Any Questions?

Introduction

School Lunch prices are established by the Board of Education each year designed to ensure that the program revenues at least cover the direct expenses of the school lunch program. The Paid Lunch Equity (PLE) is a requirement under Section 205 of the Healthy, Hunger-Free Kids Act Of 2010, for all schools with pricing programs that participate in the National School Lunch Program.

Background

The purpose of the PLE is to ensure paid meal prices are more equal with funds brought in from free and reduced-price meals reimbursements. The result is a food service program that brings in enough revenue to cover expenditures. The district is required to use the USDA pricing calculator when determining if a lunch rate increase is needed and should be completed annually. A waiver can be requested if the program is demonstrating to be self-funded without considering any federal funding

For the last three years, the District has been able to demonstrate it has ample resources on hand to cover costs of the program when not accounting for federal funding. That will not be the case for FY27 and as a result, the PLE tool was completed and determined student lunch prices will need to be raised by \$0.10.

Financial Impact

The meal prices for the 2026-27 are listed below.

FY27 Lunch Rate \$3.25

FY27 Breakfast Rate \$1.80

Recommendation

Given the information above, Administration requests that the Board of Education approve the 2026-27 Meal Rates as presented at the Monday, May 26th, 2026 Regular Board of Education Meeting.

Approach to the Project

Our practice takes a thoughtful and collaborative approach to all our client engagements, where we work to ensure our efforts are ones which demonstrate how the Public Sector & Higher Education practice **C.A.R.E.S.** - collaborate/consult, advise/assess, recommend/resource, engage/endorse, and strategize/serve - about our clients and their needs. To that end, our project approach starts with our process and client communications.

Our extensive experience has resulted in a comprehensive understanding of the scope of work described by the District. Additionally, we understand the importance of this study as one of many strategies to address current human resources issues and appreciate the delicate nature of public sector spending. Below are some key considerations we have in this type of project, followed by our approach to the areas identified by the District, our detailed work plan, and the estimated project timeline.

Key Considerations:

Leadership Support: Effective compensation reform requires consistent, visible leadership commitment at multiple organizational levels. We establish a leadership accountability structure that includes executive sponsors, department champions, and implementation teams with clearly defined roles. Leaders must actively communicate the program's importance, address concerns directly, and visibly support the process through each phase. We provide leaders with focused messaging tools and data points to effectively advocate for changes. Without this multi-level support structure, even technically sound compensation systems often encounter significant resistance during implementation.

Internal Fairness and Equity: Our approach balances external market competitiveness with internal equity through comprehensive job analysis techniques. We conduct detailed comparisons across job families, reporting relationships, and responsibility levels to ensure logical compensation relationships. This includes specialized analysis of career progression paths and appropriate differentials between supervisory and non-supervisory roles. We implement specific methodologies to address compression issues, particularly between long-service employees and new hires with market-driven starting salaries. Our process identifies and remedies historical inequities while establishing defensible rationales for pay differences based on skills, responsibilities, and performance factors.

Appropriate Timelines: We develop realistic project schedules based on organizational complexity and resources. This includes adequate time for comprehensive job documentation, employee input, leadership review cycles, and implementation planning. A typical comprehensive compensation project requires 6+ months for proper execution, including 2-3 months for thorough job analysis, 1-2 months for market research, and 2-3 months for implementation planning, noting that this work may happen concurrently across the life of the engagement. Accelerated timelines often compromise data quality and stakeholder buy-in, leading to implementation challenges and future rework. We establish appropriate checkpoints and quality controls to ensure thoroughness while maintaining momentum.

Data-Driven with Human Oversight: Our methodology combines rigorous data collection with expert interpretation. We utilize multiple validated market sources appropriate for your sector, geographic region, and organizational characteristics. All job matches undergo multi-level validation checks to ensure accurate comparisons. This empirical foundation is then contextualized through structured consultant review panels that consider institutional history, strategic priorities, and unique operational factors as shared and iterated by our clients. We document both the data-driven recommendations and any exceptions to provide a clear, defensible audit trail. This balanced approach ensures decisions are not rigidly algorithmic while maintaining system integrity.

Clear and Consistent Communication: We develop compensation structures and classification frameworks with inherent clarity, using straightforward job leveling frameworks, transparent progression criteria, and consistent application of compensable factors. Communication materials are tailored to different stakeholder needs—executive summaries for leadership, detailed implementation guides for HR professionals, and practical explanation tools for managers and employees. We create accessible resources explaining compensation philosophy, range structure, placement methodology, and future growth opportunities. Systems are designed with straightforward administration requirements that do not require specialized expertise for day-to-day management.

Compression Planning and Analysis: Our implementation approach includes detailed financial modeling that identifies potential compression scenarios before placement decisions are finalized. We analyze the distribution of current salaries against proposed ranges to identify employee clusters and gaps requiring special attention. Implementation options are developed with multi-year cost projections, including various phasing alternatives to balance budget constraints with equity requirements. Special focus is given to departments with significant longevity differences and areas with recent hiring at market rates. This proactive approach prevents creating new inequities while addressing existing compression issues within available resources.

Our Approach:

Comprehensive Job Documentation Review

Our methodical approach to position documentation begins with a thorough review of the District's existing job descriptions to ensure both internal consistency and regulatory compliance. This analysis includes:

- **Documentation Structure Assessment**
Systematic evaluation of job descriptions through our 15-point documentation checklist, assessing critical elements including essential functions, ADA compliance language, FLSA classification support, and competency requirements.
- **Functional Accuracy Verification**
Application of our validation process to ensure documentation reflects actual work performed. For positions where current documentation (job descriptions or other supporting materials) lacks sufficient clarity or detail, we may implement our Job Analysis Questionnaire (JAQ) methodology. This targeted approach uses our structured JAQ format to capture essential job elements more accurately than traditional methods. The JAQ process is selectively applied only where existing documentation fails to clearly define:
 - Work complexity and decision-making authority
 - Technical skill requirements and application
 - Supervisory/management responsibilities
 - Problem-solving requirements and organizational impact
 - Minimum qualification requirements
- **Regulatory Compliance Review**
Application of our compliance checklist to ensure job documentation satisfies requirements across multiple regulatory frameworks, including ADA, EEOC, FLSA, and other applicable laws. This process identifies specific compliance gaps and develops appropriate language solutions.

Internal Equity Assessment

Our internal equity methodology uses analytical techniques to ensure position valuation reflects organizational priorities:

- **Job Evaluation System Review**
Assessment of the District's current job evaluation methodology to determine effectiveness and alignment with organizational values. Based on this assessment, we will either:
 - Refine the existing methodology to improve consistency and validity
 - Implement our factor-based evaluation system, customized to the District's specific requirements
- **Position Value Analysis**
Application of the selected job evaluation methodology across all positions, using a standardized approach to ensure consistent application of factors:
 - Multiple-reviewer approach to minimize subjective bias
 - Consistency checking across organizational units
 - Identification and resolution of internal equity issues
 - Development of clear rationales for evaluation decisions

- **Equity Validation Process**
Implementation of our three-level validation approach to ensure evaluation outcomes reflect genuine job value rather than historical patterns:
 - Horizontal equity checks across functional areas
 - Vertical equity review within career paths
 - Cross-organizational comparison against similar position families

Market Comparison Analysis

Our market analysis methodology combines multiple data sources to create a comprehensive competitive assessment:

- **Benchmark Position Selection**
Identification of benchmark positions (typically 60-65% of job classifications), mapping, and communication of process to ensure:
 - Representation across all major job families and levels
 - Focus on positions with reliable and abundant market data
 - Inclusion of mission-critical and hard-to-fill positions
 - Coverage of positions with known compensation challenges
 - Consistency and understanding of roles relative to Gallagher's benchmark mapping process
- **Comprehensive Market Data Collection**
Multi-source data approach combining:
 - Published survey data from industry-specific and general compensation surveys
 - Custom survey data collected from selected competitor organizations
 - Current labor market information on compensation trends
- **Total Rewards Analysis**
Complete competitive assessment including:
 - Base compensation positioning relative to defined market
 - Variable pay practices and prevalence
 - Benefits package evaluation and competitiveness leveraging Gallagher's industry-leading National Benchmark Survey data
 - Work arrangement flexibility and other non-monetary elements
 - Employer/employee cost-sharing analysis for benefits programs

