Alternative Schools Program is an instructional program designated for students who consistently exhibit behavior that is disruptive to the learning process or violent in nature. This program may also serve at-risk youth with special needs. This program includes activities that deal directly with the interaction between teachers and students in an alternative learning environment. Included here are the activities of aides or classroom assistants of any type (clerks, graders, teaching assistants, etc.) which assist in the instructional process. The major categories in the Alternative School Program include personnel, benefits, supplies and materials, textbooks, contracted services and equipment needed to deliver instructional services to students. Instructional programs for gifted students should be recorded in the Special Education category.

The Special Education Program includes activities that provide learning experiences for students having special needs. This includes pre-school as well as elementary and secondary students. Services include activities for varying needs. This includes educating the gifted and those with learning, emotional and physical disabilities. A student is educated based on an Individual Education Plan (IEP) developed by a team who address the particular needs of the student.

*data from U.S. Energy Information Administration

Notes: FY 2018 - Expected about a 15 - 20% decrease in kwh used with FY 2017 as base year due to changeover to LED lighting
 FY 2018 - Discontinued the position of Energy Auditor
