Dear Mr. Stuard and Albany ISD Board of Trustees,

After much thoughtful consideration and planning, I have decided to retire at the end of the Fall 2026–2027 semester. This has not been an easy decision, as teaching and coaching have been a significant and meaningful part of my life. These roles have not only been my profession, but also my passion, and they have helped shape who I am.

I will always cherish the memories I have made with my fellow educators and, most importantly, with the students. The opportunity to work with young people—to watch them grow, learn, and overcome challenges—has been a true blessing and one of the most rewarding aspects of my career.

When I first came to Albany, I arrived with my wife and young child. Over the years, I have been incredibly fortunate to see my wife and all four of my children grow, learn, and work within Albany ISD. This district has been more than just a workplace—it has been a community and an extended family. The relationships we have built here will always hold a special place in our lives.

I am deeply grateful for the opportunity to have served Albany ISD. I leave with no regrets—only a lifetime of meaningful experiences and lasting memories. I will always take great pride in my role as an educator and in the contributions I have made throughout my career.

Please know that I am committed to supporting a smooth transition and am happy to assist in any way possible, both during this time and beyond.

Sincerely,

Dear Mrs. Chambers, Mr. Stuard, and the Albany Board of Trustees,

I am writing to share that I will be retiring and resigning from my position as the NSES school counselor at the conclusion of my 2025–26 contract, bringing to a close 35 wonderful years in education, including 27 years here at Albany ISD.

Albany ISD has provided me countless opportunities to grow both professionally and personally. I have truly loved my time teaching, counseling, and taking on the many roles that come with serving students and our school community. Each day has brought new challenges and rewards, and I am deeply grateful for the experiences I have had here.

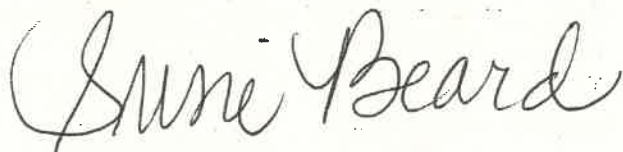

On a personal note, Albany has also been home in the fullest sense. I had the privilege of raising my children here, and I am proud to say that all three graduated from Albany High School and went on to earn their college degrees. This community has played an important role in shaping both my family and my career.

I sincerely appreciate the support and trust you have extended to me over the years. It has meant a great deal, and I will always value the relationships and memories built during my time in the district.

While it is not easy to step away from a profession I care so deeply about, I feel that the time has come to hang up my education hat and pursue new opportunities and experiences.

Thank you again for everything. I wish Albany ISD continued success in the years ahead.

Sincerely,

A handwritten signature in cursive script that reads "Susie Beard". The signature is written in black ink and is positioned below the word "Sincerely,".

Standards of Conduct and Certification for Procurement

In accordance with 2 CFR Part §200.318, the following standards of conduct must be followed by all officers, employees, or agents of the non-Federal entity herein named (SFA) that are engaged in the selection, award, and administration of contracts:

No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.

The officers, employees and agents may neither solicit nor accept gratuities, favors or anything of monetary value from contractors or parties to subcontracts.

Disciplinary actions shall be applied for violations of the above standards by officers, employees, or agents, up to and including termination from the program.

Officers, employees, and agents shall avoid the acquisition of unnecessary or duplicative items. Consideration shall be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the Federal Government, officers, employees, and agents shall make every effort to enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services.

Officers, employees, and agents shall make every effort to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

Officers, employees, and agents shall make every effort to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at an overall lower cost.

Officers, employees, and agents shall award contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, a record of past performance, and financial and technical resources. (See also 2 CFR §200.214 Suspension and Debarment)

Officers, employees, and agents shall maintain records sufficient to detail the history of procurement. These records will include but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

Officers, employees, and agents shall use a time and materials type contract only after a determination that no other contract is suitable and if the contract includes a ceiling price that the contractor exceeds at its own risk.

All standards to award contracts outlined in 2 CFR §200.318(h) and 2 CFR §200.214 must be followed.

Officers, employees, and agents of Albany ISD (SFA) shall do the following:

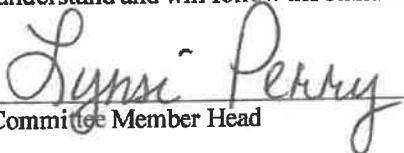

Accept full responsibility, in accordance with good administrative practices and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims.

