QUANTITY/TEAM: Most assignments exceeding 1.5 hours of continuous language processing will require 2 interpreters working together as a team. Service Agreement

MILEAGE & EXPENSES: Company will be billed each interpreter's mileage to and from the assignment in accordance with the IRS standard mileage reimbursement rate per mile, as well as assignment related expenses incurred, typically parking and tolls.

TRAVEL TIME CHARGES: (interpreter travels 100 miles or more round trip): Assignment sites outside large metropolitans should expect travel time charges. SLRS uses a Google Maps addon to calculate the interpreter's time necessary to travel to the assignment site and back. The booked time will include the entire block of time: (travel to the site + minimum charge (2 hours), and the travel time back). If canceled in less than 24 business hours (see CANCELLATION POLICY), the entire booked time (travel + appointment time) will be charged.

CONFIDENTIALITY: All interpreters are required to keep all assignment related information strictly confidential and to abide by the NAD/RID Code of Professional Conduct. All independent contractors have a Business Associate Agreement with SLRS.

NON-COMPETITION & Business Associate Agreement (BAA): The Company will not pursue hiring or contracting with SLRS interpreters directly. Interpreters sent by SLRS must be booked through SLRS. When necessary, the Company will provide SLRS a BAA according to and consistent with HIPAA requirements. The Company is responsible for HIPAA compliance as required by applicable laws and regulations. SLRS is responsible for compliance with the provisions and obligations set forth in the BAA and by applicable laws and regulations executed by the parties. Each party will only be held responsible or liable for compliance with the requirements of HIPAA or the BAA obligations that apply to them. Neither will be held responsible for complying with the legal and regulatory obligations of the other party.

CANCELLATION POLICY (strictly upheld): SLRS incurs the cost of interpreting services if services are canceled with less than 24 business hours' notice. Assignments canceled less than 24 business hours from the assignment start time will be charged the entire booked time. This includes, but is not limited to, services are not wanted or needed, appointments are rescheduled, the time/date is adjusted, etc. If the interpreter is not qualified, as determined by SLRS, or is absent, the company will not be charged. There are no other exceptions to the cancellation policy. This policy goes into effect when an order is taken by SLRS. Canceling services must be done through SLRS office personnel only (not the interpreter), or by emailing SLRS at contact@SLRSinc.com (retrieved during normal business hours). Office hours can be found at SLRSinc.com/contact.

PAYMENT: Company will not pay or be invoiced from the interpreter. SLRS processes accounts weekly and will send the company an electronic invoice. Payments made by mail should be sent to PO Box 7 Edmond, OK 73083.

SLRS accepts Visa, Master Card, Discover, American Express, PO's and checks. Payments can be made on our secure online portal at SLRSinc.com. Payment is due 30 days of receipt, made payable to "SLRS Inc." Company will be charged a \$10.00 or 1.5% (whichever is greater and to the extent allowed by law) late fee, per 30 days. Accounts over 120 days will be charged a \$50 collection fee and sent to an outside collection agency. \$30.00 fee for returned checks or ACH.

Each party represents and warrants to the other that it is not excluded from participation in any Federal Health Care Programs; debarred, suspended, or otherwise excluded from participating in any other federal or state procurement or non-procurement program or activity; or designated a Specially.

OKLAHOMA

The Workforce Innovation Opportunity Act (WIOA) requires the Department of Rehabilitation Services (DRS) to collect and report Measurable Skills Gains for youth.

To document these Measurable Skills Gains, Vocational Rehabilitation Counselors will need to obtain a consent form signed by a parent or the student (if they are age 18+) to then submit to your school to obtain copies of students' secondary transcripts. You can expect to receive such transcript requests at the end of each semester and should note that the signed consent forms are only good for one year.

The State Department of Education Special Education Services (OSDE-SES) and DRS request that LEAs collaborate with their local VR Counselors to establish procedures to assist VR Counselors with obtaining students' secondary transcripts and/or report cards to meet WIOA compliance.

Here are some examples of effective procedures VR counselors have shared:

1. The VR Counselor obtains a DRS release form signed by the student's parent/guardian or by the student if they are age 18+ (see example) and then provides a copy of the signed release forms to your school district. The LEA then provides the transcripts to the OKDRS/VR counselor.

(NOTE: LEAs are encouraged to establish a set contact person(s) for the VR Counselor to send consent forms, such as the counselor's office, registrar, special education administration support staff, etc.)

1. For those students participating in School Work Study (SWS), the VR Counselor will send copies of the signed release forms, and the school can provide the students' transcripts along with the SWS time sheets.
2. The VR Counselor sends out the following letter to students and encloses a self-addressed postage-paid envelope for the student to return the transcript in the mail to DRS:

Dear [Client],

The first (second) semester of the school year is almost over, and I hope it has been a good semester for you! I am required to document in your vocational rehabilitation your educational process each semester. Please provide DRS with a copy of your semester's grades. Please return either a high school transcript for (insert the fall or spring semester and the year) or a report card in the enclosed postage-paid envelope or email it to me at (insert counselor's email address). Please contact me if you have any questions at all. Thank you!