Compensation Structure Development

Our compensation structure development process transforms market and internal data into an integrated framework that supports organizational objectives:

- **Structure Design**
Development of grade and range structures through data analysis:
 - Analysis of market data to establish market-responsive relationships
 - Integration of internal equity requirements into structure design
 - Modeling of various structure options (typically 2-3 alternatives)
 - Review of position distribution across proposed structures
- **Position Placement**
Allocation of positions to appropriate grades based on:
 - Internal equity values established through job evaluation
 - Market position requirements for critical job families
 - Organizational design considerations and reporting relationships
 - Career progression pathway requirements
- **Implementation Analysis**
Financial analysis to evaluate implementation approaches:
 - Individual employee placement modeling based on defined criteria
 - Development of up to three implementation scenarios
 - Compression/inversion identification and remediation planning

System Sustainability Plan

Our approach ensures the District can maintain and evolve the compensation system independently:

- **Comprehensive Documentation & System Integration**
Development of system documentation and transfer of data in formats compatible with the District's HRIS system, enabling smooth integration with existing technology.
- **Administrative Knowledge Transfer**
Implementation of our training approach:
 - Thorough training for HR staff on system maintenance
 - Development of administrative tools and decision support materials
 - Creation of position evaluation guides and procedures
 - Establishment of ongoing monitoring and adjustment processes
- **Long-term Maintenance Planning**
Development of a sustainable maintenance approach:
 - Annual review methodology and timeline
 - Market monitoring recommendations and data sources
 - Position evaluation guidelines for new or changed positions
 - Budget planning guidance for annual structure adjustments

Our final deliverable will include a comprehensive report detailing methodologies, findings, and recommendations, along with all necessary implementation tools and documentation. This deliverable will provide the District with both immediate implementation guidance and long-term direction for compensation management.

Work Plan:

The work plan proposed is designed to provide the flexibility necessary to attract, retain, and motivate employees to provide quality services and ensure the system is not an administrative and/or costly burden to the District now or in the future. Gallagher has integrated the Scope of Services into our phased approach and deliverables to address the District's requests. All phases will require that designated the District - team members and Gallagher have ongoing status meetings to explain the process, review the project's progress, review draft materials, address questions, and discuss next steps.

Project Timeline

The following is an estimate to complete each phase by month. We will discuss the details of each phase during Phase 1 and identify specific deadlines for the project at that time. We will conduct frequent conference calls with the District to ensure the schedule is monitored throughout the project. In today's world, speed is particularly important. However, given the significance of this project, it is just as important for the District officials, department heads, and employees to have sufficient time to review and approve the recommendations of Gallagher and to ensure proper communications occur. We have prepared a timeline to ensure the District has the work products in an expeditious manner. Our phases run concurrently; in that we do not wait until the full completion of a phase to begin another phase. We are prepared to commence the work within two weeks of receiving your authorization to proceed.

Cost Proposal

We believe that our methodology and implementation success rate is attributable to the significantly greater level of contact we have with employees, employee representation, management, and the governing body. The time we commit to working with employees (orientations and briefings, meetings with employees via personal interviews, sharing of compensation survey data, etc.) results in significantly greater buy-in throughout the process.

It has been our experience that the time, money, and resources invested in stakeholder communication throughout the study are time, money, and resources saved during implementation. Our goal is to conduct each study the right way the first time.

To create efficiency and cost savings for our clients, as well as operating as green an organization as possible, we often conduct our studies virtually. Our cost proposal assumes that all meetings and presentations will be conducted virtually/remotely and no onsite travel to the District offices will occur. Should the District desire onsite meetings, our per diem cost for onsite meetings based on travel time and market rate travel cost are outlined below. Our fees to conduct the study outlined above (including out-of-pocket expenses) will be \$29,225. The table below outlines the price per phase.

Phase	Fees
PHASE 1: Strategic Alignment, Project Initiation, & Study Administration <i>Includes virtual meetings and ongoing project management meetings throughout.</i> <i>On-site meetings are available at an additional cost*</i>	Teaching Only: \$22,975 Staff Only: \$20,550 Both Staff and Teaching (discounted fee): \$29,225
PHASE 2: Compensation, Benchmarking & Market Analysis	
PHASE 3: Implementation Strategy, Final Reports, & Sustainability Planning <i>Includes virtual meeting; On-site meetings are available at an additional cost *</i>	
PHASE 4: Post-Project Support & Optional Ongoing Services	\$0; annualized ongoing support services available
TOTAL COST (Including all tasks) will not exceed: \$29,225	

*On-site meetings are available at an additional cost.

**Should the District request Gallagher to update/write job descriptions, those services will be priced separately since we are unable to determine the number that will be required. Pricing would be \$550 per job description and is in addition to the "Total Cost" identified above. Based on volume, this rate may be discounted.

Our study costs are directly derived from estimating the number of hours needed to perform the work and the level of the consultant charged with performing the work. Gallagher typically bills monthly up to the maximum of each deliverable. Please note, as phases sometimes run concurrently, a phase may not be completed at the time it is billed. All expenses are included in this quote.

Should the District wish to have additional on-site presentation days or meetings, the estimated cost would be \$4,000 per day. Any change to the scope of the assignment (beyond what is described above) as well as other work requested beyond this assignment will be billed based on our hourly rates unless we mutually agree on a fixed fee for the additional work.

Optional Ongoing Services:

Service	Fees
Ongoing Ad-Hoc Review <i>Includes job evaluation, single role market pricing, and job description development, classification review, PDQ/JAQ review</i>	\$13,500* per annum** for up to 25 requests

2:70-E Exhibit - Checklist for Filling Board Vacancies by Appointment

New/Unpublished Section

The School Board fills a vacancy by either appointment or election. The Board uses this checklist for guidance when it must fill a vacancy by appointment. Some items contain guidelines along with explanations. For more information, see *Answers to FAQs: Vacancies on the Board of Education*, published by a committee of the Ill. Council of School Attorneys (ICSA), and available at: www.iasb.com/law/vacancies.cfm.^{C1}

- Confirm that the Board must fill the vacancy by appointment.**

Guidelines	Explanation
Review Board policy 2:70, <i>Vacancies on the School Board - Filling Vacancies</i> , to determine if a vacancy on the Board occurred and, if so, whether the successor will be selected by election or Board appointment. Consult the Board Attorney as needed.	Filling a vacancy by Board appointment or election depends upon when the vacancy occurred. If a vacancy occurs with less than: (1) 868 days remaining in the term of office, or (2) 88 days before the next regularly scheduled election for the vacant office, no election to fill the vacancy is held and the appointee serves the remainder of the term. At all other times, an appointee serves until the next regular school election, at which election a successor is elected to serve the remainder of the unexpired term. See 105 ILCS 5/10-10 .
In the event a seat on the board goes unfilled at an election, consult the Board Attorney to determine (1) how long the seat can be <i>held over</i> by the incumbent member, and (2) the process by which the Board will fill the seat.	The School Code partially addresses the concept of a <i>holdover seat</i> ; it states “no elective office...becomes vacant until the successor of the incumbent of such office has been appointed or elected, as the case may be, and qualified.” 105 ILCS 5/10-11 .

