President Miller presided and conducted. The Board of Education met in a study session to discuss the following:

A. Review of Calendar Survey for 2025-26

Caleb Olson reported a survey was sent to the community in April 2024 with additional questions per Board member request: one about secondary parent-teacher conference in the spring and one about grade transmittal days. He shared the following information about the survey, noting additional question responses will be discussed at a future Board meeting:

- 7,093 survey responses
- Approximately 68% were parents, 32% were employees, and 2% were students
- The August mid-month start date was the most preferred, with 48.8% of the votes

Mr. Olson said one change would need to be made to the calendar if the mid-August option was approved: the date for high school College Prep would need to be one day later in November to avoid a conflict with Veterans Day.

Mr. Olson said the Calendar Committee recommends the middle August option with the aforementioned November high school date change.

Lisa Dean arrived at 4:05 p.m. and joined the meeting in progress.

Board members agreed with the calendar recommendation for the 2025-26 school year and to a vote in the subsequent business meeting. They thanked the Calendar Committee for their hard work.

B. Discussion on Administrative Policy DP374 *Employment Background Checks*

Brent Burge excused Dr. June LeMaster who was absent due to another commitment. He reported working with Board Attorney Paul Van Komen to make changes on the policy since the previous meeting.

Bryce Dunford requested this agenda item be tabled as he would like staff and Mr. Van Komen to have more time to work on the policy and assure it complies with State rule.

MOTION: It was moved by Bryce Dunford and seconded by Marilyn Richards to table agenda item B *Discussion on Administrative Policy DP374*. The motion passed with a unanimous vote.

C. Report of Enrollment Trends for Multi Language Learners

Ben Jameson, Director of Evaluation, Research & Accountability, invited Data Scientist Brooke Anderson to present information on enrollment trends for multi-language (ML) learners.

Ms. Anderson said approximately 8.5% of Jordan students need language services, which is comparable with Utah enrollment trends. She explained that although the majority of these students reside within the West Jordan and Copper Hills feeders, there has been an increase in the Mountain Ridge and Herriman areas. She shared information about English learner enrollment at each District school and explained WIDA testing and levels of fluency.

Ms. Anderson explained that although most English learners are non-immigrants, there has been a significant increase in recent years of immigrant and refugee students enrolling in District schools. Many ML students are coming from Afghanistan, Venezuela and Ukraine.

Regarding the length of time for students to become proficient in English, Mr. Jameson clarified that conversational English is acquired more easily than WIDA-tested academic language skills, which may take up to five years to achieve proficiency.

At approximately 4:47 p.m. it became evident there were technical difficulties with broadcasting the meeting. President Miller suggested continuing the discussion later in the evening and moving on to the next agenda item.

MOTION: It was moved by Brian Barnett and seconded by Lisa Dean to postpone agenda item C due to technical difficulties, with the intention of resuming the discussion later in the meeting. The motion passed with a unanimous vote.

D. Proposed Options for Support from Education Elements

Superintendent Godfrey shared a proposal, obtained per Board member's request, including three tiers of support and price comparisons to assist with implementation of Portrait of a Graduate and Strategic Plan.

Brian Barnett expressed concern about allowing an outside source to assist with writing Jordan policy and recommended using District personnel. Niki George clarified that the company would provide an objective framework and would not direct the Board on decisions or policy. President Miller said work with staff on implementation, reporting, and communication would be important and she recommended the balanced support option. Dr. Godfrey concurred, noting the plan could be tailored to Jordan's specific needs.

MOTION: It was moved by Bryce Dunford and seconded by Niki George to move forward with signing the agreement for the Balanced Support Package with Education Elements.

Darrell Robinson and Brian Barnett expressed interest in the lower “Essential Support” option.

MOTION: It was moved by Darrell Robinson and seconded by Brian Barnett to move forward with signing the agreement for the Essential Support Package with Education Elements.

President Miller called for a vote on the substitute motion. The motion failed with a vote of five to two as follows:

Bryce Dunford	No
Brian Barnett	Yes
Lisa Dean	No
Marilyn Richards	No
Tracy Miller	No
Niki George	No
Darrell Robinson	Yes

President Miller called for a vote on the original motion to move forward with obtaining the Balanced Support Package from Education Elements. The motion passed with a vote of five to two. Mr. Robinson and Mr. Barnett cast the dissenting votes.

