# Robert's Rules of Order Summary Sheet

## *The Order of Business*

1. Approval of minutes, membership reports, and financial reports
  - a. You say: "You have received the minutes of the last meeting/month membership report/month financial report. Are there any corrections to the minutes/reports? [Pause]If there is no objection, the minutes are approved as printed and distributed to the members."
2. Reports of directors, officers, boards and standing committees. If the reports are printed and distributed before the meeting the chair only needs to ask the member presenting their report "Do you have any additions to the report as printed and distributed to the members? If no, Thank you." After verbal reports are given the chair simply says "thank you".
3. Discussion Items
4. Action Items

## *Main Motions*

"The motion" is sometimes referred to as "the question". Both mean basically the same thing.

The motion process involves the following six steps:

1. A member makes a motion.
  - a. Make sure that the motion states exactly what you want the organization to believe or do.
  - b. You Say: I move that..
  - c. Examples of two different kinds of motions:
    - i. "I move that we form a committee to investigate the purchase of a computer."
      1. This motion only allows the committee to investigate the purchase, not to make the purchase.
    - ii. "I move that we form a committee to purchase a computer."
      1. This motion authorizes the committee to purchase the computer.
2. Another member seconds the motion.
3. The chair states the motion, formally placing it before the assembly.
4. The members debate the motion.
  - a. At this point the motion is considered pending. While a motion is pending, members can amend it, postpone it, put it aside, send it to a committee, and so on. If the discussion gets off track, you can ask: "Is there any further discussion on the motion to...".
5. The chair puts the question/motion to a vote.
  - a. To begin, the chair should restate the motion to remind members of the exact issue they will be voting on. You say: "We will now vote on the motion to...".
  - b. The chair should tell members to express their voice vote. You say: "All those in favor say 'Aye'". All opposed say 'No'".
6. The chair announces the results of the vote. This announcement should include the following four elements:
  - a. Which side has the vote: "The affirmative has it" or "The negative has it".
  - b. Whether the motion passed or failed: "The motion is adopted" or "The motion is lost."
  - c. Effect of the vote: "And we will be purchasing a computer", "Our bylaws have been amended" or "Our bylaws have not been amended and will remain as they currently read".
  - d. The next step: "The next business in order will be the report of the finance committee"
    - i. The announcement will sound like: The affirmative has it. The motion to...is adopted and we will be....

## 1. Federal Government Shutdown Continues into its Second Week continues into its 3<sup>rd</sup> week

### 2. **ADVOCACY ALERT:** Tell Congress to Support Bipartisan Education Investments and On-Time Funding. Although the federal government is shut down, Congress still needs to make important decisions about education funding. The bipartisan FY 2026 Senate Appropriations Committee bill protects and strengthens federal education programs by:

- Increasing funding for Title I (ESEA) and IDEA Part B to better serve disadvantaged students and students with disabilities.
- Maintaining strong funding for Perkins Career and Technical Education formula grants to prepare students for college and careers.
- Requiring that state grants like Title I, IDEA, Perkins, CTE, and others be provided to states on time, the moment funds become available
- Ensuring that Title I and IDEA remain within the Department of Education, with adequate staffing to fulfill statutory responsibilities.

These provisions protect schools from harmful disruptions and ensure every community can count on timely, stable resources.

## 3. Federal Grants Aim to Expand School Mental Health Workforce

The U.S. Department of Education has announced two major grant opportunities designed to strengthen the pipeline of school-based mental health professionals and increase access to services for students. Together, the Mental Health Service Professional and the School-Based Mental Health Services Grant Program will provide a combined \$270 million in federal funding to help states and districts address the critical shortage of credentialed school psychologists, counselors, and social workers.

Applications for both programs are due on Oct. 29.

## 4. **Upcoming Webinar: Why Rural Matters 2025: People, Place, and Possibility**

NSBA is hosting a complimentary webinar Oct. 21 at 12 p.m. ET on the National Rural Education Association's (NREA) report, *Why Rural Matters 2025*. Rural schools are at the heart of their communities, yet too often their unique strengths and challenges are overlooked in education policy debates. NREA's *Why Rural Matters 2025* report shines a spotlight on the realities of rural education in all 50 states, offering a powerful tool for leaders who want to make smarter, more equitable decisions for students.

