Date: June 23, 2026

Time: 5:02 pm – 6:30 pm

I. Call to Order

- The meeting was called to order at 5:02 pm.

II. Roll Call

- Erin N. Barlup – Absent
- Jessica Baumgardner – Present
- Brent A. Erb – Present
- R. Brian Ketchem – Present
- Others in Attendance: Mr. Vance Varner, Mr. Clint Aurand, Mr. Mark Sauer, Mrs. Nicole Lewis, Mr. Robert Lepley, Mr. Kelly Campagna, Mrs. Jane Schnell, Mr. Shane Breon, Mrs. Crystal Weaver, Mr. Robert Nulton, Mr. Chris Lehman

III. Review Athletic Department Evaluations

- Mr. Erb suggested reintroducing player evaluations. Mr. Lepley stated that player evaluations were more of an emotional venting session than a helpful way to evaluate the coach.
- Dr. Ketchem explained that evaluations should be used as a tool to prevent unhappiness amongst parents and players before issues get out of hand, as they have in the past. Mr. Lepley explained open communication between the Athletic Administration and all coaches.
- Mr. Breon stated that Tish and Bobby are always on top of things. He also stated that the Athletic Department is run very well compared to other places he has coached.
- Mrs. Weaver explained that expectations of players are signed off on each year and that she has an open-door policy for players and parents. She also reiterated how comfortable she is talking with Tish and Bobby regarding any issues.
- Mr. Lehman mentioned that they are not only coaching students, but also parents, and typically parents do come to the head coaches when there is an issue.

- Mr. Erb asked what the board could do to support coaches. Discussion occurred regarding coaching versus coaching records. Mr. Lehman stated that some of his best coaching was done during seasons where he had a poor record.
- Mr. Breon explained the TeamBuilder application that the Husky Club has been using for the past 3 years. He stated that he would like to see the Board support the purchase moving forward to support and develop athletes.
- Discussion occurred regarding strength and conditioning trainers versus using the TeamBuilder application.
- Mr. Lehman suggested allowing coaches to attend coaching seminars or having a peer-to-peer program rather than throwing a new coach in without any experience and expecting them to build a program.
- Mr. Lepley explained that he has been thinking of a coaching mentor program for new coaches coming in so they have a mentor for a period of time.
- Mr. Breon explained the importance of having 7th and 8th grade programs, and how these programs teach skills earlier.
- Discussed bringing back player evaluations and allowing students to fill them out anonymously versus including the name of the student, and the pros and cons of both options.
- Discussed the Husky Club and individual booster clubs.
- Discussed providing examples within the coaching evaluations rather than just circling a number on the form.
- Mr. Erb suggested getting all coaches together to have these types of discussions annually.
- Discussed performance, strength, and conditioning as a way to improve the athletic program. Mr. Breon suggested that having a dedicated person to focus on strength and conditioning would allow the head coaches to focus on the game. This would require additional personnel. Mr. Varner discussed having a certified teacher in the weight room as this would allow the students to earn educational credits.

IV. Next Evaluation to Review

- Although the teacher evaluations are created at the state level, the committee would still like to have a discussion about how these can be used to recognize areas of improvement and strengths.
-

V. Determine Next Meeting Timeframe

- The next committee meeting will be held sometime at the end of September. Mr. Sauer will gather dates and send out a Doodle poll to all committee members.
-

VI. Adjournment

- The meeting adjourned at 6:30 pm.

Various attempts to contact the county have gone with no response. Orris explained that the county tax assessment office is now going to attempt to contact someone about moving forward. Mr. Varner stated that the verbiage was added stating that the Superintendent can make changes to reporting structure, which came from special counsel. He also explained that the Nepotism Policy is being changed and will be brought to the board in July and August. Mr. Erb and Mrs. Barlup both commented that the School Psychologist job description will not be approved now because it is not what they asked for.
- Mr. Erb asked for the School Psychologist job description be pulled to a separate item for vote.

5.E. **Hiring of Emergency Permit Teacher**

- Approve hiring Meghan P. Smith as an Autistic Support Teacher at LES pending receipt of her emergency permit from PDE.