President Miller requested the Board return to item C on the agenda and all agreed.

C. Report of Enrollment Trends for Multi Language Learners, continued

Brooke Anderson shared the number of MLs at each school that have low speaking fluency levels. Bryce Dunford asked when these numbers are at a critical point where more needs to be done to address language needs and avoid academic difficulties. Dr. Mike Anderson explained extra resources are allocated to schools listed as needing Targeted School Improvement (TSI).

Michelle Love-Day, director of Language & Culture Services, said she meets with departments frequently to make sure adequate support is being given to teachers of refugee, immigrant, and non-English speaking status. Dr. Mike Anderson added that extra funds are used at TSI schools to hire additional aides and address credit recovery at the high school level. It was clarified that schools can also choose to allocate TSSA funds to address unique concerns, including language needs.

Darrell Robinson asked questions about age verification and safety concerns. Dr. Mike Anderson assured everyone that enrollment includes age-verification and that students are properly placed in age-appropriate grade levels. He also strongly agreed with Herriman law enforcement who report no increase in crime rates or misbehaviors between one demographic or another.

Brooke Anderson said local trends mirror the national trend of a sharp increase in the refugee population and noted most need language services. Mr. Barnett asked for the following information: 1) total cost to provide services for multi-language learners in the District, and 2) how funding is obtained. Dr. Mike Anderson noted federal and state funding is received annually to assist with language needs and he agreed to provide more information on the total allocation for ML resources at a future Board meeting.

Ms. Love-Day gave a shoutout to Mr. Jameson and Brooke Anderson and Board members expressed their appreciation for their work and presentation.

At 6:05 p.m., the meeting adjourned. The general session started at 6:39 p.m.

A. Review of Start and End Times for 2024-25

Dr. Godfrey presented a recommendation for school start and end times for the 2024-25 school year. He noted that the opening of Juniper Elementary School might affect some families that have students at both Juniper and Ridge View Elementary. He explained the changes for high schools are conceptual and he asked for feedback on the following:

- 1) Juniper Elementary School - start time at 9:00 a.m. and end time at 3:35 p.m., with early out days beginning at 9:00 a.m. and ending at 1:00 p.m.
- 2) Ridge View Elementary School - start time at 9:10 a.m. and end time at 3:45 p.m., with kindergarten sessions at 9:10 to 11:50 a.m. and 1:05 to 3:45 p.m.
- 3) Ridge View Elementary School early days – start time at 9:10 a.m. and end time at 1:10 p.m., with kindergarten sessions at 9:10 to 11:05 a.m. and 11:15 to 1:10 p.m.
- 4) High schools starting later on Fridays to allow teachers PLC time in the morning
- 5) Modifying the Thursday schedule for high schools to end at 1:00 p.m. to accommodate personal learning time for students.

Dr. Godfrey noted the proposed high school changes would balance out A and B day schedules and Paul Bergera, Director of Transportation, said he didn't foresee any busing issues. Traffic congestion and bus lanes were discussed and Scott Thomas said Herriman City will help with traffic issues at the beginning of the school year.

A majority of Board members agreed with the proposed changes for elementary and middle schools.

Marilyn Richards suggested teacher input on the high school changes would be helpful, however not in the form of a survey.

Darrell Robinson asked about aligning start and end times for all elementary schools. It was mentioned this year would be too late to do a formal study on aligning school schedules districtwide, but this could be discussed in the future.

Bryce Dunford stressed the importance of teacher preparation time and made the following motion regarding proposed schedule changes for high schools:

MOTION: It was moved by Bryce Dunford and seconded by Niki George to authorize staff to move forward with consideration of changing high school personal learning days to Thursdays. In addition, to get input from teachers and explore possible transportation costs and bring a proposal back to the Board.

Mr. Dunford brought up a safety concern about traffic on those Thursdays where there is an early-out schedule for elementary students. Dr. Godfrey said this will be taken into consideration when drafting a new school times schedule for the 2024-25 school year.

