TO: Members of the Board of Education

SUBJECT: Certification of the Children's Internet Protection Act (CIPA) and E-rate Requirements

The purpose of this letter is to help better educate you and to certify one of the requirements that must be met each year that we file for E-rate funds. These funds assist in offsetting the cost of our internet, intranet, and based on funding, the purchasing of hardware such as switches, routers, and wireless access points.

We must certify compliance with the Children's Internet Protection Act (CIPA) to be eligible for Schools and Libraries (E-rate) Program discounts on Category One internet access and all Category Two services – internal connections, managed internal broadband services, and basic maintenance of internal connections.

There are three basic requirements:

1. *Internet Safety Policy*: This is covered under policy EFBCA – Internet and Other Computer Networks, Acceptable Use and Internet Safety Policy, dated March 11, 2021, that each student and staff member sign each year.
2. *Technology Protection Measure*: The district utilizes an active internet filter and firewall that blocks or prevents access to content that is inappropriate or harmful to minors. This service is provided by GoGuardian Admin (K-12), a content web filtering service and Palo Alto, a managed firewall.
3. *Public Notice and Hearing or Meeting*: Which is being met as this information is displayed in the agenda and provided to the Board of Education.

I have included a CIPA fact sheet with those requirements to further explain each of them.

By reviewing this letter and attached CIPA fact sheet, the Board of Education is certifying that all Federal Communications Commissions (FCC), Universal Service Administrative Company (USAC), and CIPA requirements are being met.

For further information, please contact me or AJ Watson, our district IT Director.

A handwritten signature in black ink, appearing to read 'David M. McDermott'.

## Children's Internet Protection Act (CIPA)

The Children's Internet Protection Act (CIPA) was enacted by Congress in 2000 to address concerns about children's access to obscene or harmful content over the Internet. CIPA imposes certain requirements on schools or libraries that receive discounts for Internet access or internal connections through the E-rate program – a program that makes certain communications services and products more affordable for eligible schools and libraries. In early 2001, the FCC issued rules implementing CIPA and provided updates to those rules in 2011.

### What CIPA requires

Schools and libraries subject to CIPA may not receive the discounts offered by the E-rate program unless they certify that they have an Internet safety policy that includes technology protection measures. The protection measures must block or filter Internet access to pictures that are: (a) obscene; (b) child pornography; or (c) harmful to minors (for computers that are accessed by minors). Before adopting this Internet safety policy, schools and libraries must provide reasonable notice and hold at least one public hearing or meeting to address the proposal.

Schools subject to CIPA have two additional certification requirements: 1) their Internet safety policies must include monitoring the online activities of minors; and 2) as required by the Protecting Children in the 21st Century Act, they must provide for educating minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms, and cyberbullying awareness and response. Schools and libraries subject to CIPA are required to adopt and implement an Internet safety policy addressing:

- Access by minors to inappropriate matter on the Internet;
- The safety and security of minors when using electronic mail, chat rooms and other forms of direct electronic communications;
- Unauthorized access, including so-called "hacking," and other unlawful activities by minors online;
- Unauthorized disclosure, use, and dissemination of personal information regarding minors; and

Measures restricting minors' access to materials harmful to them.

Schools and libraries must certify they are in compliance with CIPA before they can receive E-rate funding.

- CIPA does not apply to schools and libraries receiving discounts only for telecommunications service only;
- An authorized person may disable the blocking or filtering measure during use by an adult to enable access for bona fide research or other lawful purposes.
- CIPA does not require the tracking of Internet use by minors or adults.

THIS AGREEMENT made and entered into this the \_\_\_\_ day of MAY, 2021 (the "Time Reference Date") by and between RENDELL WILLIAMS and HOLLY WILLIAMS, husband and wife (hereinafter referred to as "Seller") and INDEPENDENT SCHOOL DISTRICT NO.8, COMANCHE COUNTY, STATE OF OKLAHOMA, a public body (hereinafter referred to as "Buyer"), WITNESSETH:

WHEREAS, Seller is the owner of the following described property situate in Comanche County, Oklahoma, to-wit:

, together with the improvements located thereon (the "Property").

NOW, THEREFORE, for and in consideration of One or More Dollars (\$1.00), to be paid in the manner herein set forth, and the mutual covenants and considerations exchanged between the Buyer and Seller, Seller agrees to sell and Buyer agrees to purchase the Property, including all improvements located thereon, subject to the conditions herein set forth.

**IT IS FURTHER AGREED:**

1. **PURCHASE PRICE:** The purchase price of the Property shall be \$6,500.00 (the "Purchase Price").

2. **SURFACE ONLY:** This Agreement only provides for the purchase of the surface interest in and to the Property. Buyer is not acquiring any interest in and to the oil, gas and other minerals lying in and under or produced from the Property.