6. **OTHER BUSINESS**

- - Mr. Harshbarger handed out the updated censure resolution. He explained that Mrs. Barlup canceled the meeting scheduled for last week. Mr. Harshbarger advised that the board would need to vote to bring the item back to the table, then vote on it for approval. Mr. Harshbarger urged the board to bring this back to the table and vote to send a clear message that this board does not tolerate policy violations.

7. **PUBLIC COMMENT**

- **Diane Stewart, Lewistown** - Mr. Erb and Mrs. Barlup seem to be on a personal vendetta for someone specifically in the district. The censure sounds like the Burnham Tax Collector issue. 8 years until the district is "debt-free" does not take into account all of the projects that will need to be completed during this time. Urged

board members to follow the recommendations of Mr. Varner and Mrs. Kenepp. Stated that the Sunshine Act allows the community to know what is going on, and it was clear that the board went into executive session last month for a discussion regarding Mrs. Barlup's censure.

- **Becky Wagner, McClure** - Spoke about the hiring of the new School Psychologist and stated that a personal vendetta is clear. Stated that contracted work will not provide all of the items that district-paid School Psychologists can provide.
- **Kim Manganaro, Lewistown** - Time to raise taxes, even a little bit. The community wants this school district to succeed.
- **Ashlie Crosson, Reedsville** - Graduation was a beautiful ceremony. 2 faculty members and 10 students are on a plane right now, returning from their Europe trip. The Travel Club will surpass 100 Mifflin County travelers next year, which is wonderful. You are responsible for the care, livelihood, and success of the students that attend this district. We have to raise taxes for these students. Adequacy funding is meant to bring more opportunities to our students, not just keep the lights on. We need a mentality change around the concept of tax increases.

8. EXECUTIVE SESSION

8.A. May Executive Sessions

- Executive Session held on 5/7/2026 at 8:19 PM - 8:42 PM for student-related and personnel items.

2. **COMMUNICATION REPORTS**

2.A. **School Board Secretary** – Nothing at this time.

2.B. **School Board Members** – Nothing at this time.

2.C. **Superintendent**

- Read the following statement regarding a tax increase:

"I recommend that the Board approve the proposed tax levy increase of at least Option #2, a one (1) mill increase.

Our district has reached a critical point. While we have worked diligently to manage expenses and minimize the financial impact on taxpayers, the district has raised taxes only once in the past 12 years.

Despite reducing costs through retirements and attrition, increasing expenses for employee salaries and benefits, health care, charter school costs, utilities, and other operational needs continue to outpace federal, state, and local funding.

To preserve the high-quality educational programs, services, and staffing that our students deserve, a tax levy increase is necessary. This investment will help ensure the district's financial stability, protect students' educational opportunities, and maintain the level of excellence our community has come to expect.

For these reasons, I recommend that the Board approve at least Option #2, a one (1) mill tax increase."

- Mrs. Kenepf echoed Mr. Varner's statement. Stated that the mindset around a tax increase needs to be looked at as a positive for the community instead of a negative thing. Mentioned an article in PASBO magazine by Dr. Shrom regarding the "eras" that have occurred regarding state funding, and that the funding will eventually come to an end. We can no longer depend on the state to deliver these large increases in funding. We have to rely on ourselves a little bit more.

6. **OTHER BUSINESS**

1. Mr. Erb read a statement regarding how the board has handled the censure resolution and that it should be based on factual information.
2. Mrs. Baumgardner agreed that we have spent entirely too much time on this. We are being forced to choose which party acted correctly, and unfortunately, both parties acted in error. Both parties need to take accountability. A very one-sided censure will not achieve this.
3. Mr. Styers stated that, when the board members were elected, they were provided the rules of governance. There was a violation of Policy 011. If we do not pass this censure, it will set a precedent for how policy violations are handled. We are obligated to enforce policy.
4. Mr. Baker asked Mr. Knepp what the main purpose of the censure is. Mr. Knepp advised that a censure states that the board acknowledges a violation of policy and that the action should not be repeated. This is not removal of the board.
5. Mr. Baker stated he is not pleased that everyone around the table has been dragged into this conflict. The situation was not handled as well as it could have been. Mrs. Barlup knows that she violated the policy. We have rules that we have to follow, and we cannot pick and choose what rules we follow. There are consequences for not following the rules, much like for our children and students. I do not agree with what is written, but it is already out there. This situation has made us look bad as a board to the public.
6. Mr. Erb stated that the public humiliation factor should be enough.
7. Dr. Ketchem stated this is an opportunity for us to learn how to proceed with actions like this in the future.

