The Executive Committee of the Board shall be responsible for developing an agenda for each board meeting. Any board member may recommend items to be placed on the agenda for discussion. The particular order may vary from meeting to meeting in keeping with the business at hand.

The agenda (which shall include the consent agenda), together with supporting materials, shall be given to board members at least one (1) day prior to the scheduled date of the meeting. The agenda shall be available for public inspection when it is distributed to the board members. At the beginning of each meeting the Board shall, by a majority vote, approve changes in the agenda for the meeting, which may involve the addition to or deletion of items previously included on the agenda. The Board, however, may not revise board policies or adopt new ones, unless such action has been scheduled.

Staff members or citizens of the district may suggest items for the agenda by presenting proposed items to the director of schools or the chairman of the Board.

For items to be considered on the agenda, they must be received in the director of schools' office at least seven (7) business days prior to the scheduled date of the meeting. The person(s) requesting an item on the agenda shall forward any background information to the director of schools' office so that the material will be included in the delivery to the board members prior to the meeting.

The agenda for regular meetings shall ordinarily allow suitable time for the remarks of those members of the public who wish to speak.

Citizens wishing to address the Board must follow guidelines set forth in policy *Appeals to and Appearances Before the Board* (1.404)

CONSENT AGENDA

While developing the agenda, the chair and director of schools shall identify routine or non-controversial items to be placed on the consent agenda, which shall become a part of the regular agenda. If any member objects to including an item on the consent agenda, that item shall be moved to the regular agenda as an action item requiring discussion. The remaining consent items may be adopted in a single vote without discussion.

1 APPEALS TO THE BOARD

2 Any matter relating to the operation of the school system may be appealed to the Board. However, the
3 Board desires that all matters be settled at the lowest level of responsibility and will not hear complaints
4 or concerns which have not advanced through the proper administrative procedure from the point of
5 origin.

6 If all administrative channels have been pursued and there is still a desire to appeal to the Board, the
7 matter shall be referred in writing and the Board shall determine whether to hear the appeal.

8 APPEARING BEFORE THE BOARD

9 The executive committee may place individuals on the agenda. Other individuals desiring to appear
10 before the Board must submit a written request with descriptive materials to the office of the director of
11 schools seven (7) business days before the meeting. If the request is approved by the Executive
12 Committee, the item will be placed on the agenda. Individuals placed on the agenda will be recognized
13 at the meeting and given three minutes to speak. The public may address the board about any concerns
14 except personnel matters, which are the responsibility of the director of schools.

15 The Board may, at its discretion, waive the seven day rule in case of a situation which makes such notice
16 impractical or impossible.

17 Delegations must select only one individual to speak on their behalf unless otherwise determined by the
18 Board.

19 Guidelines for individuals who address the Board:

- 20 1. Those requesting to speak to the Board must have documented evidence that they have followed
21 the chain of command in addressing this issue.
 - 22 2. Each person speaking shall state his/her name, address, and subject of remarks.
 - 23 3. Individuals speaking to the Board will address their remarks to the chair.
 - 24 4. Individuals may address the Board only on items that the Board can take action on.
 - 25 5. No response is necessary by the Board or any board member.
 - 26 6. If appropriate, the Board or the director of schools will respond at a later date.
 - 27 7. Time is not transferable to another individual.
 - 28 8. Name calling, personal attacks, profanity, threats, verbal abuse, or disruption of the orderly
29 meeting process will result in the individual or group being asked to leave the meeting.
-

1 Individuals desiring additional information about any item on the agenda shall direct such inquiries to
 2 the office of the director of schools.

3 Public Comment Period ²

4 There shall be a public comment period for each meeting with actionable items on the agenda, with the
 5 exception of teacher disciplinary hearings. Comments shall be limited to topics listed on the agenda.
 6 The total public comment period shall be for no more than ten (10) minutes. If an individual wishes to
 7 address the Board during the public comment period, he/she must contact the director the Wednesday
 8 prior to the school board meeting. If Wednesday is a holiday, then sign-ups will be Thursday prior to
 9 the meeting. Each speaker shall be given no more than two (2) minutes. Delegations shall select only
 10 one (1) individual to speak on their behalf unless otherwise determined by the Board.

WARRANTY

Thank you for purchasing a Paxton/Patterson learning system. Your purchase includes warranty protection from defects in materials and workmanship when the learning system is used under appropriate educational conditions.

Key aspects of the warranty are:

- Your warranty period starts when your lab is installed and ends one year later.
- Equipment which does not perform properly will be repaired or replaced with a new or remanufactured product. The replacement or repaired equipment remains under warranty for the balance of the original warranty period.
- If there are any integrated instructional unit guidebook pages which we modify due to an inaccuracy preventing student learning, those pages will immediately be reprinted and mailed to you.
- Please contact our learning systems technical support staff at 800.631.0158 for equipment matters.