- Notify the Regional Superintendent of the vacancy within five days of its occurrence ([105 ILCS 5/10-10](#)).**

- Develop a list of qualifications for appointment of a person to fill the vacancy.**

Guidelines	Explanation
<p>At a minimum, a candidate must meet the following qualifications:</p> <ul style="list-style-type: none"> • Be a United States citizen • Be at least 18 years of age • Be a resident of Illinois and District for at least one year immediately preceding the appointment • Be a registered voter • Not be a child sex offender • Not hold an incompatible public office • Not have a prohibited interest in any contract with the District • Not be a school trustee • Not hold certain types of prohibited State or federal employment 	<p>While the School Code does not expressly set forth eligibility requirements for appointment to a Board vacancy, the Board may want to use the qualifications for elected Board members listed in 105 ILCS 5/10-3 and 5/10-10.</p> <p>For guidance discussing other qualifications that the Board may want to consider, see IASB's <i>Recruiting School Board Candidates</i>, available at: www.iasb.com/training/recruiting.cfm</p> <p>For guidance regarding conflict of interest and incompatible offices, see <i>Answers to FAQs Regarding Conflict of Interest and Incompatible Offices (ICSA)</i>, available at: www.iasb.com/IASB/media/Documents/COI_FAQ.pdf.</p>

<p>When additional qualifications apply, the following items may be included in the Board's list of qualifications:</p> <ul style="list-style-type: none"> • Meet all qualifications based upon the distribution of population among congressional townships in the district. • Meet all qualifications based upon the distribution of population among incorporated and unincorporated areas. 	<p>Board members of some community unit school districts may be subject to historical residential qualifications based on the distribution of population among congressional townships in the district or between the district's incorporated and unincorporated areas. 105 ILCS 5/10-11.</p> <p>Note: If a vacancy for an area of residence remains unfilled, a board must submit a proposition at the next general election for the election of a board member at large. 105 ILCS 5/10-10.5(c).</p>

Decide who will receive completed vacancy applications.

Guidelines	Explanation
<p>The Board President will accept applications.</p> <p>The Board will discuss, at an open meeting, its process to review the applications and who will contact applicants for an interview.</p>	<p>Who accepts vacancy applications is at the Board's sole discretion. According to Board policy 2:110, <i>Qualifications, Term, and Duties of Board Officers</i>, the Board President is a logical officer to accept the applications, but this task may be delegated to the Secretary or Superintendent's secretary if the Board determines that it is more convenient. Who accepts the applications must be decided prior to posting the vacancy announcement.</p>

Create the Board member vacancy announcement.

Announcement	Explanation
<p>School District _____ Board Member Vacancy</p> <p>The School District is accepting applications to fill the vacancy resulting from [reason for vacancy] of [former Board member's name].</p>	<p>The contents of a vacancy announcement, how it is announced, and where it is posted are at the Board's sole discretion.</p> <p>The Board may want to announce the vacancy and its intent to fill it by appointment during an open meeting. The announcement may be posted on the District's website and in the local newspaper(s).</p>
<p>The individual selected will serve on the School Board from the date of appointment to [date].</p>	<p>The length of the appointment depends upon when during the term of office the vacancy occurred. See 105 ILCS 5/10-10 and Board policy 2:70, <i>Vacancies on the School Board - Filling Vacancies</i>, to determine the length of the appointment.</p>
<p>The School District [<i>School District's philosophy or mission statement</i>].</p>	<p>See Board policy 1:30, <i>School District Philosophy</i>, for the District's mission statement that is specific to the community's goals.</p>
<p>Applicants for the Board vacancy must be: [<i>Board's list of qualifications</i>].</p>	<p>See checklist item titled <i>Develop a list of qualifications for appointment of a person to fill the vacancy above</i>.</p>
<p>Applicants should show familiarity with the Board's policies regarding general duties and responsibilities of a Board and a Board member, including fiduciary responsibilities, conflict of interest, ethics and gift ban. The Board's policies are available at [<i>locations</i>].</p>	<p>Listing this along with the Board's list of qualifications assists candidates in understanding a Board member's duties and responsibilities and may facilitate a better conversation during the interview process. See Board policies: 2:20, <i>Powers and Duties of the School Board; Indemnification</i>; 2:80, <i>Board Member Oath and Conduct</i>; 2:100, <i>Board Member Conflict of Interest</i>; 2:105 <i>Ethics and Gift Ban</i>; and 2:120, <i>Board Member Development</i>.</p>

<p>Applications may be obtained at [<i>location and address and/or website</i>] beginning on [<i>date and time</i>].</p> <p>Completed applications may be turned in by [<i>time and date</i>] to [<i>name and title of person receiving applications</i>].</p>	<p>See action item titled <i>Decide who will receive completed vacancy applications</i> above.</p>
--	--

- Publicize the vacancy announcement by placing it on the District’s website, announcing it at a meeting, and/or advertising it in the local newspaper(s).**
- Accept and review applications from prospective candidates (see *Decide who will receive completed vacancy applications* above).**
- Contact appropriate applicants for interviews (see *Decide who will receive completed vacancy applications* above).**
- Develop interview questions.**

Interview Questions	Explanation
<p>Why do you want to be a Board member?</p> <p>What specific skills would you bring to the Board?</p> <p>Please give specific examples of your ability in interpersonal relationships and teamwork.</p> <p>What do you see as the role of a Board member?</p> <p>What have you done to prepare yourself for the challenges of being a Board member?</p> <p>Please describe your previous community or nonprofit experiences.</p> <p>What areas in the district would you like to see the Board strengthen?</p> <p>What is your availability to meet the time, training commitments, and other responsibilities required for Board membership?</p> <p>Describe what legacy you would like to leave behind.</p>	<p>Interview questions are at the Board’s sole discretion. This list is not exhaustive, but it may help the Board tailor its questions toward finding a candidate who will approach Board membership with a clear understanding of its demands and expectations along with a constructive attitude toward the challenge. The Board may also want to consider allowing an equal amount of time for each interview.</p> <p>See IASB’s <i>Recruiting School Board Candidates</i>, available at: www.iasb.com/training/recruiting.cfm</p> <p>A prospective candidate to fill a vacancy may raise other specific issues that the Board will want to cover during an interview.</p>

Conduct interviews with candidates (interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(3)).

Interview Plan	Explanation
-----------------------	--------------------

<p>In each interview, the Board President will:</p> <p>Introduce Board members to the candidate at the beginning of the interview.</p> <p>Describe the Board's interview process, selection process, and ask the candidate if he or she has questions about the Board's process for filling a vacancy by appointment.</p> <p>Describe the District's philosophy or mission statement.</p> <p>Describe the vacancy for the candidate by reviewing the: (1) qualifications, and (2) general duties and responsibilities of the Board and the Board members, including fiduciary responsibilities, conflict of interest, ethics and gift ban, and general Board member development.</p> <p>Begin asking the interview questions</p>	<p>The Board President will lead the Board as it interviews prospective candidates. See Board policy 2:110, <i>Qualifications, Term, and Duties of Board Officers</i>. The president presides at all meetings. 105 ILCS 5/10-13.</p> <p>The Board may also want to consider allowing an equal amount of time for each interview.</p>

that the Board developed.

Ask the candidate whether he or she has any questions for the Board.

Thank the candidate and inform the candidate when the Board expects to make a decision and how the candidate will be contacted regarding the Board's decision.

- Fill vacancy by a vote during an open meeting of the Board before the 60th day (105 ILCS 5/10-10).**
- Assist the appointed Board member in filing his or her statement of economic interest (5 ILCS 420/4A-105(c)).**
- Announce the appointment to District staff and community.**

Announcement	Explanation
<p>The Board appointed [appointee's name] to fill the vacancy on the Board.</p> <p>The appointment will be from [date] to [date].</p> <p>The Board previously established qualifications for the appointee in a careful and thoughtful manner. [Appointee's name] meets these qualifications and has demonstrated the willingness to accept the duties and responsibilities of a Board member. [Appointee's name] brings a clear understanding of the demands and expectations of being a Board member along with a constructive attitude toward the challenge.</p>	<p>The contents of the appointment announcement and length of time it is displayed are at the Board's sole discretion. The Board may want to consider announcing the appointment during its meeting and also by posting it in the same places that it posted the vacancy announcement.</p> <p>See Board policy 8:10, <i>Connection with the Community</i>.</p>

Administer the Oath of Office and begin orientation.

Guidelines	Explanation

School Board

Exhibit - Guidance for Board Member Communications, Including Email Use ¹

The Open Meetings Act (OMA) requires the School Board to discuss District business only at a properly noticed Board meeting, 5 ILCS 120/. Other than during a Board meeting, a majority or more of a Board quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This ~~G~~guidance assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

Formatted: Font: Not Italic

Note: Public records stored by board members on personal devices (i.e., texts) or personal email accounts pose significant logistical and administrative challenges for public record preservation and certain FOIA requests. It is therefore a best practice for board members to utilize District-issued devices or District-issued email addresses for electronic communications that qualify as public records under the Freedom of Information Act (FOIA) or the Local Records Act (LRA). For that reason, the examples in this guidance focus primarily on board member email use and District-issued devices.

