4441 PROCUREMENT POLICY – SCHOOL FOOD AUTHORITIES

The following procurement policy statement for the Grand Island Public Schools shall govern all purchasing activities that relate to any aspect of the National School Lunch and Breakfast Programs. This statement is meant to provide guidance to our personnel and vendors on acceptable and/or required procurement practices. Our goal is to fully implement all required and recommended procurement rules, regulations and policies set forth in 2 CFR 200, 7 CFR parts 210, 3016 and 3019, and by the State Agency.

Procurement Policy

The purchasing procedure to be followed shall be determined by the anticipated total annual expenditure on items related to the food service program:

- When the annual total for food service program related items is less than \$250,000 per year (~~small-purchase simplified acquisition~~ threshold) per procurement event or in aggregate purchases this organization will follow the informal ~~Small-Purchase simplified acquisition~~ procedures.
- When the annual total for food service program related items is greater than \$250,000 (~~small purchase simplified acquisition~~ threshold) per year per procurement event or in aggregate purchases this organization will follow the Formal Competitive Solicitation Procedures.

Micro-Purchase Procedures

Micro-Purchases may be used for single purchases under \$10,000 made with a vendor [2 CFR 200.320(a)].

Prices will be reviewed for reasonableness [2 CFR 200.320(a)].

Purchases will be spread equitably among all qualified sources [2 CFR 200.320(a)].

Small-Purchase Simplified Acquisition Threshold Procedures

For purchases made below the ~~small-purchase simplified acquisition~~ threshold, ~~Small-Purchase simplified acquisition threshold~~ procedures will be utilized to purchase necessary goods and services. When ~~Small Purchase simplified acquisition threshold~~ procedures are used, this organization will take the following steps:

1. Contact a reasonable number of qualified vendors.
2. Write specifications for goods and services.
3. Document each vendor's quoted price (ex. log sheet).
4. Select the company that provides the lowest, most responsive, and responsible bid.
5. Document supplier who was awarded the quote.
5. Manage orders by confirming product and prices match quotes.

Formal Competitive Solicitation Procedures

For purchases made in excess of the ~~small-purchase simplified acquisition~~ threshold, a Formal Competitive Solicitation will be conducted. When Formal Competitive Solicitation Procedures are used, this organization will take the following steps:

1. Prepare an Invitation for Bid ("IFB") or Request for Proposal ("RFP") document specifically addressing the items to be procured
 - a. Include detailed specifications
 - b. Ensure price will be most heavily weighted
2. Publicly announce and advertise the bid/proposal at least 21 calendar days prior to bid opening
 - a. Announcements will include the date, time and location in which bids will be opened
3. Determine the most responsive and responsible bid/proposal by using the selection criteria set forth in the bid/proposal document
 - a. Responsible bidders will be those whose bid/proposal conform to all of the terms, conditions and requirements of the IFB/RFP
 - b. Responsible bidders will be those who are capable of performing successfully under the terms and conditions of the contract.
4. Award the contract
 - a. To the most responsive and responsible bidder based on the criteria set forth in the IFB/RFP

GRAND ISLAND PUBLIC SCHOOLS

- b. At least two weeks before program operations begin
- c. If a protest is received, it must be handled in accordance with 7 CFR 210.21

- b. HUDDLE UP MAKES NO WARRANTIES EXCEPT FOR THOSE EXPRESSLY PROVIDED IN THIS AGREEMENT. ALL OTHER WARRANTIES, EXPRESS AND IMPLIED, ARE EXPRESSLY DISCLAIMED.

10. Confidentiality; Intellectual Property.

Huddle Up uses third-party software and cloud storage vendors to store electronic information in certain scenarios, and Client agrees the mere online storage or processing of student data is not a breach of this Section. Notwithstanding anything else in this Agreement to the contrary, Huddle Up shall be permitted to disclose confidential information to third parties as necessary in any and all instances where Huddle Up becomes aware of actual or threatened self-harm or violence by a student or other similarly emergent situations, as determined by Huddle Up in its professional discretion.

As a condition to Huddle Up providing the Services, Client agrees it will not change its privacy policies or agree to restrict or limit its ability to disclose student data in a manner that would interfere with Huddle Up's ability to provide the Services, except as otherwise required by a change in applicable law or regulation.
- c. HIPAA. The parties acknowledge and agree that, in connection with performing the Services, Huddle Up and/or Client may be receiving "Protected Health Information" (as defined in 45 CFR §160.103). Each party agrees to maintain the confidentiality, privacy, and security of Protected Health Information to the extent required by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), Subtitle D of the Health Information Technology for Economic and Clinical Health Act ("HITECH"), and the regulations promulgated under HIPAA and HITECH, all as amended and in effect from time to time. Nothing in this Section is intended to or shall limit, restrict, or govern a party in its use or disclosure of Protected Health Information for treatment purposes or in any manner that is otherwise permitted or required under HIPAA, HITECH, or the regulations promulgated under HIPAA and HITECH, or other applicable law.

No license to any of Huddle Up's IP, implied or otherwise, is granted hereunder for any use beyond that necessary for Client to receive the benefit of the Services.

f. Nondisclosure. All information disclosed by one Party (in such capacity, the "Disclosing Party") to the other Party (in such capacity, the "Receiving Party") during the Term that is either identified in writing at the time of disclosure as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of the disclosure, whether in oral, written, graphic or electronic form, shall be deemed to be "Confidential Information." Information will not be considered Confidential Information if the information is or was: (i) publicly available through no act or omission of the Receiving Party; (ii) in the Receiving Party's lawful possession prior to disclosure by the Disclosing Party and not obtained either directly or indirectly from the Disclosing Party; (iii) lawfully disclosed to the Receiving Party by a third party without restriction on disclosure; or (iv) independently developed by the Receiving Party without use of or access to the Disclosing Party's Confidential Information. The Parties agree, that during the Term and for a period of one year thereafter (or, as applicable, with respect to Confidential Information that is a trade secret, indefinitely) after its termination, to hold each other's Confidential Information in confidence and not to disclose such information in any form to any third party without the express written consent of the disclosing party, except to employees, subcontractors, or agents (collectively, "Representatives") who are under a non-disclosure agreement protecting the applicable Confidential Information in a manner no less restrictive than this Agreement, unless otherwise required to do so by law, regulation, or order of a court of law. Each Party shall remain responsible for any breaches of the Section by any such Parties' Representatives.

Client shall notify Huddle Up of its intent to offer employment to any clinician not less than ten (10) calendar days prior to offering such employment (any clinician that accepts such offer of employment, a "Converted Clinician"). Upon the date a Converted Clinician commences employment with Client (the "Conversion Effective Date"), the Client shall pay to Huddle Up as consideration for the introduction, a fee equal to the greater of (i) \$50,000 or (ii) 75% of the annualized, twelve-month fee for the Converted Clinician's provision of Services, regardless of whether the Converted Clinician ultimately provided Services to Client through Huddle Up. This clause shall survive termination of this agreement for a period of twelve (12) additional months.

12. Governing Law; Waiver of Jury Trial. This Agreement will be governed by and construed in accordance with the laws of the state of Delaware. EACH PARTY ACKNOWLEDGES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT.

13. Notices. Notices required or permitted by this Agreement must be written and given to the party at the address specified above by hand delivery, certified mail, return receipt requested, or overnight delivery.

14. Severability. If any term of this Agreement is found by a court of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other term of this Agreement. Upon a determination that any term is invalid or unenforceable, the court shall modify this Agreement to affect the original intent of the parties as closely as possible to the greatest extent possible.

15. Entire Agreement; Other. This Agreement constitutes and expresses the entire agreement and understanding between the parties concerning the subject matter of this Agreement and shall supersede any prior agreements and discussions, whether written or oral. The content of this contract is to remain confidential except as may otherwise be required by law. Original signatures sent and received electronically (e.g., by email with PDF attached or by Digital Signature) are binding.

16. Survival. Sections 4, 5, and 7-15 will survive the expiration or termination of this Agreement.

Clinical Service Schedule

This Clinical Service Schedule ("Clinical Service Schedule") is incorporated and made part of the Master Services Agreement ("MSA") between Huddle Up and Client and lists the terms and conditions for Services. Capitalized terms not defined in this Clinical Service Schedule shall have the meaning set forth in the MSA. In the event of a conflict between this Clinical Service Schedule and the MSA, unless specifically referred herein, the MSA shall govern.

1. Clinical Services. This Clinical Services Schedule lists the terms and conditions of Services Client may purchase, which includes direct clinical therapy, indirect clinical services, IEP development, attendance to meetings, access to technology, and other services that Huddle Up deems appropriate to facilitate and support clinical care (collectively, "Clinical Services").
2. Huddle Up Responsibilities
 - a. Huddle Up will manage recruiting, licensing, and credentialing of professional therapist(s) for Clinical Services.
 - b. Huddle Up will assign a Client Success Manager to serve as the Client's primary point of contact.
 - c. Huddle Up will provide a copy of the fully executed Agreement, signed W-9, and certificate of insurance to Client upon request.
 - d. Maintain quality clinical standards through therapist oversight and education.
3. Client Responsibilities
 - a. Client agrees to provide and maintain a specially designated location(s) ("Site" or collectively "Sites") to which Huddle Up may deliver Clinical Services for the Client. The Site designated by the Client must have an area that is quiet, confidential, and relatively free of distraction. Client also agrees to provide an adult supervisor at the Site whenever Clinical Services are being delivered. Client must provide high speed internet connectivity when receiving Clinical Services at its Site. Individuals may access Huddle Up's platform from any device with internet connectivity. Client shall be responsible for student access and usage of equipment. Client agrees to use Huddle Up's platform and video conferencing provider. Client will provide a primary point of contact to Huddle Up for each Site.
 - b. Client shall designate a primary point of contact from its organization to ensure that Client's implementation tasks are completed in a timely manner and that implementation stays on schedule.
 - c. Client and its staff agree to reasonably cooperate and communicate with Huddle Up personnel and provide effective and timely decision making on matters regarding the Services and ensure Huddle Up has ready access to Client's staff, systems, and documentation systems when necessary. Additionally, Client shall (i) cooperate with Huddle Up in its performance of the Services and provide access to its premises, employees, and equipment as required to enable Huddle Up to provide the Services, (ii) comply with all applicable laws, and (iii) when on its premises, provide Huddle Up's staff and other representatives with a workplace with the same safeguards provided by Client to its own employees and contractors.
 - d. Client will notify Huddle Up upon execution of this Agreement if Client or its state require a therapist to obtain educator or other credentials that are separate from state licensure specific to the therapist's practice area.

- e. Finalized caseload details must be provided at least fourteen (14) days prior to the Service Start Date. Students with out-of-compliance documentation will be included in the caseload count and therapists will work with the district to make documentation compliant. Caseload details include but are not limited to, full student list, IEP minutes and frequency per student and supervision caseload (if applicable). This information will be used by Client and Huddle Up to ensure compliance and utilization of Services.
 - f. If specific assessments or evaluation materials are requested, Client agrees to provide such materials or reimburse Huddle Up for providing such materials. Client agrees to provide Huddle Up access to on-site testing materials. Client agrees to also provide Huddle Up, in the time and manner requested, without charge, access to and use of Client's software systems and databases for purposes of viewing and creating student records, therapy documentation, and other information related to the Services. If requested, Client will work with Huddle Up on providing bulk data access or fulfilling bulk data requests.
4. Fee and Payment Terms. Client shall pay all fees specified in the applicable Service Order for Clinical Services. Unless otherwise specified, all fees shall be due and payable net thirty (30) days from the date of invoice.
- a. Client will be responsible for any committed dollar amounts or associated dollar amounts for committed volumes specified in each Service Order regardless of caseloads, hours, or absences ("Committed Minimum"). If Client's fees are less than the Committed Minimum for a specific invoice period, Client will be responsible for paying the Committed Minimum. If Client exceeds the Committed Minimum for a specific invoice period, the additional units will be billed at the applicable add-on rates specified in each Service Order.
 - b. Under the per student model, Client will be subject to increased costs associated with the addition of students to its initially agreed upon caseload. This happens automatically when a student is added to the caseload. Caseloads will be shared with the Client monthly, who will be responsible for ensuring the caseload is up to date. Per student fees are based on caseload assumptions provided by the Client (major assumptions will be listed in each Service Order). If Client makes any changes to the caseload assumptions, Huddle Up may make a pricing adjustment to the per student fees. If Client requests Services not covered by per student pricing, Client acknowledges they may owe additional fees.
 - c. For per day rates, these applicable rates will be charged for any day that Huddle Up delivers Clinical Services and are inclusive of up to 7.5 hours per day. In the event that more than 7.5 hours are worked in a given day, the Client will be charged for the additional time at the equivalent hourly rate for excess or overage.
 - d. Client will be responsible for paying Huddle Up for all time spent providing Services. Each time entry will be billed to you in six-minute increments, rounding up to the nearest tenth of an hour.
 - e. Client acknowledges that custom requests may be subject to additional charges.
 - f. Client agrees to reimburse Huddle Up for all necessary and reasonable travel expenses incurred in connection with the Services provided, including compensation for travel time and mileage reimbursed at the then-current IRS standard mileage rate.
 - g. Client agrees to reimburse Huddle Up for the costs associated with any educator or other credentials that are separate from state licensure specific to the therapist's practice area required by the Client.
 - h. If a cancellation or request to reschedule a scheduled session occurs less than 24-hours in advance, the session will count as completed, and Client will be charged the applicable full amount for the scheduled session. If a student doesn't show up to a scheduled session within 5 minutes of

the scheduled time, the session will be marked as a no show and Client will be charged the applicable full amount for the scheduled session.

- i. Service will begin on or around the Service Start Date designated in each Service Order. Implementation starts immediately following the signing of the Agreement, and both parties will work together in good faith to complete implementation as soon as possible. If, in Huddle Up's sole discretion, Client is not ready by the Service Start Date or if Client causes Services to be delayed, Huddle Up is entitled to full payment in accordance with the signed Agreement, and Client will not be entitled to compensatory Services for the time period following the Service Start Date during which Client was not ready to implement the Services or where Client causes Services to be delayed. If Huddle Up, in its sole discretion, is not ready to start on the Service Start Date or causes services to be delayed, the Client has one week to elect in writing one of the following options: 1) compensatory time be provided to assigned students or 2) Huddle Up calculates a prorated credit that will be applied to future orders. If the Client elects compensatory time in writing, Huddle Up cannot guarantee the same clinician or schedule availability to provide compensatory time. However, Huddle Up will work to provide compensatory services to assigned students in a reasonable time frame and in coordination with the Client.

2. The following statement: “Having teachers observe model classrooms allows GIPS to elevate beginning practices and is relevant and applicable to other educators. The activities selected for the GIPS Targeted Improvement Plan work synergistically to empower educators with the knowledge, skills, and resources necessary to create inclusive reading environments where students with disabilities can thrive.” was an error in the narrative. Due to the inability to secure consistent substitute teachers for this process to occur, GIPS will not be utilizing that strategy for the 25-26 school year.

2. Any noncompliance in the district's special education program identified through audits or monitoring will be corrected as soon as possible but in no case more than one year from the date the district is notified of the noncompliance;
 - a. If, through the audit process, a finding is made regarding inappropriate use or misapplication of IDEA funds, the district will remit repayment of funds equal to the amount of such finding using non federal funds and in no case may federal funds be used to refund the amount found to be misspent or misapplied;
3. The district will ensure that every employee paid with IDEA funds will document time-and-effort for compensation of personal services as required in 2 CFR Part 200.430 or under Nebraska's Substitute Reporting System as described in the NDE State and Federal Grant Management Guidance (<http://www.education.ne.gov/gms2/index.html>)
4. The district agrees to review and follow the content of Appendix D in the NDE State and Federal Grant Management Guidance (<http://www.education.ne.gov/gms2/index.html>) regarding the purchase of food with IDEA funds. There will be a high level of scrutiny on these types of purchases.
5. The total costs (according to the provisions of IDEA, the Special Education Act and the Early Intervention Act) reflected in the school district budget document which includes anticipated expenditures for children with disabilities (birth through the school year in which the student reaches 21 years of age) is approved by the School District Board of Education and is hereby submitted to NDE;

Assurances to the SEA that the LEA meets each of the conditions in §300.201 through 300.213.

(Authority: 20 U.S.C. 1413(a))

§300.201 Consistency with State policies.

The LEA, in providing for the education of children with disabilities within its jurisdiction, must have in effect policies, procedures, and programs that are consistent with the State policies and procedures established under §300.101 through 300.163, and §300.165 through 300.174.

(Approved by the Office of Management and Budget under control number 1820-0600)
(Authority: 20 U.S.C. 1413(a)(1))

§300.202 Use of amounts.

- (a) *General.* Amounts provided to the LEA under Part B of the Act—
 - (1) Must be expended in accordance with the applicable provisions of this part;
 - (2) Must be used only to pay the excess costs of providing special education and related services to children with disabilities, consistent with paragraph (b) of this section; and
 - (3) Must be used to supplement State, local, and other Federal funds and not to supplant those funds.
- (b) *Excess cost requirement—*(1) *General.* (i) The excess cost requirement prevents an LEA from using funds provided under Part B of the Act to pay for all of the costs directly attributable to the education of a child with a disability, subject to paragraph (b)(1)(ii) of this section.
 - (ii) The excess cost requirement does not prevent an LEA from using Part B funds to pay for all of the costs directly attributable to the education of a child with a disability in any of the ages 3, 4, 5, 18, 19, 20, or 21, if no local or State funds are available for nondisabled children of these ages. However, the LEA must comply with the nonsupplanting and other requirements of this part in providing the education and services for these children.
- (2)(i) An LEA meets the excess cost requirement if it has spent at least a minimum average amount for the education of its children with disabilities before funds under Part B of the Act are used.
- (ii) The amount described in paragraph (b)(2)(i) of this section is determined in accordance with the definition of excess costs in §300.16. That amount may not include capital outlay or debt service.

- (3) If two or more LEAs jointly establish eligibility in accordance with §300.223, the minimum average amount is the average of the combined minimum average amounts determined in accordance with the definition of excess costs in §300.16 in those agencies for elementary or secondary school students, as the case may be.

§300.203 Maintenance of effort.