## **Federal Medicaid, SNAP Changes Could Squeeze State and School Budgets -**

H.R.1 - One Big Beautiful Bill Act reduces federal spending on Medicaid and Supplemental Nutrition Assistance Program (SNAP) by more than \$1 trillion over the next decade. The changes could also have direct impacts on schools. Fewer families qualifying for SNAP may lead to declines in eligibility for free and reduced-price school meals, which are often used to determine both federal meal reimbursements and state education funding allocations.

3. February 12<sup>th</sup> Student Day at the Capitol

## **CASB Launches Boardsmanship Basics for School Board Candidates**

CASB, the Colorado Association of School Boards, has launched Boardsmanship Basics for School Board Candidates. This free course aims to equip candidates with essential knowledge and skills to navigate the complexities of being a school board member. Candidates seeking seats on their local school boards or those who will be newly elected can access the first course by registering at [www.learn.casb.org](http://www.learn.casb.org).

## **Boardsmanship Courses Coming Soon**

Boardsmanship is a self-guided course with five modules, each with short videos. The course can be completed in less than five hours and is a benefit of CASB membership.

## **Special Policy Update**

This Special Policy Update includes updates to policies regarding (1) instructional material selection and adoption, (2) public concerns about instructional material, and (3) library resource selection, adoption, and reconsideration. The changes to these policies are a bit complicated, so CASB suggests reading the SPU Article in full to ensure your Board is in compliance with the requirements of [Senate Bill 25-063](#). There is also a minor change to an exhibit relating to graduation requirements.

[Link to Strategic Plan Overview](#)

### 2025-26 Goal 1

**Healthy Community:** We will cultivate a joyful and connected community where students, staff and families have a strong sense of belonging because they feel safe, seen, heard, supported and valued.

#### Highlights: Connected Community and Sense of Belonging across the District

#### MELC: Connecting Families, Community, and District Goals

In alignment with the district’s goals of fostering **Healthy Communities** and **Engaging Learning**, MELC combined our annual “Crunch Off” with a walking field experience to Fenceline Cider. Children crunched on local apples, practiced fine motor skills while peeling, coring, and spiralizing (“the original fruit by the foot”), and sampled locally pressed cider. This meaningful experience connected children to local agriculture and community businesses. The partnership was initiated by a parent following a Parent Committee meeting focused on strengthening MELC’s connections to the district’s goals—an inspiring example of how family engagement and community partnerships enrich early learning.

**WIN Time:** All students in the elementary school have WIN time once a week. WIN stands for “What I Need Now.” During WIN time students engage in learning experiences based on academic and social needs. This allows for students to receive targeted and intentional support in a small group environment. It’s a positive connection time for teachers and peers each week.

**MS Student Council:** The MS Student Council is a student-led organization that welcomes all students who are interested in joining led by Kerisha Small, MS teacher. Recently, the MSSTUCO created the guidelines that became the end of the quarter celebration for middle school. They played a capture the flag game which was then filmed by Mr. Witt’s drone class. MSSTUCO is currently planning a Halloween parade for their peers.