The Board adopts this policy to ensure that parents/guardians have the right to have their children excused from specific instruction that conflicts with their **sincerely held** religious **and/or moral** beliefs.[\[1\]](#)[\[2\]](#)

The rights granted by this policy are granted to parents/guardians of students enrolled in this district when the students are under the age of eighteen (18) and to the students themselves when the student is eighteen (18) or **older**.

Guidelines

The district shall excuse any student from specific instruction, subject to the following conditions:

1. To assist the school district in ensuring that the student is excused from the correct specific instruction, the request must be made in writing and must detail the specific instruction from which the student is to be excused, **including the reason(s) for the request.**

2. The written request to be excused shall be sent by the parent/guardian or student **who is eighteen (18) or older** to the building principal.

One (1) copy of the request shall be retained in the student's permanent school records, one (1) copy kept by the school principal, and one (1) copy submitted to the teacher from whose instruction the student is to be excused.

3. The written request must contain a statement that the specific instruction described conflicts with the **sincerely held** religious **and/or moral** beliefs of the student or of the parents/guardians.
4. The parent/guardian and/or student may request suggested replacement educational activities. The only permissible educational activity for this purpose shall be **substantially similar** instruction that is consistent with the learning objectives set for the **course**.

Policy Number 122-1-2
Title Noncurriculum-Related, Nonschool-Sponsored, Student-Initiated Groups
Version v1 · 7/14/2026

Noncurriculum-Related, Nonschool-Sponsored, Student-Initiated Groups

NOTE: *It is important to distinguish that Policy 122.1 only applies to noncurriculum-related, nonschool-sponsored, student-initiated groups seeking permission to use district premises to meet. In this policy, it is the granting of the opportunity to meet that is approved; not the group itself.*

- *Extracurricular activities that are sponsored or approved by the Board are governed by Policy 122. Extracurricular Activities.*
- *Nonschool organizations, groups and individuals initiating a request for use of school facilities or dissemination of materials are governed by policies 707. Use of School Facilities and 913. Nonschool Organizations/Groups/Individuals.*

Purpose

The district, by making a limited open forum available, provides the opportunity for **noncurriculum-related**, nonschool-sponsored, **student-initiated** groups of secondary students to meet, without discrimination, on school district premises during noninstructional time for the purpose of conducting a meeting regardless of the religious, political, philosophical or other content of the speech at such meetings.[\[1\]](#)[\[2\]](#)[\[3\]](#)

Definitions

Noninstructional time - the time set aside by the school before actual classroom instruction begins, after actual classroom instruction ends or during time designated for lunch.

Limited open forum - a public secondary school has a limited open forum whenever such school grants an offering to or opportunity for one or more noncurriculum-related student groups to meet on school premises during noninstructional time.[\[1\]](#)

Noncurriculum-related student group - any student-initiated group that does not directly relate to the body of courses offered by the district.[4]

Sponsorship - the act of promoting, leading or participating in a meeting. The assignment of a teacher, administrator or other school employee to a meeting for custodial purposes does not constitute sponsorship of the meeting.[5]

Authority

Meetings of **noncurriculum** student groups (student groups) must be voluntary, student-initiated and conducted in accordance with applicable state and federal laws, regulations, Board policies and school rules.[1][2][3][6]

Such meetings must not be **under the sponsorship of** the school district, its agents or employees.[1]

The meetings of student groups cannot materially and substantially interfere with the orderly conduct of the educational activities in the school.[1]

Availability and assignment of facilities, supplies and equipment necessary, **including access to district-controlled methods of communication such as bulletin boards, a public-address system, and advertisements in the school newspaper**, to conduct such meetings shall be provided in accordance with the Equal Access Act.[1]

Delegation of Responsibility

The Superintendent or designee may establish **standard** procedures regarding the length of meetings, permissible number of meetings per week and other limitations deemed reasonably necessary.