Make available, upon request of the Federal awarding agency or pass-through entity, technical specifications on proposed procurements where the Federal awarding agency or pass-through entity believes such review is needed to ensure that the item or service specified is the one being proposed for acquisition, including procurement documents, such as requests for proposals or invitations for bids, or independent cost estimates, in accordance with 2 CFR §200.325.

These standards do not relieve the non-Federal entity of any contractual responsibilities under its contracts. The Federal awarding agency will not substitute its judgment for that of the non-Federal entity unless the matter is primarily a Federal concern. Violations of law will be referred to the local, state, or Federal authority having proper jurisdiction.

Attestation:

I understand and will follow the standards of conduct outlined for this procurement.

EVALUATION AND AWARD

1. Evaluation Criteria

Proposals received by the published deadline will be reviewed to ensure all materials have been submitted as specified in the RFP. Proposals that fail to address all requirements or fail to include all completed forms and signed certifications will be considered nonresponsive and disqualified from further consideration. A proposal is considered responsive if it follows the required format, includes all attachments, and meets all deadlines and other requirements outlined in this RFP.

Responsive proposals will be evaluated using the weighted criteria stated in the RFP. Proposals will be evaluated by a committee consisting of the SFA employees and representatives familiar with the terms and conditions of the RFP criteria and the evaluation process.

2. Basis of Award

The selection for contract award will be based on the evaluation criteria set forth below, as well as the cost for all deliverables, goods, services, and/or work specified in this RFP. The award will be made to a qualified and responsible Offeror whose proposal is most advantageous to the SFA's School Nutrition Program (SNP), price and other factors considered, with price as the primary factor. A responsible Offeror is one whose financial, technical, and other resources indicate an ability to perform the services required.

In determining to whom to award a contract, the SFA is not limited to selecting the proposal with the lowest cost but may consider other factors such as: (1) the extent to which the goods or services meet the SFA's needs; (2) indicators of probable vendor performance under the contract such as past vendor performance, the current FSMC's past vendor performance with the SFA, the FSMC's financial resources and ability to perform, or the FSMC's experience or demonstrated capability and responsibility; and (3) any other relevant factor specifically listed in the RFP. While price is not the sole basis for the award, price shall be the primary consideration in the selection of the award. If vendor presentations are part of the evaluation criteria, they must be scheduled for all responsive vendors prior to award.

GENERAL CONTRACT TERMS

1. Contract Terms and Renewals

- a. Unless terminated in accordance with Section VI, Subsection K, the Contract will be in effect for a period of one year commencing on July 1, 2026, and terminating on June 30, 2027. The Contract may be renewed for up to four (4) additional one-year periods, with the term of the renewal commencing on July 1st following the expiration of the preceding one-year term of the Contract, upon mutual agreement between the SFA and the FSMC and subject to fulfillment of all contract terms designated herein.

- e. The SFA's policies, practices, and service requirements shall remain materially consistent throughout the contract term and in any subsequent contract renewals. The term materially consistent shall mean that a change does not (1) materially increase the FSMC's cost of providing management services or (2) materially decrease the net revenue derived from the food service operations.

2. Changes and Amendments

- a. Material changes to the Contract are not permitted and will require the contract to be rebid.
- b. Any changes to the terms or conditions of the Contract which are required by federal, or state laws or regulations are automatically incorporated into the Contract without written amendment and shall become effective on the date specified in such law or regulation.
- c. Price Adjustments. Adjustments to meal prices will not be allowed in the initial term of the Contract. Upon mutual agreement of the SFA and FSMC, the fixed price per meal/meal equivalent may remain the same or be adjusted (increased or decreased) on an annual basis for each subsequent year of the Contract. Such price adjustments shall not exceed the Yearly Percentage Change in the Consumer Price Index (CPI) for All Urban Consumers, Food Away from Home, National Average, as published by the U.S. Department of Labor, Bureau of Labor Statistics. Fee adjustments for the upcoming Contract renewal year must use the CPI approved by TDA. No other fee increases or fees will be allowed, unless approved by TDA. Price adjustments shall be by amendment in writing and executed by both parties to the Contract.