	<p><b>HS Student Alliance:</b> The purpose of the HS Student Alliance group is to position our students as leaders who can use their voices to make real change in our schools. Students talked about building stronger relationships, planning cool events, and finding ways to connect more with our community. By joining, students learn about leadership, build connections with other students and trusted adults, share their ideas and make things happen at Mancos Schools.</p>
<p><b>Superintendent’s Advisory Council (SAC)</b></p>	<p>We held our first SAC meeting on October 10. The purpose of SAC is a monthly forum for staff members to share input, feedback, problem-solving and innovations with the superintendent. Each month, one person from the following groups will be represented: ELC, ES teachers, ES support staff, MS teachers, MS support staff, HS teachers, MS support staff, Student Services staff, District Operations. Staff members shared celebrations, concerns and thoughtful insights about our district. Notes were shared with the entire staff.</p>
<p><b>Student Wellbeing, Behavior and Discipline Community of Practice</b></p>	<p>We’ve convened a Student Wellbeing and Behavior team to develop a systematic and proactive approach to student behavior and discipline across the district. This team has joined a Strengthening Behavior and Discipline Systems Community of Practice hosted by the CDE. Using a MTSS framework, this team will meet monthly to articulate and align guiding principles, practices, culture and structures for wellbeing and behavior development with a goal of having a PK-12 Wellbeing, Behavior and Discipline Plan and Handbook with supported training for all staff.</p>
<p><b>Healthy Kids Survey</b></p>	<p>Secondary students will take the <a href="#">Healthy Kids Survey</a> the week of October 20, 2025. The Healthy Kids Colorado Survey (HKCS) is the state’s most comprehensive survey on the health and well-being of young people. The HKCS results help state and local organizations better understand the youth they serve and support youth in making healthy choices.</p>
<p><b>October Professional Learning for Healthy Students and Communities</b></p>	<ul style="list-style-type: none"> <li>- New Staff Onboarding: Restorative Practice Training</li> <li>- Deescalation and crisis prevention training</li> <li>- Discipline Community of Practice with the Colorado Department of Education</li> </ul>

2025-26 Goal 2

	<p><b>Engaging Learning:</b> We will deepen our shared understanding, develop practices and implement strategies for rigorous, student-centered learning.</p>
<p><b>Engaging Learning Highlights</b></p>	<p><b>Exploring Dignity:</b> Ninth graders in Russel Dysart’s English class engaged in a unit exploring dignity in literature, music, stories and more and wrote personal essays resulting in a culminating multi-modal lesson for second graders about what dignity is and how to treat yourself and others with dignity. This aligned with our elementary’s Character Education lessons on Dignity taught by Brad Higenbotham.</p>

	<p><b>To Honor and To Remember:</b> The music program and the 5th grade classes are putting on an event on November 5 called "To Honor and To Remember." This is in a way a hybrid celebration of Dia De Los Muertos and Veterans Day. Both holidays hold that value of honoring - whether through remembering and honoring lost loved ones as in Dia De Los Muertos, or honoring the members of our community who have served in our armed forces as in Veterans Day.</p> <p>Students in Andrew Saletta's music program will be providing musical selections related to both those holiday traditions, some band and choir tunes honoring our veterans, some folk dances celebrating Dia de Los Muertos and hispanic heritage. Mrs. Endres and Mrs. Perez will be having their 5th graders plan, prepare, and serve a spaghetti dinner. Wednesday, November 5th - 5:00 pm Spaghetti Dinner, 6:00 pm Concert</p>
<b>October Professional Learning for Engaging Learning</b>	<ul style="list-style-type: none"> <li>- New Staff Onboarding: Project-Based Learning (PBL) practices</li> <li>- CTE Equipment Training with Southwest Colorado Education Collaborative:</li> <li>- Elementary mathematics instruction with iReady</li> <li>- Southwest Learning Lab with Public Education and Business Collective (PEBC)</li> <li>- Communication device training - TouchChat (AAC Device)</li> <li>- Increasing systematic support for students (MTSS) regional cohort</li> </ul>
<b>Instructional Coaching Cycles are underway</b>	<p>Many educators are engaged in a variety of coaching opportunities provided by Adyan Farrar, our District Instructional Coach and Curriculum Coordinator. Types of coaching include:</p> <ul style="list-style-type: none"> <li>- Peer-to-peer observations</li> <li>- Observation and feedback cycles</li> <li>- Co-planning units of study</li> <li>- New staff check-ins</li> </ul>

2025-26 Goal 3

	<p><b>Cohesive Systems and Structures:</b> We will collectively renew, revise and build sustainable systems and structures that reflect our values and ensure success, consistency and cohesion across the district.</p>
<b>Evacuation Reflection and Next Steps</b>	<p>On Friday, October 10, the District Safety and Security Team met to review the evacuation event and feedback collected from staff, students and community partners. Overall, the evacuation event was considered "successful" as the community remained safe, calm and followed procedures and directives from the safety team. However, this was a stressful event that taxed district staff, students and parents in a variety of ways. The team has identified five improvement areas and action planning is underway. The areas of improvement include: communication, preparedness, role clarity, reunification, individual student needs, and technology/communication devices. Next steps include finalizing improvement plans, plan leaders and the timeline for completion. Goal: End of November.</p>
<b>HR Director and BOE Secretary transition</b>	<p>Janet Fogel, current CTE/Grants Director, has been hired as our new HR Director and BOE Secretary. Janet's transition from CTE/Grants to HR Director will be a 3-6 month</p>

