GENERAL FUND REVENUE

The three major sources of revenue for Arlington Community Schools are the State of Tennessee, the Shelby County Government, and the Town of Arlington.

State of Tennessee funds consists primarily of the Tennessee Investment in Student Achievement (TISA) funds projected to be slightly lower as compared to the funding from the 2024-2025 school year due to Lakeland Preparatory School. This preliminary estimate is provided by the Tennessee Department of Education based on the average daily membership (ADM) of students and other unique factors.

Shelby County Government funds come from two primary sources: property tax and sales tax. Educational revenues are shared between Memphis-Shelby County Schools and municipal school districts located within Shelby County, Tennessee based on the Weighted Full Time Equivalent Average Daily Attendance (WFTEADA) formula developed by the Tennessee Department of Education. The WFTEADA percentage varies each year for each of the school districts. The district's WFTEADA for the 2024-2025 school year was 3.28%.

Town of Arlington allocates .15 of the municipal tax rates to be designated for municipal schools. The amount projected for 2025-2026 school year is projected to be at the same rate as compared to the 2024-2025 school year.

GENERAL FUND REVENUE

The major sources of revenue are from State of Tennessee, Shelby County Government, utilization of fund balance and the Town of Arlington.
