President George presided and conducted. The Board of Education met in a study session to discuss the following:

A. Student and Employee Health and Wellness Day 2026 Report

Dr. Mike Anderson, Associate Superintendent, welcomed the following Health and Wellness team members: Mike Haynes, Director of the Jordan Education Foundation; Dr. McKinley Withers, Health and Wellness Specialist; Bonnie Brennan, Director of Insurance Services; and Sandy Riesgraf, Director of Communications. He invited them to report on the recent District Health and Wellness Day.

Dr. Withers said the student wellness curriculum was built around “stress busters.” He highlighted the partnership with Salt Lake County who provides free access to County recreation centers for youth, noting over 120,000 views on a website post about this offering. Dr. Withers said a student survey, with 278 responses, showed that students appreciated the day to focus on mental and physical wellness. He also highlighted employee wellness activities, noting that all employee groups participated and 65 percent attended an organized employee offer.

Bonnie Brennan said the District Health Fair was very successful with over 700 attendees. Offerings included mammogram buses at five different locations, a blood drive, and a Healthy Utah biometric screening.

Mike Haynes expressed appreciation for the tremendous community support. He said community partner Holiday Oil gave away free drinks and even expanded this offering for teachers to all locations in the State. He thanked Dr. Anderson for his leadership and planning efforts for Health and Wellness Day.

Dr. Anderson gave a shoutout to the Communications department for their advertising efforts.

Dr. Godfrey said Health and Wellness Day is a factor in retaining and obtaining great employees and teachers have expressed appreciation for the supports. He said he talked with several people who made appointments for health exams that day and noted a few years ago, an employee detected breast cancer early thanks to her mammogram on Health and Wellness Day.

Sandy Riesgraf said it was a “joyful” day and she thanked Jodee Packer, who worked with the Foundation on ticketing for wellness events.

B. Exception Request to Administrative Policy AA414 *Student Overnight Travel*

Brad Sorensen, Administrator of Schools, invited Shawn McLeod, Principal of Bingham High School, to discuss the request for a change in their school’s overnight travel plans.

Mr. McLeod announced the Bingham High School Marching Band was invited to participate in the National Pearl Harbor Memorial Day Celebration in Hawaii. He explained this Pearl Harbor opportunity includes a concert performance on the USS Missouri, would replace their planned trip to California this year, and would include fundraising to offset student costs. He requested one additional travel day from the Board and noted if the trip is approved, it would need 85 percent of band member parents’ support in order to move forward.

Jennifer Worthen, administrative assistant for the band, said fundraisers will bring down the cost for the whole group and they will also look at sponsors from local businesses. Darin Graber, marching band director, added that they will use fundraisers with a minimum of 50 percent profit.

President George asked for a motion on the exception request to Administrative Policy AA414.

MOTION: It was moved by Darrell Robinson and seconded by Suzanne Wood to approve the Bingham High School Marching Band to attend the National Pearl Harbor Memorial Day event on December 4 through 8, 2026 and the additional instruction day needed for travel. The motion passed unanimously.

C. Student Fee Schedule

Brad Sorensen and Cody Curtis, Secondary Administrators of Schools, said this discussion is to follow-up on questions about student fees that arose at the last Board study session.

President George asked for an update on funds that were promised by the State to help with the loss of student fees funding. John Larsen said the Public Education Appropriations Committee included in a list of funding requests, to restore half of the money for the current year. However, the funding bill must pass before this is approved. He gave a reminder that this is one-time money and there may be ongoing implications.

Mr. Sorensen reminded the Board of legislation that removed school registration fees last year and thanked the Board for supplementing fees for secondary schools. Beginning in the 2026-27 school year, State Rule R277-407-6(10) states that districts must ensure that each school has at least one option for

each graduation requirement that “does not require the payment or waiver of any fee.” To align with this requirement, Mr. Sorensen presented two options:

Option #1 – No fees charged for all entry level courses. This would cause a projected shortfall of \$432,000 for high schools and \$270,000 for middle schools

Option #2 – No fees for a district-determined pathway. This would cause a projected shortfall of \$170,000 for high schools and \$130,000 for middle schools

He explained an additional consideration as elementary instrumental program costs are increasing, proposing the fee be raised from \$50 to \$100 per semester for this program. Carolyn Gough, Administrator of Teaching & Learning, said about 500 students participated in this before- or after-school program last year.

