1.60 Restated Plan. A Restated Plan means a plan the Employer adopts in substitution for, and in amendment of, an existing plan, as the Employer elects in its Adoption Agreement. The provisions of this Plan, as a Restated Plan, apply solely to an Employee whose employment with the Employer terminates on or after the restated Effective Date of the Plan, except as otherwise set forth in the Adoption Agreement.

1.61 [Reserved]

1.62 Rollover Contribution. A Rollover Contribution means an amount of cash or property (including a Participant loan from another plan subject to the rules of the Vendor) which the Code permits an Eligible Employee or Participant to transfer directly or indirectly to this Plan from another Eligible Retirement Plan (or vice versa) within the meaning of Code §402(c)(8)(B) and Section 6.08(F)(2), except that the Plan may permit an In-Plan Roth Rollover Contribution as provided in Section 3.08(E).

(A) In-Plan Roth Rollover Contribution. An In-Plan Roth Rollover Contribution means a Rollover Contribution to the Plan that consists of a distribution or transfer from a Participant's Plan Account, other than a Roth Deferral Account, that the Participant transfers to the Participant's In-Plan Roth Rollover Contribution Account in the Plan, in accordance with Code §402(c)(4). In-Plan Roth Rollover Contributions will be subject to the Plan rules related to Roth Deferral Accounts, subject to preservation of Protected Benefits in accordance with clause (c) of Section 3.08(E)(3)(d).

(B) In-Plan Roth Rollover Contribution Account. An In-Plan Roth Rollover Contribution Account is a sub-account the Plan Administrator may establish to account for a Participant's Rollover Contributions attributable to the Participant's In-Plan Roth Rollover Contributions. The Plan Administrator has authority to establish such a sub-account, and to the extent necessary, may establish sub-accounts based on the source of the In-Plan Roth Rollover Contribution. The Plan Administrator will administer an In-Plan Roth Rollover Contribution Account in accordance with Code and the Plan provisions.

1.63 [Reserved]

1.64 Salary Reduction Agreement. A Salary Reduction Agreement means a Participant's written election to reduce his or her Compensation (and have that amount contributed as Elective Deferrals to the Plan).

1.65 Separation from Service/Severance from Employment. "Severance from Employment" or "Separation from Service" occurs when an Employee ceases to be employed by the Employer maintaining the Plan or a Related Employer that is eligible to maintain a section 403(b) Plan under Treas. Reg. §1.403(b)-2(b)(8), even if the Employee remains employed with another entity that is a Related Employer where either (a) such Related Employer is not an Eligible Employer or (b) the Employee is employed or in a capacity that is not employment with an eligible employer.

1.66 Service. Service means any period of time the Employee is in the employ of the Employer, including any period the Employee is on an unpaid leave of absence authorized by the Employer under a uniform policy applicable to all Employees. See Section 1.29(B) related to Service for Related Employers.

(A) Predecessor Employer. A Predecessor Employer is an employer that previously employed one or more of the Employees.

(B) Predecessor Employer Service. If the Employer maintains (by adoption, plan merger or transfer) the plan of a Predecessor Employer, service of the Employee with the Employer.

(C) Elective Service Crediting. Except as provided in Section 1.66(B), the Plan does not credit Service with the Predecessor Employer unless the Employer, in its Adoption Agreement (or in a Participation Agreement, if applicable) elects to credit designated Predecessor Employer Service and specifies the purposes for which the Plan will credit service with that Predecessor Employer. Unless the Employer under its Adoption Agreement provides for this purpose specific Entry Dates, an Employee who satisfies the Plan's eligibility condition(s) by reason of the crediting of Predecessor Employer Service will enter the Plan in accordance with the provisions of Article 2 as if the Employee were a re-employed Employee on the first day the Plan credits Predecessor Employer Service.

1.67 State. State means a State, a political subdivision of a State, or any agency of instrumentality of a State, and includes the District of Columbia. In determining whether an individual is a Public School Employee, a State includes an Indian tribal government.

1.68 **Successor Plan.** Successor Plan means a plan in which at least 50% of the Eligible Employees of the first Plan Year were eligible under another 403(b) Plan maintained by the Employer in the prior Plan Year.

1.69 **Taxable Year.** Taxable Year means the taxable year of a Participant.

1.70 **Vested.** Vested means a Participant or a Beneficiary has an unconditional claim, legally enforceable against the Plan, to the Participant's Accumulated Benefit or to a portion thereof if not 100% vested.

1.71 **USERRA.** USERRA means the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended.

1.72 **Vendor.** Vendor means the provider of an Annuity Contract or Custodial Account, as the context requires. With regard to an Investment Arrangement, the Vendor is the provider of that Investment Arrangement. With regard to a Participant, the Vendor is the provider of any Investment Arrangement holding an Account for the Participant.

1.73 **Year of 403(b) Service.** For purposes of determining Includible Compensation or Special Catch-Up Contributions, Year of 403(b) Service means each full year during which an individual is a full-time Employee of the Employer, plus fractional credit for each part of a year during which the individual is either a full-time Employee of the Employer for a part of a year or a part-time Employee of the Employer, determined under Treas. Reg. §1.403(b)-4(e). An Employee's number of Years of 403(b) Service equals the aggregate of such years or parts of years. The work period is the Employer's annual work period.

ARTICLE 2. ELIGIBILITY AND PARTICIPATION

2.01 ELIGIBILITY. Each Eligible Employee becomes a Participant in the Plan in accordance with the eligibility conditions the Employer elects in its Adoption Agreement. The Employer may elect different age and service conditions for different Contribution Types under the Plan.

(A) Elective Deferrals/Universal Availability. The provisions of this Section 2.01(A) apply if the Employer is not a Church or if the Employer does not maintain another plan that satisfies the universal availability requirements of Code §403(b)(12). An Employee, other than an Excluded Employee with regard to Elective Deferrals, becomes a Participant in the Elective Deferral portion of the Plan on the date the Employer provides the Employee a participant notice of the right to defer. The Employer will provide such a notice to the Employee within 30 days after commencement of employment (or, if later, 30 days after the date the Employee ceases to be an Excluded Employee). If the Plan places any restrictions on a Participant's right to make a deferral election, the Participant, at a minimum, must have the right to make an initial deferral election within a 30-day period following the date the notice is provided. In no event may a Participant's deferral election be effective prior to the Effective Date of the Plan. For purposes of this Paragraph, an Employee of a Related Employer that is not a Participating Employer is an Excluded Employee with respect to Elective Deferrals.

(B) Other Contributions. The provisions of this Section 2.01(B) apply to Employer Contributions and Employee Contributions, and do not apply to Elective Deferrals. However, if the Employer is a Church or if the Employer maintains another plan that satisfies the universal availability requirements of Code §403(b)(12), then the provisions of this Section 2.01(B) also apply to Elective Deferrals.

(1) **Eligibility Conditions.** The Employer in its Adoption Agreement will elect the age and service conditions applicable to Employer Contributions or Employee Contributions (or Elective Deferrals if the Employer is a Church), if any. For purposes of an Eligible Employee's participation in Employer Contributions or Employee Contributions, the Plan may not impose an age condition exceeding age 21 and may not require completion of more than one Year of Service, except as provided under Sections 2.02(E), (G), or (H).

(2) **New Plan.** Any Eligible Employee who has satisfied the Plan's eligibility conditions and who has reached his/her Entry Date as of the Effective Date is eligible to participate as of the Effective Date, assuming the Employer continues to employ the Employee on that date. Any other Eligible Employee becomes eligible to participate: (1) upon satisfaction of the eligibility conditions and reaching his/her Entry Date; or (2) upon reaching his/her Entry Date if such Employee had already satisfied the eligibility conditions prior to the Effective Date.

(3) **Restated Plan.** If this Plan is a Restated Plan, each Employee who was a Participant in the Plan on the day before the restated Effective Date continues as a Participant in the Restated Plan, irrespective of whether he/she satisfies the eligibility conditions of the Restated Plan, unless the Employer provides otherwise in its Adoption Agreement.

(4) **Special Eligibility Effective Date (Dual Eligibility).** The Employer in its Adoption Agreement may elect to provide a special Effective Date for the Plan's eligibility conditions, with the effect that such conditions may apply only to Employees who are employed by the Employer after a specified date.

2.02 APPLICATION OF SERVICE CONDITIONS. The Plan Administrator will apply this Section 2.02 in administering the Plan's eligibility service condition(s) for Employer Contributions, Mandatory Employee Contributions and Employee Contributions (and, if the Employer is a Church or the Employer maintains another plan that satisfies the universal availability requirements, Elective Deferrals), if any. Except with regard to a Church, this Section will not apply to Elective Deferrals.

(A) Definition of Year of Service. A Year of Service for purposes of an Employee's participation in the Plan, means the applicable Eligibility Computation Period under Section 2.02(C), during which the Employee completes the number of Hours of Service the Employer specifies in its Adoption Agreement, without regard to whether the Employer continues to employ the Employee during the entire Eligibility Computation Period.

(B) Counting Years of Service. For purposes of an Employee's participation in the Plan, the Plan counts all of an Employee's Years of Service, except as provided in Section 2.03.

(C) Initial and Subsequent Eligibility Computation Periods. If the Plan requires one Year of Service for eligibility and an Employee does not complete one Year of Service during the Initial Eligibility Computation Period, the Plan measures Subsequent Eligibility Computation Periods in accordance with the Employer's election in its Adoption Agreement. If the Plan measures Subsequent Eligibility Computation Periods on a Plan Year basis, an Employee who receives credit for the required number of Hours of Service during the Initial Eligibility Computation Period and also during the first applicable Plan Year receives credit for two Years of Service under Article 2.

(1) **Definition of Eligibility Computation Period.** An Eligibility Computation Period is a 12-consecutive month period.

(2) **Definition of Initial Eligibility Computation Period.** The "Initial Eligibility Computation Period" is the Employee's Anniversary Year which begins on the Employee's Employment Commencement Date.

© 2018 National Benefit Services, LLC or its suppliers

(3) **Definition of Anniversary Year.** An Employee's "Anniversary Year" is the 12-consecutive month period beginning on the Employee's Employment Commencement Date or on anniversaries thereof.

(4) **Definitions of Employment Commencement Date/Re-Employment Commencement Date.** An Employee's Employment Commencement Date is the date on which the Employee first performs an Hour of Service for the Employer. An Employee's Re-Employment Commencement Date is the date on which the Employee first performs an Hour of Service for the Employer after the Employer re-employs the Employee.

(5) **Definition of Subsequent Eligibility Computation Period.** A Subsequent Eligibility Computation Period is any Eligibility Computation Period after the Initial Eligibility Computation Period, as the Employer elects in its Adoption Agreement.

(D) Entry Date. The Employer in its Adoption Agreement elects the Entry Date(s) and elects whether such Entry Date(s) are retroactive, coincident with or next following an Employee's satisfaction of the Plan's eligibility conditions. The Employer may elect to apply different Entry Dates to different Contribution Types.

(1) **Definition of Entry Date.** See Section 1.31.

(E) Alternative Service Conditions. The Employer in its Adoption Agreement may elect to impose for eligibility a condition of less than one Year of Service or of more than one Year of Service, but not exceeding two Years of Service. If the Employer elects an alternative Service condition to one Year of Service or two Years of Service, the Employer must elect in its Adoption Agreement the Hour of Service and other requirement(s), if any, after the Employee completes one Hour of Service. Under any alternative Service condition election, the Plan may not require an Employee to complete more than one Year of Service (1,000 Hours of Service in 12-consecutive months) or two Years of Service if applicable.

(1) **[Reserved]**

(2) **[Reserved]**

(3) **Months and days.** The Plan Administrator may, on a uniform and consistent basis, apply Plan provisions relating to months based on a 30-day month, or may adopt other reasonable conventions as it may deem beneficial for efficient Plan administration.

(F) Equivalency or Elapsed Time. If the Employer in its Adoption Agreement elects to apply the Equivalency Method or the Elapsed Time Method in applying the Plan's eligibility Service condition, the Plan Administrator will credit Service in accordance with Sections 1.40(D)(2) and (3).

(G) Governmental and Church Plans. The limitations of this Article on age and service requirements and selection of Entry Dates will not apply if the Plan is a Governmental Plan or a Church Plan.

(H) Maximum age for educational institution. If (1) this Plan is maintained exclusively for Employees of an educational organization as defined in Code §170(b)(1)(A)(ii); (2) the Plan does not require more than one Year of Service as a condition for entry; and (3) the Plan provides full vesting after no more than one Year of Service, the maximum age restriction of Section 2.01(B)(1) is applied by substituting "26" for "21."

2.03 BREAK IN SERVICE – PARTICIPATION. The Plan Administrator will apply this Section 2.03 if any Break in Service rule applies under the Plan. The Break in Service rules do not apply to Elective Deferrals.

(A) Definition of Break in Service. For purposes of this Article 2, an Employee incurs a Break in Service if during any applicable Eligibility Computation Period he/she does not complete more than 500 Hours of Service with the Employer. The Eligibility Computation Period under this Section 2.03(A) is the same as the Eligibility Computation Period the Plan uses to measure a Year of Service under Section 2.02. On a uniform basis, the Plan Administrator may disregard a Break in Service for an Eligibility Computation Period if the Employee is in service on the last day of that period. If the Plan applies the Elapsed Time Method of crediting Service under Section 1.40(D)(3), a Participant incurs a "Break in Service" if the Participant has a Period of Severance of at least 12 consecutive months.

(B) Two Year Eligibility. If the Employer under the Adoption Agreement elects a two Years of Service eligibility condition, an Employee who incurs a one year Break in Service prior to completing two Years of Service: (1) is a new Employee, on the date he/she first performs an Hour of Service for the Employer after the Break in Service; (2) the Plan disregards the Employee's Service prior to the Break in Service; and (3) the Employee establishes a new Employment Commencement Date for purposes of the Initial Eligibility Computation Period under Section 2.02(C).

(C) USERRA. An Employee who has completed Qualified Military Service and who the Employer has rehired under USERRA, does not incur a Break in Service under the Plan by reason of the period of such Qualified Military Service.

(D) Adoption Agreement provisions. The Employer may specify, in Appendix B to its Adoption Agreement, one or more years or other periods of service which the Plan will disregard for purposes of eligibility for Employer Contributions, based on Separation from Service, of Break in Service.

2.04 PARTICIPATION UPON RE-EMPLOYMENT. The provisions of Paragraphs (A), (B), and (C) of this Section 2.04 apply to Employer Contributions, Employee Contributions and (if the Employer is a Church), Elective Deferrals. An Employee who incurs a Separation from Service will enter or re-enter the Plan as a Participant for purposes of Elective Deferrals on his/her Re-employment Commencement Date (provided he/she is not an Excluded Employee), unless the Employer is a Church.

(A) Rehired Participant/Immediate Re-Entry. A Participant who incurs a Separation from Service will re-enter the Plan as a Participant on the date of his/her Re-Employment Commencement Date (provided he/she is not an Excluded Employee), subject to any Break in Service rule, if applicable, under Section 2.03.

(B) Rehired Eligible Employee Who Had Satisfied Eligibility. An Eligible Employee who satisfies the Plan's eligibility conditions, but who incurs a Separation from Service prior to becoming a Participant, subject to any Break in Service rule, if applicable, under Section 2.03, will become a Participant on the later of: (1) the Entry Date on which he/she would have entered the Plan had he/she not incurred a Separation from Service; or (2) his/her Re-Employment Commencement Date.

(C) Rehired Eligible Employee Who Had Not Satisfied Eligibility. An Eligible Employee who incurs a Separation from Service prior to satisfying the Plan's eligibility conditions, becomes a Participant in accordance with the Employer's Adoption Agreement elections. The Plan Administrator, for purposes of applying any shift in the Eligibility Computation Period, takes into account the Employee's prior Service and the Employee is not treated as a new hire.

2.05 CHANGE IN EMPLOYMENT STATUS. The Plan Administrator will apply this Section 2.05 if the Employer in its Adoption Agreement elected to exclude any Employees as Excluded Employees. Although the provisions of this Section describe exclusion from the Plan as a whole, the Plan Administrator will apply the principles of this Section as appropriate to an individual excluded from one or more Contribution Types, as authorized in Section 1.35.

(A) Participant Becomes an Excluded Employee. If a Participant has not incurred a Separation from Service but becomes an Excluded Employee, during the period of exclusion the Excluded Employee: (i) will not share in the allocation of any Employer Contributions or Participant forfeitures, based on Compensation paid to the Excluded Employee during the period of exclusion; (ii) may not make Employee Contributions or, unless permitted by the Vendor, Rollover Contributions; and (iii) may not make Elective Deferrals as to Compensation paid to the Excluded Employee during the period of exclusion.

(1) **Vesting, accrual, Break in Service and Earnings.** A Participant who becomes an Excluded Employee under this Section 2.05(A) continues: (a) to receive Service credit for vesting under Article 5 for each included vesting Year of Service; (b) to receive Service credit for applying any allocation conditions under Section 3.06 as to Employer Contributions accruing for any non-excluded period; (c) to receive Service credit in applying the Break in Service rules; and (d) to share fully in Earnings under Article 7.

(2) **Resumption of Eligible Employee status.** If a Participant who becomes an Excluded Employee subsequently resumes status as an Eligible Employee, the Participant will participate in the Plan immediately upon resuming eligible status, subject to the Break in Service rules, if applicable, under Section 2.03.

(B) Excluded Employee Becomes Eligible. If an Excluded Employee who is not a Participant becomes an Eligible Employee, he/she will participate immediately in the Plan if he/she has satisfied the Plan's eligibility conditions and would have been a Participant had he/she not been an Excluded Employee during his/her period of Service. An Excluded Employee receives Service credit for eligibility, for allocation conditions under Section 3.06 (but the Plan disregards Compensation paid while excluded) and for vesting under Article 5 for each included vesting Year of Service, notwithstanding the Employee's Excluded Employee status.

2.06 TERMINATION OF PARTICIPATION. Once an Eligible Employee becomes a Participant, he or she will continue to be a Participant until the Plan distributes the Participant's entire Account Balance.

ARTICLE 3. PLAN CONTRIBUTIONS AND FORFEITURES

3.01 CONTRIBUTION TYPES. The Employer in its Adoption Agreement will elect the Contribution Type(s) and any formulas, allocation methods, conditions and limitations applicable thereto, except where the Plan expressly reserves discretion to the Employer or to the Plan Administrator.

(A) Application of Limits. The Employer will not make a contribution to an Investment Arrangement for any Plan Year to the extent the contribution would exceed any Article 4 limit or other Plan limit.

(B) Compensation for Allocations/Limit. The Plan will allocate all Employer Contributions and Elective Deferrals based on the definition of Compensation the Employer elects in its Adoption Agreement for a particular Contribution Type. Except for a Plan maintained by a Church, the Plan Administrator in allocating such contributions must limit each Participant's Compensation in accordance with the provisions of Section 1.11(E).

(C) Allocation Conditions. The Plan Administrator will allocate Employer Contributions only to those Participants who satisfy the Plan's allocation conditions under Section 3.06, if any, for the Contribution Type being allocated.

(D) Time of Payment of Contribution. The Employer may pay Employer Contributions for any Plan Year in one or more installments without interest. Unless otherwise required by the relevant Investment Arrangement Documentation or the Code, the Employer may make an Employer Contribution to the Plan for a particular Plan Year at such time(s) as the Employer in its sole discretion determines. If the Employer makes a contribution for a particular Plan Year after the close of that Plan Year, the Employer will designate the Plan Year for which the Employer is making the Employer Contribution. The Plan will allocate the contribution accordingly.

(E) Return of Employer Contribution. The Employer contributes to the Plan on the condition its contribution is not due to a mistake of fact.

(1) **Request for contribution return/timing.** The Vendor, upon written request from the Employer, must return to the Employer (or, if applicable, directly to the Participant) the amount of the Employer Contribution made by the Employer by mistake of fact.

(2) **Earnings.** The Vendor will adjust the amount of the Employer Contribution returnable under this Section 3.01(E) for any Earnings attributable to the contribution.

(3) **Evidence.** The Vendor may require the Employer to furnish the Vendor whatever evidence the Vendor deems necessary to enable the Vendor to confirm the amount the Employer has requested be returned can be returned consistent with the Code.

(F) Frozen Plans. The Employer in its Adoption Agreement (or in an Employer resolution) may elect to treat the Plan as a Frozen Plan. Under a Frozen Plan, the Employer and the Participants will not make any contributions to the Plan. The Plan provisions, other than those requiring contributions, continue in effect until the Employer terminates the Plan. An Eligible Employee will not become a Participant in a Frozen Plan after the date the Plan becomes a Frozen Plan.

3.02 ELECTIVE DEFERRALS. If the Employer in its Adoption Agreement elects to permit Elective Deferrals, the provisions of this Section 3.02 will apply. A Participant's Elective Deferrals will be made pursuant to a Salary Reduction Agreement unless the Employer elects in its Adoption Agreement to apply the Automatic Deferral provision under Section 3.02(B). The Participant prospectively may modify or revoke a Salary Reduction Agreement, or may file a new Salary Reduction Agreement following a prior revocation, at least once per Plan Year or more frequently as specified in the Plan's Salary Reduction Agreement.

(A) Administrative provisions. The Salary Reduction Agreement shall be made through a form provided by, and filed with, the Plan Administrator or its designated agent. The Employee's elections with respect to Investment Arrangements and allocations (and reallocations) among Accounts, if not included in the Salary Reduction Agreement, shall be included in other records maintained under the Plan.

(1) **Minimum/Maximum Amount.** The Salary Reduction Agreement may establish an annual minimum deferral amount no higher than $200, and may change such minimum to a different amount (but not in excess of $200) from time to time. The Salary Reduction Agreement may also establish a uniform maximum deferral limit in the Salary Reduction Agreement.

(2) **Termination.** Any election on a Salary Reduction Agreement shall remain in effect until a new election is filed or the election is revoked or cancelled. The termination of a Participant's employment automatically revokes the Participant's election with regard to Compensation earned after the Participant is rehired.

(3) **Effective Date.** A Salary Reduction Agreement may not be effective earlier than the following date which occurs last: (1) under Article 2, the Participant's Entry Date or, in the case of a re-hired Employee, his/her re-participation date; (2) the execution date of the Salary Reduction Agreement; (3) the date the Employer adopts the 403(b) Plan; or (4) the Effective Date of the 403(b) Plan. Subject to these limitations, the Salary Reduction Agreement shall be effective as soon as administratively practical after execution.

© 2018 National Benefit Services, LLC or its suppliers

(4) **Compensation.** A Salary Reduction Agreement must specify the dollar amount of Compensation or the percentage of Compensation the Participant wishes to defer. The Salary Reduction Agreement will apply: (1) only to Compensation which becomes currently available after the effective date of the Salary Reduction Agreement; and (2) to all or to such Elective Deferral Compensation as the Salary Reduction Agreement indicates, including any Participant elections made in the Salary Reduction Agreement. Also see Section 1.11(G) relating to non-cash Compensation. Participants may not make Elective Deferrals from amounts that are not Code §415 Compensation under Section 4.05(D). In addition, a Participant may not make Elective Deferrals from amounts which are not Compensation under Section 1.11 even if 415 Compensation is more inclusive. In determining Compensation from which a Participant may make Elective Deferrals, the Compensation dollar limitation described in Section 1.11(E) does not apply.

(5) **Additional Rules.** The Plan Administrator in the Plan's Salary Reduction Agreement form, or in a Salary Reduction Agreement policy will specify additional rules and restrictions applicable to a Participant's Salary Reduction Agreement, including but not limited to those regarding the timing, frequency and mechanics of changing or revoking a Salary Reduction Agreement or any uniform limitations with regard to deferrals in addition to those otherwise provided in the Plan. Any such rules and restrictions must be consistent with the Plan and with the Code. The Plan Administrator may provide more than one Salary Reduction Agreement form for use in specific situations.

(B) Automatic Deferrals. The Employer in its Adoption Agreement will elect whether to apply or not apply the Automatic Deferral provisions. The Employer may elect the Automatic Deferral provisions under Section 3.02(B)(1) (an ACA), or Section 3.02(B)(2) (an EACA). The Plan Administrator will treat Automatic Deferrals as Elective Deferrals for all purposes under the Plan, including application of limitations, and distributions. If the Employer in its Adoption Agreement has elected to permit Roth Deferrals, Automatic Deferrals are Pre Tax Deferrals unless the Employer in Appendix B to its Adoption Agreement elects otherwise. Automatic Deferrals will not apply to a Participant until after the Participant has had a reasonable period of time after being informed of the automatic deferral procedure to make a Contrary Election (and, if applicable, an investment election).

(1) **Automatic Contribution Arrangement (ACA).** If the Employer elects in its Adoption Agreement, the Employer maintains a Plan with Automatic Deferral provisions as an Automatic Contribution Arrangement ("ACA"), effective as of the date the Employer elects in the Adoption Agreement, and the provisions of this Section 3.02(B)(1) will apply.

(a) **Participants subject to ACA.** The Employer in its Adoption Agreement will elect which Participants are subject to the ACA Automatic Deferral on the Effective Date thereof, including some or all current Participants and those Employees who become Participants after the ACA Effective Date.

(b) **Effect of Contrary Election.** A Participant who makes a Contrary Election is not thereafter subject to the Automatic Deferral or to any scheduled increases thereto, even if the Participant later modifies the Contrary Election. A Participant's Contrary Election continues in effect until the Participant subsequently changes his/her Salary Reduction Agreement or the Salary Reduction Agreement is revoked.

(2) **Eligible Automatic Contribution Arrangement (EACA).** If the Employer elects in its Adoption Agreement, the Employer maintains a Plan with Automatic Deferral provisions as an Eligible Automatic Contribution Arrangement ("EACA"), effective as of the date the Employer elects in its Adoption Agreement and the provisions of this Section 3.02(B)(2) will apply.

(a) **Participants subject to EACA.** The Employer in its Adoption Agreement will elect which Participants are subject to the EACA Automatic Deferral on the Effective Date thereof which may include some or all current Participants or may be limited to those Employees who become Participants after the EACA Effective Date.

(i) **EACA Effective Date.** EACA Effective Date means the date on which the EACA goes into effect, either as to the overall Plan or as to an individual Participants as the context requires. An EACA becomes effective as to the Plan as of the date the Employer elects in its Adoption Agreement. A Participant's EACA Effective Date is as soon as practicable after the Participant is subject to Automatic Deferrals under the EACA, consistent with: the objective of affording the Participant a reasonable period of time after receipt of the EACA notice to make a Contrary Election (and, if applicable, an investment election).

(b) **Uniformity.** The Automatic Deferral Percentage must be a uniform percentage of Compensation. However, the Plan does not violate the uniform Automatic Deferral Percentage merely because the Plan applies any of the following provisions:

(i) **Years of participation.** The Automatic Deferral Percentage varies based on the number of Plan Years (or portions of years) the Participant has participated in the Plan while the Plan has applied EACA provisions;

© 2018 National Benefit Services, LLC or its suppliers

(ii) **No reduction from prior default percentage.** The Employer elects in the Adoption Agreement not to apply Automatic Deferrals to a Participant whose Elective deferrals immediately prior to the EACA's Effective Date were higher than the Automatic Deferral Percentage;

(iii) **Applying statutory limits.** The Plan limits the Automatic Deferral amount so as not to exceed the limits of Code §§402(g) (determined without regard to Age 50 Catch-Up Deferrals), or 415;

(iv) **No deferrals during hardship suspension.** The Plan does not apply the Automatic Deferral during the period of suspension, if so required under the Plan's hardship distribution provisions, of Participant's right to make Elective Deferrals to the Plan following a hardship distribution; or

(v) **Disaggregated groups.** The Plan applies different Automatic Deferral Percentages to different groups if the groups can be disaggregated under Treas. Reg. §1.410(b)-7.

(c) **EACA notice.** The Plan Administrator annually will provide a notice to each Covered Employee within a reasonable period prior to each Plan Year the Employer maintains the Plan as an EACA ("EACA Plan Year").

(i) **Deemed reasonable notice/new Participant.** The Plan Administrator is deemed to provide timely notice if the Plan Administrator provides the EACA notice at least 30 days and not more than 90 days prior to the beginning of the EACA Plan Year.

(ii) **Mid-year notice/new Participant or Plan.** If: (A) an Employee becomes eligible to make Elective Deferrals in the Plan during an EACA Plan Year but after the Plan Administrator has provided the annual EACA notice for that Plan Year; or (B) the Employer adopts mid-year a new Plan as a EACA, the Plan Administrator must provide the EACA notice no later than the date the Employee becomes eligible to make Elective Deferrals. However, if it is not practicable for the Plan Administrator to provide the notice on or before the date an Employee becomes a Participant, then the notice nonetheless will be treated as provided timely if the Plan Administrator provides the notice as soon as practicable after that date and the Employee is permitted to elect to defer from all types of Compensation that may be deferred under the Plan earned beginning on that date.

(iii) **Content.** The EACA notice must provide comprehensive information regarding the Participants' rights and obligations under the Plan and must be written in a manner calculated to be understood by the average Participant.

(d) **EACA permissible withdrawal.** The Employer will elect in its Adoption Agreement whether a Participant who has Automatic Deferrals under the EACA may elect to withdraw all the Automatic Deferrals (and allocable Earnings) under the provisions of this Section 3.02(B)(2)(d). Any distribution made pursuant to this Section will be processed in accordance with normal distribution provisions of the Plan.

(i) **Amount.** If a Participant elects a permissible withdrawal under this Section 3.02(B)(2)(d), then the Plan must make a distribution equal to the amount (and only the amount) of the Automatic Deferrals made under the EACA (adjusted for Earnings to the date of the distribution). The Plan may account separately for Automatic Deferrals, in which case the Plan will distribute the entire Account. If the Plan does not account separately for the Automatic Deferrals, then the Plan must determine Earnings in a manner similar to the rules provided in Treas. Reg. §1.401(k)-2(b)(2)(iv) for the distribution of excess contributions in a 401(k) plan.

(ii) **Fees.** Notwithstanding Section 3.02(B)(2)(d)(i), the Plan Administrator may reduce the permissible distribution amount by any generally applicable fees. However, the Plan may not charge a greater fee for distribution under this Section 3.02(B)(2)(d)(ii), than applies to other distributions. The Plan Administrator may adopt a policy regarding charging such fees consistent with this Paragraph.

(iii) **Timing.** The Participant may make an election to withdraw the Automatic Deferrals under the EACA no later than 90 days, or such shorter period as the Employer specifies in its Adoption Agreement (but not less than 30 days), after the date of the first Automatic Deferral under the EACA. For this purpose, the date of the first Automatic Deferral is the date that the Compensation subject to the Automatic Deferral otherwise would have been includible in the Participant's gross income. For purposes of the preceding sentence, EACAs under the Plan are aggregated, except that the mandatory disaggregation rules of Code §410(b) apply. In addition, a Participant's withdrawal right is not restricted due to the Participant making a Contrary Election during the 90-day period (or shorter period as the Employer specifies in its Adoption Agreement).

(iv) **Rehired Employees.** For purposes of Section 3.02(B)(2)(b)(i), the Plan will treat an Employee who for an entire Plan Year did not have contributions made pursuant to a default election under the EACA as having not had such contributions for any prior Plan Year as well.

(v) **Effective date of the actual withdrawal election.** The effective date of the permissible withdrawal will be as soon as practicable, but in no event later than the earlier of: (A) the pay date of the second payroll period beginning after the Participant makes the election; or (B) the first pay date that occurs at least 30 days after the Participant makes the election. The election also will be deemed to be the Participant's Contrary Election to have no Elective Deferrals made to the Plan. However, the Participant may subsequently make a deferral election hereunder.

(vi) **Related Matching Contributions.** The Plan Administrator will not take into account any deferrals withdrawn pursuant to this Section 3.02(B)(2)(d) in computing and allocating Matching Contributions. If the Employer already has allocated Matching Contributions to the Participant's account with respect to Elective Deferrals being withdrawn pursuant to this Section, the Plan must forfeit the Matching Contributions, as adjusted for Earnings.

(vii) **Treatment of withdrawals.** With regard to Elective Deferrals withdrawn pursuant to this Section 3.02(B)(2)(d): (A) the Plan Administrator will disregard such Deferrals for purposes of the Elective Deferral Limit under Section 4.10(A); and (B) such Deferrals are not subject to any spousal consent requirements imposed by the Plan.

(e) **Effect of Contrary Election/Covered Employee status.** A Participant's Contrary Election continues in effect until the Participant subsequently revokes or modifies his/her Salary Reduction Agreement, or the Contrary Election expires. A Participant who makes a Contrary Election is not thereafter subject to the Automatic Deferral or to any scheduled increases thereto, even if the Participant later revokes the Contrary Election or the Contrary Election expires, unless the Participant is a Covered Employee.

(i) **Covered Employee.** A Covered Employee is a Participant who is subject to the EACA. The Employer in its Adoption Agreement will elect whether a Participant who makes a Contrary Election is a Covered Employee. A Covered Employee must receive the annual EACA notice even though the Participant's Contrary Election remains in effect. In addition, a Covered Employee who revokes his/her Contrary Election or whose Contrary Election expires, is thereafter immediately subject to the EACA Automatic Deferral.

(3) **[Reserved]**

(4) **Automatic Contribution Definitions.** The following definitions apply to all Automatic Contribution Arrangements under this Section 3.02(B):

(a) **Automatic Deferral.** An Automatic Deferral is an Elective Deferral that results from the operation of Section 3.02(B)(1) or Section 3.02(B)(2). Under the Automatic Deferral, the Employer automatically will reduce by the Automatic Deferral Percentage or Amount the Compensation of each Participant subject to the Automatic Deferral, except those Participants who timely make a Contrary Election.

(b) **Automatic Deferral Percentage/Increases.** The Automatic Deferral Percentage is the percentage of Automatic Deferral which the Employer elects in its Adoption Agreement including any scheduled increase to the Automatic Deferral Percentage which the Employer may elect. If a Participant subject to the Automatic Deferral elected, before the Effective Date of the Automatic Deferral, to defer an amount which is less than the Automatic Deferral Percentage the Employer has elected in its Adoption Agreement, the Automatic Deferral Percentage includes only the incremental percentage amount necessary to increase the Participant's Elective Deferral to equal the Automatic Deferral Percentage, including any scheduled increases thereto.

(c) **[Reserved]**

(d) **Contrary Election.** A Contrary Election is a Participant's election made after the ACA, or EACA Effective Date not to defer any Compensation or to defer an amount which is more or less than the Automatic Deferral Percentage.

(e) **Contrary Election Effective Date.** A Participant's Contrary Election generally is effective as of the first administratively feasible payroll period which follows the payroll period in which the Participant makes the Contrary Election. However, a Participant may make a Contrary Election which is effective: (i) for the first payroll period in which he/she becomes a Participant if the Participant makes a Contrary Election within a reasonable period following the Participant's Entry Date and before the Compensation to which the Election applies becomes currently available; or (ii) for the first payroll period following the Effective Date of the Automatic Deferral, if the Participant makes a Contrary Election not later than the Effective Date of the Automatic Deferral.

(C) Elective Deferrals as Employer Contributions. Where the context requires under the Plan, Elective Deferrals are Employer Contributions except: (1) under Section 3.04 relating to allocation of Employer Contributions; (2) under Section 3.06 relating to allocation conditions; and (3) under Section 5.03 relating to vesting.

(D) Qualified Organization Catch-Up. If the Employer is a Qualified Organization, the Employer in its Adoption Agreement may elect to permit a Qualified Participant to make a Qualified Organization Catch-Up Deferral under this Section 3.02(D). Qualified Organization Catch-Up Deferrals are not subject to the Elective Deferral Limit of Section 4.10(A).

(1) **Definition of Qualified Organization Catch-Up Deferral.** For any calendar year in which an Employee has completed at least 15 Years of 403(b) Service with the Qualified Organization, the Elective Deferral Limit will increase by the lesser of (1) $3,000; (2) $15,000 reduced by all the Employee's Qualified Organization Catch-up Deferrals for prior Taxable Years; (3) or the excess of $5,000 multiplied by the number of Years of 403(b) Service of the Employee with the Qualified Organization, over the Employee's deferral contributions made for prior Taxable Years pursuant to Code §§401(k), 408(k)(6), 408(p) or 403(b) other than deferrals under Code §414(v).

(2) **Definition of Qualified Organization.** For purposes of this Section 3.02(D), a "Qualified Organization" has the same meaning as provided in Treas. Reg. §1.403(b)-4(c)(3)(ii). This includes an educational organization described in Code §170(b)(1)(A)(ii), a hospital, a health and welfare service agency (including a home health service agency), a Church- Related Organization, or any organization described in Code §414(e)(3)(B)(ii). All entities that are in a Church-Related Organization or an organization controlled by a Church-Related Organization under Code §414(e)(3)(B)(ii) are treated as a single Qualified Organization (so that Years of 403(b) Service and any Qualified Organization Catch-Up Deferrals previously made for a Qualified Participant for a church or other entity within a Church-Related Organization or an organization controlled by the Church-Related Organization are taken into account for purposes of applying this Section 3.02(D) to the Employee with respect to any other entity within the same Church-Related Organization or organization controlled by a Church-Related Organization).

(3) **Definition of Qualified Participant.** For purposes of this Section 3.02(D), a "Qualified Participant" means a Participant who has completed at least 15 Years of 403(b) Service with the Qualified Organization.

(4) **Application of Annual Additions Limit.** A Qualified Organization Catch-Up Deferral is subject to the Annual Additions Limit in Section 4.05(B).

(5) **Application of both Catch-Ups.** A Participant, subject to applicable limits, may contribute both a Qualified Organization Catch-Up Deferral and an Age 50 Catch-Up Deferral. The Plan Administrator will treat any amounts so contributed first as a Qualified Organization Catch-Up Deferral.

(6) **Denominational Service.** For purposes of this Section (D), if the Employer is a Church-Related Organization, Denominational Service counts as service with the Qualified Organization in determining a Year of 403(b) Service.

(E) Age 50 Catch-Up Deferrals. The Employer in its Adoption Agreement may elect to permit Catch-Up Eligible Participants to make Age 50 Catch-Up Deferrals to the Plan under this Section 3.02(E).

(1) **Definition of Catch-Up Eligible Participant.** A Catch-Up Eligible Participant is a Participant who is eligible to make Elective Deferrals and who has attained age 50 or who will attain age 50 before the end of the Taxable Year in which he/she will make a Catch-Up Deferral. A Participant who dies or who incurs a Separation from Service before actually attaining age 50 in such Taxable Year is a Catch-Up Eligible Participant.

(2) **Definition of Age 50 Catch-Up Deferral.** An Age 50 Catch-up Deferral is an Elective Deferral by a Catch-up Eligible Participant and which exceeds: (a) a Plan limit on Elective Deferrals under Section 3.02(A); (b) the Annual Additions Limit under Section 4.05(B); or (c) the Elective Deferral Limit under Section 4.10(A).

(3) **Limit on Age 50 Catch-Up Deferrals.** A Participant's Age 50 Catch-Up Deferrals for a Taxable Year may not exceed the lesser of: (a) 100% of the Participant's Compensation for the Taxable Year when added to the Participant's other Elective Deferrals; or (b) the Catch-Up Deferral dollar limit in effect for the Taxable Year ($6,000 for 2017).

(4) **Adjustment after 2017.** After the 2017 Taxable Year, the IRS will adjust the Age 50 Catch-Up Deferral dollar limit in multiples of $500 under Code §414(v)(2)(C).

(5) **Treatment of Age 50 Catch-Up Deferrals.** Age 50 Catch-Up Deferrals are not: (a) subject to the Annual Additions Limit under Section 4.05(B); or (b) subject to the Elective Deferral Limit under Section 4.10(A).

(6) **Universal availability.** If the Employer permits Age 50 Catch-Up Deferrals to its Plan, the right of all Catch-Up Eligible Participants to make Age 50 Catch-Up Deferrals must satisfy the universal availability requirement of Treas. Reg. §1.414(v)-1(e). If the Employer maintains more than one applicable plan within the meaning of Treas. Reg. §1.414(v)-1(g)(1), and any of the applicable plans permit Catch-Up Deferrals, then any Catch-up Eligible Participant in any such plans must be permitted to have the same effective opportunity to make the same dollar amount of Catch-Up Deferrals. Any Plan-imposed limit that is based on total Elective Deferrals including Catch-Up Deferrals may not be less than 75% of a Participant's gross Compensation. This Section 3.02(E)(6) will not apply if the Employer is a Church.

(F) Roth Deferrals. The Employer in its Adoption Agreement may elect to permit Roth Deferrals. The Employer must also elect to permit Pre-Tax Deferrals if the Employer elects to permit Roth Deferrals. The Plan Administrator will administer Roth Deferrals in accordance with this Section 3.02(F).

(1) **Treatment of Roth Deferrals.** The Plan Administrator will treat Roth Deferrals as Elective Deferrals for all purposes of the Plan, except where the Plan indicates otherwise.

(2) **Separate accounting.** The Plan will establish a Roth Deferral Account for each Participant who makes any Roth Deferrals and Earnings thereon in accordance with Section 7.04(A)(1). The Plan will establish a Pre-Tax Account for each Participant who makes any Pre-Tax Deferrals in accordance with Section 7.04(A)(1). The Plan will credit only Roth Deferrals and Earnings thereon (allocated on a reasonable and consistent basis) to a Participant's Roth Deferral Account. The Vendor will be responsible only for contributions made under the Vendor's Investment Arrangement. Any Roth Elective Deferrals under an Investment Arrangement will be allocated to a separate Account maintained under the Investment Arrangement for the Participant's Roth Elective Deferrals.

(3) **No re-classification.** An Elective Deferral contributed to the Plan either as a Pre-Tax Deferral or as a Roth Deferral may not be re-classified as the other type of Elective Deferral, provided; however, that a Pre-Tax Deferral may be converted to a Roth Deferral by means of an In-Plan Roth Rollover under Section 3.08(E).

(G) Automatic Escalation. The Employer in its Adoption Agreement will elect whether to apply the Automatic Escalation provisions of this Section 3.02(G) to Salary Reduction Agreements. Such provisions shall apply to affirmative deferral elections and will not apply to Participants for whom the Employer is withholding Automatic Deferrals under Section 3.02(B). In its Adoption Agreement, the Employer will specify the Participants to whom Automatic Escalation applies, the amount by which the Elective Deferrals will increase, and the timing of the increase.

3.03 MATCHING CONTRIBUTIONS. If the Employer elects in its Adoption Agreement to provide for Matching Contributions, the Plan Administrator will apply the provisions of this Section 3.03.

(A) Matching Formula: Type, Rate/Amount, Limitations and Time Period. The Employer in its Adoption Agreement must elect the type(s) of Matching Contributions (Fixed or Discretionary Matching Contributions), and as applicable, the Matching Contribution rate(s)/amount(s), the limit(s) on Elective Deferrals or Employee Contributions subject to match, the limit(s) on the amount of Matching Contributions, and the time period the Plan Administrator will apply in the computation of any Matching Contributions. If the Employer in its Adoption Agreement elects to apply any limit on Matching Contributions based on pay periods or on any other time period which is less than the Plan Year, the Plan Administrator will determine the limits in accordance with the time period specified and will not take into account any other Compensation or Elective Deferrals not within the applicable time period, even in the case of a Participant who becomes eligible for the match mid-Plan Year and regardless of the Employer's election as to Pre-Entry Compensation. Unless otherwise specified in Appendix B to the Adoption Agreement, the Plan Administrator will take Elective Deferrals into account in computing Matching Contributions only if the Elective Deferrals were made after the Participant became eligible for the match. An Employee becomes "eligible for the match" when the Employee becomes a Participant in the Matching Contribution portion of the Plan.

(1) **Fixed Match.** The Employer in its Adoption Agreement may elect to make a Fixed Matching Contribution to the Plan under one or more formulas.

(a) **Allocation.** The Employer may contribute on a Participant's behalf under a Fixed Matching Contribution formula only to the extent that the Participant makes Elective Deferrals or Employee Contributions which are subject to the formula and if the Participant satisfies the allocation conditions for Fixed Matching Contributions, if any, the Employer elects in its Adoption Agreement.

(2) **Discretionary Match.** The Employer in its Adoption Agreement may elect to make a Discretionary Matching Contribution to the Plan.

(a) **Allocation.** To the extent the Employer makes Discretionary Matching Contributions, the Plan Administrator will allocate the Discretionary Matching Contributions to the Account of each Participant entitled to the match under the Employer's discretionary matching allocation formula and who satisfies the allocation conditions for Discretionary Matching Contributions, if any, the Employer elects in its Adoption Agreement. The Employer under a Discretionary Matching Contribution retains discretion over the amount of its Matching Contributions, and, except as the Employer otherwise elects in its Adoption Agreement, the Employer also retains discretion over the matching formula or formulas. See Section 1.47(B).

(3) **Roth Deferrals.** Unless the Employer elects otherwise in its Adoption Agreement, the Employer's Matching Contributions apply in the same manner to Roth Deferrals as they apply to Pre-Tax Deferrals.

(4) **Contribution timing.** The time period that the Employer elects for computing its Matching Contributions does not require that the Employer actually contribute the Matching Contribution at any particular time.

(5) **Participating Employers.** If any Participating Employers contribute Matching Contributions to the Plan, the Employer in its Adoption Agreement must elect whether the Plan Administrator will allocate Matching Contributions only to Participants directly employed by the contributing Employer or to all Participants regardless of which

Employer contributes or how much any Employer contributes. The allocation of Matching Contributions under this Section 3.03(A)(5) also applies to the allocation of any forfeiture attributable to Matching Contributions and which the Plan allocates to Participants.

(B) Matching Catch-Up Deferrals. The Employer in its Adoption Agreement must elect whether or not to match any Catch-Up Deferrals if the Plan permits Catch-Up Deferrals. The Employer's election to match Catch-Up Deferrals will apply to all Matching Contributions or will specify the Fixed Matching Contributions or Discretionary Matching Contributions which apply to the Catch-Up Deferrals. The Employer's election to match Catch-Ups may apply to Age 50 Catch-Ups, or to Qualified Organization Catch-Ups, or to both.

3.04 NONELECTIVE CONTRIBUTIONS. This Section applies to Nonelective Contributions. Except as provided in Section 3.04(D), the provisions of this Section with regard to Nonelective Contributions for a Plan Year are limited to Participants who have Compensation for the Plan Year. Section 3.04(D) describes contributions for former Employees who have Deemed Includible Compensation.

(A) Amount and Type. The Employer in its Adoption Agreement must elect the type and amount of Nonelective Contributions.

(1) **Discretionary Nonelective Contribution.** The Employer in its Adoption Agreement may elect to make Discretionary Nonelective Contributions.

(2) **Fixed Nonelective.** The Employer in its Adoption Agreement may elect to make Fixed Nonelective Contributions. The Employer must specify the time period to which any fixed contribution formula will apply (which is deemed to be the Plan Year if the Employer does not so specify) and must elect the allocation method which may be the same as the contribution formula or may be a different allocation method under Section 3.04(B).

(3) **Mandatory Employee Contributions.** The Employer in its Adoption Agreement may require Mandatory Employee Contributions of some or all Participants either as a condition of employment or through an irrevocable one-time election described in Section 1.24(F). The Employer must specify the time period to which any Mandatory Employee Contribution formula will apply (which is deemed to be the Plan Year if the Employer does not so specify). Any such contribution will be allocated as a Nonelective Contribution to the Account of the Participant who made it. Such amounts will be fully Vested and will not be subject to the allocation conditions of Section 3.06.

(4) **Participating Employers.** If any Participating Employers contribute Nonelective Contributions to the Plan, the Employer in its Adoption Agreement must elect: (a) whether each Participating Employer will be subject to the same or different Nonelective Contribution formulas under Section 3.04(A) and allocation methods under Section 3.04(B) than the Signatory Employer; and (b) whether, under Section 3.04(B), the Plan Administrator will allocate Nonelective Contributions only to Participants directly employed by the contributing Employer or to all Participants regardless of which Employer contributes or how much any Employer contributes. The allocation of Nonelective Contributions under this Section 3.04(A)(4) also applies to the allocation of any forfeiture attributable to Nonelective Contributions and which the Plan allocates to Participants.

(B) Method of Allocation. The Employer in its Adoption Agreement must specify the method of allocating Nonelective Contributions to the Plan. The Plan Administrator will apply this Section 3.04(B) by including in the allocation only those Participants who have satisfied the Plan's allocation conditions under Section 3.06, if any, applicable to the contribution. The Plan Administrator, in allocating a contribution under any allocation formula which is based in whole or in part on Compensation, will take into account Compensation under Section 1.11 as the Employer elects in its Adoption Agreement and only will take into account the Compensation of the Participants entitled to an allocation. In addition, if the Employer has elected in its Adoption Agreement to define allocation Compensation over a time period which is less than a full Plan Year, the Plan Administrator will apply the allocation methods in this Section 3.04(B) based on Participant Compensation within the relevant time period.

(1) **Pro rata allocation formula.** The Employer in its Adoption Agreement may elect a pro rata allocation formula. Under a pro rata allocation formula, the Plan Administrator will allocate the Employer Contributions for a Plan Year in the same ratio that each Participant's Compensation for the Plan Year (or other applicable period) bears to the total Compensation of all Participants for the Plan Year (or other applicable period).

© 2018 National Benefit Services, LLC or its suppliers

(2) **Permitted disparity allocation formula.** The Employer in its Adoption Agreement may elect a permitted disparity formula, providing allocations described in (a) below.

(a) **Two-tiered formula.**

(i) **Tier one.** Under the first tier, the Plan Administrator will allocate the Employer Contributions for a Plan Year in the same ratio that each Participant's Compensation plus Excess Compensation (as the Employer defines that term in its Adoption Agreement) for the Plan Year bears to the total Compensation plus Excess Compensation of all Participants for the Plan Year. The allocation under this first tier, as a percentage of each Participant's Compensation plus Excess Compensation, must not exceed the applicable percentage (5.7%, 5.4%, or 4.3%) listed under Section 3.04(B)(2)(b).

(ii) **Tier two.** Under the second tier, the Plan Administrator will allocate any remaining Employer Contributions for a Plan Year in the same ratio that each Participant's Compensation for the Plan Year bears to the total Compensation of all Participants for the Plan Year.

(b) **Maximum disparity table.** For purposes of the permitted disparity allocation formulas under this Section 3.04(B)(2), the applicable percentage is:

Integration level % of Taxable Wage Base	Applicable %
100%	5.7%
More than 80% but less than 100%	5.4%
More than 20% (but not less than $10,001) and not more than 80%	4.3%
20% (or $10,000, if greater) or less	5.7%

For this purpose, the Taxable Wage Base is the contribution and benefit base under section 230 of the Social Security Act in effect at the beginning of the Plan Year. The integration level is the uniform amount specified in the Employer's Adoption Agreement.

(c) **Overall permitted disparity limits.**

(i) **Annual overall permitted disparity limit.** Notwithstanding Section 3.04(B)(2)(a), for any Plan Year the Plan benefits any Participant who benefits under another plan maintained by the Employer that provides for permitted disparity (or imputes disparity), the Plan Administrator will allocate Employer Contributions to the Account of each Participant in the same ratio that each Participant's Compensation bears to the total Compensation of all Participants for the Plan Year.

(ii) **Cumulative permitted disparity limit.** Effective for Plan Years beginning after December 31, 1994, the cumulative permitted disparity limit for a Participant is 35 total cumulative permitted disparity years. "Total cumulative permitted disparity years" means the number of years credited to the Participant for allocation or accrual purposes under the Plan, any other qualified plan or simplified employee pension plan (whether or not terminated) ever maintained by the Employer. For purposes of determining the Participant's cumulative permitted disparity limit, the Plan Administrator will treat all years ending in the same calendar year as the same year. If the Participant has not benefited under a Defined Benefit Plan or under a target benefit plan of the Employer for any year beginning after December 31, 1993, the Participant does not have a cumulative permitted disparity limit.

For purposes of this Section 3.04(B)(2)(c), a Participant "benefits" under a plan for any Plan Year during which the Participant receives, or is deemed to receive, a contribution allocation in accordance with Treas. Reg. §1.410(b)-3(a).

(d) **Pro-ration of integration level.** In the event that the Plan Year is less than 12 months and the Plan Administrator will allocate the Employer Contribution based on Compensation for the short Plan Year, the Plan Administrator will pro rate the integration level based on the number of months in the short Plan Year. The Plan Administrator will not pro rate the integration level in the case of: (i) a Participant who participates in the Plan for less than the entire 12 month Plan Year and whose allocation is based on Participating Compensation; (ii) a new Plan established mid-Plan Year, but with an Effective Date which is as of the beginning of the Plan Year; or (iii) a terminating Plan which bases allocations on Compensation through the effective date of the termination, but where the Plan Year continues for the balance of the full 12 month Plan Year.

(3) **Classifications allocation formula.** The Employer in its Adoption Agreement may elect to specify classifications of Participants to whom the Plan Administrator will allocate any Employer Contribution.

(a) **Classifications.** The Employer may elect to specify any number of classifications and a classification may consist of any number of Participants. The Employer also may elect to put each Participant in his/her own classification.

© 2018 National Benefit Services, LLC or its suppliers

(b) **Allocation of contribution within classifications.** The Plan Administrator will apportion the Employer Contribution for a Plan Year to the classifications as the Employer designates in writing at the time that the Employer makes the contribution. If there is more than one Participant in a classification, the Plan Administrator will allocate the Employer Contribution for the Plan Year within each classification as the Employer elects in its Adoption Agreement which may be: (i) in the same ratio that each Participant's Compensation for the Plan Year bears to the total Plan Year Compensation for all Participants within the same classification (pro rata); or (ii) the same dollar amount to each Participant within a classification.

(c) **Shifting classifications within the Plan Year.** If a Participant during a Plan Year shifts from one classification to another, the Plan Administrator will apportion the Participant's allocation for each classification pro rata based on the Participant's Compensation for the part of the Plan Year the Participant was a member of the classification, unless the Employer in Appendix B to its Adoption Agreement: (i) specifies apportionment based on the number of months or days a Participant spends in a classification; or (ii) elects that the Employer will direct the Plan Administrator as to which classification the Participant will participate in during that entire Plan Year.

(4) **Age-based allocation formula.** The Employer in its Adoption Agreement may elect an age-based allocation formula. The Plan Administrator will allocate the Employer Contribution for the Plan Year in the same ratio that each Participant's Benefit Factor for the Plan Year bears to the sum of the Benefit Factors of all Participants for the Plan Year. As such, the total Employer Contribution will be allocated to each Participant sharing in the allocation such that the equivalent benefit accrual rate for each such Participant is identical.

(a) **Definition of Benefit Factor.** A Participant's Benefit Factor is his/her Compensation for the Plan Year multiplied by the Participant's Actuarial Factor.

(b) **Definition of Actuarial Factor.** A Participant's Actuarial Factor is the factor that the Plan Administrator establishes based on the interest rate and mortality table the Employer elects in its Adoption Agreement. If the Employer elects to use the UP-1984 table, a Participant's Actuarial Factor is the factor in Table I of Appendix C to the Adoption Agreement or is the product of the factors in Tables I and II of Appendix C to the Adoption Agreement if the Plan's Normal Retirement Age is not age 65. If the Employer in its Adoption Agreement elects to use a table other than the UP-1984 table, the Plan Administrator will determine a Participant's Actuarial Factor in accordance with the designated table (which the Employer will attach to the Adoption Agreement as a substituted Appendix C) and the Adoption Agreement elected interest rate.

(5) **Incorporation of fixed formula.** The Employer in its Adoption Agreement may elect to allocate Employer Contributions in accordance with the Plan's fixed Employer Contribution formula. In such event, the Plan Administrator will allocate the Employer Contributions for a Plan Year in accordance with the Fixed Nonelective or other Employer Contribution formula. See Section (A)(3) regarding the allocation of Mandatory Employee Contributions.

(C) [Reserved]

(D) Former Employees. If the Employer elects in its Adoption Agreement, the Employer may make Nonelective Contributions with respect to one or more former Employees who have Separated from Service and have Deemed Includible Compensation. The Employer in its Adoption Agreement must elect the contribution and which Participants shall be entitled to receive the Nonelective Contribution. If the Employer elects the discretionary contribution, then the Plan Administrator will allocate the contribution in accordance with the principles of Section (B)(3), treating each such former Employee as being in a separate classification. The allocation conditions of Section 3.06 will not apply to contributions made pursuant to this Section and the former Employee will be fully Vested in such contributions. No former Employee will be eligible to receive such an allocation for a calendar year beginning more than 5 years after the Employee Separated from Service.

3.05 [RESERVED]

3.06 ALLOCATION CONDITIONS. The Employer in its Adoption Agreement will elect the allocation conditions, if any, which the Plan Administrator will apply in allocating Employer Contributions (except for those contributions described below) and in allocating forfeitures allocated as an Employer Contribution under the Plan.

(A) Contributions Not Subject to Allocation Conditions. The Employer may not elect to impose any allocation conditions on: (1) Elective Deferrals; (2) Additional Matching Contributions; (3) Employee Contributions; or (4) Nonelective Contributions to former Employees under Section 3.04(D); or (5) Rollover Contributions.

© 2018 National Benefit Services, LLC or its suppliers

(B) Conditions. The Employer in its Adoption Agreement may elect to impose allocation conditions based on Hours of Service or employment at a specified time (or both), in accordance with this Section 3.06(B). The Employer may elect to impose different allocation conditions to different Employer Contribution Types under the Plan. A Participant does not accrue an Employer Contribution or forfeiture allocated as an Employer Contribution with respect to a Plan Year or other applicable period, until the Participant satisfies the allocation conditions for that Employer Contribution Type.

(1) **Hours of Service requirement.** The Plan Administrator will not allocate any portion of an Employer Contribution for a Plan Year to any Participant's Account if the Participant does not complete the applicable minimum Hours of Service (or consecutive calendar days of employment under the Elapsed Time Method) requirement the Employer specifies in its Adoption Agreement for the relevant period.

(a) **1,000 HOS in Plan Year/other HOS requirement.** The Employer may elect to require a Participant to complete: (i) 1,000 Hours of Service during the Plan Year (or to be employed for at least 182 consecutive calendar days under the Elapsed Time Method); (ii) a specified number of Hours of Service during the Plan Year which is less than 1,000 Hours of Service; or (iii) a specified number of Hours of Service within the time period the Employer elects in its Adoption Agreement, but not exceeding 1,000 Hours of Service in a Plan Year. The Plan may impose allocation conditions other than those specified here.

(b) **501 HOS/terminees.** The Employer in its Adoption Agreement may elect to require a Participant to complete during a Plan Year 501 Hours of Service (or to be employed for at least 91 consecutive calendar days under the Elapsed Time Method) to share in the allocation of Employer Contributions for that Plan Year where the Participant is not employed by the Employer on the last day of that Plan Year, including the Plan Year in which the Employer terminates the Plan.

(c) **Short Plan Year or allocation period.** This Section 3.06(B)(1)(c) applies to any Plan Year or to any other allocation time period under the Adoption Agreement which is less than 12 months, where in either case, the Employer creates a short allocation period on account of a Plan amendment, the termination of the Plan or the adoption of the Plan with an initial short Plan Year. In the case of any short allocation period, the Plan Administrator will prorate any Hour of Service requirement based on the number of days in the short allocation period divided by the number of days in the normal allocation period, using 365 days in the case of Plan Year allocation period. The Employer in Appendix B to its Adoption Agreement may elect not to pro-rate Hours of Service in any short allocation period or to apply a monthly pro-ration method.

(2) **Last day requirement.** The Employer may elect to require a Participant to be employed by the Employer on the last day of the Plan Year or other specified period or on a specified date.

(C) Time Period. The Employer in its Adoption Agreement will elect the time period to which the Plan Administrator will apply any allocation condition. The Employer may elect to apply the same time period to all Contribution Types or to elect a different time period based on Contribution Type.

(D) Death, Disability or Retirement Age. The Employer in its Adoption Agreement will elect whether any elected allocation condition applies or is waived for a Plan Year if a Participant incurs a Separation from Service during the Plan Year on account of the Participant's death, Disability or attainment of Normal Retirement Age or Early Retirement Age in the current Plan Year or on account of the Participant's Disability or attainment of Normal Retirement Age or Early Retirement Age in a prior Plan Year. The Employer's election may be based on Contribution Type or may apply to all Contribution Types.

(E) No Other Conditions. In allocating Employer Contributions under the Plan, the Plan Administrator will not apply any other allocation conditions except those the Employer elects in its Adoption Agreement or otherwise as the Plan may require.

3.07 FORFEITURE ALLOCATION. The amount of a Participant's Account forfeited under the Plan is a Participant forfeiture. The Employer may direct the Plan Administrator to use Forfeitures to reinstate previously forfeited Account Balances of Participants, if any, in accordance with Section 5.07, or to satisfy any contribution that may be required pursuant to Section 7.07.

(A) Allocation Method. The Employer in its Adoption Agreement must specify the method or methods the Plan Administrator will apply to allocate forfeitures. If the Employer elects more than one method, unless the Employer designates a specific ordering in its Adoption Agreement, the Plan Administrator may allocate the forfeitures by applying one or more of such elected methods in any order as the Plan Administrator operationally may determine, until the forfeitures are fully allocated to the applicable forfeiture allocation Plan Year.

(1) **Forfeiture source.** The Employer in its Adoption Agreement may elect a different allocation method based on the forfeiture source (from Nonelective Contributions or from Matching Contributions) or may elect to apply the same allocation method to all forfeitures.

(a) **Attributable to Matching.** A Participant's forfeiture is attributable to Matching Contributions if the forfeiture is: (i) from the non-Vested portion of a Matching Contribution Account forfeited in accordance with Section 5.07 or, if applicable, Section 7.07; or (ii) an Associated Matching Contribution.

© 2018 National Benefit Services, LLC or its suppliers

(b) **Definition of Associated Matching Contribution.** An Associated Matching Contribution includes any Vested or non-Vested Matching Contribution (including Allocable Income) made as to Elective Deferrals or Employee Contributions the Plan Administrator distributes under Section 4.02(E) (Excess Amount), Section 4.10(A) (Excess Deferrals), or Section 7.08 relating to Plan correction.

(c) **Forfeiture or distribution of Associated Match.** An Employee forfeits an Associated Matching Contribution. A forfeiture under this Section 3.07(A)(1)(c) occurs no later than the Plan Year after the year for which the Matching Contribution was made and the forfeiture is allocated in the Plan Year described in Section 3.07(B). In the event of correction under Section 7.08 resulting in forfeiture of Associated Matching Contributions, the forfeiture occurs in the Plan Year of correction.

(2) **Application of "reduce" option/excess forfeitures.** If the Employer elects to allocate forfeitures to reduce Nonelective or Matching Contributions and the allocable forfeitures for the forfeiture allocation Plan Year described in Section 3.07(B) exceed the amount of the applicable contribution for that Plan Year to which the Plan Administrator would apply the forfeitures (or there are no applicable contributions under the Plan), the Plan Administrator will allocate the remaining forfeitures in the forfeiture allocation Plan Year. In such event, the Plan Administrator will allocate the remaining forfeitures to pay Plan expenses, as an additional Discretionary Nonelective Contribution or as a Discretionary Matching Contribution, as the Plan Administrator determines.

(3) **Plan expenses.** If the Employer in its Adoption Agreement elects to apply forfeitures to the payment of Plan expenses under Section 7.04(C), the Employer must elect at least one additional allocation method so that if the Plan Administrator elects to first apply the forfeitures to the payment of Plan expenses, and the forfeitures exceed the Plan's expenses, the Plan Administrator will apply any remaining forfeitures under the additional method the Employer has elected in its Adoption Agreement. The Plan Administrator may elect not to apply forfeitures to the payment of Plan expenses which are allocated to specific Participant accounts under Section 7.04(C)(2)(b).

(4) **No allocation to Elective Deferral Accounts.** The Plan Administrator will not allocate forfeitures to any Participant's Elective Deferral Account, including his/her Roth Deferral Account.

(5) **Allocation under classifications.** If the Employer in its Adoption Agreement has elected to allocate its Nonelective Contributions based on classifications of Participants, the Plan Administrator will allocate any forfeitures which under the Plan are allocated as additional Nonelective Contributions: (a) first to each classification pro rata in relation to the Employer's Nonelective Contribution to that classification for the forfeiture allocation Plan Year described in Section 3.07(B); and (b) second, the total amount of forfeitures allocated to each classification under (a) are allocated in the same manner as are the Nonelective Contributions to be allocated to that classification.

(6) **Limitation on forfeiture uses.** Forfeitures cannot be used as Elective Deferrals.

(B) Timing (forfeiture allocation Plan Year). The Plan Administrator will allocate Participant forfeitures (including the Earnings thereon) no later than the last day of the Plan Year following the Plan Year in which the forfeiture occurs. See Sections 3.07(A)(1)(c), 5.07 and 7.07 as to when a forfeiture occurs. If the Employer in its Adoption Agreement elects to apply forfeitures to the payment of Plan expenses, the Plan Administrator, consistent with this election, may apply forfeitures to pay Plan expenses which the Plan incurs in the forfeiture allocation Plan Year, but which the Plan Administrator pays within a reasonable time after the end of the forfeiture allocation Plan Year.

(1) **Allocation timing.** The Employer may elect different allocation timing based on the forfeiture source (from Nonelective Contributions or from Matching Contributions) or may elect to apply the same allocation timing to all forfeitures.

(2) **Contribution amount and timing not relevant.** The forfeiture allocation timing rules in this Section 3.07(B) apply irrespective of when the Employer makes its Employer Contribution for the forfeiture allocation Plan Year, and irrespective of whether the Employer makes an Employer Contribution for that Plan Year.

(C) Administration of Account Pending/Incurring Forfeiture. The Plan Administrator will continue to hold the undistributed, non-Vested portion of the Account of a Participant who has incurred a Separation from Service solely for his/her benefit until a forfeiture occurs at the time specified in Section 5.07 or if applicable, until the time specified in Section 7.07.

(D) Participant Does Not Share in Own Forfeiture. A Participant will not share in the allocation of a forfeiture of any portion of his/her Account, even if the Participant otherwise is entitled to an allocation of Employer Contributions and forfeitures in the forfeiture allocation Plan Year described in Section 3.07(B). If the forfeiting Participant is entitled to an allocation of Employer Contributions and forfeitures in the forfeiture allocation Plan Year, the Plan Administrator only will allocate to the Participant a share of the allocable forfeitures attributable to other forfeiting Participants.

(E) Plan Merger. In the event that the Employer merges another plan into this Plan, and does not fully vest upon merger the participant accounts in the merging plan, the Plan Administrator will allocate any post-merger forfeitures attributable to the merging plan in accordance with the Employer's elections in its Adoption Agreement. The Employer may elect to limit any such forfeiture allocation only to those Participants who were also participants in the merged plan, but in the absence of

© 2018 National Benefit Services, LLC or its suppliers

such an election, all Participants who have satisfied any applicable allocation conditions under Section 3.06 will share in the forfeiture allocation.

3.08 ROLLOVER CONTRIBUTIONS. The Plan Administrator will apply this Section 3.08 in administering Rollover Contributions to the Plan, if any.

(A) Policy Regarding Rollover Acceptance. Unless it is prohibited in the Adoption Agreement, the Plan Administrator, operationally (except as to In-Plan Roth Rollover Contributions under Section 3.08(E)), may elect to permit or not to permit Rollover Contributions to this Plan (even if the Plan is a Frozen Plan) or may elect to limit an Eligible Employee's right or a Participant's right to make a Rollover Contribution. The Plan Administrator also may adopt, amend or terminate any policy regarding the Plan's acceptance of Rollover Contributions. If the Employer in its Adoption Agreement elects to permit In-Plan Roth Rollover Contributions, the Plan Administrator will administer In-Plan Roth Rollover Contributions in accordance with Section 3.08(E) and the Employer's Adoption Agreement elections.

(1) **Rollover documentation.** If the Plan Administrator permits Rollover Contributions, any Participant (or as applicable, any Eligible Employee), with the Plan Administrator's written consent and after filing with the Plan Administrator the form prescribed by the Plan Administrator, may make a Rollover Contribution to the Plan. Before accepting a Rollover Contribution, the Plan Administrator may require a Participant (or Eligible Employee) to furnish satisfactory evidence the proposed rollover is in fact a permissible "rollover contribution" under the Code.

(2) **Declination/related expense.** The Plan Administrator, in its sole discretion, may decline to accept a Rollover Contribution of property which could: (a) generate unrelated business taxable income; (b) create difficulty or undue expense in storage, safekeeping or valuation; (c) include property the Plan cannot hold: (d) violate applicable Investment Arrangement Documentation; or (e) create other practical problems for the Plan. The Plan Administrator also may accept the Rollover Contribution on condition that the Participant's or Employee's Account is charged with all expenses associated therewith.

(B) Limited Testing. A Rollover Contribution is not an Annual Addition under Section 4.05(A).

(C) Pre-Participation Rollovers. If an Eligible Employee makes a Rollover Contribution to the Plan prior to satisfying the Plan's eligibility conditions or prior to reaching his/her Entry Date, the Plan Administrator must treat the Employee as a limited Participant (as described in Rev. Rul. 96-48). A limited Participant does not share in the Plan's allocation of Employer Contributions nor Participant forfeitures and may not make Elective Deferrals until he/she actually becomes a Participant in the Plan. If a limited Participant has a Separation from Service prior to becoming a Participant in the Plan, the Plan will distribute his/her Rollover Contributions Account to him/her in accordance with Section 6.01(B).