The Superintendent or designee will designate areas within district buildings and outside areas authorized for meetings of student groups. Access to areas which have not been designated as meeting spaces by the Superintendent or designee is prohibited.

A district employee must voluntarily attend and monitor each student group meeting. Said employee will not be compensated by the district. Monitors will attend the meetings in a nonparticipatory capacity for the purpose of maintaining order. The assignment of a monitor does not constitute sponsorship of the student group or meeting.[1]

District employees will not be required to attend any meeting where the content of the speech is contrary to their beliefs.[\[1\]](#)

District administrators and staff retain the authority to:[\[1\]](#)

1. Maintain order and discipline on district premises.
2. Protect the well-being of students and employees.
3. Assure the attendance of students at such meetings is voluntary.

Guidelines

Students seeking permission to form a student group to meet during noninstructional time must submit a written request to the building principal.

All activities of the student group must be led by the student members of the group. The meetings and activities may not be directed, conducted, controlled or regularly attended by individuals from outside the school.[\[1\]](#)

Guests may be invited but may not be regular participants in the student meetings. All guests must comply with Board policy regarding school visitors.[\[7\]](#)

Materials prepared for dissemination on district premises must comply with the provisions of Board policy relating to the dissemination of materials.[\[8\]](#)

Public funds may not be used for the operation of the meetings beyond the incidental cost of providing the space for the group to meet.

The student group may not be advertised as a school-sponsored activity. All announcements and disseminated materials must include a disclaimer of school sponsorship or endorsement.

Students in violation of this policy and applicable rules may result in loss of the right to meet on school premises and/or disciplinary action.[\[6\]](#)

Policy Number 304.1
Title Nepotism
Adopted 2/23/2023
Version v2 · 7/9/2026 · DRAFT

Nepotism

Purpose

The objective of this policy is to advance the district's commitment to hiring the best qualified persons available for district employment, and to ensure that personnel management decisions are made based upon individual merit. Fulfilling this commitment requires that the school district maintain an atmosphere free of the appearance of nepotism, the hiring, rewarding, advancement, or other favorable treatment of employees based upon or influenced by family relationships. Nepotism can degrade staff morale, foster public distrust, and be an obstacle to teamwork, effectiveness, and quality performance. It is also the purpose of this policy to discourage favoritism and prevent disciplinary problems.

Authority

It is the policy of the Board to prevent nepotism to the fullest extent possible under law. Except where specifically provided under this policy for the prevention of nepotism, the family relationship of an employee or applicant for employment to a Board member, commissioned officer, or management-level employee shall not be a basis for, factor in, nor an influence upon hiring, assignments, evaluations, or other personnel actions.

No teacher shall be employed who is related to any member of the Board, as defined in law, unless such teacher receives the affirmative vote of a majority of all members of the Board other than the member related to the applicant, who shall not vote.^[1]^[2]

Definitions

Nepotism shall mean showing favoritism to a relative, domestic partner, or romantic relationship partner of a School Board member, commissioned officer, or management-level employee in hiring recommendations or decisions, recommendations or decisions for contracts with the district employment/personnel processes, or district-provided pecuniary benefits offered to its employees.

Board Member shall mean any person who is elected or appointed as a member of the Mifflin County School District Board of School Directors.

Commissioned Officer shall mean any district Superintendent, district Assistant Superintendent, or other commissioned officer of the district.

Domestic Partner shall mean a person with whom another person maintains a household and a romantic relationship, other than a person to whom s/he is legally married.

Management Level Employee shall be defined as a district employee whose compensation is determined by the written administrative compensation plan contemplated by Section 1164 of the Public School Code, or a district employee in a supervisory position, which requires him/her to evaluate employees' performance and/or make employment/personnel recommendations; or a district employee responsible for administering the district's business and/or personnel operations.

Relative shall mean anyone's father, mother, brother, sister, husband, wife, son, daughter, step-father, step-mother, step-child, grandparent, grandchild, nephew, niece, first cousin, son-in-law, daughter-in-law, brother-in-law, sister-in-law, parent-in-law, foster child, aunt or uncle.

