2. **SUPERINTENDENT'S REPORT**
While we do not have students in our buildings and the majority of our staff is enjoying summer break, a great deal continues to happen throughout the South Eastern School District.

Our custodial staff is hard at work deep cleaning each of our buildings, while numerous maintenance and improvement projects are underway to ensure our facilities are ready for the new school year.

For our families, we look forward to welcoming students back on Thursday, August 20th. For

our employees, the school year begins a few days earlier, with our opening day on Monday, August 17th, at Kennard-Dale High School.

In closing, I would like to recognize the outstanding Physical Education teachers across the South Eastern School District. This year, they collectively raised $16,424.09 for the American Heart Association through the Kids Heart Challenge and American Heart Challenge programs. I would like to offer a special congratulations to Grant Myers, Physical Education teacher at Delta-Peach Bottom Elementary School, who individually raised $5,093.38 through the Kids Heart Challenge. Even more impressive is the long-term impact of this partnership. Throughout the years, the South Eastern School District's Physical Education teachers have raised more than $368,180 to support the American Heart Association. Their commitment not only benefits an outstanding organization but also teaches our students the importance of service, generosity, and healthy living.

Thank you to all of our Physical Education teachers for representing South Eastern so well. Great job, SESD!

1. PRESENTATIONS

There were no presentations.

2. CURRICULUM AND INSTRUCTION

There were no items for discussion related to Curriculum and Instruction.

3. BUSINESS AND FINANCE

The first two items are related to out-of-district special education placements. We recommend the approval of the annual tuition agreements, which reflect the updated tuition rates for the upcoming school year.

3.A. Pyramid Healthcare Agreement - Soaring Heights School
Recommend approval of agreement with Pyramid Healthcare, Inc. t/d/b/a Soaring Heights School to provide educational services for special education students when requested by the South Eastern School District for $357.00 per day plus an addendum of $153.00 per day for paraprofessional support services, if needed, effective June 1, 2026 - July 31, 2027.

The agreement with Soaring Heights School for one student at $357.00 per day, along with an addendum for one-to-one paraprofessional support at a daily rate of $153.00.

3.B. High Roads School Agreement
Recommend approval of the agreement with Specialized Education of Pennsylvania, Inc. for High Road School of East York and High Road School of Southern York for four guaranteed slots at $80,640 per slot plus four aides at $42,300 per aide, totaling $491,760.00 for the 2026-2027 school year.

The agreement with High Road School is for four students at $80,640.00 each, plus aides at $42,300.00 each, totaling $491,760.00.

In reviewing the original contract, we asked High Road School to add language regarding the completion and documentation time needed for ACCESS reimbursement for the aides. They agreed and added the language to the final agreement.

3.C. Heartland Payment Systems
Recommend approval of the proposal provided by Heartland School Solutions for the food service POS system subscription, totaling $5,457.00 for the 2026-2027 school year. The proposal includes a one-time district migration cost of $3,897.00 to transition from Nutrikids to their updated Mosaic POS system. This includes the data migration and three days of training.

Heartland Payments Systems, is an annual agreement for the cafeteria point-of-sale system subscription. Currently, the district uses NutriKids system; however, this proposal includes an updated system that they also offer called Mosiac.

Ms. Pritchett reported that a team, including the food service, business office, and technology staff, met several times to evaluate the current system and two new platforms, including Mosaic. The process included outlining the current issues, participating in new software demonstrations, evaluating all options, and surveying other local school districts.

Parents will see no change as this system also uses MySchoolBucks as the online payment processing platform. As for the benefits to the school district, Mosaic is a cloud-based program that also supports offline mode, enabling transactions to be processed without a network connection. The district will no longer be responsible for maintaining the software on its server or for the software upgrades. The software offers the ability to send emails, improved capabilities for obtaining historical information, enhanced cashier features, and additional and enhanced reporting capabilities.

3.D. Red Lion Bible Transportation Agreement
Recommend approval of the agreement with Red Lion Bible Church and Christian School for transportation cost of $282.20/day (includes fuel) for 175 days, totaling $49,385.00 for the 2026-2027 school year to transport South Eastern School District students as required by law.

The agreement with Red Lion Bible Church and Christian School to transport their own students; otherwise, the district would be required by law to transport the students through one of its transportation providers at a higher cost.

4. BUILDINGS AND GROUNDS

4.A. Phase V Update

Project Status Updates

KDHS Glass Hallway

- Currently 80% complete at time of report.
- Glass installation expected to be completed by 7/31.