3. Contract Documents

The complete contract will include the RFP (including any approved amendments or addenda thereto) and the required proposal documents submitted by the FSMC, as outlined in Section III, Subsection A, paragraph 6, of this RFP.

 4. The SFA and the FSMC agree that the Contract is neither a cost-plus-a-percentage-of- income nor a cost-plus-a-percentage-of-cost contract as required under 7 CFR §210.16(c) and 2 CFR §200.324(d).
 5. If there is more than one SFA Food Service Location, the SFA shall conduct an on-site review of the counting and claiming system at each SFA Food Service Location no later than February 1st of each year. The SFA shall always retain responsibility for the counting and claiming system (reference: 7 CFR §210.8(a)(1)).
 6. The SFA reserves the right, at its sole discretion, to sell or dispense food or beverages, provided such use does not interfere with the operation of the School Nutrition Programs.
 7. The FSMC shall comply and cooperate with the SFA in promoting nutrition education, health, and wellness policies, and coordinating the SFA's Food Service Program with classroom instruction.
 8. Gifts from the FSMC: The SFA's officers, employees, or agents shall neither solicit nor accept gratuities, favors, nor anything of monetary value from contractors nor potential contractors in accordance with all laws, regulations, and policies. To the extent permissible under federal, state, or local laws, rules, or regulations, such standards shall provide for appropriate penalties, sanctions, or other disciplinary actions to be applied for violations of such standards as outlined in the SFA's written code of conduct (reference: SP 09-2015; and 2 CFR §§200.112 and 200.318).
 9. Any additional payments to the SFA or any foundations or organizations associated with the SFA that are unrelated to food services, such as money or rebates for school improvements and student scholarships, are not allowable.

B. Food Service

1. The FSMC shall serve meals on such days and times as aligned to the SFA approved calendar and the nutrition programs the SFA has indicated in Section VI, Subsection A, Scope and Purpose, in this document as requested by the SFA.
2. The SFA shall retain control of the quality, extent, and general nature of food service.
3. The FSMC shall offer free, reduced-price, and full-price reimbursable meals to all eligible children participating in SFA's Food Service Programs indicated in Section VI, Subsection A, Scope and Purpose, Paragraph 2 herein.
4. For an FSMC to offer à la carte food service, the FSMC must offer free, reduced-price, and paid reimbursable meals to all eligible children.
5. The FSMC shall provide meals for all programs operated by the CE that meet the meal pattern set by USDA. TDA provides detailed information on applicable meal patterns in the NSLP/SBP Administrator's Reference Manual (ARM), Complete CACFP At risk Afterschool Care Centers Handbook, Complete CACFP Child Care Center Handbook, and SFSP Supplemental Handbook available on the TDA website www.squaremeals.org.
6. The FSMC shall receive no payment for meals that are spoiled or unwholesome at the time of serving, which does not meet the detailed specifications for each food component or menu item in accordance with 7 CFR §210.16(c)(3), or that do not otherwise meet the requirements of the contract.
7. The FSMC shall promote maximum participation in the Programs.
8. The FSMC shall provide the specified types of service in the schools/sites listed in Exhibit A.
9. The FSMC shall sell on the premises only those foods and beverages authorized by the SFA and only at the times and places designated by the SFA, and that meet SNP requirements.
10. The FSMC must make substitutions in the food components of the meal pattern for students with disabilities when their disability restricts their diet as stated in the students' Individual Educational Plans (IEPs) or 504 Plans and when the need for the substitution is certified by an appropriately licensed medical professional. Substitutions for disability reasons must be made on a case-by-case basis only when supported by a written statement of the need for substitutions that include recommended alternate foods unless otherwise exempted by FNS. Such a statement must be signed by an appropriately licensed medical professional (reference: 7 CFR §210.10(m)(1)(i); SP 40-2017; SP 26-2017; and SP 59-2016). The FSMC may make a substitution for those nondisabled students who cannot consume regular breakfast or lunch because of medical or other special dietary needs. Accommodations for special dietary needs for students without medical disabilities are an SFA decision. If a substitution is made to accommodate the special dietary needs of one student, the same accommodation must be made for all students with the same dietary need. There will be no additional charge to the student for such substitutions (7 CFR §210.10(m)). (USDA, "Accommodating Children with Special Dietary Needs in the SNP Guidance for School Food Service Staff").
11. The FSMC shall make substitutions for fluid milk for non-disabled students who cannot consume fluid milk due to medical or special dietary needs. Substitutions shall be made when a medical authority or student's parent or legal guardian submits a written request for a fluid milk substitute identifying the medical or other special dietary need that restricts the student's diet. Notification of fluid milk substitutions shall remain in effect until the medical authority or the student's parent, or legal guardian revokes such request in writing, or the SFA changes its substitution policy for non-disabled students. Fluid milk substitutes shall provide nutrients as required by federal and state regulations. There will be no additional charge to the student for such substitutions (reference: 7 CFR §§210.10(d)(3) and 220.8).
12. The FSMC shall implement an accurate point of service count using the counting system provided by the SFA in its application to participate in the SNPs and approved by TDA for the programs listed in Section VI, Subsection A, Scope and Purpose, Paragraph 2, herein, as required under USDA regulations. Such a counting system must eliminate the potential for the overt identification of free and reduced-price eligible students under USDA Regulation 7 CFR §245.8(b).

