BOARD OF EDUCATION MEETING
PUBLIC PARTICIPATION

The purpose of a Board meeting is for the Board to conduct the District's business and to deliberate and act upon matters before the Board unless the Board is specifically conducting a public forum. The public is encouraged to attend and to observe meetings of the Board and to participate whenever a public forum is being held for the purpose of receiving public input.

During portions of the Board's regular business meetings an opportunity shall be provided for members of the public to make comments regarding school related matters that appear as an action item on the posted agenda. To make such comments, members of the public are to complete the required form and submit it to the Clerk of the Board no less than 15 minutes before the meeting is called to order. Individuals or groups wishing to speak during the public comment period must provide the following information, in writing on the form provided, in order to speak before the board:

- Name of the individual;
- The agenda action item(s) the individual wishes to address;
- The organization the individual represents or is affiliated with, if applicable.

Persons addressing the Board during the "Public Comments" portion of a regular meeting Board meeting shall be allowed three (3) minutes to address the Board. If a group has requested to address the Board on a particular subject, the group will select one representative speaker for the group and will be allowed ten (10) minutes to speak collectively on behalf of the group's members. Groups consisting of three (3) or more persons shall designate a spokesperson who shall speak for and represent the group. Generally, a maximum of fifteen (15) minutes will be allowed for the public comment period. If an extremely large number of requests to speak are received, the Board President may extend the total time limit for comments.

The District provides various grievance and complaint procedures for addressing concerns and complaints. Therefore, to avoid circumvention of those procedures and ensure fairness to all parties, no person will be allowed to place an item on the agenda or speak on the following matters:

1. Any issue involved in pending litigation or any investigation filed with an outside agency wherein the District, any employee, or the Board is a party;
2. Any pending grievances or complaints involving employees or students;

4. Any student suspension or appeal of a student suspension.

Persons addressing the Board shall not be permitted to engage in defamatory conduct or criticize individuals and shall not engage in disruptive behavior.

Board members and the District's administrative staff shall not respond to questions or comments from the public since doing so could be in violation of the Oklahoma Open Meeting Act. The Board will not take any action on an item addressed by the public unless such item is properly on the agenda as an action item or is properly considered new business as defined by law.

FLAGS

It is the policy of the Oakdale Board of Education that the American flag and the Oklahoma flag will be flown at the school during school hours except in bad weather. An assigned custodian will be responsible for raising and lowering the flags.

The school day will begin with a flag salute. However, students not wishing to participate in the pledge shall not be required to do so. A notice to this effect will be posted in a conspicuous place in each school building and/or classroom.

Flags representing United States Military branches may also be flown on school premises with the approval of the administration. No other flags shall be flown on school property at any time. In the event other flags are flown on school premises, individuals involved will be directed to remove them from the premises.

STUDENT TRANSFERS

The school district will not accept or deny a transfer based on ethnicity, national origin, gender, income level, disabling condition, proficiency in the English language, measure of achievement, aptitude or athletic ability.

The school district will begin accepting applications for the next school year starting June 1st. Receipt of applications will be documented by the district so that the district may review those applications in the order submitted for purposes of capacity limitations. The administration will not approve or deny transfers received for the next school year until after the July 1 capacity data is determined for each grade level and site within the school district.

A transfer may be requested at any time in the school year. State law does limit the ability of a student to transfer to no more than two (2) times per school year to one or more school districts in which the student does not reside. Exceptions to this limit will exist for students in foster care. Students are legally entitled to reenroll at any time in his or her school district of residence.

Any brother or sister of a student who transfers may attend the school district to which their sibling transferred as long as the school district has capacity in the grade level and the sibling does not meet a basis for denial as listed below. A separate application must be filed for each student so that the district can timely consider requests in the order applications are received.

Transfers that have previously been approved by the school district will remain in effect for future school years unless the district provides notification to the parent or legal guardian that the transfer is not going to be continued for an upcoming school year due to disciplinary action or attendance issues. The district will not require parents resubmit a new application each school year and will advance the previous application of an enrolled student amending only the grade placement of the student.

An employee's student shall be allowed to transfer to a district in which the parent or legal guardian of the student is employed as a teacher as per 70 O.S. § 8-113. If a student was admitted and in attendance due to a transfer provided because the parent or legal guardian was an employee and if, for whatever reason, the employee does not continue to be employed by the district, the parent or legal guardian will need to reapply for a transfer in accordance with the requirements set forth in this policy. (See Policy FEF: Transfers for Children of Employees)

It is the policy of the board of education that any legally transferring student shall be accepted by the district under the following circumstances:

1. The district has the capacity to accept the student at the grade level at the school site;

2. The transferring student has not been disciplined for:

    a. violation of a school regulation,
    b. possession of an intoxicating beverage, low-point beer, as defined by Section 163.2 of Title 37 of the Oklahoma Statutes, or missing or stolen property if the property is reasonably suspected to have been taken from a student, a school employee, or the school during school activities, or
    c. possession of a dangerous weapon or a controlled dangerous substance while on or within two thousand (2,000) feet of public school property, or at a school event, as defined in the Uniform Controlled Dangerous Substances Act.

