## **509 ADMISSION AND ENROLLMENT**

### **I. GENERAL STATEMENT OF PURPOSE**

The purpose of this policy is to define the admission and enrollment procedures for PACT Charter School and to establish a fair, transparent, and consistent process for admitting students in accordance with Minnesota state law. This policy guarantees equal access to educational opportunities for all applicants, supports the school's mission and values, and ensures compliance with relevant statutory requirements regarding open enrollment and lottery procedures.

### **II. ADMISSION LIMITATIONS**

- A. PACT Charter School, established under Minnesota Statutes, section 124E.06, subdivision 3, paragraph (b), may limit admission to:
  - a. pupils within an age group or grade level;
  - b. pupils who are eligible to participate in the graduation incentives program under Minnesota Statutes, section 124D.68; or
  - c. residents of a specific geographic area in which the school is located when the majority of students served by the school are members of underserved populations.
- B. PACT Charter School shall comply with the Minnesota Human Rights Act, which prohibits educational institutions from discriminating against students based on a protected class including race, color, creed, religion, national origin, sex, age, marital status, status with regard to public assistance, sexual orientation or disability.
- C. PACT Charter School must disseminate information about the school's offerings and enrollment procedures to families that reflect the diversity of Minnesota's population and targeted groups. Targeted groups include low-income families and communities, students of color, students at risk of academic failure, and students underrepresented in the school's student body relative to Minnesota's population. The school must document its dissemination activities in the school's annual report. The school's dissemination activities must be a component of the authorizer's performance review of the school.

### **III. ENROLLMENT**

- A. PACT Charter School shall enroll an eligible pupil who submits a timely application, unless the number of applications exceeds the capacity of a program, class, grade level, or building. In this case, pupils must be accepted by lot. PACT Charter School must develop and publish, including on its website, a lottery policy and process that it must use when accepting pupils by lot.
- B. Admission to a charter school must be free to any eligible pupil who resides within the state. A charter school must give enrollment preference to a Minnesota resident pupil over pupils that do not reside in Minnesota. A charter school must require a pupil who does not reside in Minnesota to annually apply to enroll in accordance with Minnesota Statutes, section 124E.11, paragraphs (a) to (f).
- C. PACT Charter School must give enrollment preference to a sibling of an enrolled pupil and to a foster child of that pupil's parents and may give preference for enrolling children of the school's staff before accepting other pupils by lot. A staff member eligible for an enrollment preference for their child, including a foster child, must be an individual employed at the school whose employment is stipulated in advance to total at least 480 hours in a school calendar year.
- D. A person may not be admitted to PACT Charter School (1) as a kindergarten pupil, unless the pupil is at least five years of age on September 1 of the calendar year in which the school year for which the pupil seeks admission commences; or (2) as a first grade student, unless the pupil is at least six years of age on September 1 of the calendar year in which the school year for which the pupil seeks admission commences or has completed kindergarten; except that a charter school may establish and publish on its

- website a policy for admission of selected pupils at an earlier age, consistent with the enrollment process in paragraphs A and B.
- E. Except as permitted in paragraphs D and I, PACT Charter School, may not limit admission to pupils on the basis of intellectual ability, measures of achievement or aptitude, or athletic ability and may not establish any criteria or requirements for admission that are inconsistent with this section.
  - F. PACT Charter School or any agent of the school must not distribute any services or goods, payments, or other incentives of value to students, parents, or guardians as an inducement, term, or condition of enrolling a student in a charter school.
  - G. Once a student who resides in Minnesota is enrolled in the school in kindergarten through grade 12, or in the school's free preschool or prekindergarten program under Minnesota Statutes, section 124E.06, subdivision 3, paragraph (b), the student is considered enrolled in the school until the student formally withdraws, the school receives a request for the transfer of educational records from another school, the school receives a written election by the parent or legal guardian of the student withdrawing the student, or the student is expelled under the Pupil Fair Dismissal Act in Minnesota Statutes, sections 121A.40 to 121A.56.
  - H. A charter school with at least 90 percent of enrolled students who are eligible for special education services and have a primary disability of deaf or hard-of-hearing may enroll prekindergarten pupils with a disability under Minnesota Statutes, section 126C.05, subdivision 1, paragraph (a), and must comply with the federal Individuals with Disabilities Education Act under 34 Code of Federal Regulations, section 300.324, subsection (2), clause (iv).
  - I. A charter school serving at least 90 percent of enrolled students who are eligible for special education services and have a primary disability of deaf, deafblind, or hard-of-hearing may give enrollment preference to students who are eligible for special education services and have a primary disability of deaf, deafblind, or hard-of-hearing. PACT Charter School may not limit admission based on the student's eligibility for additional special education services.

#### IV. ENROLLMENT LOTTERY PROCESS

- A. PACT Charter School's administration will conduct an annual assessment to determine the classroom seats in each section. All eligible students will be enrolled until the grade-level capacity enrollment level is reached.
- B. The enrollment application **for in-person learning** is open from September 1 to November 1 for the upcoming school year, **and for online learning from December 1 to March 1 for the upcoming school year.**, and for online learning from December 1 to March 1 for the upcoming school year
- C. The lottery for all grades will be held on the first Monday after the ~~November 4~~ enrollment deadline to determine placement for the following school year. The lottery is automated, and the list is maintained through an online lottery provider.
- D. All new open enrollment applications received since the previous year's lottery deadline will be compiled to create an active waitlist if the lottery list is exhausted and there are still open seats.
- E. Students not offered a seat must reapply to be included in the following school year's lottery.
- F. Foreign exchange students placed with an existing PACT family will follow the same enrollment policies as all other students, and efforts will be made to assist with the necessary paperwork. If a foreign exchange student is admitted to PACT, sibling preference does not apply to the host family's students.
- G. When students are accepted mid-year, they must start within 10 school days from the offering date, unless otherwise noted by the school. Records from the previous school must be received before a student can start.
- H. Notifications will be sent via text or email when space becomes available. Parents have four calendar days to accept or decline the enrollment offer. Failure to respond on time is considered an automatic decline, and the student's name will be removed from the enrollment list, with the next student on the list being contacted. PACT Charter School is

not responsible for missed texts or emails, and parents are responsible for keeping contact information up-to-date.