Communications Between or Among Board Members and/or the Superintendent Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a do not reply all/forward alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."** Alternatively, the Superintendent may blind carbon copy (bcc) all other board members (preventing them from replying to all) and include a similar alert to the group, such as: "BOARD MEMBER ALERT: This email is in response to a request. To prevent replies or forwards to the group, all board members are blind carbon copied on this email. Only reply to the sender."
2. Board members are permitted to discuss any topic/matter other than~~except~~ District business with each other, whether in person or by telephone, or email, text, or other electronic means, regardless of the number of members participating in the discussion. For example, they may discuss ~~league~~ sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone, or email, text, or other electronic means, that relates to District business but is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone, or email, text, or other electronic means.

¹ This exhibit is not a substitute for legal advice. Use it after having a discussion with the board attorney. To prevent over-loading the District's servers with email messages, the District can annually seek authority from the Local Records Commission to dispose of "all District-wide electronic correspondence" for a year at a time. These types of records are generally not needed in the transaction of current District business, and they generally do not have sufficient administrative, legal, or fiscal value to warrant preservation. The board attorney should also be consulted on all legal issues involving the Open Meetings Act (OMA) and record retention.

Stated another way, a Board member may discuss District business in person or by telephone, or email, text, or other electronic means with only one other Board member at a time. However, 4.5. Aa Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls, or emails, texts, or other electronic communications to, Board members individually.

6. A Board member should include a do not reply all/forward alert when emailing a message concerning District business to more than one other Board member. The following is an example of such an alert: **“BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual.”** Alternatively, the board member may bcc the other board members and include a similar alert to the other board members, such as **“BOARD MEMBER ALERT: This email is not for interactive discussion purposes. To prevent replies or forwards to the group, all board members are blind carbon copied on this email. The recipient should not reply to it or forward it to another individual.”**

5.7 Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a public record as defined by FOIA, unless a specific exemption applies. A public record is any recorded information “pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body.” 5 ILCS 140/2, amended by P.A. 104-438. Public records do not include junk mail. Junk mail includes unsolicited commercial electronic communications sent to the District that it does not respond to. Id. Email or other electronic communications sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a public record (unless a FOIA exemption is applicable).

Formatted: Font: Not Italic

Formatted: IASB Italic

If a Board member uses a District-provided device or email address to discuss public business, the electronic communication email is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

Formatted: Font: Not Italic

- First, the communication pertains to the transaction of public business, and
- Second, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in *City of Champaign v. Madigan*, 992 N.E.2d 629 (Ill. App. Ct. 2013).

The following examples describe FOIA’s treatment of electronic communications:

Formatted: Font: Not Italic

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
 - a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work would not be a public record. Individual Board members, alone, cannot conduct school District business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.

- b. Sent and/or received by an individual Board member on a District-issued device or District-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
- c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a District-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
- d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the District's possession.
- e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the District's possession because Board members were functioning collectively as a public body.

The District's Freedom of Information Officer and/or Board Attorney will help determine when whether a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

Email-Electronic communications that qualify ies under FOIA as a public records will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the District's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. 50 ILCS 205/. An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email to the appropriate District office where it will be stored. If made available, Board members should use their email accounts provided by the District, and the District will automatically store the official record messages. The District will delete these official record messages as provided in an applicable, approved retention schedule. Of course, email pertaining to public business that is sent or received by a Board Member using a District-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

Important: Do not destroy any email-electronic communication concerning a topic that is being litigated without obtaining the Board Attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify-advise their clients at the beginning of a legal proceeding that they must not-to destroy any electronic records that might be relevant. This is referred to as a litigation hold. For more discussion of a litigation hold, see administrative procedure 2:250-AP2, Protocols for Record Preservation and Development of Retention Schedules. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/4.

2:140-E Exhibit - Guidance for Board Member Communications, Including Email Use

New/Unpublished Section

The Open Meetings Act (OMA) requires the Board of Education to discuss District business only at a properly noticed Board meeting. 5 ILCS 120/. Other than during a Board meeting, a majority or more of a Board-quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This *Guidance* assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

Communications Between or Among Board Members and/or the Superintendent Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a *do not reply/forward* alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."**
2. Board members are permitted to discuss any matter except District business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone or email. Stated another way, a Board member may discuss District business in person or by telephone or email with only one other Board member at a time. The following is an example of such an alert: **“BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual.”**
6. Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a *public record* as defined by FOIA, unless a specific exemption applies. A public record is any recorded information “pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body.” 5 ILCS 140/2. Email sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a *public record* (unless a FOIA exemption is applicable).

If a Board member uses a District-provided device or email address to discuss public business, the email is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill. App. Ct. 2013).

The following *examples* describe FOIA’s treatment of electronic communications:

7. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
8. An electronic communication pertaining to public business that is:

The electronic communication is in the District's possession.
- e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the District's possession because Board members were functioning collectively as a public body.

The District's Freedom of Information Officer and/or Board Attorney will help determine when a specific communication must be disclosed pursuant to a FOIA request.

Questions and Answers:

***Required Question 1. Some attorneys find the Open Meetings Act's (OMA's) posting requirements for special meetings to be unclear and recommend that a board post notices and agendas of such meetings at the district's main office *and* at the location where the meeting is to be held. Consult the board attorney for guidance on this issue and ensure that posting practices align with this policy and administrative procedure 2:200-AP, *Types of School Board Meetings*. Posting at the meeting location promotes greater transparency.

Does the Board post notices and agendas for special meetings at the location where the meeting is to be held, in addition to posting at the district's main office? If yes, note that this policy may require posting in the same manner for reconvened and rescheduled meetings, in alignment with OMA.

- No (Default)
 - Yes (IASB will revise this sentence after "the District's main office" to add "and the location where the meeting is to be held")

BOARD OF EDUCATION

2:220 Board of Education Meeting Procedure

Agenda

The Board of Education President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Any Board member may submit suggested agenda items to the Board President for his or her consideration for an upcoming meeting. District residents may suggest inclusions for the agenda. Discussion items suggested by District residents [PRESSPlus1](#) may be added to the agenda upon unanimous approval of those Board members present. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Superintendent or designee shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of Board of Education Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote [Q1](#) be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Any Board member may include a written explanation of his or her vote in the District file containing individual Board member statements; the explanation will not be part of the minutes.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection. This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within ten days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this

responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the District's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Superintendent or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, (3) a family or other emergency, ~~or~~ (4) unexpected childcare obligations, or (5) performance of active military duty as a service member. [PRESSPlus2](#) If a member wishes to attend a meeting by video or audio means, he or she must notify the Superintendent or designee at least 2 hours before the meeting unless advance notice is impractical. The Superintendent or designee will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the President nor Vice President are present or able to perform this determination, the Superintendent shall serve as the duly authorized designee for purposes of making this determination. The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Live Streaming and Video Recording of Board Meetings

To provide access to Board of Education meetings, the District will live stream Regular Board of Education Committee Meetings, Regular Board Meetings, and Special or Emergency Board Meetings. A link to video recordings of each Board meeting will be posted to the District's website within 48 hours of the actual meeting when possible. A link to the recordings shall remain posted on the District's website for a minimum of 18 months following the actual meeting. The District will not be required to maintain the video records in archive longer than the 18 months which the videos are being posted.

The Board-approved written minutes will continue to be the official record of the meeting. The video recording of any Board Meeting produced by the District is the exclusive property of the District to be used at the Board's discretion and may not be reproduced, redistributed, or re-broadcasted without administration approval. While it is the Board's intent to broadcast video recorded Board meetings in their entirety, the Board, at its discretion, may discontinue the video recording at any time if the video recording becomes impractical due to equipment malfunction, operator unavailability, or if the video recording is creating any impediment to conducting the meeting in an orderly fashion. The Board meeting shall continue pursuant to Board Policy and Open Meeting Act requirements.

