Sunset Middle School Choir has been invited to be a part of the 2025 Nationals for Top Choirs hosted by Choirs of America (COA) in New York City! The event takes place March 27-28th, 2025. COA's Nationals for Top Choirs has become the premier choice for choirs seeking an unparalleled festival + concert performance experience. For two days in March 2025, participating choirs will have the rare chance to learn from some of America's most distinguished choral conductors, including Rollo Dilworth, Jace Saplan, and Coty Raven-Morris. They would perform in world-famous Carnegie Hall during an enthralling, unforgettable concert complete with a world-premiere piece written especially for the occasion by our Artistic Director, Dr. Rollo Dilworth. This combination of festival (day one) and concert rehearsal + performance (day two) promises a profoundly impactful and transformative experience for everyone involved. This supports WCS's vision to "provide a supportive environment where students are challenged to pursue excellence in academics, athletics, and the arts." while also aligning with our objective to "increase opportunities for student participation in extra curricular activities at all grade levels." COA will help coordinate the entire trip, including their travel to NYC either via motor coach or plane and finding lodging near the venues. The choir would need to arrive the evening of March 26th so they can be on time for their festival day and can either return on Saturday or Sunday since the performance is on a Friday evening. As this event is close to our TCAP testing window, I understand that it would be too disruptive to take the whole choir, so I only plan on taking the 8th grade choir students (approximately 15-20 students). Also, because the event is out of state, we would want to have a 4:1 student to parent/chaperone ratio in order to maximize student safety. Depending on our mode of travel, students will either meet at Sunset Middle to board a motor coach (charter bus) or meet at Nashville International Airport to board a plane. Once the trip is approved and we receive travel/tour quotes from Choirs of America a selection can be determined.</p>

RE: **2024-2025 Recommended Budget Proposals for the General Purpose School, Central Cafeteria, Extended School Program and Capital Funds**

Date: March 7, 2024

The **Williamson County Board of Education Budget** proposal for 2024-2025 has been completed. The proposed budgets include growth (required by State and Board standards), critical needs and aligns with the Board's strategic plan. The Budget Committee of the County Commission provided budget guidelines that included a raise of **5%** and a **2%** mid-year raise along with a guideline request that operations be held at "status quo" while allowing for growth.

Facts used in preparation of the budget:

- The County has indicated a need to increase the employer share for medical insurance. The County health insurance plan is a self-funding plan with these payments being used to pay for claims. The charge for medical insurance is currently \$11,450 per FTE and \$500 per FTE for dental insurance. The increase proposed for next year is an additional \$2,800 per FTE for medical insurance. The total funding increase for medical insurance next year is **\$14,899,640**. The total allocation to the County for medical and dental insurance is **\$80,187,611**.
- Total WCS enrollment for all programs as of 2/20/24 is **42,228** students. Enrollment estimate for End of First Month (EOFM) is **41,618**, an increase of 185 K-12 students over last year's EOFM of 41,433, a **0.445%** increase. This figure does not include our Pre-K program or our Early Childhood program. However, expenses for these programs are included in this budget as always.
- We must provide for a minimum 3% fund balance within our General-Purpose budget for State approval, which currently would be **\$17,008,818** based on our General-Purpose appropriation request.
- The annual cost to cover the 5% and 2% mid-year raise (or 6% annual raise) is **\$12,739,438** for salaried and **\$4,042,105** for hourly employees for a total of **\$16,781,543** including benefits.
- The annual cost to roll the professionals on the pay chart is **\$3,531,472**.
- There are two significant purchases included in this year's budget: science textbooks costing **\$5.5 million** and Chrome Book purchases for **\$6.5 million**.

The **General-Purpose School Fund** proposed budget is **\$566,960,603** which is **\$24,903,546** above the current revised budget or a **4.6%** increase.

The budget has been created with the following revenue information:

#### TISA

- The State is increasing the base funding from \$6,860/student to \$7,075/student. We do not have an official estimate for our TISA funding from the State. We did receive an extra **\$5.6 million** in outcomes funding that we did not budget for last year but have included in this year's projection. The State will not be able to provide us with a true estimate until the fiscal capacity indicators are updated and that is expected to happen in May. We are presenting the budget with an estimated

increase of **\$10,926,956** in funding from TISA based on the known factors of student enrollment, ADM data provided by the State for the Unique Learning Needs Component and current fiscal capacity.