- I. Acceptance of enrollment also requires the completion of online registration via Infinite Campus. A link will be emailed to parents upon acceptance of an open seat, and they have seven calendar days to complete the registration process. Failure to complete the registration or communicate with PACT within seven calendar days may result in the position being offered to the next student on the list. Parents would then be required to fill out a new open enrollment application.

## V. STUDENT WITHDRAWAL

- A. When a decision is made to withdraw a student from PACT Charter School, an online withdrawal form must be submitted immediately. If multiple students from the same family are withdrawn, each student requires a separate form. If the withdrawal form is not submitted, written communication will be regarded as official notification.
- B. During August, PACT Charter School will recognize a request for records from another school district as an official notification of that student's withdrawal from PACT Charter School. (1) The enrollment coordinator will make reasonable efforts, such as phone calls and written communication, to reach the parent and request that the Withdrawal Form be completed to formalize the withdrawal. If no response is received from the parent or guardian, or the Withdrawal Form is not completed, the attempts to contact will be documented. (2) The enrollment coordinator will make reasonable efforts, such as phone calls and written communication, to contact the school that sent the records to verify and confirm the student's enrollment at that school. (3) A written notice will then be sent to the parent informing them of the unenrollment action.

    5. will not disclose the information to any other party without the prior consent of the parent or eligible student and uses the information only for the purposes for which the disclosure was made.

- 6.** To officials of other schools, school districts, or post-secondary educational institutions in which the student seeks or intends to enroll, or is already enrolled, as long as the disclosure is for purposes related to the student's enrollment or transfer. The records shall include information about disciplinary action taken as a result of any incident in which a student possessed or used a dangerous weapon, and with proper annual notice, suspension and expulsion information pursuant to section 7917 of the federal Every Student Succeeds Act. The decision is to be based upon information available at the time the threat occurs that indicates that there is an articulable and significant threat to the health or safety of a student or other individuals. In deciding whether to disclose information under this section, the charter school may take into account the totality of the circumstances pertaining to a threat and may disclose information from education records to any person whose knowledge of the information is necessary to protect the health or safety of the student or other students. A record of this disclosure must be maintained in the student's education record. In addition, an educational agency or institution may include in the education records of a student appropriate information concerning disciplinary action taken against the student for conduct that posed a significant risk to the safety or well-being of that student, other students, or other members of the school community. If the student's parent or guardian notifies the school official of an objection to the disclosure within ten (10) days of receiving certified notice, the school official must not disclose the information

and instead must inform the requesting member of the juvenile justice system of the objection. If no objection from the parent or guardian is received within fourteen (14) days, the school official must respond to the request for information.

- 12.** The written requests of the juvenile justice system member(s), as well as a record of any release, must be maintained in the student's file.
- 13.** To the director where the student attends, and to any counselor directly supervising or reporting on the behavior or progress of the student if it is information from a disposition order received by a superintendent under Minn. The Principal may also notify other charter school employees, substitutes, and volunteers who are in direct contact with the student if the Principal determines that these individuals need the information to work with the student in an appropriate manner, to avoid being needlessly vulnerable, or to protect other persons from needless vulnerability. Such notices from the Principal must identify the student, outline the offense, and describe any conditions of probation about which the school must provide information if this information is provided in the disposition order. The disposition order information received is private educational data received for the limited purpose of serving the educational needs of the student and protecting students and staff. The information may not be further disseminated by the counselor, teacher, administrator, staff member, substitute, or volunteer except as necessary to serve the student, to protect students and staff, or as otherwise required by law, and only to the student or the student's parent or guardian;
- 14.** To the director where the student attends if it is information from a peace officer's record of children received by the Superintendent of Schools under Minn. Stat. § 260B.171, Subd. 5. The Principal must place the information in the student's education record. The Principal also must notify immediately any teacher, counselor, or administrator directly supervising the student whom the Principal believes needs the information to work with the student in an appropriate manner, to avoid being needlessly vulnerable, or to protect other persons from needless vulnerability. The Principal may also notify other charter school employees, substitutes, and volunteers who are in direct contact with the student if the Principal determines that these individuals need the information to work with the student in an appropriate manner, to avoid being needlessly vulnerable, or to protect other persons from needless vulnerability. Such notices from the Principal must identify the student and describe the alleged offense if this information is provided in the peace officer's notice. Peace officer's record information received is private educational data received for the limited purpose of serving the educational needs of the student and protecting students and staff. The information must not be further disseminated by the counselor, teacher administrator, staff member, substitute, or volunteer except to communicate with the student or the student's parent or guardian as necessary to serve the student, to protect students and staff, or as otherwise required by law. The Principal must delete the peace officer's record from the student's education record, destroy the data, and make reasonable efforts to notify any teacher, counselor, staff member, administrator, substitute, or volunteer who received information from the peace officer's record if the county attorney determines not to proceed with a petition or directs the student into a diversion or mediation program or if a juvenile court makes a decision on a petition and the county attorney or

juvenile court notifies the superintendent of such action.

- 15.** To school staff, for the purpose of notification of students with a history of violent behavior, pursuant to state law.
- C.** Certain records such as those containing child welfare reports pertaining to abused or battered children shall not be made available to parents. Reports made by the charter school under Minn. Stat. § 626.556 shall be accessible only to appropriate welfare and law enforcement agencies. The subject individual may obtain a copy of the report from either the local welfare agency, county sheriff or the local police department as permitted by state law.
- D.** The charter school may deny access to parents to their student's education records upon written request of the student if it determines denying parental access would be in the best interests of the student, considering the factors stated in state and federal laws.
- E.** Students shall not be entitled to access to private data concerning financial records and statements of the student's parents.

#### **VIII. PROCEDURE FOR OBTAINING NON-DISCLOSURE OF DIRECTORY INFORMATION**

- A.** Within thirty (30) days after annual public notice regarding directory information has been provided, the parent's or eligible student's written notice requesting nondisclosure of directory information shall be directed to the responsible authority and shall include the following:

1. Name of the student and/or parent, as appropriate;
2. Home address;
3. School presently attended by the student;
4. Parent's legal relationship to the student, if applicable; and
5. Specific categories of directory information to be made not public without the parent's or eligible student's prior written consent, which shall only be applicable for that school year.