4.B. KD Auditorium Project Transfer

Recommend approval to transfer the total cost of the Set in Stone by Krone proposal, $42,000.00, from the Capital Reserve Fund to the General Fund for the rework and epoxy flooring of three(3) sections of the Kennard-Dale High School Auditorium. Transferring the proposal to the General Fund ensures all related expenditures are accounted for within the same fund, providing clear and accurate tracking of project costs.

4.C. SEMS and SEIS Door Hardware - Safety and Security
Recommend approval of the Set In Stone by Krone proposal for safety and security door and hardware upgrades to the South Eastern Middle School and South Eastern Intermediate School, totaling $34,600.00, utilizing NCPA contract number 02-139.

The board revisited a discussion originally held in May regarding the absence of panic hardware and door closures at the South Eastern Middle School (SEMS) and at South Eastern Intermediate School (SEIS). Earlier proposals received in May came in significantly higher. A revised proposal has since been obtained at a more favorable cost.

6.A. Employee Handbooks

Teacher Handbook 2026-2027

Support Staff Handbook 2026-2027

Dr. Anderson presented updates to the teacher and support staff handbooks. He began by officially welcoming Dr. Teri Key as the district's new Director of Curriculum and Instruction, who joined the district on July 1st.

Dr. Anderson noted that the primary change to both handbooks was a formatting update to align them with the student and parent handbooks, creating a consistent format across all district handbooks for easier navigation.

The following content changes were made:

- Support Staff Handbook: The only substantive change was an update to the camera surveillance section. Camera surveillance remains in place in the Head Start program at Delta. The reference to the pre-K classroom at Fawn was removed because Community Progress closed it due to enrollment.
- Teacher Handbook: The same camera surveillance update was made. Additionally, grading guidelines (pages 7-8) were added, consistent with language previously presented to the board. These guidelines were developed in collaboration with the association, and no language was changed from the version presented at the prior month's meeting.

6.B. Clean and Green Application Update
It is reported that the County of York Assessment Office received and accepted the Clean and Green applications for parcel identification numbers 61000AN00460000000 and 28000AN00230000000. A physical inspection of the properties will be conducted next, followed by a determination of eligibility for the Clean & Green program for the tax year 2027. The district was billed $6,735.84 (face amount) in school district taxes and $2,806.68 (face amount) in county and municipality taxes for the 2026 tax year.

Ms. Pritchett provided an update on the district's Clean and Green applications for two parcels of land that are currently taxable because the district receives rental revenue from their use for farming.

Key updates

- Both applications were received and accepted by the York County Assessment Office. The district is now awaiting a physical inspection to verify the land is being used as stated.
- Following inspection, the Assessment Office will issue a final notice of approval or denial. If approved, the reduced assessment would take effect January 1st.
- Ms. Pritchett clarified that a significant portion of the current tax burden represents the school district effectively paying itself, as tax bills are generated and paid back to the district. The primary financial benefit of the Clean and Green designation is the reduction in county and municipality taxes, which represent the dollars actually leaving the district.
- The district received notice of the taxable status in the spring and submitted the application within the required timeframe.

6.C. LIU Joint Authority Capital Project

It is recommended that the Lincoln Intermediate Unit Joint Authority Capital Project for York Learning Center be approved.

The board reviewed a resolution from the Lincoln Intermediate Unit (LIU) Joint Authority to approve a financing structure for renovations and improvements to the York Learning Center (formerly Central High School), owned by the LIU Joint Authority. This item was previously discussed at the February meeting.

Project Overview

- The IU is seeking a bond of up to $50 million to renovate the York Learning Center.
- Administration noted that an internal evaluation placed a comprehensive renovation at approximately $35 million, and expressed a desire to continue pushing on the final project scope and cost before work begins.
- The project is currently estimated to take two to three years to complete, though district administration believes it could potentially be completed in two summers if managed similarly to district capital projects.

Payment Structure

- The district currently pays $68,000 per year for its share of the York Learning Center.
- Under the proposed bond structure, each member district would pay $100,000 per year for approximately 22-25 years, plus $7,200 per student attending the York Learning Center annually.
- Based on the district's current enrollment of approximately six students at York Learning Center, the estimated annual cost would be approximately $143,200, an increase of roughly $80,000 per year over the current payment.
- Administration noted that this per-pupil structure is equitable, as districts with higher enrollment at the facility will bear a proportionally greater share of the cost.

Board Discussion

- Board members and administration expressed general support for the bond structure while raising questions about the overall project cost, property value relative to investment, and long-term enrollment trends at the facility.
- Concern was raised that if districts continue to bring specialized programs in-house, enrollment at York Learning Center could decline, raising questions about the return on a $50 million investment in a building with limited resale value.

