VII. HEARING OF DELEGATIONS

- Desiree Redmon, Rockwood, TN 37854 - Desiree Redmon spoke to the Board about her concerns regarding bullying in school. She asked the Board to start enforcing the bullying policy and make sure staff are held accountable if they do not enforce the policy. Mr. Wright asked Mr. Jenkins to review the policy and look into it.

VIII. REPORTS

VIII.1. Director's Report

Mr. Jenkins reported the following items:

- Budget - Mr. Jenkins thanked Derek and the Board for completing the budget process. This Board approved the budget on April 8th after two nights of going through every line. He stated Derek and his staff did a great job on preparing the budget. He stated that Derek and himself presented the budget to the County Budget Committee on April 16th, and it went very well. He stated the budget that the Board approved to send over has a 3% salary increase and a $1,000 step raise for all employees. This is four years in a row that the Board has given substantial raises for all employees. This Board values everyone's contributions to the organization. He stated this is the third year we are setting aside $2.5 million for operational funds toward capital expenditures. This will put us right under $7.5 million in that fund. He reminded everyone that is with what used to be "$0.06" from the final tax debt that we had as a school system. That, combined with the $7.5 million, puts that total for a capital project at nearly $11 million to address our future building needs.
- Onboarding - Mr. Jenkins gave an update to the Board regarding the new company we are working with to improve our onboarding procedures. He stated we have over 800 full-time employees and nearly 1100 total employees that receive a check from the system. He stated it is a very cumbersome process, keeping up with all the employee records and making sure everyone is paid correctly. He stated these systems are going to help us move into 2026, and honestly, this is something that should have been done many years ago. He stated he is excited to see this process start. He asked Amanda Evans to give the Board a report on the process. Amanda Evans stated they are in the process of setting up the onboarding platform that will be used in the new hiring process. She reviewed the process step by step with the Board. She stated this program will also store employees' files, replacing having those actual files in the file cabinet. Mr. Wright asked if the system was backed up to the cloud and Ms. Evans stated it was backed up to the cloud. She stated she is very excited to start this new process. She thanked the Board for allowing us to do the new onboarding program and stated it is going to be a huge benefit for us.

VIII.2. Business Manager's Report

Financial Report for March 1, 2026 - March 31, 2026

- Derek Henderson stated the monthly financial report was included in the packet, and if there are any items the Board would like to discuss, he would answer them. (no questions were asked)

VIII.3. Facilities Report

- Mr. Jenkins asked everyone to keep Casey and his family in their thoughts and prayers. Casey has a fragile family situation with a very young member of his family. Mr. Jenkins shared the following facility updates:
    - **MHS** - Roof is complete, that puts us at 9 roofs complete.
    - **MTES** - Roof will go out for bid on the first of May and after that MEC's roofing project will be next. After MEC that puts our total at 11 for new roofing projects.
    - **HVAC** - MMS cafeteria is complete.
    - **HVAC** - HHS Gym is complete - it was expected to be completed by the summer, so it has been completed ahead of schedule.
    - **CMS** - New fencing has been completed.
    - **RCHS** - Auditorium demolition will be out for bid on the first of May. Mr. Jenkins clarified that at last month's meeting when talking about the building going offline, it referred only to the auditorium part of RCHS.
    - **Prep for Summer** - Casey is working on getting ready for summer projects. He is working to schedule the Inmate Crew again this summer to come and do painting projects. He stated we have a good cooperative agreement with them, and we are anticipating a very busy summer. He stated that Casey and his guys are working really hard, and they are producing more than the department has ever done, and he is very happy with the department.

VIII.4. Committee Reports

Mr. Cox scheduled a Policy Meeting for May 21, 2026 at 5:30 p.m.

VIII.5. Chairman's Report

The next regularly scheduled Board Meeting will be May 21, 2026.

Mr. Wright asked for a motion to approve the reports as presented. **(Voice Vote)**

MOTION was made by Larry Brackett to approve the committee reports, **second** by Kristy Oran.
Motion **PASSED** YES: 10, NO: 0.

IX. OLD BUSINESS

IX.1. Director of Schools Contract Extension

Mr. Wright asked for a motion.
Mr. Cox stated Mr. Cagle was at the Special Called meeting and reviewed the contract with the Board. Mr. Cox stated that he and Robert Herrell met and worked through it, then they met with Mr. Jenkins. He stated they thought it was a good contract, and they had Mr. Cagle review it to make sure everything was correct. Mr. Brackett stated he thinks we have the best Director in the state, maybe in the country. He stated that Mr. Jenkins works twenty hours a day, and he really shouldn't work twenty hours a day, but he does, so he is making about a dollar a hour.

