**PUBLIC PARTICIPATION AT BOARD MEETINGS; MEETING RULES**

Adopted: September 14, 2021

Revised: November 19, 2024

---

The Board desires to hear the views of citizens of the District and welcomes public comments at business meetings. Public comments at work sessions or special meetings will not be allowed unless otherwise delineated on the meeting agenda. To ensure the safety, security, and orderly conduct at Board meetings all participants must adhere to these rules and any additional instructions provided by security personnel or meeting facilitators.

**Eligibility and priority to address the Board:** To ensure the students are prioritized and heard, the Board will allow students to speak first during the public comment portion of the meetings. Students wishing to address the Board must sign up and will be called in the order of registration before other community members.

**Process/Procedure:**

1. Individuals wishing to address the Board must sign up and will be called in the order of registration.
2. Comments will be limited to agenda item(s).
3. The public comment portion will be limited to 60 minutes unless the Board votes to extend the time. If additional time is approved, it will be at the discretion of the Board and based on the circumstances of the meeting.
4. Each speaker will be allotted up to three minutes to address the Board during public comment. If there are a large number of individuals signed up to speak, the Board reserves the right to reduce the time per speaker to ensure that as many voices are heard within the allotted comment period. If time constraints prevent all individuals from speaking during the public comment period, the Board encourages those unable to address the Board in person to submit their input via emails, written letters, or other formats. All submitted comments will be reviewed by the Board.
5. Speakers should not repeat the same message shared by others. If a speaker's point has already been addressed, comment briefly in support of previous comments and provide any other unique insights.

**Prohibited Items:** For security purposes, attendees may not bring bags into the meeting room. This includes, but is not limited to: backpacks, purses larger than a clutch, and tote bags. Exceptions will be made for medically necessary items or diaper bags, which are subject to inspection. Employees who are required to attend and work during the meeting are exempt from the bag policy but may be subject to standard security procedures.

**Orderly Conduct:**

1. All speakers and attendees are expected to maintain respectful and proper decorum during Board meetings.
2. Comments shall be directed to the Board as a whole and not an individual member, staff, or other attendees.
3. Personal attacks, threats, shouting, cheering, snapping, and other distractions or disruptive behavior, will not be tolerated.
4. Clapping after a comment may be allowed unless it is disrespectful or disrupts the flow of the meeting. Attendees are encouraged to keep expressions of support by clapping brief. If attendees disregard this expectation, the Board may temporarily pause the meeting to restore order or remove individuals causing the disruptions.
5. All comments must be age-appropriate, to include kindergarten through twelfth grade, and suitable for a school setting. Speakers are expected to use language and share content that is respectful and appropriate for all ages.
6. Comments containing profanity, vulgarity, or otherwise inappropriate material will not be permitted.
7. Attendees may not bring signs, banners, props, or other similar items/materials into the meeting. Any individual wishing to display any of the items referenced, or demonstrate, should do so in appropriate spaces outside of the meeting room, in compliance with District policies.
8. Media representatives wishing to record the Board meeting will be assigned a designated location to ensure their activities do not disrupt the proceedings or obstruct the view of attendees. All recording equipment must remain within the assigned area for the duration of the meeting.

**Enforcement of Meeting Rules:** Individuals who fail to follow the established rules for public comments or meeting decorum will receive a warning. If the disruptive behavior continues after the warning, the individual may be removed from the meeting. Repeated violations may result in a ban from attending future meetings as determined by the Board.

Would the members of the Palisade High School Speech & Debate Team who placed at the state competition or qualified for nationals, please join me at the front of the room?

This year, under the dynamic leadership of Coach Tracy Seremak, the Palisade High School Speech & Debate Team achieved impressive success at both the state and national levels. Coach Seremak, also a math teacher at Palisade, is known for her commitment to student growth, communication, and access to opportunity—and her guidance continues to shape a top-tier program.

At the 2025 4A State Tournament, four students placed in the top three:

- Mila Stepan (Senior) – State Champion in U.S. Extemporaneous Speaking
- Ava Pearson (Senior) – 2nd place, in Original Oratory
- Beau Roberts (Junior) – 3rd place, in International Extemporaneous Speaking
- Kennedy Stephen (Senior) – 3rd place, in Congressional Debate

Several students have also qualified for the National Speech & Debate Tournament this June in Des Moines, including:

- Kennedy Stephen – Congressional Debate
- Beckett Carlton (Sophomore) – International Extemporaneous Speaking
- Lynessa Asplund (Senior), Alivia Nicodemus (Freshman), and Gabrielle Spriggs (Sophomore) – World Schools Debate

In addition, Mila Stepan and Lynessa Asplund were named Academic All Americans by the National Speech & Debate Association. This prestigious recognition is awarded to students who have earned the degree of Superior Distinction, maintained a GPA of 3.7 or higher, and demonstrated outstanding character and leadership.