(D) May Include Employee Contributions and Roth Deferrals. A Rollover Contribution may include Employee Contributions and Roth Deferrals made to another plan, as adjusted for Earnings. In the case of Employee Contributions: (1) such amounts must be directly rolled over into this Plan from another plan which is qualified under Code §401(a), is a 403(b) plan, or is a governmental 457(b) plan; and (2) the Plan must account separately for the Rollover Contribution, including the Employee Contribution and the Earnings thereon. In the case of Roth Deferrals: (1) such amounts must be directly rolled over into this Plan from another plan which is qualified under Code §401(a) or from a §403(b) plan or from a governmental 457(b) plan; (2) the Plan must account separately for the Rollover Contribution, including the Roth Deferrals and the Earnings thereon; and (3) this Plan must permit Roth Deferrals.

(E) In-Plan Roth Rollover Contributions.

(1) **Employer Election.** The Employer in its Adoption Agreement in which the Employer has elected to permit Roth Deferrals also will elect whether to permit an In-Plan Roth Rollover Contribution in accordance with this Section 3.08(E) with regard to otherwise distributable amounts and/or otherwise nondistributable amounts. If the Employer elects to permit such contributions, the Employer in its Adoption Agreement will specify the Effective Date thereof which may not be earlier than distributions made after September 27, 2010, and may not be earlier than January 1, 2013 in the case of rollovers of otherwise nondistributable amounts.

(2) **Eligibility for Distribution and Rollover.** A Participant may not make an In-Plan Roth Rollover Contribution with regard to an otherwise distributable amount which is not an Eligible Rollover Distribution.

(a) **Parties eligible to elect.** The Employer in Appendix B to its Adoption Agreement can limit to Employees the right to elect to make In-Plan Roth rollovers. If the Employer does not make this election, for purposes of eligibility for an In-Plan Roth Rollover, the Plan will treat a Participant's surviving spouse Beneficiary or alternate payee spouse or alternate payee former spouse as a Participant. A non-spouse Beneficiary may not make an In-Plan Roth Rollover.

(b) **Distribution from partially Vested account.** In-Plan Roth Rollovers are permitted only from Vested amounts allocated to a qualifying source but may be made from partially Vested Accounts unless the Employer elects otherwise in Appendix B to its Adoption Agreement. If a distribution is made to a Participant who has not incurred a Severance from Employment and who is not fully Vested in the Participant's Account from which the In-Plan Roth Rollover Contribution is to be made, and the Participant may increase the Vested

© 2018 National Benefit Services, LLC or its suppliers

percentage in such Account, then at any relevant time Section 5.03(C) will apply to determine the Participant's Vested portion of the Account.

(3) **Form and Source of Rollover.**

(a) **Direct Rollover.** An In-Plan Roth Rollover Contribution may be made only by a Direct Rollover.

(b) **Account source.** A Participant may make an In-Plan Roth Rollover from any account (other than a Roth account) unless the Employer otherwise elects in Appendix B to its Adoption Agreement. Also see Section 6.01(D)(7).

(c) **Cash or in-kind.** The Plan Administrator will effect an In-Plan Roth Rollover Contribution by rolling over the Participant's current investments to the In-Plan Roth Rollover Account. A Plan loan so rolled over without changing the repayment schedule is not treated as a new loan. However the Employer in Appendix B to its Adoption Agreement, may provide that loans cannot be rolled over in an In-Plan Roth Rollover.

(d) **No Rollover or Distribution Treatment.** Notwithstanding any other Plan provision, an In-Plan Roth Rollover Contribution is not a Rollover Contribution for purposes of the Plan. Accordingly: (a) if the Employer in its Adoption Agreement has elected $5,000 as the Plan limit on Mandatory Distributions, the Plan Administrator will take into account amounts attributable to an In-Plan Roth Rollover Contribution, in determining if the $5,000 limit is exceeded, regardless of the Employer's election as to whether to count Rollover Contributions for this purpose; (b) no spousal consent is required for a Participant to elect to make an In-Plan Roth Rollover Contribution; (c) Protected Benefits with respect to the amounts subject to the In-Plan Roth Rollover are preserved; and (d) mandatory 20% federal income tax withholding does not apply to the In-Plan Roth Rollover Contribution.

(e) **Coordination with Vendor.** In-Plan Roth Rollovers are not permitted from a source or under circumstances not permitted by the Vendor's rules. For example, if a Vendor's rules do not permit in-Plan Roth Rollovers from otherwise nondistributable amounts, then the Participant cannot make such rollovers from Investment Arrangements that Vendor provides.

3.09 EMPLOYEE CONTRIBUTIONS. An Employer must elect in its Adoption Agreement whether to permit Employee Contributions. If the Employer elects to permit Employee Contributions, the Employer also must specify in its Adoption Agreement any limitations which apply to Employee Contributions. Employee Contributions will be accepted for an Investment Arrangement only to the extent permitted in the Investment Arrangement Documentation. If the Employer permits Employee Contributions, the Plan Administrator operationally will determine if a Participant will make Employee Contributions through payroll deduction or by other means.

(A) [Reserved]

(B) Matching. The Employer in its Adoption Agreement must elect whether the Employer will make Matching Contributions as to any Employee Contributions and, as applicable, the matching formula.

(C) Administrative provisions. The Plan Administrator may prescribe one or more forms relating to Employee Contributions, and may adopt an Employee Contribution policy. The Employee Contribution form or policy may specify limits and conditions applicable to Employee Contributions, consistent with Code §403(b).

(1) **Minimum Amount.** The Plan Administrator may establish an annual minimum Employee Contribution, and may change such minimum to a different amount from time to time.

(2) **Termination.** Any election on an Employee Contribution form shall remain in effect until a new election is filed or the election is revoked or otherwise terminates. The termination of a Participant's employment automatically revokes the Participant's election with regard to periods after the Participant is rehired.

3.10 USERRA/HEART ACT CONTRIBUTIONS.

(A) Application. This Section 3.10 applies to an Employee who: (1) has completed Qualified Military Service under USERRA; (2) the Employer has rehired under USERRA; and (3) is a Participant entitled to make-up contributions under Code §414(u). This Section 3.10 also applies to an Employee who dies or becomes disabled while performing Qualified Military Service, as provided in Sections 3.10(K) and the Employer's Adoption Agreement elections.

(B) Employer Contributions. The Employer will make up any Employer Contribution the Employer would have made and which the Plan Administrator would have allocated to the Participant's Account had the Participant remained employed by the Employer during the period of Qualified Military Service.

(C) Compensation. For purposes of this Section 3.10, the Plan Administrator will determine an affected Participant's Compensation as follows. A Participant during his/her period of Qualified Military Service is deemed to receive Compensation equal to that which the Participant would have received had he/she remained employed by the Employer, based on the Participant's rate of pay that would have been in effect for the Participant during the period of Qualified Military

© 2018 National Benefit Services, LLC or its suppliers

Service. If the Compensation during such period would have been uncertain, the Plan Administrator will use the Participant's actual average Compensation for the 12 month period immediately preceding the period of Qualified Military Service, or if less, for the period of employment.

(D) Elective Deferrals/Employee Contributions. If the Plan provided for Elective Deferrals, Employee Contributions or Mandatory Employee Contributions during a Participant's period of Qualified Military Service, the Plan Administrator must allow a Participant under this Section 3.10 to make up such Elective Deferrals, Employee Contributions or Mandatory Employee Contributions to his/her Account. The Participant may make up the maximum amount of Elective Deferrals, Employee Contributions or Mandatory Employee Contributions which he/she under the Plan terms would have been able to contribute during the period of Qualified Military Service (less any such amounts the Participant actually contributed during such period) and the Participant must be permitted to contribute any lesser amount as the Plan would have permitted. The Participant must make up any contribution under this Section 3.10(D) commencing on his/her Re-Employment Commencement Date and not later than 5 years following reemployment (or if less, a period equal to 3 times the length of the Participant's Qualified Military Service triggering such make-up contribution).

(E) Matching Contributions. The Employer will make up any Matching Contribution that the Employer would have made and which the Plan Administrator would have allocated to the Participant's Account during the period of Qualified Military Service, but based on any make-up Elective Deferrals or make-up Employee Contributions that the Participant makes under Section 3.10(D).

(F) Limitations/Testing. Contributions under this Section 3.10 are Annual Additions and are tested under Section 4.10(A) (Elective Deferral Limit) in the year to which such contributions are allocated, but not in the year in which such contributions are made.

(1) **Differential Wage Payments.** The Plan is not treated as failing to meet the requirements of any provision described in this Section 3.10(F) by reason of any contribution or benefit which is based on a Differential Wage Payment. The preceding sentence applies only if all Employees performing service in the uniformed services described in Code §3401(h)(2)(A) are entitled to receive Differential Wage Payments on reasonably equivalent terms and, if eligible to participate in a retirement plan maintained by the Employer, to make contributions based on the payments on reasonably equivalent terms (taking into account Code §§410(b)(3), (4), and (5)). The Plan Administrator operationally may determine, for purposes of any provision described in this Section 3.10(F), whether to take into account any Elective Deferrals, and if applicable, any Matching Contributions, attributable to Differential Wage Payments.

(G) No Earnings. A Participant receiving any make-up contribution under this Section 3.10 is not entitled to an allocation of any Earnings on any such contribution prior to the time that the Employer actually makes the contribution (or timely deposits the Participant's own make-up Elective Deferrals or Employee Contributions) to the Plan.

(H) No Forfeitures. A Participant receiving any make-up allocation under this Section 3.10 is not entitled to an allocation of any forfeitures allocated during the Participant's period of Qualified Military Service.

(I) Allocation Conditions. For purposes of applying any Plan allocation conditions under Section 3.06, the Plan Administrator will treat any period of Qualified Military Service as Service.

(J) HEART Act Death Benefits. If a Participant dies while performing Qualified Military Service, the Participant's Beneficiary is entitled to any additional benefits (other than benefit accruals relating to the period of Qualified Military Service) provided under the Plan as if the Participant had resumed employment and then terminated employment on account of death. Moreover, the Plan will credit the Participant's Qualified Military Service as service for vesting purposes, as though the Participant had resumed employment under USERRA immediately prior to the Participant's death.

(K) HEART Act Continued Benefit Accrual. This Section 3.10(K) does not apply unless the Employer in Appendix B to its Adoption Agreement elects to apply such provisions. If this Section 3.10(K) applies, then for benefit accrual purposes, the Plan treats an individual who dies or becomes disabled while performing Qualified Military Service with respect to the Employer as if the individual had resumed employment in accordance with the individual's reemployment rights under USERRA, on the day preceding death or Disability (as the case may be) and terminated employment on the actual date of death or Disability.

(1) **Determination of benefits.** The Plan will determine the amount of Employee Contributions and the amount of Elective Deferrals of an individual treated as reemployed under this Section 3.10(K) for purposes of applying Code §414(u)(8)(C) on the basis of the individual's average actual Employee Contributions or Elective Deferrals for the lesser of: (a) the 12-month period of service with the Employer immediately prior to Qualified Military Service; or (b) the actual length of continuous service with the Employer.

ARTICLE 4. LIMITATIONS AND TESTING

4.01 ANNUAL ADDITIONS LIMIT. The amount of Annual Additions which the Plan Administrator may allocate under this Plan to a Participant's Account for a Limitation Year may not exceed the Annual Additions Limit.

(A) Actions to Prevent Excess Amount. If the Annual Additions the Plan Administrator otherwise would allocate under the Plan to a Participant's Account for the Limitation Year would exceed the Annual Additions Limit, the Plan Administrator will not allocate the Excess Amount, but instead will take any reasonable, uniform action the Plan Administrator determines necessary to avoid allocation of an Excess Amount. Such actions include, but are not limited to, those described in this Section 4.01(A). The Plan Administrator may apply this Section 4.01 in a manner which maximizes the allocation to a Participant of Employer Contributions (exclusive of the Participant's Elective Deferrals). Notwithstanding any contrary Plan provision, the Plan Administrator, for the Limitation Year, may: (1) suspend or limit a Participant's additional Employee Contributions or Elective Deferrals; (2) notify the Employer to reduce the Employer's future Plan contribution(s) as necessary to avoid allocation to a Participant of an Excess Amount; or (3) suspend or limit the allocation to a Participant of any Employer Contribution previously made to the Plan (exclusive of Elective Deferrals) or of any Participant forfeiture. If an allocation of Employer Contributions previously made (excluding a Participant's Elective Deferrals) or of Participant forfeitures would result in an Excess Amount to a Participant's Account, the Plan Administrator will allocate the Excess Amount to the remaining Participants who are eligible for an allocation of Employer Contributions for the Plan Year in which the Limitation Year ends. The Plan Administrator will make this allocation in accordance with the Plan's allocation method as if the Participant whose Account otherwise would receive the Excess Amount is not eligible for an allocation of Employer Contributions. If the Plan Administrator allocates to a Participant an Excess Amount, the Plan Administrator must dispose of the Excess Amount in accordance with Section 4.03.

(B) Estimated and Actual Compensation. Prior to the determination of the Participant's actual Compensation for the Limitation Year, the Plan Administrator may determine the Annual Additions Limit on the basis of the Participant's estimated annual Compensation for such Limitation Year. The Plan Administrator will make this determination on a reasonable and uniform basis for all Participants similarly situated. The Plan Administrator must reduce the allocation of any Employer Contribution (including the allocation of Participant forfeitures) based on estimated annual Compensation by any Excess Amounts carried over from prior years. As soon as is administratively feasible after the end of the Limitation Year, the Plan Administrator will determine the Annual Additions Limit on the basis of the Participant's actual Compensation for such Limitation Year.

4.02 ANNUAL ADDITIONS LIMIT CODE §415 AGGREGATED PLANS.

(A) Application of this Section. This Section 4.02 applies only to Participants who, in addition to this Plan, participate in one or more Code §415 Aggregated Plans.

(1) **Definition of Code §415 Aggregated Plans.** Code §415 Aggregated Plans means 403(b) plans maintained by the Employer or a Predecessor Employer and which provide an Annual Addition during the Limitation Year.

(B) Combined Plans Limitation. The amount of Annual Additions which the Plan Administrator may allocate under this Plan to a Participant's Account for a Limitation Year may not exceed the Combined Plans Limitation.

(1) **Definition of Combined Plans Limitation.** The Combined Plans Limitation is the Annual Additions Limit, reduced by the sum of any Annual Additions allocated to the Participant's accounts for the same Limitation Year under the Code §415 Aggregated Plans.

(2) **Prevention.** If the amount the Employer otherwise would allocate to the Participant's Account under this Plan would cause the Annual Additions for the Limitation Year to exceed this Section 4.02(B) Combined Plans Limitation, the Employer will reduce the amount of its allocation to that Participant's Account in the manner described in Section 4.01, so the Annual Additions under all of the Code §415 Aggregated Plans for the Limitation Year will equal the Annual Additions Limit.

(3) **Correction.** If the Plan Administrator allocates to a Participant an amount attributed to this Plan under Section 4.02(D) which exceeds the Combined Plans Limitation, the Plan Administrator must dispose of the Excess Amount in accordance with Section 4.02(E).

(C) Estimated and Actual Compensation. Prior to the determination of the Participant's actual Compensation for the Limitation Year, the Plan Administrator may determine the Combined Plans Limitation on the basis of the Participant's estimated annual Compensation for such Limitation Year. The Plan Administrator will make this determination on a reasonable and uniform basis for all Participants similarly situated. The Plan Administrator must reduce the allocation of any Employer Contribution (including the allocation of Participant forfeitures) based on estimated annual Compensation by any Excess Amounts carried over from prior years. As soon as is administratively feasible after the end of the Limitation Year, the Plan Administrator will determine the Combined Plans Limitation on the basis of the Participant's actual Compensation for such Limitation Year. See Section 4.05(D) regarding the definition of Compensation.

(D) Ordering Rules. If a Participant's Annual Additions under this Plan and the Code §415 Aggregated Plans result in an Excess Amount, such Excess Amount will consist of the Amounts last allocated. If the Plan Administrator allocates an

© 2018 National Benefit Services, LLC or its suppliers

Excess Amount to a Participant on an allocation date of this Plan which coincides with an allocation date of another plan, unless the Employer specifies otherwise in an Appendix B to its Adoption Agreement, the Excess Amount attributed to this Plan will equal the product of: (1) the total Excess Amount allocated as of such date, multiplied by (2) the ratio of (a) the Annual Additions allocated to the Participant as of such date for the Limitation Year under the Plan to (b) the total Annual Additions allocated to the Participant as of such date for the Limitation Year under this Plan and the Code §415 Aggregated Plans.

(E) Disposition of Allocated Excess Amount Attributable to Plan. The Plan Administrator will dispose of any allocated Excess Amounts described in and attributed to this Plan under Section 4.02(D) as provided in Section 4.03.

(F) Override. The Employer in Appendix B to its Adoption Agreement may specify overriding provisions which will apply to satisfy the requirements of Code §415 and the applicable regulations if the Employer maintains more than one 403(b) plan.

4.03 DISPOSITION OF EXCESS ANNUAL ADDITIONS. If a Participant's Account exceeds the Annual Additions Limit for the Limitation Year, then the Plan Administrator will hold the Excess Amount in a separate account. The Excess Amount held in the separate account is includible in the Participant's gross income (to the extent vested) for the taxable year in which the Employer Contributions exceed the Annual Additions Limit. This separate account will be treated as a separate contract to which 403(c) (or another application provision of the Code) applies. Amounts in the separate account may be distributed at any time, notwithstanding any other provisions of the Plan.

4.04 CONTROLLED EMPLOYER/QUALIFIED DEFINED CONTRIBUTION PLAN.

(A) Application of this Section. If a Participant in a 403(b) Plan also is in control of another employer, the 403(b) Plan is a Defined Contribution Plan maintained both by the controlled employer and by the Participant. In applying the Annual Additions Limit, the Participant must aggregate the 403(b) Plan contributions with all other contributions he/she receives under any qualified Defined Contribution Plan the controlled employer maintains.

(B) Control. For purposes of applying the Annual Additions Limit under Section (A), the Plan Administrator determines control under Code §§414(b) or 414(c), as modified by Code §415(h), in accordance with the rules of Treas. Reg. §1.415(f)-1(f).

(C) Annual Additions. For purposes of this Section, Annual Additions include the following amounts in addition to amounts described in Section 4.05: (1) amounts allocated to an individual medical account (as defined in Code §415(l)(2)) included as part of a pension or annuity plan maintained by the Employer; (2) contributions paid or accrued attributable to post-retirement medical benefits allocated to the separate account of a key-employee (as defined in Code §419A(d)(3)) under a welfare benefit fund (as defined in Code §419(e)) maintained by the Employer; and (3) allocations under a simplified employee pension (SEP) described in Code §408(k). However, the amounts described in (1) and (2) apply solely for purposes of the applying the dollar limitation of Section 4.05(B)(i) and do not apply for purposes of the percentage limitation of Section 4.05(B)(ii).

(D) Annual Notice to Participants. The Plan Administrator will provide written or electronic notice to Participants that explains the limitation in this Section 4.04 in a manner calculated to be understood by the average Participant and informs Participants of their responsibility to provide information to the Plan Administrator that is necessary to satisfy this Section. The notice will advise Participants that the application of the limitations in this Section will take into account information supplied by the Participant and that failure to provide necessary and correct information to the Plan Administrator could result in adverse tax consequences to the Participant, including the inability to exclude contributions to the Plan under Code §403(b). The notice will be provided annually, beginning no later than the later of (1) the year in which the Employee becomes a Participant, or (2) the first Plan Year which begins after the Employer adopts this document.

4.05 DEFINITIONS: SECTIONS 4.01-4.04. The following definitions apply for purposes of Sections 4.01 through 4.04, and supersede any contrary definitions in Article 1:

(A) Annual Additions. Annual Additions means the sum of the following amounts allocated to a Participant's Account for a Limitation Year: (1) Employer Contributions (including Elective Deferrals); (2) forfeitures; (3) Employee Contributions; and (4) Mandatory Employee Contributions.

(1) **Exclusions.** Annual Additions do not include: (a) Catch-Up Contributions; (b) Excess Deferrals which the Plan Administrator corrects by distribution by April 15 of the following calendar year; (c) designated IRA contributions; (d) Restorative Payments; (e) transfers to this Plan; (f) Rollover Contributions (as described in Code §§401(a)(31), 402(c)(1), 403(a)(4), 403(b)(8), 408(d)(3), and 457(e)(16)); (g) In-Plan Roth Rollovers, (h) Repayments of loans made to a Participant from the Plan; and (i) Repayments of amounts described in Code §411(a)(7)(B) (in accordance with Code §411(a)(7)(C)) and Code §411(a)(3)(D) or repayment of contributions to a governmental plan (as defined in Code §414(d)) as described in Code §415(k)(3), as well as Employer restorations of benefits that are required pursuant to such repayments.

(2) **Date of tax-exempt Employer Contributions.** Notwithstanding anything in the Plan to the contrary, in the case of an Employer that is exempt from Federal income tax (including a governmental employer), Employer Contributions are treated as credited to a Participant's account for a particular Limitation Year only if the contributions

© 2018 National Benefit Services, LLC or its suppliers

are actually made to the Plan no later than the 15th day of the tenth calendar month following the end of the calendar year or fiscal year (as applicable, depending on the basis on which the Employer keeps its books) with or within which the particular Limitation Year ends.

(B) Annual Additions Limit. Annual Additions Limit means the lesser of: (i) $40,000 (or, if greater, the $40,000 amount as adjusted under Code §415(d)), or (ii) 100% of the Participant's Compensation for the Limitation Year. If there is a short Limitation Year because of a change in Limitation Year, the Plan Administrator will multiply the $40,000 (as adjusted) limitation by the following fraction:

$$\frac{\text{Number of months (or fractional parts thereof) in the short Limitation Year}}{12}$$

The 100% Compensation limitation in clause (ii) above does not apply to any contribution for medical benefits within the meaning of Code §401(h) or Code §419A(f)(2) which otherwise is an Annual Addition.

(1) **Single plan treatment of 403(b) Plans.** For purposes of applying the Annual Additions Limit, the Plan Administrator must treat all 403(b) Plans (whether or not terminated) maintained by the Employer as a single plan.

(2) **Church plan.** For a Participant who is an Employee of a Church or a convention or association of churches, including an organization described in Code §414(e)(3)(B)(ii), the Annual Additions limit is not less than $10,000 regardless of the Participant's Includible Compensation in the Limitation Year. With respect to any Participant, the total amount of Annual Additions that, but for this Section 4.05(B)(2), would be in excess of the Annual Additions Limit cannot exceed $40,000. Thus, the aggregate of Annual Additions for all Limitation Years that would exceed the Annual Additions Limit but for this rule is limited to $40,000. In the case of a Participant described in Code §415(c)(7)(B) who is performing services outside the United States, the Participant's Annual Additions Limit shall not be less than $3,000, provided the Participant's adjusted gross income for the taxable year (determined separately and without regard to community property laws) exceeds $17,000.

(3) **Certain contributions treated as made to a Defined Contribution Plan.** Solely for purposes of Sections 4.01 through 4.04, the following contributions are treated as contributions to a Defined Contribution Plan: (i) mandatory employee contributions under Code §411(c)(2)(C) made to a Defined Benefit Plan maintained by the Employer, unless such contributions are "picked up" by the Employer under Code §414(h)(2); (ii) contributions to an individual medical account (as defined in Code §415(l)(2)) included as part of a Defined Benefit Plan or annuity plan under Code §401(h) maintained by the Employer; and (iii) a welfare benefit fund under Code §419(e) maintained by the Employer to the extent there are post-retirement medical benefits allocated to the separate account of a key employee (as defined in Code §419A(d)(3)).

(C) Cessation of Affiliation. A Cessation of Affiliation means the event that causes an entity to no longer be aggregated with one or more other entities as a single employer under the employer affiliation rules described in Treas. Reg. §§1.415(a)-1(f)(1) and (2) (such as the sale of a subsidiary outside a controlled group), or that causes a plan to not actually be maintained by any of the entities that constitute the employer under the employer affiliation rules of Treas. Reg. §§1.415(a)-1(f)(1) and (2) (such as a transfer of plan sponsorship outside of a controlled group).

(D) Compensation. Compensation means Includible Compensation and includes Deemed Includible Compensation and Post-Severance Compensation. Compensation includes Elective Deferrals, irrespective of whether the Employer has elected in its Adoption Agreement to include these amounts as Compensation under Section 1.11. No Compensation exclusions the Employer has elected in Question 10 to its Adoption Agreement apply for determining Includible Compensation.

(1) **"First few weeks rule."** If the Employer elects in Appendix B to its Adoption Agreement, the Plan Administrator on a uniform and consistent basis as to similarly situated Participants, will include in Compensation for Code §415 purposes Compensation earned in such Limitation Year but which, solely because of pay period and pay date timing, is paid in the first few weeks of the next following Limitation Year as described in Treas. Reg. §1.415(c)-2(e)(2). This Section 4.05(D)(1) applies to Code §415 testing Compensation but does not affect Compensation for allocation purposes.

(2) **Differential Wage Payment.** The Plan treats a Differential Wage Payment to an Employee as Compensation for purposes of application the Annual Additions Limit.

(E) Employer. Employer means the Signatory Employer and any Related Employer. Solely for purposes of applying the Annual Additions Limit, the Plan Administrator will determine Related Employer status by modifying Code §§414(b) and (c) in accordance with Code §415(h) and Treas. Reg. §1.415(a)-1(f)(1) and will take into account tax-exempt organizations under Treas. Reg. §1.414(c)-5. For purposes of the limitation of Section 4.04(A), the Employer includes the controlled employer described in Section 4.04.

(F) Excess Amount. Excess Amount means the excess of the Participant's Annual Additions for the Limitation Year over the Annual Additions Limit.

(G) Formerly Affiliated Plan. Formerly Affiliated Plan means a plan that, immediately prior to the Cessation of Affiliation, was actually maintained by one or more of the entities that constitute the Employer (as determined under the employer affiliation rules described in Treas. Reg. §§1.415(a)-1(f)(1) and (2)), and immediately after the cessation of affiliation, is not actually maintained by any of the entities that constitute the Employer (as determined under the employer affiliation rules described in Treas. Reg. §§1.415(a)-1(f)(1) and (2)).

(H) Limitation Year. See Section 1.45.

(I) Predecessor Employer. Predecessor Employer means a former employer with respect to a participant in a plan maintained by an employer if the employer maintains a plan under which the participant had accrued a benefit while performing services for the employer, but only if that benefit is provided under the plan maintained by the employer. For this purpose, the formerly affiliated plan rules in Treas. Reg. §1.415(f)-1(b)(2) apply as if the Employer and Predecessor Employer constituted a single employer under the rules described in Treas. Reg. §§1.415(a)-1(f)(1) and (2) immediately prior to the Cessation of Affiliation (and as if they constituted two, unrelated employers under the rules described in Treas. Reg. §§1.415(a)-1(f)(1) and (2) immediately after the Cessation of Affiliation) and Cessation of Affiliation was the event that gives rise to the predecessor employer relationship, such as a transfer of benefits or plan sponsorship. With respect to an Employer of a Participant, a former entity that antedates the Employer is a Predecessor Employer with respect to the Participant if, under the facts and circumstances, the Employer constitutes a continuation of all or a portion of the trade or business of the former entity.

(J) Restorative Payment. A Restorative Payment means a payment made to restore losses to a Plan resulting from actions by a fiduciary for which there is reasonable risk of liability for breach of a fiduciary duty under applicable federal or state law, where Participants who are similarly situated are treated similarly with respect to the payments. Generally, payments are Restorative Payments only if the payments are made in order to restore some or all of the Plan's losses due to an action (or a failure to act) that creates a reasonable risk of liability for such a breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). This includes payments to the Plan made pursuant to a court-approved settlement, to restore losses to the Plan on account of the breach of fiduciary duty (other than a breach of fiduciary duty arising from failure to remit contributions to the Plan). Payments made to the Plan to make up for losses due merely to market fluctuations and other payments that are not made on account of a reasonable risk of liability for breach of a fiduciary duty are not Restorative Payments and generally constitute contributions that are considered Annual Additions.

4.10 403(b) TESTING. The Plan Administrator will test Elective Deferrals, Matching Contributions and Employee Contributions under the Plan, in accordance with this Section 4.10.

(A) Annual Elective Deferral Limitation. A Participant's Elective Deferrals for a Taxable Year may not exceed the Elective Deferral Limit. Qualified Organization Catch-up Deferrals and Age 50 Catch-up Deferrals are not subject to the Elective Deferral Limit. See Sections 3.02(D) and (E).

(1) **Definition of Elective Deferral Limit.** The Elective Deferral Limit is the Code §402(g) limitation on each Participant's Elective Deferrals for each Taxable Year as described in Section 4.10(A)(3). If the Participant's Taxable Year is not a calendar year, the Plan Administrator must apply the Code §402(g) limitation in effect for the calendar year in which the Participant's Taxable Year begins.

(2) **Definition of Excess Deferral.** A Participant's Excess Deferral is the amount of Elective Deferrals for a Taxable Year which exceeds the Elective Deferral Limit.

(3) **Elective Deferral Limit.** The Elective Deferral Limit is the amount as in effect under Code §402(g) ($18,000 in 2017), subject to adjustment by the IRS in multiples of $500 under Code §402(g)(4). However, in no event shall a Participant's Elective Deferrals exceed the Participant's Compensation for the Taxable Year.

(4) **Suspension after reaching limit.** If, pursuant to a Salary Reduction Agreement or pursuant to a CODA election, the Employer determines a Participant's Elective Deferrals to the Plan for a Taxable Year would exceed the Elective Deferral Limit, the Employer will suspend the Participant's Elective Deferrals under his/her Salary Reduction Agreement, if any, until the following January 1 and will pay to the Participant in cash the portion of the Elective Deferrals which would result in the Participant's Elective Deferrals for the Taxable Year exceeding the Elective Deferral Limit.

(5) **Correction.** If the Plan Administrator determines a Participant's Elective Deferrals already contributed to the Plan for a Taxable Year exceed the Elective Deferral Limit, the Plan Administrator will distribute the Excess Deferrals as adjusted for Allocable Income, no later than April 15 of the following Taxable Year (or if later, the date permitted under Code §§7503 or 7508A).

© 2018 National Benefit Services, LLC or its suppliers

(6) **415 interaction.** If the Plan Administrator distributes the Excess Deferrals by the April 15 deadline under Section 4.10(A)(5), the Excess Deferrals are not an Annual Addition under Section 4.05, and the Plan Administrator may make the distribution irrespective of any other provision under this Plan or under the Code. Elective Deferrals distributed to a Participant as an Excess Amount in accordance with Section 4.03 are not taken into account in determining the Participant's Elective Deferral Limit.

(7) **More than one plan.** If a Participant participates in another plan subject to the Code §402(g) limitation under which he/she makes elective deferrals pursuant to a 401(k) Plan, elective deferrals under a SARSEP, elective contributions under a SIMPLE IRA or salary reduction contributions to a 403(b) plan (irrespective of whether the Employer maintains the other plan), the Participant may provide to the Plan Administrator a written claim for Excess Deferrals made to the Plan for a Taxable Year. The Participant must submit the claim no later than the March 1 following the close of the particular Taxable Year and the claim must specify the amount of the Participant's Elective Deferrals under this Plan which are Excess Deferrals. The Plan Administrator may require the Participant to provide reasonable evidence of the existence of and the amount of the Participant's Excess Deferrals. If the Plan Administrator receives a timely claim which it approves, the Plan Administrator will distribute the Excess Deferrals (as adjusted for Allocable Income under Section 4.11(B)(1)) the Participant has assigned to this Plan, in accordance with this Section 4.10(A). If a Participant has Excess Deferrals because of making Elective Deferrals to this Plan and other plans of the Employer (but where the Elective Deferral Limit is not exceeded based on Deferrals to any single plan), the Participant for purposes of this Section 4.10(A)(7) is deemed to have notified the Plan Administrator of this Plan of the Excess Deferrals.

(8) **Roth and Pre-Tax Deferrals.** If a Participant who will receive a distribution of Excess Deferrals, in the Taxable Year for which the corrective distribution is made, has contributed both Pre-Tax Deferrals and Roth Deferrals, the Plan Administrator operationally will determine the Elective Deferral Account source(s) from which it will direct the Vendor to make the corrective distribution. The Plan Administrator also may permit the affected Participant to elect the source(s) from which the Vendor will make the corrective distribution. However, the amount of a corrective distribution of Excess Deferrals to any Participant from the Pre-Tax Deferral or Roth Deferral sources under this Section 4.10(A)(8) may not exceed the amount of the Participant's Pre-Tax Deferrals or Roth Deferrals for the Taxable Year of the correction.

(C) [Reserved]

4.11 DEFINITIONS: SECTION 4.10. For purposes of Section 4.10:

(A) [Reserved]

(B) Allocable Income. Allocable Income means as follows:

(1) **Excess Deferrals.** For purposes of making a distribution of Excess Deferrals pursuant to Section 4.10(A), Allocable Income means Earnings allocable to the Excess Deferrals for the Taxable Year in which the Participant made the Excess Deferral.

(a) **Reasonable or alternative (pro rata) method.** To calculate such Allocable Income for the Taxable Year, the Plan Administrator will use: (i) a uniform method which reasonably reflects the manner used by the Plan Administrator to allocate Earnings to Participants' Accounts; or (ii) the "alternative method" under Treas. Reg. §1.402(g)-1(e)(5)(iii). See Section 4.11(B)(2)(a) as to the alternative method except the Plan Administrator will apply such modifications as are necessary to determine Taxable Year Allocable Income with respect to the Excess Deferrals.

ARTICLE 5. VESTING

5.01 NORMAL/EARLY RETIREMENT AGE. The Employer in its Adoption Agreement must specify the Plan's Normal Retirement Age. If the Employer fails to specify the Plan's Normal Retirement Age in its Adoption Agreement, the Employer is deemed to have elected age 65 as the Plan's Normal Retirement Age. The Employer in its Adoption Agreement may specify an Early Retirement Age. A Participant's Account Balance derived from Employer Contributions is 100% Vested upon and after his/her attaining Normal Retirement Age (or if specified in the Adoption Agreement, Early Retirement Age) if the Participant is employed by the Employer on or after that date and regardless of the Participant's Years of Service for vesting or the Employer's Adoption Agreement elected vesting schedules.

5.02 PARTICIPANT DEATH OR DISABILITY. If the Employer elects in its Adoption Agreement, a Participant's Account Balance derived from Employer Contributions is 100% Vested if the Participant's Severance from Employment is a result of his/her death or his/her Disability.

5.03 VESTING SCHEDULE.

(A) General. Except as provided in Sections 5.01 and 5.02, for each Year of Service as described in Section 5.05, a Participant's Vested percentage of his/her Account Balance derived from Nonelective Contributions and Matching Contributions equals the percentage under the appropriate vesting schedule the Employer has elected in its Adoption Agreement.

(1) **Election of different schedules.** Unless the Employer in its Adoption Agreement elects otherwise, the vesting schedule for Nonelective Contributions will be the same vesting schedule as for Matching Contributions.

(B) Vesting Schedules.

(1) **In General.** Employer Contributions will vest in accordance with the Employer's Adoption Agreement election. The Employer may elect to provide immediate 100% vesting, "3-year cliff," "6-year graded," or a modified vesting schedule. The vesting schedule must be at least as rapid as a 15-year cliff (or a 20-year cliff for a group of employees limited to qualified public safety employees defined in Code §72(t)(10)(B)) or a 5 to 20 year graded vesting schedule. For purposes of the Employer's elections under its Adoption Agreement, "6-year graded," or "3-year cliff" means an Employee's Vested percentage, based on each included Year of Service, under the following applicable schedule:

6-year graded	**3-year cliff**
0-1 year / 0%	0-2 years / 0%
2 years / 20%	3 years / 100%
3 years / 40%	
4 years / 60%	
5 years / 80%	
6 years / 100%	

(C) Vesting Formula. If the Vendor makes a distribution to a Participant from an Account which is not fully Vested, and the Participant has not incurred a Forfeiture Break in Service, the provisions of this Section 5.03(C) apply to the Participant's Account Balance.

(1) **"Grossed-Up" formula.** At any relevant time following the distribution, the Plan Administrator will determine the Participant's Vested Account Balance derived from Employer Contributions in accordance with the following formula: P(AB + D) - D. To apply this formula, "P" is the Participant's current vesting percentage at the relevant time, "AB" is the Participant's Employer-derived Account Balance at the relevant time and "D" is the amount of the earlier distribution. If, under a Restated Plan, the Plan has made distribution to a partially-Vested Participant prior to its restated Effective Date , this special vesting formula also applies to that Participant's remaining Account Balance.

(2) **Alternative separate account formula.** The Employer, in Appendix B to its Adoption Agreement, may elect to use the alternative formula. If the Employer elects to use the alternative formula, then the Plan Administrator will establish a separate account for the Participant's Account Balance at the time of the distribution. At any relevant time following the distribution, the Plan Administrator will determine the Participant's Vested Account Balance in such separate account derived from Employer contributions in accordance with the following formula: P(AB + (R x D)) - (R x D). For purposes of this alternative formula, the terms in the preceding Paragraph have the same meaning and "R" is the ratio of "AB" to the Participant's Employer-derived Account Balance immediately following the earlier distribution.

(3) **Application to Nonelective/Matching.** If necessary, the Plan Administrator will determine the Participant's Vested Account Balance for the Participant's Matching Contributions and the Participant's Employer Nonelective Contributions separately.

(D) Special Vesting Elections. The Employer in its Adoption Agreement may elect other specified vesting provisions.

© 2018 National Benefit Services, LLC or its suppliers

(E) Fully Vested Amounts. A Participant is 100% Vested in all Accounts which are attributable to Elective Deferrals, Employee Contributions, QNECs, Mandatory Employee Contributions, Nonelective Contributions to former Employees under Section 3.04(D), and Rollover Contributions.

(F) Mergers/Transfers. A merger or transfer of assets from another 403(b) Plan to this Plan does not result, solely by reason of the merger or transfer, in 100% vesting of the merged or transferred assets. The Plan Administrator operationally will determine in the case of a merger or other transfer to the Plan whether: (1) to vest immediately all transferred assets; (2) to vest the transferred assets in accordance with the Plan's vesting schedule applicable to the contribution type being transferred; or (3) to vest the transferred assets in accordance with the transferor plan's vesting schedule(s) applicable to the contribution types being transferred, as such schedules existed on the date of the transfer. The Employer may elect to record such information in its Adoption Agreement as a special Vesting Election.

5.04 [RESERVED]

5.05 YEAR OF SERVICE – VESTING. For purposes of this Article 5, the following definitions and operational rules apply:

(A) Definition of Year of Service. A Year of Service, for purposes of determining a Participant's vesting under Section 5.03, means a Vesting Computation Period during which an Employee completes the number of Hours of Service the Employer specifies in its Adoption Agreement, without regard to whether the Employer continues to employ the Employee during the entire Vesting Computation Period.

(B) Definition of Vesting Computation Period. A Vesting Computation Period is a 12-consecutive month period the Employer elects in its Adoption Agreement.

(C) Counting Years of Service. For purposes of a Participant's Vesting in the Plan, the Plan counts all of an Employee's Years of Service except:

(1) **Forfeiture Break in Service; Cash-Out.** For the sole purpose of determining a Participant's Vested percentage of his/her Account Balance derived from Employer Contributions which accrued for his/her benefit prior to a Forfeiture Break in Service or receipt of a Cash-Out Distribution, the Plan disregards any Year of Service after the Participant first incurs a Forfeiture Break in Service or receives a Cash-out Distribution.

(2) **Other exclusions.** Any Year of Service the Employer elects to exclude under its Adoption Agreement, including service during any period for which the Employer did not maintain the Plan or a predecessor plan.

(D) Elapsed Time. If the Employer in its Adoption Agreement elects to apply the Elapsed Time Method in applying the Plan's vesting schedule, the Plan Administrator will credit service in accordance with Section 1.40(D)(3).

5.06 BREAK IN SERVICE AND FORFEITURE BREAK IN SERVICE – VESTING. For purposes of this Article 5, the following definitions and operational rules apply:

(A) Definition of Break in Service. A Participant incurs a Break in Service if during any Vesting Computation Period he/she does not complete more than 500 Hours of Service. The Plan Administrator may disregard a Break in Service for a Vesting Computation Period if the Employee is in service on the last day of that period. If the Plan applies the Elapsed Time Method of crediting Service, a Participant incurs a Break in Service if the Participant has a Period of Severance of at least 12 consecutive months. If, pursuant to Section 5.05, the Plan does not require more than 500 Hours of Service to receive credit for a Year of Service, a Participant incurs a Break in Service in a Vesting Computation Period in which he/she fails to complete a Year of Service.

(B) Definition of Forfeiture Break in Service. A Participant incurs a Forfeiture Break in Service when he/she incurs 5 consecutive Breaks in Service.

(C) Adoption Agreement provisions. The Employer may specify, in Appendix B to its Adoption Agreement, one or more years or other periods of service which the Plan will disregard for purposes of vesting, based on Separation from Service, Breaks in Service, or Forfeiture Breaks in Service.

5.07 FORFEITURE OCCURS.

(A) Timing. A Participant's forfeiture of his/her non-Vested Account Balance derived from Employer Contributions occurs under the Plan on the earlier of:

(1) **Forfeiture Break.** The last day of the Vesting Computation Period in which the Participant first incurs a Forfeiture Break in Service; or

(2) **Separation.** As soon as reasonably practical after the date the Participant severs employment.

(B) Vesting Schedule/Lost Participants. The Plan Administrator determines the percentage of a Participant's Account Balance forfeiture, if any, under this Section 5.07 solely by reference to the vesting schedule the Employer elected in its

© 2018 National Benefit Services, LLC or its suppliers

Adoption Agreement. A Participant does not forfeit any portion of his/her Account Balance for any other reason or cause except as expressly provided by this Section 5.07 or as provided under Section 7.07.

5.08 [RESERVED]

5.09 TREATMENT OF NONVESTED AMOUNTS. All Employer Contributions for a Participant, to the extent not vested, will be credited to a separate account for recordkeeping purposes and treated as made to a contract to which Code §403(c) (or another applicable provision of the Code) applies. On or after the date on which the Participant's interest in the separate account becomes nonforfeitable, the contract shall be treated as a Code §403(b) Annuity Contract if: (1) no election has been made under Code §83(b) with respect to the contract; (2) the Participant's interest in the separate account has been subject to a substantial risk of forfeiture before becoming nonforfeitable; (3) contributions subject to different vesting schedules have been maintained in separate accounts; and (4) the separate account at all times satisfied the requirements of Code §403(b) except for the nonforfeitability requirement in Code §403(b)(1)(C). If only a portion of the Participant's interest in a separate account becomes nonforfeitable in a year, then that portion of the contract will be considered a Code §403(b) Annuity Contract and the remaining forfeitable portion will be considered a separate contract to which Code §403(c) (or another applicable provision of the Code) applies. Each contribution (and Earnings thereon) that is subject to a different vesting schedule must be maintained in a separate account for the Participant. The phrase "separate account" used in this Section refers to recordkeeping entries, and does not require the maintenance of a separate account or Annuity Contract.

5.10 EMPLOYEE CONTRIBUTIONS. A Participant who is either fully or partially vested in his or her Employer Contributions will not forfeit any of those contributions merely as the result of a distribution of all or any portion of the Participant's Employee Contributions.

ARTICLE 6. DISTRIBUTIONS

6.01 TIMING OF DISTRIBUTION. Except as otherwise provided in Section 6.01(A), if the Participant is entitled to a distribution, the Vendor will commence distribution of a Participant's Vested Account Balance in accordance with this Article 6 after the Participant's request on a form prescribed by the Plan or the Vendor. The Vendor may make Plan distributions on any administratively practicable date during the Plan Year, consistent with the Investment Arrangement Documentation.

(A) Relationship between Plan and Investment Arrangement Documentation. This Article 6, together with the corresponding Adoption Agreement elections applies to set forth the permissible distributable events and timing. If the Documentation for a particular Investment Arrangement does not provide for a particular distributable event, then such a distribution is unavailable from that Investment Arrangement. For example, if the Plan allows for hardship distributions, and all Investment Arrangements under the Plan except one permit hardship distributions, then hardship distributions are not available from that one Investment Arrangement. By contrast, if the Plan does not allow hardship distributions, then they are not available under any Investment Arrangement in the Plan, regardless of the Investment Arrangement Documentation. Any distribution is subject to the terms of the applicable Investment Arrangement Documentation.

(B) Entitlement to distribution. A Participant is entitled to a distribution after Severance of Employment at the time specified in the Investment Arrangement Documentation, or, if later, the time specified in the Adoption Agreement. If the Investment Arrangement Documentation does not specify the timing of distributions after Severance of Employment, the Participant is entitled to a distribution within an administratively reasonable period following Severance of Employment. The failure of a Participant to request a distribution shall be deemed to be an election to defer a distribution. The Plan will make distributions following the Participant's death in accordance with Section 6.01(C). A Participant is entitled to a distribution prior to Severance of Employment under the rules of Section 6.01(D) in accordance with the Employer's elections in the Adoption Agreement. However, the Plan will not make a distribution which would violate Section 6.01(E).

(C) Distribution upon Death. In the event of the Participant's death (whether death occurs before or after Severance from Employment), the Plan Administrator will direct the Vendor, in accordance with this Section 6.01(C) and subject to Section 6.02, to distribute to the Participant's Beneficiary the Participant's Vested Account Balance remaining in the Investment Arrangement at the time of the Participant's death.

(1) **Single payment.** If the Participant's Vested Account Balance does not exceed $5,000, the Vendor will distribute the balance without regard to Section 6.04. The distribution will be made in a lump sum (which will be a Cash-Out Distribution if the Participant's Account Balance is not 100% Vested on death) unless the Plan's distribution form provides otherwise. If the Participant's Vested Account Balance exceeds $5,000, the Vendor will distribute the balance subject to Sections 6.02, 6.03, and 6.04.

(D) In-Service Distribution. The Employer in its Adoption Agreement must elect the distribution election rights, if any, a Participant has prior to his/her Severance from Employment ("in-service distribution").

(1) **Vesting/other conditions.** If a Participant receives an in-service distribution as to a partially-Vested Account, and the Participant has not incurred a Forfeiture Break in Service, the Plan Administrator will apply the vesting provisions of Section 5.03(C). The Employer in its Adoption Agreement may elect to limit any in-service distribution only to Participants who are 100% vested or to apply other conditions.

(2) **Participant election.** A Participant must make any permitted in-service distribution election under this Section 6.01(D) in writing and on a form prescribed by the Plan or the Vendor which specifies the percentage or dollar amount of the distribution and the Participant's Plan Account to which the election applies.

(3) **Frequency, timing and form.** The Investment Arrangement Documentation may limit the frequency, timing, and form of in-service distributions.

(4) **Hardship.** See Section 6.07 regarding requirements for distributions based on hardship.

(5) **Rollover Contributions; Employee Contributions.** A Participant may elect to receive an in-service distribution of his/her Accounts attributable to Rollover Contributions and Employee Contributions subject to Sections 6.01(D)(2) and (3), except as the Employer provides otherwise in Appendix B to its Adoption Agreement. Distribution of a Rollover Contribution or Employee Contribution is subject to Section 6.04 if Section 6.04 otherwise applies to the Participant.

(6) **Distribution events for non-Elective Deferral Accounts in Annuity Contracts.** The Employer in its Adoption Agreement may elect to permit an in-service distribution of any Account in an Annuity Contract other than an Elective Deferral Account upon a Participant's attainment of a stated age, after a fixed number of years, or based on some other specified event. Such amounts are not Restricted Balances unless such amounts are QNEC Accounts.

(7) **In-Plan Roth Rollover Contributions.** Except as otherwise elected in Appendix B to the Adoption Agreement, if the Employer in its Adoption Agreement elects under Section 3.08(E) to permit In-Plan Roth Rollover

© 2018 National Benefit Services, LLC or its suppliers

Contributions, (a) all Accounts (except a Roth Account) from which the Participant could then receive a distribution are eligible for an In-Plan Roth Rollover attributable to otherwise distributable amounts; (b) all Accounts (except a Roth Account) which may not be distributed are eligible for an In-Plan Roth Rollover attributable to otherwise nondistributable amounts; (c) a Participant may distribute and roll over his/her Plan loan in an In-Plan Roth Rollover, but without changing the loan repayment schedule; (d) any amount may be distributed in an In-Plan Roth Rollover with no minimum; (e) a Participant may receive In-Service Distributions from his/her In-Plan Roth Rollover Account under the same conditions as the Participant's Roth Elective Deferral Account; and (f) In-Service distributions which are eligible for an In-Plan Roth Rollover are limited to those which are available for other types of distributions. If the Employer in Appendix B to its Adoption Agreement provides for In-Service Distributions which are limited to In-Plan Roth Rollovers, the Employer in Appendix B may permit distribution of an additional amount solely for the purpose of federal or state income tax withholding for the Participant's anticipated tax obligations regarding the amount includible in the Participant's gross income by reason of the In-Plan Roth Rollover (and the amount withheld for income taxes). The Plan Administrator may limit the amount of the 100% withholding distribution to the amount the Plan Administrator reasonably determines is sufficient to satisfy the Participant's federal and/or state income tax liability relating to the Plan distribution. This Section 6.01(D)(7), other than clause (b), is effective no sooner than September 28, 2010. Clause (b) is effective no earlier than January 1, 2013.

(8) **EACA permissible withdrawal.** If the Employer maintains the Plan as a EACA as defined under Section 3.02(B) and the Employer elects in its Adoption Agreement to allow permissible withdrawals, a Participant who has Automatic Deferrals under the EACA may elect to withdraw all the Automatic Deferrals (and allocable Earnings) as a permissible withdrawal in accordance with the provisions of Section 3.02(B)(2).

(9) **Pre-2009 Annuity Contracts.** If an Annuity Contract an Insurance Company issued before January 1, 2009 provides for In-Service Distributions other than those described in the Adoption Agreement, then amounts held in that Annuity Contract may be distributed in-service in accordance with its terms unless the Employer has elected not to permit such distributions in Appendix B to its Adoption Agreement.

(10) **Qualified Reservist Distribution ("QRD").** The Employer in its Adoption Agreement may elect to permit in-service distribution of Elective Deferrals as a Qualified Reservist Distribution, or QRD. A QRD means a qualified reservist distribution as defined under Code §72(t)(2)(G)(iii). A QRD is any distribution to an individual who is ordered or called to active duty after September 11, 2001, if: (A) the distribution is from the Elective Deferral Account; (B) the individual was (by reason of being a member of a reserve component, as defined in section 101 of title 37, United States Code) ordered or called to active duty for a period in excess of 179 days or for an indefinite period; and (C) the Plan makes the distribution during the period beginning on the date of such order or call, and ending at the close of the active duty period.

(E) 403(b) Distribution Restrictions.

(1) **Limitation.** A Participant may not receive a distribution of the Participant's Restricted Balances except in the event of: (a) the Participant's death, Disability, Severance of Employment or attainment of age 59 1/2; (b) except with regard to Employer Contributions under a Custodial Account and QNECs, hardship in accordance with Section 6.07; (c) Plan termination, as provided for in Section 9.04, (d) Excess Deferrals described in Section 4.10(A)(2), (e) corrective distributions under Article 4 or Section 7.08, or otherwise permitted by the Code, or (f) as may otherwise be provided by law and in IRS Guidance. This limitation will be applied in conformance with Treas. Reg. §§1.403(b)-6(c) and (d). Also see Sections 6.05 relating to domestic relations orders and 7.05(G) relating to IRS levies.

(2) **Definition of "Restricted Balances."** A Participant's Restricted Balances are the Participant's Elective Deferral Account under an Annuity Contract, all Accounts under a Custodial Account (or transferred from a Custodial Account) and QNEC Account. Restricted balances do not include (a) Employer Contribution Accounts in an Annuity Contract which were not transferred from a Custodial Account; or (b) any Accounts consisting of Employee Contributions or Rollover Contributions and Earnings thereon; or (c) pre-1989 Elective Deferral contributions (excluding Earnings thereon) to an Annuity Contract that are separately accounted for (which may be distributed in accordance with the terms of the Investment Arrangement Documentation).

(F) Mandatory Distributions. The Employer in its Adoption Agreement may elect to have the Plan make Mandatory Distributions. A Mandatory Distribution is a Plan-required distribution to or for a Participant without the Participant's consent upon Severance from Employment, other than a distribution based on the Participant's death or on account of plan termination. A Mandatory Distribution may not exceed the amount the Employer elects in its Adoption Agreement or such lesser amount that may be specified in the Investment Arrangement. In applying the elected Mandatory Distribution amount, the Plan Administrator will include or exclude a Participant's Rollover Contributions Account as the Employer elects in its Adoption Agreement. A Mandatory Distribution does not include the remaining balance of any installment distribution which has already commenced. The Employer will notify the Vendor within a reasonable period of time of each Participant's Severance from Employment. The Vendor, upon notification by the Employer, will distribute a Participant's Mandatory Distribution in a lump sum within a reasonable period of time after notification by the Employer of the Participant's Severance from Employment. The provisions of this Section 6.01(F) do not impair the Participant's right to receive a distribution of the Participant's Vested Account Balance under other Plan provisions prior to receipt of the Mandatory Distribution. If the Vendor Documentation provides for Mandatory Distributions, those provisions shall apply to Investment

Arrangements held by the Vendor as though elected by the Employer in its Adoption Agreement. See Section 6.08 regarding direct rollovers and automatic rollovers.

6.02 REQUIRED MINIMUM DISTRIBUTIONS. The Plan will comply with the minimum distribution requirements of Code §401(a)(9) in accordance with the terms governing each Investment Arrangement, unless and to the extent otherwise permitted by law and in regulations or other rules of general applicability published by the IRS. For purposes of applying the distribution rules of Code §401(a)(9), each Investment Arrangement is treated as an individual retirement account (IRA) and distributions shall be made in accordance with the provisions of Treas. Reg. §1.408-8, except as provided in Treas. Reg. §1.403(b)-6(e). "RMD" refers to a required minimum distribution amount the Plan must distribute pursuant to those rules.

6.03 METHOD OF DISTRIBUTION. Subject to any contrary requirements imposed by the Plan or the Adoption Agreement, a Participant or a Beneficiary may elect distribution under any method permitted in the Investment Agreement Documentation. If the Investment Agreement Documentation does not specify, the Participant or Beneficiary may elect to receive payment in the method or methods specified in the Adoption Agreement. If the Participant receives an annuity, the annuity must be nontransferable and otherwise must comply with the Plan terms. This Section 6.03 does not apply to the extent provided in Section 6.01(A).

(A) Account Types/Sourcing Elections. Subject to the Vendor's operational limitations, if a Participant who will receive a partial distribution of his/her Plan Account has both a Roth Deferral Account (or some other Account with tax basis) and one or more pre-tax Accounts including a Pre-Tax Deferral Account, the Plan operationally will determine the Account source(s) from which the Vendor will make the distribution. The Plan also may permit the affected Participant to elect the Account source(s) of the Participant's distribution unless such elections are contrary to the Code or the Vendor's operational limitations. This Section (A) as to election of Account sources from among multiple sources does not apply to the extent that a Participant is eligible under the Plan terms to receive a distribution only from one specific Account source.

6.04 ANNUITY DISTRIBUTIONS TO PARTICIPANTS AND TO SURVIVING SPOUSES.

(A) Qualified Joint and Survivor Annuity (QJSA). This Section 6.04 does not apply unless the Employer chooses to apply it in the Adoption Agreement. If this Section does apply, the Vendor will distribute a married or unmarried Participant's Vested Account Balance in the form of a QJSA (or in the form of a QOSA described in Section 6.04(A)(8)), unless the Participant, and spouse if the Participant is married, waive the QJSA in accordance with this Section 6.04(A).

(1) **Definition of QJSA if married.** If, as of the Annuity Starting Date, the Participant is married (even if the Participant has not been married throughout the one year period ending on the annuity starting date), a QJSA is an immediate annuity which is purchasable with the Participant's Vested Account Balance and which provides a life annuity for the Participant and a survivor annuity payable for the remaining life of the Participant's surviving spouse equal to 50% of the amount of the annuity payable during the life of the Participant.

(2) **Definition of QJSA if not married.** If, as of the Annuity Starting Date, the Participant is not married, a QJSA is an immediate life annuity for the Participant which is purchasable with the Participant's Vested Account Balance.

(3) **Modification of QJSA benefit.** An individual Investment Arrangement or the Employer in Appendix B to its Adoption Agreement may specify a different percentage (more than 50% but not exceeding 100%) for the survivor annuity.

(4) **Definitions of life/survivor annuity.** A life annuity means an annuity payable to the Participant in equal installments for the life of the Participant that terminates upon the Participant's death. A survivor annuity means an annuity payable to the Participant's surviving spouse in equal installments for the life of the surviving spouse that terminates upon the death of the surviving spouse.

(5) **QJSA notice/timing.** At least 30 days and not more than 180 days before the Participant's Annuity Starting Date, the Plan must provide the Participant a written explanation of the terms and conditions of the QJSA, the Participant's right to make, and the effect of, an election to waive the QJSA benefit, the rights of the Participant's spouse regarding the waiver election and the Participant's right to make, and the effect of, a revocation of a waiver election.

(6) **Waiver frequency and timing.** The Plan does not limit the number of times the Participant may revoke a waiver of the QJSA or make a new waiver during the election period. The Participant (and his/her spouse, if the Participant is married), may revoke an election to receive a particular form of benefit at any time until the Annuity Starting Date.

© 2018 National Benefit Services, LLC or its suppliers

(7) **Married Participant waiver.** A married Participant's QJSA waiver election is not valid unless: (a) the Participant's spouse (to whom the survivor annuity is payable under the QJSA), after the Participant has received the QJSA notice, has consented in writing to the waiver election, the spouse's consent acknowledges the effect of the election, and a notary public or the Plan Administrator (or his/her representative) witnesses the spouse's consent; (b) the spouse consents to the alternative form of payment designated by the Participant or to any change in that designated form of payment; and (c) unless the spouse is the Participant's sole primary Beneficiary, the spouse consents to the Participant's Beneficiary designation or to any change in the Participant's Beneficiary designation.

(a) **Effect of spousal consent/blanket waiver.** The spouse's consent to a waiver of the QJSA is irrevocable, unless the Participant revokes the waiver election. The spouse may execute a blanket consent to the Participant's future payment form election or Beneficiary designation, if the spouse acknowledges the right to limit his/her consent to a specific designation but, in writing, waives that right.

(b) **Spousal consent not required.** The Plan will accept as valid a waiver election which does not satisfy the spousal consent requirements if it is established to the satisfaction of the Plan Administrator that: (i) the Participant does not have a spouse, (ii) the spouse cannot be located, (iii) the Participant is legally separated or has been abandoned (within the meaning of applicable state law) and the Participant has a court order to that effect, or (iv) other circumstances exist under which ERISA excuses the spousal consent requirement (even though the Plan is not subject to ERISA). If the Participant's spouse is legally incompetent to give consent, the spouse's legal guardian (even if the guardian is the Participant) may give consent.

(8) **Qualified Optional Survivor Annuity (QOSA).** A Participant who elects to waive the QJSA form of benefit is entitled to elect the QOSA at any time during the applicable QJSA election period. The QJSA notice will explain the terms and conditions of the QOSA. The QJSA provisions of Section 6.04(A) apply to a QOSA the Participant elects pursuant to this Section 6.04(A)(8).

(a) **Definition of QOSA.** A QOSA is an Annuity Contract: (i) for the life of the Participant with a Survivor Annuity for the life of the spouse which is equal to the Applicable Percentage of the amount of the annuity which is payable during the joint lives of the Participant and the spouse; and (ii) which is the actuarial equivalent of a single annuity for the life of the Participant. A QOSA also includes any annuity in a form having the effect of an annuity described in the preceding sentence.

(b) **Definition of Applicable Percentage.** For purposes of this Section 6.04(A)(8), the Applicable Percentage is based on the Survivor Annuity percentage under the Plan's QJSA. If the Survivor Annuity percentage is less than 75%, then the Applicable Percentage is 75%. If the Survivor Annuity percentage is greater than or equal to 75%, the Applicable Percentage is 50%.

(c) **No spousal consent requirement for QOSA.** A Participant may elect a QOSA without spousal consent.

(B) Qualified Preretirement Survivor Annuity (QPSA). If a married Participant dies prior to his/her Annuity Starting Date, the Plan Administrator will direct the Vendor to distribute a portion of the Participant's Vested Account Balance to the Participant's surviving spouse in the form of a QPSA, unless the Participant has a valid waiver election in effect or unless the Participant and his/her spouse were not married throughout the one year period ending on the date of the Participant's death.

(1) **Definition of QPSA.** A QPSA is an annuity which is purchasable with 50% of the Participant's Vested Account Balance (determined as of the date of the Participant's death) and which is payable for the life of the Participant's surviving spouse.

(2) **Modification of QPSA.** An individual Investment Arrangement or the Employer in its Adoption Agreement may elect not to apply the one year marriage rule requirement as described in Section 6.04(H) or may specify a different percentage (more than 50% but not exceeding 100%) for the QPSA.

(3) **Ordering rule.** The value of the QPSA is attributable to Employer Contributions, to Pre-Tax Deferrals, and to Roth Deferrals in the same proportion as the Participant's Vested Account Balance is attributable to those contributions.

(4) **Disposition of remaining balance.** The portion of the Participant's Vested Account Balance not payable as a QPSA is payable to the Participant's Beneficiary, in accordance with the remaining provisions of this Article 6.

(5) **Surviving spouse elections.** If the Participant's Vested Account Balance which the Vendor would apply to purchase the QPSA exceeds $5,000, the Participant's surviving spouse may elect to have the Vendor commence payment of the QPSA at any time following the date of the Participant's death, but not later than Section 6.02 requires, and may elect any of the forms of payment described in Section 6.03, in lieu of the QPSA. In the absence of an election by the surviving spouse, the Plan Administrator must direct the Vendor to distribute the QPSA on the earliest administratively practicable date following the close of the Plan Year in which the latest of the following events occurs: (a) the Participant's death; (b) the date the Plan Administrator receives notification of or otherwise

© 2018 National Benefit Services, LLC or its suppliers

confirms the Participant's death; (c) the date the Participant would have attained Normal Retirement Age; or (d) the date the Participant would have attained age 62.

(6) **QPSA notice/timing.** The Plan must provide a written explanation of the QPSA to each married Participant within the following period which ends last: (a) the period beginning on the first day of the Plan Year in which the Participant attains age 32 and ending on the last day of the Plan Year in which the Participant attains age 34; (b) a reasonable period after an Employee becomes a Participant; (c) a reasonable period after Section 6.04 of the Plan becomes applicable to the Participant; or (d) a reasonable period after the Plan no longer satisfies the requirements for a fully subsidized benefit. A "reasonable period" described in clauses (b), (c) and (d) is the period beginning one year before and ending one year after the applicable event. If the Participant separates from Service before attaining age 35, clauses (a), (b), (c) and (d) do not apply and the Plan must provide the QPSA notice within the period beginning one year before and ending one year after the Separation from Service. The QPSA notice must describe, in a manner consistent with IRS Guidance, the terms and conditions of the QPSA and of the waiver of the QPSA, comparable to the QJSA notice required under Section 6.04(A)(5).

(7) **Waiver frequency and timing.** The Plan does not limit the number of times the Participant may revoke a waiver of the QPSA or make a new waiver during the election period. The election period for waiver of the QPSA ends on the date of the Participant's death. A Participant's QPSA waiver election is not valid unless the Participant makes the waiver election after the Participant has received the QPSA notice and no earlier than the first day of the Plan Year in which he/she attains age 35. However, if the Participant incurs a Separation from Service prior to the first day of the Plan Year in which he/she attains age 35, the Plan Administrator will accept a waiver election as to the Participant's Account Balance attributable to his/her Service prior to his/her Separation from Service. In addition, if a Participant who has not incurred a Separation from Service makes a valid waiver election, except for the age 35 Plan Year timing requirement above, the Plan Administrator will accept that election as valid, but only until the first day of the Plan Year in which the Participant attains age 35.

(8) **Spousal consent to waiver.** A Participant's QPSA waiver is not valid unless the Participant's spouse (to whom the QPSA is payable) satisfies or is excused from the consent requirements as described in Section 6.04(A)(7)(b), except the spouse need not consent to the form of benefit payable to the designated Beneficiary. The spouse's consent to the waiver of the QPSA is irrevocable, unless the Participant revokes the waiver election. The spouse also may execute a blanket consent as described in Section 6.04(A)(7)(a).

(C) Effect of Waiver. If the Participant has in effect a valid waiver election regarding the QJSA or the QPSA, the Vendor will distribute the Participant's Vested Account Balance in accordance with Sections 6.01, 6.02 and 6.03.

(D) Loan Offset. The Plan will reduce the Participant's Vested Account Balance by any security interest (pursuant to any offset rights authorized by Section 6.06) held by the Plan by reason of a Participant loan, to determine the value of the Participant's Vested Account Balance distributable in the form of a QJSA or QPSA, provided the loan satisfied the spousal consent requirement described in Section 7.06(D).

(E) Effect of QDRO. For purposes of applying this Article 6, a former spouse (in lieu of the Participant's current spouse) is the Participant's spouse or surviving spouse to the extent provided under a QDRO described in Section 6.05. The provisions of this Section 6.04 apply separately to the portion of the Participant's Vested Account Balance subject to a QDRO and to the portion of the Participant's Vested Account Balance not subject to the QDRO.

(F) Vested Account Balance Not Exceeding $5,000. The Vendor must distribute in a lump sum, a Participant's Vested Account Balance which the Vendor otherwise under Section 6.04 would apply to provide a QJSA or QPSA benefit, where the Participant's Vested Account Balance does not exceed $5,000.

(G) [Reserved]

(H) One-Year Marriage Rule. The Employer in its Adoption Agreement may elect to apply the "one-year marriage rule". If the Employer elects to apply the one-year marriage rule, a Participant is not considered married unless the Participant and his/her spouse were married throughout the one year period ending on the date of the Participant's death.

6.05 DISTRIBUTIONS UNDER A QDRO. Notwithstanding any other provision of this Plan, the Vendor, in accordance with the direction of the Plan Administrator, must comply with the provisions of a QDRO, as defined in Code §414(p)(1)(A), which is issued with respect to the Plan.

(A) Distribution at any Time. This Plan specifically permits distribution to an alternate payee under a QDRO at any time, irrespective of whether the Participant has attained his/her earliest retirement age (as defined under Code §414(p)(4)(B)) under the Plan. However, a distribution to an alternate payee prior to the Participant's attainment of earliest retirement age is available only if: (1) the QDRO specifies distribution at that time or permits an agreement between the Plan and the alternate payee to authorize an earlier distribution; and (2) if the present value of the alternate payee's benefits under the Plan exceeds $5,000, and the QDRO requires the alternate payee's consent to any distribution occurring prior to the Participant's attainment of earliest retirement age, the alternate payee gives such consent.

(B) Plan Terms Otherwise Apply. Except as to timing of distribution commencement under Section 6.05(A), nothing in this Section 6.05 gives a Participant or an alternate payee a right to receive a type or form of distribution, to receive any option or to increase benefits in a manner that the Plan does not permit.

(C) QDRO Procedures. The Plan Administrator must establish reasonable procedures to determine the qualified status of a domestic relations order (as defined under Code §414(p)(1)(B) and Section 1.58).

(1) **Notices and order status.** Upon receiving a domestic relations order, the Plan Administrator promptly will notify the Participant and any alternate payee named in the order, in writing, of the receipt of the order and the Plan's procedures for determining the qualified status of the order. Within a reasonable period of time after receiving the domestic relations order, the Plan Administrator must determine the qualified status of the order and must notify the Participant and each alternate payee, in writing, of the Plan Administrator's determination. The Plan Administrator must provide notice under this Section 6.05(C)(1) by mailing to the individual's address specified in the domestic relations order, or in a manner consistent with DOL regulations. If the order is not determined to be a QDRO, then no amounts will be paid pursuant to the order to the alternate payee.

(2) **Interim amounts payable.** If any portion of the Participant's Vested Account Balance is payable under the domestic relations order during the period the Plan Administrator is making its determination of the qualified status of the domestic relations order, the Plan Administrator must maintain a separate accounting of the amounts payable. If the Plan Administrator determines the order is a QDRO within 18 months of the date amounts first are payable following receipt of the domestic relations order, the Plan Administrator will direct the Vendor to distribute the payable amounts in accordance with the QDRO. If the Plan Administrator does not make its determination of the qualified status of the order within the 18-month determination period, the Plan Administrator will direct the Vendor to distribute the payable amounts in the manner the Plan would distribute if the order did not exist and will apply the order prospectively if the Plan Administrator later determines the order is a QDRO.

(3) **Segregated Account.** To the extent it is not inconsistent with the provisions of the QDRO, the Plan Administrator under Section 7.04(A)(2)(c) may direct the Vendor to segregate the QDRO amount in a segregated investment account. The Vendor will make any payments or distributions required under this Section 6.05 by separate benefit checks or other separate distribution to the alternate payee(s).

(4) **Safe Harbor Exemption.** See Section 7.01(I) regarding delegation of authority if the Employer intends for the Plan to qualify under the ERISA Safe Harbor Exemption.

(D) Alternate Procedure for Certain Plans. If the Employer has elected in Appendix B to its Adoption Agreement to apply this alternate procedure, then the provisions of this Section (D) will apply in lieu of the balance of this Section 6.05. If a judgment, decree, or order (including approval of a property settlement agreement) that relates to the provision of child support, alimony payments, or the marital property rights of a spouse or former spouse, child, or other dependent of a Participant is made pursuant to the domestic relations law of any State ("domestic relations order"), then the amount of the Participant's Accumulated Benefit shall be paid in the manner and to the person or persons so directed in the domestic relations order. Such payment shall be made without regard to whether the Participant is eligible for a distribution of benefits under the Plan. The Plan Administrator will establish reasonable procedures for determining the status of any such decree or order and for effectuating distribution pursuant to the domestic relations order. Any provision in other Sections of the Plan relating to alternate payees will apply to the distribution under a domestic relations order.