MOTION was made by Sam Cox to approve the Director of Schools Contract Extension, **second** by Larry Brackett.
Motion **PASSED** YES: 10, NO: 0.

X. NEW BUSINESS

X.1. Approval of May 5, 2026, as an In-Service Day due to the Primary Election

COMMENTS:

At the request of the Board, and pursuant to Board policy, I have received and calculated the evaluation scores for Russell Jenkins, the Director of Schools. As you will note, in the attachment to this memorandum, Mr. Jenkins received an overall score of 974 points and an adjusted score of 788 points. (The adjusted score reflects the removal of the highest score and the lowest score pursuant to the approved scoring procedure. The adjusted score qualifies Mr. Jenkins to receive a bonus of $15,000.

Please let me know of any questions that you may have about the scoring process.

Evaluator Comments:

1. Russell does an excellent job. What more can anyone say?
2. Mr. Jenkins is an exceptional leader for Roane County Schools. He is dedicated to the success of our students, teachers, and staff. The main area in which Mr. Jenkins could improve is in taking more time off, as he is truly always available to the school district and community.
3. Mr. Jenkins, "Congrats" on another successful year. Many awards and recognitions were received for the Roane County School System. Let's continue the momentum. I think you are a Great Superintendent and Roane County is lucky to have you. My only complaint is the lack of support for RCHS. This school has been neglected for several years now and only addressing the necessities. I understand you have to go with the majority, but it's time to Rebuild Kingston High School or Remodel. This school needs to become safer and a place the kids are proud of. Thank you again for all your hard work and dedication.
4. Would like to see more done about [a discipline situation] at HMS.
5. I would like to congratulate Russell on a job well done. Achieving level five distinction, securing [an] $8,000 wellness grant, and much improved daily average student attendance are all accomplishments our county can be proud of. With that said, now is not the time to ease up. There's a lot of work ahead of us. Within Districts 5 & 6, we owe our students, faculty, and community the utmost focus, more sense of urgency, and a firm capital commitment from this board to build on the east side of the county.
6. Mr. Jenkins has earned the respect of the entire board by his hard work and hands-on leadership. He is directly involved in all aspects of the school system. Russell has presented excellent budget proposals and he has prioritized large salary increases for teachers and staff. He has also worked to build relationships with county commissioners and works cooperatively with our county executive. Because of Mr. Jenkins' leadership, Roane County Schools is definitely on a path of continued improvement as we seek to provide the very best education for all Roane County students!
7. Russell goes above and beyond daily. He sacrifices time with his family to serve others. He always handles every situation very professionally. There is none better.

8. I have personally observed him consistently discuss, develop, and implement plans and objectives aligned with each goal. His loyalty and dedication to this role is evident every day and the genuine care he has for this school district is truly remarkable. We could not ask for a better Director of Schools. Thank you!

Review: Annually, in April	**Student Wellness**	**6.411**	
		Rescinds: **6.411**	Issued: **09/23/25**

The Board recognizes the value of proper nutrition, physical activity, and other health-conscious practices and the impact that such practices have on student academic achievement, health, and well-being. In order to provide an environment conducive to overall student wellness, this policy shall be followed by all schools in the district.[1]

COMMITMENT TO COORDINATED SCHOOL HEALTH

All schools shall implement the Coordinated School Health (CSH) program for wellness related programs and services in schools and the surrounding community based on state law and State Board of Education CSH standards and guidelines. The school district's Coordinated School Health Coordinator or Supervisor shall be responsible for overseeing compliance with State Board of Education CSH standards and guidelines in the school district.

SCHOOL HEALTH ADVISORY COUNCIL[2]

A school district health advisory council shall be established to serve as a resource to schools for implementing policies and programs and develop an active working relationship with the county health council. The council shall consist of individuals representing the school and community, including parents, students, teachers, school administrators, health professionals, school food service representatives, and other stakeholders concerned with the health and wellness of students. The primary responsibilities of the council include, but are not limited to reviewing the CSH plan, and as necessary, making recommendations as to procedures and programs.

The State Board of Education's Coordinated School Health and Physical Activity policies shall be used as guidance by the council to make recommendations. The Board will consider recommendations of the council in making policy changes or revisions.

