Eddyville Charter School Staff Happenings

School Test Coordinator Matt Bilder has been working diligently with staff for our final round of i-Ready testing as well as preparing for the upcoming SBAC tests in May.

Teachers Ashley Allison and Barb Sutherland continue to finalize preparations for our upcoming Outdoor School Experience for our 6th grade students. Our students will be heading to Camp Hancock in Fossil, OR from Monday, May 5 to Thursday, May 8, 2025.

Ashley Allison has also taken the ECS Coordinator position for Summer School 2025. She is working to recruit staff and students for participation in this endeavor.

Brittney Aleckson is coordinating the upcoming Book Fair on April 21, 2025. Thank you Brittney!

The Admin Support Team and I had a chance to meet again to update our progress on the variety of year end tasks. I am happy to report that both of our open teaching positions (5th grade and MS Language Arts) are appropriately advertised and some applications have begun to arrive. On top of that, both Matt Bilder and Mike Ulstad went to the teacher "job fair" at Western Oregon University this past week to try and garner even more interest in our openings.

Community

I wanted to thank the Oregon Community Foundation for their generous grant contribution to our Eddyville Charter School library in the amount of \$882.68. It is greatly appreciated!

One more shout out to Kevin Rariden and crew for their exceptional work on the ECS baseball/softball field. Simply awesome!

Seafood Butchery Class

The Culinary Arts program has once again established a successful partnership with the Oregon Coast Visitors' Association (OCVA) to offer the Seafood Butchery class. This collaboration provides our students with valuable hands-on experience in seafood preparation techniques.

During these specialized sessions, students learn professional methods for butchering various types of seafood. After mastering the butchery techniques, students then apply their skills by creating finished dishes using the prepared seafood.

This partnership with OCVA continues to enhance our curriculum by providing industry-relevant skills and connecting students with regional culinary traditions and practices.