	<p>process to ensure current programming and project management isn't impacted negatively from this shift. Chrissie Miller and Audrey Hazleton will be supporting Janet throughout and developing a transition plan with Janet. Throughout the transition, all HR/Grant matters should be directed to Janet and Chrissie and all CTE matters should be directed to Janet/James Hughes, Secondary Principal. The HS CTE team will meet in November to discuss current and future programming needs.</p>
<b>DAC Update</b>	<p>The DAC had a well attended meeting on Tuesday, October 14. The focus was on Administrative Oversight and Human Resources. A full agenda and notes can be seen <a href="#">here</a>. Highlights include a robust discussion, increased participation, a student DAC representative and accessibility (food, virtual option and childcare).</p> <p>Upcoming DAC Meetings:</p> <ul style="list-style-type: none"> <li>● <b>November 6, 2025, 5:30-7:15 pm, "Financial Accountability: Mil Levy Results and Considerations"</b></li> <li>● <b>December 2, 2025, 5:30-7:15 pm, "Financial Accountability"</b></li> </ul>
<b>SRO Update</b>	<p>The Town is still looking for a Marshall to fill the position of Town Marshall. This person may not come with SRO qualifications. In the meantime, we will reconvene the SRO Committee and any other interested staff or community members to develop an addendum to our MOU with the Town. The addendum will address the school district/Marshall' partnership during times when an SRO is not assigned to the district.</p>
<b>Election Update</b>	<p>Ballots have been mailed for the election. The district has two issues on the ballot, Mill Levy and School Board. We continue to update our community in the weekly Mancos Matters on where they can find election information on our website and in news articles.</p>

# Mancos Strategic Plan

**3B:** Mancos School District teaching staff teach and assess **Portrait of a Graduate** competencies through a **student-centered model**.

# Throughline to 25-26

**Engaging Learning:** We will deepen our shared understanding, develop practices and implement strategies for rigorous, student-centered learning.

**Healthy Community:** We will cultivate a joyful and connected community where students, staff and families have a strong sense of belonging because they feel safe, seen, heard, supported and valued.

## Healthy Students and Community

We will cultivate a joyful and connected community where students, staff and families have a strong sense of belonging because they feel safe, seen, heard, supported and valued.

### Developing:

- Community
- Health and wellbeing
- Positive Relationships
- Leadership Skills
- High-quality parent-engagement
- An aligned and restorative behavior and discipline approach

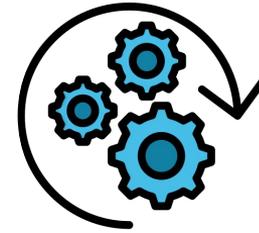

## Engaging Learning

We will deepen our shared understanding, develop practices and implement strategies for rigorous, student-centered learning.

### Ensuring PK-12:

- Cohesive and engaging instructional approach
- Targeted curriculum review, development and alignment
- Portrait of a Graduate integration
- High-quality professional learning.

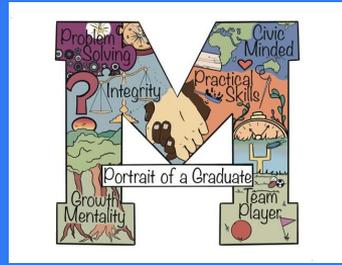

## Cohesive Systems

We will collectively renew, revise and build sustainable systems and structures that reflect our values and ensure success, consistency and cohesion across the district.

