Darrell Robinson and Lisa Dean arrived at 4:06 p.m. and joined the meeting in progress.

In adherence to submission deadlines, Board members agreed to review and sign the plans within the next two weeks. A final vote of approval will occur in the April 23, 2024 Board meeting.

Dr. Anderson expressed appreciation to schools for their hard work in completing the plans and to Nadine Page, District administrative assistant, for all her work, communication, and organization regarding the plans.

B. Review of Portrait of a Graduate Materials

President Miller requested this item be postponed until later in the meeting.

C. Review of National School Board Association (NSBA) Conference 2024

President Miller reported three Board members and Dr. Godfrey attended the NSBA Conference this year as well as some District staff who were invited to be presenters. She encouraged Board members to share their thoughts on the event.

Darrell Robinson reflected on the conference six years ago, when Jordan District used mental health crises to develop resources and programs that are now receiving national recognition. He gave kudos to Dr. Godfrey and staff for their efforts in this regard. Mr. Robinson also enjoyed conference classes on personalized learning, social media, and helping non-English speaking immigrants.

Lisa Dean enjoyed a class about connecting with Spanish-speaking students and families. She shared some ideas that were presented and noted the importance of building trust with students. She attended classes on special education and the dignity index and thought the speakers were great. She also attended Jordan staff's presentation on mental health and was impressed by the impact and low cost of the District's Wellness Day.

Niki George felt the messages from keynote speakers at the conference were "life-changing" and she shared highlights of speaker Ruby Bridge's presentation. She attended classes on governing as a school Board and said she is proud to be from Utah and a district that is hard-working and progressive. She also enjoyed Jordan's presentation on employee wellness and thanked taxpayers who make it possible for Board members to attend this conference.

Dr. Godfrey said the conference was great and he thanked Doug Flagler, Sandy Riesgraf, and McKinley Withers for representing the District well and presenting the "best session" according to many attendees. He enjoyed the interaction with other superintendents and Board members.

Brian Barnett asked about the Board's relationship with NSBA. President Miller explained the Board is a member of the Utah School Boards Association who is a member of NSBA. She said the NSBA is funded through dues and sponsors and most positions are volunteer.

Mr. Robinson thanked Roxane Siggard and the travel department for making travel arrangements and said he would like to plan early to attend next year's conference. Dr. Godfrey said he will find out details regarding the 2025 NSBA Conference and let Board members know.

President Miller said the Board will return to item B to discuss Portrait of a Graduate materials.

B. Review of Portrait of a Graduate Materials

Ms. Miller explained that Portrait content was finalized and designs for publicizing are being created. She invited the Communications department to share four draft designs explaining the Portrait and Strategic Plan and a poster that could be used in schools.

Bryce Dunford asked Sandy Riesgraf, Doug Flagler, and Chad Margetts for their opinions on the draft designs. Board members also gave feedback on the proposed designs and Mr. Margetts made instantaneous revisions based on their suggestions.

President Miller requested the Board move on to Item D on the agenda and return to discussion about Portrait of a Graduate Materials afterward.

D. Board Member, Committee, and Superintendent Reports and Comments

Marilyn Richards, Facilities Committee Chair, said the committee met with Scott Festin, planning consultant, last week and received an update on enrollment forecasts and boundary issues showing no significant changes.

Board members discussed items to be included on the next Board Bulletin and the following items were suggested:

- Juniper Elementary School
- 2025-26 School Calendar

- JATC portable purchased for new construction management program
- JROTC program
- Bingham High School remodel, highlighting taxpayer savings
- Graduation dates, times and locations

It was decided to do a special edition in the fall featuring Portrait of a Graduate.

President Miller announced the following Jordan Education Foundation events: Outstanding Educator Awards Banquet April 17, 2024; JEF Challenge Run May 11, 2024; and an Author Night May 16, 2024. She said an organization called Thanksgiving Heroes provides meals to those in need and will coordinate with the Foundation to do a spring delivery on April 11, 2024. She invited Board members to participate.

Marilyn Richards said an email was sent regarding the sanctioning of high school esports by the Utah High School Activities Association (UHSAA) for the 2025-26 school year. She attended a luncheon to honor Spirit of the Sport recipients, Wall of Honor recipients and other honorees.

Brian Barnett expressed concern about whether esports should be encouraged in an educational environment. Board members noted it involves students who may not otherwise be involved in a group activity and can teach skills that might be useful in future careers. Dr. Godfrey noted that although the State is sanctioning esports, Jordan District can choose whether or not to sanction them. This topic will be presented in a future Board meeting.

