Memorandum of Understanding for Full-Service Community Schools (FSCS) Grant FY 2022

This Memorandum of Understanding (MOU) is entered into on this 6th day of September, 2022, by and between the Morgan County School district (MCS) and The University of Tennessee (UT).

WHEREAS, UTK College of Education, Health, and Human Sciences and MCS agree to collaborate on a community school initiative at Sunbright PK-12.

WHEREAS, UTK and MCS have come together to collaborate and to submit an application for the Department of Education Full-Service Community Schools Grant with an intent to expand our reach in Morgan County; and

WHEREAS, the partners listed below have agreed to enter into a collaborative agreement in which UT will be the lead agency and named applicant and other agencies will be partners in this application; and

WHEREAS, the partners herein desire to enter into a Memorandum of Understanding setting forth the intent to apply as a collaborative; and

WHEREAS, MCS intends to continue its partnership with UTK on the Community Schools initiative at Sunbright K-12 no matter the outcome of the FSCS application; and

WHEREAS, the application prepared and approved by the collaborative through its partners is to be submitted to the Department of Education on or before September 9, 2022.

The parties agree as follows:

1. Morgan County School District, in partnership with the University of Tennessee endeavor to significantly improve the academic and developmental outcomes of children living in distressed and high-needs neighborhoods of rural Morgan County, including expanded and enriched learning time and opportunities, integrated student supports, collaborative leadership and practices, and active family and community engagement.
2. MCS and the UT share a vision to work within the identified communities to collaboratively identify major needs, create targeted interventions in response to these needs and implement strategies, improve outcomes for Pre-K through post-secondary students, their families, and the local community. We agree that all MCS students and their families, from cradle to college to career, should have full access and utilize to their maximum benefit, a set of coordinated and integrated community and school-based early childhood, academic, health, safety, asset development, employment, and higher education resources. Through this access and effective utilization, we will have a neighborhood with healthy families where students have high academic performance, strong college, employment, and career options and thriving communities that are engaged and active in their local school systems.
3. UT will be responsible for the duties of its subcontractors and independent contractor(s) in this MOU and Attachment A.
4. MCS will provide access to adequate space for coordinating and facilitating services, cleaning and maintenance of space, and security services during the hours of operation at each community

The Community Schools Coordinator will be issued a proxy card for access to their assigned buildings. Any use beyond regular school hours shall be requested and approved as determined by each school administrator and their leadership team.

5. In accordance with evaluation reporting, UT shall annually facilitate conducting evaluation(s) by UT or other contracted evaluators. This report, and any other report related to FSCS, shall be shared by UT with MCS. UT will request all data related to performance measures from MCS thirty (30) days in advance of a due date timeline agreed to at the beginning of each Term. When needed, the Community Schools Coordinator may request data for items such as grant applications, reports, and internal reporting.
6. Any liability of the University to MCS and third parties for any claims, damages, losses, or costs arising out of or related to acts performed by the University under this MOU will be governed by the Tennessee Claims Commission Act, Tenn. Code Ann. §§ 9-8-301 et. seq.

Such termination shall not relieve UT of any liability to MCS for damages sustained by virtue of any breach of this MOU by UT.
 - b. Termination by Either Party. MCS may terminate this MOU at any time with or without cause. MCS shall provide written notice of such termination to UT. UT shall have the right to terminate the MOU upon thirty (30) days written notice for cause, which shall include any unreasonable interference by MCS or any employee of MCS with the performance of the obligations created or services to be provided under this MOU by UT, or with any person or entity which UT has retained or entered into an agreement with for the provisions of services under this MOU, and if UT and MCS cannot resolve the issue giving rise to UT's assertion of cause.

Neither this MOU nor any of the rights and obligations of UT hereunder may be assigned or transferred in whole or in part without the prior written consent of MCS; provided, however, it is understood and agreed to by the parties that UT may enter into contractual arrangements with other parties [BR4] to provide any products and/or perform some or all of the services contemplated herein and MCS's consent to such other contracts shall not be unreasonably withheld. Any such assignment or transfer will not release UT from its obligations hereunder.