#### **B. WHEN PRIOR INFORMED CONSENT TO RELEASE EDUCATION RECORDS IS NOT REQUIRED**

1. In certain circumstances, PACT Charter School may release information from the education records of a student without the prior informed consent of the parent of the student if the disclosure is consistent with state and federal laws governing such release. These circumstances include:
2. Pursuant to a valid subpoena or court order. However, PACT Charter School must make a reasonable effort to notify the parent or eligible student of the order or subpoena in advance of compliance so that the parent or eligible student may seek protective action unless the disclosure complies with:
3. Federal grand jury subpoena, and the court has ordered that the existence or the contents of the subpoena or the information furnished in response to the subpoena not be disclosed;
4. Any other subpoena issued for a law enforcement purpose and the court or other issuing agency has ordered that the existence or the contents of the subpoena or the information furnished in response to the subpoena not be disclosed; or

5. An ex parte court order obtained by the United States Attorney General (or designee not lower than an Assistant Attorney General) concerning investigations or prosecutions of an offense listed in 18 U.S.C. 2332b(g)(5)(B) or an act of domestic or international terrorism as defined in 18 U.S.C. 2331.
6. Pursuant to a statute specifically authorizing access to the private data;
7. The disclosure is to other school officials, including teachers, if the officials are determined to have legitimate educational interests.
8. The disclosure is to officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll or where the student is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer;
9. To appropriate health authorities to the extent necessary to administer immunization programs and for bona fide epidemiologic investigations which the commissioner of health determines are necessary to prevent disease or disability to individuals in the public educational agency or institution in which the investigation is being conducted;
10. To appropriate school officials to the extent necessary to indicate the extent and content of remedial instruction, including the results of assessment testing and academic performance at a postsecondary institution during the previous academic year by a student who graduated from a Minnesota school district within two years before receiving the remedial instruction;
11. To volunteers who are determined to have a legitimate educational interest in the data and who are conducting activities and events sponsored by or endorsed by the educational agency or institution for students or former students;
12. To the Commissioner of Education for purposes of an assessment or investigation of a report of alleged maltreatment of a student. Upon request by the Commissioner, data that are relevant to a report of maltreatment and are from the school's investigations of alleged maltreatment of a student must be disclosed to the commissioner, including, but not limited to, the following:
  - a) Information regarding the student alleged to have been maltreated;
  - b) Information regarding student and employee witnesses;
  - c) Information regarding the alleged perpetrator; and
  - d) The corrective or protective action was taken, if any, by the school facility in response to a report of maltreatment by an employee or agent of the school or school district.
  - e) The disclosure is information that PACT Charter School has designated as "directory information."

**C. PROCEDURE FOR REFUSING RELEASE OF DATA TO MILITARY RECRUITMENT OFFICERS**

1. To refuse the release of information to military recruiting officers, a parent or eligible student must notify the responsible authority, the Superintendent of Schools, in writing, by October 1 of each school year. The written request must include the following information:
  - a) Name of student and parent, as appropriate;

- b) Home address;
  - c) Student's grade level;
  - d) School presently attended by the student;
  - e) Parent's legal relationship to the student, if applicable;
  - f) Specific category or categories of information which are not to be released to military recruiters; and
  - g) Specific category or categories of information that are not to be released to the public, including military recruiters.
- D.** A parent or eligible student's refusal to release the above information to military recruiting officers does not affect the charter school's release of directory information to the rest of the public, including military recruiting officers. To make any directory information about a student private, the procedures in section 1 of these rules also must be followed. Accordingly, to the extent the charter school has designated the name, address, phone number, and grade level of students as directory information, absent a request from a parent or eligible student not to release such data, this information will be public data and accessible to members of the public, including military recruiting officers.
- E.** Data released to military recruitment officers may be used only for the purpose of providing information to students about military service, state and federal veterans' education benefits, and other career and educational opportunities provided by the military and cannot be further disseminated to any other person except personnel of the recruiting services of the armed forces.

## **IX. REDISCLOSURE**

- A.** Consistent with the requirements herein, the charter school may only disclose personally identifiable information from the education records of a student on the condition that the party to whom the information is disclosed will not disclose the information to any other party without the proper written consent of the parent of the student or the eligible student, except that the officers, employees, and agents of any party receiving personally identifiable information under this section may use the information, but only for the purposes for which the disclosure was made.

## **X. REVIEW OF STORED DATA**

- A.** The charter school shall permit the parent of a student who is or has been in attendance in the charter school to inspect and review the education records of the student. The charter school shall comply with such a request immediately, if possible, or within ten working days of the date the request is received, exclusive of Saturdays, Sundays, and holidays. The right to inspect and review education records under the preceding paragraph includes:
- 1. The right to responses from charter school officials to reasonable requests for explanations and interpretations of the records.
  - 2. The right to obtain copies of the records from the charter school where the failure of the charter school to provide the copies would effectively prevent a parent or eligible student from exercising the right to inspect and review the education records.
- B.** Parents or eligible students wishing to inspect educational records shall submit to the charter school a written request which identifies as precisely as possible the record or records to be inspected. If the education records of a student contain information on more than one student, the parent or eligible student may inspect and review or be

informed of only the specific information which pertains to that student.

- C. The charter school may presume that either parent of the student has the authority to inspect and review the education records of the student unless the charter school has been provided with evidence that there is a legally binding instrument, state law, or court order governing such matters as divorce, separation or custody, which provides to the contrary.
- D. A record of review of education records pursuant to this section shall be recorded on a form attached to the student's file.
- E. The parent or eligible student shall bear the cost of providing copies of records. The responsible authority may waive this fee in whole or in part if he or she determines that failure to do so would effectively prevent the parent or eligible student from exercising the right to inspect and review those records. The charter school reserves the right to make a charge for copies such as transcripts it forwards to potential employers or post-secondary educational institutions for employment or admissions purposes.

## **XI. REQUEST TO AMEND RECORDS: PROCEDURES TO CHALLENGE DATA**

- A. Request to Amend Education Records:** The parent or guardian of a student or an eligible student who believes that information contained in the education records is inaccurate, incomplete, misleading, or violates the rights of a student may request that the charter school amend those records.