6.06 DEFAULTED LOAN – TIMING OF OFFSET. If a Participant or a Beneficiary defaults on a Plan loan, the Plan will determine the timing of the reduction (offset) of the Participant's Vested Account Balance in accordance with this Section 6.06 and the Plan's loan policy.

(A) Offset if Distributable Event. If, under the loan policy a loan default also is a distributable event under the Plan, the Vendor, at the time of the loan default, will offset the Participant's Vested Account Balance by the lesser of the amount in default (including accrued interest) or the Plan's security interest in that Vested Account Balance.

(B) Restricted Accounts. To the extent the loan is attributable to the Participant's Restricted Balances, the Vendor will not offset the Participant's Vested Account Balance prior to the earlier of the date the Participant incurs a Severance from Employment or the date the Participant attains age 59 1/2. Consistent with its loan policy, the Plan also may offset a Participant's defaulted loan upon Plan termination, provided the Participant's Account Balance is distributable upon Plan termination.

6.07 HARDSHIP DISTRIBUTIONS. Hardship distributions are permitted under the Plan to the extent permitted by the Adoption Agreement. However, in no event will a hardship distribution be available under an Investment Arrangement which does not provide for hardship distributions. Any hardship distribution will comply with the standards in Section 6.07(A) and comply with the operational rules in Section 6.07(B). Section 6.07(C) contains definitions which apply to hardship distributions.

(A) Standards. All hardship distributions must comply with Treas. Reg. §1.401(k)-1(d)(3). Unless otherwise provided in an Investment Arrangement, hardship distributions will conform to the safe harbor need and safe harbor necessity rules. A hardship distribution from an Investment Arrangement is limited to the aggregate dollar amount of the Participant's Elective Deferrals under the Investment Arrangement (and may not include any income thereon), reduced by the aggregate dollar amount of the distributions previously made to the participant from the Investment Arrangement.

© 2018 National Benefit Services, LLC or its suppliers

(B) Operational rules.

(1) **Deferral suspension.** To the extent a hardship distribution to a Participant must comply with the safe harbor necessity rules, the Participant will not be able to make Elective Deferrals or Employee Contributions under the Plan during the 6-month period beginning on the date the Participant receives the hardship distribution. The Plan Administrator or the Vendor may adopt a uniform policy that such a suspension will have the effect of revoking the Participant's Salary Reduction Agreement; however, the Participant must have the effective opportunity to enter into a new Salary Reduction Agreement effective after the expiration of the 6-month suspension period.

(2) **Information sharing.** The Employer and the Vendors will exchange information to the extent necessary to implement hardship provisions. If a hardship distribution to a Participant conforms to the safe harbor necessity rules, the Vendor will notify the Employer of the distribution so the Employer can implement the restriction in Section 6.07(B)(1). If the hardship distribution does not comply with the safe harbor necessity rules (because it complies with Treas. Reg. §1.401(k)-1(d)(3)(iii)(B)), the party responsible for approving the distribution must obtain information from the Employer and other Vendors to determine the amount of any plan loans and rollover accounts that are available to the Participant under the Plan to satisfy the financial need. See also Section 9.07 regarding information sharing.

(3) **Beneficiary hardship distribution.** A hardship distribution on account of a hardship need of the Participant's Beneficiary is available as permitted in the hardship distribution election form.

(C) Definitions.

(1) **Safe harbor need.** A distribution conforms to the safe harbor need rules if it is for a purpose described in Treas. Reg. §1.401(k)-1(d)(3)(iii)(B), as modified by Q&A 5 of Notice 2007-7 (relating to beneficiary hardship distributions) or other IRS guidance.

(2) **Safe harbor necessity.** A distribution conforms to the safe harbor necessity rules if the amount of the distribution does not exceed the amount of the Participant's immediate and heavy financial need and the distribution otherwise complies with Treas. Reg. §1.401(k)-1(d)(3)(iv)(E).

(D) Ordering. If the Plan permits a hardship distribution from more than one Account type, the Plan (or the Participant in a form that the Plan provides for this purpose), subject to the Investment Arrangement Documentation may determine any ordering of a Participant's hardship distribution from the hardship distribution eligible Accounts, including ordering as between the Participant's Pre-Tax Deferral Account and Roth Deferral Account, if any, provided that any ordering is consistent with any restriction on hardship distributions under this Section 6.07.

6.08 DIRECT ROLLOVER OF ELIGIBLE ROLLOVER DISTRIBUTIONS.

(A) Election. A Participant (including for this purpose, a former Employee) may elect, at the time and in the manner prescribed by the Vendor, to have any portion of his/her Eligible Rollover Distribution from the Plan paid directly to an Eligible Retirement Plan specified by the Participant in a Direct Rollover. For purposes of this Section 6.08, a Participant includes as to their respective interests: (1) a Participant's surviving spouse, (2) the Participant's spouse or former spouse who is an alternate payee under a QDRO, or (3) any other Beneficiary of a deceased Participant who is a Designated Beneficiary under Treas. Reg. §1.401(a)(9)-4.

(B) Rollover and Withholding Notice. At least 30 days and not more than 180 days prior to the distribution of an Eligible Rollover Distribution, the Plan must provide a written notice (including a summary notice as permitted under applicable IRS Guidance) explaining to the distributee the rollover option, the applicability of mandatory 20% federal withholding to any amount not directly rolled over, and the recipient's right to roll over within 60 days after the date of receipt of the distribution ("rollover notice"). A recipient of an Eligible Rollover Distribution (whether he/she elects a Direct Rollover or elects to receive the distribution), also may elect to receive distribution at any administratively practicable time which is earlier than 30 days (but more than 7 days if Section 6.04 applies) following receipt of the rollover notice. The provisions of this Sections 6.08(B) do not apply to distributions to a Beneficiary described in Section 6.08(A)(3).

(C) Default Rollover. The Vendor, in the case of a Participant who does not respond timely to the rollover notice, may make a Direct Rollover of the Participant's Account in lieu of distributing the Participant's Account.

© 2018 National Benefit Services, LLC or its suppliers

(D) Automatic Rollover. In the event of a Mandatory Distribution described in Section 6.01(F) greater than $1,000 to a Participant (or such lesser amount as the Vendor may determine or the Employer elects in its Adoption Agreement), if the Participant does not elect to have such distribution paid directly to an Eligible Retirement Plan the Participant specifies in a Direct Rollover or to receive the distribution directly, then the Vendor will pay the distribution in a Direct Rollover to an Individual Retirement Plan. In applying this Section 6.08(D), the Vendor will aggregate a Participant's Roth Deferral and Pre-Tax Deferral Accounts if each Account Balance exceeds $200. If either the Roth Deferral Account or the Pre-Tax Deferral Account is less than $200, the Vendor will apply this Section 6.08(D) only to the other Account and will not aggregate the Account Balance under $200 with the other Account Balance.

(1) **Determination of Mandatory Distribution amount – Rollovers count.** The Vendor, in determining whether a Mandatory Distribution is greater than $1,000 for purposes of this Section 6.08(D), will include the portion of the Participant's distribution attributable to any Rollover Contribution, regardless of the Employer's Adoption Agreement election to include or exclude Rollover Contributions in defining a Mandatory Distribution.

(2) **Beneficiaries, alternate payees and termination.** The automatic rollover provisions of this Section 6.08(D) do not apply to payees described in Section 6.08(A)(1), (2), or (3) or to distributions to a Participant upon Plan termination.

(E) Limitation on Roth Rollovers. If a Participant wishes to roll over his/her Roth Deferral Account by a 60-day indirect rollover, the Participant may roll over only the taxable portion of the distribution to a Roth account in another plan. However, a Participant may use the 60-day rule to roll over the entire Roth Deferral Account to a Roth IRA.

(F) Definitions. The following definitions apply to this Section 6.08:

(1) **Direct Rollover.** A Direct Rollover is a payment by the Plan to the Eligible Retirement Plan the distributee specifies in his/her Direct Rollover election or in the case of an automatic rollover, to the individual retirement plan that the Plan designates.

(2) **Eligible Retirement Plan.** An Eligible Retirement Plan is an individual retirement plan, an annuity plan described in Code §403(a), a qualified trust described in Code §401(a), an arrangement described in Code §403(b), or an eligible deferred compensation plan described in Code §457(b) sponsored by a governmental employer which accepts the Participant's or alternate payee's Eligible Rollover Distribution. However, with regard to a Participant's Roth Deferral Account, an Eligible Retirement Plan is a Roth IRA described in Code §408A, a Roth account in another plan which permits Roth deferrals. In the case of a Beneficiary described in Section 6.08(A)(3), an Eligible Retirement Plan is limited to an individual retirement plan that has been established on behalf of the Beneficiary as an inherited IRA (within the meaning of Code §408(d)(3)(C)).

(3) **Eligible Rollover Distribution.** An Eligible Rollover Distribution is any distribution of all or any portion of the Participant's Vested Account Balance, except: (a) any distribution which is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the Participant or the joint lives (or joint life expectancies) of the Participant and the Participant's designated beneficiary, or for a specified period of ten years or more; (b) any RMD under Section 6.02; (c) the portion of any distribution which is not includible in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities); (d) any hardship distribution; (e) any distribution which otherwise would be an Eligible Rollover Distribution, but where the total distributions to the Participant during that calendar year are reasonably expected to be less than $200; (f) any corrective distribution of excess amounts under Code §§402(g), 401(k), 401(m), and/or 415(c) and income allocable thereto; (g) any loans that are treated as deemed distributions under Code §72(p) (h) dividends paid on employer securities described in Code §408(k); (i) the costs of life insurance coverage (P.S. 58 costs); (j) prohibited allocations treated as deemed distributions under Code §409(p); and (k) permissible withdrawals from a EACA described in Code §414(w). For purposes of clause (e), a Participant's Roth Deferral Account is deemed to constitute a separate plan that is subject to a separate $200 limit. A portion of a distribution shall not fail to be an Eligible Rollover Distribution merely because the portion consists of after-tax employee contributions which are not includible in gross income. However, such portion may be transferred only to (i) an individual retirement account or annuity described in Code §§408(a) or 408(b) or (ii) a qualified plan described in Code §§401(a) or 403(a), or (iii) a tax-sheltered annuity described in Code §403(b) that agrees to separately account for amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

(4) **Individual Retirement Plan.** An Individual Retirement Plan is an individual retirement plan described in Code §408(a) or an individual retirement annuity described in Code §408(b).

6.09 REPLACEMENT OF $5,000 AMOUNT. An individual Investment Arrangement or the Employer in Appendix B to its Adoption Agreement may specify that as to any or all places in the Plan, including in Section 3.08, Article 6, or Section 9.05(C) where a $5,000 amount appears, a lesser amount will apply. However, the Adoption Agreement provides a specific election with regard to the limit on Mandatory Distributions under Section 6.01(F) and that limit will apply to those distributions.

6.10 SEVERANCE FROM EMPLOYMENT. For purposes of Article 6, Severance from Employment or Separation from Service occurs on any date on which an Employee ceases to be an Employee of an Eligible Employer, even though the Employee may continue to be employed either (A) by another entity that is a Related Employer if that other entity is not an entity that can be an

Eligible Employer or (B) in a capacity that is not employment with an Eligible Employer. However, an Employee has not suffered a Severance from Employment if the Employee transfers from one Code §501(c)(3) organization to another §501(c)(3) organization that is a Related Employer or if an Employee transfers from one Public School to another Public School of the same State employer. An Employee does not have a Severance from Employment if, in connection with a change of employment, the Employee's new employer maintains the Plan with respect to the Employee. For example, a new employer maintains a plan with respect to an Employee by continuing or assuming sponsorship of the plan or by accepting a transfer of Plan assets and liabilities with respect to the Employee.

6.11 DEEMED SEVERANCE DISTRIBUTIONS. The Employer in its Adoption Agreement will elect whether to permit a deemed severance distribution. If the Employer elects to permit a deemed severance distribution, then notwithstanding Section 1.27(A), if a Participant performs service in the uniformed services (as defined in Code §414(u)(12)(B)) on active duty for a period of more than 30 days, the Participant will be deemed to have a Severance from Employment solely for purposes of distribution of amounts from Contribution Types the Employer has selected in the Adoption Agreement. If a Participant elects to receive a distribution on account of this deemed severance, and the distribution includes any of the Participant's Elective Deferrals, then the individual may not make Elective Deferrals or Employee Contributions to the Plan during the 6-month period beginning on the date of the distribution. If a Participant would be entitled to a distribution on account of a deemed severance, and a distribution on account of another Plan provision (such as a QRD), then the other Plan provision will control and the 6-month suspension will not apply.

ARTICLE 7. ADMINISTRATIVE PROVISIONS

7.01 EMPLOYER ADMINISTRATIVE PROVISIONS.

(A) Information to Plan Administrator. The Employer must supply current information to the Plan Administrator, including the name, date of birth, date of employment, Compensation, leaves of absence, Years of Service and date of Separation from Service of each Employee who is, or who will be eligible to become, a Participant under the Plan, together with any other information which the Plan Administrator considers necessary to properly administer the Plan. The Plan Administrator will supply to the Vendors the information necessary for the administration of their Investment Arrangements and for overall Plan coordination. The Employer's records as to the current information the Employer furnishes to the Plan Administrator are conclusive as to all persons. Each Participant shall provide at the time of initial enrollment, and later if there are any changes, any information necessary or advisable for the administration of the Plan, including any information required under the terms governing an Investment Arrangement holding any part of the Participant's Account Balance.

(B) Plan Contributions. The Employer is solely responsible to determine the proper amount of any Employer Contributions it makes to the Plan and for the timely deposit to the Investment Arrangement of the Employer Contributions, Employee Contributions, and Elective Deferrals.

(C) Employer Action. The Employer must take any action under the Plan in accordance with applicable Plan provisions and with proper authority such that the action is valid and binding upon the Employer.

(D) No Responsibility for Others. The Employer has no responsibility or obligation under the Plan to Employees, Participants or Beneficiaries for any act (unless the Employer also serves in such capacities) required of the Plan Administrator, a Vendor, or any other service provider to the Plan.

(E) Indemnity of Certain Fiduciaries. The Employer will indemnify, defend and hold harmless the Plan Administrator from and against any and all loss resulting from liability to which the Plan Administrator may be subjected by reason of any act or omission (except willful misconduct or gross negligence) in its official capacities in the administration of this Plan, including attorneys' fees and all other expenses reasonably incurred in the Plan Administrator's defense, in case the Employer fails to provide such defense. The Plan Administrator and the Employer may execute a written agreement further delineating the indemnification agreement of this Section 7.01(E). The indemnification provisions of this Section 7.01(E) do not extend to any Vendor (including where the Vendor under Section 1.72 is serving as the Plan Administrator), third party administrator, or other Plan service provider unless so provided in a written agreement (including Investment Arrangement Documentation) executed by such persons and the Employer.

(F) [Reserved]

(G) [Reserved]

(H) ERISA Safe Harbor Exemption. If the Employer intends for the Plan to qualify under the ERISA Safe Harbor Exemption, the Employer will not make any discretionary determinations (e.g., loans, hardship withdrawals, domestic relations orders and distributions) under the Plan that are inconsistent with the ERISA Safe Harbor Exemption. See Appendix D regarding the allocation of responsibilities. If any Plan provision directs the Employer or Employer acting as Plan Administrator to make a discretionary determination inconsistent with the ERISA Safe Harbor Exemption, the discretionary determination will be made by the Vendor or the third party. This Paragraph supersedes any contrary provisions in the Plan or Investment Arrangement Documentation.

7.02 PLAN ADMINISTRATOR.

(A) Expenses. The Employer or the Plan will pay all reasonable expenses of the Plan Administrator, in accordance with Section 7.04(C)(2).

(B) Resignation and Removal. If one or more persons other than the Employer are serving as Plan Administrator, such person(s) will serve until they resign by written notice to the Employer or until the Employer removes them by written notice. In case of a vacancy in the position of Plan Administrator, the Employer will exercise any and all of the powers, authority, duties and discretion conferred upon the Plan Administrator pending the filling of the vacancy, subject to the limitations of Section 7.01(H).

(C) General Powers and Duties. Subject to the limitations of Section 7.01(H), and to the extent not formally or informally delegated to another party pursuant to Section 7.02(F), the Plan Administrator has the following general powers and duties which are in addition to those the Plan otherwise accords to the Plan Administrator:

(1) **Eligibility/benefit determination.** To determine the rights of eligibility of an Employee to participate in the Plan, all factual questions that arise in the course of administering the Plan, the value of a Participant's Account Balance (based on the value of the Investment Arrangement assets, as determined by the Vendor) and the Vested percentage of each Participant's Account Balance.

(2) **Rules/policies.** To adopt rules of procedure and regulations or policies the Plan Administrator considers reasonable or necessary for the proper and efficient administration of the Plan, provided the rules are not inconsistent with the terms of the Plan, or the Code. The Plan Administrator may, but is not required to reduce such rules, regulations or policies to writing. The Plan Administrator at any time may amend or terminate prospectively any Plan policy without the requirement of a formal amendment. The Plan Administrator also may create and modify from time to time an administrative checklist which is not part of the Plan, but which is for the purpose of tracking certain plan operational features and to facilitate proper administration of the Plan.

(3) **Construction/enforcement.** To construe and enforce the terms of the Plan and the rules and regulations and policies the Plan Administrator adopts, including discretion to interpret the basic plan document, the Adoption Agreement and any document related to the Plan's operation.

(4) **Distribution/valuation.** To direct the Vendor regarding the crediting and distribution of an Investment Arrangement and to establish additional Valuation Dates and direct the Vendor to conduct interim valuations as of such Valuation Dates.

(5) **Claims.** To review and render decisions regarding a claim for (or denial of a claim for) a benefit under the Plan.

(6) **Information to Employer.** To furnish the Employer with information which the Employer may require for tax or other purposes.

(7) **Service providers.** To engage the service of agents whom the Plan Administrator may deem advisable to assist it with the performance of its duties.

(8) **Investment Manager.** If the Plan Administrator is the Named Fiduciary, to engage the services of an Investment Manager or Managers, each of whom will have full power and authority to manage, acquire or dispose (or direct the Vendor with respect to acquisition or disposition) of any Plan asset under such Manager's control.

(9) **Funding.** To review, not less often than annually, all pertinent Employee information and Plan data in order to establish the funding policy of the Plan and to determine the appropriate methods of carrying out the Plan's objectives. The Plan Administrator must communicate periodically, as it deems appropriate, to the Vendor and to any Plan Investment Manager the Plan's short-term and long-term financial needs for the coordination of the Plan's investment policy with Plan financial requirements.

(10) **Records.** To maintain Plan records and records of the Plan Administrator's activities as necessary or appropriate for the proper administration of the Plan.

(11) **Tax returns and other filings.** To file with IRS as may be required, the Plan's informational tax return and to make such other filings as the Plan Administrator deems necessary or appropriate.

(12) **Notices and disclosures.** To give and to make to Participants and to other parties all Plan related notices and disclosures required under the Code.

(13) **Overpayment.** As may be required or appropriate, to seek return from a Participant or Beneficiary of any distributed amount which exceeds the distributable Vested Account Balance (or exceeds the amount which otherwise should have been distributed) and to allocate any recovered overpayment in accordance with the Plan terms.

(14) **Catch-all.** To make any other determinations and undertake any other actions the Plan Administrator in its discretion believes are necessary or appropriate for the administration of the Plan (except to the extent that the Employer provides express contrary direction) and to otherwise administer the Plan in accordance with the Plan terms.

(D) 403(b) Plan Salary Deferrals. The Plan Administrator may adopt such policies regarding Elective Deferrals as it deems necessary or appropriate to administer the Plan. The Plan Administrator also will prescribe a Salary Reduction Agreement form for use by Participants. However, a Vendor may prescribe forms or policies necessary or appropriate to administering Elective Deferrals to the Vendor's Investment Arrangement.

(E) Limitations on Plan Administrator Responsibility.

(1) **Acts of others.** The Plan Administrator has no responsibility or obligation under the Plan to Participants or Beneficiaries for any act (unless the Plan Administrator also serves in such capacities) required of the Employer, the Vendor, or any other service provider to the Plan.

© 2018 National Benefit Services, LLC or its suppliers

(2) **Plan contributions.** The Plan Administrator is not responsible to collect any required Plan contribution or to determine the correctness of any Employer contribution.

(3) **Reliance on information.** The Plan Administrator and the Vendors in administering the Plan are entitled to, but are not required to rely upon, information which a Participant, Beneficiary, Vendor, the Employer, a Plan service provider or representatives thereof provide.

(F) Allocation of Responsibilities. Persons to whom administrative functions have been allocated and the specific functions allocated to such persons shall be identified in Appendix D to the Adoption Agreement. Service agreements and other records or information pertaining to the administration of the Plan may be included or incorporated by reference in the Appendix. The Appendix will also include a list of all the Vendors of Investment Arrangements approved for use under the Plan, including sufficient information to identify the approved Investment Arrangements. The Appendix may be modified from time to time. A modification of Appendix D to the Adoption Agreement is not an amendment of the Plan. Persons identified in Appendix D to the Adoption Agreement to whom administrative functions have been delegated shall have all power and authority of the Plan Administrator to the extent necessary or appropriate to perform those functions.

7.03 DIRECTION OF INVESTMENT.

(A) Employer direction of Investment. The Employer has the right to select the Investment Arrangements made available under the Plan unless an Investment Manager is doing so.

(B) Participant Direction of Investment. The Participant generally has the responsibility to invest his/her Plan Account unless the Plan Administrator or the Participant appoint an Investment Manager to invest the Plan Accounts. The Plan Administrator may impose reasonable administrative conditions on the Participants' ability to direct their Account investments. For purposes of this Section 7.03(B), a Participant includes a Beneficiary where the Beneficiary has succeeded to the Participant's Account and where the Plan Administrator's policy affords the Beneficiary the same (or different) self-direction rights as a Participant.

(1) **Vendor authorization and procedures.** The Vendor only will accept direction from each Participant (or from the Participant's properly appointed independent investment adviser or financial planner) in the form or in the manner that the Plan provides or otherwise approves for this purpose. The Plan may establish procedures relating to Participant direction of investment under this Section 7.03(B) as are not inconsistent with the Plan Administrator's policy regarding Participant direction, including procedures or conditions for electronic transfers or for changes in investments by Participants or by their appointed independent advisers or planners.

(2) **Participant loans.** As part of the loan policy the Plan establishes under Section 7.06, the Plan under Section 7.06(E) may treat a Plan loan made to a Participant as a Participant direction of investment.

(3) **Investment services programs.** The Plan may permit Participants to appoint an Investment Manager or Managers, which may be a Vendor or an affiliate thereof, to render investment allocation services, investment advice or management services (collectively, an "investment services program") to the appointing Participants.

(C) Direction Consistent with Plan. To constitute a proper direction, any direction of investment given to a Vendor under the Plan must be in accordance with the Plan terms.

7.04 ACCOUNT ADMINISTRATION, VALUATION AND EXPENSES.

(A) Maintenance of Accounts. The Plan Administrator will maintain, or direct the Vendors to maintain, a separate Account, or multiple Accounts, in the name of each Participant to reflect the Participant's Account Balance under the Plan. The Plan Administrator will make its allocations of Earnings or request the Vendors to make its allocations, to the Accounts of the Participants as necessary to maintain proper Plan records: (a) in accordance with the contribution source under Section 7.04(A)(1); (b) in accordance with Section 3.06 allocation conditions; (c) consistent with the Plan Administrator's establishment of investment account types under Section 7.04(A)(2); and (d) consistent with the Employer's Adoption Agreement elections as to method of allocation of Earnings under Section 7.04(B)(4).

(1) **By contribution source.** The Plan, as necessary for the proper administration of the Plan, will establish Plan Accounts for each Participant to reflect his/her Accounts attributable to the following contribution sources and the Earnings attributable thereto: Pre-Tax Deferrals, Roth Deferrals, in-plan Roth rollovers, Employee Contributions, Mandatory Employee Contributions, Matching Contributions, Nonelective Contributions, QNECs and Rollover Contributions (including Roth and pre-tax amounts).

(2) **By investment account type.** The Plan, as necessary for the proper administration of the Plan, will establish separate Accounts for each Participant to reflect his/her investment account types as described below:

(a) **Group Account.** A group Account is an Account which for investment purposes is not a segregated Account or an individual Account. A group Account includes a group Investment Arrangement. If any or all Plan investment Accounts are grouped, each Participant's Account has an undivided interest in the assets comprising the group Account. In a group Account, the value of each Participant's Account Balance consists of that proportion of the net worth (at fair market value) of the Investment Arrangement which the net credit

balance in his/her Account (exclusive of the cash value of incidental benefit insurance contracts) bears to the total net credit balance in the Accounts (exclusive of the cash value of the incidental benefit insurance contracts) of all Participants plus the cash surrender value of any incidental benefit insurance contracts held by the Vendor on the Participant's life. As of each Valuation Date, the Plan Administrator must reduce a Participant's Accounts for any forfeiture arising from Section 5.07 after the Plan Administrator has made all other allocations, changes or adjustments to the Account. In a group Account, the Vendor titles the Investment Arrangement in the name of the Plan.

(b) **Individual Accounts.** An individual Account is an Account that is established and maintained for a Participant to invest in one or more Investment Arrangements in which other Participants do not have any interest. A Participant may have one or more individual Accounts in addition to group or segregated Accounts. An individual Account is credited and charged with the Earnings under Section 7.04(B)(4). As of each Valuation Date, the Plan Administrator must reduce an individual Account for any forfeiture arising from Section 5.07 after the Plan Administrator has made all other allocations, changes or adjustments to the Account. In an individual Account, the Vendor titles the Investment Arrangement in the name of the Participant or the Plan. The Plan Administrator may prohibit investment of funds in individual Accounts to the extent that those funds are not 100% Vested.

(c) **Segregated Accounts.** A segregated Account is an Account the Plan Administrator establishes and maintains or directs the Vendor to establish and maintain for a Participant: (i) to facilitate installment payments under Section 6.03; (ii) to hold a QDRO amount under Section 6.05; (iii) to prevent a distortion of Plan Earnings allocations; or (iv) for such other purposes as the Plan Administrator may direct. A segregated Account receives all income it earns and bears all expense or loss it incurs. The Vendor will invest the assets of a segregated Account consistent with the purpose for which the Vendor established the Account. As of each Valuation Date, the Plan Administrator must reduce a segregated Account for any forfeiture arising under Section 5.07 after the Plan Administrator has made all other allocations, changes or adjustments to the Account.

(3) **Value of Account/distributions.** The value of a Participant's Account is equal to the sum of all contributions, Earnings and other additions credited to the Account, less all distributions (including distributions to Beneficiaries and to alternate payees and also including disbursement of Plan loan proceeds), expenses and other charges against the Account as of a Valuation Date or other relevant date. For purposes of a distribution under the Plan, the value of a Participant's Account Balance is its value as of the Valuation Date immediately preceding the date of the distribution.

(B) Allocation of Earnings. This Section 7.04(B) applies solely to the allocation of Earnings of the Investment Arrangement. Any references in this Section 7.04(B) to the Plan Administrator include a Vendor. The Plan Administrator will allocate Employer Contributions and Participant forfeitures, if any, in accordance with Article 3.

(1) **Allocate as of Valuation Date.** As of each Valuation Date, the Plan Administrator must adjust Accounts to reflect Earnings since the last Valuation Date.

(2) **Definition of Valuation Date.** The Valuation Date or Dates applicable to a given Investment Arrangement will be as specified in the Investment Arrangement Documentation.

(3) **Definition of Valuation Period.** The Valuation Period is the period beginning on the day after the last Valuation Date and ending on the current Valuation Date.

(4) **Allocation methods.** The Vendor will allocate Earnings to the Participant Accounts in accordance with the Investment Arrangement Documentation.

(C) Plan Expenses. The Plan Administrator must determine whether a particular Plan expense is a settlor expense which the Employer must pay.

(1) **Employer election as to non-settlor expenses.** The Employer will direct the Plan Administrator as to whether the Employer will pay any or all non-settlor reasonable Plan expenses or whether the Plan must bear the expense.

(2) **Allocation of Plan expense.** As to any and all non-settlor reasonable Plan expenses, including Vendor fees, which the Employer determines that the Plan will pay, the Plan Administrator has discretion: (i) to determine the method of allocating reasonable Plan expenses that are charged to the Plan as a whole; (ii) to determine which reasonable Plan expenses the Plan will charge to an individual Participant's Account; and (iii) to adopt an expense policy regarding the foregoing. The Plan Administrator must exercise its discretion under this Section 7.04(C)(2) in a reasonable, uniform manner. Subject to the terms of the Investment Arrangement Documentation, the Plan Administrator will direct the Vendor to pay from the Investment Arrangement or to charge to the overall Plan or to particular Accounts the expenses under this Section 7.04(C)(2) in accordance with the Plan Administrator's election of expense charging method or policy.

(a) **Charge to overall Plan.** If the Plan Administrator charges a Plan expense to the Accounts of all Participants, the Plan Administrator may allocate the Plan expense either pro rata in relation to the total

© 2018 National Benefit Services, LLC or its suppliers

balance in each Account on the date the expense is allocated (or as of the most recent Valuation Date) or per capita (an equal amount) to each Participant's Account.

(b) **Charge to individual Participant Accounts.** The Plan Administrator and the Investment Arrangement Documentation, may charge a Participant's Account for any reasonable Plan expenses directly related to that Account, including, but not limited to the following categories of fees or expenses: distribution, loan, QDRO, "lost Participant" search, account maintenance, brokerage accounts, expedited check delivery, investment management (including registered investment advisors' fees) and benefit calculations. The Plan Administrator may charge a Participant's Account for the reasonable expenses incurred in connection with the maintenance of or a distribution from that Account even if the charging of such expenses would result in the elimination of the Participant's Account or in the Participant's not receiving an actual distribution. However, if the actual Account expenses exceed the Participant's Account Balance, the Plan Administrator will not charge the Participant outside of the Plan for such excess expenses.

(c) **Participant's direct payment of investment expenses.** The Plan Administrator may permit Participants to pay directly to the service provider, outside the Plan, Plan expenses such as investment management fees, provided such expenses: (i) would be properly payable either by the Employer or the Plan and are not "settlor" expenses payable exclusively by the Employer; (ii) are not paid in fact by the Employer or by the Plan; and (iii) are not intrinsic to the value of the Plan assets as described in Rev. Rul. 86-142 or in any successor ruling. This Section 7.04(C)(2)(c) does not permit a Participant to reimburse the Plan for expenses the Plan previously has paid. To the extent a Participant does not pay an expense the Participant may pay according to this Section 7.04(C)(2)(c), the Plan Administrator will charge the expense under Sections 7.04(C)(2)(a) or 7.04(C)(2)(b) in accordance with the Plan Administrator's expense policy.

(d) **Charges to former Employee-Participants.** The Plan Administrator may charge reasonable Plan expenses to the Accounts of former Employee-Participants, even if the Plan Administrator does not charge Plan expenses to the Accounts of current Employee-Participants. The Plan Administrator may charge the Accounts of former Employee-Participants by applying one of the Section 7.04(C)(2)(a) or (b) methods.

(D) Fee Recapture Account. The Plan Administrator in its discretion may use a Fee Recapture Account to pay non-settlor Plan Expenses and may allocate funds in the Fee Recapture Account (or excess funds therein after payment of Plan Expenses) as Earnings. The Plan Administrator will exercise its discretion in a reasonable manner. The Employer, in Appendix B to its Adoption Agreement, may specify a particular method the Plan Administrator will use to allocate excess funds in the Fee Recapture Account. A Fee Recapture Account is an account designated to receive amounts which a Plan service provider receives in the form of 12b-1 fees, sub-transfer agency fees, shareholder servicing fees or similar amounts (also known as "revenue sharing"), which the service provider receives from a source other than the Plan and which the service provider may remit to the Plan.

(E) Late Trading and Market Timing Settlement. In the event the Plan becomes entitled to a settlement from a mutual fund or other investment relating to late trading, market timing or other activities, the Plan Administrator will allocate the settlement proceeds to Participants and Beneficiaries in a reasonable manner as the Plan Administrator may determine.

7.05 PARTICIPANT ADMINISTRATIVE PROVISIONS.

(A) Beneficiary Designation. A Participant from time to time may designate, in writing, any person(s) (including a trust or other entity), contingently or successively, to whom the Vendor will pay all or any portion of the Participant's Vested Account Balance (including any life insurance proceeds payable to the Participant's Account) in the event of death. A Participant also may, to the extent the Vendor permits, designate the form and method of distribution of his/her Account to the Beneficiary. The Plan will prescribe the form for the Participant's written designation of Beneficiary and, upon the Participant's filing the form with the Plan the form effectively revokes all designations filed with the Plan prior to that date by the same Participant. This Section 7.05(A) also applies to the interest of a deceased Beneficiary or a deceased alternate payee where the Beneficiary or alternate payee has designated a Beneficiary. Delivery of a Beneficiary Designation to a Vendor affects only distributions from the Investment Arrangement(s) that Vendor provides. In the event of a conflict between a beneficiary designation provided to the Plan Administrator and a beneficiary designation provided to a Vendor, the Vendor's designation will control the distribution of the Vendor's Investment Arrangements.

(1) **Automatic revocation of spousal designation.** A divorce decree revokes the Participant's prior designation, if any, of his/her spouse or former spouse as his/her Beneficiary under the Plan unless: (a) the decree or a QDRO provides otherwise; (b) the Employer provides otherwise in Appendix B to its Adoption Agreement or (c) prohibited under state law. This Section 7.05(A)(1) applies solely to a Participant whose divorce becomes effective on or after the date the Employer executes this Plan unless the Plan is a Restated Plan and the prior Plan contained a provision to the same effect.

(2) **Coordination with QJSA/QPSA requirements.** If Section 6.04 applies to the Participant, this Section 7.05 does not impose any special spousal consent requirements on the Participant's Beneficiary designation unless the Participant waives the QJSA or QPSA benefit. If the Participant waives the QJSA or QPSA benefit without spousal consent to the Participant's Beneficiary designation: (a) any waiver of the QJSA or of the QPSA is not valid; and (b) if the Participant dies prior to his/her Annuity Starting Date, the Participant's Beneficiary designation will apply only to the portion of the death benefit which is not payable as a QPSA. Regarding clause (b), if the Participant's surviving

© 2018 National Benefit Services, LLC or its suppliers

spouse is a primary Beneficiary under the Participant's Beneficiary designation, the Vendor will satisfy the spouse's interest in the Participant's death benefit first from the portion which is payable as a QPSA.

(3) **Limitation on beneficiary designation of married Participants.** This Section 7.05(A)(3) applies only if the Employer has elected in Appendix B to its Adoption Agreement to apply this provision and has not elected to apply the Joint and Survivor rules of Section 6.04. The Beneficiary designation of a married Participant, is not valid unless the Participant's spouse consents (in a manner described in Section 6.04(A)(7)) to the Beneficiary designation. The spousal consent requirement in this Section 7.05(A)(3) does not apply if the Participant's spouse is the Participant's sole primary Beneficiary. Operationally, the Employer may waive this limitation for Participants who have been married less than one year at the time of the Participant's death.

(4) **Limitation on frequency of Beneficiary changes.** A Participant may change his/her Beneficiary in accordance with this Section 7.05(A) as often as the Participant wishes, unless the Employer in Appendix B to its Adoption Agreement elects to impose a minimum time interval between changes, but with an exception for certain major life events, such as death of a Beneficiary, divorce and other such events as the Plan Administrator reasonably may determine.

(5) **Definition of spouse.** The Employer in Appendix B to its Adoption Agreement may define the term "spouse." That definition shall apply for all Plan purposes other than Section 6.02 related to requited minimum distributions.

(B) Default Beneficiary. If: (i) a Participant fails to name a Beneficiary in accordance with Section 7.05(A); or (ii) the Beneficiary (and all contingent or successive Beneficiaries) whom the Participant designates predecease the Participant, are invalid for any reason, or disclaim the Participant's Vested Account Balance and the disclaimers have been accepted as valid, then the Vendor (subject to any contrary provision in Appendix B to the Adoption Agreement or any contrary provision in Investment Arrangement Documentation) will distribute the Participant's Vested Account Balance in accordance with Section 6.03 in the following order of priority to:

(1) **Spouse.** The Participant's surviving spouse (without regard to the one-year marriage rule of Sections 6.04(H)); and if no surviving spouse to

(2) **Descendants.** The Participant's descendants (including adopted children), in equal shares by right of representation (one share for each surviving child and one share for each child who predeceases the Participant with living descendants); and if none to

(3) **Parents.** The Participant's surviving parents, in equal shares; and if none to

(4) **Estate.** The Participant's estate.

(C) Administration of Default Provision. The Employer in Appendix B to its Adoption Agreement may specify a different list or ordering of the list of default beneficiaries. The Employer in Appendix B to its Adoption Agreement may define the term "spouse" under Section 7.05(B)(1). In the absence of such a definition, the Plan Administrator will interpret and apply the term "spouse" in a manner which is consistent with the Code provisions relating to retirement plans.

(D) Death of Beneficiary. If the Beneficiary survives the Participant, but dies prior to distribution of the Participant's entire Vested Account Balance, the Vendor will distribute the remaining Vested Account Balance to the Beneficiary's estate unless: (1) the Participant's Beneficiary designation provides otherwise; (2) the Beneficiary has properly designated a beneficiary; or (3) the Employer provides otherwise in Appendix B to its Adoption Agreement. A Beneficiary only may designate a beneficiary for the Participant's Account Balance remaining at the Beneficiary's death, if the Participant has not previously designated a successive contingent beneficiary and the Beneficiary's designation otherwise complies with the Plan terms.

(E) Simultaneous Death of Participant and Beneficiary. If a Participant and his/her Beneficiary should die simultaneously, or under circumstances that render it difficult or impossible to determine who predeceased the other, then unless the Participant's Beneficiary designation otherwise specifies, the Plan will presume conclusively that the Beneficiary predeceased the Participant.

(F) Incapacitated Participant or Beneficiary. If, in the opinion of the Plan, a Participant or Beneficiary entitled to a Plan distribution is not able to care for his/her affairs because of a mental condition, a physical condition, or by reason of age, the Vendor will make the distribution to the Participant's or Beneficiary's guardian, conservator, custodian (including under a Uniform Transfers or Gifts to Minors Act) or to his/her attorney-in-fact or to other legal representative upon furnishing satisfactory evidence of such status. The Plan Administrator and the Vendor do not have any liability with respect to payments so made and neither the Plan Administrator nor the Vendor has any duty to make inquiry as to the competence of any person entitled to receive payments under the Plan.

(G) Assignment or Alienation. Except for Plan Loans (Section 7.06) and as provided in Section 6.05 relating to domestic relations orders, and in ERISA §206(d) relating to certain voluntary, revocable assignments, judgments and settlements (even though the Plan is not subject to ERISA), neither a Participant nor a Beneficiary may anticipate, assign or alienate (either at law or in equity) any benefit provided under the Plan, and the Vendor will not recognize any such anticipation, assignment or alienation. Except as provided by law, a benefit under the Plan is not subject to attachment,

garnishment, levy, execution or other legal or equitable process. Without regard to distribution restrictions otherwise provided herein, the Plan Administrator may pay from a Participant's or Beneficiary's Accumulated Benefit the amount that the Plan Administrator finds is lawfully demanded under a levy issued by the Internal Revenue Service with respect to that Participant or Beneficiary or is sought to be collected by the United States Government under a judgment resulting from an unpaid tax assessment against the Participant or Beneficiary.

(H) [Reserved]

(I) Claims Procedure for Denial of Benefits. The Plan Administrator may adopt a claims procedure which will apply to claims under the Plan. In the absence of such a procedure, the Investment Arrangement Documentation may provide for a claims procedure which will apply to the Investment Arrangement.

(J) Inability to Determine Beneficiary. In the event that the Plan Administrator is unable to determine the identity of a Participant's Beneficiary under circumstances of competing claims or otherwise, the Plan may file an interpleader action seeking an order of the court as to the determination of the Beneficiary. The Plan Administrator, the Vendor and other Plan fiduciaries may act in reliance upon any proper order issued under this Section 7.05(J) in maintaining, distributing or otherwise disposing of a Participant's Account under the Plan terms, to any Beneficiary specified in the court's order.

7.06 PLAN LOANS.

(A) Loan Policy. Subject to the terms of the Investment Arrangement Documentation, if the Adoption Agreement permits Participant Loans, the Plan Administrator may establish, amend or terminate, a policy for making Plan loans (including collateralized loans made by an Annuity Provider under the Annuity Contract), if any, to Participants and to Beneficiaries. If the Plan Administrator adopts a loan policy, the loan policy must be in writing. The policy must include: (i) the identity of the person or positions authorized to administer the Participant loan program; (ii) the procedure for applying for a loan; (iii) the criteria for approving or denying a loan; (iv) the limitations, if any, on the types and amounts of loans available; (v) the procedure for determining a reasonable rate of interest; (vi) the types of collateral which may secure the loan; (vii) the events constituting default and the steps the Plan will take to preserve Plan assets in the event of default; and (viii) acceptable methods for repayment of the loan. A loan policy the Plan Administrator adopts under this Section 7.06 is part of the Plan, except that the Plan Administrator may amend or terminate the policy without regard to Section 9.02.

(B) Requirements for Plan Loans. The Vendor may make a Plan loan to a Participant or to a Beneficiary in accordance with the loan policy and the Investment Arrangement Documentation, provided: (1) the loan policy satisfies the requirements of this Section 7.06; (2) the loan bears a reasonable rate of interest; (3) the loan provides for a fixed repayment schedule (except that the loan policy may suspend loan payments pursuant to Code §414(u)(4) or other Code provisions); (4) the default provisions of the note permit offset of the Participant's Vested Account Balance only at the time when the Participant has a distributable event under the Plan, but without regard to whether the Participant consents to distribution as otherwise may be required under Section 6.01; (5) the amount of the loan does not exceed (at the time the Plan extends the loan) the present value of the Participant's Vested Account Balance in the Vendor's Investment Arrangement; and (6) the loan has repayment safeguards to which a prudent lender would adhere. The Vendor may impose additional restrictions on loans, provided such terms are consistent with the Code.

(C) Default as Distributable Event. The loan policy may provide a Participant's loan default is a distributable event with respect to the defaulted amount, irrespective of whether the Participant otherwise has incurred a distributable event at the time of default, except as to amounts which the Participant used to secure his/her loan and which remain subject to distribution restrictions under Section 6.01(E) which may not be distributed in-service at the time of default.

(D) QJSA Requirements. If the QJSA requirements of Section 6.04 apply to the Participant, the Participant may not pledge any portion of his/her Account Balance that is subject to such requirements as security for a loan unless, within the 180 day period ending on the date the pledge becomes effective, the Participant's spouse, if any, consents (in a manner described in Section 6.04 other than the requirement relating to the consent of a subsequent spouse) to the security or, by separate consent, to an increase in the amount of security.

(E) Treatment of Loan as Participant-Directed. The Plan Administrator, to the extent provided in a written loan policy and consistent with Section 7.03(B), will treat a Plan loan made to a Participant as a Participant-directed investment, even if the Plan otherwise does not permit a Participant to direct his/her Account investments. Where a loan is treated as a directed investment, the borrowing Participant's Account alone shares in any interest paid on the loan, and the Account alone bears any expense or loss it incurs in connection with the loan. The Vendor may retain any principal or interest paid on the borrowing Participant's loan in a segregated Account (as described in Section 7.04(A)(2)(c)) on behalf of the borrowing Participant until the Vendor deems it appropriate to add the loan payments to the Participant's Account under the Plan.

(F) ERISA Safe Harbor Exemption. If the Employer intends for the Plan to qualify under the Safe Harbor Exemption, the determination of the terms under which Participants may obtain loans is made by reference to the Investment Arrangement Documentation.

(G) Coordination; Code §72(p). To minimize the instances in which Participants have taxable income as a result of loans from the Plan, the Plan Administrator will take such steps as may be appropriate to coordinate the limitations on loans set forth in Code §72(p), including the collection of information from Vendors, and transmission of information requested by any Vendor, concerning the outstanding balance of any loans made to a Participant under the Plan or any other plan of the

Employer. The Plan Administrator will also take such steps as may be appropriate to collect information from Vendors, and transmit information to any Vendor, concerning any failure by a Participant to repay timely any loans made to a Participant under the Plan or any other plan of the Employer. The Vendors will cooperate with the Plan Administrator in providing information needed under this Section 7.06(G). No loan to any Participant or Beneficiary can be made to the extent that such loan when added to the outstanding balance of all other loans to the Participant or Beneficiary would exceed the lesser of (a) $50,000 reduced by the excess (if any) of the highest outstanding balance of loans during the one year period ending on the day before the loan is made, over the outstanding balance of loans from the Plan on the date the loan is made, or (b) one-half the present value of the nonforfeitable accrued benefit of the Participant. For the purpose of the above limitation, all loans from all plans of the Employer and Related Employers are aggregated. Any loan shall by its terms require that repayment (principal and interest) be amortized in level payments, not less frequently than quarterly, over a period not extending beyond five years from the date of the loan, except that if such loan is used to acquire a dwelling unit which within a reasonable time (determined at the time the loan is made) will be used as the principal residence of the Participant, the amortization period shall not extend beyond a commercially reasonable period from the date of the loan.

7.07 LOST PARTICIPANTS. If the Plan is unable to locate any Participant or Beneficiary whose Account becomes distributable under the Plan (a "lost Participant"), the Plan Administrator will apply the provisions of this Section 7.07 consistent with the Investment Arrangement Documentation. The provisions of this Section 7.07 no longer apply if the Plan, prior to taking action to dispose of the lost Participant's Account under Section 7.07(A)(2) or 7.07(B)(2), receives a distribution election from the Participant.

(A) Ongoing Plan. The provisions of this Section 7.07(A) apply if the Plan is ongoing.

(1) **Attempt to Locate.** The Plan must conduct a reasonable and diligent search for the Participant, using one or more of the search methods described in Section 7.07(C).

(2) **Failure to locate/disposition of Account.** If a lost Participant remains un-located after 6 months following the date the Plan first attempts to locate the lost Participant using any of the search methods described in Section 7.07(C), the Plan may forfeit the lost Participant's Account, provided the Account is not subject to the Automatic Rollover rules of Section 6.08(D). If the Plan forfeits the lost Participant's Account, the forfeiture occurs at the end of the above-described 6-month period and the Plan will allocate the forfeiture in accordance with Section 3.07. The Plan under this Section 7.07(A)(2) will forfeit the entire Account of the lost Participant, including Elective Deferrals and Employee Contributions.

(3) **Subsequent restoration of forfeiture.** If a lost Participant whose Account was forfeited thereafter at any time but before the Plan has been terminated makes a claim for his/her forfeited Account, the Plan will restore the forfeited Account to the same dollar amount as the amount forfeited, unadjusted for Earnings occurring subsequent to the forfeiture. The Plan will make the restoration in the Plan Year in which the lost Participant makes the claim, first from the amount, if any, of Participant forfeitures the Plan otherwise would allocate for the Plan Year, and then from the amount or additional amount the Employer contributes to the Plan for the Plan Year. The Employer in Appendix B to its Adoption Agreement may provide that the Plan will use group Investment Arrangement net income or gain for the Plan Year, if any, as a source of the restoration, or may modify the order of priority of the sources of restoration described in the previous sentence. The Plan will distribute the restored Account to the lost Participant not later than 60 days after the close of the Plan Year in which the Plan restores the forfeited Account.

(B) Terminating plan. The provisions of this Section 7.07(B) apply if the Plan is terminating.

(1) **Attempt to locate.** The Plan, to attempt to locate a lost Participant when the Plan is terminating, must conduct a reasonable and diligent search for the Participant. The Plan Administrator may use its discretion in determining the search method or methods.

(2) **Failure to locate/disposition of Account.** If a lost Participant remains un-located after a reasonable period the Plan Administrator will distribute the Participant's Account under Sections 7.07(B)(2)(a), (b) or (c) as applicable.

(a) **No Annuity Contract/no other 403(b) Plan.** If the terminating Plan does not provide an Annuity Contract as an investment option and the Employer does not maintain another 403(b) Plan, the Plan Administrator will distribute the lost Participant's Account in an Automatic Rollover to an individual retirement plan under Section 6.08(D), unless the Plan determines it is impracticable to complete an Automatic Rollover or is unable to locate an individual retirement plan provider willing to accept the rollover distribution. In such event, the Plan may: (i) distribute the Participant's Account to an interest-bearing insured bank account the Plan establishes in the Participant's name; or (ii) distribute the Participant's Account to the unclaimed property fund of the state of the Participant's last known address.

(b) **Plan provides Annuity Contract/no other 403(b) Plan.** If the terminating Plan provides for an Annuity Contract as an investment option and the Employer does not maintain another 403(b) Plan, the Plan Administrator will distribute an Annuity Contract payable to the lost Participant for delivery to the Participant's last known address reflected in the Plan's records.

(c) **Employer maintains another 403(b) Plan.** If the Employer maintains another 403(b) Plan, the Plan Administrator may (in lieu of taking the actions described in Sections 7.07(B)(2)(a) or (b)) transfer the lost Participant's Account to the other 403(b) Plan.

(C) Search methods. The search methods described in this Section 7.07 are: (1) provide a distribution notice to the lost Participant at the Participant's last known address by certified or registered mail; (2) check with other employee benefit plans of the Employer that may have more up-to-date information regarding the Participant's whereabouts; (3) identify and contact the Participant's designated Beneficiary; (4) use free Internet search tools; and (5) use a commercial locator service, credit reporting agencies, other Internet tools or other search method. Regarding search methods (2) and (3) above, if the Plan encounters privacy concerns, the Plan may request that the Employer or other plan fiduciary (under (2)), or the designated Beneficiary (under (3)), contact the Participant or forward a letter requesting that the Participant contact the Plan. The purpose of this Section is to reflect DOL Guidance regarding locating missing or unresponsive Participants as of the date the Plan was written, which have changed over time.

(D) Uniformity. The Plan will apply Section 7.07 in a reasonable and uniform manner, but in determining a specific course of action as to a particular Account, reasonably may take into account differing circumstances such as the amount of a lost Participant's Account, the expense in attempting to locate a lost Participant, the Plan's ability to establish and the expense of establishing a rollover IRA, and other factors.

(E) Expenses of search. The Plan, in accordance with Section 7.04(C)(2)(b), may charge to the Account of a Participant the reasonable expenses incurred under this Section 7.07 and which are associated with the Participant's Account, without regard to whether or when the Plan actually locates or makes a distribution to the Participant.

(F) Alternative Disposition. The Plan under Sections 7.07(A) or (B) operationally may dispose of a lost Participant's Account in any reasonable manner which is not inconsistent with the Code. The Plan Administrator or a Vendor may adopt a policy under this Section 7.07 as it deems reasonable or appropriate to administer the Accounts of lost Participants. To the extent a Vendor adopts a policy, that policy will apply to Investment Arrangements of this Plan which the Vendor administers, and the terms and administration of the Policy must be uniform among such Investment Arrangements. The Plan also may administer lost Participant Accounts consistent with the Code which is contrary to any provision of Section 7.07.

7.08 PLAN CORRECTION. The Plan Administrator in conjunction with the Employer may undertake such correction of Plan failures as the Plan Administrator deems necessary, including correction to preserve tax qualification of the Plan under Code §403(b). Without limiting the Plan Administrator's authority under the prior sentence, the Plan Administrator, as it determines to be reasonable and appropriate, may undertake or assist the Employer in undertaking correction of Plan document, operational, demographic and employer eligibility failures under a method described in the Plan or under the Employee Plans Compliance Resolution System ("EPCRS") or any successor program to EPCRS. The Plan Administrator may correct an operational failure by distributing from the Plan Elective Deferrals, including Earnings, and the Plan Administrator may forfeit any Matching Contributions, including Earnings, attributable to the distributed Elective Deferrals or any other Matching Contribution which a Participant has not otherwise accrued.

7.09 PLAN COMMUNICATIONS, INTERPRETATION AND CONSTRUCTION.

(A) Plan Administrator's Discretion. The Plan Administrator has total and complete discretion to interpret and construe the Plan and to determine all questions arising in the administration, interpretation and application of the Plan. Any determination the Plan Administrator makes under the Plan is final and binding upon any affected person.

(B) Written Communications. All Plan notices and all Participant or Beneficiary notices, designations, elections, consents or waivers must be in writing (which under Section 7.09(C) may include an electronic communication) and made in a form the Plan specifies or otherwise approves. Any person entitled to notice under the Plan may waive the notice or shorten the notice period as permitted by law.

(C) Use of Electronic Media. The Plan using any electronic medium may give or receive any Plan notice, communicate any Plan policy, conduct any written Plan communication, satisfy any Plan filing or other compliance requirement and conduct any other Plan transaction to the extent permissible under the Code. A Participant, a Participant's spouse, or a Beneficiary, may use any electronic medium to provide any Beneficiary designation, election, notice, consent or waiver under the Plan, to the extent allowed by the Code. Any reference in this Plan to a "form," a "notice," an "election," a "consent," a "waiver," a "designation," a "policy" or to any other Plan-related communication includes an electronic version.

(D) Evidence. Anyone, including the Employer, required to give data, statements or other information relevant under the terms of the Plan ("evidence") may do so by certificate, affidavit, document or other form which the person to act in reliance may consider pertinent, reliable and genuine, and to have been signed, made or presented by the proper party or parties. The Plan Administrator and the Vendors are protected fully in acting and relying upon any evidence described under the immediately preceding sentence.

(E) Plan Terms Binding. The Plan is binding upon the Employer, Plan Administrator, Vendors (and all other service providers to the Plan), upon Participants, Beneficiaries and all other persons entitled to benefits, and upon the successors and assigns of the foregoing persons. As to a Vendor, see Section 8.01(B).

(F) Employment Not Guaranteed. Nothing contained in this Plan, or any modification or any amendment to the Plan, or in the creation of any Account, or with respect to the payment of any benefit, gives any Employee, Participant or any Beneficiary any right to employment or to continued employment by the Employer, or any legal or equitable right against the Employer, the Plan Administrator or any employee or agent thereof, except as expressly provided by the Plan.

(G) Word Usage. Words used in the masculine also apply to the feminine where applicable, and wherever the context of the Plan dictates, the plural includes the singular and the singular includes the plural. Titles of Plan and Adoption Agreement sections are for reference only.

(H) State Law. The law of the state of the Employer's principal place of business will determine all questions arising with respect to the provisions of the Plan. The Employer in Appendix B to its Adoption Agreement, may elect to apply the law of another state.

(I) Parties to Litigation. A Participant or a Beneficiary is not a necessary party or required to receive notice of process in any court proceeding involving the Plan, an Investment Arrangement or any fiduciary of the Plan. Any final judgment entered in any such proceeding will be binding upon the Employer, the Plan Administrator, affected Vendors, Participants and Beneficiaries and upon their successors and assigns provided that the Vendor has been properly served and has had opportunity to litigate the issue.

(J) Fiduciaries Not Insurers. The Plan Administrator and the Employer in no way guarantee the Investment Arrangements from loss or depreciation. The Employer does not guarantee the payment of any money which may be or becomes due to any person from an Investment Arrangement. The liability of the Employer, the Plan Administrator and a Vendor to make any payment from the Investment Arrangement at any time and all times is limited to the then available assets of the Account.

(K) Construction/Severability. The Plan, the Adoption Agreement, the Investment Arrangements and all other documents to which they refer, will be interpreted consistent with and to preserve tax qualification of the Plan under Code §403(b). Any provision which a court (or other entity with binding authority to interpret the Plan) determines to be inconsistent with such construction and interpretation, is deemed severed and is of no force or effect, and the remaining Plan terms will remain in full force and effect.

ARTICLE 8. PLAN FUNDING

8.01 INVESTMENT ARRANGEMENTS/ INCORPORATION OF TERMS.

(A) Alternative Investment Arrangements. The Plan may be funded by means of one or more Custodial Accounts or Annuity Contracts. The Employer will specify in Appendix D to its Adoption Agreement the Annuity Contracts and Custodial Accounts available under the Plan.

(1) **Multiple vehicles.** The Plan may provide more than one Investment Arrangement within the single Plan.

(2) **Selection of specific funding.** The Employer in its sole discretion will designate from time to time the specific Investment Arrangements which are available as Plan investments. The Employer may change such designation at any time.

(3) **Nonforfeitability.** An Investment Arrangement must be nonforfeitable under Code §403(b)(1)(C), except as otherwise provided herein (such as the vesting provisions of Article 5).

(4) **Group trust.** As permitted under the Code, Plan assets under a Custodial Account may be invested in a group trust with assets held by tax qualified plans or individual retirement plans. Notwithstanding any contrary provision in the Plan, the Plan Administrator may transfer, unless restricted in writing by the Custodian, Plan assets to a group trust that is operated or maintained exclusively for the commingling and collective investment of monies provided that the funds in the group trust consist exclusively of trust assets held under plans qualified under Code §403(b), Code §401(a), individual retirement accounts that are exempt under Code §408(e), and eligible Governmental Plans under Code §457(b). For purposes of valuation, the value of the interest maintained by the Plan in such group trust will be the fair market value of the portion of the group trust held for the Plan, determined in accordance with generally recognized valuation procedures. This authorization applies solely to a group trust fund exempt from taxation under Code §501(a) and the trust agreement of which satisfies the requirements of Revenue Ruling 81-100 (as modified and clarified by Revenue Ruling 2004-67), or any successor thereto. The provisions of the group trust fund agreement, as amended from time to time, are by this reference incorporated within this Plan, subject to the limitations contained herein. The provisions of the group trust fund will govern any investment of Plan assets in that fund. For purposes of this Section 8.01(A)(4), a trust includes a custodial account which is treated as a trust under Code §401(f).

(B) Incorporation of Terms. The Plan under this Section 8.01(B) incorporates the provisions of the Investment Arrangement Documentation, recordkeeping agreements between the Employer or Plan Administrator and a Vendor, and any other written documents the Employer designates as part of the Plan by reference as part of the Plan. The incorporated provisions will set forth and will govern the Vendor's appointment, powers, duties, fees, termination and all other material terms of the Vendor's engagement to provide services to the Plan and to its Participants and Beneficiaries. To the extent that any of these incorporated provisions conflict with the remaining Plan terms, the Plan provisions will prevail.

8.02 CONTRIBUTION TIMING.

(A) General. The Employer will make its contributions to the Investment Arrangement within a period that is not longer than is reasonable for the proper administration of the Plan.

(B) Elective Deferrals. The Employer will transmit Elective Deferrals to an Investment Arrangement within a reasonable period of time following the date the Employer withholds the Elective Deferrals from the Participant's Compensation.

8.03 ANNUITY CONTRACT.

(A) Defined. An Annuity Contract is defined in 1.06, subject to the additional rules of this Section 8.03.

(1) **Transition Rule.** An Annuity Contract issued under a State maintained Plan established on or before May 17, 1982, need not comply with the requirement that the contract issuer be qualified to issue annuities in a State.

(B) Prohibition on Life Insurance and Other Insurance. An Annuity Contract may not consist of a life insurance contract under Code §7702, an endowment contract, a health or accident insurance contract, nor a property, casualty, or liability insurance contract. This limitation does not apply to a contract issued before September 24, 2007.

8.04 CUSTODIAL ACCOUNT.

(A) Defined. A Custodial Account is defined in Section 1.14, as established under a Custodial Agreement, subject to the additional rules of this Section 8.04.

(B) Limitation on Investment Assets/Other Limitations. All assets held in the Custodial Account must be invested in stock of one or more regulated investment companies as defined in Code §851(a).

ARTICLE 9. ADDITIONAL PROVISIONS

9.01 EXCLUSIVE BENEFIT. Except as provided under Section 3.01(E), the Employer does not have any beneficial interest in any asset of an Investment Arrangement and no part of any asset in an Investment Arrangement may ever revert to or be repaid to the Employer, either directly or indirectly; nor, prior to the satisfaction of all liabilities with respect to the Participants and their Beneficiaries under the Plan, may any part of the corpus or income of the Investment Arrangement, or any asset of the Investment Arrangement, be (at any time) used for, or diverted to, purposes other than the exclusive benefit of the Participants or their Beneficiaries and for defraying reasonable expenses of administering the Plan.

9.02 AMENDMENT.

(A) Permitted Amendments. The Employer, consistent with this Section 9.02 and other applicable Plan provisions, has the right, at any time to amend the Plan as follows:

(1) **Adoption Agreement.** To restate or amend the elective provisions of the Adoption Agreement (changing an existing election or making a new election) in any manner the Employer deems necessary or advisable;

(2) **Code §415.** To add in Appendix B to its Adoption Agreement overriding language to satisfy Code §415 because of the required aggregation of multiple plans; and

(3) **Interim Amendments.** To make such good faith amendments as the Employer considers necessary to keep the Plan in compliance with the Code.

(B) Amendment Formalities.

(1) **Writing.** The Employer must make all Plan amendments in writing. Each amendment must specify the amendment execution date and, if different from its execution date, must specify the date as of which the amendment is either retroactively or prospectively effective.

(2) **Restatement.** An Employer may amend its Plan by means of a complete restatement of its Adoption Agreement. To restate its Plan, the Employer must complete, and the Employer must execute and date, a new Adoption Agreement or a replacement plan document.

(3) **Amendment (without restatement).** An Employer may amend its Plan without completion of a new Adoption Agreement by either: (a) completion and substitution of one or more Adoption Agreement pages including a new Adoption Agreement Execution Page executed and dated by the Employer; or (b) other written instrument amending the Adoption Agreement executed and dated by the Employer.

(4) **Operational discretion and policy not an amendment.** A Plan amendment does not include the Plan Administrator's exercise of any operational discretion the Plan accords to the Plan Administrator, including but not limited to, the Plan Administrator's adoption, modification or termination of any policy, rule or regulation in accordance with the Plan or any change to an administrative checklist, or other ancillary documents described in Section 1.04 which are part of the Plan, other than the Adoption Agreement and the basic plan document. This provision does not grant any discretionary authority to the Plan Administrator which would be inconsistent with the provisions of Section 7.01(H).

(5) **Signatory Employer authority.** If the Plan has Participating Employers, only the Signatory Employer need execute any Plan amendment under this Section 9.02. See Section 1.29(A).

(C) Impermissible Amendment/Protected Benefits.

(1) **Exclusive benefit/no reversion.** The Employer may not amend the Plan to permit any of an Investment Arrangement (other than as required to pay taxes and reasonable administrative expenses) to be used for or diverted to purposes other than for the exclusive benefit of the Participants and Beneficiaries. An amendment may not cause any portion of the Investment Arrangement to revert to the Employer or to become the Employer's property.

(2) **Alteration of Plan Administrator or Vendor duties.** The Employer may not amend the Plan in any manner which affects the powers duties or responsibilities of the Plan Administrator, or of a Vendor without the written consent of the affected party.

(3) **No cut-backs.** An amendment (including the adoption of this Plan as a restatement of an existing plan) may not decrease a Participant's Account Balance.

(D) Practitioner Amendments. The Practitioner may amend any part of the Plan. For purposes of Practitioner amendments, the mass submitter shall be recognized as the agent of the Practitioner. If the Practitioner does not adopt the amendments made by the mass submitter, it will no longer be based on the mass submitter Plan.

© 2018 National Benefit Services, LLC or its suppliers

9.03 VOLUME SUBMITTER PRACTITIONER AMENDMENTS.

(A) General. The Practitioner, without the Employer's consent, may amend the Plan (including any Adoption Agreement), from time to time on behalf of Employers who have previously adopted the Plan: (1) to conform the Plan to any changes to the Code, and other IRS Guidance (including adoption of model, sample or other required good faith amendments that specifically provide that their adoption will not cause such plan to be individually designed); or (2) to make corrections to prior approved plans that may be applied to all employers who adopted the Plan. The Practitioner, also may amend the Plan (including any Adoption Agreement), from time to time effective as to employers who have not yet adopted the Plan. The Practitioner's mass submitter may act as the agent of the Practitioner in adopting amendments.

(B) Notice to Employers. The Practitioner must make reasonable and diligent efforts to ensure adopting Employers have actually received and are aware of all Practitioner generated Plan amendments and that such Employers complete and sign new Adoption Agreements when necessary.

(C) Prohibited Amendments. Except under Section 9.03, the Practitioner may not amend the Plan in any manner which would modify any adopting Employer's Plan existing Adoption Agreement election without the Employer's written consent. In addition, the Practitioner may not amend the Plan in any manner which would violate Section 9.02(C).

(D) Practitioner limitations. A Practitioner may no longer amend the Plan as to any adopting Employer as of the date: (1) the Employer amends its Plan in a manner as would result in the type of plan not permitted under the Volume Submitter program; or (2) the IRS notifies the Practitioner that the Plan is being treated as an individually designed plan.

9.04 FROZEN PLAN.

(A) Employer Action to Freeze. The Employer subject to Section 9.02(C) and by proper Employer action has the right, at any time, to suspend or discontinue all contributions under the Plan and thereafter to continue to maintain the Plan as a Frozen Plan (subject to such suspension or discontinuance) until the Employer terminates the Plan. During any period while the Plan is frozen, the Plan Administrator will continue to: (1) allocate forfeitures, if any, in accordance with Section 3.07, irrespective of when the forfeitures occur under Section 5.07; and (2) operate the Plan in accordance with its terms other than those related to the making and allocation of additional (new) contributions.

(B) Not a Termination. A resolution or an amendment to discontinue all future contributions, but otherwise to continue maintenance of this Plan, is not a Plan termination for purposes of Section 9.05.

9.05 PLAN TERMINATION.

(A) Employer Action to Terminate. The Employer, subject to Section 9.02(C) and by proper Employer action, has the right, at any time, to terminate this Plan. The Employer has no obligation or liability whatsoever to maintain the Plan for any specific length of time and may terminate the Plan or discontinue contributions under the Plan at any time without liability hereunder for any such discontinuance. The Plan will terminate upon the first to occur of the following:

(1) **Specified date.** The Effective Date of termination specified by proper Employer action; or

(2) **Employer no longer exists.** The Effective Date of dissolution or merger of the Employer, unless a successor makes provision to continue the Plan, in which event the successor must substitute itself as the Employer under this Plan.

(B) QTA Action to Terminate Abandoned Plan.

(1) **Definition of a Qualified Termination Administrator (QTA).** A QTA is an entity which: (a) is a Vendor which is eligible to sponsor an individual retirement account or an individual retirement annuity; and (b) holds the assets of the abandoned Plan.

(2) **QTA procedure.** A QTA, after making reasonable efforts to contact the Employer, may make a determination that the Employer has abandoned the Plan. The QTA then may: (i) update Plan records; (ii) calculate benefits; (iii) allocate assets and expenses; (iv) engage service providers and pay reasonable Plan expenses; (v) provide required notice to Participants and Beneficiaries regarding the Plan termination; (vi) distribute Plan benefits; and (vii) take all other reasonable and necessary actions to wind-up and terminate the Plan. The QTA then may complete distributions from the Plan, file the necessary reports and terminate the Plan. Alternatively, the QTA may terminate the Plan using a procedure analogous to that outlined herein.

© 2018 National Benefit Services, LLC or its suppliers

(C) General Procedure upon Termination. Upon termination of the Plan, the distribution provisions of Article 6 remain operative, with the following exceptions and subject to any restrictions in the Investment Arrangement Documentation:

(1) **Distribution; transfer.** The Vendor may distribute the Participant's Vested Account Balance to him/her in a lump sum as soon as administratively practicable after the Plan terminates. Alternatively, if the Employer maintains any other 403(b) plan, the Plan Administrator to facilitate Plan termination may direct the Vendor to transfer the Account of a Participant to the other 403(b) Plan.

(2) **Plan Termination Distribution.** For purposes of the Plan termination requirements, the Plan may treat the delivery of a fully paid Annuity Contract as a distribution.

(D) [Reserved]

(E) 403(b) Plan Distribution Restrictions. A Participant's Restricted Balances are distributable on account of Plan termination, as described in this Section 9.05, only if: (i) the Employer (including any Related Employer, determined as of the Effective Date of Plan termination) does not maintain an Alternative 403(b) Plan and the Plan distributes the Participant's entire Vested Account Balance in a lump sum; or (ii) the Participant otherwise is entitled under the Plan to a distribution of his/her Vested Account Balance.

(1) **Definition of Alternative 403(b) Plan.** An Alternative 403(b) Plan is another 403(b) Plan to which the Employer makes contributions during the period beginning on the date of Plan termination and ending 12 months after distribution of all assets from the terminating Plan. However, a plan is not an Alternative 403(b) Plan if less than 2% of the Employees eligible to participate in the terminating Plan as of the termination date are eligible to participate (beginning 12 months prior to and ending 12 months after the Plan's termination Effective Date and distribution of all of the assets of the terminated Plan) in the potential Alternative 403(b) Plan.

(F) Continuing Investment Arrangement Documentation. A Vendor's Investment Arrangement Documentation will continue in effect until the Vendor has distributed all of the benefits under the Investment Arrangement. On each Valuation Date, the Plan will credit any part of a Participant's Account Balance retained in the Investment Arrangement with its share of Earnings.

(G) Lost Participants. The Vendor will distribute the Accounts of lost Participants in a terminating Plan in accordance with the Plan Administrator's direction under Section 7.07(B) or as the Investment Arrangement Documentation may provide.

