A. **Discussion on Lease Revenue Bonds and the Local Building Authority of Jordan School District Reimbursement Resolution**

John Larsen explained this discussion was prompted by Board interest in a possible lease revenue bond. He introduced Johnathan Ward, Financial Advisor at Zions Public Finance, to give a refresher on bonds and said Ryan Bjerke, attorney with Chapman & Cutler, was available via cell phone should the Board have further questions.

Mr. Ward presented an overview of various types of bonds and their structure. He explained the roles of the Board of Education and the Municipal Building Authority in the bond process. Mr. Ward clarified the difference between general obligation and lease revenue bonds, noting with a lease revenue bond the Board is the borrower and the Local Building Authority is the issuer. He highlighted the biggest distinction between the two types of bonds: general obligation bonds require a November election, whereas with a lease revenue bond no election is required.

Mr. Ward discussed the levies and rates associated with each bond type and provided a potential timeline should the Board decide to proceed with a lease revenue bond. He said the reimbursement resolution would be due June 14, 2022, and he projected a public hearing in December with the sale of bonds beginning in January, 2023.

A. Discussion on Potential Exception to Administrative Policy AA419 *Student Conduct, Dress, and Appearance*

President Miller explained the process of revising this policy, noting the extensive review that included public and administrative input. She said revisions were authorized in October of 2021, but did not include changes to wording about graduation attire. Ms. Miller reported in March of 2022, the Legislature passed HB30, allowing for Native Americans to wear tribal regalia to graduation ceremonies. She mentioned the need to further revise Policy AA419 and asked for Superintendent's comments.

Dr. Godfrey said he met with several groups about graduation attire and he informed them of Jordan District's current policy. He noted he had received feedback on "both sides of the spectrum" regarding this issue.

Brad Sorenson, Administrator of Schools, responded to a Board member's question about venue rules, stating that there may be an extra cleaning cost if policy is changed to allow for additional regalia.

After considerable discussion, Board members agreed to hear public comment about the graduation section of the policy and to more discussion in the general session. The Board also agreed to continue with agenda items B and C in the study session following the general session.

At 6:16 p.m., the meeting adjourned. The general session started at 6:37 p.m.

Board members agreed to further review (and possibly revise) the policy in the near future and to make an exception this year to the graduation attire portion.

Darrell Robinson, Community Outreach Committee Chair, reported the committee would like to use the summer retreat to generate ideas on how the Board can be more effective in their efforts to reach the community.

Matt Young, Jordan Ethnic Advisory Committee Chair, said JEAC would like to look into creating sub committees that do parent and student outreach. He highlighted two books the committee is studying: "I Wish My Teacher Knew" by Kyle Schwartz and "Don't Feed the Elephants" by Sarah Noll Wilson.

Mr. Young also reported he attended a conference hosted by the American Association of School Personnel Administration that focused on diversity, equity and inclusion. He mentioned Dr. Godfrey, June LeMaster, and JEAC committee members also attended.

Dr. Godfrey affirmed there was incredible training at that conference and he is already implementing things he learned.

President Miller pointed out the Jordan Education Foundation golf tournament will be June 23, 2022 at Glenmoor Golf course and they are still looking for sponsors. She said registration can be completed online.

At 9:54 p.m., the Board reconvened its study session.

President Miller presided and conducted. The Board of Education met in a study session to discuss the following:

B. USBE School Grading Exemption Request for Jordan Virtual Learning Academy

Dr. Godfrey said the reason for the request is that the District's newly established virtual schools may not be able to meet the participation threshold this year. The exemption would absolve the Virtual Learning Academy schools from being graded while they are still getting established.

Matt Young requested data from administration on the success and results of the virtual schools. Board members expressed concern about how hybrid students are reported and Dr. Godfrey said the exception would grant the District time to explore this further.

MOTION: It was moved by Bryce Dunford and seconded by Darrell Robinson to approve the request for an exemption to the school grading made by the Utah School Board Association for the Jordan Virtual Learning Academy. The motion was approved unanimously.

C. Update on Capital Projects Fund

Marilyn Richards, Finance Committee Chair, updated the Board on changes to the capital project fund which shows a \$33,768,696 balance. She noted in 2027 a lease revenue bond is due. She also said the additional State-issued capital funds of \$6.4 Million must be used this year.

John Larsen, Business Administrator, clarified this document is a projection of what the fund balance may be at the end of this fiscal year and reflects the annual impact of expenses. It shows an operational excess which provides an opportunity for a possible lease revenue bond.

Board members discussed the advantages of a lease revenue bond, but Mr. Young expressed concern that it would accrue a significant amount of interest. Ms. Richards noted the June 14, 2022 deadline to

sign for the reimbursement resolution if Board members agreed to move forward with it and President Miller agreed to add this to the agenda for the next Board meeting.

MOTION: At 10:19 p.m., it was moved by Jen Atwood and seconded by Marilyn Richards to go into closed session. The motion passed with a unanimous vote.

Ryan Bjerke, Bond Counsel, Chapman & Cutler, verified that the purpose of this meeting was only to receive public comment. President Miller presided and conducted. The Local Building Authority of Jordan School District met in an open session to discuss the following:

A. **Discussion on Lease Revenue Bonds and the Local Building Authority of Jordan School District Reimbursement Resolution**

John Larsen explained this discussion was prompted by Board interest in a possible lease revenue bond. He introduced Johnathan Ward, Financial Advisor at Zions Public Finance, to give a refresher on bonds and said Ryan Bjerke, attorney with Chapman & Cutler, was available via cell phone should the Board have further questions.

Mr. Ward presented an overview of various types of bonds and their structure. He explained the roles of the Board of Education and the Municipal Building Authority in the bond process. Mr. Ward clarified the difference between general obligation and lease revenue bonds, noting with a lease revenue bond the Board is the borrower and the Local Building Authority is the issuer. He highlighted the biggest distinction between the two types of bonds: general obligation bonds require a November election, whereas with a lease revenue bond no election is required.

Mr. Ward discussed the levies and rates associated with each bond type and provided a potential timeline should the Board decide to proceed with a lease revenue bond. He said the reimbursement resolution would be due June 14, 2022, and he projected a public hearing in December with the sale of bonds beginning in January, 2023.

MOTION: At 5:46 p.m., it was moved by Bryce Dunford and seconded by Jen Atwood to adjourn the meeting of the Local Business Authority of Jordan School District and reconvene the study session of the Board of Education of Jordan School District. The motion passed with a unanimous vote.