The request shall be signed and dated by the requestor.
  - 2. The charter school shall decide whether to amend the education records of the student in accordance with the request within thirty (30) days after receiving the request.
  - 3. If the charter school decides to refuse to amend the education records of the student in accordance with the request, it shall inform the parent of the student or the eligible student of the refusal and advise the parent or eligible student of the right to a hearing under Subdivision B. of this section.
- B. Right to a Hearing:** If the charter school refuses to amend the education records of a student, the charter school, on request, shall provide an opportunity for a hearing to challenge the content of the student's education records to ensure that information in the education records of the student is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student. A hearing shall be conducted in accordance with Subdivision C. of this section.
  - 1. If, as a result of the hearing, the charter school decides that the information is inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, it shall amend the education records of the student accordingly and so inform the parent of the student or the eligible student in writing.
  - 2. If, as a result of the hearing, the charter school decides that the information is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why he or she disagrees with the decision of the charter school or both.
  - 3. Any statement placed in the education records of the student under

Subdivision B. of this section shall:

- a) be maintained by the charter school as part of the education records of the student so long as the charter school maintains the record or contested portion thereof; and
- b) if the charter school discloses the education records of the student or the contested portion thereof to any party, the explanation shall also be disclosed to that party.

**C. Conduct of Hearing:**

1. The hearing shall be held within a reasonable period of time after the charter school has received the request, and the parent of the student or the eligible student shall be given notice of the date, place, and time reasonably in advance of the hearing.
2. The hearing may be conducted by any individual, including an official of the charter school who does not have a direct interest in the outcome of the hearing. The board attorney shall be in attendance to present the board's position and advise the designated hearing officer on legal and evidentiary matters.
3. The parent of the student or eligible student shall be afforded a full and fair opportunity for hearing to present evidence relative to the issues raised under Subdivisions A. and B. of this section and may be assisted or represented by individuals of his or her choice at his or her own expense, including an attorney.
4. The charter school shall decide writing within a reasonable period of time after the conclusion of the hearing. The decision shall be based solely on the evidence presented at the hearing and shall include a summary of evidence and reasons for the decision.

**D. Appeal:** The final decision of the designated hearing officer may be appealed by the applicable provisions of Minn. Stat. Ch. 14 relating to contested cases.

**XII. RECORD SECURITY**

**A. Responsible Authority:** The responsible authority shall be responsible for the maintenance and security of student records.

1. The Principal of Education, subject to the supervision and control of the Superintendent of Schools, shall be the record manager for the school program and shall be responsible for maintaining and securing the privacy of student records according to charter school policy.

2. Titles and addresses of a specific person(s) responsible for the security of student records.
3. Location of student records, by category, in the building(s)
4. Means of securing student records.
5. Procedures for access and disclosure.

6. The Superintendent of Schools shall examine all plans and certify in writing that they comply with the law and with this policy. Any proposed plan changes are subject to approval by the Superintendent of Schools. The Superintendent of Schools shall then promulgate a chart incorporating the provisions of Paragraph C., which shall be attached to and become a part of this policy.

**C. Record Keeping:** The Superintendent of Schools shall maintain a record of each request for personally identifiable information from the education records of a student. The record shall indicate:

1. The parties who have requested or received personally identifiable information from the education records of the student.
2. the legitimate interests these parties had in requesting or obtaining the information; and
3. the names of the state and local educational authorities and federal officials and agencies listed in this policy that may make further disclosures of personally identifiable information from the student's education records without consent
4. The above does not apply to requests by or disclosures to a parent or student, with the written permission of a parent or eligible student, disclosures to appropriate school officials, or disclosures of directory information.

7. To obtain a copy of this policy at the office of the Superintendent of Schools.

All rights of parents under this policy transfer to the student when he or she reaches eighteen (18) years of age or enrolls in an institution of post-secondary education. However, the parents of an eligible student, who is also a dependent student, retain the right to gain access to the student's education records without first obtaining the student's consent. In addition, parents of an eligible student may be given access to education records in connection with a health or safety emergency if the disclosure meets the conditions of any provision set forth in 34 C.F.R. § 99.31(a).

The charter school shall respond to any request of a student, an eligible student, or the parent of an eligible student who is also a dependent student to inspect and review education records immediately, if possible, or within ten (10) days of the date of the request, excluding Saturdays, Sundays and legal holidays.

## **603-513 - Grading, Achievement and Advancement Policy**

### **PURPOSE**

This policy explains how grades will be calculated to identify academic achievement recognition and advancement/promotion.

### **GRADING**

Weighted grades will be used for all grades 7-12 students to determine Grade Point Averages (GPAs). Weighted grades will be used to calculate Honor Roll in grades 7-12. It will also be used in grades 9-12 to calculate Cumulative Grade Point Averages, Graduation Honors, Class Ranks, and Academic Letters. Non-weighted grades will be used for the Direct Admissions Program.

#### **A. Grading Scale**

Grades for Honors, College in the Schools (CIS), and Post Secondary Enrollment Options (PSEO) courses are weighted differently in GPA calculation.

Honors courses receive an additional 0.2 added to the earned grade value, so an "A" is worth 4.2. This weight is applied through a grade of "C+." A "C" or lower grade in an Honors course will not carry additional weight.

CIS and PSEO courses receive an additional 0.4 added to the earned grade value, so an "A" is worth 4.4. This weight is applied through a grade of "C+." A grade of C receives an additional 0.2 more than the traditional class. A "C-" or lower grade will not carry additional weight.

#### **GRADE SCALE AND WEIGHTED GRADE VALUES TABLE**

<b>LETTER GRADE</b>	<b>PERCENTAGE</b>	<b>REGULAR</b>	<b>HONORS (+0.2)</b>	<b>CIS/PSEO/AP (+0.4)</b>
A	93 or higher	4.000	4.200	4.400
A-	90 or higher	3.667	3.876	4.067
B+	87 or higher	3.333	3.533	3.733
B	83 or higher	3.000	3.200	3.400
B-	80 or higher	2.667	2.867	3.067
C+	77 or higher	2.333	2.533	2.733
C	73 or higher	2.000	2.000	2.200
C-	70 or higher	1.667	1.667	1.667
D+	67 or higher	1.333	1.333	1.333
D	63 or higher	1.000	1.000	1.000

D-	60 or higher	0.667	.0667	.0667
F	Less than 60	0.000	0.000	0.000

*A passing grade earned in a pass/fail class is converted to a letter grade equivalent to the average of all grades earned by the student for the semester and will be reflected by a small letter grade on the student's transcript.*

### **B. Incomplete**

A student will receive an Incomplete if they have been unable to complete assignments due to extenuating circumstances and they have made special arrangements with their teacher(s).