### **Sales Tax**

- Sales tax was projected with a 3% growth factor on the projected sales from the 2023-2024 fiscal year.

### **Property Tax**

- The February 3, 2024 projection of the penny provided by the County mayor's office was used at our current tax rate for property taxes and does not include the new ADA split with FSSD.
  - Remember, we share certain local revenues with FSSD based on student enrollment, which is the ADA split provided by the State. This number changes every year around February or March, and we have not received the allocation for this year yet.

### **OTHER BUDGETS**

The following self-sustaining budgets will also need your approval.

- The **Central Cafeteria Fund** request amounts to **\$19,941,669** with no projected rate increases.
- The **Extended School Program Fund** budget (which covers all elementary schools) is **\$7,099,489** which includes tuition increases.

### **CAPITAL**

The capital request of **\$13,155,596** represents individual capital needs exceeding \$10,000 per project that is needed to maintain the infrastructure of our equipment and buildings. Last year our Board approved a budget of **\$16,252,690** and the Commission cut that to \$13,000,000. We were able to come back and fund the rest of the original request from our own fund balance. The current year's request is a decrease of **\$3,097,094** or a **19.06%** decrease over last year's capital requests.

Our 5-year capital plan does not include the yearly additional requests that need to be budgeted outside of the operational budget. These capital expenses are beyond routine maintenance and would burden the yearly operational budget due to our vast amount of infrastructure, both in technology, and fixed assets (such as buses). These requests add value and life to our aging assets. The 5-year plan includes major renovation, additions, and new buildings. The Board requests items on the 5-year plan closer to the time of a particular need through an INTENT TO FUND resolution instead of during the budget process.

If you have any questions, **please email me ([rachel.farmer@wcs.edu](mailto:rachel.farmer@wcs.edu)) before March 6th**, so additional analysis or research can be done before our work session on the 7<sup>th</sup>. After the work session, please email me before **March 15<sup>th</sup>** with any follow-up questions so I can provide those answers prior to our board meeting on the 18<sup>th</sup>. My hope is to send answers to your questions in a group email so that all can learn from the interest of others.

1 Attendance is a key factor in student achievement, and therefore, students are expected to be present  
2 each day school is in session. The Superintendent of Schools/designee shall develop appropriate  
3 administrative procedures to implement this policy.

4 The attendance supervisor shall oversee the entire attendance program which shall include:<sup>1</sup>

- 5 1. All accounting and reporting procedures and their dissemination;
- 6 2. Alternative program options for students who severely fail to meet minimum attendance  
7 requirements;
- 8 3. Ensuring that all school age children attend school;
- 9 4. Providing documentation of enrollment status upon request for students applying for new or  
10 reinstatement of driver's permit or license; and  
11
- 12 5. Notifying the Department of Safety whenever a student with a driver's permit or license  
13 withdraws from school.<sup>2</sup>

14 Student attendance records shall be given the same level of confidentiality as other student records. Only  
15 authorized school officials with legitimate educational purposes may have access to student information  
16 without the consent of the student or parent(s)/guardian(s).<sup>3</sup>

17 Absences shall be classified as either excused or unexcused as determined by the principal/designee.  
18 Excused absences shall include:<sup>4</sup>

- 19 1. Personal illness/injury (The Principal may require a doctor's statement);  
20
- 21 2. Illness of immediate family member which requires absence of the student from school (The  
22 Principal may require a doctor's statement);

- 8 which the student has no control; *or*
- 9
- 10 ***10. Up to five (5) absences over the school year with a note from a parent or guardian that will***
- 11 ***be deemed excused as long as the student has no unexcused absences.***

- 13 1. Attendance is checked and reported daily for each class;
- 14
- 15 2. Daily absentee sheets contain sign in/sign out sheets and indicate students present or absent
- 16 for the majority of the day;
- 17
- 18 3. All student absences are verified;
- 19