The agenda for each Board Meeting shall contain a notification that all or a portion of the meeting is being video recorded for purpose of public broadcast. At the discretion of the Board, the broadcast of a particular Board Meeting may contain a notification disclaiming responsibility for statements made by those in attendance at the meeting.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use the most recent edition of Robert's Rules of Order Newly Revised, as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Meeting Minutes Protocol^{C1}

1. Meeting minutes are the permanent record of the proceedings during a School Board meeting. All Board action must be recorded in the minutes; thus, the minutes focus on Board action.
2. The minutes only include information provided at the meeting. Information may not be corrected or updated in the minutes unless it was discussed at the meeting.
3. Minutes include a summary of the Board's discussion on an agenda topic; the minutes do not state what is said verbatim. The minutes do not repeat the same point made by different individuals. If appropriate, the minutes include a brief background and an explanation of the circumstances surrounding an issue discussed. The minutes do not include the names of Board members making specific points during discussion. Requests from individual Board members to include their vote or an opinion in the minutes are handled according to Board policy 2:220, *School Board Meeting Procedure*.
4. The minutes include the topic of reports that are made to the Board including reports from the Superintendent or a Board committee. Written reports are filed with the minutes but do not become part of the minutes.
5. The minutes note when a member is not present for the entire meeting due to late arrival and/or early departure.
6. Although items may be considered by the Board in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When a meeting is reconvened on a different date, the minutes must describe what happened on each meeting date.
7. The minutes should be recorded in an objective tone. Answers and explanations, rather than questions, are recorded. Writing style, including choice of words and sentence structure, is at the discretion of the individual recording the minutes.
8. The minutes include individuals' names who speak during the meeting's public participation segment as well as the topics they address. All written documents presented at a Board meeting are filed with the minutes but do not become part of the minutes.
9. The following template generally governs meeting minutes.

Open Meetings Act^{C1}

The Open Meetings Act (OMA) requires public bodies to “keep written minutes of all their meetings, whether open or closed, and a verbatim record of all their closed meetings in the form of an audio or video recording.” [5 ILCS 120/2.06\(a\)](#). Minutes must include, but are not limited to: (1) the date, time, and place of the meeting; (2) the members of the public body recorded as either present or absent and whether the members were physically present or present by means of video or audio conference; and (3) a summary of discussion on all matters proposed, deliberated, or decided, and record of any votes taken. Id.

The remainder of Section 2.06 addresses the approval of open meeting minutes, the treatment of verbatim recordings of closed meetings, the semi-annual review of closed meeting minutes, the confidential nature of closed meeting minutes, and the right of persons to address public officials under rules established and recorded by the public body. The requirements of Section 2.06, as well as OMA requirements pertaining to Board agendas, are included in policy 2:220, *School Board Meeting Procedure*.

Exhibit 2:220-E3, *Closed Meeting Minutes*, provides a sample template for keeping closed meeting minutes that incorporates the requirements of Section 2.06 of OMA. It also includes an area to designate if the Board has determined, pursuant to Section 2.06(d), that the closed meeting minutes no longer need confidential treatment.

Exhibit 2:220-E4, *Open Meeting Minutes*, contains a protocol for open meeting minutes that incorporates the requirements of Section 2.06 of OMA. It also provides a sample template for keeping open meeting minutes.

Exhibit 2:220-E5, *Semi-Annual Review of Closed Meeting Minutes*, contains a process for implementing the semi-annual review of closed meeting minutes, and exhibit 2:220-E6, *Log of Closed Meeting Minutes*, is designed to facilitate this semi-annual review

(every six months, or as soon after as is practicable, taking into account the nature and meeting schedule of the Board). [5 ILCS 120/2.06\(d\)](#), amended by P.A. 102-653.

Exhibit 2:220-E9, *Requirements for No Physical Presence of Quorum and Participation by Audio or Video During Disaster Declaration*, contains a process for compliance with [105](#)

[ILCS 120/7\(e\)](#), added by P.A. 101-640, when a board is meeting without a physical quorum present at the meeting location during a disaster declaration related to public health concerns.

Local Records Act

The Local Records Act (LRA) provides that public records, including “any book, paper, map, photograph, digitized electronic material, or other official documentary material, regardless of physical form or characteristics, made, produced, executed or received by any agency or officer pursuant to law or in connections with the transaction of public business and preserved or appropriate for preservation by such agency or officer” must be preserved unless the State Local Records Commission has given permission to destroy those records. [50 ILCS 205/3](#) and [7](#). Board records, including agendas, meeting packets and meeting minutes, fall into this definition.

Public bodies located in Cook County must work with the Local Records Commission of Cook County to determine how long they must retain public records. Public bodies located outside of Cook County must work with the Downstate Local Records Commission to determine how long they must retain public records.

Policy 2:250, *Access to District Public Records*, contains a subhead entitled **Preserving Public Records** which provides as follows:

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District’s organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

See the sample policy, 2:220, *School Board Meeting Procedure*, for all relevant footnotes. Also see administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*, for recommendations regarding school district records retention protocols and links to web-based record management resources.

Closed Meeting Minutes

<p>Yes.</p> <p>OMA does not directly state public bodies are required to approve closed meeting minutes, nor does it set a time frame for such approval. Document Status: Draft Update - New To District

2:220-E9 Exhibit - Requirements for No Physical Presence of Quorum and Participation by Audio or Video During Disaster Declaration

New/Unpublished Section

Use this exhibit to document the Board's and/or its committee(s)'s (5 ILCS 120/1.02) processes to comply with the requirements of the Open Meetings Act (OMA) when a board and/or its committee(s) must meet during a disaster declaration related to a public health emergency/concern, and the meeting will have no physical presence of a quorum and participation by audio or video.^{C1}

Note: *If a Board committee uses this exhibit, replace Board President, Vice President, and Superintendent with the appropriate committee leaders.*

Consult the Board Attorney for guidance.

Documentation of OMA Requirements for Board Members to Participate in a Meeting with No Physical Presence of Quorum

The Governor or the Director of the Ill. Dept. of Public Health has issued a disaster declaration related to a public health emergency because of a disaster as defined in 20 ILCS 3305/4, and all or part of the jurisdiction of the Board is covered by the disaster area. 5 ILCS 120/7(e)(1). **Note:** OMA uses “public health concerns,” but the Ill. Emergency Management Agency Act (IEMA) uses “public health emergency;” this exhibit matches the IEMA term because it governs disaster declarations.

Insert Disaster Declaration or Executive Order number [_____] or attach to this document.

The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President, or if neither the President nor Vice President are present or able to perform this determination, the Superintendent (5 ILCS 120/7(e)(2) and 140/2(e)) signs below that the following three **Steps** were executed by:

Step 1. Determining whether the meeting is a bona fide emergency (5 ILCS 120/7(e)(7))
(check Yes or No, below):

Yes; it is an emergency meeting, and I:

- a. Notified the Board members and the public, including any news medium which has filed an annual request for notice of meetings as soon as practicable, but in any event prior to the holding of such meeting pursuant to [5 ILCS 120/2.02\(a\)](#) and [120/7\(e\)\(7\)\(A\)](#);
- b. Stated the nature of the emergency at the beginning of the meeting; and
- c. Provided the Superintendent or Board Secretary the resources necessary during the meeting to keep a verbatim record of the meeting, **for both open and closed**, and managed it the same way that the Board complies with the verbatim recording requirements for closed meetings (see exhibit 2:220-E1, *Board Treatment of Closed Meeting Verbatim Recordings and Minutes*). **Note:** In this situation, a verbatim recording is not limited to closed meetings only.
- d. Move to Step 2, below.

No; it is a regular or special meeting, and I:

- a. Ensured that the Board provided 48 hours' notice of the meeting to all Board members, to any news medium on file in the District that have requested notice of meetings pursuant to [5 ILCS 120/2.02\(a\)](#), and to members of the public by posting it on the District's website. [5 ILCS 120/7\(e\)\(7\)](#). **Note:** [5 ILCS 120/7\(e\)](#) does not have the "if any" exception for school boards that do not have websites. Consult the Board Attorney regarding alternate ways to communicate notice of a meeting when the District does not have a website and a Disaster Declaration or Executive Order has been issued.

Insert meeting date and time, and a link to the meeting notice or attach a copy of the notice to this document.

