SUBJECT: STUDENT CONDUCT, DRESS, AND APPEARANCE

I. Board Directive

Jordan District schools are to provide a safe, positive, inclusive and healthy in-person or virtual educational environment where academic learning, personal development, and accomplishment can flourish. Part of the educational process is learning self-discipline and appropriate behavior. Therefore, it is the philosophy of the Jordan School District Board of Education to enforce all Utah laws related to conduct on school premises and school buses and to see that students are taught to preserve public property including all school facilities and equipment.

The Board also recognizes that dress and appearance seriously affect the behavior of students attending school or school sponsored activities and may also impact health, sanitation and safety conditions. Because experience has demonstrated that the learning atmosphere is improved when students both look and act appropriately, the Board hereby authorizes establishment of standards of student conduct, dress, and appearance. The Board delegates to the Administration responsibility to see that each school adheres to the conduct, dress, and appearance standards established in the provisions of this policy in a consistent manner. Further, all District and school staff members shall have a share of responsibility in seeing that these standards are implemented and enforced in classrooms, in school buildings, on school grounds, on school buses, at school activities, and other occasions as appropriate. With the approval of district administration and the School Community Council, schools may make minor changes and/or adaptations to the dress and appearance standards in order to address local needs. Schools should seek input from various stakeholder groups.

II. Administrative Policy

The Administration shall implement Board philosophy according to the following administrative policy provisions:

A. Definitions

1. "Conduct" means the act, manner, or process in which a person behaves on a particular occasion or in a particular context.
2. "Disruption" means any action, disturbance, problem, or reaction which materially or substantially interrupts an event, activity or process, or causes school personnel to lose the attention of the students, to modify or cease any instruction or school activity, or to deal with student confrontations or complaints.
3. "School" means any building, property, space, learning environment, sponsored activity or place (in-person or virtual/online) under the direct or indirect control or influence of the District.
4. "School sponsored activity" means (but not limited to) field trips, tours, performances, ceremonies, competitions, assemblies, events, clubs, camps, classes, games, dances, or travel that is produced, financed, arranged, supervised, or coordinated by school or district personnel.
5. "School personnel" means the same as defined in [DP300 - Personnel Philosophy](#) including authorized individuals engaged in a school sponsored activity or purpose by the school or district.
6. "School administration" means the school principal, assistant principal, or designee responsible for the daily functioning and overall operation of a school.

SUBJECT: STUDENT CONDUCT, DRESS, AND APPEARANCE

B. Student Conduct and Positive Behavioral Expectations

1. Safe, civil, responsible, and respectful conduct is expected of all students at school or school sponsored activity. Significant or repeated disruptions may be disciplined according to the procedures established in [Policy AS67—Discipline of Students](#).

- a. Behavior at School

Students are expected to contribute to a productive learning environment in a safe, civil, responsible, and respectful manner.

- b. Behavior at School Sponsored Activities

As spectators or participants, students are expected to demonstrate appropriate behavior, citizenship, and sportsmanship at all activities and to conduct themselves in a safe, civil, responsible, and respectful manner.

- c. Protection and Care of School Property

Students are expected to use school devices, resources, equipment, and facilities in a safe, civil, responsible, and respectful manner so that school property is preserved and protected.

- d. Digital Citizenship

Students are expected to use, possess, or care for any district/school owned electronic device or resource used for digital access, commerce, or communication in a safe, positive, courteous, and responsible manner in accordance with the standards established in [AA445-Student Information Network Acceptable Use Policy](#).

1. When authorized by school personnel, electronic devices or resources may be used at school or school sponsored activity.
2. Any use of an electronic device or resource, whether personal or district/school owned, that exploits personal information, disrupts the educational process, creates a hostile, threatening, humiliating, abusive environment ([AS98-Bullying, Cyberbullying and Hazing](#)), invades personal privacy or compromises the integrity of educational programs is strictly prohibited.
3. Sharing, using, or communicating pornographic images, “sexting”, or other sexually suggestive materials, images, thoughts or phrases are strictly prohibited.
4. The possession, use, or care of any electronic device or resource is a privilege that may be forfeited if it causes a disruption to the learning environment.
5. At no time shall the District be responsible for preventing theft, loss or damage to personal electronic devices or resources brought to school or school sponsored activity.

- e. Tobacco, Alcohol, Drugs or other Illegal Substances

Use or possession (in any form) of tobacco, alcohol, drugs, or any illegal substances at school or school sponsored activity is prohibited and is administered in accordance with [Policy AS90 – Illegal Substances](#).