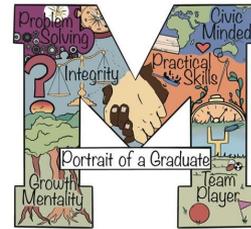

### Articulating and aligning:

- Communication plans
- Multi-tiered system of student supports
- Instructional coaching model
- Safety and crisis plans
- Recruitment and retention plans
- Operations guiding principles

# Action Plan

1

## In development

What is needed? What is in the works? What models can we look towards as we continue to embed our model?

2

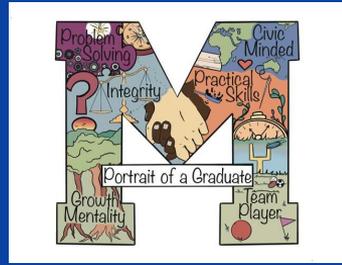

## On target

Where have we hit the target?  
Where can we level up?

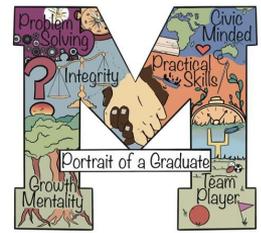

3

## Leading the way

What are our shining examples of best practices?

**In Development**

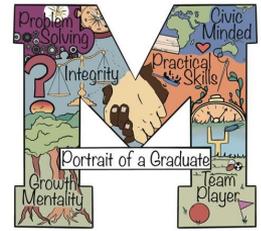

## What is needed?

- Developing common language PK-12 to incorporate POG
- Introduction of core values into POG
- Student-led, third-point conferences, with students discussing their own data
- Better onboarding and professional development tracking to maintain the integrity of our instructional model

## What's in the works?

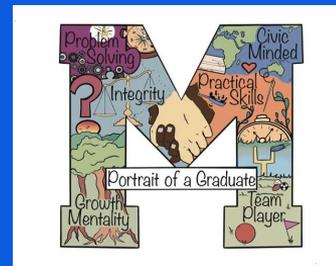

- “Flying the plane” [lesson plans for 9th grade PCAP](#)
- Junior Portfolio guidelines
- Continued development of Advisory

# What other nearby models can we observe?

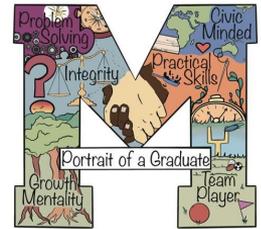

- Animas High School (Durango School District)
- Park Elementary School (Durango School District)
- Silverton School District

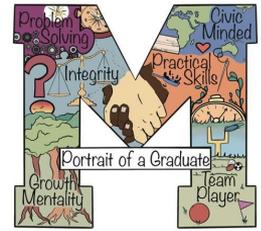

Cohorts of school shared-leadership teams visit, observe, meet with teachers and leaders at the visiting school, collaborate, and use the systems in place at Mancos to share best practices.

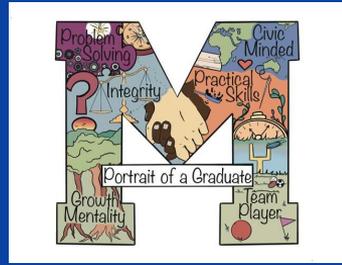

# On Target (and Leading the Way)

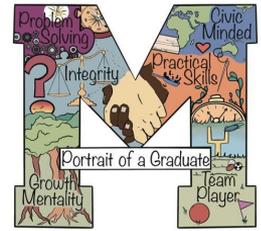

# Celebrations

- [Secondary Teacher Language Rubrics](#)
- [Secondary Student Language Rubrics](#)
- High school teachers and students learning more about them (POG people) and getting very familiar with them (skits, baseball cards)
- Secondary teachers weaving subskills into their own rubrics
- Secondary teachers teaching directly to POG skills

# Connections between Systems/Approaches

Student-led learning requires:

- Team work
- Self-regulation
- Student agency and choice
- Responsible decision making
- Integrity
- A positive classroom environment

Portrait of a Graduate and PBL are not separate from the systems of Social-Emotional Learning, Positive Behavior Interventions Systems, Trauma Responsiveness, Restorative Practices, Character Ed, and so forth.

For one to work, we need all the others in place.