- b. Move to Step 2, below.

Step 2. Determining whether it is practical, prudent, or feasible for any in-person attendance at the regular meeting location ([5 ILCS 120/7\(e\)\(2\)](#)). (*check Yes or No, below*):

Yes; in-person attendance is practical, prudent, or feasible, and I:

- a. Ensured that at least one Board member, the Board Attorney, or the Superintendent was physically present at the regular meeting location ([5 ILCS 120/7\(e\)\(5\)](#)), and
- b. Verified that members of the public who were present could hear all discussion and testimony and all votes of the members of the Board. [5 ILCS 120/7\(e\)\(4\)](#).
- c. Move to Step 3, below.

No; in-person attendance is not practical, prudent, or feasible, and I:

- a. Made a written determination referring to the specific Executive Order or Disaster Declaration citing the public health concern/emergency that applies to the Board and the meeting. [5 ILCS 120/7\(e\)\(1\)](#) and (2).
- b. Included the written determination made in letter a., above, on the Board's published notice and agenda for the alternative arrangements for the meeting. [5 ILCS 120/7\(e\)\(7\)\(A\)](#).
- c. Offered the alternative arrangements to the public by offering a telephone number or a web-based link. [5 ILCS 120/7\(e\)\(4\)](#).

Insert a link to the meeting notice or attach a copy of the notice or refer to above if already attached to this document (see above).

Include this written determination on the Board/committee's published notice and agenda for the audio or video meeting, and in the meeting minutes.

- d. Move to Step 3, below.

Step 3. During the meeting, I:

- Directed the Recording Secretary to, in addition to the requirements for open meetings under OMA, also keep verbatim record of the open meeting by recording it and making it open and available to the public under all provisions of OMA. [5 ILCS 120/7\(e\)\(9\)](#). *Sample text follows below in the subhead **Report to the Public Following the Board's Meeting with No Physical Presence of Quorum.***
- Read my written determination referring to the specific Executive Order or Disaster Declaration citing the public health concern/emergency that applies to the Board and the meeting and directed the Recording Secretary to include it in the meeting minutes.
- Ensured that any interested member of the public has access to contemporaneously hear all discussion, testimony, and roll call votes. [5 ILCS 120/7\(e\)\(4\)](#).
- Requested the Recording Secretary to enter into the appropriate minutes of the Board that each Board member participating in the meeting, wherever their physical locations:
 1. Announced themselves present ([5 ILCS 120/7\(e\)\(3\)](#)), and
 2. Verified that they could hear one another and all discussion and testimony. Id.

See exhibits 2:220-E3, *Closed Meeting Minutes* and/or 2:220-E4, *Open Meeting Minutes*.

Attach to this document copies or information about where these minutes may be found.

Announced and considered each Board member participating in the meeting present at the meeting for purposes of determining a quorum and participating in all proceedings (5 ILCS 120/7(e)(8)) and directed the Recording Secretary to reflect it in the minutes (best practice for transparency).

Conducted all votes by roll call, so each Board member's vote on each issue could be identified and recorded (5 ILCS 120/7(e)(6)), and ensured that the Recording Secretary entered all votes as **Roll Call Votes** (Use exhibit 2:220-E4, *Open Meeting Minutes, but ensure all votes are recorded as roll call votes pursuant to the example below.*):

Report to the Public Following the Board's Meeting with No Physical Presence of Quorum

The text below may be used for the actual report.

The School Board met on [*insert date*] with no physical presence of quorum to conduct its business.

The verbatim [*circle one*] audio | video recording of this meeting is available to the public under all provisions of OMA and will be destroyed pursuant to 5 ILCS 120/2.06(c)(no less than 18 months after the completion of the meeting recorded but only after: (1) the Board approves the destruction of the particular recording; and (2) the Board approves minutes of the meeting that meet the written minutes requirements of OMA). 5 ILCS 120/7(e)(9).

Insert links to the verbatim recording of meeting here or attach to this document.

Note: Consult the Board Attorney for guidance on the destruction of a verbatim recording of an open meeting without the physical presence of a quorum. While 5 ILCS 120/2.06(c) refers to the process for destroying closed session verbatim recordings, 5 ILCS 120/7(e)(9), applies that process for destroying closed session verbatim recordings to the destruction of the verbatim open session recordings that are required when a board determines it is necessary for it to meet without the physical presence of a quorum due to a public health emergency.

Policy Committee
(or Full Board)

First, answers these questions to decide whether new policy language is needed:

1. Does the IASB Policy Reference Manual provide guidance?
2. Is the request something that should be covered in policy (i.e., Board work), or is it something that should be covered in an administrative procedure (i.e., staff work)?
3. Is it already covered in Board policy? Checks for policies that cover similar or connected topics. Tools such as search engines, Tables of Contents, cross references, and indexes at **PRESS** Online can be used to identify relevant policy numbers to check for in the Board's policy manual.

Second, uses a 3-step process to draft new policy language:

1. Frames the question and discusses the topic.
2. Requests the Superintendent to provide research, including appropriate data, and input from others, such as those who may be affected by the policy and those who will implement the policy.
3. Drafts or requests the Superintendent or Board Attorney to draft language addressing the concern that aligns with the Board's mission, vision, goals, and objectives.

Third, decides whether the new language should be included in an existing policy or added as a new policy. Assigns any new policy an appropriate location and number.

The **PRESS** coding system reserves policy numbers ending in a '0' and '5' for **PRESS** material. Locally developed Board policies should use policy numbers ending in 2, 4, 6, or 8.

<p>Full Board</p>	<p>Conducts a first reading of the policy that is recommended for adoption or revision. BOARD OF EDUCATION

2:250 Access to District Public Records

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response.

Freedom of Information Officer

The Superintendent shall serve as the District's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Superintendent of the responsibility for the responsibility for the delegated action ~~that was delegated~~.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District. The District's public records do not include junk mail. [PRESSPlus1](#)

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. Email requests must include the entirety of the request within the body of the email and not as an attachment or hyperlink. [PRESSPlus2](#) The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; ~~or~~
3. Complying with the request would be unduly burdensome;
4. The request would require the District to open electronically attached files or hyperlinks to view

or access details of a request. In that case, the requester shall be notified within five business days that the entirety of the electronic request must appear within the body of the electronic submission; or

5. The District has a reasonable belief that the request was not submitted by a person, and the requester fails to verify orally or in writing that they are a person within 30 days of the District's request for such verification. [PRESSPlus3](#)

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to,

the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the Board of Education or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

Document Status: Draft Update - New To District

3:40-E Exhibit - Checklist for the Superintendent Employment Contract Negotiation Process

New/Unpublished Section

The School Board hires and employs the Superintendent. The Superintendent shall be in charge of the administration of the schools under the direction of the Board, through its policies. See 105 ILCS 5/10-21.4 and 105 ILCS 5/10-16.7. As an effective employer, the Board must develop and maintain a productive relationship with the Superintendent. See IASB's *Foundational Principles of Effective Governance*, **Principle 3. The board employs a superintendent**, at: www.iasb.com/conference-training-and-events/training/training-resources/foundational-principles-of-effective-governance/.^{C1}

The foundation for a productive employment relationship begins when the Board identifies the most qualified superintendent candidate (*successful superintendent candidate*) after an established interview process. The Board then extends an offer of employment to the successful superintendent candidate. The employment search process and resulting relationship should consist of mutual respect and a clear understanding of respective roles, responsibilities, and expectations. This relationship should begin with the Board's policy, a thoughtfully crafted employment contract and job description, and procedures for communications and ongoing assessment. See *Principles* at the link above.

Below, the *Checklist for the Superintendent Employment Contract Negotiation Process* (*Checklist*) provides a column entitled **Superintendent Contract Term Considerations for the Board**. It lists common superintendent employment contract terms and points of consideration for boards to prepare for during the contract formation process. Another column entitled **Explanation, Special Considerations, and Resources** provides extra information about these common superintendent employment contract terms.