Thank you for your support as we work to improve outcomes for students with disabilities.

- who are attending high school.

All students participating in Work Study shall be DRS clients.

Students participating in Work Study may do so for **no more than 24 cumulative months**, as authorized in the form of Authorization(s) for Purchase(s) provided by the DRS counselors prior to the students starting work. In order for the School to be reimbursed for wages paid to a student participating in School Work Study and/or Worksite Learning, the School must have received authorization in the form of an Authorization for Purchase from the DRS counselor prior to the student starting work.

The months do not need to be consecutive. Based on individual needs and barriers due to disability, there may be exceptions where the student requires more time to make additional progress. In that instance, the DRS counselor may authorize additional time. Summer months spent in Work Study count in the 24 cumulative months. Transportation, scheduling, administrative or family convenience, or family/individual income needs are not acceptable reasons to extend Work Study beyond 24 cumulative months.

Participating students may work **no more than 15 cumulative hours per week during the school year** (i.e., during the day, evenings, weekends, or holidays). In each of the cases described above, the students **must** be given school credit for their participation during the school day, and the School staff and the DRS counselor will provide important guidance and instructional help around the work experience. If the student works after school hours, in the evening or on weekends, the School may also choose to give the student school credit and is encouraged to do so to support earning elective credits. The School will provide staff to work with the DRS counselor in the area of transition. The School will have at least one (1) person designated to serve as the "teacher/transition coordinator". Paraprofessionals could serve as transition coordinator or could also be assigned to help with the process and documentation. The School agrees to provide designated staff time for performing the needed duties related to transition. The School agrees to fully inform the staff responsible for carrying out the duties set forth in the Contract. This includes providing all necessary staff with a copy of the Contract.

Students wishing to continue working through the summer as part of Transition School-To-Work: Work Study may do so if the School has a current contract in place.

During the school year - The maximum number of hours worked per student that is reimbursable by the DRS **cannot** exceed 15 cumulative hours per week during the school year. The DRS will reimburse 100% of the wages paid by the School for a maximum 15 cumulative hours per week

During the summer months - The maximum number of hours worked may exceed 15 cumulative hours and no more than 20 per week for summer work only when pre-approved by the DRS counselor. The DRS will reimburse 100% of the wages paid by the School for a maximum 20 cumulative hours per week. Students may work a maximum 20 cumulative hours per week beginning with the first day of summer break. However, upon the first day back to school, the students must go back to working no more than a maximum 15 cumulative hours per week. All Child Labor Laws apply and must be adhered to.

The School is required to continue supervising, monitoring, and reporting on students working in the School or in the community during the summer.

Paid work positions must reflect **real work/jobs** and include tasks that would normally be a function of that position. The students must be learning skills that will transfer to competitive, integrated employment in the community. Classroom instructional time does not count as work. The School must ensure that students have access to a wide variety of work/job types and must also ensure the School has enough work to cover the number of students intended to participate in the program. Examples of work/jobs within the School include, but are not limited to, the following:

- office assistant/mail clerk - deliver mail/messages, stamping, sealing, organizing, cleaning, stocking, inventory, ordering, shredding, answering phones, making ID badges, laminating, taking messages, greeting visitors;
- transportation assistant - cleaning buses inside and out, light vehicle maintenance, checking fluids, tire pressure, assisting with trip tickets, cleaning bus barn;
- teacher's aide - reading to groups/individuals, cleaning, organizing, light grading, bulletin boards, listening to students read, engage students in activities, shredding, making copies;
- custodial -operating electric floor cleaning machines, simple maintenance, taking out trash, cleaning classrooms, sanitizing, dusting lockers and trophy cases, cleaning windows, restocking bathrooms, vacuuming rugs;
- manager of sports team - scorekeeping, ordering, inventory, hauling/moving equipment, washing towels, preparing water jugs and equipment for practices and games;
- information technology assistant - using compressed air to clean computers and keyboards; replacing batteries, mice and keyboards; cleaning monitors; deliveries to students and/or teachers; organizing order tickets;
- clerk in school store or coffee/snack cart - greeting, stocking, inventory, organizing, ordering, taking orders, filling orders, taking money and making change, cleaning, making displays;

- cafeteria assistant - wiping down tables, taking out trash, loading dishes, preparing food and utensils, stocking, serving, organizing;
- library aide - greeting, accepting books, checking books out, shelving books, research, cleaning, organizing, doing displays, answering phones; and
- landscaping/maintenance - mowing, weed eating, edging, pulling weeds, cleaning up flower beds, planting flower beds, selecting flowers/plants, planting in flower beds, trimming trees/shrubs, raking and bagging leaves, picking up trash from parking lot or around school grounds, light repairs on school properties, such as replacing light bulbs, painting, exterminating pests, etc.

The same guidelines should be adhered to when selecting community placements for paid work experiences.

In the final nine (9) months of the student's Work Study (School Work Study, Worksite Learning, Employer Work Study), the student must work for an employer outside of the school or school district, unless otherwise approved by the DRS counselor. Students may not work in their family-owned business unless approved by the DRS counselor. This includes farms and other businesses.

