyond to help others in their communities, especially in healthcare settings.

Abbie has gone above and beyond in her commitment to our community, volunteering more than 100 hours at St. Mary's Hospital. Her time and dedication have made a meaningful impact on the local healthcare community, showing what it truly means to care for others. Her compassion, leadership, and service embody the values of HOSA and the spirit of the Barbara James Service Award.

The Board of Education and Superintendent Dr. Hill are proud to recognize Abbie's achievement and celebrate the hard work, heart, and service that earned her this award. Congratulations!

Board of Education Resolution: 24/25: 72

Presented: March 25, 2025

Will Olivia Campbell and Coach Jeff Johnson please join me at the front of the room?

Olivia, a senior at Fruita Monument High School, was named the 2025 Southwest League Girls Basketball Player of the Year after an outstanding season. As a 5'9" point and shooting guard, Olivia has been a key player for the Wildcats throughout her high school career. She hit a major milestone this season by scoring her 1,000th career point during a win over Denver North, where she put up 19 points. Over 95 varsity games, she's averaged nearly 13 points, 4 rebounds, 2 assists, and 3 steals per game. Her leadership, hustle, and consistent play have made a significant impact on the team's success and reflect the core beliefs we celebrate here in D51.

Since taking over as head coach in June 2022, Jeff Johnson has made a big impact on the FMHS girls' basketball program. In the 2024–25 season, he led the Wildcats to a strong 17–7 overall record and an undefeated 10–0 run in league play, earning them the top spot in the standings. Coach Johnson is known for his steady leadership, sharp game strategy, and focus on player development. He builds his teams around fundamentals, teamwork, and a strong work ethic—fostering a culture where athletes grow both on and off the court. Under his guidance, the Wildcats have proven they're not just skilled shooters with solid technique—they're tough, competitive, and able to rise to any challenge. Which they showed throughout this season.

The Board of Education and Superintendent Dr. Hill congratulate Olivia and Coach Johnson on their incredible season and being named the 2025 Southwest League Player and Coach of the Year! We look forward to watching your continued successes!

6-12 Friday Early Release BOE Update

Revisiting Secondary Early Release

Clear and comprehensive Early Release plans were developed in the spring of 2023. However, these plans were placed on hold due to:

- The emergence of data in January 2023 which suggested that declining enrollment needed immediate prioritization
 - The closure of East Middle School & Fruita 8/9
 - The need to develop a viable response to declining enrollment (EDEC and A&M)
- While we continue to navigate the challenges of budget and enrollment, the need for **consistent and coherent** professional learning at secondary continues to be evident

Elementary Early Release:

A Key Building Block for Student Success

- Curriculum implementations and updates
 - Job embedded application of resources
- ***Consistent and Coherent Professional Learning Opportunities***
 - Weekly Early Release and aligned learning communities
- STRIVE Multi-Year Design

Early Release is a key for building teacher knowledge and skills, so we can increase student outcomes

Revisiting Rationale and Opportunities for 6-12 Early Release

- Opportunity for **ongoing focus on student academic and behavioral success**
- ***Educator ongoing and indepth knowledge and skill building and collaboration time in order to serve all students***
- ***Robust learning opportunities and business and community connections, especially for high school students***
- Most viable way to ensure **Multi-Tiered Systems of Support (MTSS)** ***happens*** in educator practice as ongoing part of school culture and systems

Early Release design is aligned with our current Strategic Plan and will continue to align with the soon to be released 2025 Strategic Plan

EACH AND EVERY D51 GRADUATE

Guiding Question: How might a system-wide early release advance our Strategic Plan priorities and students' realization of the Graduate Profile in unique ways based on each school's context?

Engage, equip, and empower each and every student, each and every day.

Early Release as a Lever for Embedded Professional Learning

Consistent and Coherent Professional Learning:

- Focuses on desired student outcomes
- Is sustained with a regular and frequent cadence
- Is relevant to educator and school practices and goals
- Involves feedback to teams and individual educators
- Is empowered by collaboration

Early Release Leadership Study Group

Studied the concept or idea of a D51 K-12 weekly Friday early release by...

- Developing a shared vision and outcomes in alignment with D51 Strategic Plan priorities
- Studying and developing models and designs that balance school context and district Strategic Plan priorities
- Considering the logistical elements and implications of moving to a system-wide early release

Getting Clear on “Must Have” Elements & Considerations

- Each school must have an explicit MTSS focus/ process/protocols as one recurring element
- LCplanning time needs to be guided and outcome based
- Not in place of master schedule common plan/ LCtime
- Monthly/Weekly Cadence Outline shared with Site Director and PLOffice
- One “District Friday” per month to lift STRIVE and other Strategic Plan aligned professional learning (NEW)

Why Early Release: Calibrating with other Districts and School Networks

“Early release would be a real game changer for you all”

Study of Early Release in 2023 across Colorado large districts Found that most districts have some form of Early Release...

- Large variability in frequency and format
- Some links to district Professional Learning (PL) days
- Many medium to smaller districts have a four day week with a PL focus on the 5th day
- High performing networks of schools, such as DSST or STRIVE almost always have this structure

ENHANCING BOARD MEETING EFFICIENCY WITH BOARDBOOK

INTRODUCTION

Welcome to the presentation

Introducing the purpose of this presentation on enhancing board meeting efficiency with BoardBook

Introducing BoardBook

Brief overview of BoardBook as the district's platform for board meetings

Key benefits of BoardBook

Transparency, efficiency, and accessibility for the board and the community

WHAT IS BOARDBOOK?

BoardBook is an online board meeting management tool that enables school districts to create, distribute, and archive board meeting documents. It supports paperless board operations and enhances public accessibility to board information.

District Policies

The Board of Education meets twice a month, on the first and third Tuesday at 5:00 pm. Variations to this schedule may occur, and Special Meetings may be scheduled on this page to view meeting dates, agendas and minutes. Meetings are held in the Harry Butler Board Room located at 455 N 22nd St, Grand Junction, CO 81501.