The *Checklist* is intended to serve as a resource to educate and guide the Board through the employment contract negotiation process with its successful superintendent candidate. Board members who are educated about the content within the *Checklist* are crucial to successful negotiation processes. An educated contract formation and negotiation process, along with a well-written contract and job description for the Superintendent, all set the foundation for mutual respect and a clear understanding of the Board and Superintendent's respective roles, responsibilities, and expectations. **Important:** This *Checklist* is a resource for contract formation; it is not a list of must have items for a superintendent's employment contract or a basis for a board to re-open contracts currently in effect.

Prior to providing the successful superintendent candidate an offer for employment and contract for review, consideration, and negotiation, consult the Board Attorney about the *Checklist* and the scope of the terms the Board wishes to offer the successful superintendent candidate. The Board and the successful superintendent candidate should expect and encourage the other to seek the advice of their respective attorneys during the employment contract formation process.

Many attorneys agree and best practices suggest that boards and successful superintendent candidates work with their own separate attorneys in an amicable and cooperative manner to complete the employment contract negotiation process.

Board Attorney. Prior to providing any successful superintendent candidate with an offer for employment and a contract for review, consideration, and negotiation, best practices suggest consulting the Board Attorney about the *Checklist*. Note: Boards should view a successful superintendent candidate retaining his or her own attorney as a best practice (as opposed to a warning sign). Each party is beginning the employment relationship in a cooperative manner to set an appropriate foundation to the future working relationship.

Power and Duties of the Superintendent

Superintendent Contract Term Considerations for the Board	Explanation, Special Considerations, and Resources
Duties	<p>Does the Board enumerate the duties of the Superintendent in the employment contract?</p> <ol style="list-style-type: none"> 1. Are the statutory duties of the Superintendent listed? 2. Has the Board incorporated policy references to the other duties related to the Superintendent's employment? <p>See 105 ILCS 5/10-21.4 and 105 ILCS 5/10-16.7.</p>
Full-time, Attention and Energy Clause	<p>How will the Board address outside activities of the Superintendent?</p> <ol style="list-style-type: none"> 1. Will the Board require approval/ notification before the Superintendent engages in outside activities?

Employment and Compensation

Superintendent Contract Term Considerations for the Board	Explanation, Special Considerations, and Resources
<p>Duration of Contract</p>	<p>A superintendent's employment contract may not exceed five years. If its duration is two to five years, the contract must reference goals and suspension of tenure.</p> <p>No performance-based contract shall be extended or rolled over prior to its scheduled expiration unless all the performance and improvement goals contained in the contract have been met. See 105 ILCS 5/10-23.8.</p> <p>If the duration is one year or less, then the contract need not reference goals or suspension of tenure.</p>

<p>Salary</p>	<p>Special Considerations for the Board may include:</p> <ol style="list-style-type: none"> 1. What is the estimated Board contribution to the Teachers' Retirement System (TRS) for any raises above six percent (40 ILCS 5/15-155(g)) prior to retirement? 2. What is the <i>cost shift</i> implication for the District if the Board offers or later agrees to a salary that is equal to or greater than the governor's statutory salary? School districts are responsible for paying the actuarial cost of the pension benefits earned on the portion of a TRS member's salary that exceeds the governor's statutory salary. The governor's annual salary is published by TRS at: www.trsil.org/employers/payments/contribution-rates_earnings-limitations. 3. Do any administrative cost cap triggers exist (105 ILCS 5/17-1.5)? <p>Items the Board may see the successful superintendent candidate request of it:</p> <ol style="list-style-type: none"> 1. A fixed salary for each year of the contract. 2. A guaranteed minimum salary. 3. Compensation increases.

<p>Severance Agreements</p>	<p>Any contract that contains a condition of severance pay must include the following provisions required by the Government Severance Pay Act (GSPA), 5 ILCS 415/10:</p> <ol style="list-style-type: none"> 1. A restriction to an amount not exceeding 20 weeks of compensation; and 2. A prohibition for any severance if the Superintendent is fired for <i>misconduct</i> by the Board. See the <i>Severance Pay</i> row under the Changes to the Superintendent's Employment Contract subhead below for a definition of what misconduct means in the context of this law.
<p>Teachers Retirement System (TRS) & Teacher Health Insurance (THIS)</p>	<p>How does the Board want to address:</p> <ol style="list-style-type: none"> 1. Pension contributions (TRS-THIS)? 2. Inclusion of salary and other compensation in the payment of TRS and THIS? Or, will TRS and THIS be in addition to salary and other compensation? 3. Unforeseen pension reform issues?

See policy 5:50, *Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition*, and its f/ns).

820 ILCS 70/, III. Employee Credit Privacy Act, prohibits employers from inquiring into an individual's credit history or taking action against an employee based such history unless a satisfactory credit history is a *bona fide occupational requirement*, which is further defined in the statute. The job descriptions of superintendents generally meet this standard because they: (1) describe a managerial position that involves direction of school districts; (2) include signatory power over more than \$100; and (3) involve having access to confidential and financial information. Note: Any one of these grounds alone is sufficient.

Setting District Goals and Direction (leads a board and superintendent to develop their own district language for specific measurable, and attainable goals and indicators)

The Superintendent Evaluation Process (describes an effective method of holding the superintendent accountable)

Superintendent Evaluation

Once the Board has developed its goals and indicators (as discussed immediately above), 105 ILCS 5/10-20, 5/10-23, and 5/10-23.8 require the Board to:

1. "Direct, through policy, its superintendent in his or her charge of the administration of the school district;" and
2. Evaluate the superintendent in his or her "administration of school board policies and his or her stewardship of the assets of the district."

How will the Board evaluate the successful superintendent candidate upon its outlined goals and indicators?

Does the Board state when it will evaluate the successful superintendent candidate upon the goals and indicators that it set?
Note: Some districts do not consider the superintendent evaluation to be a *one-time event* and put an on-going process into place. Contrast other districts, which depending upon their preferences, generally find the best time of year to evaluate is in the winter or early springtime.

Is the Board or the successful superintendent candidate responsible to trigger the components of the Superintendent's evaluation process?

What evaluation instrument will be used?
How will the evaluation be documented?

Will an evaluation instrument be outlined by the Board in its employment contract with the successful superintendent candidate?

Is the evaluation instrument the Board will use tied to its goals and indicators of student performance and academic improvement and other information as the Board may determine?

For more information about best practices when planning for and evaluating the Superintendent, see:

The Superintendent Evaluation Process at: www.iasb.com/iasb/media/documents/superintendent-evaluation-process.pdf;

The board employs a superintendent, at: www.iasb.com/conference-training-and-events/training/training-resources/foundational-principles-of-effective-governance/; stating "the board employs and evaluates one person — the superintendent — and holds that person accountable for district performance and compliance with written board policy."

Document Status: Draft Update - New To District

4:130-E Exhibit - Free and Reduced-Price Food Services; Meal Charge Notifications

New/Unpublished Section

On District letterhead, website, in student handbook, newsletters, bulletins, and/or calendars^{C1}

Date:

To: Parents/Guardians, Students, and Staff

Re: Eligibility and Meal Charge Notifications

The following notification is provided to all households of students at the beginning of each school year as federally required notification regarding eligibility requirements and the application process for the free and reduced-price food services that are listed in Board policy 4:130, *Free and Reduced-Price Food Services*, and 4:140, *Waiver of Student Fees*. This notification is also provided to households of students transferring to the District during the school year. For more information, see www.fns.usda.gov/school-meals/unpaid-meal-charges, and/or contact the Building Principal or designee.

Free and Reduced-Price Food Services Eligibility

When the parents/guardians of students are unable to pay for their child(ren)'s meal services, meal charges will apply per a student's eligibility category and will be processed by the District accordingly.

A student's eligibility for free and reduced-price food services shall be determined by the income eligibility guidelines, family-size income standards, set annually by the U.S. Dept. of Agriculture, and distributed by the Ill. State Board of Education.

Meal Charges for Meals Provided by the District

The Building Principal and District staff will work jointly to prevent meal charges from accumulating. Every effort to collect all funds due to the District will be made on a regular basis and before the end of the school year. Contact your Building Principal or designee about whether your child(ren)'s charges may be carried over at the end of the school year, i.e., beyond June 30th.