Participation in School Work Study and/or Worksite Learning is limited to students who are **actively enrolled in high school and eligible for transition services**. Upon graduation with **either a standard diploma or an alternate diploma (OAAP)** and official exit from the school district, students receiving services under this Contract must cease work on the last day of the school year. Participation in these programs may not continue beyond the student's high school exit.

A. Work Study Program

There are two types of Work Study through DRS:

1. School Work Study (SWS) allows students with disabilities to **work on the School campus**. The students are supervised or closely monitored by School personnel, and the School pays the students a wage, with the **DRS making reimbursement to the School** for that payment. The **School maintains liability** for the students while working on campus.
2. Worksite Learning allows students with disabilities to **work in the community**. The students are supervised or closely monitored by School personnel, and the School pays the students a wage, with the **DRS making reimbursement to the School** for that payment. The **School maintains liability** for the students while working off campus.

B. Other Work Opportunities

This is not a Work Study through DRS:

1. Employer Work Study allows students with disabilities employment experience in **part-time jobs in the community**, with the employers paying the wages/salary(ies). In this

instance, the students are employees of the community employers, **employers maintain liability, and the DRS does not reimburse the employers for the wages/salary(ies).**

A. Contractor's/School's Obligations

The Contractor's/School's designated teacher/transition coordinator shall:

1. be knowledgeable about the contents and requirements of the Contract;

4. provide information regarding the program to School personnel, students, and parents;

9. document such transition services or pre-employment transition services provided and completed by participating students;
10. provide such documentation to the DRS counselor at the end of each semester;
11. submit (at the same time and by the 15th of the following month or whenever payroll is run by the School for their payment cycle) monthly invoices/pay stubs, time sheets, progress reports, and proof of payment to students for reimbursement of the wages paid to students participating in School Work Study and/or Worksite Learning; and
12. ensure the electronic copy of the contract is routed to the appropriate person for signature and returned electronically to the DRS.

If claiming mileage reimbursement for the School's teacher/transition coordinator's travel to and from the job sites of participating Work Study students, the School shall submit monthly itineraries and travel claims that have been signed and verified by the School's designated signer.

B. DRS's Obligations

The DRS counselor shall:

1. provide authorization in the form of an Authorization for Purchase to the School's teacher/transition coordinator prior to the School initiating services for each eligible student participating in School Work Study and/or Worksite Learning;

11. ensure that the School is submitting monthly timesheets, progress reports, proof of payments to students, and documentation of transition services or pre-employment transition services (as completed) on a regular basis;
12. provide reimbursement to the School for wages paid to students participating in School Work Study and/or Work Site Learning;
13. provide mileage reimbursement at the state rate for the School's teacher/transition coordinator's travel to and from job sites of students participating in School Work Study and/or Worksite Learning; and
14. provide support in assisting students graduating into Employer Work Study.

C. Student Wage

1. The DRS and the School agree that students who are employed by the School as part of a training program are not independent contractors, but employees of the School. **The School agrees to deduct state and federal income tax from wages paid to the student.** The School is responsible for costs incurred for workers' compensation or other expenses not included in the minimum wage reimbursed by the DRS, as part of its contribution toward providing coordinated transition services outlined in the Individuals with Disabilities Education Act (IDEA) and the Workforce Innovation and Opportunity Act (WIOA).
2. The DRS and the School further agree that **IRS regulations provide that services performed by a student who is employed by the school in which the student is enrolled are not considered "employment" for purposes of FICA (Federal Insurance Contribution Act—Social Security and Medicare) and FUTA (Federal Unemployment Tax Act—employment tax)** payroll deductions. 26 C.F.R. § 31.3121(b)(10)-2(a)(1) and § 31.3306(c)(10)-2(a). The rules provide that the services

performed by the student must be incident to and for the purposes of pursuing a course of study at the School. 26 C.F.R. § 31.3121(b)(10)-2. **The DRS and the School agree that students who are employed by the School as part of a training program are not subject to FICA or FUTA, except as otherwise provided below.** The employee/student must be enrolled and regularly attending classes at the school where they are employed to have the status of a student within the meaning of the regulations. This exemption does not apply if the student is working for a private employer through Employer Work Study, rather than for the School as part of an internship program. *The student must be employed by the School in order for the exception to apply.* The Oklahoma Employment Security Act provides that employment as part of a work-training program is exempt from the definition of "employment" and, therefore, not subject to the Act and, therefore, should not be documented as wages paid in quarterly submissions to the Oklahoma Employment Security Commission (OESC). 40 O.S. §1-210 (15)(I). **At the end of the calendar year, students are to be provided a W-2 (Wage and Tax Statement), and not a 1099-Misc form for independent contractors.**

1. In order for the School to be reimbursed for wages paid to a student participating in School Work Study and/or Worksite Learning, the School must have received authorization in the form of an Authorization for Purchase from the DRS counselor prior to the student starting work.