Technical Support:

- Your lab instructor will participate in our four step professional development program, Register, Complete Online Lessons, 4 hour On-Site Support Session and Attend Regional Workshop(optional).
- Should your instructor have questions about the learning system after completing professional development, our technical support staff is available Monday – Friday 7:00am to 5:00pm central time. If needed our staff can also be available by appointment at other times to provide technical support to your instructor. Except in unusual situations, technical support can be quickly and conveniently accessed via telephone, email and use of our “desktop streaming” support technology.
- We have consistently found that when an additional instructor is assigned to a lab or a new instructor is hired to replace the instructor who had completed professional development, the new instructor definitely needs to complete professional development just as your first instructor did. New instructors need considerably more formal training to effectively use the learning system lab than our tech support staff can provide via telephone.

**Exclusions to this warranty include: (a) consumable materials like paints and finishes, batteries, sanding materials and worksheets, (b) failure caused by misuse or accidents, (c) theft or “mysterious” disappearance, (d) normal wear and tear on guidebooks, textbooks, videos and other printed materials, and (e) damaged or lost computer software – CDs and diskettes. In conformity with your district’s copyright law compliance policy we recommend that back-up copies be made of all computer software (CDs) exclusively for use in the learning system covered by this warranty.*

PAXTON/PATTERSON (PP) LEARNING SYSTEMS CONTENT DELIVERY

PP will provide the Paxton Content Learning Management System for 60 months with a service start date to be set after installation by PP.

During the 60 months PP will:

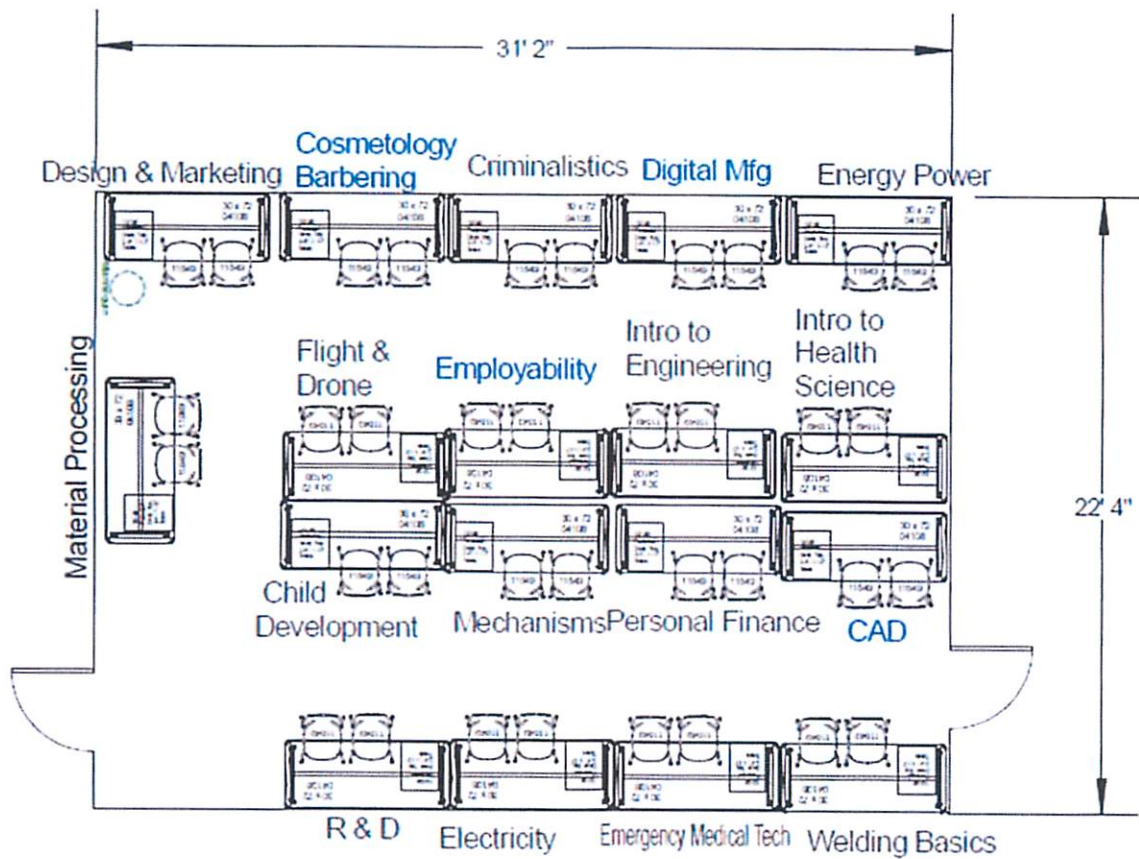

- Provide access to Learning System content from modern browsers.
- Provide updates to Learning System content and to the Paxton Content Learning Management System.

During the 60 months it is likely that some 3rd party providers of equipment, software, and licensed assets included in your original purchase will upgrade their products. It is impossible to predict the scope of these potential future upgrades by 3rd party sources, therefore PP has not "built in" any costs for those items in the original purchase prices.

PP will advise you well in advance of the upgrade potentials being available, advising you of how the upgrade will enhance student learning and the costs of the upgraded equipment, software and/or licensed assets.

Most importantly, no purchase of upgraded equipment, software or licensed assets will be required at any time during the 60 months – because the PP learning system originally purchased will be supported during the entire 60 months.

The only time that it may be necessary to upgrade equipment, software or licensed assets is if your school chooses to upgrade to a newer operating system that is not compatible with the originally purchased 3rd party equipment, software, or licensed assets.