The Board of Education and Superintendent Dr. Hill would like to congratulate this team on their standout performances. Your hard work, talent, and dedication make District 51 proud, and we wish you the best of luck on the National stage!

Would Marie Calkins please join me at the front of the room?

Journalism plays a vital role in keeping communities informed, sharing diverse perspectives, and shining a light on important issues. At the heart of strong, ethical reporting are young journalists like Marie Calkins, who are already making a difference.

Marie, a senior at Grand Junction High School, was recently named runner-up for the Colorado Journalist of the Year—a prestigious honor awarded by the Colorado Student Media Association that recognizes her dedication, talent, and leadership in student journalism.

In recognition of this achievement, Marie has been awarded the \$1,500 Dorothy Greer Scholarship. Presented by the Colorado Student Media Association, the scholarship is given to a graduating senior who demonstrates exceptional journalistic ability and honors the legacy of Dorothy D. Greer, a pioneer in Colorado student journalism.

Congratulations, Marie, on this outstanding achievement. And thank you to Steve Fox, GJHS journalism teacher and newspaper advisor, for mentoring and guiding the next generation of storytellers.

The Board of Education and Superintendent Dr. Hill are proud to celebrate this accomplishment and look forward to the future stories Marie will continue to tell.

Will the members and coaches of the Grand Junction High School Academic Team please join me at the front of the room?

The GJHS Academic Team brought home their 26th State Championship at the 2025 Knowledge Bowl—and with it, the prestigious Governor's Cup, awarded to the top academic team in Colorado! They outperformed more than 60 schools across the state to earn the win—an incredible achievement.

This year's team was led by seniors Stewart Collins, Brendan Schwarz, Zoe Plumb, and Logan Bunce, with strong support from a group of talented juniors, including team captain Erik TerLouw.

When Head Coach Shawcroft couldn't be there, JV Coach and GJHS Academic Team alum Noah Schmidt stepped in and didn't miss a beat. Under his knowledgeable and energetic leadership, the team rallied from a 9-point deficit to beat rival Stargate by 23 points—an incredible comeback and a true team effort.

The Board of Education and Superintendent Dr. Hill congratulate the Grand Junction High School Academic Team on this remarkable achievement—earning their **22nd** Governor's Cup and **26th** State Championship title. We're proud of your hard work and dedication, and we look forward to seeing all that you accomplish next!

**GJHS Academic Team:** Logan Bunce, Brendan Schwarz, Tiegan Osborn, Carmen Barrientos, Sean Prestangen, Neil Scott, Stewart Collins, Erik TerLouw, Zoe Plumb, and Cooper Teske

**Coaches:** Cody Shawcroft, Noah Schmidt, Casey Smith, and Anij Magill

Will Sara Akbary please join me at the front of the room?

Each year, high school juniors and seniors across Mesa County participate in the Cesar Chavez Celebration Photo Essay Contest—a meaningful opportunity for students to explore themes such as social justice, community service, and cultural identity through the power of both writing and photography.

This year, Sara Akbary, a Senior at Grand Junction High School, earned first place for her powerful and deeply personal essay.

In her piece, Sara shared her experience as an Afghan refugee—fleeing the Taliban and finding hope, strength, and a sense of purpose through education. Her story, inspired by Cesar Chavez’s lifelong commitment to justice and service, also highlighted her work teaching other refugee children and the impact of lifting up others while rebuilding her own life.

On behalf of the Board of Education and Superintendent Dr. Hill, we offer our heartfelt congratulations to Sara on this recognition. Thank you for sharing your story with honesty and heart—it’s a powerful reminder of the strength that lives within our students and the impact one voice can have.

Would Lynessa Asplund please join me at the front of the room?

The Boettcher Scholarship is one of the most prestigious scholarships in Colorado—awarded to just 50 students out of more than 1,500 applicants each year. It's designed to keep Colorado's top thinkers, leaders, and changemakers in the state to continue positively impacting their communities.

This year, Lynessa Asplund, a senior at Palisade High School, was District 51's sole recipient of the 2025 Boettcher Scholarship.

Lynessa is a standout student at Palisade High School, known for her dedication, resilience, and leadership. As an active member of the Speech and Debate team, she's competed in events like Congressional Debate and Impromptu Speaking—showcasing her strong communication skills and her passion for learning. Her peers and mentors describe her as thoughtful, driven, and always working to make a positive impact.

The Board of Education and Superintendent Dr. Hill are proud to recognize Lynessa as District 51's sole 2025 recipient of this prestigious award. Thank you for reflecting the spirit of the Boettcher Foundation and uplifting others through knowledge, compassion, and service. Congratulations!

Would Kylee Heathco, Kendall Staley, and Benjamin Romero please join me at the front of the room?