- Administration noted that the facility serves critical programs, including York Academy (YA), and that the district cannot replicate those services in-house at a comparable cost.
- Mr. Hobbs was identified as the district's representative voice at authority meetings, with the superintendent serving as the district's voice at superintendent-level discussions. Both will advocate for reducing the project scope to approximately $35 million.
- The possibility of lending district construction expertise to assist the authority with the project was discussed and noted as something to be worked out.

7. PUBLIC COMMENT

There were no public comments.

The meeting was adjourned at 6:36 PM.

1. PRESENTATIONS

Dr. Anderson and Mr. Mulder - District Communication Plan for Vaping Sensors

Overview and Purpose

Dr. Anderson opened the presentation by outlining the district's commitment to creating safe, healthy school communities where students feel comfortable and are able to learn and succeed. He noted that vaping in school buildings affects not only the physical health of students who vape but also creates barriers for the entire student body. Specifically, many students have reported apprehension about using school restrooms due to vaping activity, impacting all students regardless of their own behavior.

Dr. Anderson also noted that the administration is currently drafting a revision to the consequence continuum that places greater emphasis on education while maintaining clear consequences for students who vape. Students and families will be informed that actions carry consequences, and those consequences will be clearly communicated.

Vape Detector Installation
The district has installed 27 vape detectors across the middle school and high school. Detectors are located in all gang bathrooms at both buildings as well as nurses' bathrooms. This follows a successful pilot program using a single sensor, which confirmed the technology's effectiveness. Signage will be posted at each monitored restroom and at all building entrances notifying students, staff, and visitors that vape detection is in use.

Communication Plan
Dr. Anderson and Mr. Mulder presented the following communication timeline:

- **Monday, August 17:** Dr. Anderson will send a district-wide letter to all K-12 families announcing the installation of vape detectors. Signage will be posted prior to the professional development day. Administrators will brief faculty and staff on the sensors.
- **Tuesday, August 18:** Dr. Brindle and Mr. Bryant will send building-specific communications to families of students at Kennard-Dale and SEMS. Information will also be posted on school and district websites and social media platforms.
- **Thursday, August 20 (First Student Day):** Mr. Bryant and staff at SEMS will share vape sensor information with students in small group meetings.
- **Friday, August 21:** Kennard-Dale will present vape sensor information to students at grade-level meetings.
- **Week of August 24 (First Full Week of School):** Kennard-Dale will incorporate vape sensor information into Dr. Brindle's KDHS student RAM review. The KD administrative team will also deliver morning announcements with specific information about vape sensors and bathroom use expectations.
- **Throughout the School Year:** Reminders will be provided on an as-needed basis.

Board Discussion
Mr. Hobbs emphasized the importance of keeping the student-facing message clear and direct: students who vape will be detected and face consequences. Dr. Anderson affirmed this, noting that the educational component remains important but that the deterrent message must land clearly. He also acknowledged that September is expected to be a high-volume month for detections as the expanded system goes live, and that word will spread quickly among students.

Dr. Anderson highlighted that the district is not relying solely on technology. Teachers and administrators continue to maintain duties outside bathrooms during high-traffic times, providing an additional layer of supervision.

Mrs. Markel asked how vape detections will be handled during extracurricular activities and community events, such as athletic contests. Dr. Anderson noted that for events, individuals found vaping would be removed from campus and repeat violations could result in being barred from district property. Signage is also being posted on exterior gym doors, notifying all visitors that the facility is monitored.

Dr. Anderson also noted that the district is developing additional campus signage that will clearly communicate property rules, including prohibitions on vaping, smoking, alcohol, and drugs. This signage will strengthen the district's and the School Resource Officer's ability to enforce those rules with all individuals on campus, including community members.

2. CURRICULUM AND INSTRUCTION

2.A. Assessment Calendar for 26-27
It is recommended to approve the district assessment calendar for grades K-12 for the 2026-2027 school year.

SESD District Assessment Calendar

Dr. Anderson presented the annual district assessment calendar, which outlines the scheduled dates for both state and internal assessments. The calendar was shared for board review.

2.B. Professional Development Calendar for 26-27
It is recommended to approve the district professional development calendar for the 2026-2027 school year.

SESD Professional Development Calendar

Dr. Anderson presented the professional development calendar, noting that January 15th remains tentative, highlighted in yellow pending confirmation. The anticipated event for that date is a teacher-led tech camp organized by Brook Gates, Instructional Technology Specialist. Staff members would be compensated to develop and facilitate sessions, with teachers selecting sessions based on interest. Finalization depends on securing sufficient staff to run the sessions.

