THIS MONTH WE SERVED...

5658
BREAKFASTS

15607
LUNCHES

410
STAFF MEALS

February was a great month at Plattsmouth. We treated the K-12 students to Brownie Bites in celebration of Valentine's Day. The high school served up crunchy nacho varieties for National Tortilla Chip Day. Texas Nachos and the Avocado Cream sauce were the most popular.

Our Administrative Review was held this month at the elementary school. The auditor was complimentary about our preparation and selection. We are focusing on how we process the students through the line at meal times.

Making their day by providing a variety of choices and quality nutrition to students is our top goal. However, we do have federal regulations and serving sizes to follow. The meal on the top meets those standards: 2 oz protein and 2 oz grain. Opaa! provides a variety of fresh vegetables and condiments for students to add to their meals. However, offer versus serve does not require them to take items they don't wish to choose.

We are proud to manage your food service program!

Please note: the Bluebucks Program is still in place.

RE; Contract Qualifications

Dr. Hasty and the Plattsmouth School Board,

Mid States School Bus, Inc. (MSSB) has been in the student transportation business since 1982. We have provided your student transportation for the past 4 years. We provide transportation for 13 other school districts in Nebraska and South Dakota. Our longest tenured school has been with us for 38 years and the longest Nebraska School has been 28 years.

Safety and training- MSSB has employed a seasoned and experience Safety and Training manager. He has been employed by the Nebraska Safety Center for many years and is a licensed third party tester. Our safety program follows all Federal and State guidelines pertaining to pre employment, quarterly and yearly training requirements.

Hiring- MSSB follows all Federal and State regulations concerning the hiring, training and employing drivers who operate student transportation vehicles. This includes but not exclusive to back ground checks, driving records, random urinalysis and follow up driver training.

Other Info- MSSB is Nebraska's largest family owned Student Transportation company. We operate in 14 rural, not urban, school districts in the state of Nebraska and South Dakota. We donate to state educational conference's, state long term healthcare conference's and are members of the communities that we serve. MSSB partners with each Emergency Evacuation program not just at the schools we serve but also surrounding communities. Salaries and monies from MSSB stay in the state.... MSSB and their employees keep monies in state where they are recirculated to make our economy stronger and more viable. Larger, regional and national companies take your money and spend it in other states and don't make the Nebraska economy better and stronger.

Sincerely,

A handwritten signature in blue ink that reads "Dean Carroll".