(H) Vesting. Upon either full or partial termination of the Plan, an affected Participant's right to his/her Account Balance is 100% Vested, irrespective of the Vested percentage which otherwise would apply under Article 5.

9.06 MERGER/DIRECT TRANSFER.

(A) Authority. The Plan Administrator possesses the specific authority to enter into merger agreements or direct transfer of assets agreements with another 403(b) Plan, including an elective transfer, and to accept the direct transfer of plan assets, or to transfer plan assets, as a party to any such agreement. The limitations of this Section 9.06 do not apply to rollovers described in Sections 3.08 or 6.08. Except as provided in Sections 9.06(G) and (H), the Plan may not accept a transfer or merger from, or make a transfer or merger to, a qualified plan or a plan described in Code §457(b).

(B) Regulatory Requirements.

(1) **Contract exchange within same plan.** Except as the Employer otherwise elects in Appendix B to its Adoption Agreement, a Participant (or Beneficiary) may exchange one 403(b) Investment Arrangement for another Investment Arrangement then authorized to receive ongoing contributions under the Plan provided the exchange satisfies the following conditions: (1) the Participant's Accumulated Benefit immediately after the exchange at least equals the Participant's Accumulated Benefit immediately before the exchange; and (2) to the extent the exchanged Investment Arrangement is subject to 403(b) Distribution Restrictions, the other Investment Arrangement imposes distribution restrictions no less stringent than those imposed by the exchanged Investment Arrangement.

(2) **Plan-to-plan transfer.** A plan-to-plan transfer is permissible, if the transfer satisfies the following conditions: (1) the Participant (or Beneficiary) subject to the transfer is an employee or former employee of the employer providing the receiving plan; (2) the transferor plan provides for transfers; (3) the receiving plan provides for the receipt of transfers; (4) the Participant's Accumulated Benefit after the transfer at least equals the Participant's Accumulated Benefit before the transfer; (5) to the extent the transferred Investment Arrangement is subject to 403(b) Distribution Restrictions, the receiving plan imposes distribution restrictions no less stringent than those imposed on the transferor plan; and (6) if the transfer does not constitute a complete transfer of the Participant's interest in the transferor plan, the transferee plan treats the amount transferred as a continuation of a pro rata portion of the Participant's interest in the transferor plan (*e.g.*, a pro rata interest in any Employee Contributions). This Plan expressly prohibits such transfers except to the extent the Employer provides otherwise in Appendix B to its Adoption Agreement. The Plan Administrator may require such documentation from the other plan as it deems necessary to effectuate the transfer in accordance with the requirements of this Section and Treas. Reg. §1.403(b)-10(b)(3) and to confirm that any other plan involved in the transfer satisfies Code §403(b).

(3) **Contract exchange to Vendor which is not part of the Plan.** A Participant (or Beneficiary) may exchange one 403(b) Investment Arrangement for an Investment Arrangement not provided under the Plan, if the exchange satisfies the following conditions: (1) the Vendor agrees to assume the responsibilities of a Vendor hereunder; (2) the Participant's Accumulated Benefit immediately after the exchange at least equals the Participant's Accumulated Benefit immediately before the exchange; (3) to the extent the exchanged Investment Arrangement is subject to 403(b) Distribution Restrictions, the other Investment Arrangement imposes distribution restrictions no less stringent than those imposed by the exchanged Investment Arrangement; (4) the Employer has not prohibited the exchange in Appendix B to its Adoption Agreement; and (5) the Employer and the Vendor enter into an Information Sharing Agreement, as defined in Section (C). Unless otherwise specified in Appendix B to the Adoption Agreement, the Plan provides for and permits such exchanges with any Vendor which agrees to assume the responsibilities of a Vendor hereunder and enters into an Information Sharing Agreement.

(C) Information Sharing Agreement. An Information Sharing Agreement should provide for the exchange of the following information:

(1) **403(b) matters.** Information necessary for the resulting Investment Arrangement, or any other Investment Arrangement under the Plan, to satisfy Code §403(b), including the following: (i) the Employer providing information as to whether the Participant's employment with the Employer is continuing, and notifying the Vendor when the Participant has had a Severance from Employment; (ii) the Vendor notifying the Employer of any hardship withdrawal; and (iii) the Vendor providing information to the Eligible Employer or other Vendors concerning the Participant's or Beneficiary's 403(b) contracts or Custodial Accounts or qualified employer plan benefits (to enable a Vendor to determine the amount of any Plan loans and rollover accounts that are available to the Participant under the Plan in order to satisfy the financial need under the hardship withdrawal rules):

(2) **Reporting matters.** Information necessary for the Plan Administrator and Vendor to satisfy any reporting, disclosure, or federal or state withholding obligations related to the Investment Arrangement; and

(3) **Other matters.** Information necessary in order for the resulting Investment Arrangement and any other Investment Arrangement under the Plan for the Participant to satisfy other tax requirements, including the following: (i) the amount of any plan loan that is outstanding to the Participant in order for a Vendor to determine whether an additional plan loan satisfies the loan limitations, so that any such additional loan is not a deemed distribution under Code §72(p)(1); and (ii) information concerning the Participant's or Beneficiary's after-tax Employee contributions in order for a Vendor to determine the extent to which a distribution is includible in gross income.

(D) Administration of Transferred Amount. The Vendor will hold, administer and distribute the transferred assets as a part of the Investment Arrangement.

(E) Pre-Participation Transfers. The Vendor may accept a direct transfer of plan assets on behalf of an Employee prior to the date the Employee satisfies the Plan's eligibility conditions or prior to reaching the Entry Date. If the Vendor accepts such a direct transfer of plan assets, the Plan Administrator and the Vendor must treat the Employee as a limited Participant as described in Section 3.08(C).

(F) Elective Transfer/Protected Benefits. The Plan ("transferee plan") will not fail to satisfy the requirements of Section 9.06 because the Plan does not provide some or all of the forms of distribution (including the timing of distribution forms) previously available under another 403(b) Plan ("transferor plan") to the extent that: (1) the transferee plan receives a direct transfer of the Participant's Account Balance under the transferor plan, or the transferee plan results from a merger or other transaction that has the effect of a direct transfer, including consolidations of benefits attributable to different employers within a multiple employer plan; (2) the terms of both plans authorize the transfer; (3) the transfer occurs following a Participant's voluntary election made after the Participant has received a notice describing the consequences of making the election; and (4) the transferee plan permits the Participant to receive a distribution of his/her account balance in the form of a single sum distribution.

(G) Transfers to Purchase Service Credit. The Plan Administrator upon Participant request may instruct the Vendor to transfer an amount from the Participant's 403(b) Plan Account to a governmental Defined Benefit Plan in which he/she participates for: (1) the purchase of permissive service (as defined in Code §415(n)(3)(A)) under such plan; or (2) the repayment of a cash-out distribution (as defined in Code §415(k)(3)).

(H) Church Plans. The Plan Administrator may accept a transfer from a qualified plan, may make a transfer to a qualified plan, or may merge this Plan with a qualified Plan, if all of the following conditions are satisfied: (1) The Employer sponsoring both plans is the same Church or Church-Related Organization, and (2) the total accrued benefit of each Participant or Beneficiary, after the transfer or merger, is: (a) fully vested and (b) at least equal to the total accrued benefit of such Participant or Beneficiary before the transfer or merger. The phrase "accrued benefit" means the accrued benefit determined under the terms of a defined benefit plan, or the account balance determined under the terms of a defined contribution plan.

9.07 INFORMATION SHARING

Each Vendor and the Plan Administrator shall exchange such information as may be necessary to satisfy Code §403(b) or other requirements of applicable law. In the case of a Vendor which is not eligible to receive contributions under the Plan (including a Vendor which has ceased to be a Vendor eligible to receive contributions under the Plan and a Vendor holding assets under the Plan), the Employer shall keep the Vendor informed of the name and contact information of the Plan Administrator in order to coordinate information necessary to satisfy Code §403(b) or other requirements of applicable law. If any Vendor ceases to be eligible to receive contributions under the Plan, the Employer will offer to enter into an Information Sharing Agreement as described in Section 9.06(C) to the extent the Employer's contract with the Vendor does not already provide for the exchange of information described in therein

ARTICLE 10. MULTIPLE EMPLOYER PLAN

10.01 ELECTION/OVERRIDING EFFECT. This Article 10 applies only to the extent described in paragraphs (A) or (B) below. If this Article 10 does apply, then the rules of Code §413(c) and the related Treasury Regulations (which are incorporated by reference) will apply to the adopting Employer and each Participating Employer. The provisions of Article 10, if in effect, supersede any contrary provisions in the Plan or the Employer's Adoption Agreement. *Note: The IRS has not reviewed the provisions of this Article 10, and the Employer cannot rely on the Advisory Letter with regard to the validity of these provisions.*

(A) Election. If the Employer elects in its Adoption Agreement that the Plan is a Multiple Employer Plan, then the provisions of this Article 10 will apply as of the Effective Date the Employer elects in its Adoption Agreement. If an Employer that is not a Related Employer becomes a Participating Employer, then this Article 10 will apply effective as of the date the Employer specifies in its participation agreement.

(B) Automatic Effect. If a Related Employer is a Participating Employer, and thereafter ceases to be a Related Employer (but is still a Participating Employer), then the provisions of this Article 10 will apply thereafter until the Plan is no longer maintained by a Participating Employer which is not a Related Employer.

10.02 DEFINITIONS. The following definitions apply to this Article 10 and supersede any conflicting definition in the Plan.

(A) Employee. Employee means any Employee of a Participating Employer.

(B) Lead Employer. The Lead Employer means the Signatory Employer to the Adoption Agreement Execution Page, and does not include any Related Employer or Participating Employer except as described in the next sentence. If the Adoption Agreement designates that Article 10 applies pursuant to Section 10.01(A), the Lead Employer will be a Participating Employer unless otherwise specified in a separate agreement. The Lead Employer has the same meaning as the Signatory Employer for purposes of making Plan amendments and other purposes as described in Section 1.29(A) regardless of whether the Lead Employer is also a Participating Employer under this Article 10. As to the right of a Lead Employer to terminate the participation of a Participating Employer, see Section 10.09.

(C) Participating Employer. A "Participating Employer" is an Eligible Employer which, with the consent of the Lead Employer, executes a Participation Agreement to the Adoption Agreement. A Participating Employer is an Employer for all purposes of the Plan except as provided in Section 1.29. A Participating Employer may, but need not be a Related Employer.

10.03 PARTICIPATING EMPLOYER ELECTIONS. In its Adoption Agreement, the Lead Employer will specify: (A) whether a Participating Employer may modify any of the Adoption Agreement elections; (B) which elections the Participating Employer may modify; and (C) any restrictions on the modifications. Such elections and modifications must be reflected on the Participation Agreement the Participating Employer signs. See Section 1.51.

10.04 HCE STATUS. The Plan Administrator will determine HCE status under Section 1.39 separately with respect to each Participating Employer.

10.05 TESTING.

(A) Separate Status. The Plan Administrator will perform the universal availability requirement of Section 2.01(A) separately for each Participating Employer, with respect to the Employees of that Participating Employer. For this purpose, the Employees of a Participating Employer, and their allocations and Accounts, will be treated as though they were in a separate plan. Any Plan correction under Section 7.08 will only affect the Employees of the Participating Employer.

(B) Transition Year. This Section 10.05(B) applies if as a result of a transaction or similar event a Participating Employer ceases to be a Related Employer in the middle of a Plan Year. In such a situation the Plan Administrator may perform the tests described in Section 10.05(A) as though (1) the Plan Year consisted of two Plan Years, before and after the transaction; or (2) on the basis of a single Plan Year, taking all for each Participating Employer the Employees of Related Employers before the transaction, and disregarding Employees who are not Employees of Related Employers after the transaction.

(C) Joint Status. The Plan Administrator will perform the following tests for the Plan as whole, without regard to an Employee's employment by a particular Participating Employer:

(1) **Annual Additions Limit.** Applying the Annual Additions Limit in Section 4.05(B).

(2) **Elective Deferral Limit.** Applying the Elective Deferral Limit in Section 4.10(A).

(3) **Catch-Up Limit.** Applying the limit on Catch-Up Deferrals in Section 3.02(D) or 3.02(E).

10.06 COMPENSATION.

(A) Separate Determination. For the following purposes, described in this Section 10.06(A), the Plan Administrator will determine separately a Participant's Compensation for each Participating Employer. Under this determination, except as provided below, Compensation from a Participating Employer includes Compensation paid by a Related Employer of that Participating Employer.

(1) **[Reserved]**

(2) **Allocations.** Application of allocations under Article 3. However, the Employer's Adoption Agreement elections control the extent to which Compensation for this purpose includes Compensation of Related Employers.

(3) **HCE determination.** The determination of an Employee's status as an HCE.

(B) Joint Status. For all Plan purposes other than those described in Section 10.06(A) but not limited to determining the Annual Additions Limit in Section 4.05(B), Compensation includes all Compensation paid by or for any Participating Employer or Related Employer.

10.07 SERVICE. An Employee's Service includes all Hours of Service and Years of Service with any and all Participating Employers and their Related Employers. An Employee who terminates employment with one Participating Employer and immediately commences employment with another Participating Employer has not incurred a Separation from Service or a Severance from Employment.

10.08 COOPERATION AND INDEMNIFICATION.

(A) Cooperation. Each Participating Employer agrees to timely provide to the Plan Administrator upon request all information the Plan Administrator deems necessary. Each Participating Employer will cooperate fully with the Plan Administrator, the Lead Employer, and with Plan fiduciaries and other proper Plan representatives in maintaining the qualified status of the Plan. Such cooperation will include payment of such amounts into the Plan, to be allocated to Employees of the Participating Employer, which are reasonably required to maintain the tax-qualified status of the Plan.

(B) Indemnity. Each Participating Employer will indemnify and hold harmless the Plan Administrator, the Lead Employer, the Plan, other Plan fiduciaries, other Participating Employers, Participants and Beneficiaries, and as applicable, their subsidiaries, officers, directors, shareholders, employees, and agents, and their respective successors and assigns, against any cause of action, loss, liability, damage, cost, or expense of any nature whatsoever (including, but not limited to, attorney's fees and costs, whether or not suit is brought, as well as all IRS Plan disqualification, fiduciary breach or other sanctions, compliance fees or penalties) arising out of or relating to: (1) the Participating Employer's noncompliance with any of the Plan's terms or requirements; or (2) the Participating Employer's intentional or negligent act or omission with regard to the Plan, including the failure to provide accurate, timely information requested by the Plan Administrator.

10.09 INVOLUNTARY TERMINATION. The Lead Employer may terminate the participation of any Participating Employer (hereafter, "Terminated Employer") in this Plan. If the Lead Employer acts under this Section 10.09, the following will occur:

(A) Notice. The Lead Employer will give the Terminated Employer a notice of the Lead Employer's intent to terminate the Terminated Employer's status as a Participating Employer of the Plan. The Lead Employer will provide such notice not less than 30 days prior to the Effective Date of termination unless the Lead Employer determines that the interests of Plan Participants requires earlier termination.

(B) Spin-off. The Lead Employer will establish a new 403(b) Plan, using the provisions of this Plan with any modifications contained in the Terminated Employer's Participation Agreement, as a guide to establish a new 403(b) Plan (the "Spin-off Plan"). The Lead Employer will direct the Vendors to transfer (in accordance with the rules of Treas. Reg. §1.403(b)-10(b)) the Accounts of the Employees of the Terminated Employer to the Spin-off Plan. The Terminated Employer will be the Employer, Plan Administrator, and sponsor of the Spin-off Plan. The Lead Employer may charge the Terminated Employer or the Accounts of the Employees of the Terminated Employer with the reasonable expenses of establishing the Spin-off Plan.

(C) Transfer. The Terminated Employer, in lieu of the Lead Employer's creation of the Spin-off Plan under Section 10.09(B), may elect a transfer under this Section 10.09(C) to effect the termination of its status as a Participating Employer. To elect this alternative, the Terminated Employer must give notice to the Lead Employer of its choice, and must supply any documentation which the Lead Employer reasonably may require as soon as is practical and before the Effective Date of termination. If the Lead Employer has not received such notice and any required documentation within ten (10) days prior to the stated date of termination, the Lead Employer may proceed with the Spin-off Plan under Section 10.09(B). The Lead Employer will direct the transfer (in accordance with the rules of Treas. Reg. §1.403(b)-10(b)) of the Accounts of the Employees of the Terminated Employer to a 403(b) plan the Terminated Employer maintains. The Terminated Employer must deliver to the Lead Employer in writing such identifying and other relevant information regarding the transferee plan and must provide such assurances as the Lead Employer may reasonably require that the transferee plan is a 403(b) plan.

© 2018 National Benefit Services, LLC or its suppliers

(D) Participants. The Employees of the Terminated Employer will cease to be eligible to accrue additional benefits under the Plan with respect to Compensation paid by the Terminated Employer, as of the Effective Date of the termination. To the extent that these Employees have accrued but unpaid contributions as of such Effective Date, the Terminated Employer will pay such amounts to the Plan or to the Spin-off Plan no later than 30 days after the Effective Date of termination, unless the Terminated Employer has elected the transfer alternative under Section 10.09(C).

(E) Consent. By its execution of the Participation Agreement, the Terminated Employer specifically consents to the provisions of this Article 10, and in particular, this Section 10.09 and agrees to perform its responsibilities with regard to the Spin-off Plan, if necessary.

10.10 VOLUNTARY TERMINATION. A Participating Employer (hereafter "Withdrawing Employer") may voluntarily withdraw from participation in the Plan at any time. If and when a Withdrawing Employer wishes to withdraw, the following will occur:

(A) Notice. The Withdrawing Employer will inform the Lead Employer and the Plan Administrator of its intention to withdraw from the Plan. The Withdrawing Employer must give the notice not less than 30 days prior to the Effective Date of its withdrawal.

(B) Procedure. The Withdrawing Employer and the Lead Employer will agree upon procedures for the orderly withdrawal of the Withdrawing Employer from the Plan. Such procedures, as they relate to the Accounts of the Employees of the Withdrawing Employer, may include any alternative described in Section 10.09.

(C) Costs. The Withdrawing Employer will bear all reasonable costs associated with withdrawal and transfer under this Section 10.10.

(D) Participants. The Employees of the Withdrawing Employer will cease to be eligible to accrue additional benefits under the Plan as to Compensation paid by the Withdrawing Employer, as of the Effective Date of withdrawal. To the extent that such Employees have accrued but unpaid contributions as of such Effective Date, the Withdrawing Employer will contribute such amounts to the Plan or the Spin-off Plan promptly after the Effective Date of withdrawal, unless the Accounts are transferred to a 403(b) plan the Withdrawing Employer maintains.

LAWTON PUBLIC SCHOOLS 403(B) PLAN

PARTICIPANT LOAN POLICY

Lawton Public Schools 403(b) Plan permits loans to be made to participants, their beneficiaries, and alternate payees pursuant to a written loan policy. All references to participants in this loan policy include participants and their beneficiaries or any alternate payee with respect to the Plan

The Third Party Administrator ("TPA") is authorized to administer the Participant Loan Policy. A participant must apply to the TPA for a loan in the manner set forth:.

1. **Loan Application.** Any participant may apply for a loan from the Plan. A participant must apply for each loan with an application which specifies the investment provider, amount of the loan desired, and the requested duration for the loan.

   All loan applications will be considered by the TPA within a reasonable time after the participant makes formal application.

2. **Loan Limitations and rules.** The TPA will not approve any loan to a participant that is (1) the greater of $10,000 or 50% of your vested balance or, (2) $50,000, whichever is less. The maximum aggregate dollar amount of loans outstanding to any participant may not exceed $50,000, reduced by the excess of the participant's highest outstanding participant loan balance during the 12-month period ending on the date of the loan over the participant's current outstanding participant loan balance on the date of the loan. Regarding any loan made pursuant to this program, the following rule(s) and limitation(s) will apply, in addition to such other requirements set forth in the Plan:

   - No loan in an amount less than that permitted by the investment provider will be granted to any participant.
   - A participant can only have as many loans outstanding as permitted by the investment provider.
   - Loan refinancing is permitted. In this case, the refinanced loan, for purposes of applying the Plan's limit on the number of loans, is treated as the same loan as the loan being refinanced.
   - Loans will be permitted for any purpose.
   - Loans will be made from the investment provider and the account(s) the participant chooses.

3. **Evidence and terms of loan.** The investment provider will be responsible for documenting every loan in the form of a promissory note signed by the participant for the face amount of the loan, together with a commercially reasonable rate of interest.

   Any loan granted or renewed under this policy will bear an interest rate equal that will be set forth by the investment provider.

   The loan must provide at least quarterly payments under a level amortization schedule. The Plan will require the participant receiving a loan to enter into an agreement for ACH payments to repay the loan.

   The investment provider will fix the term for repayment of any loan, however, in no instance may the term of repayment be greater than five years, unless the loan qualifies as a home loan. A "home loan" is a loan used to acquire a dwelling unit which, within a reasonable time, the participant will use as a principal residence. The term for a home loan will be up to 30 years.

   A loan, if not otherwise due and payable, is due and payable on termination of the Plan, notwithstanding any contrary provision in the promissory note. Nothing in this loan policy restricts the Employer's right to terminate the Plan at any time.

   Participants should note the law treats the amount of any loan (other than a "home loan") not repaid five years after the date of the loan as a taxable distribution on the last day of the five year period or, if sooner, at the time the loan is in default. If a participant extends a non-home loan having a five year or less repayment term beyond five years, the balance of the loan at the time of the extension is a taxable distribution to the participant.

4. **Security for loan.** The Plan will require that adequate security be provided by the participant before a loan is granted. For this purpose, the Plan will consider a participant's interest under the Plan (account balance) to be adequate security. Generally, it will be the policy of the Plan not to make loans which require security other than the participant's vested interest in the Plan. However, if additional security is necessary to adequately secure the loan, then the Plan Administrator will require that such security be provided before the loan will be granted.

5. **Form of Pledge**. The pledge and assignment of a participant's account balances will be in the form prescribed by the Plan Administrator.

6. **Military Service**. If a participant separates from service (or takes a leave of absence) from the Employer because of service in the military and does not receive a distribution of his or her account balances, the Plan will allow the participant to suspend loan repayments until the participant's completion of military service. The Employer will provide the participant with

a written explanation of the effect of the participant's military service upon his or her Plan loan. While the participant is on active duty in the United States military, the interest rate on the loan will not exceed six percent (6%), compounded annually.

7. **Payments after leave of absence.** When payments resume following a payment suspension in connection with a leave of absence authorized above, the participant will select one of the following methods to repay the loan, plus accumulated interest:

   - The participant will increase the amount of the required installments to an amount sufficient to amortize the remaining balance of the loan, plus accrued interest, over the remaining term of the loan.

   - The participant will pay a balloon payment of the remaining unpaid principal and interest, at the conclusion of the term of the loan as determined in the promissory note.

   - The participant may extend the maturity of the loan and re-amortize the payments over the remaining term of the loan. In no event will the amount of the adjusted installment payment be less than the amount of the installment payment provided under the promissory note. In the case of a non-military leave of absence, the revised term of the loan will not exceed the maximum term permitted above. In the case of a military leave of absence, the revised term of the loan will not exceed the maximum term permitted above, augmented by the time the participant was actually in United States military service.

8. **Default.** The TPA will treat a loan as in default if:

   - Any scheduled payment remains unpaid beyond the last day of the calendar quarter following the calendar quarter in which the participant missed the scheduled payment

   Upon default, the participant will have the opportunity to repay the loan, resume current status of the loan by paying any missed payment plus interest or, if distribution is available under the Plan, request distribution of the note. If the loan remains in default, the investment provider may offset the participant's vested account balance by the outstanding balance of the loan to the extent permitted by law. The TPA will treat the note as repaid to the extent of any permissible offset. Pending final disposition of the note, the participant remains obligated for any unpaid principal and accrued interest.

   If the participant is currently or has ever defaulted on a loan that has not been brought back into good order from this Plan or any other plan of the Employer, the participant may not have an additional loan from this Plan.

****

ADOPTION OF PARTICIPANT LOAN POLICY

SUMMARY PLAN PROVISION
MATERIAL MODIFICATIONS

I
INTRODUCTION

This is a Summary of Material Modifications regarding your 403(b) Plan ("Plan"). This is merely a summary of the most important changes to the Plan and information contained in the Adoption Agreement. If you have any questions, contact the Administrator. If there is any discrepancy between the terms of the Plan, as modified, and this Summary of Material Modifications, the provisions of the Plan will control.

II
SUMMARY OF CHANGES

1. **Plan-to-Plan Transfers**

   As of the later of January 1, 2010 or the Plan effective date, the Plan provides for and permits Plan-to-Plan Transfers to other Plans in addition to permitting transfer to this Plan. All Eligible Employees are allowed to make transfers.

LAWTON PUBLIC SCHOOLS 403(B) PLAN

QUALIFIED DOMESTIC RELATIONS ORDER PROCEDURE

In the case of any Domestic Relations Order (DRO) received by Lawton Public Schools 403(b) Plan, its status as a Qualified Domestic Relations Order (QDRO) under the Employee Retirement Income Security Act (ERISA) and the Internal Revenue Code will be determined under the following procedures. The purpose of the QDRO Procedure is to establish a reasonable and consistent procedure for determining the qualified status of a Domestic Relations Order and for making distributions pursuant to a Domestic Relations Order which qualifies under Internal Revenue Code Section 414(p).

Procedure prior to receipt of order: The Plan will apply the following procedure prior to the Plan's receipt of a Domestic Relations Order.

1. **Suspension of Participant distributions or loans.** If the Plan is on notice (verbal or written) regarding a pending domestic relations action (e.g., a divorce) and has a reasonable belief the Participant's account may become subject to a QDRO, the Plan may suspend processing the Participant's distribution or loan requests pending resolution.

2. **Removing hold on the account.** After placing a hold on the account, the Plan should notify the Participant of the hold on the account. In order to remove the hold, the Plan should request the Participant to provide written confirmation that a court will not issue a QDRO with respect to the account; such as a property settlement agreement awarding the entire account to the Participant.

Procedure after receipt of order: The Plan will apply the following procedure whenever it receives a DRO which purports to be a QDRO.

1. **Notice to Participant and to alternate payee.** Within a reasonable time period after receipt of a domestic relations order, the Plan will notify the Participant and any alternate payee of the receipt of the order, and will deliver to the Participant and to each alternate payee a copy of this QDRO Procedure.

2. **Notice to Vendor.** The Plan, within a reasonable time period after receipt of a Domestic Relations Order, will notify the Vendor or Vendors of any Funding Vehicle holding all or any part of the Participant's account ("Vendor") of the receipt of the order. The Plan also will account separately for the amount of the Participant's benefit which is subject to the order. The Plan will direct the Vendor to segregate the "QDRO amount" if possible.

3. **Review of order.** The Plan will review the order within a reasonable time to determine its qualified status. The Plan will complete a QDRO DETERMINATION CHECKLIST with respect to each order the Plan receives. In most circumstances, the Plan will complete review of the order within 30 days of receipt. After review, the Plan Administrator will determine whether the order is a QDRO.

4. **Suspension of distributions and loans.** If the Participant is eligible to receive benefits or loans from the Plan at the time of receipt of the order, the Plan will suspend distributions and loans to the Participant to the extent the Plan deems necessary to comply with the order should the Plan determine the order is a QDRO.

5. **Determination order is a QDRO.** If the Plan determines the order is a QDRO:

   a. The Plan will notify the Participant and each alternate payee that the order is a QDRO and the Plan will distribute amounts pursuant to the QDRO. The Plan will notify the Participant and each alternate payee of the decision within ten days of the determination by mailing to each party a copy of the QDRO DETERMINATION CHECKLIST, which will include the Plan's certification.

   b. If the QDRO requires immediate payment, the Plan will pay the designated amounts as soon as administratively feasible. Payment of any amount the order required the Plan to pay during the determination period will include interest from the date the QDRO required the first payment, at the rate of interest determined to be reasonable. The rate of interest payable on a regular savings account is a reasonable rate of interest for this purpose.

   c. If the Plan cannot make the distribution within 30 days of the determination of qualified status of the QDRO, the Plan will advise the parties of the delay, of the reason for the delay and of the date by which the Plan expects to make payment.

   d. The Plan will advise the Participant when the Plan has completed payment to the alternate payee.

   e. The Plan will maintain a separate accounting (which may include a segregated account) for each alternate payee until the Plan has completed benefit payments under the QDRO.

   f. Each alternate payee is entitled to file with the Plan a beneficiary designation in the same manner as a Participant in the Plan, except that the joint and survivor annuity provisions do not apply to the alternate payee's spouse.

6. **Determination that the order is not a QDRO.** If the Plan determines the order is not a QDRO:

   a. The Plan will advise the Participant and each alternate payee of the adverse decision and of the reasons for the adverse decision. The Plan will advise the Participant and each alternate payee of the decision within ten days of the

determination by mailing to each party a copy of the QDRO DETERMINATION CHECKLIST, which will include the Plan's certification of the decision.

b. The Plan will discontinue separate accounting for the amounts payable under the order. The Plan will pay the benefits to the party entitled to receive the benefits. If the Participant is not entitled to a present distribution of any of the segregated benefits, the Plan will continue to account for the Participant's benefits as if the Plan had not received the order.

c. If the Plan determines the status of the order within the 18-month period beginning on the date the order would require the first payment, the Plan may delay distribution of any benefits subject to the order if the Plan has reason to believe a party will seek to cure the defects in the order. The Plan will continue to delay distribution during the period the Plan Administrator determines to be necessary to fulfill the Plan's fiduciary duties under the Plan.

7. **Consultation with legal counsel.** The Plan's legal counsel shall be consulted in case of questions which arise with respect to the interpretation of any provision of the order or with respect to the qualified status of the order.

LAWTON PUBLIC SCHOOLS 403(B) PLAN

YOUR ROLLOVER OPTIONS

You are receiving this notice because all or a portion of a payment you are receiving from Lawton Public Schools 403(b) Plan (the "Plan") is eligible to be rolled over to an IRA or an employer plan. This notice is intended to help you decide whether to do such a rollover.
Rules that apply to most payments from a plan are described in the "General Information About Rollovers" section. Special rules that only apply in certain circumstances are described in the "Special Rules and Options" section.

GENERAL INFORMATION ABOUT ROLLOVERS

How can a rollover affect my taxes?

You will be taxed on a payment from the Plan if you do not roll it over. If you are under age 59 1/2 and do not do a rollover, you will also have to pay a 10% additional income tax on early distributions (unless an exception applies). However, if you do a rollover, you will not have to pay tax until you receive payments later and the 10% additional income tax will not apply if those payments are made after you are age 59 1/2 (or if an exception applies).

Where may I roll over the payment?

You may roll over the payment to either an IRA (an individual retirement account or individual retirement annuity) or an employer plan (a tax-qualified plan, section 403(b) plan, or governmental section 457(b) plan) that will accept the rollover. The rules of the IRA or employer plan that holds the rollover will determine your investment options, fees, and rights to payment from the IRA or employer plan (for example, no spousal consent rules apply to IRAs and IRAs may not provide loans). Further, the amount rolled over will become subject to the tax rules that apply to the IRA or employer plan.

How do I do a rollover?

There are two ways to do a rollover. You can do either a direct rollover or a 60-day rollover.

If you do a direct rollover, the Plan will make the payment directly to your IRA or an employer plan. You should contact the IRA sponsor or the administrator of the employer plan for information on how to do a direct rollover.

If you do not do a direct rollover, you may still do a rollover by making a deposit into an IRA or eligible employer plan that will accept it. You will have 60 days after you receive the payment to make the deposit. If you do not do a direct rollover, the Plan is required to withhold 20% of the payment for federal income taxes (up to the amount of cash and property received other than employer stock). This means that, in order to roll over the entire payment in a 60-day rollover, you must use other funds to make up for the 20% withheld. If you do not roll over the entire amount of the payment, the portion not rolled over will be taxed and will be subject to the 10% additional income tax on early distributions if you are under age 59 1/2 (unless an exception applies).

How much may I roll over?

If you wish to do a rollover, you may roll over all or part of the amount eligible for rollover. Any payment from the Plan is eligible for rollover, except:

- Certain payments spread over a period of at least 10 years or over your life or life expectancy (or the lives or joint life expectancy of you and your beneficiary)
- Required minimum distributions after age 70 1/2 (or after death)
- Corrective distributions of contributions that exceed tax law limitations
- Loans treated as deemed distributions (for example, loans in default due to missed payments before your employment ends)

The Plan Administrator or the payor can tell you what portion of a payment is eligible for rollover.

If I don't do a rollover, will I have to pay the 10% additional income tax on early distributions?

If you are under age 59 1/2, you will have to pay the 10% additional income tax on early distributions for any payment from the Plan (including amounts withheld for income tax) that you do not roll over, unless one of the exceptions listed below applies. This tax is in addition to the regular income tax on the payment not rolled over.

The 10% additional income tax does not apply to the following payments from the Plan:

- Payments made after you separate from service if you will be at least age 55 in the year of the separation
- Payments that start after you separate from service if paid at least annually in equal or close to equal amounts over your life or life expectancy (or the lives or joint life expectancy of you and your beneficiary)
- Payments made due to disability
- Payments after your death
- Corrective distributions of contributions that exceed tax law limitations
- Payments made directly to the government to satisfy a federal tax levy
- Payments made under a qualified domestic relations order (QDRO)
- Payments up to the amount of your deductible medical expenses
- Certain payments made while you are on active duty if you were a member of a reserve component called to duty after September 11, 2001 for more than 179 days

If I do a rollover to an IRA, will the 10% additional income tax apply to early distributions from the IRA?

If you receive a payment from an IRA when you are under age 59 1/2, you will have to pay the 10% additional income tax on early distributions from the IRA, unless an exception applies. In general, the exceptions to the 10% additional income tax for early distributions from an IRA are the same as the exceptions listed above for early distributions from a plan. However, there are a few differences for payments from an IRA, including:

- There is no exception for payments after separation from service that are made after age 55.
- The exception for qualified domestic relations orders (QDROs) does not apply (although a special rule applies under which, as part of a divorce or separation agreement, a tax-free transfer may be made directly to an IRA of a spouse or former spouse).
- The exception for payments made at least annually in equal or close to equal amounts over a specified period applies without regard to whether you have had a separation from service.
- There are additional exceptions for (1) payments for qualified higher education expenses, (2) payments up to $10,000 used in a qualified first-time home purchase, and (3) payments for health insurance premiums after you have received unemployment compensation for 12 consecutive weeks (or would have been eligible to receive unemployment compensation but for self-employed status).

Will I owe State income taxes?

This notice does not describe any State or local income tax rules (including withholding rules).

SPECIAL RULES AND OPTIONS

If your payment includes after-tax contributions

After-tax contributions included in a payment are not taxed. If a payment is only part of your benefit, an allocable portion of your after-tax contributions is included in the payment so you cannot take a payment of only after-tax contributions. In addition, special rules apply when you do a rollover, as described below.

You may roll over to an IRA a payment that includes after-tax contributions through either a direct rollover or a 60-day rollover. You must keep track of the aggregate amount of the after-tax contributions in all of your IRAs (in order to determine your taxable income for later payments from the IRAs). If you do a direct rollover of only a portion of the amount paid from the Plan at the same time the rest is paid to you, the portion directly rolled over consists first of the amount that would be taxable if not rolled over. For example, assume you are receiving a distribution of $12,000, of which $2,000 is after-tax contributions. In this case, if you directly roll over $10,000 to an IRA that is not a Roth IRA, no amount is taxable because the $2,000 amount not directly rolled over is treated as being after-tax contributions. If you do a direct rollover of the entire amount paid from the Plan to two or more destinations at the same time, you can choose which destination receives the after-tax contributions.

If you do a 60-day rollover to an IRA of only a portion of the payment made to you, the after-tax contributions are treated as rolled over last. For example, assume you are receiving a complete distribution of your benefit which totals $12,000, of which $2,000 is after-tax contributions and no part of the distribution is directly rolled over. In this case, if you roll over $10,000 to an IRA that is not a Roth IRA in a 60-day rollover, no amount is taxable because the $2,000 amount not rolled over is treated as being after-tax contributions.

You may roll over to an employer plan all of a payment that includes after-tax contributions, but only through a direct rollover (and only if the receiving plan separately accounts for after-tax contributions and is not a governmental section 457(b) plan). You can do a 60-day rollover to an employer plan of part of a payment that includes after-tax contributions, but only up to the amount of the payment that would be taxable if not rolled over.

If you miss the 60-day rollover deadline

Generally, the 60-day rollover deadline cannot be extended. However, the IRS has the limited authority to waive the deadline under certain extraordinary circumstances, such as when external events prevented you from completing the rollover by the 60-day rollover deadline. To apply for a waiver, you must file a private letter ruling request with the IRS. Private letter ruling requests require the payment of a nonrefundable user fee. For more information, see IRS Publication 590-A, Contributions to Individual Retirement Arrangements (IRAs).

If your payment includes employer stock that you do not roll over

If you do not do a rollover, you can apply a special rule to payments of employer stock (or other employer securities) that are either attributable to after-tax contributions or paid in a lump sum after separation from service (or after age 59 1/2, disability, or the participant's death). Under the special rule, the net unrealized appreciation on the stock will not be taxed when distributed from the Plan and will be taxed at capital gain rates when you sell the stock. Net unrealized appreciation is generally the increase in the value of employer stock after it was acquired by the Plan. If you do a rollover for a payment that includes employer stock (for example, by selling the stock and rolling over the proceeds within 60 days of the payment), the special rule relating to the distributed employer stock will not apply to any subsequent payments from the IRA or employer plan. The Plan Administrator can tell you the amount of any net unrealized appreciation.

If you have an outstanding loan that is being offset

If you have an outstanding loan from the Plan, your Plan benefit may be offset by the amount of the loan, typically when your employment ends. The loan offset amount is treated as a distribution to you at the time of the offset and will be taxed (including the 10% additional income tax on early distributions, unless an exception applies) unless you do a 60-day rollover in the amount of the loan offset to an IRA or employer plan.

If you were born on or before January 1, 1936

If you were born on or before January 1, 1936 and receive a lump sum distribution that you do not roll over, special rules for calculating the amount of the tax on the payment might apply to you. For more information, see IRS Publication 575, Pension and Annuity Income.

If you roll over your payment to a Roth IRA

If you roll over the payment to a Roth IRA, a special rule applies under which the amount of the payment rolled over (reduced by any after-tax amounts) will be taxed. However, the 10% additional income tax on early distributions will not apply (unless you take the amount rolled over out of the Roth IRA within 5 years, counting from January 1 of the year of the rollover).

If you roll over the payment to a Roth IRA, later payments from the Roth IRA that are qualified distributions will not be taxed (including earnings after the rollover). A qualified distribution from a Roth IRA is a payment made after you are age 59 1/2 (or after your death or disability, or as a qualified first-time homebuyer distribution of up to $10,000) and after you have had a Roth IRA for at least 5 years. In applying this 5-year rule, you count from January 1 of the year for which your first contribution was made to a Roth IRA. Payments from the Roth IRA that are not qualified distributions will be taxed to the extent of earnings after the rollover, including the 10% additional income tax on early distributions (unless an exception applies). You do not have to take required minimum distributions from a Roth IRA during your lifetime. For more information, see IRS Publication 590, Individual Retirement Arrangements (IRAs), and IRS Publication 590-B, Distributions from Individual Retirement Arrangements (IRAs).

If you are not a plan participant

Payments after death of the participant. If you receive a distribution after the participant's death that you do not roll over, the distribution will generally be taxed in the same manner described elsewhere in this notice. However, the 10% additional income tax on early distributions does not apply, and the special rule described under the section "If you were born on or before January 1, 1936" applies only if the participant was born on or before January 1, 1936.

If you are a surviving spouse. If you receive a payment from the Plan as the surviving spouse of a deceased participant, you have the same rollover options that the participant would have had, as described elsewhere in this notice. In addition, if you choose to do a rollover to an IRA, you may treat the IRA as your own or as an inherited IRA.

An IRA you treat as your own is treated like any other IRA of yours, so that payments made to you before you are age 59 1/2 will be subject to the 10% additional income tax on early distributions (unless an exception applies) and required minimum distributions from your IRA do not have to start until after you are age 70 1/2.

If you treat the IRA as an inherited IRA, payments from the IRA will not be subject to the 10% additional income tax on early distributions. However, if the participant had started taking required minimum distributions, you will have to receive required minimum distributions from the inherited IRA. If the participant had not started taking required minimum distributions from the Plan, you will not have to start receiving required minimum distributions from the inherited IRA until the year the participant would have been age 70 1/2.

If you are a surviving beneficiary other than a spouse. If you receive a payment from the Plan because of the participant's death and you are a designated beneficiary other than a surviving spouse, the only rollover option you have is to do a direct rollover to an inherited IRA. Payments from the inherited IRA will not be subject to the 10% additional income tax on early distributions. You will have to receive required minimum distributions from the inherited IRA.

Payments under a qualified domestic relations order. If you are the spouse or former spouse of the participant who receives a payment from the Plan under a qualified domestic relations order (QDRO), you generally have the same options the participant would have (for example, you may roll over the payment to your own IRA or an eligible employer plan that will accept it). Payments under the QDRO will not be subject to the 10% additional income tax on early distributions.

If you are a nonresident alien

If you are a nonresident alien and you do not do a direct rollover to a U.S. IRA or U.S. employer plan, instead of withholding 20%, the Plan is generally required to withhold 30% of the payment for federal income taxes. If the amount withheld exceeds the amount of tax you owe (as may happen if you do a 60-day rollover), you may request an income tax refund by filing Form 1040NR and attaching your Form 1042-S. See Form W-8BEN for claiming that you are entitled to a reduced rate of withholding under an income tax treaty. For more information, see also IRS Publication 519, U.S. Tax Guide for Aliens, and IRS Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities.

Other special rules

If a payment is one in a series of payments for less than 10 years, your choice whether to make a direct rollover will apply to all later payments in the series (unless you make a different choice for later payments).

If your payments for the year are less than $200, the Plan is not required to allow you to do a direct rollover and is not required to withhold for federal income taxes. However, you may do a 60-day rollover.

You may have special rollover rights if you recently served in the U.S. Armed Forces. For more information, see IRS Publication 3, Armed Forces' Tax Guide.

SECTION 125 FLEXIBLE BENEFIT PLAN

SECTION I

PURPOSE

The Employer is establishing this Flexible Benefit Plan in order to make a broader range of benefits available to its Employees and their Beneficiaries. This Plan allows Employees to choose among different types of benefits and select the combination best suited to their individual goals, desires, and needs. These choices include an option to receive certain benefits in lieu of taxable compensation.

In establishing this Plan, the Employer desires to attract, reward, and retain highly qualified, competent Employees, and believes this Plan will help achieve that goal.

It is the intent of the Employer to establish this Plan in conformity with Section 125 of the Internal Revenue Code of 1986, as amended, and in compliance with applicable rules and regulations issued by the Internal Revenue Service. This Plan will grant to eligible Employees an opportunity to purchase qualified benefits which, when purchased alone by the Employer, would not be taxable.

SECTION III

ELIGIBILITY, ENROLLMENT, AND PARTICIPATION

3.01 ELIGIBILITY: Each Employee of the Employer who has met the eligibility requirements of Item C of the Adoption Agreement will be eligible to participate in the Plan on the entry date specified or the effective date of the Plan, whichever is later. The Employer must notify the Employee of his eligibility to participate in the Plan so that the Employee shall complete the necessary enrollment forms on or before the entry date.

3.02 ENROLLMENT: An eligible Employee may enroll (or re-enroll) in the Plan by submitting to the Employer, during an enrollment period, an Election Form which specifies his or her benefit elections for the Plan Year and which meets such standards for completeness and accuracy as the Employer may establish. A Participant's Election Form shall be completed prior to the beginning of the Plan Year, and shall not be effective prior to the date such form is submitted to the Employer. Any Election Form submitted by a Participant in accordance with this Section shall remain in effect until the earlier of the following dates: the date the Participant terminates participation in the Plan; or, the effective date of a subsequently filed Election Form.

A Participant's right to elect certain benefit coverage shall be limited hereunder to the extent such rights are limited in the Policy. Furthermore, a Participant will not be entitled to revoke an election after a period of coverage has commenced and to make a new election with respect to the remainder of the period of coverage unless both the revocation and the new election are on account of and consistent with a change in status, or other allowable events, as determined by Section 125 of the Internal Revenue Code and the regulations thereunder. Notwithstanding anything to the contrary herein, to the extent required by the Health Insurance Portability and Accountability Act of 1996, the Plan shall permit a special enrollment period for employees who have previously declined coverage under the Plan; a new dependent may also justify a special enrollment period.

3.03 TERMINATION OF PARTICIPATION: A Participant shall continue to participate in the Plan until the earlier of the following dates:

a. The date the Participant terminates employment by death, disability, retirement or other separation from service; or
b. The date the Participant ceases to work for the Employer as an eligible Employee; or
c. The date of termination of the Plan; or
d. The first date a Participant fails to pay required contributions while on a leave of absence.

3.04 SEPARATION FROM SERVICE: The Employer shall, on a reasonable and consistent basis, permit an Employee who separates from the employment service of the Employer during a Plan Year to revoke his existing elections and terminate the receipt of benefits for the remaining portion of the Plan Year.

3.05 QUALIFYING LEAVE UNDER FAMILY LEAVE ACT: Notwithstanding any provision to the contrary in this Plan, if a Participant goes on a qualifying unpaid leave under the Family and Medical Leave Act of 1993 (FMLA), to the extent required by the FMLA, the Employer will continue to maintain the Participant's existing coverage under the Plan with respect to benefits under Section V and Section VIII of the Plan on the same terms and conditions as though he were still an active Employee. If the Employee opts to continue his coverage, the Employee may pay his Elective Contribution with after-tax dollars while on leave (or pre-tax dollars to the extent he receives compensation during the leave),

or the Employee may be given the option to pre-pay all or a portion of his Elective Contribution for the expected duration of the leave on a pre-tax salary reduction basis out of his pre-leave compensation (including unused sick days or vacation) by making a special election to that effect prior to the date such compensation would normally be made available to him (provided, however, that pre-tax dollars may not be utilized to fund coverage during the next plan year), or via other arrangements agreed upon between the Employee and the Administrator (e.g., the Administrator may fund coverage during the leave and withhold amounts upon the Employee's return). Upon return from such leave, the Employee will be permitted to reenter the Plan on the same basis the Employee was participating in the Plan prior to his leave, or as otherwise required by the FMLA.

SECTION IV

CONTRIBUTIONS

4.01 EMPLOYER CONTRIBUTIONS: The Employer may pay the costs of the benefits elected under the Plan with funds from the sources indicated in Item E of the Adoption Agreement. The Employer Contribution may be made up of Non-Elective Contributions and/or Elective Contributions authorized by each Participant on a salary reduction basis.

4.02 IRREVOCABILITY OF ELECTIONS: A Participant may file a written election form with the Administrator before the end of the current Plan Year revising the rate of his contributions or discontinuing such contributions effective as of the first day of the next following Plan Year. The Participant's Elective Contributions will automatically terminate as of the date his employment terminates. Except as provided in this Section 4.02 and Section 4.03, a Participant's election under the Plan is irrevocable for the duration of the plan year to which it relates. The exceptions to the irrevocability requirement which would permit a mid-year election change in benefits and the salary reduction amount elected are set out in the Treasury regulations promulgated under Code Section 125, which include the following:

(a) Change in Status. A Participant may change or revoke his election under the Plan upon the occurrence of a valid change in status, but only if such change or termination is made on account of, and is consistent with, the change in status in accordance with the Treasury regulations promulgated under Section 125. The change in status rules do not apply to the Medical Expense Reimbursement Plan, or may not be modified with respect to the Medical Expense Reimbursement Plan if the Plan is being administered by a Recordkeeper other than the Employer, unless the Employer and the Recordkeeper otherwise agree in writing. The Employer, in its sole discretion as Administrator, shall determine whether a requested change is on account of and consistent with a change in status, as follows:

(1) Change in Employee's legal marital status, including marriage, divorce, death of spouse, legal separation, and annulment;
(2) Change in number of Dependents, including birth, adoption, placement for adoption, and death;
(3) Change in employment status, including any employment status change affecting benefit eligibility of the Employee, spouse or Dependent, such as termination or commencement of employment, change in hours, strike or lockout, a commencement or return from an unpaid leave of absence, and a change in worksite. If the eligibility for either the cafeteria Plan or any underlying benefit plans of the Employer of the Employee, spouse or Dependent relies on the employment status of that individual, and there is a change in that individual's employment status resulting in gaining or losing eligibility under the Plan, this constitutes a valid change in status. This category only applies if benefit eligibility is lost or gained as a result of the event.

If an Employee terminates and is rehired within 30 days, the Employee is required to step back into his previous election. If the Employee terminates and is rehired after 30 days, the Employee may either step back into the previous election or make a new election;

(4) Dependent satisfies, or ceases to satisfy, Dependent eligibility requirements due to attainment of age, gain or loss of student status, marriage or any similar circumstances; and

(5) Residence change of Employee, spouse or Dependent, affecting the Employee's eligibility for coverage.

(b) Special HIPAA Enrollment Rights. If a Participant, spouse or Dependent enrolls in the health insurance plan pursuant to special enrollment rights under HIPAA, the Participant may make a corresponding change in election under this Plan. Special enrollment rights under the health insurance plan will be determined by the terms of the health insurance plan.

(c) Certain Judgments, Decrees or Orders. If a judgment, decree or order resulting from a divorce, legal separation, annulment or change in legal custody (including a qualified medical child support order [QMCSO]) requires accident or health coverage for a Participant's child or for a foster child who is a dependent of the Participant, the Participant may have a mid-year election change to add or drop coverage consistent with the Order.

(d) Entitlement to Medicare or Medicaid. If a Participant, Participant's spouse or Participant's Dependent who is enrolled in an accident or health plan of the Employer becomes entitled to Medicare or Medicaid (other than coverage consisting solely of benefits under Section 1928 of the Social Security Act providing for pediatric vaccines), the Participant may cancel or reduce health coverage under the Employer's Plan. Loss of Medicare or Medicaid entitlement would allow the Participant to add health coverage under the Employer's Plan.

(e) Family Medical Leave Act. If an Employee is taking leave under the rules of the Family Medical Leave Act, the Employee may revoke previous elections and re-elect benefits upon return to work.

(f) COBRA Qualifying Event. If an Employee has a COBRA qualifying event (a reduction in hours of the Employee, or a Dependent ceases eligibility), the Employee may increase his pre-tax contributions for coverage under the Employer's Plan if a COBRA event occurs with respect to the Employee, the Employee's spouse or Dependent. The COBRA rule does not apply to COBRA coverage under another Employer's Plan.

4.03 OTHER EXCEPTIONS TO IRREVOCABILITY OF ELECTIONS. Other exceptions to the irrevocability of election requirement permit mid-year election changes and apply to all qualified benefits except for Medical Expense Reimbursement Plans, as follows:

(a) Change in Cost. If the cost of a benefit package option under the Plan significantly increases during the plan year, Participants may either make a corresponding increase in their salary reduction amount, or instead, revoke their elections and make a prospective election under another benefit option offering similar coverage. The option to choose like coverage is for benefits under the Employer's Plan or the Participant can choose coverage under the plan of the spouse's employer. If the increased cost of a benefit package option under the Plan is insignificant, the participant's salary reduction amount shall be automatically adjusted.

(b) Significant curtailment of coverage. If the coverage under a benefit package option, or under a group health plan of a governmental or educational institution, is significantly curtailed or ceases during the Plan Year, Participants will be permitted to revoke their elections under the Plan for such

benefit and, if they choose, make a new election for coverage under another benefit package option providing similar coverage.

(c) Addition or Significant Improvement of Benefit Package Option. If during the Plan Year a new benefit package option is added or significantly improved under the Plan, affected Participants may elect the new option, or elect another option if an option has been eliminated, and make corresponding election changes with respect to other benefit package options providing similar coverage.

(d) Change in Coverage of a Spouse or Dependent Under Another Employer's Plan. If there is a change in coverage of a spouse, former spouse, or Dependent under another employer's plan, a Participant may make a prospective election change that is on account of and corresponds with a change made under the plan of the spouse or Dependent. This rule applies if (1) mandatory changes in coverage are initiated by either the insurer of spouse's plan or by the spouse's employer, or (2) optional changes are initiated by the spouse's employer or by the spouse through open enrollment.

4.04 CASH BENEFIT: Available amounts not used for the purchase of benefits under this Plan may be considered a cash benefit under the Plan payable to the Participant as taxable income to the extent indicated in Item E of the Adoption Agreement.

4.05 PAYMENT FROM EMPLOYER'S GENERAL ASSETS: Payment of benefits under this Plan shall be made by the Employer from Elective Contributions which shall be held as a part of its general assets.

4.06 EMPLOYER MAY HOLD ELECTIVE CONTRIBUTIONS: Pending payment of benefits in accordance with the terms of this Plan, Elective Contributions may be retained by the Employer in a separate account or, if elected by the Employer and as permitted or required by regulations of the Internal Revenue Service, Department of Labor or other governmental agency, such amounts of Elective Contributions may be held in a trust pending payment.

4.07 MAXIMUM EMPLOYER CONTRIBUTIONS: With respect to each Participant, the maximum amount made available to pay benefits for any Plan Year shall not exceed the Employer's Contribution specified in the Adoption Agreement and as provided in this Plan.

SECTION VIII

MEDICAL EXPENSE REIMBURSEMENT PLAN

8.01 PURPOSE: The Medical Expense Reimbursement Plan is designed to provide for reimbursement of Eligible Medical Expenses (as defined in Section 8.04) that are not reimbursed under an insurance plan, through damages, or from any other source. It is the intention of the Employer that amounts allocated for this benefit shall be eligible for exclusion from gross income, as provided in Code Sections 105 and 106, for Participants who elect this benefit and all provisions of this Section VIII shall be construed in a manner consistent with that intention.

8.02 ELIGIBILITY: The eligibility provisions are set forth in Item F(7) of the Adoption Agreement.

8.03 TERMS, CONDITIONS, AND LIMITATIONS:

a. Accounts. The Reimbursement Recordkeeper shall establish a recordkeeping account for each Participant. The Reimbursement Recordkeeper shall maintain a record of each account on an on-going basis, increasing the balances as contributions are credited during the year and decreasing the balances as Eligible Medical Expenses are reimbursed. No interest shall be payable on amounts recorded in any Participant's account.

b. Maximum benefit. The maximum amount of reimbursement for each Participant shall be limited to the amount of the Participant's Elective Contribution allocated to the program during the Plan Year, not to exceed the maximum amount set forth in Item F(7) of the Adoption Agreement.

c. Claim Procedure. In order to be reimbursed for any medical expenses incurred during the Plan Year, the Participant shall complete the form(s) provided for such purpose by the

Reimbursement Recordkeeper. The Participant shall submit the completed form to the Reimbursement Recordkeeper with an original bill or other proof of the expense acceptable to the Reimbursement Recordkeeper. No reimbursement shall be made on the basis of an incomplete form or inadequate evidence of expense as determined by the Reimbursement Recordkeeper. Forms for reimbursement of Eligible Medical Expenses must be submitted no later than the ninetieth (90th) day following the last day of the Plan Year during which the Eligible Medical Expenses were incurred. Reimbursement payments shall only be made to the Participant, or the Participant's legal representative in the event of incapacity or death of the Participant. Forms for reimbursement shall be reviewed in accordance with the claims procedure set forth in Section XI.

d. Funding. The funding of the Medical Reimbursement Plan shall be through contributions by the Employer from its general assets to the extent of Elective Contributions directed by Participants. Such contributions shall be made by the Employer when benefit payments and account administrative expenses become due and payable under this Medical Expense Reimbursement Plan.

e. Forfeiture. Any amounts remaining to the credit of the Participant at the end of the Plan Year and not used for Eligible Medical Expenses incurred during the Participant's participation during the Plan Year shall be forfeited and shall remain assets of the Plan. With respect to a Participant who terminates employment with the Employer and who has not elected to continue coverage under this Plan pursuant to COBRA rights referenced under Section 8.03(f) herein, such Participant shall not be entitled to reimbursement for Eligible Medical Expenses incurred after his termination date regardless if such Participant has any amounts of Employer Contributions remaining to his credit. Upon the death of any Participant who has any amounts of Employer Contributions remaining to his credit, a dependent of the Participant may elect to continue to claim reimbursement for Eligible Medical Expenses in the same manner as the Participant could have for the balance of the Plan Year.

f. COBRA. To the extent required by Section 4980B of the Code and Sections 601 through 607 of ERISA ('COBRA"), a Participant and a Participant's Dependents shall be entitled to elect continued participation in this Medical Expense Reimbursement Plan only through the end of the plan year in which the qualifying event occurs, by contributing monthly (from their personal assets previously subject to taxation) to the Employer/Administrator, 102% of the amount of desired reimbursement through the end of the Plan Year in which the qualifying event occurs. Specifically, such individuals will be eligible for COBRA continuation coverage only if they have a positive Medical Expense Reimbursement Account balance on the date of the qualifying event. Participants who have a deficit balance in their Medical Expense Reimbursement Account on the date of their qualifying event shall not be entitled to elect COBRA coverage. In lieu of COBRA, Participants may continue their coverage through the end of the current Plan Year by paying those premiums out of their last paycheck on a pre-tax basis.

g. Nondiscrimination. Benefits provided under this Medical Expense Reimbursement Plan shall not be provided in a manner that discriminates in favor of Employees or Dependents who are highly compensated individuals, as provided under Section 105(h) of the Code and regulations promulgated thereunder.

h. Uniform Coverage Rule. Notwithstanding that a Participant has not had withheld and credited to his account all of his contributions elected with respect to a particular Plan Year, the entire aggregate annual amount elected with respect to this Medical Expense Reimbursement Plan,

shall be available at all times during such Plan Year to reimburse the participant for Eligible Medical Expenses with respect to this Medical Expense Reimbursement Plan. To the extent contributions with respect to this Medical Expense Reimbursement Plan are insufficient to pay such Eligible Medical Expenses, it shall be the Employer's obligation to provide adequate funds to cover any short fall for such Eligible Medical Expenses for a Participant; provided subsequent contributions with respect to this Medical Expense Reimbursement Plan by the Participant shall be available to reimburse the Employer for funds advanced to cover a previous short fall.

i. Uniformed Services Employment and Reemployment Rights Act. Notwithstanding anything to the contrary herein, this Medical Expense Reimbursement Plan shall comply with the applicable provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 (Public Law 103-353).

8.04 ELIGIBLE MEDICAL EXPENSES: The phrase "Eligible Medical Expense" means any expense incurred by a Participant or any of his Dependents during a Plan Year that (i) qualifies as a medical care expense under Code Section 213 and meets the requirements outlined in Section 125 and its regulations, (ii) is excluded from gross income of the Participant under Code Section 105(b), and (iii) has not been, and will not be paid or reimbursed by any other insurance plan, through damages, from any other source; provided, however, that no medical care expense shall be reimbursed unless the treatment giving rise to the expense is prescribed by a licensed practitioner of the healing arts in the State in which the treatment is provided. In addition, a medical care expense incurred by a Participant or the Participant's Dependent(s) prior to the date such Participant commenced participation in the Medical Expense Reimbursement Plan shall not constitute an Eligible Medical Expense.

SECTION IX

DEPENDENT CARE REIMBURSEMENT PLAN

9.01 PURPOSE: The Dependent Care Reimbursement Plan is designed to provide for reimbursement of certain employment-related dependent care expenses of the Participant. It is the intention of the Employer that amounts allocated for this benefit shall be eligible for exclusion from gross income, as provided in Code Section 129, for Participants who elect this benefit, and all provisions of this Section IX shall be construed in a manner consistent with that intention.

9.02 ELIGIBILITY: The eligibility provisions are set forth in Item F(6) of the Adoption Agreement.

9.03 TERMS, CONDITIONS, AND LIMITATIONS:

a. Accounts. The Reimbursement Recordkeeper shall establish a recordkeeping account for each Participant. The Reimbursement Recordkeeper shall maintain a record of each account on an on-going basis, increasing the balances as contributions are credited during the year and decreasing the balances as Eligible Dependent Care Expenses are reimbursed. No interest shall be payable on amounts recorded in any Participant's account.

b. Maximum Benefit. The maximum amount of reimbursement for each Participant shall be limited to the amount of the Participant's allocation to the program during the Plan Year not to exceed the maximum amount set forth in Item F(6) of the adoption agreement.

For purpose of this Section IX, the phrase "earned income" shall mean wages, salaries, tips and other employee compensation, but only if such amounts are includible in gross income for the taxable year. A Participant's spouse who is physically or mentally incapable of self-care as described in Section 9.04(a)(ii) or a spouse who is a full-time student within the meaning of Code Section 21(e)(7) shall be deemed to have earned income for each month in which such spouse is so disabled (or a full-time student). The amount of such deemed earned income shall be $250 per month in the case of one Dependent and $500 per month in the case of two or more Dependents.

c. Claim Procedure. In order to be reimbursed for any dependent care expenses incurred during the Plan Year, the Participant shall complete the form(s) provided for such purpose by the Reimbursement Recordkeeper. The Participant shall submit the completed form to the Reimbursement Recordkeeper with an original bill or other proof of the expense from an independent third party acceptable to the Reimbursement Recordkeeper. No reimbursement shall be made on the basis of an incomplete form or inadequate evidence of the expense as determined by the Reimbursement Recordkeeper. Claims for reimbursement of Eligible Dependent Care Expenses must be submitted no later than the ninetieth (90th) day following the last day of the Plan Year during which the Eligible Dependent Care Expenses were incurred. Reimbursement payments shall only be made to the Participant, or the Participant's legal representative in the event of the incapacity or death of the Participant. Forms for reimbursement shall be reviewed in accordance with the claims procedure set forth in Section XI.

d. Funding. The funding of the Dependent Care Reimbursement Plan shall be through contributions by the Employer from its general assets to the extent of Elective Contributions directed by Participants. Such contributions shall be made by the Employer when benefit payments and account administration expenses become due and payable under this Dependent Care Expense Reimbursement Plan.

e. Forfeiture. Any amounts remaining to the credit of the Participant at the end of the Plan Year and not used for Eligible Dependent Care Expenses incurred during the Plan Year shall be forfeited and remain assets of the Plan.

f. Nondiscrimination. Benefits provided under this Dependent Care Reimbursement Plan shall not be provided in a manner that discriminates in favor of Employees who are officers, owners or highly compensated (highly compensated as defined in Code Section 414(q)) or their dependents, as provided in Code Section 129. In addition, no more than 25 percent of the aggregate Eligible Dependent Care Expenses shall be reimbursed during a Plan Year to five percent owners, as provided in Code Section 129.

9.04 DEFINITIONS:

a. "Dependent" (for purposes of this Section IX) means any individual who is:

(i) a Participant's dependent child who is under the age of 13 and with respect to whom the Participant is entitled to an exemption under Section 151(c) of the Code; or

(ii) a dependent or the spouse of a Participant who is physically or mentally incapable of caring for himself. For purposes of this Dependent Care Reimbursement Plan, an individual shall be considered physically or mentally incapable of self-care if, as a result

of a physical or mental defect, the individual is incapable of caring for his or her hygienic or nutritional needs, or requires full-time attention of another person for his or her own safety or the safety of others.

b. "Dependent Care Center" (for purposes of this Section IX) shall be a facility which:

(i) provides care for more than six individuals (other than individuals who reside at the facility);
(ii) receives a fee, payment, or grant for providing services for any of the individuals (regardless of whether such facility is operated for profit); and
(iii) satisfies all applicable laws and regulations of a state or unit of local government.

c. "Eligible Dependent Care Expenses" (for purposes of this Section IX) shall mean expenses incurred by a Participant which are:

(i) incurred for the care of a Dependent of the Participant or for related household services;
(ii) paid or payable to a Dependent Care Service Provider; and
(iii) incurred to enable the Participant to be gainfully employed for any period for which there are one or more Dependents with respect to the Participant.

"Eligible Dependent Care Expenses" shall not include expenses incurred for services outside the Participant's household for the care of a Dependent unless such Dependent is (i) a dependent child under the age of 13, or (ii) regularly spends at least eight hours each day in the Participant's household. Eligible Dependent Care Expenses shall be deemed to be incurred at the time the services to which the expenses relate are rendered.

d. "Dependent Care Service Provider" (for purposes of this Section IX) means:

(i) a Dependent Care Center, or
(ii) a person who provides care or other services described in Section 9.04(b) and who is not a related individual described in Section 129(c) of the Code.

SECTION X

AMENDMENT AND TERMINATION

10.01 AMENDMENT: The Employer shall have the right at any time, and from time to time, to amend, in whole or in part, any or all of the provisions of this Plan, provided that no such amendment shall change the terms and conditions of payment of any benefits to which Participants and covered dependents otherwise have become entitled to under the provisions of the Plan, unless such amendment is made to comply with federal or local laws or regulations. The Employer also shall have the right to make any amendment retroactively which is necessary to bring the Plan into conformity with the Code. In addition, the Employer may amend any provisions or any supplements to the Plan and may merge or combine supplements or add additional supplements to the Plan, or separate existing supplements into an additional number of supplements.

10.02 TERMINATION: The Employer shall have the right at any time to terminate this Plan, provided that such termination shall not eliminate any obligations of the Employer which therefore have arisen under the Plan.

SECTION XI

ADMINISTRATION

11.01 NAMED FIDUCIARIES: The Administrator shall be the fiduciary of the Plan.

11.02 APPOINTMENT OF RECORDKEEPER: The Employer may appoint a Reimbursement Recordkeeper which shall have the power and responsibility of performing recordkeeping and other ministerial duties arising under the Medical Expense Reimbursement Plan and the Dependent Care Reimbursement Plan provisions of this Plan. The Reimbursement Recordkeeper shall serve at the pleasure of, and may be removed by, the Employer without cause. The Recordkeeper shall receive reasonable compensation for its services as shall be agreed upon from time to time between the Administrator and the Recordkeeper.

11.03 POWERS AND RESPONSIBILITIES OF ADMINISTRATOR:

a. General. The Administrator shall be vested with all powers and authority necessary in order to amend and administer the Plan, and is authorized to make such rules and regulations as it may deem necessary to carry out the provisions of the Plan. The Administrator shall determine any questions arising in the administration (including all questions of eligibility and determination of amount, time and manner of payments of benefits), construction, interpretation and application of the Plan, and the decision of the Administrator shall be final and binding on all persons.

b. Recordkeeping. The Administrator shall keep full and complete records of the administration of the Plan. The Administrator shall prepare such reports and such information concerning the Plan and the administration thereof by the Administrator as may be required under the Code or ERISA and the regulations promulgated thereunder.

c. Inspection of Records. The Administrator shall, during normal business hours, make available to each Participant for examination by the Participant at the principal office of the Administrator a copy of the Plan and such records of the Administrator as may pertain to such Participant. No Participant shall have the right to inquire as to or inspect the accounts or records with respect to other Participants.

11.04 COMPENSATION AND EXPENSES OF ADMINISTRATOR: The Administrator shall serve without compensation for services as such. All expenses of the Administrator shall be paid by the Employer. Such expenses shall include any expense incident to the functioning of the Plan, including, but not limited to, attorneys' fees, accounting and clerical charges, actuary fees and other costs of administering the Plan.

11.05 LIABILITY OF ADMINISTRATOR: Except as prohibited by law, the Administrator shall not be liable personally for any loss or damage or depreciation which may result in connection with the exercise of duties or of discretion hereunder or upon any other act or omission hereunder except when due to willful misconduct. In the event the Administrator is not covered by fiduciary liability insurance or similar insurance arrangements, the Employer shall indemnify and hold harmless the Administrator from any and all claims, losses, damages, expenses (including reasonable counsel fees approved by the Administrator) and liability (including any reasonable amounts paid in settlement with the Employer's approval) arising from any act or omission of the Administrator, except when the same is determined to be due to the willful misconduct of the Administrator by a court of competent jurisdiction.

11.06 DELEGATIONS OF RESPONSIBILITY: The Administrator shall have the authority to delegate, from time to time, all or any part of its responsibilities under the Plan to such person or persons as it may deem advisable and in the same manner to revoke any such delegation of responsibilities which shall have the same force and effect for all purposes hereunder as if such action had been taken by the Administrator. The Administrator shall not be liable for any acts or omissions of any such delegate. The delegate shall report periodically to the Administrator concerning the discharge of the delegated responsibilities.

11.07 RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION: The Administrator may release or obtain any information necessary for the application, implementation and determination of this Plan or other Plans without consent or notice to any person. This information may be released to or obtained from any insurance company, organization, or person subject to applicable law. Any individual claiming benefits under this Plan shall furnish to the Administrator such information as may be necessary to implement this provision.

11.08 CLAIM FOR BENEFITS: To obtain payment of any benefits under the Plan a Participant must comply with the rules and procedures of the particular benefit program elected pursuant to this Plan under which the Participant claims a benefit.

11.09 GENERAL CLAIMS REVIEW PROCEDURE: This provision shall apply only to the extent that a claim for benefits is not governed by a similar provision of a benefit program available under this Plan or is not governed by Section 11.10.

a. Initial Claim for Benefits. Each Participant may submit a claim for benefits to the Administrator as provided in Section 11.08. A Participant shall have no right to seek review of a denial of benefits, or to bring any action in any court to enforce a claim for benefits prior to his filing a claim for benefits and exhausting his rights to review under this section.