I. Compensation

A. Contract Amount

The DRS shall reimburse the Contractor as follows:

- school months –the current federal minimum wage. EXEMPT from FICA and FUTA, thus should not be taken out of the student's check.
- summer months –the current federal minimum wage, plus FICA and FUTA, as summer months are NOT exempt due to the student not being enrolled at least half-time in school.

Payment shall be made upon receipt of properly completed and approved invoices/pay stubs, time sheets and progress reports documenting the provision of services and/or receipt of proper claims for reimbursement of travel expenses pursuant to the contract for services. By law the **DRS cannot pay** in advance. Neither the Contractor nor any other parties may rely upon any amount set by the DRS in the Contract, or otherwise, as a guaranty, warranty, or any other promise of receipt or payment of that amount, except for those goods and/or services provided to and accepted by the DRS pursuant to the Contract.

The **DRS will cancel the Contract if procedures are not followed** (e.g., putting students to work before authorized, inappropriate job placements, delayed billing, not submitting proper documentation as outlined in the Contract). If a settlement/ratification agreement must be reached between the Contractor and the DRS, the Contractor will receive only 50% of the funds for which it is seeking reimbursement.

The Oklahoma State Constitution, Article 10, Section 23 states, "Balanced Budget - Procedures. The state shall never create or authorize the creation of any debt or obligation, or fund or pay

any deficit, against the state, or any department, institution, or agency thereof, regardless of its form or the source of money from which it is to be paid, except as may be provided in this section and in Sections 24 and 25 of Article X of the Constitution of the State of Oklahoma.”

An express or written contract is a document evidencing, among other things, the mutual consent of the contracting parties. The written document becomes effective when the parties have signified their mutual consent by the act of signing it. The act of signing occurs when it occurs and applies only to events in the future.

To ensure you stay within the law and that you receive full compensation for services provided, please wait for official written documentation from your DRS counselors as to when a service may actually begin for an approved DRS client. The DRS CANNOT backdate in order to pay for services for any youth with disabilities.

According to 70 O.S. § 5-142, school districts must conduct national criminal record background searches and fingerprinting on prospective employees. Therefore, the DRS will reimburse the School up to fifty dollars (\$58.25) per DRS client who:

- * is going to participate in School Work Study and/or Worksite Learning;
- * is at least eighteen (18) years of age; and
- * has not previously had a criminal background check completed by the school district or any other school district in Oklahoma.

This reimbursement will occur upon request and submission of properly completed documentation to the DRS counselor. If the Contractor chooses to request the expedited background check from the Oklahoma State Department of Education, the Contractor will be responsible for any additional fees beyond the fifty dollars (\$58.25).

A. Payment

The State of Oklahoma has forty-five (45) days from receipt of properly completed and approved invoices/pay stubs, timesheets and progress reports documenting the provision of services and/or receipt of proper claims for reimbursement of travel expenses pursuant to the contract for services to make payment to the Contractor. Invoices/pay stubs, timesheets, progress reports, and claims shall be sent to the DRS counselor who authorized services for each DRS client. **DRS cannot reimburse wages for School Work Study and/or Worksite Learning hours that were not authorized in the form of an Authorization for Purchase provided by the DRS counselor prior to the student starting work.** The DRS counselor's name, address, and telephone number are shown on each DRS client's Authorization for Purchase. If the State of Oklahoma fails to make payment within the forty-five (45) days, the Contractor is eligible to receive interest on the unpaid balance due per State of Oklahoma Statutes. The Contractor is responsible for claiming the interest. Pursuant to 2 C.F.R. § 200.407(n), 2 C.F.R. § 200.441, the DRS shall not use federal funds or non-federal funds used for vocational rehabilitation (VR) match to pay interest assessed for late payments to the Contractor.

B. Lapse Of Invoices/Claims

Properly completed and approved invoices/pay stubs, timesheets, and progress reports documenting the provision of services and/or proper claims for reimbursement of travel expenses pursuant to the contract for services shall be submitted within ninety (90) calendar days of the provision of those services and/or incurrence of those travel expenses. Supporting encumbrances may be cancelled upon a lapse of six (6) months from the actual provision of services and/or incurrence of travel expenses pursuant to the contract for services, unless specified otherwise in the Contract.

I. Standard Terms

A. Non-Discrimination

The Contractor shall at all times comply with all applicable federal laws relating to nondiscrimination, including but not limited to the Civil Rights Act of 1964 (42 U.S.C. §2000 *et seq.*), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794), the Americans With Disabilities Act of 1990 (42 U.S.C. §12101 *et seq.*), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), the Age Discrimination in Employment Act (42 U.S.C. §6101 *et seq.*), and all amendments to these acts, and all requirements imposed by the regulations issued pursuant to these acts. B. Lobbying Activities

The Contractor certifies the following:

1. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer of Congress in connection with the making of any federal grant, the entering into of any cooperative agreement, and the extension, renewal, amendment or modification of any federal grant, or cooperative agreement;
2. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

C. Debarment And Suspension

In accordance with Presidential Executive Orders 12549 and 12689, the Contractor certifies that neither it nor its principals are presently debarred, suspended or otherwise disqualified for participation in federal assistance programs. Such certification is a material representation of fact upon which reliance is being placed when entering into the Contract. A determination that the Contractor knowingly rendered an erroneous certification, in addition to other available remedies, may result in whole or partial termination of the Contractor's default.

