Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1) (a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site. (ii) In the case of the governing body of a city of the second class or village or such body's advisory committee, such notice shall be published by: (A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site; or (B) Posting written notice in three conspicuous public places in such city or village. Such notice shall be posted in the same three places for each meeting. (iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of

an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if:

(d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; and

(e)(i) Except as provided in subdivision (2)(e)(ii) of this section, no more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference; or (ii) In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, such organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conferencing.

Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or entity or pool or at a place which will accommodate the anticipated audience;

(d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recodation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used;

(e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call;

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

FAQ for you and your School Board on the Proposed Health Standards

April 2021

Q: What are "Content Area Standards"?

- A: Content area standards reflect the knowledge and skills students are expected to learn in a given content area. Because these standards create a framework for teaching and learning, they articulate a trajectory for knowledge acquisition across all grade levels so student learning builds on prior knowledge, becoming more in-depth over time. By setting clear benchmarks for learning, content area standards provide guidance to teachers as they develop learning experiences. Currently, Rule 10 (004.01A & 004.01C) requires school districts to have written guides, frameworks, or standards for all content areas in elementary, middle, and high school instructional programs.

Q: What are the proposed health standards and how can I see them?

- A: The proposed standards are posted on the Health Education Standards Development Webpage: <https://www.education.ne.gov/healthed/health-education-standards-development/>
 - The direct link to the standards is located here: <https://cdn.education.ne.gov/wp-content/uploads/2021/03/Nebraska-Health-Education-Standards-DRAFT-1-Public-Input-with-colors.pdf>

Q: Because the draft standards being discussed are health standards, it is up to local school boards to adopt or not?

- A: Yes, local school boards will determine if they adopt the Nebraska Health Education Standards.
 - More specifically, schools in Nebraska are required to include health education within their instructional programs for elementary, middle, and high schools. The instructional programs are to have written guides, frameworks, or standards. Unlike reading, writing, mathematics, science, and social studies, public school districts and accredited nonpublic school systems are not required by law to adopt the state Nebraska Health Education Standards but are required to have standards in place for health education. The decision to utilize the Nebraska Health Education Standards, in whole or part, is determined by each local school district or school system.

Q: Who wrote these proposed standards?

- A: Historically, the NDE has used Nebraska educators to write and/or revise content area standards. For Health Education, applications were made available to Physical Education, Health Education, and Family and Consumer Science teachers and administrators. The writing team was selected from the submitted applications. The Nebraska educators participating in the writing team is posted here: <https://cdn.education.ne.gov/wp-content/uploads/2021/02/Nebraska-Health-Education-Standards-Draft-1-Information.pdf>

Q: What is the role of the State Board of Education in this process?

- A: Nebraska Revised Statute 79-760.01 requires the Nebraska State Board of Education to “adopt measurable academic content standards for at least the grade levels required for statewide assessment.” Those standards shall cover the subject areas of reading, writing, mathematics, science, and social studies, and the State Board of Education shall develop a plan to review and update standards for those subject areas every seven years.

- In addition to the content area standards required by statute, the Nebraska Department of Education has developed content area standards for fine arts, physical education, health education, and world languages, as well as course-based standards for Career and Technical Education. Although not required by law, these content area standards provide a framework for quality teaching and learning for all content areas.
- An overview of the process to develop and/or revise content area standards is included in the [NDE's Content Area Standards Reference Guide](#).

Q: What is the process/timeline for standard adoption?

- A: The State Board will continue to weigh public input. They took input at their April meeting and may continue to get input in subsequent months. The Board will take final action on the draft standards likely in the Fall of 2021.

E. Services: Requests, Cost, and Payment

1. Services to Member School Districts. Services to be provided member school districts are determined by the ESU Board acting upon recommendations of the Advisory Committee and, where the service involves use of core service funds or funds generated by the ESU property tax, obtaining the requisite approval for services from member school districts.

Services are to be annually reviewed by the Administrator and Advisory Committee. Requests for new services are to be made to the Administrator and, if interest is sufficient, brought before the Advisory Committee and the ESU Board.

Services provided to any member school at no charge will be available to all member schools at no charge. Where costs are charged, the amount shall be determined in a manner that reflects the estimated actual cost that will be incurred in providing the service, including annual operational costs of the ESU. The cost of services provided to member schools at a cost shall be based on the cost of providing the service to each member school proportionate to usage. Payments shall be due at such time as established by the Board for the particular services.

2. Services to Non-Member School Districts. Services to be provided to non-member school districts are determined by the ESU Board acting upon recommendations of the Administrator. Written requests for such services shall be submitted to the Administrator.

The costs of the requested programs or services are to be based on the following:

- a. A proportionate share of the annual operational costs of the ESU must be paid by the school requesting services as a part of purchasing any one or multiple programs or services. This cost will be assessed based upon the valuation of the district divided by the total valuation of the ESU. This obtained factor will then be multiplied by the total operational cost of the ESU. The operational cost of the ESU shall include, but not be limited to the budgeted amount for the expenses of the Board, administration, central office, bookkeeping, operation of plant, and maintenance of plant.
- b. A program cost will be the proportional factor, as determined above, times the specific program budget or the calculated cost of the service, whichever is greater.
- c. A flat surcharge percentage, as determined by the board, will be applied to the above sum.
- d. Should a requesting school belong to another ESU and the other ESU extends reciprocal charges to ESU 1 schools, the charge will be limited to the calculated cost.

Payments shall be due at such time as established by the Board for the particular services.

ESSA funds shall not be used to provide services otherwise required by law to be made available.

No employee, officer, or agent of the ESU may solicit or accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.

Section 6 Conflicts of Interest

A. Use of Public Resources by Board Members and Employees

Restrictions on Use

No Board member or employee of ESU 1 shall use or authorize the use of his or her public office or any confidential information received through the holding of the public office to obtain financial gain, other than compensation provided by law, for himself or herself, a member of his or her immediate family, or a business with which the individual is associated.

No Board member or employee shall use or authorize the use of ESU personnel, resources, property, or funds under his or her official care and control other than in accordance with prescribed constitutional, statutory, and regulatory procedures or use such items, other than compensation provided by law, for personal financial gain.

No Board member or employee shall use or authorize the use of ESU resources for the purpose of campaigning for or against the nomination or election of a candidate or the qualification, passage, or defeat of a ballot question. For purposes of this restriction, “ESU resources” means personnel, property, resources, or funds under the official care and control of the Board member or employee.

Authorized Uses

The uses described below are not authorized by employees, and violate this policy, where an employee’s use: (1) interferes with the conduct of ESU business; (2) interferes with the

performance of the employee's duties and responsibilities; (3) is contrary to another Board policy or a rule or directive set forth in an employee handbook or other employee communication device; (4) is contrary to a supervisor's directive; or (5) the use is for the employee's personal financial gain or potential for personal financial gain.

Incidental or De Minimis Use: Use of ESU resources by a Board member or employee which is incidental or de minimis does not constitute a violation of this policy.

Personal Use as Part of Compensation: Use of ESU resources for personal purposes is authorized by this policy if:

1. the use of the resource for personal purposes is part of the employee's compensation provided in an employment contract or is consistent with this policy; and
2. the personal use of the resource as compensation is reported in accordance with the Internal Revenue Code of 1986, as amended, and taxes, if any, are paid by the affected employee.

Employees who engage in such personal use shall, upon request of the Board or the administration, provide evidence to establish that the compensation has been reported and taxes paid as required by the Tax Code.

Communication Devices: A Board member or employee may use a telecommunication system, a cellular telephone, an electronic handheld device, or a computer under the control of the ESU for email, text messaging, a local call, or a long-distance call, to a child at home, a teacher, a doctor, a day care center, a baby-sitter, a family member, or any other person to inform any such person of an unexpected schedule change or for other essential personal business. Any such communication shall be kept to a minimum and shall not interfere with the conduct of ESU business or the performance of an employee's duties.

A Board member or employee shall be responsible for payment or reimbursement of charges (e.g. long distance charges), if any, that directly results from any such communication. The Board member or employee shall promptly report any such communication that results in an expense to ESU #1 to the Administrator or the Administrator's designee. The Administrator or the Administrator's designee shall establish procedures for reimbursement of charges incurred as a result of such communications.

Use of the District's Internet system for such communications shall not be permitted to the extent such use violates the terms of the E-Rate program, which restricts use of the Internet system to "educational purposes."

Election Issues: A Board member or the Administrator, in the normal course of his or her duties, may use ESU resources to research and prepare materials to assist the Board in determining the effect of a ballot question on the ESU.

Mass mailings, mass duplication, or other mass communications at ESU expense for the purpose of qualifying, supporting, or opposing a ballot question is not permitted. Mass communications

does not include placing public records demonstrating the consequences of the passage or defeat of a ballot question affecting the ESU on its existing websites.

A Board member or employee may campaign for or against the qualification, passage, or defeat of a ballot question or the nomination or election of a candidate when no ESU resources are used. An employee shall not engage in campaign activity for or against the qualification, passage, or defeat of a ballot question or the nomination or election of a candidate while on duty time.

A Board member or authorized employee may make ESU facilities available for campaign purposes if the identity of the candidate or the support for or opposition to the ballot question is not a factor in making the facilities available or a factor in determining the cost or conditions of use.

The ESU Board may discuss and vote upon a resolution supporting or opposing a ballot question.

A Board member may respond to specific inquiries by the press or the public as to his or her opinion regarding a ballot question or provide information in response to a request for information.

A Board member or employee may identify himself or herself by his or her official title when communicating about a ballot question. Employees who do so shall clearly communicate that their communication is their personal opinion and does not reflect the position or views of the Board or the ESU unless express authorization is given by the Board or the Administrator.

B. Interest in Contracts

Any contract whether oral or written, formal or informal, and including open accounts, is voidable if a member of the Board is directly or indirectly interested in the contract and legal reporting, and disclosure and abstention requirements are not met. Board members with such an interest shall therefore:

1. Make a declaration on the record regarding the nature of the interest prior to official consideration of the contract.
2. Not participate in consideration or discussion of the contract.
3. Not vote on the granting of the contract. Provided, if the number of members of the Board declaring an interest in the contract would prevent the Board with all members present from securing a quorum in the issue, then all members may vote on the matter.
4. Not in any way participate in the inspection, operation, administration or performance under the contract on the part of the ESU.

Legal Reference:	§ 49-14,103.01

C. Other Conflict of Interest

Members of the Board shall abstain from voting on matters on which they may have a conflict of interest. A conflict of interest for this purpose means a decision in the discharge of duties that may cause financial benefit or detriment to the Board member, a member of the Board member's immediate family (which means a child residing in the Board member's household, a Board member's spouse or an individual claimed by that Board member or the Board member's spouse as a dependent for federal income tax purposes), or a business with which the Board member is associated, which is distinguishable from the effects of such action on the public generally or a broad segment of the public.

The Board member with such a conflict of interest shall take the following actions as soon as the Board member is aware of such potential conflict or should reasonably be aware of such potential conflict, whichever is sooner:

1. Prepare a written statement describing the matter requiring action or decision and the nature of the potential conflict; and,
2. Deliver a copy of the statement to the Secretary of the Board, who shall enter the statement into the public records of the ESU.
3. Take such action as the Commission shall advise or prescribe to remove the Board member from influence over the action or decision in the matter.

A Board member shall nonetheless not be prevented from making or participating in the making of an ESU-related decision to the extent that the Board member's participation is legally required for the action or decision to be made. In such event, the Board member shall report the occurrence to the Commission. Nor shall a conflict of interest of a Board member prevent a Board member from serving on the Board or restrict the hiring or purchasing practices of the ESU.

To assist in compliance with the conflict of interest policies and laws, the Administrator or the Administrator's designee, shall provide each Board member with copies of state statutes of Nebraska pertaining to conflicts of interest at the organizational meeting in January of each year. In addition, any newly appointed or elected Board member shall be provided such statutes.

Further, when possible, the Administrator or the Administrator's designee shall provide each Board member with a list of financial matters on the agenda to come before the Board at the next regular meeting in sufficient detail to allow the Board member to identify potential conflicts of interest and report and receive advice from the Commission.

1. Names of the contracting parties.
2. Nature of the interest of the Board member.
3. Date that the contract was approved by the Board.
4. Amount of the contract.
5. Basic terms of the contract.

The ESU's facilities are designated as nonpublic forums. Accordingly, applications shall not be accepted for:

- a. Uses that may conflict with or that disrupt the ESU's programs.
- b. Uses inconsistent with the mission of the ESU.
- c. Uses that present an unacceptable risk that the conditions of use set forth in this policy will not be adhered to; either due to the nature of the requested use or the character of the group or individuals within the group.
- d. Uses that present an unacceptable risk of damage or unacceptable wear and tear to facilities or equipment.

- e. Uses for outside commercial activities except with approval of the Board; and except for camps and other activities for high school students subject to and consistent with Bylaws of the Nebraska School Activities Association.
- f. Uses that involve gambling or games of chance.
- g. Uses that involve a group or activity which advocates or condones the violent overthrow of the Constitution or of the government.
- h. Uses that involve the meetings of secret clubs not open to members of the public.
- i. Non-community type uses such as wedding receptions, slumber parties, personal use and similar activities.

Applications for use of facilities may be denied based on unsuitability of the date or time of the requested use. Facilities will generally not be available for community use at times when ESU staff are not available to monitor the Applicant's use, such as on legal holidays; before 7:00 a.m.; after 10:00 p.m. and Sunday mornings prior to Noon.

Leases of ESU facilities require approval of the Board. As such, Applications that request long-term use of facilities in the nature of a lease will be denied.

Applications may be denied based on the determination of the Administrator or the Administrator's designee that the Applicant does not have the financial ability or financial responsibility to pay fees or expenses or to reimburse the ESU for any damages that may be sustained to facilities or equipment or any liability that may be created by the use.

When an Application conflicts with another Application, the Applications will be accepted according to the following priority order:

- a. Events or activities that are designed to serve member schools or which are related to any function of the ESU, including approved ESU-community associations and ESU-affiliated non-profit groups.
- b. Tax-supported agencies such as educational entities or units of city, county or state government.
- c. Nonprofit community agencies such as private educational agencies.
- d. Groups where the majority of the members reside within the ESU.

For use conflicts within each group, priority will be given to the first to submit their Application; provided that the Administrator or the Administrator's designee may approve an Application that is not first-filed if the other Applicant's use could be feasibly changed to a non-conflicting time or area.

Applications that are accepted may not be assigned or transferred to another outside group.

Applications that are accepted are subject to cancellation by the Administrator or the Administrator's designee. Cancellation will occur in the event the administration reasonably determines:

- a. Any of the reasons for non-acceptance of an application exist.

- b. The Applicant fails to meet any term or condition required prior to the use. This includes but is not limited to failure of the Applicant to pay required fees or deposits or failure to show evidence that any required insurance is in place.
- c. Circumstances make the use unsuitable. This includes but is not limited to:
 - i. The condition of the facilities being unsafe. For example, the presence of snow, ice, fallen limbs or other potential hazards that the ESU would not otherwise clear prior to the activity or event. The Applicant may request that the ESU clear the hazards such that it may proceed with its activity or event. If the ESU agrees to do so, the Applicant shall be responsible for all costs incurred by the ESU in clearing the hazard.
 - ii. ESU staff being unavailable to monitor the use or to provide set-up or clean-up services where the ESU has accepted responsibility for such.
 - iii. The need to use the facilities for an ESU activity or purpose.

Generally, if the ESU office is closed on the date of the Applicant's intended use due to inclement weather or hazardous conditions, the Applicant's use will be cancelled.

The Applicant shall remain responsible for fees or expenses, and any deposit that has been received by the ESU shall be forfeited and be kept by the ESU, if cancellation occurs because of the fault of the Applicant. Otherwise, the ESU will return any deposit that has been received by the ESU. The ESU will in no event be responsible for any damages, expenses, or losses incurred by the Applicant or any person arising from the cancellation.

An Applicant may withdraw its Application at any time prior to acceptance. An accepted application may be withdrawn by the Applicant, subject to approval of the Administrator or the Administrator's designee. Approval is subject to the conditions that the Applicant has given reasonable advance notice (ordinarily, at least 48 hours) and that the Applicant reimburse the ESU for any expense the ESU has incurred.

3. Conditions of Use.

The conditions for use are as follows:

- a. Compliance. Applicant agrees to:
 - i. Comply with all local, state and federal laws, including health and fire codes.
 - ii. Comply with Board policies concerning non-discrimination and the use of ESU facilities.
 - iii. Comply with reasonable administrative rules related to use of facilities and the requests of ESU officials related to the Applicant's use of the facility.
- b. Disclaim ESU Sponsorship. The ESU does not sponsor or endorse the Applicant or the activity or event conducted by the Applicant. To ensure that the public understands this fact, the Applicant agrees to not make any statements suggesting such sponsorship and to publish statements of non-ESU sponsorship in such form and manner as the administration may request.

- c. Supervision. Applicant agrees to provide appropriate supervision of the activity or event in all respects, including supervision reasonably necessary to ensure that no person participating in or attending the activity or event:
- i. Is presented with conditions that pose an unreasonable risk of personal injury or damage to personal property.
 - ii. Enters any area of the ESU facilities that the Applicant has not been given permission to use, or accesses any ESU records.
 - iii. Engages in the use of tobacco, alcohol, or illegal drugs, or is under the influence of alcohol or illegal drugs.
 - iv. Possesses a firearm or a weapon.
 - v. Engages in disorderly, lewd, or lascivious conduct.
 - vi. Engages in any criminal behavior.

Applicant shall remove any person from the activity or event who engages in any of the above listed conduct. Applicant agrees to report to the ESU administration by the close of the next business day the identity of any person who engaged in any of the above listed conduct and the details of the conduct. If the offending person is a student, the report shall be made immediately.

In the event the ESU administration determines that the nature of the activity or event warrants the presence of security services, Applicant agrees to provide such security services.

Applicant agrees to ensure that all persons attending its activity or event are off ESU grounds at the end of its time of permitted use, except for ESU staff or others who are authorized to remain for an ESU-related purpose.

- d. Condition of Premises. Applicant agrees to:
- i. Conduct a reasonable inspection of the premises prior to the activity or event to ensure that the premises are safe for the intended use. In the event of any unsafe condition, Applicant shall notify an administrator. In the event the unsafe condition is not corrected prior to the activity or event, the Applicant shall postpone or cancel the activity or event.
 - ii. Not use or allow any ESU equipment to be used without express approval of ESU administration.
 - iii. Not bring or allow others to bring food or beverages on to ESU grounds without express approval of ESU administration.
 - iv. Not bring or allow others to bring or use any flammable items (including candles or incense) or any volatile chemical or any explosive.
 - v. Not use any electrical equipment that has been brought onto the premises without express approval of ESU administration.
 - vi. Not allow the wearing of street shoes or shoes with black soles on gym floors or other protected surfaces.
 - vii. Not cause or allow others to cause damage to ESU facilities or equipment.

1. In the event damages are sustained, Applicant accepts responsibility for reimbursing the ESU for the cost of repair or replacement.
 2. Applicant agrees that the ESU administration's determination that damage was sustained in connection with the Applicant's use, and of the cost of repair or replacement, is controlling.
 3. Applicant shall immediately report to the ESU administration any damage to ESU facilities or equipment that occurs during the Applicant's use of ESU facilities that may present a risk of injury to students or any subsequent users. Any other damage shall be reported by the close of the next business day.
- viii. Return the facilities in as good a condition as it was prior to use. This includes, without limitation, cleaning, removal of trash, and returning tables and chairs and other ESU property to their proper location. The clean-up shall be promptly completed. In the event the ESU provides the clean-up service, Applicant agrees to reimburse the ESU for the cost of such clean-up.
- ix. Remove any property brought in by the Applicant and by any person attending the activity or event. The ESU is not responsible for any personal property that is left on the premises.
- e. Financial Responsibility. Applicant agrees to:
- i. Procure, at its own expense, a Comprehensive General Liability insurance policy naming the ESU as an additional insured. This policy shall be written with a minimum of \$1,000,000 Combined Single Limit per occurrence. A Certificate of Insurance evidencing coverage must be submitted prior to the Applicant's use.
 - ii. The insurance requirement is subject to waiver by the Administrator or the Administrator's designee where the intended use presents very little potential for injury or damage and the activity or event is designed to serve the ESU's staff or member schools or students of member schools.
 - iii. Indemnify and hold the ESU, the Board, ESU employees and agents of the ESU harmless from any and all claims, demands, causes of action, or lawsuits for any death or personal injury or damage to property sustained during, caused by or arising out of the Applicant's use of ESU facilities.

4. Fees for Use.

The Administrator or Administrator's designee shall establish a daily use fee schedule that establishes rates for specific parts of the ESU facilities. The rates shall be reviewed on a periodic basis; with the review to occur no less than every two years.

The fee rates shall be in an amount sufficient to cover estimated staff time and direct costs associated with:

- a. Processing. Cost of processing the Application, postage, invoicing and coordination of the use.

- b. Access. Cost of providing access; such as unlocking doors before use and locking after use, turning lights on and off, and disarming/re-arming security systems.
- c. Custodial. Cost of providing custodial or maintenance services to prepare the facility for the use and for clean-up after the use.
- d. Kitchen. Cost of providing access to the kitchen facilities; as ordinarily any permitted use of the kitchen will require the presence of a member of the ESU responsible for the food service area.
- e. Special Equipment. Cost of making special equipment available such as sound and lighting set-up; as ordinarily any permitted use of special equipment will require the presence of a member of the ESU staff who is familiar with proper use of the equipment.
- f. Monitoring. Cost of administrative or other professional staff to monitor the Applicant's use to ensure compliance with the terms and conditions of the permitted use.
- g. Security. Cost of providing security services when determined to be needed for the activity or event.

The fee schedule shall be applied evenly to all Applicants, with two exceptions:

- a. A different fee may be assessed where the Administrator or Administrator's designee reasonably determines that the Applicant's use will require staff time or cause direct costs different than those used in establishing the fee schedule.
- b. A fee waiver or reduced fee rate shall be given for use where the activity or event is designed to serve the ESU's staff or member schools or students of member schools.

B. Tobacco

The use of tobacco products is prohibited in all buildings and all vehicles owned or under the control of the ESU. Smoking is also prohibited in any outdoor areas where others may be affected by smoke, including areas near the entry of buildings.

For purposes of this policy, tobacco means any tobacco product (including but not limited to cigarettes, cigars, and chewing tobacco), vapor products (such as e-cigarettes), alternative nicotine products, tobacco product look-alikes, and products intended to replicate tobacco products either by appearance or effect. This does not preclude adults from wearing non-visible nicotine patches, or using nicotine gum without displaying the product container, as part of a smoking cessation program.

D. Trespassers

Restrictions on the use of ESU 1 buildings and property within the control of the ESU may be implemented by administrative action. The Board gives the Administrator and all administrative staff and their designees' full power and authority to implement and enforce restrictions on access to such property and to issue no trespassing commands and stay away/no trespassing letters. Such action shall be taken consistent with constitutional and other legal rights.

The Administrator and all administrative staff and their designees shall have full power and authority to direct any individual or group to leave any ESU building and any property within the control of the ESU and to stay away where such individual or group:

1. has failed to comply with identification or check-in procedures,
2. is determined by such administrators or designees to not have a legitimate purpose to be on the property, or
3. is determined by such administrators or designees to present a risk to the safety of building users (for example, if the person is a registered sex offender) or a risk of disruption to the operations or programs of the ESU.

A refusal to leave or stay away as directed will be considered trespassing and shall be reported by the administrators or their designees to proper law enforcement authorities.

F. Bulletin Boards and Web Page

ESU bulletin boards and electronic media (web page) and other communication devices are maintained for the purposes of conveying information about ESU activities and programs and for educational purposes related to such activities and programs. The ESU’s communication devices are designated as non-public forums, meaning that the devices are not open for public use.

