## Good News:

### Central Elementary:

#### Central Middle:

The library was able to secure funds to help cover the ripped carpet in the library with area rugs so it looks better and hopefully won't have anyone trip and get hurt.

The baseball field is coming along and hopefully, if weather permits, move dirt soon.

#### Central High:

WCHS girls basketball team will be playing for the District 3A championship Monday (2/24).

WCHS boys basketball team is back in the Region 2A tournament for the first time in 3 years.

WCHS DECA has opened their "Dress for Success" closet where our kids can get nice dress clothes to wear to job interviews or state conventions. This is at no cost to the students.

### Coalfield:

#### MCCTC:

February is CTE Month. There are many great things going on in CTE with support coming from both the state and national level. MCCTC has been able to take advantage of some funding opportunities over the last year to help build programs.

**SPARC II:** \$75,000.00 from THEC to build and strengthen post-secondary opportunities for our students.

- Upgrades in residential construction, auto mechanics and welding.
- We will add dual enrollment residential construction in the Fall of 2020 as a result. We already offer dual enrollment in auto mechanics and in welding. We are looking to expand those opportunities further in the Fall of 2020.

**GIVE GRANTS:** These grants are also THEC grants that have been We have partnered with both TCAT Huntsville and Roane State to be able to expand offerings within our building.

- TCAT Huntsville: We will offer dual enrollment with TCAT Huntsville for Criminal Justice. This is the 1<sup>st</sup> Dual Enrollment CJ course located within a secondary school within the state. We are attempting to support the needs of the prison and local law enforcement to help with shortages of workers.

- TCAT Huntsville: We will offer “after hours” TCAT Welding classes and EMT classes after the normal school day. These classes will allow graduates of MCCTC and others to take classes locally to complete certificates, certifications and programs.
- Roane State Community College: We have partnered with RSCC to offer dual enrollment mechatronics courses in Morgan County during the school day. These classes will be housed at MCCTC currently and will allow students to complete 12 hours of mechatronics course work toward a SEIMANS I certification and be well on their way to an AS degree by graduation.

**Perkins V:** With the start of Perkins V, we are now required to extend the reach of CTE into the middle schools. We have done two things that we are excited about.

- Middle School STEM integration. We have Middle School teachers doing STEM Enrichment with VEX Robotics. We have provided 1 kit through Perkins funding per school and have a 2<sup>nd</sup> one through Reserve funding per school to be delivered.
- The Frozen Head Challenge was hosted by MCCTC at Central Middle School. We had both a High School and Middle School division with 44 teams participating. This was the 4<sup>th</sup> year of hosting but the 1<sup>st</sup> year at CMS. Great Opportunity for our teams.
- Middle School use of Virtual Job Shadow software for Career Exploration. VJS allows students to take job assessments, explore careers and research requirements for 100s of careers. We are hoping to expand this to the high schools in the future.

**Oakdale:**
