2. Information and discussion about future projects, initiatives, master planning, and/or programs related to the short- and long-term goals/plans of the District as shared in previous work session.
9. **Adjournment**

Notice of this meeting was given to the Oklahoma County Clerk on November 13, 2019. This agenda was posted on the school web page, at the south (main) entrance of the school, and at the Kim Lanier Fine Arts Building on _____ at _____ PM by Marlene Martinez, Board Clerk.

All regular, special and emergency meetings of the Board of Education shall be open to the public.

The board wishes to hear the viewpoints of citizens throughout the district and considers the responsible presentation of these viewpoints vital to the efficient operation of the school system. Constructive criticism of the school is welcome whenever it is motivated by a sincere desire to improve the quality of the educational program or to allow the schools to do their tasks more effectively. The following regulation shall govern visitors attending board meetings.

1. Any individual wishing to address the board of education shall communicate such wish to the superintendent. The superintendent must know the nature of the matter to be discussed and the name(s) of the person(s) making the request. The notification must be received by the superintendent at least twenty-four hours prior to the next regularly scheduled meeting in order to be placed on the agenda. The superintendent must inform the board president of any individual or organization denied the opportunity to address the board of education.
2. The board may waive the advance notice requirement and allow "new business" items to be placed on the agenda at the regular meeting time only if such "new business" was not known about prior to the posting of the agenda and could not have been reasonably known about prior to posting.
3. The board clerk shall record all names of the visitors at board meetings.
4. The president of the board shall recognize speakers, maintain proper order, and adhere to time limits, if any, established by the board. Specifically, the president may require all proponents of one side of an issue to elect one spokesperson. Repetitive comments by consecutive individual will not be allowed.
5. Board members and administrative staff will not respond to questions or comments from the public. Proper questions from members of the public may be referred to the superintendent for later report to the board. The board will not be able to vote on matters brought forward by the public during public participation time if such matters are not specific agenda items. Such items may be placed on the agenda for the next meeting.
6. Members of the public shall not be recognized while the board is conducting its official business.
7. Since individual board members have no authority to resolve complaints, other than by formal board action, whenever a complaint is made directly to the board as a whole or to a board member as an individual, it will promptly be referred to the school administration for study and possible solution. Administrators are expected to follow up on all complaint referrals and to advise the board members of the nature of the complaint and the action(s) taken. The board expects that the administration will handle complaints courteously and that it will take steps to make a proper reply to the complainant. Follow-up shall be in the form of a written memorandum to the board members.
8. Anonymous complaints provide no avenue for response or redress of the complaint. Therefore, it will be the policy of the board that anonymous complaints shall not be pursued. An unsigned complaint will not be read or acted upon at any meeting of the board and anonymous telephone complaints will not be brought to the board by any individual board member, administrator, or other district employee. Further, the administration will not act on any anonymous complaint.

9. Complaints for which specific resolution procedures are provided shall be directed through those channels. This includes complaints about personnel, complaints about instructional materials, etc. Complaints should be resolved at the lowest possible level of authority. At the building level the principal will meet with persons who have a complaint and if necessary respond in writing within five working days of the meeting. If the complaint cannot be resolved at the building level, either party is encouraged to bring the matter to the attention of the superintendent of schools. The superintendent will respond in writing within five working days to all parties and the building principal. If all other remedies have been exhausted and a complaint can not be satisfactorily resolved, the complaint may be appealed to the board of education.
10. The board shall not hear personal complaints unless the proper administrative procedures concerning complaints have been followed. The board will not tolerate personal attacks on members of the board or the administrative staff. The board has confidence in its professional staff and desires to support their actions in order that they be free from unnecessary, spiteful, or negative criticism and complaint. No appeal will be heard by the board and no charges or accusations against an employee will be investigated or acted upon unless the accusations are reduced to writing, signed by the party making the complaint, and presented to the board through the superintendent.

In addition to the above, the board will request written reports be provided to the board prior to the meeting from the following:

1. The person against whom the complaint is made,
2. The principal of the school involved,
3. The superintendent, and
4. The complainant.

Generally, all parties involved will be asked to attend the board meeting for the purposes of presenting any additional facts, making further explanations, and clarifying the issues. The board will not consider or act upon complaints that have not been explored at the appropriate administrative level or complaints for which specific resolution procedures have been established that do not include board review. If the board decides to hear the complaint, the board shall make a decision which shall be sent to all interested parties. The board's decision is final.

Oakdale Proposed Crosswalk & Sidewalk @ Valley Crossing Rd

August 8, 2020 – reached out to the City of Oklahoma City with the proposed intentions of adding a crosswalk and signage at this location. Stuart Chai, the City Traffic Engineer, provided the steps and an immediate solution while going through the process of approval.

- **Immediate solution** – work with OKCPD and hire a school crossing guard. A crossing guard only requires OKCPD approval (and OKCPD splits the cost for a guard with the school district) and does not require ADA compliant ramps nor crosswalk markings. Info for this program can be obtained from Francene Thomas at 405-316-5257. Mike Franz has been in contact with Francene and can get/provide associated costs.
- **The City of OKC's responsibility** – they have the funding and will arrange for the reconstruction of the sidewalk on the south side of Hefner Road to make it ADA compliant. This process would take about 3 months to begin construction of the ramp.
- **Oakdale responsibility** – construct an ADA ramp on the north side of Hefner and small sidewalk (as seen in the drawing) and marking the crosswalk going across the drive in/out of Oakdale. Action has reached out to Jim Wilkerson with XD Engineering to draw the site plans. Once we have the plans they will be submitted to the City for approval. Upon approval, Dolese is going to supply (donate) the concrete and CGC is going to supply (donate) the labor to install the ramp and sidewalk.
- Once the sidewalk work is complete, the City will stripe the crosswalk and install school zone crossing signs at the crosswalk and in advance of it. As soon as all of the work is complete (approximately 90 days), there will be no need to contract with the OKCPD for a crossing guard. Throughout the duration of this project, this will be the only out of pocket expense for Oakdale.