It was decided a revised school start and end time schedule will be brought back to a future Board meeting for further discussion.

President Miller called for a vote on the former motion regarding proposed changes to high school schedules and the motion passed unanimously.

B. Reporting Required by Utah Code 53G-6-11-1101

Brad Sorensen, Administrator of Schools, reported this law requires districts to report secondary sports participation information, spending on gender-designated sports, and evaluation of those sports facilities each academic year. He thanked Bryan Veazie, District athletic director; and Brenda Groo and Marilyn Smith, District administrative assistants, for their work on this report.

Mr. Veazie shared the final report on the following gender-designated sports: twelve girls sports, nine boys sports, and three sports not gender-designated: baseball, cheer, and football. He highlighted the fact that overall participation rates are very similar (within 3.27% of each other) for boys and girls in gender-designated sports. Only Bingham High School had a gender participation gap greater than 10% during the 2022-23 school year and they will address this gap by submitting and implementing an action plan to improve participation rate balance. He reviewed the total spending and spending per student on gender designated sports reported by school and District. Mr. Veazie said he felt like there is an equitable balance between boys and girls sports practice facilities.

Marilyn Richards acknowledged recent improvements and proposed that this information be shared with Utah High School Activities Association. It was explained that the bill only requires this information be shared with the Board. Although this does not report on all Title IX requirements, Mr. Veazie explained he is working on a formal process with all District athletic directors which will identify Title IX areas of concern. This includes an independent audit of Title IX compliance, a report from each school due June 14, 2024, and a personal review/tour of the school with Mr. Veazie. He said he will work with schools on areas that need improvement and share any concerns about Title IX compliance with Board members.

Mr. Sorensen explained inclusion and equity are encouraged for low gender-represented classes. He added that required reporting began in 2022 but as it is acquired, longitudinal data will be able to address discrepancies in a more targeted way.

C. Review of Board Policy GP118 *Midterm Vacancies on the Board*

President Miller explained Policy GP118 is being reviewed as part of the normal Board policy review cycle and asked Board members for suggestions on possible changes. She recommended designating an additional Board member to accept written applications should there be a midterm vacancy and

arrange the candidate interview schedule. She also asked if it is necessary to have applicants include their home address.

Mr. Dunford suggested a note at the beginning of the policy stating a contingency plan should the Board President resign: that the Board may designate another member of the Board executive committee to fulfill duties explained in the policy.

Board members agreed that candidates should submit their contact information, but can decide what becomes public. President Miller also suggested A3 read: “members elected under this subsection shall serve for the remainder of the vacated term.”

She said recommended changes will be made and the draft policy will be brought back to a future study session.

D. Review of Board Policy GP119 *Legal Counsel for the Board*

President Miller pointed out Board Policy GP119 was written in 2015 and she asked for suggestions on possible changes.

Board members agreed with leaving the policy intact, with the exception of adding a review date.

E. Update on Legislative Session

Dr. Godfrey shared information from USBE with assignments for District administrators to oversee implementation on notable individual bills. Featured bills were explained with assignments as follows:

- HB 29 Sensitive Material Review Amendments – assigned to Carolyn Gough and Mike Anderson. Dr. Anderson said a policy consistent with the law is being drafted and Board members requested to review this to determine whether it needs to go to the District Ad Hoc Literature Review Committee for more changes. Dr. Anderson said the draft policy will be emailed to Board members as soon as it is ready so they may review it prior to an upcoming Board meeting.
- HB 82 Public Education Program Modifications– assigned to Mike Anderson, John Larsen & Carolyn Gough. Collects educator emails for the legislature to communicate through the State Board. President Miller asked that these emails be forwarded to Board members.
- HB 221 Stipends for Future Educators – assigned to June LeMaster. Pilot program to compensate future teachers an estimated \$6000 while they complete student teaching.
- HB 261 Equal Opportunity Initiatives – assigned to Mike Anderson. Concerns “diversity, equity, and inclusion” and prohibits the use of that name for a department.
- HB 84 School Safety Amendments – assigned to Mike Anderson. Comprehensive bill that establishes new school safety requirements and standards including: new positions created at the state and school level, safety needs assessments due by the end of the calendar year, an established early warning system, and armed guards in each school. It provides one-time funding for positions and the timeline is unclear. Dr. Anderson said more information will be forthcoming.
- SB 137 Teacher Empowerment & SB 173 Market Informed Compensation for Teachers – both assigned to June LeMaster. Updates the code for teacher evaluations and changes process and qualifications for the Teacher Salary Supplement Program. LEAs can set two to five categories of teachers to receive the money which will be split between recipients. The program can be adopted at any time up until five years from now, at which time it will sunset.
- SB 182 Student Survey Amendments– assigned to Mike Anderson and Carolyn Gough.