President Miller announced USBA is meeting in a few weeks to discuss the Joint Leadership Committee (JLC) process and to review its bylaws. She reported attending a Transit Freshlook Committee meeting where information was presented about public transit for the south end of the valley. She said the meeting was informative and expressed gratitude that options are being considered to benefit students and families in Jordan District.

President Miller asked Board members about their final design preferences for Portrait of a Graduate materials and all agreed on the version Mr. Margetts revised from the D4 version mockup as well as the poster created for school use. It was decided to bring the final Portrait and Plan, including the approved design materials, to the April 23, 2024 Board meeting for a vote.

A. Calendar Committee Recommendations for 2025-26

Dr. Michael Anderson, Associate Superintendent, explained the Calendar Committee has made an effort the last few years to make calendar recommendations about 18 months ahead, giving families and employees plenty of notice about possible calendar changes. He thanked the committee for their hard work.

Caleb Olson, Consultant in Planning & Enrollment, introduced three members of the Calendar Committee: Cherie Oliver (parent), Angela Allen (JESPA representative), and Angela Greer (parent) and explained the difficult task of developing a calendar that will work well for parents, families, and staff. He brought three calendar recommendations for the 2025-26 school year to the Board for consideration. He explained that after initial approval by the Board, it is intended that a community survey be conducted from April 1 through April 14, 2024, after which results would be brought to the April 23, 2024 Board meeting for a final vote of approval on the preferred option.

Board members discussed the early, middle and late-start options, the need to continue with grade transmittal days, and the effectiveness of spring parent-teacher conferences. A majority of Board members preferred keeping grade transmittal days and all Board members agreed to leave a Health & Wellness Day in the yearly calendar.

The Board authorized the Calendar Committee to proceed with the calendar survey, including an additional question about eliminating secondary spring parent-teacher conferences. Administration will bring survey data back to the April 23, 2024 Board meeting. It was decided that parent-teacher conferences will be discussed in a future Board meeting.

B. Update on Mental Health Resources

Dr. Michael Anderson said challenges for students are complex and varied and he thanked the mental health team for playing a vital role in connecting students to resources.

Travis Hamblin, Director of Student Services, thanked the Board for its support. He introduced his team members, noting their expertise: Stacey Worthen, Counseling; Fulvia Franco, Guidance; and McKinley Withers, Health and Wellness. He said their efforts are focused on providing services to students in two categories:

- 1) People – each secondary school has a team of counselors and school psychologists (47 in middle and 44 in high schools), and each elementary school has one full-time guidance counselor and one full-time school psychologist. Each secondary school has a clinical support specialist funded by the Board or State and two schools fund an extra position with other funds. He highlighted that the extraordinary staffing of mental health professionals separates Jordan from any other school district in the State or Nation. Dr. Anderson thanked the Board for making it a priority to fund mental health positions.
- 2) Programs – Including: tiered supports and intervention, small and large group counseling, brief response interventions, school-based needs assessments, whole school lessons and instruction, graduation tracking, skill-attainment training and support (including hygiene, conflict resolution, grief and loss), suicide prevention, 504 and IEP plans.

Mr. Hamblin indicated that school administrators and staff assist in addressing the mental health needs at schools and training focuses on trauma and restorative practices. He praised intervention programs like Bark (a content monitoring software) and SafeUT that have saved lives of students in the District.

Mr. Hamblin highlighted the Jordan Foundation for Education which offers free counseling, classes, intake assessments, school violence risk assessments, parent education seminars, and mental health screening events. The Mental Health Access Program (MHAP) connects parents with community resources and grant-funded teen centers and wellness rooms benefit students and staff.

McKinley Withers highlighted Health & Wellness Day which has been a huge success for employees and said the community has been very supportive of this event.

Board members asked about obtaining additional state support and what more can be done to help with mental health needs in Jordan District. Dr. Anderson said the legislature's approval of HB84 is now codifying mental health protocol which has already been implemented in the District.

Dr. Withers expressed gratitude for all the Board has done so far. He suggested more classroom focus on helping students learn coping skills. Dr. Franco recommend increasing the ratio of school psychologists to students and Ms. Worthen advocated for more training for teachers on understanding Multi-Tiered System of Support (MTSS).

Board members thanked the mental health team and requested priorities for mental health services and programs be added to a future Board agenda for further discussion.

Due to the time constraint, it was decided to discuss agenda items C through E in a subsequent study session following the general session.

At 6:14 p.m., the meeting adjourned. The general session started at 6:32 p.m.

Brian Barnett said Policy AA451 was to be ratified last month, but due to some concerns from the public, the Board decided to postpone approval. Since that time, concerns about the policy have been addressed and it has been revised accordingly.