When a claim for benefits has been filed properly, such claim for benefits shall be evaluated and the claimant shall be notified of the approval or the denial within (90) days after the receipt of such claim unless special circumstances require an extension of time for processing the claim. If such an extension of time for processing is required, written notice of the extension shall be furnished to the claimant prior to the termination of the initial ninety (90) day period which shall

specify the special circumstances requiring an extension and the date by which a final decision will be reached (which date shall not be later than one hundred and eighty (180) days after the date on which the claim was filed.) A claimant shall be given a written notice in which the claimant shall be advised as to whether the claim is granted or denied, in whole or in part. If a claim is denied, in whole or in part, the claimant shall be given written notice which shall contain (a) the specific reasons for the denial, (b) references to pertinent plan provisions upon which the denial is based, (c) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary, and (d) the claimant's rights to seek review of the denial.

b. Review of Claim Denial. If a claim is denied, in whole or in part, the claimant shall have the right to request that the Administrator review the denial, provided that the claimant files a written request for review with the Administrator within sixty (60) days after the date on which the claimant received written notification of the denial. A claimant (or his duly authorized representative) may review pertinent documents and submit issues and comments in writing to the Administrator. Within sixty (60) days after a request is received, the review shall be made and the claimant shall be advised in writing of the decision on review , unless special circumstances require an extension of time for processing the review, in which case the claimant shall be given a written notification within such initial sixty (60) day period specifying the reasons for the extension and when such review shall be completed (provided that such review shall be completed within one hundred and twenty (120) days after the date on which the request for review was filed.) The decision on review shall be forwarded to the claimant in writing and shall include specific reasons for the decision and references to plan provisions upon which the decision is based. A decision on review shall be final and binding on all persons.

c. Exhaustion of Remedies. If a claimant fails to file a request for review in accordance with the procedures herein outlined, such claimant shall have no rights to review and shall have no right to bring action in any court and the denial of the claim shall become final and binding on all persons for all purposes.

11.10 SPECIAL CLAIMS REVIEW PROCEDURE: The provisions of this Section 11.10 shall be applicable to claims under the Group Medical Reimbursement Plan and the Group Medical Insurance Plan, effective on the first day of the first Plan Year beginning on or after July 1, 2002, but in no event later than January 1, 2003.

a. Benefit Denials: The Administrator is responsible for evaluating all claims for reimbursement under the Medical Expense Reimbursement Plan and the Group Medical Insurance Plan.

The Administrator will decide a Participant's claim within a reasonable time not longer than 30 days after it is received. This time period may be extended for an additional 15 days for matters beyond the control of the Administrator, including in cases where a claim is incomplete. The Participant will receive written notice of any extension, including the reasons for the extension and information on the date by which a decision by the Administrator is expected to be made. The Participant will be given 45 days in which to complete an incomplete claim. The Administrator may secure independent medical or other advice and require such other evidence as it deems necessary to decide the claim.

If the Administrator denies the claim, in whole or in part, the Participant will be furnished with a written notice of adverse benefit determination setting forth:

1. the specific reason or reasons for the denial;

2. reference to the specific Plan provision on which the denial is issued;

3. a description of any additional material or information necessary for the Participant to complete his claim and an explanation of why such material or information is necessary, and

4. appropriate information as to the steps to be taken if the Participant wishes to appeal the Administrator's determination, including the participant's right to submit written comments and have them considered, his right to review (on request and at no charge) relevant documents and other information, and his right to file suit under ERISA with respect to any adverse determination after appeal of his claim.

b. Appealing Denied Claims: If the Participant's claim is denied in whole or in part, he may appeal to the Administrator for a review of the denied claim. The appeal must be made in writing within 180 days of the Administrator's initial notice of adverse benefit determination, or else the participant will lose the right to appeal the denial. If the Participant does not appeal on time, he will also lose his right to file suit in court, as he will have failed to exhaust his internal administrative appeal rights, which is generally a prerequisite to bringing suit.

A Participant's written appeal should state the reasons that he feels his claim should not have been denied. It should include any additional facts and/or documents that the Participant feels support his claim. The Participant may also ask additional questions and make written comments, and may review (on request and at no charge) documents and other information relevant to his appeal. The Administrator will review all written comment the Participant submits with his appeal.

c. Review of Appeal: The Administrator will review and decide the Participant's appeal within a reasonable time not longer than 60 days after it is submitted and will notify the Participant of its decision in writing. The individual who decides the appeal will not be the same individual who decided the initial claim denial and will not be that individual's subordinate. The Administrator may secure independent medical or other advice and require such other evidence as it deems necessary to decide the appeal, except that any medical expert consulted in connection with the appeal will be different from any expert consulted in connection with the initial claim. (The identity of a medical expert consulted in connection with the Participant's appeal will be provided.) If the decision on appeal affirms the initial denial of the Participant's claim, the Participant will be furnished with a notice of adverse benefit determination on review setting forth:

1. The specific reason(s) for the denial,

2. The specific Plan provision(s) on which the decision is based,

3. A statement of the Participant's right to review (on request and at no charge) relevant documents and other information,

4. If the Administrator relied on an "internal rule, guideline, protocol, or other similar criterion" in making the decision, a description of the specific rule, guideline, protocol,

or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to the Participant upon request," and

5. A statement of the Participant's right to bring suit under ERISA § 502(a).

11.11 PAYMENT TO REPRESENTATIVE: In the event that a guardian, conservator or other legal representative has been duly appointed for a Participant entitled to any payment under the Plan, any such payment due may be made to the legal representative making claim therefor, and such payment so made shall be in complete discharge of the liabilities of the Plan therefor and the obligations of the Administrator and the Employer.

11.12 PROTECTED HEALTH INFORMATION. The provisions of this Section shall be effective on April 14, 2004 or on such other date required by 45 CFR Section 164.534. The Plan may disclose PHI to employees of the Employer with employee benefits responsibility or to employees with oversight responsibility for third party administrator claims administration. Access to and use by such individuals must be restricted to plan administration functions that the plan sponsor performs for the Plan. The applicable claims procedures under the Plan shall be used to resolve any issues of non-compliance by such individuals. The Plan may disclose PHI to such individuals only if the Employer certifies that the Plan documents have been amended to incorporate the following specific provisions, and the Employer agrees to comply with them. The Employer will:

- not use or further disclose PHI other than as permitted by the plan documents or as required by law;
- ensure that any agents or subcontractors to whom it provides PHI received from the Plan agree to the same restrictions and conditions that apply to the Employer;
- not use or disclose PHI for employment-related actions or in connection with any other employee benefit plan;
- report to the Plan any use or disclosure of the information that is inconsistent with the permitted uses or disclosures;
- make available to Plan participants, consider their amendments and, upon their request, provide them with an accounting of PHI disclosures;
- make its internal practices and records relating to the use and disclosure of PHI received from the Plan available to the Department of Health and Human Services upon request; and
- will, if feasible, return or destroy all PHI received from the Plan that the Employer still maintains in any form and retain no copies of such information when no longer needed for the purposes for which the disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible.

For purposes of this Section, "PHI" is "Protected Health Information" as defined in 45 CFR Section 164.501, which is individually identifiable health information that is maintained or transmitted by a covered entity, as defined in 45 CFR Section 164.104.

SECTION XII

MISCELLANEOUS PROVISIONS

12.01 FORMS AND PROOFS: Each Participant or Participant's Beneficiary eligible to receive any benefit hereunder shall complete such forms and furnish such proofs, receipts, and releases as shall be required by the Administrator.

12.02 NON-ASSIGNABILITY: No benefit under the Plan shall be liable for any debt, liability, contract, engagement or tort of any Participant or his Beneficiary, nor be subject to charge, anticipation, sale, assignment, transfer, encumbrance, pledge, attachment, garnishment, execution or other voluntary or involuntary alienation or other legal or equitable process, nor transferability by operation of law.

12.03 CONSTRUCTION:

a. Words used herein in the masculine or feminine gender shall be construed as the feminine or masculine gender, respectively where appropriate.

b. Words used herein in the singular or plural shall be construed as the plural or singular, respectively, where appropriate.

12.04 NONDISCRIMINATION: In accordance with Code Section 125(b)(1), (2), and (3), this Plan is intended not to discriminate in favor of Highly Compensated Participants as to contributions and benefits nor to provide more than 25% of all qualified benefits to Key Employees. If, in the judgment of the Administrator, more than 25% of the total nontaxable benefits are provided to Key Employees, or the Plan discriminates in any other manner (or is at risk of possible discrimination), then, notwithstanding any other provision contained herein to the contrary, and, in accordance with the applicable provisions of the Code, the Administrator shall, after written notification to affected Participants, reduce or adjust such contributions and benefits under the Plan as shall be necessary to insure that, in the judgment of the Administrator, the Plan shall not be discriminatory.

12.05 ERISA: The Plan shall be construed, enforced, and administered and the validity determined in accordance with the applicable provisions of the Employee Retirement Income Security Act of 1974, (as amended), the Internal Revenue Code of 1986 (as amended), and the laws of the State indicated in the Adoption Agreement. Should any provision be determined to be void, invalid, or unenforceable by any court of competent jurisdiction, the Plan will continue to operate, and for purposes of the jurisdiction of the court only will be deemed not to include the provision determined to be void.

SERVICE AGREEMENT

EMPLOYEE BENEFITS

Employer: **Lawton Public Schools**

RECITALS

A. The above-named employer ("Employer") desires to retain National Benefit Services, LLC ("NBS"), a Utah limited liability company, (collectively, the "Parties") to provide employee benefit services in a manner consistent with the law. As used throughout this agreement, "law" refers to the federal or state legal requirements identified in the "Schedule of Defined Terms, Services and Obligations" attached to this agreement as "Schedule A."

B. The Parties understand and agree that the employee benefits to which this agreement applies are subject to legal requirements which identify and define the obligations undertaken by the Employer or plan in providing the benefits.

C. The Parties further understand and agree that regardless of whether the law identifies the Employer or a plan fiduciary as responsible for the manner in which employee benefits are provided, the use of "Employer" in this agreement is intended by the Parties to identify the individual or entity held responsible under the law.

Accordingly, the Employer hereby retains NBS to provide employee benefit services according to the following terms and conditions, which together with all the schedules attached hereto, represents the entire agreement of the Parties ("Service Agreement"):

AGREEMENT

1. ***Defined Terms.*** Terms with special meaning in the Service Agreement are defined when first used and are capitalized thereafter. Certain terms specific to the services selected by the Employer are defined in Schedule A.

2. ***Engagement and Services.*** NBS agrees to provide the services described in Schedule A according to the terms and conditions of the Service Agreement, which include the Employer Obligations listed in Schedule A.

3. ***Fees.*** The costs for the selected services are itemized on a Fee Schedule applicable to such services attached hereto as "Schedule B." At the end of each calendar year, NBS has the right to increase the fees listed in Schedule B as necessary to account for inflation costs in the industry. Any automatic increase, however, shall not exceed the prior-year fees by more than four (4) percent. In no event shall an update to the amounts listed in Schedule B to implement an increase under this Section be considered a "modification" of the Service Agreement as described in Section 4. This Section 3 shall not apply to fee changes necessitated because of increases in the cost of administration (including changes in regulatory requirements) or to ensure the assessed fees are consistent with industry standards. Changes in fees which are not due to inflation costs shall be governed by Section 4 of the Service Agreement.

4. ***Modification.*** Either Party may request modification of the Service Agreement in writing. As provided in this Section 4, no modification of the Service Agreement shall be effective until approved by the Party to be bound.

   A. For material modifications to Schedule A, NBS will notify Employer in writing of the proposed changes and request Employer's signed approval. If NBS does not receive Employer's approval or written objection within thirty (30) days of receipt of written notice, NBS may:

i. Deem the modifications as accepted by Employer;

ii. Suspend performance of services under the Service Agreement until consent is given; or

iii. Terminate the Service Agreement.

B. Unless NBS receives prior written objection from the Employer, the Employer's consent is deemed received thirty (30) days after receipt from NBS of any notice proposing the following:

i. Any modification of a Schedule B.

ii. Any modification of a Schedule A, which NBS, in its sole discretion, considers non-material.

5. ***Employer's General Obligations to NBS.*** The Employer acknowledges that under the law, providing plan documents or filing reports in an untimely manner or which contain errors or omissions may result in fines or penalties, including the disqualification of a qualified benefits plan (if applicable). The Employer further acknowledges that NBS may rely solely upon, and shall have no responsibility to independently verify the accuracy of, information provided by the Employer. Accordingly, the Employer shall:

A. Provide NBS with all information requested by NBS in good order. As used in the Service Agreement, "in good order" shall mean without limitation information which is:

i. Verified and warranted by Employer to be complete and accurate;

ii. Compliant with the document type and formatting requirements specified by NBS for the information requested; and

iii. Furnished to NBS in a timely manner. As used in the Service Agreement, "timely manner" shall mean received by NBS no later than the date specified in the Service Agreement or in any written notice from NBS.

B. Pay all amounts billed by NBS for extra hourly work at the rate stated on a Schedule B for any administrative services repeated by NBS because information was not provided by the Employer in good order.

C. To the extent permitted by law, hold NBS harmless for any consequences that may result from NBS's inability to complete its work, in the ordinary course of business, due to the failure of the Employer to provide information to NBS in good order.

D. Review all documents and reports prepared by NBS for accuracy and consistency with the Employer's own records. Employer waives the right to request corrections or return of fees if not reported to NBS within thirty (30) days of receipt of the document or report.

E. Ensure all government reports which NBS prepares are timely filed with the appropriate agency.

F. Pay any fines resulting from a failure to timely file required government reports with the appropriate agency.

G. Timely provide required benefit information to relevant parties (employees, participants, beneficiaries, etc. as applicable). As used herein "required benefit information" shall include, without limitation: notices, elections, and reports required under the law.

H. Comply with all benefit plan provisions (where the services selected by the Employer are for a qualified plan or plans) and all relevant legal requirements.

I. Be responsible for payment of all amounts that may become due and owing under the Service Agreement.

6. ***Controlled Groups.*** The Employer acknowledges that:

A. The law includes complex rules governing business associations such as controlled groups, affiliated service groups, employee lease arrangements, and management organizations.

B. The rules governing business associations may impact the operation and qualified status of employee benefits and that NBS does not provide analysis nor determine the effect of these rules on such benefits.

Accordingly, the Employer warrants and agrees that:

C. The Employer has disclosed to NBS all related businesses and associations relevant to the benefits and the administration of the benefits;

D. If any related businesses and/or associations exist, the Employer has obtained certification from a competent professional as to (1) whether a controlled group, affiliated service group, employee lease arrangement, and/or management organization exists with the affiliation(s) and (2) whether such group has any current issues, concerns, and/or complications;

E. The Employer shall notify NBS in writing prior to any relevant changes in business structure or organization. For purposes of the Service Agreement "relevant changes in business structure or organization" shall include, but is not limited to:

i. Any change in name or ownership of the Employer;

ii. Any change in the Employer's business entity type which may impact the qualified status of the benefits and the administration of such benefits; and

iii. Any change which results from merger or acquisition involving the Employer.

F. Upon request, the Employer shall certify in writing, that the warranties provided in this Section 4 remain accurate and current.

7. ***Form of Notice.*** Notice of termination of the Service Agreement shall be in the manner prescribed in section 23. All other notices required or identified herein shall be in writing and conveyed to the other Party in the manner best-calculated to provide the recipient with actual notice. If notice is conveyed by email, sender shall require proof of receipt. Notice will at a minimum convey what action is required to be taken by the Party receiving the notice and will specify a clear deadline for compliance.

8. ***Format of Documents.*** All documents to be provided pursuant to the Service Agreement, unless otherwise provided herein, shall be provided electronically. For purposes of the Service Agreement, documents provided in a secure format will be considered "received" when both the document and the means to access the document have been received by the intended Party.

9. ***Time is of the Essence/Force Majeure.***

A. For all the services selected by the Employer and provided by NBS, time is of the essence. Deadlines applicable to the services provided hereunder shall be identified in Schedule A or by specific notices provided to the Employer. Except as specifically provided in Section 9.B., failure by the Employer to comply with the timing provisions specifically identified in the Service Agreement or through notices by NBS shall constitute a breach of the Service Agreement.

B. Neither Party shall be held responsible for the delay or failure to perform services and/or obligations under the Service Agreement when such delay or failure is due to fire, flood, epidemic, strike, an act of God or any public enemy, unusually severe weather, failure or malfunction of any electronic, electric or mechanical equipment, legislative or regulatory acts of any public authority, delays or defaults caused by public carriers, or other circumstances which cannot reasonably be forecasted or provided against.

10. ***Ministerial Services Only.***

A. The Parties acknowledge and agree that NBS will NOT act as a "Plan Administrator" or "Fiduciary" to a Plan as defined in ERISA § 3. The Parties further acknowledge that the Service Agreement does not grant NBS any discretionary authority or control regarding management or administration of the benefits and that the services provided by NBS shall not be construed by the Parties as management or disposition of benefit plan assets.

B. The Parties acknowledge and agree that NBS will not provide investment advisory services, and that the services provided hereunder will not be interpreted as investment advice as that term is used in ERISA § 3(21)(A).

C. The Parties also acknowledge and agree that NBS will not provide accounting services outside of the record-keeping services required for benefit administration as listed in Schedule A. Furthermore, NBS will have no liability for the accuracy or completeness of any of the books or records regarding the administration of the benefits for any period preceding the signed date of the Service Agreement.

D. Although NBS employs licensed in-house attorneys to discharge its obligations under the Service Agreement, NBS will not provide legal services or legal advice to the Employer. Accordingly, the Employer will be responsible to have all documents and forms completed by NBS reviewed by competent legal counsel to ensure that they are appropriate for and meet the specific requirements of the benefits selected by the Employer. The Employer agrees to consult with an attorney experienced in employee benefit matters regarding any questions or concerns that the Employer may have relative to benefit plan qualification, coverage of employees, and any other issues of a legal nature.

11. ***Nonexclusive Services.*** The Parties acknowledge and agree that NBS will be performing similar services and other types of work for other employers. Nothing contained in the Service Agreement shall grant to either Party any right, title, or interest in or to the business activities or opportunities of the other Party—or the power or authority to contract on behalf of the other Party—other than as specifically provided in the Service Agreement.

12. ***Legal Compliance.*** Each of the Parties hereto agrees to comply with all applicable federal, state, and local laws, rules and regulations in the performance of their respective responsibilities under the Service Agreement, including any mandated confidentiality requirements.

13. ***Cooperation from NBS.*** Upon the Employer's request, NBS will promptly provide all benefit information necessary for an audit or investigation to the specified entity and in the manner requested. Without limiting the foregoing, "audit or investigation" includes any investigation by the Department of Labor and audits conducted by the Internal Revenue Service, the Employer, or by a third party firm designated by the Employer. The first three hours of audit support is included in the Audit Coordination fee, additional support shall be billed at the rate for extra hourly work.

GENERAL CONDITIONS

14. ***Billing Procedures and Collections.*** Consideration for providing the services listed in Schedule A shall be by payment of the fees identified in Schedule B. Fees for services rendered are payable by the Employer, or other party as agreed upon in Schedule B, upon receipt of an accurately invoiced statement for services. Acceptance by NBS of any payment by a third party shall not constitute a waiver of any rights NBS may have under the Service Agreement or by law to collect from the Employer amounts due and owing to NBS for services provided. If NBS does not receive payment in full within thirty (30) days of the statement date, the Employer's account shall be subject to a FINANCE CHARGE of 1.5% per month (18% APR). If the Employer's state of domicile requires a lesser rate, the Employer's past-due balance shall be subject to a FINANCE CHARGE at the highest allowable rate. If NBS does not receive payment in full within sixty (60) days of the statement date, NBS may terminate the Service Agreement immediately and pursue collection actions. Employer understands and agrees that it is responsible for all unpaid participant fees. This Section 14 does not apply to Claim Reserve funding for welfare benefit plans. For the Employer's obligations related to billing and remittance of Claim Reserve funds for welfare benefit plans, see the applicable welfare benefit Schedule A.

    Should NBS employ an attorney to assist in the collection of past due fees, the Employer shall pay all resulting collection costs and attorney fees whether or not litigation commences.

15. ***Compliance/Breach.*** If the Employer fails to perform any of the terms and conditions of the Service Agreement, the Employer shall be deemed in material breach of the Service Agreement, and NBS

shall have the right to cease to provide any further services for the Employer and terminate the Service Agreement. If the breach arises for reasons other than non-payment of fees, NBS may notify the Employer in writing of the breach and instruct how and by when the Employer must cure the breach. Such notice may include, as necessary, the amount of any additional charges the Employer must pay to enable NBS to meet applicable federal deadlines. If the Employer does not cure the breach within the timeframe stated in the notice, NBS may terminate the Service Agreement without waiving NBS's right to receive payment for services rendered and costs incurred, or to exercise any other remedies available at law or equity.

If NBS fails to perform any material terms and conditions contained in the Service Agreement, NBS shall be deemed in breach of the Service Agreement, and the Employer may terminate the Service Agreement or suspend payments under the Service Agreement to NBS until such breach is cured. If the Employer chooses to suspend payments, the Employer shall submit a written notice to NBS stating that it considers NBS in breach and has suspended payment. If NBS does not cure the breach within fifteen (15) days of receiving the notice, either party may terminate the Service Agreement.

16. ***Jurisdiction and Venue.*** The Service Agreement shall be construed, administered and enforced in accordance with the laws of the state where the services under the Service Agreement are performed. Additionally, the Parties submit to the exclusive jurisdiction of and venue in the appropriate state or federal courts located in the county where the services under the Service Agreement are performed.

17. ***Damages.*** A Party's liability to the other arising out of or relating to the Service Agreement—including liability for any claim for indemnification—will not exceed the lesser of the total fees payable to NBS for services for the current or most recent contract year or $50,000. In no event will either Party be liable to the other for any consequential, indirect, special, incidental, or punitive damages—regardless of the form of action—whether in agreement, tort, strict liability or otherwise, even if advised of the possibility of such damages and even if the damages were foreseeable. The limitations in this section do not apply to any amounts owing under the terms of the Service Agreement, any claims for attorney fees, or other ligation costs either Party is entitled to recover.

18. ***Indemnification.*** NBS and the Employer agree to assist each other to resolve matters in dispute or potential liability to the Parties through open, amicable, and timely communication.

    To the extent permitted by law, the Employer hereby agrees to indemnify, defend, and hold harmless NBS and its members, officers, agents, and employees from and against any and all claims, damages, judgments, liabilities, attorney and professional fees, court costs, and litigation costs caused by, arising out of, or relating to (1) any act or omission by the Employer or its agent which occurred prior to the effective date of the Service Agreement; (2) any information provided, or instructions given, by the Employer or its agent to NBS pursuant to the Service Agreement; (3) the Employer's failure to disclose any controlled-group issues or to obtain the controlled-group certification required under the Service Agreement; (4) the Employer's material breach of the Service Agreement; or (5) any claim by any third-party against NBS arising from the Employer's failure to perform or comply with the terms and obligations of any qualified benefit plan, applicable statutes, and regulations governing benefit plans or the Employer's gross negligence or willful act or omission. The Employer will not indemnify against any liability resulting from gross negligence, willful misconduct, actual fraud, or criminal conduct of NBS.

    To the extent permitted by law, NBS hereby agrees to indemnify, defend and hold harmless the Employer and its members, officers, agents, and employees from and against any and all claims, damages, judgments, liabilities, attorney and professional fees, court costs, and litigation costs caused by, arising out of, or relating to (1) NBS's material breach of the Service Agreement or (2) any claim by a third party against the Employer arising from the gross negligence or willful act or omission by NBS. NBS will not indemnify against any liability resulting from gross negligence, willful misconduct, actual fraud, or criminal conduct of the Employer.

    Within thirty (30) days receipt of any such litigation or demand, NBS and the Employer agree to give one another prompt written notice of any claim threatened or instituted against the other which might constitute the basis for a claim of indemnity by either Party against the other. If either Party does not notify the other within the said thirty (30) days, this indemnification is null and void against the Party

who fails to make such notification. Any successful indemnification claim is limited in damages as described in section 17.

19. ***Integration and Severability.*** The Service Agreement, together with all attachments hereto, including all schedules and exhibits, represents the entire agreement of the Parties and supersedes any prior agreement as to the subject matter contained herein. In the event that any provision or portion of the Service Agreement is declared void or unenforceable in a court of law, the remaining provisions of the Service Agreement shall remain binding upon the Parties as if the void or unenforceable provision had not been originally included.

20. ***Consent to Breach or Waiver.*** Any consent to breach or waiver of any provision of the Service Agreement shall be in writing. Such writing shall establish the scope and terms of the waiver or consent and shall be signed by the Party waiving its right. AGREEMENT

For and in consideration of the payment of the sums of money specified herein, together with other good and valuable consideration, Provider does hereby agree to furnish, and Applicant does hereby agree to accept and pay the discounted price for the services bid. The term of this contract shall commence on July 01, 2020 with an option of four (4) voluntary annual renewals. If all four (4) voluntary annual renewals are exercised, the contract will expire on (a) June 30, 2025 for recurring services and will continue on a month-to-month basis until services are cancelled by the customer's authorized administrator (b) September 30, 2021 for non-recurring services. The contract expiration for non-recurring services shall be automatically extended to align with SLD authorized extensions due to late funding and changes in products and/or services approved on or after March 1st. The contract may be renewed by mutual ratification by both parties. If upgrade of services is requested, the ratification of this agreement will comply with rates within this agreement. If, after approval of discount funding by SLD or its successor, Applicant's governing board should fail to approve all of or any part of the services and products covered by this contract, the Applicant shall have the right, at its option, to cancel this contract as to that part of the services and products disallowed by the governing board, but agrees to pay any outstanding charges due.

PAYMENT and DISCOUNTS

Provider will invoice Applicant for all services provided in accordance with this contract. Provider is obligated to participate in and be compliant with the rules and requirements of the both programs stated above.

Billing begins on the date your service becomes operational; requested bandwidth is provisioned, open and ready for data flow. Any delay on Applicants end such as equipment is on order or a demarcation has yet to be extended will not constitute cause for deferment of billing.

Billing continues until OneNet receives written notice of cancellation from customer's authorized administrator. Depending on the configuration of your service, the termination of OneNet services may incur service fees from one or more of our telecommunications partners. The Applicant shall be responsible for telecommunication service fees levied as the result of customer's voluntary cancellation.

Lawton Public Schools
753 Fort Sill Boulevard

Dated March 11, 2013

10 year contract

Wide Area Network Leasing and Services Agreement

This Wide Area Network Leasing and Services Agreement is entered into this 12th day of March 2013, between the Lawton Public School District (the "District") and Unite Private Networks, LLC ("UPN") (collectively, the "Parties").

Recitals

A. UPN is in the business of leasing Wide Area Network facilities ("WAN Facilities") and providing telecommunications and Internet access services ("WAN Services") to school districts and other customers.

B. Following a competitive bidding process, the District selected UPN as the most cost-effective provider of leased WAN Facilities and WAN Services to the District.

C. The District has received all approvals required by it to enter into this Agreement, under which UPN will lease WAN Facilities and provide WAN Services to the District.

Agreement

NOW, THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the District and UPN agree as follows:

1. WAN Facilities and WAN Services. UPN agrees to lease the WAN Facilities to District, and to provide the WAN Services to District, in accordance with the terms of this Agreement. The WAN Facilities and WAN Services are more fully described in Schedule A attached hereto. For clarity, the WAN Facilities are owned by UPN, the WAN Facilities will continue to be owned by UPN following the expiration or termination of this Agreement, and the District has no option or other right to purchase or otherwise acquire the WAN Facilities from UPN. The Parties intend that this Agreement shall operate as a "lease", as defined by Missouri law. Nothing in this Agreement shall be construed to result in the transfer of title to any part of the WAN Facilities to District or in the creation of a "security interest" within the meaning of Missouri law. District disclaims any interest it may claim in the materials, equipment, fiber optic cable and all personal property installed by UPN as a fixture on to the real property of the District. District shall keep UPN's WAN Facilities free from all liens, including but not limited to mechanics liens, and encumbrances by reason of the use of the WAN Facilities by District. District's use of the WAN shall be limited to District. District may not assign, lease, or allow any other party the right to use the WAN Facilities without UPN's express consent. Any other use shall constitute a refusal to perform a material obligation under Paragraph 11(a) and shall be grounds for UPN to terminate for cause.

2. Term. This Agreement will have a term of ten (10) years that is structured as a one (1) year contract with nine (9) one (1) year renewals, commencing with the date on which UPN first provides the WAN Services hereunder, to be confirmed by UPN with a Service

Initial KJ

Commencement Letter as outlined in Section 6(m), unless earlier terminated in accordance with Section 11 below. The Maturity Date of this Agreement shall be ten (10) years from the date of the aforementioned Service Commencement Letter. This Agreement can be extended upon mutual agreement of UPN and the District.

3. E-Rate Program. If requested by the District, UPN will work together with the District to participate in the Schools and Libraries Program of the Universal Service Fund (the "E-Rate Program"), and in particular the parties will cooperate in maximizing the discounts available to the District under the E-Rate Program in respect of the WAN Facilities and the WAN Services. However, notwithstanding the foregoing, the participation of the District in the E-Rate Program is not a condition to either party's obligations under this Agreement.

4. Change Orders. Any changes in the WAN Facilities or the WAN Services, or any additional services to be provided by UPN to the District, will be set forth in a change order or other document signed by both the District and UPN.

5. Additional Sites and Upgrades. This Agreement contemplates the possibility of the District adding locations as well as service upgrades during the course of this Agreement. The District seeks to upgrade these services and add these locations on terms similar to those that were the basis of this Agreement. If the District elects to add future sites or upgrade services during the term of this Agreement, they will be noted in an Addendum to this contract. All future sites and upgrades will have a term that is coterminous with the original term selected by the District in Schedule C of this Agreement. The District and UPN shall work together to agree on a payment schedule for the additional locations and/or upgrades and these terms will be codified in the subsequent Addendum.

6. Delivery and Installation. UPN will deliver, install, configure, and maintain the WAN Facilities, and the parties agree to coordinate and cooperate to schedule, facilitate, and carry out all delivery, installation, configuration, and maintenance activities. Without limiting the generality of the foregoing, the parties agree as follows:

(a) Staging, Storage, and Access. During the installation of the WAN Facilities, the District agrees to provide UPN with (i) suitable staging and storage areas at District facilities for relevant equipment, materials, and components and (ii) such access to District facilities as may be necessary to efficiently carry-out the installation, as reasonably determined by UPN, provided that such access must be scheduled with the District in advance and, unless otherwise agreed by the District, must occur between 7:00 a.m. and 10:00 p.m. Monday through Saturday, excluding national holidays. District personnel may accompany UPN personnel during any installation work at any District facility.

(b) Substitute Materials. In the event that any materials or components of or relating to the WAN Facilities are not available for timely delivery and installation, UPN may substitute materials or components of equivalent or superior functionality and performance.

Initial _____

(c) Site Preparation. Prior to the installation of WAN Facilities, the District will clean and otherwise prepare all installation sites, and will continue to maintain those sites (but not, for clarity, the WAN Facilities) following such installation.

(d) Debris Removal. UPN will remove from installation sites all debris resulting from the installation of WAN Facilities, including as appropriate by moving such debris to trash receptacles maintained by the District. The District will be responsible for trash removal from such receptacles.

(e) Landscaping. UPN will restore all landscaping disturbed the UPN's installation, maintenance, or removal activities. The District will be responsible for landscape watering, including at restored landscaping sites.

(f) Non-WAN Facilities. The District is responsible for the installation, configuration, and maintenance of all facilities and components that are not WAN Facilities. At the District's request, UPN may install, configure, and maintain such facilities and components, subject to UPN's standard charges, terms, and conditions.

(g) Special Needs. If additional labor or materials are needed to install or maintain the WAN Facilities due to unusual site requirements or other special needs or characteristics of the District or its facilities, as reasonably determined by UPN and agreed to by the District, the District will reimburse UPN for any corresponding extra costs incurred by UPN to address those requirements, needs, or characteristics.

(h) Planning. Appropriate representatives of UPN and the District will meet approximately one month prior to the installation of the WAN Facilities, and otherwise as necessary, to formulate and finalize the installation methodology and configuration design for the WAN Facilities. The parties agree to work cooperatively and reasonably in this process.

(i) Deviations. If, prior to or during the installation process, UPN, in its reasonable judgment, deems it necessary or prudent to deviate from the final installation methodology and design in a material way, it will present such deviation to the District for its approval, which the District may not unreasonably withhold or delay; provided, however, that UPN reserves the right to make, without such approval, changes in fiber routing, conversion from underground to overhead configuration to avoid obstructions, and other immaterial modifications to the final installation methodology and design.

(j) Timeline. UPN and the District agree to the installation and configuration timeline set forth in Schedule B attached hereto. The District agrees to all reasonable extensions of the installation timeline necessitated by the actions or inactions of the District or otherwise resulting from circumstances beyond UPN's control.

(k) Maintenance. UPN is responsible for maintaining the WAN Facilities. The District agrees to provide UPN with such access to its facilities as may be necessary to efficiently carry out its maintenance activities, as reasonably determined by UPN,

Initial _____

provided that, when practicable, (i) such access must be scheduled with the District in advance and (ii) unless otherwise agreed by the District, must occur between 7:00 a.m. and 10:00 p.m. Monday through Saturday, excluding national holidays. District personnel may accompany UPN personnel during any maintenance work at any District facility.

(l) Manuals. Where relevant, UPN will furnish to the District with applicable manuals and instruction documentation provided by manufacturers and vendors.

(m) Service Commencement Letter. Upon completion of the installation, the Customer will receive a Service Commencement Letter from UPN that states the fiber has been tested and is operational. This letter serves as a final confirmation of completed services.

7. Fees and Payment. The District will pay for the leased WAN Facilities and the WAN Services in the amounts set forth on Schedule C attached hereto, and otherwise in accordance with Schedule C and this Section 7.

(a) Partial Fees. In the event that any fees are payable on a monthly basis (or otherwise on a regular schedule), the fee for any partial month (or other relevant period) will be pro-rated accordingly.

(b) Due Dates and Late Payment Charges. All fees will be paid no later than thirty (30) days following the payment date specified on Schedule C, or if Schedule C does not specify a payment date, then no later than thirty (30) days following the receipt by the District of an invoice from UPN. If any part of a lease payment or other payment obligation of District is more than thirty (30) days past due, such amount shall accrue interest from the date such payment is due until paid, including accrued interest compounded monthly, at a rate equal to one and one half percent (1.5%) per month on the outstanding balance (18% per annum) or (ii) if less, the maximum late payment charge permissible under applicable law. District understands that the Term of this Agreement is non-cancelable, and, therefore, District's obligation to make lease payments continues throughout the Term, regardless of District's actual usage of the WAN.

(c) Changes in WAN Facilities and WAN Services. If, pursuant to Section 4 above, the WAN Facilities or WAN Services are changed, or UPN provides any additional services to the District, the parties, acting reasonably, will agree on an appropriate adjustment or supplement to the fees set forth on Schedule C.

(d) Taxes and Additional Charges. All applicable taxes and fees including, but not limited to, federal, state, local use, excise, gross receipts, sales or privilege taxes, occupation taxes, duties, regulatory fees, or similar liabilities charged to or against UPN or the District because of the services furnished by UPN shall be assessed to and paid by the District. The District shall be required to provide documentation evidencing its exemption from any such taxes or fees.

Initial 
(e) Billing Method. Until the District receives its FCDL, UPN will invoice under the Billed Entity Applicant Reimbursement Method ("BEAR Method") (the total amount before applying the District's USAC discount). Upon the District's receipt and notification to UPN of the issuance of its FCDL, UPN will send a Billing Method Option letter included with the District's billing statement that will allow the District to choose its preferred method of billing. If the District fails to return the Billing Method Option letter, UPN will continue to bill the District under the BEAR Method.

8. District Agreements and Acknowledgements. The District agrees as follows:

(a) Adequacy of WAN Services. The District acknowledges that the WAN Facilities and the WAN Services, as described in Schedule A, meet the District's requirements.

(b) Security. The District is solely responsible for providing security services in respect of the WAN Facilities located at or on District facilities or properties. The District will provide such security services in a commercially reasonable manner, in light of all security considerations applicable to the relevant facility or property.

(c) Compliance with Law. UPN and District agree that UPN's WAN shall not be used in a manner that could be construed as a violation of this Agreement, or any laws, regulations, orders, and/or rules of any governmental authority having jurisdiction. District and UPN agree to take all reasonable actions as may be appropriate to comply with all laws, regulations, orders and/or rules, that may be applicable to them jointly or severally by reason of the transactions contemplated in this Agreement.

(d) District Personnel. The District will ensure that its personnel and contractors, at all times, (i) are educated and trained in the proper use and operation of the WAN Facilities for the WAN Services (ii) follow applicable operations and instruction manuals.

(e) Electrical Circuits and Energy. The District will provide all electrical circuits and all electrical energy required for the installation and operation of the WAN Facilities.

(f) Authority; Non-Violation. The District represents and warrants that (i) this Agreement has been duly authorized, executed, an delivered by the District, and (ii) the execution, delivery, and performance of this Agreement do not and will not conflict with, breach, or otherwise violate any of the organizational or governing documents of the District or any agreement or instrument to which the District is a party or by which the District is bound.

(g) Insurance. The District will procure and maintain insurance policies covering all loss and damage in respect of the WAN Facilities located at facilities under the District's control, including without limitation all materials and components located at District facilities prior to, during, or after the installation process, with appropriate

Initial _____

coverage limits and other terms and conditions. The District will cause such insurance policies (i) to name UPN as an additional insured, (ii) to be endorsed to require at least 30 days' notice to UPN prior to the effective date of any termination or cancellation of coverage, and (iii) to provide that in the event of any payment of any loss or damage thereunder, the insurers will have no rights of recovery against UPN. Upon request by UPN, the District agrees to provide proof of insurance meeting the requirements of this Section 8(g).

(h) Intrastate Traffic. The District acknowledges and certifies that for the duration of this Agreement Term, the interstate traffic (including Internet and international traffic) will constitute ten percent (10%) or less of the total traffic on the fiber network that has been provided by UPN.

9. UPN Warranties and Disclaimers. Subject in all cases to Section 17(i) below, UPN agrees as follows:

(a) Compliance with Law. UPN represents and warrants that it will comply with all applicable laws in installing the WAN Facilities and providing the WAN Services.

(b) Authority; Non-Violation. (c) Non-WAN Facilities and Services. UPN makes no representation or warranty whatsoever regarding facilities and components that are not WAN Facilities, or regarding services that are not WAN Services. At the District's request, UPN agrees to work on behalf of the District to resolve warranty claims and other problems regarding such facilities and services, for a reasonable fee.

(d) WAN Facility Testing. UPN will verify in writing that all WAN Facilities are in good working order at the time of initial installation.

(e) Disclaimer. UPN MAKES NO REPRESENTATION OR WARRANTY EITHER EXPRESSED OR IMPLIED REGARDING THE WAN, SERVICES OR SYSTEM EQUIPMENT, AND SPECIFICALLY DISCLAIMS ANY WARRANTY, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTIBILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE, AND ASSUMES NO OBLIGATION WITH RESPECT TO THE ENFORCEMENT OF ANY MANUFACTURER'S WARRANTIES AND GUARANTEES. No defect, unfitness, or other condition of system equipment or services shall relieve District of the obligation to pay any charges hereunder or perform any other obligations under this Agreement.

10. Alterations and Attachments. The District may not make any alterations or attachments to the WAN Facilities without UPN's prior written consent. Unless agreed to in writing by UPN, UPN has no maintenance or other obligations whatsoever with respect to any alterations or attachments made to the WAN Facilities by the District. If UPN provides any maintenance or other services in respect of any such alterations or attachments, UPN will provide such services subject to its standard charges, terms, and conditions. UPN is not responsible for any malfunction, non-performance, or performances degradation of the WAN Facilities, or any inability of UPN to satisfy its obligations under this Agreement, caused by, or resulting directly or indirectly from, any alteration or attachment made to the WAN Facilities by the District, or any other action by the District. The District is solely responsible for, and agrees to indemnify UPN against, all claims and damages caused by, or resulting directly or indirectly from, any alteration or attachment made to the WAN Facilities by the District.

11. Termination. Either party may terminate this Agreement for cause by giving written notice to the other party, and this Agreement will be terminated immediately upon such notice, as follows:

(a) By UPN. As it relates to termination by UPN, "for cause" means (i) the District's failure or refusal to make any payment due to UPN hereunder within 10 days after the District receives written notice from UPN of such failure or refusal, (ii) the District's continuing failure or refusal to perform any other material obligation under this Agreement, subject to a reasonable cure period, or (iii) willful misconduct, embezzlement, or other illegal or unethical acts by the District.

(b) By the District. As it relates to termination by the District, "for cause" means (i) UPN's continuing failure or refusal to perform any material obligation under this Agreement, subject to a reasonable cure period or (ii) willful misconduct, embezzlement, or other illegal or unethical acts by UPN.

Notwithstanding any other provision herein, this contract shall terminate absolutely on behalf of the District at the close of each fiscal year in which it was executed or renewed by mutual ratification pursuant to 70 Oklahoma Statutes § 5-117(B). If the District does not intend to ratify this Agreement, the District shall provide thirty (30) days written notice to UPN prior to the end of each such fiscal year.

This contract shall be deemed to obligate the District for the sums payable during the fiscal year of execution and during the fiscal years renewed by mutual ratification.

For clarity, upon the termination of this Agreement for cause by UPN under Section 11(a) above, UPN will be entitled to recover as damages all fees that would have been payable to UPN under this Agreement for its full term (i.e., assuming this Agreement had not been terminated early).

12. Effect of Termination or Expiration Upon the termination or expiration of this Agreement, UPN will have the right to remove any WAN Facilities located at facilities under the District's control, and the parties agree to cooperate in effecting any such removal by UPN, as UPN may reasonably direct.

Each party agrees that it will not at any time, in any manner whatsoever, whether directly or indirectly, disclose to any person or entity, or use, any confidential information of the other party, except as required by law or as necessary for the performance or enforcement of this Agreement. For purposes of this Agreement, the term "confidential information" means all non-public and proprietary information of or concerning one party that is disclosed or made available to the other party (including its employees or other representatives), including, without limitation, the terms of and prices under this Agreement and any non-public information concerning a party's business, operations, plans, processes, products (including related manuals and support materials), systems, marketing information, diagnostics, specifications, know-how, personnel, patrons, students, or data of any kind. Each party will ensure that its employees and other representatives comply with the confidentiality obligations under this Agreement. Each party agrees that it will not copy the confidential information of the other party other than on an "as necessary" basis in connection with the performance or enforcement of this Agreement. Upon the request of other party, or upon the termination or expiration of this Agreement, each party agrees to return or destroy any confidential information of the other party in its possession. The parties acknowledge that remedies at law may be inadequate to protect against any actual or threatened breach of the confidentiality obligations under this Agreement, and, without prejudice to any other rights and remedies otherwise available, agree to the granting of injunctive relief without proof of actual damages. The parties agree that this Section 13 will survive the termination or expiration of this Agreement.

14. Independent Contractor Status. In the performance of its duties under this Agreement, UPN occupies the position of an independent contractor with respect to the District. Nothing contained herein may be construed as making the parties hereto partners or joint venturers, or creating a principal and agent relationship. (k) Delivery by Facsimile Transmission. This Agreement may be delivered by facsimile transmission of signed signature pages, with executed originals to follow by overnight courier or certified mail (return receipt requested).

(l) Severability. In the event that any term or provision of this Agreement is held invalid or unenforceable by any court having jurisdiction over this Agreement (i) the subject-matter or portion(s) of the Agreement ruled invalid or unenforceable and all necessarily-related provisions shall be addressed by the parties via an amendment ("Amendment") that shall substitute valid and enforceable provisions; and (ii) it will not

affect the validity or enforceability of the remaining terms and provisions of this Agreement not otherwise addressed within the Amendment. In the event the parties cannot reach a mutually acceptable Amendment within 30 days of the final ruling of the highest court to which the matter is taken, the Agreement shall terminate retroactively as of the date of the last court's decision or as otherwise directed by the court.

(m) Waiver of Jury Trial. Each party waives trial by jury with respect to any dispute regarding or arising under this Agreement.

All future sites and upgrades will have a term that is coterminous with the original term selected by the District in Schedule C of this Agreement..."

As such, the parties wish to add the following information to Schedules A through C of the Agreement:

LEASE

THIS LEASE made and entered into effective August 29, 2018 by and between PETER DEMPSEY, hereinafter referred to as "LESSOR" and Independent School District No. 8, Comanche County, Oklahoma, also known as Lawton Public Schools, hereinafter referred to as "LESSEE" or "LPS": 6-27-19

For and in consideration of the mutual covenants and promises hereinafter set forth, the parties agree as follows:

1. Lease. LESSOR hereby leases to LESSEE the motor vehicle owned by LESSOR described as:

2018 DODGE RAM PICK-UP VIN: 3C6UR5CL1JG276430

This lease shall be in effect only during such periods of time that LESSOR is using this motor vehicle within the scope of employment in the performance of duties as a vocational agricultural instructor for the Lawton Public Schools "LPS". LPS has determined that the leasing of LESSOR's motor vehicle during the time specified above is the most appropriate way to provide LESSOR with the motor vehicle needed to perform duties for LPS.

2. Term of Lease. The initial term of this lease will be from August 29, 2018 through June 30, 2019. This lease may be renewed for successive periods of one (1) year each at the option of LESSEE. LESSEE shall notify LESSOR in writing by July 1, of each succeeding year that said option has been exercised. In the event no notice is given this agreement shall continue on a month to month basis until LESSEE notifies LESSOR that lease is terminated.

TERMS AND CONDITIONS FOR SERVICE

1. **Payment**
   a) Nonrecurring charges, including any agreed upon installation or construction costs, will be invoiced on the first billing cycle. Recurring charges shall be due within thirty (30) days of the date of the invoice; billing shall commence upon installation. Any amount not received by the due date shown on invoicing will be subject to Fidelity's standard late charge of $9.50 per month.
   b) Customer agrees to pay any sales, use, gross receipts, excise, access, bypass or other local, state, and Federal Taxes or charges, imposed on or based upon the provision, sales or use of the Services provided. Taxes will be separately stated on Customer's invoice.
   c) Fidelity reserves the right to modify the services and rates set forth herein. In the event any such modification has a materially adverse impact upon Customer, and Fidelity does not effect revisions that remedy such impact within 30 days after written notice from Customer, then Customer may, as its sole remedy, terminate the affected service(s) without any early termination liability provided that Customer serves a written notice of termination on Fidelity not more than 90 days following the date Fidelity implemented the modification.
   d) To dispute a charge on an invoice, Customer must, within thirty (30) days after the date of the invoice, provide to Fidelity a full written explanation of the basis for the dispute. Charges not disputed within such thirty (30) day period shall be deemed conclusively correct and binding upon Customer. Notwithstanding the foregoing, Customer shall not withhold payment of a charge subject to a good faith dispute unless: (a) Customer submits the billing dispute within thirty (30) days after the date of the invoice; (b) Customer timely pays the undisputed portion of all charges; and (c) Customer cooperates with Fidelity's efforts to investigate and resolve the dispute. If Fidelity determines a disputed charge was billed in error, Fidelity shall issue a credit to reverse the amount incorrectly billed. If Fidelity determines a disputed charge was billed correctly, payment shall be due from Customer upon the earlier of the due date of Customer's next invoice from Fidelity or within five (5) days after Fidelity advises Customer such disputed amounts are correct and valid.

2. **Use**
   Customer may use the Service for any lawful purpose for which it is intended, provided that Customer will not use the Service so as to interfere with or impair service or over any of the facilities and associated equipment comprising the Fidelity fiber optic cable network and associated equipment, or to impair the privacy of any communications over the fiber optic facilities and associated equipment of Fidelity. Customer agrees to abide by Fidelity's Acceptable Use Policy as updated from time to time, a copy of which is available at http://www.fidelitycommunications.com/legal/aup.
   Customer is expressly prohibited from any resale or subdistribution of the Service(s), in whole or in part, to any third party. Such prohibition includes without limitation granting any third access to the Services, or using the Services to provide other services similar to or in competition with Fidelity.

3. **Service Date: Term**
   a) Fidelity shall use reasonable effort to make Services available by estimated service date. Fidelity shall not be liable for any damages whatsoever resulting from delays in meeting any Service dates due to delays resulting from normal construction procedures. Such delays shall include, but not be limited to, delays in obtaining right-of-way approvals, and delays in actual construction work. If Customer is not ready to accept Fidelity's Services 30 days after the specified service date, Fidelity shall commence billing.
   b) After the term of this contract, if Customer has not given Fidelity 90 day's prior written notice of intent to disconnect, the Contract will be renewed on a month-to-month basis, and Customer or Fidelity may then disconnect upon 30 days written notice.

4. **Customer Responsibilities**
   a) Access - Customer is responsible for arranging access to any of the rights of way, conduit and equipment space necessary to provide Service on the premises so that Fidelity authorized personnel, employees, or agents may install, repair, maintain, inspect, replace or remove any and all facilities and associated equipment provided by Fidelity. Fidelity shall also have the right to obtain access to its cable installed in Customer-provided conduit (if necessary) at any splice or junction box.
   b) Provision of Customer Premises Equipment Space, Conduit, and Electrical Power – Customer shall provide the necessary customer's premise equipment space, conduit, and electrical power required to terminate and maintain the facilities used to provide Service on all applicable premises without charge or cost to Fidelity. The space, conduit, and power must be made available to Fidelity on a timely basis. Customer shall be responsible for ensuring that the equipment space and associated facilities, conduit and right of way which it is providing are a safe place to work and are protected against fire, theft, vandalism or other casualty and the use thereof complies with all applicable laws, rules and regulations and with all applicable leases or other contractual agreements.

g) No Special Damages; Overall Cap on Liability – In no event shall Fidelity be liable for special, consequential, exemplary, or punitive damages as a result of its performance or nonperformance of this Contract. Fidelity's liability under any circumstances is limited to the current month's service charge.

In such case, Customer shall pay to Fidelity all charges for Facilities provided (without the right of set-off against non-refundable charges) through the effective date of such cancellation plus a cancellation charge equal to 100% of the remaining contract term.

9. Indemnification

Fidelity and its subsidiaries, affiliates, directors, officers, shareholders, employees, representatives, agents, attorneys, successors and assigns shall be indemnified, defended and held harmless by Customer against all claims, suits, proceedings expenses, losses, liabilities, or damages (collectively "Claim") arising from the use of Service pursuant to this Contract, including without limitation: a) Claims of third parties, including patrons or customers of Customer, arising out of, resulting from, or related to the Service, b) Claims for libel, slander, invasion of privacy, or infringement of copyright arising from any communication using the Service, c) All other claims arising out of any act or omission of Customer, or customers or patrons of Customer, in connection with Services made available to Customer under the terms of this Contract. Customer agrees to defend Fidelity against any such claim and to pay, without limitation, all litigation costs, reasonable attorney fees and court costs, settlement payments, and any damaged awarded or resulting from any such claim.

10. Assignment

Neither party may assign or otherwise transfer this agreement, or any of its rights or obligations hereunder, without the prior written consent of the other party, such consent not to be unreasonably withheld; provided, however: (i) Fidelity may delegate its obligations under this agreement to its affiliates and subcontractors; and (ii) either party may assign this agreement to a successor in interest in connection with its merger, acquisition, corporate reorganization, or sale or transfer of all or substantially all of its business or assets to which this Contract relates. Any attempted assignment or transfer in violation of the foregoing shall be null and void from the beginning and of no effect.

11. Warranties

There are no agreements, warranties, or representation, expressed or implied whether in fact or by operation of law, statutory or otherwise, including warranties or merchantability and fitness for a particular purpose or use, except those expressly set forth herein.

12. Miscellaneous

This contract may be modified, waived or amended only by a written instrument signed by the party against which enforcement thereof is sought, shall be binding upon parties' respective successors and assigns and constitutes the entire agreement between Fidelity and Customer.

14. Jurisdiction

The rights and obligations of the parties under this Contract shall be governed by and construed and enforced in accordance with the laws of the State of Missouri.

15. Chronic Outage

As its sole remedy, Customer may elect to terminate a Service prior to the end of the Service Term without termination liability if, for reasons other than an Excused Outage, such Service experiences an Outage on three (3) or more separate occasions of more than twelve (12) hours each in any calendar month OR for more than twenty-four (24) hours in the aggregate in any calendar month. An "Outage" exists if the primary port is completely unable to send or receive traffic. An outage is an "Excused Outage" to the extent attributable, in whole or in part, to Customer's or a third party's acts or omissions, scheduled maintenance, a force majeure event or any other event beyond the control of Fidelity. The termination right must be exercised within 30 days of the events giving rise to it.

16. Counterparts; Facsimile

THIS LEASE is granted subject to the following conditions:

1. **TERM**

3. **NOTICES**

All correspondence and notices to be given pursuant to this Lease shall be addressed, if to the Lessee, to **Superintendant of Schools, Lawton Public School, P.O. Box 1009, Lawton, OK 73502-1009**; and, if to the United States, to the **District Engineer, Attention: Chief, Real Estate Division, Tulsa District U.S. Army Corps of Engineers, 1645 South 101st East Avenue, Tulsa, OK 74128**, or as may from time to time otherwise be directed by the parties. 4. AUTHORIZED REPRESENTATIVES

Except as otherwise specifically provided, any reference herein to "Secretary", "District Engineer", or "Said Officer" shall include their duly authorized representatives. Any reference to "Lessee" shall include any sublessee, assignees, transferees, successors and their duly authorized representatives.

5. SUPERVISION BY THE INSTALLATION COMMANDER

The use and occupation of the premises shall be subject to the general supervision and approval of the District Engineer, Tulsa District, hereinafter referred to as Said Officer, and to such rules and regulations as may be prescribed from time to time by Said Officer.

6. APPLICABLE LAWS AND REGULATIONS

The Lessee and sublessees shall comply with all applicable Federal, state, and local laws, regulations, and standards that are or may become applicable to the Lessee's or sublessee's activities on the Leased Premises.

7. CONDITION OF PREMISES

The Lessee acknowledges that it has inspected the premises, knows its condition, and understands that the same is leased without any representations or warranties whatsoever and without obligation on the part of the United States to make any alterations, repairs, or additions thereto.

8. TRANSFERS, ASSIGNMENTS, SUBLEASES

The Lessee shall neither transfer nor assign this Lease or any interest therein or any property on the leased premises, nor sublet the leased premises or any part thereof or any property thereon, nor grant any interest, privilege or license whatsoever in connection with this Lease without prior written consent of the Government, such consent shall not be unreasonably withheld or delayed. Failure to comply with this condition shall constitute a noncompliance for which the Lease may be revoked immediately by Said Officer.

9. COST OF UTILITIES

The Lessee shall pay the cost, as determined by the officer having jurisdiction over the premises, of producing and/or supplying any utilities and other services furnished by the government or through government-owned facilities for the use of the Lessee, including the Lessee's proportionate share of the cost of operation and maintenance of the government-owned facilities by which such utilities or services are produced or supplied. The government shall be under no obligation to furnish utilities or services. Payment shall be made in the manner prescribed by the officer having such jurisdiction.

10. PROTECTION OF PROPERTY

The Lessee shall keep the premises in good order and in a clean, safe condition by and at the expense of the Lessee. The Lessee shall be responsible for any damage that may be caused to property of the United States by the activities of the Lessee under this Lease, and

shall exercise due diligence in the protection of all property located on the premises against fire or damage from any and all other causes. Any property of the United States damaged or destroyed by the Lessee incident to the exercise of the privileges herein granted shall be promptly repaired or replaced by the Lessee to a condition satisfactory to Said Officer, or at the election of Said Officer, reimbursement made therefore by the Lessee in an amount necessary to restore or replace the property to a condition satisfactory to Said Officer.

11. INSURANCE

a. At the commencement of this Lease, the Lessee shall obtain, from a reputable insurance company, or companies, liability insurance. The insurance shall provide an amount not less than that which is prudent, reasonable and consistent with sound business practices or a minimum combined single limit of $1,000,000, whichever is the greater, for any number of persons resulting from any one incident with respect to bodily injuries or death resulting therefrom, property damage, or both, suffered or alleged to have suffered by a person or persons resulting from operations of the Lessee under the terms of this Lease. The Lessee shall require its insurance company to furnish to the District Engineer a copy of the policy or policies, or if acceptable to the District Engineer, certificates of insurance evidencing the purchase of such insurance. The minimum amount of liability insurance coverage is subject to revision by the District Engineer every three years or upon renewal or modification of this Lease.

b. The insurance policy or policies shall be of comprehensive form of contract and shall specifically provide protection appropriate for the types of facilities, services, and activities involved. The Lessee shall require that the insurance company give the District Engineer thirty (30) days written notice of any cancellation or change in such insurance. The District Engineer may require closure of any or all of the premises during any period for which the Lessee does not have the required insurance coverage.

12. RIGHT TO ENTER

The right is reserved to the United States, its officers, agents, and employees to enter upon the premises at any time and for any purpose necessary or convenient in connection with government purposes to make inspections; to remove timber or other material, except property of the Lessee or to make any other use of the lands as may be necessary in connection with government purposes. The Lessee shall have no claim for damages on account thereof against the United States or any officer, agent, or employee thereof. The Government's rights under this Lease specifically include the right for Government officials to inspect, upon reasonable notice, the Leased Premises for compliance with environmental, safety, and occupational health laws and regulations, whether or not the Government is responsible for enforcing them. Such inspections are without prejudice to the right of duly constituted enforcement officials to make such inspections. The Government normally will give the Lessee or sublessee twenty-four (24) hours prior notice of its intention to enter the Leased Premises unless it determines the entry is required for safety, environmental, operations, or security purposes. The Lessee shall have no claim on account of any entries against the United States or any officer, agent, employee, or contractor thereof.

13. RESTORATION

On or before the expiration of this Lease or its termination by the Lessee, the Lessee shall vacate the premises, remove the property of the Lessee, and restore the premises to a

condition satisfactory to Said Officer. If, however, this Lease is revoked, the Lessee shall vacate the premises, remove said property and restore the premises to the aforesaid condition within such time as the Said Officer may designate or as otherwise specified by the provisions of the condition on **RENTAL ADJUSTMENT**. In either event, if the Lessee shall fail or neglect to remove said property and restore the premises, then, at the option of the Said Officer, the property shall either become the property of the United States without compensation therefore, or the Said Officer may cause the property to be removed and no claim for damages against the United States or its officers or agents shall be created by or made on account of such removal and restoration work. The Lessee shall also pay the United States on demand any sum which may be expended by the United States after the expiration, revocation, or termination of this Lease in restoring the premises.

14. NON-DISCRIMINATION

The Lessee shall not discriminate against any person or persons or exclude them from participation in the Lessee's operations, programs or activities conducted on the leased premises, because of race, color, religion, sex, age, handicap or national origin. The Lessee will comply with the Americans with Disabilities Act and attendant Americans with Disabilities Act Accessibility Guidelines (ADAAG) published by the Architectural and Transportation Barriers Compliance Board.

15. SUBJECT TO EASEMENTS

This Lease is subject to all existing easements, or those subsequently granted, as well as established access routes for roadways and utilities located, or to be located, on the premises, provided that the proposed grant of any new easement or route will be coordinated with the Lessee, and easements will not be granted which will, in the opinion of the District Engineer, interfere with the use of the premises by the Lessee.

16. SUBJECT TO MINERAL INTERESTS

This Lease is subject to all outstanding mineral interests. As to Federally-owned mineral interests, it is understood that they may be included in present or future mineral leases issued by the Bureau of Land Management (BLM) which has responsibility for mineral development on Federal lands. The Secretary will provide lease stipulations to BLM for inclusion in said mineral leases that are designed to protect the premises from activities that would interfere with the Lessee's operations or would be contrary to local law.

17. TERMINATION

This Lease may be terminated by the Lessee at any time by giving the District Engineer at least thirty (30) days notice in writing provided that no refund by the United States of any rental previously paid shall be made, and provided further, that in the event that said notice is not given at least thirty (30) days prior to the rental due date, the Lessee shall be required to pay the rental for the period shown in the condition on **CONSIDERATION**.

18. RENTAL ADJUSTMENT

In the event the United States revokes this Lease or in any other manner materially reduces the leased area or materially affects its use by the Lessee prior to the expiration date,

an equitable adjustment will be made in the rental paid or to be paid under this Lease. Such adjustment of rental shall be evidenced by a supplemental agreement in writing; **PROVIDED** however, that none of the provisions of this paragraph shall apply in the event of revocation because of noncompliance by the Lessee with any of the terms and conditions of this Lease.

19. PROHIBITED USES

a. The Lessee shall not permit gambling on the premises or install or operate, or permit to be installed or operated thereon, any device which is illegal, or use the premises or permit them to be used for any illegal business or purpose. There shall not be conducted on or permitted upon the premises any activity which would constitute a nuisance.

b. The Lessee shall not construct or place any structure, improvement, or advertising sign or allow to permit such construction or placement without prior written approval of the District Engineer.

20. NATURAL RESOURCES

The Lessee shall cut no timber, conduct no mining operations, remove no sand, gravel, or kindred substances from the ground, commit no waste of any kind, nor in any manner substantially change the contour or condition of the premises, except as may be authorized in writing by the District Engineer.

21. DISPUTES CLAUSE

a. Except as provided in the Contract Disputes Act of 1978 (41 U.S.C. 601-613) (the Act), all disputes arising under or relating to this Lease shall be resolved under this clause and the provisions of the Act.

b. "Claim", as used in this clause, means a written demand or written assertion by the Lessee seeking, as a matter of right, the payment of money in a sum certain, the adjustment of interpretation of lease terms, or other relief arising under or relating to this Lease. A claim arising under this Lease, unlike a claim relating to this Lease, is a claim that can be resolved under a lease clause that provides for the relief sought by the Lessee. However, a written demand or written assertion by the Lessee seeking the payment of money exceeding $100,000 is not a claim under the Act until certified as required by subparagraph c.(2) below. The routine request for rental payments that is not in dispute is not a claim under the Act. The request may be converted to a claim under the Act, by this clause, if it is disputed either as a liability or amount or is not acted upon in a reasonable time.

c. (1) A Claim by the Lessee shall be made in writing and submitted to the District Engineer for a written decision. A claim by the Government against the Lessee shall be subject to a written decision by the District Engineer.

(2) For Lessee claims exceeding $100,000, the Lessee shall submit with the claim a certification that--

(i) the claim is made in good faith; and

(ii) supporting data are accurate and complete to the best of the Lessee's

knowledge and belief;

(iii) and the amount requested accurately reflects the lease adjustment for which the Lessee believes the Government is liable.

(3) If the Lessee is an individual, the certificate shall be executed by that individual. If the Lessee is not an individual, the certification shall be executed by --

(i) a senior company official in charge of the Lessee's location involved; or

(ii) an officer or general partner of the Lessee having overall responsibility of the conduct of the Lessee's affairs.

d. For Lessee claims of $100,000 or less, the District Engineer must, if requested in writing by the Lessee, render a decision within 60 days of the request. 27. COVENANT AGAINST CONTINGENT FEES

The Lessee warrants that no person or selling agency has been employed or retained to solicit or secure this Lease upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or established commercial or selling agencies maintained by the Lessee for the purpose of securing business. For breach or violation of this warranty, the United States shall have the right to annul this Lease without liability or, in its discretion, to require the Lessee to pay, in addition to the Lease rental or consideration, the full amount of such commission, percentage, brokerage, or contingent fee.

28. OFFICIALS NOT TO BENEFIT

No member of or delegate to congress or resident commissioner shall be admitted to any share or part of this Lease or to any benefits to arise therefrom. However, nothing herein contained shall be construed to extend to any incorporated company if this Lease is for the general benefit of such corporation or company.

NOTES and Other Order Details (Porting existing phone number, non-US DIDs, special Routing, etc)

Customer Initials:

Summary of Terms and Conditions of Service

1. Acceptable Use: Service is provided to Customer as a "normal" business user. Customer agrees this order does not confer the right to use the Service for auto-dialing, continuous or extensive call forwarding, inbound or outbound telemarketing, or fax broadcasting. iNET reserves the right to terminate Service with ten (10) day notice or to invoice Customer at the applicable per minute rate for all inbound or outbound calls in excess of 5,000 minutes per month per extension or DID if iNET determines, in its sole discretion, that the Service is being used for any of these purposes.

2. Order and Invoicing of Service: The start date for billing is the date on which the customer orders iNET's service. Usage charges and any equipment and other nonrecurring charges, such as installation charges are billed in arrears. Fixed monthly recurring charges are billed in advance. Any applicable taxes and surcharges will be included on each invoice. Customer will be invoiced every calendar month by email and will pay within fifteen (15) days of receipt of invoice.

3. Installation and Initial Troubleshooting of Service: If Customer wishes iNET personnel to assist with and/or monitor installation of Service; this must be scheduled at least seventy-two (72) hours in advance. If iNET personnel are enlisted to help debug, configure or otherwise assist Customer with the setup or functioning of any hardware, network and/or software other than iNET's Service applications beyond one hour, Customer agrees to pay iNET at the rate of $125 per hour for such assistance, billed to the nearest half hour.

4. Ongoing Support of Service: Standard response time for trouble support requests is four (4) hours during weekdays from 7AM to 10PM, US Eastern time, and six (6) hours during other times. Standard response time for adding, disconnecting or reconfiguring services is twentyfour (24) hours during weekdays and forty-eight (48) hours during weekends. iNET will use best efforts to shorten response times in the event of an outage or serious service disruption caused by fault in iNET's services, but cannot guarantee to do so. If iNET personnel are enlisted to help debug, configure or otherwise assist Customer with the setup or functioning of any hardware, network and/or software other than iNET's Service applications, Customer agrees to pay iNET at the rate of $125 per hour for such assistance, billed to the nearest half hour.

5. Customer Obligations: A late payment charge of 1.5% per month, if allowed by law, may be assessed on amounts not paid in a timely manner. iNET reserves the right to interrupt service to customer for non-payment of fees, charges, or taxes after giving one (1) day faxed or emailed notice of said non-payment. Customer shall provide iNET notice of any disputed charges in writing within sixty (60) days after the bill for such charge is rendered. Customer remains financially responsible for all charges incurred until such time as Customer's Service has been disconnected from iNET's network, which will occur only after written notification of the removal request from Customer has been received by iNET. Customer holds iNET harmless and assumes full responsibility for any and all calls, authorized or unauthorized, that are placed or received via customer's telecommunications system. Customer agrees that all calls made to any toll-free number(s) assigned to customer are the responsibility of the customer. No credits will be issued for wrong numbers dialed.

6. iNET Service Level Agreement (SLA): iNET's goal is to make the Services available to Customer at least 99.9% of the time. Customer will receive a credit for Outages totaling over 90 minutes per month. An Outage is defined as an instance in which substantially all Customer locations or end-users are unable to use the services when such an Outage is: a) for more than 15 consecutive minutes, excluding outages relating to iNET's scheduled maintenance and upgrades; and b) is due to the Services substantially not functioning as designed, and not due to some other problem that is not iNET's responsibility, as defined herein. Upon Customer's request, iNET will issue a credit to Customer for Outages occurring during any calendar month that are reported by Customer to iNET and confirmed by iNET. Cumulative Outages of more than 90 minutes in any calendar month will be credited by onethirtieth (1/30) worth of the monthly subscriber fees and usage billed to Customer in the previous calendar month, multiplied by each hour (or portion thereof rounded up to the nearest tenth (1/10) hour) of the cumulative duration of such Outages. For example, if during October cumulative Outages totaled 2 hours and for the month of September Customer was billed $1,000 in Fees + Usage, Customer would receive a credit of 2 x 1/30 x $1,000 = $66.67. The following are exceptions to this SLA, which will prevent Customer from receiving credits in connection with an Outage: a) Circumstances beyond iNET's reasonable control, including, without limitation, acts of any governmental body, war, insurrection, terrorist attack, sabotage, embargo, fire, flood, strike or other labor disturbance; b) Scheduled maintenance or upgrade; c) Internet DNS issues or major, wide-ranging Internet impairment outside of the direct control of iNET; d) Customer's acts or omissions, including without limitation, any negligence, willful misconduct, or use of the iNET Network or iNET services in breach of iNET's Terms and Conditions, whether such acts are performed by Customer or others authorized or permitted by Customer; e) Customer equipment or network problems. Notwithstanding anything in this SLA, the total amount credited to a Customer in connection with Outages in any month will not exceed the total Fees and Usage paid by Customer during that month. Each valid credit will be applied to a Customer invoice within two (2) billing cycles.

7. 911 Emergency Calling Service: Customer understands 911 Dialing is NOT automatic with VoIP service and that it must keep its 911 Address(es) accurate in order for Emergency Personnel to know where Customer locations are. To change an existing 911 address or add a new one, contact Customer Service and confirm with them that the change/add has been done. If the new 911 Dialing Address is not confirmed, Emergency Personnel may not be able to send assistance to the proper address promptly. VoIP service, including 911 Dialing, will not work if there is no electrical power or there is no Internet access. NOTE: 911 can always be called from a traditional landline phone or from a cell (mobile) phone.

8. International Service: Customer understands that he/she has activated telephone lines that may be capable of international calling. Customer understands that in the event that any services and/or customer equipment is tampered with, compromised or lost/stolen, customer agrees to take full responsibility and pay for any and all calls made from Customer's equipment using the iNET network, including international calls, whether authorized or not until such time as iNET is notified of the situation or requested to deactivate the international calling feature on such lines using iNET service. It is customer's sole responsibility to notify iNET of any and all changes in status on lines and/or travel cards. Customer agrees to keep strict security over long distance lines using iNET services and understands any fraudulent use shall be Customer's sole responsibility.