2.C. AI Professional Development (August 18) - LIU Statement of Work
It is recommended to approve the LIU Statement of Work contract for providing AI professional development to all SESD professional staff on August 18, 2026 for a cost of $6,000.

AI Professional Development (August 18) - LIU Statement of Work

Dr. Anderson highlighted August 18th as a full-day professional development focused on artificial intelligence, facilitated by four presenters from the LIU. The day will cover the evolution of technology in education, the legal and ethical considerations of AI, and practical applications for staff in their professional work. All professional staff, administrators, and central office personnel will participate. The session will begin with a district-wide overview in the Kennard-Dale auditorium, followed by four breakout sessions by building level.

Dr. Anderson also presented a classroom AI framework developed by a staff and administration committee, using a stoplight model to guide student AI use: red indicates no AI permitted, yellow indicates teacher-defined parameters, and green indicates open use. The framework will be introduced to staff on August 18th. The district has not adopted a preferred AI platform at this time and will utilize existing tools, including Gemini and Notebook LM. The contract for the August 18th professional development came in at $6,000, within budget. The board indicated support for moving forward.

Mr. McShane raised the issue of screen time and its documented impact on student learning, asking how the district is balancing technology integration with those concerns. Dr. Anderson acknowledged the need for further discussion, noting that the stoplight system serves as a starting point for guiding appropriate and intentional technology use in the classroom.

3. BUSINESS AND FINANCE

3.A. LIU 12 Sole Source Provider
Recommend approval of Lincoln Intermediate Unit 12 for 2026-2027 as a sole source provider for which federal Individuals with Disability Education Act (IDEA) grant funds, which are spent through a consortium/shared approach to participate in a cooperative effort and/or pooling of resources to provide/secure services that meet the need and where the actual cost of services

are shared/allocated across members/participants.

This is an annual agreement that allows the district to use IDEA federal funds to pay for special education services provided by the LIU to our district students. Approval of this form is required to remain in compliance with the Uniform Grants Guidance (UGG), which governs how federal program funds may be spent. Without this approval, the district would be unable to use IDEA funds for these services, shifting those costs entirely to the district's general fund.

3.B. Director of Transportation Authorization
Recommend approval of the Director of Transportation to authorize drivers who have provided all required documentation to transport students prior to board approval, who will be reported on the next voting meeting for ratification for the 2026-2027 school year.

3.C. SchoolAI Proposal
Recommend approval of the proposal provided by SchoolAI Inc. for SchoolAI classroom subscriptions at Stewartstown Elementary School from July 1, 2026 to June 30, 2027, for $2,400.00.

3.D. Western PA School for the Deaf Transportation Agreement
Recommend approval of the annual Western PA School for the Deaf Transportation Agreement to provide transportation from Camp Hill, PA to Pittsburgh, PA for the 2026-2027 school year, for $9,000.00.

This agreement provides weekly transportation for a district student from Camp Hill to Pittsburgh and back, and is a renewal of an existing arrangement. At $9,000.00, this agreement represents savings of more than $15,000.00 compared to reimbursing the family for transportation.

3.E. Community Progress Council Meal Service
Recommend approval of the agreement to provide meal service to Community Progress Council for the Head Start program at Delta-Peach Bottom Elementary for the 2026-2027 school year.

Under this agreement, the district provides meal service to Head Start students and invoices the Community Progress Council accordingly. In return, Head Start students can participate in the National School Lunch Program, allowing the Community Progress Council to receive federal and state reimbursement for those meals.

New Business

A. Executive Committee Vacancy- First Vice President

Shelly Hobbs resigned from her position with Upper Adams School District, creating a vacancy for First Vice President position with YATB. Corina Mann, currently serving as Second Vice President, was recommended by the Executive and the Finance Committees to assume the First Vice President position. SOUTH EASTERN SCHOOL DISTRICT
NON-COMPETITIVE METHOD (SOLE SOURCE) JUSTIFICATION FORM
IDEA GRANT

The U.S. Office of Management and Budget ("OMB") Uniform Grants Guidance ("UGG") provides rules that apply when non-federal agencies (such as school districts) use federal funds to make purchases.

Under the UGG, for procurement amounts above OMB's "micro-purchase" threshold (currently $15,000), competitive methods of procurement are required unless (a) one of four "sole source" exceptions applies, and (b) there is no state or school district prohibition to sole source procurement.

This Non-Competitive Method (Sole Source) Justification Form has been developed as a tool for the school district, to help ensure that any sole source procurement by the school district complies with the UGG.