Additionally, the Contractor shall promptly provide written notice to the Oklahoma state purchasing director if the certification becomes erroneous due to changed circumstances.

A. Drug-Free Workplace

The Contractor certifies compliance in providing or continuing to provide a drug-free workplace in accordance with the Drug-Free Workplace Act of 1988.

B. Modification

The Contract may only be modified by mutual consent of the parties in writing.

C. Cancellation

1. **With Cause:** In the event the Contractor fails to meet the terms and conditions of the Contract or fails to provide services in accordance with the provisions of the Contract, the DRS may upon written notice of default transmitted via Certified Mail to Contractor, cancel the Contract effective upon receipt of notice or at 5:00 PM on the fifth calendar day from the date DRS mailed the notice, whichever occurs first. Such cancellation shall not be an exclusive remedy but shall be in addition to any other rights and remedies provided for by law. In the event a Notice of Cancellation is issued, the Contractor shall have the right to request a review of such decision as provided by the rules and regulations promulgated by the State of Oklahoma, Office of Management and Enterprise Services.
2. **Without Cause:** It is further agreed that the Contract may be canceled by either party by providing thirty (30) days prior written notice.

D. Access To And Retention Of Records

The Contractor shall maintain adequate and separate accounting and fiscal records and account for all funds provided by any source to pay the cost of the Contract. Authorized personnel of the U.S. Department of Education or other pertinent federal agencies, and authorized personnel of the Oklahoma Department of Rehabilitation Services, State Auditor and Inspector, and other appropriate state entities shall have the right of access to any books, documents, papers, or other records of contract which are pertinent to the performance or payment of the Contract in order to audit, examine, make excerpts and/or transcripts.

The Contractor is required to retain records relative to the Contract for the duration of the Contract and for a period of seven (7) years following completion or termination of the Contract, unless otherwise indicated in the Contract terms. If a claim, audit, litigation or other action involving such records is started before the end of the seven-year period, the records are required to be maintained for two (2) years from the date that all issues arising out of the action are resolved or until the end of the seven-year retention period, whichever is later.

E. Subcontracting

The services to be performed under the Contract shall not be subcontracted, in whole or in part, to any other person or entity without written approval by the DRS. The terms of the Contract, and such additional terms as the DRS may require, shall be included in any subcontract. Approval of the subcontract shall not relieve the Contractor of any responsibility for performing the Contract.

A. Compliance With State And Federal Laws

The Contractor shall comply with all applicable state and federal laws, rules and regulations relevant to the performance of the Contract. Compliance shall be the responsibility of the Contractor, without reliance on or direction by the DRS.

B. Travel

The travel expenses to be incurred by the Contractor pursuant to the Contract shall be included in the total amount of the contract award. The DRS will only pay travel expenses (including per diem) specified in and charged against the total amount of the contract award. In addition, the DRS will not reimburse travel expenses in excess of the rate established by the Oklahoma State Travel Reimbursement Act, 74 O.S. § 500.1-37. The Contractor shall be responsible for all travel arrangements and provide supporting documentation for reimbursement.

C. Client Confidentiality

The Contractor assures compliance with DRS requirements pertaining to the protection, use, and release of personal information. The Contractor will hold confidential all personal information regarding individuals, including lists of names, addresses, photographs, records of evaluation, and all other records of the DRS client. This information may not be disclosed, directly or indirectly, unless consent is obtained in writing or as otherwise required by law.

D. Unallowable Costs

In the event any audit, audit resolution, review, monitoring, or other oversight results in the determination that the Contractor has expended DRS funds on unallowable costs on this or any previous contract, the Contractor shall reimburse the DRS in full for all such costs on demand. The DRS may, at its sole discretion, deduct and withhold such amounts from subsequent payments to be made to the Contractor under this or other contracts.

E. Audit

1. Federal Funds

Organizations that expend \$1,000,000 or more in a year in federal funds from all sources shall have a certified independent audit conducted in accordance with 2 C.F.R. Part 200.

1. Auditor Approval and Audit Distribution

The audit shall be performed by a certified public accountant or public accountant who has a valid and current permit to practice public accountancy in the State of Oklahoma, and who is approved by the Oklahoma Accountancy Board to perform audits according to Government Auditing Standards. The Contractor's fiscal managers and appropriate oversight bodies shall review the auditor's latest external quality control review report prior to the audit being conducted. DRS retains the right to examine the work papers of said auditor.

The Contractor shall submit two copies of the annual audit report, management letter (if applicable), corrective action plan to all audit findings, and the auditor's latest external quality control review report to the DRS Contracts Unit at 3535 N.W. 58th Street, Suite 300, Oklahoma City, OK 73112 or Contracts@okdrs.gov within 120 days of the Contractor's fiscal year end. In the event the Contractor is unable to provide the audit report within the time specified, the Contractor shall submit a written request for an extension to the physical address or email address listed above, citing the reason for delay. The DRS reserves the right to suspend payment to the Contractor for costs owed pursuant to this Contract if the DRS has not received the prior year audit.