9. Limitations of Liability: Customer acknowledges that iNET shall not be liable for any consequential, indirect, special, incidental or other damages whatsoever arising from any failures, interruptions, delays, errors or deficiencies of services, facilities or equipment provided by iNET pursuant to this Service Order. The liability of iNET for any interruptions, delays, errors or defects in transmission, equipment or services shall be limited to an amount equivalent to the charges assessed by iNET for the period of service during which such problems and/or outages occurred.

10. Fee and Rate Stability: During the period of this Agreement, iNET guarantees that all listed Fees will remain unchanged with the exception of Fees for phone numbers outside of the U.S. and Canada. In addition, iNET guarantees that all per-minute and per-call rates will remain the same for calls terminating or originating to the U.S. and/or Canada, but reserves the right to change rates for calls terminating or originating outside the U.S. and/or Canada on thirty (30) day notice to Customer.

11. Term of Agreement: This Service Agreement shall continue for a period of 36 months from the date of commencement. At the end of the initial term, the Agreement shall continue on a month-to-month basis unless terminated by either Party with thirty (30) day written or emailed notice to the other Party.

12. Revenue Commitment: This Service Agreement is based on a minimum Revenue Commitment of $2,145.55 per month. Customer agrees to pay iNET the greater of their actual charges or the minimum Revenue commitment each month.

13. Suspension or Termination: Customer may terminate this Agreement without liability for a termination penalty if iNET's network quality does not meet industry standards, provided that all of the following conditions are met: (a) iNET's failure to meet industry standards must be attributable to facilities or causes within iNET's reasonable control; (b) iNET is unable to resolve the problem within one (1) week after receipt of notice of problem in writing, and (c) Customer's account balance must be current. If Customer terminates the Agreement for any other reason prior to the expiration of the then current term, Customer understands and agrees that it will be liable to iNET for a termination penalty equal to the monthly revenue commitment multiplied by the number of pro-rated months remaining on the unexpired term and agrees to pay such sum immediately on demand.

This Service Agreement shall be governed, construed and interpreted according to the laws of Georgia. Customer consents to the jurisdiction of the courts in Georgia to adjudicate any claim or action based on this Agreement and expressly waive any right to commence or defend such claim or action in any other jurisdiction.

I accept the terms and conditions on all pages of this Service Agreement. I authorize iNET to provide me with call origination and/or termination services over the Internet utilizing the services ordered by me. I represent that I am authorized to order these services on behalf of this account. I warrant that all information provided herein is correct to the best of my knowledge. I authorize iNET to conduct a routine credit investigation (if deemed necessary) and I understand that any information obtained will be held strictly confidential and remains the property of iNET whether or not credit is extended.

POLICY:
Occasionally, during the course of business employees will incur expenses on behalf of the Company. It shall be the policy of Infinite Campus to reimburse employees for the cost of these expenses if they are properly authorized and documented in accordance with the following procedures:

Auto Expenses:

To receive reimbursement for miles driven on Company business, the employee must complete the mileage portion of the expense form. All mileage for the calendar month must be reported on a single expense report.

Mileage expense shall be reimbursed monthly at current IRS mileage rates.

In the event that multiple vehicles are traveling to the same destination, employees will use all reasonable effort to carpool. If an employee chooses not to carpool, based on personal discretion, Company reserves the right to not reimbursement for miles driven.

Subject: Kollege town sports agreement

Mr. Dees,

The agreement between MacArthur High school Soccer and Kollege Town Sports (owned by Riddell), is a positive arrangement for MHS Soccer student athletes. The discounts on Under Armour products will allow us to save activity fund, and booster club money and this allows us to provide more for our players. There are no negative impacts for our students.

Our students are not required to purchase anything to play soccer. The "must" requirements in this agreement are on team purchases. Footwear is offered in this agreement, but no MHS player is required to purchase or wear Under Armour cleats.

The length of the agreement, 3 years, will help MHS soccer plan our spending over this period of time as we look to future uniform and equipment purchase cycles. If at anytime we need to stop this agreement MHS soccer can, by notifying Kollege Town Sports and paying all outstanding invoices.

All money spent on behalf of MacArthur High School Soccer, either by the booster club, activity funds or LPS, will be credited by Kollege Town Sports, toward earning incentive Retail Dollars that will be spent to benefit our teams at the discretion of our coaches.

Fund raising opportunities in this agreement must be offered by MHS Soccer, but participation is not required.

Having met and worked with the area representative for Kollege Town Sports we feel this will be a great partnership for MacArthur High School's Soccer Teams.

Respectfully,

Marcus Williams

MHS Head Soccer Coach

Definition of Fees:

Document Fees: Fees that Lawton Public Schools establishes for document requests and graduation verifications. These fees are established solely at the discretion of Lawton Public Schools. They are published on the records request landing page that we create for you. They can vary by the type of requester and by document type. EG. You may set your transcript fee for a former student at $5 while a 3rd party requesting a transcript can be charged $10. And you can set different prices for different document types: EG Transcript request can cost $5 and a Graduation Verification can cost $15. Document Fees can be changed at the sole discretion of Lawton Public Schools provided they are submitted in writing. There is no charge for changing these fees.

As a general guideline, the national average that Schools charge former students for Transcripts is $5 and $12 for a 3rd party (College/University/Agency) requesting a transcript or a graduation verification.

Convenience Fee: This is a flat fee that is paid by the requester at the time of the online order, and applies to the entire order regardless of the number of documents requested. NeedMyTranscript retains these fees to cover its expenses. These fees are published on the records request landing page. NeedMyTranscript has 2 tiers of fees based on the type of requester.

1. **Former Students: $2 flat fee**
2. **3rd Parties (Background Check Cos, Colleges, Universities, Trade Schools, Law Firms, Corporate Entities, and Employers): $5.95 flat fee.**

NOTE: Lawton Public Schools retains 100% of the document fees. EG. If you charge $5 per transcript and the former student orders 2 transcripts, the former student will pay a total of $12 = $10 in Document Fees + $2 flat Convenience Fee. Lawton Public Schools will keep $10 Document Fee and NeedMyTranscript keeps the $2 flat Convenience Fee.

Expenses and Disbursements

Lawton Public Schools will incur no expenses for any of the pre-implementation nor ongoing services or technologies as described in this MOU.

NeedMyTranscript will disburse 100% of the document fees collected on behalf of Lawton Public Schools within 20 calendar days following the end of the month. EG. Document fees collected in January will be paid by February 20th.

FAQ

Who is Ohiopyle Prints, Inc?
Ohiopyle Prints, Inc (OP), established in 1981, is the leading manufacturer and supplier of school apparel and accessories to grocery and pharmacy retailers. It is our desire, as well as the desire of many of our grocery and pharmacy partners, to help financially support schools in the neighborhoods in which we work and live. We are proud to say that since our first check was cut we have distributed over 1.5 million dollars to schools across our nation.

Why should I sign this agreement?
A signed licensing agreement helps inform school administrators, faculty, clubs and organizations of the relationship between OP and your school as well as how the program works.

Most colleges have licensing agreements to insure they receive all royalties due on products bearing their Marks and can take action on those who do not have rights to use their Marks. With a signed agreement, we will provide you a listing of the retailers carrying your schools products we manufacture with your Marks in addition to the royalties we pay.

We believe the retail sales of school products will continue to grow and increase your need to have a signed agreement, just like colleges.

How do you determine the royalty payment and how often do you pay?
The royalties are calculated on 7% of the net sales of product bearing your school's name sold to retailers and consumers in your area. We will report and make payment to your school following the end of each quarter.

Does cashing this check obligate our school to anything?
No. You can quit the program at anytime.

What can our school use this money for?
Checks are a general fund and may be used any way your school chooses.

Will our school continue to receive royalty payments from OP if we don't sign an agreement?
Yes, unless we are instructed otherwise, we will continue to sell products using your school name and mascot to local retailers and send a voluntary royalty payment to your school.

Does our school have to do anything once we sign an agreement?
No, OP does everything. We do the selling, manufacturing, shipping, billing and royalty payments.

Does signing an agreement affect our booster clubs?
No, the agreement does not affect or prevent your bookstore or booster clubs from selling or distributing products.

Can our school and booster clubs buy direct from OP?
Yes, we encourage you to order direct from OP where we offer a wide variety of high fashion, high quality proven products. Call 800-365-7365 for information and volume pricing. No royalties are collected or paid on products sold direct to schools and booster clubs.

Are there any liability risks for our school because of a signed agreement with OP?
No, OP assumes all liability for their products that are sold to retailers. OP meets or exceeds all requirements set by the Consumer Products Safety Improvement Act (CPSIA) for Lead, Phthalates and other harmful substances.

What are school MARKS?
"Marks" means all of your school's service Marks, school name, nickname, mascot and related designs, logo graphics and symbols.

Will our school retain the rights to our MARKS if we sign an agreement?
Yes, by signing the agreement you have given OP the permission to use your Marks but have not given us the rights to your Marks.

Can our school terminate the agreement with OP?
Yes, you can terminate this agreement at any time and for any reason. Upon written notification to OP we will discontinue all manufacturing but shall retain the right to sell any remaining inventory.

How do I identify OP products in my local retailers?
Our products are marketed under the trademarked name "My Town Originals®" All of our products are clearly marked with stickers bearing the name My Town Originals® or will have a UPC code starting with 7-49145.

IV. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS:

Federal Executive Order #12549 requires the Oklahoma Federal Surplus Property to screen each Applicant Organization to determine whether the applicant has a right to obtain financial assistance/property in accordance with federal regulations on debarment, suspension, ineligibility and voluntary exclusion. Each applicant organization / covered contractor must also screen each of its covered subcontractors. In this certification "contractor" refers to both contractor and subcontractor; "contract" refers to both contract and subcontract.

By signing and submitting this certification the Applicant Organization accepts the following terms:

1. The certification herein below is a material representation of fact upon which reliance was placed when this contract was entered into. If it is later determined that the Organization rendered an erroneous certification, in addition to other remedies available to the federal government, Oklahoma Federal Surplus Property, the United States General Services Administrator or any other federal department or agency, such entities may pursue available remedies, including suspension and/or debarment.
2. The Organization shall provide immediate written notice to the Agency to which this certification is submitted if at any time the Organization learns that the certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. The words "covered contract," "debarred," "suspended," "ineligible," "participant," "person," "principal," "proposal," and "voluntarily excluded," as used in this certification have meanings based upon material in the Definitions and Coverage sections of federal rules implementing Executive Order 12549.
4. The Organization agrees by submitting this certification that, should eligibility to acquire property be granted, it shall not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by Oklahoma Federal Surplus Property, the United States General Services Administration or any other federal department or agency.
5. The Organization further agrees by submitting this certification that it will include this certification titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion for Covered Contract" without modification, in all covered subcontracts in solicitation for all covered subcontracts.
6. The Organization may rely upon a certification of a potential subcontractor that is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless it knows that the certification is erroneous. An Organization must, at a minimum, obtain certifications from its covered subcontractors upon each subcontract's initiation and upon each renewal.
7. Nothing contained in all the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this certification document. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for contracts authorized under paragraph 4 of these terms, if an Organization in a covered contract knowingly enters into a covered subcontract with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the United States General Services Administration, or any other federal department or agency, as applicable, and/or Oklahoma Federal Surplus Property, such entities may pursue available remedies, including suspension and/or debarment.

Indicate in the appropriate space which statement applies to the covered potential contractor:

☒ The Applicant Organization certifies, by submission of this certification, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this contract by any federal department or agency or by the State of Oklahoma.

☐ The Applicant Organization is unable to certify to one or more of the terms in this certification, and the Applicant Organization has attached hereto, an explanation for each of the above terms to which it is unable to make certification, and hereby certifies that the contents of the attachments is true and correct .

Failure to abide by legally applicable security measures and disclosure restrictions may result in the interruption, suspension and/or termination of the relationship with **AGENCY** for a period of at least five (5) years from the date of the violation. If **AGENCY** becomes aware of a security breach relating to this information, **AGENCY** shall immediately notify the **SCHOOL** and shall fully cooperate with the **SCHOOL**. **AGENCY** shall indemnify **SCHOOL** for any breach of confidentiality by it, its employees, agents and/or subcontractors, and the failure to uphold its responsibilities to protect confidential information.

24. This Agreement constitutes the entire Agreement between the parties and supersedes all prior agreements, arrangements and understandings relating to the subject matters hereof. Any modifications hereto shall be valid only if set forth in writing and signed by all parties hereto. AGREEMENT

THIS AGREEMENT, made and entered into effective the 1st day of July, 2019, by and between Independent School District No. 8, Comanche County, Oklahoma, hereinafter referred to as "District" and Playcare, Inc., hereinafter referred to as "Playcare,"

WITNESSETH:

WHEREAS, Playcare is a nationally accredited, three star child care facility.

WHEREAS, District and Playcare are entering into this agreement to set forth the terms and conditions whereby Playcare will continue to allow District to operate a program for four year old students in its facility.

NOW THEREFORE, in consideration of the mutual covenants and agreements of the parties it is stipulated and agreed between the parties as follows:

1. Playcare agrees to provide the facility, administrative staff and all other personnel with the exception of the certified teachers and teacher assistants required to run a quality four year old educational program.

2. The District agrees to provide the early childhood certified teachers and teacher assistants necessary to provide the instruction for this program. These teachers and teacher assistants will be under contract with the District and will be required to comply with all of the policies of the District. Teachers and teacher assistants shall be entitled to all holidays, breaks, vacations and other release times as granted by the LPS calendar. Teachers and teacher assistants shall not be

required to work any additional time outside of the calendar requirements of their District contracts. Teachers and teacher assistants may enter into an individual contractual agreement with Playcare for additional employment compensation but are under no obligation to do so in order to maintain their employment in the program between the District and Playcare. These individual agreements shall be in writing, and have the employee's signature. A copy must be on file in the LPS Human Resource Office and not obligate the District to pay any salary or costs related to such agreements.

3. Playcare further agrees to provide food services, consumable supplies, equipment, educational materials and all other services normally provided for and available to student enrolled in a four year old state funded educational program.

4. Both parties agree that the services to be provided to the students enrolled in this program shall meet the requirements of the Oklahoma State Department of Education.

5. Playcare shall not charge tuition for educational services rendered by the teacher or teacher assistant assigned by the District.

6. The District will make every reasonable effort to provide a substitute to cover classes during the absence of a teacher assigned to Playcare and will assign substitutes, when available, in the same manner as substitutes are assigned in the District's schools. The teacher and teacher assistants assigned to Playcare shall be mutually agreed upon by a decision of the District and Playcare.

Compensation, including wages and fringe benefits, shall be provided to teachers assigned to Playcare at a rate determined by the District.

7. Teachers and teacher assistants supplied by the District shall be evaluated by a District administrator. The evaluation process shall include the input of the assigned representative of Playcare. In particular, the assigned representative of Playcare shall provide the designee of the District with information regarding the teacher's and teacher assistant's compliance with Playcare regulations.

8. For the purpose of this contract, the term "disciplinary action" includes admonishment, suspension, reassignment, dismissal, non-preemployment or the initiation of any process or proceeding required by law to accomplish these actions.

9. Should Playcare find any District employee to have acted in a manner which (1) may constitute grounds for dismissal or non-preemployment of teachers pursuant to 70 O.S. §6-101, et seq., or (2) indicates an unwillingness or inability to cooperate in achieving institutional program objectives, as provided in this contract, Playcare shall promptly report the acts in writing to the District. The District shall investigate such reports and shall take any disciplinary action it deems warranted by its findings. The District shall then report to Playcare, in writing, its findings, actions and reasons for the specific action (or non action) taken. Playcare hereby recognizes the District's responsibility to comply with all applicable laws and regulations regarding said disciplinary actions and shall assist the District in such efforts as necessary and requested by the District.

10. District and Playcare staff will meet every other month to review the progress of the program being operated pursuant to this agreement. Both parties will prepare an evaluation in May of each year this agreement is in effect. At any of these meetings either party may request that a program improvement plan be developed and implemented. The administrative staff of both parties must agree that a program improvement plan is needed and that the proposed plan is acceptable before the plan is put into effect.

11. District agrees to pay Playcare $300 per child for each child properly enrolled in the DISTRICT and being served by the Playcare four year old program on the first school day in October. If the program is less than a full day program, the payment shall be proportionately reduced ($150 per child for half day program). This sum shall be paid only if the enrollment in the Playcare program is 15 students, but not more than 22 students on the aforementioned date.

12. The term of this agreement will be from July 1, 2019. This agreement shall continue thereafter from year to year until either party elects to terminate by giving written notice to the other party on or before July 15 of the then current year that they are terminating the agreement for the upcoming school year.

13. Playcare shall carry general liability insurance and errors and omissions insurance in minimum limits of ONE MILLION DOLLARS ($1,000,000.00). LPS shall also carry general liability insurance in the amount of ONE HUNDRED TWENTY-FIVE THOUSAND DOLLARS ($125,000.00) per person and ONE MILLION DOLLARS ($1,000,000.00) aggregate and errors and omissions insurance with minimum limits of ONE MILLION DOLLARS ($1,000,000.00).

14. LPS and Playcare agrees to indemnify and hold the other harmless from any claims or actions brought against either party by reason the acts or actions of the indemnifying party or its employees, including costs and attorney fees incurred in defending such claim or action.

IN WITNESS WHEREOF, the parties have set their hand the date first written above.

AGREEMENT FOR BOND COUNSEL SERVICES

INDEPENDENT SCHOOL DISTRICT NO. 8 OF COMANCHE COUNTY, OKLAHOMA
GENERAL OBLIGATION BONDS AND/OR LEASE REVENUE OBLIGATIONS

THIS AGREEMENT is entered into as of September 11, 2017, by and between THE PUBLIC FINANCE LAW GROUP PLLC ("PFLG"), and INDEPENDENT SCHOOL DISTRICT NO. 8 OF COMANCHE COUNTY, OKLAHOMA (the "District"), a political subdivision of the State of Oklahoma, as follows:

RECITALS

WHEREAS, the District desires to engage PFLG as bond counsel in connection with the financing of certain capital projects authorized at an election to be held by the District on November 14, 2017 (the "2017 Election"), as well as in connection with the financing of certain capital projects authorized at a previously held election on April 1, 2014 (the "2014 Election"), all along with related costs (collectively, the "Projects"); and

WHEREAS, to finance all or a portion of the costs of the Projects, the District intends to issue one or more series of its General Obligation Bonds as may be authorized pursuant to the 2014 Election and/or the 2017 Election (collectively, the "Bonds"); and

WHEREAS, the District further acknowledges that it may in the future consider one or more transactions whereby the District, or a public trust on behalf of the District, issues lease purchase obligations (the "Lease Purchase Obligations") to construct portions of certain Projects, which obligations will be retired with the proceeds of the Bonds based upon the acquisition of all or distinct portions of the Projects being acquired by the District; and

WHEREAS, the issuance of Bonds and Lease Purchase Obligations shall be referred to collectively as the "Financing Plan"; and

WHEREAS, PFLG possesses the necessary professional capabilities and resources to provide the legal services required by District as described in this Agreement.

AGREEMENTS

1. Scope of Services.

A. *Bond Counsel Services.* PFLG will render the following services as bond counsel to the District:

(1) Consultation with representatives of the District, including the Superintendent, the legal, financing and accounting staff, financial advisors, and others, with respect to the timing, terms and legal structure of the proposed Financing Plan.

(2) Furnish full directions of all steps necessary to be taken by the District in compliance with the constitution and statutes of the State of Oklahoma for the proposed issuance of each series of Bonds and/or for the issuance of any Lease Purchase Obligations by the District or a public trust on behalf of the District.

(3) Provide and furnish forms, outlines of procedure, resolutions or ordinances necessary for the issuance of such Bonds and/or the Lease Purchase Obligations (collectively, the "Financing Documents").

(4) Review of documentation with respect to any letter of credit or bond insurance policy provided in connection with a Financing, if any.

(5) Attendance at such meetings or hearings of the District and working group meetings or conference calls as the District may request, and assistance to the District staff in preparation of such explanations or presentations to the governing body of the District as they may request.

(6) Preparation of final closing papers to be executed by the District required to effect delivery of each series of Bonds and/or Lease Purchase Obligations and coordination of the Bond and/or Lease Purchase Obligation closings, including seeking the approval of each series of Bonds by the Attorney General of the State of Oklahoma.

(7) In connection with the closing of any series of Bonds, to furnish at least four (4) transcripts of the entire proceedings, one of which shall be filed with the Attorney General of Oklahoma, the Comanche County District Attorney, one of which shall be filed with the Clerk of the District, and one of which shall accompany the Bonds.

(8) Rendering of bond counsel's customary final legal opinion on the validity of the Bonds and/or the Lease Purchase Obligations and, with respect to any tax-exempt obligations, the exemption from gross income for federal income tax purposes and from Oklahoma personal income tax of interest thereon.

PFLG and the District acknowledge that the District shall be represented by the District's attorney (also referred to as "Legal Counsel") for the purpose of rendering day-to-day and ongoing general counsel legal services. PFLG shall circulate documents to and coordinate its services with Legal Counsel to the extent requested by the District or its Legal Counsel.

PFLG and the District further acknowledge that the District shall be represented by BOK Financial Securities, Inc., a municipal advisor pursuant to the terms of SEC Rule 15Ba1-1 (referred to herein as an "Independent Registered Municipal Advisor" or "IRMA"). PFLG is a firm of attorneys who provide legal advice or services of a traditional legal nature to a client, and PFLG and its attorneys do not represent themselves to be a financial advisor or financial expert. Therefore, PFLG is excluded from the definition of Municipal Advisor, and PFLG does not intend

to provide any advice with respect to municipal financial products or the issuance of municipal securities outside of the scope of traditional legal services and advice customarily rendered by bond counsel in public finance transactions. Notwithstanding the foregoing, in the event certain advice may be construed as beyond the scope of traditional legal services, the District specifically acknowledges that PFLG may avail itself of the IRMA exemption under SEC Rule 15Ba1-1 on the basis that (i) the District is represented by an Independent Registered Municipal Advisor not associated with PFLG, (ii) the District hereby advises PFLG that the District is represented by and will rely on the advice of its duly retained Independent Registered Municipal Advisor, and (iii) the District has been advised that PFLG is not a municipal advisor and PFLG owes no federal statutory fiduciary duty to the District.

In rendering opinions and performing legal services under this Agreement, PFLG shall be entitled to rely on the accuracy and completeness of information provided, certifications made by, and opinions provided by counsel to, the District, the Independent Registered Municipal Advisor, property owners and other parties and consultants, without independent investigation or verification.

PFLG's services are limited to those specifically set forth above. PFLG's services do not include representation of the District or any other party to the transaction in any litigation or other legal or administrative proceeding involving the Bonds and/or Lease Purchase Obligations, the Project or any other matter. PFLG's services also do not include any responsibility for compliance with state blue sky, environmental, land use, real estate or similar laws or for title to or perfection of security interests in real or personal property. PFLG will not be responsible for preparing, reviewing, or opining with respect to the District's Official Statement and/or any Continuing Disclosure Undertakings for any Bonds and/or Lease Purchase Obligations, including but not limited to the accuracy, completeness or sufficiency of the Official Statement, Continuing Disclosure Undertaking, or other offering material relating to any Bonds and/or Lease Purchase Obligations. PFLG's services do not include any financial advice or analysis. PFLG will not be responsible for the services performed or acts or omissions of any other participant. Also, PFLG's services will not extend past the date of issuance of the Bonds and/or Lease Purchase Obligations and will not, for example, include services related to rebate compliance or continuing disclosure or otherwise related to the Bonds and/or Lease Purchase Obligations, proceeds of any financing, or the Project after issuance of the Bonds and/or Lease Purchase Obligations.

2. <u>Compensation and Reimbursements.</u>

A. *Compensation for Bond Counsel Services.* For services as bond counsel to the District, PFLG shall be paid a fixed fee at the time of issuance of the Bonds and/or Lease Purchase Obligations as follows:

(i) <u>General Obligation Bonds</u>. One half of one percent (0.5%) of the par amount of each series of Bonds issued, subject to a maximum fee of $35,000.00, for each series of Bonds issued pursuant to the 2014 Election authorization and/or the 2017 Election authorization.

(ii) Lease Purchase Obligations. One half of one percent (0.5%) of the par amount of each series of Lease Purchase Obligations issued pursuant to the 2014 Election authorization and/or the 2017 Election authorization.

B. *Expenses.* PFLG shall also be paid a fixed amount of $2,500.00 to cover expenses and transcript production and distribution in connection with each series of Bonds and/or Lease Purchase Obligations, provided, that any filing, publication, recording or printing costs or similar third party costs required in connection with each series of Bonds and/or Lease Purchase Obligations shall be paid directly by the District, but if paid by PFLG on behalf of the District, shall be reimbursed to PFLG on demand.

C. *Payment.* Fees and expenses shall be payable by the District at the time of issuance of the Bonds and/or Lease Purchase Obligations. Payment of all fees and expenses hereunder shall be made at closing from proceeds of the Bonds and/or Lease Purchase Obligations and shall be entirely contingent upon issuance of the Bonds and/or Lease Purchase Obligations.

D. *Term of Engagement.* This Agreement shall remain in full force and effect through and including June 30, 2018, and shall be on a year-to-year basis automatically renewed for additional one-year periods on July 1 of each year until such time as all of the Bonds authorized in the Election shall be issued or this Agreement shall be otherwise terminated as provided herein.

E. *Termination of Agreement and Legal Services.* This Agreement and all legal services to be rendered under it may be terminated at any time by written notice from either party, with or without cause. In that event, all finished and unfinished documents prepared for adoption or execution by the District, shall, at the option of the District, become its property and shall be delivered to it or to any party it may designate; provided that PFLG shall have no liability whatsoever for any subsequent use of such documents. In the event of termination by the District, PFLG shall be paid for all satisfactory work, unless the termination is made for cause, in which event compensation, if any, shall be adjusted in the light of the particular facts and circumstances involved in the termination. If not sooner terminated as aforesaid, this Agreement and all legal services to be rendered under it shall terminate upon issuance of the Bonds and/or Lease Purchase Obligations; provided that the District shall remain liable for any unpaid compensation or reimbursement due under Section 2 hereof. Upon termination, PFLG shall have no future duty of any kind to or with respect to the Bonds and/or Lease Purchase Obligations or the District.

3. Nature of Engagement; Relationships With Other Parties.

The role of bond counsel, generally, is to prepare or review the procedures for issuance of bonds, notes, or other evidence of indebtedness and to provide an expert legal opinion with respect to the validity thereof and other subjects addressed by the opinion. Consistent with the historical origin and unique role of such counsel, and reliance thereon by the public finance market, PFLG's role as bond counsel under this Agreement is to provide an opinion and related legal services that represent an objective judgment on the matters addressed rather than the partisan position of an advocate.

In performing its services in connection with the Bonds and/or Lease Purchase Obligations, PFLG will act as special counsel to the District with respect to issuance of the Bonds and/or Lease Purchase Obligations; i.e., PFLG will assist the District's Legal Counsel in representing District but only with respect to validity of the Bonds and/or Lease Purchase Obligations and the Financing Documents, and the tax status of interest on the Bonds and/or Lease Purchase Obligations, in a manner not inconsistent with the role of bond counsel described above.

The District acknowledges that PFLG regularly performs legal services for many private and public entities in connection with a wide variety of matters. For example, PFLG has represented, is representing or may in the future represent other public entities, underwriters, trustees, rating agencies, insurers, credit enhancement providers, lenders, contractors, suppliers, financial and other consultants/advisors, accountants, investment providers/brokers, providers/brokers of derivative products and others who may have a role or interest in the Financing Plan or the Project or that may be involved with or adverse to the District in this or some other matter. PFLG agrees not to represent any such entity in connection with the Financing Plan, during the term of this Agreement, without the consent of the District. Given the special, limited role of bond counsel described above, the District acknowledges that no conflict of interest exists or would exist, and waives any conflict of interest that might appear actually or potentially to exist, now or in the future, by virtue of this Agreement or any such other attorney-client relationship that PFLG may have had, have or enter into, and the District specifically consents to any and all such relationships.

4. Limitation of Rights to Parties; Successor and Assigns.

Nothing in this Agreement or in any of the documents contemplated hereby, expressed or implied, is intended or shall be construed to give any person other than the District and PFLG any legal or equitable right or claim under or in respect of this Agreement, and this Agreement shall inure to the sole and exclusive benefit of the District and PFLG.

PFLG may not assign its obligations under this Agreement without written consent of the District except to a successor partnership or corporation to which all or substantially all of the assets and operations of PFLG are transferred. The District may assign its rights and obligations under this Agreement to (but only to) any other public entity that issues the Bonds and/or Lease Purchase Obligations (if not the District). The District shall not otherwise assign its rights and obligations under this Agreement without written consent of PFLG. All references to PFLG and the District in this Agreement shall be deemed to refer to any such successor of PFLG and to any such assignee of the District and shall bind and inure to the benefit of such successor and assignee whether so expressed or not.

5. Counterparts.

This Agreement may be executed in any number of counterparts and each counterpart shall for all purposes be deemed to be an original, and all such counterparts shall together constitute but one and the same Agreement.

6. Notices.

Any and all notice pertaining to this Agreement shall be sent by U.S. Postal Service, first class, postage prepaid to:

PO Box 1009

RE: Financial Advisory Services Provided to Independent School District Number 8 of Comanche County, Oklahoma (Lawton Public Schools)

The purpose of this engagement letter (the "Letter") is to set forth the role BOK Financial Securities, Inc. ("BOKFS") proposes to serve and the responsibilities BOKFS proposes to assume as financial advisor to Independent School District Number 8 of Comanche County, Oklahoma (Lawton Public Schools) (the "Issuer" or "District"). Upon Issuer's acceptance, this Letter will serve as our mutual agreement with respect to the terms and conditions of our engagement as Issuer's financial advisor, effective on the date this Letter is executed by Issuer (the "Effective Date").

1. **Scope of Services**. BOKFS will provide, on an on-going basis, professional financial advisory services to the Issuer on any financial matters, including but not limited to the issuance and term of new debt, primarily bonds. BOKFS will assist the Issuer with each of the following tasks associated with the planning, structuring, marketing, pricing, and closing of the proposed bond issue(s).

(a) The Services shall be limited to the services described in **Appendix A** (the "Scope of Services").

(b) Except as otherwise provided in the Scope of Services, BOKFS shall not be responsible for certifying as to the accuracy or completeness of any preliminary or final official statement, other than with respect to any information about BOKFS provided by BOKFS for inclusion in such documents.

(c) The Scope of Services does not (i) include tax, legal, accounting or engineering advice with respect to any Issue, Product or opinion or certificate rendered by counsel or other person at closing, or (ii) include review or advice with respect to any feasibility study, except, in either case, as may prepared by BOKFS as provided for in the Scope of Services.

(d) Issuer agrees not to represent, publicly or to any specific person, that BOKFS is Issuer's independent registered municipal advisor ("IRMA") for purposes of SEC Rule 15Ba1-1(d)(3)(vi) (the "IRMA exemption") without BOKFS's prior written consent.

Securities, insurance and advisory services offered through BOK Financial Securities, Inc., member FINRA/SIPC and a subsidiary of BOK Financial Corporation. Services may be offered under our trade name, BOK Financial Advisors. **NOT FDIC INSURED | NO BANK GUARANTEE | MAY LOSE VALUE**

(e) When BOKFS is designated by Issuer as its IRMA, BOKFS shall be Issuer's IRMA solely with respect to the Scope of Services. BOKFS shall not be responsible for verifying that it is independent (within the meaning of the IRMA exemption as interpreted by the SEC) from another party wishing to rely on the exemption from the definition of municipal advisor afforded under the IRMA exemption. Any reference to BOKFS, its personnel and its role as IRMA in Issuer's written representation contemplated under SEC Rule 15Ba1-1(d)(3)(vi)(B), shall be subject to prior approval by BOKFS.

2. **BOKFS's Regulatory Obligations When Providing Services to Issuer.**

(a) MSRB Rule G-42 requires that BOKFS (i) make a reasonable inquiry as to the facts that are relevant to Issuer's determination whether to proceed with a course of action or that form the basis for any advice provided by BOKFS to Issuer, (ii) undertake a reasonable investigation to determine that BOKFS is not basing any recommendation on materially inaccurate or incomplete information, and (iii) use reasonable diligence to know the essential facts about Issuer and the authority of each person acting on Issuer's behalf.

(b) Issuer agrees to cooperate, and to cause Issuer's agents to cooperate, with BOKFS in carrying out the foregoing requirements, including providing to BOKFS accurate and complete information and reasonable access to relevant documents, other information and personnel needed to fulfill such requirements. In addition, Issuer agrees that, to the extent Issuer requests BOKFS provide advice with regard to any recommendation made by a third party, Issuer will provide to BOKFS written direction to do so and all information Issuer has received from such third party relating to its recommendation.

3. **Compensation.** For the above services, Issuer agrees to pay BOKFS the following:

(a) General Obligation Bonds: A fee of 1/2% of the par amount of each series of Bonds issued, subject to a maximum fee of $35,000.00 for each series of Bonds issued, plus expense reimbursement of $2,500.00 which does not include out-of-state travel, which travel will be reimbursed on actual costs if such travel is approved by the Issuer.

(b) Lease Purchase Transactions: A fee of 1/2% of the par amount of each series of Lease Purchase Obligations issued, plus expense reimbursement of $2,500.00 which does not include out-of-state travel, which travel will be reimbursed on actual costs if such travel is approved by the Issuer.

(c) Offering document printing, bond printing, DTC and CUSIP registration, mailing and distribution, bond counsel, rating fees, paying agent fees and other normal costs of issuance are the responsibility of the Issuer. To the extent the Issuer desires or it is convenient for BOKFS to front these types of expenditures, BOKFS will be reimbursed on actual costs and such reimbursement will be separate from BOKFS's out-of-pocket expense reimbursement. BOKFS's out-of-pocket expense reimbursement covers such items as copies, mail, fax, overnight delivery, report printing, and other hard costs.

4. **Term of this Engagement.** This Agreement may be terminated with or without cause by either party upon the giving of at least thirty (30) days' prior written notice to the other party of its intention to terminate, specifying in such notice the effective date of such termination. If Issuer exercises its option to terminate this Agreement, Issuer agrees to reimburse BOKFS for any of the expenses described in paragraph 3 advanced by BOKFS pursuant to paragraph 3 above and to pay BOKFS for its services rendered prior to such termination in a mutually acceptable amount which shall be negotiated in good faith between the parties.

5. **Limitation on Liability.** In the absence of willful misconduct, bad faith, gross negligence or reckless disregard of the obligations of BOKFS arising under this Letter:

(a) The liability of BOKFS and its associated persons to Issuer for any act or omission in the course of, or connected with, rendering services hereunder, or for any error of judgment or mistake of law, shall be limited to the fees paid or otherwise due and payable under this Agreement; and,

(b) BOKFS and its associated persons shall have no liability to Issuer for any other loss arising out of any issuance of municipal securities, any municipal financial product or any other investment, or for any financial or other damages resulting from Issuer's election to act or not to act, as the case may be, contrary to any advice or recommendation provided by BOKFS to Issuer; and,

(c) No recourse shall be had against BOKFS for loss, damage, liability, cost or expense (whether direct, indirect or consequential) arising out of or in defending, prosecuting, negotiating or responding to any inquiry, questionnaire, audit, suit, action, or other proceeding brought or received from the Internal Revenue Service in connection with any Issue or Product or otherwise relating to the tax treatment of any Issue or Product, or in connection with any opinion or certificate rendered by counsel or any other party.

6. **Required Disclosures.** MSRB Rule G-42 requires that BOKFS provide Issuer with disclosures of material conflicts of interest and of information regarding certain legal events and disciplinary history. Such disclosures are provided in BOKFS's Disclosure Statement attached hereto as **Appendix B**.

7. **Waiver of Jury Trial.** EACH PARTY AGREES TO WAIVE ANY RIGHT TO A TRIAL BY JURY WITH RESPECT TO ANY CLAIM, COUNTERCLAIM OR ACTION ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THE RELATIONSHIP BETWEEN THE PARTIES. PARTIES AGREE TO WAIVE CONSEQUENTIAL AND PUNITIVE DAMAGES.

8. **Choice of Law.** This Agreement shall be construed and given effect in accordance with the laws (excluding conflict of law provisions) of Oklahoma.

9. **Litigation Expenses.** In any action brought by a party hereto to enforce the obligations of any other party hereto, the prevailing party shall be entitled to collect from the opposing party to such action such party's reasonable litigation costs and attorney's fees and expenses (including court costs, reasonable fees of accountants and experts, and other expenses incidental to the litigation).

10. **Binding Effect; Assignment.** This Agreement shall be binding upon and inure to the benefit of Issuer and BOKFS, their respective successors and permitted assigns; provided however, neither

party may assign or transfer any of its rights or obligations hereunder without the prior written consent of the other party.

11. **Entire Agreement.** This instrument, including all appendices hereto, contains the entire agreement between the parties relating to the rights herein granted and obligations herein assumed. This Agreement may not be amended, supplemented or modified except by means of a written instrument executed by both parties. This Agreement and all of the provisions of this Agreement shall be deemed drafted by all of the parties hereto.

12. **Course of Dealing.** No course of prior dealing involving any of the parties hereto and no usage of trade shall be relevant or advisable to interpret, supplement, explain or vary any of the terms of this Agreement, except as expressly provided herein.

13. **Interpretation.** This Agreement shall not be interpreted strictly for or against any party, but solely in accordance with the fair meaning of the provisions hereof to effectuate the purposes and intent of this Agreement.

14. **No Third Party Beneficiaries.** This is not a third party beneficiary contract. No person or entity other than a party hereto shall have any rights under this Agreement.

15. **No Reliance.** Each party hereto has entered into this Agreement based solely upon the agreements, representations and warranties expressly set forth herein and upon its own knowledge and investigation. No party has relied on any representation or warranty of any other party hereto except any such representations and warranties as are expressly set forth herein.

16. **Authority.** Each of the persons signing below on behalf of a party hereto represents and warrants that he or she has full requisite power and authority to execute and deliver this Agreement on behalf of the party for whom he or she is signing and to bind such party to the terms and conditions of this Agreement.

APPENDIX B
DISCLOSURE STATEMENT

This Disclosure Statement is provided by BOK Financial Securities, Inc. ("BOKFS") to Independent School District Number 8 of Comanche County, Oklahoma (Lawton Public Schools) ("Issuer") in connection with the Engagement Letter (the "Letter") and is dated as of the same date as the Letter.

Part A - Disclosures of Conflicts of Interest

Accordingly, BOKFS makes the following disclosures with respect to material conflicts of interest in connection with the Scope of Services, together with explanations of how BOKFS addresses or intends to manage or mitigate each conflict. To that end, with respect to all of the conflicts disclosed below, BOKFS mitigates such conflicts through its adherence to its fiduciary duty to Issuer, which includes a duty of loyalty. This duty of loyalty obligates BOKFS to deal honestly and with the utmost good faith with Issuer and to act in Issuer's best interests without regard to BOKFS's financial or other interests. Furthermore, because BOKFS is a broker-dealer, its financial advisory supervisory structure provides strong safeguards against individuals at BOKFS potentially departing from their regulatory duties due to personal interests. The disclosures below describe, as applicable, any additional mitigations that may be relevant with respect to any specific conflict disclosed below.

Affiliate Conflict. Any affiliate of BOKFS (the "Affiliate"), may provide certain advice, services and/or products to Issuer that may be directly related to BOKFS's activities. The Affiliate's business with Issuer could create an incentive for BOKFS to recommend to Issuer a course of action designed to increase the level of Issuer's business activities with the Affiliate or to recommend against a course of action that would reduce or eliminate Issuer's business activities with the Affiliate. This potential conflict is mitigated by the fact that Affiliate is subject to comprehensive regulatory review.

Compensation-Based Conflicts.

If the fees due under the Engagement Letter will be based on the size of the Issue and the payment of such fees shall be contingent upon the delivery of the Issue. While this form of compensation is customary in the municipal securities market, this may present a conflict because it could create an incentive for BOKFS to recommend unnecessary or disadvantageous financings. This conflict of interest is mitigated by the general mitigations described above.

If the fees due under the Engagement Letter are in a fixed amount established at the outset of the Engagement Letter. The amount is usually based upon an analysis by Issuer and BOKFS of, among other things, the expected duration and complexity of the transaction and the Scope of Services. This form of compensation presents a potential conflict of interest because, if the transaction requires more work than originally contemplated, BOKFS may suffer a loss. Thus, BOKFS may recommend less time-consuming alternatives. This conflict of interest is mitigated by the general mitigations described above.

If the fees due under the Engagement Letter are based on hourly fees of BOKFS's personnel, with the aggregate amount equaling the number of hours worked by such personnel times an agreed-upon hourly billing rate. This form of compensation presents a potential conflict of interest if Issuer and BOKFS do not agree on a reasonable maximum amount at the outset of the engagement, because BOKFS does not have a financial incentive to recommend alternatives that would result in fewer hours worked. This conflict of interest is mitigated by the general mitigations described above.

Other Financial Advisor or Underwriting Relationships. BOKFS serves a wide variety of other clients that may have interests that could have an impact on Issuer's interests. For example, BOKFS serves as financial advisor to other financial advisory clients and, in such cases, owes a regulatory duty to such other clients just as it does to Issuer under this Engagement Letter. These other clients may have competing interests. BOKFS could face a conflict of interest arising from these competing client interests. None of these other engagements or relationships would impair BOKFS's ability to fulfill its regulatory duties to Issuer.

Broker-Dealer and Investment Advisory Business. BOKFS is a broker-dealer and investment advisory firm that engages in a broad range of securities-related activities, in addition to serving as a financial advisor or underwriter. Such securities-related activities may be undertaken on behalf of, or as counterparty to, Issuer, Issuer's personnel, and current or potential investors in Issuer's securities. These other clients may have interests in conflict with Issuer's interests and the interests of such other clients could create the incentive for BOKFS to make recommendations to Issuer that could result in more advantageous pricing for the other clients. Furthermore, any potential conflict arising from BOKFS effecting or otherwise assisting such other clients in connection with such transactions is mitigated by means of such activities being engaged in on customary terms through units of BOKFS that operate independently from BOKFS's financial advisory business, thereby reducing the likelihood that the interests of such other clients would have an impact on the services provided by BOKFS to Issuer.

Secondary Market Transactions in Issuer's Securities. BOKFS may take a principal position in securities, including Issuer's securities, and therefore BOKFS could have interests in conflict with Issuer with respect to the value of Issuer's securities while held in inventory and the levels of mark-up or mark-down that may be available in connection with purchases and sales thereof. In particular, BOKFS or its affiliates may submit orders for and acquire Issuer's securities issued in an Issue under the Engagement Letter from members of the underwriting syndicate, either for its own account or for the accounts of its customers. This activity may result in a conflict of interest with Issuer in that it could create the incentive for BOKFS to make recommendations to Issuer that could result in more advantageous pricing of Issuer's securities in the marketplace. Any such conflict is mitigated by means of such activities being engaged in on customary terms through units of BOKFS that operate independently from BOKFS's financial advisory business, thereby reducing the likelihood that such investment activities would have an impact on the services provided by BOKFS to Issuer.

Part B - Disclosures of Information Regarding Legal Events and Disciplinary History

MSRB Rule G-42 requires that municipal advisors provide to their clients certain disclosures of legal or disciplinary events material to its client's evaluation of the municipal advisor or the integrity of the municipal advisor's management or advisory personnel.

Accordingly, BOKFS sets out below required disclosures and related information in connection with such disclosures.

Material Legal or Disciplinary Event. There are no legal or disciplinary events that are material to Issuer's evaluation of BOKFS or the integrity of BOKFS's management or advisory personnel disclosed, or that should be disclosed, on any Form MA or Form MA-I filed with the SEC.

Future Supplemental Disclosures. As required by MSRB Rule G-42, this Section may be supplemented or amended, from time to time as needed, to reflect changed circumstances resulting in new conflicts of interest, or to provide updated information with regard to any legal or disciplinary events of BOKFS. BOKFS will provide Issuer with any such supplement or amendment as it becomes available throughout the term of the Engagement Letter.

It is further acknowledged that in the event that the certified teacher at RF has requested District to employ is not a certified special education teacher, that special education services to be provided to residents of RF by District shall be restricted to those types of services generally provided to special education students on a home bound program. Solomon Amendment & FERPA

Solomon Amendment is a federal law that allows military recruiters to access some address, biographical and academic program information on students age 17 and older.

The Department of Education has determined the Solomon Amendment supersedes most elements of FERPA. An institution is therefore obligated to release data included in the list of "student recruiting information," which may or may not match SMU's FERPA directory information list. However, if the student has submitted a request through my.SMU Self Service to the University Registrar Office to restrict the release of his/her Directory Information, then no information from the student's education record will be released under the Solomon Amendment. For more information on directory information.

Definition - "Student Recruitment Information" or "Solomon Information"

1. Name
2. Address (home and mailing)
3. Telephone (home and mailing)
4. Age (is not defined as Directory information at SMU)
5. Place of birth (is not defined as Directory information at SMU)
6. Level of education
7. Academic major
8. Degrees received
9. Educational institution in which the student was most recently enrolled

Procedure for releasing information to military recruiter:

1. Under the Solomon amendment, information will be released for military recruitment purposes only. The military recruiters may request student recruitment information once each term or semester for each of the 12 eligible units within the five branches of the service:
   a. **Army**: Army, Army Reserve, Army National Guard
   b. **Navy:** Navy, Navy Reserve
   c. **Marine Corps**: Marine Corps, Marine Corps Reserve
   d. **Air Force:** Air Force, Air Force Reserve, Air Force National Guard
   e. **Coast Guard:** Coast Guard, Coast Guard Reserve
2. The request should be submitted in writing on letterhead clearly identifying the unit of service requesting the student recruitment information.
3. The request should specify whether the information needed is for the current or previous semester.

(b) Termination for Cause. Business Associate authorizes termination of this Agreement by Covered Entity, if Covered Entity determines Business Associate has violated a material term of the Agreement (and Business Associate has not cured the breach or ended the violation within the time specified by Covered Entity if a cure period is specified).

(c) Obligations of Business Associate Upon Termination.

Upon termination of this Agreement for any reason, Business Associate, with respect to PHI received from Covered Entity, or created, maintained, or received by Business Associate on behalf of Covered Entity, shall:

MISCELLANEOUS:

Interpretation: The terms of this BAA shall prevail in the case of any conflict with the terms of any Underlying Contract to the extent necessary to allow OSDH to comply with the HIPAA Regulations. The bracketed citations to the HIPAA Regulations in several paragraphs of this BAA are for reference only and shall not be relevant in interpreting any provision of this BAA.

No Third Party Beneficiaries: Nothing in this BAA shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

Business Associate recognizes that any material breach of this Agreement or breach of confidentiality or misuse of PHI may result in the termination of this Agreement and/or legal action. Said termination may be immediate and need not comply with any termination provision in the parties' underlying agreement, if any.

The parties agree to amend this Agreement from time to time as is necessary for Covered Entity or BA to comply with the requirements of the Privacy Rule and related laws and regulations.

(a) ODSH's Notice of Privacy Practices is available on its website: www.ok.gov/health.

(b) Any ambiguity in this Agreement shall be resolved in a manner that causes this Agreement to comply with HIPAA.

(c) This Agreement embodies and constitutes the entire agreement and understanding between the parties with respect to the subject matter hereof and supersedes all prior Business Associate agreements, oral or written agreements, commitments, and understandings pertaining to the subject matter hereof.

(d) If Business Associate maintains a designated record set in an electronic format on behalf of Covered Entity, then Business Associate agrees that within 30 days of expiration or termination of the parties' agreement, Business Associate shall provide to Covered Entity a complete report of all disclosures of and access to the designated record set covering the three years immediately preceding the termination or expiration. The report shall include patient name, date and time of disclosures/access, description of what was disclosed/accessed, purpose of disclosure/access, name of individual who received or accessed the information, and, if available, what action was taken within the designated record set.

Amendment: To the extent that any relevant provision of the HIPAA Regulations is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this BAA to give effect to these revised obligations. The parties agree to amend this Agreement from time to time as is necessary for Covered Entity or to comply with the requirements of the Privacy Rule and related laws and regulations.

A signed copy of this agreement shall be accorded the same force and effect as the original.

IN WITNESS WHEREOF, each of the undersigned has caused this BAA to be duly executed in its name and on its behalf.

7.1 The CUSTOMER, with TAC's consent, may order changes in Work consisting of additions, deletions or modifications, the Contract Sum and Contract Time being adjusted accordingly. Such changes in the Work shall be authorized by written Change Order signed by the CUSTOMER and TAC.

7.2 The Contract Sum and Contract Time shall be changed only by Change Order.

7.3 The cost or credit to the CUSTOMER from a change in the Work shall be determined by mutual agreement and, in the absence of such agreement, shall be decided by arbitration as provided in Article 5.

ARTICLE 8 – TIME

8.1 Time limits stated in the Contract Documents are of the essence of the Contract. By executing the Contract, TAC confirms that the Contract Time is a reasonable period for performing the Work.

8.2 The date of Substantial Completion is the date certified by TAC in accordance with Paragraph 9.3.

8.3 If TAC is delayed at any time in progress of the Work by changes ordered in the Work, by labor disputes, fire, unusual delay in deliveries, abnormal adverse weather conditions not reasonably

anticipatable, unavoidable casualties or any other causes which are beyond the control of TAC, then the Contract time shall be extended by Change Order.

ARTICLE 9 – PAYMENTS AND COMPLETION

9.1 Payments shall be made as provided in Article 2 of the Agreement.

9.2 Payments may be withheld on account of (1) defective Work not remedied, (2) claims filed by third parties, (3) failure of TAC to make payments properly to the Subcontractors or for labor, materials or equipment, (4) persistent failure to carry out the Work in accordance with the Contract Documents.

9.3 Upon substantial completion, TAC will issue a Certificate of Substantial Completion.

9.4 Final payment shall not become due until TAC has delivered to the CUSTOMER a complete release of all liens arising out of this Contract covering all labor, materials, and equipment for which a lien could be filed, or a bond satisfactory to the CUSTOMER to indemnify the CUSTOMER against such lien.

9.5 The making of final payment shall constitute a waiver of claims by the CUSTOMER except those arising from (1) Liens, claims, security interests or encumbrances arising out of the Contract and which are unsettled; (2) Failure of the Work to comply with the requirements of the Contract Documents; or (3) Terms of special warranties required by the Contract Documents.

ARTICLE 10 – PROTECTION OF PERSONS AND PROPERTY

10.1 TAC shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the performance of the Contract. TAC shall take reasonable precautions for safety of, and shall provide reasonable protection to prevent damage, injury or loss to (1) Employees on the Work and other persons who may be affected thereby; (2) The Work and materials and equipment to be incorporated therein; and (3) Other property at the site or adjacent thereto.

TAC shall give notices and comply with applicable laws, ordinances, rules, regulations and lawful orders of public authorities bearing on safety of persons and property and their protection from damage, injury or loss. TAC shall promptly remedy damage, injury or loss at the site caused in whole or in part by TAC, a subcontractor, a Sub-subcontractor, or anyone directly or indirectly employed by any of them, or by anyone for whose acts they may be liable and for which TAC is responsible under Subparagraphs 10.1 and 10.2, except for damage or loss attributable to acts or omissions of the CUSTOMER or by anyone for whose acts either of them may be liable, and not attributable to the fault or negligence of TAC. The foregoing obligations of TAC are in addition to TAC's obligations under Paragraph 4.10.

10.2 The scope of work or service to be performed by TAC pursuant to this Contract, and the compensation to be paid to TAC hereunder for work or services performed, expressly exclude any work or service of any nature associated or connected with the identification, abatement, cleanup, control or removal of environmentally hazardous materials beyond what is specifically defined and identified in Schedule A of this Contract. "Hazardous Materials" to include, but not be limited to, asbestos and PCBs discovered in or on the premises. CUSTOMER agrees that all duties and obligations in connection with any hazardous materials located in or on the premises, other than those defined in Schedule A, are strictly CUSTOMER's. CUSTOMER warrants and represents to the best of CUSTOMER's knowledge there are no hazardous materials in or on the premises which will affect, be affected by, come in contact with, or otherwise impact upon or interfere with the work to be performed by TAC pursuant to this Agreement.

Should TAC become aware or suspect the presence of hazardous materials beyond those to be addressed in Schedule A during performance of its work under this Agreement, TAC will be authorized to cease work in the affected area immediately, and will promptly notify CUSTOMER of the conditions discovered. Should

TAC stop work because of the discovery or suspicion of hazardous materials, the time for performance of TAC's work or service will be extended to cover the period required for abatement, cleanup, or removal of the hazardous materials. TAC will not be held responsible for any claims, damages, costs, or expenses of any kind associated with the period during which TAC has stopped work as a result of hazardous materials. If appropriate, TAC will be entitled to an equitable adjustment of the contract price for any increased costs or other charges incurred by TAC in connection with the existence of its rights under this paragraph.

CUSTOMER will be responsible for taking all necessary steps to correct, abate, clean up, or control hazardous materials not addressed by TAC in Schedule A in accordance with all applicable statutes and regulations. CUSTOMER specifically agrees, to the extent allowed by state law, to indemnify and to hold TAC, its officers, agents and employees harmless from and against any and all claims, demands, damages, or causes of action in any way arising out of the release of hazardous materials into the air, soil, or any water system or water course, or any actions taken in connection with same, or any failure to act.

ARTICLE 11 – INSURANCE

11.1 TAC shall purchase from and maintain, in a company or companies lawfully authorized to do business in the jurisdiction in which the Project is located, insurance for protection from claims under workers' or workmen's compensation acts and other employee benefit acts which are applicable, claims for damages because of bodily injury, including death, and from claims for damages, other than to the Work itself, to property which may arise out of or result from TAC's operation under the Contract, whether such operations be by TAC or by a Subcontractor or anyone directly or indirectly employed by any of them. This insurance shall be written for not less than limits of liability specified in the Contract Documents or required by law, whichever coverage is greater, and shall include contractual liability insurance applicable to TAC's obligations under Paragraph 4.10. Certificates of such insurance shall be filed with the CUSTOMER prior to commencement of the Work.

11.2 Deleted

ARTICLE 12 – CORRECTION OF WORK

12.1 TAC shall promptly correct Work rejected by the CUSTOMER for failing to conform to the requirements of the Contract Documents, whether observed before or after Substantial Completion and whether or not fabricated, installed or completed, and shall correct any Work found to be not in accordance with the requirements of the Contract Documents within a period of one year from the date of Substantial Completion of the contract or by terms as an applicable special warranty required by the Contract Documents. The provisions of this Article 12.1 apply to Work done by Subcontractors as well as to Work done by direct employees of TAC.

12.2 Nothing contained in this Article 12 shall be construed to establish a period of limitation with respect to other obligations, which TAC might have under the Contract Documents. Establishment of the time period of one year as described in Paragraph 12.1 relates only to the specific obligation of TAC to correct the Work, and has no relationship to the time within which the obligation to comply with the Contract Documents may be sought to be enforced, nor to the time within which proceedings may be commenced to establish TAC's liability with respect to TAC's obligations other than specifically to correct the Work.

ARTICLE 13 – MISCELLANEOUS PROVISIONS

13.1 This Contract shall be governed by the laws of the state where the project is located.

13.2 As between the CUSTOMER and TAC, any applicable statute of limitation shall commence to run and any alleged cause of action shall be deemed to have accrued (1) Not later than the date of Substantial

Completion for acts or failures to act occurring prior to the relevant date of Substantial Completion; (2) Not later than the date of the relevant act or failure to act by TAC for acts or failures to act occurring after the date of Substantial Completion.

13.3 Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the other party, notification shall be made in writing to such other party within a reasonable time after first observance of such injury or damage.

ARTICLE 14 – TERMINATION OF THE CONTRACT

14.1 If the CUSTOMER fails to make payments to TAC as set forth in Schedule E: Payment Schedule, through no fault of TAC, TAC may, upon seven days' written notice to the CUSTOMER, terminate the Contract and recover from the CUSTOMER payment for all Work executed and for proven loss with respect to materials, equipment, tools, and machinery, including reasonable overhead, profit and damages applicable to the Project.

14.2 If the CUSTOMER fails to maintain the equipment and systems responsible for generating the Guaranteed Savings to the point of failure or gross noncompliance with the equipment manufacturer's operating and maintenance manuals through no fault of TAC, TAC may, upon seven days' written notice to the CUSTOMER, terminate the Contract.

14.3 If TAC defaults or persistently fails or neglects to carry out the Work in accordance with the Contract Documents or fails to perform a provision of the Contract, the CUSTOMER, after seven days' written notice to TAC and without prejudice to any other remedy the CUSTOMER may have, may make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due TAC.

ARTICLE 15 – OTHER CONDITIONS OR PROVISIONS

15.1 If any provision of this Agreement shall be held to be invalid, illegal, or unenforceable, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired thereby.

15.2 CUSTOMER is responsible for providing all required telephone lines and telephone service required for this project.

15.3 Notwithstanding any provision to the contrary, payment and performance bonds associated with this contract guarantee only the performance of the installation portion of the contract, and shall not be construed to guarantee the performance of: (i) any efficiency or energy savings guarantees, (ii) any support or maintenance service agreement, or (iii) any other guarantees or warranties with terms beyond one (1) year in duration from the completion of the installation portion of the contract.

- Repair of existing HVAC and control equipment beyond the Scope of Work is excluded. TAC will reuse existing equipment for the execution of this contract, and assumes the equipment or devices are in good working order. Should the equipment or devices need repair or replacement, this will be the responsibility of the customer. TAC will create an EDR (equipment deficiency report) to give customer written notification if such equipment or devices are found.
- TAC will not control any self-contained units (units with integral control, not for remote control) via the automation system.
- Exhaust fans controlled by occupancy sensors or local switches and exhaust fans that do not exhaust to the exterior of the building will not be integrated with the automation system.
- TAC is not responsible for existing safeties on equipment or any life safety equipment. Pre and post testing of these smoke, fire, and life safety systems will be the responsibility of the customer and the sequence will be provided to TAC.
- Where life safety equipment utilizes compressed air (pneumatics), the source of the air, logic, and actuators will not be removed or modified within the execution of the project.

- Douglass Elementary

Lighting will be upgraded as detailed below, improving overall color rendering and lighting efficacy. Light levels will be brought into compliance with Illuminating Engineering Society (IES) standards wherever possible.

Re-lamping of existing T8 fixtures is not included. Though we will attempt to match retrofit lamp color to predominant existing T8 color in a building, adjacent areas may have different color lamps after retrofit.

DOUGLASS ELEMENTARY

The following lighting system retrofits will be performed:

SCHEDULE B: PERFORMANCE ASSURANCE SUPPORT SERVICES AGREEMENT

PERFORMANCE ASSURANCE SUPPORT SERVICES (PASS)

TAC's Performance Assurance Support Services (PASS) group will assist CUSTOMER and its facility personnel in achieving efficient operation of CUSTOMER's facilities. This effort has two primary objectives: achieving the guaranteed savings and assisting the CUSTOMER in maintaining functionality of the buildings and their systems. Achieving these objectives will require a partnership and communication as described below between the CUSTOMER's staff and their designated representative of the PASS group. These objectives will be achieved via several means:

A Designated PASS Consultant
To provide support and achieve the best possible savings results, TAC will assign an individual PASS consultant to the CUSTOMER. The PASS consultant provides the CUSTOMER with a point of contact for support and guarantee management that is involved in their project before construction is completed. The designated PASS consultant will be familiar with the project scope and M&V plans along with any unique performance goals or benchmarking efforts included in the project. A partnership between the PASS consultant and the CUSTOMER's staff is vital to helping the project be successful over the long term.

Performance Assurance Functions:

- **Monitoring**

The PASS group will monitor the CUSTOMER's facilities, their systems, and their vital signs through a combination of remote and on-site efforts. These efforts will be combined with training the CUSTOMER's staff during and at the conclusion of project implementation on efficient facility operation and how to use building systems to gather data on building performance characteristics and benchmarking parameters. These parameters can then be used to help identify potential problems with the mechanical, electrical, air-distribution, and other systems critical to achieving the desired building performance and guaranteed savings as well as work with the facility staff to enhance and implement energy conservation programs.

- **Utility Accounting**

By tracking the measurements and data defined in Schedule D, PASS will measure the performance of the project's conservation measures in accordance with the M&V approach defined in Schedule D.

- **Reporting**

CUSTOMER will receive performance-tracking reports via TAC's eSavings online energy management dashboard. This report will detail current monthly savings, year to date savings, and guaranteed savings in both dollars and utility units. The reporting will also encompass environmental benefits associated with the project's performance.

Support Services Functions:

- **Real-Time Technical Support**

The PASS group will provide the CUSTOMER with technical support, troubleshooting assistance, and operational consultation to help ensure proper performance of the project scope as defined in Schedule A and ensure that savings are achieved. TAC and the CUSTOMER agree that achieving the goals and guarantees set forth for this project will require clear, consistent communication by both parties. The CUSTOMER can maintain communication and access support from their PASS consultant or other members of the PASS group in multiple ways.

- TAC's PASS Line (800-274-5551 + 4 or 972-323-5300) offers support for urgent issues that arise. Live PASS representatives answer this line during business hours (central time). In the event all representatives are busy, the CUSTOMER may leave a message and expect a response within 1 hour during business hours (central time). After-hours calls will be responded to within 4 hours by an on-call PASS consultant.
- PASS@tac.com is a centralized email communication portal to which all PASS consultants have access. This tool is a vehicle to obtain answers to general questions or non-urgent items.
- TAC's eSavings energy management dashboard also provides email communication with the CUSTOMER's designated PASS consultant.

In a further effort to provide responsiveness and accountability to the CUSTOMER's needs, TAC's PASS group has developed a Customer Assistance Tracking System to log CUSTOMER calls and track the development of solutions to issues with building performance or savings achievement. CATS or another system will be used for these purposes.

- **ECM consulting**

Should the CUSTOMER experience further facility improvements, additions, new construction, or other building modification at some point in the term of this contract, TAC's PASS group will be available to provide guidance and recommendations on a wide variety of building attributes from system types to operational strategies and building construction types for an additional fee. Design oversight and consultation are available as well as utility master planning and capital improvement master planning. Any necessary fees for consulting beyond standard PASS agreement levels will be negotiated between the CUSTOMER and TAC prior to commencement of any work.

- **Site Visits**

As part of ensuring that CUSTOMER's staff is trained to operate the systems in a manner consistent to achieve the savings guarantee and functionality of buildings and systems, the PASS Consultant will visit the facilities as they deem appropriate. Site visits to assist in troubleshooting issues pertinent to warranty or other service will also be conducted as deemed appropriate.

- **Ongoing training**

Savings guarantees are not achievable unless the CUSTOMER maintains, repairs, and operates the buildings and systems in an efficient and effective manner. Training for CUSTOMER's staff by TAC's project installation and PASS personnel will occur during project installation and during the guarantee period as deemed appropriate by TAC. Training requirements beyond the scope of TAC's standard construction and PASS training is available with additional fees to be negotiated between CUSTOMER and TAC.

SCHEDULE C: PERFORMANCE GUARANTEE

TAC guarantees that the CUSTOMER will save a total of $3,822,810over the 15 year term of the contract. This equates to an annual savings amount of $254,854 in Total Dollar Savings, which consists of tracked savings of $254,854 . In the event the annual savings are less than the amount stated above, TAC will pay the CUSTOMER the difference between the guaranteed amount and the cumulative achieved amount. TAC will make payments for any savings shortfall to the CUSTOMER within 30 days of that year's Savings Reconciliation.

The procedure used to calculate savings is described in Schedule D Section I - Performance Tracking Methodology.

GUARANTEED SAVINGS RECONCILIATION

The guarantee term (and first year PASS Agreement) will commence on the first day of the first utility billing period following the month in which TAC delivers to the CUSTOMER the Project Warranty Letter. This date is referred to as the **Savings Guarantee Commencement Date**.

Within sixty (60) days of receiving pertinent utility bills after the Savings Guarantee Commencement Date and each anniversary of the Savings Guarantee Commencement Date, and within sixty (60) days of receiving pertinent utility bills after the end of the guarantee term, TAC will determine the Total Dollar Savings for the immediately preceding period.

The savings generated during the period from the "Date of Commencement" to the Savings Guarantee Commencement Date will be called "Implementation Period Savings". Implementation Period Savings will be added to the Savings Calculation made on the first anniversary of the Savings Guarantee Commencement Date for reconciliation purposes.

In the event that additional savings above guarantee are achieved in any year during the guarantee period, these savings can be used to offset shortfalls in savings in other years. If TAC has written a savings shortfall check to the CUSTOMER, and later Total Dollar Savings exceed the annual guarantee amount, CUSTOMER will reimburse TAC up to the amount of TAC's shortfall check, to the extent that the shortfall is made up by savings in excess of the guarantee.

SCHEDULE D: METHODOLOGY AND BASELINE

SECTION I - PERFORMANCE TRACKING METHODOLOGY

A. **Description**
B. **Baseline Definition**
C. **Determination of Adjusted Baseline**
D. **Other Savings**
E. **Determination of Energy Units Saved**
F. **Determination of Energy Dollars Saved**

A. Description

The method of determining energy savings described in this section uses "Option C – Main Meter Measurement" as described in the International Measurement and Verification Protocol (IPMVP). In brief, the energy savings resulting from this project will be measured as follows:

Energy savings will be measured by comparing the guarantee period's total energy consumption and demand to the total energy consumption and demand for the same area in the base year period. Base year energy and demand will be adjusted for differences in weather, facility operation and facility modifications to estimate how much energy would have been used in the guarantee period if the energy conservation measures had not been implemented. The energy saved is the difference between the adjusted base year consumption and the guarantee period consumption. The demand saved is the difference between the adjusted base year demand and the guarantee period demand. Energy cost savings is the difference between the cost of the base year consumption and demand and the guarantee period consumption and demand. This process will be followed for each fuel type involved in the guarantee.

B. Baseline Definition

The base year is the period of time, as agreed to in this document, which establishes the pre-retrofit conditions used as the point of reference for determining guaranteed savings. The guarantee period is any one or more billing periods during the term of the guarantee during which guaranteed savings are measured.

The baseline is that set of parameters that describes both the energy consumed in the base year and the conditions that caused that consumption to occur. This set of parameters includes utility consumption, facility use information, weather data and other information as may be necessary to describe the base year conditions. In addition, the baseline includes certain mathematical values, calculated by a model, that are used to correlate the base year energy consumption with the factors that caused that consumption. The baseline to be used for this project is fully defined in Schedule D Section II, paragraphs A through I. Customer agrees to accept modifications to this baseline that are necessary to account for changes in the facilities and their use which may have occurred prior to the execution of this agreement but come to the attention of TAC after the execution of this agreement.

C. Determination of Adjusted Baseline

Base year consumption is adjusted to estimate what the current guarantee period consumption would have been if no energy conservation measures had been implemented. This is accomplished by adjusting for these factors:

- Changes in the number of days between the base year and guarantee year billing periods

- Changes in weather between the base year and guarantee year billing periods
- Changes in facility use between the base year and guarantee year billing periods
- Modifications to the facility between the base year and guarantee year periods

Adjusted base year consumption is calculated as follows for each fuel type:

$Q = C_D * (T_i - T_{i-1}) + C_H * HDD_i + C_C * CDD_i + O_i + M_i$, or

Adjusted Base Year Consumption = Weather Independent Consumption + Weather Dependent Consumption + Offset + Use and Modification Adjustments

Where:

Q = adjusted base year consumption

C_D = a constant representing units of consumption per billing period day as calculated by model

T_i = ending date of current billing period

T_{i-1} = ending date of previous billing period

C_H = a constant representing units of consumption per heating degree day as calculated by model

HDD_i = heating degree days in the current billing period

C_C = a constant representing units of consumption per cooling degree day as calculated by model

CDD_i = cooling degree days in the current billing period

O_i = offset for the current billing period

M_i = other adjustments for the current billing period

Adjusted base year demand is calculated with a slightly different formula as follows:

$D = D_D * (T_i - T_{i-1}) + D_H *(HDD_i / (T_i - T_{i-1})) + D_C * (CDD_i / (T_i - T_{i-1})) + O_i + M_i$, or

Adjusted Base Year Demand = Weather Independent Demand + Weather Dependent Demand + Offset + Use and Modification Adjustments

Where:

D = adjusted base year demand

D_D = a constant representing units of demand per billing period day as calculated by model

D_H = a constant representing units of demand per heating degree day as calculated by model

D_C = a constant representing units of demand per cooling degree day as calculated by model

Weather Independent Consumption

Because utility meters are not always read on the same day of the month, the number of days in a meter's billing period frequently varies. The term, $C_D * (T_i - T_{i-1})$, in the above equation is used to account for this difference, where $(T_i - T_{i-1})$, gives the number of days in the guarantee year billing period. Thus, Weather Independent Consumption is the consumption per day times the number of days in the guarantee year billing period. The approach is identical for demand, except that the term D_D is substituted for C_D.

Weather Dependent Consumption

Change in weather between the base year and guarantee year periods is accounted for with the term, $C_H * HDD_i + C_C * CDD_i$. Weather Dependent Consumption is consumption per degree-day times the number of degree-days in the guarantee year billing period. A cooling degree-day is the difference between the average daily temperature and the balance point temperature (AvgTemp – BalanceTemp). A heating degree-day is the difference between the balance point temperature and the average daily temperature (BalanceTemp – AvgTemp). Degree-days are either positive numbers or zero. If the degree-day calculation yields a negative number, the period is considered to have zero degree-days of that type. The balance point temperature is different for each building and for each fuel type. The balance point temperatures used for this project are defined in Schedule D Section II-A. The weather station used to determine daily temperatures is specified in Schedule D Section II-D.