Mr. Sorensen requested the Board’s support in supplementing the loss of entry level class fees through either option to make up for the projected shortfall.

The average cost of classes, appropriate permitted fees, and fee waivers were discussed. President George noted fees will need to be paid, but the Board can decide who should pay the fees, She emphasized that students always have a choice of which classes to take to fulfill graduation requirements.

Mr. Sorensen explained the school fee management and approval process and reminders for principals. He said all approved fees will be listed on the fees.jordanstrict.org website. He also gave a tentative timeline for approval of fees, noting they must be finalized by June 1, 2026.

Darrell Robinson expressed concern about fees for parking at JATC North and Ms. George asked about extra costs of supplies not mentioned in concurrent class disclosures. Dr. Godfrey said the District provides busing for JATC North and the community college requires a parking charge. He agreed to include wording on concurrent class disclosures to advise there may be additional expenses required by the college.

Methods of communication were discussed and Dr. Godfrey said he encourages all who have concern about school fees to contact school administration. After further discussion and input from each Board member on their preference for Option #1 or Option #2, the following motion was made:

MOTION: It was moved by Bryce Dunford and seconded by Brian Barnett to authorize staff to adjust the Student Fee Schedule based on Option #2. The motion passed with a unanimous vote.

Mr. Sorensen agreed to work with staff to create another website with the new fee schedule that will be made available to the public in the near future. There will also be opportunity for public comment at tonight’s general session as well as another Board meeting and the approved fee schedule will take effect in August 2026.

D. Summer 2026 Capital Outlay Project Review

Scott Thomas, Administrator of Auxiliary Services, indicated that many competitive bids have come in at this time. He shared cost estimates for 2026 Summer Projects with the Board, explaining that the Elk Ridge Middle School bid will come back in April. It was pointed out that the total of all bids was less than the budgeted \$7.5 million.

Mr. Thomas reported on the proposed security improvements at Daybreak Elementary School, saying the community leadership was very supportive and held a project proposal meeting, which no community members attended.

All Board members agreed with moving forward on all 2026 capital summer projects. They expressed appreciation for funding the remodel at West Jordan High School separately as well as the decision last year to create separate designated budgets for HVAC, roofing, and seismic needs.

Due to the time constraint, it was decided to discuss Agenda items E and F following the General Session.

At 6:09 p.m., the meeting adjourned. The general session started at 6:34 p.m.

President George presided and conducted. She welcomed those present. Copper Hills High School Azurettes conducted a flag ceremony; and a brass ensemble, comprised of students Ben Rollins, Brenon Holt, and Andy Bawden, performed the national anthem. The anthem was also signed in ASL by Brinley Taylor, student body officer of Copper Hills High School. Reverence was given by Taylor Larsen, student body officer at Copper Hills High School.

Celebrating Copper Hills High School

Ashlynn Simpson, student body secretary of Copper Hills High School, presented information to the Board about the good things happening at this school and reviewed some of the programs and activities in which students and faculty members participate.

Resolutions of Appreciation

Lisa Dean read a Resolution of Appreciation for the following former Jordan District employees who recently passed away:

Danielle Megan Finlay Hunsaker – employed by Jordan District from 2025 to 2026
Alexandria Lund – employed by Jordan District from 2023 to 2026
Myra Lurker – employed by Jordan District from 2017 to 2026
Roy Lin Richards – employed by Jordan District from 1973 to 1998

Board Member Recognitions

Erin Barrow recognized South Jordan Middle School student Sammy Langi as the only JSD student to be invited to participate in the Utah Jr. High All State Band in percussion, which involves the best band students in Utah. She participated in the student body officer Day on the Hill, where students were able to connect with lawmakers and see the legislative process in action. She also enjoyed the “Flying Around the States” activity held at South Valley School.

Lisa Dean expressed appreciation for all the examples she sees in the District of being an “engaged citizen.” She mentioned, in particular, PTA organizations, School Community Councils, and Jordan employees and students who participate in the West Jordan City band. She also attended “We the People” for 8th grade students at West Jordan Middle School.

Darrell Robinson thanked legislators for their hard work, noting they accomplish a lot in a short legislative session.

Niki George thanked Associate Superintendent Michael Anderson and Business Administrator John Larsen for their advocacy and involvement at the State Capitol, working closely with lawmakers during this legislative session. She recognized Copper Hills High School student Akon Atem, who was recently selected as State DECA President.