F. Clean Air Act

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* The Contractor agrees to report each violation to DRS and understands and agrees that DRS will, in turn, report each violation as required to assure notification to the appropriate Environmental Protection Agency Regional Office.

G. Employment Relationship

The Contract does not create an employment relationship. The Contractor shall comply with all applicable laws regarding workers' compensation insurance.

H. Insurance

If the Contractor is not a self-insured governmental entity, the Contractor is hereby required to carry liability insurance adequate to compensate persons for injury to their person or property occasioned by an act of negligence by the Contractor, its agents or employees. Said

policy must provide that the carrier may not cancel or transfer the policy without giving the DRS thirty (30) days written notice prior to the cancellation or transfer. The Contractor shall timely renew the policies to be carried pursuant to this section throughout the term of the Contract and provide the DRS with evidence of such insurance and renewals upon request.

A. Punitive Actions

The Contractor understands that payment for services to DRS clients pursuant to the Contract shall be made by the DRS. Accordingly, the Contractor shall not restrict or refuse services under the Contract to DRS clients based on nonpayment by the DRS. No actions shall be taken against the DRS client, including collection actions for any service covered under the Contract, or for any late payment for which the DRS has responsibility. In addition, the Contractor agrees that no punitive actions will be taken against any client of the DRS for late payment of any tuition, fees, books, supplies, etc. for which the DRS has responsibility. This includes, but is not limited to, withholding grades, Pell or other financial aids, or delaying enrollment.

B. Prior DRS/State Employment

The Contractor hereby certifies that at the start of the contract period neither he/she nor, if applicable, any member of its board or officers are former DRS employees who were employed by the DRS during the prior twelve (12) months. Pursuant to 74 O.S. § 85.42(B), the Contractor also certifies that no person who has been involved in any manner in the development of this contract while employed by the State of Oklahoma shall be employed by the Contractor to fulfill any of the services provided for under said contract. This term shall not apply when the Contractor is a State of Oklahoma governmental entity.

The Contractor further certifies that it will not boycott energy companies in violation of the Act during the term of the Contract.

D. Force Majeure

A party is not liable for failure to perform the party's obligations if such failure is a result of Acts of God (including fire, flood, earthquake, storm, or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), strikes or labor disputes, embargoes, government orders, epidemics, pandemics or other similar events beyond the reasonable control of the party. If a party asserts Force Majeure as an excuse for failure to perform the party's obligation, then the nonperforming party must prove that the party took reasonable steps to minimize delay or damages caused by foreseeable events, that the party substantially fulfilled all non-excused obligations, and that the other party was timely notified of the likelihood or actual occurrence of an event described in this clause.

If an event of Force Majeure occurs, the party injured by the other's inability to perform may elect one of the following remedies:

- to terminate the Contract in whole or in part; or
- to suspend the Contract, in whole or part, for the duration of the Force Majeure circumstances.

The party experiencing the Force Majeure circumstances shall cooperate with and assist

the injured party in all reasonable ways to minimize the impact of Force Majeure on the injured party.

A. Termination For Funding Insufficiency

Notwithstanding anything to the contrary in any Contract document, the DRS may terminate the Contract in whole or in part if funds sufficient to pay obligations under the Contract are not appropriated by the legislature or are not received from an intended third-party funding source. In the event of such insufficiency, the Contractor shall be provided at least fifteen (15) calendar days' written notice of termination. Any partial termination of the Contract under this section shall not be construed as a waiver of, and shall not affect, the rights and obligations of any party regarding portions of the Contract that are not terminated. The determination by the DRS of insufficient funding shall be accepted by and shall be final and binding on the Contractor.

B. Prohibition On Certain Telecommunications And Video Surveillance

Dear Superintendent,

OSSBA appreciates the opportunity over the last year to assist your district in unemployment matters through membership in OSSBA Employment Services. It is time for your Board of Education to renew its membership in the Service.

Please complete the Contact Information section with your primary contact and any additional staff members who should receive OSSBA correspondence about claims and hearings. This ensures important communications reach the right people.

Administrative Fee Payments

You will receive quarterly invoices from OSSBA for the administrative fee (\$6.50 per employee annually, divided into four quarterly payments). Please remit payment upon receipt of the invoice. This fee is separate from any payments owed to the Oklahoma Employment Security Commission (OESC).

Unemployment Claims Payments

Your district is responsible for paying all unemployment claims directly to the OESC. OSSBA will manage and contest claims on your behalf and provide quarterly reports, but you handle all payments. Please ensure your district maintains sufficient funds to cover claims as they become due.

Third Party Administrator Access

We require TPA access to your EZ Tax Express Account to manage your claims and provide accurate reporting. Please ensure this access is in place and maintained throughout the year.

Please return the signed agreement by June 30, 2026, to maintain continuous membership.

Please let us know if you have questions. You can reach Brandon Carey at brandonc@ossba.org, Deisy Escalera at deisye@ossba.org, or Jessica Smith-Harmer at jessicas@ossba.org. Or you may reach any of us by phone at 405.528.3571.