Each year, the Daniels Scholarship Program recognizes high school seniors who exemplify strong character, leadership potential, and a commitment to serving their communities. Out of thousands of applicants across Colorado, New Mexico, Utah, and Wyoming, only 230 recipients were chosen.

This year, we are proud to announce that Kylee, Kendall, and Benjamin, all seniors at Fruita Monument High School, have been named 2025 Daniels Scholars. Recipients are selected based on criteria such as strength of character, leadership potential, commitment to serving their communities, academic performance or promise, and emotional maturity and stability.

The Daniels Scholarship provides recipients with up to \$100,000 over four years to attend the college of their choice, covering expenses such as tuition, fees, room and board, books, and other educational costs.

The Board of Education and Superintendent Dr. Hill extend their heartfelt congratulations to Kylee, Kendall, and Benjamin. Your achievements are a testament to your hard work and dedication, and we look forward to seeing the positive impact you will continue to make in your communities and beyond.

Would the members of the 2025 Leadership D51 Cohort who are with us tonight please come join me at the front of the room?

This year, we were proud to welcome our largest Leadership D51 cohort to date—24 business and community leaders who dedicated their time and energy over the past seven months to become more deeply engaged in the work of our school district.

Through four sessions, they explored the inner workings of District 51 and heard directly from leaders guiding each of the three focus areas in our Strategic Plan: *Prepared and Supported Students, Prepared and Supported Staff, and Engaged and Supportive Community Partners*. These conversations were thoughtful, collaborative, and grounded in a shared goal of ensuring every student in our district has what they need to thrive.

We're incredibly grateful to this group for stepping away from their busy schedules to learn, ask questions, and form connections across our schools and departments. Now, as graduates of the program, we encourage them to stay involved—whether it's at their child's school, through the D51 Foundation, or by serving on a committee that helps move this important work forward.

On behalf of the Board of Education and Superintendent Dr. Hill, thank you for your partnership and your investment in the future of our students, staff, and community.

Mesa County Valley School District 51 encourages exposure of students to different cultures and encourages opportunities for students to develop proficiency in a world language. Student exchange between countries is a pathway to accomplish these objectives. Each high school and middle school will make students aware of this District policy, and encourage student participation in out-of-the-country exchange programs.

1. Students will receive 2 semesters of world language credit for every semester spent studying at a school where English is not the dominant language.
2. Students will receive 1 semester elective credit in humanities for their out-of-the-country living experience.
3. Credit in any other content areas will be awarded upon submission by the student, evidence of proficiency, or appropriate student work in that content area.
4. The safety and the quality of the student exchange program will solely be determined by the student and his or her parents or guardians. The District will not be responsible for the determination of safety, quality, or appropriateness of any exchange program.

Adopted: January 17, 2023

Revised: 2nd reading April 15, 2025

The 25 standards-based credit requirements will be earned through three basic pathways as described below:

1. **Conventional Pathway:** The *Conventional Pathway* will lead a student to graduation when the following criteria are met:

- Completed 25 required standards-based credits with a 2.0 GPA or higher **AND**
- Demonstrate competency in English and Math from the Menu of College and Career Readiness options.

2. **Pathway of Distinction:** This honors pathway will lead a student to graduation when the following criteria are met:

- Completed 25 Colorado Higher Education Admission Requirement based credits that meet the Colorado Higher Education Admissions (HEAR) requirements **AND**
- Maintain a 3.5 GPA or higher **AND**
- Demonstrate a score of 24 or above on the ACT \* **OR**
- Demonstrate a score of 1110 or above on the SAT Colorado\*

*(\* The cut scores for ACT and SAT will be determined with input from the companies that have developed the test prior to implementation.)*

3. **Individualized Pathway:** The *Individualized Pathway* is intended for students who are not proficient in multiple areas on the Menu of College and Career Readiness Demonstrations at the end of their eleventh-grade year, **and/or** require an individualized program as determined by a body of evidence that includes standardized assessment, formative and summative classroom assessment, and other diagnostic assessment as needed. Individualized programs will be developed as early as preschool or at the point a student has an identified need. Students utilizing this pathway may include, but may not be limited to, gifted and talented students, non-proficient students, and students on an individual education plan (IEPs).

- These students would complete a very structured individualized course of study focused on their specific academic needs.
- These students would complete 25 credits aligned with the standards. The 25 credits could include performance-based projects and/or extensions of the Individualized Pathway that allow the student to earn the equivalent of 25 standards-based credits.

Extensions of the Individualized Pathway to graduation can be developed. Such programs will be rigorous and must adhere to the requirements of this policy. The Key Performance Program is an example of an Individualized Pathway.

4. **Certificate of Attendance:** The *Certificate of Attendance* may be issued to students under special circumstances in lieu of a Mesa County Valley School District 51 diploma. A student with a disability who has attended high school for at least eight (8) semesters as a full-time student, but who receives special education services pursuant to an Individualized Educational Program