## 23 TRUANCY

### 24 *General*

25 Annually, the Superintendent of Schools/designee will provide written notice to parent(s)/guardian(s)  
26 that attendance at school is required. Students shall be present at least fifty percent (50%) of the  
27 scheduled school day in order to be counted present. Students may attend part-time days, alternating  
28 days, or for a specific amount of time as indicated in their Individualized Education Plan or 504 Plan  
29 and shall be considered present for school attendance purposes. If a student is required to participate in  
30 a remedial instruction program outside of the regular school day where there is no cost to the  
31 parent(s)/guardian(s) and the school system provides transportation, unexcused absences from these  
32 programs shall be reported in the same manner.<sup>7</sup>

33 A student who is absent five (5) days without adequate excuse shall be reported to the Superintendent of  
34 Schools/designee who will, in turn, provide written notice to the parent(s)/guardian(s) of the student's  
35 absence. If a parent does not provide documentation within adequate time excusing those absences, or  
36 request an attendance hearing, then the Superintendent of Schools shall implement the progressive  
37 truancy intervention plan described below prior to referral to juvenile court.

### 38 *Progressive Truancy Intervention Plan*<sup>8</sup>

39 Prior to referral to juvenile court, the following progressive truancy intervention plan will be  
40 implemented.

1 Tier I of the progressive truancy plan shall apply to all students within the district and include schoolwide  
2 prevention-oriented supports to assist with satisfactory attendance.

### 3 **Tier II**

4 This tier of the progressive truancy plan shall be implemented after the student accumulates five (5)  
5 unexcused absences, but before referral to juvenile court, and includes the following:

- 6 1. A conference with the student and the student's parent(s)/guardian(s);  
7
- 8 2. An attendance contract, based on the conference, signed by the student, the parent(s)/guardian(s),  
9 and the Attendance Supervisor/designee. The contract shall include:
  - 10 a. A specific description of the school's attendance expectations for the student;
  - 11 b. The period for which the contract is effective; and
  - 12 c. Penalties for additional absences and alleged school offenses, including additional  
13 disciplinary action and potential referral to juvenile court.  
14
- 15 3. Regularly scheduled follow-up meetings to discuss the student's progress; and  
16
- 17 4. A school employee shall conduct an individualized assessment detailing the reasons a student  
18 has been absent from school. The employee may refer the student to counseling, community-  
19 based services, or other services to address the student's attendance problems.  
20

### 21 **Tier III**

22 This tier shall be implemented if the truancy interventions under Tier II are unsuccessful.

23 These interventions shall be determined by a team formed at each school. The interventions shall  
24 address student needs in an age-appropriate manner. Finalized plans shall be approved by the  
25 Superintendent of Schools/designee.

### 26 **MILITARY SERVICE OF PARENT/GUARDIAN<sup>9</sup>**

27 School principals shall provide students with a one-day excused absence prior to the deployment of and  
28 a one-day excused absence upon the return of a parent or custodian serving active military service.

29 Principals shall also allow up to ten (10) excused cumulative absences per year for students to visit a  
30 parent/guardian during a deployment cycle. The student shall provide documentation to the school as  
31 proof of his/her parent's/guardian's deployment. Students shall be permitted to make up schoolwork  
32 missed during these absences.

### 33 **MAKE-UP WORK**

34 Any student whose absence is unexcused will be expected to make up the work missed or due on dates  
35 of absence.

1 All missed class work or tests from absences may be made up provided that the student makes the  
2 request immediately upon returning to school and provided class time is not taken from other students.

### 3 **CREDIT/PROMOTION DENIAL**

4 Credit/promotion denial determinations may include student attendance; however, student attendance  
5 may not be the sole criterion.<sup>10</sup> If attendance is a factor prior to credit/promotion denial, the following  
6 shall occur:

7 1. The student and the parent(s)/guardian(s) shall be advised if the student is in danger of  
8 credit/promotion denial due to excessive absenteeism.

9  
10 2. Procedures in due process are available to the student when credit or promotion is denied.