- (a) *Eligibility standard.* (1) For purposes of establishing the LEA's eligibility for an award for a fiscal year, the SEA must determine that the LEA budgets, for the education of children with disabilities, at least the same amount, from at least one of the following sources, as the LEA spent for that purpose from the same source for the most recent fiscal year for which information is available:
 - (i) Local funds only;
 - (ii) The combination of State and local funds;
 - (iii) Local funds only on a per capita basis; or
 - (iv) The combination of State and local funds on a per capita basis.
- (2) When determining the amount of funds that the LEA must budget to meet the requirement in paragraph (a)(1) of this section, the LEA may take into consideration, to the extent the information is available, the exceptions and adjustment provided in §§300.204 and 300.205 that the LEA:
 - (i) Took in the intervening year or years between the most recent fiscal year for which information is available and the fiscal year for which the LEA is budgeting; and
 - (ii) Reasonably expects to take in the fiscal year for which the LEA is budgeting.
- (3) Expenditures made from funds provided by the Federal government for which the SEA is required to account to the Federal government or for which the LEA is required to account to the Federal government directly or through the SEA may not be considered in determining whether an LEA meets the standard in paragraph (a)(1) of this section.
- (b) *Compliance standard.* (1) Except as provided in §300.204 and 300.205, funds provided to an LEA under Part B of the Act must not be used to reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.
- (2) An LEA meets this standard if it does not reduce the level of expenditures for the education of children with disabilities made by the LEA from at least one of the following sources below the level of those expenditures from the same source for the preceding fiscal year, except as provided in §300.204 and 300.205:
 - (i) Local funds only;
 - (ii) The combination of State and local funds;
 - (iii) Local funds only on a per capita basis; or
 - (iv) The combination of State and local funds on a per capita basis.
- (3) Expenditures made from funds provided by the Federal government for which the SEA is required to account to the Federal government or for which the LEA is required to account to the Federal government directly or through the SEA may not be considered in

determining whether an LEA meets the standard in paragraphs (b)(1) and (2) of this section.

- (c) *Subsequent years.* (1) If, in the fiscal year beginning on July 1, 2013 or July 1, 2014, an LEA fails to meet the requirements of §300.203 in effect at that time, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required in the absence of that failure, not the LEA's reduced level of expenditures.
- (2) If, in any fiscal year beginning on or after July 1, 2015, an LEA fails to meet the requirement of paragraph (b)(2)(i) or (iii) of this section and the LEA is relying on local funds only, or local funds only on a per capita basis, to meet the requirements of paragraph (a) or (b) of this section, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required under paragraph (b)(2)(i) or (iii) in the absence of that failure, not the LEA's reduced level of expenditures.
- (3) If, in any fiscal year beginning on or after July 1, 2015, an LEA fails to meet the requirement of paragraph (b)(2)(ii) or (iv) of this section and the LEA is relying on the combination of State and local funds, or the combination of State and local funds on a per capita basis, to meet the requirements of paragraph (a) or (b) of this section, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required under paragraph (b)(2)(ii) or (iv) in the absence of that failure, not the LEA's reduced level of expenditures.
- (d) *Consequence of failure to maintain effort.* If an LEA fails to maintain its level of expenditures for the education of children with disabilities in accordance with paragraph (b) of this section, the SEA is liable in a recovery action under section 452 of the General Education Provisions Act (20 U.S.C. 1234a) to return to the Department, using non-Federal funds, an amount equal to the amount by which the LEA failed to maintain its level of expenditures in accordance with paragraph (b) of this section in that fiscal year, or the amount of the LEA's Part B subgrant in that fiscal year, whichever is lower.

§300.204 Exception to maintenance of effort.

Notwithstanding the restriction in §300.203(b), an LEA may reduce the level of expenditures by the LEA under Part B of the Act below the level of those expenditures for the preceding fiscal year if the reduction is attributable to any of the following:

- (a) The voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
- (b) A decrease in the enrollment of children with disabilities.
- (c) The termination of the obligation of the agency, consistent with this part, to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child—
 - (1) Has left the jurisdiction of the agency;

- (2) Has reached the age at which the obligation of the agency to provide FAPE to the child has terminated; or
 - (3) No longer needs the program of special education.
 - (d) The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
 - (e) The assumption of cost by the high cost fund operated by the SEA under §300.704(c).

§300.205 Adjustment to local fiscal efforts in certain fiscal years.

- (a) *Amounts in excess.* Notwithstanding §300.202(a)(2) and (b) and §300.203(b), and except as provided in paragraph (d) of this section and §300.230(e)(2), for any fiscal year for which the allocation received by an LEA under §300.705 exceeds the amount the LEA received for the previous fiscal year, the LEA may reduce the level of expenditures otherwise required by §300.203(b) by not more than 50 percent of the amount of that excess.
- (b) *Use of amounts to carry out activities under ESEA.* If an LEA exercises the authority under paragraph (a) of this section, the LEA must use an amount of local funds equal to the reduction in expenditures under paragraph (a) of this section to carry out activities that could be supported with funds under the ESEA regardless of whether the LEA is using funds under the ESEA for those activities.
- (c) *State prohibition.* Notwithstanding paragraph (a) of this section, if an SEA determines that an LEA is unable to establish and maintain programs of FAPE that meet the requirements of section 613(a) of the Act and this part or the SEA has taken action against the LEA under section 616 of the Act and subpart F of these regulations, the SEA must prohibit the LEA from reducing the level of expenditures under paragraph (a) of this section for that fiscal year.
- (d) *Special rule.* The amount of funds expended by an LEA for early intervening services under §300.226 shall count toward the maximum amount of expenditures that the LEA may reduce under paragraph (a) of this section.

 - (1)(i) The amount received by the LEA under Part B of the Act for that fiscal year; divided by
 - (ii) The number of children with disabilities in the jurisdiction of the LEA; and multiplied by
 - (2) The number of children with disabilities participating in the schoolwide program.

- (b) *Funding conditions.* The funds described in paragraph (a) of this section are subject to the following conditions:

 - (2) The funds may be used without regard to the requirements of §300.202(a)(1).
 - (c) *Meeting other Part B requirements.* Except as provided in paragraph (b) of this section, all other requirements of Part B of the Act must be met by an LEA using Part B funds in accordance with paragraph (a) of this section, including ensuring that children with disabilities in schoolwide program schools—

AN OVERVIEW OF SINGLE AUDIT REQUIREMENTS OF STATES, LOCAL GOVERNMENTS, AND NONPROFIT ORGANIZATIONS

This GAN ATTACHMENT is **not** applicable to for-profit organizations. For-profit organizations comply with audit requirements specified in block 9 of their Grant Award Notification (GAN).

Summary of Single Audit Requirements for States, Local Governments and Nonprofit Organizations:

1. Single Audit. A non-Federal entity (a State, local government, Indian tribe, Institution of Higher Education (IHE)¹, or nonprofit organization) that expends \$1,000,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with 2 CFR 200.501, "Audit Requirements," except when it elects to have a program specific audit conducted.
2. Program-specific audit election. When an auditee expends Federal awards under only one Federal program (excluding research and development (R&D)), and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the auditee, the auditee may elect to have a program-specific audit conducted. A program-specific audit may not be elected for R&D unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.
3. Exemption when Federal awards expended are less than \$1,000,000. A non-Federal entity that expends less than \$1,000,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in 2 CFR 200.503, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO). Generally, grant records must be maintained for a period of three years after the date of the final expenditure report ([2 CFR § 200.334](#)).
4. Federally Funded Research and Development Centers (FFRDC). Management of an auditee that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity.
5. Report Submission. To meet audit requirements of U.S. Office of Management and Budget (OMB) Uniform Guidance: Cost Principles, Audit, and Administrative Requirements for Federal Awards (Uniform Guidance), grantees must submit all audit documents required by Uniform Guidance 2 CFR 200.512, including Form SF- SAC: Data Collection Form electronically to the Federal Audit Clearinghouse.

¹As defined under the Higher Education Act of 1965, as amended (HEA) section 101.

<https://facides.census.gov/Account/Login.aspx>.

The audit must be completed, and the data collection form and reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period. If the due date falls on a Saturday, Sunday, or Federal holiday, the reporting package is due the next business day. Unless restricted by Federal statutes or regulations, the auditee must make copies available for public inspection. Auditees and auditors must ensure that their respective parts of the reporting package do not include protected personally identifiable information. (2 CFR 200.512)

Grantees are strongly urged to obtain the "OMB Compliance Supplement" and to contact their cognizant agency for single audit technical assistance.

The designated cognizant agency for single audit purposes is "the Federal awarding agency that provides the predominant amount of direct funding to the recipient." Grantees should obtain a copy of the OMB Compliance supplement. This supplement will be instructive to both grantees and their auditors. Appendix III of the supplement provides a list of Federal Agency Contacts for Single Audits, including addresses, phone numbers, fax numbers, and e-mail addresses for technical assistance.

For single audit-related questions, if the U.S. Department of Education is the cognizant agency, grantees should contact the Non-Federal Audit Team in the Department's Office of Inspector General, at oinon-federalaudit@ed.gov. Additional resources for single audits are also available on the Non-Federal Audit Team's website at <https://www2.ed.gov/about/offices/list/oig/nonfed/index.html>. For programmatic questions, grantees should contact the education program contact shown on the Department's GAN.

Grantees can obtain information on single audits from:

The OMB website at www.omb.gov. Look under Office of Management and Budget (in right column) then click Office of Federal Financial Management (to obtain OMB Compliance Supplement). The SF- SAC: Data Collection Form can be found at the Federal Audit Clearinghouse at: <https://facides.census.gov/Files/2019-2021%20Checklist%20Instructions%20and%20Form.pdf>.

The American Institute of Certified Public Accountants (AICPA) has illustrative OMB Single Audit report examples that might be of interest to accountants, auditors, or financial staff at www.aicpa.org.

Addendum 2

TRAFFICKING IN PERSONS

The Department of Education adopts the requirements in the Code of Federal Regulations at 2 CFR [175](#) and incorporates those requirements into this grant through this condition. The grant condition specified in 2 CFR [175.15\(b\)](#) is incorporated into this grant with the following changes. Paragraphs a.2.ii.B and b.2. ii. are revised to read as follows:

“a.2.ii.B. Imputed to you or the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 34 CFR part 85.”

“b.2. ii. Imputed to the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 34 CFR part 85.”

Under this condition, the Secretary may terminate this grant without penalty for any violation of these provisions by the grantee, its employees, or its subrecipients.

Addendum 3

SPECIFIC CONDITIONS FOR DISCLOSING FEDERAL FUNDING IN PUBLIC ANNOUNCEMENTS

When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, U.S. Department of Education grantees shall clearly state:

- 1) the percentage of the total costs of the program or project which will be financed with Federal money;
- 2) the dollar amount of Federal funds for the project or program; and
- 3) the percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

Recipients must comply with these conditions under Division B, Title V, Section 505 of Public Law 115-245, Consolidated Appropriations Act, 20

Addendum 4

PROHIBITION OF TEXT MESSAGING AND EMAILING WHILE DRIVING DURING OFFICIAL FEDERAL GRANT BUSINESS

Federal grant recipients, sub recipients and their grant personnel are prohibited from text messaging while driving a government owned vehicle, or while driving their own privately- owned vehicle during official grant business, or from using government supplied electronic equipment to text message or email when driving.

Recipients must comply with these conditions under Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," October 1, 2009.

Addendum 5

REGISTRATION OF UNIQUE ENTITY IDENTIFIER (UEI) NUMBER AND TAXPAYER IDENTIFICATION NUMBER (TIN) IN THE SYSTEM FOR AWARD MANAGEMENT (SAM)

The U.S. Department of Education (Department) Grants Management System (G5) disburses payments via the U.S. Department of Treasury (Treasury). The U.S. Treasury requires that we include your Tax Payer Identification Number (TIN) with each payment. Therefore, in order to do business with the Department you must have a registered Unique Entity Identifier (UEI)¹ and TIN number with the SAM, the U.S. Federal Government's primary registrant database. If the payee UEI number is different than your grantee UEI number, both numbers must be registered in the SAM. Failure to do so will delay the receipt of payments from the Department.

A TIN is an identification number used by the Internal Revenue Service (IRS) in the administration of tax laws. It is issued either by the Social Security Administration (SSA) or by the IRS. A Social Security number (SSN) is issued by the SSA whereas all other TINs are issued by the IRS.

The following are all considered [TINs according to the IRS](#).

- Social Security Number "SSN"
- Employer Identification Number "EIN"
- Individual Taxpayer Identification Number "ITIN"
- Taxpayer Identification Number for Pending U.S. Adoptions "ATIN"
- Preparer Taxpayer Identification Number "PTIN"

If your UEI number is not currently registered with the SAM, you can easily register by going to www.sam.gov. Please allow 3-5 business days to complete the registration process. If you need a new TIN, please allow 2-5 weeks for your TIN to become active. If you need assistance during the registration process, you may contact the SAM Federal Service Desk at 866-606-8220. If you are currently registered with SAM, you may not have to make any changes. However, please take the time to validate that the TIN associated with your UEI is correct.

If you have any questions or concerns, please contact the NDE at NDE.BGMhelp@nebraska.gov

Addendum 6

SYSTEM FOR AWARD MANAGEMENT AND UNIVERSAL IDENTIFIER REQUIREMENTS

1. Requirement for System for Award Management (SAM)

Unless you are exempted from this requirement under 2 CFR 25.110, you are, in accordance with your grant program's Notice Inviting Applications, required to maintain an active SAM registration with current information about your organization, including information on your immediate and highest level owner and subsidiaries, as well as on all predecessors that have been awarded a Federal contract or grant within the last three years, if applicable, at all times during which you have an active Federal award or an application or plan under consideration by a Federal awarding agency. To remain registered in the SAM database after your initial registration, you are required to review and update your information in the SAM database on an annual basis from the date of initial registration or subsequent updates to ensure it is current, accurate and complete.

2. Requirement for Unique Entity Identifier (UEI)* Numbers

If you are authorized to make subawards under this award, you:

1. Must notify potential subrecipients that they may not receive a subaward from you unless they provided their UEI number to you.
2. May not make a subaward to a subrecipient when the subrecipient fails to provide its UEI number to you.
3. Definitions

For purposes of this award term:

1. System for Award Management (SAM) means the Federal repository into which a recipient must provide information required for the conduct of business as a recipient. Additional information about registration procedures may be found at the SAM internet site (currently at <https://www.sam.gov>).
2. Unique Entity Identifier (UEI) means the identifier assigned by SAM registration to uniquely identify business entities. Currently the Data Universal Numbering System (DUNS) number, the nine-digit number established and assigned by Dun and Bradstreet, Inc. (D&B), is used to uniquely identify business entities. A DUNS number may be obtained from D&B by telephone (currently 866-705- 5711) or the Internet (currently at <http://fedgov.dnb.com/webform>).
3. Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients. See 2 CFR 200.86.
4. Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract. See 2 CFR 200.92.
5. Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency. See 2 CFR 200.93.

*Currently, the Department uses the Data Universal Numbering System (DUNS) number, assigned by Dun and Bradstreet, Inc. to uniquely identify business entities, as the UEI.

Addendum 7

THE USE OF GRANT FUNDS FOR CONFERENCES AND MEETINGS

You are receiving this memorandum to remind you that grantees must take into account the following factors when considering the use of grant funds for conferences and meetings:

1. Before deciding to use grant funds to attend or host a meeting or conference, a grantee should:
 - A. Ensure that attending or hosting a conference or meeting is consistent with its approved application and is reasonable and necessary to achieve the goals and objectives of the grant;
 - B. Ensure that the primary purpose of the meeting or conference is to disseminate technical information, (e.g., provide information on specific programmatic requirements, best practices in a particular field, or theoretical, empirical, or methodological advances made in a particular field; conduct training or professional development; plan/coordinate the work being done under the grant); and
 - C. Consider whether there are more effective or efficient alternatives that can accomplish the desired results at a lower cost, for example, using webinars or video conferencing.
2. Grantees must follow all applicable statutory and regulatory requirements in determining whether costs are reasonable and necessary, especially the Cost Principles for Federal grants set out at 2 CFR Part 200 Subpart E of the, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards." In particular, remember that:
 - A. Federal grant funds cannot be used to pay for alcoholic beverages; and
 - B. Federal grant funds cannot be used to pay for entertainment, which includes costs for amusement, diversion, and social activities.
3. Grant funds may be used to pay for the costs of attending a conference. Specifically, Federal grant funds may be used to pay for conference fees and travel expenses (transportation, per diem, and lodging) of grantee employees, consultants, or experts to attend a conference or meeting if those expenses are reasonable and necessary to achieve the purposes of the grant.
 - A. When planning to use grant funds for attending a meeting or conference, grantees should consider how many people should attend the meeting or conference on their behalf. The number of attendees should be reasonable and necessary to accomplish the goals and objectives of the grant.
4. A grantee hosting a meeting or conference may not use grant funds to pay for food for conference attendees unless doing so is necessary to accomplish legitimate meeting or conference business.
 - A. A working lunch is an example of a cost for food that might be allowable under a Federal grant if attendance at the lunch is needed to ensure the full participation by conference attendees in essential discussions and speeches concerning the purpose of the conference and to achieve the goals and objectives of the project.
5. A meeting or conference hosted by a grantee and charged to a Department grant must not be promoted as a
6. U.S. Department of Education conference. This means that the seal of the U.S. Department of Education must not be used on conference materials or signage without Department approval.
7. meeting or conference materials paid for with grant funds must include appropriate disclaimers, such as the following:
 - A. The contents of this (insert type of publication; e.g., book, report, film) were developed under a grant from the Department of Education. However, those contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
8. Grantees are strongly encouraged to contact their project officer with any questions or concerns about whether using grant funds for a meeting or conference is allowable prior to committing grant funds for such purposes.
 - A. A short conversation could help avoid a costly and embarrassing mistake.

Grantees are responsible for the proper use of their grant awards and may have to repay funds to the Department if they violate the rules on the use of grant funds, including the rules for meeting- and conference-related expense.

Page 12–14 8312 Excessive Absenteeism–

In the third paragraph, Change to: Our district's goal is to strive for 90% of our students in Grand Island Public Schools to be present 95% of the school days. The district supports all students and families as they work through various challenges that make attending school difficult at times and ask families to take advantage of these supports and be part of the process.

Students who accumulate 17 absences not listed as Exempt are deemed as “Chronically Absent.” Students who accumulate Twenty (20) absences not listed as Exempt shall be deemed to have “Excessive Absences.” After a fifth absence, school staff will communicate with families about the importance of attending school regularly and employ various strategies to ensure student needs are being addressed. After the tenth absence, the school shall render all services in its power to compel the student's attendance. These services include but are not limited to the following:...

