D. School Bus Rental Request – Camp Baraisa (Summer 2026)

**Background**

Camp Baraisa, a registered non-profit youth camp (Tax ID: 93-1772297) based in Antimony, Utah, has submitted a request to rent one or two school buses with drivers for local summer trips between July 24 and August 10, 2026. The request was brought to the District's attention by Mike Edwards and coordinated through Izzy Nussbaum, Activities Director.

**Requested Transportation Schedule**

*Fridays - July 24, July 31, and August 7:* One bus (45 passengers) departing Rockin' R Ranch in Antimony at 2:30 p.m. to Piute High School Baseball Fields. Driver to wait on-site approximately 2 hours, returning the group to Antimony at approximately 4:30 p.m.

*Thursdays - July 30 and August 6:* One bus (45 passengers) departing Antimony at 1:15 p.m. to ROAM Outdoor Adventure Co. (80 South Main Street, Tropic, UT), with approximately 2 hours of wait time. A second bus departing at 3:15 p.m. for the same destination is also requested if available.

**Organizational Information**

Camp Baraisa is a State of Utah registered non-profit. The organization has provided its Tax ID but noted that its insurance documentation is pending and will be submitted upon finalization. Primary contact is Izzy Nussbaum (848-245-7307); secondary contact is David Weinberger, Camp Director (848-299-1155).

**Relevant Precedent**

District records indicate that the Board previously approved a bus and driver donation for a similar trip (LDS Church Trek) at the March 20, 2025 regular meeting, providing a precedent for this type of arrangement with a religiously affiliated organization.

**Requested Action**

Board review and approval of the rental arrangement to allow District transportation staff to finalize scheduling with Camp Baraisa.

E. Board Approval to Surplus a Portion of Parcel 08-0073-0119

The District purchased parcel 08-0073-0119 recently, which is located at 640 W Bryce Way, directly across from Bryce Valley High School. During long-term planning discussions, it became clear that the Eastern pan handle portion of the lot would not have a use. Based on that determination, we recommend surplusizing that portion of the Parcel.

The District will engage an appraiser to have the parcel appraised and begin the process of negotiating a sale with potential buyers. We will bring a real estate

purchase contract before the board for any final approval, this action is just to designate this portion of the parcel as surplus.

F. Highly Needed Educator Stipend

The Teacher Salary Supplement Program, commonly known as TSSP, was a state-funded salary supplement program intended to help recruit and retain teachers in high-need teaching areas. Historically, the program provided salary supplements to eligible teachers in areas identified by the state, including positions such as special education, math, science, and other hard-to-fill assignments.

The 2024-2025 school year was the final funding year for TSSP. Beginning July 1, 2025, the Utah Legislature replaced TSSP with the Salary Supplement for Highly Needed Educators program, known as SHiNE. USBE describes SHiNE as the replacement for TSSP beginning with the 2025-2026 school year. The major change is that SHiNE allows individual LEAs to determine which teachers are highly needed in their schools, rather than relying only on the previous state-defined TSSP categories.

Under Utah Code § 53F-2-504, the salary supplement is part of an eligible teacher's base pay, subject to the teacher qualifying each year, semester, or quarter. The law also requires employer-paid benefits to be included in addition to the salary supplement amount established by the LEA.