10. Criminal Background Checks. By complying with the MCS background check process, UT and any subcontractor retained or employed by UT, shall comply with Public Chapter 587 of 2007, as codified in T.C.A. § 49-5-413 and its subsequent additions and revisions, which require all contractors to facilitate a fingerprint criminal history records check conducted by the Tennessee Bureau of Investigation (TBI) and the Federal Bureau of Investigation (FBI) for each employee prior to permitting the employee to have contact with students or enter school grounds when students are present. UT shall at all times comply with its Programs for Minors policy. UT will ensure that all organizations which place adults in the school pursuant to the objectives of this MOU comply with the provisions of this paragraph as well.

UT may also require that it be named as an additional insured in its agreement with the entity. Commercial general liability must apply as primary insurance with respect to any other insurance or self-insurance programs afforded to MCS. There must be no endorsement, no modification to make such insurance excess over other available insurance.
 - b. The independent contractor(s) shall maintain workers' compensation insurance with statutory limits as required by the State of Tennessee or other applicable laws and employers' liability insurance with limits of not less than the Tennessee Statutory Limits. A certificate of insurance, in a form satisfactory to MCS, evidencing said coverage shall be provided to MCS prior to commencement of performance of any agreement into which the entity enters to fulfill the terms of this MOU.

 - a. The activities conducted, and records maintained by UT pursuant to this Contract shall be subject to monitoring and evaluation by the Director of Schools of MCS or their designee.
 - b. MCS shall have discretion over approval of any vendors or subcontractors providing products or services that will provide a physical impact to the property at any school included in the FSCS grant, which such approval shall not be unreasonably withheld. Such approval shall be evidenced by a writing signed by the Director of Schools of MCS or their designee or a formal vote affirming the program or vendor by the Board of Education.
13. Severability. Should any provision of this MOU be declared to be invalid by any court of competent jurisdiction, such provision will be severed and will not affect the validity of the remaining provisions of this MOU.
14. Confidentiality of Records. All educational records created, disclosed, or maintained pursuant to the terms of this MOU are confidential and will be created, disclosed, and maintained pursuant to the provisions of the Family Educational Rights and Privacy Act, also known as FERPA (20

4 applicable.¹

5 Students who have difficulty in achieving the requirements for promotion may be considered for

31

1 **PROMOTION PLANS⁵**

2 When a student is identified for retention, the student's parent(s)/guardian(s) shall be notified within
3 fifteen (15) calendar days, and an individualized promotion plan shall be developed to help the student
4 avoid retention. The plan shall be developed in coordination with the student's teachers, IEP or 504
5 team, if applicable, and may also include input from the student's parent(s)/guardian(s), school
6 counselor, or other appropriate school personnel.

7 Promotion plans shall incorporate evidence-based strategies, including expectations and measurements
8 that will verify whether a student has made sufficient progress to be promoted to the next grade level,
9 and be tailored to the student's learning needs. Promotion plans for students in third and fourth grade
10 will include additional requirements for promoting students in these grades. A copy of the plan will be
11 provided to the student's parent(s)/guardian(s), and the school shall offer the opportunity for a parent-
12 teacher conference to discuss the plan. If a student is not making progress on the promotion plan, then
13 the strategies shall be modified. Parent(s)/guardian(s) shall be provided with any changes to the
14 promotion plan.

15 A student who demonstrates sufficient academic progress according to his/her promotion plan shall be
16 promoted to the next grade level unless retention is required per additional requirements for students in
17 third and fourth grade.⁶

18 If a student has not demonstrated sufficient academic progress according to his/her promotion plan by
19 the end of the school year, the student shall be eligible to enroll in a summer reading or learning
20 program, if available. Parent(s)/guardian(s) shall be notified of a decision for retention at least ten (10)
21 calendar days prior to the start of the next school year if the student was enrolled in a summer program.
22 However, if the student wasn't enrolled in a summer program, the parent(s)/guardian(s) shall be
23 notified of a decision for retention at least thirty (30) calendar days prior to the start of the next school
24 year.⁷

25 **RETENTION⁶**

26 A student may be retained when such retention is in the best interests of the student or when retention
27 is required per additional requirements for students in third and fourth grade.