Superintendent’s Recognitions

Dr. Godfrey recognized schools exiting from Target School Improvement (TSI) status and thanked all who work together to move students forward, especially multi-language learners. He congratulated the following schools on this big accomplishment: Midas Creek, Riverton, Rose Creek, Welby, Monte Vista, South Jordan and Terra Linda Elementary Schools; as well as Sunset Ridge Middle School.

I. Public Comments

A. Opportunity for Public Comment on Student Fee Schedule 2026-27

No members of the public signed up to address the Board regarding the proposed 2026-27 Student Fee Schedule and no audience members accepted the invitation to speak.

B. Public Comments Regarding Non-Agenda Items

Chris Kuhlemeier, an employee, said the addition of field houses at high schools in Jordan would be a great benefit and would bring more opportunities for students to succeed.

Darius Mathews, an employee, spoke in favor of building a field house at Copper Hills High School. He said it would help students who need activities to feel like they belong.

Anna Bay, an employee, said the dance team at her school is limited by the facilities. She said a field house would be a good place for them to rehearse safely and it would benefit many other groups as well.

Justin Melton, an employee, said Copper Hills High School needs more room for athletic practices and training. He spoke in favor of building a field house at that school.

Steven Loertscher, a parent, said it is important that students have a safe space for activities and a field house at Copper Hills High School would greatly benefit the community.

Benjamin Gerona, an employee, advocated for a field house at Copper Hills High School saying it would bring more opportunities for students.

Goud Maragani, a patron, expressed concern over student-led ICE protests. He said it can be dangerous when students leave school unsupervised and said students should protest outside of school hours.

Scott Pace, an employee, said there needs to be more practice space at Copper Hills High School for students involved in team sports, like wrestling, to train.

Jay Hatch, an employee, said a field house would benefit students both academically and athletically, as it would keep them active in school and involved.

Brooklyn Pace, an employee, advocated for a field house at Copper Hills High School saying it is needed and would be a benefit to students.

Janet Sanders, an employee, said she is concerned about the lack of value for public education among elected officials. She said education is a public good and it is in everyone's best interest when students have the educational opportunities that public education provides.

President George invited Mr. Larsen, business administrator, to read comments submitted to boardcomments@jordandistrict.org.

Board member Dean gave a reminder that Board Policy GP110 (C.2.) *Public Participation at Board Meetings* states that "no more than 45 minutes will be allocated to patron comments in a Board meeting." John Larsen, Business Administrator, said there were eight comments emailed, however only one was submitted by the policy deadline of 3:00 p.m. on the day of the meeting. The Board agreed to have Mr. Larsen read that email and electronically forward all other emailed comments to Board members. He then read the emailed comment which is summarized below:

Brian Allfrey, an employee, wrote in support of the addition of field houses at all high schools.

Superintendent Godfrey thanked everyone who helped with the successful Health and Wellness Day. He also thanked the Board for their support.

VI. **Discussion Items**

A. **Committee Reports and Comments by Board Members**

Brian Barnett said the Facilities Committee will meet this week and discuss declining enrollment in the West Jordan feeder area.

Lisa Dean announced the Jordan Education Foundation Challenge Run on May 6, 2026 at Veterans Memorial Park in West Jordan. She gave a reminder to Board members about the March 19, 2026 Outstanding Educator Awards bus tour.

Suzanne Wood said the Jordan Education Access Committee (JEAC) will hold a Student Community Night on March 18, 2026 at JATC South. The event begins at 6:00 p.m. and will offer information about student clubs.

Dr. Godfrey said South Jordan City contacted him about partnering with a 9/11 Project they are sponsoring in September. They would like to host this event in a Jordan District building and this would provide students with valuable field trip and learning opportunities. He is excited for this opportunity which supports the America 250 celebration and aligns with Portrait of a Graduate. Darrell Robinson said he will pass on more information about the 9/11 Project to Board members.

President George reported on the USBA (Utah School Board Association) plan for a spring meeting in different regions of the state. She gave a reminder about the meeting on March 11, 2026 where a legislative review and future priorities will be discussed. She said the JLC is continuing to meet and is creating a living document to work on priorities.

B. Topics for *Bulletin Board*

There were no new additions for the Board newsletter at this time.

At 8:09 p.m., President George declared the meeting adjourned and announced that the Board would return to study session.

