Superintendent Dr. Andrew Dick noted the start of the 2024-2025 school year has been very smooth, and credited the successful start of the year to the preparations made by district leadership, staff, and teachers.

Dr. Dick shared that the District recently received the Diamond Badge Certification for school safety and security from the Nebraska Department of Education. He stated this badge recognizes schools for meeting different standards of safety and security, and Scottsbluff Public Schools received the highest level of certification. Dr. Dick commented that the District is very proud of this achievement, but at the same time, he knows our work in this very crucial area is never complete. Dr. Dick thanked Director of Safety and Security James Todd and Executive Director of Student Services Dr. Wendy Kemling, as well as their teams, for their work on the District's safety and security plans, procedures, and training. Dr. Dick noted that safety and security remains the highest priority for all staff throughout the district.

Dr. Dick thanked Executive Director of Finance Marianne Carlson for her work on the 2024-2025 budget in preparation for the Budget Public Hearing and the Tax Request Hearing. He stated that a \$0.25 decrease in the overall levy and asking the taxpayers for over \$3.8 million less than the prior year would not have been possible without the fiscal responsibility of the Board of Education and the entire district leadership team.

Lastly, Dr. Dick thanked the Facility Naming Committee members, including Board members Paul Snyder, Rob Polk, and Beth Merrigan, community members Jodi Benson, Mari Pauley, and Dr. John Harms, as well as district staff. In addition, he thanked the approximately 45 community members who submitted suggested names. Dr. Dick stated there was a lot of good discussion throughout the process, and ultimately the committee arrived at a name that would broadly encompass the multiple purposes the building will serve and stand the test of time.

APPENDIX TO OPTION ENROLLMENT POLICY

The following is Policy 5006.1 Appendix to Policy 5006 for the current school year. The Board of Education hereby sets forth the optimal number of students for the 2025-2026 school year in any program, class, grade level, or school building or in any special education programs operated by this school district, based upon available staff, facilities, projected enrollment of resident students, projected number of students with which this school district will contract based on existing contractual arrangements, and availability of appropriate special education programs.

Enrolling in school at the start of a new quarter or semester provides a more seamless transition for students; however, Scottsbluff Public Schools recognizes that at times there are extenuating circumstances which may result in an alternate enrollment date. The Board believes that it is in the best interest of our schools to not accept Option Enrollment students after a certain date each semester at the high school level in order to ensure a successful transition. Scottsbluff High School will close twelfth grade options on October 4, 2025, and will not reopen options for the remainder of the school year. Ninth, tenth, and eleventh grades will close options on October 4, 2025, and will reopen at the start of second semester, if capacity has not been met. Furthermore, the Superintendent has the authority to close Scottsbluff High School and/or Bluffs Middle School options, as needed, and reopen at the beginning of the following semester, capacity permitting.

# Memo

**To:** Dr. Andrew Dick and Scottsbluff Board of Education  
**From:** Marianne Carlson, Executive Director of Finance  
 Travis Rickey, Director of Facilities  
**Date:** October 14, 2024  
**Re:** District Office Bid

Scottsbluff Public Schools has been working with JEO Consulting Group to design and bid the renovation of a portion of the ground level of the Scottsbluff Public Schools Education Center for the District Office. In July, JEO released the bid document with the base bid being for the early childhood portion of the project and the District Office being an alternate. At the September Board meeting, the Base Bid and Alternate #1 were awarded to Anderson-Shaw Construction.

Upon review of the responses for Alternates #2 - #2C, an inquiry was made to Olson Restoration if they were interested in completing that portion of the project based on their bid; no response was received. We are recommending that we proceed with Anderson-Shaw Construction and approve Alternates #2, #2A, and #2C for a total amount of \$601,936.63. In addition, we have received a deductive change order in the amount of \$52,550 which would reduce the cost of the project to \$549,386.63. This deductive change order is the result of district staff working in collaboration with JEO Consulting Group to review additional options for reducing the scope and overall cost of the initial project. This change order will be signed upon approval of the recommendation below.

	Anderson-Shaw	Sampson Construction	Olson Restoration
Base Bid - Preschool	\$2,830,688.54	\$3,785,000.00	\$6,500,000.00
Alternate #1 - Extended Care Classrooms	\$193,687.13	\$248,000.00	\$105,000.00
Alternate #2 - District Office (DO)	\$709,981.63	\$840,000.00	\$384,000.00
Alternate #2A - DO Demolition Handled In-House	-\$10,415.00	-\$1,300.00	-
Alternate #2B - DO Framing Handled In-House	-\$38,000.00	-\$137,000.00	-
Alternate #2C - DO Electrical Handled In-House	-\$97,630.00	-\$97,630.00	-

**Recommendation:** Motion to approve awarding Alternates #2, #2A, and #2C to Anderson-Shaw Construction for \$601,936.63.

