The contract will be voided if they fail to provide a valid ADE Teaching license when required. Fiscal Impact: Salary Schedule Placement Recommendation: It is recommended that the Board of Directors approve the Personnel Report as submitted.

BOARD OF EDUCATION AGENDA ABSTRACT

Abstracts serve to provide background information regarding agenda items.

ACTION

TITLE: MOU City of Batesville, Bike Trail

DATE: August 05, 2026

RESPONSIBLE ADMINISTRATOR: David Campbell, Interim Superintendent

BACKGROUND/CONSIDERATIONS:

The City of Batesville and White River Health on a Rural Health Transformation are working together on a grant application. The city would like to write in the single track trail connecting Batesville High School to Lyon College and the "Flow Zone" and "XL Enduro track" on the high school campus. All are included in the master trails plan but were excluded for 2026/2027 due to budgetary constraints. The [MOU](#) is attached here. The [Plan](#) is attached here.

There is no financial obligation or match required, but an MOU is requested. If funded, the city will also need a coordination partner at the district to help with strategy but otherwise, the grant provides all funding required.

RECOMMENDATION:

The administration recommends the Batesville School District Board of Education approve the MOU with the City of Batesville regarding the single track trail connecting Batesville High School to Lyon College and the "Flow Zone" and "XL Enduro track".

If the Board agrees, the motion would read: ***move to approve the*** MOU with the city of Batesville regarding the single track trail connecting Batesville High School to Lyon College and the "Flow Zone" and "XL Enduro track".

BOARD OF EDUCATION AGENDA ABSTRACT

Abstracts serve to provide background information regarding agenda items.

ACTION

TITLE: Director of Operations SY 26-27

DATE: August 05, 2026

RESPONSIBLE ADMINISTRATOR: David Campbell, Interim Superintendent

BACKGROUND/CONSIDERATIONS:

The administration respectfully requests the Board's approval to replace the position of Assistant Superintendent of operations with a new **Director of Operations** position and the new salary lane representing this position. This role is intended to strengthen the district's operational leadership by providing dedicated oversight of the essential day-to-day functions that directly support our students, staff, and schools.

The Director of Operations will be mainly responsible for managing and coordinating the following departments and services:

- Transportation
- Food Services (day to day operations)
- Technology
- Maintenance
- Custodial Services
- School Resource Officers (SROs)
- School Nurses
- School Safety

The proposed position will be classified at a **Director salary level**, **not** at the Assistant Superintendent salary level. This is a classified position. This reflects the operational scope of the position while maintaining fiscal responsibility. The Director of Operations will report to the Superintendent and work collaboratively with district administrators and building principals to ensure the safe, efficient, and effective operation of all district support services.

Approval of this position will strengthen the district's organizational structure, improve operational efficiency, and better position the district to meet the needs of students, staff, and the community both now and in the future.

RECOMMENDATION:

The administration recommends the Batesville School District Board of Education approve the creation of the Director of Operations position at the salary level attached.

If the Board agrees, the motion would read: ***move to approve the*** creation of the Director of Operations position at the salary level attached.

ACTION

TITLE:	Updates to the Administrative Salary Schedule
DATE:	August 17, 2026
FUNDS USED:	n/a
IS THIS A STATE REQUIREMENT:	No
RESPONSIBLE ADMINISTRATOR:	Rachel Horn, Assistant Superintendent

BACKGROUND/CONSIDERATIONS:

Since 2022, Batesville School District enrollment has steadily declined, with the most significant decline occurring during the 2025–2026 school year. In response, the district administration and staff have worked collaboratively to adjust staffing levels based on enrollment changes. The administrative team has also pursued opportunities to reduce or adjust expenditures when possible while protecting the quality of the student learning experience. As part of these ongoing efforts, the District has revised the supplemental salary schedule and continues to evaluate other areas where expenditures can be proactively adjusted in response to declining enrollment.

One additional area for consideration is the superintendent's base salary. The 2025–2026 Administrative Salary Schedule included a base superintendent salary of \$210,500.15. The proposed 2026–2027 Administrative Salary Schedule includes a base superintendent salary of \$180,002.10, representing a reduction of \$30,498.05. No changes are proposed to the additional compensation associated with years of experience or degree attainment.

RECOMMENDATION: The administration recommends that the Batesville School Board of Directors approve the 2026-2027 Administrative Salary Schedule.

If the Board agrees, the motion would read: ***Move to approve the 2026-2027 Administrative Salary Schedule as presented.***

BOARD OF EDUCATION AGENDA ABSTRACT

Abstracts serve to provide background information regarding agenda items.

ACTION

TITLE:	Transfer of Funds
DATE:	August 17, 2026
FUNDS USED:	Operating & Building Funds
IS THIS A STATE REQUIREMENT:	Yes
RESPONSIBLE ADMINISTRATOR:	Rachel Horn, Assistant Superintendent

BACKGROUND/CONSIDERATIONS:

Arkansas Code Annotated § 6-20-2210 limits the amount of funds a public school district may carry forward in its net legal balance to 20% of net legal balance revenues. The net legal balance is calculated using the combined balances of the Teacher Salary Fund (Fund 1), Operating Fund (Fund 2), and Debt Service Fund (Fund 4), less any remaining categorical fund balances.

When a district's net legal balance exceeds the allowable 20% threshold, the excess must be addressed. One option available to school districts is to transfer funds into the Building Fund (Fund 3), thereby reducing the net legal balance.

The Batesville School District's FY26 net legal balance is approximately \$9.46M, which exceeds the allowable 20% carryover threshold of approximately \$7.3M. As a result, the District must take action to reduce the net legal balance by approximately \$2.2M.

A district may choose to reduce its net legal balance beyond the required amount based on local context, priorities, and anticipated needs. The Batesville School District has historically utilized this option. At this time, the administration proposes reducing the new legal balance as required. Once the fiscal year is officially closed, additional transfers will be considered.

RECOMMENDATION: The administration recommends that the Batesville School Board of Directors authorize the transfer of funds from the Operating Fund into the Building Fund.

If the Board agrees, the motion would read: ***Move to approve the transfer of funds from the Operating Fund to the Building Fund as proposed.***

ACTION

TITLE: District Property Insurance SY 26-27

DATE: August 17, 2026

RESPONSIBLE ADMINISTRATOR: David Campbell, Superintendent

BACKGROUND/CONSIDERATIONS:

The administration requests the approval of Property Insurance through the office of Property Risk; Arkansas State Captive Insurance Program (SCIP).

Having property insurance through the [Office of Property Risk](#) and the State Captive Insurance Program (SCIP) means that an Arkansas public school district gets its property coverage through a state-owned, self-insurance pool rather than buying traditional commercial insurance.

Created by the Arkansas legislature under Acts 560 and 779, this program combines public schools, higher education institutions, and state-owned properties into a single statewide risk-pooling system.

RECOMMENDATION:

The administration recommends the Batesville School District Board of Education approve the invoice for property insurance from the Office of Property Risk; Arkansas State Captive Insurance Program (SCIP)

If the Board agrees, the motion would read: ***move to approve the invoice for property insurance from the Office of Property Risk; Arkansas State Captive Insurance Program (SCIP)***