STUDY SESSION, Continued

Those recognized or signed in as present:

Niki George, Board President
Bryce Dunford, First Vice President
Brian W. Barnett, Second Vice President
Erin Barrow, Board Member
Lisa Dean, Board Member
Darrell Robinson, Board Member
Suzanne Wood, Board Member

John Larsen, Business Administrator
Michael Anderson, Associate Superintendent
Paul Van Komen, BVKTS Law
Lisa LeStarge, Administrative Assistant
Janet Sanders, President, Jordan Education Association

President George presided and conducted. The Board of Education continued its study session to discuss the following:

E. Discussion Regarding a Potential Study of Unfunded Bus Routes

Erin Barrow said she was recently made aware of an area in the District where students are chronically absent because they can't get to school due to transportation issues and unsafe walking routes. She is seeking Board support to explore the issue and establish guidelines for increasing bus access to students who require transportation to school.

Ms. Wood said she would like more data about absenteeism for these groups at all levels.

Board members gave suggestions for alternate ways to transport students to school, such as: community solutions, a second bus run to pick up these students, working with the city on busing needs, or principals working with families to find a solution.

President George said the cost of a bus is approximately \$50,000 per year and suggested the need for clear parameters if busing is granted for this particular group in order to avoid future transportation issues.

After further discussion, it was decided that administration would assess the situation, including: how students in the identified area are currently being transported to school, how their academic performance compares to their peers, how many children in this area are chronically absent, and what transportation options have been explored. This information will be brought back to the Board at a future time.

F. Legislative Review

Suzanne Wood, Government Relations Committee Chair, reported on two recent events at the State Capitol: a meeting with Board members and 12 Representatives; and an opportunity for Jordan student body officers to meet with representatives and sit on the House floor. She recognized the following legislators for the time they spent answering questions and talking with these students: Representatives Tracy Miller and Candace Pierucci; and Senators Dan McKay and Lincoln Fillmore.

Ms. Wood also recognized Business Administrator John Larsen for speaking to the Political Subdivisions Committee about lease revenue bonds and that a school district's ability to use these bonds can be a benefit to taxpayers. Mr. Barnett expressed gratitude for Mr. Larsen's expertise and said the facts he provided created a positive persuasive impact.

Dr. Anderson thanked the Board for their support and engagement with legislators. Of the current 991 bills, he reported on the following, noting there is only ten days left of the legislative session:

- HB142: School fee waiver for overnight travel - limits students on fee waivers to two overnight trips per year.
- HB467: Utah Fits All bill - creates guardrails around private schools in regards to accreditation and requires districts to allow unenrolled students the opportunity to compete in sports and extracurricular activities.
- HB300: Bill regarding district tax yields - affects how the State provides baseline funding for local property taxes. Mr. Larsen said the Voted and Board guarantee provides funding up to .002 tax rate. If districts fall below this amount, the state reduces their funding. This bill extends the hold harmless period for meeting this requirement from one to five years.
- HB300: School Board partisan bill - has not made it out of committee at this point.
- SB271: Bill sponsored by Senator Grover – shifts the rule-making authority from UHSAA to USBE.
- HB360: Bill sponsored by Senator Hawkins - changes rules for transfer athletes and prohibits high schools from paying student athletes. The bill was tabled in committee.
- HB293: Representative Hall's bill regarding moratorium and practice times for athletes - has changed moratorium time to six non-concurrent weeks and practice time to 20 hours.
- HB440: Representative Auxier's bill regarding school lunch - requires principals to survey families about school lunch and mandates a monitored "lunch share" table. It requires schools to create a model policy aligning with State rule, and assigns School Community Councils to decide lunch and recess times.
- SB241: Literacy bill sponsored by Senator Millner - requires mandatory retention for third graders who do not meet reading benchmarks. The bill will particularly impact Special Ed students and Multilingual Learners, however the sponsor of the bill is open to suggestions for revisions.
- HB150: Bill regarding additional funding for Speech Language Pathologists - The Joint Legislative Committee has given their support of this bill which has passed the House and Senate.

- SB88: School technology amendments - bill sets tiered screen-time requirements for students. It has passed Senate and House education committee.
- HB170: Representative Ships referendum bill regarding revenue on tax - Mr. Van Komen said if this passes, it could be challenged as unconstitutional.

