OPAA closed out September with a total of 30,199 total meals served.

We have been focused on lunch cards and lunch numbers with Elementary Students.

Having a great time building relationships with students and faculty.

Happy to provide sack lunches for after school programs and field trip days. Great to see the kids in activities!!!

Still working very hard and staying on top of the food and truck driver shortages.

We continually want to thank you for your understanding and encouragement during this time