Requires parental consent (actively opting in) for surveys. Dr. Godfrey said the District will provide thorough training to administrators so surveys are appropriate and parents understand the opt-in requirement.

Other notable education bills briefly discussed include:

- HB 431 Teacher Retention – assigned to June LeMaster
- HB 331 School and Classroom Amendments – assigned to Carolyn Gough
- HB 517 Half-Day Kindergarten Amendments – assigned to Elementary Administrators of Schools
- HB 257 Sex-based Designations for Privacy, Anti-bullying, and Women's Opportunities – assigned to Mike Anderson
- HB 247 Statewide Online Education Program Amendment – assigned to Mike Anderson
- HB 347 Educational Rights Amendments – assigned to Lisa Robinson
- SB 159 Public School Discipline and Conduct Plans Amendments - assigned to Lisa Robinson
- HB 362 Juvenile Justice Revisions – assigned to Mike Anderson
- HB 199 School Employee Firearm Possession Amendments – assigned to Mike Anderson
- HB 208 Teacher Licensure Amendments – assigned to June LeMaster
- HB 121 Educator Background Check Amendments – assigned to June LeMaster
- HB 499 Education Reporting Amendments – assigned to John Larsen
- HB 415 School Fees Amendments – assigned to Brad Sorensen
- HB1 Beverley Taylor Sorenson Grant Funding Change – assigned to Carolyn Gough
- SB 86 Local Government Bond Amendments – assigned to John Larsen
- HB 460 Government Employee Conscience Protection Amendments – assigned to June LeMaster

Board members expressed concern for the extra burden this places on busy administrators and Dr. Godfrey said good communication with legislators is helpful. He commended Dr. Anderson, saying he is the “best in the state” at giving good feedback to legislators.

Dr. Godfrey said updates will be given to the Board when they are received and he gave an estimated timeline for some of the bills. He encouraged anyone who is concerned about specific legislation to contact the cabinet member assigned to that bill.

F. Board Member, Committee, and Superintendent Reports and Comments

Marilyn Richards, Facilities Committee Chair, said the committee met May 7, 2024 to discuss current projects and will bring a report to the Board at a later date. She enjoyed touring Juniper Elementary School and was impressed at the forethought and efforts to make it a school that could be modified in the future according to District needs.

Ms. Richards also reported on Utah High School Activities Association (UHSAA), explaining that the members are voting on three topics currently: 1) the definition of a full-time student, 2) F1 Visa participants, and 3) the new transfer policy. She said once these are ratified, she will bring the information back to the Board.

Bryce Dunford, Finance Committee Chair, said a meeting will be held Friday, May 24, 2024 where a report will be received from the internal auditors.

Niki George, Government Relations Chair, said the Committee met last week with Senator Lincoln Fillmore and discussed bill files he has opened, namely: 1) What counts as a school day, and 2) Cell phone policies. She said he spoke about 35% flexibility with funds set to expire at the end of the year. Mr. Larsen clarified that these unrestricted funds still require compliance measures and mostly benefit small LEAs, not larger districts like Jordan. Ms. George asked Senator Fillmore what would be helpful information for Jordan to give legislators and he mentioned explaining how the equity pupil budget has affected our district. Dr. Anderson said he will send this information to the Board Executive Committee and Senator Fillmore. Mr. Larsen said the affects have been “huge.”

Darrell Robinson and Tracy Miller reported on Joint Relations, noting JESPA negotiations have been fully ratified.

Lisa Dean gave a reminder of the Jordan Ethnic Advisory Committee's Annual Summit on May 22, 2024.