Later down the page, change the paragraph to the following:

The school may report to the county attorney of the county in which the person having control of the student resides when the school has documented the efforts to address excessive absences and/or excessive tardies, the collaborative plan to reduce barriers identified to improve regular attendance has not been successful, and the student has accumulated more than twenty (20) absences per school year or tardies adding up to twenty (20) absences. The school shall notify the child's family in writing prior to referring the child to the county attorney. Illness (including physical or mental illness) with appropriate documentation that makes attendance impossible or impracticable shall not be the basis for referral to the county attorney. A report to the county attorney may also be made when a student otherwise accrues excessive absences as herein defined.

Page 26-Forms of School Discipline

Add on the top of the existing language:

Realizing that appropriate discipline varies from situation to situation, Grand Island Public Schools recognizes that discipline in the school is extremely important to the school program. Discipline should be positive rather than negative in nature. Discipline should foster student growth while assuring an acceptable environment in which to learn. Discipline should be considered a means of teaching and as such disciplinary efforts should be as positive as is practical. Giving credit or recognition for appropriate behavior, setting appropriate examples for students, application of conditions for learning, counseling, and involvement of parents are to be expected. Measures such as exclusion from classes or from the educational setting are to be used only as last alternatives.

Any disciplinary action will be applied fairly and consistently regardless of race, color, religion, national origin, ethnicity, age, sex or gender, sexual orientation, disability, pregnancy, childbirth or related medical condition, marital status or other prohibited status. Disciplinary action will not conflict with provisions of the Individuals with Disabilities Education Act (IDEA).

Page 38 Electronic Device Voluntary Protection Plan

The implementation of laptops and other electronic devices as a learning resource represents a huge financial commitment on the part of the district. Similar to any school property, students are financially responsible for any damages to their electronic device. In order to provide end-user protection and peace of mind, GIPS is offering a voluntary electronic device protection plan. If you choose to enroll, the financial burden of accidental damage or theft will be lessened.

The cost of the GIPS Device Protection Plan is \$10.00 and covers accidental damage and theft of your student's school issued laptop with a sliding deductible per each incident.

This year we are using our new payment system, MySchoolBucks, to provide you with a way to purchase the GIPS Device Protection Plan described on page 36 of the [Student Handbook](#).

While the Device Protection Plan is not required, the plan is designed to offset additional financial burden to you — our families — in case of any device damage.

For parents and staff members who use a personal email account in Synergy ParentVUE:

1. Login to ParentVUE, Select “Fine” on the left navigation.
2. If there are any fines listed, click the button labeled “Pay Fees.”
3. You will be signed into MySchoolBucks and will need to accept terms and conditions, and provide some account information.
4. Your account should automatically link your students through this process. If it does not, you can add your students manually by clicking Add Student on the left hand side.
5. From there, review outstanding invoices, add them to the cart and checkout.

Cost for Protection Plan:

The protection plan works on a yearly fee with a per-incident deductible:

GIPS Student 1 to 1 device:

Yearly Enrollment Cost = \$10

1st Incident Deductible = \$20

2nd Incident Deductible = \$40

3rd Incident Deductible = \$60

Protection plan enrollment cost and deductibles will be adjusted as needed on an annual basis. Students can enroll in the voluntary protection plan by visiting the Grand Island Senior High, Middle School Media Center, or the elementary school office. The plan is designed for 6-12 grade students, but can include students in any grade level who are taking the device home. If the student is enrolled in Virtual School at any grade level, it is highly encouraged that they participate in the plan. If there is an issue, the student should bring the device to the Media Center immediately to get a replacement while the device is being repaired, or contact the school’s Technology Assistant for assistance.

While the 12 months of employment need not be consecutive, employment periods prior to a break in service of seven years or more need not be counted unless the break is occasioned by staff fulfillment of National Guard or Reserve military obligation (as protected under the Uniformed Services Employment and Reemployment Rights Act (USERRA)), or a written agreement, including a collective bargaining agreement, exists concerning the district's intention to rehire staff after the break in service.

Spouses employed by the same employer:

Spouses employed by the same employer are limited in the amount of family leave they may take for the birth and care of a newborn child, placement of a child for adoption or foster care, or to care for a parent who has a serious health condition to a combined total of 12 weeks (or 26 weeks if leave to care for a covered service member with a serious injury or illness is also used). Leave for birth and care, or placement for adoption or foster care, must conclude within 12 months of the birth or placement.

Serious Health Condition defined:

"Serious health condition" means an illness, injury, impairment, or physical or mental condition that involves either:

1. Inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical-care facility, including any period of incapacity (i.e., inability to work, attend school, or perform other regular daily activities) or subsequent treatment in connection with such inpatient care; or
2. Continuing treatment by a health care provider, which includes:
 - A. A period of incapacity¹ lasting more than three consecutive, full calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that also includes:
 - 1) treatment² two or more times by or under the supervision of a health care provider (i.e., in-person visits, the first within 7 days and both within 30 days of the first day of incapacity); or
 - 2) one treatment by a health care provider (i.e., an in-person visit within 7 days of the first day of incapacity) with a continuing regimen of treatment (e.g., prescription medication, physical therapy); or
 - B. Any period of incapacity related to pregnancy or for prenatal care. A visit to the health care provider is not necessary for each absence; or
 - C. Any period of incapacity or treatment for a chronic serious health condition which continues over an extended period of time, requires periodic visits (at least twice a year) to a health care provider, and may involve occasional episodes of incapacity. A visit to a health care provider is not necessary for each absence; or
 - D. A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective. Only supervision by a health care provider is required, rather than active treatment; or
 - E. Any absences to receive multiple treatments for restorative surgery or for a condition that would likely result in a period of incapacity of more than three days if not treated.

Intermittent Leave for "Instructional Staff":

Special rules apply if staff employed "mainly in an instructional capacity" requests intermittent leave or leave on a reduced schedule because of their own serious health condition or the serious health condition of a parent, child, or spouse that is foreseeable based on a planned medical treatment and staff would be gone for more than twenty percent (20%) of the working days during the period of leave. In such cases, the district may require staff to do the following things:

1. Take leave for periods of a particular duration not to exceed the duration of the planned medical treatment.

¹'incapacity', for purposes of FMLA, is defined to mean inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment therefor, or recovery therefrom.

²Treatment includes examinations to determine if a serious health condition exists and evaluation of the condition. Treatment does not include routine physical examinations, eye examinations, or dental examinations.

GRAND ISLAND PUBLIC SCHOOLS

2. Transfer temporarily to another position offered by the district for which the staff member is qualified, as long as the new position has equivalent pay and benefits and better accommodates the recurring periods of leave.

Instructional staff who take leave constituting less than twenty percent (20%) of the working days during the leave period would not be subject to transfer to an alternative position, or a requirement to be on leave for the duration of the treatment period.

Staff will be denied intermittent leave or leave on a reduced leave schedule to care for an immediate family member (spouse, child, parent) with a serious health condition or if the staff member has a serious health condition, if:

1. Staff, whether requesting leave because of their own serious health condition or because of the serious health condition of a parent, child, or spouse fails to establish, through medical certification, that there is a medical need for such a leave (as distinguished from voluntary treatments and procedures or a continuous treatment schedule).
2. Staff, whether requesting leave for their own serious health condition or because of the serious health condition of a family member, fails to establish, through medical certification, that it is medically necessary for the leave to be taken intermittently on a reduced leave schedule.

Intermittent leave or a reduced leave schedule may not be taken for the birth of a child or for the placement of a child for adoption or foster care.

When intermittent leave or leave on a reduced leave schedule is requested based on planned medical treatment, the district also may alter an existing job to better accommodate the staff member's need for intermittent or reduced leave. The alternative or altered position must have equivalent pay and benefits.

End-Of-Semester Circumstances:

In some circumstances, the district may require instructional staff to continue their leave to the end of the academic semester within the FMLA guidelines.

Maintenance of Health Benefits:

The district is required to maintain group health insurance coverage for staff on FMLA leave whenever such insurance was provided before the leave was taken and on the same terms as if the staff member had continued to work. If applicable, arrangements will need to be made for staff to pay their share of health insurance premiums while on leave. In some instances, the district may recover premiums it paid to maintain health coverage for staff who fail to return to work from FMLA leave.

Job Restoration:

Upon return from FMLA leave, staff will be restored to their original job, or to an equivalent job with equivalent pay, benefits, and other terms and conditions of employment. Staff use of FMLA leave will not result in the loss of any employment benefit that the staff member earned or was entitled to before using FMLA leave, nor be counted against staff under a "no fault" attendance policy. If a bonus or other payment, however, is based on the achievement of a specified goal such as hours worked or perfect attendance, and the staff member has not met the goal due to FMLA leave, payment may be denied unless it is paid to the staff member on equivalent leave status for a reason that does not qualify as FMLA leave.

Staff have no greater right to restoration or to other benefits and conditions of employment than if the staff member had been continuously employed.

Notice and Certification:

Staff Notice: Staff seeking to use FMLA leave are required to provide 30-day advance notice of the need to take FMLA leave when the need is foreseeable and such notice is practicable. If leave is foreseeable less than 30 days in advance, staff must provide notice as soon as practicable – generally, either the same or next business day. When the need for leave is not foreseeable, staff must provide notice to the district as soon as practicable under the facts and circumstances of the particular case. Absent unusual

GRAND ISLAND PUBLIC SCHOOLS

circumstances, staff must comply with the district's usual and customary notice and procedural requirements for requesting leave.

Staff must provide sufficient information for the district to reasonably determine whether the FMLA may apply to the leave request. Depending on the situation, such information may include that the staff member is incapacitated due to pregnancy, has been hospitalized overnight, is unable to perform the functions of the job, and/or that the staff member or qualifying family member is under the continuing care of a health care provider.

When staff seek leave due to an FMLA-qualifying reason for which the district has previously provided the staff member FMLA-protected leave, staff must specifically reference either the qualifying reason for leave or the need for FMLA leave.

Employer Notice: The district will post a notice approved by the Secretary of Labor explaining rights and responsibilities under FMLA. Additionally, the district will either include this general notice in staff handbooks or other written guidance to staff concerning benefits, or must distribute a copy of the notice to new staff upon hiring.

When staff request FMLA leave or the district acquires knowledge that leave may be for a FMLA purpose, the district shall notify staff of their eligibility to take leave, and inform staff of their rights and responsibilities under FMLA. When the district has enough information to determine that leave is being taken for an FMLA-qualifying reason, the district must notify the staff member that the leave is designated and will be counted as FMLA leave.

Certification:

The district may require that request for leave due to a serious health condition affecting the staff member or a covered family member be supported by a certification from a health care provider. The district may require second or third medical opinions (at the district's expense) and periodic recertification of a serious health condition. The district may use a health care provider, a human resource professional, a leave administrator, or a management official – but not the staff member's direct supervisor – to authenticate or clarify a medical certification of a serious health condition. The district may have a uniformly-applied policy requiring staff returning from leave for their own serious health condition to submit a certification that they are able to resume work. If reasonable safety concerns exist, the district may, under certain circumstances, require such a certification for staff returning from intermittent FMLA leave.

6335 INJURY LEAVE

~~A School District staff member who believes they have been physically injured within the employee's scope of employment by another individual who intentionally, knowingly, or recklessly causes bodily injury to such employee must report such injury to the employee's administrator as soon as practical. An administrator will then investigate the circumstances to determine if the employee qualifies for paid injury leave. The employee may be required to provide confirmation from a physician regarding the causation and the period of time for which an employee is unable to work. If the administrator determines that the employee qualifies for paid injury leave, then the employee will receive up to seven calendar days of paid injury leave to cover the amount of time that the employee was otherwise scheduled to work. Such paid injury leave will not count against the employee's other available leave.~~

~~If the administrator determines that the employee does not qualify for paid injury leave, then the employee may be required to use other available leave. There is no appeal process for an employee who has been denied a request for paid injury leave.~~

6337 CERTIFIED STAFF ACADEMIC STUDY

Upon written application, leave for academic study for a period not to exceed one full school year may be granted to certified staff by ~~the~~ Grand Island Public Schools, upon recommendation of the Superintendent or designee. An outline of a planned program must be submitted with the application for leave for the following school year by April 1 of each year. An applicant desiring academic leave during the second semester only will be considered, provided the applicant will be available for a position at the beginning of the following school term.

1. Eligibility - Certified staff members become eligible to apply for academic leave after they have served in ~~the~~ Grand Island Public Schools at least seven full consecutive years without a period of leave for academic study. Such leaves will be granted to certified staff working on Doctorate degrees. The number of certified staff members to be granted academic leave in any fiscal year will not exceed one percent of the total number of certified staff.
2. Selection - Selection of those to be recommended to the Board of Education shall be made by the Executive Director for Human Resources and the building principals involved. In making the selection of those to be recommended for academic leave, the committee shall give first consideration to the benefit which will accrue to ~~the~~ Grand Island Public Schools for such leave. Other factors which shall be considered are length of service, contribution to the general welfare of the schools, and benefit to the individual. The committee shall consider the availability of a replacement, should leave be granted.
2. Salary Allowance - Certified staff members granted academic leave shall receive one-half of the current base salary in equal monthly installments.
3. Provisions of leave -
 - a. Academic leave may be granted for study or travel.
 - b. If an academic leave is granted for the purpose of study, the staff member must complete at least twelve semester hours, or the equivalent, during each semester of leave.
 - c. If an academic leave is granted for the purpose of study, such study will be in the individual's current area of assignment or in such ~~an~~ area deemed by the selection committee to be of value to the district.
 - d. If an academic leave is granted for travel, the complete itinerary must be approved by the Superintendent and the Board of Education. Such leave will not warrant pay or be considered in the one percent granted on academic leave for study.
 - e. ~~Teacher~~ The teacher's contract to fill the position of leave will be terminal to one year.
 - f. Certified staff members granted an academic leave will not advance on the salary scale for that term. For example, if the staff member leaves on the fifth step, he/she will return on the sixth step and not on the seventh.
4. Contractual Agreements -- Certified staff members accepting academic leave shall agree to return to service in ~~the School District of~~ Grand Island Public Schools for at least a three-year period immediately following the leave of absence. Said staff members shall sign a contract obligating them for a three-year period of time. If the staff member fails to return following the leave of absence, he/she shall refund all moneys paid him/her during the period of academic leave. If the staff member returns for only one of the three years, they shall refund the Board two-thirds of the moneys paid and if the staff member returns for only two years he/she shall refund the Board of Education one-third of all the moneys paid him/her. A person granted such leave shall sign a contractual agreement with the Board of Education which stipulates all regulations and agreements set forth in this policy.
5. Benefits --A staff member on academic leave, for all purposes other than the stipulation stated in 4(d. will be viewed as a full-time employee. This will include the staff member's right to contribute to the Nebraska School Retirement System, the school's group insurance plan, deduction for tax deferred annuities, and Social Security, plus any other rights granted to any other personnel.

GRAND ISLAND PUBLIC SCHOOLS

6. Change of Status Due to Inability to Complete Program - If the staff member cannot complete the planned program for which academic leave was granted, it is the staff member's responsibility to notify the Superintendent or designee. The leave may then be rescinded by the Board of Education and the staff member placed on the appropriate leave status, reassigned or terminated. Salary allowances and benefits shall be adjusted accordingly, and the staff member must make arrangements satisfactory to the Board of Education by payment of any moneys paid to him/her on their behalf for which they may be liable due to the change in leave status.
7. The Completion of a Leave for Academic Study -- does not carry with it a guarantee to return to a specific teaching position. The district reserves the right to assign the staff member to any equivalent position in keeping with the education and experience level of the teacher.

1310 NONDISCRIMINATION

The Grand Island Public Schools is committed to a policy of nondiscrimination. Helping students and staff to develop an awareness and appreciation for the achievements, problems, and aspirations of all people in our culturally diverse society is essential to this end. Our goal is to create a learning environment free of discrimination.

The district will establish and maintain an atmosphere in which all persons will exhibit the following:

- (a) Respect for the individual regardless of economic status, intellectual or physical ability, race (including skin color and protective hairstyles, which could include but are not limited to braids, locks, twists, tight coils or curls, cornrows, Bantu knots, afros, weaves, wigs, or head wraps), color, religion, national origin, ethnicity, sex or gender, sexual orientation, marital status, military or veteran status, pregnancy, childbirth or related medical condition, or age,
- (b) Respect for cultural differences,
- (c) Respect for economic, political, and social lives of others, and
- (d) Respect for the right of others to seek and maintain their own identities.

The district will comply with regulations implementing Title IX of the educational amendments of 1972 which state the following:

"No persons in the United States shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any educational program receiving federal financial assistance...."

The district will further comply with regulations implementing Section 504 of the Rehabilitation Act of 1973, which states in part:

"No otherwise qualified individual with handicaps ...shall, solely by reason of his or her handicap, be excluded from the participation in, be denied benefits of, or be subject to discrimination under any program...."

The district will further comply with regulations implementing Title VI of the Civil Rights Act of 1964, which states in part:

"...no person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program...."

Additionally, the district will comply with the Nebraska Equal Opportunity in Education Act (Neb. Rev. Stat §79-2,114 to §79-2,124 [Reissue 1996]), and amendments thereto, which act states in part that it shall be an unfair or discriminatory practice for any public education institution to discriminate on the basis of sex, the pregnancy of any person, the marital status of any person, or the condition of being a parent.

No student will be treated differently on the basis of sex, (including skin color, hair texture and protective hairstyles including braids, locks, twists, tight coils or curls, cornrows, Bantu knots, afros, and headwraps), color, national origin, disability, pregnancy, marital status, or the condition of being a parent, in the context of an educational program or activity, so as to interfere with or limit the ability of the student to participate in or benefit from services, activities, or privileges of the district unless there is a legitimate, non-discriminatory reason to do so.

The district will examine thoroughly all parts of the curriculum to be sure that it emphasizes positive human relationships. The instructional materials used in the schools must accurately portray the history, contributions, and culture of the various ethnic groups of our society. The district will develop programs that will increase the awareness of students, parents, and citizens of the cultural diversity of others.

The district will continue to promote good human relations by removing all messages of prejudice and discrimination in employment, assignment, and promotion of personnel; in location and use of facilities; in curriculum development and instructional materials; and in the availability of programs for children.

Grand Island Public Schools

Conduct which has the effect of creating, for a reasonable person, an intimidating, hostile, or offensive educational or work environment will not be tolerated. Any act of harassment by either staff or students will result in disciplinary action.

This policy will be referenced in all staff and student handbooks and posted in a place of prominence in all district facilities.