# Memo

**To:** Dr. Andrew Dick and Scottsbluff Board of Education  
**From:** Marianne Carlson, Executive Director of Finance  
**Date:** October 14, 2024  
**Re:** Copier Maintenance Agreement

---

Scottsbluff Public Schools had previously entered into an agreement with The Copier Ninja to perform maintenance services on our copiers. Copier Ninja was purchased by Century Business Products in 2020 who took over the remainder of the agreement. This agreement has concluded and a new agreement for the services has been presented. Due to this being a professional service, we are not required to bid out per Board Policy 3140.

The new agreement will be a monthly cost of \$2,517.14 and will save the District approximately \$11,200 per year. This savings is based on the rates that Century Business Products has proposed for the new agreement.

**Motion:** Approve the maintenance agreement with Century Business Products for two years as presented.

# Memo

**To:** Dr. Andrew Dick and Scottsbluff Board of Education  
**From:** Marianne Carlson, Executive Director of Finance  
**Date:** October 14, 2024  
**Re:** Scottsbluff Public Schools Education Center Surplus Disposal

---

Per Board Policy 3090, any sale of school property is contingent on the approval of the Board of Education. When SBPS purchased the building now known as the Scottsbluff Public Schools Education Center, several items were left behind by the previous owner. These are items that we do not have a need for and would like to proceed with receiving bids for the items and selling them to the highest, responsible bidder. Items that we do not receive bids for will be sold via private sale or disposed of as appropriate.

- Cubicles - approximately 500
- Chairs - approximately 600
- Shelves - 40 deconstructed, 27 pallets of shelves, and 16 pallets of brackets for the shelves
- File Folders - 18 pallets

**Motion:** Approve the disposal of the items listed in the Board memo as presented.

**ADDENDUM TO THE 2024-2025 & 2025-2026 Negotiated Agreement BY AND BETWEEN THE  
SCOTTSBLUFF PUBLIC SCHOOL DISTRICT AND THE SCOTTSBLUFF EDUCATION  
ASSOCIATION**

THIS ADDENDUM to the “2024-2025 & 2025-2026 Negotiated Agreement” is made by and between the Board of Education of Scottsbluff Public Schools, hereinafter referred to as the “Board,” and the Scottsbluff Education Association, hereinafter referred to as “Association,” as follows:

**WHEREAS**, the Board and Association entered into a Negotiated Agreement, providing the terms and conditions of compensation for members of the bargaining unit during the 2024-2025 & 2025-2026 school year; and

**WHEREAS**, the Board and Association jointly desire to amend said Negotiated Agreement to address a hiring bonus.

**NOW, THEREFORE**, the Board and Association agree that the “2024-2025 & 2025-2026 Negotiated Agreement” should be and is hereby amended at Paragraph 3.8, as follows:

**3.8 Hiring Bonus:** A “new hire” employee is one who has not worked as a certified staff member in SBPS during the previous school term. The certified staff member must agree to be employed in the District for at least two years to qualify for the entire \$2,000 bonus. New hire employees will receive \$1,000 the first year and \$1,000 the second year.

The hiring bonus for the first year will be paid in the employee’s September paycheck and in the second year split evenly between the employee’s September and May paychecks. If the employee should leave the employment before the completion of the school year, repayment of the hiring bonus will not be required by the District. However, if an employee ends their employment with the District prior to the completion of the second school year, then the employee will only be entitled to receive the \$500 amount deposited during the September pay period, and will not be eligible to receive the remaining \$500 amount otherwise deposited during the May pay period.

This Paragraph 3.8 shall only apply for individuals hired for the 2025-2026 and 2026-2027 school years, and shall not apply to any person hired before the 2025-2026 school year or after the 2026-2027 school year. Unless otherwise agreed to in writing by both Parties, this Paragraph 3.8 shall automatically terminate and expire without any further action by either Party at the end of the 2026-2027 school year and shall have no effect after the 2026-2027 school year.

All other provisions of the “2024-2025 & 2025-2026 Negotiated Agreement” shall continue in effect without alteration or change.
