Status	Final Reading

Purpose

The Joint Operating Committee is committed to protecting the health, safety and welfare of its students and the community and providing the resources and support to address identified student needs. The Joint Operating Committee adopts this policy to address student behavior that may indicate a threat to the safety of the student, other students, school employees, school facilities, the community and others. [\[1\]](#)

Authority

The Joint Operating Committee directs the Administrative Director or designee, in consultation with the School Safety and Security Coordinator, to establish a threat assessment team and develop procedures for assessing and intervening with students whose behavior may indicate a threat to the safety of the student, other students, school employees, school facilities, the community and others. [\[1\]](#)

The established procedures must include protocols for the timely consultation between the team and law enforcement, juvenile justice agencies, county agencies, health care providers or behavioral service providers, as appropriate, to refer students whose behavior indicates a potential threat for additional interventions or supports, including the exchange of relevant information in accordance with federal and state law. [\[1\]](#)[\[2\]](#)[\[3\]](#)

Definitions

Behavioral service providers – includes, but is not limited to, a state, county or local behavioral health service provider, crisis intervention center or psychiatric hospital. The term includes a private service provider which contracts with a state, county or local government to act as a behavioral health agency. [\[4\]](#)

Bias – the attitudes or beliefs we have about a person or group that affects our understanding, actions and decisions in a conscious or subconscious manner.

Individualized Management Plan – a plan developed for a student who is referred to the threat assessment team that documents the concerns that brought a student to the team's attention, as well as the resources and supports a student might need based on the information gathered during the assessment.

Threat assessment – a fact-based process for the assessment of and intervention with students whose behaviors may indicate a threat to the safety of the student, other students, school employees, school facilities, the community or others.

Delegation of Responsibility

The Administrative Director or designee, in consultation with the School Safety and Security Coordinator, shall appoint [\[1\]](#)

Information for Students, Parents/Guardians and Staff

The center (school) shall annually notify students, staff and parents/guardians about the existence and purpose of the threat assessment team through posting information on the center (school) website, publishing in handbooks and through other appropriate methods. [\[1\]](#)

The threat assessment team shall make available age-appropriate informational materials to students regarding recognition of threatening or at-risk behavior that may present a threat to the student, other students, school employees, school facilities, the community or others and how to report concerns, including through the Safe2Say Something program and other center (school) reporting hotlines or methods. Informational materials shall be available for review by parents/guardians. [\[1\]](#)[\[8\]](#)[\[9\]](#)[\[19\]](#)[\[20\]](#)[\[21\]](#)

The threat assessment team shall make available informational materials for employees regarding recognition of threatening or at-risk behavior that may present a threat to the student, other students, school employees, school facilities, the community or others and how to report concerns, including through the Safe2Say Something program and other center (school) reporting hotlines or methods. Information for employees shall include a list of the staff members who have been appointed to the threat assessment team. [\[1\]](#)[\[8\]](#)[\[9\]](#)[\[19\]](#)[\[21\]](#)

The center (school) shall annually provide mandatory training for center (school) staff on identification or recognition of student behavior that may indicate a threat to the safety of the student, other students, center (school) employees, other individuals, center (school) facilities or the community, in accordance with law, Joint Operating Committee policy and the standards specified by the state's School Safety and Security Committee.[7][17]

Reporting and Identification

The threat assessment team shall document, assess and respond to reports received regarding students whose behavior may indicate a threat to the safety of the student, other students, school employees, school facilities, the community or others.[1]

The threat assessment team shall assist in assessing and responding to reports that are received through the Safe2Say Something Program identifying students who may be a threat to themselves or others.[1][7]

The threat assessment team shall assist in assessing and responding to reports of students exhibiting self-harm or suicide risk factors or warning signs, as identified in accordance with applicable law and Joint Operating Committee policy.[1][8]

When the threat assessment team has made a preliminary determination that a student's reported behavior may indicate a threat to the safety of the student, other students, school employees, school facilities, the community or others, the team shall immediately take the following steps:[1]

1. Notify the Administrative Director or designee and School Safety and Security Coordinator of the reported threat.
2. Notify the building administrator of the school building the student attends of the reported threat, who shall notify the student's parent/guardian of the reported threat.