The Grand Island Public Schools does not discriminate on the basis of race (including skin color and protective hairstyles, which could include but are not limited to braids, locks, twists, tight coils or curls, cornrows, Bantu knots, afros, weaves, wigs, or head wraps), color, religion, national origin, ethnicity, sex or gender, sexual orientation, marital status, or age in its programs and activities and provides equal access to the Boy Scouts. Students: Associate Superintendent for Student Services, Kneale Administration Building, 123 South Webb Road, PO Box 4904, Grand Island, NE 68802-4904; 308-385-5900

Employees and Others: Director of Human Resources, Kneale Administration Building, 123 South Webb Road, PO Box 4904, Grand Island, NE 68802-4904; 308-385-5900

Complaints or concerns involving discrimination or needs for accommodation or access should be addressed to the designated Human Rights Officer. For further information about anti-discrimination laws and regulations, or to file a complaint of discrimination with the Office for Civil Rights in the U.S. Department of Education (OCR), please contact the OCR at 601 East 12th Street, Room 353, Kansas City, MO 64106, (800) 368-1019 (voice), Fax (816) 426-3686, (800) 537-7697 (telecommunications device for the deaf), or ocr.kansascity@ed.gov.

The duties of the Human Rights Officers include:

- maintaining and analyzing documentation of all bullying or harassment incidents;
- regularly reviewing the effectiveness of the district's efforts to correct and prevent bullying or harassment and proposing improvements;
- regularly assessing the adequacy of training for staff, administrators, students, and parents concerning bullying or harassment and proposing improvements;
- advising and assisting other district personnel to properly handle and investigate complaints and reports of bullying or harassment;
- ensuring that top district officials are informed about bullying or harassment incidents and the adequacy of the school's response; and
- ensuring that the investigation of bullying or harassment complaints is done in an impartial manner by district personnel who are trained in the requirements of equal educational opportunity.

Reporting Procedures and Investigation

Any person who believes that he or she has been the victim of bullying or harassment on the basis of race (including skin color, hair texture and protective hairstyles), color, national origin, ethnicity, age, sex or gender, sexual orientation, disability, **military or veteran status**, or marital status is encouraged to immediately report the alleged act to the building principal or designated administrator within five (5) school days of the most recent incident. Any teacher or other employee of the district who knows of or receives a report of bullying or harassment shall immediately report the alleged incident. If the complaint involves the building principal or designated administrator, the complaint shall be made or filed with the Human Rights Officer. If the complaint involves the Human Rights Officer or the Superintendent of Schools, the complaint shall be made or filed directly with the School Board. The building principal, designated administrator or other responsible party contacted with a report of discrimination or harassment will cause an "Alleged Discrimination or Mistreatment Complaint Report" (attached) to be completed.

Complaints of bullying or harassment received by the building principal or designated administrator and a summary of any resolution or resolution attempts will be forwarded to the Human Rights Officer. Minor occurrences of alleged bullying, discrimination, or harassment may be resolved informally at the building level. In the event of obvious and major infractions or incomplete building resolution of a minor infraction,

the Human Rights Officer or designee will immediately undertake an investigation. The investigation may be conducted by district personnel or by a third party designated by the School District. In determining whether the alleged conduct constitutes a violation of Policy 1310, 6215, or 8455, the School District will consider all facts and circumstances concerning the alleged bullying or harassment. The School District will also consider the effect of the alleged bullying or harassment on the alleged victim and on the School District's goal of maintaining an orderly and effective educational process. The School District's obligation to undertake an investigation shall not be extinguished by the fact that a criminal investigation involving the same or similar allegation is also pending or has been concluded.

The School District will respect the privacy of all persons relevant to the alleged bullying or harassment, consistent with the district's legal obligation to investigate, to take appropriate action, and to comply with any discovery or disclosure obligation. In the event that the evidence suggests that the alleged bullying or harassment is also a crime, the School District will report the results of any investigation to the appropriate law enforcement agency responsible for handling such crimes.

Upon receipt of a complaint that a violation has occurred, the School District will take prompt and appropriate formal or informal action to address and where appropriate remediate the violation. Since bullying or harassment is often subtle and incidents may be more reflective of a pattern rather than a single incident, events occurring prior to the most recent incident may also be addressed. The School District will consider a response that will most likely end the bullying or harassment and deter similar future conduct.

Appeal to Superintendent

If the complaint of bullying or harassment has not been resolved to the complainant's satisfaction at the initial reporting level within ten (10) school days after the initial complaint was made, the student, parents/guardians or district personnel who made the complaint may appeal to the Superintendent by submitting the "Alleged Discrimination or Mistreatment Complaint Form" and any relevant documents (resolution attempts, etc.) to the Superintendent. Within ten (10) school days of receiving the complaint form, the Superintendent or designee will respond in writing to the complainant. The Superintendent's decision will be final and binding.

Failure to Observe Time Limits

In the event the student, parent, guardian, or district personnel who complained of bullying or harassment fails to exhaust the remedies under the complaint procedure provided above, or to abide by the time limits with respect to each step, the complaint will be presumed to be abandoned and the matter will be settled in accordance with the School District's last response thereto. However, any time limit may be extended by written mutual agreement of the parties involved.

Consequences of Violation of:

1310, 1311, 6214, 6215, 6410, 6411, 7705, 8420, 8430, 8432, 8450, 8453, 8454, 8455, 8550, 8551, 8552

If allegations of bullying or harassment are determined to be valid, sanctions that may be imposed by the School District may include, but are not limited to, any one or more of the following:

For students—

1. Oral reprimand;
2. Written reprimand;
3. Short-term suspension - exclusion of a student from attendance in all schools within the system for a period not to exceed five school days [Neb. Rev. Stat. §79-256(4)];

second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year [Neb. Rev. Stat. §79-256(2) and § 79-283];

6. Long- or short-term emergency exclusion as described previously if the student's conduct presents a clear threat to the physical safety of himself/herself, or others or is so extremely disruptive to make temporary removal necessary to preserve the right of other students to pursue education [Neb. 2. Suspension or termination of relationship; and
3. Referral to appropriate authorities for prosecution

Confidentiality and Retaliation

All matters involving complaints will remain confidential to the maximum extent possible, and any retaliation against individuals reporting bullying or harassment or participating in related proceedings will not be tolerated. The school district will discipline or take appropriate action against any student, teacher, administrator or other school personnel who retaliates against any person who reports an incident of alleged bullying or sexual, racial, ethnic, or disability related harassment or violence, or any person who testifies, assists, or participates in a proceeding, investigation or hearing relating to such bullying, harassment, or violence. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment, which has the effect of creating, for a reasonable person, an intimidating, hostile, or offensive educational or work environment.

Rights of Students Accused of Harassment

Students accused of inappropriate behavior have certain rights to due process and fundamental fairness under the Constitution of Nebraska, the United States Constitution, and Nebraska's Student Discipline Act codified at Neb. Rev. Stat. §79-254, et seq. (Reissue 1996) and any amendments thereto. Nothing in 1310, 6215, 6410, and 8455 or this procedure shall abrogate or modify the School District's obligation to comply with the terms of said Act or any other state or federal law.

Rights of District Personnel Accused of Harassment

All actions taken by the School District against district personnel under 1310, 1311, 6215, and 8455 or this procedure shall be consistent with the requirements of applicable collective bargaining agreements, as well as state and federal law.

Training

The District will ensure that *all* District employees (*to include certified, classified, and administration*) are adequately trained so they understand and know how to identify acts of discrimination, harassment, and retaliation, and how to report it to appropriate District officials or employees. This training will include, at a minimum, the following areas:

- a. The current legal standards and compliance requirements of anti-discrimination, anti-harassment, and anti-retaliation federal, state, and any local laws and regulations,

- including several specific examples of discrimination, harassment (including acts of violence because of a person's sex or other protected characteristics), and retaliation.
- b. The District's current anti-discrimination, anti-harassment, and anti-retaliation notice, policies, grievance procedure, and discrimination complaint form, including the specific steps and timeframes of the investigative procedures, and the District's disciplinary procedures.
 - c. Identification of the District's designated compliance coordinators and their job responsibilities.
 - d. Specific examples and information regarding how to report complaints or observations of discrimination, harassment, or retaliation to appropriate District officials or employees. In addition, the District will emphasize that employees, students, third parties, and others should not be deterred from filing a complaint or reporting discrimination. For instance, if a student is the victim of sexual violence, a form of sexual harassment, but the student is concerned that alcohol or drugs were involved, school staff should inform the student that the District's primary concern is student safety, that any other rules violations will be addressed separately from the sexual violence allegation, and that the use of alcohol or drugs never makes the victim at fault for sexual violence.
 - e. Potential consequences for violating the District's anti-discrimination, anti-harassment, and anti-retaliation policies, including discipline.
 - f. Potential remedies, including immediate, interim remedies, to eliminate the discrimination, harassment, and retaliation, prevent its recurrence, and remedy its effects.
 - g. A description of victim resources, including comprehensive victim services, to address acts of discrimination and harassment, including acts of violence because of a person's sex or other protected characteristics, and a list of those resources for distribution to trainees.

In addition, the District shall ensure that employees designated to address or investigate discrimination, harassment, and retaliation, including designated compliance coordinators, receive additional specific training to promptly and effectively investigate and respond to complaints and reports of discrimination, and to know the District's grievance procedures and the applicable confidentiality requirements.

Preventive Measures

The District will publish and distribute on an ongoing basis a notice of nondiscrimination (notice) in electronic and printed formats, including displaying the notice on the District's website and posting the notice at each building in the District. The District designates the Human Rights Officers to coordinate compliance with anti-discrimination laws, publish and disseminate grievance procedures, including posting it on the District's website, at each building in the District, reprinting it in District publications, such as handbooks, and sending it electronically to members of the school community. The District will provide training to employees and students at the beginning of each academic year in the areas identified in the Training section above.

The District also may distribute specific harassment and violence materials (such as sexual violence), including a summary of the District's anti-discrimination, anti-harassment, and anti-retaliation policy and grievance procedure, and a list of victim resources.

Effect of Policy and Publication

Policies 1310, 6215, 6410, and 8455 and this procedure should not be read to abrogate other school district policies prohibiting other forms of unlawful discrimination, harassment, or other inappropriate behavior. It is the intent of the School District that all such policies be read consistently to provide the highest level of protection from unlawful discrimination or harassment in the provision of educational services and opportunities. Summaries of policies 1310, 6215, 6410, and 8455 and this procedure shall be conspicuously posted in each school that the district maintains, in a place accessible to students, faculty, administrators, employees, parents, and members of the public. This notice shall include the name, mailing address and telephone number of the Human Rights Officer and the mailing address and telephone number of the United States Department of Education, Office for Civil Rights.

Procedures and Complaint Form attached

I. General Statement of Policy

It shall be the policy of the Grand Island Public Schools to prohibit any form of bullying, including harassment or violence, on the basis of race, (including skin color and protective hairstyles, which could include but are not limited to braids, locks, twists, tight coils or cornrows, Bantu knots, afros, weaves, wigs, or head wraps) color, religion, national origin, ethnicity, age, sex or gender, sexual orientation, disability, military or veteran status, or marital status, in all staff employment situations, academic offerings, and extra-curricular activities, including school-sponsored events away from school. Conduct which has the effect of creating, for a reasonable person, an intimidating, hostile, or offensive educational or work environment will not be tolerated. Any act of bullying or harassment by either staff or students will result in disciplinary action.

It shall also be a violation of district policy for any teacher, administrator, or other school staff personnel of the district to tolerate bullying or harassment because of race, color, religion, national origin, ethnicity, age, sex or gender, sexual orientation, disability, military or veteran status, pregnancy, childbirth or related medical condition, marital status or other prohibited status, as defined by this policy, by a student, teacher, administrator, other school personnel, or by any third parties who are participating in, observing, or otherwise engaged in activities, including sporting events and other extra curricular activities, under the auspices of the school district.

For the purposes of this policy school personnel shall include Board members, employees, students, agents, volunteers, contractors, or any other persons subject to the supervision and control of the district.

The school district will act to promptly investigate all complaints, either formal or informal, verbal or written, of bullying or harassment; to promptly take action to protect individuals from further bullying or harassment; and, if it determines that bullying or harassment occurred, to promptly and appropriately discipline any student, teacher, administrator or other school personnel who is found to have violated this policy and/or to take other appropriate action reasonably calculated to end the activity.

II. Definitions and Examples

Bullying

For the purposes of this policy, bullying consists of any ongoing pattern of physical, verbal, or electronic ("cyber-bullying") abuse. Bullying may also include harassment on the basis of race, color, religion, national origin, ethnicity, age, sex or gender, sexual orientation, disability, military or veteran status, or marital status. Supervisors who are in the process of managing employee performance, (i.e. performing observations, monitoring/checking on performance and giving feedback) is not considered bullying or harassment simply on the basis of making the employee feel uncomfortable or emotional.

Harassment

Harassment on the basis of race, religion, national or ethnic origin, color, marital status, disability, sex, military or veteran status, age, pregnancy, childbirth or related medical condition, or other prohibited status means conduct of a verbal or physical nature that is designed to embarrass, distress, agitate, disturb or trouble individuals when:

- submission to such conduct is made either explicitly or implicitly a term or condition of a student's education or of an individual's participation in school programs, activities or employment;
- submission to or rejection of such conduct by an individual is used as the basis for decisions affecting the individual; or
- such conduct has the purpose or effect of unreasonably interfering with an individual's performance; or
- creating an intimidating, offensive or hostile learning or work environment.

Harassment as set forth above may include, but is not limited to the following:

GRAND ISLAND PUBLIC SCHOOLS

- verbal, physical or written harassment or abuse;
- repeated remarks of a demeaning nature;
- implied or explicit threats concerning one's grades, achievements, etc.;
- demeaning jokes, stories, or activities directed at an individual.

Sexual Harassment

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, sexually-motivated physical conduct or other verbal or physical conduct or communication of a sexual nature when:

- submission to the conduct or communication is made a term or condition, either explicitly or implicitly, of obtaining or retaining employment or of obtaining an education; or
- submission to or rejection of that conduct or communication by an individual is used as a factor in decisions affecting that individual's employment or education; or
- that conduct or communication has the purpose or effect of substantially or unreasonably interfering with an individual's employment or education or creating an intimidating, hostile or offensive employment or educational environment.

Sexual Orientation

For the purposes of this policy, sexual harassment on the basis of sexual orientation is defined in the following terms:

- Gender-based discrimination is a form of sex discrimination, and refers to differential treatment or harassment of a student based on the student's sex, including gender identity, gender expression, and nonconformity with gender stereotypes, that results in the denial or limitation of education services, benefits, or opportunities. Conduct may constitute gender-based discrimination regardless of the actual or perceived sex, gender identity, or sexual orientation of the persons experiencing or engaging in the conduct.

Examples of conduct, which may constitute sexual harassment, include:

- stalking;
- sexual advances;
- touching, patting, grabbing or pinching another person's intimate parts, whether that person is of the same sex or the opposite sex;

- unwelcome, sexually-motivated or inappropriate patting, pinching or physical contact; or
- other unwelcome sexual behavior or words, including demands for sexual favors, when accompanied by implied or overt threats concerning an individual's educational status or implied or overt promises of preferential treatment.

This prohibition does not preclude legitimate, non-sexual physical conduct such as the use of necessary restraints to avoid physical harm to persons or property or conduct such as a teacher's consoling hug of a young student or one student's demonstration of a sports move requiring contact with another student.

Disability

For purposes of this policy, harassment, because of the disability, consists of verbal or physical conduct relating to an individual's physical or mental impairment when:

- the harassing conduct is so severe, persistent or pervasive that it affects an individual's ability to participate in or benefit from an educational program or activity or creates an intimidating, threatening or abusive environment;
- the harassing conduct has the purpose or effect of substantially or unreasonably interfering with an individual's work or academic performance; or
- the harassing conduct otherwise adversely affects an individual's learning opportunities.

GRAND ISLAND PUBLIC SCHOOLS

- graffiti containing offensive language, which is derogatory to others because of their physical or mental disability;
- threatening or intimidating conduct directed at another because of the other's physical or mental disability;
- jokes, rumors or name calling based upon an individual's physical or mental disability;
- slurs, negative stereotypes, and hostile acts, which are based upon another's physical or mental disability;
- graphic material containing comments or stereotypes, which is posted or circulated, and which is aimed at degrading individuals or members of protected classes;
- a physical act of aggression or assault upon another because of, or in a manner reasonably related to, an individual's physical or mental disability; or
- other kinds of aggressive conduct such as theft or damage to property, which is motivated by an individual's physical or mental disability.

- creates an intimidating, hostile, or offensive working or educational environment; or
- substantially or unreasonably interferes with an individual's work or education; or
- otherwise is sufficiently serious to limit an individual's employment opportunities or to limit a student's ability to participate in or benefit from the education program.

Examples of conduct that may constitute such unlawful harassment include:

- graffiti containing racially offensive language;
- name calling jokes or rumors based on an individual's race, color, national origin, age, sex, or disability;
- physical acts of aggression against a person or his property because of that person's race, color, national origin, age, sex, or disability;

Employees and Others: ~~Director of Human Resources~~ Chief of Human Capital Management, Kneale Administration Building, 123 South Webb Road, PO Box 4904, Grand Island, NE 68802-4904; 308-385-5900

Complaints or concerns involving discrimination or needs for accommodation or access should be addressed to the designated Human Rights Officer. For further information about anti-discrimination laws and regulations, or to file a complaint of discrimination with the Office for Civil Rights in the U.S. Department of Education (OCR), please contact the OCR at 601 East 12th Street, Room 353, Kansas City, MO 64106, (800) 368-1019 (voice), Fax (816) 426-3686, (800) 537-7697 (telecommunications device for the deaf), or ocr.kansascity@ed.gov.

The duties of the Human Rights Officers include:

- maintaining and analyzing documentation of all bullying or harassment incidents;
- regularly reviewing the effectiveness of the district's efforts to correct and prevent bullying or harassment and proposing improvements;
- regularly assessing the adequacy of training for staff, administrators, students, and parents concerning bullying or harassment and proposing improvements;
- advising and assisting other district personnel to properly handle and investigate complaints and reports of bullying or harassment;
- ensuring that top district officials are informed about bullying or harassment incidents and the adequacy of the school's response; and
- ensuring that the investigation of bullying or harassment complaints is done in an impartial manner by district personnel who are trained in the requirements of equal educational opportunity.