1. The teacher(s), parent, and Principals or Assistant Director of Education will agree to a timeline for work to be completed on a case-by-case basis. Timely receipt of incomplete grades for the first semester may impact class rank.
2. Students who fail to complete assignments will not be eligible to receive an Incomplete. They will receive a zero for those assignments, and the grade will be calculated accordingly.
3. Parents will be notified of any grades or Incompletes given at the end of the semester.

## **ACADEMIC ACHIEVEMENT**

### **A. Honor Roll**

PACT recognizes students' academic efforts and awards honor roll in the following manner:

1. "A" Honor Roll = 3.667-grade point average and higher (per semester)
2. "B" Honor Roll = 2.667-grade point average and higher (per semester)

Weighted grades, as detailed above, will be used to calculate GPAs.

### **B. Honors Program**

Honors courses, when offered, may be available to all secondary students. These courses require more challenging work within the regular classroom. Students are required to complete an application process to participate. Only two courses per student at the Honors level are recommended at a time. Honors courses are calculated according to the weighted grading scale. A student must receive a grade of "C+" (77%) or higher to earn Honors credit in any given class.

### **Prerequisites**

To qualify for enrollment in an Honors course, a student must have all of the following:

1. a) Earned a "B" or better in the last related course (whether standard or Honors) for which they are applying for Honors credit.
2. b) At least one teacher recommendation indicates proven self-motivation and the ability to work independently.
3. c) Honors contract signed by student and parent/guardian.

### **Benefits of Honors**

1. Students are challenged beyond the standard curriculum.
2. Students have the opportunity to earn a higher GPA.
3. Students have an enhanced high school transcript.

## General Expectations

1. Students have until the end of the first week to elect into the Honors section of the course in compliance with current PACT schedule change guidelines. At the teacher's discretion, Honors students may be reassigned to the standard section of the course at any time before the first progress report (typically 3-4 weeks into the semester). Any Honors student determined to have participated in academic dishonesty and/or plagiarism will automatically become ineligible for the Honors course in which the incident occurred.
2. Honors students may be assessed with different rubrics for similar activities or be assigned alternate assignments/projects.
3. Honors students will do more challenging work than the standard course expectations to earn an elevated GPA.

## Logistics

1. Class lists will reflect students choosing Honors.
2. Each teacher will do the following:
  - Provide an Honors syllabus (including a calendar/timeline of due dates).

*Note: This may be an attachment to the standard syllabus.*

- Facilitate parent/teacher communication (ensuring the return of the signed Honors contract and distribution of progress reports).
- Work with the other teachers to provide consistency between other Honors courses within the department.

Honors work will be integrated into the standard classroom through the differentiation of instruction in the following three ways:

- Content - Honors students will cover more advanced material than the students enrolled in the standard section of the course. They may be required to choose from alternative lists of assignments and book lists.
- Process - Honors students will complete activities that typically reflect higher-level thinking skills.
- Product - Honors students will complete different assignments/projects than the standard course. This may include but is not limited to, tiered assignments, project menus, and integration matrixes.

## **C. Academic Lettering**

The MAEF (Minnesota Academic Excellence Foundation) was created by Minnesota Statute 121.612 to promote and recognize academic excellence in Minnesota schools. Programs now exist which recognize the potential of students and educators who are allowed to step beyond typical expectations, to risk, and to achieve. Academic lettering programs contribute substantially to the affirmation of individual student achievement and to the institutionalization of a culture that values academic excellence.

PACT Charter School continues to promote high academic standards in our efforts to prepare students for college and lifelong learning.

PACT Charter School Academic Lettering Goals:

- To improve student self-esteem

- To reward excellence
- To provide peer and community recognition
- To improve societal and cultural views of academic excellence
- To raise curricular expectations for all students
- To provide academic role models
- To validate the efforts of academic achievers
- To increase pride in academic achievement

The primary purpose of the Academic Recognition program at PACT Charter School is to make superior academic achievement an integral part of our students' value system. We believe this recognition will give students a greater desire to reach for and attain academic success and increase the number of students who can perform at superior levels in our school.

Athletics and the arts have traditionally lettered in their respective events. Academic letters will be awarded for superior achievement in academic endeavors.

### **Academic lettering requirements**

Students will be recognized and awarded an academic letter in the fall. Students earning a letter will have a cumulative weighted GPA calculated at the end of the previous school year.

The GPA standards are as follows:

- 3.90 for freshmen (presented fall of grade 10).
- 3.85 for sophomores (presented fall of grade 11).
- 3.80 for juniors (presented fall of grade 12).
- 3.75 for seniors at the end of semester 1 of their senior year\*

\* = *This will be denoted at commencement.*

These are the district standards for academic lettering. Students need to meet the GPA requirements exactly. There is no rounding of the student's GPA.

### **ADVANCEMENT AND GRADE PROMOTION / RETENTION**

If a student fails to make academic progress as determined by the administration, the Principal may recommend the student to retake classes or repeat a grade level.

### III. GUIDELINES

- A. **Protected Student Expression.** Except as provided in Section III.B, a student journalist has the right to exercise the freedoms of speech and press in school-sponsored media regardless of whether the school-sponsored media receives financial support from the School, uses School equipment or facilities in its production, or is produced as part of a class or course in which the student journalist is enrolled. These freedoms include the freedom to express political viewpoints. Subject to Section III.B, student journalists have the right to determine the news, opinion, feature, and advertising content of school-sponsored media. The School must not discipline a student journalist for exercising rights or freedoms consistent with this Policy or under the First Amendment of the United States Constitution.
- B. **Unprotected and Prohibited Student Expression.** This Policy does not authorize or protect and expressly prohibits student expression in school-sponsored media that:
1. is obscene to minors;
  2. is defamatory;
  3. is profane, harassing, threatening, or intimidating;
  4. constitutes an unwarranted invasion of privacy;
  5. violates federal or state law or School policies or rules, including but not limited to policies on harassment, discrimination, violence, and bullying;
  6. is directed at inciting or producing imminent lawless action on School premises or violation of School policies or rules, including but not limited to policies on harassment, discrimination, violence, and bullying;
  7. causes a material and substantial disruption to school activities;
  8. advertises or promotes any product or service that is unlawful for purchase or use by minors; or
  9. is distributed or displayed in violation of the time, place, and manner regulations in Section III.D.
- C. **Student Media Advisors.** Student media advisors shall oversee student journalism in accordance with the terms of this Policy. The School must not retaliate or take adverse employment action against a student media adviser for supporting a student journalist exercising rights or freedoms under Section III.A or the First Amendment of the United States Constitution.