President George expressed appreciation for the Board's Government Relations Committee and Dr. Anderson's work with legislators. Dr. Godfrey added that Jordan is one of the more engaged and impactful districts on The Hill.

MOTION: At 9:44 p.m., it was moved by Lisa Dean and seconded by Suzanne Wood to go into closed session, and that following the closed session the meeting would be adjourned. The motion passed with a unanimous roll call vote.

CLOSED SESSION

Those recognized or signed-in as present:

Jordan School District
MINUTES OF BOARD OF EDUCATION MEETING
March 10, 2026

The Board of Education of Jordan School District met in study and closed sessions on Tuesday, March 10, 2026, beginning at 4:00 p.m. at JATC South (Board Conference Room), 12723 S. Park Avenue (2080 West), Riverton, Utah. The sessions were also provided electronically via YouTube.

STUDY SESSION

Those recognized or signed in as present:

Niki George, Board President
Bryce Dunford, First Vice President
Brian W. Barnett, Second Vice President
Erin Barrow, Board Member
Lisa Dean, Board Member
Darrell Robinson, Board Member
Suzanne Wood, Board Member
Anthony Godfrey, Superintendent
John Larsen, Business Administrator
Michael Anderson, Associate Superintendent
Paul Van Komen, BVKTS Law
Cody Curtis, Administrator of Schools
Carolyn Gough, Administrator of Teaching & Learning (arrived at 4:55 p.m.)
Brad Sorensen, Administrator of Schools
Sandy Riesgraf, Director, Communications
Ben Jameson, Director, Assessment, Research & Accountability
Brooke Anderson, Data Scientist, Assessment, Research & Accountability
Rebecca Smith, Gifted & Talented/ALPS Consultant, Teaching & Learning
Roxane Siggard, Administrative Assistant
Brandon Bateman, AV Department
Robert Conder, AV Department

President George presided and conducted. The Board of Education met in a study session to discuss the following:

A. 2026 Graduation Speaking Assignments

Brad Sorensen, Administrator of Schools for the high school level, reviewed the graduation information handout that included last year's speakers and asked Board members to decide the school(s) where they would like to speak and/or attend for this year's graduation exercises. Graduation for all high schools, except Valley and Kings Peak High Schools, will be held at Utah Valley University.

Speaking opportunities were chosen by Board members, as well as attendance at individual graduation exercises. After reviewing the assignments, Mr. Sorensen said he will make sure those Board members who are attending will have their names on the parking list for each school's graduation.

B. Review of Fee Schedule for 2026-27

Administrators of Schools Cody Curtis and Brad Sorensen reviewed the proposed fee schedule for 2026-27 and the changes that were requested at a prior meeting regarding Option 1 and Option 2 for a fee-free pathway to credits required for graduation. Any course not on the fee schedule has no associated fee. He said that the fee-free pathway will be the same for every school.

The Board agreed that the proposed fee schedule be a clean copy with no colors or crossed-out changes from last year.

Mr. Sorensen explained that concurrent classes have an application with a fee that is required by the college through which the course is taken. Only one application fee is charged per college, no matter the number of

courses are taken through that school; however, since several colleges sponsor concurrent enrollment classes in Jordan District, each college has a separate application and fee to be paid.

Lisa Dean preferred Option 1 for the fee-free pathway; however, the rest of the Board members wanted Option 2 implemented. Staff was directed to remove Option 1 from the website and continue moving forward with Option 2.

The next opportunities for public comment on the fee schedule will be March 24, 2026 and April 14, 2026. The final vote will take place on April 28, 2026. The deadline to have a fee schedule adopted is May 1, 2026.

C. Possible Updates to Administrative Policies DP371 *Employee Information Network Acceptable Use Policy*, DP378 *Employee Code of Conduct*, and D212 *District and School Web Sites*; and Social Media Guidelines

Board Member Suzanne Wood said that she has some concerns about these policies, which are all regarding digital media. She was looking for approval to look at the policies and guidelines, and provide updates and clarity for the Board to review. Various sections of the policies were discussed by the Board with consideration for revisions.

Dr. Michael Anderson commented that with the passage of HB273, the USBE is required to develop a model policy to govern artificial intelligence (AI) and digital citizenship by December 1, 2026. LEAs must have a policy adopted by July 1, 2027, that includes AI. In April, Dr. Godfrey will be attending a meeting where this issue will be discussed which may give the Board and administration a better sense for a timeline and the changes that will be required.