G. Internet Safety Policy

It is the policy of the ESU to comply with the Children’s Internet Protection Act (CIPA) and Children’s Online Privacy Protection Act (COPPA). With respect to the ESU’s computer network, the ESU shall: (a) protect against user access to, or transmission of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) provide for the safety and security of minors when using electronic mail, chat rooms, and other forms of direct electronic communications; (c) protect against unauthorized access, including so-called “hacking,” and other unlawful activities online; (d) protect against unauthorized online disclosure, use, or dissemination of personal identification information of minors; (e) obtain verifiable parental consent before allowing third parties to collect personal information online from students; and (f) implement measures designed to restrict minors’ access to materials (visual or non-visual) that are harmful to minors.

1. Definitions. Key terms are as defined in CIPA. “Inappropriate material” for purposes of this policy includes material that is obscene, child pornography, or harmful to minors. The term “harmful to minors” means any picture, image, graphic image file, or other visual depiction that: (1) taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion; (2) depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and (3) taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.
2. Access to Inappropriate Material. To the extent practical, technology protection measures (or “Internet filters”) shall be used to block or filter Internet, or other forms of electronic communications, access to inappropriate information. Specifically, as required by the CIPA, blocking shall be applied to visual depictions of material deemed obscene or child pornography, or to any material deemed harmful to minors. Subject to staff supervision, technology protection measures may be disabled or, in the case of minors, minimized only for bona fide research or other lawful purposes.
3. Inappropriate Network Usage. To the extent practical, steps shall be taken to promote the safety and security of users of the ESU’s online computer network when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communications. Specifically, as required by CIPA, prevention of inappropriate network usage includes: (a) unauthorized access, including so-called ‘hacking,’ and other unlawful activities; and (b) unauthorized disclosure, use, and dissemination of personal identification information regarding minors.
4. Supervision and Monitoring. It shall be the responsibility of all members of the ESU staff to supervise and monitor usage of the online computer network and access to the Internet in accordance with this policy and CIPA. Procedures for the disabling or otherwise modifying any technology protection measures shall be the responsibility of the Administrator and the Administrator’s designees.
5. Parental Consent. The ESU shall obtain verifiable parental consent prior to students providing or otherwise disclosing personal information online.
6. Adoption. This Internet Safety Policy was adopted by the Board at a public meeting, following normal public notice.

H. Computer Acceptable Use Policy

This computer acceptable use policy is supplemental to the ESU’s Internet Safety Policy.

1. Technology Subject to this Policy. This Computer Acceptable Use Policy applies to all technology resources of the ESU or made available by the ESU. Technology

resources include, without limitation, computers and related technology equipment, all forms of e-mail and electronic communications, and the internet.

2. Access and User Agreements. Use of the ESU technology resources is a privilege and not a right. The Administrator or designee shall develop appropriate user agreements and shall require employees, students (and their parents or guardians), and others to sign such user agreements as a condition of access to the technology resources, as the Administrator determines appropriate. Parents and guardians of students in programs operated by the ESU shall inform the Administrator or designee in writing if they do not want their child to have access.

The Administrator and designees are authorized and directed to establish and implement such other regulations, forms, procedures, guidelines, and standards to implement this Policy.

The technology resources are not a public forum. The ESU reserves the right to restrict any communications and to remove communications that have been posted.

3. Acceptable Uses. The technology resources are to be used for the limited purpose of advancing the ESU's mission. The technology resources are to be used, in general, for educational purposes, meaning activities that are integral, immediate, and proximate to the education of students as defined in the E-rate program regulations.

4. Unacceptable Uses.

The following are unacceptable uses of the technology resources:

- a. **Personal Gain:** Technology resources shall not be used, and no person shall authorize its use, for personal financial gain other than in accordance with prescribed constitutional, statutory, and regulatory procedures, other than compensation provided by law.
- b. **Personal Matters:** Technology resources shall not be used, and no person shall authorize its use, for personal matters unless the User has entered into a lease agreement or other similar agreement with the ESU that makes such use permissible under law.

Occasional use that the Administrator or designee determines to ultimately facilitate the mission of the ESU is not prohibited by this provision. Examples of occasional use that may be determined to ultimately facilitate the mission of the ESU: sending an e-mail to a minor child or spouse; sending an e-mail related to a community group in which an employee is a member where the membership in the community group facilitates the ESU's mission.

This occasional use exception does not permit use by employees contrary to the expectations of their position. For example, employees may not play

games or surf the net for purposes not directly related to their job during duty time; nor may students do so during instructional time.

The occasional use exception also does not permit use of the technology resources for private business, such as searching for or ordering items on the internet for personal use; or sending an e-mail related to one's own private consulting business.

- c. Campaigning: Technology resources shall not be used, and no person shall authorize its use, for the purpose of campaigning for or against the nomination or election of a candidate or the qualification, passage, or defeat of a ballot question.

- d. Technology-Related Limitations: Technology resources shall not be used in any manner which impairs its effective operations or the rights of other technology users. Without limitation,
 - 1. Users shall not use another person's name, log-on, password, or files for any reason, or allow another to use their password (except for authorized staff members).
 - 2. Users shall not erase, remake, or make unusable another person's computer, information, files, programs or disks.
 - 3. Users shall not access resources not specifically granted to the user or engage in electronic trespassing.
 - 4. Users shall not engage in "hacking" to gain unauthorized access to the operating system software or unauthorized access to the system of other users.
 - 5. Users shall not copy, change, or transfer any software without permission from the network administrators.
 - 6. Users shall not write, produce, generate, copy, propagate, or attempt to introduce any computer code designed to self-replicate, damage, or otherwise hinder the performance of any computer's memory, file system, or software. Such software is often called a bug, virus, worm, Trojan horse, or similar name.
 - 7. Users shall not engage in any form of vandalism of the technology resources.
 - 8. Users shall follow the generally accepted rules of network etiquette. The Administrator or designees may further define such rules.

- e. Other Policies and Laws: Technology resources shall not be used for any purpose contrary to any ESU policy, any school rules to which a student user is subject, or any applicable law. Without limitation, this means that technology resources may not be used:
 - 1. to access any material contrary to the Internet Safety Policy; or to create or generate any such material.
 - 2. to engage in unlawful harassment or discrimination, such as sending e-mails that contain sexual jokes or images.

3. to engage in violations of employee ethical standards and employee standards of performance, such as sending e-mails that are threatening or offensive or which contain abusive language; use of end messages on e-mails that may imply that the ESU is supportive of a particular religion or religious belief system, a political candidate or issue, or a controversial issue; or sending e-mails that divulge protected confidential student information to unauthorized persons.
 4. to engage in or promote violations of student conduct rules.
 5. to engage in illegal activity, such as gambling.
 6. in a manner contrary to copyright laws.
 7. in a manner contrary to software licenses.
5. Disclaimer. The technology resources are supplied on an “as is, as available” basis. The ESU does not imply or expressly warrant that any information accessed will be valuable or fit for a particular purpose or that the system will operate error free. The ESU is not responsible for the integrity of information accessed, or software downloaded from the Internet.
6. Filter. A technology protection measure is in place that blocks and/or filters access to prevent access to Internet sites that are not in accordance with policies and regulations. In addition to blocks and/or filters, the ESU may also use other technology protection measures or procedures as deemed appropriate.

Notwithstanding technology protection measures, some inappropriate material may be accessible by the Internet, including material that is illegal, defamatory, inaccurate, or potentially offensive to some people. Users accept the risk of access to such material and responsibility for promptly exiting any such material.

The technology protection measure that blocks and/or filters Internet access may be disabled only by an authorized staff member for bona fide research or educational purposes: (a) who has successfully completed ESU training on proper disabling circumstances and procedures, (b) with permission of the immediate supervisor of the staff member requesting said disabling, or (c) with the permission of the Administrator. An authorized staff member may override the technology protection measure that blocks and/or filters Internet access for a minor to access a site for bona fide research or other lawful purposes provided the minor is monitored directly by an authorized staff member.

7. Monitoring. Use of the technology resources, including but not limited to internet sites visited and e-mail transmitted or received, is subject to monitoring by the administration and network administrators at any time to maintain the system and insure that users are using the system responsibly, without notice to the users. Users have no privacy rights or expectations of privacy with regard to use of the ESU’s computers or Internet system. All technology equipment shall be used under the supervision of the Administrator and the Administrator’s designees.

8. Sanctions. Violation of the policies and procedures concerning the use of the ESU technology resources may result in suspension or cancellation of the privilege to use the technology resources and disciplinary action, up to and including expulsion of students and termination of employees. Use that is unethical may be reported to the Commissioner of Education. Use that is unlawful may be reported to the law enforcement authorities. Users shall be responsible for damages caused and injuries sustained by improper or non-permitted use.

I. Recording of Others

To ensure the privacy and confidentiality of student information, no person is authorized to record or transmit any sound or image of any person (including themselves) without the prior consent or authorization of either (1) the person or persons being recorded or whose image or sound is being transmitted or (2) the Administrator or Administrator’s designee. This prohibition applies to all persons, including staff, students and community members, regardless of the content or context of the image or sound; however, this provision shall not apply to ESU-sponsored athletic or activity events where the focus of the recording or transmission is on the student performances or activity. Nothing in this provision shall prohibit the recording of an Individualized Education Program meeting if the recording is necessary to ensure that the parent understands the IEP or the IEP process or to implement other parental rights guaranteed by the Individuals with Disabilities Education Act.

J. Fire Drills

Fire drills shall be conducted at such times and manner as is required by the State Fire Marshal. The frequency of the fire drills shall be as follows:

1. at a sufficient frequency to familiarize occupants with the drill procedure as a matter of routine;
2. every month in each ESU #1 building in which the facility is in session;
3. subject to the exception that a monthly drill may be deferred in months of severe weather, provided that the required number of annual drills is achieved and not less than four are conducted before the drills are deferred; and
4. one additional drill shall be conducted within the first 30 days of an ESU #1 school year.

The manner of conducting fire drills shall be as follows:

1. emphasis shall be on conducting an orderly evacuation, rather than speed;
2. under varying conditions and at expected and unexpected times;
3. participants shall relocate to a predetermined location and remain until recalled or dismissed; and
4. all emergency and relocation drill alarms shall be sounded

K. Crisis Plans

Crisis Plans for emergency responses and directions for tornado, evacuation, lockdown, lockout, shelter in place and fire drill activities have been developed. To be in compliance with the fire code, there are to be nine fire evacuation exercises each ESU #1 school year. Two tornado drills are to be exercised and two lockdown drills practiced each ESU #1 school year.

Since many parents may not be at home, all children and faculty will be normally retained at the ESU #1 building in case of extreme emergency. The ESU #1 notification system will be activated to inform parents and guardians regarding where children may be picked up at ESU #1 facility or at the evacuation site.

Section 8 Disposal of Property

The Administrator or designee is authorized and directed to dispose of books, furniture, equipment, real estate and other property which is no longer of use to the ESU. Items which are of little or no value will be discarded or recycled, as appropriate. Items which are discarded remain the property of the ESU until no longer within its control. As such, employees are not to pull discarded items

from the trash for personal use without express permission of the Administrator or designee, and proper payment where determined appropriate.

Items to be disposed of which have more than minimal value shall be sold by private sale, auction, trade-in, or by taking bids and selling to the highest or most responsible bidder. The Board shall approve the sale of any items or related grouping of items which have a value in excess of \$5,000.

The following procedures shall be followed for an auction or when taking bids:

1. The intention to sell shall be publicized, via newsletter, an ESU bulletin board or webpage posting, an NSBA, NCSA or similar association webpage or publication, a newspaper advertisement, or other means suitable to the value and nature of the property.
2. Real estate will be sold to the highest bidder, except that a minimum acceptable price may be established prior to bidding.
3. Items shall in general be sold to the highest offer or highest bidder. However, where the item or related grouping of items which has a value less than \$5,000, preference may be given to, and a lower offer accepted from, buyers within the following order of priority: an ESU member school, another ESU, another political subdivision within the ESU, a charitable organization active within the ESU boundaries, and another political subdivision.

Items which are offered for sale in an approved manner which are not sold after a reasonable period of time may be considered to have no value and may be disposed of as determined by the Administrator or designee and reported to the Board.

Section 9 Records Management

A. Records Management and Disposition

1. General Standard. Records should generally be organized, managed, retained and disposed of in accordance with law and the Secretary of State's schedules for retention and disposition of public records.
2. Records Officer. The Administrator is hereby designated as the records officer of the ESU for purposes of this policy. Any questions about the type or category of a record or the required retention period for it should be addressed to the records officer.
3. Electronic Messages. Electronic messages are communications using an electronic system for the conduct of ESU ___ business internally, between other state and local government agencies, and with parents, students, patrons and others in the outside world. These messages may be in the form of e-mail, electronic document

exchange (electronic fax), and electronic data interchange (EDI). In this policy, the terms electronic messages and e-mail are used, depending on the context, to mean the same thing. ESU ___'s electronic system in which records are collected, organized, and categorized to facilitate preservation, retrieval, use, and disposition is as follows:

- a. *End-User Management.* End-user means anyone who creates or receives electronic messages on the ESU's electronic system. Electronic messages are to be managed at the end-user's desktop rather than from a central point. Each end-user is responsible for organizing, managing and disposing of records that are part of his or her desktop computer.
- b. *Categories for Retention.* Electronic messages fall within three categories: (1) transitory messages; (2) records with a less than permanent retention period; and (3) records with a permanent retention period. End-users are to organize, store, retain and dispose of electronic messages according to these three categories. This means determining which electronic messages require long-term retention, determining who is responsible for making this decision, and establishing storage and disposition requirements for electronic messages.
 - i. *Transitory messages.* Transitory messages include copies posted to several persons and casual and routine communications similar to telephone conversations. For example, as determined on an individual case-by-case basis by the end-user, transitory messages include certain embryonic materials, notes or drafts; unwanted and unneeded "junk" mail; "personal" mail for employees not related to ESU business; unsolicited sectarian, religious, partisan, political or commercial messages, or political advertising or advertisements promoting particular personal or religious beliefs, a specific ballot question, or controversial topics or positions. There is no retention requirement for transitory messages. Employees sending or receiving such communications may delete them immediately without obtaining approval.
 - ii. *Less than permanent retention records.* These records are governed by the retention period for equivalent hard copy records as specified in the approved records retention and disposition schedules. These records should be converted to hard copy (printed) or an electronic format which can be retrieved and interpreted (downloaded) for the legal retention period. Employees creating or receiving such communications may delete or destroy the records only according to the applicable retention schedule. Questions relating to the retention or destruction of these records should be referred to the records officer.
 - iii. *Permanent/archival retention records.* These are records scheduled for transfer to the Nebraska State Historical Society (NSHS). Decisions relating to such records should be made by the records officer in consultation with NSHS, and the State Records

Administrator about either transferring the records or maintaining them in the agency of origin. If the transfer decision is made, the method, frequency and format of the transfer should be determined cooperatively by the records officer, the NSHS, and the State Records Administrator.

- c. *Electronic Storage Limitations.* ESU 1's computer systems have storage limitations. E-mails are deleted by the computer system within five (5) days to avoid operational problems. End-users are instructed that electronic messages that are required to be maintained past that time period should be converted to hard copy (printed) or an electronic format which can be retrieved and interpreted (downloaded) for the legal retention period. The retention period for the particular record is the best indicator of which storage medium or format to choose.
- d. *Proper Use of Electronic Messages.*
 - i. *Non-Discrimination.* Electronic messaging is not permitted to be used to promote discrimination on the basis of sex, disability, race, color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, or other protected status in its programs and activities.
 - ii. *Permissible Use.* Electronic messaging is to be used only for purposes that are consistent with the mission of ESU 1. Electronic messaging is not permitted to be used for personal purposes except for: incidental, intermittent or occasional use which does not interfere with performance of duties as determined by the administration, use that is authorized pursuant to an individual use agreement, and use that represents a form of the employee's compensation. Electronic messaging is not permitted to be used for personal financial gain or for the purpose of campaigning for or against the nomination or election of a candidate or the qualification, passage, or defeat of a ballot question. Electronic messaging is not permitted to be used for purposes of assisting a non-profit organization except when and to the extent such use serves a purpose consistent with the mission of ESU 1 or facilitates ESU 1 business.
 - iii. *Conduct.* Employees shall not read electronic messages received by another employee when there is no work-related purpose for doing so, send electronic messages under another employee's name without the employee's consent or administrative authorization, or change or alter any portion of a previously sent electronic message without administrative authorization.
 - iv. *Other Regulations.* Electronic messaging is subject to all requirements of ESU 1's computer use policies and may be monitored and accessed at any time without prior notice. ESU 1 has

complete authority to regulate all electronic messaging. Electronic messaging is a privilege and not a property right and is not a public forum. Electronic messaging is made available subject to all board policy and regulations, these regulations, administrative guidelines, use agreements, handbook provisions, and all administrative orders or directives as issued from time to time.

4. Electronic Records. All books, papers, documents, reports, and records kept by the ESU may be retained as electronic records. Minutes of the meetings of the Board may be kept as an electronic record.
5. Litigation Holds. When litigation against ESU 1 or its employees is filed or threatened, ESU 1 will take all reasonable action to preserve all documents and records that pertain to the issue. Such action will in particular be taken when the litigation may be filed in federal court or otherwise subject to federal rules of discovery.

As soon as ESU 1 is made aware of pending or threatened litigation, a litigation hold directive will be issued by the records officer or designee. The directive will be given to all persons suspected of having records that may pertain to the litigation issue.

The litigation hold directive overrides any records retention schedule that may otherwise call for the disposition or destruction of the records until the litigation hold has been lifted. E-mail and computer accounts of separated employees that have been placed on a litigation hold will be maintained by the records officer until the hold is released.

Employees who receive notice of a litigation hold are to preserve all records that pertain to the litigation issue. This includes preserving electronic messages that would otherwise be deleted by the computer system; such messages are to be converted by the recipients of the litigation hold to hard copy (printed) or electronic format which can be retrieved and interpreted (downloaded) for the duration of the litigation hold.

No employee who has been notified of a litigation hold may alter or delete an electronic or other record that falls within the scope of the hold. Violation of the litigation hold may subject the employee to disciplinary action, up to and including dismissal, as well as personal liability for civil and/or criminal sanctions by the courts or law enforcement agencies.

6. Settlement Agreements

A public written or electronic record of all settled claims shall be maintained.

The record for all such claims settled in the amount of fifty thousand dollars or more (or one percent of the total annual budget of the School District, whichever is less) shall include a written executed settlement agreement. The settlement

agreement shall contain a brief description of the claim, the party or parties released under the settlement, and the amount of the financial compensation, if any, paid by or to the School District or on its behalf. Any such settlement agreement shall be included as an agenda item on the next regularly scheduled public meeting of the ESU#1 Board for informational purposes or for approval if required.

Any such settled claim or settlement agreement shall be a public record. Nonetheless, specific portions of the record may be withheld from the public to the extent permitted or provided by statute.

The foregoing does not apply to claims made in connection with insured or self-insured health insurance contracts.

B. Student Records

1. Legal Compliance. Records related to students served by the ESU shall be maintained in compliance with state and federal law.
2. Relationship with Schools Served. Each school district shall be notified as to the nature and types of student data items which are being collected and maintained in ESU files for their students who are being served by the ESU. Written permission to release confidential (non-directory) information from records related to students served by the ESU will be obtained from the appropriate school district before release to persons other than ESU officials or the parent or eligible student, except where the release is required by law.
3. Confidentiality. Student files and other education records shall not be released or divulged except in compliance with state and federal law.

ESU and school officials may have access to only those education records in which they have a legitimate educational interest, unless the parent has given written and dated consent for the access. An ESU employee who violates this restriction shall be subject to disciplinary action up to and including termination.

An ESU or school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility and effectively provide the function or service for which they are responsible.

An official who is authorized to have access to education records is a person employed by the ESU, or by the school district in which the student is enrolled, as an administrator, supervisor, instructor or support staff member (including health

or medical staff and law enforcement unit personnel); a person serving on the ESU Board or the student's school board; a person or company with whom the ESU or the school district has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist); and a parent or student serving on an official committee, such as a disciplinary or grievance committee or assisting another authorized official in performing his or her tasks.

To the extent permitted by law, contractors, consultants and volunteers may be permitted to have access to education records where they are performing a function or service that would otherwise be done by an ESU employee or an employee of the school district in which the student is enrolled. Their access is limited to education records in which they have a legitimate educational interest; which means records needed to effectively provide the function or service for which they are responsible.

A parent or guardian of a student or former student, and a student or former student who is eighteen (18) years of age or older, shall be given the opportunity upon request to inspect and review the education records of the student or former student. Non-custodial parents will be provided full and equal access to the education records of his or her child unless there is a court order to the contrary.

4. Separate Disciplinary Files. Student files or records shall be so maintained so as to separate disciplinary matters from academic or other service matters. All disciplinary material in a student's file shall be removed and, upon the ending of ESU services to the student, released to the school district in which the student is enrolled for destruction in accordance with law.
5. Request for Records Amendment. Parents and eligible students (a student who has reached 18 years of age or is attending an institution of postsecondary education) have the right to challenge any information contained in the records that they believe is inaccurate, misleading or violates the privacy rights of the student. Such a challenge may be made by making a written request to the Administrator or designee to amend the records. If the record in question is a record generated by the school district in which the student is enrolled, the challenge shall be forwarded to such school district for action. If the record is an ESU education record, the Administrator or designee shall determine whether to amend the education record as requested. If a decision is made not to amend the education records in accordance with the request, the Administrator or designee shall so inform the parents of the student. The parent shall be advised of the right to a hearing. If a hearing is requested, the Administrator or designee shall conduct a hearing (or delegate the role to another official who does not have a direct interest in the outcome of the hearing) and provide the parent or eligible student a full and fair opportunity to present evidence relevant to the issues raised in conformance with applicable law.
6. Disposition of Records. Personally identifiable student data generated by or received by the ESU for those student referred from contracting school districts will be considered to be the property of the school district in which the student is or was

enrolled. Five years after special education data is no longer needed to provide educational services, the ESU shall return to the appropriate school district all records that have been received or generated by the ESU for disposal in accordance with law.

Section 10 Comments and Complaints

A. Communications to the Board

The ESU Board recognizes the necessity for open communication with member school districts, students, parents, employees and patrons but is also aware that a procedure for processing concerns and complaints is imperative to efficient operations of the ESU. It is the intent of the Board that concerns and complaints be resolved at the lowest possible level.

1. Complaints Made to Individual Board Members. Members of the Board have no authority or power to act on behalf of the Board or the ESU except when acting as a member of the entire Board at a duly called board meeting or when acting with express, specific authority granted by the Board or by law. The Board and the ESU shall not be bound in any way by the action or statement on the part of any individual Board member or committee, except when such statement or action is taken or made in conformance with express, specific authority granted by the Board or by law.

Should any member of the Board be approached with a concern or complaint, the member should:

- a. Listen attentively to the concerns but not take any inflexible position.
- b. Instruct the individual about the ESU’s process for resolving concerns and complaints and direct the individual to the appropriate complaint or grievance procedure or to the Administrator for information concerning such procedures. If the concern or complaint involves an employee, the individual should be informed to discuss the matter with the employee first.
- c. Inform the Administrator of the concern.

2. Complaints Made to the Board. Concerns or complaints may be made to the Board at a duly called Board meeting at such time as the agenda provides for public participation or comment.

In the event the complaint involves a personnel matter relating to an employee of the ESU, the individual raising the complaint shall be directed to first exhaust the appropriate complaint or grievance procedure. The Board shall not respond or take action on such a complaint until such complaint or grievance procedure has been exhausted, unless it is determined by the Board, under the circumstances, that an immediate response or action is required.

Individuals raising concerns or complaints involving non-personnel matters which may be the subject of a complaint or grievance procedure may also be directed to first use such complaint or grievance procedure.