Nothing in this Policy inhibits a student media advisor from teaching professional standards of English and journalism to student journalists. These professional standards may include, but are not limited to, the following:

1. ensuring students or participants learn the lessons the activity is designed to teach and/or conform to the learning objectives of the activity;
2. ensuring that the intended audience of school-sponsored media is not exposed to material that may be inappropriate for its level of maturity;
3. ensuring that the views of the student journalist or individuals represented in the school-sponsored media are not erroneously attributed to the School or another individual or entity; or

4. ensuring that school-sponsored media is grammatical, proofread, edited, well-researched, factually accurate, and objective.
- D. **Time, Place, and Manner of Distribution.** Students shall be permitted to distribute school-sponsored media at school as follows:
1. Time. Distribution shall be limited to the hours before the school day begins, during the lunch hour, and after school is dismissed.
  2. Place. School-sponsored media may be distributed in locations so as not to interfere with or impede the normal flow of traffic in School hallways, walkways, entryways, or parking lots and, if electronically distributed, so as to not interfere with the School's technology systems.
  3. Manner. No one shall induce or coerce a student or staff member to accept school-sponsored media.
- E. **No Representation of School.** No expression made by student journalists, whether protected or unprotected, or in school-sponsored media shall be deemed to be an expression or representation of or by the School.

#### IV. PRIOR RESTRAINT

The School does not authorize prior restraint on school-sponsored media except as consistent with this Policy.

Student journalists who believe their rights under this Policy have been improperly restrained may, in a timely fashion, seek review of the prior restraint by the Principal. To complete this review, the Principal or designee may review the material subject to the student journalist's report and any other information deemed relevant, including consulting with the student media advisor and anyone else with relevant information on the reported prior restraint. The Principal must issue a determination as to whether the reported prior restraint is consistent with this Policy as soon as reasonably possible in an effort to avoid an improper prior restraint. The Principal's determination shall be final, except that the Executive Director may, in the Executive Director's sole discretion, review and revise the determination.

## **610 FIELD TRIPS**

### **I. PURPOSE**

The purpose of this policy is to provide guidelines for student trips and to identify the general process to be followed for review and approval of trip requests.

### **II. GENERAL STATEMENT OF POLICY**

The general expectation of the charter school board is that all student trips will be well planned, conducted in an orderly manner and safe environment, and will relate directly to the objectives of the class or activity for which the trip is requested. Student trips will be categorized within three general areas:

#### **A. Instructional Trips**

Trips that take place during the school day, relate directly to a course of study, and require student participation shall fall in this category. These trips shall be subject to review and approval of the building principal and shall be financed by charter school funds within the constraints of the school building budget. Fees may not be assessed against students to defray direct costs of instructional trips.

#### **B. Supplementary Trips**

This category pertains to those trips in which students voluntarily participate and which usually take place outside the regular school day. Examples of trips in this category involve student activities, clubs, and other special interest groups. These trips are subject to review and approval of the activities director and/or the building principal. Financial contributions by students may be requested.

#### **C. Extended Trips**

1. Trips that involve one or more overnight stops fall into this category. Extended trips may be instructional or supplementary and must be requested well in advance of the planned activity. An extended trip request form must be completed and approved at each level: student, principal, Superintendent, and school board. Exceptions to the approval policy may be granted or expedited to accommodate emergencies or contingencies (e.g., tournament competition).
2. The charter school board acknowledges and supports the efforts of booster clubs and similar organizations in providing extended trip opportunities for students.

### **III. REGULATIONS**

- A. Rules of conduct and discipline for students and employees shall apply to all student trip activities.
- B. The charter school administration shall be responsible for providing more detailed procedures, including parental involvement, supervision, and such other factors deemed important and in the best interest of students.
- C. Transportation shall be furnished through a commercial carrier or charter school-owned vehicle.
- D. An employee may use a personal vehicle to transport staff or personal property for purposes of a field trip upon prior, written approval from administration.

- E. An employee must not use a personal vehicle to transport one or more students for purposes of a field trip.
  - 1. If immediate transportation of a student is required due to an emergency or unforeseen circumstance, such as the illness or injury of a child, and the transportation does not constitute regular or scheduled transportation, a personal vehicle may be used. To the extent a personal vehicle is used, the vehicle must be properly registered and insured.
  - 2. An employee must obtain preapproval by administration of student transportation by a personal vehicle, pursuant to Section III.E.1, if practicable. If preapproval by administration of use of a personal vehicle cannot be obtained in a reasonable time given the circumstances, an employee shall report the relevant facts and circumstances justifying the need for use of a personal vehicle to administration as soon as practicable. The relevant facts and circumstances for use of a personal vehicle shall be documented by administration.

**IV. SCHOOL BOARD REVIEW**

The Superintendent shall at least annually report to the charter school board upon the utilization of trips under this policy.

## **629 630 - Abstinence, Sex, and Drug Education Policy**

### **I. PURPOSE**

~~One of the foundational principles at PACT Charter School is that parents/guardians are the primary educators of their children. This extends to the education of students about adolescence, body changes, infectious diseases, the human reproductive system, sexual activity, alcohol, tobacco, and other drugs. In supporting the parents/guardians of our students and in preparing the students for post-secondary and lifelong learning, the school will make academic instruction available in Health/Physical Education and Science courses to the extent necessary to understand overall health and implications in these areas and to meet the Minnesota State Academic Standards. We encourage parents/guardians to take the lead in this educational process. More details regarding PACT's Abstinence, Sex, and Drug Education curricula can be found in the PACT Family Handbook.~~

### **PURPOSE (UPDATED AFTER BOARD MEETING)**

One of the foundational principles at PACT Charter School is that parents/guardians are the primary educators of their children. This extends to the education of students about adolescence, body changes, infectious diseases, the human reproductive system, sexual activity, alcohol, tobacco, and other drugs.