Romantic Relationship shall mean dating or engaging in an intimate relationship.

Guidelines

All candidates will be screened and interviewed by a committee that will include at least three (3) administrators.

Whenever an applicant for full-time, regular, continuous employment in the district is a relative of, resides with, or is in a romantic relationship with any Board member, commissioned officer or management-level employee, the related Board member, commissioned officer or management-level employee shall not participate in screening, interviewing, evaluating, recommending, promoting, or hiring the applicant for such assignment or position of employment.

Whenever a person with a family relationship or romantic relationship to any Board member, commissioned officer, or management-level employee is recommended for employment or assignment, and the fact of such a relationship is known to any person involved in the hiring or assignment process, this information shall be disclosed to the Superintendent and the Board prior to the time the recommendation appears on the agenda for formal action.

Except as specifically set forth in this policy, a person's family relationship to a Board member, commissioned officer, or management-level employee shall not otherwise disqualify that person from employment or assignment in the district, and such persons may be recommended for

employment or assignment based upon their individual merit and qualifications.

No employee shall be assigned or reassigned to a position that requires that employee to supervise or evaluate or be supervised or evaluated by, any other employee who is his/her relative as defined in this policy. The Superintendent reserves the right to assign or reassign supervision responsibility on a case-by-case basis in the event of a potential conflict of interest related to the supervision of a relative, spouse, domestic partner, romantic partner, or any other person whose relationship to the employee could reasonably be perceived as affecting objectivity or impartiality.

Nothing in this policy shall affect the employment of any person presently employed by the Board.

School Code Permissible Investments – Any investment permitted under Section 440.1 of the Public School Code of 1949, Act of March 10, 1949, (P.L. 30, No. 14) as last amended by the Act of June 30, 1995, (P.L. 220, No. 26).[\[1\]](#)

Short-term – Any period thirteen (13) months or less.

Long-term – Any period exceeding forty-eight (48) months.

Mid-range – Any period between short-term and long-term.

Bankers' acceptances – Bankers' acceptances generally are created based on a letter of credit issued in a foreign trade transaction. Bankers' acceptances are short-term, non-interest-bearing notes sold at a discount and redeemed by the accepting banks at maturity for face value.

Collateral – Security pledged by a financial institution to a governmental entity for its deposit.[\[8\]](#)

Commercial paper – An unsecured promissory note issued primarily by corporations for a specific amount and maturing on a specific day. The maximum maturity for commercial paper is 270 days, but most is sold with maturities of up to thirty (30) days. Almost all commercial paper is rated as to credit risk by rating services.

Concentration of credit risk – The risk of loss attributed to the magnitude of a government's investment in a single issuer, pool, institution, or instrument.

Counterparty – Another party to a transaction. In the case of deposits and investments made by governmental entities, a counterparty could be the issuer of a security, a financial institution holding a deposit, a broker-dealer selling securities, or a third party holding securities or collateral.

Credit risk – The risk that a counterparty to an investment transaction will not fulfill its obligations. Overall credit risk can be associated with the issuer of a security, with a financial institution holding deposits, or with a party holding securities or collateral. Credit risk exposure can be affected by a concentration of deposits or investments in any one (1) investment type or with any one (1) counterparty.

Custodial credit risk – The custodial credit risk for *deposits* is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for *investments* is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of investment or collateral securities that are in the possession of an outside party.

Foreign currency risk – The risk that changes in exchange rates will adversely affect the fair value of an investment or a deposit. Investments depending on substantial overseas activities or markets may present related foreign currency risk.

Interest rate risk – The risk that changes in interest rates will adversely affect the fair value of an investment.

Issuer – The entity that has the authority to distribute a security or other investment. A bond issuer is the entity that is legally obligated to make principal and interest payments to bond holders. In the case of mutual funds, external investment pools, and other pooled investments, issuer refers to the entity invested in, not the investment company-manager or pool sponsor.

