Daniel Kleindienst recommends rejecting the portion of the bid on Cascade Elementary Cooling Tower repairs as they have determined that the total cost of repairs is very near the cost of a total replacement for the cooling tower. Maintenance is in the process of bidding out a new cooling tower.

The base bid from Billy Thomas Plumbing & Electric in the amount of \$22,400.00 is recommended for approval.

The bid from Mechanical Resource Group is being recommended as lowest and best bid for Cascade High School Chiller compressor replacement in the amount of \$25,169.00.