- f. Dangerous or Disruptive Conduct

SUBJECT: STUDENT CONDUCT, DRESS, AND APPEARANCE

Students that engage in dangerous or disruptive conduct, including (but not limited to) use and/or possession of any weapon or reasonable facsimile of a weapon, committing arson, burglary, larceny, criminal mischief, battery or assault, or who engage in activities which violate federal, state or local laws, may be excluded from school. (See [District Policy AS67—Discipline of Students](#)).

g. Patriotism and Respect for the Flag

The Flag of the United States of America shall be appropriately displayed at all schools in keeping with customary and accepted practices. Students shall show proper respect for their country's emblem. The Pledge of Allegiance to the flag shall be recited at the beginning of each day in each public school classroom, led by a student in the classroom as assigned by the classroom teacher on a rotating basis. At least once per year, students shall be instructed that participation in the Pledge is voluntary and not compulsory and it is acceptable for someone to choose not to participate in the pledge of allegiance. Students should show respect for any student who chooses not to participate. (§53G-10-304) Discourteous treatment of the flag or other national symbols may be cause for disciplinary action.

C. School Dress and Appearance

Appropriate dress and appearance avoids extremes, exemplifies personal cleanliness, promotes an effective learning environment free of unnecessary disruption(s) and increases school safety, security and sanitation factors. There are a variety of clothing styles which may be popular but are inappropriate for the school or school sponsored activity setting.

Dress and appearance standards include (but are not limited to) the following:

1. General Standards

- a. Any clothing, jewelry, accessory, footwear, personal item or appearance practice may be prohibited when it:
 - i. Draws undue attention, distracts, disrupts, and/or interferes with the learning environment at school or school sponsored activity.
 - ii. Endangers or affects the health, safety and/or welfare of the individual or others.
 - iii. May cause damage or harm to individuals, school devices, resources, equipment or facilities.
 - iv. Limits the ability to identify the student.
 - v. Appears as an attempt to challenge the intent and scope of policy or the authority of the school.
- b. Dress and appearance, including clothing, jewelry, accessory, footwear, personal item or appearance practice, shall be in a manner suitable to the day's activities consistent with the standards of health, safety, and appropriate behavior. School personnel may require students to wear certain types of clothing for health, safety, security, or sanitation factors or in connection with classes, activities or circumstances.

SUBJECT: STUDENT CONDUCT, DRESS, AND APPEARANCE

- c. Clothing, appearance, jewelry, accessory, footwear, and/or personal items shall be free of writing, images, symbols or any other insignias that:
 - i. Are lewd, obscene, vulgar, or profane.
 - ii. Advocate, represent or promote racism, discrimination, violence or hate in any form.
 - iii. Signify gang affiliation.
 - iv. Advocate, represent or promote tobacco, alcohol, drugs, or any illegal substance(s).
 - v. Advocate, represent or promote criminal or illegal activities.
 - vi. Infringe on the rights of others.
 - vii. Are pornographic or sexually suggestive.
2. Specific dress and appearance standards are found at Student Support Services online at <https://studentsupport.jordandistrict.org/dresscode/>.
3. School administration may authorize exceptions for health/medical issues, religious beliefs, or safety reasons.
4. School dress and appearance enforcement should be reasonable and seek to minimize the loss of instructional time.

D. Graduation

The graduation commencement ceremony is a formal and dignified in-person school sponsored activity which has significant meaning for graduates, parents, families, staff, and the community. The commencement ceremony, from the opening of the processional to the completion of the recessional, honors the collective achievement of the graduating class.

In order to maintain the dignity, decorum, propriety, and respect of the commencement ceremony, the following is expected of all participants:

1. Conduct, dress and appearance is to adhere to the provisions in this policy and be appropriate for a ceremony of this nature.
2. Graduates are expected to wear the prescribed cap and gown without decoration, additions, or alterations.
3. Formal, semi-formal, or customary dress attire is appropriate for a commencement ceremony.
4. Only school issued and approved tassels, sashes, pins, hoods, cowls, mantles, cords, insignias, or medals signifying achievement, honor, participation, membership, or recognition may be worn.

Virtual graduation commencement ceremonies or events are school sponsored activities. Student conduct, dress, and appearance standards are contained in II.A-C above and are under the direction of the school administration.