MANAGEMENT EMPLOYMENT SERVICE AGREEMENT

This Management Employment Service Agreement is made this ___ day of _____, 2026, by and between Yukon Public Schools (hereafter, "School") and Oklahoma State School Boards Association Employment Services Program (hereafter, "OSSBA").

The Board of Education of the School has voted to join the OSSBA Employment Services Program for the 2026-2027 school year and agrees to pay OSSBA an administrative fee in the amount equal to \$6.50 per employee.

Payment: During the term of this Service Agreement, *at the beginning of each calendar quarter, OSSBA will issue an invoice* to the School for an amount equal to a quarter of the total annual administrative fee. Upon receipt, the School shall pay the full amount invoiced. OSSBA records indicate 1360 school employees, for a total annual administrative fee of \$8,840.00.

Administrative Fee Invoicing: OSSBA will invoice your district quarterly (four times per year) for the administrative fee. Each invoice will be for one quarter of your annual fee (\$6.50 per employee ÷ 4 quarters). The School is responsible for paying these invoices to OSSBA, separate from any payments owed to the Oklahoma Employment Security Commission (OESC). If you have questions about these invoices, please contact the OSSBA Chief Financial Officer.

Services Provided: The administrative fee will be paid in exchange for employment related services provided by OSSBA, including but not limited to:

- 1) Providing complete legal representation by an Oklahoma licensed attorney in all aspects of the unemployment claims process before the Oklahoma Employment Security Commission (hereafter 'OESC'). This representation is limited to claims and administrative hearings directly with the OESC and DOES NOT include representation in judicial reviews or court proceedings. See 'Scope of Legal Representation' section below;
- 2) Auditing the payment of all unemployment claims to ensure the minimum is paid and any overpayments are recovered;
- 3) Providing quarterly reports of unemployment claims and amounts paid by the OESC to Claimants on the School's behalf;
- 4) Providing up-to-date Legislative and Administrative Law Updates to keep the School informed of changes that affect unemployment claims and costs; and
- 5) Providing opportunities for employment training and information.

Scope of Legal Representation: The legal representation provided by OSSBA under this Agreement is limited to claims adjudication and administrative hearings conducted by the Oklahoma Employment Security Commission (OESC). This includes representation in protests of claims, appeals before OESC hearing officers, and related administrative proceedings.

The current membership fee DOES NOT include representation in any judicial review proceedings, appeals to the Oklahoma Court of Appeals, or any other court proceedings. The School is responsible for determining whether additional legal representation is needed for such matters.

The School may discuss with OSSBA the availability and cost of representation beyond the scope of this Agreement on a case-by-case basis, but any such representation would require a separate agreement and additional fee. All requests for representation outside the scope of this Agreement must be submitted in writing to the OSSBA Employment Services Program Director for consideration and approval.

Information Access: The School will grant to OSSBA Third Party Administrator (TPA) access rights to the School's EZ Tax Express Account administered by the Oklahoma Employment Security Commission (OESC) in order for OSSBA to appropriately administer School's unemployment claims and assist with financial accounting and quarterly contribution reporting. Further, the School agrees to provide OSSBA with access to other information systems administered by the OESC if access is deemed necessary to process unemployment claims on School's behalf.

Contact Information: The School shall designate contact personnel for OSSBA Employment Services Program administration. The persons named below will be responsible for providing information to OSSBA regarding unemployment claims and will receive copies of OSSBA correspondence.

School Payment Responsibilities: Under this Management Membership option, the School is responsible for paying all unemployment claims directly to the OESC. OSSBA will provide quarterly reports detailing the amount of claims paid by the OESC on the School's behalf, but the School must submit these payments directly to the OESC. The School shall maintain sufficient funds to cover all unemployment claims as they become due. Purpose and Nature of the Trip

The purpose of this three-day trip is to enable our team of 37 student-athletes to compete in the Special Olympics Oklahoma Summer State Games at Oklahoma State University. Due to the multi-day competition schedule, an overnight stay is essential to ensure athlete safety, manage travel fatigue, and maintain consistent supervision for a group of this size. This immersive experience serves as a vital "extended classroom," allowing students to practice independence and functional life skills—such as following schedules and managing personal care in a communal setting—while fostering team unity. By staying on-site, we provide our athletes with the stability and rest required to perform their best while representing our school on a statewide stage.

Educational Benefits required

This three-day trip provides a vital community-based learning environment for our 37 student-athletes to practice independence and financial literacy. While the school provides the necessary funds, each student is responsible for the transaction of paying for their own meals, reinforcing real-world math and budgeting skills. Educationally, the stay focuses on time management and personal responsibility, as athletes must work with staff to manage their individual competition schedules and ensure they are at specific venues on time. Furthermore, staying in a university setting requires students to practice appropriate social behavior in a communal environment, fostering high-level interpersonal skills and cooperation with peers, officials, and the public. By transitioning these classroom goals into a high-stakes, statewide event, students build the self-advocacy and social confidence essential for their long-term development.