3. **TITLE:**

a. Seller shall deliver to Buyer, within 15 days of the Time Reference Date, an abstract of title, certified to a current date, same to reflect marketable title in Seller in accordance with the Title Examination Standards of the Oklahoma Bar Association. Buyer shall have 20 days after receipt of the abstract of title to have same examined, or to examine same, and to submit to Seller in writing any defects in title (the "Title Objections"). Buyer's failure to provide written notice of Title Objections within this time period will constitute Buyer's waiver of the Title Objections. Any matter of title that Buyer does not so object will be deemed to have been accepted by Buyer and will be a Permitted Exception (as defined later herein). In no event shall easements, rights-of-way and restrictions of record that do not unreasonably interfere with Buyer's intended use be considered title defects.

b. Seller will have thirty (30) days after receipt of Buyer's Title Objections, unless the time period is extended in writing by Buyer, to cure any such Title Objections. In the event Seller does not cure the Title Objections in said time (or extensions thereto granted by Buyer), then Buyer may in its sole discretion either (a) accept title to the Property subject to the Title Objections or (b) terminate this Agreement, in which case thereafter neither Buyer nor Seller shall have any further rights, obligations or liabilities hereunder, except to the extent that any such right, obligation or liability set forth herein survives termination of this Agreement per the terms of this Agreement, by operation of law, or otherwise.

c. If Seller determines, in Seller's sole discretion, that it is not economically feasible to cure any Title Objections then Seller may provide written notice of such to Buyer ("Seller's Election Not to Cure Title Objections"). Buyer shall have ten (10) days following receipt of Seller's Election Not to Cure Title Objections to provide written notice to Seller that Buyer elects to treat any such Title Objections as Permitted Exceptions without abatement in the Purchase Price and to proceed to Closing pursuant the terms of this Agreement ("Buyer's Election to Proceed to Closing Despite Title Objections"). In the event Buyer does not provide to Seller by the deadline state above the Buyer's Election to Proceed to Closing Despite Title Objections, then Seller may at any time thereafter, at its sole discretion, terminate this Agreement, in which case thereafter neither Buyer nor Seller shall have any further rights, obligations or liabilities hereunder, except to the extent that any such right, obligation or liability set forth herein survives termination of this Agreement per the terms of this Agreement, by operation of law, or otherwise.

4. <sup>3<sup>rd</sup></sup> CLOSING: This <sup>Agmt</sup> transaction will be closed (the "Closing") no later than five o'clock P.M. on the <sup>19<sup>th</sup></sup> day of ~~June~~ <sup>August</sup>, 2021 at Southwest Abstract Co. (the "Title Company"), 901 S.W. D Ave, Lawton, State of Oklahoma, 73501. Time is of the essence, and the Closing shall not be extended except by written consent of the Buyer. Possession of the Property shall be delivered to Buyer upon Closing. Subject to the prior approval of the Buyer, which shall not be unreasonably withheld, the following items will be executed and delivered at Closing:

a. Special Warranty Deed. Seller will convey the Property, together with any easements appurtenant thereto or otherwise described as a portion of the Property, to Buyer by a special warranty deed, free and clear of all liens, restrictions, encroachments, easements, charges and encumbrances, except: (1) ad valorem real property taxes for the calendar year of sale (to be prorated as of the Closing date), and (2) all such other matters of record except for such items that Seller is obligated to cure pursuant to the Title section above (collectively, the "Permitted Exceptions").

b. Settlement Statement. Buyer and Seller will execute and deliver at Closing a Settlement Statement that will set forth the Purchase Price, all credits against the Purchase Price, the amounts of all prorations and other adjustments to the Purchase Price and all disbursements made at the Closing.

c. Releases of Mortgages and Encumbrances. At or simultaneously with Closing, Seller shall pay in full, or cause the Property to be fully released from, all loans, security interests, mortgages, deeds of trust and other financing owed by Seller and secured by the Property

or any part thereof, and shall provide evidence, in form satisfactory to the Title Company of the satisfaction of such indebtedness and release of such lien or encumbrance.

5. **AD VALOREM TAXES:** Ad valorem taxes for the calendar year of Closing will be pro-rated between Buyer and Seller as of the date of Closing. Seller shall pay Ad valorem taxes for all prior years. Seller's prorated portion of such taxes will be based upon taxes actually assessed for the calendar year of Closing, or if such tax figures are not available, upon the most recently available tax figures. If the Property is part of a larger assessed parcel, such proration will be based upon that proportion of such taxes that the area of the Property bears to the area of the larger assessed parcel with an equitable adjustment for any improvements that affect taxes.

6. **CONDITION OF PROPERTY:** Except as expressly set forth in this Agreement, the Property is being sold and conveyed "as is" and "with all faults".

All programs supported under this contract have been coordinated with other training agencies and institutions in the area.

It is also understood and agreed that necessary records shall be kept, and all reports required by the State Board shall be submitted to the appropriate area of ODCTE by the established due date. The Salary and Teaching Schedule, **due by September 30, 2021** is one of these reports and is considered a part of this contract in addition to CESI Enrollment and Follow-Up reports. Those programs delinquent in submitting accurate reports are subject to having reimbursement withheld or withdrawn by ODCTE.