President Miller asked for input on the next Board Bulletin and possible dates for publication were discussed. Items to be considered for inclusion were: notable changes next year due to legislation, school start and end times, and an explanation of personal learning time for high school students.

Ms. Miller reported on the Joint Legislative Committee, noting a draft of legislative priorities has been created. She gave a reminder of the Pre-Delegate Assembly on June 7 and the Delegate Assembly June 8, 2024 in which the following members agreed to vote: Lisa Dean and Niki George. A third voting Board member will be chosen once personal schedules have been consulted.

Two other items were mentioned: the Jordan Education Foundation golf tournament fundraiser on June 27, 2024 and the free My County Rec Pass which is available to all youth ages 5 to 18 who reside in Salt Lake County.

Superintendent Godfrey said the cell phone survey process is underway and focus groups are being held. He attended the PTA Convention where he was the keynote speaker as well as performing with his band, Superintendents of Rock.

MOTION: At 7:34 p.m., it was moved by Lisa Dean and seconded by Niki George to go into closed session. The motion passed with a unanimous roll call vote.

However, negotiations can alter this arrangement each year, as demonstrated this year.
- 6) Licensed employees who have worked for Jordan School District for 21 years or more as a licensed employee will receive an additional salary level increase of \$875 (now \$900). These years do not need to be consecutive years and leave of absence shall not count against these years.

SUBJECT: SICK LEAVE—LICENSED

I. Board Directive

It is the policy of the Board to authorize paid sick leave benefits for licensed personnel who work 20 hours per week or more and to comply with requirements of Public Law 103-3, Family and Medical Leave Act. The Board delegates to the Administration responsibility for establishing guidelines for sick leave and family leave benefits. Sick leave runs concurrent with Family Medical Leave Act (FMLA) and Workers Compensation. Refer to Policy DP322 NEG- Family Medical Leave Act.

II. Administrative Policy

A. Purpose

1. Sick leave is intended for use by the employee only for personal health-related absences, except as outlined below under critical family care. Annual leave should be used for non-critical care of an ill family member.

~~A.~~B. Definitions

1. Immediate family is defined as husband, wife, daughter, son, father, mother, brother, sister, or other person residing in the employee's home on a permanent basis. Special circumstances may be appealed to the Sick Leave Review Committee for consideration of immediate family status.
2. Continuous service includes an approved leave of absence, sabbatical leave, sick bank, military and/or FMLA leave.
 - a. A resignation or retirement constitutes a "break in service."
 - b. Employees returning to Jordan School District following a break in service will receive a new continuous service date reflecting the date of their return.
 - c. District seniority will be based on the new continuous service date.
 - d. Prior employment experience with Jordan School District may be taken into consideration for purposes of placement on the salary schedule.
3. Sick Leave Review Committee

 - b. Shall be composed of at least one of the Human Resource administrators, the Human Resource Generalist, and two members appointed by the president of the licensed employee agent.
 - c. Sick Leave Review Committee members must sign a confidentiality agreement to protect employees' medical information and confidentiality.

The sick leave policy shall be administered according to the following administrative policy provisions:

~~B.~~C. Sick Leave Accumulations

1. Sick leave accumulations are based on unused annual leave. See Policy [DP335 NEG Annual Leave - Licensed](#) for annual leave details.

SUBJECT: SICK LEAVE—LICENSED

2. Annual leave does not need to be exhausted before sick leave can be used.

3. Maximum accumulations:

179 and 187-day contracts (9 month)	180 days
245-day contracts (12 month)	240 days

~~C~~.D. Sick Leave Benefits During Approved Absences

1. Interruptions of work for sabbatical leave, educational leave, or other authorized leaves shall not be considered a break in continuous service. Should an employee be granted a leave for any reason, he/she will keep his/her number of cumulative sick leave days to be used upon return, but shall not be considered for sick leave during the time of leave.
2. Employees returning from authorized leaves shall receive accumulated sick leave benefits according to the policy in force at the time the leave began except when the policy is changed as a result of negotiations.