The school district's business manager must approve this completed Form before a sole source purchase may occur that involves federal funds. The Pennsylvania Department of Education has stressed that under the UGG, the suitability of sole source procurement must be evaluated on a case-by-case basis, and the cost of any sole source procurement must be documented to be reasonable.

There are Four Steps identified below to be completed as part of this Form.

STEP 1: CONFIRM THAT PENNSYLVANIA PUBLIC SCHOOL CODE SECTION 807.1 ("Purchase of supplies"), PENNSYLVANIA PUBLIC SCHOOL CODE SECTION 751 ("Work to be done on contracts let on bids") AND INTERMEDIATE UNIT POLICY DO NOT PROHIBIT THIS SOLE SOURCE PROCUREMENT.

☒ Confirming there is no Pennsylvania or Board Policy prohibition to this sole source procurement.

STEP 2: IDENTIFY WHY THE SOLE SOURCE METHOD IS JUSTIFIED.
(Please review the four reasons below and mark all that apply.)

☐ **REASON 1. The item is available only from a single source for one or more of the following reasons (check all that apply under Reason 1):**

☐ **Exclusive Rights**
Item or service under patent, copyright, or exclusive territory held by a single vendor.

☐ **Provision of Free Appropriate Public Education (FAPE)**
Service provides the expertise, skills, environment, and or location required to ensure the delivery of FAPE.

☐ **Proximity of Service Site**
Service is provided at only one site that is within a reasonable distance.

☒ **Consortia/Shared Services Approach**
Services are provided through a consortium/shared services approach with the objective of participating in a cooperative effort and/or a pooling of resources to provide/secure services that

meet the need and where the actual cost of services are shared/allocated across members/participants. *(CFR §200.318 (e) To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the Federal Government, the non-Federal entity is encouraged to enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services.)*

☐ **Bundled Services**

Service is appropriate or necessary to bundle and only one vendor is capable of providing all requested services. *(Refer to "Updated PDE Guidance Concerning Use of Intergovernmental Agreements in Procurements Involving Federal Funds, Effective July 1, 2017" memo emailed on March 31, 2017.)*

☐ **Exclusive Design**

Item or service possesses a unique feature or capability critical in the use of the item or service and is not available from any other sources.

☐ **Unique Expertise**

Individual or firm possesses necessary and/or provides necessary unique knowledge and expertise based on education, training, research and/or a published body of knowledge, i.e., the individual or firm is of national prominence and/or a thought leader in the particular subject area.

☐ **Exclusive Intellectual Property**

Individual or firm possesses copyright, trademark, patent, design rights and/or provides unique capabilities or body of knowledge critical to the provision of the services required.

☐ **Replacement Equipment**

The purchase is for equipment associated with the use of existing equipment where compatibility is essential for integrity of results.

☐ **Replacement Accessories**

The purchase is for accessories sought for enhancement of existing equipment where compatibility with equipment from the original manufacturer is paramount.

☐ **Technical Service**

The purchase is for technical services associated with the assembly, installation or servicing of equipment of a highly technical or specialized nature.

☐ **Continuation of Prior Work**

Additional item, service or work required, but not known to have been needed when the original order was placed and is not feasible or practical to contract separately for the additional need.

☐ **Delivery Date**

Only one supplier can meet the necessary delivery requirements.

☐ **Other Reason That Item is Available Only from a Single Source**

Explain: _____; or

☐ **REASON 2. The public agency exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation. An emergency exists whenever the time required for the Board to act in accordance with regular procedures would endanger life or property or threaten continuance of existing school classes; or**

☐ **REASON 3. The federal agency (or pass-through entity) awarding the federal funds has expressly authorized sole source procurement in response to a written request from the BCIU; or**

☐ **REASON 4. After solicitation of a number of sources, the BCIU determines that competition for the procurement is inadequate.** Please document all sources contacted.

5.2 Licensee may not copy (including physically copy, scan and/or upload) any materials provided by Concord Theatricals under this Agreement, including but not limited to the Rental Materials, script/libretto, and/or the Approved Production Script. Auditions, rehearsals, and/or performances may not be recorded, streamed, broadcast or posted at any time, in any manner or for any purpose. These restrictions apply to both audio-only and audio-visual recordings, broadcasts and postings. Except as otherwise set forth in any rider hereto, in no event may any audio or audio-visual recordings of readings, rehearsals or performances of the Property be posted to the internet or distributed through any digital means, including by way of streaming, downloading or copying, including without limitation, in video or audio recordings posted to YouTube, Facebook or any similar or other social networking site, or posted to the website of the theater or any personal or public website of whatsoever kind. 5.6 Licenses are available only for complete performances of the Property. Performances of various scenes and/or songs apart from the Property in its entirety (e.g., in connection with recitals, contests, festivals, etc., or for promotional purposes) require special permission, which must be submitted in writing in advance of any such performances. Unless permission is granted in writing by Concord Theatricals, no such performances may take place.

