MEC - A wall for the behavioral classroom will be installed to provide space for the new behavior class for 4th and 5th graders. As we talked about during the budgeting process, it includes a behavioral classroom for those students at MTES.

16 is not the subject of an ongoing criminal investigation or a Department of Children's Services
17 investigation, and if no charges for dismissal have been made, a suspension pending investigation shall
18 not exceed ninety (90) days in duration. Under no circumstances shall the Director of Schools suspend
19 a teacher with pay if there is a pending investigation. If vindicated or reinstated, the teacher shall be paid
20 full salary for the period of suspension.

21 **SUSPENSION OF THREE DAYS OR LESS^{2,3}**

22 The Director of Schools/designee may suspend a teacher for incompetence, inefficiency, neglect of duty,
23 unprofessional conduct, and insubordination. Before a teacher is suspended, he/she shall be: (1) provided
24 with written notice, including the reasons for the suspension along with an explanation of the evidence;
25 (2) given an opportunity to respond to the Director of Schools at a conference, if requested within five
26 (5) days; and (3) given a written decision of the suspension within ten (10) days. Both parties may be
27 represented by counsel at the conference, which shall be recorded.

28 Under no circumstances shall a Director of Schools suspend a tenured teacher with pay. If reinstated, the
29 tenured teacher shall be paid full salary for the period of suspension unless suspension without pay is
30 deemed to be an appropriate penalty.

1 DISMISSAL OR SUSPENSION GREATER THAN THREE DAYS⁴

2 When a tenured teacher is charged with offenses that may justify dismissal or a suspension greater than
3 three (3) days, the charges shall be made in writing, specifically stating the offenses that are charged,
4 and shall be signed by the party or parties making the charges.

5 If, in the opinion of the Board, the charges are of such nature as to warrant the dismissal or a suspension
6 greater than three (3) days of the teacher, the Director of Schools shall give the teacher a written notice
7 of this decision, a copy of the charges against the teacher, and a copy of a form provided by the
8 Commissioner of Education advising the teacher of his/her legal duties, rights, and recourse.

9 A tenured teacher who has been given notice of charges against him/her may within thirty (30) days after
10 receipt of notice give written notice to the Director of Schools of his/her request for a hearing.

11 The Director of Schools shall, within five (5) days after receipt of request, assign a hearing officer from
12 the list maintained by the Board.

13 The Board shall maintain a list of qualified individuals who have indicated a willingness to act as
14 impartial hearing officers as defined under Tennessee law.

15 The hearing officer shall notify the parties, or their attorney, of the officer's assignment and direct the
16 parties or the attorneys for the parties, or both, to appear before the hearing officer for simplification of
17 issues and the scheduling of the hearing. That hearing shall be set no later than thirty (30) days following
18 receipt of the initial request for a hearing. In the discretion of the hearing officer, all or part of any
19 prehearing conference may be conducted by telephone if each participant has an opportunity to
20 participate, be heard, and to address proof and evidentiary concerns. The hearing officer is empowered
21 to issue appropriate orders and to regulate the conduct of the proceedings.

22 Either party may appeal to the Board an adverse ruling by giving written notice of appeal within ten (10)
23 working days of the hearing officer's delivery of the hearing officer's written findings and conclusions.
24 The Director of Schools shall prepare a copy of the proceedings, including all transcripts and evidence,
25 documentary or otherwise, and transmit the same to the Board within twenty (20) working days of the
26 receipt of the notice of appeal.

27 The Board shall hear the appeal on the record, and no new evidence may be submitted by either party.
28 The appealing party may appear before the Board to argue why the adverse ruling should be overturned.
29 In no event should such argument last more than fifteen (15) minutes unless the Board votes to extend
30 additional time. At the conclusion of the hearing, any member of the Board may vote to sustain the
31 decision of the hearing officer, send the record back for additional evidence, revise the penalty, or reverse
32 the decision. The Board shall render its decision within ten (10) working days after the conclusion of the
33 hearing. In the event that the decision of the Board is appealed to the chancery court, the Board shall
34 transmit the entire record prepared by the Director of Schools and reviewed by the Board to the chancery
35 court for its review.