C. Use of Advisory Group/Menus

1. Advisory Groups

- a. The SFA is responsible for the formation and establishment, and scheduling of periodic meetings of an SFA Advisory Board composed of students, teachers, and parents to assist in menu planning as provided in 7 CFR §210.16(a)(8).
- b. The FSMC may participate in meetings of the SFA Advisory Board as deemed appropriate by the SFA; however, the FSMC shall not participate or be involved in developing a 21-day cycle menu for use in the SFA's solicitation for food service operations if the FSMC plans to respond to such solicitation.

2. Menus

- a. The FSMC must serve meals that follow the 21-day menu cycles that meet the food specifications contained in Food Specifications, as identified in "Exhibit F" and fully incorporated herein, and that meet the SNP requirements. The 21-day cycle menus developed and provided by the SFA allow the FSMC to determine the bid price. These menus must be followed with no changes to specifications. The menus are attached to this RFP as "Exhibit M" and are fully incorporated herein. At a minimum, such food specifications shall include: (i) a recipe for each menu item that includes the total yield, portion size, ingredients, and all USDA-required nutrient information; (ii) the identity of all items that may be used in the meal including all crediting information for processed items served; and (iii) whenever possible, the grade, style, and condition of each food item and other information that indicates the acceptable level of quality for each food item. A hardcopy of these recipes shall be kept on file at the SFA.
- b. The FSMC must follow: (i) the 21-day menu cycle and food specifications developed by the SFA for the NSLP; (ii) the 21-day menu cycle and food specifications developed by the SFA for the SBP; (iii) the 21-day menu cycle and food specifications developed by the SFA for the After-school Snack Program; and (iv) the 21-day menu cycle and food specifications developed by the SFA for the Summer Program (reference: 7 CFR §210.16(b)(1)) or any other program operated on behalf of the SFA. The FSMC shall not request any modifications to the initial 21-day menu cycle and must serve exactly what is specified and as is specified by the SFA. The FSMC agrees to reimburse the SFA for any disallowances resulting from noncompliance with the initial 21-day menu cycle.
- c. The FSMC shall serve à la carte items that meet all state and federal SNP requirements. The FSMC shall provide documentation that demonstrates all non-program foods and meals, such as à la carte items, comply with all applicable SNP requirements.
- d. The FSMC must adhere to the initial 21-day cycle menu. After the 21-day cycle, the FSMC may change or vary the menus for any program with prior written approval from the SFA. The SFA shall approve the menus no later than two weeks prior to service (reference: 7 CFR §210.16 and 210.10). Any changes or variances requested by an FSMC for substitutions to the SFA menu of lower quality food items shall be justified and documented in writing by the FSMC. The FSMC must maintain documentation for substitutions and justification of lower quality food items for the records retention period that is applicable to food production records and shall make such documentation available to the SFA, TDA, and USDA for review upon request (reference: 7 CFR §§210.16(c)(1) and 210.23).
- e. The FSMC must submit an FFPV cycle menu based on the information contained in the 2004 Resource, [Fruits and Vegetables Galore: Helping Kids Eat More](#). (available from the FNS website, and as described in current guidance from USDA and TDA) if operated.

