2019 Local Education Agency Compliance Report

Local education agencies (LEAs) are required to comply with all state education laws and State Board of Education (SBE) rules. This annual compliance report is one mechanism the Tennessee Department of Education (TDOE) employs to ensure LEAs faithfully execute those laws and rules. New to the report is the attached LEA compliance self-assessment that is specific to Chapter 0520-01-03 of the SBE rules. Chapter 0520-01-03 is highlighted in the self-assessment because (a) it comprises the minimum requirements for the approval of schools and (b) data collected via the self-assessment can inform the department's baselines for school approval related-compliance.

LEAs must complete this report, including the self-assessment, and, if applicable, the corrective action form, and submit it to the department. During completion, each LEA should carefully check the status of its compliance with all state education laws and SBE rules. The self-assessment can be used to structure an internal compliance review. The department verifies and monitors LEA compliance via multiple data sources (e.g., Education Information System) and will consider those sources when making final decisions regarding an LEA's compliance status. The commissioner of education is charged with taking corrective action when an LEA is not in compliance with state education laws and SBE rules and is not following a TDOE-approved plan addressing areas of noncompliance. The commissioner may waive a state board rule or statute. The LEA waiver request form, which is accessible here, includes exceptions.

- I certify that the LEA is in compliance with all Tennessee education statutes and SBE rules.
- I certify that, with the exception of the areas reflected in the attached corrective action plan, the LEA is in compliance with all Tennessee education statutes and SBE rules.