5.7 Licensee will present the Property using the Rental Materials and, if applicable, the Approved Production Script (as defined in Section 5.17 below). No abridgement or enlargement of the Property, no changes in music, lyrics, dialogue, period, setting, characters (including their gender), and/or characterizations in the Property, and no changes in running time, placement of intermission, number or order of scenes, etc., may be made without prior written permission from Concord Theatricals. 5.13 Licensee is solely responsible for obtaining formal written permission from third-party copyright owners to use copyrighted music, images, brands, or other material in Licensee's production of the Property and is strongly cautioned to do so. If no such permission is obtained by Licensee, then Licensee must use only original music and other materials that Licensee owns and controls. Licensee is solely responsible and liable for all third-party clearances (including without limitation music clearances). To the extent permitted by law, and without waiving Licensee's preexisting state sovereign immunity, Licensee shall pay any award made by a court of competent jurisdiction in connection with any claim arising from the use of music and other third-party material by Licensee. Note: pre-recorded accompaniment is not available for all titles and may not be available for use by all licensee types. Please contact your Licensing Representative to discuss.

5.15 In the event that the program for Licensee's production of the Property includes advertising, Licensee agrees to reserve program space no smaller than one-half (1/2) page for Concord Theatricals. Concord Theatricals shall notify Licensee in writing no later than thirty (30) days before the first performance hereunder if Concord Theatricals elects to use such program space, and shall provide Licensee with applicable files at the time of such notification. If Concord Theatricals does not provide Licensee with timely notice, Licensee shall have no obligation to reserve such program space.

5.16 Licensee agrees to reserve two (2) complimentary tickets for each performance of the Property hereunder for the use of Concord Theatricals, the Author(s) and the owners of the Property. Concord Theatricals shall notify Licensee a minimum of three (3) days prior to the applicable performance whether it requires such tickets, and agrees not to resell such tickets. Licensee shall provide Concord Theatricals with two (2) copies of the program for its production of the Property upon request by Concord Theatricals.

5.17 If scripts/librettos are not included as part of the Rental Materials, the "Approved Production Script" is defined as the version or draft of the script/libretto of the Property to be used in connection with Licensee's production. It is understood that the Approved Production Script will be made available for purchase via the licensing dashboard or www.concordtheatricals.com as the "Acting Edition." No earlier manuscript or any other versions of the Property are permitted for production without prior approval. In the event that a published Acting Edition is not available for public purchase, Licensee should contact its Licensing Representative for the most up-to-date version of the script/libretto prior to the start of pre-production and rehearsals.

competent jurisdiction in connection with any claim arising out of (a) the breach or alleged breach by Licensee of any of Licensee's representations, warranties, obligations, or agreements under this Agreement and/or (b) Licensee's production of the Property including the performance, preparations, advertising and marketing thereof.

In the event of termination, all amounts owing under this Agreement remain payable in full and shall be retained by Concord Theatricals in addition to any other rights or remedies that Concord Theatricals may be entitled to assert for breach of contract.

8. **Default.** If Licensee defaults in the performance of any of the representations, warranties, obligations, terms and/or conditions of this Agreement, then in addition to any and all other remedies which Concord Theatricals, the Author(s) and/or the other copyright-owner(s) of the Property might have at law or equity, Licensee agrees that Concord Theatricals shall have the right to seek a temporary restraining order and a preliminary injunction to enjoin any performances of the Property.

9. **Revocation.** Concord Theatricals reserves the right to revoke any and all licenses for any reason upon written notice to Licensee. In the event that Licensee has paid for the license, either partially or in full, prior to such revocation, a full refund of such sums paid will be given to Licensee within forty-five (45) business days of written notice of license termination.

This Agreement ("Agreement") is dated June 29th, 2026 ("Effective Date"), between Specialized Education of Pennsylvania, Inc. ("SESI") that owns and operates High Road School of East York, a private academic school in Pennsylvania and South Eastern School District ("District").

WHEREAS, SESI owns and operates High Road School of East York that delivers behavioral, social, emotional and special education services to students (the "School");

WHEREAS, the District desires to refer District eligible students to the School; and

WHEREAS, the parties have agreed to enter into this Agreement for the delivery of the Services (defined below).