Additionally, each school shall have a Healthy School Team that is representative of all eight (8) components of the CSH program. The team members shall consist of the principal, teachers, staff, students, parents, and community members with at least half of the team members being non-school personnel.[2] The Team will hold Healthy School Team meetings during the school year to assess needs and oversee planning and implementation of school health efforts. The Director of Schools/designee will ensure compliance with the school wellness policy, to include an assessment of the implementation of the wellness policy and the progress made in attaining the policy goals. The assessment will be made available to the public.

Good nutritional habits shall be encouraged. All foods and beverages including vending machines, fundraising items, and concessions shall meet guidelines set forth by the Healthy, Hunger-free Kids Act of 2010 and Smart Snacks in Schools.[4,5,6] The principal/designee shall be responsible for overseeing the school district's compliance with the State Board of Education rules and regulations for sale of food items in the school district.[2,4,5]

FUNDRAISING

Food-and beverages sold that can be consumed on campus during the school day must meet or exceed the USDA Smart Snacks guidelines in school nutrition standards. Schools shall follow the limit on days per semester in which non-healthy foods may be used for fundraisers.[4]

DISTRICT GOALS

The school district will promote healthy nutrition through various activities, including nutrition related newsletters, informational links on the school district website, healthy eating posters and bulletin boards in dining areas, and informational booths at various community functions. Nutrition education will be offered as part of a standards-based program designed to provide students with the knowledge and skills needed to promote and protect their health as outlined in the State Board of Education Health Education and Lifetime Wellness Standards. Nutrition education will discourage teachers from using high fat, sugar, and sodium foods as rewards and encourage students to start each day with a healthy breakfast. If a district engages in food or beverage marketing, all marketing shall comply with the Smart Snacks in School nutrition standards.[6]

COMMITMENT TO PHYSICAL ACTIVITY AND PHYSICAL EDUCATION[7]

The Board recognizes that physical activity is extremely important to the overall health of a child. Schools shall support and promote physical activity. Physical activity may be integrated into any areas of the school program.

Schools shall continue to offer after school sports and activities. Physical activity shall not be employed as a form of discipline. Physical activity shall not be withheld from a student as a form of punishment.

COMMITMENT TO CURRICULUM[2]

All applicable courses of study shall be based on State-approved curriculum standards.

SCHOOL HEALTH INDEX[2]

ALLEGATIONS REQUIRING TEMPORARY REMOVAL FROM DUTY

If an investigation of an employee's conduct is required, the Director of Schools shall determine whether to temporarily modify the employee's work status based on concerns for safety or to minimize disruption to the educational environment. This may include, but is not limited to:

- Reassignment to alternate duties;
- Placement on administrative leave with pay; or
- Temporary removal from the school setting.

Such action shall not be considered disciplinary in nature but rather a precautionary measure until a determination can be made regarding an appropriate return to duties, or the imposition of disciplinary action, which could include suspension without pay.

SUSPENSION PENDING AN INVESTIGATION[1]

The Director of Schools may suspend a teacher at any time that may seem necessary, pending investigation, or final disposition of a case before the Board or an appeal. If the matter under investigation is not the subject of an ongoing criminal investigation or a Department of Children's Services investigation, and if no charges for dismissal have been made, a suspension pending investigation shall not exceed ninety (90) days in duration. Under no circumstances shall the Director of Schools suspend a teacher with pay if there is a pending investigation. If vindicated or reinstated, the teacher shall be paid full salary for the period of suspension.

SUSPENSION OF THREE DAYS OR LESS[2,3]

The Director of Schools/designee may suspend a teacher for incompetence, inefficiency, neglect of duty, unprofessional conduct, and insubordination. Before a teacher is suspended, he/she shall be: (1) provided with written notice, including the reasons for the suspension along with an explanation of the evidence; (2) given an opportunity to respond to the Director of Schools at a conference, if requested within five (5) days; and (3) given a written decision of the suspension within ten (10) days. Both parties may be represented by counsel at the conference, which shall be recorded.

Under no circumstances shall a Director of Schools suspend a tenured teacher with pay. If reinstated, the tenured teacher shall be paid full salary for the period of suspension unless suspension without pay is deemed to be an appropriate penalty.

DISMISSAL OR SUSPENSION GREATER THAN THREE DAYS[4]

When a tenured teacher is charged with offenses that may justify dismissal or a suspension greater than three (3) days, the charges shall be made in writing, specifically stating the offenses that are charged, and shall be signed by the party or parties making the charges.

If, in the opinion of the Board, the charges are of such nature as to warrant the dismissal or a suspension greater than three (3) days of the teacher, the Director of Schools shall give the teacher a written notice of this decision, a copy of the charges against the teacher, and a copy of a form provided by the Commissioner of Education advising the teacher of his/her legal duties, rights, and recourse.