Patron Comments Regarding Non-Agenda Items

Jadiahne Ioane, a Valley High student, remarked that students should be allowed to wear cultural attire and flower leis at graduation ceremonies.

Yadhira Zavala, a Copper Hills student, asked the Board to change their graduation ceremonies policy to allow students to wear regalia that represents their culture.

Jasmin Rogue, a student, requested the Board allow cultural regalia at graduation ceremonies. She said it would advocate for more diversity and cultural acceptance in our schools and community.

Steve Haslam, a teacher in the District, requested a "living wage" for tenured teachers. He thanked administration for the recent "What I Wish You Knew" professional development opportunity and expressed the need for more diversity training.

Kiersten Glenn briefly reviewed portions of the District's Literature Selection and Review policy and requested more enforcement of this policy at the school level. She also asked that parents be included in literature selection decisions.

President Miller invited Mr. Larsen, business administrator, to read a comment submitted to boardcomments@jordandistrict.org from the following individual:
Stacy Wise

A copy of the written comment is attached at the conclusion of these minutes (Attachment 2).

III. **Special Business**

A. **BUDGET HEARING: Recommendation to Approve Amended Budget for the 2021-22 Fiscal Year**

Marilyn Richards, Finance Committee Chair, introduced the amended budget, indicating the current April report includes grant and personnel as well as property tax updates.

John Larsen, Business Administrator, expressed appreciation to District accountant Jason Mott, who helped prepare the report. Mr. Larsen gave a review of the budget document that includes increases in local revenue due to property tax collections, corresponding with a decrease in state funding due to Board levy guarantees. The property tax increase is \$7.2 million higher, but with the net of interest earnings in decline, shows as a \$5 million net.

Mr. Larsen reported enrollment counts have been updated for accuracy and are reflected in state funding. He said many carry-overs are restricted and come with a corresponding expenditure budget, and noted the biggest change is \$35 million in federal Covid-19 funding that has been used for District trainings, and purchasing and installing enhanced audio/visual systems in schools.

Mr. Larsen said changes in instruction include lane and step increases, additional teachers hired as enrollment numbers have increased, and professional development. He noted a \$30.5 million loss in revenues over expenditures, but anticipates carry-over funds will reduce this number significantly.

Matt Young asked for further clarification showing contingencies and Mr. Larsen said he will provide this in the Budget hearing on June 14, 2022.

Public Comment

No patrons signed up to address the Board regarding this Special Business item and no patrons accepted the invitation to speak.

A copy of the *Statement of Revenues, Expenditures and Changes in Fund Balances* is attached at the conclusion of these minutes (Attachment 3)

MOTION: It was moved by Jen Atwood and seconded by Darrell Robinson to approve the Amended Budget for the 2021-22 Fiscal Year. The motion passed with a unanimous vote.

B. **Recommendation to Approve New Administrative Policy A13 School Consolidation/Closure**

Tracy Miller, Board President, explained that a Board ad hoc committee was assigned to develop this new policy for the purpose of creating guidelines should a school need to be closed or consolidated in the future. This policy includes an outline of the process and a potential timeline.

Public Comment

Heather Belcher, a parent, expressed concern that public comment is taken immediately before policies are approved and not at an earlier time.

Jen Atwood thanked the Board for allowing the ad hoc committee, consisting of President Miller, Niki George, herself, and Lisa Robinson (Administrator of Schools), to develop this new policy. She assured patrons there is availability for students in schools that have lower enrollment and pointed out the policy helps alleviate overcrowding in schools where there is rapid growth.

President Miller said the Board is required by State law to give 120 days' notice for school closures and boundary changes before they are approved, however the Board has increased this

time to allow for feedback from stakeholders- including surveys and meetings with school community councils, PTAs and faculties.

Darrell Robinson recommended patrons attend or view Board study sessions to learn about new policies and hear important discussion on potential changes in the District. Board members noted Policy A13 was first discussed in July, 2021 and the ad hoc committee was created and first met on October 13, 2021. President Miller reviewed the process of developing this new policy, including: discussion, research on similar policies in the State and Country, and feedback from administration and PTA.

A copy of Administrative Policy A13 is attached at the conclusion of these minutes (Attachment 4)

MOTION: It was moved by Jen Atwood and seconded by Niki George to approve New Administrative Policy A13 *School Consolidation/Closure*, as recommended. The motion passed with a unanimous vote.