WITNESSETH

NOW, THEREFORE, in consideration of the covenants contained herein, the parties agree as follows:

1. Services. The District may from time to time refer students to be enrolled in the School (hereinafter referred to as a "Student" or "Students"). SESI agrees to establish and maintain, in accordance with Exhibit A, one or more of an early intervention behavior modification program, a program for special education classifications including autism spectrum disability, or a program for special education classifications including emotional disabilities and especially students with multiple disabilities (collectively the "Services"), for Students enrolled in the School. The Services shall include providing all personnel, materials and supplies necessary to provide the Services set forth in Exhibit A in accordance with the terms hereof.

2. Applicable Laws. SESI will deliver the Services in accordance with all applicable federal, state, and local statutes, ordinances, resolutions and regulations, including, without limitation, the federal law commonly known as the Individuals with Disabilities Education Act, and regulations promulgated thereunder ("IDEA") (collectively, "Laws").

3. Access. Upon reasonable prior notice to SESI, the District will be granted access to the School to observe and evaluate the Students and provision of the Services. If and to the extent that this Agreement requires SESI to perform any portion of the Services on District premises, the District grants SESI access to District designated facilities, but only to the extent necessary to provide the Services in accordance with this Agreement.

4. Teaching Staff. SESI is responsible for recruiting, training, assigning and supervising teachers in the School who will maintain state required licenses and background checks.

5. No Conflict of Interest. SESI certifies that it has and will not acquire an interest or obligation that conflicts with any provision of this Agreement, or that would preclude SESI from complying with the provisions herein.

6. Guaranteed and Additional Fees. In consideration of the Services to be provided by SESI, the District will pay SESI the fees set forth on Exhibit A.

7. Term and Termination. The term of this Agreement will begin on June 29th, 2026 and end on July 29th, 2026 ("Term"), unless extended in writing by the parties. If this Agreement is extended, the parties agree that the Tuition and Fees will be increased by 5% unless otherwise negotiated and revised in writing. Either party, upon thirty (30) days written notification to the other party, may terminate this Agreement. Upon termination, SESI will charge Tuition and Fees up to and including the Termination Date.

8. Distance Learning. When due to government or District mandated actions (directly or through its board of education) preventing SESI from conducting in-person classes, SESI may deliver, in consultation with the District, the Services, in whole or in part, via distance learning to the extent practicable, using programs, systems, teaching techniques, diagnostic tests, evaluation, academic courses and materials adapted for distance learning at the level of service reasonably practical under the same circumstances, at the fees, rates and payment schedules as set forth in this Agreement.

9. General Supervision of Services. The District or its designated representatives shall have the right to general supervision of the Services, the right to approve such Services and the right to make changes to the Services in accordance with the terms of a Student's IEP. SESI will maintain records of the Services provided to the Students, invoices issued to the District and payments made to SESI during the term of this Agreement. Such records shall be consistent with any guidance or standards developed by the Department of Education. SESI shall allow the District or the Pennsylvania Department of Education to conduct announced and unannounced site visits and to review all documents relating to the provision of Services to the Students during hours that are least disruptive to the daily operation of the School.

10. Invoicing and Payment. SESI will invoice the District monthly by the 15th day of the following month in which Services were provided. All invoices are due and payable within thirty (30) days of receipt. Any disputed invoice amounts must be raised to SESI within 30 days of receipt of invoice, otherwise, such invoice amounts are deemed to be accepted.

11. Student Identification and Assignment.

    a. Upon a student referral by the District, the District will provide SESI with i) a referral packet for SESI evaluation that includes student data, student record, the academic status or chronic disruptive behavior prompting the referral, and when applicable (ii) the IEP, an established Functional Behavioral Assessment ("FBA") & Behavior Intervention Plan ("BIP"). SESI will evaluate each District-referred student and determine whether the Program can meet the needs of the student, including current IEP, FBA and BIP, when applicable. After such an evaluation, SESI has final discretion to determine if a student is accepted into the Program and may decline acceptance, regardless of advance payment by District, by providing written notification to the District of its reason(s) for decline. Upon acceptance by SESI of a student into the Program, such student's placement must be initiated by written notice from the District and SESI will agree on a commencement date for each student. If after enrollment, SESI determines a Student's placement is no longer in

the best interest of the Student or Student behaviors are a threat to Student, SESI staff or other students in the Program, SESI will notify District in writing and the parties will convene a meeting within thirty (30) days of SESI notification to discuss student transition and alternate placement.

b. The District agrees that each Student enrollment at High Road School of East York shall be reviewed at each semester break and may be extended, as mutually determined by the District and/or the Student's parents and SESI to be in the best interest of the Student.