B. Complaints or Concerns of Employees

Employees are to inform the ESU of any complaints or concerns about the operations of the ESU using the established chain of command (immediate supervisor, next higher level supervisor, etc.) on all matters that require administrative attention; that is, on all matters or issues that their job responsibilities require them to report to a supervisor.

It is important to the efficient and successful operation of the ESU and a duty of all ESU employees to share any such complaints or concerns in a responsible, professional manner such as to: (1) not disrupt the proper functioning of their office, department, or position, (2) not undermine the authority of their co-workers, supervisors, or superiors, (3) maintain close working relationships with their co-workers, supervisors, and superiors, and (4) ensure that all applicable laws and regulations are followed. All employee official communications must be accurate, demonstrate sound judgment, and promote the ESU's mission. Employees must ensure that all applicable laws and regulations are followed by the ESU and its employees. In the event an employee becomes aware of any such non-compliance, the employee is to report such to the employee's immediate supervisor (or the next higher level, if the supervisor is responsible for the problem) and maintain the confidentiality of the report so that the problem can be appropriately corrected in the best interests of the ESU.

Employees are to use the appropriate complaint or grievance mechanism for matters involving discrimination or harassment or other established mechanism specific to the nature of the complaint or concern.

The ESU will not tolerate unlawful retaliation against an employee for engaging in legally protected activity. A protected activity includes an employee's act of opposing an unlawful practice prohibited by employment discrimination or other laws that protect the conduct in question. Any act of unlawful retaliation by a supervisor or other employee may result in serious disciplinary action up to and including termination. Any employee may file a complaint with the

Administrator or appropriate Coordinator if the employee feels that they have experienced unlawful retaliation in any form.

C. Comments and Complaints of Parents and Patrons

Parents and patrons may file comments/complaints with the Administrator. Forms are available in the office of each building. These forms are intended to help resolve issues, arbitrate disputes, facilitate understanding, recognize achievements, and commend success.

Forms that have been properly filed with the Administrator which directly involve a staff member shall be forwarded to the staff member’s immediate supervisor for analysis, discussion, and resolution. The forms shall be retained in a separate confidential file in the office of the staff member’s immediate supervisor for a period of three years. At the end of the three year period they may be discarded. Comment forms shall not be placed in the staff member’s personnel files unless deemed appropriate by the Administrator or immediate supervisor.

It is the policy of the ESU to encourage communications from parents concerning when a parent believes it to be appropriate for the student to be excused from testing, classroom instruction, surveys and other educational experiences that the parent may find objectionable. The Administrator or designee shall make a provision on the complaint form hereinabove described for receiving information from a parent concerning what specific testing, classroom instruction, or other educational experience the parent finds objectionable, the basis for the parent’s objection and a proposed solution for dealing with the objection that would be satisfactory to the parent. The notifications required by law to be given to parents on matters affecting privacy are to be given by the school district in which the student is enrolled. Complaints concerning such matters shall be resolved consistent with the applicable policies of the school district in which the student is enrolled.

D. Complaints Involving Instructional Materials

Instructional materials are to be selected by the ESU administration and approved by the ESU Board in a manner that best meets the educational and instructional objectives of the ESU and the needs of those served by the ESU. Occasional objections to materials may be voiced despite the care taken in selection and qualification of the personnel selecting materials.

The following procedures apply to complaints involving instructional materials:

1. Complaints must be presented in writing to the Administrator. The complaint must specify: the name of the author, title, the publisher, and the objections by page and items; or in case of materials other than printed material, written information specifying the precise nature of the objection shall be given. The statement must be signed and identified in such a way that a proper reply will be possible. The

Administrator or designee may develop a specific complaint form for this purpose which shall be used if in existence.

2. The Administrator will acknowledge the receipt of the complaint and answer any questions regarding procedure.
3. The Administrator will then notify the department coordinator and the employee(s) involved. The Administrator will determine whether the complaint should be considered an individual request or if an ESU-wide review committee shall be activated to reevaluate the material.
4. The use of challenged materials shall not be restricted until final disposition has been made by the appropriate review committee, however, individuals may be excused from using challenged materials.
5. In considering the challenged materials, the review committee shall consider the educational philosophy of the ESU, the professional opinions of teachers or employees of the same subject and of other competent authorities, review of materials by reputable bodies, the complainant's stated objections in using or use of the materials.
6. The ESU review committee shall make a determination on the complaint within a reasonable time period considering the nature of the challenged materials, the current or pending use, scheduling conflicts of committee members, and the complexity of the objections made. The findings of the ESU review committee shall be a matter of written record and transmitted to the Administrator who will determine how interested parties shall be notified.
7. In the event the complainant is not satisfied with the findings of the ESU review committee, the complainant may request that the complaint be reviewed by the ESU Board. The Board will then determine whether to consider the complaint beyond the action of the ESU review committee; if the Board chooses to do so, the Board will proceed to consider the complaint. A decision by the Board (either to not proceed further on the complaint, or to respond as a Board to the complaint) shall conclude the appeal process available within the ESU system.
8. Once resolved, the same or substantially similar complaints involving the same or similar materials need not be reviewed using the foregoing complaint process and instead may be resolved by the Administrator or designee.

PERSONNEL

Section 1 Employment of Personnel

A. Recruitment and Selection

The administration is to recruit and recommend for employment the best qualified personnel to implement and fulfill the mission, goals and policies of the ESU. All applicants so selected and recommended must satisfy the standards set by the Board and any applicable legal requirements.

All personnel shall be recommended for hiring by the Administrator with the final approval by the Board prior to hiring. The final approval by the Board should generally follow closely the recommendation of the Administrator, but such approval of recommendation is not mandatory on the Board.

B. Equal Opportunity Employment

ESU 1 is an equal opportunity employer. It is the policy of ESU 1 to employ the best qualified applicant for each position without regard to sex, disability, race (including skin color, hair texture and protective hair styles), color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, or other protected status, and to not fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to compensation, terms, conditions, or privileges of employment, because of such individual's sex, disability, race (including skin color, hair texture and protective hair styles), color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, or other protected status.

There shall be no discrimination by school officials against any employee because of membership or activity in an employee organization or because of protected free speech activities.

C. Release from Contract

Certificated employees who wish to be released from their contract shall submit a written request for release to the ESU Board. The written request shall include a resignation.

The action on a release from contract received after May 1, each year shall be discretionary with the Board. The earlier the request for release is submitted, the greater will be the likelihood of the release being granted. Requests for release received by the Administrator after June 1, will ordinarily not be granted. Releases may be made subject to the conditions, including liquidated damages, payment of costs of securing a replacement, and the condition that a suitable replacement be secured.

There will be no penalty for release from the contract, though the certificated employee and the Board may negotiate and agree upon the terms of the release.

Where a certificated employee leaves employment without receiving an approved release, the Administrator is authorized to file a complaint with the Nebraska Professional Practices Commission. The Board also reserves the right to seek damages against any certificated employee as a result of breach of contract.

Section 2 Staff Handbooks

B. Employment of Immediate Family Members

A member of the Board or an employee with supervisory responsibilities may employ or recommend or supervise the employment of an immediate family member only if:

1. He or she does not abuse his or her official position. Abuse of an official position includes, but is not limited to, employing an immediate family member:
 - (a) Who is not qualified for and able to perform the duties of the position;
 - (b) For an unreasonably high salary; or

- (c) Who is not required to perform the duties of the position.
2. He or she makes a full disclosure on the record to the Board and a written disclosure to the Administrator and/or Secretary of the Board; and
3. The Board approves the employment or supervisory position.

No immediate family member of a Board member or of an employee with supervisory responsibilities shall be employed by the ESU:

1. Without first having made a reasonable solicitation and consideration of applications for such employment;
2. Who is not qualified for and able to perform the duties of the position;
3. For an unreasonably high salary; and
4. Who is not required to perform the duties of the position.

Neither the Board nor an employee with supervisory responsibilities shall terminate the employment of an employee so as to make funds or a position available for the purpose of hiring an immediate family member.

This policy shall not apply to an immediate family member of a member of the Board or an employee with supervisory responsibilities who was previously employed in a position with the ESU prior to the election or appointment of the Board member or of the supervisory employee. Prior to or as soon as reasonably possible after the official date a Board member takes office or an employee assumes supervisory responsibilities, such Board member or employee shall make a full disclosure of any immediate family member employed in a position subject to this policy.

Section 4 Fitness for Duty

Applicants must be physically and mentally capable of performing the essential functions of the position for which application is made, with or without reasonable accommodations. Some positions have physical requirements which must be demonstrated by satisfactorily completing a post-offer physical exam or post-offer questionnaire to establish the ability to perform the essential functions of the position. This will only be required after a conditional offer of employment has been made.

Employees must be physically and mentally capable of performing the essential functions of their position, with or without reasonable accommodations. Employees shall be required, upon request of the Administrator or designee, to respond or submit to medical inquiries or examinations which are related and necessary to performance of essential functions of their position where there is evidence of a job performance or safety problem and when required or otherwise permitted by law.

Employees are required to disclose any medical restrictions that limit their ability to perform the essential functions of the assigned position to their supervisor or the Administrator and are to request a meeting with the ADA Coordinator to discuss the provision of reasonable accommodations. Supervisors are required to notify the Administrator of any employees with

restrictions that limit their ability to perform the essential functions of their assignment. The ESU shall make reasonable accommodations to qualified individuals with a disability in accordance with law.

The ESU complies with all federal and state laws regarding the collection and maintenance of health and medical information.

Section 5 Standards of Conduct

A. Drug-Free Work Place

It is the policy of ESU 1 to eliminate the influence of drugs, alcohol and other chemicals within the work environment and to educate students against the usage of drugs, alcohol and illegal substances. The ESU will implement regulations and practices which will insure compliance with laws relating to drugs and alcohol, including: the Drug-Free Workplace Act and the Omnibus Transportation Employee Testing Act of 1991, and all regulations and rules promulgated pursuant thereto.

The ESU has established a drug-free workplace. The drug-free workplace for this purpose includes ESU property, ESU-utilized vehicles, any place in which ESU employees perform duties, and any place in which ESU activities are held. The ESU recognizes that the use, possession, or being under the influence of illicit drugs or alcohol constitutes a hazard to the positive development of students and employees and a substantial interference with the ESU’s mission and goals.

1. The unlawful manufacture, distribution, disposition, possession, or use of a controlled substance is prohibited in the work place. Employees are also prohibited from possessing, using or distributing illicit drugs or alcohol, or being under the influence of illicit drugs or alcohol, on any ESU property or at any ESU sponsored event. Any level of impairment from illicit drugs, alcohol, or inhalants, and the presence of any odor of illicit drugs (such as marijuana) or alcohol in the work place or on duty time shall be a violation of the drug-free workplace.

2. The possession or distribution of a look-alike drug or look-alike controlled substance is prohibited. In addition, employees are expected to serve as role models for students and will be considered to have violated the ESU’s expectations in the event the employee commits a criminal drug or alcohol offense off the work place or off duty time.

3. As a condition of employment, employees will abide by the ESU’s drug-free workplace policies and notify the Administrator or designee of any criminal drug

statute conviction for a violation occurring in the workplace no later than 5 days after such conviction.

4. Disciplinary sanctions, up to and including termination of employment and referral for prosecution, will be imposed upon employees who violate the aforementioned standards of conduct. If employment is not terminated, sanctions may include the requirement that the employee complete an appropriate rehabilitation program.
5. Employees shall be advised through employee publications about drug and alcohol counseling and rehabilitation and reentry programs that are available.

The ESU will implement a drug and alcohol testing program in compliance with law for all employees whose position requires a commercial driver's license (CDL) or who are otherwise in "safety-sensitive" positions as defined by federal or state law. Refusal to submit to pre-employment testing, or testing positive, shall disqualify an applicant for any position requiring such testing from employment. Reasonable suspicion, random, post-accident, return-to-duty, and follow-up testing shall also be conducted. Employees who test positive shall be immediately removed from safety-sensitive positions and be terminated from employment.

This policy supplements and is in addition to all other policies, regulations, practices, procedures and contractual provisions regarding or related to the improper or unlawful possession, use, or distribution of illicit drugs and alcohol.

Employees shall be furnished with a paper or digital copy of this policy.

B. Notification of Arrest, etc.

Employees must notify the Administrator by the next business day after:

1. Arrest or Criminal Charges. The employee is arrested, ticketed, or issued a criminal charge where:
 - a. The maximum penalty for the crime equals or exceeds six months incarceration;
 - b. The crime relates to abuse, neglect or endangerment of a minor, a minor was allegedly a victim or a witness, or the crime involves alleged sexual misconduct;
 - c. Conviction would impact performance of employee's job responsibilities, including offenses that:
 - i. Would impact the responsibility to be a role model for students or relations with other employees of the ESU or schools served by the ESU;
 - ii. Would impact the employee's ability to operate a motor vehicle if the employee at times needs to travel during duty time or the employee at times drives students; or

- iii. Would impact the employee's Commercial Drivers License if the employee's job requires that the employee have a CDL.
- d. The arrest or the alleged criminal activity occurred while the employee was on duty, on property of the ESU or a school, or in an ESU or school owned or utilized vehicle, or at a school-supervised activity or school-sponsored function. Employees must also promptly report to the Administrator whenever the employee has been sentenced to be incarcerated for any period of time, even if the offense is not otherwise reportable.

2. Certificate or License. The employee becomes aware that a complaint has been filed against the employee that could affect a certificate or license required for the employee's position. This includes proceedings of the Nebraska Department of Education related to an alleged violation of the NDE Standards of Conduct and Ethics, Chapter 27, and proceedings of the Health and Human Services related to an alleged violation of the professional standards of conduct for the employee's position.
3. Child Abuse. The employee becomes aware that a report of child abuse or neglect has been made against the employee under the Child Protection Act.

Further, employees must give full disclosure of any Child Protection Act investigation that resulted in an "inconclusive" determination that occurred at any time. Current employees must give such disclosure within ten days following adoption of this Policy. As a condition of employment, applicants for employment must give such disclosure prior to commencement of employment. Any hiring made without such disclosure shall be subject to being immediately revoked in the event the required disclosure was not given.

Employees must give full disclosure of the existence and nature of the above proceedings and must also promptly notify the Administrator of the disposition of the proceedings.

Legal documents relating to the proceedings shall be treated and maintained as part of the employee's confidential criminal background file.

Failure to notify as required under this policy may subject the employee to disciplinary action, up to and including termination.

C. Weapons

Employees shall not bring or possess a weapon in any facility or in any vehicle owned or under the control of ESU 1 or, while on duty, on any school property or at any ESU or school activity. This prohibition includes employees with a permit to carry a concealed handgun. Possession of a weapon includes, without limitation, a weapon in an employee's personal possession or control, including a weapon in an employee's motor vehicle, desk, locker, backpack or purse. Any

employee found to be in violation of this policy shall be subject to disciplinary action, up to and including termination.

An exception may be allowed for an employee to carry mace or other similar chemical agents in quantity and/or concentration typically designed for individual personal defensive purposes for self-defense where it is established that the employee is presented with a clear and substantial risk to personal safety. An exception may also be allowed where the employee requests to possess a weapon for instructional purposes.

Any exception must receive prior approval of the Administrator and be cleared with the school(s) at which the employee is assigned, where applicable. Any exception must be limited to a non-lethal weapon. Further, the weapon must be possessed and used only in the manner approved and must be maintained in such manner as the Administrator has directed so as to prevent it from being used by any non-permitted person or from causing anxiety or harm to others.

All employees shall behave with civility, fairness and respect in dealing with fellow employees, students, parents, patrons, visitors, and anyone else having business with the ESU. Uncivil behaviors are prohibited. Employees may be subject to disciplinary action up to and including termination for engaging in uncivil behaviors.

Uncivil behaviors are any behaviors that are physically or verbally threatening, either overtly or implicitly, as well as behaviors that are coercive, intimidating, violent or harassing. Such interactions are prohibited in all forms of communication, including telephone conversations, voice mail messages, face-to-face conversations, written communications, and email messages.

Any employee aware of another employee's uncivil behavior shall report the conduct to the employee's immediate supervisor or to the Administrator. There will be no retaliation against a person for making the report.

E. Professional Boundaries Between Employees and Students

All employees are expected to observe and maintain professional boundaries between themselves and students. A violation of professional boundaries will be regarded as a form of misconduct and may result in disciplinary action.

The following non-exclusive list of actions may be considered a violation of the professional boundaries that employees are expected to maintain with a student:

- Using e-mail, text messaging, instant messaging or social networking sites to discuss with a student a matter that does not pertain to school or ESU related activities. Electronic communications with students are to be sent simultaneously to multiple recipients, not to just one student, except where the communication is clearly school-related and inappropriate for persons other than the individual student to receive (for example, e-mailing a message about a student’s grades).
- Engaging in social-networking friendships with a student on MySpace, Facebook, or other social networking site. Material that employees post on social networks that is publicly available to those in the school community must reflect the professional image applicable to the employee’s position and not impair the employee’s capacity to maintain the respect of students and parents or impair the employee’s ability to serve as a role model for children.
- Engaging in sexual activity, a romantic relationship or dating a student or a former student within one year of the student graduating or otherwise leaving the District.
- Making any sexual advance – verbal, written, or physical – towards a student.
- Showing sexually inappropriate materials or objects to a student.
- Discussing sexual topics with a student that are not related to a specific curriculum.
- Telling sexual jokes to a student.
- Invading a student’s physical privacy (e.g., walking in on the student in a restroom).
- Hugging or other physical contact with a student that is initiated by the employee when the student does not seek or want this attention.
- Being overly “touchy” with a specific student.
- Allowing a specific student to get away with misconduct that is not tolerated from other students, except as appropriate for students with an IEP or 504 Plan.
- Discussing with a student the employee’s problems that would normally be discussed with adults (e.g., marital problems).
- Giving a student a ride in the employee’s personal vehicle without express permission of the student’s parent or school administrator unless another adult is in the vehicle.
- Taking a student on an outing without obtaining prior express permission of the student’s parent or school administrator.
- Inviting a student to the employee’s home without prior express permission of the student’s parent and school administrator.
- Going to the student’s home when the student’s parent or a proper chaperone is not present.
- Giving gifts of a personal nature to a specific student.

Appropriate exceptions are permitted to the foregoing for legitimate health or educational purposes and for reasons of familial relationships between employees and their children.

F. Visitors to Employees

Employees are not to have visitors while on duty other than as appropriate for the performance of their duties except on a short-term basis and only with permission of the Administrator or their supervisor. Included in the definition of visitors are family members of the employee. Employees

are responsible for ensuring that their visitors follow posted procedures for being on ESU or school property. Employees are not to bring their children to work with them in lieu of taking them to childcare.

Section 6 Safety

ESU 1 is committed to providing and maintaining a safe and healthy work environment. The administration is to make the safety of employees an integral part of the management function. Each employee is to make safety an integral part of their duties by following established safety regulations and procedures, assisting in accident prevention activities by reporting any job-related injury to the administration immediately, reporting unsafe conditions immediately, and providing suggestions to eliminate accidents and injuries. Failure to follow safety rules may lead to disciplinary action up to and including termination.

Safety and health management is the ultimate responsibility of the Board. Functional authority for continued development and implementation of health and safety is hereby delegated to the Administrator or the Administrator's designee.

The Safety Committee shall maintain documentation of its compliance with this policy.

Section 7 Employee Files and Privacy

A. Employee Files

The administration shall protect the confidentiality of personal information in records regarding personnel beyond salaries and routine directory information. Job application materials submitted by applicants, other than finalists, who have applied for employment, shall also be maintained as confidential records. Such confidential records information shall be released only to the extent required by law or as appropriate for the operations of the ESU.

The following information is designated as “directory information” and may be given to parents or guardians of students served by the ESU upon request:

1. Whether a certificated staff member has met State qualifications and licensing criteria for the grade levels and subject areas in which the certificated staff member provides instruction.
2. Whether the certificated staff member is teaching under an emergency or provisional teaching certificate.
3. The baccalaureate degree major of the certificated staff member, along with information about other graduate certification or degrees held by the certificated staff member, and the field of discipline of the certification or degree.
4. The qualifications of a paraeducator assigned to their child.

Information regarding an employee’s medical condition or history is to be maintained in a separate medical file and treated as confidential, including employment background checks related to physical or mental condition and records pertaining to FMLA leaves for health related reasons. Records maintained pursuant to the federal drug and alcohol testing laws, including drug and alcohol tests of employees and driver investigation history files for new or prospective drivers, are to be maintained in a separate file in a location with controlled access.

To the extent the ESU conducts any functions within the purview of HIPAA, which may include group health plans or student health services, it designates the ESU as a hybrid entity as to any such functions. The administration shall develop and implement all necessary practices and procedures to comply with laws governing protected health information (PHI) to the extent applicable and to maintain the privacy of PHI that the ESU receives, obtains, or transmits. The Administrator is designated as the HIPAA privacy officer for the ESU.

C. Shredding Consumer Reports (Background Checks)

The administration shall take reasonable measures to protect against unauthorized access to consumer information from consumer reports.¹ A consumer report includes criminal background checks performed on applicants or employees by a third party. It does not include criminal checks performed by ESU staff.

¹ “The term ‘consumer report’ means any written, oral, or other communication of any information by a consumer reporting agency bearing on a consumer’s credit worthiness, credit standing, credit capacity, character, general reputation, personal characteristics, or mode of living which is used or expected to be used or collected in whole or in part for the purpose of serving as a factor in establishing the consumer’s eligibility for . . . employment purposes.” Fair Credit Reporting Act, 15 U.S.C. § 1681a(3).

Reasonable measures to protect against unauthorized access to or use of consumer information in connection with its disposal include the following examples. These examples are illustrative only and are not exclusive or exhaustive methods for complying with this directive.

1. Shredding of papers containing consumer information so that the information cannot practicably be read or reconstructed. Burning or pulverizing such papers are also options where appropriate.
2. Destruction or erasure of electronic media containing consumer information so that the information cannot practicably be read or reconstructed.
3. After due diligence,² entering into and monitoring compliance with a contract with another party engaged in the business of record destruction to dispose of material in a manner consistent with this directive.

This policy does not require that the consumer reports information be disposed of. Rather, it specifies the action to be taken whenever such disposal occurs. Questions regarding the disposal of consumer reports information should be directed to the Administrator or the Administrator’s designee.

D. Prohibition on Aiding and Abetting Sexual Abuse

An employee, contractor, or agent of the ESU is prohibited from assisting another ESU employee, contractor or agent in obtaining a new job if the individual knows or has probable cause to believe, that such other employee, contractor, or agent engaged in sexual misconduct with a minor or student in violation of the law.

“Assisting” does not include the routine transmission of administrative and personnel files.

Exceptions to giving such assistance may only be made where the exception is authorized by the Every Student Succeeds Act (for example, where the matter has been investigated by law enforcement and the person has been exonerated and approved by the Administrator or designee.)

E. Workplace Privacy Policy

1. The ESU will abide by the Nebraska Workplace Privacy Act and will not:

² The FTC rule states: “In this context, due diligence could include reviewing an independent audit of the disposal company's operations and/or its compliance with this rule, obtaining information about the disposal company from several references or other reliable sources, requiring that the disposal company be certified by a recognized trade association or similar third party, reviewing and evaluating the disposal company's information security policies or procedures, or taking other appropriate measures to determine the competency and integrity of the potential disposal company.”

- a. Require or request that an employee or applicant provide or disclose any user name or password or any other related account information in order to gain access to the employee's or applicant's personal Internet account by way of an electronic communication device;
- b. Require or request that an employee or applicant log into a personal Internet account by way of an electronic communication device in the presence of the ESU in a manner that enables the ESU to observe the contents of the employee's or applicant's personal Internet account or provides the ESU access to the employee's or applicant's personal Internet account;
- c. Require an employee or applicant to add anyone, including the ESU, to the list of contacts associated with the employee's or applicant's personal Internet account or require or otherwise coerce an employee or applicant to change the settings on the employee's or applicant's personal Internet account which affects the ability of others to view the content of such account;
- d. Take adverse action against, fail to hire, or otherwise penalize an employee or applicant for failure to provide or disclose any of the information or to take any of the actions prohibited by the Workplace Privacy Act.
- e. Require an employee or applicant to waive or limit any protection granted under the Workplace Privacy Act as a condition of continued employment or of applying for or receiving an offer of employment.