TRANSFER POLICY(Cont.)

3. The transferring student does not have a history of absences. "History of absences" means ten or more absences in one semester that are not excused for the reasons provided in 70 O.S. § 10-105 or due to illness.

By the first day of January, April, July and October, the board of education shall establish the number of transfer students the district has the capacity to accept in each grade level for each school site within the district. The number of transfer students for each grade level at each site that the district has the capacity to accept will be posted in a prominent place on the school district's website. The district shall report to the State Department of Education the number of transfer students for each grade level for each school site which the district has the capacity to accept.

The district will approve or deny the application and notify the parent of the student of the determination in writing within thirty (30) days of receiving an application. The school district shall enroll transfer students in the order in which they submit their applications. If the number of student transfer applications exceeds the capacity of the district, the district shall select transfer students in the order in which the district received the application.

If the transfer application is accepted, the district shall notify the parents of the acceptance. The parent shall provide the district with written notification that the student will be enrolling within ten (10) days of notification of acceptance. Failure to notify the school district within ten (10) days of acceptance shall result in the cancellation of the transfer. The district will provide a written noticed of the cancellation to the parent of the student immediately upon cancellation. If accepted, a student transfer is granted for the existing school year and may continue to attend in future years.

At the end of the school year, the district may deny continued transfer of the student due to disciplinary reasons or a history of absences. Written notice of the intention to deny continued transfer of the student shall be given to a parent of a student no later than July 15. The parent may appeal the denial of a continued transfer. If a transfer request is denied by the school district, the district shall provide notification of the denial in writing to the parent by either hand-delivery, by U.S. Mail or electronic mail. The notification shall include:

1. An explanation including but not limited to any citation to the statute, regulation, or school district policy under which the denial was made;
2. A copy of the policy adopted by the district for determining the number of transfer students the school district has the capacity to accept;
3. A copy of 210:10-1-18.1 from the Administrative Code; and
4. The date upon which the appeal will be due.

If a transfer request is denied by the administration, the parent or legal guardian of the student may appeal the denial within ten (10) days of notification of denial to the board of education. If notification was hand-delivered, the appeal period shall begin the day after the notification is delivered. If notification is sent by U.S. Mail, the appeal period shall begin three (3) days after the notification is mailed. If notification is sent via electronic mail, the appeal period shall begin the day after the notification is sent. The board of education shall consider the appeal at its next regularly scheduled board meeting if notice is provided prior to the statutory deadline for posting the agenda for the meeting. The board of education shall accept an otherwise untimely appeal if a parent of a student can establish that they did not receive actual notice of the notification denying the transfer request, and the appeal was submitted within ten (10) days after the parent of the student actually received notice.

TRANSFER POLICY (Cont.)

The appeal to the board of education shall be submitted to the office of the superintendent. The appeal shall include the following:

1. The name, address and telephone number of the parent of the student and the student for whom the appeal is being taken;
2. The date the district gave notice denying the transfer request;
3. The basis for appealing the decision of the school district; and
4. The name, address and telephone number of the legal representative, if applicable.

During the appeal, the board will review the action of the administration and the appeal paperwork submitted by the parent of the student to make sure that the district policy was followed with regard to the denial of the transfer. The board of education will meet in an executive session to review the educational records of the student. If the policy was not followed, the board of education shall return to open session to vote to overturn the denial and the transfer will be granted. This will be a paper appeal and will include the written documentation utilized by the school district as well as a written response from the parent or legal guardian which explains why the policy was not followed.

If the board of education votes to deny an appeal of a request to transfer, the board of education shall instruct the superintendent to provide notification of denial in writing to the parent of the student by either hand-delivery, by U.S. Mail, or by electronic mail. The notification shall include:

1. An explanation, including the legal citation to the statute, regulation, or school district policy under which the denial was made;
2. A copy of the policy adopted by the board of education for determining the number of transfer students the district has capacity to accept;
3. A copy of the State Board of Education's prescribed form for an appeal; and
4. A copy of 210:10-1-18.1 which identifies the Accreditation standard for appealing the denial of a student transfer.

If the board of education votes to uphold the denial of the transfer, the parent or legal guardian may appeal the denial within ten (10) days of the notification of the appeal denial to the State Board of Education. The parent or legal guardian shall submit to the State Board of Education and to the superintendent of the district, a notice of appeal on the form prescribed by the State Board of Education. The superintendent shall immediately provide a copy of the appeal to each member of the board of education. Upon receipt of notice of an appeal, but not later than five (5) days prior to the date at which the State Board of Education is scheduled to consider the appeal the board of education may submit a written response to the appeal. Responses should not exceed five (5) pages. If not submitted by the parent, the board of education shall provide a copy of the policy adopted to determine the number of transfer students the district has the capacity to accept in each grade level for each school site within the district. The parent and the school district will have an opportunity to appear in person or by authorized representative or by attorney to address the State Board at the meeting.