### 11 **DRIVER'S LICENSE REVOCATION<sup>2</sup>**

12 More than ten (10) consecutive or fifteen (15) reported unexcused absences by a student during any  
13 semester renders a student ineligible to retain a driver's permit or license or to obtain such if of age.

### 14 ***NON-SCHOOL SPONSORED EXTRACURRICULAR ACTIVITY<sup>11</sup>***

15 *A principal/designee may excuse a student to participate in non-school sponsored extracurricular*  
16 *activities. The principal shall document the approval in writing and shall excuse no more than ten*  
17 *(10) absences each school year. No later than seven (7) business days prior to the student's absence,*  
18 *the student shall provide documentation to the school as proof of the student's participation along*  
19 *with a written request for the excused absence from the student's parent/guardian. The request shall*  
20 *include the following:*

21 *1. Student's name and personal identification number;*

22 *2. Student's grade;*

23 *3. The dates of the student's absence;*

24 *4. The reason for the student's absence; and*

25 *5. The signatures of the student and parent/guardian.*

### 26 **ATTENDANCE HEARING<sup>12</sup>**

27 Students with excessive (more than five (5)) unexcused absences or those in danger of credit/promotion  
28 denial shall have the opportunity to appeal to an attendance hearing committee appointed by the  
29 principal. If the student chooses to appeal, the student or his/her parent(s)/guardian(s) shall be provided  
30 written or actual notice of the appeal hearing and shall be given the opportunity to address the committee.  
31 The committee will conduct a hearing to determine if any extenuating circumstances exist to excuse an  
32 absence(s) or to determine if the student has met attendance requirements that will allow him/her to pass  
33 the course or be promoted. Upon notification of the attendance committee's decision, the principal shall

- 1 send written notification to the Superintendent of Schools/designee and the parent(s)/guardian(s) of the
- 2 student of any action taken regarding the excessive unexcused absences. The notification shall advise
- 3 parent(s)/guardian(s) of their right to appeal such action within two (2) school days to the Superintendent
- 4 of Schools/designee.
  
- 5 The appeal shall be heard no later than ten (10) school days after the request for appeal is received.
  
- 6 Within five (5) school days of the Superintendent of Schools/designee rendering a decision, the student's
- 7 parent(s)/guardian(s) may request a hearing by the Board, and the Board shall review the record.
- 8 Following the review, the Board may affirm or overturn the decision of the Superintendent of
- 9 Schools/designee. The action of the Board shall be final.

## MEMORANDUM

TO: Williamson County School Board

FROM: Jason Golden, Superintendent

DATE: February 29, 2024

RE: Town of Nolensville Request for Sunset Campus Easement

The Town of Nolensville is requesting an easement on the Sunset Campus property. The purpose of the easement is for future installation of a greenway trail open to the public that will begin at Sunset Road and eventually terminating on Brittain Lane. It will be consistent with the Town of Nolensville Greenway plan.

Staff recommends approval of a non-exclusive easement to the Town of Nolensville for construction and maintenance of a greenway trail, per the attached description.

## Town of Nolensville

Jason Golden  
Superintendent  
Williamson County Schools

Mr. Golden,

In follow up to our previous conversations regarding the request from the town for an easement on the Sunset Elementary and Middle School property, we have created the following Metes and Bounds documentation and graphic for review. This will provide an approximate 100-foot buffer between the existing soccer practice field and the edge of the easement. The purpose of the easement is for future installation of a greenway trail open to the public.

The town has reduced the area that is included in the request, but the goal of the project is still the same – to create a greenway trail that will begin at Sunset Road on Town of Nolensville property located at 1686 Sunset Road with the goal of the greenway eventually terminating on Brittain Lane, consistent with the Town of Nolensville Greenway plan.

We would like to have a representative available for questions during the work session that this would be considered at and are able to accommodate that at the February 8<sup>th</sup> Board of Education Work Session if it is able to be included on the agenda or at a future work session or meeting.

If your team or the Board of Education needs any additional information to consider the easement, please let me know. We appreciate opportunities to work collaboratively with the Board of Education and Williamson County to benefit the citizens of our community.

Respectfully,