Local Government Investment Pool (LGIP) – An investment trust or pool organized by groups of political subdivisions or municipal authorities pursuant to Section 521 of the Public School Code of 1949, or pursuant to the Intergovernmental Cooperation Law, 53 Pa. C.S.A. Sec. 2301 et seq., for the purpose of investing funds of such political subdivisions or municipal authorities for their exclusive benefit and in accordance with the laws governing their permissible investments. LGIPs include, but are not limited to, the Pennsylvania School District Liquid Asset Fund (PSDLAF), the Pennsylvania Local Government Investment Trust (PLGIT), and for purposes of this policy, the PA INVEST program operated by the Pennsylvania Treasury Department.[\[9\]](#) [\[10\]](#)

Market risk – The risk that the market value of an investment, collateral protecting a deposit, or securities underlying a repurchase agreement will decline. Market risk is affected by the length to maturity of a security, the need to liquidate a security before maturity, the extent that collateral exceeds the amount invested, and the frequency at which the amount of collateral is adjusted for changing market values.

Repurchase agreement –

- a. **An agreement in which a governmental entity (buyer-lender) transfers cash to a broker-dealer or financial institution (seller-borrower); the broker-dealer or financial institution transfers securities to the entity and promises to repay the cash plus interest in exchange for the same securities.**

Weighted average maturity – A weighted average maturity measure expresses investment time horizons—the time when investments become due and payable—in years or months, weighted to reflect the dollar size of individual investments within an investment type.

Delegation of Responsibility

The Board shall designate **an Investment Officer, who shall implement** the **school** district's investment program in accordance with **this policy, related** procedures, and **applicable laws of Pennsylvania as** approved **by** the Board.[\[1\]](#)

The program shall not encompass the investment of any student activity or class-related funds separately managed pursuant to School Code Section 511.[\[11\]](#) [\[12\]](#)

The **Investment Officer** shall report monthly to the Board the following:[\[1\]](#)[\[13\]](#)

1. Amount of funds invested.
2. Interest earned and received to date.

3. Types and amounts of each investment and the interest rate on each.
4. Names of the institutions where investments are placed.
5. **The means by which any** deposits exceeding insurance limits **are** collateralized.
6. Other information required by the Board.

The above report may include School Code required information that is already provided to the Board in separate formats, such as, depository balances, earnings, and transactions.[\[7\]](#) ^[14]

The Board directs the Superintendent **and Investment Officer** to **develop, for approval by the Board as an appendix to this policy, specific due diligence and risk mitigation measures for:**

1. **Evaluating and mitigating the risks associated with each investment;**
2. **Investigating, selecting and evaluating the performance of investment advisors and investment professionals;**
3. **Specifying standards for audits of investment transactions; and**
4. **Determining the qualifications, training, standards and disclosures required for district employees performing functions relating to the district's investment program.**

Guidelines

4. **Obligations of the United States of America or any of its agencies or instrumentalities backed by the full faith and credit of the United States of America, the Commonwealth of Pennsylvania or any of its agencies or instrumentalities backed by the full faith and credit of the Commonwealth, or of any political subdivision of the Commonwealth of Pennsylvania or any of its agencies or instrumentalities backed by the full faith and credit of the political subdivision.**

 - a. **The only investments of that company are in the authorized investments for school district funds listed in items 1 through 4 above and repurchase agreements fully collateralized by such investments.**
 - b. **The investment company is managed so as to maintain its shares at a constant net asset value in accordance with 17 CFR Sec. 270 2a-7 (relating to money market funds).**
 - c. **The investment company is rated in the highest category by a nationally recognized statistical rating organization.**
6. **Local Government Investment Pools (LGIPs) as defined in this policy.**
7. **Repurchase agreements with respect to U.S. Treasury bills or obligations, participations or other instruments of or guaranteed by the U.S. or any federal agency, instrumentality or U.S. government-sponsored enterprise.**

Act 10 Permissible Investments

1. **Obligations, participations or other instruments of any federal agency, instrumentality or U.S. government-sponsored enterprise if the debt obligations are rated at least "A" or its equivalent by at least two (2) nationally recognized statistical ratings organizations.**