In supporting the parents/guardians of our students and in preparing the students for post-secondary and lifelong learning, the school will make academic instruction available in Health and Physical Education courses to the extent necessary to understand overall health and implications in these areas and to meet the Minnesota State Academic Standards.

PACT Charter School recognizes that the state standards for health education, particularly in the area of human development, may not align with the faith, beliefs or values of many families. As a public school, PACT Charter School has the legal obligation to teach the Minnesota State Academic Standards, including the standards related to health and human development.

However, Minnesota Statute § 120B.20, Parental Curriculum Review, provides families with the opportunity to request alternative instruction if they find certain curriculum or instruction to be objectionable based on their personal or religious beliefs. This ensures that parents/guardians may meet the same educational standards in a way that aligns with their family's values.

We encourage parents/guardians to take the lead in this educational process and to partner with the school when there are questions or concerns. Families wishing to pursue an alternative approach to meeting the health education standards are directed to Policy 627 - Alternative Student Learning Plan for guidance on how to proceed.

### **II. GENERAL STATEMENT OF POLICY**

~~PACT Charter School recognizes parents/guardians as the primary educators of their children in matters of health, human development, and substance education. The school provides instruction in these areas through Health/Physical Education and Science courses to meet~~

~~Minnesota State Standards and support student learning. This instruction is intended to complement, not replace, family guidance.~~

### **GENERAL STATEMENT OF POLICY (UPDATED AFTER BOARD MEETING)**

The school provides instruction in the areas of health, human development, and substance education through Health/Physical Education courses in order to:

- Meet the Minnesota State Academic Standards, as required by law;
- Support student learning and prepare students for life beyond high school; and
- Complement, not replace, family guidance in these areas.

When instructional content may conflict with personal or religious beliefs, families are encouraged to understand the provisions of Minn. Stat. § 120B.20 and Policy 627 - Alternative Student Learning Plan to provide instruction in a way that reflects their values while ensuring students still meet the required academic standards.

### **III. DEFINITIONS**

- A. Primary Educator:** Refers to the parent(s) or legal guardian(s), recognized by PACT Charter School as having the leading role in educating their child on values-based and sensitive topics, such as human development and substance use.
- B. Health Education:** Instruction focused on physical, mental, emotional, and social well-being, including topics such as nutrition, exercise, hygiene, and disease prevention.
- C. Human Development:** Educational content related to physical, emotional, and social changes that occur during adolescence, including instruction on puberty, reproductive health, and relationships.
- D. Sex Education:** Instruction addressing human reproduction, abstinence, healthy relationships, and the social, emotional, and physical aspects of sexual health, aligned with Minnesota State Standards.
- E. Substance Education:** Instruction about the effects and risks of using alcohol, tobacco, and other drugs, including strategies for prevention and refusal skills.
- F. Minnesota State Academic Standards:** State-mandated learning goals that define what students should know and be able to do at each grade level across all subject areas.
- G. Family Handbook:** A comprehensive guide provided by PACT Charter School outlining school policies, curricula, and parent/guardian rights, including more detailed information on abstinence, sex, and drug education.

Elementary Highlights: October - November, 2025

1. Library: Our Fall 2025 reading rewards program hosted by Ms. Schaible in the library is coming to an end, and it was a wonderful success. Since the beginning of the year, we will have had 1,470 books read and book reports filled out by 237 students. Together, they earned 476 pocket pets.
2. Activity with PTO: The “Cash Calendar” fundraiser was a huge success. We met our fundraising goal, and we are grateful for the PTO’s generous contributions of classroom supplies and learning resources funded by this initiative.
3. Focus on MTSS: We have been focusing as a staff how to better implement each tier of support for students. We are committed to effectively providing universal, high quality instruction for all students (Tier 1), targeted, small group interventions in the classroom for students who need more support (Tier 2), intensive, small group interventions outside of the classroom for students who need even further support (Tier 3), and special education services based on Individualized Education Programs (IEPs) (Tier 4).
4. Schedule Adjustments: With this focus of effective MTSS implementation, beginning in 2026, all elementary students will be experiencing minor adjustments in their schedules. In addition to our focus on core instruction in Literacy and Math, all students will have a scheduled DEAR (Drop Everything And Read) time and an increase of time devoted to Science, Social Studies, and Writing.
5. Classroom Observations: Already this year I have been to each classroom at least two times, offering encouragement and support to individual teachers as related to their 5D+ Instructional Growth Goals. As a building, we are focused on the shared growth goals of “Differentiated Instruction for Students” and “Use of Learning Time.” Being in the classrooms is the best part of my day!
6. Field Trips: During the month of October, the Kindergartners visited Eveland Farms, the Second Graders were visited by The Works Museum (a museum that focuses on hands-on engineering and design), and the Fourth Graders walked to Northgate Church and had a Kindness Retreat, focusing on how to live out PACT’s Character Traits on a daily basis.
7. Something Fun! We just experienced Spirit Week! As a way to build community and school spirit, the Elementary Student Council planned five days of fun, and the PACT students and staff dressed in style. If you had been in our classrooms and hallways, you would have seen favorite book characters, wacky hair, students twinning with one another, soccer moms and barbeque dads, and of course, lots of Panther Pride.

Principal Update

### **Leadership Opportunities for Students**

- We have fully launched DECA, Chick-fil-A Leader Academy, NJHS/NHS, and Student Council for year! It has been so fun to watch our students get plugged into activities where they can grow in leadership and develop the character traits that make PACT who we are. DECA is fundraising and actively participating in regional meetings, Chick-fil-A launched with delicious food and a visit from Alex McLaughlin to start the year, and will be rolling into a million book giveaway. NHS/NJHS just finished their first event after induction with a blood drive, and Student Council is getting ready to hold a food drive. We love watching our students give back, and are thankful for staff willing to step up to lead these students in advisory roles.

### **School Pride**

- Student Council held their announcement auditions, and we have several sets of new announcers each morning. They are boosting school culture everyday, while they get ready for their first high school dance of the season, which will be on November 18th.

### **Cross-curricular Fun**

- Our sixth graders had the opportunity to go visit Dr. Carey in the chemistry room for some deeper learning and application in their science class. They engaged in hypothesis development, created crystals, and finished with a drawing at the end of their time. They also enjoyed meeting our resident lab assistant, Dr. Axel Jarbeefis, Dr. Carey's axolotl.