Everyone agreed to move forward with looking at the policies. Since the Board is asking for a deep dive on a series of policies, the protocol will be changed this time. Rather than going to the Policy Committee first, the staff will instead begin looking at the policies for ambiguities and possible updates. If Board members have specific concerns to be considered, Dr Godfrey will be the District-level point of contact.

D. Gifted and Talented Follow-up

The topic was introduced by Carolyn Gough, Administrator of Teaching and Learning, as a follow-up to the January 13, 2026 meeting. Rebecca Smith, Gifted and Talented (GT) consultant, presented a review of the GT program and answers to questions that were asked at the prior study session. The focus was on “how to serve the greatest number of students at the greatest number of locations.” Included in the presentation were options for an ideal program: site-based GT specialists in every school, varying from quarter time to full time; universal testing in second grade; ALPS in every feeder with transportation; and specialty schools in the north and/or south areas of the District. A timeline for implementation could put GT specialists in the elementary schools as early as next year with qualified teachers and a cohesive plan for training. The program with GT specialists could expand to middle schools in 2027-28.

At the conclusion of Ms. Smith’s report, Bryce Dunford recommended that all four options for having a site-based GT specialist at every elementary school be added to the 2026-27 budget discussion.

E. Legislative Impact Discussion

Suzanne Wood, chair of the Government Relations Advisory Committee, highlighted the involvement that Jordan School District had in the recent legislative session and the success in advocating for bills that would benefit Jordan students and educators. She talked about the many meetings and events that were attended by Dr. Anderson and Mr. Larsen and said Jordan was well represented at the legislature. She thanked Business Administrator John Larsen and President George, who testified. Data, specifically on safety and special education services, was shared with legislators prior to the start of the session. She noted that there is no break, as planning for next year begins as soon as the session ends. With the opportunity for bill files to be opened in May, it becomes important to have conversations early in hopes of partnering with legislators.

Dr. Anderson acknowledged the role Jordan Board members and administrators played in influencing legislation. He also gave a shout out in appreciation to David Bowman, Systems and Security Manager, and his team for impacting legislation for the better. In his opinion, the Jordan Board of Education was the most active board at the legislature.

Mr. Larsen reviewed the changes related to the Voted and Board hold harmless provisions implemented to encourage boards to make smaller but more frequent tax increases. Truth in Taxation (TNT) changes would require more meetings, notices, and hearings; two budgets will need to be prepared (one with and one without the tax increase); and changes were made to the TNT hearings regarding video streaming, comment, and the agenda.

The impact of the bills that passed on education was reviewed by Dr. Anderson, noting that most anticipated budget cuts did not occur; WPU was increased by 4.2%, and the educator salary adjustment was increased by 3%.

- SB 241 Literacy (passed) – Governor’s plan; 80% of third graders reading on grade level by 2030 and the possibility of retention at that grade or before. Dr. Anderson commented that data provided by Brooke Anderson and Ben Jameson, showing students with an IEP would be disproportionately impacted, influenced the bill’s sponsor to amend the bill.
- HB 440 School Lunch (failed) – would require School Community Councils to be responsible for moving schools to a format where a 20-minute lunch was served after lunch recess.
- HB 332 Lease Revenue Bonds (failed) – limited a board’s ability to go through a lease revenue bond for school funding; Mr. Larsen gave testimony to the committee that impacted the outcome of the bill.
- HB 524 Public Education Financial Officers (failed) – would shift dynamics of how Boards of Education hire the CFO/Business Administrator, as the direct report would be to the Superintendent rather than the board. President George gave testimony to the committee on this issue.
- HB 170 Board Referendums (failed) – would allow a citizen referendum on many Board of Education votes.
- SB69 School Device Revisions (passed) – Cellphone bill which proposes a bell-to-bell ban on cell phones in all classrooms; however, LEA’s can modify this policy if they choose.
- HB 218 Digital Literacy (passed) – requires changes to seventh- and eighth-grade digital standards being taught; begins next school year.
- HB 273 Classroom Technology (passed) – limits screen time for students at incremental levels; online, core technology standards, and IEP/504 plan accommodations excepted. Schoolwork must be balanced between digital and paper formats. The USBE will be developing a model policy by December 1, 2026, and local boards will need to create policies and implement requirements by July 1, 2027.
- HB 293 Public Education Student Athlete Protections (passed) - requires schools to initiate an additional sports moratorium in the summer, extending it from four to six weeks, and goes into effect at the beginning of August 2026. The moratorium does not need to be consecutive weeks.
- SB 271 & HB 360 (failed) – bills seeking to change the way UHSAA is governed and the way students participate.
- HB256 Partisan Board Elections (failed) – shifts Board elections from non-partisan to a partisan format.
- HB 241 Charter School Amendments (failed) - would give charter schools the first right of refusal on school properties being sold.
- SB164 School Construction (passed) - amendment that requires all school construction to be overseen by the Division of Facility Construction Management (DFCM).
- SB52 Substitute Teaching (passed) - removes the 20-day long-term limit on non-licensed substitutes.
- SB 295 Intellectual Diversity in Education and Government (passed) – makes changes related to policies on discriminatory practices, training, and programming within public schools and colleges; impacts school curricular clubs (those associated with a class).
- HB 467 Utah Fits All Scholarship Program Modifications (passed) – LEAs must allow scholarship students the same opportunity to participate in extracurriculars and sports as homeschool or charter

school students. The bill does not allow for students to be enrolled in a student information system, so districts will not get a portion of the WPU as with charter or homeschool students. Districts are allowed to charge beyond standard participation fees to cover actual costs and this goes into effect May 6, 2026.

- SB 58 Public School Attendance Amendments (passed) – sets definitions of terms and what a school day constitutes; impact to JSD is being reviewed.
- HB 44 & HB 51 School Safety (passed) – clarifies school districts can hire special function officers; schools must have a specified check-in process when coming into the building; and requires panic buttons in place by July 1, 2027.

Dr. Godfrey noted that this year's level of involvement and influence by the Jordan staff was unprecedented. He expressed appreciation for the legislators who listened and engaged in a genuine way, and also to the staff who went above and beyond.

Darrell Robinson gave a shout-out to the legislators, who, compared to other states, are very strong. He received several calls from them seeking his input, many more this session than in previous sessions.

F. Review of Board Policies GP110 Public Participation at Board Meetings, GP111 Type of Meetings, and GP112 Closed Sessions of the Board

Each of the three policies was discussed, and recommendations were made for specific areas to be reviewed by the Policy Committee. President George cautioned the Board to let the Committee wordsmith the policies and stick with general concepts for suggestions.

G. Presentation on Financial Information

In preparation for the budget process, Business Administrator John Larsen presented information on how state and local funding mechanisms impact the District's budget. He reviewed the relationship between the State WPU and the required State basic property tax levy; how the stated Voted and Board guarantee funding works; how charter schools are funded differently than district schools and things that charter schools do not have to do; double counting of state support and property tax support to public education; differences in property taxes from income and sales taxes; sources of funding and who determines how much of each is distributed; status of General Fund balances; Truth in Taxation history and estimates; and various school district tax levies.

Board members had the opportunity to ask questions in preparation for developing the 2026-27 budget.

H. Board Member, Committee, and Superintendent Reports and Comments

Suzanne Wood reported that the Jordan Education Access Committee (JEAC) will be hosting a Community Night on Wednesday, March 18, 2026, from 5:00 - 7:30 p.m. She said the Government Relations Advisory Committee will be meeting soon.

Erin Barrow said the Jordan Parent Advisory Committee (JPAC) will be meeting on Wednesday, March 25, 2026, from 6:30 to 8:00 p.m. at the Jordan Learning Center. The focus will be on the impacts of recent legislation on education.

Lisa Dean reminded the Board that registration is open for the Jordan Education Foundation Challenge Run, to be held on May 9, 2026, at 9:00 a.m. The school with the highest participation rate will receive a \$1000 grant. She also reported that the Jordan Education Foundation Outstanding Educator Awards tour is currently underway, with visits to each of the schools to honor outstanding teachers.

Niki George said that Wednesday, March 11, 2026, is the Utah School Boards Association's spring meeting. She will be attending along with Erin Barrow, Darrell Robinson, John Larsen, and Anthony Godfrey.

Superintendent Godfrey commented on the great visits with the Foundation to surprise the outstanding teachers.

MOTION: At 9:02 p.m., it was moved by Suzanne Wood and seconded by Lisa Dean to go into closed session and to adjourn the meeting after the closed session. The motion passed with a unanimous roll call vote.