2. **Commercial paper issued by corporations or other business entities organized in accordance with federal or state law, with a maturity not to exceed 270 days, if the issuing corporation or business entity is rated in the top short-term category by at least two (2) nationally recognized statistical ratings organizations.**
3. **Bills of exchange or time drafts drawn on and accepted by a commercial bank, otherwise known as bankers' acceptances, if the bankers' acceptances do not exceed 180 days maturity and the accepting bank is rated in the top short-term category by at least two (2) nationally recognized statistical ratings organizations.**
4. **Shares of an investment company registered under the Investment Company Act of 1940 (54 Stat. 789, 15 U.S.C. Sec. 80a-1 et seq.) whose shares are registered under the Securities Act of 1933 (48 Stat. 74, 15 U.S.C. Sec. 77a et seq.), if all of the following conditions are met:**
 - a. **The investments of the company are the authorized investments under 53 P.S. §5410.1, subsection (a) (Act 10, Section 1.1(a)).**
 - b. **The investment company is managed in accordance with 17 CFR Sec. 270.2a-7 (relating to money market funds).**
 - c. **The investment company is rated in the highest category by a nationally recognized rating agency.**

[Legal Note: Investment options listed in Act 10 also include certain *negotiable certificates of deposit* satisfying specified conditions. This investment is omitted here, where it would otherwise appear in this policy, due to the collateralization requirements of School Code sections 440.1, 622 and 623, which Act 10 did not displace or supersede. Because negotiable certificates of deposit do not exist in the current investment market in a collateralized form that would satisfy School Code requirements, they are not an investment lawfully available to school districts at this time, notwithstanding Act 10. If in the future there has been corrective legislation, or a final judicial or other ruling having the force of law concluding that school districts may invest in uncollateralized negotiable certificates of deposit despite School Code collateral requirements, this policy will be updated to include such investments among Act 10 permissible investments.]

Management of Investments and Collateral

All securities or other investments in which the school district invests or that collateralize school district investments shall be managed as provided in this policy.[\[1\]](#)

The program shall require that securities purchased as investments be purchased in the name of the school district and held in custody for the benefit of the school district as provided in the investment program and authorized custodian agreements. The program may make exceptions to such requirements for investments in LGIPs as defined in this policy, or for the purchase of shares of an investment company.

If, after purchase, the rating of any instrument is reduced and no longer in compliance with Board policy, the individual responsible for district investments shall replace the investment immediately upon receipt of notice of the rating change and notify the Board of the rating change, action taken and replacement investment.

The foregoing rating change related requirement(s) do(es) not apply to investments in LGIPs as defined in this policy.

For purposes of interest rate disclosure in the annual financial report, the method of determining interest rate risk shall be based on weighted average maturity.

Foreign Currency and Related Risk

District funds shall **not** be invested in **foreign currency**. To the extent other permissible investments are exposed to related foreign currency risk, they shall be disclosed as required by GASB Statement 40.

Bond Proceeds

Investment of bond proceeds shall be **managed and** reported to the Board in accordance with the **Local Government Unit Debt Act, this policy, and applicable federal and state laws.** [\[16\]](#)

Protection of Savings Accounts, Time Deposits, Share Accounts or Other Depository Balances in Excess of FDIC Insurance Limits

When district cash is deposited in **any savings account, time deposit, share account or other** authorized depository **account other than a Local Government Investment Pool (LGIP)**, if the cash balance exceeds **FDIC** insurance limits, district funds shall be collateralized in one or more of the following ways:[\[1\]](#) [\[13\]](#)

1. **An Irrevocable Letter of Credit (LOC) issued by a Federal Home Loan Bank (FHLB).**
2. **Tri-Party Collateral in the name of the school district consisting of the following underlying securities only:**
 - a. **U.S. Treasury Securities.**
 - b. **Obligations, participations or other instruments of any federal agency, instrumentality or U.S. government-sponsored enterprise if the debt obligations are rated at least "A" or its equivalent by at least two (2) nationally recognized statistical ratings organizations.**
3. **Assets pledged as collateral in accordance with the act of August 6, 1971, (P.L. 281, No.72), 72 P.S. Sec. 3836-1 et seq. (relating to pledges of assets to secure deposits of public funds, whether or not pooled).**[\[13\]](#)

It shall be the responsibility of the Investment Officer to verify with the depository the value of the collateral instrument(s) based on the instrument being "marked to market." This valuation shall occur at least monthly.