Reporting Procedures and Investigation

Any person who believes that he or she has been the victim of bullying or harassment on the basis of race, color, religion, national origin, ethnicity, age, sex or gender, sexual orientation, disability, military or veteran status, pregnancy, childbirth or related medical condition, marital status or other prohibited status is encouraged to immediately report the alleged act to the building principal or designated administrator within five (5) school days of the most recent incident. Any teacher or other employee of the district who knows of or receives a report of bullying or harassment shall immediately report the alleged incident. If the complaint involves the building principal or designated administrator, the complaint shall be made or filed with the Human Rights Officer. If the complaint involves the Human Rights Officer or the Superintendent of Schools, the complaint shall be made or filed directly with the School Board. The building principal, designated administrator or other responsible party contacted with a report of discrimination or harassment will cause an "Alleged Discrimination or Mistreatment Complaint Report" (attached) to be completed.

Complaints of bullying or harassment received by the building principal or designated administrator and a summary of any resolution or resolution attempts will be forwarded to the Human Rights Officer. Minor occurrences of alleged bullying, discrimination, or harassment may be resolved informally at the building

GRAND ISLAND PUBLIC SCHOOLS

level. In the event of obvious and major infractions or incomplete building resolution of a minor infraction, the Human Rights Officer or designee will immediately undertake an investigation. The investigation may be conducted by district personnel or by a third party designated by the School District. In determining whether the alleged conduct constitutes a violation of Policy 1310, 6215, or 8455, the School District will consider all facts and circumstances concerning the alleged bullying or harassment. The School District will also consider the effect of the alleged bullying or harassment on the alleged victim and on the School District's goal of maintaining an orderly and effective educational process. The School District's obligation to undertake an investigation shall not be extinguished by the fact that a criminal investigation involving the same or similar allegation is also pending or has been concluded.

The School District will respect the privacy of all persons relevant to the alleged bullying or harassment, consistent with the district's legal obligation to investigate, to take appropriate action, and to comply with any discovery or disclosure obligation. In the event that the evidence suggests that the alleged bullying or harassment is also a crime, the School District will report the results of any investigation to the appropriate law enforcement agency responsible for handling such crimes.

Upon receipt of a complaint that a violation has occurred, the School District will take prompt and appropriate formal or informal action to address and where appropriate remediate the violation. Since bullying or harassment is often subtle and incidents may be more reflective of a pattern rather than a single incident, events occurring prior to the most recent incident may also be addressed. The School District will consider a response that will most likely end the bullying or harassment and deter similar future conduct.

Appeal to Superintendent

If the complaint of bullying or harassment has not been resolved to the complainant's satisfaction at the initial reporting level within ten (10) school days after the initial complaint was made, the student, parents/guardians or district personnel who made the complaint may appeal to the Superintendent by submitting the "Alleged Discrimination or Mistreatment Complaint Form" and any relevant documents (resolution attempts, etc.) to the Superintendent. Within ten (10) school days of receiving the complaint form, the Superintendent or designee will respond in writing to the complainant. The Superintendent's decision will be final and binding.

Failure To Observe Time Limits

In the event the student, parent, guardian, or district personnel who complained of bullying or harassment fails to exhaust the remedies under the complaint procedure provided above, or to abide by the time limits with respect to each step, the complaint will be presumed to be abandoned and the matter will be settled in accordance with the School District's last response thereto. However, any time limit may be extended by written mutual agreement of the parties involved.

Consequences of Violation of:

1310, 1311, 6214, 6215, 6410, 6411, 7705, 8420, 8430, 8432, 8450, 8453, 8454, 8455, 8550, 8551, 8552

If allegations of bullying or harassment are determined to be valid, sanctions that may be imposed by the School District may include, but are not limited to, any one or more of the following:

For Employees—

1. Oral reprimand with documentation to file;
2. Written reprimand;
3. Suspension with pay;
4. Suspension without pay;
5. Termination of employment;
6. Cancellation of employment;
7. Non-renewal of employment; and
8. Referral to appropriate authorities for prosecution.

GRAND ISLAND PUBLIC SCHOOLS

1. Demand for immediate corrective action;
2. Suspension or termination of relationship; and
3. Referral to appropriate authorities for prosecution

Confidentiality and Retaliation

All matters involving complaints will remain confidential to the maximum extent possible, and any retaliation against individuals reporting bullying or harassment or participating in related proceedings will not be tolerated. The school district will discipline or take appropriate action against any student, teacher, administrator or other school personnel who retaliates against any person who reports an incident of alleged bullying or sexual, racial, ethnic, or disability-related harassment or violence, or any person who testifies, assists, or participates in a proceeding, investigation or hearing relating to such bullying, harassment, or violence. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment, which has the effect of creating, for a reasonable person, an intimidating, hostile, or offensive educational or work environment.

Rights of Students Accused of Harassment

Students accused of inappropriate behavior have certain rights to due process and fundamental fairness under the Constitution of Nebraska, the United States Constitution, and Nebraska's Student Discipline Act codified at Neb. Rev. Stat. §79-254, et seq. (Reissue 1996) and any amendments thereto. Nothing in 1310, 6215, 6410, and 8455 or this procedure shall abrogate or modify the School District's obligation to comply with the terms of said Act or any other state or federal law.

Rights of District Personnel Accused of Harassment

All actions taken by the School District against district personnel under 1310, 1311, 6215, and 8455 or this procedure shall be consistent with the requirements of applicable collective bargaining agreements, as well as state and federal law.

Training

The District will ensure that *all* District employees (*to include certified, classified, and administration*) are adequately trained so they understand and know how to identify acts of discrimination, harassment, and retaliation, and how to report it to appropriate District officials or employees. This training will include, at a minimum, the following areas:

- a. The current legal standards and compliance requirements of anti-discrimination, anti-harassment, and anti-retaliation federal, state, and any local laws and regulations, including several specific examples of discrimination, harassment (including acts of violence because of a person's sex or other protected characteristics), and retaliation.
- b. The District's current anti-discrimination, anti-harassment, and anti-retaliation notice, policies, grievance procedure, and discrimination complaint form, including the specific steps and timeframes of the investigative procedures, and the District's disciplinary procedures.
- c. Identification of the District's designated compliance coordinators and their job responsibilities.
- d. Specific examples and information regarding how to report complaints or observations of discrimination, harassment, or retaliation to appropriate District officials or employees. In addition, the District will emphasize that employees, students, third parties, and others should not be deterred from filing a complaint or reporting discrimination. For instance, if a student is the victim of sexual violence, a form of sexual harassment, but the student is concerned that alcohol or drugs were involved, school staff should inform the student that the District's primary concern is student safety, that any other rules violations will be addressed separately from the sexual violence allegation, and that the use of alcohol or drugs never makes the victim at fault for sexual violence.

GRAND ISLAND PUBLIC SCHOOLS

- e. Potential consequences for violating the District's anti-discrimination, anti-harassment, and anti-retaliation policies, including discipline.
- f. Potential remedies, including immediate, interim remedies, to eliminate the discrimination, harassment, and retaliation, prevent its recurrence, and remedy its effects.
- g. A description of victim resources, including comprehensive victim services, to address acts of discrimination and harassment, including acts of violence because of a person's sex or other protected characteristics, and a list of those resources for distribution to trainees.

In addition, the District shall ensure that employees designated to address or investigate discrimination, harassment, and retaliation, including designated compliance coordinators, receive additional specific training to promptly and effectively investigate and respond to complaints and reports of discrimination, and to know the District's grievance procedures and the applicable confidentiality requirements.

Preventive Measures

The District will publish and distribute on an ongoing basis a notice of nondiscrimination (notice) in electronic and printed formats, including displaying the notice on the District's website and posting the notice at each building in the District. The District designates the Human Rights Officers to coordinate compliance with anti-discrimination laws, publish and disseminate grievance procedures, including posting it on the District's website, at each building in the District, reprinting it in District publications, such as handbooks, and sending it electronically to members of the school community. The District will provide training to employees and students at the beginning of each academic year in the areas identified in the Training section above.

The District also may distribute specific harassment and violence materials (such as sexual violence), including a summary of the District's anti-discrimination, anti-harassment, and anti-retaliation policy and grievance procedure, and a list of victim resources.

Effect of Policy and Publication

Policies and this procedure should not be read to abrogate other school district policies prohibiting other forms of unlawful discrimination, harassment, or other inappropriate behavior. It is the intent of the School District that all such policies be read consistently to provide the highest level of protection from unlawful discrimination or harassment in the provision of educational services and opportunities. Summaries of policies and this procedure shall be conspicuously posted in each school that the district maintains, in a place accessible to students, faculty, administrators, employees, parents, and members of the public. This notice shall include the name, mailing address and telephone number of the Human Rights Officer and the mailing address and telephone number of the United States Department of Education, Office for Civil Rights.

4417 CAPITAL ASSET MANAGEMENT

INTRODUCTION

Capital assets have a major impact on the quality of the District's ability to educate students. The purpose of this policy is to provide guidelines to help the District make better capital asset investment and management decisions.

CAPITAL IMPROVEMENT PLAN (CIP) SCOPE

Annually District staff shall develop a long-range capital improvement plan that describes and prioritizes the major capital projects that the District intends to undertake in both the near and long term.

- A. Definition of a capital project.** For the purposes of the CIP the definition of a capital project is a project with a useful life of at least 3-5 years and a cost of at least ~~\$5,000~~ **\$10,000**.
- B. Link to needs assessments.** Projects in the CIP, with minor and occasional exceptions, should be based on needs assessments conducted to determine the benefit of the asset relative to its potential cost.

ROLES IN THE CIP PROCESS

The Director of Buildings and Grounds, is responsible for coordinating the CIP process and compiling the CIP document. Other key roles include:

- A. Review of Capital Project Proposals.** The Chief Financial Officer will coordinate a capital project review process within the annual budget calendar.
- B. Capital Financing.** The Business Office will work with the Director of Buildings and Grounds to develop a capital financing strategy to support the CIP.
- C. Approval of the CIP.** The Board shall review and approve the final CIP annually.

CIP PROJECT IDENTIFICATION

Annually, District staff will propose projects for potential inclusion in the CIP, using a procedure developed by the Director of Buildings and grounds. At minimum, this procedure shall provide for the following:

- A. Long-term operating and maintenance costs.** A proposal will identify the cost to operate and maintain the asset over the lifecycle of the asset.
- B. Anticipated source of funding.** A proposal shall describe where the funding to acquire the asset and to operate and maintain the asset is expected to come from.
- C. Proposed timing of the project.** A proposal will identify the proposed schedule for planning, bidding, construction, and other relevant milestones in acquiring the asset.

CIP PROJECT SELECTION

The Director of Buildings and Grounds will develop a procedure to assess and evaluate project proposals. The principles and practices that should be reflected in the selection process include:

- A. Long-term forecasts.** Long-term forecasts should be prepared to better understand the resources available for capital spending and to assess operational impacts and eventual replacement costs.
- B. Impact on other projects.** Projects should not be considered in isolation. One project's impact on others should be recognized and costs shared between projects where appropriate.
- C. Allow for funding of preliminary activities.** A policy should recognize that, for some projects, it may be wise to fund only preliminary engineering/planning before committing to funding the whole project. However, even these expenditures can be considerable, so should be evaluated and prioritized appropriately.
- D. Full Consideration of Operating and Maintenance Costs.** Adequate resources should be identified to operate and maintain an asset before allocating resources to build the new asset.
- E. Full lifecycle costing.** Analysis of the cost of a proposed project should encompass the entire life of the asset, from planning and acquisition to disposal.

- F. Predictable project timing and scope.** Schedule and scope estimates should be practical and achievable within the requested financial and human resources.

BALANCED CIP

The CIP Plan is a balanced five-year plan. This means that for the entire five-year period, revenues will be equal to projected expenditures in the CIP. It is possible that the plan will have more expenditures than revenues in any single year of the Plan (with the exception of the first year of the plan which is intended to become an appropriation plan for the District). However, over the life of the five-year plan all expenditures will be provided for with identified revenues. Staff may record, on an appended document, projects that are deemed important but cannot fit into a balanced CIP. The Board may choose to examine the unfunded projects and defund an existing project in favor of another.

CIP FUNDING STRATEGY

The District may elect to use debt financing to acquire an asset, or pay-as-you-go (i.e., cash financing). Guidelines are provided below to guide the District in making the best choice between debt and pay-as-you-go financing.

- A.** Factors which favor pay-as-you-go financing include circumstances where:
 - 1.** The project can be adequately funded from available current revenues and fund balances (reserves);
 - 2.** The project can be completed in an acceptable time frame given the available revenues;
 - 3.** Additional debt levels could adversely affect the District's credit rating or repayment sources; or,
 - 4.** Market conditions are unstable or suggest difficulties in marketing a debt.
- B.** Factors which favor long-term debt financing include circumstances where:
 - 1.** Revenues available for debt issues are considered sufficient and reliable so that long-term financing can be marketed with an appropriate credit rating, which can be maintained;
 - 2.** Market conditions present favorable interest rates and demand for District debt financing;
 - 3.** A project is mandated by state or federal government and current revenues or fund balances are insufficient to pay project costs;
 - 4.** A project is immediately required to meet or relieve capacity needs and existing un-programmed cash reserves are insufficient to pay project costs; or,
 - 5.** The life of the project or asset financed is five years or longer.
 - 6.** The capital project or asset lends itself to debt financing rather than pay-as-you-go funding based on the expected useful life of the project and based on the District's ability to pay debt service.

CAPITAL BUDGET

Each year the Director of Buildings and Grounds and the Chief Financial Officer will develop a capital budget which will be the spending plan for capital. The first year of the adopted capital improvement plan will be an important input into the capital budget for the fiscal year.

CAPITAL PROJECT MANAGEMENT

Good management of capital projects is essential to create the best value for taxpayers through capital spending. The following policies shall be observed in order to help ensure the best project management possible.

- A. Project manager.** Every CIP project will have a project manager who will prepare the project proposal, develop a project budget and cash flow forecast prior to project commencement, ensure that required phases are completed on schedule, authorize all project expenditures, monitor project cash flows, ensure that all regulations and laws are observed, and periodically report project status.
- B. Regular progress reviews.** Regular capital project and program reviews are to be

conducted to monitor existing project performance. Each project manager must actively manage each project and will provide regular reports on the physical and financial status of each project to the superintendent.

- C. **Limits on amendments.** For an appropriated capital project, the total cost of the project, including all change orders, shall not exceed the amount of appropriation. All amendments shall be reviewed and evaluated by the Facilities and Finance Committee. Each project manager must manage capital projects within certain time and cost constraints. If an amendment is necessary, proper documentation explaining why the amendment should be presented to the Facilities and Finance Committee and the Board of Education for final approval.

ESTABLISHMENT OF AN ASSET INVENTORY

District staff shall develop a comprehensive asset inventory that projects equipment replacement and maintenance needs for the next five years and will update this projection annually. The asset inventory will describe the current condition of the District's assets compared to an established standards for asset condition, account for the complete cost to maintain assets up to standard condition over their lifecycle, and account for risks associated with assets that are below condition standards. Departments shall have responsibility for inventorying and assessing the assets within their purview, and ensuring that it reconciles with Department of Finance's capital asset records.

PRIORITIZATION OF ASSET MAINTENANCE AND REPLACMEN

It is the policy of the District to maintain its assets at a level that protects capital investment and minimizes future maintenance and replacement costs. Based on an asset inventory, risk assessment staff shall develop and recommend to the Board a prioritized asset maintenance spending plan for each year.

FUNDING OF ASSET MAINTENANCE

It is the District's policy to ensure that adequate resources are allocated to preserve the District's existing assets to the best of its ability before targeting resources to build new facilities or acquire additional assets that also have operating and maintenance obligations. This policy addresses the need to protect the District's historical investment in capital assets. It helps the District to avoid embarking on an asset enhancement program, which when coupled with the existing asset requirements, the District cannot afford to adequately maintain.

MODIFICATION TO POLICY

This policy and its provisions will be reviewed annually by the Board of Education Facilities and Finance Committee. The Committee may approve minor changes of a housekeeping or corrective nature, or on advice of counsel, that conflict with federal or state laws or regulations. Significant policy changes will be presented to the Board for confirmation.

5330 FOSTER CARE STUDENT TRANSPORTATION

In accordance with federal and state law, the District's written transportation procedures for foster care children are as follows:

Students to be Transported

DHHS will contact the District to inform the District of a foster care student living in the District and/or to be educated by the District. The District will communicate with DHHS on any further matters concerning said foster care student(s).

School of Origin

The District will work to develop a transportation plan for each foster care student needing transportation to the student's school of origin, as defined and required by federal law. Each student's situation will be different, so there is no single transportation plan for every foster care student. Transportation options may include: (1) the foster care family; (2) a bus or school vehicle; (3) transportation to a pickup location; or (4) some other form of transportation in accordance with state and federal law. Foster care students on an IEP may require other considerations and/or different transportation obligations.

When required by law, the District will coordinate the foster care student's transportation to the school of origin while any disputes ~~regarding transportation until the disputes~~ are resolved.

Costs

If the student can be transported by the District without the District incurring any additional costs, then the District will normally transport the student. However, if the District will need to incur additional costs to transport the student, then DHHS will cover any such additional costs associated with the foster care student's transportation. If the District and DHHS are unable to agree on a transportation plan, the District and DHHS will work together to resolve any differences.

Oversight, Implementation, and Administration

The District's Homeless Liaison is responsible for overseeing these procedures, updating them as needed, and otherwise ensuring that the District complies with the transportation requirements for foster care students.

6215 BULLYING AND HARASSMENT (Staff)

I. General Statement of Policy

It shall be the policy of ~~the~~ Grand Island Public Schools to prohibit any form of bullying, including harassment or violence, on the basis of race (including skin color and protective hairstyles, which could include but not limited to braids, locks, twists, tight coils or curls, cornrows, Bantu knots, afros, weaves, wigs, or head wraps), color, religion, national origin, ethnicity, military or veteran status, age, sex or gender, sexual orientation, disability, or marital status, in all staff employment situations, academic offerings, and extra-curricular activities, including school-sponsored events away from school. Conduct which has the effect of creating, for a reasonable person, an intimidating, hostile, or offensive educational or work environment will not be tolerated. Any act of bullying or harassment by either staff or students will result in disciplinary action.

It shall also be a violation of district policy for any teacher, administrator, or other school personnel of this district to tolerate bullying or harassment because of race (including skin color, hair texture and protective hairstyles including braids, locks, twists, tight coils or curls, cornrows, Bantu knots, afros, and head wraps), color, religion, national origin, ethnicity, military or veteran status, age, sex or gender, sexual orientation, disability, or marital status, as defined by this policy, by a student, teacher, administrator, other school personnel, or by any third parties who are participating in, observing, or otherwise engaged in activities, including sporting events and other extracurricular activities, under the auspices of the school district.

