THIS MONTH WE SERVED...

5658
BREAKFASTS

15607
LUNCHES

410
STAFF MEALS

February was a great month at Plattsouth. We treated the K-12 students to Brownie Bites in celebration of Valentine's Day. The high school served up crunchy nacho varieties for National Tortilla Chip Day. Texas Nachos and the Avocado Cream sauce were the most popular.

Our Administrative Reivew was held this month at the elementary school. The auditor was complimentary about our preparation and selection. We are focusing on how we process the students through the line at meal times.

Making their day by providing a variety of choices and quality nutrition to students is our top goal. However, we do have federal regulations and serving sizes to follow. The meal on the top meets those standards: 2 oz protein and 2 oz grain. Opaa! provides a variety of fresh vegetables and condiments for students to add to their meals. However, offer versus serve does not require them to take items they don't wish to choose.

We are proud to manage your food service program!

Please note: the Bluebucks Program is still in place.

Advocacy/2020 Legislative Session:

The 2020 legislative session is currently adjourned until the speaker calls. We are on Day 44 of 60. Session will remain adjourned until the situation has stabilized, and the Speaker of the Legislature deems it safe to reconvene. During this pause in the legislative session, senators and their offices continue their work.

LB 1106, formerly LB 974, (the education funding reform/property tax bill) is still a priority for Sens. Linehan and Groene once the session resumes.

Stay engaged during the Session and follow along with the bills NASB is tracking at: <https://nasb.envisiams.com/legislative-bills> and through NASB's **Legislative Notes** e-updates.