A tenured teacher who has been given notice of charges against him/her may within thirty (30) days after receipt of notice give written notice to the Director of Schools of his/her request for a hearing.

The Director of Schools shall, within five (5) days after receipt of request, assign a hearing officer from the list maintained by the Board.

The Board shall maintain a list of qualified individuals who have indicated a willingness to act as impartial hearing officers as defined under Tennessee law.

The hearing officer shall notify the parties, or their attorney, of the officer's assignment and direct the parties or the attorneys for the parties, or both, to appear before the hearing officer for simplification of issues and the scheduling of the hearing. That hearing shall be set no later than thirty (30) days following receipt of the initial request for a hearing. In the discretion of the hearing officer, all or part of any prehearing conference may be conducted by telephone if each participant has an opportunity to participate, be heard, and to address proof and evidentiary concerns. The hearing officer is empowered to issue appropriate orders and to regulate the conduct of the proceedings.

Either party may appeal to the Board an adverse ruling by giving written notice of appeal within ten (10) working days of the hearing officer's delivery of the hearing officer's written findings and conclusions. The Director of Schools shall prepare a copy of the proceedings, including all transcripts and evidence, documentary or otherwise, and transmit the same to the Board within twenty (20) working days of the receipt of the notice of appeal.

The Board shall hear the appeal on the record, and no new evidence may be submitted by either party. The appealing party may appear before the Board to argue why the adverse ruling should be overturned. In no event should such argument last more than fifteen (15) minutes unless the Board votes to extend additional time. At the conclusion of the hearing, any member of the Board may vote to sustain the decision of the hearing officer, send the record back for additional evidence, revise the penalty, or reverse the decision. The Board shall render its decision within ten (10) working days after the conclusion of the hearing. In the event that the decision of the Board is appealed to the chancery court, the Board shall transmit the entire record prepared by the Director of Schools and reviewed by the Board to the chancery court for its review.

RESIGNATION

A teacher shall give the Director of Schools notice of resignation at least thirty (30) days before the effective date of the resignation. A teacher who fails to give such notice, in the absence of justifiable

extenuating circumstances, shall forfeit all tenure status. The Board may waive the thirty (30) days' notice requirement and permit a teacher to resign in good standing.[5]

The conditions under which it is permissible to break a contract with the Board are as follows:[6]

1. The incapacity on the part of the teacher to perform the contract as evidenced by the certified statement of a physician approved by the Board; or

2. The release by the Board of the teacher from the contract that the teacher has entered into with the Board.

Any teacher on leave shall notify the Director of Schools in writing at least thirty (30) days prior to the date of return if the teacher does not intend to return to the position from which he/she has taken leave. Failure to render such notice may be considered a breach of contract.[7]

Upon a breach of contract, the Board, upon a motion recorded in its minutes, may file a complaint with the State Board of Education and request the suspension of a teacher's license. After the State Board of Education has provided the teacher an opportunity for defense during a hearing, the State Board of Education may suspend the license for no less than thirty (30) days and no more than three hundred sixty-five (365) days.[8]

RETIREMENT

Retirement is a termination of services under conditions that will allow the teacher to draw benefits from retirement plans and/or Social Security benefits. Teachers eligible for retirement benefits may elect to retire at any age according to the provisions of the retirement system.

Central office personnel shall assist teachers in securing retirement benefits; however, it shall be the responsibility of the retiring teacher to provide verification of eligibility in writing from the Tennessee Consolidated Retirement System (TCRS) to the central office. It shall be the responsibility of the retiring teacher to file for benefits.

If the matter under investigation is not the subject of an ongoing criminal investigation or a Department of Children's Services investigation, and if no charges for dismissal have been made, a suspension pending investigation shall not exceed ninety (90) days in duration. Under no circumstances shall the Director of Schools suspend a non-tenured teacher with pay if there is a pending investigation. If vindicated or reinstated, the non-tenured teacher shall be paid full salary for the period of suspension.

SUSPENSION OF THREE DAYS OR LESS[2]

The Director of Schools/designee may suspend a teacher for incompetence, inefficiency, neglect of duty, unprofessional conduct, and insubordination. Before a teacher is suspended, he/she shall be: (1) provided with written notice, including the reasons for the suspension along with an explanation of the evidence; (2) given an opportunity to respond to the Director of Schools at a recorded conference, if requested within five (5) days; and (3) given a written decision of the suspension within ten (10) days. Both parties may be represented by counsel at the conference, which shall be recorded.