Following a review of valuation, the **Investment Officer** may request an additional review by the district's investment advisors or financial consultant, and shall require additional collateral if the existing collateral has declined in value and exposes the district to potential loss of principal. The status of the valuation review and any additional collateral **shall be included in the periodic reports to the Board regarding the investment program.**

Reporting Requirement for Local Government Investment Pools (LGIPs)

Local Government Investment Pools (LGIPs) pool the resources of participating government entities and invest in various securities as permitted under state law, so that participating governments can benefit from economies of scale, professional fund management and other advantages.

Recognizing that LGIPs invest directly in permissible securities on behalf of the participating government entities, which in turn have proportional ownership rights in those securities, district investments in a LGIP shall not be subject to the collateral requirements of this policy, provided that the LGIP:

1. **Makes available to participants daily and monthly statements, and other information from which the status of the investments can be verified; and**

2. **Provides an audited annual financial report to each participating government entity.**

Further Risk Mitigation for Act 10 Permissible Investments

Recognizing that Act 10 of 2016 expanded the range of permissible investments to include investments with the potential to expose the school district to elevated levels of credit risk and other investment risks, the Board directs that investment recommendations proposed by the Investment Officer take into account, implement, and highlight the following factors and precautions with respect to Act 10 Permissible Investments:

1. **A significantly more thorough level of due diligence is required.**
2. **In addition to verification of rating by a nationally recognized statistical rating organization and other due diligence requirements, the investigation of Act 10 Permissible Investments shall include ensuring that there is an independent credit review (a qualified financial services organization with an active and recognized credit analysis team is also monitoring the issuer, in addition to the nationally recognized statistical rating organization(s)).**
3. **Act 10 Permissible Investments shall be limited to no more than ten percent (10%) of district funds available for investment, excluding bond proceeds and refunding escrow balances.**

Audit

The Board directs that all investment records be subject to annual audit by the district's independent auditors.[17]

The audit shall include but not be limited to independent verification of amounts and records of all transactions, as deemed necessary by the independent auditors.

Conflict of Interest Avoidance and Disclosure

The Investment Officer and any other district employee performing functions related to the investment program shall disclose in writing to the Board any material conflict of interest or material potential conflict of interest which exists because of personal relationships or personal business activity between the Investment Officer or other employees and any depository institution, broker, dealer, investment advisor, or other

investment provider or professional serving the district. The Investment Officer or other employees shall refrain from any personal business activity that could impair ability to make impartial decisions in managing the annual investment program.^[18]

All depository institutions, repurchase agreement providers, brokers, and investment advisors and managers shall disclose in writing to the district: (1) any fees or other compensation paid to or received from a third party with respect to any district investment; and (2) any ownership of or by a parent corporation which owns any other depository institution, broker, dealer, investment advisor, or other investment provider or professional which does business with the district.

All investment advisors shall verify in writing that they have received and reviewed a copy of this Board policy and agree to comply with this policy and all applicable laws related to school district investments.

Dear Tax Claim Bureau:

Enclosed is a bid for \$201 for Parcel 16 ,23-0815--,000
According to ChatGPT, the property is probably NOT buildable.
This is the summary it stated:

summary

Summary for Parcel 16, 23-0815--,000 (Mifflin County / Yeagertown, PA):

- Likely NOT buildable
- Too small (~0.10 acres) for typical zoning requirements
- Tax-exempt → may not be usable or transferable normally
- Flood zone (moderate) → adds restrictions/cost
- Zoning depends on township, not county

Bottom line:

Good chance it's not usable for a house. Only worth it as a side lot or speculative buy unless the township confirms otherwise.

The rules state that \$1,000 and up are the bid amounts for buildable lots, and I have no proof or belief that the land is buildable, and that is why the bid amount is \$201. I will pay all recording & transfer fees.

Upon acceptance, please deed bid as follows:

Cheap Lands, Inc.
PO Box 1141
Homosassa Springs, FL 34447

AGREED AND ACCEPTED:
