For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 ([20 U.S.C. §1681 et seq.](#)), the Title IX Coordinator or designee shall consider whether action under Board policy 2:265, *Title IX Grievance Procedure*, should be initiated.

For any report or complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall investigate under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*.

For any other alleged student harassment that does not require action under Board policies 2:265, *Title IX Grievance Procedure*, or 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under Board policies 2:260, *Uniform Grievance Procedure*, and/or 7:190, *Student Behavior*, should be initiated, regardless of whether a written report or complaint is filed.

Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in [720 ILCS 5/11-9.1A\(b\)](#), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to policy 5:90, *Abused and Neglected Child Reporting*. In addition to reporting the suspected abuse, the complaint shall also be processed under policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, or policy 2:260, *Uniform Grievance Procedure*.

Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action up to and including discharge. Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action, including but not limited

to, suspension and expulsion consistent with the behavior policy. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to disciplinary action.

Retaliation Prohibited

Retaliation against any person for bringing complaints or providing information about harassment is prohibited (see Board policies 2:260, *Uniform Grievance Procedure*, 2:265, *Title IX Grievance Procedure*, and 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*).

Students should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Principal's Report

August 2026

Starting off a new year!

We had a great turn out at our open house and student orientation events.

The first day with teachers was productive. We met with various grade levels throughout the day, teachers had time to work in their classrooms, and we ended the day with a building wide staff meeting.

The first week of student attendance seemed to go well. During the first week, staff are very intentional and consistent about establishing procedures and routines. Along with classroom routines, we have been practicing The Royal Way and talking about what it means to practice The Royal Way Every Day. *Be Safe. Be Respectful. Be Responsible.* These expectations are more than just school rules—they are representative of our school's vision and the way we want our students to approach each day.

We held an assembly for junior high students the first day of school and discussed being proud members of our school and community, holding ourselves to high expectations, and making choices that represent what it means to be a Royal. On Wednesday, Mr. Quigley met with the junior high students in their PE classes and shared a positive rewards initiative for our junior high students, similar to SWAG that was implemented in the past. We received consistent feedback from junior high teachers that they would like to see the return of a positive reward system for their students.

The first couple of days everyone is adapting to getting into the routine of school again but by day three and four of student attendance, things were running much smoother. Mr. Quigley and I are dedicated to being present and visible in the hallways during times of transition for students as well as before and after school.

The hot weather put quite a damper on athletics and recess the first week of school, we are all looking forward to some cooler temperatures.

Mrs. Seidel will be facilitating the Newcomers Club again this school year for all students who are new to RBES. Our new staff members seem to be adapting well. I greatly appreciate the staff supporting the implementation and practicing of The Royal Way. Student and Staff Recognitions will resume next month!

Principal's Board Report: August 2026

Return to School

Our orientation and open house for new students and their families was held on the evening of Thursday, August 6th. We had a 90% attendance rate for the 110 incoming freshman families. Thank you to Ms. Campbell, Mr. Guebert and Student Council for organizing the event. Students open the year with grade-level advisory meetings to set the standard and expectation for the start of a successful school year. RBHS enrollment for the 2026-27 school year is 395, with on-campus daily attendance of 371.

Extracurricular Activities

All RBHS students participate in an “activity fair” upon their return to school. During this time, athletic teams, clubs, and other extracurricular organizations are on display for students to browse and join activities of their interest. All students are strongly encouraged to find at least one activity to participate in. Our own in-house data show that students participating in at least one extracurricular are half as likely to earn a D or F in a class as their peers to participate in zero activities.

The fall sports season is officially underway. Season opening dates for our teams are:

Boys Golf – August 13
Girls Golf – August 15
Cross Country – August 24
Volleyball – August 24
Football & Cheer – August 21