~~D~~.E. Use of Sick Leave for Critical Family Care

1. Although sick leave is intended for use by the employee for personal health-related absences, some sick leave may be used for critical family care as described below. Annual leave should be used for non-critical care of an ill family member.
2. A maximum of fifteen (15) days of sick leave may be used each year to care for a critically ill member of the immediate family or critically ill person residing on a permanent basis in the employee's home.
3. Use of sick leave for critical family illness must be authorized by the Sick Leave Review Committee. The employee must submit his/her request in writing by applying online via Employee Access.
4. Employees may not apply for critical family illness benefits until five (5) annual leave days have been used.
5. If more days are needed, employees who continue to deal with a critical family care (as defined in item D.1. above) may apply to the Sick Leave Review Committee for up to fifteen (15) additional days.
6. If additional days are granted, 50% of the daily rate of a licensed employee on salary level one shall be deducted from the educator's pay for each additional day of leave.

~~E~~.F. Use of Sick Leave for Adoption

1. Employees may use up to a maximum of twenty (20) accumulated sick leave days at the time of actual custody of the child.
2. Any additional leave must fall under the policy provisions of [DP322—Family Medical Leave Act](#).

SUBJECT: SICK LEAVE—LICENSED

F.G. Notification of Absence

1. Employees are required to notify their immediate supervisor as soon as they know that they will be absent from work.

4. Employees may be required to verify the nature and duration of an illness or injury with a doctor's certificate.

SUBJECT: ASSIGNMENT OF BUS DRIVERS AND BUS ATTENDANTS

I. Board Directive

The Board recognizes the value of having a clearly defined statement relative to assignment of bus drivers, and delegates to the Administration the responsibility to administer the following bus driver assignment policy.

II. Administrative Policy

The Administration delegates the responsibility for assignment of bus drivers to the Director of Transportation who shall perform such responsibilities consistent with the following regulations and requirements:

- A. Each driver shall have a valid Commercial Driver's License (CDL) with proper endorsements. Drivers shall receive reimbursement for CDL renewal.
- B. Each driver shall provide the Director of Transportation with a doctor's statement that the driver has passed a physical examination and is physically fit to assume the full responsibilities of a bus driver.
- C. Once ~~each year (if required)~~ every two years, the Board shall pay the cost of the Department of Transportation (DOT) physical renewal, provided the driver uses a qualified physician authorized by the District. Each driver will be responsible for making his/her own arrangements for this physical examination.
- D. Regular Bus Routes - A.M. and P.M.
 - 1. All bus drivers and bus attendants employed by the District will be assigned a regular morning and afternoon route by the Director of Transportation. Changes in assignments will be made at the beginning of each school year insofar as possible. A driver whose contract route is involuntarily reduced mid-year due to unexpected route changes or other extenuating circumstances will maintain their benefit calculation ratio, in effect at the time of the route reduction, through the end of the current contract year. The benefit ratio determines the amount the employee will pay for insurance coverage.
 - 2. When vacancies occur on established routes, new routes, kindergarten routes, or special education routes, this information will be posted for five (5) working days at the Transportation Office. Drivers or attendants may sign up for those runs based on department seniority and qualifications. Once the vacancy has been filled, other drivers or attendants may request assignment to the subsequent vacancy. If any created vacancy requires more than 30 hours of work per week, the position must be opened for bid. Any other subsequent vacancies shall be listed and distributed to contract drivers who may review and request in writing to the Director of Transportation. All others will be appointed by the Director of Transportation based on qualifications.
 - a. Applicants may have one (1) reassignment per fiscal year for any purpose. Additional reassignments are allowed if the reassignment will give the applicant additional hours.
 - b. Drivers will be assigned to regular kindergarten routes, and will be paid at their regular rate of pay for a minimum of two (2) hours, to include 30 minutes for the daily pre-trip/post-trip inspection, cleaning and refueling the bus, or actual time above the two (2) hours regardless of the number of routes served.
 - c. Rescheduling of routes may alter time requirements from year to year.