IV. Information Items

A. Superintendent's Report

Superintendent Godfrey thanked all those involved with the Jordan Youth Symphony for their "invigorating" performance. He announced the Cook Center for Human Connection will be offering a bullying prevention seminar for parents and employees on Tuesday, May 3, 2022. The seminar is being led by Dr. Melissa Lopez-Larson, an adult, child, and adolescent psychiatrist and expert on bullying prevention.

V. Discussion Items

A. Committee Reports and Comments by Board Members

President Miller thanked all who attended the Jordan Education Foundation banquet. She noted the next Foundation event is the Challenge Run on May 14, 2022, where all proceeds will be used for teacher grants. Ms. Miller reminded the Board of the Utah School Board Association professional development to be held May 19 and June 23, 2022.

Marilyn Richards, Finance Committee Chair, mentioned a draft of "considerations for Board increment projects" (posted on BoardDocs) was in response to Covid legislation SB6001, granting cities two additional years to complete projects. She noted the revised considerations portion and requested Board feedback. Matt Young requested a change in the wording of the last two paragraphs and the Board Finance Committee agreed to make revisions and bring the document back for review at a future time.

Ms. Richards also disclosed the committee's strategy for release of information regarding District taxes and finances, which includes: weekly information posted on a Board website, postcards, monthly emails, and flyers sent to each household. She said all communication will be previewed by the Board before it is sent and public open houses will also be scheduled.

At 8:16 p.m., President Miller announced that since there was only one item on the study session agenda, the Board decided to address this in the general session.

A. School Start and End Times for 2022-23

Dr. Godfrey thanked Transportation for their work on this item and said it would be brought back to the Board study session on May 10, 2022 for further discussion.

At 8:16 p.m., President Miller thanked those that joined the meeting and announced the conclusion of the general session. She requested a motion to go into another closed session.

MOTION: At 8:17 p.m., it was moved by Matt Young and seconded by Marilyn Richards to adjourn the meeting and go into closed session. The motion passed with a unanimous vote and the final closed session began at 8:37 p.m.

Amanda Bollinger, Staff Assistant in Special Education
Lisa LeStarge, Administrative Assistant
Robert Conder, AV Department
Elma Scheid, President, Jordan Education School Professionals Association

President Miller presided and conducted. She welcomed those present and expressed appreciation to all teachers in the District. Then, the Board of Education met in a study session to discuss the following:

A. Special Educator Human Resources Retention Data

Kim Lloyd, Director of Special Education gave a brief follow up on the role of the Local Educational Agency (LEA) in special education particularly in regards to the individualized education program (IEP).

Amanda Bollinger, Staff Assistant of Special Education, presented information to the Board on special education teacher retention. She shared recent annual legislative reports which indicate Utah has the lowest overall turnover rate compared to all other states, but also has one of the highest “first 5 year” turnover rates compared to other states. Ms. Bollinger noted instructional teachers’ 5-year retention rate is 57.17%, compared to 63.18% of District special education teachers. She highlighted the fact that Jordan District has many “seasoned” teachers in special education who come from other states or districts. She provided future retention improvement ideas, which include more training, support, and competitive salaries (including TSSP grants and stipends for which special education teachers can apply).

B. Discussion on Unfunded Bus Routes for 2022-23 School Year

Matt Young, Facilities Committee, reminded the Board of the previous recommendation to discontinue routes below 50% ridership: namely, the middle school ALPS routes; and consolidate or eliminate the Valley High routes. The Board agreed to discontinuing the middle school ALPS routes in 2022-23.

Mr. Young said the Transportation department developed a few options to consolidate Valley High routes, but each would require students to be on the bus for a long period of time. He recommended District administration explore other options and bring them back to the Board for further discussion and Board members agreed.

Bryce Dunford noted the Western Springs bus route was approved for one more year and safety shuttles will continue. As Facilities Committee Chair, he proposed a transportation solution for the new Oak Leaf Elementary, due to the delay in constructing a safe walking route for the school. This includes the following:

- 1) Each student north of Herriman Main Street be asked to walk to school (83 students)
- 2) Filling the 30-40 available bus seats with students who live farthest away
- 3) Partnering with the Herriman Police Department to find two new bus drivers who could transport students to and from school in two key "pocket" areas. The District would license and train these drivers and allow them to work up to 10 hours per week. Cost of this training would be about \$811 each and the total cost per year for the two drivers would be approximately \$16,600. This safety shuttle would only be approved for one year.