When a reported student's behavior indicates that there may be an imminent threat to the safety of the student or others, or an emergency situation, a threat assessment team member shall take immediate action, which may include promptly reporting to the appropriate law enforcement agency and center (school) administration.[1][6][7][22]

Where a threat assessment team member has reasonable cause to suspect that a reported situation indicates that a student may be a victim of child abuse, the member shall make a report of suspected child abuse in accordance with law and Joint Operating Committee policy.[1][23][24]

Inquiry and Assessment

In investigating, assessing and responding to threat reports, the threat assessment team shall make a determination if the report should be addressed under one or more specific Joint Operating Committee policies or administrative regulations, based on the subject matter of the report and the requirements of law, regulations and Joint Operating Committee policy, including, but not limited to, reports involving:

1. Discrimination/Harassment.[9][19]
2. Bullying/Cyberbullying.[21]
3. Suicide Awareness, Prevention and Response.[8]
4. Hazing.[25]
5. Dating Violence.[26]

Members of the threat assessment team, in coordination with the student's school district of residence, shall engage in an assessment of the reported student behavior that may indicate a threat, in accordance with training and established procedures. This process may include, but is not limited to:

1. {X} Interviewing the student, other students, staff, parents/guardians or others regarding the subject(s) of the reported threat.
2. {X} Reviewing existing academic, health and disciplinary records and assignments, as appropriate, regarding the subject(s) of the report.
3. {X} Conducting searches of lockers, storage spaces and other possessions on center (school) property as applicable, in accordance with applicable law, regulations and Joint Operating Committee policy.[27]
4. {X} Examining outside resources such as social media sites, in coordination with law enforcement, or contacting law enforcement, juvenile probation or community agencies to request additional information about the subject(s) of the report, in accordance with law, regulations and Joint Operating Committee policies.
5. {X} Where appropriate, convening the appropriate team to assess and/or address the situation that is the subject of the report, such as the Individualized Education Program (IEP) team, Section 504 Team, Behavior Support team, Student Assistance Program team or others.[5][10][28][29][30]

The threat assessment team shall establish and implement procedures, in accordance with the center (school)'s memorandum of understanding with each law enforcement agency having jurisdiction over center (school) property, to address situations where the investigation of a reported threat shall be transferred to the appropriate law enforcement agency.[6][22]

The threat assessment team may request that the county agency or juvenile probation department consult and cooperate with the team in assessing the student who is the subject of a preliminary determination regarding a threat.[1]

When assessment of a student's behavior determines that it is not a threat to the student, other students, school employees, school facilities, the community or others, the threat assessment team shall document the assessment and may refer the student to other appropriate resources such as the Student Assistance Program team, an IEP or Section 504 Team or other center (school) supports and services.

Response and Intervention

The threat assessment team, in coordination with the student's school district of residence, shall develop an Individualized Management Plan for each student identified and assessed as posing a threat to the student, other students, school employees, school facilities, the community or others. The plan should document the team's evaluation of the threat and recommendations for disposition of the threat, including the information gathered during the assessment and recommendations for response and intervention.

Following notification to the student's parent/guardian, the threat assessment team, in coordination with the student's school district of residence, may refer the student to an appropriate program or take action to address the reported situation in accordance with applicable Joint Operating Committee policy, which may include, but is not limited to:[1]

1. A referral to the Student Assistance Program.[5]

2. A referral to the appropriate law enforcement agency.[6][7][22]
3. An appropriate evaluation to determine whether the student is a qualified student with a disability in need of a Section 504 Service Agreement or in need of special education services through an Individualized Education Program (IEP), in accordance with applicable law and Joint Operating Committee policy.[10][28]
4. A referral to the student's IEP Team to review and address the student's IEP and/or Positive Behavior Support Plan. This could include, but is not limited to, a manifestation determination or functional behavioral assessment in accordance with applicable law, regulations and Joint Operating Committee policy.[28][29][30]
5. A referral to the student's Section 504 Team to review and address the student's Section 504 Service Agreement and/or Positive Behavior Support Plan.[10]
6. With prior parental consent, a referral to a behavioral service provider, health care provider or county agency.[31]
7. Addressing behavior in accordance with applicable discipline policies and the Code of Student Conduct.[32][33][34][35]
8. Ongoing monitoring of the student by the threat assessment team, a child study team, Student Assistance Program team or other appropriate personnel.
9. Taking steps to address the safety of any potential targets identified by the reported threat. [7][36]