SUBJECT: ASSIGNMENT OF BUS DRIVERS AND BUS ATTENDANTS

- d. No assignment will be made which creates excessive deadheading. Excessive deadheading shall be defined as "greater than allowed on regular bus runs."
 - e. Drivers cannot trade assignments.
 - f. Unique circumstances may require the Director to reassign drivers or attendants without regard to department seniority when it is necessary to meet special District or employee needs which are reasonable and not arbitrary.
3. If a driver or attendant requests assignment to a bus run away from the areas in which he/she lives, he/she must furnish his/her own transportation to the point where the bus for that route is regularly stored. There will be no "deadheading" of buses out of regularly assigned areas for the convenience of the drivers or attendants.
- E. Regular Program Runs
- Minimum contract hours include 30 minutes for the daily pre-trip/post-trip inspection, cleaning and refueling the bus.
- 1. For drivers hired on a contract prior to July 1, 2014: Drivers will be paid at the regular rate of pay on quarter-hour increments for time worked beyond the four (4) hours per contract day. Some bus runs may not require the services of a driver for a normal four (4) hour day. As few drivers as possible shall be hired for less than a regular contract. These drivers shall be paid the regular contract hourly rate. If a contract driver is assigned to these runs, other work may be required to fulfill the hourly requirements of a contract bus driver.
 - 2. For drivers hired on a contract on or after July 1, 2014: Drivers will be paid at the regular rate of pay on quarter-hour increments for time worked beyond the six (6) hours per contract day.
- F. Drivers shall be paid as follows:
- 1. Driving time shall be paid at the driver's established hourly rate.
 - 2. Payment for field trip/activity runs shall be based on actual driving and layover time plus a one-half hour allowance for inspecting, cleaning and fueling the bus. A minimum of two (2) hours is required.
 - 3. The hourly rate of pay for substitute bus drivers shall be equal to 100 percent of Lane 7, Step 1.
- G. Drivers shall be compensated according to the Standards for Utah School Buses and Operations Manual for time required for pre- or post-trip and for time spent cleaning and fueling vehicles.
- H. Field Trip and Activity Runs
- 1. Driver assignments
 - a. Drivers interested in driving for field trips and activity runs shall notify the Director of Transportation or designee.
 - b. A list of interested drivers shall be compiled in the order of department seniority.
 - c. Except in unusual circumstances, drivers shall not be assigned to field trip/activity runs which would require them to exceed a 40-hour work week even if contract hours are not worked because of scheduled or unscheduled leave usage. All overtime must be authorized by the Director of Transportation.

SUBJECT: ASSIGNMENT OF BUS DRIVERS AND BUS ATTENDANTS

- d. As far as possible, field trip/activity run assignments shall not interfere with regular route assignments.
- e. Available field trips and activity runs shall be posted in the Transportation Office two (2) weeks in advance or for as many days as possible if two (2) weeks of notification is not received.
- f. Interested drivers must indicate their interest by submitting the proper form with the Field Trip Office by 9:00 a.m. on the posted sign up day. The driver will list desired field trips/activity runs on the form by request number. Drivers may choose to be present (not on contract time) when their field trip requests are reviewed.
- g. Available field trip/activity run assignments shall be posted. Drivers shall bid on field trip/activity runs or be assigned based on the driver's available hours within the 40-hour work week, department seniority, ability to meet the pick-up/drop-off time and preference, in that order. The same driver may be assigned to field trip/activity runs that extend over multiple days. (Drivers will not be penalized for extra time beyond what was posted or assigned.)
- h. The field trip bid process will proceed on a rotation order beginning with the senior driver on the list of interested drivers. Each driver will be allowed to sign up for one available field trip at a time. After a driver makes his/her selection, the next driver in seniority will make a selection. The procedure will continue through the list of interested drivers until all drivers on the list have had a chance to select one (1) field trip. Following this initial round of field trip selection, drivers who still need required contract hours will be assigned field trips until the obligation is met. After all obligated contract hours have been met, the field trip assignment process will resume with the seniority rotation procedure until all requested field trip/activity runs have been assigned.
- i. During the weeks prior to September 1 and after the spring sports tournaments, the District cannot guarantee 30-hour contract drivers, assigned to routes of less than 30 hours, the full 30 hours per week.
- j. Field trip/activity run requests made with four (4)-13 days' notice will be assigned by the Field Trip Office using the Department seniority list until all requests have been filled.