Unpaid meal charges are considered delinquent debt when payment is overdue as defined by Board policy 4:45, *Insufficient Fund Checks and Debt Recovery* and the Hunger-Free Students' Bill of Rights Act ([105 ILCS 123/](#)). The District will make reasonable efforts to collect charges classified as delinquent debt, including repeated contacts to collect the amounts and, when necessary, requesting that the student's parent(s)/guardian(s) apply for meal benefits to determine if the student qualifies for such benefits under Board policy 4:130, *Free and Reduced-Price Food Services*. The District will provide a federally reimbursable meal or snack to a student who requests one, regardless of the student's ability to pay or negative account balance.

When a student's funds are low and when there is a negative balance, reminders will be provided to the staff, students, and their parent(s)/guardian(s) at regular intervals during the school year. State law allows the Building Principal to contact parents(s)/guardian(s) to attempt collection of the owed money when the amount owed is more than the amount of five lunches. If a parent/guardian regularly fails to provide meal money for the child(ren) that he/she is responsible for in the District and does not qualify for free meal benefits or refuses to apply for such benefits, the Building Principal or designee will direct the next course of action. Continual failure to provide meal money may require the District to notify the Ill. Dept. of Children and Family Services (DCFS) and/or take legal steps to recover the unpaid meal charges, up to and including seeking an offset under the State Comptroller Act, if applicable.

4:165 Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors

Child sexual abuse and grooming behaviors harm students, their parents/guardians, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn. The Board has a responsibility and obligation to increase awareness and knowledge of: (1) issues regarding child sexual abuse, (2) likely warning signs that a child may be a victim of sexual abuse, (3) grooming behaviors related to child sexual abuse and grooming, (4) how to report child sexual abuse, (5) appropriate relationships between District employees and students based upon State law, and (6) how to prevent child sexual abuse.

To address the Board's obligation to increase awareness and knowledge of these issues, prevent sexual abuse of children, and define prohibited grooming behaviors, the Superintendent or designee shall implement an Awareness and Prevention of Sexual Abuse and Grooming Behaviors Program. The Program will:

1. Educate students with:
 - a. An age-appropriate and evidence-informed health and safety education curriculum that includes methods for how to report child sexual abuse and grooming behaviors to authorities, through policy 6:60, *Curriculum Content*;
 - b. Information in policy 7:250, *Student Support Services*, about: (i) District counseling options, assistance, and intervention for students who are victims of or affected by sexual abuse, and (ii) community-based Children's Advocacy Centers and sexual assault crisis centers and how to access those serving the District.
2. Train District employees about child sexual abuse and grooming behaviors by January 31 of each school year with materials that include:
 - a. A definition of prohibited grooming behaviors and employee-student boundary violations pursuant to policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*;
 - b. Evidence-informed content on preventing, recognizing, reporting, and responding to child sexual abuse, grooming behaviors, and employee-student boundary violations pursuant to policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; 5:90, *Abused and Neglected Child Reporting*; 5:100, *Staff Development Program*; and 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; and
 - c. How to report child sexual abuse, grooming behaviors, and/or employee-student boundary violations pursuant to policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.
3. Provide information to parents/guardians in student handbooks about the warning signs of child sexual abuse, grooming behaviors, and employee-student boundary violations with evidence-informed educational information that also includes:

- a. Assistance, referral, or resource information, including how to recognize grooming behaviors, appropriate relationships between District employees and students based upon policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, and how to prevent child sexual abuse from happening;
 - b. Methods for how to report child sexual abuse, grooming behaviors, and/or employee-student boundary violations to authorities; and
 - c. Available counseling and resources for children who are affected by sexual abuse, including both emotional and educational support for students affected by sexual abuse, so that the student can continue to succeed in school pursuant to policy 7:250, *Student Support Services*.
4. ~~Provide parents/guardians of students in any of grades K through 8 with not less than five days' written notice before commencing any class or course providing instruction in recognizing and avoiding sexual abuse, as well as the opportunity to object in writing.~~ [PRESSPlus1](#)

General Personnel

5:30 Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board of Education policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. The Superintendent may select personnel on a short-term basis for a specific project or emergency condition before the Board's approval. No individual will be employed who has been convicted of a criminal offense listed in [105 ILCS 5/21B-80\(c\)](#).

All applicants must complete a District application in order to be considered for employment.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration.

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in [105 ILCS 5/21B-80](#) or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant

for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Physical Examinations

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is

job-related and consistent with business necessity. The Board will pay the expenses of **any** such examination. [PRESSPlus1](#)

Orientation Program

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

5:250 Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave, Sabbatical Leave, Personal Leave, Leave of Absence Without Pay, Child-Rearing Leave, Leaves for Service in the Military

Please refer to the applicable collective bargaining agreement(s).

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Family Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, [20 U.S.C. §2601 et seq.](#)) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, spouse, [PRESSPlus1](#) domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs 250 or more employees on a full-time basis, an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss. An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

General Assembly Leave

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Board may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence,

sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance, and to grieve and attend to matters necessitated by the death of a family or household member who is killed in a crime of violence, without suffering adverse employment action.

The Victims' Economic Security and Safety Act (VESSA) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 ([29 U.S.C. §2601](#) *et seq.*).

Leaves to Serve as an Officer Trustee, or Representative of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) up to twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with [105 ILCS 5/24-6.3](#), (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in [105 ILCS 5/24-6.2](#), and (4) up to 10 days of paid leave per school term for teachers elected to represent a statewide teacher association in federal advocacy work in accordance with [105 ILCS 5/24-3.5](#).

COVID-19 Paid Administrative Leave

When applicable, paid administrative leave related to COVID-19 will be granted to eligible employees in accordance with State law.

Family Neonatal Intensive Care Leave [PRESSPlus2](#)

An unpaid leave from work is available to any staff member whose child [PRESSPlus3](#) is a patient in a neonatal intensive care unit (NICU) in accordance with the requirements of the Family Neonatal Intensive Care Leave Act. Educational Support Personnel

5:330 Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Please refer to the applicable collective bargaining agreement(s).

If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

for taking custody of the child or accepting the child in need to foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. Document Status: Draft Update - New To District

6:208-E Exhibit - Class Size & Class Consideration

New/Unpublished Section

The Superintendent shall work closely with Building Principals in establishing a reasonable teacher-student ratio in each building, in consideration of the following:

- Physical space
- Instructional process
- Available resources
- Developmental age
- Classroom composition

Board of Education Recommended Class Size Guidelines:

Kindergarten	20-24
First Grade	20-24
Second Grade	20-24
Third Grade	23-26
Fourth Grade	23-26
Fifth Grade	25-28
Sixth Grade	25-28
Seventh Grade	28-32
Eighth Grade	28-32

Considerations: The administration considers the following items when determining a reasonable teacher-student ratio.

Physical Space: The amount of physical space needed is dependent upon the instructional age of the child. More physical space is needed at the lower elementary levels because of the different modes that the instruction takes place, i.e. circle time on the floor, seat time, and learning stations. Upper-level students generally need less space.

Instructional Process: Instruction processes change as students develop and grow. Lower elementary instruction is more experience-driven while upper elementary instruction is more teacher-directed and conceptual.

Available Resources: The availability of resources, materials, services, and personnel can limit options in instructional groupings and clustering of students for instruction and support.

Developmental Age: The ability of a student to work and learn independently with less teacher direction is determined by the student's developmental age. Students at the lower elementary age need more teacher direction than students in the upper grade level. Students in the lower grade levels also have a much shorter attention span than students in the upper grade levels.

Classroom Composition: Our priority in determining class size will continue to be based on the capacity of the teacher to meet the needs of the students in the classroom. The learning needs of the students in a particular class and the ability of the teacher to meet those needs may require a smaller teacher-student ratio or the addition of a teacher aide.

Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to disciplinary action.

COMMUNITY RELATIONS

8:90 Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the District's schools. While parent organizations and booster clubs have no administrative authority and cannot determine

District Board [PRESSPlus1](#) policy, the Board of Education welcomes their suggestions and assistance.

Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, or a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent.

Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has bylaws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parents/guardians of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members, including on any organization or club websites or social media accounts.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Superintendent shall designate an administrative staff member to serve as the recognized liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.