Notwithstanding anything to the contrary, all employees must abide by the ESU's technology policies, procedures and guidelines, including the ESU's Internet Use policy and/or practice. Pursuant to the Workplace Privacy Act, the ESU may also:

- a. Monitor, review, access, or block electronic data stored on an electronic communication device supplied by or paid for in whole or in part by the ESU or stored on the ESU's network, to the extent permissible under applicable laws;
- b. Access information about an employee or applicant that is in the public domain or is otherwise obtained in compliance with the Workplace Privacy Act;

Section 8 Fair Labor Standards Act (Minimum Wage & Overtime)

Work week: The work week for overtime purposes shall be 12:00 a.m. Sunday until 11:59 p.m. Saturday. The Administrator may establish a different 7-day period workweek from time to time for specified employees or employee groups.

Overtime: Overtime will be paid to non-exempt employees as required by law; that is, when a non-exempt employee works more than 40 hours in a work week. Compensatory pay in-lieu of overtime pay may be implemented in accordance with law. A non-exempt employee shall not work overtime without the express approval of the employee’s supervisor.

Deductions from Salary: The ESU’s policy is to not permit improper deductions from the salary of exempt employees who are required to meet a “salaried basis” test in order to be exempt from overtime. (Note: Teaching professionals are not subject to the salaried basis test). An employee who feels an improper deduction affecting exemption status has occurred may submit a complaint to the Administrator or the Administrator’s designee, who shall promptly investigate the complaint. Reimbursement shall be made and a good faith commitment to comply in the future will be given in the event it is determined that an improper deduction affecting overtime exemption has been made.

Wage and Deduction Information: Within ten working days after a written request is made by an employee, the Administrator or designee shall furnish the employee with an itemized statement listing the wages earned and the deductions made from the employee’s wages for each pay period that earnings and deductions were made. The statement may be in print or electronic format.

The ESU’s policy is to authorize unpaid disciplinary suspensions of a full day or more for infractions of workplace conduct rules and to apply such policy uniformly to all similarly situated employees, including exempt employees who are required to meet a “salaried basis” test in order to be exempt from overtime. Unpaid disciplinary suspensions of a partial day or of a full day or more may be implemented for infractions of safety rules of major significance. Deductions of pay of a partial day or of a full day or more may be made for FMLA leaves and in the first and last weeks of employment. In addition, based on principles of public accountancy, deductions from pay of a partial day or of a full day or more will be made for absences for illness, injury or personal reasons when accrued leave is not used or not available, and for absences due to any budget-required furlough.

Section 9 Attendance and Leaves of Absence—Generally

A. Attendance

The ESU depends on each employee to be reliable and punctual in reporting for work in order to provide its services and programs safely and efficiently. Regular, dependable, in-person attendance at work is an essential function of each employment position.

Employees are to be absent from scheduled work only to the extent reasonably unavoidable. Appointments are to be scheduled for non-work hours whenever possible.

Leaves are to be used for the purpose intended. Abuse of leave privileges will not be tolerated. Such abuse may result in disciplinary action, up to and including termination of employment.

Date of Adoption:	August 14, 2018

B. Reporting Absences and Making Leave Requests

Employees are to utilize the appropriate notification and approval procedures for all absences. It is important to give as much advance notice of the need to take a leave as possible.

1. *Requesting Use of Leave Days.* An employee who wants to use available leave is to submit a Request for Leave form to the employee's supervisor. The request is to be submitted at least 5 days prior to the leave. The supervisor may require that more advance notice be given depending on the nature of the employee's duties or the need to schedule a substitute. Leave requests should be made as soon as practicable under the circumstances.
2. *Giving Notice of Unscheduled Absences.* An employee who is unable to request prior advance approval for an absence because of the nature of the circumstance requiring the absence (such as personal illness or unforeseen emergency) is to report the need to be absent as soon as the situation is known. Before the end of the day on the first day of the absence, and on each subsequent day of absence, the employee is to report whether the employee will be able to return to work on the next duty day.

Date of Adoption:	August 14, 2018

C. Returning from Absences

1. *Justification for Absences Taken Without Prior Approval.* If an employee is absent without prior approval either: (1) the day immediately preceding or immediately following a regularly scheduled school break (such as winter break, spring break, and quarter or semester breaks) or (2) during the first two weeks or the last two weeks of school (student contact days), the employee will be required to give verification (for example, a doctor's note) to establish that the employee was unable to work for an excusable condition or excusable reason.
2. *Establishing Fitness for Duty.* Employees must present a written statement from their physician or health care provider to their supervisor when the employee is absent for any period of time because of injury requiring care from a physician or health care provider, or absent from work for 10 days or more due to a personal health condition. The statement is to clearly verify that the employee is mentally

and physically able to return to duty. This statement is to be presented in person, or by other methods agreed upon by both parties, to the employee's supervisor before the employee returns to duty in order that the readiness to perform work can be observed and/or discussed.

Employees are required to disclose any medical restrictions that limit their ability to perform the essential functions of their position to their supervisor and to request a meeting with the Americans with Disabilities Act (ADA) Coordinator to discuss the provision of reasonable accommodations. The ESU will not discriminate against any employee due to disability and will provide reasonable accommodations. Information provided about medical conditions or disabilities shall be treated as confidential, as required by state and federal statutes, and will be divulged only to the extent necessary to provide reasonable accommodations.

D. Paid Leaves

1. *Paid Leaves Available.* ESU 1 makes the following forms of paid leaves available: Sick Leave, Bereavement Leave, Personal Leave, Emergency Leave, Administrative Leave, Vacation Leave and Professional Leave. In addition, ESU 1 complies with laws that require leaves to be allowed without loss of pay, such as for military service and jury duty.
2. *Negotiated Agreement.* Paid leaves are provided for in the negotiated agreement with the designated association of certified employees. The negotiated agreement will control where there is any direct conflict with this policy.
3. *Nature of Paid Leave.* Paid leave is available to employees when the following specific conditions are met: (1) the employee is currently employed by the ESU; (2) the paid leave day is taken on a day the employee would otherwise be expected to be at work; and (3) the employee has met the conditions that are applicable to the type of paid leave that has been requested.
4. *Leave Year.* The leave year for paid leaves is ESU 1's fiscal year unless otherwise stated by individual contract.
5. *Leave Days.* Paid leave days are provided based on the same number of hours the employee is scheduled to work on the day the leave is taken, except for any day in which premium pay may be paid. For example, if an employee is scheduled to work 6 hours on a day that sick leave is used, the use of the sick leave on that day constitutes the use of 1 full sick day. Paid leave days may not be used in increments of less than one-half day unless otherwise specified or approved.
6. *Eligibility Based on Employment Status.* For purposes of eligibility for paid leave days, employees are identified as:

- i. *Full-Time Employees*—Employees scheduled to work in one position at least 1,387.5 hours per leave year. Eligibility for full-time status treatment based on combinations of positions is subject to prior written approval of the Administrator.
- ii. *Part-Time Employees*—Employees who are contracted to work at least 9 months in the leave year and who are scheduled to work at least 20 hours per week. Except as otherwise specified, Part-Time Employees are provided paid leaves on a pro rata basis measured against a 1,387.50 hour work year (185 days x 7.5 hours).
- iii. *Ineligible Employees*—Employees who are not Full-Time or Part Time Employees, as defined above, including any employees employed on a substitute or temporary basis. Ineligible Employees are not eligible for any paid leaves.
- iv. *New Classified Employees*—Employees who have been employed with the ESU less than 4 months and who are employed in a position that does not require NDE or HHS certificate or license. New Classified Employees are not eligible for paid leaves. Upon reaching the 4 month employment anniversary, the employee becomes eligible for paid leaves for the remainder of the leave year, including the 4 month probationary period, on a pro rata basis.

7. *Unused Days.* There is no pay for unused paid leave either during or upon ending of employment except as may be provided in the negotiated agreement with the designated association of certified employees or in written employment contracts approved by the Board, and except as required by law. A condition of paid leave being available is that the employee not engage in misconduct warranting termination. Accordingly, in the event the Administrator or the Board determines that an employee has engaged in misconduct, there shall be no pay for unused leave days. In the event unused leave days are required to be paid, the employee will be paid at the employee’s daily rate of pay at the time the unused paid leave days first became available.

E. Sick Leave

- 1. *Days Per Leave Year.* Employees have 14 days sick leave available per leave year.
- 2. *Availability.* Sick leave is a paid work day when the employee may be absent from duties. Sick days are only available when the employee is unable to perform assigned duties due to the illness or temporary disability of the employee or due to the employee needing to care for a member of the employee’s immediate family who is ill or has a serious health condition. Immediate family for purposes of sick leave means the employee’s spouse, and dependent child. Employees are to use sick leave when unable to work. Activities other than caring for their own health or that of an immediate family member reflect an abuse of sick leave. Employees may

utilize up to two days of Non-Dependent Sick Leave for family members outside of the immediate family member definition. Use of Non-Dependent Leave is subject to Administrative approval and is subtracted from the Sick Leave accumulation.

3. *Carry-over and Accumulation.* Unused sick leave may be carried over from one leave year to the next succeeding leave year to a maximum of 65 sick leave days. Once the maximum is accumulated, no further sick leave days will be available or granted for the ensuing leave year or years until the accumulated number of days is less than 65, and then only to the extent necessary to restore the total number of available sick leave days to the maximum of 65 days.

F. Bereavement Leave

1. *Immediate Family.* Paid family bereavement leave of 3 consecutive days is available in the event of the death of an immediate family member. The term “immediate family” for this purpose means the employee’s spouse, child, parent, grandparent, grandchild and sibling; and family members standing in the same relation to the employee’s spouse (in-laws). Family bereavement leave of 3 days is available for each such death, provided that the total paid family bereavement taken in a leave year not exceed 10 days.
2. *Non-Immediate Family.* Non-family bereavement leave of 1 day is available for the death of a person who is not an immediate family member, but with whom the employee was so close that the employee would be expected to attend the person’s funeral. Non-family bereavement leave requires advance approval of the employee’s supervisor. The combination of family and non-family bereavement leave may not exceed 10 days in the leave year.
3. *Use of Bereavement Leave.* Bereavement leave is to be used for purposes of addressing issues related to the death and to attend funeral services. The taking of a bereavement leave without attending funeral services would be an abuse of bereavement leave, except in the case of the death of the employee’s parent, child or spouse, where grief would be expected to impair the employee’s ability to function at work. Bereavement Leave will be deducted from an employee’s sick leave balance.
4. *Carry-over and Accumulation.* There is no carry-over or accumulation of unused bereavement leave. Sick, Personal or Emergency leave may, at the employer’s option, be granted beyond the provisions noted above.

The type of requests that might be determined to be eligible for emergency leave are:

N. FMLA

Family and medical leaves shall be allowed under the terms and conditions of the Family and Medical Leave Act of 1993 (FMLA) as amended.

The “leave year” for purposes of the FMLA shall be a “rolling” twelve-month period, measured backward from the date of any FMLA usage.

Substitution of accrued paid leaves for otherwise unpaid FMLA leaves may be required at the discretion of the Administrator or the Board. The employee may also have paid leave run concurrently with unpaid FMLA leave entitlement, provided the employee meets applicable requirements of the leave policy.

Employees shall be required to submit medical certifications to support a request for FMLA leave because of a serious health condition, or a sick leave, when such leave is for a duration in excess of five successive days, and in such other cases as deemed appropriate by the Administrator or the Board based on the nature of the illness or other circumstances surrounding the leave. Second and third medical opinions may, in the Administrator or the Board’s discretion, be required. Employees shall be required to report periodically, at such times as requested by the Administrator or the Board, on their intent to return to work from FMLA leaves and other leaves. Employees shall be required to submit a fitness-for-duty certification from their health care provider as a condition of returning to work from a FMLA leave taken because of the employee’s serious health condition, or from a sick leave taken by reason of the employee’s illness, when such leave was of a duration in excess of five (5) successive days, and upon request of the Administrator or the Board when such is deemed appropriate by the Administrator or the Board based upon the nature of the illness or other circumstances surrounding the leave.

An “equivalent position” for FMLA restoration purposes shall, in the case of certificated employees, be any administrative, teaching, or instruction related position for which the employee is qualified by reason of endorsement, college preparation, or experience, or other indicia. In the case of coaching or other similar extracurricular duty assignments, “equivalent position” can be any extracurricular duty assignment. In the case of other employees or positions, “equivalent position” can be one with or at equivalent pay, benefits, and working conditions, involving similar or related duties, as determined by the Administrator or the Board.

By law, FMLA leave is available only to employees who meet certain conditions. One of the conditions is that the employee “is employed at a worksite where 50 or more employees are employed by the employer within 75 mile of that worksite.”

The ESU will allow employees who do not meet this condition due to the location of their worksite to take unpaid leaves on the same terms and conditions as other ESU employees are allowed to take FMLA leaves. Such unpaid leaves will be allowed as an ESU provided benefit and not as an FMLA protected leave.

In the event the subpoena involves a job-related matter in which the employee is testifying on behalf of the ESU, the absence will be treated similar to a jury duty leave.

In the event the subpoena involves a personal matter, the employee will be required to use available leave days. A subpoena will be considered to involve a personal matter whenever the employee or a family member or friend of the employee is a party to the legal proceeding, unless the employee's involvement in the legal matter is solely due to actions taken in connection with the employee's work duties, the actions of the employee were not inappropriate, and the ESU is not an opposing party in the legal matter.

Voting leave will not be available to most employees because elections are typically scheduled for 8 a.m. to 8 p.m. Most employees are off duty on or before 6 p.m. If not off work by 6 p.m., the employee is usually not on duty before 10 a.m.

When voting leave is available, an employee will be entitled to be absent from work on election day for such period of time as will, when considering the employee's non-working time, total 2 consecutive hours between the time of the opening and closing of the polls. When voting leave is used, no deduction shall be made from the employee's salary or wages on account of such absence. The Board recognizes and endorses the Standards of Ethical and Professional Performance as established by the Nebraska Department of Education.

As a minimal performance expectation, all professional employees shall comply with the ethics standards set forth by the Nebraska Department of Education as such standards may be modified from time to time. Professional employees in a position or assignment which requires a professional license issued by the Nebraska Health and Human Services (HHS) shall, in addition, comply with the ethics standards established by HHS for their respective profession. For purposes of this Policy, “educator” shall include all professional employees of the ESU.

Preamble to Certificated Employees’ Code of Ethics

The educator shall believe in the worth and dignity of human beings. Recognizing the supreme importance of the pursuit of truth, the devotion to excellence and the nurture of democratic citizenship, the educator shall regard as essential to these goals the protection of the freedom to learn and to teach and the guarantee of equal educational opportunity for all. 2. Shall not misrepresent his or her professional qualifications, nor those of colleagues.
3. Shall practice the profession only with proper certification, and shall actively oppose the practice of the profession by persons known to be unqualified.

Principle V - Commitment to Professional Employment Practices:

The educator shall regard the employment agreement as a pledge to be executed both in spirit and in fact. The educator shall believe that sound personnel relationships with governing boards are built upon personal integrity, dignity, and mutual respect.

In fulfillment of the obligation to professional employment practices, the educator:

G. Evaluations

The Board delegates to the Administrator the responsibility of developing, organizing and implementing a system-wide program for evaluating professional employees. The Administrator shall develop effective evaluation procedures and instruments. The evaluation process is to be conducted in such a manner as to be consistent with and advance the mission and goals of ESU.

This evaluation policy is intended to set forth expectations for the administration and not to give rights to employees. As such, a failure to complete observations or evaluations of the designated duration and frequency shall not give the professional employee rights with regard to continued employment. Such failures, however, are to be considered in evaluating the responsible evaluator’s performance.

1. Communication of Evaluation Process. Annual written communication of the evaluation process to those being evaluated shall be made by distributing a copy of the evaluation instrument to the professional staff at the beginning of each evaluation year.

2. Duration and frequency of observations and written evaluations. The duration and frequency of observations and written evaluations are to be as follows:
- a. Probationary Professional Employees.
 - i. Probationary professional employee for purposes of this evaluation policy means a professional employee who has served under a contract with the ESU for less than three successive years.
 - ii. Formal observations of probationary teachers are to be based upon actual classroom observations for an entire instructional period. For probationary professional employees other than teachers, the formal observations shall consist of in-person observations comparable to that for teachers.
 - iii. Probationary employees are to be formally observed and evaluated at least once each semester.
 - iv. The responsible evaluator is expected to complete the second semester evaluations of probationary professional employees prior to April 15 of each year.
 - b. Permanent Employees.
 - i. Permanent professional employee for purposes of this evaluation policy means a professional employee who has served under a contract with the ESU for at least three successive years.
 - ii. Formal observations and evaluations of permanent teachers are to be based upon actual classroom observations for an entire instructional period. For permanent professional employees other than teachers, the formal observations shall consist of in-person observations comparable to that for teachers.
 - iii. Permanent professional employees are to be formally observed and evaluated at least once each school year. Where it is appropriate based on the permanent employee's employment with the ESU, overall experience, and prior evaluations, the responsible evaluator may establish an evaluation cycle of up to every three years, rather than an annual evaluation cycle.
 - c. Employees' Responsibility. Professional employees are expected to inform the responsible evaluator of instructional periods or professional activities that would be conducive to an evaluation and to make themselves readily available to be evaluated. In the event the responsible evaluator has not initiated the evaluation process nearing the time within which an evaluation is to be completed, the employee has the responsibility to notify the responsible evaluator such that the evaluation can be completed when due.
 - d. Informal Observations and Evaluations. Informal observations and evaluations may be conducted as the administration determines to be appropriate.
 - e. Additional Observations and Evaluations. The duration and frequency of observations and written evaluations is specified as a minimum expectation for the evaluators. Observations and evaluations of greater frequency or number

than required may be conducted and made at the request of the employee or in the discretion of the evaluator.

3. Evaluation Criteria. Professional employees performing instructional duties shall be evaluated based upon the following evaluation criteria:
 - Instructional Performance including Delivery of Service
 - Planning and Preparation
 - Classroom Organization and Management including Environment and Planning and Preparation
 - Professional Responsibilities and Personal and Professional Conduct

For professional employees in non-instructional capacities, the Administrator shall establish such other evaluation criteria as the Administrator determines appropriate given the duties of the employee; provided that personal and professional conduct be included.

In preparing summative evaluations, evaluators are to consider not only the formal observations conducted, but also informal observations and other relevant information concerning the performance of the employee in each of the evaluation criteria. Further, evaluators are to consider the input of administrators and other professional staff of the schools served by the employee, as applicable.

4. Communication of Deficiencies. The evaluation process is to include written communication and documentation to the evaluated employee specifying deficiencies, specific means for the correction of the noted deficiency, and an adequate timeline for implementing the concrete suggestions for improvement.

As professionals, professional employees may be assigned responsibility to provide suggestions for improvement plans or job growth strategies and shall have the duty of complying with such requests. Further, in the event improvement plans or other similar performance measures are implemented, professional employees shall have the duty to comply with such plans.

Professional employees are expected to be cooperative, professional, and to exhibit a willingness to improve performance and to accept the constructive criticisms and suggestions of the evaluator.

5. Responses to Evaluations. Professional employees will be given seven calendar days from receipt of an evaluation in which to give a written response to the evaluation.
6. Plan for Training Evaluators. All evaluators shall possess a valid Nebraska Administrator's Certificate and be trained to use the evaluation system. Training sessions in the use of the evaluation system will be provided by the Administrator or designee to all evaluators prior to their participation in evaluations. Refresher training is to be conducted as the Administrator determines to be needed.

H. Grievance Procedure

The purpose of this grievance procedure is to secure, at the lowest possible level, equitable solutions to problems that may from time to time arise concerning the terms and conditions of employment that are set forth in the negotiated agreement with the recognized bargaining unit(s) within the ESU (the “Association”).

Step One (Informal to Supervisor)

- a. If the Association or an employee has a grievance, the Association representative is to first discuss the matter with the administrator at the most-direct level or, in the case of an employee-grievant, the employee’s immediate supervisor.
- b. Step One is to be taken within 20 business days of the occurrence of the circumstance or action that creates the basis for the grievance.
- c. An employee-grievant may have a local representative present.
- d. The administrator or immediate supervisor to whom the grievance is presented is to give an oral or written response within 5 business days.

Step Two (Written to Supervisor)

- a. If the Association or the employee-grievant feels that the grievance is not satisfactorily resolved at Step One, the Association or the employee-grievant is to prepare a written grievance statement and give the statement to the administrator or immediate supervisor to whom the oral grievance was submitted.
- b. Step Two is to be taken within 5 business days of the immediate supervisor’s response, or the passage of the response deadline in the event of a failure to respond at Step One.
- c. The administrator or immediate supervisor is to give a written response within 5 business days.

Step Three (Written to Administrator)

- a. If the grievance is not resolved at Step Two to the satisfaction of the Association or the employee-grievant, the Association or the teacher-grievant is to give the written grievance statement to the Administrator and request a response to the grievance from the Administrator.
- b. Step Three is to be taken within 5 business days of the Step Two response, or the passage of the response deadline in the event of a failure to respond at Step Two.
- c. The Administrator may request that the Association or the employee-grievant give additional information in support of the grievance.
- d. The Administrator is to give a written response within the 5 business days of receipt of any information requested by the Administrator.

Step Four (To Board)

- a. If the grievance is not resolved at Step Three to the satisfaction of the Association or the employee-grievant, the Association or the employee-grievant is to give the Administrator or the Board President a written grievance statement and request a response from the Board.
- b. Step Four is to be taken within 5 business days of the Administrator’s response, or the passage of the response deadline in the event of a failure to respond, at Step Three.
- c. The Association or the employee-grievant and the administrators may provide Board members with written information concerning the grievance dispute in advance of the meeting at which the Board or a committee of the Board will consider the grievance.
- d. The Board or a committee of the Board is to give a decision on the grievance. If the grievance is submitted to the Board at least 2 weeks prior to the next regularly scheduled Board meeting, the decision is to be given at (or if a committee is used, on or before the date of) that Board meeting. If the grievance is submitted to the Board within 2 weeks of the next regularly scheduled Board meeting, the decision on the grievance is to be given at (or if a committee is used, on or before the date of) the next following regularly scheduled Board meeting. The Board may give its decision at a special meeting so long as the decision is given within the foregoing time frames.
- e. The decision at Step Four shall be final.

Conditions of Grievance Procedures

- a. Time limits herein are provided in business days, which excludes time periods when the business office of the ESU are closed for regular operations.
- b. Time limits may be extended by agreement of the grievant and the ESU administrator responsible at each particular grievance Step.
- c. Failure of a grievant to comply with the time limits shall constitute a waiver of right to proceed to the next step.
- d. Failure of an administrator to comply with the time limits at any level shall permit the grievant to proceed to the next step.
- e. Administrators and employees shall not retaliate against the Association or a employee-grievant for good-faith use of the grievance procedure.

I. Reduction in Force

Reductions-in-force of certificated staff may occur due to decreasing enrollments in schools served, limited financial support, changes in financial support, budget restrictions, changes in programs, changes in services provided, changing needs for services by school districts, changes in full time equivalencies, or other changes in circumstances. If a change in circumstances occurs necessitating a reduction in force, the Administrator or designee shall recommend to the Board

those certificated employees to be reduced, and the Board shall take action thereon, in accordance with applicable laws.

Reductions in force may include termination of an employee's contract, amendment of an employee's contract to reduce the employee's full time equivalency from full-time to part-time or from part-time to a lesser part-time, amendment of an employee's contract to eliminate positions or assignments and compensation related to such positions or assignments, and any other change that is a termination, non-renewal, or amendment of an employee's contract under the continuing contract laws.

The criterion for determining the employee or employees to be reduced in force are as follows (not listed in order of importance):

1. Areas of certification and endorsement. It shall be the responsibility of all certificated employees to file with the Administrator a copy of their teaching certificate or administrative and supervisory certificate or other license, including endorsements, upon initial employment with the ESU. On or before March 15th of each year thereafter, for so long as the employee is employed in the ESU or has rights of recall, the employee shall file with the Administrator evidence of any changes in the employee's certification, endorsements, or licensure which have occurred since March 15th of the previous year or which are pending.
2. Special qualifications that may require specific training and/or experience.
3. Existing school assignment.
4. Staffing requests from schools.
5. Location of schools and assignments.
6. Programs to be offered.
7. State and federal regulations which may mandate certain employment practices.
8. Contributions beyond the standard duties of the certificated employee's position, including contributions to activity programs of the schools.
9. Qualifications based on past performance and competence as determined by the Administrator or the evaluator of the affected employees through employee evaluation procedures. The criteria for employee evaluations (including frequency of the evaluation, evaluation forms, number and length of classroom observations, if applicable) used for purposes of this policy consists of the ESU 1 Board policies and administrative rules, regulations, forms and practices related to the periodic evaluation of certificated employees in effect as of the time the evaluation was completed. Such evaluation policies, etc., are incorporated herein as though set forth in full.
10. The organizational and educational impact created by multiple part time certificated employees.
11. Any other criteria which are rationally related to the instruction and services provided by, and the administration of, the ESU.

No permanent employee may be reduced through a reduction-in-force while a probationary employee is retained to perform a service in a position that the permanent employee is qualified by certification and endorsement to perform or where certification is not applicable, by reason of college credits in the teaching area.

Due to the often intimate, confidential, and unique personal working relationship necessary between the administration and the Board, a certificated employee who is not currently serving in a predominantly administrative capacity shall have no rights under this policy to any administrative position within the ESU.

If, after consideration of the above, it is the opinion of the Administrator that no significant difference exists between certificated employees being considered for reduction-in-force, then the employee with the longest uninterrupted service to the ESU shall be retained. Uninterrupted service time shall accrue the same for all certificated employees regardless of their full time equivalency. Uninterrupted service time for employees employed less than a full school year shall accrue according to the number of contract days worked. Uninterrupted service time shall not accrue for certificated employees on leave of absence for more than forty days.

A certificated employee whose contract is terminated because of reduction-in-force shall be considered to have been dismissed with honor. The employee shall, upon request, be provided a letter to that effect. The employee shall have preferred rights to re-employment for a period of twenty-four months commencing at the end of the contract year. The employee shall be recalled on the basis of length of uninterrupted service to the ESU to any position for which the employee is qualified by endorsement or college preparation to teach. The employee shall, upon reappointment, retain any benefits which had accrued to the employee prior to the reduction, but such leave of absence shall not be considered as a year of employment by the ESU. An employee under contract to another educational institution may waive recall but such waiver shall not deprive the employee of his or her right to subsequent recall.

Any certificated employee whose employment contract is reduced as a result of reduction-in-force shall, during the period of recall, report current address information to the Administrator and inform the Administrator of any changes of address thereafter. If a vacancy occurs for which the employee has rights of recall, the offer of such employment may be sent by the Administrator to the employee's last reported address. If no acceptance of such offer is received from the employee within fourteen days of mailing and the Administrator has no personal knowledge of the whereabouts of the employee (other than said last known address), the employee shall be deemed to have waived rights to recall to that employment position.

B. “At Will” Status

All employees and assignments that do not require a certificate issued by the Commissioner of Education shall be on an “at will” basis. Non-certificated employees shall have no property right in continued employment and need not be given a hearing or any other procedural or substantive due process prior to termination of employment.

Nothing in board policy, administrative regulations or practices, employee handbooks, or in any evaluation instrument or in the evaluation process for non-certificated employees shall be or is intended to create or be a contract or part of a contract with a non-certificated employee which shall in any way be construed to be contrary to the “at will” employment of non-certificated employees. No administrator or other employee of the ESU has any authority to enter into any agreement of employment with a non-certificated employee for any specific period of time or to make any agreement contrary to an at-will employment relationship without specific Board approval.

C. Hiring, Assignment and Dismissal

The Board delegates to the Administrator the authority to hire, assign, reassign, suspend and dismiss classified and non-certificated employees. Such authority shall be exercised in compliance with the policies of the Board. The Board reserves the authority to modify or reverse any such action taken by the Administrator.

Dismissal of classified and non-certificated employees shall be on an at-will basis, as such employees are subject to termination at any time without cause, without prior disciplinary action or progressive discipline, and irrespective of the lack of any evaluation or the irregularity in any evaluation process.

2. Shall not discriminate on the basis of sex, disability, race (including skin color, hair texture and protective hair styles), color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, or other protected status in its programs and activities.
3. Shall not use coercive means, or promise or provide special treatment to other employees, students, parents, patrons, or ESU board members in order to influence professional decisions.
4. Shall not make any fraudulent statement or fail to disclose a material fact for which the employee is responsible.
5. Shall not exploit relationships for personal gain or private advantage.
6. Shall not harass in any manner students, parents or ESU patrons, employees, or board members.
7. Shall not engage in conduct involving dishonesty, fraud, deceit, or misrepresentation in the performance of duties.
8. Shall keep in confidence personally identifiable student or employee information that has been obtained in the course of service to the ESU, unless disclosure serves professional purposes or is required by law.
9. Shall not discipline students using corporal punishment.
10. Shall not misrepresent the ESU, and shall take added precautions to distinguish between the employee's personal and institutional views.
11. Shall abide by policies and regulations of the Board and the rules and standards established by the administration and the employee's supervisor.
12. Shall seek no reprisal against any individual who reports a violation of these standards.

E. Evaluations

The Board delegates to the Administrator the responsibility to develop, organize and implement a program to evaluate classified employees. The evaluation process is to be conducted in such a manner as to be consistent with and to advance the mission and goals of ESU.

A failure to properly complete evaluations shall not give a classified employee rights with regard to continued employment. Such failure, however, is to be considered in evaluating the responsible evaluator's performance.

EQUITY and LEGAL COMPLIANCE

Section 1 Non-Discrimination

A. Policy of Non-Discrimination

ESU 1 does not discriminate on the basis of sex, disability, race (including skin color, hair texture and protective hairstyles), color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, gender identity or sexual orientation, or any other protected status in its programs and activities and provides equal access to designated youth groups. Reasonable accommodations will be provided to employees with disabilities and to those who are pregnant, have given birth, or have a related medical condition, as required by law. Complaints or concerns involving discrimination should be addressed to:

Employees and Others: Lisa Salmon, Human Resources Director, 211 Tenth St, Wakefield, NE 68784 (402)287-2061 lsalmon@esu1.org.

Complaints or concerns involving discrimination or needs for accommodation or access should be addressed to the appropriate Coordinator.

For further information about anti-discrimination laws and regulations, or to file a complaint of discrimination with the Office of Civil Rights in the U.S. Department of Education (OCR), please contact the OCR at One Petticoat Lane, 1010 Walnut Street, 3rd Floor, Suite 320, Kansas City, Missouri 64106, (816) 268-0550 (voice), Fax (816) 268-0599, (800) 877-8339 (telecommunications device for the deaf), or ocr.kansascity@ed.gov.

ESU 1 is committed to offering employment and educational opportunities to its employees and students in a climate free of discrimination. Accordingly, unlawful discrimination, harassment and retaliation of any kind by ESU 1 employees, including co-workers, non-employees (such as volunteers), third parties, and others is strictly prohibited and will not be tolerated.

B. Harassment

Harassment is a form of discrimination and includes verbal, non-verbal, written, graphic, or physical conduct relating to any protected status that is sufficiently serious to deny, interferes with, or limits a person's ability to participate in or benefit from an educational or work program or activity, including, but not limited to:

1. Conduct that is sufficiently severe or pervasive to create an intimidating, hostile, or abusive educational or work environment, or
2. Requiring an individual to endure the offensive conduct as a condition of continued employment or educational programs or activities, including the receipt of aids, benefits, and services.

Educational programs and activities include all academic, educational, extracurricular, athletic, and other programs of the ESU, whether those programs take place in ESU facilities, on an ESU vehicle, at a class or training program sponsored by the ESU at another location, or elsewhere.

Discriminatory harassment because of any protected status may include, but is not limited to:

1. Name-calling,
2. Teasing or taunting,
3. Insults, slurs, or derogatory names or remarks,
4. Demeaning jokes,
5. Inappropriate gestures,
6. Graffiti or inappropriate written or electronic material,
7. Visual displays, such as cartoons, posters, or electronic images,
8. Threats or intimidating or hostile conduct,
9. Physical acts of aggression, assault, or violence, or
10. Criminal offenses.

The following examples are additional or more specific examples of conduct that may constitute sexual harassment:

1. Unwelcome sexual advances or propositions,
2. Requests or pressure for sexual favors,
3. Comments about an individual's body, sexual activity, or sexual attractiveness,
4. Physical contact or touching of a sexual nature, including touching intimate body parts and inappropriate patting, pinching, rubbing, or brushing against another's body,
5. Physical sexual acts of aggression, assault, or violence, including criminal offenses (such as rape, sexual assault or battery, and sexually motivated stalking), against a person's will or where a person is incapable of giving consent due to the victim's age, intellectual disability, or use of drugs or alcohol,
6. Requiring sexual favors or contact in exchange for aids, benefits, or services, such as grades, awards, privileges, promotions, etc., or
7. Gender-based harassment; acts of verbal, nonverbal, written, graphic, or physical conduct based on sex or sex-stereotyping, but not involving conduct of a sexual nature.

If ESU 1 knows or reasonably should know about possible harassment, including violence, ESU1 will conduct a prompt, adequate, reliable, thorough, and impartial investigation to determine whether unlawful harassment occurred and take appropriate interim measures, if necessary. If ESU1 determines that unlawful harassment occurred, ESU 1 will take prompt and effective action to eliminate the harassment, prevent its recurrence, and remedy its effects, if appropriate. If harassment or violence that occurs off ESU property creates a hostile environment at the ESU, ESU 1 will follow this policy and grievance procedure, within the scope of its authority.

All ESU 1 employees are expected to take prompt and appropriate actions to report and prevent discrimination, harassment, and retaliation by others. Employees who witness or become aware of possible discrimination, including harassment and retaliation, must immediately report the conduct to his or her supervisor or the compliance coordinator designated to handle complaints of discrimination (designated compliance coordinator).

C. Anti-retaliation

ESU 1 prohibits retaliation, intimidation, threats, coercion, or discrimination against any person for opposing discrimination, including harassment, or for participating in ESU 1's discrimination complaint process or making a complaint, testifying, assisting, or participating in any manner, in an investigation, proceeding, or hearing. Retaliation is a form of discrimination.

ESU 1 will take immediate steps to stop retaliation and prevent its recurrence against the alleged victim and any person associated with the alleged victim. These steps will include, but are not limited to, notifying students, employees, and others, that they are protected from retaliation, ensuring that they know how to report future complaints, and initiating follow-up contact with the complainant to determine if any additional acts of discrimination, harassment, or retaliation have occurred. If retaliation occurs, ESU 1 will take prompt and strong responsive action, including possible discipline, including expulsion or termination, if applicable.

D. General Grievance (or Complaint) Procedures

Employees or students should initially report all instances of discrimination, harassment or retaliation to their immediate supervisor or teacher or to the Compliance Coordinator designated to handle complaints of discrimination. If the employee or student is uncomfortable in presenting the problem to the supervisor or teacher, or if the supervisor or teacher is the problem, the employee or student may report the alleged discrimination, harassment or retaliation (“discrimination”) to the Compliance Coordinator.

If the Compliance Coordinator is the person alleged to have committed the discriminatory act, then the complaint should be submitted to the Administrator for assignment. A discrimination complaint form is available in the ESU1 Central Office building, on the ESU 1 website, and from the Compliance Coordinator.

Under no circumstances will a person filing a complaint or grievance involving discrimination be retaliated against for filing the complaint or grievance.

1. Level 1 (Investigation and Findings)

The Compliance Coordinator will review and evaluate each grievance, complaint, or report to determine if such grievance, complaint or report is covered under Title IX. If such a grievance, complaint or report is covered under Title IX, then the Compliance Coordinator will follow the Title IX Grievance Procedures (outlined below). For all other grievances, complaints or reports, the Compliance Coordinator will follow these General Grievance Procedures. Once ESU 1 receives a grievance, complaint or report alleging discrimination, harassment, or retaliation, or becomes aware of possible discriminatory conduct, ESU 1 will conduct a prompt, adequate, reliable, thorough, and impartial investigation to determine whether unlawful harassment occurred. If necessary, ESU 1 will take immediate, interim action or measures to protect the alleged victim and prevent further potential discrimination, harassment, or retaliation during the pending investigation. The alleged victim will be notified of his or her options to avoid contact with the alleged harasser, such as changing a class or prohibiting the alleged harasser from having any contact with the alleged victim pending the result of ESU 1’s investigation. ESU 1 will minimize any burden on the alleged victim when taking interim measures to protect the alleged victim.

ESU 1 will promptly investigate all complaints of discrimination, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. ESU 1 will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this grievance procedure. If the allegation(s) involve possible criminal conduct, ESU 1 will notify the complainant of his or her right to file a criminal complaint, and ESU 1 employees will not dissuade the complainant from filing a criminal complaint either during or after ESU 1’s investigation.

ESU 1 will aim to complete its investigation within ten (10) working days after receiving a complaint or report, unless extenuating circumstances exist. Extenuating circumstances may include the unavailability of witnesses due to illness or incapacitation, or additional time needed because of the complexity of the investigation, the need for outside experts to evaluate the evidence (such as forensic evidence), or multiple complainants or victims. If extenuating circumstances exist, the extended timeframe to complete the investigation will not exceed ten (10) additional working days without the consent of the complainant, unless the alleged victim agrees to a longer timeline. Periodic status updates will be given to the parties, when appropriate.

ESU 1's investigation will include, but is not limited to:

- a. Providing the parties with the opportunity to present witnesses and provide evidence.
- b. An evaluation of all relevant information and documentation relating to the alleged discriminatory conduct.
- c. For allegations involving harassment, some of the factors ESU 1 will consider include: 1) the nature of the conduct and whether the conduct was unwelcome, 2) the surrounding circumstances, expectations, and relationships, 3) the degree to which the conduct affected one or more students' education, 4) the type, frequency, and duration of the conduct, 5) the identity of and relationship between the alleged harasser and the suspect or suspects of the harassment, 6) the number of individuals involved, 7) the age (and sex, if applicable) of the alleged harasser and the alleged victim(s) of the harassment, 8) the location of the incidents and the context in which they occurred, 9) the totality of the circumstances, and 10) other relevant evidence.
- d. A review of the evidence using a "preponderance of the evidence" standard (based on the evidence, is it more likely than not that discrimination, harassment, or retaliation occurred?)

The Compliance Coordinator (or designated investigator) will complete an investigative report, which will include:

- a. A summary of the facts,
- b. Findings regarding whether discrimination, harassment or other inappropriate conduct occurred, and
- c. If a finding is made that discrimination, harassment or other inappropriate conduct occurred, the recommended remedy or remedies necessary to eliminate discrimination, harassment or other inappropriate conduct.

If someone other than the Compliance Coordinator conducted the investigation, the Compliance Coordinator will review, approve, and sign the investigative report. ESU 1 will ensure that prompt, appropriate, and effective remedies are provided if a finding of discrimination, harassment, or retaliation is made. ESU 1 will maintain relevant documentation obtained during the investigation and documentation supportive of the findings and any subsequent determinations, including the investigative report, witness statements, interview summaries, and any transcripts or audio recordings, pertaining to the investigative and appeal proceedings.

ESU 1 will send concurrently to the parties written notification of the decision (findings and any remedy) regarding the complaint within one (1) working day after the investigation is completed. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 11232g; 34 C.F.R. Part 99, permits ESU 1 to disclose relevant information to a student who was discriminated against or harassed.

2. *Level 2 (Appeal to the Administrator)*

If a party is not satisfied with the findings or remedies (or both) set forth in the decision, he or she may file an appeal in writing with the Administrator within five (5) working days after receiving the decision. The Administrator will review the appeal and the investigative documentation and decision, conduct additional investigation, if necessary, and issue a written determination about the appeal within ten (10) working days after receiving the appeal. The party who filed the appeal will be sent the Administrator's determination at the time it is issued, and a copy will be sent to the Compliance Coordinator. [If the Administrator is the subject of the complaint, the party will file the appeal directly with the Board.]

3. *Level 3 (Appeal to the Board)*

If the party is not satisfied with the Administrator's determination, he or she may file an appeal in writing with the Board within five (5) working days after receiving the Administrator's determination. The Board will review the appeal, the Administrator's determination, the investigative documentation and decision, and allow the party to address the Board at a Board meeting to present his or her appeal. The party will be allowed to address the Board at the Board's next regularly scheduled Board meeting (unless the Board receives the appeal within one week of the next regularly scheduled Board meeting) or at a time and date agreed to by the Board, Compliance Coordinator and the party. The Board will issue a written determination about the appeal within thirty (30) days after the party addresses the Board. The party who filed the appeal will be sent the Board's determination at the time it is issued, and a copy will be sent to the Compliance Coordinator. The Board's determination, and any actions taken, will be final on behalf of ESU 1.

E. Confidentiality

The identity of the complainant will be kept confidential to the extent permitted by state and federal law. ESU 1 will notify the complainant of the anti-retaliation provisions of applicable laws and that ESU 1 will take steps to prevent retaliation and will take prompt and strong responsive actions if retaliation occurs.

If a complainant requests confidentiality or asks that the complaint not be pursued, ESU 1 will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or the request not to pursue an investigation, as long as doing so does not prevent ESU 1 from responding effectively to the harassment and preventing harassment of other students. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, ESU 1 will inform the complainant that its ability to respond may be limited. Even if ESU 1 cannot take disciplinary action against the alleged harasser, ESU 1 will pursue other steps to limit the effects of the alleged harassment and prevent its recurrence, if warranted.

F. Title IX Grievance (or Complaint) Procedures

All employees are responsible for helping to prevent sexual harassment. Employees, or students, who believe they have been subjected to or witnessed sexual harassment should follow these procedures:

1. Directly inform the person engaging in the discrimination or harassment that such conduct is offensive and must stop.
2. For employee reporters, contact your principal or supervisor or the principal or supervisor of the offending person, the Title IX Coordinator, or the Human Resources Manager, if you do not wish to communicate directly with the person whose conduct is offensive or if direct communication with the offending person has been ineffective.
3. Report the matter to the Title IX Coordinator or the Human Resources Manager, if the offending conduct continues or has not been resolved to your satisfaction after you have reported the matter to a principal or supervisor.
4. For student reporters, contact any teacher or administrator.
5. Report to the Title IX Coordinator if you are the adult to whom the student has made a report so that the matter can be properly resolved. The Title IX Coordinator may file a formal complaint and begin the following complaint procedure.

Allegations of sexual harassment or discrimination shall be investigated and, if substantiated, corrective or disciplinary action may be taken, up to and including dismissal from employment if the offender is an employee, or suspension and/or expulsion, if the offender is a student. Retaliatory action will not be taken against an employee for reporting discrimination or harassment.

i. Response to a Formal Title IX Complaint:

1. Filing Formal Complaint: An employee or student can allege sexual harassment by filing a formal complaint in writing with the Title IX Coordinator in person or by mail, or by electronic mail using the following contact information:

TITLE IX COORDINATOR CONTACT INFORMATION

Sarah Hansen
211 Tenth Street, Wakefield, NE 68784
402-287-2061
shansen@esu1.org

The formal complaint must be signed by the complainant or by the Title IX Coordinator. The following procedures apply only in the event that a formal complaint is filed. All other allegations of sexual harassment shall be resolved using the general complaint procedure. Any timelines set forth in the following procedures may be extended by the Title IX Coordinator with notice to the parties.

2. Immediate Actions Upon Receipt of Formal Complaint: Upon receipt of a formal complaint, the Title IX Coordinator shall provide the following to all known parties: (a): the

complaint procedure as outlined in this regulation; and (b): notice of the allegations of sexual harassment including (i) the identities of the parties involved, if known, (ii) the conduct allegedly constituting sexual harassment, and (iii) the date and location of the alleged incident.

The parties to the formal complaint may select an advisor of their choice, who may be, but is not required to be, an attorney.

3. Investigation of Formal Complaint: Upon receipt of a formal complaint, the Title IX Coordinator shall notify the Investigator. The Investigator will promptly investigate all complaints of discrimination, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. The Investigator will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this complaint procedure. If the allegation(s) involve possible criminal conduct, the ESU will notify the complainant of his or her right to file a criminal complaint, and ESU employees will not dissuade the complainant from filing a criminal complaint either during or after the ESU's investigation.

The Investigator will aim to complete its investigation within a reasonable time frame as determined by the Title IX Coordinator. The factors to determine a reasonable time frame include, but are not limited to the allegations of the formal complaint, the number of witnesses that may need to be interviewed, and whether the police are also conducting an investigation into the allegations. The time frame originally set by the Title IX Coordinator may be extended by the Title IX Coordinator, upon notice to the parties, as he or she deems necessary to complete the investigation. Periodic status updates will be given to the parties, when appropriate.

(A) *Neutrality:* The Title IX Coordinator, investigator, decision-maker, or any person designated by the ESU to facilitate this complaint procedure, shall not have any conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. The ESU shall ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates this complaint procedure shall receive training on the definition of sexual harassment in accordance with this regulation, the scope of the ESU's education program or activity, how to conduct an investigation and complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the fact at issue, conflicts of interest, and bias. The ESU shall ensure that the individuals involved in the complaint procedure receive training on issues of relevance of questions and evidence and on issues of relevance to create an investigative report that fairly summarizes relevant evidence.

(B) *Burden of Production:* It shall be the Investigator's burden to gather evidence sufficient to reach a determination regarding responsibility. To reach a determination, the investigation will include, but is not limited to:

- a. Providing the parties with the opportunity to present witnesses and provide evidence.
- b. An evaluation of all relevant information and documentation relating to the alleged discriminatory conduct.
- c. For allegations involving harassment, some of the factors the ESU will consider include: 1) the nature of the conduct and whether the conduct was unwelcome, 2) the surrounding circumstances, expectations, and relationships, 3) the degree to which the conduct affected one or more students' education, 4) the type, frequency, and duration of the conduct, 5) the identity of and relationship between the alleged harasser and the suspect or suspects of the harassment, 6) the number of individuals

- involved, 7) the age (and sex, if applicable) of the alleged harasser and the alleged victim(s) of the harassment, 8) the location of the incidents and the context in which they occurred, 9) the totality of the circumstances, and 10) other relevant evidence.
- d. A review of the evidence using a “preponderance of the evidence” standard (based on the evidence, is it more likely than not that discrimination, harassment, or retaliation occurred?)

(C) *Rights of the Parties:* The respondent is entitled to a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the complaint process.

The Investigator must provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.

The Investigator shall not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.

The Investigator shall provide the parties with the same opportunities to have others present during any complaint proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice if the Investigator deems appropriate. However, the Investigator may establish restrictions regarding the extent to which the advisor may participate in the proceedings, if the restrictions apply equally to both parties.

The Investigator shall provide to all witnesses expected to attend a meeting notice of the date, time, location, participants, and purpose of all hearings within 2 days of the meeting.

Up until the conclusion of the investigation, the parties shall have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint. This includes the evidence upon which the Investigator does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence obtained from any source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.

The ESU retains the right to place a non-student employee respondent on administrative leave during the pendency of the investigation. The ESU also retains the right to remove a respondent from the ESU’s educational program prior to the conclusion of the investigation. In the event of a removal, the respondent shall have the opportunity to challenge the decision for removal.

(D) *Conclusion of Investigation:* Prior to the conclusion of the investigation, the investigator shall send each party and the party’s advisor, if any, the evidence that is subject to inspection and review in an electronic format or a hard copy. The parties shall then have ten (10) days to submit a written response, which the investigator will consider.

Once the investigator has considered the written statements of the parties, if any, and any questions of the parties, if any, the investigator shall create an investigative report that fairly summarizes relevant evidence. The investigator shall then submit the written investigation report to the decision-maker. The parties shall each receive a copy of the final investigative report at the same time as the decision-maker.

4. Decision of Responsibility: The decision-maker, shall review the investigative

report. Prior to coming to a determination regarding responsibility, the decision maker shall provide 10 days for each party to submit written, relevant questions that a party wants asked of any party or witness, provide each party with answers, and allow for additional, limited follow-up questions from each party.

Once the decision maker has considered the written questions of the parties, if any, the decision maker shall issue a written determination regarding responsibility by a preponderance of the evidence within a reasonable time frame as determined by the Title IX Coordinator. The decision-maker shall consider all relevant evidence, including inculpatory and exculpatory evidence, and will not consider the credibility of the evidence to be based on a person's status, such as complainant, respondent, or witness. The decision-maker shall provide the written determination to both parties simultaneously. The written determination must include:

- a. Identification of the allegations potentially constituting sexual harassment;
- b. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather evidence;
- c. Findings of fact supporting the determination;
- d. Conclusions regarding the application of each recipient's code of conduct to the facts;
- e. A statement of, and rationale for, the results as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the recipient's education program or activity will be provided by the recipient to the complainant; and
- f. The recipient's procedures and permissible bases for the complainant and respondent to appeal.

The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. Sec. 11232g; 34 C.F.R. Part 99, permits the ESU to disclose relevant information to a student who was discriminated against or harassed.

5. Supportive Measures and Disciplinary Actions:

Throughout the investigation, either party may be entitled to supportive measures. Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the ESU's educational environment, or to deter sexual harassment.

Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The ESU shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the ESU to provide the supportive measures.

At the conclusion of the investigation, the decision-maker may institute disciplinary

measures to the respondent if the decision-maker determines that the respondent engaged in sexual abuse or harassment. Disciplinary measures may include, but are not limited to, in school suspension, out of school suspension, expulsion, and in the case of an employee disciplinary action up to and including dismissal from employment. This policy does not limit or prohibit the ESU from instituting disciplinary measures if in the course of the investigation it determines that the complainant or respondent violated the student code of conduct.

The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

ii. Title IX Appeals

If either party is not satisfied with the outcome of the investigation and the decision of the decision-maker, they may appeal on the following bases:

- a. Procedural irregularity that affected the outcome of the matter;
- b. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
- c. The Title IX Coordinator, investigator, or decision-maker had a conflict of interest or bias for or against the complainant or respondent generally or the individual complainant or respondent that affected the outcome of the matter.

The request for an appeal shall be in writing and submitted on the appropriate document. The appeal document shall be submitted to the ESU Administrator.

Upon notice of an appeal by either party, the ESU Administrator shall notify the other party in writing when the appeal is filed and of the appeal procedures, which apply equally to both parties.

The ESU Administrator shall give both parties a reasonable, and equal opportunity to submit a written statement in support of or challenging the outcome.

The ESU Administrator shall review the investigative report, decision-maker's determination, and written statements of the parties and then issue a written decision describing the result of the appeal and the rationale for the result. The ESU Administrator shall provide the written decision simultaneously to both parties.

iii. Informal Resolution

If a formal Title IX complaint is filed, the ESU may offer the complainant and respondent the opportunity to participate in an informal resolution process. The informal resolution process may take place at any time prior to reaching a determination regarding responsibility. The informal resolution process shall only take place upon:

- a. Written notice to both parties disclosing: the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the resolution process and resume the complaint process with respect to the formal complaint, and any consequences resulting from participating in the informal resolution

- process, including the records that will be maintained or could be shared;
- b. The parties' voluntary, written consent to the informal resolution process; and
- c. That the allegations of the formal complaint do not involve any allegations that an employee sexually harassed a student.

G. Training:

The ESU will ensure that ESU employees, including but not limited to officials, administrators, teachers, substitute teachers, counselors, nurses and other health personnel, coaches, assistant coaches, paraprofessionals, aides, bus drivers, and school law enforcement officers, are adequately trained so they understand and know how to identify acts of discrimination, harassment, and retaliation, and how to report it to appropriate ESU officials or employees.

In addition, the ESU shall ensure that employees designated to address or investigate discrimination, harassment, and retaliation, including designated compliance coordinators, receive additional specific training to promptly and effectively investigate and respond to complaints and reports of discrimination, and to know the ESU's grievance procedures and the applicable confidentiality requirements.

H. Preventive Measures:

The ESU may, from time to time, distribute specific harassment and violence materials (such as sexual violence), including a summary of the ESU's anti-discrimination, anti-harassment, and anti-retaliation policy and grievance procedure, and a list of victim resources, to its employees and students that the ESU serves.

Section 2 Section 504 Compliance

A. Purpose (34 CFR 104.3)

The purpose of this policy is to effectuate Section 504 of the Rehabilitation Act of 1973, which is designed to eliminate discrimination on the basis of handicap in any program or activity receiving

Federal financial assistance. Compliance with this policy will also effectuate compliance with the Americans with Disabilities Act (ADA).

B. Definitions (34 CFR 104.3)

“Handicapped persons” means any person who (1) has a physical or mental impairment which substantially limits one or more major life activities, (2) has a record of such an impairment, or (3) is regarded as having such an impairment.

“Major life activities” means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

Qualified handicapped person means:

With respect to employment, a handicapped person who, with reasonable accommodation, can perform the essential functions of the job in question.

With respect to educational services, a handicapped person (a) of an age during which non-handicapped persons are provided such services, (b) of any age during which it is mandatory under state law to provide such services to handicapped persons, or (c) to whom a free appropriate public education is required to be provided.

With respect to other services, a handicapped person who meets the essential eligibility requirements for the receipt of such services.

C. Discrimination Prohibited (34 CFR 104.4)

No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity of the ESU.

D. Voluntary Action and Self-Evaluation (34 CFR 104.6)

Voluntary action. The ESU may take steps, in addition to any action that is required by this policy, to overcome the effects of conditions that result in limited participation in the ESU's program or activity by qualified handicapped persons.

Self-evaluation. The ESU shall: (a) evaluate, with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons, its current policies and practices and the effects thereof that do not or may not meet the requirements of this policy; (b) modify, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, any policies and practices that do not meet the requirements of this policy; and (c) take, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

The ESU shall, for at least three years following completion of the evaluation, maintain on file, make available for public inspection, and provide to the Assistant Secretary upon request: (i) a list of the interested persons consulted, (ii) a description of areas examined and any problems identified, and (iii) a description of any modifications made and of any remedial steps taken.

E. 504 Coordinator (34 CFR 104.7)

The ESU has designated the Administrator as its Section 504 Coordinator. The ESU has designated the Director of Special Education as its Section 504 Coordinator for students. As required by law, these persons shall coordinate the ESU's efforts to comply with Federal Law.

F. 504 and ADA Complaint Procedures (34 CFR 104.7)

The following grievance procedure shall be used to provide for the prompt and equitable resolution of complaints alleging any action prohibited by this policy and for the resolution of complaints of alleged violations of Section 504 or the ADA:

1. Complaints shall be filed with the ADA and Section 504 Coordinator. Complaints shall be made in writing, unless the Complainant's disability prevents such, in which event the Complaint can be made verbally.
2. Complaints shall set forth: (a) the name of the Complainant, (b) the address and telephone number or other such information sufficient to enable the Coordinator to contact the Complainant, (c) a brief description of the alleged violation, and (d) the relief requested by the Complainant.
3. Complaints shall be investigated by the Coordinator or the Coordinator's designee. Investigations shall be thorough, but informal, and the Complainant shall be given a full opportunity to submit evidence relevant to the complaint.
4. The Coordinator shall make a decision on the Complaint within thirty (30) days of the filing of the Complaint, unless such time period is extended by agreement of the Complainant. The decision shall be made in writing, shall set forth the Coordinator's proposed resolution of the Complaint, and shall be forwarded to the Complainant.
5. The Complainant shall have ten (10) days from the date the Coordinator's decision is sent to the Complainant to accept or reject the Coordinator's proposed resolution, and shall be deemed to have accepted the proposed resolution unless the Complainant rejects the proposed resolution within such time period.

In the event the Complainant rejects the proposed resolution, the Complainant shall be given the opportunity to file a request for reconsideration within ten (10) days from the date the Coordinator's decision is sent to the Complainant. The request for reconsideration shall be filed with the Coordinator. The Coordinator shall consider any additional information provided in the request for reconsideration and make a decision on the request for reconsideration within 10 (ten) days after the request for reconsideration was filed.

G. Notice (34 CFR 104.8)

The ESU shall take appropriate steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, that it does not discriminate on the basis of handicap in violation of State or Federal law, including Section 504. The notification shall state, where appropriate, that the ESU does not discriminate in admission or access to, or treatment or employment in, its programs and activities.

The notification shall also include an identification of the responsible employee designated above. Methods of initial and continuing notification may include the posting of notices, publication in

newspapers and magazines, placement of notices in the ESU's publication, and distribution of memoranda or other written communications.

If the ESU publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement that the ESU does not discriminate on the basis of handicap in violation of State or Federal law, including Section 504.

H. Employment Practices Discrimination Practices Prohibited (34 CFR 104.8)

1. General.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity to which this policy applies.

The ESU shall take positive steps to employ and advance in employment qualified handicapped persons in programs that receive assistance under the special education laws.

The ESU shall make all decisions concerning employment under any program or activity to which this policy applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

The ESU will not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this policy.

2. Specific Activities.

The provisions of this policy apply to: (1) recruitment, advertising, and the processing of applications for employment; (2) hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring; (3) rates of pay or any other form of compensation and changes in compensation; (4) job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists; (5) leaves of absence, sick leave, or any other leave; (6) fringe benefits available by virtue of employment, whether or not administered by the ESU; (7) selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training; (8) employer sponsored activities, including social or recreational programs; and (9) any other term, condition, or privilege of employment.

3. Collective Bargaining Agreement Superseded.

The ESU's obligation to comply with this policy is not affected by any inconsistent term of any collective bargaining agreement to which it is a party.

4. Reasonable Accommodation (34 CFR 104.12)

The ESU shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the ESU

can demonstrate that the accommodation would impose an undue hardship on the operation of its program.

Reasonable accommodation may include: (a) making facilities used by employees readily accessible to and usable by handicapped persons, and (b) job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

In determining whether an accommodation would impose an undue hardship on the operation of the ESU's program, factors to be considered include: (a) the overall size of the ESU's program with respect to number of employees, number and type of facilities, and size of budget; (b) the type of the ESU's operation, including the composition and structure of the ESU's workforce; and (c) the nature and cost of the accommodation needed. The ESU may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

5. Employment Criteria (34 CFR 104.13)

The ESU will not make use of any employment test or other selection criterion that screens out or tends to screen out handicapped persons or any class of handicapped persons unless: (a) the test score or other selection criterion, as used by the ESU, is shown to be job-related for the position in question, and (b) alternative job-related tests or criteria that do not screen out or tend to screen out as many handicapped persons are not available.

The ESU shall select and administer tests concerning employment so as best to ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's or employee's job skills, aptitude, or whatever other factor the test purports to measure, rather than reflecting the applicant's or employee's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

6. Pre-employment Inquiries (34 CFR 104.14)

Except as provided below, the ESU will not conduct a pre-employment medical examination or make pre-employment inquiries of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. The ESU may, however, make pre-employment inquiry into an applicant's ability to perform job-related functions.

When the ESU is taking remedial action to correct the effects of past discrimination or voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity, or when the ESU is taking affirmative action, the ESU may invite applicants for employment to indicate whether and to what extent they are handicapped. To take such action, the ESU must: (a) state clearly on any written questionnaire used for this purpose, or make clear orally if no written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and (b) state clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this policy.

Nothing in this section shall prohibit the ESU from conditioning an offer of employment on the results of a medical examination conducted prior to the employee's entrance on duty, provided that: (a) all entering employees are subjected to such an examination regardless of handicap, and (b) the results of such an examination are used only in accordance with the requirements of this policy.

Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained on separate forms that shall be accorded confidentiality as medical records, except that: (a) supervisors and managers may be informed regarding restrictions on the work or duties of handicapped persons and regarding necessary accommodations; (b) first aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and (c) government officials investigating compliance with the Act shall be provided relevant information upon request.

I. Program Accessibility

1. Discrimination Prohibited (34 CFR 104.21)

No qualified handicapped person shall, because the ESU's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which this policy applies.

2. Existing Facilities (34 CFR 104.22)

Program accessibility. The ESU shall operate each program or activity to which this policy applies so that the program or activity, when viewed in its entirety, is readily accessible to handicapped persons. The ESU is not required to make each of its existing facilities or every part of a facility accessible to and usable by handicapped persons.

Methods. The ESU is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with program accessibility. In choosing among available methods for meeting the requirement of program accessibility, the ESU shall give priority to those methods that offer programs and activities to handicapped persons in the most integrated setting appropriate.

Transition plan. In the event structural changes to facilities are necessary to meet the requirement of program accessibility, the ESU shall develop a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum: (a) identify physical obstacles in the ESU's facilities that limit the accessibility of its program or activity to handicapped persons; (b) describe in detail the methods that will be used to make the facilities accessible; (c) specify the schedule for taking the steps necessary to achieve full program accessibility and, if the time period of the transition plan is longer than one year, identify the steps that will be taken during

each year of the transition period; and (d) indicate the person responsible for implementation of the plan.

Notice. The ESU shall adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by handicapped persons.

3. New Construction (34 CFR 104.23)

Each facility or part of a facility constructed by, on behalf of, or for the use of the ESU shall be designed and constructed in such manner that the facility or part of the facility is readily accessible to and usable by handicapped persons.

Each facility or part of a facility which is altered by, on behalf of, or for the use of the ESU after the effective date of this policy in a manner that affects or could affect the usability of the facility or part of the facility shall, to the maximum extent feasible, be altered in such manner that the altered portion of the facility is readily accessible to and usable by handicapped persons.

J. Program Accessibility to Students (34 CFR 104.32 to .38)

As and to the extent the services to a qualified handicapped student are the responsibility of the ESU, the services are to:

1. be in conformance with the 504 Plan developed by the 504 team for the student by the school in which the student is enrolled, and
2. afford handicapped students an equal opportunity for participation in programs and services without discrimination on the basis of handicap.

Section 3 Special Education

The ESU will abide by all state and federal laws and regulations relating to special education.

1. Free Appropriate Public Education: The Board affirms its position that students with disabilities are entitled to a free appropriate public education in conformance with Nebraska Department of Education Rule 51.  - a. be in conformance with the student's Individualized Education Plan (IEP) or Individual Family Service Plan (IFSP),
 - b. meet the standards that apply to education provided by the school in which the student is enrolled, and

- c. provide the student with all of the rights of a child with a disability who is served by the school in which the student is enrolled.
- 2. Student Records - Rights and Privacy: Student records are to be maintained in conformance with the requirements of the Family Educational Rights and Privacy Act (FERPA) and NDE Rule 51. - 3. Procedural Safeguards: The special education programs and services operated by the ESU or provided to schools by contract shall comply with the procedural safeguards specified in NDE Rule 51.
- 4. Plans and Budgets: Special education plans and budgets for schools served will be available for public viewing.
- 5. Personnel: All personnel assigned to provide special education and related services to children with disabilities are to be appropriately and adequately prepared to provide special education. The Director of Special Education will develop a comprehensive system of personnel development which shall include:
 - a. In-service training;
 - b. Procedures to assure that all personnel are properly endorsed and adequately trained; and
 - c. Acquiring and disseminating best educational practices and materials developed for the provision of the services.

Section 4 Homeless Students

A. General Policy Statement

The ESU shall ensure that homeless children and youths shall have equal access to the same free, appropriate public education, including public preschool education, as provided to other children and youths.

B. Definitions

“School of Origin” shall mean the school that a child or youth attended when permanently housed or the school in which the child or youth was last enrolled, including preschool. School of origin shall also include any designated receiving school for the next grade level for all feeder schools when a student completes the final grade level served by the school of origin.

“Homeless children and youths” shall mean any individuals who lack a fixed, regular, and adequate nighttime residence; and includes:

1. Children and youths who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
2. Children and youths who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings;
3. Children and youths who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
4. Migratory children who qualify as homeless because they are living in circumstances described in (1-3).

“Unaccompanied youth” shall mean a homeless child or youth not in the physical custody of a parent or guardian.

C. School Stability

1. School Selection: The ESU shall presume that keeping a homeless child or youth enrolled in the child’s or youth’s school of origin is in the child’s or youth’s best interest, except when doing so is contrary to the request of the child’s or youth’s parent or guardian or, in the case of an unaccompanied youth, the youth.

To overcome the presumption that a child or youth should remain in his/her school of origin, the ESU shall consider student-centered factors including: the impact of mobility on achievement, education, health, and safety of homeless children and youth, giving priority to the request of the child’s or youth’s parent or guardian or, in the case of an unaccompanied youth, the youth.

2. Enrollment: Once the school is selected in accordance with the child’s or youth’s best interest, that child or youth shall be immediately enrolled even if the child or youth is unable to produce records normally required for enrollment including, but not limited to, previous academic records, immunization or other health records, proof of residency or has missed any application or enrollment deadlines during any period of homelessness.
3. Transportation: If the child or youth continues to attend his or her school of origin, transportation shall be provided promptly even if there is a dispute pending regarding which school is in the child’s or youth’s best interest to attend. Transportation will continue to be provided to and from the school of origin for the remainder of any academic year during which the child or youth becomes permanently housed.

D. Records

Any record ordinarily kept by the ESU, including immunization or medical records, academic records, birth certificates, guardianship records, and evaluations for special services or programs, regarding each homeless child or youth shall be maintained:

1. Such that all records are available, in a timely fashion, when a child or youth enrolls in a new school or school district;
2. Any information about a homeless child's or youth's living situation shall be treated as a confidential student education record, and shall not be deemed to be directory information; and
3. In a manner consistent with the Federal Education Rights and Privacy Act.

E. Services

The Local Education Agency Liaison shall identify an appropriate staff person to be the Local Educational Liaison (LEL) for all homeless children and youth attending programs in the ESU. The LEL responsibilities shall include, but are not limited to:

1. Ensure homeless children and youth are identified through outreach and coordination activities including coordination with the Nebraska Department of Education Homeless Education Liaison, community, and school personnel responsible for education and related services to homeless children and youths;
2. Receive appropriate time and training in order to carry out the duties required by law and this policy;
3. Ensure homeless families and homeless children and youths are referred to health care, dental, mental health, substance abuse, housing and any other appropriate services;
4. Ensure that homeless children and youths:
 - a. Are enrolled in school which includes attending classes and participating fully in school activities;

 - c. Receive individualized counseling from counselors to prepare and improve their readiness for college, including college selection, application, financial aid, and on-campus supports.
 - d. Unaccompanied youths are informed of their status as independent students under the Higher Education Act of 1965 and may obtain assistance from the LEL to receive verification of such status for purposes of the Free Application for Federal Student Aid.
5. Ensure that public notice of the educational rights and available transportation services of the homeless children and youths is disseminated in locations frequented by parents or guardians of such youths and unaccompanied homeless youths, including schools, shelters, public libraries, and soup kitchens, in a manner and form that is easily understandable.
6. Ensure the dispute resolution process identified below is carried out in accordance

with the law and district policy.

F. Dispute Resolution

1. The dispute procedure must be available for disputes over eligibility, as well as school selection or enrollment.
2. In the event of a dispute regarding where a child or youth should enroll, the child or youth shall be immediately enrolled in the ESU program in which enrollment is sought pending final resolution of the dispute, including all available appeals. The ESU shall immediately provide the child's parent or guardian or, in the case of an unaccompanied youth, the youth a written explanation of the decision made regarding the school selection including the right to appeal such decision. Said writing shall be provided in a manner and form understandable to such parent, guardian, or unaccompanied youth and also include the LEL contact information. The LEL shall carry out the dispute resolution process within 30 calendar days from the date of said writing pursuant to 92 Nebraska Administrative Code 19-005.02.
3. Appeals: Any parent, guardian or other person having legal or actual charge of a homeless child or youth that is dissatisfied with the decision of the ESU after the dispute resolution process may file an appeal with the Commissioner within thirty calendar days of receipt of the decision by following the process in 92 Nebraska Administrative Code 19-005.03 and 19-005.03C.

Section 5 Student Welfare

A. Child Abuse and Neglect

Any employee of ESU 1 who has reasonable cause to believe a child has been subjected to abuse or neglect or is being subjected to conditions which would result in abuse or neglect, including sexual abuse, shall promptly inform their immediate supervisor, the appropriate administrator of the school in which the student is enrolled, and the appropriate law enforcement agency or the Department of Health and Human Services Child Protective Services. For children below age five, the report shall also be made to the Director of Special Education.

The immediate supervisor or the Director of Special Education, as applicable, shall confirm that a report of suspected abuse or neglect has been made to local law enforcement or the Child Protection Services (CPS).

Confidentiality of the person making the report shall be maintained to the extent practicable. The Administrator or designee is to establish and implement procedures to ensure such confidentiality.

The Administrator or designee shall provide employees information and in-services as appropriate to ensure that employees fully understand their responsibility under the law and the ESU's procedures.

Date of Adoption:	June 11, 2019

B. Corporal Punishment

Use of corporal punishment is prohibited by ESU 1. Corporal punishment for purposes of this policy means the infliction of bodily pain as a penalty for disapproved behavior. This does not include physical contact that is intended to preserve order in schools or to protect persons or property from harm. Any physical force used with students shall be limited to that which is reasonable in relation to the need for self-defense, the defense of others, the defense of one's property or the defense of another's property.

Any employee who has been involved in an incident involving the use of physical force with a student shall make an oral report of such circumstances to the Administrator or designee as soon as is practicable and within twenty-four hours. The Administrator or designee shall prepare a memorandum of such report and, as deemed appropriate, investigate and report the incident to the appropriate administrator of the school in which the student is enrolled. A child abuse or neglect report shall be made in the event such is warranted.

The Administrator or designee shall provide employees information and in-services as appropriate to ensure that employees fully understand their responsibility to not use corporal punishment and the ESU's procedures.

C. Use of Restraints and Seclusion

This policy sets forth the requirements, restrictions and procedures related to the use of physical restraints and seclusions.

1. Definitions

- A. Physical Restraint. Physical restraint means one or more persons using a physical hold to restrict a student's freedom of movement as a response to student behavior. A light touching of a student while conducting a physical escort or a touching to provide instructional assistance is not a physical restraint for purposes of this Guidance.
- B. Seclusion. Seclusion is the involuntary confinement of a student alone in a room or area from which the student is physically prevented from leaving as a response to student behavior.

2. Physical Restraint

- A. When Physical Restraint May be Used. Physical restraint may be used in the following circumstances:

- To prevent a student from completing an act that would result in injury to the student or others when there is a substantial risk that the student would commit the act. A verbal threat by a student does not present a substantial risk that a student would commit an aggressive act unless the student also demonstrates the ability and intent to carry out the threat.
- To move a student to a seclusion room, or to remove a student to another location because the student is creating a substantial disruption to others, in circumstances where the student is unable to be moved or removed without the use of physical restraint; and
- In circumstances where the student's IEP or a Behavioral Plan provides for the use of physical restraint.

B. Conditions. Use of physical restraint shall take into consideration the safety and security of the student.

In determining whether a student who is being physically restrained should be removed from the area where such restraint was initiated, the staff shall consider the potential for injury to the student, the student's privacy interests, and the educational and emotional well-being of other students in the vicinity.

If physical restraint is imposed upon a student whose primary mode of communication is sign language or an augmentative mode, the student shall be permitted to have his or her hands free of restraint for brief periods, unless staff determines that such freedom appears likely to result in harm to the student or others.

C. Timeline. Physical restraint is to be used only as long as necessary to resolve the reason for which it was initiated.

- Training. Physical restraint shall be applied only by individuals who have received systematic training.

3. Seclusion

A. When Seclusion May be Used. Seclusion may be used in the following circumstances:

- When a student's behavior is so out of control that the student's behavior creates a risk of injury to the student or others;
- When a student's behavior is so out of control that the student is causing a substantial disruption to school activities and there is no other technique and no other place the student may be moved to prevent continued disruption;
- When a student's behavior is so out of control that the student is unable to engage in educational activities and there is no other technique that could reasonably be employed to allow the student's emotions to cool down and engage in appropriate behaviors and educational activities.

B. Conditions. Use of seclusion shall take into consideration the safety and security of the student.

Enclosures used for seclusion, other than enclosures used on a temporary basis, will meet acceptable safety standards as determined by guidance from the Nebraska Department of Education or appropriate regulatory agency. The procedures for the use of seclusion will be developed through administrative regulations and training will be given to all staff members who are anticipated to be involved in the use of seclusion.

4. Documentation and Evaluation

- A. Documentation of Use of Physical Restraint or Seclusion. A written record of each use of seclusion or physical restraint shall be prepared and maintained in the student’s temporary record. The student’s case manager, if any, shall also maintain a copy of each such record.
- B. Notification of Administration. The Administrator or Administrator’s designee shall be notified of the incident as soon as possible, but no later than the end of the school day on which it occurred.
- C. Notification of Parent or Guardian. Within 24 hours after use of seclusion or physical restraint, the Administrator or Administrator’s designee shall send written notice of the incident to the student’s parents or guardians, unless the parent or guardian has provided the ESU a written waiver of this requirement for notification. The parent or guardian shall be informed of the date of the incident, a description of the intervention (physical restraint or seclusion) used, and who at the school may be contacted for further information.
- D. Evaluation. An evaluation shall be conducted whenever a physical restraint exceeds 15 minutes or results in physical injury, whenever a seclusion exceeds 30 minutes, or use of physical restraint or seclusion is repeated with an individual student during any three-hour period:
 - A certified staff person trained in the use of physical restraint, or knowledgeable about the use of seclusion, as applicable, shall evaluate the situation.
 - The evaluation shall consider the appropriateness of continuing the procedure in use, including the student’s potential need for medication, nourishment, or use of a restroom, and the need for alternate strategies (e.g., assessment by a mental health crisis team, assistance from police, or transportation by ambulance).
 - b. The results of the evaluation shall be committed to writing and copies of this documentation shall be placed into the student’s temporary student record and provided to the Administrator or Administrator’s designee.

B. Removal of Students and Interviews of Students

It shall be the policy of the ESU to follow the policy of the school in which each individual student is enrolled with respect to the removal of students and interviews of students to the extent that such

school policies are consistent with the effective operations of the ESU. In the absence of such a school policy, or when the school policy has not been provided to the ESU, the following procedures shall be used.

1. Removal of Students by Law Enforcement Officials

In dealing with law enforcement officials, ESU employees are not to obstruct government operations or unreasonably refuse or fail to aid a peace officer, but are also to attempt to prevent undue interference with ESU operations or educational programming.

A peace officer may in the line of duty require a student to accompany him for questioning or detention, either with or without an arrest warrant. A peace officer has the lawful authority to take immediate temporary custody of children under the age of 18 without a warrant or order of the court (1) when, in the presence of the officer, the juvenile has violated a state law or a municipal ordinance; (2) when a felony has been committed and the officer has reasonable grounds to believe the juvenile committed it; (3) when such juvenile is seriously endangered in his or her surroundings and immediate removal appears to be necessary for the juvenile's protection; or (4) when there are reasonable grounds to believe that the juvenile has run away from his or her parent, guardian, or custodian. A probation officer assigned to a student by a court also has the statutory authority to arrest a student in certain circumstances and that power is similar to the power granted to a peace officer by law.

If a peace officer or probation officer requests custody of a student who is at that time under the control and jurisdiction of the ESU:

- a. The student should be released after appropriate measures are taken and documented to ensure that the officer has the authority to take the student.
- b. Upon releasing the student, the school in which the student is enrolled has a statutory responsibility to inform the student's parent or guardian of the removal. To assist the school in meeting this responsibility, the ESU employee who has released the student shall contact an appropriate administrator of the school in which the student is enrolled. The school administrator shall be informed of any circumstances that warrant a delay in immediately contacting the parent or guardian, such as information which suggests that immediate notification could interfere with the peace officer's performance of duties or create a dangerous situation for the student or peace officer.

In some instances there may be orders for custody of a student served by the FBI, a federal marshal, a postal inspector, another federal officer, state official, or officers from outside the jurisdiction of the ESU. While these officers may have authority to arrest and remove students, local law enforcement should be contacted and requested to participate in or monitor the removal.

A student should not be released to a private detective or "special police officer" who is not an officer of a Nebraska political subdivision or an officer of some

agency of the federal government without consent of the student's parent, guardian or custodian.

2. Interviews of Students by Law Enforcement Officials

Unless a student is placed under arrest, a peace officer or probation officer will not be permitted to remove a student from the control and jurisdiction of the ESU for questioning unless permission of the student's parent, guardian or custodian is obtained. Law enforcement officers should be urged to contact students outside the instructional day and off ESU premises whenever possible. Questioning or interview of students on ESU premises should only take place pursuant to the following guidelines:

- a. If an interview of a student is requested during school hours concerning an ongoing investigation of a crime not related to the ESU, questioning should not take place until the student's parent, guardian or custodian has been contacted, either by the ESU or by an appropriate administrator of the school in which the student is enrolled, and permission is given for such interview. The consent should be documented. The presence of an ESU employee during the interview is not necessary.
- b. If an investigator represents that an interview is necessary to collect information concerning an allegation of child abuse or neglect or an offense involving a family relation and it is clear that obtaining parental consent for the interview would be impossible or counter-productive, the interview may be conducted on ESU premises without such consent. In these situations, an employee of the ESU or the school in which the student is enrolled should be present during the interview to ensure that the interview relates only to those matters specified by the law enforcement official.
- c. If the investigation relates to an incident which took place on ESU or school premises or during instructional time, it is not necessary to obtain parental consent for an interview. In these situations, an employee of the ESU or the school in which the student is enrolled should be present during the interview to ensure that the interview relates only to the incident which took place on ESU or school premises or during instructional time or something which is directly related thereto.
- d. A probation officer assigned to a student by a court may be allowed the opportunity, on request, to interview a student on ESU premises free from the observation of other children or individuals. In such situations, it is neither necessary nor desirable that an ESU employee be present during the interview. It also is not necessary to obtain the consent of the parent, guardian, or custodian for the interview.

3. Disclosure of Student Records

ESU employees shall not, in the course of dealing with a peace officer or probation officer, disclose any confidential student records or information from such student records other than in response to a court order or subpoena or as otherwise

authorized by state law and the Family Educational Rights and Privacy Act (FERPA).

4. Interviews of Students by Persons other than Law Enforcement Officials

Any person other than an employee or agent of the ESU or of the school in which the student is enrolled who comes to ESU premises to interview a student or remove a student prior to the end of the student's instructional day must obtain permission of the Administrator or designee.

Permission to remove is not to be granted unless authorized by the student's parent, guardian or custodian or a person authorized by the student's parent, guardian or custodian.

Permission to interview is not to be granted unless that person has a clearly valid and proper reason and such is not disruptive to ESU operations or the student's educational program. Ordinarily such contacts shall be restricted to the student's parent, guardian or custodian or a friend of the family when an emergency or other similar circumstance exists.

Section 6 Student Conduct

A. Student Conduct Rules

Students are to be held responsible for compliance with the student conduct rules of the school district in which they are enrolled. ESU employees shall report conduct violations to the responsible administrator of such school as appropriate for disciplinary action, subject to the student's IEP or 504 Plan.

The Administrator or designee is authorized to establish additional conduct rules for students while participating in ESU programs and such conduct rules, when approved by the Board, shall have the effect of Board-approved policy.

B. Anti-Bullying

One of the missions of the ESU is to provide a physically safe and emotionally secure environment for students and staff.

The administration and staff are to implement strategies and practices to reinforce and encourage positive behaviors by students. Positive behaviors include non-violence, cooperation, teamwork, understanding, and acceptance of others.

The administration and staff are to implement strategies and practices to identify and prevent inappropriate behaviors by all students, including anti-bullying education for all students. Inappropriate behaviors include bullying, intimidation, and harassment. Bullying means any ongoing pattern of physical, verbal, or electronic abuse in areas within the control or jurisdiction of the ESU.

C. Search and Seizure

The ESU exercises exclusive control over lockers, desks and other such property that is owned by the ESU and made available for use by students. Students should not expect privacy regarding items placed in or on such property because ESU property is subject to search at any time by ESU officials. Periodic, random searches of student lockers may be conducted in the discretion of the administration.

The following rules shall apply to the search and the seizure of items in a student’s possession or control:

1. ESU officials may conduct a search if there is a reasonable basis to believe that the search will uncover evidence of a crime or rule violation.
2. Illegal items or other items reasonably determined to be a threat to the safety of others, a threat to educational purposes, or a prohibited nuisance item may be seized by ESU officials. Any firearm shall be confiscated and delivered to law enforcement as soon as practical.
3. Items which are used to disrupt or interfere with the educational process may be removed from student possession.
4. The appropriate administrator of the school in which the student is enrolled is to be notified when items are discovered that would warrant discipline of the student under the school’s student code of conduct.

D. Video Surveillance

1. Purpose. The Board authorizes the use of video cameras and other passive electronic measures (such as motion detectors) for the purposes of ensuring the health, welfare and safety of staff, students and visitors safeguarding ESU #1 facilities and equipment, and maintaining student discipline and an appropriate educational and work environment.

2. Placement. Video cameras and similar devices are authorized to be used on ESU #1 facilities, ESU #1 vehicles and other places within the control of the ESU. The locations in which the devices will be placed and the times the devices will be in use are to be determined by the Administrator or the Administrator's designee consistent with the purposes set forth in this Policy. The devices shall not be placed or operational in locations in which individuals have a high expectation of privacy, such as restrooms and locker rooms.
3. Notice. Notice of the fact that video surveillance cameras are being utilized shall be given through appropriate mechanisms, such as by posting signs in the building entry and other locations and by including a notice in the student-parent and staff handbooks.
4. Viewing Monitors and Video Recordings. Monitors used to view video recordings are to be located and positioned such that only authorized personnel are able to see the images on the monitors. Only authorized personnel shall be allowed to view recorded video. Authorized personnel for these purposes are: ESU #1 administrators, ESU #1 staff members with a direct involvement with the recorded contents of the specific video recording and employees or agents responsible for the technical operations of the system (for technical purposes only).

ESU #1 administrators may allow law enforcement officers to view monitors and recorded video when such is consistent with ESU #1 security and discipline and consistent with law.

Students shall not be permitted to view the monitors. Students shall not be permitted to view recorded video except where the individual student is the focus of the recorded video.

5. Use of Video Recordings. Video records may be used as a basis for student or employee disciplinary action and for making reports to law enforcement.
6. Video Recordings as Education Records. Video recordings, which are considered to be "education records" within the scope of FERPA, shall be maintained in accordance with FERPA and other applicable laws. A video recording may be considered an education record when a specific student is the focus of the video recording.

For example, if the video recording shows a student violating an ESU #1 rule, the video recording is an education record of that student. It may be viewed on request by that student's parent (or the student if age 18 or older). The video recording may not be viewed by, nor will a copy be given to, others without the parent's written consent unless a FERPA exception exists.

In the event more than one student is a focal point of the video recording, it may be an education record of each such student. This would be the case, for example, if two students are recorded fighting. In that event, the ESU #1 would allow both set of parents an opportunity on request to view the video, but will not give a copy of the video to either set of parents, without the written consent of the other student's parent.

7. Maintaining Video Recordings. ESU #1 shall comply with all applicable state and federal laws related to record maintenance and retention of video recordings. Video recordings that contain personal information shall be securely stored and, when such recordings are no longer needed or required to be maintained, shall be properly disposed of or erased.

8. Maintaining the Integrity of the Video Surveillance System. The building administrator or designated staff shall be responsible for periodically checking the video surveillance system within their building to ensure it is operating properly. Students or staff who vandalize, damage, disable, or render inoperable surveillance cameras or equipment, or use the video surveillance system in a manner that is not consistent with the purposes set forth in this Policy, shall be subject to appropriate disciplinary action (up to and including expulsion, for a student, and termination, for a staff member) and referral to appropriate law enforcement authorities.

E. Drug and Substance Use and Prevention

Drug-Free Schools

The ESU shall implement regulations and practices which will ensure compliance with the Drug-Free Schools and Communities Act and all regulations and rules promulgated pursuant thereto. The ESU's safe and drug-free schools program is established in accordance with principles of effectiveness as required by law to respond to such harmful effects.

Education and Prevention

The ESU promotes comprehensive, age appropriate, developmentally based drug and alcohol education and prevention programs, which will include in the curriculum the teaching of both proper and incorrect use of drugs and alcohol for all students in all grades of this ESU. Further, the ESU will have proper in-service orientation and training for all employed staff.

Standards of Conduct; Notice to Students and Parents

Students are to be provided a copy of the standards of conduct for student behavior in the ESU which prohibit the unlawful possession, use, or distribution of illicit drugs and alcohol on ESU premises or as a part of any of the ESU's activities. It shall be the further policy of the ESU to keep a file showing receipt of standards of conduct and a statement of disciplinary sanctions that may be taken for violations of such standards of conduct. The receipt shall be signed by both student and parent or guardian and returned to the respective designee. It shall contain in prominent letters the following language:

"RECEIPT SHALL SERVE TO DEMONSTRATE THAT YOU AS PARENT OR GUARDIAN OF A STUDENT ATTENDING TOWER SCHOOL HAVE

RECEIVED NOTICE OF THE STANDARDS OF CONDUCT OF THIS ESU EXPECTED OF STUDENTS CONCERNING THE ABSOLUTE PROHIBITION AGAINST THE UNLAWFUL POSSESSION, USE, OR DISTRIBUTION OF ILLICIT DRUGS AND ALCOHOL ON ESU PREMISES OR AS A PART OF ANY OF THE ESU'S ACTIVITIES AS DESCRIBED IN BOARD POLICY OR ADMINISTRATIVE REGULATION. THIS NOTICE IS BEING PROVIDED TO YOU PURSUANT TO P.L. 101-226 AND 34 C.F.R. PART 86, BOTH FEDERAL LEGAL REQUIREMENTS FOR THE ESU TO OBTAIN ANY FEDERAL FINANCIAL ASSISTANCE. YOUR SIGNATURE ON THIS RECEIPT ACKNOWLEDGES THAT YOU AND YOUR CHILD OR CHILDREN WHO ARE STUDENTS ATTENDING TOWER SCHOOL FULLY UNDERSTAND THE ESU'S POSITION ABSOLUTELY PROHIBITING THE UNLAWFUL POSSESSION, USE, OR DISTRIBUTION OF ILLICIT DRUGS AND ALCOHOL ON ESU PREMISES OR AS A PART OF THE ESU'S ACTIVITIES AS HEREIN ABOVE DESCRIBED AND THAT COMPLIANCE WITH THESE STANDARDS IS MANDATORY. ANY NON-COMPLIANCE WITH THESE STANDARDS CAN AND WILL RESULT IN PUNITIVE MEASURES BEING TAKEN AGAINST ANY STUDENT FAILING TO COMPLY WITH THESE STANDARDS."

Drug and Alcohol Education and Prevention Program of the ESU Pursuant to the Safe and Drug-Free Schools and Communities Laws and Regulations

Students are to be provided an age appropriate, developmentally based drug and alcohol education and prevention program. The program educates on the adverse effects of the use of illicit drugs and alcohol, with the primary objective being the prevention of illicit drug and alcohol use by students.

Drug and Alcohol Counseling, Rehabilitation and Re-entry Programs

Students are to be provided information concerning available drug and alcohol counseling, rehabilitation, and re-entry programs within sixty miles of the administrative offices of the ESU or, where no such services are found, within the State of Nebraska. Information concerning such resources shall be presented to all of the students of the ESU upon request by the counselor.

In the event of disciplinary proceedings against any student for any ESU policy pertaining to the prohibition against the unlawful possession, use, or distribution of illicit drugs and alcohol, appropriate ESU personnel shall confer with any such student and his or her parents or guardian concerning available drug and alcohol counseling, rehabilitation, and re-entry programs that appropriate ESU personnel shall consider to be of benefit to any such student and his or her parent or parents or guardian.

Safe and Drug-Free Schools-- Parental Notice of Right to Withdraw

Parents will be notified that, if upon receipt of information regarding the content of safe and drug free school programs and activities other than classroom instruction a parent objects to the participation of their child in such programs and activities, the parent may notify the ESU of such objection in writing. Upon the receipt of such notice the student will be withdrawn from the program or activity to which parental objection has been made.

Standards of Student Conduct Pertaining to the Possession, Use, or Distribution of Illicit Drugs, Alcohol or Tobacco.

These standards are in addition to standards of student conduct elsewhere adopted by board policy or administrative regulation. The ESU's standards prohibit the possession, use, or distribution of

illicit drugs, alcohol or tobacco on school premises, in school vehicles, or as a part of any of the ESU's activities on or off school premises. Conduct prohibited at places and activities as hereinabove described shall include, but not be limited to, the following:

1. Possession, use distribution or being under the influence of any controlled substance, including but not limited to marijuana, any narcotic drug, any hallucinogen, any stimulant, or any depressant.
2. Possession of any prescription drug in an unlawful fashion.
3. Possession, use, distribution or being under the influence of alcohol.
4. Possession, use, distribution, or being under the influence of any abusable glue or aerosol paint or any other chemical substance for inhalation, including but not limited to lighter fluid, whiteout, and reproduction fluid, when such activity constitutes a substantial interference with school purposes.
5. Possession, use, or distribution of any look-alike drug or look-alike controlled substance when such activity constitutes a substantial interference with school purposes.
6. Possession, use or distribution of any tobacco product.

Disciplinary Sanctions

Violation of any of the above prohibited acts will result in disciplinary sanction being taken within the bounds of applicable law, up to and including short term suspension, long term suspension, expulsion, and referral to appropriate authorities for criminal prosecution. In particular, students should be aware that:

1. Violation of these standards may result in suspension or expulsion.
2. Prohibited substances will be confiscated and turned over to law enforcement authorities.
3. The student may be referred for counseling or treatment.
4. Parents or legal guardian will be notified.
5. Law enforcement will be notified.
6. If it appears there is imminent danger to the student, other students, school personnel, or students involved, emergency medical services will be contacted.

Intervention

The ESU Tower School does not have the authority or responsibility to make medical or health determinations regarding chemical dependency. However, when observed behavior indicates that a problem exists which may affect the student's ability to learn or function in the educational climate or activity, the ESU then has the right and responsibility to refer the student for a formal chemical dependency diagnosis based on behavior observed by school staff. The ESU will issue a statement to all students and employed staff that the use of illicit drugs and the unlawful possession and use of alcohol is wrong and harmful. The ESU shall make available to students and employed staff information about any drug and alcohol counseling, and rehabilitation and re-entry programs, which are available to students.

Administration

The administration is authorized to adopt such administrative rules, regulations or practices necessary to properly implement this policy. Such regulations, rules or practices may vary the procedures set forth herein to the extent necessary to fit the circumstances of an individual situation. Such rules, regulations and practices may include administrative forms, such as checklists to be used by staff to record observed behavior and to determine the proper plan of action.

Section 7 Student Health

A. Prohibition on Mandatory Medication

A student shall not be required to obtain a prescription for a controlled substance as a condition for receiving ESU educational services, an evaluation or special education services.

Legal Reference:	20 U.S.C. 1400 et seq. 34 CFR Part 300 (Individuals with Disabilities Education Act and regulations) 92 NAC 51 (NDE Rule 51)
Date of Adoption:	June 11, 2019

B. Dispensing Medications

The administration of medication to students is to be limited to medications that must be taken while students are participating in ESU programs or otherwise under the control and jurisdiction of the ESU. Adjustment of dosage intervals should be considered before medication is administered by ESU employees.

All medications administered by ESU personnel shall be administered in accordance with the Medication Aide Act.

1. Authorizations for Prescription Medications. Prescription medications may be administered when the following are on file with the ESU:
 - a. Physician’s Authorization: A physician's signed, dated authorization including name of the medication, dosage, administration route, time to be given and reason student is receiving the medication.
 - b. Caretaker’s Authorization: A caretaker’s signed and dated authorization or permission to administer the medication during school. (Note: All references to “caretaker” in this policy shall mean a parent, foster parent, family member, or legal guardian who provides care for the student for whom medication is to be administered. The laws include a “friend” as a caretaker, but the school will not ordinarily recognize such an individual as a “caretaker” for the purposes of medication administration).
 - c. Original Packaging: The medication is in its original packaging and is labeled as dispensed by the prescriber or pharmacist. The label must name the student and identify the medication, strength, time interval and route to be administered. If needed, the physician may be contacted for clarification.
2. Authorizations for Non-Prescription Medications. Non-prescription medications

may be administered provided that a caretaker's authorization is provided in the form established by the Administrator or designee and the medication is in its original packaging.

3. Renewal of Authorizations. Medication authorizations must be renewed annually and updated immediately as changes occur.
4. Documentation. Accurate medication administration records are to be kept and maintained. Documentation of each dose of medication administered shall be made reflecting the student's name, the name of the medication, date, time, dosage, route, the signature and title of the person administering the medication and any unusual observations, and any refusal by the recipient to take or receive the medication. Medication documentation shall be kept confidential in accordance with the policies and practices concerning student records, provided that medication administration records shall be available to the Department of Education and the Department of Health and Human Services Regulation and Licensure for inspection and copying according to the Family Education Rights and Privacy Act (FERPA) requirements. Such medication administration records shall be maintained for not less than two years.
5. Storage. Medication shall be stored in a locked or otherwise secure area in accordance with the manufacturer's or dispensing pharmacist's instructions or temperature, light, humidity, or other storage instructions. Only authorized personnel who are designated by the administration shall have access to the medications. The school nurse shall establish procedures for monitoring the storage and handling of medication, the medication's expiration date, and the disposal of medication.
6. Receipt and Disposal of Medications. Medication shall be delivered to ESU personnel and picked up by the parent. When medication is received, the amount received should be documented. Medication which is either past the expiration date or not claimed by the parent a reasonable time following the student's departure from the ESU program shall be destroyed. Procedures for destroying medication shall include witness and documentation.
7. Administration of Medication by ESU Personnel.
 - a. Administration of Medication: Administration of medication includes, but is not limited to:
 - i. Providing medications for another person according to the "five rights" (getting the right drug to the right recipient in the right dosage by the right route at the right time);
 - ii. Recording medication provision; and
 - iii. Observing, monitoring, reporting, and otherwise taking appropriate actions regarding desired affects, side effects, interactions, and contraindications associated with the medication.
 - b. Authorized ESU Personnel: Administration of medication shall only be done by the following:
 - i. Health Care Professionals (School Nurses). This means an individual who

holds a current license from the Department of Health and Human Services Regulation and Licensure for whom administration of medication is included in the scope of practice. For purposes of this Policy, such individuals are referred to as “school nurses.”

- ii. Medication Competent Staff. This means a staff member of the ESU who, by arrangement with the school in which the student is enrolled is an employee of the school for purposes of the medication administration laws and who has been determined to be competent to administer medication in accordance with the competency assessment standards established by law. A medication competent staff member is to be subject to direction and monitoring, which involves responsibility for observing and taking appropriate action regarding any desired effects, side effects, interactions, and contraindications associated with the medication. Direction and monitoring is to be done by a recipient with capability and capacity to make an informed decision about medications, a caretaker, or the school nurse. Medication competent staff members are to promptly report any medication errors or concerns to the school nurse.

c. Routes of Medication Administered by ESU Personnel:

- i. Routine Medication via Oral, Inhalation, Topical, and Instillation Routes: School nurses and medication competent staff may provide routine medications (meaning the frequency of administration, amount, strength, and method are specifically fixed) by the following routes:
 - a. Oral, which includes any medication given by mouth including sublingual (placing under the tongue) and buccal (placing between the cheek and gum) routes and oral sprays;
 - b. Inhalation, which includes inhalers, and nebulizers. Oxygen may be given by inhalation;
 - c. Topical application of sprays, creams, ointments, and lotions and transdermal patches; and
 - d. Instillation by drops, ointments, and sprays into the eyes, ears, and nose.
- ii. Administration of Medication via Additional Routes, PRN Medication, and Observing and Reporting: School nurses and medication competent staff may provide medication by additional routes (“additional routes”), provide PRN medication (PRN medication means an administration scheme in which a medication is not routine, is taken as needed, and requires assessment for need and effectiveness), or participate in observing and reporting for monitoring medications only under the following conditions:
 - a. In the case of a medication competent staff member, a determination has been made by the school nurse or by the student’s physician or duly licensed health care professional that these activities can be done safely for the specified recipient by the medication competent staff member and the determination is placed in writing.
 - b. Directions for additional routes must be for recipient specific procedures and must be in writing.
 - c. Directions for PRN medication must be in writing and include parameters for provision of PRN medication.
 - d. Directions for observing and reporting for monitoring medication must

be in writing and include the parameters for the observation and reporting.

- e. ESU personnel administering the medication shall comply with the written directions.

- iii. Injections: School nurses will ordinarily be responsible for medications that must be provided or administered by injection. A medication competent staff member will not ordinarily administer medications by injection without specific training on injection administration. Students may be authorized to self-administer medication as hereafter provided.

- d. Refusal to Administer Medication: The ESU may refuse to give a medication if after a reasonable and prudent research by an ESU or school health care professional a decision has been made that the dosage prescribed exceeds that which is recommended in the Physician's Desk Reference, Mosby's Nursing Drug Reference, the most recent edition of the Nursing Drug Handbook, or other pharmaceutical manuals handbook; or when a drug or substance is not currently approved by the FDA. When ESU personnel refuse to carry out a request to administer medication, the Administrator or designee is to be notified and efforts are to be made to work out a suitable solution (such as changing the time of administration, the dosage, or the medication) with the parent or guardian and the physician.

C. Emergency Response to Life-Threatening Asthma or Systemic Allergic Reactions

It is the policy of ESU 1 to follow the Emergency Response to Life-Threatening Asthma or Systemic Allergic Reactions (Emergency Protocol) and related policies of the school in which the ESU provides services in the school ESU's facilities.

Each employee who is or will be providing services to students in an accredited school, an approved school, or to children in an approved early childhood program, is to be provided with the following:

1. Information about the existence of the Emergency Response to Life-Threatening Asthma or Systemic Allergic Reactions (Emergency Protocol) established by the Nebraska Department of Education and adopted by each school ESU.
2. Access to a copy of the Emergency Protocol form and either a copy of the school's signed Emergency Protocol or directions to obtain such from the school administrator.
3. Information about the availability of a school nurse and, if one is not available, who at the school site where services are being provided is a designated trained non-medical staff member for purposes of implementing the Emergency Protocol.
4. Information about the whereabouts within the school building where the employee is providing services of the equipment and medication necessary to implement the Emergency Protocol in the case of any student or school staff emergency, including

the location of an IM EpiPen-Jr. or adult EpiPen, or the school official who is to be contacted to obtain such information.

5. Appropriate direction and instruction so that an employee who may be involved in an Emergency Protocol response provides appropriate and accurate information to the appropriate school official, in order that the school may maintain records of administration of medication by school staff as required.
6. Inform and provide the employee of any written request from a parent or guardian of a minor student served by the employee, directing that such minor student not receive emergency treatment under the protocol.

D. Student Self-Management of Asthma, Anaphylaxis, and Diabetes

E. Emergency Medical Aid

When a student is receiving services in a program under the control or supervision of the ESU, ESU employees are to utilize the skills within their capacity to respond to health emergencies. Employees are to render medical aid to students in need of emergency medical services or, as appropriate, arrange for the transportation of the student to the nearest facility where professional medical assistance is available.

Every effort should be made by ESU 1 employees to contact the student's parent or guardian, if time allows for such contact under emergency circumstances; but the primary interest is the health of the student. In the event that emergency circumstances do not allow the employee to contact a parent or guardian prior to the rendering of medical assistance, then the employee should contact the parent or guardian at the earliest practical time under the circumstances.

F. Wellness Policy

A mission of the ESU is to provide curriculum, instruction, and experiences in a health-promoting school environment to instill habits of lifelong learning and health when providing services to students in its own school programs, to be generally consistent with that in place in the schools from which students served by the ESU are enrolled. Therefore, the Board adopts the following Wellness Policy applicable to any school program in which the services are provided by the ESU in a school-setting other than within a school district served by the ESU.

1. Goals to Promote Student Wellness

The ESU has established the following student wellness goals that are designed to promote student wellness in a manner that the ESU determines to be appropriate:

- a. Nutrition Education. To implement a curriculum that meets or exceeds the health and nutrition education objectives established by the Nebraska Department of Education.
- b. Physical Activity. To implement a curriculum that meets or exceeds the health and physical education objectives established by the Nebraska Department of Education.
- c. Other School Activities. To offer other suitable opportunities for students to engage in health-promoting activities.

The Administrator or designee shall establish such further goals as are determined appropriate to meet the stated mission.

2. Nutrition Guidelines

Nutrition guidelines have been selected by the ESU for all foods available to students during the school day with the objective of promoting student health and reducing childhood obesity. The guidelines are as follows: (1) any school breakfast and lunch programs offered by the ESU will meet or exceed the requirements of federal and state law and regulatory authorities and (2) no foods in competition with the school lunch or breakfast program shall be sold or otherwise made available to students anywhere on ESU premises during the period of one-half hour prior to the serving period for breakfast and lunch and lasting until one-half hour after the serving of breakfast and lunch. The Administrator or designee shall establish such further nutrition guidelines as are determined appropriate to meet the stated mission.

3. Assurance for Reimbursable School Meals

The ESU gives the assurance that the guidelines for reimbursable school meals shall not be less restrictive than regulations and guidance issued by the Secretary of Agriculture pursuant to subsections (a) and (b) of section 10 of the Child Nutrition Act (42 U.S.C. 1779) and sections 9(f)(1) and 17(a) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1758(f)(1), 1766(a)), as those regulations and guidance apply to the ESU.

4. Plan for Measuring Implementation and Designation of Responsible Persons

The Administrator or the Administrator's designee is charged with operational responsibility for ensuring that the ESU meets the Wellness Policy. The Administrator or designee shall measure implementation of the Wellness Policy by conducting periodic reviews or receiving periodic reports.

5. Development of Policy

The ESU assures that development of the Wellness Policy involved parents, students, representatives of the Administrator's nutrition services department, the ESU Board, administrators, and the public.

G. Concussions

1. Training.

The Administrator or designee shall make available training approved by the chief medical officer of the State on how to recognize the symptoms of a concussion or brain injury and how to seek proper medical treatment for a concussion or brain injury to all teachers and/or designees of Tower School.

2. Education.

The Administrator or designee shall require that concussion and brain injury information be provided on an annual basis to students and the students' parents or guardians. The information provided to students and the students' parents or guardians shall include, but need not be limited to:

- a. the signs and symptoms of a concussion;
- b. the risks posed by sustaining a concussion; and
- c. the actions a student should take in response to sustaining a concussion, including the notification of his or her teachers.

3. Response to Concussions.

- a. Removal. A student who participates on a school athletic team shall be removed from any playground or physical activities when he or she is reasonably suspected of having sustained a concussion or brain injury after observation by a teacher or a licensed health care professional who is professionally affiliated with or contracted by the school.
- b. Return-to-Play. A student who has been removed from a playground or physical activities as a result of being reasonably suspected of having sustained a concussion or brain injury shall not be permitted to participate in any school supervised activities involving physical exertion, until the student: (i) has been evaluated by a licensed health care professional, (ii) has received written and signed clearance to resume participation in athletic activities from the licensed health care professional, and (iii) has submitted the written and signed clearance to resume participation in athletic activities to the school accompanied by written permission to resume participation from the student's parent or guardian.

The teacher or administration may require that the student's return to full activities be on a stepwise progression back to full participation, or otherwise establish conditions for return to participation that are more restrictive than those defined by the licensed health care professional if the teacher or an administrator reasonably deems such to be appropriate.

The signature of an individual who represents that he or she is a licensed health care professional on a written clearance to resume participation that is provided to the school shall be deemed to be conclusive and reliable evidence that the individual who signed the clearance is a licensed health care professional. The school is not required to determine or verify the individual's qualifications.

- c. Parent Notification. If a student is reasonably suspected after observation of having sustained a concussion or brain injury and is removed from an activity per the preceding paragraph, the parent or guardian of the student shall be notified by the Superintendent or designee of the date and approximate time of the injury suffered by the student, the signs and symptoms of a concussion or brain injury that were observed, and any actions taken to treat the student.
 - d. Return to Learn. The Administrator or designee shall develop a return to learn protocol for students who have sustained a concussion. The return to learn protocol shall recognize that students who have sustained a concussion and returned to school may need informal or formal accommodations, modifications of curriculum, and monitoring by medical or academic staff until the student is fully recovered.
4. Students and Parents.
It is recognized that teachers cannot be aware of every incident in which a student has symptoms of a possible concussion or brain injury. As such, students and their parents have a responsibility to honestly report symptoms of a possible concussion or brain injury to the student’s teachers on a timely basis.

Concussions: Return to Learn Protocol

Students who sustain a concussion and return to school may need informal or formal accommodations, modifications of curriculum, and monitoring by medical or academic staff until the student is fully recovered.

The school administration of ESU #1 adopts the NDE Guidance entitled “Bridging the Gap from Concussion to the Classroom,”¹ and accompanying Appendix,² as its return to learn protocol, with the recognition that each student who has sustained a concussion will require an individualized response.

Section 8 Communicable and Infectious Diseases

A. Procedures for Control of Communicable Diseases.

The ESU shall cooperate with county and state health departments in developing procedures for the control of communicable disease in ESU programs and activities. Procedures shall conform to the regulations for communicable disease control set up by the state health department. The Administrator or designee shall establish an exposure control plan in accordance with OSHA’s “Occupational Exposure to Blood-Borne Pathogens” Standard.

B. Students

- 1. Contagious and Infectious Diseases. Contagious and infectious diseases subject to this part include those diseases regulated by the Nebraska Department of Health and Human Services regulations pertaining to school health and communicable disease control (173 NAC 3). A student showing any signs or symptoms of a

contagious or infectious disease will be excluded from attending ESU schools or programs in accordance with the Contagious and Infectious Disease Chart attached to those regulations and not be allowed to return until the minimum isolation period has elapsed, and all signs or symptoms of illness have disappeared in accordance with the Chart. Students with contagious or infectious diseases or conditions other than those listed in the Chart will be subject to exclusion until the student's physician gives a written statement that the disease or condition is not in a communicable stage or there is minimal risk of transmission to others in a school or ESU program setting.

2. Bloodborne Pathogen Communicable Diseases. Communicable diseases subject to this part include diseases spread via bloodborne pathogens, including Human immunodeficiency virus (HIV) (including AIDS) and Hepatitis B (only carriers are of concern). A student with such a disease shall not be excluded or be subject to different treatment concerning services or participation in activities in the absence of an individualized determination that exclusion or modifications are appropriate because the student's condition poses an imminent threat to the health or the safety of others in the ESU school or program community. Such a determination shall be made by following established policies and procedures for students with chronic health problems or students with disabilities. Decision makers are to consult with the student's physician and parent or guardian; respect the student's and family's privacy rights; and reassess the placement if there is a change in the student's need for accommodations or services.

In making such a determination, the following factors will be evaluated: (1) the nature of the disease; (2) the age of the student; (3) the behavior of the student; (4) the neurological development of the student; (5) the physical condition of the student; (6) the expected type of interaction which the student will have with other individuals in the proposed placement setting; (7) the degree to which other individuals may be exposed to infectious organisms; (8) the hygienic practices of the student; (9) the risk of transmission of the disease from the student to those individuals with whom the student will interact; and (10) any other pertinent factor reasonably related to the decision.

3. Reporting. Employees who become aware that a student has been diagnosed with or is suspected of having a reportable disease shall immediately inform the Administrator or designee, who shall notify the appropriate administrator of the school in which the student is enrolled and make a report to the Board of Health where required by law.

C. Employees

1. Contagious and Infectious Diseases. When an employee has a contagious or infectious disease which is in a communicable stage or presents more than a minimal risk of transmission to others, the employee should not report to work and is expected to follow the absence reporting procedures. Employees should in general follow the same guidelines for absence from work as a student is to follow under the guidelines of the Contagious and Infectious Disease Chart of the Nebraska Department of Health and Human Services regulations pertaining to school health and communicable disease control. Prior to returning to work, employees shall upon request submit a physician's written statement stating that

the employee is able to return to work and does not pose a significant risk of transmission of the disease to others.

2. Bloodborne Pathogen Communicable Diseases. Communicable diseases subject to this part include diseases spread via bloodborne pathogens, including Human immunodeficiency virus (HIV) (including AIDS) and Hepatitis B (only carriers are of concern). An employee with a communicable disease, or an applicant for employment, shall be employed or be continued in employment without consideration of the communicable disease provided the employee or applicant is able to perform the essential functions of the position with such reasonable accommodations as may be necessary and provided the communicable disease does not pose an imminent threat to the health or the safety of others within the employee's work environment. Employees who have a communicable disease are expected to conduct themselves in such a manner as to not place others at risk and, in the event reasonable accommodation is necessary to avoid such risk, to make a confidential request for such accommodation.

D. General Provisions

1. No Discrimination or Harassment. No employee or student shall be unlawfully discriminated against or subjected to harassment on the basis of having a communicable disease.
2. Privacy. Every employee has a duty to treat as highly confidential any knowledge or speculation concerning the bloodborne pathogen status of a student or other employee. Violation of medical privacy may be cause for disciplinary action against the employee, including possible termination.

No information regarding a person's bloodborne pathogen status will be divulged to any individual or organization other than ESU employees or agents who have a need to know of the circumstance, appropriate officials of the school in which the student is enrolled, and emergency medical personnel with a need to know, without a court order or a signed and dated consent of the person with the bloodborne pathogen infection (or the parent or guardian of a minor).

3. Records. All health records, notes, and other documents that reference an employee's bloodborne pathogen status or occupational exposure will be maintained in a separate confidential medical file for the employee. Records of occupational exposure shall be maintained for at least the duration of employment plus 30 years in accordance with OSHA standards.

All health records, notes, and other documents that reference a student's bloodborne pathogen status will be maintained in a separate confidential medical file for the student.

4. Infection Control. All employees are required to consistently follow infection control guidelines. Employees are required to follow the exposure control plan of the ESU established in accordance with OSHA's "Occupational Exposure to Blood-Borne Pathogens" Standard. The use of universal precautions is mandated and work practice controls to minimize or prevent potential exposure are to be implemented. Any incident of exposure to blood shall be reported, evaluated, and

follow-up completed and shall be shared only to the extent required to accomplish legitimate educational goals and to comply with employees' right to know requirements. Equipment and supplies needed to apply the infection control guidelines will be maintained and kept accessible.

5. Staff Development. The Administrator or designee will make communicable disease and bloodborne pathogen education programs available to employees as appropriate to convey guidance on infection control procedures and inform employees about ESU policies.

Section 9 Student Fees

The ESU will not assess any fee to students in a manner inconsistent with the adopted Student Fee Policy of the school district in which the student is enrolled ("School District"). Further, the ESU will not assess any fee to students in the absence of specific authority within a contract for services between the ESU and the School District.

In the event that a student served by the ESU requires certain goods or services to be provided by the ESU when no counterpart service is available within the School District, any fees to be charged for any such goods or services by the ESU shall be specifically identified by the School and the ESU. Any fees assessed by the ESU at the direction of, or by contract with, the School shall be deemed a fee collected by the School District.

1. Weapons. Upon becoming aware of a weapon aboard a pupil transportation

vehicle, the driver will make every attempt to:

- a. Radio transportation dispatch and notify them of the situation if possible. If not possible, the driver will make every attempt to telephone dispatch from a cellular telephone or from the nearest safe haven location. Examples of a safe haven include, but are not limited to, any school building site, emergency service station (law enforcement or fire department), community service agency, etc.
 - b. Pull vehicle over to safe and secure area.
 - c. Confiscate weapon (if it doesn't jeopardize student or driver safety).
 - d. Give description of weapon and participating parties to dispatch.
 - e. Dispatch will immediately notify appropriate law enforcement agencies and administration.
2. Pupil behavior. Students are expected to follow student conduct rules while in a pupil transportation vehicle. The pupil transportation driver is responsible for controlling behavior which affects safety and for reporting rule violations to administration. In the event a student's behavior jeopardizes safety, the driver will make every attempt to:
- a. First seek to resolve incident through discussion with the student(s) involved.
 - b. Radio transportation dispatch and notify them of situation if possible. If not possible, the driver will make every attempt to telephone dispatch from a cellular telephone or from the nearest safe haven location.
 - c. Activate emergency flashers.
 - d. Bring vehicle to a safe stop. Seek to resolve the incident, using physical force only as necessary to protect students or yourself.
 - e. Report and document discipline problems to the Administrator on a Bus Conduct Report/Incident Form.
3. Terrorist threats. A person commits a terroristic threat if the person threatens to commit a crime of violence with the intent to terrorize another or with the intent of causing evacuation of a building, place of assembly or facility of public transportation or in reckless disregard of the risk of causing such terror or evacuation. Upon becoming aware of a terroristic threat relating to a pupil transportation vehicle, the driver will make every attempt to:
- a. Radio transportation dispatch and notify them of situation if possible. If not possible, the driver will make every attempt to telephone dispatch from a cellular telephone or from the nearest safe haven location.
 - b. Make every attempt to keep passengers calm (this may mean complying with the terrorist).
 - c. Dispatch will immediately notify appropriate law enforcement agencies and administration.
 - d. Driver should wait for instructions from dispatch if possible.
4. Severe weather. Upon becoming aware of severe weather while aboard a pupil transportation vehicle, the driver will make every attempt to:
- a. Radio transportation dispatch and notify them of situation if possible. If not

- possible, the driver will make every attempt to telephone dispatch from a cellular telephone or from the nearest safe haven location.
- b. Return to the nearest school site if less than five minutes away and follow the directions of the school administrator.
 - c. If more than five minutes away from a school site, go to the nearest school and follow the directions of the administrator.
 - d. If more than five minutes away from the nearest school site or there is immediate danger, get to the nearest basement or underground shelter with all students.
 - e. If there is no shelter and there is immediate danger the driver and passengers are to follow evacuation procedures and get everyone off the vehicle into the nearest ditch or culvert at least 100 feet away from the vehicle.
5. Hazardous materials. Upon becoming aware of a hazardous material aboard a pupil transportation vehicle, the driver will make every attempt to:
- a. Radio transportation dispatch and notify them of situation if possible. If not possible, the driver will make every attempt to telephone dispatch from a cellular telephone or from the nearest safe haven location.
 - b. Pull vehicle over to safe and secure area.
 - c. Give description of hazardous materials in question to dispatch.
 - d. Dispatch will immediately notify appropriate law enforcement and administration.
 - e. Driver should wait for instructions from dispatch if possible.
6. Medical emergencies. Upon becoming aware of a medical emergency aboard a pupil transportation vehicle, the driver will make every attempt to:
- a. Radio transportation dispatch and notify them of situation if possible. If not possible, the driver will make every attempt to telephone dispatch from a cellular telephone or from the nearest safe haven location.
 - b. Dispatch will immediately notify appropriate medical agencies and administration.
 - c. Driver should follow instructions from dispatch, ESU officials, and parents when such information can be obtained quickly enough. If not available, follow emergency first aid procedures.
 - d. Only if necessary, the driver should move passengers only enough to get them out of danger of traffic or fire. If moved, the driver and aide are to keep them where placed until a medical agency arrives, unless a parent has taken charge of their child. Driver should try to keep student passengers as calm as possible.
7. Procedures in the event of mechanical breakdowns of the vehicle. Upon becoming aware of a mechanical breakdown aboard a Pupil transportation vehicle, the driver will make every attempt to:
- a. Pull vehicle over to safe and secure area if possible.
 - b. Radio transportation dispatch and notify them of situation if possible. If not possible, the driver will make every attempt to telephone dispatch from a cellular telephone or from the nearest safe haven location.
 - c. Activate emergency flashers and place warning flares/reflectors in accordance with safety guidelines, if not in secure area.

- d. Driver should try to keep student passengers as calm as possible.
 - e. Dispatch will arrange for assistance and a relief vehicle if needed.
8. Documentation under Safe Pupil Transportation Plan. Each pupil transportation driver is required to complete and submit to the administration a bus conduct report or incident report involving the pupil transportation vehicle operated by the driver or any pupils transported in it. Documentation is to include the occurrence of any of the following events: weapons, student behavior which affects safety, terroristic threats, severe weather, hazardous materials, medical emergencies, or procedures in the event the drop-off location is uncertain or appears unsafe to leave students. Documentation of such events shall be completed and submitted as soon as practicable after the incident.
 9. Transportation of Unsafe Items. Drivers shall not permit pupil transportation vehicles to transport any items, animals, materials, weapons or look-a-like weapons or equipment which in any way would endanger the lives, health or safety of the children or other passengers and the driver. Look-a-like weapons associated with a school-sponsored or approved activity may be transported only with written permission of a school administrator. Any items that would break or could produce injury if tossed about inside the pupil transportation vehicle when involved in an accident or sudden stop shall be secured.
 10. Supplemental Information. A copy of this plan shall be placed in each pupil transportation vehicle, kept at each ESU site, and made available upon request. Supplemental information with respect to operational and procedural guidelines used to administer this plan can be found in the Nebraska Department of Education Pupil Transportation Guide.

B. Safe Driving Record Standard for Drivers

Each person who drives students in a small vehicle (car or van) other than a pupil transportation vehicle for an ESU activity and who is not required to have a permit to operate a pupil transportation vehicle shall be precluded from driving in the event it is discovered that the person does not have a record of satisfactory driving. For such persons, a satisfactory driving record means a record which reflects the absence of any of the following offenses or circumstances:

1. Motor vehicle homicide;
2. Driving while under the influence of alcoholic liquor or drugs or refusal to submit to a chemical test, within the immediate prior 20 years; or,
3. Reckless driving or willful reckless, within the immediate prior 20 years; or
4. Accumulation of 5 or more points under the motor vehicle operators' license point system, within the immediate prior 4 years. In the event the person has accumulated 3 or 4 points within the immediate prior 4 years, the determination of whether the person has a satisfactory driving record shall be made by the Administrator or Administrator's designee based on the nature and proximity of the offense as it relates to safe transportation.

Each person who drives an ESU vehicle other than a pupil transportation vehicle and does not transport students in the vehicle shall be precluded from driving in the event it is discovered that the person does not have a record of satisfactory driving. In the event the person's employment position required driving vehicles as a function of the person's employment, the employment may be terminated in the absence of a record of satisfactory driving. For such persons, a satisfactory driving record means a record which reflects the absence of any of the following offenses or circumstances:

1. Motor vehicle homicide;
2. Driving while under the influence of alcoholic liquor or drugs or refusal to submit to a chemical test, within the immediate prior 20 years; or,
3. Reckless driving or willful reckless, within the immediate prior 10 years; or