28 *Decision of Retention – General⁸*

29 If a student is retained, the Director of Schools/designee shall develop an individualized academic
30 remediation plan within thirty (30) calendar days after the beginning of the next school year. A copy of
31 the plan shall be provided to the student's parent(s)/guardian(s) within ten (10) calendar days of its
32 development. The plan shall include at least one of the following strategies:

33 1. Adjustment to the current instructional strategies or materials;

34

35 2. Additional instructional time;

36

37 3. Individual tutoring;

38

- 1 4. Modification to the student’s classroom assignment to ensure the student receives
2 instruction from a teacher with a level of overall effectiveness of above expectations (level
3 4) or significantly above expectations (level 5); or
4
- 5 5. Attendance or truancy interventions.

6 A student shall not be retained more than once in any grade. The progress of students who are retained
7 shall be closely monitored and reported to parent(s)/guardian(s) at least three (3) times during the
8 school year in which the student is retained. The Director of Schools shall develop procedures to
9 ensure appropriate recordkeeping of students who are retained.

10 *Decision of Retention – Third Grade*⁹

11 Third grade students shall not be promoted to the next grade unless they are determined to be
12 proficient (i.e., receive a performance level rating of “on track” or “mastered”) in English language arts
13 (ELA) based on the student’s most recent TCAP test.

14 Students who are not proficient in ELA may still be promoted if the following conditions are met:

- 15 1. A student in third grade receiving a performance level rating of “approaching” on the ELA
16 portion of the student’s most recent TCAP test may be promoted if:
17
 - 18 a. The student is an English language learner and has received less than two (2) full years
19 of ELA instruction;
 - 20 b. The student was previously retained in grades K-3;
 - 21 c. The student is retested before the next school year and scores proficient in ELA;
 - 22 d. The student attends a learning loss bridge camp before the next school year, maintains a
23 ninety percent (90%) attendance rate, and demonstrates adequate growth on the post-
24 test at the end of the camp; or
 - 25 e. The student receives tutoring for the entirety of the next school year in accordance with
26 state law.
- 27
28 2. A student in third grade receiving a performance level rating of “below” on the ELA portion of
29 the student’s most recent TCAP test may be promoted if:
30
 - 31 a. The student is an English language learner and has received less than two (2) full years
32 of ELA instruction;
 - 33 b. The student was previously retained in grades K-3;
 - 34 c. The student is retested before the next school year and scores proficient in ELA; or
 - 35 d. The student attends a learning loss bridge camp before the next school year, maintains a
36 ninety percent (90%) attendance rate, and receives tutoring for the entirety of the next
37 school year in accordance with state law.

38 *Decision of Retention – Fourth Grade*⁹

39 Students in the following categories shall show adequate growth in the following ways before being
40 promoted to the fifth grade:

- 1 1. A student who is promoted to the fourth grade due to receiving tutoring for the entirety of the
2 next school year in accordance with state law or because of attending a learning loss bridge
3 camp must maintain a ninety percent (90%) attendance rate; and
4
- 5 2. A student receiving tutoring for the entirety of the next school year in accordance with state law
6 shall be required to show adequate growth on the fourth grade ELA portion of TCAP before the
7 student may be promoted to fifth grade.

8 A student shall not be retained more than once in fourth grade.

9 *Decision of Retention – Students with Disabilities*¹⁰

10 Retention and promotion decisions shall be made on a case-by-case basis and in consultation with the
11 student’s IEP and/or 504 team to determine whether the student’s performance on the ELA portion of
12 TCAP was due to the student’s disability. The school district shall not retain a student with a disability
13 or a suspected disability that impacts their ability to read.