Demand is treated similarly. The exception being that "degree-days per day" is substituted for total degree-days. This provides a measure of average daily weather intensity.

t.a.c

Offset
Offset is that portion of the energy consumption that cannot be accounted for with the Weather Independent and Weather Dependent consumption. It is mostly attributable to seasonal changes in facility use such as summer shutdown and holidays. An Offset figure is defined for each billing period in the base year. Offset for the base year is defined in Schedule D Section II-A. Since the guarantee period may overlap two or more base year billing periods, the guarantee period offset will be the weighted average of the base year offset for the corresponding guarantee year period. Offset for the guarantee period is determined with this equation:

$$O_i = O_1 * dG_1/dB_1 + O_2 * dG_2/dB_2 + \ldots O_n * dG_n/dB_n$$

Where:

O_i = current guarantee period offset
O_1 = base year period 1 offset
O_2 = base year period 2 offset
O_n = base year period n offset
dG_1 = days in guarantee period that overlap base year period 1
dG_2 = days in guarantee period that overlap base year period 2
dG_n = days in guarantee period that overlap base year period n
dB_1 = days in base year period 1
dB_2 = days in base year period 2
dB_n = days in base year period n
n = number of base year periods overlapped by guarantee year period

Other Adjustments
Additional adjustments to the base year may be made to compensate for modifications and additions to a facility or to compensate for changes in how a facility is used. A list of known Causes for Adjustment is shown in Schedule D Section II-F along with means to determine the magnitude of these adjustments.

The total adjustment for any given period will be determined with this equation:

$$M_i = Adj_1 + Adj_2 + \ldots Adj_n$$

Where Adj_1, Adj_2 and Adj_n are all of the adjustments determined to be necessary for the guarantee period. The sign of the adjustment will be positive when the change will cause an increase in energy and the sign of the adjustment will be negative when the change will cause a decrease in energy. Upon request, TAC will provide an explanation of the derivation of these adjustments to Customer.

If additional changes occur, other than those listed in Schedule D Section II-F, TAC will document to Customer how adjustments will be determined for said changes. Any such adjustment will be added to the term M_i in the equation above.

D. Other Savings

Other Energy Savings
Both Customer and TAC agree to add Stipulated Savings and Other Energy Savings to any measured savings according to the Other Energy Savings Schedule in Schedule D Section III-B.

Maintenance\Other Savings
As a result of implementing Energy Conservation Measures, additional non-energy savings may accrue towards this contract's guaranteed savings. These savings will be measured as follows:

$$\$O = \$O_b - \$O_g$$

Where;

$\$O_b$ = Base year maintenance\other cost
$\$O_g$ = Guarantee period maintenance\other cost

Any base year maintenance\other costs to be used for this purpose are defined in Schedule D Section III-A.

Guarantee period maintenance\other costs will be determined from Customer's records that reflect savings that occur due to the implementation of the Energy Conservation Measures.

E. Determination of Energy Units Saved

Energy and demand units saved will be determined by the following equation:

$E = E_B - E_G$

Where;

E = Energy (or demand) Units Saved
E_B = Adjusted Base Year Consumption
E_G = Guarantee Period Consumption

F. Determination of Energy Dollars Saved

For the purposes of this contract's guarantee, energy dollars saved will be determined as follows:

$\$ = (\$_B - \$_G) + \$_S + \$_O + \$_M$

Where:

\$ = Energy Dollars Saved
$\$_B$ = Cost of Adjusted Base Year Energy, for All Fuel Types
$\$_G$ = Cost of Guarantee Period Energy, for All Fuel Types
$\$_S$ = Stipulated Energy Savings
$\$_O$ = Other Energy Savings
$\$_M$ = Maintenance\Other Savings

The cost of energy in any period will be determined by applying the energy rates, as defined in schedule D section II-E, or the actual energy rates during the period, at the discretion of TAC, to the energy used in a given period for each fuel type.

A. Meter Tuning Contract

The purpose of meter tuning is to establish a relationship between the weather and the consumption and demand measured by a particular meter. Tuning consists of identifying relationships between "historic" utility performance and weather (heating degree days and/or cooling degree days). The end result is a set of coefficients, which will be used in modeling the energy use of a facility to calculate the energy savings or penalty associated with weather normalizing the baseline energy usage.

During the project installation, the PASS department will select the twelve (12) month baseline period (12 months prior to the beginning of installation typically) for each guarantee meter and determine the meter tuning coefficients. These coefficients will be submitted to the customer for review prior to the start of the guarantee period.

The meter tuning effects will be calculated using Metrix utility simulation software. Metrix is a software package product of Silicon Energy. This software package has been accepted as meeting the requirements of the (IPMVP) International Performance Measurement and Verification Protocol.

I. Other Information

Other Key Baseline Conditions
Following are key baseline conditions and calculation assumptions. Significant deviation from any or all of these conditions constitutes a cause for adjustment. In the event a cause for adjustment occurs, TAC will use an appropriate means to estimate the effect of the change and add or subtract the adjustment for the current billing period. All calculations will be made available to Customer upon request.

- The guaranteed savings assume that no significant increase or decrease, in quantity or capacity, will occur in installed equipment and plug loads such as fans, pumps, lighting, copiers, computers, printers, ovens, etc. TAC reserves the right to adjust for changes in quantity and/or capacity of any of these items. Customer agrees to provide to TAC access to Customer's premises and/or records for purposes of determining the occurrence and/or magnitude of any such changes.

SECTION III - SAVINGS

A. **Baseline Maintenance\Other Costs**
B. **Other Energy Saving**

Other Measured Energy Savings

Other Measured Energy Savings will be determined as follows:

$$\$_O = E_O * \$/Unit$$
$$E_O = E_{MB} - E_{MG}$$

Where:

$\$_O$ = Other Measured Energy Savings
\$/Unit = Cost of Energy per Unit Measured
E_O = Other Measured Energy Units Saved
E_{MB} = Measured Base Year Consumption
E_{MG} = Measured Guarantee Year Consumption

The total Other Measured Energy Savings for any guarantee period will be the sum of the Other Measured Energy Savings for all sites and fuel types.

t.a.c.

SCHEDULE E: PAYMENT SCHEDULE

Construction progress payments shall be made to TAC monthly based on the percentage completion of items delineated on a Schedule of Values during the prior month. The Schedule of Values will be developed by TAC and provided to CUSTOMER at the beginning of project implementation. The Schedule of Values will be based upon the project cost less the project mobilization payment.

The payments shall be taken from an escrow account set up within the project financing agreement. The payment schedule is as follows:

TAC may submit Payment Request Forms and payments shall be made to TAC on a monthly basis during construction. CUSTOMER shall promptly forward Payment Request Form to the escrow agent requesting payment to TAC in an amount equal to the value of services rendered since the last interim payment as shown on the Schedule of Values provided during installation.

SCHEDULE F: PROJECT SPECIFIC CUSTOMER RESPONSIBILITIES

CUSTOMER agrees to maintain the Energy Conservation Measures in original condition with allowance for normal wear and tear. If an Energy Conservation Measure becomes non-operational, CUSTOMER agrees to repair the measure promptly. If CUSTOMER chooses not to repair the failed measure, TAC reserves the right to adjust the amount of guaranteed savings associated with that measure in the yearly savings guarantee.

CUSTOMER must maintain all parts of the Project Site(s). If CUSTOMER has no preventative maintenance program in place, CUSTOMER must comply with the general maintenance requirements specified by equipment manufacturers and/or the Maintenance Tasking guidelines that follow.

If CUSTOMER has an existing preventative maintenance program currently in force at time of contract execution, that program must be continued throughout the guarantee term of this contract. Equipment must be maintained in proper working condition in all cases where the performance of said equipment affects or could affect the guarantee. Should CUSTOMER refuse to perform the required maintenance as per Schedule F, TAC and CUSTOMER shall agree to one of the following means of recourse: a) TAC will adjust the guaranteed savings associated with that equipment, or b) TAC may terminate this guarantee contract upon seven days written notice (as a last resort).

GENERAL RESPONSIBILITIES

CUSTOMER agrees to: a) provide, or cause its suppliers to provide, periodic utility invoices to TAC in a timely manner; b) execute all customer responsibilities as scheduled in Schedule D Section II-F; c) provide to TAC reasonable access to all CUSTOMER facilities and information necessary for TAC to perform its responsibilities. Access will include, but is not limited to, the following items:

- All buildings listed in Schedule D Section II-C.
- All buildings served by the meters listed in Schedule D Section II-B.
- All mechanical equipment rooms in the above buildings
- All temperature control and energy management systems which control part or all of any of the above buildings
- Personnel with responsibility for operating and/or managing any of the above buildings
- Monthly utility invoices and billing history for all of the meters listed in Schedule D Section II-B.
- Construction documents, equipment inventories, and other documents that may be helpful in evaluating a cause for adjustment as listed in Schedule D Section II-F.
- Any data from meters or sub-meters relevant to M&V associated with this contract.

Telephone/Network Communications:

CUSTOMER will be responsible for providing communications and or network interface to all campus buildings for operation and PASS support.

Installation Material Storage:

TAC will be responsible for providing off-site storage for installation materials at each work site.

MAINTENANCE TASKING FOR MECHANICAL EQUIPMENT

As part of this agreement, CUSTOMER and TAC concur that proper maintenance is an essential part of a

complete energy conservation program. Therefore; CUSTOMER agrees to maintain all new and existing mechanical equipment involved with the Performance Contract to insure maximum operating efficiencies. Standard preventative maintenance procedures should be followed to improve equipment performance and extend equipment life.

As the energy savings guarantee agreement progresses with time, CUSTOMER will be responsible to provide to TAC annual documentation that proper maintenance of equipment has been performed. This condition will be in effect throughout the duration of this agreement. In the event, TAC finds that the mechanical systems are not being maintained, TAC retains the right to adjust the performance assurance report to recapture any lost energy savings from a lack of mechanical maintenance.

Tyler and Client agree as follows:

1. **License Grant.**

1.1. Upon the Effective Date, Tyler hereby grants to Client a non-exclusive, non-transferable, royalty-free, revocable license to use the Tyler software products set forth in the investment summary attached hereto as Exhibit 1 ("Investment Summary") and related interfaces (collectively, the "Tyler Software Products") and Tyler user manuals for Client's internal business purposes at 753 Fort Sill Boulevard, Lawton, Oklahoma 73502, for Lawton Public Schools only and otherwise subject to the terms and conditions of this Agreement. This license is revocable by Tyler if Client fails to comply with the terms and conditions of this Agreement, including without limitation, Client's failure to timely pay the Application Software License Fees in full. Upon Client's payment in full for the Tyler Software Products, this license shall become irrevocable, subject to the restrictions on use and other terms set forth in this Agreement. The right to transfer the Tyler Software Products to a replacement hardware system is included in this Agreement. Client shall pay Tyler for the cost of new media or any required technical assistance to accommodate the transfer. Client shall provide advance written notice to Tyler of any such transfer.

1.2. Client acknowledges and agrees that the Tyler Software Products and user manuals are proprietary to Tyler and have been developed as trade secrets at Tyler's expense. Client shall use best efforts to keep the Tyler Software Products and user manuals confidential and to prevent any misuse, unauthorized use or unauthorized disclosure of the Tyler Software Products or user manuals by any party.

1.3. Client may make copies of the Tyler Software Products for archive purposes only. Client will repeat any and all proprietary notices on any copy of the Tyler Software Products. Client may make copies of the Tyler user manuals for internal use only.

1.4. The Tyler Software Products may not be modified by anyone other than Tyler. If Client modifies the Tyler Software Products without Tyler's prior written consent, Tyler's obligations to provide maintenance services on, and the warranty for, the Tyler Software Products will be void. Client shall not perform decompilation, disassembly, translation or other reverse engineering on the Tyler Software Products. Client also shall not append, delete, modify or otherwise alter the data in the databases used by the Tyler Software Products, other than by the use of the Tyler Software Products in accordance with the terms of this Agreement.

1.5. Versatrans Onscreen ™ ("Onscreen") and Versatrans Fleetvision ™ ("Fleetvision") are licensed on a per vehicle basis. Client may exceed the number of Onscreen vehicles by up to 25% solely for the purpose of setting up spare fleet vehicles only. Client may exceed the number of Fleetvision vehicles by up to 25% solely for the purpose of setting up spare fleet vehicles only. At no time may Client actively use more than the number of vehicles licensed.

2. **Limited Warranty**. For the purposes of this Agreement, a "Defect" is defined as a failure of the Tyler Software Products to substantially conform to the then-current Tyler User Guides and the functional descriptions of the Tyler Software Products in Tyler's written proposal to Client. In the event of conflict between the aforementioned documents, the then-current Tyler User Guides will control. A Tyler Software Product is "Defective" if it contains a Defect. For as long as a current Agreement is in place, Tyler warrants that the Tyler Software Products will not contain Defects. If the Tyler Software Products do not perform as warranted, Tyler will use reasonable efforts, consistent with industry standards, to cure the defect in accordance with Tyler's then current support call process. Should Tyler be unable to cure the defect or provide a replacement product, Client shall be entitled to a refund of the Application Software License Fee paid for the defective Tyler Software Product, as depreciated on a straight-line basis over a seven (7) year period commencing on the Effective Date.

3. **Intellectual Property Infringement Indemnification**. Tyler will defend and indemnify Client against any

claim by an unaffiliated third party of this Agreement that a Tyler Software Product infringes that party's patent, copyright or other intellectual property right issued and existing as of the Effective Date or as of the distribution date of a release to the Tyler Software Product, and will pay the amount of any resulting adverse final judgment issued by a court of competent jurisdiction or of any settlement that Tyler pre-approves in writing, provided that Client promptly notifies Tyler in writing of any such claim, gives Tyler reasonable cooperation, information, and assistance in connection with it, and consent to Tyler's sole control and authority with respect to the defense, settlement or compromise of the claim. Tyler will not be obligated under this section if the infringement results from: (i) Client's use of a previous version of a Tyler Software Product and the claim would have been avoided had you used the current version of the Tyler Software Product; (ii) Client's combining the Tyler Software Product with devices or products not provided by Tyler, (iii) use of a Tyler Software Product in applications, business environments or processes for which the Tyler Software Product was not designed or contemplated, and where use of the Tyler Software Product outside such application, environment or business process would not have given rise to the claim, (iv) corrections, modifications, alterations or enhancements that Client made to the Tyler Software Product; (v) use of the Tyler Software Product by any person or entity other than Client or Client's employees; or (vi) Client's willful infringement. In the event a Tyler Software Product is finally determined to be infringing and its use by Client is enjoined, Tyler shall, at its election (i) procure for Client the right to continue using the infringing Tyler Software Products; (ii) modify or replace the infringing Tyler Software Products so that it becomes non-infringing; or (iii) terminate Client's license for the infringing Tyler Software Product and refund to Client the Application Software License Fee paid for the infringing Tyler Software Product, as depreciated on a straight-line basis over a seven (7) year period commencing on the Effective Date. The foregoing states Tyler's entire liability and Client's sole and exclusive remedy with respect to the subject matter hereof.

4. **Expenses.** Expenses shall be billed in accordance with the then-current Tyler Business Travel Policy, based on Tyler's usual and customary practices. Copies of receipts shall be provided on an exception basis at no charge. Should all receipts for non per diem expenses be requested, an administrative fee shall be incurred. Receipts for mileage and miscellaneous items less than five dollars ($5) are not available.

5. **Cancellation of Services**. In the event Client cancels services less than fifteen (15) business days in advance, Client is liable to Tyler for (i) all non-refundable expenses incurred by Tyler on Client's behalf; and (ii) daily fees associated with the canceled services if Tyler is unable to re-assign its personnel. Training may be rescheduled upon written request of Client and prepayment of Training costs at the rates and upon the terms and conditions provided for in this Agreement.

6. **Work Responsibilities**. Client data necessary to utilize the Tyler Software Products (the "Client Data") shall be developed between the Effective Date and the first day of training. Tyler shall retain ownership of the Client Data. The parties shall have the additional responsibilities for developing and formatting the Client Data as set forth in the "Work Responsibilities" annexed hereto as Exhibit 2 and made a part of this Agreement.

7. **Additional Services**. Services requested by Client in excess of those set forth in the Investment Summary, including but not limited to district canvassing, if Client's downloads do not meet specifications or if fields of data are missing or need to be interpreted or processed, may be billable services, at Tyler's sole discretion, to be provided at Tyler's then-current rates. Tyler shall not perform additional services without Client's prior written approval.

8. **Maintenance Services.** The Maintenance Agreement is effective when Tyler has made the Tyler Software Products available to Client for downloading and shall remain in force for a one (1) year term. Upon expiration of this Maintenance Agreement, Client may renew the Maintenance Agreement for subsequent one (1) year periods at the then-current Application Software Maintenance Fees.

8.1. **Maintenance Services Terms, Conditions, Limitations and Exclusions**. For as long as a current Maintenance Agreement is in place, Tyler shall:

8.1.1.1. In a professional, good and workmanlike manner, perform its obligations in accordance with Tyler's then current support call process in order to conform the Tyler Software Products to the

applicable warranty under this Agreement. If Client modifies the Tyler Software Products without Tyler's prior written consent, Tyler's obligations to provide maintenance services on and warrant the Tyler Software Products shall be void. Tyler reserves the right to suspend maintenance services if Client fails to pay undisputed Application Software Maintenance Fees within sixty (60) calendar days of the due date. Tyler will reinstate maintenance services upon Client's payment of the overdue Application Software Maintenance Fees.

8.1.1.2. Provide Client with all releases Tyler makes to the Tyler Software Products. Client acknowledges and agrees that a new release of the Tyler Software Products is for implementation in the Tyler Software Products as they exist without Client customization or modification, and that Tyler reserves the right to cease supporting a prior release of the Tyler Software Products one (1) year after Tyler has made a new release of the Tyler Software Products available to Client for downloading.

8.1.2. Application Software Maintenance Fees do not include installation or implementation of the Tyler Software Products, onsite support (unless Tyler cannot remotely correct a defect in a Tyler Software Product), application design, other consulting services, support of an operating system or hardware, and support outside Tyler's normal business hours.

8.2. **Client Responsibilities**. Client shall provide, at no charge to Tyler, full and free access to the Tyler Software Products and the servers and workstation that run them; including but not limited to: remote access, working space; adequate facilities within a reasonable distance from the equipment; and use of machines, attachments, features, or other equipment necessary to provide maintenance services set forth herein.

9. **Taxes**. The fees set forth in the Investment Summary do not include any taxes, including, without limitation, sales, use or excise tax. All applicable taxes shall be paid by Tyler to the proper authorities and shall be reimbursed by Client to Tyler. In the event Client possesses a valid direct-pay permit, Client will forward such permit to Tyler on the Effective Date. In such event, Client shall be responsible for remitting all applicable taxes to the proper authorities. If tax-exempt, Client shall provide Tyler with Client's tax-exempt certificate.

10. **Force Majeure**. Neither party shall be liable for delays in performing its obligations under this Agreement to the extent that the delay is caused by force majeure. Either party shall have the right to terminate this Agreement if Force Majeure suspends performance of scheduled tasks by one or more parties for a period of one hundred-twenty (120) or more days from the scheduled date of the task. This paragraph shall not relieve Client of its responsibility to pay for services and goods provided to Client and expenses incurred on behalf of Client prior to the effective date of termination.

11. **Indemnification**. Subject to the limitation of liability set forth herein, Tyler shall indemnify and hold harmless Client and its agents, officials and employees from and against any and all claims, losses, liabilities, damages, costs and expenses (including reasonable attorney's fees and costs) arising from Tyler's negligence or willful misconduct. Tyler shall not be liable to the degree or extent of damages, loss, or expense determined to be the fault of the Client.

12. **Limitation of Liability**. In no event shall Tyler be liable for special, indirect, incidental, consequential, or exemplary damages, including, without limitation, any damages resulting from loss of use, loss of data, interruption of business activities, or failure to realize savings arising out of or in connection with the use of the Tyler Software Products, Services, or Third Party Products. Tyler's liability for damages and expenses arising from the Tyler Software Products or Services, whether based on a theory of contract or tort, including negligence and strict liability, shall be limited to the fees set forth in the Investment Summary related to the defective product or service. Tyler's liability for damages and expenses arising from the Third Party Products, whether based on a theory of contract or tort, including negligence and strict liability, shall be limited to the License Fee/Purchase Price of the Third Party Products. Such fees reflect and are set in reliance upon this limitation of liability.

13. **Disclaimer**. THE RIGHTS, REMEDIES, AND WARRANTIES SET FORTH IN THIS AGREEMENT ARE EXCLUSIVE AND IN LIEU OF ALL OTHER RIGHTS, REMEDIES, AND WARRANTIES EXPRESSED,

IMPLIED, OR STATUTORY, INCLUDING, WITHOUT LIMITATION, THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND SYSTEM INTEGRATION, WHICH ARE HEREBY DISCLAIMED BY TYLER.

14. **Termination.**

14.1. Termination for Cause. In the event of Tyler's failure to perform under this Agreement, Client shall immediately notify Tyler in writing of such failure and allow Tyler a thirty (30) day period in which to cure such failure. If, at the end of the cure period, Tyler has not cured such failure, Client will have the right to terminate this Agreement. Upon such termination, Client shall pay Tyler for all products, services, and expenses not in dispute which were delivered or incurred prior to the date Tyler received Client's notice of termination. Payment for products, services, and expenses in dispute will be determined through non-binding arbitration.

14.2. Termination for Non-appropriation. If Client should not appropriate or otherwise make available funds sufficient to purchase, lease, operate or maintain the products set forth in this Agreement, or other means of performing the same functions of such products, Client may unilaterally terminate this Agreement only upon thirty (30) days written notice to Tyler. Upon termination, Client shall remit payment for all products and services delivered to Client and all expenses incurred by Tyler prior to Tyler's receipt of the termination notice.

15. **No Assignment**. Client may not assign its rights and responsibilities under this Agreement without Tyler's prior written permission, not to be unreasonably withheld.

16. **Confidentiality**. Both parties recognize that their respective employees and agents, in the course of performance of this Agreement, may be exposed to confidential information and that disclosure of such information could violate rights to private individuals and entities. Each party agrees that it will not disclose any confidential information of the other party and further agrees to take appropriate action to prevent such disclosure by its employees or agents. The confidentiality covenants contained herein shall survive the termination or cancellation of this Agreement for a period of two (2) years. In the event of Freedom of Information Act or similar public record requests, confidential information shall be disclosed only to the extent disclosure is based on the good faith written opinion of the receiving party's legal counsel that disclosure is required by law: provided, however, that that receiving party shall give prompt notice of the service of process or other documentation that underlies such requirement and use its best efforts to assist the disclosing party if the disclosing party wishes to obtain a protective order or otherwise protect the confidentiality of such confidential information. The disclosing party reserves the right to obtain protective order or otherwise protect the confidentiality of its confidential information.

17. **Payment Terms.**

17.5. Payment is due within thirty (30) days of the invoice date.

18. **Entire Agreement.** This Agreement represents the entire agreement of Client and Tyler with respect to the subject matter hereof, and supersedes any prior agreements, understandings, and representations, whether written, oral, expressed, implied, or statutory. Client hereby acknowledges that in entering into this Agreement it did not rely on any information not explicitly set forth in this Agreement. This Agreement may only be modified by written amendment signed by authorized representatives of both parties.

Tyler will enter into the map data file data supplied by Client, including:

- Building locations and contacts
- Map restrictions
- Bus stops and bus stop classifications
- One way streets
- Average road speeds
- Walk-to-stop distances by grade and arrival/departure times
- Define and assign boundaries
- School names and locations
- Grades at each school
- Employees and employee types
- Drivers
- Employee certifications
- Vehicles and equipment
- Route sets and schemes
- Route set criteria
- Any and all other data and information related to students, bus routing, maps and Client's policies and procedures related to this Agreement that may be necessary to compile accurate district data

House Numbering Data

If necessary, Tyler will enter house numbering data for the district portion of the map provided by Client in electronic format. Tyler will not perform a district canvass for house numbers, unless expressly contracted by Client in accordance with Section 7 ("Additional Services") of this Agreement.

Student File Preparation

Tyler will provide Client with an ASCII file layout describing the required district student data file and will import the Client's ASCII file(s) into the new map data file (the "Student Data").

Tyler will pass the Student Data through the location process. To the extent feasible as determined in Tyler's sole discretion, Tyler will correct Student Data not matching street/number ranges in the digital map. To the extent such corrections are not feasible, Tyler will furnish Client with a list of students with non-locatable addresses for Client to correct.

Editorial Responsibilities

Tyler may periodically require Client to review district data. The timely and accurate review of this data is critical. Client will cause its employees or agents to perform the editing functions timely, accurately and to the best of their ability, and will notify Tyler when corrections are final. The information and data approved following the periodic review stages are the sole responsibility of Client. Alterations later requested or necessary which could have been made as part of this editing process are available in accordance with Section 7 of this Agreement. Tyler shall not be responsible for any failure to meet a written production schedule to the extent such failure is due, in whole or in part, to Client's failure to perform its work responsibilities timely and accurately.

Training

a. During the course of the Client implementation, Tyler will provide training in the use of the Tyler Software Products (the "Training"). Up to five (5) Client employees may attend the Training. Implementation Training is delivered on-line on weekdays, unless the parties agree to other arrangements. Routing Training will be held at Client's place of business, on weekdays, unless the parties agree to another location and time. Weekend Training may be available at premium rates and based on trainer availability. It is understood that the effectiveness of Training depends upon continuous attendance by all trainees, minimum interruptions, and the availability of one or more Client computers fully equipped to run the Tyler Software Products. Provided that all of Tyler's tasks are complete, failure to schedule Routing Training within two (2) months of the last day of Implementation Training may require that additional Training be purchased as a refresher course.

b. Training does not include installation services such as disk formatting, installing operating systems, installing hardware, installing non-Tyler software, equipment repairs or adjustment, or training in the use of Windows, local area networks, peer-to-peer networks, or communications software. Such services must be performed internally or obtained from third parties.

c. In conjunction with the initial purchase of Versatrans Routing and Planning, Tyler will provide up to six (6) hours of transition Training to assist Client during the implementation process of Versatrans Routing and Planning. Transition Training will consist of telephone and/or on-line Training. On-line Training sessions allow the Tyler trainer to connect to the user's computer and instruct him/her in certain operations and/or answer questions relating to software concepts and operations. Upon Client's request, on-line transition Training sessions will be scheduled at mutually agreeable times and will be used between the Implementation and Routing Training or within thirty (30) days of the Routing Training session.

d. All Training dates must be approved by Client in writing.

Title of Proposal:

MacArthur Football/ Under Armour Sponsorship

Reason for Proposal:

An agreement with Under Armour would benefit MacArthur Football by allowing them to purchase football equipment and apparel at a deeply discounted price. Through this program, savings on athletic apparel will make it possible to use these savings to fund other needs.

Identify Proposal as it Relates to Elementary and/or Secondary Educational Concerns:

A concern was brought forth on the financial impact this agreement would have on student athletes. The Under Armour sponsorship does not limit student athletes to purchase Under Armour equipment. I am including an email below from Brett Manning with more information.

Mr. Dees,

The renewal of our Under Armour contract is a very positive thing for our student athletes. It allows us to save money from our activity fund. That extra money allows us to better serve our athletes. It allows us to spend more money on everything from shoulder pads and helmets to tackling dummies. There is NOT one single example where this could negatively impact a student.

Our kids are not required to purchase anything in order to play football. The only thing that a football player would even have the option to buy would be cleats. The contract states that if the school purchases uniform equipment (including cleats) that it must be Under Armour. If a kid has a desire to buy his own cleats he has that option and it does not have to be Under Armour. If a parent finds a pair of Nike or Adidas on sale and they want to buy it that is fine. They can even wear them during the game.

Having an Under Armour contract is a privilege and an honor. It has been great for MHS and I would very much like to continue putting our kids in a top of the line uniform.

Brett Manning

Estimated Cost Factor to the School District

There will be no cost to the district.

Action Desired:

I recommend that the board approves the Under Armour contract for the MacArthur High School football program.

SPECIAL INSTRUCTIONS

U.S. News Best High Schools 2017 Award Badge Permission

Licensee: **Lawton High School (16084)** ("School") has one or more schools that have been recognized by U.S. News & World Report as a "Best High School" in U.S. News's Best High Schools 2017 rankings. This agreement sets forth the terms on which School may use a badge(s) recognizing such ranking(s) and containing, among other things, the U.S. News logo (a "Best High Schools 2017 Badge"). Any badge for which permission to use is granted to a School hereunder shall be referred to as a "Best High Schools 2017 Award Badge" or "Badge" hereunder.

School wishes to license a Best High Schools 2017 Badge(s) for each of the following schools that are eligible (each, an "Eligible School" or "Schools") for the following types of badges: **Bronze**

License

U.S. News & World Report, L.P. ("U.S. News") hereby grants School a license on the terms and conditions set forth herein to use the Badge(s) for the Eligible Schools listed above for the uses listed below:

☑ Web Use License (WUL). The WUL consists of the right to use the U.S. News badge(s) on one web site, one Facebook page, one LinkedIn profile, and one Twitter home page per eligible school, where all such usages are dedicated to promoting the Eligible School.

☑ Apparel License (AL) consists of the right to use the U.S. News Badge(s) on shirts, jackets, uniforms, umbrellas, gym bags, and other items of clothing or of personal use that also contain an Eligible School's logo or other clearly identifying features.

Regardless of the date of signing, School shall not publicly display any Badge licensed under this agreement or otherwise publicly release information about its standing in the Best High Schools 2017 rankings until U.S. News releases that information on usnews.com (currently scheduled for April 25, 2017).

The license is for a period beginning on the date of signing of this Agreement by Wright's Media (on behalf of U.S. News) and lasting until either 12 months thereafter or the next publication of the U.S. News Best High Schools rankings, whichever comes first. School will remove all Badges from all media at the end of such period. If School places the award badge(s) on a website, the badge(s) must link back to the directory page at usnews.com displaying the School's profile.

This license includes only those usages set forth above. Any other uses are excluded, including but not limited to reprints, e-prints, plaques, lapel pins, or accolade licensing, all of which usages and products may be licensed separately.

Badges must be displayed in a way that makes them visible and legible in their entirety. To ensure legibility, for example, the size of a badge for placement in print materials may be no smaller than 1.125 inches in width, on apparel may be no smaller than 2 inches wide, and in digital media intended primarily for display on a personal computer or tablet they may be no smaller than 70 pixels wide.

Terms & Conditions

School acknowledges that the license made hereunder will in no way affect, positively or negatively, the School's rankings.

Eligibility to use a Badge must be confirmed by Wright's Media, which includes verification by Wright's Media that the Eligible School appeared in the online version of the U.S. News Best High Schools 2017 list. A Badge is not transferable, and may not be used by any parents, subsidiaries, affiliates and/or franchisees without U.S. News approval. A Best High Schools badge recognizes excellence in providing a high school education at a specific public high school and should not be used in a way that implies recognition for other schools or educational programs, including schools that are part of the same school system or otherwise affiliated with School.

A Badge shall only be used for the purpose of identifying a School as having been named to the U.S. News Best High Schools 2017 list and not to imply an endorsement of any products or services.

The use of a Badge is subject to the School correctly describing its placement in U.S. News Best High Schools 2017. For example, it may be accurate to refer to a school as "#4 in the state" or "highest ranked in the county," but it would be inaccurate to say "#1 in the county (or city) because U.S. News publishes Best High Schools numerical rankings only for a state and for the entire nation. U.S. News has the right to monitor use of the Badges, and if U.S. News determines at any time in its sole discretion that School's description of its placement in U.S. News Best High Schools 2017 is or becomes inaccurate, misleading, or otherwise inappropriate for any reason, or that a School is no longer entitled to use such a Badge, U.S. News will notify the School, and the School agrees that it shall immediately remove, or change, such materials in accordance with U.S. News's request.

The Best High Schools 2017 Badges shall only be used in the form and colors indicated, without modifications or alterations. Such Badge(s) will not be used in a way that would reflect poorly on U.S. News.

School acknowledges that all Best High Schools 2017 Badges are trademarked and copyrighted creations belonging to U.S. News & World Report, L.P. and that all rights accruing from the use of the marks shall be to the benefit of U.S. News & World Report, L.P.

School agrees that it will keep the terms and conditions of this Agreement confidential, and any other confidential information it learns about U.S. News in the course of the relationship governed by this Agreement.

School grants U.S. News the right to reproduce and display School creative to demonstrate the use of the Badge(s), and School represents to U.S. News that it has the right to grant such rights.

School shall indemnify, defend and hold U.S. News and Wright's Media, LLC ("Wright's"), and their parents, subsidiaries, and affiliated and related companies, and the directors, officers, employees, agents and representatives of each of them (the "Indemnified Parties") from and against, any and all liabilities, obligations, demands, causes of action, claims, judgments, settlements, losses, damages, injuries, costs or expenses ("Losses"), relating either directly or indirectly to, or arising from, School's breach of this Agreement, School's use of the Badge(s), the purchase and/or use of the School's products or services by one or more consumers, and/or the School's business, activities, products, and operations, including but not limited to programs and services advertised by School using the Badge(s). U.S. News shall, at its option, control on behalf of the Indemnified Parties the defense or settlement of any third party claim, or have School control the defense or settlement, using counsel approved in writing by U.S. News. In either case, School, as the indemnifying party, shall bear all costs and expenses of the defense or settlement (including, without limitation, reasonable attorney's fees, costs and expenses) as and when they are incurred. In the event that School shall have control of the defense or settlement of a third party claim, the Indemnified Parties shall have the right to participate in such defense or settlement with counsel of U.S. News's choosing. To the extent School controls the defense or settlement of any third party claim, School shall make no settlement without the written consent of U.S. News.

U.S. NEWS AND WRIGHT'S MAKE NO WARRANTIES, EXPRESS, IMPLIED OR ARISING BY CUSTOM OR TRADE USAGE HEREUNDER (INCLUDING WITH REGARD TO THE BEST HIGH SCHOOLS 2017 AWARD BADGE) AND, SPECIFICALLY, MAKE NO WARRANTY OF ADEQUACY, MERCHANTABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE. THE LIABILITY OF U.S. NEWS, WRIGHT'S, OR THEIR RESPECTIVE PARENTS, SUBSIDIARIES, AND AFFILIATED AND RELATED COMPANIES, AND THE DIRECTORS, OFFICERS, EMPLOYEES, AGENTS AND REPRESENTATIVES OF EACH OF THEM, UNDER THIS AGREEMENT SHALL NOT EXCEED THE AMOUNT PAID BY THE SCHOOL UNDER THIS AGREEMENT. U.S. NEWS AND WRIGHT'S SHALL HAVE NO LIABILITY FOR CONSEQUENTIAL, SPECIAL, OR PUNITIVE DAMAGES HEREUNDER, INCLUDING BUT NOT LIMITED TO THE COSTS OF DESIGNING, PRODUCING AND DISTRIBUTING SCHOOL'S ADVERTISING AND MARKETING MATERIALS.

School agrees to be bound by the terms of this contract. This Agreement contains the final and entire agreement of the parties and may not be modified without a writing executed by both parties. This contract shall be governed by and construed in accordance with the substantive laws of the state of New York. Any civil action or proceeding arising out of or related to this contract shall be brought in the courts of record of the state of New York in New York County or the U.S. District Court for the Southern District of New York. School consents to the exclusive jurisdiction of such courts and waives any objection to the laying of venue of any such civil action or proceeding in such courts.

This Agreement contains the final and entire agreement of the parties and may not be modified without a writing executed by both parties.

Except as set forth herein, no other use of the Best High Schools Award Badge may be made without U.S. News's prior express written approval. For any use whatsoever of the U.S. News & World Report logo, or any other text, photograph, graphic, cover or image of U.S. News & World Report or www.usnews.com publications, the School agrees that it shall contact permissions@usnews.com for specific written authorization, which may be granted or denied in the sole discretion of Wright's and U.S. News.

In the event of a breach by School of this Agreement, the license is void and, upon notice from Wright's Media or U.S. News, School will cease all uses of the Best High Schools 2017 Award Badge. If School breaches this Agreement, U.S. News will be entitled, in addition to any other rights available under this Agreement or at law or in equity, to apply for immediate injunctive relief without any requirement to post a bond or other security.

U.S. News shall be a third party beneficiary of this Agreement. To the extent that a school system, advertising agency or other third party signs this Agreement on behalf of School, such school system, advertising agency or other third party represents that it has the authority to bind School hereunder and shall, along with School, be jointly and severally liable for all obligations of School hereunder.

U.S. News and School hereby agree to the Best High Schools 2017 Award Badge Permission and Terms & Conditions.

1. The Equipment Rental Contract, as defined hereinabove, is amended to be valid to and including June 30 of the fiscal year in which it was initially entered into by the parties; thereafter, on an annual basis, each party to the Equipment Rental Contract must ratify and confirm the continuance of the Equipment Rental Contract for another fiscal year.

2. The parties further hereby agree that their conduct from June 30, 2013 to the date on which this Amendment is executed, including but not limited to Lawton Public School District I-8's continued retention and use of the leased equipment and payment of lease payments for the same and Xcel Office Solution's continued provision of equipment, servicing of the same, and acceptance of lease payments, constitutes and satisfies each party's mutual ratification of the Equipment Rental Contract, as defined hereinabove, for each subsequent fiscal year from the one beginning July 1, 2013 through the fiscal year ending June 30, 2018.

3. Any renewal of the Equipment Rental Contract beyond June 30, 2018 must be mutually ratified by the parties for each and every fiscal year pursuant to OKLA. STAT. tit. 70, § 5-117(B).

4. In the event the parties choose to and do mutually ratify the Equipment Rental Contract for successive one-fiscal year terms beyond June 30, 2018, the parties understand and agree that the Equipment Rental Contract and extensions thereof identified in and subject to this Addendum will end as of June 30, 2021.

ADDITIONAL TERMS AND CONDITIONS

AGREEMENT. You want us to provide you the equipment referenced herein, excluding equipment marked as not financed under this Agreement ("Equipment") and you agree to pay us the amounts payable under the terms of this agreement ("Agreement") each period by the due date. This Agreement is binding upon our acceptance hereof and will begin on the date the Equipment is delivered to you or any later date we designate. If we designate a later commencement date, you agree to pay us an additional amount equal to the periodic payments due under this Agreement prorated for the period between the date the Equipment is delivered to you and the commencement date. We may charge you a reasonable fee to cover documentation and investigation costs. If any amount payable to us is not paid when due, you will pay a late charge equal to: 1) the greater of ten (10) cents for each dollar overdue or twenty-six dollars ($26.00); or 2) the highest lawful charge, if less.

NET AGREEMENT. THIS AGREEMENT IS NON-CANCELABLE FOR THE ENTIRE AGREEMENT TERM. YOU AGREE THAT YOU ARE UNCONDITIONALLY OBLIGATED TO PAY ALL AMOUNTS DUE UNDER THIS AGREEMENT FOR THE ENTIRE TERM. YOU ARE NOT ENTITLED TO REDUCE OR SET-OFF AGAINST AMOUNTS DUE UNDER THIS AGREEMENT FOR ANY REASON.

IMAGE CHARGES AND OVERAGES. You are entitled to make the total number of images shown under Image Allowance Per Machine (or Total Consolidated Image Allowance, if applicable) each period during the term of this Agreement. If you make more than the allowed images in any period, you will pay us an additional amount equal to the number of the excess images made during such period multiplied by the applicable Excess Per Image Charge. Regardless of the number of images made in any period, you will never pay less than the Base Payment Amount. You agree to provide us with the actual meter readings on any business day as designated by us, provided that we may estimate the number of images used if such meter readings are not received within five days after being requested. We will adjust the estimated charge for excess images upon receipt of actual meter readings. You agree that the Base Payment Amount and the Excess Per Image Charges may be proportionately increased at any time if our estimated average page coverage is exceeded. After the end of the first year of this Agreement and not more than once each successive twelve-month period thereafter, the Base Payment Amount and the Excess Per Image Charges (and, at our election, the Base Payment Amount and Excess Per Image Charges under any subsequent agreements between you and us that incorporate the terms hereof) may be increased by a maximum of 10% of the then existing payment or charge. Images made on equipment marked as not financed under this Agreement will be included in determining your image and overage charges.

EQUIPMENT USE. You will keep the Equipment in good working order, use it for business purposes only and not modify or move it from its initial location without our consent. You agree that you will not take the Equipment out of service and have a third party pay (or provide funds to pay) the amounts due hereunder. You will comply with all laws, ordinances, regulations, requirements and rules relating to the use and operation of the Equipment.

SERVICES/SUPPLIES. If we have entered into a separate arrangement with you for maintenance, service, supplies, etc. with respect to the Equipment, payments under this Agreement may include amounts owed under that arrangement, which amounts may be invoiced as one payment for your convenience. You agree that you will look solely to us for performance under any such arrangement and for the delivery of any applicable supplies. We will provide all parts and supplies, except paper and staples. You also agree that the consumable supplies (toner, drum, etc.), if included in this Agreement, are our property until used by you, that you will use them only with the specified Equipment in this Agreement, and that at the end of the term of this Agreement, you will return any and all unused consumable supplies to us. If any unused supplies are not returned, you will be billed for such supplies. When requested by us, you agree to provide an inventory of consumable supplies in your possession.

TRACKING SOFTWARE. A. We own software ("Tracking Software") that enables us to monitor the usage of, and the copy count produced on, the Equipment. You hereby grant us permission, and agree that we shall have the right, at any time during the term of this Agreement, to install the Tracking Software on one or more of your computer networked station(s). You agree to provide us, during normal business hours, access to your computer-networked station(s) to enable us to upgrade, modify or maintain the Tracking Software or to install new releases or additions to the Tracking Software. Under no circumstances will the Tracking Software provide us access to your information other than information directly related to this Agreement. You agree to not delete or remove the Tracking Software or to alter, modify or otherwise render it unusable during the term of this Agreement without the prior written consent of us. If you disagree, then we retain the right to invoice you the prevailing hourly billable rate for labor required to obtain meter readings, per meter reading cycle. B. No License, other Prohibitions. Nothing herein shall be construed as granting a license to you for the use of the Tracking Software. You may not, nor may you permit or cause any other person to (a) use or copy the Tracking Software, in whole or in part, in any manner, (b) modify, translate, reverse engineer, decompile or dissemble the Tracking Software, (c) rent, lease, loan, resell, distribute, use in a customer-server network to provide third parties access to, or otherwise transfer the Tracking Software, or (d) remove any proprietary notices on the Tracking Software. C. Intellectual Property Rights. All rights (including all intellectual property rights, whether recognized currently or in the future) in and to the Tracking Software (including any source code, executable code, object code, tools and/or libraries related to the Tracking Software) will at all times be owned by us. No modifications and/or use by you of the Tracking Software shall under any circumstances transfer any right, title or interest in or to the Tracking Software to you or any third party. D. Tracking Software Warranty, Liability. You acknowledge that the Tracking Software will be installed on your networked workstation(s) "as is" without warranty of any kind, either express or implied, including the implied warranties of merchantability, fitness for a particular purpose and non-infringement. We do not warrant that the Tracking Software will be error free or will operate without interruption. We shall in no event be liable to you or any third party for any special, consequential, incidental or indirect damages in connection with the Tracking Software, If the software is found to cause issues on your network, and these issues can be reasonably associated to the installation of the software through uniform software testing and tracing methodologies, our liability will be limited to the removal of said Tracking Software from your environment.

SOFTWARE/DATA. Except as provided in this paragraph, references to "Equipment" include any software referenced above or installed on the Equipment. We do not own the software and cannot transfer any interest in it to you. We are not responsible for the software or the obligations of you or the licensor under any license agreement. You are solely responsible for protecting and removing any confidential data/images stored on the Equipment prior to its return for any reason.

LIMITATION OF WARRANTIES. EXCEPT TO THE EXTENT THAT WE HAVE PROVIDED YOU A WARRANTY IN WRITING, WE MAKE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. YOU CHOSE ANY/ALL THIRD-PARTY SERVICE PROVIDERS BASED ON YOUR JUDGMENT. YOU MAY CONTACT US OR THE MANUFACTURER FOR A STATEMENT OF THE WARRANTIES, IF ANY, THAT THE MANUFACTURER IS PROVIDING. WE ASSIGN TO YOU ANY WARRANTIES GIVEN TO US.

ASSIGNMENT. You may not sell, assign, or sublease the Equipment or this Agreement without our written consent. We may sell or assign this Agreement and our rights in the Equipment, in whole or in part, to a third party without notice to you. You agree that if we do so, our assignee will have our assigned rights under this Agreement but none of our obligations and will not be subject to any claim, defense, or set-off that may be assertable against us or anyone else.

LOSS OR DAMAGE. You are responsible for any damage to or loss of the Equipment. No such loss or damage will relieve you from your payment obligations hereunder. Except for claims, losses, or damages caused by our gross negligence or willful misconduct, you agree to indemnify us and our assignee, if applicable, against any claims, losses, or damages, including attorney fees, in any way relating to the Equipment. In no event will we be liable for any consequential or indirect damages.

INSURANCE. You agree to maintain comprehensive liability insurance acceptable to us. You also agree to: 1) keep the Equipment fully insured against loss at its replacement cost, with us named as loss payee; and 2) provide proof of insurance satisfactory to us no later than 30 days following the commencement of this Agreement, and thereafter upon our written request. If you fail to maintain property loss insurance satisfactory to us and/or you fail to timely provide proof of such insurance, we have the option, but not the obligation, to secure property loss insurance on the Equipment from a carrier of our choosing in such forms and amounts as we deem reasonable to protect our interests. If we secure insurance on the Equipment, we will not name you as an insured party, your interests may not be fully protected, and you will reimburse us the premium which may be higher than the premium you would pay if you obtained insurance, and which may result in a profit to us through an investment in reinsurance. If you are current in all of your obligations under the Agreement at the time of loss, any insurance proceeds received will be applied, at our option, to repair or replace the Equipment, or to pay us the remaining payments due or to become due under this Agreement, plus our booked residual, both discounted at 3% per annum.

TAXES. We own the Equipment. You will pay when due, either directly or by reimbursing us, all taxes and fees relating to the Equipment and this Agreement. Sales or use tax due upfront will be payable over the term with a finance charge.

END OF TERM. At the end of the term of this Agreement (or any renewal term) (the "End Date"), this Agreement will renew for an additional six month period unless a) you provide us written notice, at least 90 days prior to the End Date, of your intent to return the Equipment, and b) you timely return the Equipment to the location designated by us, at your expense. If a Purchase Option is indicated above and you are not in default on the End Date, you may purchase the Equipment from us "AS IS" for the Purchase Option price. If the returned Equipment is not immediately available for use by another without need of repair, you will reimburse us for all repair costs. You cannot pay off this Agreement or return the Equipment prior to the End Date without our consent. If we consent, we may charge you, in addition to other amounts owed, an early termination fee equal to 5% of the price of the Equipment.

DEFAULT AND REMEDIES. If you do not pay any sum within 10 days after its due date, or if you breach any other term of this Agreement or any other agreement with us, you will be in default, and we may require that you return the Equipment to us at your expense and pay us: 1) all past due amounts and 2) all remaining payments for the unexpired term, plus our booked residual, both discounted at 4% per annum. We may also use all other legal remedies available to us, including disabling or repossessing the Equipment. You agree to pay all our costs and expenses, including reasonable attorney fees, incurred in enforcing this Agreement. You also agree to pay interest on all past due amounts, from the due date, at 1.5% per month.

UCC. If we assign rights in this Agreement for financing purposes, you agree that this Agreement, in the hands of our assignee, is, or shall be treated as, a "Finance Lease" as that term is defined in Article 2A of the Uniform Commercial Code ("UCC"). You agree to forgo the rights and remedies provided under sections 507-522 of Article 2A of the UCC.

MISCELLANEOUS. This Agreement is the entire agreement between you and us relating to our providing and your use of the Equipment and supersedes any prior representations or agreements, including any purchase orders. Amounts payable under this Agreement may include a profit to us. The original of this Agreement shall be that copy which bears your facsimile or original signature, and which bears our original signature. If a court finds any provision of this Agreement unenforceable, the remaining terms of this Agreement shall remain in effect. You authorize us to either insert or correct the Agreement number, serial numbers, model numbers, beginning date, and signature date. All other modifications to the Agreement must be in writing signed by each party.

We will adjust the estimated charge for excess images upon receipt of actual meter readings. You agree that the Base Payment Amount and the Excess Per Image Charges may be proportionately increased at any time if our estimated average page coverage is exceeded. After the end of the first year of this Agreement and not more than once each successive twelve-month period thereafter, the Base Payment Amount and the Excess Per Image Charges (and, at our election, the Base Payment Amount and Excess Per Image Charges under any subsequent agreements between you and us that incorporate the terms hereof) may be increased by a maximum of 10% of the then existing payment or charge. Images made on equipment marked as not financed under this Agreement will be included in determining your image and overage charges.

EQUIPMENT USE. You will keep the Equipment in good working order, use it for business purposes only and not modify or move it from its initial location without our consent. You agree that you will not take the Equipment out of service and have a third party pay (or provide funds to pay) the amounts due hereunder. You will comply with all laws, ordinances, regulations, requirements and rules relating to the use and operation of the Equipment.

SERVICES/SUPPLIES. If we have entered into a separate arrangement with you for maintenance, service, supplies, etc. with respect to the Equipment, payments under this Agreement may include amounts owed under that arrangement, which amounts may be invoiced as one payment for your convenience. You agree that you will look solely to us for performance under any such arrangement and for the delivery of any applicable supplies. We will provide all parts and supplies, except paper and staples. You also agree that the consumable supplies (toner, drum, etc.), if included in this Agreement, are our property until used by you, that you will use them only with the specified Equipment in this Agreement, and that at the end of the term of this Agreement, you will return any and all unused consumable supplies to us. If any unused supplies are not returned, you will be billed for such supplies. When requested by us, you agree to provide an inventory of consumable supplies in your possession.

TRACKING SOFTWARE. A. We own software ("Tracking Software") that enables us to monitor the usage of, and the copy count produced on, the Equipment. You hereby grant us permission, and agree that we shall have the right, at any time during the term of this Agreement, to install the Tracking Software on one or more of your computer networked station(s). You agree to provide us, during normal business hours, access to your computer-networked station(s) to enable us to upgrade, modify or maintain the Tracking Software or to install new releases or additions to the Tracking Software. Under no circumstances will the Tracking Software provide us access to your information other than information directly related to this Agreement. You agree to not delete or remove the Tracking Software or to alter, modify or otherwise render it unusable during the term of this Agreement without the prior written consent of us. If you disagree, then we retain the right to invoice you the prevailing hourly billable rate for labor required to obtain meter readings, per meter reading cycle. B. No License, other Prohibitions. Nothing herein shall be construed as granting a license to you for the use of the Tracking Software. You may not, nor may you permit or cause any other person to (a) use or copy the Tracking Software, in whole or in part, in any manner, (b) modify, translate, reverse engineer, decompile or dissemble the Tracking Software, (c) rent, lease, loan, resell, distribute, use in a customer-server network to provide third parties access to, or otherwise transfer the Tracking Software, or (d) remove any proprietary notices on the Tracking Software. C. Intellectual Property Rights. All rights (including all intellectual property rights, whether recognized currently or in the future) in and to the Tracking Software (including any source code, executable code, object code, tools and/or libraries related to the Tracking Software) will at all times be owned by us. No modifications and/or use by you of the Tracking Software shall under any circumstances transfer any right, title or interest in or to the Tracking Software to you or any third party. D. Tracking Software Warranty, Liability. You acknowledge that the Tracking Software will be installed on your networked workstation(s) "as is" without warranty of any kind, either express or implied, including the implied warranties of merchantability, fitness for a particular purpose and non-infringement. We do not warrant that the Tracking Software will be error free or will operate without interruption. We shall in no event be liable to you or any third party for any special, consequential, incidental or indirect damages in connection with the Tracking Software, If the software is found to cause issues on your network, and these issues can be reasonably associated to the installation of the software through uniform software testing and tracing methodologies, our liability will be limited to the removal of said Tracking Software from your environment.

SOFTWARE/DATA. Except as provided in this paragraph, references to "Equipment" include any software referenced above or installed on the Equipment. We do not own the software and cannot transfer any interest in it to you. We are not responsible for the software or the obligations of you or the licensor under any license agreement. You are solely responsible for protecting and removing any confidential data/images stored on the Equipment prior to its return for any reason.

LIMITATION OF WARRANTIES. EXCEPT TO THE EXTENT THAT WE HAVE PROVIDED YOU A WARRANTY IN WRITING, WE MAKE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. YOU CHOSE ANY/ALL THIRD-PARTY SERVICE PROVIDERS BASED ON YOUR JUDGMENT. YOU MAY CONTACT US OR THE MANUFACTURER FOR A STATEMENT OF THE WARRANTIES, IF ANY, THAT THE MANUFACTURER IS PROVIDING. WE ASSIGN TO YOU ANY WARRANTIES GIVEN TO US.

ASSIGNMENT. You may not sell, assign, or sublease the Equipment or this Agreement without our written consent. We may sell or assign this Agreement and our rights in the Equipment, in whole or in part, to a third party without notice to you. You agree that if we do so, our assignee will have our assigned rights under this Agreement but none of our obligations and will not be subject to any claim, defense, or set-off that may be assertable against us or anyone else.

LOSS OR DAMAGE. You are responsible for any damage to or loss of the Equipment. No such loss or damage will relieve you from your payment obligations hereunder. Except for claims, losses, or damages caused by our gross negligence or willful misconduct, you agree to indemnify us and our assignee, if applicable, against any claims, losses, or damages, including attorney fees, in any way relating to the Equipment. In no event will we be liable for any consequential or indirect damages.

INSURANCE. You agree to maintain comprehensive liability insurance acceptable to us. You also agree to: 1) keep the Equipment fully insured against loss at its replacement cost, with us named as loss payee; and 2) provide proof of insurance satisfactory to us no later than 30 days following the commencement of this Agreement, and thereafter upon our written request. If you fail to maintain property loss insurance satisfactory to us and/or you fail to timely provide proof of such insurance, we have the option, but not the obligation, to secure property loss insurance on the Equipment from a carrier of our choosing in such forms and amounts as we deem reasonable to protect our interests. If we secure insurance on the Equipment, we will not name you as an insured party, your interests may not be fully protected, and you will reimburse us the premium which may be higher than the premium you would pay if you obtained insurance, and which may result in a profit to us through an investment in reinsurance. If you are current in all of your obligations under the Agreement at the time of loss, any insurance proceeds received will be applied, at our option, to repair or replace the Equipment, or to pay us the remaining payments due or to become due under this Agreement, plus our booked residual, both discounted at 3% per annum.

TAXES. We own the Equipment. You will pay when due, either directly or by reimbursing us, all taxes and fees relating to the Equipment and this Agreement. Sales or use tax due upfront will be payable over the term with a finance charge.

END OF TERM. At the end of the term of this Agreement (or any renewal term) (the "End Date"), this Agreement will renew for an additional six month period unless a) you provide us written notice, at least 90 days prior to the End Date, of your intent to return the Equipment, and b) you timely return the Equipment to the location designated by us, at your expense. If a Purchase Option is indicated above and you are not in default on the End Date, you may purchase the Equipment from us "AS IS" for the Purchase Option price. If the returned Equipment is not immediately available for use by another without need of repair, you will reimburse us for all repair costs. You cannot pay off this Agreement or return the Equipment prior to the End Date without our consent. If we consent, we may charge you, in addition to other amounts owed, an early termination fee equal to 5% of the price of the Equipment.

DEFAULT AND REMEDIES. If you do not pay any sum within 10 days after its due date, or if you breach any other term of this Agreement or any other agreement with us, you will be in default, and we may require that you return the Equipment to us at your expense and pay us: 1) all past due amounts and 2) all remaining payments for the unexpired term, plus our booked residual, both discounted at 4% per annum. We may also use all other legal remedies available to us, including disabling or repossessing the Equipment. You agree to pay all our costs and expenses, including reasonable attorney fees, incurred in enforcing this Agreement. You also agree to pay interest on all past due amounts, from the due date, at 1.5% per month.

UCC. If we assign rights in this Agreement for financing purposes, you agree that this Agreement, in the hands of our assignee, is, or shall be treated as, a "Finance Lease" as that term is defined in Article 2A of the Uniform Commercial Code ("UCC"). You agree to forgo the rights and remedies provided under sections 507-522 of Article 2A of the UCC.

MISCELLANEOUS. This Agreement is the entire agreement between you and us relating to our providing and your use of the Equipment and supersedes any prior representations or agreements, including any purchase orders. Amounts payable under this Agreement may include a profit to us. The original of this Agreement shall be that copy which bears your facsimile or original signature, and which bears our original signature. If a court finds any provision of this Agreement unenforceable, the remaining terms of this Agreement shall remain in effect. You authorize us to either insert or correct the Agreement number, serial numbers, model numbers, beginning date, and signature date. All other modifications to the Agreement must be in writing signed by each party.

SERVICES AND SOLUTIONS AGREEMENT

This Services and Solutions Agreement ("SSA"), Number 7133495, is between **LAWTON PUBLIC SCHOOL DISTRICT I-8 ("Customer")** and **Xerox Corporation** ("Xerox").

1. **SCOPE AND STRUCTURE.** This SSA sets forth the terms and conditions under which Customer may establish one or more Services Contracts for the acquisition in the U.S. of Services, Maintenance Services and Deliverables from Xerox. Each Services Contract under this SSA constitutes a separate contract and will be assigned its own Services Contract Number consisting of the above SSA number followed by a three-digit extension. Each Services Contract will be established when Customer submits and Xerox accepts the first SSO with a new Services Contract Number. Customer may add Services, Maintenance Services, or Deliverables to an existing Services Contract by issuing additional Orders referencing the applicable Services Contract Number. Each Services Contract will consist of the applicable terms and conditions of this SSA, the first SSO and each additional SSO or SOW with the same Services Contract Number. Xerox may provide Services and/or Products through its U.S. affiliates. Capitalized terms are defined in Section 24 unless defined where first used.

2. **ORDERS.**

   A. Orders may consist of SSOs, SOWs, and/or POs. Each Order must reference an applicable Services Contract Number. Unless otherwise provided in an SSO, terms and conditions of such SSO are applicable to all Orders constituting the applicable Services Contract. Customer POs are for order entry purposes only and will be subject solely to the terms and conditions of the applicable Services Contract, notwithstanding anything contained in any such PO at variance with or in addition to the applicable Services Contract.

   B. Xerox may accept an Order either by its signature or by commencing performance. Xerox reserves the right to review and approve Customer's credit prior to acceptance of each Order. Customer authorizes Xerox (or its agent) to obtain credit reports from commercial credit reporting agencies.

   C. Orders may be submitted by hard copy or, in the case of SSOs or POs, by electronic means, and those submitted electronically will be considered (i) a "writing" or "in writing"; (ii) "signed"; (iii) an "original" when printed from electronic records established and maintained in the ordinary course of business; and (iv) a valid and enforceable Order.

3. **TERM.**

   A. This SSA is effective when signed by Xerox and, unless terminated by either party upon 90 days written notice, continues for 36 months. If this SSA expires or is terminated, each Services Contract will (i) remain in effect until the expiration or termination of all Orders constituting such Services Contract, and (ii) be governed by the terms and conditions of this SSA as if it were still in effect.

   B. The term of each Order will be set forth in such Order. If an Order is terminated, the term of remaining Orders will continue unaltered.

   C. Except as otherwise provided in an SOW or unless either party provides notice of termination at least 30 days before the end of its term, an Order will automatically renew on a month-to-month basis.

4. **PERSONNEL.** Xerox personnel engaged hereunder will comply with Customer's internal security and safety policies that (a) are provided to Xerox in writing, (b) are reasonable and customary, and (c) do not conflict with the applicable Services Contract. Customer will provide Xerox with reasonable prior written notice of such policies and any changes thereto. During the term of this SSA and for a period of 1 year thereafter, neither party will, directly or indirectly, actively solicit the employment of the other party's personnel (including their supervisors) and agents engaged under a Services Contract. Employment arising from inquiries received via advertisements in newspapers, job fairs, unsolicited resumes, or applications for employment will not be considered active solicitation. The sole remedy for breach of this restriction is to receive payment, as liquidated damages and not as a penalty, from the breaching party equal to the individual's then current annual salary (or the fees paid to an agent in the previous 12 months), within 30 days of the start date of the individual. Xerox is an independent contractor hereunder.

5. **PRICING, PAYMENT, AND TAXES.**

   A. **Pricing.** Pricing will be as shown in an Order. Services requested and performed outside Customer's standard working hours will be at Xerox's then-current overtime rate.

   B. **Payment.** Invoices are payable upon receipt and payment must be received within 30 days after the invoice date. For any payment not received within 10 days of its due date, Customer will pay a late charge equal to the greater of 5% of the amount due or $25. Restrictive covenants will not reduce Customer's obligations. If the provision of Services, Products, and/or Maintenance Services begins partially and/or early, Xerox will bill Customer on a pro rata basis, based on a 30-day billing month.

   C. **Taxes.** Customer will be responsible for all Taxes. Taxes will be included in Xerox's invoice unless Customer provides proof of Customer's tax-exempt status.

6. **DEFAULT AND REMEDIES.** Customer will be in default if Xerox does not receive any payment within 15 days after the date it is due, or if Customer breaches any other obligation under this SSA, any Services Contract, or any other agreement with Xerox. If Customer defaults, Xerox, in addition to its other remedies (including the cessation of Services), may require immediate payment of (a) all amounts then due, plus interest on all amounts due from the due date until paid at the rate of 1.5% per month, and (b) any applicable ETCs. Customer will pay all reasonable costs, including attorneys' fees, incurred by Xerox to enforce any Services Contract.

7. **CONFIDENTIAL INFORMATION.** Each party will make reasonable efforts not to disclose the other party's Confidential Information to any third party, except as may be required by law, unless such Confidential Information: (a) was in the public

domain before, at the time of, or after the date of disclosure through no fault of the non-disclosing party; (b) was rightfully in the non-disclosing party's possession or the possession of any third party free of any obligation of confidentiality; or (c) was developed by the non-disclosing party's employees or agents independently of and without reference to any of the other party's Confidential Information. Confidentiality obligations set forth herein will expire 1 year after expiration or termination of this SSA or the last effective Services Contract hereunder, whichever is later; provided however, confidentiality obligations with respect to Xerox Work, Xerox Tools and Xerox Client Tools will not expire unless (a), (b) or (c) above become applicable thereto. The parties do not intend for Customer to disclose confidential technical information hereunder, including, but not limited to, computer programs, source code, and algorithms. Customer will only disclose the same pursuant to a separate written agreement. Upon expiration or termination of this SSA or the last effective Services Contract hereunder, whichever is later, each party will return to the other or, if requested, destroy, all Confidential Information of the other in its possession or control, except such Confidential Information as may be reasonably necessary to exercise rights that survive termination of this SSA.

8. **INTELLECTUAL PROPERTY**. Customer represents and warrants that (a) it owns the Customer Content and Customer Assets or otherwise has the right to authorize Xerox to use same to perform Services, and (b) Customer Content will not contain content that (i) is libelous, defamatory or obscene, (ii) violates any applicable laws, regulations, or (iii) infringes any third party rights. Customer acknowledges and agrees that Xerox does not undertake any obligation or duty whatsoever to determine whether Customer Content may be duplicated without violating a third party's copyright. Xerox, its employees, agents and/or licensors will at all times retain all rights to Xerox Work, Xerox Client Tools and Xerox Tools and, except as expressly set forth herein, no rights to Xerox Work, Xerox Client Tools or Xerox Tools are granted to Customer. If required for royalty reporting purposes, Xerox may disclose Customer's name and address to the third party licensor of certain Xerox Tools. Xerox Tools will be installed and operated only by Xerox. Customer will have access to data and reports generated by the Xerox Tools and stored in a provided database as set forth in the applicable SOW, but Customer will have no rights to use, access or operate the Xerox Tools. Xerox may remove Xerox Tools at any time in Xerox's sole discretion, provided that the removal of Xerox Tools will not affect Xerox's obligations to perform Services. If Xerox Client Tools are included as part of the Services, they may be used by Customer only in conjunction with such Services. Customer agrees not to decompile or reverse engineer any Xerox Work, Xerox Client Tools, or Xerox Tools. Xerox grants Customer a non-exclusive, perpetual fully paid-up, worldwide right to use, display and reproduce Xerox Work and Documentation only as required for use of the Services and Deliverables for Customer's customary business purposes, and not for resale, license and/or distribution outside of Customer's organization. Customer may not sublicense any rights granted to Customer hereunder, but may authorize a third party ("Designee") to use such rights, solely for Customer's benefit and Customer's internal business purposes. Any Designee operating or maintaining the delivered solution must be subject to written confidentiality obligations with respect to Confidential Information that are no less restrictive than those set forth in this SSA. Output of Services is Customer's sole and exclusive property and Xerox will have no rights therein, except as may be required for Xerox to perform Services. Assessments are provided for Customer's internal business use only, and not for resale, license and/or distribution outside of Customer's organization and the implementation of Assessments may not be performed by any third party. Except as expressly set forth in this Section, no other rights or licenses are granted to Customer. Any rights or licenses that are granted to Customer will immediately terminate if Customer defaults with respect to any of Customer's obligations related to such rights or licenses. Xerox reserves the right to terminate such rights or licenses if Customer defaults under any other obligation under a Services Contract.

9. **CUSTOMER RESPONSIBILITIES**.

   A. Customer will (i) provide the Customer Assets that Xerox needs to perform the Services and (ii) grant sufficient rights to enable Xerox and its agents to use all Customer Assets and Customer Content.

   B. During the term of an Order, Customer will permit access to Customer personnel that Xerox needs to perform the Services.

   C. Equipment prices include standard delivery charges for all Equipment and, for Equipment for which Xerox retains ownership, standard removal charges. Non-standard delivery or removal charges will be at Customer's expense.

   D. Customer will legally dispose of all hazardous wastes generated from use of Third Party Hardware and associated supplies.

10. **EARLY TERMINATION**.

   A. **Equipment**. Equipment included in an Order is being provided for the entire term of the Order. If, prior to the expiration of an Order, Customer terminates Equipment or requires Equipment to be removed or replaced, or Xerox terminates the applicable Order due to Customer's default, Customer will pay all amounts due as of the termination date and the ETCs set forth in the applicable Services Contract.

   B. **Services**. Unless otherwise set forth in an SOW, Customer may terminate or reduce any Services upon 90 days prior written notice without incurring ETCs. Notwithstanding the foregoing, if any Services are terminated (i) by Xerox due to Customer's default, or (ii) by Customer and Customer acquires Services from another supplier within 6 months of the termination of such Services, Customer will pay all amounts due as of the termination date and ETCs equal to the then current MMC for the terminated or reduced Services, multiplied by the number of months remaining in the term of the applicable Order, not to exceed 6 months.

   C. **Amortized Services and Third Party Funds**. The cost of certain Services, such as consulting and training, may be amortized over the term of an Order ("Amortized Services"); or Xerox may provide funds to acquire Third Party Hardware, license Third Party Software, or retire debt on existing Third Party Hardware ("Third Party Funds"). Amortized

Services and Third Party Funds are collectively referred to as "Funds". The Funds amount is included in the MMC. Notwithstanding Section 10.B above, if an Order is terminated prior to expiration for any reason, or if a unit of Third Party Hardware or any Third Party Software for which Third Party Funds have been provided is removed or replaced prior to expiration, Customer agrees to pay to Xerox (i) all amounts due as of the termination date, and (ii) ETCs equal to the remaining principal balance of the Funds, plus a 15% disengagement fee. Customer will maintain the manufacturer's maintenance agreement for any Third Party Hardware and Third Party Software.

11. **INDEMNIFICATION.**

A. Each party, at its expense, if promptly notified by the other and given the right to control the defense, will defend the other from, and pay any settlement agreed to by the indemnifying party or any ultimate judgment for, all claims by third parties for personal injury (including death) or damage to tangible property to the extent proximately caused by the willful misconduct or negligent acts or omissions of the indemnifying party, its employees or agents in connection with this SSA.

B. Xerox, at its expense, if promptly notified by Customer and given the right to control the defense, will defend Customer from, and pay any settlement agreed to by Xerox or any ultimate judgment for, any claim not identified in (i)-(vi) below or subject to 11.C. below that any Services or Deliverables (excluding Third Party Products) infringe a third party's U.S. intellectual property rights. Xerox is not responsible for any non-Xerox litigation expenses or settlements unless Xerox pre-approves them in writing. Excluded herein are claims arising from or relating to: (i) Services performed using Customer Assets, Customer Content or other materials provided to Xerox by Customer for which Customer failed to provide sufficient rights to Xerox; (ii) Services performed, or Deliverables provided, to Customer's direction, specification or design, (iii) infringement resulting from or caused by Customer's misuse or unauthorized modification of systems or products; (iv) use of Services or Deliverables in combination with other products, services or data streams not provided by Xerox if such combination forms the basis of such claim; (v) Customer's failure to use corrections or enhancements to the Services or Deliverables provided by Xerox; and (vi) breach of Customer's representations and warranties in Section 8(b). If the use of the Services or Deliverables (excluding Third Party Products) are enjoined as a result of a claim under this Section, or in the reasonable opinion of Xerox are likely to be the subject of such a claim, Xerox will, at its option and sole expense, exercise any or all of following remedies: (w) obtain for Customer the right to continue to use such Services or Deliverables; (x) modify such Services or Deliverables so they are non-infringing; (y) replace such Services or Deliverables with non-infringing ones; or (z) terminate and/or accept the return of such Deliverables and refund to Customer any amount paid, less the reasonable rental value for the period such Deliverable was available to Customer.