36 RESIGNATION

37 A teacher shall give the Director of Schools notice of resignation at least thirty (30) days before the
38 effective date of the resignation. A teacher who fails to give such notice, in the absence of justifiable

extenuating circumstances, shall forfeit all tenure status. The Board may waive the thirty (30) days' notice requirement and permit a teacher to resign in good standing.⁵

The conditions under which it is permissible to break a contract with the Board are as follows:⁶

1. The incapacity on the part of the teacher to perform the contract as evidenced by the certified statement of a physician approved by the Board; or
2. The release by the Board of the teacher from the contract that the teacher has entered into with the Board.

Any teacher on leave shall notify the Director of Schools in writing at least thirty (30) days prior to the date of return if the teacher does not intend to return to the position from which he/she has taken leave. Failure to render such notice may be considered a breach of contract.⁷

Upon a breach of contract, the Board, upon a motion recorded in its minutes, may file a complaint with the State Board of Education and request the suspension of a teacher's license. After the State Board of Education has provided the teacher an opportunity for defense during a hearing, the State Board of Education may suspend the license for no less than thirty (30) days and no more than three hundred sixty-five (365) days.⁸

RETIREMENT

Retirement is a termination of services under conditions that will allow the teacher to draw benefits from retirement plans and/or Social Security benefits. Teachers eligible for retirement benefits may elect to retire at any age according to the provisions of the retirement system.

Central office personnel shall assist teachers in securing retirement benefits; however, it shall be the responsibility of the retiring teacher to provide verification of eligibility in writing from the Tennessee Consolidated Retirement System (TCRS) to the central office. It shall be the responsibility of the retiring teacher to file for benefits.

1 **ALLEGATIONS REQUIRING TEMPORARY REMOVAL FROM DUTY**

2 If an investigation of an employee's conduct is required, the Director of Schools shall determine
3 whether to temporarily modify the employee's work status based on concerns for safety or to minimize
4 disruption to the educational environment. This may include, but is not limited to:

- 5 • Reassignment to alternate duties;
- 6
- 7 • Placement on administrative leave with pay; or
- 8
- 9 • Temporary removal from the school setting.

10 Such action shall not be considered disciplinary in nature but rather a precautionary measure until a
11 determination can be made regarding an appropriate return to duties, or the imposition of disciplinary
12 action, which could include suspension without pay.

13 **SUSPENSION PENDING AN INVESTIGATION¹**

14 The Director of Schools may suspend a teacher at any time that may seem necessary, pending
15 investigation, or final disposition of a case before the Board or an appeal. If the matter under investigation
16 is not the subject of an ongoing criminal investigation or a Department of Children's Services
17 investigation, and if no charges for dismissal have been made, a suspension pending investigation shall
18 not exceed ninety (90) days in duration. Under no circumstances shall the Director of Schools suspend
19 a non-tenured teacher with pay if there is a pending investigation. If vindicated or reinstated, the non-
20 tenured teacher shall be paid full salary for the period of suspension.

21 **SUSPENSION OF THREE DAYS OR LESS²**

22 The Director of Schools/designee may suspend a teacher for incompetence, inefficiency, neglect of duty,
23 unprofessional conduct, and insubordination. Before a teacher is suspended, he/she shall be: (1) provided
24 with written notice, including the reasons for the suspension along with an explanation of the evidence;
25 (2) given an opportunity to respond to the Director of Schools at a recorded conference, if requested
26 within five (5) days; and (3) given a written decision of the suspension within ten (10) days. Both parties
27 may be represented by counsel at the conference, which shall be recorded.

28 Under no circumstances shall the Director of Schools suspend a non-tenured teacher with pay. If
29 reinstated, the non-tenured teacher shall be paid full salary for the period of suspension unless suspension
30 without pay is deemed to be an appropriate penalty.

1 DISMISSAL OR SUSPENSION GREATER THAN THREE DAYS²

2 The Director of Schools may dismiss or suspend for more than three (3) days any non-tenured teacher
3 during the contract year for incompetence, inefficiency, insubordination, improper conduct, or neglect
4 of duty after giving the non-tenured teacher, in writing, due notice of the charges.

5 The Director of Schools shall give the non-tenured teacher an opportunity for a full and complete hearing
6 before an impartial hearing officer.