D. Purchases and Geographic Preference

1. Purchases

- a. Whether the SFA conducts its procurement or whether the FSMC procures products on behalf of the SFA, the FSMC may not require any additional liability coverage, regardless of dollar value, beyond that which the SFA would require under procurements not involving the FSMC.
- b. The FSMC must return the full value of USDA Foods to the SFA.
- c. The FSMC shall complete such purchasing activities in a manner that does not result in duplication of services or expenses in accordance with 2 CFR §200.318(d). The FSMC and the SFA shall ensure that no conflict of interest exists between the third-party purchasing agent, if any, and the SFA's contracted FSMC. The FSMC must not procure additional goods or services beyond what is stipulated in the Contract.
- d. The SFA shall ensure the FSMC shall comply with all applicable competitive bidding and open competition requirements for such purchases, as set forth in 2 CFR Part 200, including but not limited to 2 CFR §§200.318-200.327.
- e. The SFA and FSMC acknowledge that to the extent required by 7 CFR §250.17(e), 2 CFR Part 200, SP 38-2017, and SP 32-2019, the SFA must, to the maximum extent practicable, purchase only domestic food and food products for all SNPs that are produced and processed in the United States using over 51% domestic foods, by weight or volume. As required by the Buy American provision, all products must be of domestic origin as required by 7 CFR §210.21(d). A "domestic commodity or product" is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR §210.21(d). Exceptions to the Buy American provision should be used as a last resort; however, the SFA only may approve an alternative or exception - after the initial 21- day cycle menu in compliance with USDA regulations as reference in 48 CFR 25.104. Requests for exception must include the: a) Alternative substitute(s) that are domestic and meet the required specifications: i) Price of the domestic food alternative substitute(s), and ii) Availability of the alternative domestic substitute(s) in relation to the quantity ordered; and b) Reason for exception: limited/lack of availability or price (include price); iii) Price of the domestic food or food product; and iv) Price of the non-domestic food or food product that meets the required specification of the domestic food or food product.
- f. The FSMC must track all non-domestic foods purchased on behalf of the SFA and must maintain a tracking mechanism to comply with the limit, or cap, on the percent of total non-domestic commercial food costs established by USDA. The tracking mechanism must be made available to the SFA. An [optional tracker](#) has been provided by USDA. (Reference: 48 CFR§ 25.104;7 CFR §250.17(e); 2 CFR §200.322; SP 38-2017; SP 32-2019; SP23-2024, 7CFR §220.16(d) and 7 CFR §210.21(d).

2. Geographic Preference

To indicate a geographic preference, the SFA (MUST SELECT ONE):

- For the contract, does not require the FSMC to work with the SFA to establish a process for incorporating geographic preference in the procurement of unprocessed locally raised and locally grown agricultural products.

3. Fresh Fruit and Vegetable Program (if applicable)

- a. If applicable, the FSMC shall document and track all FFVP expenses separately and make this documentation easily accessible for the SFA or TDA review. Cost should be broken into two categories: (1) Operational Cost and (2) Administrative Cost.
 - i. Operational costs should cover the primary cost to run the FFVP to include the purchase of fruits and vegetables, including the cost of pre-cut produce and delivery charges; non- food items or supplies that are used in serving and cleaning; and salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables and in maintaining a sanitary environment.
 - ii. Administrative costs are used principally to support planning and managing the program. The SFA is required to strictly scrutinize all requests for reimbursement of FFVP costs, to ensure that those costs are: (i) allowable; (ii) actual costs; (iii) fully documented; (iv) utilized to purchase fresh fruits and vegetables in accordance with applicable law and regulations; and (v) do not request reimbursement for more than 10% for Administrative Costs. TDA will monitor the SFA and the FSMC to ensure strict compliance with this provision.