14 **APPEALS**^{7,11}

15 When a student is identified for retention, the parent(s)/guardian(s) shall be notified about the decision
16 to retain the student and provided with information on the right to appeal the decision. Appeals shall be
17 made to a committee appointed by the principal within five (5) business days. The student and his/her
18 parent(s)/guardian(s) shall be provided written or actual notice of the appeal hearing and shall be given
19 the opportunity to address the committee. The committee shall conduct a hearing within five (5) business
20 days to determine if the student will be promoted and issue such decision within five (5) business days.
21 Upon notification of the committee decision, the principal shall send written notification to the Director
22 of Schools/designee and the parent(s)/guardian(s). The notification shall advise parent(s)/guardian(s) of
23 their right to appeal such action within five (5) business days to the Director of Schools/designee.

24 The appeal shall be heard no later than ten (10) business days after the request for appeal is received. A
25 decision shall be issued within five (5) business days.

26 Within five (5) business days of the Director of Schools/designee rendering a decision, the student's
27 parent(s)/guardian(s) may request a hearing by the Board, and the Board shall review the record.
28 Following the review, the Board may affirm or overturn the decision of the Director of Schools/designee.
29 The action of the Board shall be final.

30 For students where retention is required per the additional requirements for students in third and fourth
31 grade, parent(s)/guardian(s) may appeal this decision directly to the Department of Education in
32 accordance with state law.¹²

1 **CLASS RANKING**
2

3 The Calculation of the GPA is determined by dividing the sum of the quality points by the potential
4 credits. Credit given to all courses taken in high school is counted.
5

6 Class rank is calculated based on the weighted average of all courses taken in high school.

7 Students must be enrolled full-time at the home base school to be eligible for class ranking.
8

9 All grades earned in grades 9, 10, 11 and the Fall semester of grade 12 will be counted toward the
10 grade point average and the rank in the class.
11

12 To become a Valedictorian or Salutatorian, a student must be enrolled in the high school at least four
13 (4) of the seven (7) semesters preceding the final semester.
14

15 In the matter of a tie concerning GPA, Valedictorian will be determined by the highest ACT test score.
16 (if a tie still exists multiple Valedictorians will be recognized)
17

18 **TRANSFER GRADE CONVERSION**

19 It is the intent of the district to attain the numerical grade from a transfer school. When the numerical
20 grade is not provided, the following scale will be used to convert the letter grade that is provided (note
21 the alternate scale in the following section for college level courses):

22 A+ = 96 B+ = 87 C+ = 77 D+ = 67 F = 55

23 A = 93 B = 84 C = 74 D = 64

24 A- = 90 B- = 80 C- = 70 D- = 60
25

26 **LOTTERY SCHOLARSHIPS³**
27

28 Each school counselor shall provide incoming freshmen with information on college core courses
29 required for lottery scholarships as well as necessary criteria (grade point average, ACT score, etc.)
30 that must be met in order to receive a scholarship.
31

32 Seniors may apply for the Tennessee HOPE Scholarship by completing the Free Applications for
33 Federal Student Aid (FAFSA). The FAFSA is available online at www.fafsa.ed.gov. Students shall be
34 made aware of all applicable FAFSA deadlines and encouraged to submit applications in a timely
35 manner.

1

2 Elementary school counselors shall explain the HOPE Scholarship and its requirements to their
3 students and impress upon them the benefits of making good grades.

4

5 **LOTTERY SCHOLARSHIP DAY**

6

7 Each school year, prior to scheduling courses for the following school year, schools teaching students
8 in grades 8-11 shall conduct a lottery scholarship day for students and their parents.⁴

Morgan County Board of Education

Monitoring: Review: Annually, in November	Descriptor Term: Technology Acceptable Use and Internet Safety Guidelines	Descriptor Code: 5.613	Issued Date: 9/6/2022
		Rescinds:	Issued:

1 **PURPOSE**

2

3 Morgan County Schools provides employees access to electronic resources that promote educational
4 excellence, sharing of information, innovative instruction, and online communication to enhance
5 learners' ability to live and work in the 21st century.