7 The Board will appoint an impartial hearing officer to conduct such hearings. The hearing officer will
8 hear the case, and the teacher shall have the right to:

- 9 1. Be represented by counsel;
- 10
- 11 2. Call and subpoena witnesses;
- 12
- 13 3. Examine all witnesses; and
- 14
- 15 4. Require that all testimony be given under oath.

16 Factual findings and decisions in all dismissal cases shall be reduced to written form and delivered to the
17 affected teacher within ten (10) working days following the close of the hearing. The teacher may appeal
18 the decision to the Board within ten (10) working days of the hearing officer rendering the written
19 decision to the teacher. Written notice of appeal to the Board shall be given to the Director of Schools.
20 Within twenty (20) working days of receipt of notice, the Director of Schools shall prepare a copy of the
21 proceedings, including all transcripts and evidence, documentary or otherwise, and provide a copy to the
22 Board.

23 The Director of Schools shall also have the right to appeal any adverse ruling by the hearing officer in
24 the same manner as the non-tenured teacher.

25 The Board shall hear the appeal. No new evidence shall be introduced. The non-tenured teacher may
26 appear in person or be represented by counsel and argue why the decision should be modified or reversed.
27 The Board shall take one of the following actions:

- 28 1. Sustain the decision;
- 29
- 30 2. Send the record back if additional evidence is necessary; or
- 31
- 32 3. Revise the penalty or reverse the decision.

33 Before any decision to dismiss is made, a majority of the membership of the Board shall concur in
34 sustaining the charges. The Board shall render a decision on the appeal within ten (10) working days
35 after the conclusion of the hearing.

36 Within twenty (20) working days after receipt of notice of the decision of the Board, either party may
37 appeal to the chancery court in the county where the school district is located. The Board shall provide
38 the entire record of the hearing to the court.

NONRENEWAL

Non-tenured teachers are subject to the same rules and regulations and are entitled to the privileges of employment enjoyed by tenured teachers except that they have no claim upon continuing employment or tenure protections.

The principal is responsible for discussing deficiencies as part of the evaluation process with the non-tenured teacher and providing assistance for overcoming these deficiencies.

The Director of Schools is under no obligation to re-employ non-tenured teachers at the end of their contract period. If the Director of Schools determines not to renew the contract of a non-tenured teacher, the following action shall be taken:

1. The Board shall be notified at the next regular board meeting; and
2. Written notice of non-renewal shall be sent to the teacher by certified mail, overnight carrier, or by email within five (5) business days following the last instructional day for the school year.³ If the reason for nonrenewal is due only to a loss of funding for the position, then the notice shall include a statement listing it as the cause for nonrenewal.⁴

RESIGNATION

A teacher shall give the Director of Schools notice of resignation at least thirty (30) days before the effective date of the resignation.⁵ The Board may waive the thirty (30) days notice requirement and permit a teacher to resign in good standing.

The conditions under which it is permissible to break a contract with the Board are as follows:⁶

1. The incapacity on the part of the teacher to perform the contract as evidenced by the certified statement of a physician approved by the Board; or
2. The release by the Board of the teacher from the contract which the teacher has entered into with the Board.

Any teacher on leave shall notify the Director of Schools in writing at least thirty (30) days prior to the date of return if the teacher does not intend to return to the position from which he/she has taken leave. Failure to render such notice may be considered a breach of contract.⁷

Upon a breach of contract, the Board, upon a motion recorded in its minutes, may file a complaint with the State Board of Education and request the suspension of a teacher's license. After the State Board of Education has provided the teacher an opportunity for defense during a hearing, the State Board of Education may suspend the license for no less than thirty (30) days and no more than three hundred sixty-five (365) days.⁸

Monitoring: Review: Annually, in February	Descriptor Term: Drug & Alcohol Testing for Employees	Descriptor Code: 5.403	Issued Date:
		Rescinds: 5.403	Issued: 05/17/18

REASONABLE SUSPICION DRUG TESTING

If a supervisor observes or receives a report of conduct suggesting a potential violation of Policy 1.804, Alcohol & Drugs in the Workplace, the supervisor shall promptly inform the Director/designee. Upon reasonable suspicion that an employee's job performance or behavior may be impaired by illegal drugs, including improper use of prescribed drugs, or alcohol, the Director/designee may require the employee to undergo drug or alcohol testing.