Board members expressed appreciation to the Auxiliary Services and Transportation departments and Scott Festin, Planning & Enrollment Consultant, for their hard work in finding feasible solutions to transportation issues. President Miller called for a motion to approve the recommendation for Unfunded Bus Routes for the upcoming school year.

MOTION: It was moved by Bryce Dunford and seconded by Darrell Robinson to authorize the Facilities Committee to move forward, in collaboration with the Herriman Police Department, with plans to provide a student safety shuttle for 2022-23. The motion passed with a unanimous vote.

C. Friday Schedule for Kindergarten

Dr. Godfrey explained that changes in adding teacher preparation time this year resulted in a shortened transition time for Kindergarten. He met with kindergarten teams throughout the District who confirmed the need for flexibility at each location. As a result, he recommends principals work with their Administrator of Schools to plan a schedule which will include more transition time. Ways to expand this time include: holding "specials" on Fridays, extending part-time assistants' work hours to help with the transition, or expanding the time for kindergarten if it is a "walking school."

Board members agreed the kindergarten schedule for Friday should be a local school decision and that each school plan should be communicated to the appropriate Administrator of Schools. Dr. Godfrey will report back to the Board on the implementation of these schedules.

D. School Start and End Times for 2022-23

Dr. Godfrey presented a recommendation for school start and end times for the 2022-23 school year, which includes these changes:

- 1) The following five elementary schools will begin 30 minutes later: Copper Canyon, Heartland, Oquirrh, Riverside, and West Jordan.
- 2) Two middle schools will be moved to an 8:00 a.m. start time, so all middle schools will begin at 8:00 a.m. and end at 3:00 p.m.
- 3) Kauri Sue Hamilton School will start at 8:30 a.m. and end at 2:30 p.m. Monday through Friday to allow for more consistency and encourage student productivity.
- 4) The middle school Friday schedule will be 10:00 a.m. to 3:00 p.m. which will incorporate flex time for students.

The Board agreed with these changes and called for a formal vote.

MOTION: It was moved by Jen Atwood and seconded by Bryce Dunford to approve School Start and End Times for 2022-23. The motion passed with a six to one vote. Mr. Young cast the dissenting vote.

E. Flex Building Statement of Qualifications (SOQ) Results

Scott Thomas, Administrator of Auxiliary Services, said two proposals from three vendors had been received after the SOQ had been out for 30 days.

Facilities Advisory Committee member, Matt Young, said the committee recommended VCBO be hired for architectural design and noted their concept was a modified version of the Mountain Creek Middle School building. He said this design met the goals of the District, allowed for flexibility and included a realistic cost estimate.

Board members agreed with administration and staff making program decisions for the initial use of the building. Bryce Dunford, Facilities Committee Chair, said he will work with staff to research options, tour 4-6 grade school models, and move forward on the design concept. Mr. Dunford agreed to notify the Board of design meetings and bring updated information back to the next Board meeting.

F. Licensed Employee Advisory Committee (LEAC)

Bryce Dunford, LEAC Chair, said the committee requests input from Board members about the date for the next meeting or topics they would like to add to the agenda. Board members agreed the next LEAC meetings should be held in the fall.

Mr. Dunford recommended retaining current LEAC representatives and holding elections only for seats vacated by any representative that is leaving his/her current school. Board members agreed with this recommendation.

G. Board and Superintendent Reports and Comments

Tracy Miller, Community Outreach Chair, reported the committee is discussing the District Community Council website and welcomes any ideas from the Board on how to better communicate with the community.

Marilyn Richards, Finance Committee Chair, said they have revised the Considerations for Increment Projects document which is included on BoardDocs and asked for feedback. Board members agreed with adding it to the Board agenda for a vote of approval on May 24, 2022 and with sending the updated information to the cities.

Ms. Richards discussed the financial campaign, explaining there will be regular "Financial Facts from the Board" postings each Friday and published in the Valley Journal in June. She also suggested more information will be mailed in July if it is determined to hold a Truth in Taxation hearing.

As for funding for the new "flex" building in the Herriman area, Ms. Richards said the Finance Committee recommends using a lease revenue bond and they included a possible timeline on BoardDocs for reference. Other options include funding from capital projects reserves, but this would decrease the funds available for summer projects. Mr. Larsen pointed out the lease revenue bond option provides flexibility for future projects, but consideration must be given to the \$9 million balloon payment bond that is due in 2027. Board members requested an update on the current capital reserves and Ms. Richards agreed to providing this for the next Board meeting. Mr. Larsen also recommended a "lease revenue reimbursement resolution" and said June 14, 2022 would be the due date to approve this resolution.