A student who enrolls in a school district in which the student is not a resident shall not be eligible to participate in school-related extramural athletic competition governed by the Oklahoma Secondary School Activities Association for a period of one (1) year from the first day of attendance at the receiving school unless the transfer is from a school district which does not offer the grade the student is entitled to pursue as per 70 O.S. § 8-103.2.

Contest of Candidacy Information Sheet

Any candidate (referred to as petitioner) may contest the candidacy of any other candidate (referred to as contestee) for the same office by filing a written petition with the Secretary of the County Election Board who accepted the Declaration of Candidacy. In the event a candidate is unopposed, a petition contesting the candidacy may be filed by any registered voter who is eligible to vote for that office. A contest of candidacy petition must be filed no later than 5 p.m. on the second business day following the close of the filing period. The petition must list the reasons alleged by the petitioner that the contestee is not qualified by law to become a candidate.

The petition must be accompanied by a deposit in the form of a certified check or cashier's check. Personal checks and cash will not be accepted. The check must be in the amount of Two Hundred Fifty Dollars ($250.00), and it must be made out to the "Secretary of the Oklahoma County Election Board." An optional Petition for Contest of Candidacy form is available from the County Election Board.

Serving Notice

The County Election Board Secretary will set a hearing date for the contest. Once the hearing is scheduled, it is the petitioner's responsibility to have a copy of the petition and a copy of the notice served on the contestee.

The petitioner takes a copy of the petition, the Notice of Hearing, and the Return of Service form provided by the County Election Board Secretary to the Sheriff of the county in which the contestee resides. An employee of the Sheriff's office is required to serve the petition and the Notice on the contestee within 24 hours from the time the County Election Board Secretary received the petition. For example, if the contest of candidacy petition was filed at 3 p.m. on Friday, the contestee must be served by 3 p.m. on Saturday. The Sheriff must provide the petitioner with written confirmation that service either was or was not performed. The petitioner presents the Return of Service form at the hearing when the County Election Board asks for proof of service.

If the Sheriff is unable to serve the contestee, this is indicated on the Return of Service form. The petitioner then serves the contestee's copies of the notice and petition on the County Election Board Secretary at the contest of candidacy hearing. By law, the County Election Board Secretary is the constructive service agent for all candidates who file Declarations of Candidacy with him or her, and the candidates are presumed to have accepted such constructive service when they file their Declarations.

Burden of Proof

The petitioner must prove the allegations in the petition. However, a contestee who does not appear to answer the petition is deemed to be in default and is considered to have admitted the allegations in the petition. If the allegations are sufficient to disqualify the contestee, the Board shall strike the candidacy and remove the candidate's name from the ballot.

Contestee May Appear or Answer

The contestee may appear at the hearing and/or may file a written answer to the allegations in the petition only after posting a deposit of $250 in the form of a cashier's check or a certified check. The purpose of the contestee's appearance and/or written answer is to explain why his or her candidacy is valid.

Counsel

Candidates may be represented by counsel but are not required to be.

At the Hearing

More than one contest may be scheduled at the same time and place. If this is the case, the County Election Board members will announce at the beginning of the hearing the order in which the contests will be heard.

The petitioner will be asked to make an opening statement to the Board. The contestee then will be asked to make an opening statement. The contestee may waive, reserve or make an opening statement. The County Election Board may place a time limit on opening statements.

Following the opening statements, the parties will present witnesses and evidence. Witnesses will be called to the witness stand. The petitioner, the contestee and the County Election Board members will have the opportunity to question witnesses.

After all witnesses have been presented, the Secretary will ask for closing statements. The petitioner speaks first and then the contestee. The County Election Board also may place a time limit on closing statements.

The Secretary may ask the District Attorney to advise the Board on the applicable law. The Board members then have a chance to ask the District Attorney, counsel or the parties any final questions.

The County Election Board members will decide either to retain or to strike the candidacy. The decision is made by a motion, second, and a roll call vote.

Decision of the Board

If the petitioner's allegations are not sufficient to disqualify the contestee, the candidate's name will be retained on the ballot. If the Board members determine that the contestee's Declaration of Candidacy can be amended to conform to the law, they may order the contestee to make the amendment. If the Board members determine that the contestee is not qualified to become a candidate for the office, they may order that the candidacy be stricken. In this case, the contestee's filing fee is forfeited.

The County Election Board's decision is final.

Costs of the Hearing

If the contestee does not appear or if the contestee's name is retained on the ballot, the costs of the contest hearing are deducted from the petitioner's deposit. Any remaining balance is refunded to the petitioner. If the contestee appears or answers but the candidacy is stricken, costs of the contest hearing are deducted from the contestee's deposit, and any balance is refunded.

If you have any questions, please contact the County Election Board at 405-713-1515.