An employee who is required to submit to drug or alcohol testing based upon reasonable suspicion and refuses shall be charged with insubordination, and necessary procedures will be taken to terminate the employee in accordance with board policy, and state law, where applicable.

An employee who tests positive on a reasonable suspicion test will be in violation of this policy and subject to termination.

The Director or his/her authorized designee are the only individuals in the district authorized to make the determination that reasonable suspicion or cause exists to order a drug screen and are the only individuals who may order an employee to submit to a drug screen.

Two types of cases for which reasonable suspicion procedures may be invoked are:

1. Chronic Case: Deteriorating job performance or changes in personal traits characteristics where the use of alcohol or drugs may be reasonably suspected as the cause.
2. Acute Case: Appearing in a specific incident or observation to then be under the present influence of alcohol or drugs, or investigation of an accident where the use of alcohol or drugs is reasonably suspected to be a contributing cause.

Circumstances under which substance screening may be considered, in either the chronic or acute cases, include, but are not limited to, the following:

1. Observed use, possession, or sale of illegal drugs and/or use, possession, sale, or abuse of alcohol and/or the illegal use or sale of prescription drugs.
2. Apparent physical state of impairment of motor functions.
3. Marked changes in personal behavior not attributable to other factors.

4. Employee involvement in or contribution to an accident where the use of alcohol or drugs is reasonably suspected or employee involvement in a pattern of repetitive accidents, whether or not they involve actual or potential injury.

5. Violations of criminal drug law statutes involving the use of illegal drugs, alcohol, or prescription drugs and/or violations of drug statutes.

The circumstances, under which substance screening may be considered, as outlined above, are strictly limited in time and place to employee conduct on duty or during work hours, or on or in Board of Education property, or at school system-approved or school-related functions.

Prior to substance screening, employees must sign an acknowledgment that the summary result will be transmitted to the Medical Review Officer and the Director/designee.

Drug and alcohol screening shall be conducted by Board approved, independent, certified laboratories utilizing recognized techniques and procedures. A breath analysis test will be performed by a certified Breath Alcohol Technician.

TESTING FOR CDL EMPLOYEES

All drivers and applicants for driver positions who are required to hold a Commercial Driver's License (CDL) to perform their job function shall adhere to the requirements of this policy and all procedures relating to this policy.¹

The use, possession, sale, purchase, or transfer of any controlled substances, except medically prescribed drugs on school property, while on school business, or while operating school vehicles and equipment, is prohibited. Drinking alcoholic beverages during working hours, four (4) hours before reporting to work, or having any measurable amount of alcohol in the employee's system during working hours is prohibited, whether on or off school property. Working hours include all breaks. Off-duty use of drugs and alcohol is prohibited to the extent that it affects the driver's attendance or performance and his/her ability to pass required Department of Transportation alcohol and controlled substance tests. Any violation of this policy is grounds for termination and possible legal prosecution.

The use of any prescription drug that could affect the central nervous system or one that would impair reaction time shall be reported to the Director of Schools/designee. Notice shall be given of non-prescription (over-the-counter) drugs being taken on a regular basis. The notice shall include the duration of ingestion and the possible side effects.

Procedures

The execution and enforcement of this policy will follow set procedures to screen bodily fluids, conduct breath testing, and/or search all employees/applicants for alcohol and drug use and those employees suspected of violating this policy who are involved in a reportable accident or who are periodically or randomly selected. The procedures are designed not only to detect violations of this policy but also to ensure fairness to each employee. Disciplinary action will be taken as necessary.

1 *Implementation*

2 The Director of Schools/designee is authorized to implement this policy and procedures for the drug
3 testing program, including a periodic review of the program to address any problems, changes, and/or
4 revisions of it, maintenance of all records required by the federal regulations, and determination upon
5 board approval of how the program will be accomplished, whether in-house, contracted, or by
6 consortium.

7 *Dissemination*

8 The Director of Schools/designee shall be responsible for communicating this policy and the