School Safety and Security Incident Reporting –

For reporting purposes, the term **incident** means an instance involving an act of violence; the possession of a weapon; the possession, use or sale of a controlled substance or drug paraphernalia as defined in the Pennsylvania Controlled Substance, Drug, Device and Cosmetic Act; the possession, use or sale of alcohol or tobacco products; or conduct that constitutes an offense listed in the school safety and security provisions of School Code.[22][37][38][39].

When a reported threat also meets the definition of an incident, in accordance with reporting requirements, the Administrative Director or designee shall immediately report required incidents, if not previously reported by center (school) staff, and may report discretionary incidents committed by students on center (school) property, at any center (school)-sponsored activity or on a conveyance providing transportation to or from the center (school) or a center (school)-sponsored activity to the law enforcement agency that has jurisdiction over the center (school)'s property, in accordance with state law and regulations, the procedures set forth in the memorandum of understanding with law enforcement and Joint Operating Committee policies. [22][32][37][39][40][41][42].

The Administrative Director or designee shall notify the parent/guardian, if not previously notified by center (school) staff, of any student directly involved in an incident on center (school) property, at any center (school)-sponsored activity or on a conveyance providing transportation to or from the center (school) or a center (school)-sponsored activity, who is a victim or suspect, immediately, as soon as practicable. The Administrative Director or designee will inform the parent/guardian whether or not the law enforcement agency that has jurisdiction over the center (school) property has been or may be notified of the incident. The Administrative Director or designee will document attempts made to reach the parent/guardian.[22][37][43].

Students With Disabilities –

When reporting an incident committed by a student with a disability or referring a student with a disability to a law enforcement agency, the center (school) shall provide the information required by state and federal laws and regulations and shall ensure that copies of the special education and disciplinary records of the student are transmitted for consideration by these authorities. The center (school) shall ensure compliance with the Family Educational Rights and Privacy Act when transmitting copies of the student's special education and disciplinary records.[2][3][11][13][44][45].

Monitoring and Management

If a student has an Individualized Management Plan, the threat assessment team shall monitor the Individualized Management Plan and coordinate with the designated team or resource to provide support and follow-up assessment as necessary. Follow-up assessments, referrals, re-entry plans and other supports shall be documented as part of the student's Individualized Management Plan.

The threat assessment team, in coordination with the student's school district of residence, other appropriate teams and supports, shall determine when the student's Individualized Management Plan is no longer needed for disposition of the threat(s), and may transfer appropriate information in accordance with applicable law, regulations and Joint Operating Committee policy. [5][8][10][11][13][28]

Records Access and Confidentiality

In order to carry out their duties and facilitate the timely assessment of and intervention with students whose behavior may indicate a threat, the threat assessment team shall have access to the following student information to the extent permitted under applicable law and regulations: [1]

1. Student health records.[46][47]
2. Prior school disciplinary records.[11][13][48]
3. Records related to adjudication under applicable law and regulations.[48][49][50][51][52][53]
4. Records of prior behavioral or mental health or psychological evaluations or screenings maintained by the center (school).
5. Other records or information that may be relevant to evaluating a threat or determining treatment or referral options for a student that are maintained by the center (school).

The threat assessment team shall use all information or records obtained in fulfilling the team's duty in accordance with law to evaluate a threat or to recommend disposition of a threat. Team members shall not redisclose any record or information obtained or otherwise use any record of a student beyond the purpose for which the disclosure was made to the team, in accordance with law.[1]

The threat assessment team shall maintain confidentiality and handle all student records in accordance with applicable law, regulations, Joint Operating Committee policy, the Student Records Plan and the center (school)'s legal and investigative obligations.[2][3][5][8][11][12][13][21][48][54].

Threat assessment members whose other assignments and roles require confidentiality of specific student communications, in accordance with law, shall ensure that all confidential communications and information are addressed in accordance with applicable law, regulations, Joint Operating Committee policy and administrative regulations.[12][55][56][57][58].