# Short Cycle Improvement

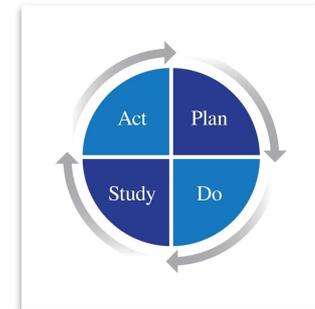

## Plan

- Embed PD opportunities into staff Fridays
- School leadership teams, PLCs, district collaborative time

## Do

- Teach, practice, refine, share
- Onboard and track professional development

## Study

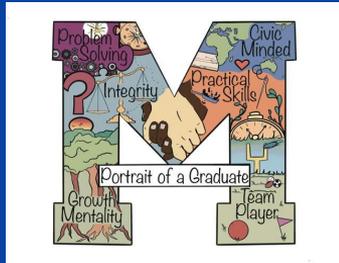

- Student work, classroom engagement, walkthroughs, student perception data

## Act

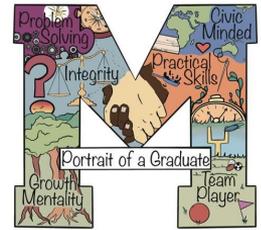

- Adjust, revise, ramp up the plan
- Reimplement with improvement in mind

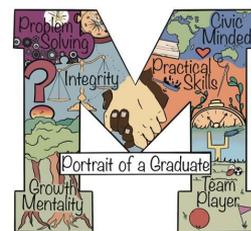

# How the Board Can Help

# BOE Support

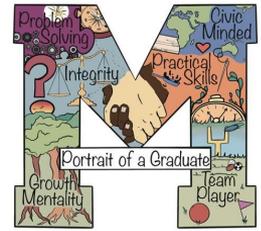

- Allow time
  - For PLC, school-level, and special teams to establish themselves and learn new roles
  - For new short cycle improvement plans to be fully realized
  - For “study” portion of short cycle to be conducted
  - For new meaningful and manageable data sources to replace previous methods

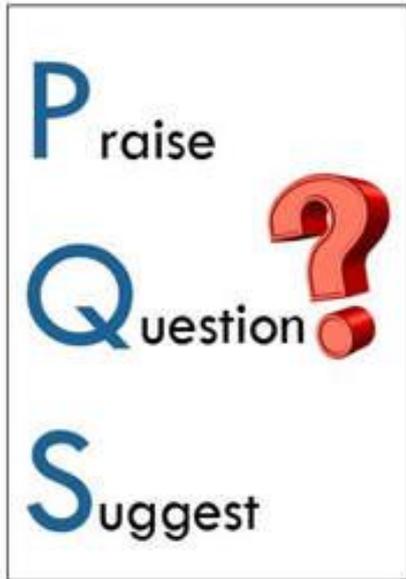

## Discussion

# Protocol: PQS

This protocol helps students see what is working. Questions and suggestions lead to revision and improvement.

McIntyre highlights the importance of investing in education for the community's future.

#### 7. Reports to the Board of Education

##### 7.A. Business Manager Report

Chrissie Miller explained that the audit was completed and was reviewed in full during the 9/15/25 Work Session. The budget is ending with a 2.6 million reserve, which is a healthy state, highlighting positive fund balances and appreciation for accountants' work. Food Service did the best.

Mr. Tim Hunter gave appreciation to Mrs. Miller and Chris Majors for their hard work and organization with the audit process. The audit will be available to view on the Financial Transparency page of the Mancos website.

##### 7.B. Board Report Student Voice

Mrs. McWhirter and Mrs. Hazleton shared updates on student representation on the school board, including the role of the teacher liaison and opportunities for student input. Mr. Will Custer, serving as the teacher liaison, will also provide input.

##### 7.C. Board Report District Accountability Committee

Sarah Rank reviewed the District Accountability Committee's first meeting and discussed changes to the DAC structure and goals. DAC will meet prior to board meetings, focusing on specific topics each month. It was noted that the District Accountability Committee (DAC) and its four subcommittees were created under policy adopted by the Board in June 2025. Clarifications were offered in support of ensuring the DAC operates with specific efficiencies as intended under this policy. These efficiencies were developed in collaboration with DAC Chair Sarah and Mrs. Audrey Hazleton, including clearly defined subcommittees, scheduled meeting dates, and assigned board representation.