As representative for the Utah High School Activities Association, Ms. Richards reported that sportsmanship is becoming a major issue at most events. The Association urges students, parents, coaches, administration and staff to find ways to emphasize good sportsmanship. She also said the

classification realignments timeline has begun and will continue with discussions and she will continue to provide reports to the Board.

Jen Atwood reported that she and President Miller attended the recent Unified Golf event and thanked all who helped with this great activity. She said she spoke with First Lady Abbie Cox, who recommended an upcoming conference called "Show Up for Teachers" on July 12, 2022. Ms. Atwood said the District will be sending out more information regarding this event.

President Miller mentioned the Jordan Education Foundation is holding its "Challenge Run" on Saturday, May 14, 2022 where all proceeds will go to teacher grants. She gave Board members a reminder about the upcoming Utah School Board Association webinar on May 19, 2022 and asked for their input on a date for their summer session. The Board tentatively set the date for July 5, 2022 from 2:00 until 7:00 p.m..

Dr. Godfrey reported the District retirement dinner is May 17, 2022.

SPECIAL BUSINESS

President Miller said Superintendent Godfrey requested this Bid Recommendation be postponed until the next Board meeting. She called for a motion to table this item.

II. Bid Recommendations

A. School or Department Custodial Services

Items for Bid Period Products

MOTION: It was moved by Matt Young and seconded by Jen Atwood to table Special Business Item A until the next Board meeting on May 24, 2022. The motion passed with a unanimous vote.

MOTION: At 7:07 p.m., it was moved by Jen Atwood and seconded by Darrell Robinson to go into closed session. The motion passed with a unanimous vote.

Jordan School District Considerations for Increment Projects

- Cities that extended their projects collection periods by two years as allowed in SB6001 of the 2020 Sixth Special Session of the Utah Legislature (17C-1-416) for emergency COVID reasons will not have projects approved until the last extended project has been expired for two years.

Jordan School District will base its support for increment projects on whether the project:

- Grows the commercial tax base within Jordan School District
- Increases the assessed valuation while minimizing impact on services required
- Emphasizes office, industrial, and hotel/convention over retail and residential
- Increases the concentration of office and high skilled labor job opportunities
- Includes Dollar, NPV, Housing Unit, and Housing Acreage caps for projects longer than 10 years
- Triggers within 2 years of the base year
 - If circumstances arise requiring the trigger date to be postponed, the base year is also amended so the two are not more than two years apart
- Provides partnership opportunities supportive of education
- Gains the support of other taxing entities
- Considers the pay-back period for the District
- Requests more contribution from the city than the District
- Has an administrative fee lower than 3%
- Considers the ratio of the city's assessed value in tax increment projects to the city's total assessed value compared to District wide ratio of assessed value in tax increment projects to District wide total assessed value (in other words, the District does not want to favor one city over another)
- Provides the District some financial benefit other taxing entities do not receive (e.g. land, dollars, percent increment, mitigation payment, etc.)
- Reflects a lower term (years of increment) for higher percent of increment given (e.g. 10 year term = 100%; 15 year term = 80%; 20 year term = 60%; 25 year term = 40% increment)
- Contemplates every percent of the project that includes housing, a proportionate increase in increment is given to the District (e.g. 5% housing = 5% more increment District to receive)
- Offers mitigation payments over non mitigation payments

Projects seeking approval of an extension:

- Provides better terms than the original project and other existing projects
- Will be given much higher scrutiny

Plan Amendment

Please explain the Amendment including the Goal, Academic Area, Action Plan Step(s), and Expenditures being amended:

Our BTS teacher was out on maternity leave for three months this year. Part of her time off was using FLMA and no-pay days. As a result, we have a higher end of year balance. Our council decided to address our reading and math goal by providing a stipend for teachers who completed an endorsement or degree this year that aligned to those goals. We have 9 teachers who completed an EL endorsement which increases their knowledge of how to support students who do not speak English as a primary language. The strategies and pedagogy learned during their program has impact in all content areas. One teacher completed a master's degree in Teaching and Learning. This included multiple classes on best practices for teaching reading and mathematics. Finally, our Resource teacher completed an Educational Technology endorsement. She focuses on Reading and Mathematics for IEP goals so there's a direct correlation for her use of technology during skill instruction. All teachers will receive a \$1,200 stipend for a total expenditure of \$14,400.