E. USDA Foods

1. The SFA shall retain title to all USDA Foods.
2. The USDA Foods in Schools program supports domestic nutrition programs and American agricultural producers through purchases of 100% American grown and produced foods for use by schools and institutions participating in the National School Lunch Program among other programs.
3. The SFA shall ensure that all federally donated foods received by the SFA and made available to the FSMC accrue only to the benefit of the SFA's nonprofit school food service and are fully utilized therein (reference: 7 CFR §210.16(a)(6)).
4. The SFA shall ensure USDA Foods or processed end products containing USDA Foods shall not be used for catering or special functions conducted outside of the nonprofit school food service operation.
5. The SFA shall assure that the maximum amount of USDA Foods is received and utilized by FSMC (reference: 7 CFR §210.9(b)(15)).
6. The SFA shall ensure the FSMC has credited the SFA for the value of all USDA Foods received for use in the SFA's meal service in each School Year, (including both entitlement and bonus foods) regardless of whether the USDA Foods have been used. The value of the USDA Foods received shall appear as a credit on the invoice for the month in which the donated food was received. This must include the value of USDA Foods contained in processed end products, in accordance with the contingencies in 7 CFR §250.51(a).
7. The SFA shall maintain final responsibility for management and oversight of the procurement for processing agreements, private storage facilities, or any other aspect of financial management relating to USDA Foods (reference: 7 CFR §§210.16 and 250.50(d)).
8. The FSMC will not itself enter into the processing agreement with the processor required in Subpart C of 7 CFR Part 250; 7 CFR §250.53(a)(8).
9. The FSMC will conduct all activities relating to USDA Foods for which it is responsible in accordance with 7 CFR Parts 250, 210, 220, 225, and 226, as applicable.
10. Crediting of USDA Foods (Direct Delivery, Processing, Department of Defense(DOD) Fresh Fruit and Vegetable program). FSMC shall credit SFA monthly for the value of USDA Foods using the following methods to determine the donated food values:
 - a. The value of USDA Foods contained in end products is the price of such foods as listed at the time of order on USDA's Average Price file for the applicable program year (reference: 7 CFR §§250.50(c) and 250.53(a)(3)).
 - b. All refunds received from processors shall be credited on invoices as separate line item entries submitted to the SFA's Nonprofit School Food Service Account (reference: 7 CFR §250.51(a-b)).
 - c. The value of USDA Foods received through the DOD Fresh Fruit and Vegetable program is the price of such foods as listed at the time of order in USDA's Fresh Fruit and Vegetable Order Receipt System (FFAVORS Catalog).
 - d. The value of USDA Foods received through Direct Delivery is the price of such foods as listed at the time of order on USDA's Average Price file for the applicable program year.
 - e. The method used to determine the donated food values may not be revised or negotiated. Such revisions would result in a material change and necessitate rebidding the contract.
11. The FSMC must accept and use all USDA donated ground beef and ground pork products, and all processed end products in the SFA's Food Service Program, and must use all other donated foods, or commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the donated foods, in the SFA's food service (unless the contract specifically stipulates that the donated foods, and not such commercial substitutes, be used).
12. Upon termination of the Contract, or if the Contract is not extended or renewed
 - a. FSMC must return all unused donated ground beef, pork, and processed end products to SFA (reference: 7 CFR §§250.51(d), 250.52(c) and 250.53(a)(5)).
 - b. Upon termination of the Contract, the FSMC must, at SFA's discretion, return other unused USDA Foods to the SFA. The value of other unused USDA Foods shall be based on the market value of all USDA Foods received for use in the SFA's food service. The market value shall be provided to the SFA by TDA (reference: 7 CFR §250.51(a)). The average material prices are listed by school year and used by processors participating in the USDA Foods processing program. The file provides the value of the material and is used on their Summary End Product Data Schedules.
13. The FSMC further agrees to accept and use all other USDA Foods in SFA's food service. The FSMC may or may not use (substitute) commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the USDA Foods, in SFA's Food Service Program (reference: 7 CFR §250.53(a)(6)).
 - a. The SFA shall consult with the FSMC in the selection of USDA Foods; however, the final determination as to the acceptance of USDA Foods must be made by the SFA.
 - b. At the end of the year, the FSMC shall reconcile the value of USDA Foods received against credits provided on monthly invoices. The contractor shall provide final credit of any balance due to the SFA. The total credit given for USDA Foods in each year must equal the USDA Foods, including bonus foods, received to the SFA. The credits must also encompass any transfers from other SFA and/or the state agency accepted in excess of directly received USDA Foods.
14. The FSMC shall have records maintained and available to substantiate the receipt, use, storage, and inventory of USDA Foods. The FSMC must submit to the SFA monthly inventory reports showing all transactions for processed and non-processed USDA Foods. Failure by the FSMC to maintain records as required by 7 CFR §250.16 shall be considered prima facie evidence of improper distribution or loss of USDA Foods and the FSMC shall be subject to the provisions of 7 CFR §250.13(e). The FSMC shall accept liability for any negligence on its part that results in any loss of, improper use of, or damage to USDA Foods.
15. If the FSMC acts as an intermediary between a processor and the SFA, the FSMC shall credit the SFA for the value of USDA Foods contained in the processed end products at the USDA processing agreement value, unless the processor is providing such credit directly to the SFA. The FSMC will issue all such credit in full prior to the expiration of each Contract Term. Any extensions or renewals of the contract, if applicable, are contingent upon the fulfillment of all contract provisions related to USDA foods.
16. The FSMC will comply with 7 CFR §§250.14(b), 250.52, and 250.53(a)(9) concerning storage and inventory management of USDA Foods. Failure by the FSMC to maintain the required records under the Contract shall be considered prima facie evidence of improper distribution or loss of USDA Foods.
17. The FSMC will comply, as applicable, with 7 CFR §§250.51 and 250.52 concerning payment of processing fees or submittal of refund requests to a processor on behalf of the SFA, or remittance of refunds for the value of foods processed in products to the SFA, in accordance with requirements in 7 CFR Part 250 Subpart C.
18. The FSMC shall allow the SFA and/or any state or federal representative or auditor, including USDA or their duly authorized representatives, to perform onsite reviews of the FSMC's food service operation, including the review of records, to ensure compliance with requirements for the management and use of USDA Foods (reference: 7 CFR §250.53(a)(10)).
19. The FSMC shall maintain records to document its compliance with requirements relating to USDA Foods in accordance with 7 CFR §§250.54(b) and 250.53(a)(11).
20. The FSMC acknowledges that the renewal of the Contract is contingent upon the fulfillment of all contract provisions herein relating to USDA Foods (reference: 7 CFR §250.53(a)(12)).