### **8th Grade Art- Real World Application**

- Our eighth grade art students put their skills to good use and partnered with the humane society. Students created portraits of the pets that were available for adoption at the humane society as a way to help market pets who need homes. The volunteers and staff at the humane society were impressed by what our students created and are excited for next semester when the next group of eighth graders can step in and help an animal in need!

## **Professional Development- Grade Level PLCs**

- This year at the secondary campus, teachers are engaged in department level PLCs, as in previous years. Additionally, as we look at districtwide student learning goals, our teachers are also engaging in grade level PLCs so they can collaborate with other teachers that have the same students. We've seen some really exciting things with our Language Arts teachers collaborating with Social Studies to help provide students with materials at the appropriate reading level so they are poised for growth. We are excited to see where this opportunity leads, and believe that our grade level PLCs will be a valuable asset to our learning community.

**Marketing**

- **2026–2027 Enrollment Lottery:** Final marketing push wrapped up in October. Waitlist marketing continues throughout the year. The focus remains on the Secondary Campus (where waitlists are small) while also generating excitement for the PACT Online Campus launch.
- **Secondary PACT Preview Night – November 18, 2025:** Designed for prospective families to explore in-person and online learning pathways. Current families are encouraged to attend the 6:30 p.m. session to learn more about PACT Online Campus. Promotion started on October 27; over 100 registrations so far. Preparation includes advertising, enrollment communications, presentation development, and event materials.
- **PACT Online Campus Marketing:** Marketing plan created over the summer. Campaign launches December 1, 2025, promoting the lottery period (December 1–March 1).
- **Program Rebrand:** PACT Drama rebranded as PACT Theatre with a new logo, social media platforms, and webpage. Focused on building enthusiasm for the new director and revitalized program.

## Website

- **Content Migration:** All content from the previous site has been fully transferred to the new platform. Completing the project in-house resulted in an estimated cost savings of \$25,000 for the district.
- **Current Focus:** Filling content gaps carried over from the old site. Building out academic program sections. Finalizing page designs and photo updates to enhance visual consistency and engagement.
- **Next Steps:** Exploring the addition of a fourth website dedicated to the PACT Online Campus to better serve families in the virtual learning environment.

## Communications

- **ParentSquare Implementation:** As of October 31, 77% of Secondary students are registered and actively using StudentSquare, and 78% of parents are registered and actively using ParentSquare. Stakeholders continue to receive communications via email, even without downloading the app. Moving into the next phase of implementation, which includes developing digital forms and expanding the use of the payment features to streamline communication and operations.
- **Crisis Communication Plan:** The goal for FY26 is to develop a comprehensive Crisis Communication Plan, including templated messaging integrated within the ParentSquare alert system. ParentSquare's tiered notification system ensures reliable communication—messages are sent first through the app, then by text, and finally by phone if earlier notifications aren't viewed—helping minimize duplicate alerts while maintaining timely delivery of critical information.

## Community Engagement

- Planning is underway for the upcoming Veterans Day program. Work is in progress on the slideshow honoring our veterans and highlighting our school's appreciation for their service.
- Appreciation to the PACT Panthers PTO for their successful Cash Calendar fundraiser.
- The Booster Club is actively preparing for its annual gala on February 28, 2025, which supports athletics and activities across the district.

Respectfully,

Christine Erntson  
Director of Communication and Community Engagement

Teaching and Learning Highlights: October 2025

**1. Reading Intervention Parent Meeting - October 14th**

Our K-5 Reading Interventionists held an informational parent meeting for families of students receiving intervention support. A representative from Anoka County Libraries also joined the meeting to promote resources to support literacy development at home and in the community. Families learned about how their students qualified for intervention support, what reading intervention instruction focuses on and looks like, how individual student progress is monitored, and the importance of setting up a consistent reading routine for as little as 15 minutes a day. We are thankful for the families that were able to join us and look forward to our continued partnership in their child's academic success.

**2. ICAB team completed all 6 days of 5D/5D+ training and provided PD for all K-12 staff** on October 24th. This professional development focused on a growth model based on continuous improvement. In order to have systems improvement we all need to be invested in growing and improving our professional practice. Through the use of the 5 Dimensions of Teaching, which are Purpose, Student Engagement, Curriculum & Pedagogy, Assessment for Learning, Classroom Environment & Culture, Principals and Teachers establish goals, engage in observations and feedback loops, and use the language of the 5D+ rubric to center reflective conversations with a goal of reaching proficiency and beyond. At the end of each school year, each teacher and principal will engage in an appraisal. An appraisal is not about reporting a number based on performance, rather a reflective conversation focused on personal and district goals, aligned with the 5D/5D+ rubric. The goal is to establish a cycle of continuous improvement based on reflective practice and growth, based on the end goal of improving student outcomes.

**3. University of Northwestern Partnership Meeting** - Our partnership meeting focused on the implementation of MTSS here at PACT. We are strengthening our Tier 1 instruction to ensure all students receive grade level content and instruction. We are focusing on delivering small group instruction, both in Tier 1 and in Tier 2. By gathering data and identifying learning needs, students are receiving the right support at the right time. PACT's infrastructure of collaborative teams allows our system to be flexible and adaptive to supporting teachers and students in the implementation of MTSS.

**4. Social Studies and Health Curriculum Review Teams** - meeting this week to engage in Phase 2 of our process.

**Phase 2 of our adoption includes:**

- Developing curriculum criteria rubrics based on the state standards and best practices
- Determining curriculum programs to be reviewed
- Selecting the top three curriculum resources to be reviewed against the rubrics
- Contacting vendors for samples to review

**5. Capti Readbasix Screening assessment:** A READ Act requires districts to screen students in grades 4-12 who are not showing consistent grade level performance in the area of literacy. Based on PACT's Fall FASTbridge data, 273 students in grades 4-12 have qualified for the Capti Readbasix Screening Assessment which measures the following foundational skills: word recognition and decoding,

vocabulary, morphology, sentence processing, reading efficiency, and reading comprehension. This assessment will be administered in November prior to Thanksgiving Break. Once results are available they will be shared with families and teachers as we work at PACT to respond to these foundational literacy learning needs.

RE: November 6, 2025 Operations Update

Dear Board Members,