12. Parent, Guardian or Kinship Caregivers Consent. The District shall assist SESI in obtaining the written consent of Student's parents, guardians, or kinship caregivers for the Student enrollment and participation in the School; release of Student records including the Student's prior rate of attendance, grade level when referred to the Program, number of times retained, academic performance record on all tests administered by the District, and the number of classes passed/credits earned; emergency medical care, drug testing, Student participation in media releases; and any other matter for which consent is required.

13. Student Records.

    a. The District hereby acknowledges that SESI and its employees are considered "other school officials" with a legitimate educational interest such that they are entitled to access to education records under the Family Educational Rights and Privacy Act, ("FERPA"), 20 U.S.C. §1232g.
    b. The District will provide SESI with: attendance, academic and disciplinary records; IEPs (if applicable); previous or current standardized or other test scores and any other pertinent Student information via a secure electronic transmission.
    c. The District shall accept attendance and academic data using electronic file transfer from SESI in a format specified by and acceptable to the District. SESI shall report attendance on a timetable required by the District.
    d. For the academic year following the Student's transition back to the District, the District shall provide SESI the Student's academic, behavioral and attendance records.
    e. To the extent SESI obtains Student records and information, and to the extent that SESI is involved in the survey, analysis, or evaluation of Students incidental to this Agreement, SESI agrees to comply with all requirements of the FERPA and the Protection of Pupil Rights Amendment (PPRA).
    f. To the extent required by law, SESI agrees to comply with the subcontractor business associate provisions of the Health Insurance Portability and Accountability Act of 1996 privacy rule as amended by the Health Information Technology for Economic and Clinical Health Act.

14. Health Records. The District will maintain all Student health and immunization records as well as proof of physical examination for those Students enrolled at the School and such records must be secured prior to Student enrollment.

15. Transportation. The District shall provide, at its expense, bus transportation for eligible Students consistent with the District's transportation guidelines and policies.

16. Compliance with Applicable Laws. SESI represents it complies with applicable laws and regulations governing the Services including student privacy laws including the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99). SESI employees have the requisite skill, expertise and knowledge necessary to perform the Services required under the terms of this Agreement.

17. Background checks. SESI employees who are assigned to perform the Services meet the hiring requirements for school-based employees as required by Pennsylvania laws governing private school-based employees.

18. Student Progress Reports. SESI shall make available to the District or its representatives those progress and evaluative reports upon request or as required by a Student's IEP.

19. Student Records Access. Subject to such consents from the Student or the Student's parents or legal guardians as may be required, (i) the School agrees to make reasonably available to the District during the School's normal business hours, and to send to the District promptly following the District's reasonable request, copies of reports concerning the Student's programs and process prepared by the School, as follows: Functional Behavioral Assessment (FBA), Behavior Intervention Plan (BIP), Progress Reports, graphs concerning achievement of IEP goals, and assessments prepared pursuant to any consent for reevaluation provided with respect to the Student; (ii) the School shall also provide to the District copies of any psychological and/or psychiatric, medical or educational evaluations which are conducted by the School, or which are provided to the School by third parties, promptly after they are available to the School.

    b. SESI agrees to indemnify District and its officers, directors and employees ("District Indemnitees") against and from Claims (defined below) asserted by third parties for direct costs, expenses (including reasonable attorney's fees), damages, injury or loss ("District Losses") to which District may be subjected by reason of gross negligence or willful misconduct of SESI, its officers, directors or employees; provided however, District Indemnitees may not seek indemnification

from SESI for any District Losses caused, in whole or in part, by the acts or omissions of the District, its officers, directors and employees.

c. Claims. If a claim for indemnification (a "Claim") is to be made by a party entitled to indemnification hereunder against the indemnifying party, the party claiming such indemnification shall give written notice (a "Claim Notice") to the indemnifying party as soon as practicable after the party entitled to indemnification becomes aware of any fact, condition or event which may give rise to damages for which indemnification may be sought under this Section. Such Claim Notice shall specify the nature and amount of the Claim asserted, if actually known to the party entitled to indemnification hereunder. Subject to the limitations of this Section, the failure of any indemnified party to give timely notice hereunder shall not affect rights to indemnification hereunder, except to the extent that the indemnifying party demonstrates actual damage caused by such failure.

d. Notwithstanding any other provision, the total liability of SESI for all claims under this Agreement is limited to the total amount of fees paid to SESI under this Agreement. Neither SESI nor the District shall in any event be liable for any indirect, consequential, or punitive damages, even if SESI or District have been advised of the possibility of such damages.