F. Employees

1. The FSMC shall provide and pay a staff of qualified, trained management (and operational) employees assigned to duty on the SFA's premises for the efficient operation of the Programs.
2. The SFA must designate if current SFA employees, including site and area managers as well as any other staff, will be retained by the SFA or the FSMC.

Employees shall be retained by: (check only one)

- Both SFA and FSMC ([See Exhibit C, Chart 2](#), and [Exhibit E](#))

3. Each position engaged in or required for operating the Program(s) shall be identified, including whether the position is SFA or FSMC personnel, in Chart 2 of Exhibit C, which is attached to this RFP and fully incorporated herein.
4. If the FSMC is required to retain labor for the operations, each position that will be transitioned from the SFA to the FSMC shall be identified by the SFA in Exhibit C, Chart 2 and Exhibit E Part 1, which are attached to this RFP and fully incorporated herein. The FSMC shall include the methodology or details regarding how labor will be transitioned to the FSMC in Exhibit E Part 2. Such items shall include salary, benefits, withholding requirements, and expected date of transition (or contract year).
5. For any employee positions that will be hired by the FSMC, the SFA shall provide in Exhibit E a list of each FSMC food service position and the minimum qualifications acceptable to the SFA for each position. The SFA shall have final approval regarding the hiring of the following positions assigned to the Food Service Program. List positions or N/A:

FSMC MANAGER Chef

6. Any food service position not identified in the above-stated exhibits shall be an employee of the SFA. Such employees shall be supervised on the SFA's behalf by the FSMC management employees; provided, however, that the SFA shall retain the exclusive right to control the terms and conditions of the employment of such supervisory and non-supervisory employees, including, but not limited to, control over their hiring, firing, promotion, discipline, levels of compensation and work duties.
7. If a transition occurs, the FSMC shall give first consideration to current employees of the SFA or incumbent contractor when hiring employees to provide services pursuant to the Contract, but the FSMC shall not be obligated to hire such employees. The SFA shall not pay the cost of transferring the SFA employees to the FSMC payroll.
8. The FSMC shall provide Workers' Compensation coverage for its employees, as required by law.
9. The FSMC shall instruct its employees to abide by the policies, rules, and regulations with respect to the use of the SFA's premises as established by the SFA and which are furnished in writing to the FSMC.
10. The FSMC shall maintain its personnel and fringe benefits policies for its employees, subject to review by the SFA.
11. The FSMC shall assign to duty on the SFA's premises only employees acceptable to the SFA.
12. Staffing patterns, except for the Food Service Director, shall be mutually agreed upon.
13. The FSMC will remove any employee who violates health requirements or conducts himself or herself in a manner that is detrimental to the well-being of the students, provided such a request is not in violation of any federal, state, or local employment laws. In the event of the removal or suspension of any such employee, the FSMC shall immediately restructure the food service staff to avoid disruption of service.
14. All SFA and FSMC personnel assigned to the food service operation in each school shall be instructed in the use of all emergency valves, switches, and fire and safety devices in the kitchen and cafeteria areas.
15. The FSMC shall not blacklist or require a letter of relinquishment or publish or cause to be published or blacklisted any employee of the FSMC or the SFA discharged from or voluntarily leaving the service of the FSMC or the SFA with the intent of and for the purpose of preventing such employee from engaging in or securing similar or other employment from any other corporation, company, or individual.
16. Both the SFA and the FSMC shall ensure that their employees adhere to the professional standards and continuing education training requirements as required by federal regulations, codified at 7 CFR §210.30, throughout the initial term and all renewals of the Contract. SFAs that operate the National School Lunch Program, or the School Breakfast Program must establish and implement professional standards for SNP directors, managers, and staff, as defined in 7 CFR §210.2. Both the SFA and the FSMC shall establish and implement the foregoing standards and requirements under the Contract. Under this provision, the FSMCs must provide technical training to staff outside of TDA training.

G. Use of Facilities, Inventory, Equipment, Storage, and Utilities

1. The SFA will make available, without any cost or charge to the FSMC, area(s) of the premises in which the FSMC shall render its services. The SFA shall always have full access to the food service facilities and for any reason, including inspection and audit.
2. At the commencement, termination, or expiration of the Contract, the FSMC and the SFA shall take a physical inventory of all non-expendable supplies and capital equipment owned by the SFA, including, but not limited to, silverware, trays, chinaware, glassware, and kitchen utensils and all furniture, fixtures, and dining room equipment utilized in the SFA's Food Service Program. The FSMC and the SFA shall mutually agree on the usability of such supplies and equipment and, at the expiration or termination of the Contract, the FSMC shall surrender to the SFA all non-expendable supplies and capital equipment in the condition in which it was received except for ordinary wear and tear, damage by the elements and except to the extent that said premises or equipment may have been lost or damaged by vandalism, fire, flood or other acts of God, or theft by persons other than employees of the FSMC except through the negligence of the FSMC or its employees, or for any other reason beyond the control of the FSMC. The FSMC and the SFA will sign a summary of the beginning inventory at the commencement and the expiration or termination of the Contract and keep a copy of each on file with the Contract.
3. At the commencement and the expiration or termination of the Contract, the FSMC and the SFA shall jointly undertake a beginning and closing inventory of all food and supplies. USDA Foods shall also be inventoried by a separate inventory. The FSMC and the SFA shall determine whether any portion of the beginning inventory is not suitable for the SFA's continued use. Such inventory, when completed, shall become a part of the Contract by incorporation. The FSMC shall be responsible for accounting for any difference between the beginning inventory and the ending inventory and shall compensate SFA for any shortfall in inventory not arising from (1) normal wear and tear; or (2) theft, fire, or other casualty loss beyond the control of FSMC and not arising from the negligence of FSMC or its agents. The value of the inventories, except for USDA Foods inventories, shall be determined by invoice cost. The value of USDA Foods inventories shall be the market value, which is the value in USDA's Electronic Commodity Ordering System (ECOS) at the time the USDA Foods are received by SFA. Upon termination of the contract, the FSMC cannot remove any USDA Foods from the SFA.
4. During the Contract, title to all the SFA food and supplies shall remain with the SFA.
5. The FSMC shall maintain the inventory of silverware, chinaware, kitchen utensils, and other operating items necessary for the food service operation and at the inventory level as specified by the SFA.
6. The SFA will replace expendable equipment and replace, repair, and maintain nonexpendable equipment except when damages result from the use of less than reasonable care by the employees of the FSMC.
7. The FSMC shall maintain adequate storage procedures, inventory, and control of USDA Foods in conformance with the SFA's agreement with TDA.
8. The FSMC shall provide the SFA with keys for all food service areas secured with locks.