For the purposes of this policy school personnel shall include Board members, employees, students, agents, volunteers, contractors, or any other persons subject to the supervision and control of the district.

The school district will act to promptly investigate all complaints, either formal or informal, verbal or written, of bullying or harassment; to promptly take action to protect individuals from further bullying or harassment; and, if it determines that bullying or harassment occurred, to promptly and appropriately discipline any student, teacher, administrator or other school personnel who is found to have violated this policy and/or to take other appropriate action reasonably calculated to end the activity.

II. Definitions and Examples

Bullying

For the purposes of this policy, bullying consists of any ongoing pattern of physical, verbal, or electronic ("cyber-bullying") abuse. Bullying may also include harassment on the basis of race (including skin color, hair texture and protective hairstyles include but are not limited to braids, locks, twists, tight coils or curls, cornrows, Bantu knots, afros, weaves, wigs, and head wraps), color, religion, national origin, ethnicity, military or veteran status, age, sex or gender, sexual orientation, disability, or marital status.

Sexual Harassment

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, sexually-motivated physical conduct or other verbal or physical conduct or communication of a sexual nature when:

- submission to the conduct or communication is made a term or condition, either explicitly or implicitly, of obtaining or retaining employment or of obtaining an education; or
- submission to or rejection of that conduct or communication by an individual is used as a factor in decisions affecting that individual's employment or education;
- that conduct or communication has the purpose or effect of substantially or unreasonably interfering with an individual's employment or education or creating an intimidating, hostile or offensive employment or educational environment.

Sexual Orientation

For the purposes of this policy, sexual harassment on the basis of sexual orientation is defined in the following terms:

- Gender-based discrimination is a form of sex discrimination, and refers to differential treatment or harassment of a student based on the student's sex, including gender identity, gender

GRAND ISLAND PUBLIC SCHOOLS

expression, and nonconformity with gender stereotypes, that results in the denial or limitation of education services, benefits, or opportunities. Conduct may constitute gender-based discrimination regardless of the actual or perceived sex, gender identity, or sexual orientation of the persons experiencing or engaging in the conduct.

Examples of conduct, which may constitute sexual harassment, include:

- stalking;
- sexual advances;
- touching, patting, grabbing or pinching another person's intimate parts, whether that person is of the same sex or the opposite sex;
- coercing, forcing or attempting to coerce or force the touching of anyone's intimate parts;
- coercing, forcing or attempting to coerce or force sexual intercourse or a sexual act on another;
- graffiti, written material, or graphics of a sexual nature;
- sexual gestures;
- sexual or dirty jokes;
- touching oneself sexually or talking about one's sexual activity in front of others;
- spreading rumors about or rating other students as to sexual activity or performance;
- unwelcome, sexually-motivated or inappropriate patting, pinching or physical contact; or
- other unwelcome sexual behavior or words, including demands for sexual favors, when accompanied by implied or overt threats concerning an individual's educational status or implied or overt promises of preferential treatment.

This prohibition does not preclude legitimate, non-sexual physical conduct such as the use of necessary restraints to avoid physical harm to persons or property or conduct such as a teacher's consoling hug of a young student or one student's demonstration of a sports move requiring contact with another student.

Disability

For purposes of this policy, harassment, because of the disability, consists of verbal or physical conduct relating to an individual's physical or mental impairment when:

- the harassing conduct is so severe, persistent or pervasive that it affects an individual's ability to participate in or benefit from an educational program or activity or creates an intimidating, threatening or abusive environment;
- the harassing conduct has the purpose or effect of substantially or unreasonably interfering with an individual's work or academic performance; or
- the harassing conduct otherwise adversely affects an individual's learning opportunities.

Examples of conduct which may constitute harassment because of disability include:

- graffiti containing offensive language, which is derogatory to others because of their physical or mental disability;
- threatening or intimidating conduct directed at another because of the other's physical or mental disability;
- jokes, rumors or name calling based upon an individual's physical or mental disability;
- slurs, negative stereotypes, and hostile acts, which are based upon another's physical or mental disability;
- graphic material containing comments or stereotypes, which is posted or circulated, and which is aimed at degrading individuals or members of protected classes;
- a physical act of aggression or assault upon another because of, or in a manner reasonably related to, an individual's physical or mental disability; or
- other kinds of aggressive conduct such as theft or damage to property, which is motivated by an individual's physical or mental disability.

Harassment based on an individual's: race (~~including skin color, hair texture and protective hairstyles including braids, locks, twists, tight coils or curls, cornrows, Bantu knots, afros, and head wraps~~), color, or national origin (Title VI of the Civil Rights Act of 1964); disability in all programs or activities (Section 504

GRAND ISLAND PUBLIC SCHOOLS

of the Rehabilitation Act of 1973); sex (Title IX of the Education Amendments of 1972); age (Age Discrimination Act of 1975); **military or veteran status**, and/or discrimination on the basis of disability by public entities (Title II of the Americans with Disabilities Act of 1990) that consists of physical or verbal conduct relating to any one of these protected categories of individuals and:

- creates an intimidating, hostile, or offensive working or educational environment; or
- substantially or unreasonably interferes with an individual's work or education; or
- otherwise is sufficiently serious to limit an individual's employment opportunities or to limit a student's ability to participate in or benefit from the education program.

Examples of conduct that may constitute such unlawful harassment include:

- graffiti containing racially offensive language;
- name calling jokes or rumors based on an individual's race, color, national origin, age, sex, or disability;
- physical acts of aggression against a person or his property because of that person's race, color, national origin, age, sex, or disability;
- Hostile acts that are based on an individual's race, color, national origin, age, sex, or disability and/or;
- written or graphic material which is posted electronically or circulated and which intimidates or threatens individuals based on their race, color, national origin, age, sex, or disability.

Because of the potential misuse of electronic media, photo, or video material in violation of this policy, the use of any electronic media, photographic, or video equipment without expressed administrative consent is prohibited.

On or before September 1, 2009, each school will have in place a program or information regarding bullying/harassment prevention and education.

6233 DRUG FREE SCHOOL AND COMMUNITY (Staff)

It is the policy of the Grand Island Public Schools to eliminate the influence of drugs, alcohol and other chemicals within the school environment and to educate students against the usage of drugs, alcohol and illegal substances. The District will implement regulations and practices which will ensure compliance with laws relating to drugs and alcohol, including: the Drug-Free Schools and Communities Act of 1989 and the Omnibus Transportation Employee Testing Act of 1991, and all regulations and rules promulgated pursuant thereto.

Section 1 Drug-Free Workplace

The District has established the school as a drug-free workplace. The drug-free workplace for this purpose includes school grounds, school utilized vehicles, and places in which school activities are held. The school district recognizes that the use, possession, or being under the influence of illicit drugs or alcohol constitutes a hazard to the positive **development** of students and employees and a substantial interference with school purposes.

1. The unlawful manufacture, distribution, disposition, possession, or use of a controlled substance is prohibited in the workplace. Employees are also prohibited from possessing, using or distributing illicit drugs or alcohol, or being under the influence of illicit drugs or alcohol, on any district property or district sponsored event. Any level of impairment from illicit drugs, alcohol, or inhalants, and the presence of any odor of illicit drugs (such as marijuana) or alcohol in the workplace or on duty time shall be a violation of the drug-free workplace.
2. The possession or distribution of a look-alike drug or look-alike controlled substance is prohibited. In addition, employees are expected to serve as role models for students and will be considered to have violated the District's expectations in the event the employee commits a criminal drug or alcohol offense off the workplace or off duty time.
3. As a condition of employment, employees will abide by the District's drug-free workplace policies and notify the Superintendent or designee in writing of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) calendar days after such conviction.
4. Disciplinary sanctions, up to and including termination of employment and referral for prosecution, will be imposed upon employees who violate the aforementioned standards of conduct. Sanctions for violation thereof may include the requirement that the employee complete an appropriate rehabilitation program, reprimands, and non-renewal, cancellation, or termination of contract of employment.
5. Employees shall be advised through employee publications about drug and alcohol counseling and rehabilitation and reentry programs that are available.
6. Employees shall be furnished with a paper or digital copy of this policy.

This policy supplements and is in addition to all other policies, regulations, practices, procedures and contractual provisions regarding or related to the improper or unlawful possession, use, or distribution of illicit drugs and alcohol.

Section 2 Alcohol and Drug Testing

The District will implement regulations and practices which will insure compliance with the Omnibus Transportation Employee Testing Act of 1991, the Moving Ahead for Progress in the 21st Century (MAP-21) Act, and all regulations and rules promulgated pursuant to such Acts. Employees in "safety-sensitive" positions, as defined by the Act and regulations promulgated thereunder, including employees whose position requires a commercial driver's license (CDL), shall be tested for alcohol and controlled substances as required by law. (See attached Appendix "1"). Refusal to submit to such pre-employment testing, or testing positive, shall disqualify an applicant from employment. Reasonable suspicion,

GRAND ISLAND PUBLIC SCHOOLS

random, post-accident, return-to-duty, and follow-up testing shall also be conducted. Employees who test positive shall be immediately removed from safety-sensitive positions and shall be removed from employment.

- ~~3.—In the event staff does not understand the terms and conditions of this policy, it shall be the duty of the staff member to ask for such points of clarification of the Superintendent of Schools or designee at the time this policy is distributed to the staff member. If no question is directed by staff to the Superintendent of Schools or designee, it shall be the legal position of the District to presume that staff has understood and will abide by this policy.~~
- ~~4.—The Grand Island Public Schools may require staff to be tested upon reasonable suspicion, for the use of controlled substances or alcohol in violation of this policy. Reasonable suspicion shall include, but not be limited to, specific observations of the appearance, behavior, speech, body odors or reliable reports from third parties that an employee is in violation of this policy. - ~~5.—Testing Procedures:

In the event that any such preliminary screening shall indicate the presence of non-prescription drugs consisting of a substance chemical or compound as described, defined or delineated in NEB. REV. Likewise, in the event that any such preliminary screening shall indicate the presence of alcohol, the preliminary screening shall be subject to further testing by either (a) gas chromatography with a flame ionization detector or other scientific testing approved by the Nebraska Department of Health or (b) breath testing device complying with applicable rules and regulation of the Nebraska Department of Health operated by a person who has obtained or been issued a permit in accordance with applicable rules and regulation by the Nebraska Department of Health. With the exception of confirmatory breath test utilizing a breath testing device, all confirmatory tests shall be performed by a clinic, hospital, or laboratory which is licensed pursuant to the federal Clinical Laboratories Improvement Act of 1967, 42 U.S.C. 263a.~~
 - ~~b.—All body fluid specimens which results in a finding of non-prescription drug or alcohol presence shall be refrigerated and preserved in a sufficient quantity for retesting for a period of at least one hundred eighty (180) days from the date of collection and a written record of the chain of custody of the specimen shall be maintained from the time of collection.~~
 - ~~c.—The Grand Island Public Schools shall not release or disclose the test results of any employee to the public, except to the extent required by law or to the employee upon such employee's request. Such test results will be reviewed only by such officers, agents or staff of the District as may be involved in the retention, disciplining or firing of employees.~~~~

If no such programs are available within 50 miles, then such other programs as may exist in the State of Nebraska shall be made known to such staff member. The Superintendent or designee shall maintain a list of such available services and shall from time to time update such a list.~~
- ~~7. Sanctions which may be taken against staff for non-compliance with this policy may be any one or more of the following:

 - ~~9. mandatory enrollment in any training programs that are or may be provided by the District or others relating to any of the activities prohibited by this policy.~~~~
- ~~8. Disciplinary action sought to be imposed by the Superintendent or designee shall be carried out in accordance with the established policies of the District. However, nothing in this policy shall be construed to vest any right in any staff beyond that required by law and the manner in which each case shall be handled shall be in the sole discretion of the Superintendent or designee subject to the Superintendent's approval, provided only that such action shall be carried out within the bounds of applicable law.~~
- ~~9. Conviction of staff of the District of any criminal statute relating to the unlawful use, possession, or distribution of any controlled substance or alcohol, may result in disciplinary action being taken against such employee. When such conviction shall come to the attention of the Superintendent or other official of the District, any staff convicted as above described may be disciplined in any manner provided by statute, the contract of staff, any existing policy of the District or any other applicable body of law. As used herein "applicable body of law" shall mean, but shall not be limited to, state and federal statutes, state and federal regulations, and any applicable case law.~~

If use of legal drugs in accordance with doctor's orders or manufacturer's recommendations may impair the staff member's ability to safely and effectively perform his/her job, the staff member must notify his/her supervisor so that any necessary arrangement to protect safety and productivity can be made. Failure to properly inform the supervisor or to cooperate in any necessary arrangements to protect safety and productivity will result in disciplinary action.~~
- ~~11. As an alternative to discipline or as a concurrent requirement to the disciplinary action less severe than the maximum disciplinary action that may be carried out against staff as referred to in the immediately preceding paragraph, the District, by and through its Superintendent or designee may require the staff member to successfully finish a drug abuse program. As used herein, the term "drug abuse program" shall mean a drug abuse program sponsored by an approved private or governmental institution. If aftercare is recommended by such institution, then the Superintendent or designee in their sole discretion may require the staff member to enroll such aftercare program and to participate in a manner satisfactory to the provider of such~~

~~aftercare program. The Superintendent or designee may require staff to participate in aftercare in the same manner and under the same terms as may be required by the Superintendent or designee. The Superintendent or designee may require ongoing reporting of such participation as a term and condition of continuing employment by such staff at the District.~~

- ~~12. It shall be the policy of the District to require staff who have been charged or convicted of a violation of any federal, state, or local statute regarding illegal or illicit drugs or alcohol-related offenses to report such charge or conviction to the Superintendent or designee. Any information received pursuant to this policy may be used in any lawful manner. Any staff having concerns about an admission thereunder constituting self-incrimination shall bear the burden of seeking his or her own legal advice regarding any such potential self-incrimination.~~

~~Reasonable Cause Drug Testing~~

- ~~1. The Grand Island Public Schools may require any staff (including temporary and substitute staff) to be tested upon reasonable suspicion for use of controlled substances or alcohol in violation of Policy 6233.~~

- ~~3. Staff of the District, who become aware or concerned about another staff being impaired on the job by alcohol or drugs, should immediately report their concerns to their immediate supervisor, who will in turn report the information to the administrator who is responsible for the staff in question. This administrator will notify the Executive Director for Human Services immediately.~~
- ~~4. The responsible administrator will complete the Manager's Checklist for Identifying Potential Substance Abuse/Impairment. This checklist will be completed by any combination of immediate past performance, current performance and personal observation and conversation between the suspected employee and the administrator. The administrator will have a witness present who is trained in the District's Reasonable Cause Drug Testing procedure. This witness could be another administrator, a school nurse, a guidance counselor, school resource officer, Executive Director for Human Services, an Assistant Superintendent or the Superintendent. The completed Manager's Checklist for Identifying Potential Substance Abuse/Impairment form should be reviewed with the Executive Director for Human Services (or Assistant Superintendent or Superintendent) to determine whether to have the employee drug tested.~~
- ~~5. Once the District has determined reasonable suspicion of impairment from drugs or alcohol exists, the staff member will be asked to submit to a drug test at the district's drug testing facility, currently identified as the Saint Francis Medical Center Pathology Department, 2620 West Faidley Avenue. The administrator should make arrangements for staff to be transported to the testing facility. Acceptable methods of transportation include:
 - ~~a. Calling a family member (or other contact person) to provide transportation~~
 - ~~b. Calling a taxi cab (at the staff member's expense) for transportation~~
 - ~~c. Providing transportation by the Administrator or another responsible District staff member.~~~~
- ~~6. If the staff refuses the offer of transportation and demands to drive themselves, the administrator should discourage them. If staff becomes belligerent or if they present a danger to themselves or others, contact the police. If staff refuses the administrator's attempts to provide transportation, the administrator should not attempt to physically restrain the staff member. The administrator should document the staff member's actions. The administrator should also call the SFMC Pathology Department to alert them to the impending drug test.~~
- ~~7. Refusal to submit to the test or testing positive for drugs or alcohol will result in disciplinary action up to and including termination of employment.~~

Statistical Report of Violations

~~It shall be the policy of the Grand Island Public Schools to require the Superintendent of Schools to keep a statistical report of all violations of the District's policies and programs prohibiting the unlawful possession, use, or distribution of illicit drugs and alcohol by students and staff on the school district's property or as a part of any other of the District's activities. The Superintendent or designee shall at least annually provide a report to the Board of Education consisting of at least the following:~~

- ~~2. The nature of any sanction carried out against any such person in violation of such policies.~~
- ~~3. A brief description of any treatment, counseling, or rehabilitation that any such individual in violation of any such policy shall have undertaken and whether such undertaking was voluntary or involuntary.~~

Review of Program

~~It shall be the policy of Grand Island Public Schools to review biennially its entire program pertaining to the prevention of the use of illicit drugs and the abuse of alcohol by students and staff to determine the effectiveness of the program and to implement such changes to the program as are deemed needed.~~

~~The Superintendent shall undertake such study as is deemed appropriate to determine whether the program of the District as here in above referred to is accomplishing its intended goals. If the Superintendent determines that changes are necessary or desirable in the program, the Superintendent shall, on or before the regular July meeting of the Board of Education, present to the Board of Education such changes as are proposed by the administration in the program of the District.~~

~~THE GRAND ISLAND PUBLIC SCHOOLS SHALL NOT BE RESPONSIBLE FOR ANY EXPENSES INCURRED OR SERVICES RENDERED IN DRUG AND ALCOHOL COUNSELING REHABILITATION AND RE-ENTRY PROGRAMS.~~

FEDERAL REGULATIONS, GRAND ISLAND PUBLIC SCHOOLS' COMPLIANCE POLICIES AND
PROCEDURES, AND EDUCATIONAL MATERIALS**

The U.S. Department of Transportation (DOT) and the Federal Highway Administration (FHWA) have issued regulations requiring that individuals who perform safety-sensitive functions and who are required to maintain a commercial driver's license (CDLs) be tested for controlled substances and alcohol and not engage in controlled substances use or alcohol misuse. Information concerning those regulations, Grand Island Public Schools policies and procedures, and educational materials relating to controlled substances use and alcohol misuse is set forth as follows:

(A) The persons designated by the Grand Island Public Schools to answer employee questions about these materials are:

Superintendent of Schools
Chief Human Capital Management

(B) The categories of employees who are subject to the provisions of the federal controlled substances and alcohol use and testing regulations are:

Individuals who perform safety-sensitive functions and who are required to maintain a commercial driver's license (CDLs), including bus drivers and distribution and maintenance employees who are subject to driving commercial motor vehicles.

(C) The term "safety-sensitive functions" means:

- (1) All time waiting to be dispatched, unless the driver has been relieved from duty;
- (2) All time inspecting equipment or inspecting, servicing, or conditioning any commercial motor vehicle (i.e., a vehicle in excess of 26,000 pounds GVWR or designed to carry 16 or more passengers, including the driver) at any time;
- (3) All driving time (i.e., time spent at the controls of a commercial motor vehicle in operation);
- (4) All time, other than driving time, in or upon any commercial motor vehicle;
- (5) All time loading or unloading a vehicle, supervising, or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle, or in giving or receiving receipts for shipments loaded or unloaded;
- (6) All time spent performing the driver requirements of 49 CFR §§392.40 and 392.41 relating to accidents;
- (7) All time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

(D) Employee conduct that is prohibited by the federal controlled substances and alcohol use and testing regulations includes:

1. **Alcohol concentration.**
No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater.
2. **Alcohol possession.**
No driver shall be on duty or operate a commercial motor vehicle while the driver possesses alcohol.
3. **On-duty use.**
No driver shall use alcohol while performing safety-sensitive functions.
4. **Pre-duty use.**
No driver shall perform safety-sensitive functions within four (4) hours after using alcohol.
5. **Use following an accident.**

No driver required to take a post-accident alcohol test shall use alcohol for eight hours following the accident, or until the driver undergoes a post-accident alcohol test, whichever occurs first.

6. **Refusal to submit to a required alcohol or controlled substances test.**

No driver shall refuse to submit to a post-accident alcohol or controlled substances test, a reasonable suspicion alcohol or controlled substance test, or a follow-up alcohol or controlled substances test.

7. **Controlled substances use.**

No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when the driver uses any controlled substance, except when the use is pursuant to the instructions of a physician who has advised the driver that the substance does not adversely affect the driver's ability to safely operate a commercial motor vehicle.

8. **Controlled substances test.**

No driver shall report for duty, remain on duty or perform a safety-sensitive function, if the driver tests positive for controlled substances.

(E) **The circumstances under which an employee will be tested for alcohol and/or controlled substances pursuant to the federal regulations include:**

1. **Pre-employment testing.**

Prior to the first time a driver performs safety-sensitive functions, the driver shall undergo testing for alcohol and controlled substances. No safety-sensitive functions are to be performed unless the driver has been administered an alcohol test with a result indicating an alcohol concentration less than 0.04, and has received a controlled substances test result from the medical review officer indicating a verified negative test result.

2. **Post-accident testing.**

(a) As soon as practicable following an accident involving a commercial motor vehicle, each surviving driver:

- (1) Who was performing safety-sensitive functions with respect to the vehicle, if the accident involved the loss of human life; or
- (2) Who receives a citation under State or local law for a moving traffic violation arising from the accident shall undergo a test for alcohol and controlled substances.

(b) (1) *Alcohol tests.* Shall be administered within two hours following the accident unless such cannot reasonably be done, and not more than eight hours following the accident.

(2) *Controlled substance tests.* Shall be administered within 32 hours following the accident.

(c) A driver who is subject to post-accident testing shall remain readily available for such testing or may be deemed by the employer to have refused to submit to testing. The driver shall be permitted to leave the immediate scene of an accident for the period necessary to obtain assistance in responding to the accident, or to obtain necessary emergency medical care, but shall otherwise remain readily available for testing.

3. **Random testing.**

(a) Drivers shall be subject to random testing. The minimum annual percentage rate for random alcohol testing should be 25 percent of the average number of driver positions, or such minimum annual percentage rate as established from time to time by the FHWA. The minimum annual percentage rate for random controlled substance testing shall be 50 percent of the average number of driver positions.

(b) The selection of drivers for random alcohol and controlled substances testing shall be made by a scientifically valid method. Under the selection process used, each driver shall have an equal chance of being tested each time selections are made.

(c) The random alcohol and controlled substances tests shall be unannounced and the dates for administering random alcohol and controlled substances tests shall be spread reasonably throughout the calendar year.

(d) Each driver who is notified of selection for random alcohol and/or controlled substances testing shall proceed to the test site immediately; provided, however, that if the driver is performing a safety-sensitive function at the time of notification, the driver shall cease to perform the safety-sensitive function and proceed to the testing site as soon as possible.

4. Reasonable suspicion testing.

(a) A driver shall submit to an alcohol test when the employer has reasonable suspicion to believe that the driver has engaged in conduct prohibited by the federal drug and alcohol testing regulations (except for possession of alcohol).

(b) Under federal law, notwithstanding the absence of a reasonable suspicion alcohol test, a driver is prohibited from reporting for duty or remaining on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol and must not perform or continue to perform safety-sensitive functions, until:

(i) An alcohol test is administered and the driver's alcohol concentration measures less than 0.02; or

(ii) Twenty-four hours have elapsed following the determination that there is reasonable suspicion to believe that the driver has violated the prohibitions concerning the use of alcohol.

5. Return-to-duty testing.

(a) Alcohol. If a driver has engaged in conduct prohibited by the federal drug and alcohol testing regulations concerning alcohol and has not been terminated, the driver shall undergo a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02.

(b) Controlled Substances. If a driver has engaged in conduct prohibited by the federal drug and alcohol testing regulations concerning controlled substances, and has not been terminated, the driver shall undergo a return-to-duty controlled substances test with a result indicating a verified negative result for controlled substances use.

6. Follow-up testing.

Following a determination that a driver is in need of assistance in resolving problems associated with alcohol misuse and/or use of controlled substances, the driver shall, if still employed, be subject to unannounced follow-up alcohol and/or controlled substances testing as directed by a substance abuse professional in accordance with the provisions of federal regulations.

Random, reasonable suspicion, and follow-up alcohol testing shall be conducted only when the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver has ceased performing safety-sensitive functions.

(F) The procedures that will be used to test for the presence of alcohol and controlled substances, to protect the employee and the integrity of the testing processes, to safeguard the validity of the test results, and to ensure that those results are attributed to the correct employee include:

The procedures outlined in 49 CFR 40, concerning procedures for Transportation Workplace Drug and Alcohol Testing Program, will be followed. This includes use of a "split sample" approach for drug testing and chain of custody procedures including documentation of screening aliquots.

(G) An employee is required to submit to alcohol and controlled substances tests administered pursuant to the federal regulations.

(H) A "refusal to submit" to an alcohol or controlled substance test includes:

Refuse to submit (to an alcohol or controlled substances test) means that a driver (1) Fails to provide adequate breath for testing without a valid medical explanation after he or she has received notice of the requirement for breath testing, (2) fails to provide adequate urine for controlled substances testing without a valid medical explanation after he or she has received notice of the requirement for urine testing, or (3) engages in conduct that clearly obstructs the

testing process. A failure to remain readily available for post-accident testing, or to notify the employer of the need for such testing, or to proceed to the test site immediately for random testing, may be deemed by the employer to constitute a refusal to submit.

The consequences for refusing to submit to an alcohol or controlled substances test are as follows: A driver who has refused to submit to a required alcohol or controlled substance test is subject to the same consequences as a driver who has tested positive on an alcohol (concentration of 0.04 or greater) or controlled substances test.

- (I) **The consequences under the federal regulations for employees who have violated the federal regulations relating to controlled substances and alcohol use and testing include:** The driver shall be removed from and not permitted to perform safety-sensitive functions. The driver shall be referred for evaluation by a substance abuse professional for a determination of what assistance, if any, the employee needs in resolving problems associated with alcohol misuse and controlled substances abuse.

Before a driver returns to duty requiring the performance of a safety-sensitive function after engaging in conduct prohibited by the federal regulations, the driver shall, if still employed, undergo a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02 if the conduct involved alcohol, or a controlled substances test with a verified negative result if the conduct involved a controlled substance.

In addition, each driver identified as needing assistance in resolving problems associated with alcohol misuse or controlled substance use, if still employed,

- (i) Shall be evaluated by a substance abuse professional to determine that the driver has properly followed any rehabilitation program prescribed, and
- (ii) Shall be subject to unannounced follow-up alcohol and controlled substances tests administered by the employer following the driver's return to duty.

The driver may also be subject to the penalty provisions of 49 U.S.C. § 521(b).

- (J) **The consequences under the federal regulations for employees found to have an alcohol concentration of 0.02 or greater but less than 0.04 include:** Removal from safety-sensitive functions for a period of not less than 24 hours following administration of the test.

- (K) **Information to assist employees in avoiding alcohol misuse and controlled substances use, signs and symptoms of an alcohol or a controlled substances problem, and available methods of intervening when such a problem is suspected.** Information will be made available by the counselor to employees upon request.

- (L) **The requirement that the following personal information collected and maintained under this part shall be reported to the Clearinghouse:**

- (i) A verified positive, adulterated, or substituted drug test result;
- (ii) An alcohol confirmation test with a concentration of 0.04 or higher;
- (iii) A refusal to submit to any test required by law;
- (iv) An employer's report of actual knowledge of:
 - (A) On duty alcohol use;
 - (B) Pre-duty alcohol use;
 - (C) Alcohol use following an accident; and

GRAND ISLAND PUBLIC SCHOOLS

(D) Controlled substance use;

(v) A substance abuse professional report of the successful completion of the return-to-duty process;

(vi) A negative return-to-duty test; and

(vii) An employer's report of completion of follow-up testing.

Any student shall also be admitted to the district upon request without paying tuition if at least one of the student's parents resides in the school district. Proof of residency or legal guardianship may be required by the school administration, and resident status may be terminated by relocation of parents or guardians outside the district.

Students shall attend the school in the attendance district in which they reside. Reassignment may be made by the superintendent or designee based on the capacity of the class, grade level, or program needed by the student.

Elementary capacities will be based upon class/program guidelines:

Pre Kindergarten:	20 students/session
Kindergarten and 1st:	19-23/class
2 nd to 3 rd :	21-25/class
4 th to 5 th :	23-27/class

Secondary capacities will be based on these guidelines:

6 th to 8 th :	27-30/class
9 th to 12 th :	27-30/class

The Board of Education reserves the right to alter capacity standards based upon unique conditions at the individual attendance centers. The above capacity standards are not meant to define individual class size or the point at which an additional classroom or teacher is required.

Capacity for Special Education and EL programs will be determined by appropriate administrative personnel and based on student number and specific needs of students participating.

Enrollment of Expelled Students

If a student has been expelled from any public school district in any state, or from a private, denominational, or parochial school in any state, and the student has not completed the terms or time period of the expulsion, the student shall not be permitted to enroll in this school district until the expulsion period from such other school has expired, unless the School Board of this school district, in its sole and absolute discretion upon a proper application, approves by a majority vote the enrollment of such student prior to expiration of the expulsion period. As a condition of enrollment, the School Board may require attendance in an alternative school, class or educational program pursuant to Nebraska law until the terms or time period of the original underlying expulsion are completed. For purposes of this policy, the term expulsion or expelled includes any removal from any school for a period in excess of twenty (20) school days.

Military Families

If a parent presents evidence to the District of military orders that the military family will be stationed in the State of Nebraska during the current or following school year, and the parent resides in or is stationed on federally owned property within the boundaries of the District, the District will enroll preliminarily the parent's students, including any such student that has an Individualized Education Plan, a 504 Plan, or otherwise receives special education services.

8340 PART TIME ENROLLMENT

Students must be enrolled in the Grand Island Public Schools on a full-time basis. Full-time basis is defined as attending classes for the full instructional day within the public school system.

Exceptions are permitted only for:

1. enrolled students attending another state accredited institution such as a vocational-technical school or a college or university for school credit;
2. enrolled students taking the limited number of credits needed to graduate in the school year;
3. enrolled students in need of modified school attendance as an accommodation for a disability or similar unique circumstance;
4. enrolled students receiving special education services where the student's IEP requires a modified schedule, or non-enrolled students receiving special education services or other legally mandated services required to be provided to eligible resident children under state and federal laws and regulations;
5. students from other school districts participating in programs offered by the District pursuant to an interlocal agreement or other arrangement approved by the School Board; and
6. non-public school students in accordance with the policies and procedures set forth in this policy.

Part-Time Enrollment of Non-Public School Students

The School Board shall allow the part-time enrollment of students who are residents of the school district and who are also enrolled in a private, denominational, or parochial school or in a school which elects pursuant to section 79-1601 not to meet accreditation or approval requirements. Such students are referred to herein as "non-public school students."

The School Board establishes the following guiding principles for enrollment of non-public school students:

- (1) The primary school for a non-public school student is the student's private, denominational, parochial or home school.
- (2) Enrollment of a non-public school student in Grand Island Public Schools is allowed for the purpose of providing enhanced educational opportunities not otherwise available to the non-public school student. It is not to supplant programming of the student's primary school.
- (3) Non-public school students are not to be given priority over full-time students.
- (4) Non-public school students are to be enrolled only in programs or courses that are educationally appropriate for the student.
- (5) Enrollment of non-public school students is not to negatively affect the educational services to be provided to full-time students.

The School Board establishes the following specific policies and procedures for enrollment of non-public school students. In the event the specific policies and procedures require interpretation or do not fully resolve an issue, the above established guiding principles are to be considered.

A. Non-Public School Student Enrollment Application Procedures.

1. Application. Parent or guardian must submit an Application of Non-Public School Student for Part-Time Enrollment to the principal of the school the student desires to attend.
2. Deadline for Applications. The application must be received by August 1st preceding the school year the student wishes to enroll.
 - a. Change of Residence Exception: The application deadline for a student who becomes a resident of the District after the school year has commenced is: 20 calendar days after the student becomes a resident of the District. The principal may delay enrollment until the next following quarter or semester starts, or at such other time as determined to be

- educationally appropriate.
- b. High School Course Exception: The application deadline for a student who desires to enroll in a second semester high school course is December 1st.
3. Action on Applications. The principal will review the application and will notify the parent of the approval or denial of the application within 2 weeks of receipt of the application or 2 weeks prior to the start of school or 2 weeks prior to the start of the next semester, whichever is later.
4. Appeals. The parent or guardian may appeal the principal's action to deny their application. Any such appeal must be submitted to the Superintendent within 14 calendar days from the date of the principal's action. The appeal shall be in writing and shall be decided on the basis of the written submission. The Superintendent may request the parent or guardian to provide further explanation or information and the appeal may be denied in the event the parent or guardian fails to fully respond on a timely basis. The Superintendent shall decide the appeal within 10 calendar days of the submission of the appeal. The Superintendent may make a decision later than the 10 days in the event good reason for delay exists. Good reason includes but is not limited to the Superintendent being unable to gather the information the Superintendent determines necessary to make the decision within the decision period.
5. Annual Applications. Part-time enrollment is determined annually. Application must be made each school year. There will be no guarantee that enrollment will be continued from one year to the next.

B. Non-Public School Student Admission

1. Admission Requirements. Students must meet the normal admission requirements. This includes the requirements that the student: be a resident of the District, be of school attendance age and not have graduated or have received a GED.
2. Admission Process. Students must complete the normal enrollment process and forms required by the District and/or the building for enrollment of all children. This includes the requirements relating to: birth certificates, immunizations, physical examinations, and visual evaluations.

C. Non-Public School Student Enrollment Standards

1. Maximum Enrollment. Students may not enroll in more than 2 middle school or high school courses during any one semester. Elementary students may not enroll in programming of greater than 90 minutes of instruction each day.
2. Capacity Limits. Enrollment will ordinarily be subject to capacity limits. Any grade level, program, or course which has been determined to be at capacity for option enrollment purposes will ordinarily not be available for non-public school students.
3. Integrated Courses. Students must meet prerequisite requirements to be enrolled in a course by appropriate credits earned through an accredited program. The principal may on a discretionary basis allow prerequisite requirements to be satisfied where the student provides reasonable indications that the academic criteria have been met, such as results from achievement tests or other indications of adequate preparation.

GRAND ISLAND PUBLIC SCHOOLS

4. Educationally Appropriate Programs and Courses. Students will not be allowed to enroll in programs or courses which the school administration determines to not be educationally appropriate for the student. Determination of whether a program or course is educationally appropriate will be made based on the standards the District uses for making academic placement decisions.
5. Selection of Courses. Subject to Paragraphs 1 through 4 of this Paragraph C, and all other applicable provisions of this Policy, Non-public school students may select their courses.

D. Non-Public School Student Policies

1. General Standard. Non-public school students who are enrolled part-time are to be subject to the same standards as full-time enrolled students except where appropriate to reflect their part-time status.
2. Building assignment. Students must enroll in the attendance center that serves the student's residence, provided that the administration reserves the authority to make a different attendance center assignment. A student may request assignment to an attendance center other than that of the student's residence under the intra-district transfer procedures.
3. No Partial Part-Time Enrollment. Students must apply for enrollment and attend the entire school year for which enrollment is made or, for high school courses, for the full length of the course. Once enrolled, part-time students will be required to participate in all activities, programs, and tests related to the program or course for which the student is enrolled, including as applicable State or District-wide assessments, as full-time students.
4. Student Conduct Policies. Students enrolled on a part-time basis shall be required to follow all school policies that apply to other students at any time the part-time student is present on school grounds or at a school-sponsored activity or athletic event. This includes the District's student conduct policies. Students enrolled on a part-time basis shall be subject to discipline, including suspension or expulsion, for violation of student conduct rules.
5. Attendance. Students enrolled on a part-time basis are not exempt from the compulsory attendance laws or from the District's attendance policies. Students who engage in excessive absenteeism as defined in Board policy are to be reported under the truancy laws.
6. Presence on School Grounds. Students enrolled on a part-time basis are to be present on school grounds during the school day only at the times required for their attendance in the program or course in which they are enrolled. Exceptions may be made in the discretion of the principal or the principal's designee. Students must sign in and out of the school by following the building level procedure. Students are responsible for being aware of any changes in the school schedule during inclement weather or for other reasons.
7. Transportation. Students enrolled on a part-time basis are not entitled to transportation or transportation reimbursement, unless otherwise required by law. Full-time students will be given first consideration for parking on the high school campus.
8. Academic Honors. Students enrolled on a part-time basis will not be eligible to graduate or receive a diploma from the District or receive academic honors (for

example, class rank and honor roll) except to the extent the student meets all requirements of the District's policies for such, including attainment of minimum credits and semesters of attendance.