C. Customer, at its expense, if promptly notified by Xerox and given the right to control the defense, will defend Xerox from, and pay any settlement agreed to by Customer or any ultimate judgment for, all third party claims arising out of or related to Section 11.B(i)-(vi).

D. The indemnifying party is not responsible for any litigation expenses of the indemnified party or any settlements unless it pre-approves them in writing.

12. **LIMITATION OF LIABILITY.** Xerox will not be liable to Customer, in the aggregate, for any direct damages in excess of the amounts paid by Customer to Xerox during the 12 months prior to the claim or $50,000, whichever is greater; and neither party will be liable to the other for any special, indirect, incidental, consequential or punitive damages arising out of or relating to this SSA or any Order hereunder, whether the claim alleges tortious conduct (including negligence) or any other legal theory. This limitation of liability is not applicable to: (a) any specific indemnification obligations set forth in this SSA; (b) where either party has (i) exceeded the rights to the other party's intellectual property granted to it under this SSA, or (ii) misappropriated or infringed the other party's intellectual property under this SSA.

13. **ASSIGNMENT.** Customer may not assign any of its rights or obligations hereunder. Xerox may assign this SSA and any Orders hereunder, in whole or in part, without prior notice to Customer and may release information Xerox has about Customer to an assignee. Each successive assignee of Xerox will have all of the rights but none of the obligations of Xerox pursuant to this SSA. Customer will continue to look to Xerox for performance of Xerox's obligations hereunder and Customer hereby waives and releases any assignees of Xerox from any such claim. Customer will not assert any defense, counterclaim, or setoff that Customer may have or claim against Xerox against any assignee of Xerox.

14. **FORCE MAJEURE.** Except for payment obligations, neither party will be liable to the other for its failure to perform any of its obligations hereunder during any period in which such performance is delayed by circumstances beyond its reasonable control. The affected party will notify the other party of each such circumstance.

15. **MAINTENANCE SERVICES.**

A. Except for Equipment identified as "No Svc", Maintenance Services will be provided for the Equipment during Xerox's standard working hours in areas open for repair service. Maintenance Services excludes repairs due to: (i) misuse, neglect or abuse; (ii) failure of the installation site or the PC or workstation used with the Equipment to comply with Xerox's published specifications; (iii) use of options, accessories or products not serviced by Xerox; (iv) non-Xerox alterations, relocation, service or supplies; or (v) failure to perform operator maintenance procedures identified in operator manuals. Replacement parts may be new, reprocessed or recovered and all replaced parts become Xerox's property. Xerox will, as Customer's exclusive remedy for Xerox's failure to provide Maintenance Services, replace the Equipment with an identical model or, at Xerox's option, another model with comparable features and capabilities. Notwithstanding anything to the contrary herein, Xerox will have no obligation to replace Equipment beyond its end of service date. There will be no additional charge for the replacement Equipment during the initial Term. Unless the applicable Order requires Xerox to provide meter readings, Customer will provide them using the method and frequency identified by Xerox. If Customer does not provide a meter reading, Xerox may reasonably estimate the reading and bill Customer accordingly.

B. **Cartridges**. If Xerox is providing Maintenance Services for Equipment that uses Cartridges, Customer will use only unmodified Cartridges purchased directly from Xerox or its authorized resellers in the U.S. Failure to use such Cartridges will void any warranty applicable to such Equipment. Cartridges packed with Equipment and/or furnished by Xerox as Consumable Supplies will meet Xerox's new Cartridge performance standards and may be new, remanufactured, or reprocessed and contain new and/or reprocessed components. To enhance print quality, Cartridge(s) for many models of Equipment have been designed to cease functioning at a predetermined point. Many Equipment models are designed to function only with Cartridges that are newly manufactured, original Xerox Cartridges or with Cartridges intended for use in the U.S. Equipment configuration that permits use of non-newly manufactured original Xerox Cartridges may be available from Xerox at an additional charge.

C. **PC/Workstation Requirements**. For Equipment requiring connection to a PC or workstation, Customer must use a PC or workstation that either (i) has been provided by Xerox, or (ii) meets Xerox's published specifications.

16. **CONSUMABLE SUPPLIES INCLUDED**. If specified in an Order, Xerox will provide Consumable Supplies for Equipment. Consumable Supplies are Xerox's property until used by Customer, and Customer will (a) use them only with the Equipment included in the applicable Order, (b) return all Cartridges to Xerox as provided herein, and (c) at the end of the term of the applicable Order, return any unused Consumable Supplies to Xerox at Xerox's expense using Xerox-supplied shipping labels or destroy them in a manner permitted by applicable law. Should Customer's use of Consumable Supplies exceed Xerox's published yields by more than 10%, Xerox will notify Customer of such excess usage. If such excess usage does not cease within 30 days after such notice, Xerox may charge Customer for such excess usage. If Xerox provides paper under a Services Contract, upon 30 days notice, Xerox may adjust paper pricing or either party may terminate the provision of paper.

17. **EQUIPMENT STATUS.** Unless Customer is acquiring Previously Installed Equipment, Equipment will be either: (a) "Newly Manufactured", which may contain some recycled components that are reconditioned; (b) "Factory Produced New Model", which is manufactured and newly serialized at a Xerox factory, adds functions and features to a product previously disassembled to a Xerox predetermined standard, and contains both new components and recycled components that are reconditioned; or (c) "Remanufactured", which has been factory produced following disassembly to a Xerox predetermined standard and contains both new components and recycled components that are reconditioned. Xerox makes no representations as to the manufactured status of Third Party Hardware.

18. **TITLE, RISK OF LOSS AND PROTECTION OF XEROX'S RIGHTS.** Title to Equipment and Third Party Hardware will remain with Xerox unless purchased by Customer. Risk of loss for the Products will pass to Customer upon delivery. Customer will keep the Products insured against loss and the policy will name Xerox as Loss Payee. Customer hereby authorizes Xerox or its agents to file financing statements necessary to protect Xerox's rights to Equipment and Third Party Hardware.

19. **WARRANTIES AND DISCLAIMERS.**

A. **Services Warranty**. Xerox warrants to Customer that the Services will be performed in a skillful and workmanlike manner. If the Services do not comply with the service levels in an applicable SOW, Customer will notify Xerox in writing detailing its concerns. Within 10 days following Xerox's receipt of such notice, Xerox and Customer will meet, clarify the Customer's concern, and begin to develop a corrective action plan ("Plan"). As Customer's exclusive remedy for such non-compliance , Xerox will either modify the Services to comply with the applicable service levels or re-do the work at no additional charge within 60 days of finalizing the Plan or another time period agreed to, in writing, by the parties.

B. **Third Party Product Warranty.** For Third Party Products selected solely by Xerox for an Order, Xerox warrants they will operate substantially in conformance with applicable service levels in the SOW. If, within a reasonable time after provision of such Third Party Products, they cannot be brought into substantial conformance with the services levels in the SOW, and such non-conformance is a result of Xerox's use of such Third Party Products, Customer's exclusive remedy is to receive a refund of any fees paid for the non-conforming Third Party Products upon their return to Xerox. Xerox will pass through to Customer any warranties provided to it by the manufacturer or licensor of Third Party Products to the extent permissible.

C. **Warranty Disclaimer and UCC Waiver**. EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH IN THIS SECTION, XEROX MAKES NO OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED; AND XEROX DISCLAIMS ALL OTHER WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF NON-INFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY, AND ANY WARRANTIES RELATING TO DESIGN, PERFORMANCE, FUNCTIONALITY, OR COMPATIBILITY WITH CUSTOMER'S SYSTEMS. EXCEPT AS EXPRESSLY PROVIDED HEREIN AND AS PERMITTED BY APPLICABLE LAW, CUSTOMER WAIVES ALL RIGHTS AND REMEDIES CONFERRED UPON A LESSEE BY ARTICLE 2A OF THE UNIFORM COMMERCIAL CODE.

D. The warranties set forth in this SSA are expressly conditioned upon the use of the Services and Deliverables for the purposes for which they were intended or designed, and do not apply to Services or Deliverables subjected to misuse, accident, alteration or modification by Customer or any third party (except as specifically authorized in writing by Xerox). In no event will Xerox be responsible for any failure to perform Services caused by: (i) Customer Assets, Customer Content, or services, maintenance, design implementation, supplies or data streams provided by Customer, Customer's agent or service provider to Xerox for use hereunder, (ii) Customer's failure to contract for the minimum types and quantities of Products required by Xerox to perform the Services, or (iii) Customer's failure to perform its obligations under Section 9.A or 9.B.

20. **SOFTWARE TERMS.**

A. **Software License.** Xerox grants Customer a non-exclusive, non-transferable license to use in the U.S.: (i) Base Software only with the Equipment with which it was delivered; and (ii) Application Software only on any single unit of Equipment for as long as Customer is current in the payment of all applicable software license fees. Customer has no

other rights to Software. The Base Software license will terminate; (y) if Customer no longer uses or possesses the Equipment; or (z) upon the expiration of any Order under which Customer has rented or leased the Equipment (unless Customer has exercised an option to purchase the Equipment). Neither Xerox nor its licensors warrant that Software will be free from errors or that its operation will be uninterrupted. The foregoing terms do not apply to Diagnostic Software or to software/documentation accompanied by a clickwrap or shrinkwrap license agreement or otherwise made subject to a separate license agreement. Third Party Software is subject to license and support terms provided by the vendor thereof.

B. **Software Support.** For Base Software, Software Support will be provided during the initial term of the applicable Order and any renewal period, but not longer than 5 years after Xerox stops taking customer orders for the subject Equipment model. For Application Software, Software Support will be provided as long as Customer is current in the payment of all applicable software license and support fees. Xerox will maintain a web-based or toll-free hotline during Xerox's standard working hours to report Software problems and answer Software-related questions. Xerox, either directly or with its vendors, will make reasonable efforts to: (i) assure that Software performs in material conformity with its user documentation; (ii) provide available workarounds or patches to resolve Software performance problems; and (iii) resolve coding errors for the current Release and the previous Release for a period of 6 months after the current Release is made available to Customer. Xerox will not be required to provide Software Support if Customer has modified the Software. Maintenance Releases or Updates that Xerox may make available will be provided at no charge and must be implemented within 6 months. Feature Releases will be subject to additional license fees at Xerox's then-current pricing. Each Release will be considered Software governed by the provisions of this Section 20 (unless otherwise noted). Implementation of a Release may require Customer to procure, at Customer's expense, additional hardware, and/or software from Xerox or another entity. Upon installation of a Release, Customer will return or destroy all prior Releases. Xerox may annually increase Software license and support fees for Application Software. For State and Local Government Customers, this adjustment will take place at the commencement of each of Customer's annual contract cycles.

C. **Disabling Code.** Software may contain code capable of automatically disabling the Equipment. Disabling code may be activated if: (i) Xerox is denied access to periodically reset such code; (ii) Customer is notified of a default under a Services Contract; or (iii) Customer's license is terminated or expires.

D. **Diagnostic Software.** Diagnostic Software is a valuable trade secret of Xerox. Xerox does not grant Customer any right to use Diagnostic Software. Customer will allow Xerox reasonable access to the Equipment during Customer's normal business hours to remove or disable Diagnostic Software if Customer is no longer receiving Maintenance Services from Xerox.

E. **Title and Rights.** Title and all intellectual property rights to Software and Diagnostic Software will reside solely with Xerox and/or its licensors (who will be considered third-party beneficiaries of Section 20.A. Customer will not, and will not allow its employees, agents, contractors, or vendors to: (i) distribute, copy, modify, create derivatives of, decompile or reverse engineer Software or Diagnostic Software; (ii) activate Software delivered with the Equipment in an inactivated state; or (iii) access or disclose Diagnostic Software for any purpose.

21. **REMOTE SERVICES.** Certain models of Equipment are supported and serviced using data that is automatically collected by Xerox from the Equipment via electronic transmission from the Equipment to a secure off-site location. Examples of automatically transmitted data include product registration, meter read, supply level, Equipment configuration and settings, software version, and problem/fault code data. All such data will be transmitted in a secure manner specified by Xerox. The automatic data transmission capability will not allow Xerox to read, view, or download any Customer data, documents, or other information residing on or passing through the Equipment or Customer's information **management systems.**

22. **DATA SECURITY.** Certain models of Equipment can be configured to include a variety of data security features. There may be an additional cost associated with certain data security features. The selection, suitability, and use of data security features are solely Customer's responsibility. Upon request, Xerox will provide additional information to Customer regarding the security features available for particular Equipment models.

23. **MISCELLANEOUS.** This SSA and the Services Contract(s) hereunder constitute the entire agreement of the parties as to its subject matter, supersede all prior and contemporaneous oral and written agreements, and will be construed under the laws of the State of New York (without regard to conflict-of-law principles). In the event of any conflict between terms and conditions, the order of precedence will be this SSA, the SSO, and the SOW, except where expressly stated otherwise in this SSA. Customer authorizes Xerox or its agents to communicate with Customer by any electronic means (including cellular phone, email, automatic dialing, and recorded messages) using any phone number (including cellular) or electronic address that Customer provides to Xerox. In any action to enforce this SSA or any Services Contract hereunder, the parties agree to the jurisdiction and venue of the federal or state courts in Monroe County, New York and to waive their right to a jury trial. If a court finds any term of this SSA or any Services Contract to be unenforceable, the remaining terms of this SSA and the Services Contract will remain in effect. The delay or failure by either Party to enforce any right or remedy under this SSA or any Services Contract will not constitute a waiver or forgiveness of such right or remedy. Xerox may retain a reproduction (e.g., electronic image, photocopy, facsimile) of this SSA or any Order, which will be admissible in any action to enforce it, but only SSA or Order held by Xerox will be considered an original. Except for documentation of Equipment replaced by Xerox for reasons other than trade-in, all changes to this SSA or any Order will be made in an amendment signed by both parties. Customer represents that: (a) it has the lawful power and authority to enter into this SSA, (b) the person signing this SSA or any Order is duly authorized to do so, (c) entering into this SSA will not violate any law or other agreement to which it is a party, (d) it is not aware of anything that will have a material negative effect on its ability to satisfy its payment obligations under this SSA or any Services Contract, and (e) all financial information it has provided, or will provide, to Xerox is true and accurate and provides a good representation of Customer's financial condition. Each party will promptly notify the other, in

writing, of any change in ownership, or if it relocates its principal place of business or changes the name of its business. The following four clauses will control over every other provision in a Services Contract: (w) Customer and Xerox will comply with all laws applicable to the performance of its obligations hereunder, (x) in no event will Xerox charge or collect any amounts in excess of those allowed by applicable law, (y) any part of a Services Contract that would, but for this Section, be construed to allow for a charge higher than that allowed under any applicable law, is limited and modified by this Section to limit the amounts chargeable under such Services Contract to the maximum amount allowed by law, and (z) if in any circumstances, an amount in excess of that allowed by law is charged or received, such charge will be deemed limited to the amount legally allowed and the amount received by Xerox in excess of that legally allowed will be applied to the payment of amounts owed or refunded to Customer.

Xerox Print Services Description of Services

Client: LAWTON PUBLIC SCHOOL DISTRICT I-8

Business Agreement Number: 7133495-001 Date: February 1, 2013

1. **Services Commencement Date.** Xerox will notify Client in writing when Xerox reasonably determines that Break Fix Service and Supplies, as applicable, are available for the Managed Devices ("Services Commencement Date"). Xerox Devices may be installed prior to the Services Commencement Date. Regardless of the Services Commencement Date for Managed Devices, Break Fix Services and Supplies are provided for Xerox Devices as of the installation date per the terms of the Business Agreement.

2. **Device Management Services.** Xerox will use the Xerox Tools and Xerox Client Tools (collectively "Tools") to monitor networked Devices. The Tools provide automatic service and supplies alerts to the Xerox Help Desk (e.g. low toner), automated meter collection, new device discovery, and device data collection for reporting. The Tools periodically scan the Client's network for devices which may be eligible to be Managed Devices. Devices identified through this process may be added as Managed Devices and billed at the rates identified in Exhibit A to the XPS Addendum.

3. **Break Fix Services.** Except for Other Devices identified as "Supplies Only" in Exhibit A to the XPS Addendum, Xerox will keep the Devices in good working order ("Break Fix Services").
   a) Break Fix Services may be initiated by the Tools for networked Devices, or by Client calling the Xerox Help Desk.
   b) If a Device failure cannot be resolved remotely, Xerox will dispatch a service technician to perform on-site Break Fix Services, which will usually be the next business day. On-site Break Fix Services are provided Monday through Friday (excluding New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day) from 8:00AM to 5:00PM local time ("XPS Service Hours"). Technicians are not dispatched for preventative maintenance or cleaning.
   c) If Xerox determines that a Managed Device is beyond repair, or is classified by the OEM as service discontinued, or parts or Supplies are no longer commercially available, Xerox will discontinue Break Fix Service and Client may: (i) replace such device at its own expense with a device that is then supported by Xerox; or (ii) notify Xerox to delete such device from the XPS Services Contract.
   d) For Xerox Devices, Break-Fix Services also include the Basic Services or Maintenance Services identified in the Business Agreement.

4. **Supplies.**
   a) For Managed Devices, Xerox will furnish the Supplies identified in the XPS Addendum. Xerox will provide OEM compatible Supplies when available. If Client requires OEM Supplies other than Xerox, Client will be billed for such OEM Supplies. Xerox is not liable for constrained or discontinued Supplies. The Monthly Supplies Shipping Charge identified in Exhibit A to the XPS Addendum covers standard ground shipping. The cost of second day, overnight, or other non-standard shipping will be billed to Client.
   b) For Xerox Devices, Xerox will provide Consumable Supplies in accordance with the Business Agreement.
   c) Requests for Supplies and Consumable Supplies may be placed by the Tools or by Client calling the Xerox Help Desk. To prevent excessive shipment of Supplies or Consumable Supplies, Xerox may: (i) check the current toner level to validate a low toner condition; and (ii) check the metered impression volume since the last shipment to determine if impression volume exceeds the expected yield. If these conditions are not satisfied, Supplies or Consumable Supplies will be billed to Client. Cleaning kits and print media (e.g. paper) may be ordered from the Xerox Help Desk and will be billed to Client. Xerox may not provide Supplies or Consumable Supplies if a current meter read is not received for a networked Device.

5. **Xerox Help Desk.** The Xerox Help Desk is available during the XPS Service Hours to receive, track, escalate, process and close service issues, remotely resolve certain issues, and process Client requests for Break Fix Services, Supplies and Consumable Supplies.

6. **Move, Add, Change, Dispose Process.** The Move, Add, Change and Dispose (MACD) process is used to track and revise the Managed Devices. Under the MACD process, "Adds", "Changes" and "Disposals" may modify the amount billed. For transactions that involve adding or removing Xerox Devices to the XPS Services Contract, Client will also sign an order document containing revised pricing for the Xerox Devices being added or removed. If a Xerox Device is terminated, Client must sign an order document that contains revised pricing and terminates the Xerox Device. Early termination or other charges, if any, for a terminated Xerox Device will be billed according to the terms of the XPS Services Contract.

7. **Reporting:** Xerox standard monthly reports will be provided for the Devices.

8. **Client Responsibilities.** Client will:
   a) Provide a Client Asset Coordinator ("CAC") as its primary point of contact with Xerox during the start-up, implementation and ongoing delivery of XPS Services. The CAC is authorized to process and approve MACD transactions.
   b) Provide a Client IT Contact as its primary contact to Xerox to facilitate IT related activities and processes.
   c) Provide or validate MACD information and approve changes in Device status as they occur, through the MACD process.
   d) Notify the Xerox Help Desk if Client wishes to relocate a Device, and Xerox will advise Client if XPS Services are available at the new location.

e) Assure that networked Devices are Simple Network Management Protocol ("SNMP") enabled and can route SNMP over the network.
f) Provide a dedicated PC or server, as required, that is connected to Client's network at all times ("Client PC"), and allow Xerox to install, use, access, update and maintain the Tools on the Client PC. The Tools cannot be installed on a PC or server where other SNMP-based applications or other Xerox Tools are installed, because they may interfere with the Tools.
g) Ensure that proper virus protection is installed, maintained, and enabled on the Client PC and any servers, desktop workstations, laptop computers and other hardware attached to or hosting any data on Client's network or output environment. Xerox is not responsible for the disruption of XPS Services or loss of functionality of the Tools caused by any of the foregoing. If the Tools become inoperable due to Client implemented changes to its network, Xerox will work with Client to re-install Tools.
h) Assist in implementation of the Tools by providing relevant network information such as the IP address ranges or subnets on which Devices reside.
i) Distribute Supplies and Consumable Supplies within Client's site (or facilitate Xerox contracted on-site resource to perform this task) and install them in Devices and clear paper jams.
j) Resolve any Client network, Client PC or Managed Device software issues.
k) Replace Device cartridges and CRUs (or facilitate Xerox contracted on-site resource to perform this task).
l) Provide reasonable access to Client's facilities and personnel as required for the performance of XPS Services.
m) Ensure that Devices are installed and operating within the OEM's specifications and are readily accessible to the Xerox authorized service representative.
n) Submit meter data for networked Devices when such data cannot be provided by the Tools.
o) Request Break Fix Services, Supplies and Consumable Supplies from the Xerox Help Desk for Devices that are not compatible with the Tools.
p) Grant or transfer to Xerox sufficient rights to use software owned, licensed or otherwise controlled by Client, as required, solely for the purpose of providing XPS Services.
q) Legally dispose of all hazardous wastes generated from use of Devices and associated Supplies and CRUs.

Xerox will not be liable for delays or services failures, including but not limited to implementation delays, if Client does not perform or facilitate completion of its designated responsibilities.

9. **Definitions.** Capitalized terms that are not defined below or elsewhere in this Description of Services have the meaning assigned to them in the Business Agreement, the XPS Services Contract or the XPS Addendum.
a) **Asset Management Database**: A database that is hosted and maintained by Xerox to record and provide reporting on Device activities.
b) **Business Agreement**: The contract terms and conditions between Client and Xerox including any Orders, amendments or addenda thereto, which sets forth the terms and conditions governing this Description of Services.
c) **CRU**: Client replaceable units or items that an operator can install without service assistance.
d) **Device(s)**: The Xerox Devices and Managed Devices included as in-scope under XPS as recorded in the Asset Management Database.
e) **Managed Device(s)**: Printers identified in Exhibit B of the XPS Addendum.
f) **Xerox Device(s)**: A Xerox provided device identified in or added to the XPS Services Contract, provided under a Business Agreement for which Xerox retains title that must be returned to Xerox when that agreement expires.
g) **XPS Addendum**: The XPS Addendum to the XPS Services Contract between Client and Xerox. If there are no Managed Devices included in the XPS Services Contract, all references to XPS Addendum and Managed Devices are hereby deleted from this Description of Service.
h) **XPS Services**: The services described in this Description of Services.
i) **XPS Services Contract**: Collectively the Business Agreement and the XPS Addendum (if applicable).

Terms and Conditions

INTRODUCTION:

1. TOTAL SATISFACTION GUARANTEE. If you are not totally satisfied with any Xerox-brand Equipment delivered under this Agreement, Xerox will, at your request, replace it without charge with an identical model or, at Xerox's option, with Xerox Equipment with comparable features and capabilities. This Guarantee applies only to Xerox-brand Equipment that has been continuously maintained by Xerox under this Agreement or a Xerox maintenance agreement. For "Previously Installed" Equipment, this Guarantee will be effective for 1 year after installation. For all other Equipment, this Guarantee will be effective for 3 years after installation unless the Equipment is being financed under this Agreement for more than 3 years, in which event it will expire at the end of the initial Term of this Agreement.

GOVERNMENT TERMS:

2. REPRESENTATIONS & WARRANTIES. This provision is applicable to governmental entities only. You represent and warrant, as of the date of this Agreement, that: (1) you are a State or a fully constituted political subdivision or agency of the State in which you are located and are authorized to enter into, and carry out, your obligations under this Agreement and any other documents required to be delivered in connection with this Agreement (collectively, the "Documents"); (2) the Documents have been duly authorized, executed and delivered by you in accordance with all applicable laws, rules, ordinances and regulations (including all applicable laws governing open meetings, public bidding and appropriations required in connection with this Agreement and the acquisition of the Products) and are valid, legal, binding agreements, enforceable in accordance with their terms; (3) the person(s) signing the Documents have the authority to do so, are acting with the full authorization of your governing body and hold the offices indicated below their signatures, each of which are genuine; (4) the Products are essential to the immediate performance of a governmental or proprietary function by you within the scope of your authority and will be used during the Term only by you and only to perform such function; and (5) your payment obligations under this Agreement constitute a current expense and not a debt under applicable state law and no provision of this Agreement constitutes a pledge of your tax or general revenues, and any provision that is so construed by a court of competent jurisdiction is void from the inception of this Agreement.

3. FUNDING. This provision is applicable to governmental entities only. You represent and warrant that all payments due and to become due during your current fiscal year are within the fiscal budget of such year and are included within an unrestricted and unencumbered appropriation currently available for the purchase/maintenance of the Products, and it is your intent to use the Products for the entire term and to make all payments required under this Agreement. If (1) through no action initiated by you, your legislative body does not appropriate funds for the continuation of this Agreement for any fiscal year after the first fiscal year and has no funds to do so from other sources, and (2) you have made a reasonable but unsuccessful effort to find a creditworthy assignee acceptable to Xerox in its sole discretion within your general organization who can continue this Agreement, this Agreement may be terminated. To effect this termination, you must, at least 30 days prior to the beginning of the fiscal year for which your legislative body does not appropriate funds, notify Xerox in writing that your legislative body failed to appropriate funds and that you have made the required effort to find an assignee. Your notice must be accompanied by payment of all sums then owed through the current year under this Agreement. You will return the Equipment, at your expense, to a location designated by Xerox and, when returned, the Equipment will be in good condition and free of all liens and encumbrances. You will then be released from any further payment obligations beyond those payments due for the current fiscal year (with Xerox retaining all sums paid to date).

SOLUTION/SERVICES:

4. PRODUCTS. "Products" means the equipment ("Equipment"), Software and supplies identified in this Agreement. You agree the Products are for your business use (not resale) in the United States and its territories and possessions ("U.S.") and will not be used for personal, household or family purposes.

5. CONSUMABLE SUPPLIES. Consumable Supplies vary depending upon the Equipment model. If "Consumable Supplies" is identified in Maintenance Plan features, Consumable Supplies include: (i) for black and white Equipment, standard black toner and/or dry ink, black developer, Copy Cartridges, and, if applicable, fuser agent required to make impressions; (ii) for full color Equipment, the items in (i) plus standard cyan, magenta, and yellow toners and dry inks (and their associated developers); and, (iii) for Equipment identified as "Phaser", only, if applicable, black solid ink, color solid ink, imaging units, waste cartridges, transfer rolls, transfer belts, transfer units, belt cleaner, maintenance kits, print Cartridges, drum Cartridges, waste trays and cleaning kits. Unless otherwise set forth herein, Consumable Supplies exclude paper and staples. Xerox may charge a shipping and handling fee for Consumable Supplies. Consumable Supplies are Xerox's property until used by you, and you will use them only with the Equipment for which "Consumable Supplies" is identified in Maintenance Plan Features. If Consumables Supplies are furnished with recycling information, you will return the used item to Xerox for remanufacturing. Shipping information is available at Xerox.com/GWA. Upon expiration of this Agreement, you will include any unused Consumable Supplies with the Equipment for return to Xerox at the time of removal. If your use of Consumable Supplies exceeds Xerox's published yield by more than 10%, Xerox will notify you of such excess usage. If such excess usage does not cease within 30 days after such notice, Xerox may charge you for such excess usage. Upon request, you will provide current meter reads and/or an inventory of Consumable Supplies in your possession.

6. CARTRIDGES. If Xerox is providing Maintenance Services for Equipment utilizing cartridges designated by Xerox as customer replaceable units, including copy/print cartridges and xerographic modules or fuser modules ("Cartridges"), you agree to use only unmodified Cartridges purchased directly from Xerox or its authorized resellers in the U.S. Cartridges packed with Equipment and replacement Cartridges may be new, remanufactured or reprocessed. Remanufactured and reprocessed Cartridges meet Xerox's new Cartridge performance standards and contain new or reprocessed components. To enhance print quality, Cartridge(s) for many models of Equipment have been designed to cease functioning at a predetermined point. In addition, many Equipment models are designed to function only with Cartridges that are newly manufactured original Xerox Cartridges or with Cartridges intended for use in the U.S.

7. MAINTENANCE SERVICES. Except for Equipment identified as "No Svc.", Xerox (or a designated servicer) will keep the Equipment in good working order ("Maintenance Services"). The provision of Maintenance Services is contingent upon you facilitating timely and efficient resolution of Equipment issues by: (a) utilizing customer-implemented remedies provided by Xerox; (b) replacing Cartridges; and (c) providing information to and implementing recommendations provided by Xerox telephone support personnel. If an Equipment issue is not resolved after completion of (a) through (c) above, Xerox will provide on-site support as provided herein. Maintenance Services will be provided during Xerox's standard working hours in areas open for repair service for the Equipment. Maintenance Services excludes repairs due to: (i) misuse, neglect or abuse; (ii) failure of the installation site or the PC or workstation used with the Equipment to comply with Xerox's published specifications; (iii) use of options, accessories or products not serviced by Xerox; (iv) non-Xerox alterations, relocation, service or supplies; or (v) failure to perform operator maintenance procedures identified in operator manuals. Replacement parts may be new, reprocessed or recovered and all replaced parts become Xerox's property. As your exclusive remedy for Xerox's failure to provide Maintenance Services, Xerox will, for 5 years after the installation date of the initial unit or the initial Term of the Agreement, whichever is longer, replace the Equipment with an identical model or, at Xerox's option, another model with comparable features and capabilities. There will be no additional charge for the replacement Equipment during the remainder of the initial Term. If meter reads are a component of your Maintenance Plan, you will provide them using the method and frequency identified by Xerox. If Xerox is unable to keep a unit of Equipment in good working order after the period noted above, either party may terminate Maintenance Services for that unit without any penalties or early termination charges upon not less than 30 days written notice to the other party. If you do not provide a meter reading for Equipment not capable of Remote Data Access, or if Remote Data Access is interrupted, Xerox may estimate the reading and bill you accordingly.

8. EQUIPMENT STATUS. Unless you are acquiring "Previously Installed" Equipment, Equipment will be (1) "Newly Manufactured", which may contain some reconditioned components; (2) "Factory Produced New Model", which is manufactured and newly serialized at a Xerox factory, adds functions and features to a product previously disassembled to a Xerox predetermined standard, and contains new and reconditioned components; or (3) "Remanufactured", which has been factory produced following disassembly to a Xerox predetermined standard and contains new and reconditioned components.

9. SOFTWARE LICENSE. Xerox grants you a non-exclusive, non-transferable license to use in the U.S.: (a) software and accompanying documentation provided with Xerox-brand Equipment ("Base Software") only with the Xerox-brand Equipment with which it was delivered; and (b) software and accompanying documentation identified in this Agreement as "Application Software" only on any single unit of equipment for as long

as you are current in the payment of all applicable software license fees. "Base Software" and "Application Software" are referred to collectively as "Software". You have no other rights and may not: (1) distribute, copy, modify, create derivatives of, decompile, or reverse engineer Software; (2) activate Software delivered with the Equipment in an inactivated state; or (3) allow others to engage in same. Title to, and all intellectual property rights in, Software will reside solely with Xerox and/or its licensors (who will be considered third-party beneficiaries of this Section). Software may contain code capable of automatically disabling the Equipment. Disabling code may be activated if: (x) Xerox is denied access to periodically reset such code; (y) you are notified of a default under this Agreement; or (z) your license is terminated or expires. The Base Software license will terminate; (i) if you no longer use or possess the Equipment; (ii) you are a lessor of the Equipment and your first lessee no longer uses or possesses it; or (iii) upon the expiration or termination of this Agreement, unless you have exercised your option to purchase the equipment. Neither Xerox nor its licensors warrant that Software will be free from errors or that its operation will be uninterrupted. The foregoing terms do not apply to Diagnostic Software or to software/documentation accompanied by a clickwrap or shrinkwrap license agreement or otherwise made subject to a separate license agreement.

10. SOFTWARE SUPPORT. Xerox (or a designated servicer) will provide the software support set forth below ("Software Support"). For Base Software, Software Support will be provided during the initial Term and any renewal period but in no event longer than 5 years after Xerox stops taking customer orders for the subject model of Equipment. For Application Software, Software Support will be provided as long as you are current in the payment of all applicable software license and support fees. Xerox will maintain a web-based or toll-free hotline during Xerox's standard working hours to report Software problems and answer Software-related questions. Xerox, either directly or with its vendors, will make reasonable efforts to: (a) assure that Software performs in material conformity with its user documentation; (b) provide available workarounds or patches to resolve Software performance problems; and (c) resolve coding errors for (i) the current Release and (ii) the previous Release for a period of 6 months after the current Release is made available to you. Xerox will not be required to provide Software Support if you have modified the Software. New releases of Software that primarily incorporate compliance updates and coding error fixes are designated as "Maintenance Releases" or "Updates". Maintenance Releases or Updates that Xerox may make available will be provided at no charge and must be implemented within six months. New releases of Software that include new content or functionality ("Feature Releases") will be subject to additional license fees at Xerox's then-current pricing. Maintenance Releases, Updates and Feature Releases are collectively referred to as "Releases". Each Release will be considered Software governed by the Software License and Software Support provisions of this Agreement (unless otherwise noted). Implementation of a Release may require you to procure, at your expense, additional hardware and/or software from Xerox or another entity. Upon installation of a Release, you will return or destroy all prior Releases.

11. DIAGNOSTIC SOFTWARE. Software used to evaluate or maintain the Equipment ("Diagnostic Software") is included with the Equipment. Diagnostic Software is a valuable trade secret of Xerox. Title to Diagnostic Software will remain with Xerox or its licensors. Xerox does not grant you any right to use Diagnostic Software, and you will not access, use, reproduce, distribute or disclose Diagnostic Software for any purpose (or allow third parties to do so). You will allow Xerox reasonable access to the Equipment to remove or disable Diagnostic Software if you are no longer receiving Maintenance Services from Xerox; provided that any on-site access to your facility will be during your normal business hours.

12. FREEFLOW LICENSE. The following terms apply to Xerox FreeFlow Print Server /DocuSP software included in Base Software ("FreeFlow Base Software") and/or Application Software identified as Xerox FreeFlow software (including, but not limited to, FreeFlow Makeready and FreeFlow Process Manager) (collectively, "FreeFlow Application Software"), and are additive to and supplement those found elsewhere in the Agreement. FreeFlow Base Software and FreeFlow Application Software are collectively referred to as "FreeFlow Software."

1. FreeFlow Software may include and/or incorporate font programs ("Font Programs") and other software provided by Adobe Systems Incorporated ("Adobe Software"). You may embed copies of the Font Programs into your electronic documents for the purpose of printing and viewing the document. You are responsible for ensuring that you have the right and are authorized by any necessary third parties to embed any Font Programs in electronic documents created with the FreeFlow Application Software. If the Font Programs are identified as "licensed for editable embedding" at www.adobe.com/type/browser/legal/embeddingeula, you may also embed copies of those Font Programs for the additional purpose of editing your electronic documents. No other embedding rights are implied or permitted under this license.

2. You will not, without the prior written consent of Xerox and its licensors: (a) alter the digital configuration of the FreeFlow Software, or solicit others to cause the same, so as to change the visual appearance of any of the FreeFlow Software output; (b) use the FreeFlow Software in any way that is not authorized by the Agreement; (c) use the embedded code within the FreeFlow Software outside of the Equipment on which it was installed or in a stand-alone, time-share or service bureau model; (d) disclose the results of any performance or benchmark tests of the FreeFlow Software; (e) use the FreeFlow Software for any purpose other than to carry out the purposes of the Agreement; or (f) disclose or otherwise permit any other person or entity access to the object code of the FreeFlow Software.

3. FreeFlow Process Manager contains Oracle Database Express Edition database software and documentation licensed from Oracle America, Inc. ("Oracle"). Oracle grants you a nonexclusive, nontransferable limited license to use Database Express Edition for purposes of developing, prototyping and running your applications for your own internal data processing operations. Database Express Edition may be installed on a multiple CPU server, but may only be executed on one processor in any server. Upon not less than 45 days prior written notice, Xerox and/or its licensors may, at their expense, directly or through an independent auditor, audit your use of FreeFlow Process Manager and all relevant records not more than once annually. Any such audit will be conducted at a mutually agreed location and will not unreasonably interfere with your business activities.

4. The Copyright Management feature of FreeFlow Makeready ("FFCM") contains the optional Copyright Clearance Center, Inc. ("CCC") copyright licensing services feature of FFCM ("CCC Service"). If this option is ordered, you will comply with any applicable terms and conditions contained on the CCC website, www.copyright.com, and any other rights holder terms governing use of materials, which are accessible in FFCM. If CCC terminates Xerox's right to offer access to the CCC Service through FFCM, Xerox may, upon written notice and without any liability to you, terminate your right to access the CCC Service through FFCM. THE CCC SERVICE IS PROVIDED "AS IS," WITHOUT ANY WARRANTIES, WHETHER EXPRESS OR IMPLIED. XEROX DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF NONINFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. You will defend and indemnify Xerox from any and all losses, claims, damages, fines, penalties, interest, costs and expenses, including reasonable attorney fees, arising from or relating to your use of the CCC Service.

5. If you install FreeFlow Application Software on a computer that you supply, the following terms apply: (a) Xerox will only be obligated to support FreeFlow Application Software if it is installed on hardware and software meeting Xerox's published specifications (collectively "Workstation"); (b) IF YOU USE FREEFLOW APPLICATION SOFTWARE WITH ANY HARDWARE OR SOFTWARE OTHER THAN A WORKSTATION, ALL REPRESENTATIONS AND WARRANTIES ACCOMPANYING SUCH FREEFLOW APPLICATION SOFTWARE WILL BE VOID AND ANY SUPPORT/MAINTENANCE YOU CONTRACT FOR IN CONNECTION WITH SUCH FREEFLOW APPLICATION SOFTWARE WILL BE VOIDABLE AND/OR SUBJECT TO ADDITIONAL CHARGES; and (c) you are solely responsible for: (i) the acquisition and support, including any and all associated costs, charges and other fees, of any Workstation you supply; (ii) compliance with all terms governing such Workstation acquisition and support, including terms applicable to any non-Xerox software associated with such Workstation; and (iii) ensuring that such Workstation meets Xerox's published specifications.

6. The following terms apply to FreeFlow Software licensed to U.S. government customers:

a. Java technology contained in FreeFlow Software is subject to: (i) FAR 52.227-14(g)(2) and FAR 52.227-19; and (ii) if licensed to the U.S. Department of Defense ("DOD"), DFARS 252.227-7015(b) and DFARS 227.7202-3(a).

b. Adobe Software is a "commercial item," as that term is defined at FAR 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in FAR 12.212, and is licensed to civilian agencies consistent with the policy set forth in FAR 12.212, or to the DOD consistent with the policies set forth in DFARS 227.7202-1.

c. Oracle Database Express Edition is "commercial computer software" and is subject

Terms and Conditions

to the restrictions as set forth in the Rights in Technical Data and Computer Software Clauses in DFARS 252.227-7015 and FAR 52.227-19 as applicable.

7. FreeFlow Software may include Microsoft Embedded Standard operating system software to which the following terms apply:

a. You agree to and will comply with the Microsoft terms and conditions contained on the Xerox website, http://www.support.xerox.com/support/open-source-disclosures/file-redirect/enus.html?&contentId=136023.

b. Any updates, upgrades or reinstallations of Microsoft Embedded Standard operating system software are subject to the terms and conditions of this license and may be used only with the Xerox-brand Equipment with which it was delivered. Any other use of the software is strictly prohibited and may subject you to legal action.

c. If the Equipment includes Remote Desktop Services that enable it to connect to and access applications running on a server, such as Remote Desktop Protocol, Remote Assistance and Independent Computer Architecture, such Desktop Functions will not run locally on the system, except for network/Internet browsing functions.

d. The FreeFlow Base Software contains the Windows Update feature that allows you to access Windows Updates directly through the Microsoft Corp. Windows Update server. If you elect to activate this feature, any Windows Updates installed by you using the Windows Update feature may not function on the Equipment or may cause malfunctions or cause harm to the Equipment. Before you download a Windows Update using this feature, you should contact Xerox so that Xerox can ensure that each Windows Update is suitable for use on the Equipment and provide any necessary technical support for the installation and use of such Windows Update.

e. No High Risk Use. WARNING: The Windows Embedded 7 Standard operating system is not fault-tolerant.

The Windows Embedded 7 Standard operating system is not designed or intended for any use in any computing device where failure or fault of any kind of the Windows Embedded 7 Standard operating system could reasonably be seen to lead to death or serious bodily injury of any person, or to severe physical or environmental damage ("High Risk Use"). Xerox is not licensed to use, distribute, or sublicense the use of the Windows Embedded 7 Standard operating system in High Risk Use. High Risk Use is STRICTLY PROHIBITED.

PRICING PLAN/OFFERING SELECTED:

13. COMMENCEMENT & TERM. This Agreement is valid when accepted by Xerox. The Term for each unit of Equipment will commence upon: (i) the delivery of customer-installable Equipment; or (ii) the installation of Xerox-installable Equipment ("Commencement Date") and will continue for the number of full calendar months shown as "Lease Term" on the face of this Agreement. Any partial month in the Term will be billed on a pro rata basis, based on a 30 day month. Unless either party provides notice of termination at least thirty days before the expiration of the initial Term, it will renew automatically on a month-to-month basis on the same terms and conditions. During this renewal period, either party may terminate the Equipment upon at least 30 days notice. Upon termination, you will make the Products available for removal by Xerox. At the time of removal, the Equipment will be in the same condition as when delivered (reasonable wear and tear excepted).

14. PAYMENT. Payment (including applicable Taxes) is due within 30 days after the invoice date, with all charges being billed in arrears. This Agreement will not be automatically renewed.

15. OTHER CHARGES. You will pay a one-time documentation fee of $100 for this Agreement. If a payment is not received by Xerox within 10 days after the due date, Xerox may charge, and you will pay, a late charge of 5% of the amount due or $25, whichever is greater

16. FIXED PRICING. If "Pricing Fixed for Term" is identified in Maintenance Plan Features, the maintenance component of the Minimum Payment and Print Charges will not increase during the initial Term of this Agreement.

17. DELIVERY, REMOVAL & RELOCATION. Equipment prices include standard delivery charges and, for Xerox-owned Equipment, standard removal charges. Charges for non-standard delivery or removal and for any Equipment relocation are your responsibility. Relocation of Xerox-owned Equipment must be arranged (or approved in advance) by Xerox and may not be to a location outside of the U.S.

18. TAXES. You will be responsible for all applicable taxes, fees or charges of any kind (including interest and penalties) assessed by any governmental entity on this Agreement or the amounts payable under this Agreement ("Taxes"), which will be included in Xerox's invoice unless you timely provide proof of your tax exempt status. Taxes do not include personal property taxes in jurisdictions where Xerox is required to pay personal property taxes, and taxes on Xerox's income. This Agreement is a lease for all income tax purposes and you will not claim any credit or deduction for depreciation of the Equipment, or take any other action inconsistent with your role as lessee of the Equipment.

19. PURCHASE OPTION. If not in default, you may purchase the Equipment, "AS IS, WHERE IS" and WITHOUT ANY WARRANTY AS TO CONDITION OR VALUE, at the end of the initial Term for the "Purchase Option" indicated on the face of this Agreement (i.e., either a set dollar amount or the fair market value of the Equipment at the expiration of the initial Term), plus all applicable Taxes.

20. DEFAULT & REMEDIES. You will be in default under this Agreement if (1) Xerox does not receive any payment within 15 days after the date it is due, or (2) you breach any other obligation in this or any other agreement with Xerox. If you default, Xerox may, in addition to its other remedies (including cessation of Maintenance Services), remove the Equipment at your expense and require immediate payment, as liquidated damages for loss of bargain and not as a penalty, of: (a) all amounts then due, plus interest from the due date until paid at the rate of 1.5% per month; (b) the Minimum Payments (less the Maintenance Services and Consumable Supplies components thereof, as reflected on Xerox's books and records) remaining in the Term, discounted at 4% per annum; (c) the applicable Purchase Option; and (d) all applicable Taxes. You will pay all reasonable costs, including attorneys' fees, incurred by Xerox to enforce this Agreement. If you make the Equipment available for removal by Xerox within 30 days after notice of default, in the same condition as when delivered (reasonable wear and tear excepted), you will receive a credit for the fair market value of the Equipment as determined by Xerox, less any costs incurred by Xerox.

21. DATA SECURITY. Certain models of Equipment can be configured to include a variety of data security features. There may be an additional cost associated with certain data security features. The selection, suitability and use of data security features are solely your responsibility. Upon request, Xerox will provide additional information to you regarding the security features available for particular Equipment models.

GENERAL TERMS & CONDITIONS:

22. NON-CANCELABLE AGREEMENT. THIS AGREEMENT CANNOT BE CANCELED OR TERMINATED EXCEPT AS EXPRESSLY PROVIDED HEREIN. YOUR OBLIGATION TO MAKE ALL PAYMENTS, AND TO PAY ANY OTHER AMOUNTS DUE OR TO BECOME DUE, IS ABSOLUTE AND UNCONDITIONAL AND NOT SUBJECT TO DELAY, REDUCTION, SET-OFF, DEFENSE, COUNTERCLAIM OR RECOUPMENT FOR ANY REASON WHATSOEVER, IRRESPECTIVE OF XEROX'S PERFORMANCE OF ITS OBLIGATIONS HEREUNDER. ANY CLAIM AGAINST XEROX MAY BE ASSERTED IN A SEPARATE ACTION AND SOLELY AGAINST XEROX.

23. REPRESENTATIONS. The individuals signing this Agreement are duly authorized to do so and all financial information you provide completely and accurately represents your financial condition.

24. LIMITATION OF LIABILITY. For claims arising out of or relating to this Agreement whether the claim alleges tortious conduct (including negligence) or any other legal theory, but excepting liability under the indemnification obligations set forth in this Agreement, Xerox will not be liable to you for any direct damages in excess of $10,000 or the amounts paid hereunder, whichever is greater, and neither party will be liable to the other for any special, indirect, incidental, consequential or punitive damages. Any action you take against Xerox must be commenced within 2 years after the event that caused it.

25. CREDIT REPORTS. You authorize Xerox or its agent to obtain credit reports from commercial credit reporting agencies.

26. FORCE MAJEURE. Xerox will not be liable to you during any period in which its performance is delayed or prevented, in whole or in part, by a circumstance beyond its reasonable control. Xerox will notify you if such a circumstance occurs.

27. PROTECTION OF XEROX'S RIGHTS. You authorize Xerox or its agent to file, by any permissible means, financing statements necessary to protect Xerox's rights as lessor of the Equipment. You will promptly notify Xerox of a change in ownership, or if you relocate your principal place of business or change the name of your business.

28. WARRANTY DISCLAIMER. XEROX DISCLAIMS THE IMPLIED WARRANTIES OF NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE. This Agreement is a "finance lease" under Article 2A of the Uniform Commercial Code and, except to the extent expressly provided herein, and as permitted by applicable law, you waive all of your rights and remedies as a lessee under Article 2A.

29. INTELLECTUAL PROPERTY INDEMNITY. Xerox will defend, and pay any settlement agreed to by Xerox or any final judgment for, any claim that a Xerox-brand

Product infringes a third party's U.S. intellectual property rights. You will promptly notify Xerox of any alleged infringement and permit Xerox to direct the defense. Xerox is not responsible for any non-Xerox litigation expenses or settlements unless it pre-approves them in writing. To avoid infringement, Xerox may modify or substitute an equivalent Xerox-brand Product, refund the price paid for the Xerox-brand Product (less the reasonable rental value for the period it was available to you), or obtain any necessary licenses. Xerox is not liable for any infringement based upon a Xerox-brand Product being modified to your specifications or being used or sold with products not provided by Xerox.

30. TITLE & RISK OF LOSS AND INSURANCE. Until you exercise your Purchase Option: (a) title to Equipment will remain with Xerox; (b) Equipment will remain personal property; (c) you will not attach the Equipment as a fixture to any real estate; (d) you will not pledge, sublease or part with possession of it, or file or permit to be filed any lien against it; and, (e) you will not make any permanent alterations to it. Risk of loss passes to you upon delivery and remains with you until Xerox removes the Equipment. You will keep the Equipment insured against loss or damage and the policy will name Xerox as a loss payee ("Required Insurance"). You must provide Xerox or our agents, designees or assigns with satisfactory evidence of Required Insurance within 30 days of the commencement of this Agreement or any subsequent written request by Xerox or our agents, designees or assigns. IF YOU DO NOT PROVIDE SUCH EVIDENCE, THEN, IN LIEU OF OTHER REMEDIES FOR DEFAULT, XEROX, IN ITS DISCRETION AND AT ITS SOLE OPTION, MAY OBTAIN INSURANCE FROM AN INSURER OF ITS CHOOSING, IN SUCH FORMS AND AMOUNTS AS XEROX DEEMS REASONABLE TO PROTECT ITS INTERESTS (COLLECTIVELY "EQUIPMENT INSURANCE"). EQUIPMENT INSURANCE WILL COVER THE EQUIPMENT AND XEROX; IT WILL NOT NAME YOU AS AN INSURED, MAY NOT COVER ALL OF YOUR OBLIGATIONS UNDER THIS AGREEMENT AND WILL BE SUBJECT TO CANCELLATION BY XEROX OR THE INSURER AT ANY TIME. YOU AGREE TO PAY XEROX PERIODIC CHARGES FOR SUCH EQUIPMENT INSURANCE (COLLECTIVELY "INSURANCE CHARGES") THAT INCLUDE AN INSURANCE PREMIUM THAT MAY BE HIGHER THAN IF YOU MAINTAINED THE REQUIRED INSURANCE SEPARATELY AND/OR BILLING AND PROCESSING FEES WHICH MAY GENERATE A PROFIT TO XEROX OR A THIRD PARTY. XEROX MAY ADD INSURANCE CHARGES TO EACH INVOICE. **XEROX SHALL DISCONTINUE BILLING OR DEBITING INSURANCE CHARGES FOR EQUIPMENT INSURANCE UPON RECEIPT FROM YOU OF SATISFACTORY EVIDENCE OF REQUIRED INSURANCE. Neither loss nor damage to Equipment or Xerox's receipt of insurance proceeds relieve you of any of your remaining obligations under this Agreement.** YOU AGREE (i) AT XEROX'S OPTION, TO ARBITRATE ANY DISPUTE WITH XEROX OR OUR AGENTS, DESIGNEES OR ASSIGNS REGARDING THE EQUIPMENT INSURANCE AND/OR INSURANCE CHARGES UNDER THE RULES OF THE AMERICAN ARBITRATION ASSOCIATION IN MONROE COUNTY, NY, (ii) ARBITRATION (NOT A COURT) IS THE EXCLUSIVE REMEDY FOR SUCH DISPUTES; AND (iii) CLASS ARBITRATION IS NOT PERMITTED. This arbitration requirement does not apply to any other provision of this Agreement.

31. ASSIGNMENT. Except for assignment by Xerox to a parent, subsidiary or affiliate of Xerox, or to securitize this Agreement as part of a financing transaction ("Permitted Assignment"), neither party will assign any of its rights or obligations under this Agreement without the prior written consent of the other party. In the event of a Permitted Assignment: (a) Xerox may, without your prior written consent, release to the proposed assignee information it has about you related to this Agreement; (b) the assignee will have all of the rights but none of the obligations of Xerox hereunder; (c) you will continue to look to Xerox for performance of Xerox's obligations, including the provision of Maintenance Services; (d) you waive and release the assignee from any claim relating to or arising from the performance of Xerox's obligations hereunder; (e) you shall not assert any defense, counterclaim or setoff you may have against an assignee; and (f) you will remit payments in accordance with instructions of the assignee..

32. MISCELLANEOUS. Notices must be in writing and will be deemed given 5 days after mailing, or 2 days after sending by nationally recognized overnight courier. Notices will be sent to you at the "Bill to" address identified in this Agreement, and to Xerox at the inquiry address set forth on your most recent invoice, or to such other address as either party may designate by written notice. You authorize Xerox or its agents to communicate with you by any electronic means (including cellular phone, email, automatic dialing and recorded messages) using any phone number (including cellular) or electronic address you provide to Xerox. This Agreement constitutes the entire agreement as to its subject matter, supersedes all prior oral and written agreements, and will be governed by the laws of the State of New York (without regard to conflict-of-law principles). In any action to enforce this Agreement, the parties agree (a) to the jurisdiction and venue of the federal and state courts in Monroe County, New York, and (b) to waive their right to a jury trial. If a court finds any term of this Agreement unenforceable, the remaining terms will remain in effect. The failure by either party to exercise any right or remedy will not constitute a waiver of such right or remedy. Each party may retain a reproduction (e.g., electronic image, photocopy, facsimile) of this Agreement which will be admissible in any action to enforce it, but only the Agreement held by Xerox will be considered an original. Xerox may accept this Agreement either by signature or by commencing performance. Changes to this Agreement must be in writing and signed by both parties. Any terms on your ordering documents will be of no force or effect. Administrative and contract support functions hereunder may be performed, inside or outside the U.S., by one or more of Xerox's subsidiaries or affiliates and/or third parties. The following four sentences control over every other part of this Agreement. Both parties will comply with applicable laws. Xerox will not charge or collect any amounts in excess of those allowed by applicable law. Any part of this Agreement that would, but for the last four sentences of this Section, be read under any circumstances to allow for a charge higher than that allowed under any applicable legal limit, is modified by this Section to limit the amounts chargeable under this Agreement to the maximum amount allowed under the legal limit. If, in any circumstances, any amount in excess of that allowed by law is charged or received, any such charge will be deemed limited by the amount legally allowed and any amount received by Xerox in excess of that legally allowed will be applied by Xerox to the payment of amounts legally owed under this Agreement, or refunded to you.

33. REMOTE SERVICES. Certain models of Equipment are supported and serviced using data that is automatically collected by Xerox or transmitted to or from Xerox by the Equipment connected to your network ("Remote Data") via electronic transmission to a secure off-site location ("Remote Data Access"). Remote Data Access also enables Xerox to transmit Releases of Software to you and to remotely diagnose and modify Equipment to repair and correct malfunctions. Examples of Remote Data include product registration, meter read, supply level, Equipment configuration and settings, software version, and problem/fault code data. Remote Data may be used by Xerox for billing, report generation, supplies replenishment, support services, recommending additional products and services, and product improvement/development purposes. Remote Data will be transmitted to and from you in a secure manner specified by Xerox. Remote Data Access will not allow Xerox to read, view or download the content of any of your documents or other information residing on or passing through the Equipment or your information management systems. You grant the right to Xerox, without charge, to conduct Remote Data Access for the purposes described above. Upon Xerox's request, you will provide contact information for Equipment such as name and address of your contact and IP and physical addresses/locations of Equipment. You will enable Remote Data Access via a method prescribed by Xerox, and you will provide reasonable assistance to allow Xerox to provide Remote Data Access. Unless Xerox deems Equipment incapable of Remote Data Access, you will ensure that Remote Data Access is maintained at all times Maintenance Services are being performed.

Trade-in Information

34. TRADE-IN EQUIPMENT. You warrant that you have the right to transfer title to the equipment you are trading in as part of this Agreement ("Trade-In Equipment") and that the Trade-In Equipment is in good working order and has not been modified from its original configuration (other than by Xerox). Title and risk of loss to the Trade-In Equipment will pass to Xerox when Xerox removes it from your premises. You will maintain the Trade-In Equipment at its present site and in substantially its present condition until removed by Xerox. You will pay all accrued charges for the Trade-In Equipment (up to and including payment of the final principal payment number) and all applicable maintenance, administrative, supply and finance charges until Xerox removes the Trade-In Equipment from your premises.

For copying or unauthorized use of the software, or other violations of the terms of this agreement, Zonar may seek and obtain injunctive relief for such breaches or threatened breaches, in addition to, and not in limitation of other legal remedies.

18. CONFIDENTIALITY: To the extent allowed by law, each Party shall retain in confidence all information received from the other Party that the disclosing Party identifies as being proprietary and/or confidential or that, by the nature of the circumstances surrounding the disclosure, ought in good faith to be treated as such ("Confidential Information"), except that Zonar may disclose Customer's Confidential Information (where such data is collected from a Customer vehicle/asset) to (a) the manufacturer of Customer's vehicle; (b) the lessor or owner of the vehicle (where Customer has leased vehicle from a third party) or any maintenance provider/company identified by the Customer; (c) the provider of any Third Party App that Customer chooses to download, install, or use; and/or (d) any third party to whom the Customer authorizes access to such data via Zonar's API, for the purpose of providing Customer products or services including data analysis. In no event shall either Party employ less than a reasonable degree of care in protecting the Confidential Information, which includes, but shall not be limited to: the terms of this Agreement, pricing, business plans, customer lists, operational and technical data and product plans. 21. MISCELLANEOUS: The failure of either Party to exercise in any respect any right provided for herein will not be deemed a waiver of any provision of this Agreement or of any subsequent breach of the same and no waiver of any provision of this Agreement will be effective unless made in writing. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect and enforceable. This Agreement shall be interpreted under the laws of the State of Washington, and, in the event of any controversy or claim arising out of or relating to this Agreement or the breach or interpretation thereof, the Parties shall submit to the exclusive jurisdiction of and venue in the Superior Court of King County, Washington, or the Federal District Court for the Western District of Washington, and their respective appellate courts. Facsimile or scanned signatures will be deemed originals. By executing this Agreement, Customer authorizes Zonar and/or its affiliates to request and obtain credit reports and/or bank and trade references ("Credit Reports"). Customer may request, and Zonar will provide, information regarding any Credit Reports obtained pursuant to this section.

22. Z PASSTM SPECIFIC TERMS. Customer (or "District") acknowledges and agrees to the following: (a) The District will manage the disbursement of Z PASS RFID cards to their students. (b) Other than student name and RFID card number, the District will not upload any student personally identifiable information (PII), such as social security numbers, home addresses, parent names, or telephone numbers, into Zonar's Z PASS database. Such information is not required for the deployment or operation of Z PASS, and such information should reside in the District's Student Information System.

23. SCHOOL DISTRICT ACKNOWLEDGMENT & PERMISSION FOR STUDENT BUS RIDERSHIP TRACKING (Z PASS). If Customer is a public school district in the United States ("District") and has purchased the Z PASS Service, then District acknowledges and agrees to the following: (a) District is subject to the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99), a federal law that protects the privacy of student education records ("FERPA"); (b) District collects, uses, maintains, and discloses student education records, including school bus usage and location data ("FERPA Data") in accordance with FERPA; (c) District has outsourced certain services/functions with regard to FERPA Data that would otherwise be performed by District personnel to Zonar, including collecting FERPA Data regarding school bus usage data, school bus location data, and student ridership data, and disclosing that FERPA Data to a student's parent or guardian upon request (collectively, the "Z PASS Service"), and (d) Zonar's Privacy Policy is consistent with the District's own policies for protection of FERPA Data.

Zonar Systems, Inc. ("Zonar") acknowledges and agrees to the following: (a) Zonar is acting as a contractor to the District in performing the Function, either directly, under the terms of a contract between the District and Zonar, or indirectly, through another District contractor such as a school bus contractor; (b) Zonar's maintenance, use, and disclosure of FERPA Data which it collects or has access to is performed in accordance with Zonar's Privacy Policy. (c) Zonar uses reasonable methods to ensure that only individuals with a legitimate educational interest (as to a particular student, such individuals include that student, that student's parent/guardian, and the District (collectively, "Permitted Recipients")) have access to that student's FERPA Data in Zonar's possession or control. (d) Zonar uses reasonable methods to ensure that no third parties, with the limited exception of third parties expressly authorized by a student's parent/guardian (each an "Authorized Third-Party Recipient"), have access to that student's FERPA Data in Zonar's possession or control. District hereby grants Zonar express permission, in accordance with the above, to collect, access, use, and disclose to Permitted Recipients and Authorized Third-Party Recipients, the FERPA Data described above.

24. ADDITIONAL DATA COSTS: Enabling any of the following Services on a Zonar provided tablet (or a tablet or device that consumes data using a Zonar controlled SIM) requires the purchase of a Monthly Data Plan: ZDOCS or other document capture application, Web browsing, and/or any 3rd party app that transmits or consumes data. **Monthly Data Plans.** As of the Effective Date of this Agreement, Zonar offers the following Monthly Data Plans and fees: (1) $5/vehicle per month for 100MB; (2) $10/vehicle per month for 250MB; (3) $15/vehicle per month for 500MB; (4) $25/vehicle per month for 1GB (5)$45/vehicle per month for 2G. Overages to the selected Monthly Data Plan will be billed at $0.05 per MB. All data allowances, including overages, must be used in the billing period in which the allowance is provided. Unused data allowances will not roll over to subsequent billing periods. Zonar reserves the right to modify or change these Monthly Data Plans and fees at its discretion, which changes will be reflected in a Quote and shall impact only Services subscribed to or renewed after the effective date of such changes. In the event of a discrepancy between these data fees and any fees stated on a Quote, the Quoted data fees will control.

SAFE STOP

This Agreement (the "Agreement") is entered into this _____ day of _____ _____, by and between SafeStop, Inc., a Delaware Corporation ("SSI"), and _____, (the "Customer"), with respect to integration of SSI's mobile application for parents - "SafeStop™" – into Customer's school bus transportation services, pursuant to the terms herein.

SafeStop™ is a proprietary mobile application ("App") created and maintained by SSI for use by the Customer and parents who wish to keep accurate track of their children while being transported to and from the Customer's schools on its buses, and to allow the Customer to send out timely information to parents en masse as the need arises by way of a collaborative process with SSI.

As Customer wishes to integrate SafeStop™ into its location, notification and safety planning with respect to the transport of its students to and from their homes, for good and valuable mutual consideration as set forth herein and for other good and valuable consideration, the Parties hereto agree as follows:

TERM

Unless otherwise specified on the order form, sales quote, or Zonar Terms & License Agreement for Hardware Use Data Transmission, & Data Storage License Agreement ("Zonar License Agreement"), the Term of this Agreement shall run concurrent with the Zonar "Service Term", as that term is defined in Customer's Zonar License Agreement.

INITIAL INTEGRATION PROCESS

Information to be Provided by Customer:

Customer's transportation staff or transportation provider (if applicable) will provide SSI with fleet information such as amount of vehicles used, amount of routes, identification of tiered routes, and the amounts and identification of GPS equipped vehicles and those lacking GPS. Customer's transportation staff or transportation provider will further provide SSI with information concerning routing and GPS providers if applicable, and whether or not SSI's Application Programming Interface (API) access is available from Customer's routing vendor. Customer will provide SSI with any such other reasonably requested information necessary for SSI's implementation of SafeStop™ and for SSI's compliance with its obligations set forth herein.

Personalized Integration of SafeStop™ by SSI:

During the integration process, SSI will provide the following services:

a) Research and determine route change methodology if API access is not available from Customer's routing vendor;
b) Import Customer routes into SafeStop™ App software;
c) Provide Customer with a route sheet template containing school name, route number, stop names and latitudes & longitudes of stops;
d) Pull GPS data via API;
e) Assign individual bus identification information into the SafeStop™ App;
f) Set up Customer's dedicated page on SafeStop™App.com, which will act as the portal where parents may sign up for service, and which may be accessed via Sign Up on SafeStop™App.com or via a unique URL;
g) Work in conjunction with the Customer in establishing communications procedures in the event of technical issues with the App or routing discrepancies;
h) Training of Customer staff to operate bus swaps, handle route changes and adequately address any other issues that may affect the implementation and usage of SafeStop™;
i) Timely communication to parents and Customer school officials explaining the process of integration of SafeStop™;
j) Assistance to parents with sign up and use of the SafeStop™ App; and
k) Provide to the Customer a dedicated Support Leader to assist the Customer during the month leading up to the start of the first school year under this Agreement and for the duration of the Validation Period (defined below).

ADDITIONAL SERVICES PROVIDED

While this Agreement is in effect, SSI will be responsible for addressing and resolving any technical issues that may arise through a User's use of the App. During such time, transportation personnel will remain the primary contact for transportation questions and issues relating to 1) students changing routes and 2) adjusting stop locations at parents' request. Subject to the provisions set forth below in "Validation Period," a map with a bus location feature will be available on the first day of school.

VALIDATION PERIOD

As reliable data is essential to the proper performance of the SafeStop™ App, and because it is common during the first few weeks of school that route stops, times and rosters change frequently, the Parties hereto agree that there will be a reasonable Validation Period, but no less than 30 (thirty) days whereby SSI will work to integrate accurate and finalized routes. The length of such period shall be based, in part, on the Customer's ability to bring individual route consistency far enough along to turn on the functionality of estimated arrival time display. Estimated arrival times will be displayed only after this Validation Period is complete.

PARENT APP USE AND FEES

Parents will register on the SafeStopApp.com website to create a User account and gain access to the App. Download and use of the app will be at no expense to the parent or End User for the term of the Agreement.

PRIVACY

The Customer hereby consents to SSI collecting and using technical information such as the devices and related software used to assess the SafeStop™ App, hardware and peripherals, to improve SSI's product and services. SSI will also obtain such consent from each User. SSI agrees to keep confidential all information it gathers from Customer and individual Users in the process of implementing the SafeStop™ App and fulfilling its obligations herein, and will not sell personal information collected to third parties. Users of the SafeStop™ App shall also be subject to SSI's Privacy Policy and End User License Agreement.

SSI agrees that it shall comply with the Family Education Rights and Privacy Act (FERPA), 20 U.S.C. sec. 1232g and related regulations in 34 C.F.R. chapter 99, as to all personally identifiable information on students or parents and student records that come into its possession or control during the term(s) of this contract or following the end of this contract.

CONFIDENTIALITY

The Parties hereto agree that all terms and conditions of this Agreement are confidential and shall not be disclosed by either Party to a third party without the prior written consent of the non-disclosing Party, or as otherwise required by law or legal process. Customer further agrees that it will keep confidential all information provided to it by SSI in the course of SSI fulfilling its obligations herein, and shall not disclose any of the same to a third party without the prior written consent of SSI, or as otherwise required by federal or state laws or legal process.

OWNERSHIP/INTELLECTUAL PROPERTY

Customer acknowledges that all intellectual property rights in the SafeStop™ App, the content of the SafeStop™ App and the services of SSI anywhere in the world belong solely to SSI, that any rights to accessing the SafeStop™ App and/or SafeStop™App.com are licensed (not sold) to Customer and Users, and that the Customer has no rights in, or to, the SafeStop™ App or website other than the right to use them in accordance with the terms of this Agreement.

FORCE MAJEURE

The obligations of SSI herein shall be suspended if SSI is unable to perform any of its obligations by reason of strikes, lockouts, close-downs, boycotts, picketing, riots, civil commotion, sabotage, terrorists attacks, failure of public or private telecommunications

networks, acts of war, embargoes, prohibition imposed by any federal, state, or municipal authority, fires, accidents, floods, or Acts of God. SSI shall give prompt written notice to Customer of the reason for its failure or inability to perform and the extent and expected duration of its inability to perform. Upon cessation of such situation, SSI shall resume performance hereunder. However, in the event of such non-performance for any sixty (60) day period, or more, during the term hereof, SSI shall propose adjustments to the terms of this Agreement to address such non-performance. If said proposed adjustments are not acceptable to Customer, either party shall have the right to terminate this Agreement, with no further recourse other than the right to collect outstanding amounts owing, upon twenty (20) day's written notice to the other party. In the event that SSI's SafeStop app is out of service for more than (15) days in one calendar month at no fault to the Customer or its transportation provider, the Customer is not responsible for that month's usage fee.

WAIVER/MODIFICATION

No waiver, amendment or modification of any provision of this Agreement shall be effective unless it is in writing, refers to this Agreement, and is signed by authorized representatives of both Parties. No failure or delay by either Party in exercising any right, power, or remedy under this Agreement, except as specifically provided herein, shall operate as a waiver of any such right, power, or remedy. A waiver by either of the Parties hereto of any of the covenants to be performed by the other or any breach thereof shall not be construed to be a waiver of any succeeding breach thereof or of any other covenant herein contained.

GOVERNING LAW, SEVERABILITY AND LIMITATION ON DAMAGES

This agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Washington, without regard to its conflict of laws provisions. Customer and SSI hereby submit to venue, and personal and subject matter jurisdiction in the Superior Court of King County, Washington, or the Federal District Court for the Western District of Washington, and their respective appellate courts.

Customer agrees to be bound by the terms of SSI's privacy policy and End User License Agreement.

IN NO EVENT WILL EITHER PARTY HERETO, OR ANY OF ITS AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, SHAREHOLDERS OR REPRESENTATIVES BE LIABLE TO THE OTHER OR ANY PARTY FOR SPECIAL, INDIRECT, INCIDENTAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES, EVEN IF ONE PARTY HAS NOTIFIED THE OTHER OF THE POSSIBILITY OR LIKELIHOOD OF SUCH DAMAGES OCCURRING, REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, TORT, PRODUCTS LIABILITY OR OTHERWISE.

If any provision hereof is declared invalid by a court of competent jurisdiction, such provision shall be ineffective only to the extent of such invalidity, so that the remainder of that provision and all remaining provisions of this Agreement shall continue in full force and effect.

WHEREFORE, the Parties hereto hereby confirm by their signature below that the foregoing sets forth their understanding and Agreement with respect to the subject matter hereof as of the date first written above.