President Miller called for a vote on the motion to approve Administrative Policy AA451. The motion passed unanimously.

A copy of Administrative Policy AA451 is attached at the conclusion of these minutes (Attachment 2)

Lisa Dean gave a reminder about the Heroes Among Us presentation by Language & Culture Services and the Jordan Ethnic Advisory Committee (JEAC). She said the event will be held April 3, 2024 at West Jordan Middle School.

Niki George, Government Relations Committee, informed Board members they will be receiving email messages to set up meetings with newly-elected City Council members.

President Miller announced two Jordan Education Foundation fundraising events: the Challenge Run on May 11, 2024 and an Author Night with Dan Jones, an award-winning author and journalist, which will be held May 16, 2024.

At 7:41 p.m., President Miller declared the meeting adjourned and announced that the Board would return to study session.

C. Construction Plaques

Bryce Dunford explained that contractors have traditionally installed an engraved plaque commemorating the construction of a new school. Customarily, the names included have been: The Board of Education when the building was approved, superintendent, business administrator, the contractor and the architect. He gave a motion regarding this practice.

MOTION: It was moved by Bryce Dunford and seconded by Marilyn Richards to direct staff when asked to provide names for the construction recognition plaque, the names provided are current Board members who approved the bid and prior Board members (within two years) if a recent seat change has occurred.

Mr. Dunford expressed regret that former Board members Jim Crane, Kayleen Whitelock, Susan Pulsipher, Richard Osborn did not have their name on plaques of schools they proposed, funded, and approved.

President Miller called for a vote on the current motion. The motion was approved unanimously.

Bryce Dunford proposed that Bingham High School receive another plaque in addition to the 1931 and 1975 construction plaques, to commemorate the recently remodeled school. He requested the following names be added: current Board members; and former Board members Janice Voorhies, Matt Young, and Jen Atwood.

MOTION: It was moved by Bryce Dunford and seconded by Lisa Dean to instruct staff to contact the last architect involved with the remodel of Bingham High School, to ask if they will make a plaque with the following names included: architect and contractor; current Board members; current administration, current principal, and three former Board members Janice Voorhies, Matt Young, and Jen Atwood.

Mr. Larsen said there may be multiple contractors involved in the six-year project and administration said they would work out the details. It was suggested if the last architect involved does not want to make the plaque, the District will initiate and fund it.

President Miller called for a vote on the motion for another plaque for Bingham High School. The motion was approved unanimously.

D. Review of Portrait of a Graduate and Strategic Plan Documents

Dr. Godfrey shared Portrait of a Graduate and Strategic Plan drafts with those present and asked for feedback. Board members requested changes on some graphics and wording and gave suggestions for revisions.

Bryce Dunford indicated Jordan's policies will need to be rewritten to align with the Portrait and Plan. He asked if Education Elements would be willing to extend Jordan's contract to assist with this process. Dr. Godfrey said Purchasing would need to be consulted to discuss protocol for approaching the company with this request.

It was decided that staff will make requested modifications to the graphics on each one-page document and bring the revised version back to the April 9, 2024 study session for possible additional changes. Staff was also directed to look into purchasing processes that must be followed to continue to work with Education Elements on Jordan policy changes and implementation regarding the Portrait of a Graduate and Strategic Plan.

E. Review of Board Policy GP111 *Type of Meetings*

Tracy Miller reviewed the types of meetings the Board of Education holds, noting in study sessions Board action may be taken as needed. Paul Van Komen, Legal Counsel, clarified what is considered formal action and when public notice is required.

Niki George advocated for shorter meetings and Bryce Dunford suggested advance preparation by Board members in reading and researching agenda topics. He asked that more specific information be included on Board meeting agendas regarding the desired outcome of items to be discussed.

Board members requested crucial information be emailed to them as early as possible prior to a Board meeting, so they can ask questions of staff ahead of time if more clarification is needed.

MOTION: At 9:55 p.m., it was moved by Bryce Dunford and seconded by Brian Barnett to adjourn the meeting. The motion passed unanimously.

PORTRAIT OF A GRADUATE

What is a Portrait of a Graduate?

In Jordan School District, we believe that in addition to academic excellence, our students should acquire and strengthen skills that will prepare them for success beyond their K-12 experience. We are committed to providing experiences in our schools that lead to graduates who are prepared for success within and beyond the classroom, regardless of the career path they choose. To ensure we follow through on this commitment, the portrait of a graduate will be used to guide, measure, and evaluate both student progress toward these skills as well as the progress of our district in its ability to develop graduates who are prepared for the real world.

We are committed to developing graduates who are:
