RESOLUTION ON SCHOOL DISTRICT STANDARDS FOR ACCEPTANCE OR REJECTION OF OPTION ENROLLMENT APPLICATIONS

WHEREAS, Meridian Public Schools is committed to providing an education of high quality to its students in an economically efficient manner; and

WHEREAS, the school district's faculty, facilities, and equipment can serve only a limited number of students effectively; and

WHEREAS, section 79-238 imposes upon the school district an obligation to "automatically accept applications for siblings of option students enrolled in the option school district without regard to capacity limitations"; and

WHEREAS, the Board of Education, in consultation with the administration, has reviewed the school district's faculty, facilities, equipment, interdisciplinary efforts and interrelationships of grades, subjects, and faculty; and has determined the maximum number of students it can serve effectively at any given grade level and in total;

NOW, THEREFORE BE IT RESOLVED that the board adopts the following standards for acceptance or rejection of option enrollment applications:

Special Education Capacity. Capacity for special education services will be determined on a case-by-case basis. If an application for option enrollment received by the school district indicates that the individual student applying for option enrollment or any of his or her siblings has an individualized education program under the federal Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq., or has been diagnosed with a disability as defined in section 79-1118.01, the application will be evaluated by the director of special education services or the director's designee who must determine if the school district and the appropriate class, grade level, or school building has the capacity to provide the individual student applying for option enrollment and all of his or her siblings the appropriate services and accommodations. The Federal Educational Rights and Privacy Rights Act (FERPA) (20 U.S.C. § 1232g) permits the release of education records when a student seeks or intends to enroll in a different school district.

Numeric Capacity. The capacity in the following grade levels, programs, classes, and/or school buildings is as follows:

PROGRAM	PROGRAM CAPACITY	PROJECTED ENROLLMENT	NO. OF OPTION STUDENTS
Kindergarten	16		
First	16		
Second	16		
Third	16		
Fourth	16		
Fifth	16		
Sixth	16		
Building Capacity, Elementary	133		
Seventh	20		
Eighth	20		
Ninth	20		
Tenth	20		
Eleventh	20		
Twelfth	20		
Building Capacity, Jr. & Sr. High School Attendance Center	144		

- Grade Level Numeric Capacity: _____
- Program Numeric Capacity: _____
- Class Numeric Capacity: _____
- School Building Numeric Capacity: _____

Total enrollment for the school district: _____ students.

The Board of Education reserves the authority to further determine numeric capacity of classes, grade levels, or school buildings by operation of

resolution, by action of the Superintendent as the board's designee, or through freestanding action to the extent permitted by law and policy.

Programmatic Capacity. The board declares the following grade levels, programs, classes, and school buildings to be at capacity such that no option applications into any of the following will be accepted: _____.

[NOTE TO BE DELETED: YOU MAY NOT DECLARE YOUR SPECIAL EDUCATION PROGRAM CLOSED DUE TO CAPACITY. THAT DETERMINATION MUST BE MADE ON A CASE-BY-CASE BASIS. YOU MUST DECLARE ANY NON-SPECIAL EDUCATION PROGRAM, CLASS, OR SCHOOL BUILDING CLOSED BY OCTOBER 14TH OF THE PRECEDING SCHOOL YEAR.]

Other Standards. The school district shall not accept any application for option enrollment when enrollment of the individual student seeking to enroll as an option student or the enrollment of any of his or her siblings:

- (a) Would increase the operating costs of the school district, such as by requiring the hiring of new staff or contracting with outside entities to provide services to the individual student applying for option enrollment and all of his or her siblings;
- (b) Would require the procurement of new equipment, technology, or furnishings;
- (c) Would cause or require the rearrangement of caseloads for staff and contracted professionals;
- (d) Is reasonably deemed by appropriate school staff to pose a potential risk to the health or safety of students or staff;
- (e) May pose a risk of adversely affecting the quality of educational services being provided to resident students, as determined by appropriate school staff.

After the above resolution was read, board member _____ moved for passage of the motion. Board member _____ seconded the motion. After discussion, and on roll call vote, the following members voted in favor of the motion: _____.

The following members voted against the motion:

_____.

The following members did not vote:

_____.

Having been consented to by a majority of the voting members, the board president declared the motion to have been passed and adopted.

Dated this 12th day of October, 2026.

President, Board of Education

-1 10th grade girl

Goal for 2026-2027:

My goal as a LEADER is to model the following qualities:

Listen first to understand not respond, Expect great things and hold others Accountable for their actions, show **D**etermination through the hard stuff, have **E**xcitement for the little things, be a **R**esource to staff, and a **S**upporter of all things MUSTANGS!

Progress:

- 73% P/T conference attendance
- Homecoming Week
- Herd Meetings
 - Thank you to Mr. Placek and Mrs. Yowell for helping create a HERD Trophy
 - 9/21 Review Listener/Encouragement with Teacher Sudoku
 - 10/8 Accountability with Student Task List
- CIP RoadShow in Milford 9/22 with Ms. Drees and Mrs. Peters
- Social Studies Curriculum Updates
- Range Judging Results: Sr. 12th and Jr. 13th out of 40 teams

Looking Ahead:

- National FFA Convention: we have 5 students and 1 sponsor going
- Red Ribbon Week
- College Visits (Peru, Doane, UNL/SCC)

Shoutouts:

Grace Ellis presented at the NELAC Conference on September 26. She shared her use of Escape Rooms to other ELA teachers state-wide.

Chris Placek attended the ESU5 Regional HAL meeting. Our process and handbook for identification of enrichment meets the 2025 revised NDE Rule 3 and was a model for other districts to admire. Good work!