Annual Joint Operating Committee Report

The threat assessment team shall provide the required information to the Administrative Director, in consultation with the School Safety and Security Coordinator, to annually develop and present to the Joint Operating Committee, at an executive session, a report outlining the center (school)'s approach to threat assessment, which shall include:^[1]

1. Verification that the center (school)'s threat assessment team and process complies with applicable law and regulations.
2. The number of threat assessment teams assigned in the center (school), and their composition.
3. The total number of threats assessed that year.
4. A summary of interactions with outside law enforcement agencies, juvenile probation and behavioral service providers.
5. An assessment of the center (school)'s threat assessment team(s) operation.
6. Recommendations for improvement of the center (school)'s threat assessment processes.
7. Any additional information required by the Administrative Director or designee.

~~{ } The annual threat assessment report shall be presented as part of the annual report to the Joint Operating Committee by the School Safety and Security Coordinator on school safety and security practices.^[1][6]~~

The threat assessment team's information addressing verification of compliance with law and regulations, the number of threat assessment teams assigned in the center (school) and their composition, the total number of threats assessed that year, and additional information required by the Administrative Director or designee shall be included in the School Safety and Security Coordinator's annual report on school safety and security practices that is submitted to the state's School Safety and Security Committee.^[1][6]^[59]

Title	Integrated Pest Management - Vol II 2026
Code	716
Status	First Reading

PURPOSE

The center (school) shall utilize integrated pest management procedures to manage structural and landscape pests and the toxic chemicals used for their control in order to alleviate pest problems with the least possible hazard to people, property and the environment.

DEFINITIONS

Integrated Pest Management (IPM) is the **managed use of combined pest control alternatives, including cultural, mechanical, biological and chemical to most effectively prevent or reduce to acceptable levels damage caused by pests.**[\[1\]](#)

Integrated Pest Management Plan is a plan that establishes a sustainable approach to managing pests by combining biological, cultural, physical and chemical tools in a way that minimizes economic, health and environmental risks.[\[2\]](#)

AUTHORITY

The Joint Operating Committee establishes that the center (school) shall use pesticides only after consideration of the full range of alternatives, based on analysis of environmental effects, safety, effectiveness and costs.[\[3\]](#)[\[4\]](#)

The Joint Operating Committee shall adopt an **IPM Plan** for the **center (school)** buildings and grounds that complies with policies and regulations promulgated by the Department of Agriculture.[\[2\]](#)[\[4\]](#)

The Joint Operating Committee shall designate an employee to **facilitate IPM for the district. The designated employee will be referred to as the center's (school's) IPM Coordinator or as otherwise specified at** the center (school).

DELEGATION OF RESPONSIBILITY

The IPM Coordinator shall be responsible to implement **the IPM Plan** and to coordinate communications between the center (school) and the approved contractor.

The IPM Coordinator shall be responsible to annually notify parents/guardians of the procedures for requesting notification of planned and emergency applications of pesticides in the **center (school)** buildings and on center (school) grounds.[\[5\]](#)

The IPM Coordinator shall maintain detailed records of all chemical pest control treatments for at least three (3) years. Information regarding pest management activities shall be available to the public at the administrative office.[5]

{X} Appropriate personnel involved in making decisions relative to pest management shall participate in **periodic training, as needed.**

GUIDELINES

Pest management strategies may include education, exclusion, sanitation, maintenance, biological and mechanical controls, and site appropriate pesticides.

{X} An **IPM** Plan shall include the education of staff, students and the public about IPM policies and procedures.

When pesticide applications are scheduled **for center (school)** buildings and grounds, the center (school) shall provide notification **at least seventy-two (72) hours in advance** in accordance with law, including:[5]

1. Posting a pest control sign in an appropriate area, **at the place to be treated. The sign shall remain in place for at least two (2) days following each planned treatment.**
2. Providing the pest control information sheet to all individuals working in the **affected** building.
3. Providing required notice to all parents/guardians of students or to a list of parents/guardians who have requested notification of individual applications of pesticides.

Where pests pose an immediate threat to the health and safety of students or employees, the center (school) may authorize an emergency pesticide application and shall notify by telephone any parent/guardian who has requested such notification.[5]