Purpose and Nature of the Trip

The purpose of this three-day trip is to enable our team of 37 student-athletes to compete in the Special Olympics Oklahoma Summer State Games at Oklahoma State University. Due to the multi-day competition schedule, an overnight stay is essential to ensure athlete safety, manage travel fatigue, and maintain consistent supervision for a group of this size. This immersive experience serves as a vital "extended classroom," allowing students to practice independence and functional life skills—such as following schedules and managing personal care in a communal setting—while fostering team unity. By staying on-site, we provide our athletes with the stability and rest required to perform their best while representing our school on a statewide stage.

Educational Benefits required

This three-day trip provides a vital community-based learning environment for our 37 student-athletes to practice independence and financial literacy. While the school provides the necessary funds, each student is responsible for the transaction of paying for their own meals, reinforcing real-world math and budgeting skills. Educationally, the stay focuses on time management and personal responsibility, as athletes must work with staff to manage their individual competition schedules and ensure they are at specific venues on time. Furthermore, staying in a university setting requires students to practice appropriate social behavior in a communal environment, fostering high-level interpersonal skills and cooperation with peers, officials, and the public. By transitioning these classroom goals into a high-stakes, statewide event, students build the self-advocacy and social confidence essential for their long-term development.

----DRAFT----

Item of Consideration: E-Rate Funding Authorization for FY 2026-2027

To: Yukon Public Schools Board of Education

From: Jason M. McDaniel, MAOL, PMP / Chief Information Officer

Date: May 4th, 2026

Subject: Authorization for FCC Form 471 and E-Rate Program Participation

Recommendation

It is recommended that the Board of Education approve the resolution authorizing the filing of **FCC Form 471** for the Schools and Libraries Universal Service Program (E-Rate) for the fiscal year beginning **July 1, 2026, through June 30, 2027**. This resolution also authorizes the district to pay its non-discounted share of costs, contingent upon funding approval from the Universal Service Administrative Company (USAC) and the receipt of services.

Understanding E-Rate

To ensure transparency regarding this resolution, it is important to clarify the scope of the E-Rate program.

What E-Rate IS:

- **A Discount Program:** E-Rate is a federal program providing discounts to help schools like Yukon Independent School District 27 obtain affordable telecommunications and internet access.
- **Targeted Support:** The program specifically covers Category 1 (Internet Access/Wide Area Network) and Category 2 (Internal Connections/Networking) services.
- **A Compliance-Based Process:** Funding is subject to approval by the Schools and Libraries Division (SLD) and requires formal board authorization.

What E-Rate IS NOT:

- **Not a Grant:** It is not a direct cash award; it is a discount applied to services ordered through specific providers.
- **Not for General Hardware:** E-Rate does not cover end-user devices like laptops or tablets; it is strictly for the infrastructure and connectivity required to bring the internet to and through the school.
- **Not an Automatic Renewal:** Each fiscal year requires a new filing and board resolution to authorize the specific services and financial commitment for that period.

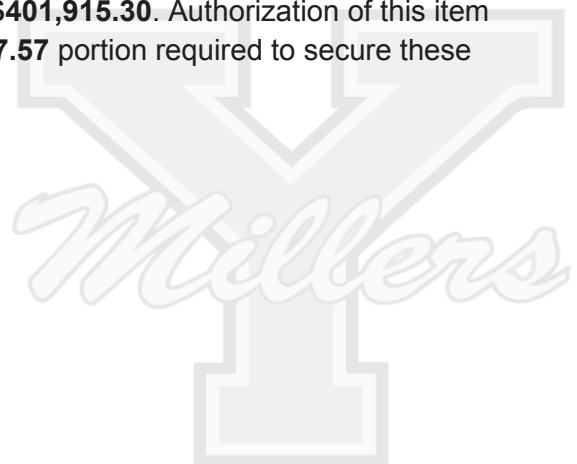

Financial Impact: The Applicant's Share

The district's "portion" is the remaining balance after the E-Rate discount is applied. For the 2026-2027 funding year, Yukon Independent School District 27 qualifies for an **80% discount**.

The District is responsible for the 20% non-discounted share as follows:

Service Description	Provider	Total Cost	District Portion (20%)
Internet Access (10 Gbps)	OneNet	\$76,680.00	\$15,336.00
WAN (10 Gbps) - Various Sites	Cox Oklahoma Telcom	\$245,781.12	\$49,156.22
Internal Connections (Network)	United Systems, LLC	\$161,026.77	\$32,205.35
GRAND TOTAL		\$502,394.13	\$96,697.57

Note: The total commitment requested from E-Rate is **\$401,915.30**. Authorization of this item ensures the district can fulfill its payment of the **\$96,697.57** portion required to secure these high-speed services.

RESOLUTION

Be it resolved that the governing board for Yukon Indep School Dist 27

- 1. Authorizes the filing of FCC Form 471, Schools and Libraries Universal Service Program Services Ordered for the fiscal year 07/01/2026-06/30/2027.

- 2. Authorizes payment of the applicant's share subject to the following conditions:
 - (1) Approval of funding of the discounted portion by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) and
 - (2) Receipt of services during the fiscal year 07/01/2026-06/30/2027.