Under no circumstances shall the Director of Schools suspend a non-tenured teacher with pay. If reinstated, the non-tenured teacher shall be paid full salary for the period of suspension unless suspension without pay is deemed to be an appropriate penalty.

DISMISSAL OR SUSPENSION GREATER THAN THREE DAYS[2]

The Director of Schools may dismiss or suspend for more than three (3) days any non-tenured teacher during the contract year for incompetence, inefficiency, insubordination, improper conduct, or neglect of duty after giving the non-tenured teacher, in writing, due notice of the charges.

The Director of Schools shall give the non-tenured teacher an opportunity for a full and complete hearing before an impartial hearing officer.

The Board will appoint an impartial hearing officer to conduct such hearings. The hearing officer will hear the case, and the teacher shall have the right to:

1. Be represented by counsel;

2. Call and subpoena witnesses;

3. Examine all witnesses; and

4. Require that all testimony be given under oath.

Factual findings and decisions in all dismissal cases shall be reduced to written form and delivered to the affected teacher within ten (10) working days following the close of the hearing. The teacher may appeal the decision to the Board within ten (10) working days of the hearing officer rendering the written decision to the teacher. Written notice of appeal to the Board shall be given to the Director of Schools. Within twenty (20) working days of receipt of notice, the Director of Schools shall prepare a copy of the proceedings, including all transcripts and evidence, documentary or otherwise, and provide a copy to the Board.

The Director of Schools shall also have the right to appeal any adverse ruling by the hearing officer in the same manner as the non-tenured teacher.

The Board shall hear the appeal. No new evidence shall be introduced. The non-tenured teacher may appear in person or be represented by counsel and argue why the decision should be modified or reversed. The Board shall take one of the following actions:

1. Sustain the decision;

2. Send the record back if additional evidence is necessary; or

3. Revise the penalty or reverse the decision.

Before any decision to dismiss is made, a majority of the membership of the Board shall concur in sustaining the charges. The Board shall render a decision on the appeal within ten (10) working days after the conclusion of the hearing.

Within twenty (20) working days after receipt of notice of the decision of the Board, either party may appeal to the chancery court in the county where the school district is located. The Board shall provide the entire record of the hearing to the court.

NONRENEWAL

Non-tenured teachers are subject to the same rules and regulations and are entitled to the privileges of employment enjoyed by tenured teachers except that they have no claim upon continuing employment or tenure protections.

The principal is responsible for discussing deficiencies as part of the evaluation process with the non-tenured teacher and providing assistance for overcoming these deficiencies.

The Director of Schools is under no obligation to re-employ non-tenured teachers at the end of their contract period. If the Director of Schools determines not to renew the contract of a non-tenured teacher, the following action shall be taken:

1. The Board shall be notified at the next regular board meeting; and
2. Written notice of non-renewal shall be sent to the teacher by certified mail, overnight carrier, or by email within five (5) business days following the last instructional day for the school year.[3] If the reason for nonrenewal is due only to a loss of funding for the position, then the notice shall include a statement listing it as the cause for nonrenewal.[4]

RESIGNATION

A teacher shall give the Director of Schools notice of resignation at least thirty (30) days before the effective date of the resignation.[5] The Board may waive the thirty (30) days notice requirement and permit a teacher to resign in good standing.

The conditions under which it is permissible to break a contract with the Board are as follows:[6]

1. The incapacity on the part of the teacher to perform the contract as evidenced by the certified statement of a physician approved by the Board; or

Any teacher on leave shall notify the Director of Schools in writing at least thirty (30) days prior to the date of return if the teacher does not intend to return to the position from which he/she has taken leave. Failure to render such notice may be considered a breach of contract.[7]

Upon a breach of contract, the Board, upon a motion recorded in its minutes, may file a complaint with the State Board of Education and request the suspension of a teacher's license. After the State Board of Education has provided the teacher an opportunity for defense during a hearing, the State Board of Education may suspend the license for no less than thirty (30) days and no more than three hundred sixty-five (365) days.[8]

Retirement is a termination of services under conditions which will allow the teacher to draw benefits from retirement plans and/or Social Security benefits.

It shall be the responsibility of the retiring teacher to file for benefits.

(Note: Nonrenewal of non-tenured teachers after the contract year is not suspension or dismissal and does NOT follow the suspension/dismissal guidelines outlined in this policy. Rather, nonrenewal of non-tenured teachers after the contract year follows the nonrenewal guidelines outlined in this policy.)