6

- 7 ● The purpose of these guidelines is to ensure that users recognize the procedures which the school
8 imposes on their use of the MCS network (wired and wireless),, the Internet, e-mail, and release of
9 student information.
- 10 ● They are provided to help understand what constitutes acceptable behavior with the use of
11 technology.
- 12 ● These rules and guidelines detail acceptable use of the networks, the Internet, and electronic
13 information resources anywhere. All members of the MCS community (students and staff) are
14 expected to comply with these standards.
- 15 ● Due to the dynamic nature of technology, it is recommended that these guidelines be reviewed
16 annually.
- 17 ● This policy requires that users of this electronic network agree to abide by the MCSB policies, and
18 the stipulations of the Children's Online Protection Act 47 USC Section 231 (COPPA), the Family
19 Education Rights and Privacy Act (FERPA), and the Children's Internet Protection Act (CIPA) as
20 well as laws pertaining to stalking and harassment. The policy is promulgated so as to be in
21 compliance with the public records laws of the State of Tennessee.

22

23 **Expectations of Use**

24 Responsible use of the MCS technology resources is expected to be ethical, respectful, academically
25 honest, and supportive of the school district's mission. Each computer user has the responsibility to
26 respect every other person in our community and on the Internet. Digital storage and electronic
27 devices used for school purposes will be treated as extensions of the physical school space.

28

29

30 **ELECTRONIC RESOURCES**

31

32 These procedures are written to promote positive and effective digital citizenship among staff and are
33 based on recognized Netiquette practices of respect, privacy, sharing, and safety.¹

34
35 Digital citizenship represents more than technology literacy. Successful, technologically fluent digital
36 citizens live safely and civilly in an increasingly digital world. They recognize that information posted
37 on the Internet is public and permanent and can have a long-term impact on an individual's life and
38 career.

39
40 They also recognize that expectations for staff behavior online is no different than face-to-face
41 interactions.

42 **EMPLOYEE COMPLIANCE**

43
44
45 All employees must comply with all other MCS Board of Education policies— in addition to this
46 Technology Acceptable Use & Internet Safety Guidelines policy.

50
51 ● Because the Internet is an unregulated, worldwide vehicle for communication, information available
52 to staff and students is impossible to control. Therefore, Morgan County Schools adopts this policy
53 governing the voluntary use of electronic resources and the Internet in order to provide guidance to
54 individuals and groups obtaining access to these resources on MCS owned equipment or through
55 MCS affiliated organizations.
- 56 ● Before any employee is granted access to the MCS Network (email, cloud storage, licensed software,
57 etc.), that person shall electronically sign a form that indicates his/her agreement to comply with the
58 MCS Board policies \and this Technology Acceptable Use & Internet Safety Guidelines policy. All

135 **INTERNET SAFETY: STUDENT SUPERVISION**

136

- 137 ● The district will provide appropriate adult supervision of Internet use. The first line of defense in

139 monitoring of student access to district computers;
140 ● Staff members who supervise students, control electronic equipment, or have occasion to observe
141 student use of said equipment online, must make a reasonable effort to monitor the use of this

218 MCS has provided an e-mail system for the internal and external communication of employees and board
219 members. Responsible and ethical use of the e-mail system is required. The e-mail system may not be
220 used for personal gain, or political or religious views or in any illegal, offensive or unethical manner.

252 the staff members personal social media page.
- 253 5. If a staff member would like to post pictures of classroom activities, it is recommended that a private

- (1) Has a degree from an approved four-year college or any career and technical teacher who has the equivalent amount of training established and licensed by the state board of education;
- (2) Holds a valid teacher license, issued by the state board of education, based on training covering the subjects or grades taught;

RE-EMPLOYMENT OF TENURED TEACHER

A teacher who has attained tenure status in a school system and later resigns from the system shall serve a two-year probationary period upon reemployment by the system, unless the probationary period is waived by the Board upon request of the Director of Schools. Upon completion of the two-year probationary period, the teacher shall be eligible for tenure and shall be either recommended by the director of schools for tenure or non-renewed; provided, however, that the teacher cannot be continued in employment if tenure is not granted by the Board.⁴