The Board reviewed upcoming District Accountability Committee (DAC) subcommittee meetings. Board key assignments include (contingent on election):

- **Administrative Oversight/HR Accountability:** October 14 - Victor Figueroa (Director)
- **Financial Accountability:** November 5 and April 14 - Rachel McWhriter (Board Treasurer)
- **Wellness Accountability:** February 17 - Craig Benally (Board Secretary)
- **Academic Outcomes Accountability:** March 17- Victor Figueroa (Director)

The committee will have subcommittees for financial accountability, administrative oversight, and human resources. The DAC hopes for more meaningful engagement and recommendations from DAC members. DAC has grown in numbers but still lacks community representation. Community participation is crucial.

The next DAC meeting is on October 14th at 5:30 PM in room 223. There will be food and possibly child care provided.

#### 7.D. Board Report LRAC

Mr. Victor Figueroa reviewed the LRAC meeting.

The Colorado General Assembly Special Session met to address the \$750 million budget shortfall due to the federal tax and spending bill that was passed by Congress.

- Cuts to Health School Meals Program and Supplemental Nutrition Assistance Program (SNAP)
- Higher Education cuts
- Colorado government hiring freeze
- No cuts to K-12

The Delegate Assembly passed 8 bills. Topics such as Unfunded Mandates, Voucher Programs, and Ensuring Educational Equity in Rural Districts under the Implementation of the HB25-1320 School Finance Act.

#### 7.E. Board Report CASB

Mr. Victor Figueroa reviewed the CASB meeting.

December 11-13 85th Annual Convention

January 28th Winter Legislative Conference

February 12th Student Day at the Capitol

"The Get It Done" campaign - It empowers members at every level to listen, learn, and lead in

their efforts to champion fully funded and equitable public schools in Colorado: <https://www.greateducation.org/get-it-done>

The Mancos School Board will be presenting at CASB on December 12th on Mancos United and the impact it has had.

#### 7.F. Board Report BOCES

Mrs. Rachel McWhirter reviewed the BOCES update. BOCES is waiting to hear the outcome on the Montezuma Cortez School District and reorganization to address financial fee structures for the surrounding districts.

#### 7.G. Superintendent Report

Mrs. Audrey Hazleton presented her Superintendent's report.

Upcoming events, including picture day, parent-teacher conferences and homecoming week, were mentioned. Homecoming week is September 22-27.

Hazleton highlights professional development for teachers, ongoing work with Mancos United, and data performance overview, including key action steps that are underway to improve student growth and achievement.

Student safety and discipline retreat is scheduled in late September with school leaders and deans to review current systems and practices, identify strengths, gaps, alignment to policies, and across our district, and professional development needs.

There was discussion on SRO negotiations with the town; no candidates yet. The MOU will be provided to DAC and followed in regard to the next hiring as per the Memorandum of Understanding between the district and the town.

Election work: The MSD Website has been updated with easy access to Mill Levy FAQ and School Board Election information. School Board Candidate Forum planning is underway. Date and facilitator to be released soon.

#### 8. Strategic Plan Objective Report

Motion to approve Section 3C of the Strategic Plan. This motion, made by Rachel McWhirter and seconded by Victor Figueroa, Carried.

Craig Benally: Yea, Victor Figueroa: Yea, Tim Hunter: Yea, Emily Hutcheson-Brown: Yea, Rachel McWhirter: Yea

Yea: 5, Nay: 0

Mrs. Audrey Hazleton presented on 3C of the Strategic Plan:

3C: Mancos School District provides students with non-traditional courses based on student input and teacher strengths.

Highlights of the district's non-traditional coursework and impact on secondary students. The district provides various options for students, including post-secondary and CTE options. The district crafts individual academic plans for students based on their needs.

Students have obtained approximately 259 industry certificates from 2023-2025

The public is encouraged to review the presentation for evidence of good work being done in the district.

The Board formally accepted this report as presented. This acceptance will serve as the norm moving forward for the remainder of the year, as the plan continues to evolve and improve in alignment with the district's goals.