9. Extracurricular Activities. Any student who is a resident of the District and who is enrolled in a school which elects pursuant to section 79-1601 not to meet accreditation or approval requirements may participate in any of the District's extracurricular activity programs to the same extent and subject to the same requirements, conditions, and procedures as a full-time student in the District. **Non-resident students may only be admitted on a part-time basis or permitted to participate in a school-sponsored extracurricular activity when required by law.** The District's Activities Director will coordinate with the student's parent or guardian to secure assurances of compliance with these expectations. Any student covered by this subsection must enroll in five credit hours through the District in **any the semester in which the student participates in an extracurricular activity.** There shall be no preference given to any student participating in any extracurricular activity based off their status as a full-time or part-time student. Part-time students will be expected to comply with the same or similar expectations as full-time students to participate in any activity, including team rules. Participation in activities that are subject to the bylaws of the Nebraska School Activities Association (NSAA) will be limited to those students who meet the NSAA bylaws.

8430 STUDENT ~~APPEARANCE~~ DRESS CODE AND GROOMING

~~The~~ Grand Island Public School District is dedicated to celebrating the diverse racial and religious backgrounds of our students. The school district supports students' rights to express themselves through their attire. The purpose of this policy is to facilitate and encourage an inclusive and positive learning environment while complying with any applicable health and safety law, rule, regulations or ordinance.

~~The~~ Grand Island Public Schools endorses the concept that appropriate school attire is conducive to a learning atmosphere. The responsibility for the appearance of the students in the Grand Island Public Schools rests with the parents and students. Apparel must comply with the health and safety codes and not interfere with the educational process. Apparel will be tolerated only to the point of compromising safety or, based on the training and expertise of district officials, communicating an intimidating, hostile, threatening, obscene, or similar detriment to the educational environment or rights of other students to receive their education, including when any apparel causes or is reasonably likely to cause a material and substantial disruption. Apparel that advocates tolerance for or advertises controlled or illegal products or substances, promotes gang-related affiliation or activity, or in any other way causes or is likely to cause disruption will not be permitted unless required by law. This policy applies to student appearance during the school day and to after school events when disruptive to the event. The Superintendent designates the building administrator, teacher, coach, and/or sponsor to address any disruption to the school or event environment concerning appropriate apparel during school and before/after school events.

Grand Island Public Schools attire guidelines exist to recognize that our schools and community partners require a more respectful attire than what is sometimes worn ~~on social media and in the community~~ outside of Grand Island Public Schools. ~~These guidelines are also created to allow students to honor cultural and religious holdings.~~ Respectful guidelines include but are not limited to:

- All students must be covered from mid-thigh to top of chest in clothing that covers all undergarments.
- Items that cover the head, neck, or face are not permitted - other than district required mask, approved religious attire, or protective hair coverings. ~~specific to policy 8455~~
- For grades 6-12, school issued ID must be made visible on the upper torso
- ~~Students are allowed to wear religious attire, adornments, and other attire associated with race, national origin or religion, or tribal regalia. Additionally, students' hair should not be permanently or temporarily altered by school personnel.~~
- ~~Students are permitted to wear natural and protective hairstyles (which could include but are not limited to braids, locks, twists, tight coils or curls, cornrows, Bantu knots, afros, weaves, wigs, or head wraps).~~
- ~~Students are allowed to wear religious attire and tribal regalia in accordance with their race, national origin, or religion.~~
- ~~The school bullying policy remains in effect and should be consulted where clothing or attire may be an issue.~~
- ~~Attire should not promote violence, drugs, alcohol, profanity, or hate speech. The District reserves the right to request immediate attire changes from students.~~

All students, parents, and staff are responsible for implementation of the attire guidelines in Grand Island Public Schools. Students violating the attire guidelines will be asked to change their clothing before continuing in school. Students participating in extracurricular activities will follow coach or sponsor clothing guidelines.

If a student violates the policy ~~on a repeated basis (3 or more violations),~~ the student shall be subject to such consequences as ~~are~~ determined ~~to be appropriate~~ by the school administrator(s) in light of the particular situation. ~~Consequences may include, but are not limited to, detention, in-school suspension, out-of-school suspension, and expulsion.~~

8450 STUDENT DISCIPLINE

Realizing that appropriate discipline varies from situation to situation, ~~the~~ Grand Island Public Schools recognizes that discipline in the school is extremely important to the school program. Discipline should be positive rather than negative in nature. Discipline should foster student growth while assuring an acceptable environment in which to learn. Discipline should be considered a means of teaching and as such disciplinary efforts should be as positive as is practical. Giving credit or recognition for appropriate behavior, setting appropriate examples for students, application of conditions for learning, counseling, and involvement of parents are to be expected. Measures such as exclusion from classes or from the educational setting are to be used only as last alternatives.

Any disciplinary action will be applied fairly and consistently regardless of race, color, religion, national origin, ethnicity, age, sex or gender, sexual orientation, disability, pregnancy, childbirth or related medical condition, marital status or other prohibited status. Disciplinary action will not conflict with provisions of the Individuals with Disabilities Education Act (IDEA).

8450.1 Administrative Guidelines for 8450

The following is a table describing possible offenses, legal and policy references, and a range of possible consequences. This information should be used as guidance in making decisions with regard to disciplinary actions. This list is not all inclusive and infractions that are indicated might be interpreted in a wide variety of ways. The goal of the table is to provide a measure of consistency in application of consequences from incident to incident and from administrator to administrator. Each infraction carries a minimal consequence for a first and/or minor violation. The maximal consequence should be applied only when the severity or frequency of the violations warrant such application. All behavior incidents must be documented and coded appropriately in the GIPS student information system. All schools in GIPS will follow the GIPS Threat Assessment Guidance and Protocols. Further guidance may be provided by referring to Grand Island School Board Policies 8453–*Student Suspension, Expulsion, and Mandatory Reassignment* and 8470–*Weapons in School*.

8452 BEHAVIORAL INTERVENTION & CLASSROOM MANAGEMENT

I. PURPOSE:

Grand Island Public Schools is committed to creating a learning environment where every individual is valued, respected, and supported. Grounded in Nebr. Rev. Stat. 79-262.01, this policy emphasizes the shared responsibility of individuals for their actions and their ability to learn, grow, and thrive. It provides a framework for encouraging positive behavior, addressing challenges in a caring and constructive way, and ensuring safe and supportive school and classroom environments.

II. GENERAL PRINCIPLES

As part of the school district commitment, the district is implementing a tiered system of support to foster a positive school climate and culture, encourage appropriate student behavior, and provide the necessary supports for academic and behavioral success. This approach is guided by Sound Infrastructure and Shared Leadership, Layered Continuum of Support, Data-Based Decision-Making and Communication and Collaboration. This policy does not replace the Student Discipline Act when behaviors warrant action under that Act.

III. STANDARDS

Tier 1: Universal Supports			
	District Level	School Level	Classroom Level
Sound Infrastructure & Shared leadership	Develop and maintain a district-wide behavior framework, ensuring alignment with the district's vision and goals. Establish a leadership team to oversee implementation and sustainability.	Create school-level leadership teams to implement the district behavior framework. Build systems to support staff in consistent implementation of universal behavior strategies.	Teachers set up clear, consistent behavior expectations aligned with school and district policies. Classroom routines and physical environments are structured to promote positive behaviors.
Layered Continuum of Support	Ensure all schools have access to evidence-based universal behavior practices and instructional tools for promoting positive behavior.	Develop a school-wide plan for teaching and reinforcing positive behavior expectations for all students.	Integrate the development of emotional and interpersonal skills into daily instruction and explicitly teach expected behaviors.
Data-Based Decision-Making	Implement a district-wide behavior data system for tracking student behavioral incidents, attendance, and other indicators of behavior. Analyze district trends to guide support for schools.	Use behavioral data to assess school culture, climate and adjust universal supports.	Collect and reflect on classroom behavior data to identify patterns or unanticipated signs of distress and adjust teaching practices as needed.
Communication and Collaboration	Share district-wide behavior policies, expectations, and data with all stakeholders, including families and the community.	Develop intervention teams to identify students in need of Tier 2 support and manage their plans.	Teachers collaborate with intervention teams to integrate targeted strategies into the classroom.
Tier 2: Targeted Supports			
	District Level	School Level	Classroom Level

GRAND ISLAND PUBLIC SCHOOLS

Sound Infrastructure & Shared leadership	Provide a menu of evidence-based Tier 2 intervention and training for implementation.	Develop intervention teams to identify students in need of Tier 2 support and manage their plans.	Teachers collaborate with intervention teams to integrate targeted strategies into the classroom that align with school and district policies.
Layered Continuum of Support	Allocate resources to support targeted interventions, such as additional staff or training for small group supports.	Implement interventions such as mentoring programs, social skills groups, or targeted behavior coaching.	Provide additional supports like daily progress monitoring, structured break.
Data-Based Decision-Making	Use district-wide systems to track the effectiveness of Tier 2 interventions and adjust as needed.	Monitor progress using behavior data: point sheets, observations, or student self-assessments and input data in district-wide systems.	Document daily data on student progress to evaluate the impact of interventions.
Communication and Collaboration	Facilitate communication between schools, families, and community partners about available Tier 2 supports.	Engage families in the intervention process by providing regular updates and involving them in problem solving and goal setting.	Maintain open lines of communication with families about their child's progress and strategies to promote support the behavior goals at home
Tier 3: Intensive, Individualized Supports			
	District Level	School Level	Classroom Level
Sound Infrastructure & Shared leadership	Ensure access to specialized staff to design and oversee intensive interventions.	Assemble a multidisciplinary team to develop and implement Functional Behavioral Assessments (FBAs) and Behavior Intervention Plans (BIPs).	Collaborate with specialists to integrate individualized supports into classroom routines that align with school and district policies.
Layered Continuum of Support	Coordinate external services and resources for students requiring wraparound support beyond the school.	Provide interventions or sessions tailored to the student's unique needs and communicate with external services and resources to align supports for students.	Consistently implement accommodations and modifications, such as sensory supports or de-escalation plans, to address individual behaviors.
Data-Based Decision-Making	Regularly review data on Tier 3 interventions and outcomes to ensure its effectiveness.	Use detailed, frequent data collection to refine and adjust BIPs based on student progress.	Implement daily monitoring and adjust individualized strategies as data indicates.
Communication and Collaboration	Partner with community agencies to align supports for students with complex needs.	Conduct regular meetings with families to review and revise plans based on student progress.	Provide ongoing feedback to families and specialists about the student's daily performance, progress, and needs.

IV. ADDRESSING DYSREGULATED BEHAVIOR AND CLASSROOM REMOVAL:

This policy provides a structured approach for managing dysregulated behavior that disrupts the learning environment or poses safety concerns. The aim is to ensure the safety and well-being of all students and staff while supporting the student in developing self-regulation skills and reintegrating into the classroom.

1. **Criteria for Removal**
 - a. **Safety Concerns:** Immediate removal may occur if a student poses a threat to their own safety, the safety of others, or the environment.
 - b. **Disruption to Learning:** Removal may be necessary if the student's behavior significantly disrupts instruction or the learning environment.
 - c. **Attempted Interventions:** Whenever possible, staff should use de-escalation techniques, behavior redirection, or other Tier 1 or Tier 2 interventions before considering removal. Severe behaviors that endanger safety may bypass prior interventions.
2. **Procedure for Removal**
 - a. **Behavior Documentation:** The teacher or staff member documents the behavior leading to the removal, including antecedents, attempted interventions, and the incident itself. A clear, objective description of the behavior is essential.
 - b. **Safe Transition:** The student is escorted to a designated safe space, such as the office or a designated calming area, by trained personnel. Efforts are made to ensure the student remains calm and safe during the transition.
 - c. **Notification:** Parents/guardians are notified as soon as possible about the removal. A detailed account of the behavior and any interventions attempted are shared.
3. **Post-Removal Actions**
 - a. **Restorative Meeting:** A meeting involving the student, parents/guardians, teacher, and administrator is scheduled to review the behavior, its impact, and steps to prevent recurrence. The meeting emphasizes restoring relationships and understanding the root cause of the behavior.
 - b. **Behavior Support Plan (if needed):** For recurring incidents, a behavior support plan is developed or reviewed, including targeted interventions and supports aligned with the student's needs. The plan may include strategies such as check-ins, mentoring, or additional behavioral learning supports.
4. **Transition Back to the Classroom**
 - a. **Reintegration Plan:** The student returns to the classroom with appropriate support, which may include a reintegration checklist, a designated buddy, or frequent check-ins with a trusted adult. Expectations and routines are explicitly reviewed with the student.
 - b. **Ongoing Support and Monitoring:** Follow-up meetings with the student, teacher, and parents/guardians are scheduled to evaluate progress. Data from behavior observations are used to adjust interventions and supports as needed.
 - c. **Focus on Positive Growth:** A strengths-based approach is applied to recognize and reinforce improvements in behavior.

V. COMMUNICATION & COLLABORATION

- **Family Engagement:** Families are seen as partners in addressing the student's behavior and supporting reintegration. Schools provide clear and transparent communication about the incident, the plan for return, and available resources.
- **Interdisciplinary Team Support:** Collaboration between general education, special education, school psychologist, behavior specialists, school counselors, and social workers ensures all supports align with the student's needs and strengths.

VI. REQUIRED BEHAVIORAL AWARENESS AND INTERVENTION TRAINING:

- A. Grand Island Public Schools, independently or through the educational service unit, will develop and provide behavioral awareness and intervention training to employees with behavioral management responsibilities.
- B. Such training must be consistent with the model policy developed by the State Department of Education.
- C. Behavioral awareness and intervention training must be provided by the school district or the educational service unit to which the school district belongs.

GRAND ISLAND PUBLIC SCHOOLS

- D. The length of such training will be at least 1 hour every three years.
- E. Behavioral awareness training must include, but not be limited to, evidence-based training on a continuum that includes:
 - 1. Recognition of detrimental factors impacting student behavior, including, but not limited to, signs of trauma.
 - 2. Positive behavior supports and proactive teaching strategies, including, but not limited to, expectations and boundaries.
 - 3. Verbal intervention and de-escalation techniques.
 - 4. Access to a registry of local mental health and counseling resources.
 - 5. Incorporation of the requirements for the Behavioral Awareness Point of Contact (BAPC) in accordance with 79-3603 that includes:
 - a. Each school building must designate one or more school employees as a BAPC.
 - b. Each BAPC must have knowledge of community services providers and other resources available for students and families.
 - c. Each BAPC must coordinate access to support services for students; and
 - d. The school district must indicate BAPC for such school district on the website of the school district and in any school directory of the school that BAPC serves.
 - e. Each employee with behavior management responsibilities must complete the behavioral awareness and intervention training during the 2026-27 school year or during the first year of employment with the district.

VII. MONITORING AND REVIEW:

The school district regularly reviews and updates this policy to ensure its effectiveness and compliance with 79-262.01. Feedback from students, parents, staff, and administrators are considered in the review process.

This policy must be included with any notifications required under the Student Discipline Act.

8650 PARTICIPATION IN EXTRA-CURRICULAR ACTIVITIES

Participation in extra-curricular activities is a privilege extended to students by ~~the~~ Grand Island Public Schools. This participation is open to all students and shall be governed by the rules and regulations of the Nebraska Schools Activities Association. ~~The Superintendent or designee shall, as required by law, designate each school-sponsored interscholastic athletic team or sport as either: (1) boys; (2) girls; or (3) mixed.~~

Students in kindergarten through sixth grade may not participate in athletic contests between schools within a school system or between school systems. Annual field or play days are excluded from this restriction.

The primary mission and responsibility for each student is to establish a firm academic foundation. A student participating in extracurricular school activities must demonstrate evidence of sincere effort toward scholastic achievement.

Students in seventh and eighth grades may participate in interscholastic competitions subject to and in a manner consistent with the bylaws of the Nebraska School Activities Association (NSAA).

Students in high school must be enrolled in at least 20 credit hours in the semester of participation and have passed at least 20 semester hours the previous semester, as per NSAA rules.

All rules regarding participation in extra-curricular activities, clubs, and not sanctioned activities will be included in the Student/Parent Handbook. In the event any restrictions of participation develop, the procedures utilized will follow appropriate constraints of procedural due process.

8650.1 Participation in Activities Guidelines

The Grand Island Public Schools (GIPS) hold students involved in activities to a higher standard, as they represent not only themselves, but their school and community. GIPS expects all athletes and activity participants to be drug, alcohol, and tobacco free, and to understand that it is a privilege to be involved in school activities. The following applies to all school activity participants.

A lifestyle free from the influence of drugs and alcohol is a responsible and healthy choice. Decisions related to this issue are extremely important and do have a direct correlation with student success. Students, parents, and the school all share responsibilities in the development of these important student choices. The Grand Island Public Schools continue to endorse and support a lifestyle for students that is free from the influence of alcohol, drugs, and tobacco. When students choose to use alcohol, drugs, and/or tobacco, their levels of performance are diminished. GIPS has established rules and consequences, with an emphasis on a program of education and support to foster a chemical-free lifestyle.

Procedure for Rule Violation

The student shall not be involved with drugs, alcohol, or tobacco. Whenever a student is representing GISH in an activity, a student shall not, regardless of quantity, use, consume, or have in their possession, drugs, alcohol, or tobacco (with exceptions as outlined by state statutes 53-168.06, 53-180.2). Students shall not buy, sell, or give away drug, alcohol, or tobacco products, or look-alikes. It is not a violation for a student to be in possession of or use a controlled substance specifically prescribed for the student by their doctor. Consequences will be documented regardless of the student's attendance center. Methods for verification of rule violation include: a) Ticketed by the police for drug/alcohol/tobacco related offense; b) Admission by the student involved; c) Violation witnessed by school personnel; d) Other evidence that the rule violation took place.

In the event that this policy is violated, the following process shall be initiated:

- 1) The student shall be notified of the alleged rule violation in a meeting with school officials. At that meeting, the student and the school officials will discuss the details of the alleged violation, and the ensuing consequences. The student shall have an opportunity to present information related to the incident. A student who "self-reports" will have an impact on consequences.
- 2) Parents of the student shall also be notified of the violation and consequences. School officials will summarize the details related to the incident and then advise the student and parents of the action that will be taken.
- 3) The student and parents shall be afforded full opportunity to make any statements or request explanations related to the incident.
- 4) The building principal shall issue a consequence.
- 5) This decision is final and binding on all parties. Appeals to the decision remain at the building administrative level.

After confirmation of the violation, in addition to established state statutes and local school policies, the student shall be required to receive support from a school approved drug/alcohol/tobacco support program and may be suspended from all school activities for a specified number of school calendar days starting from the date of the confirmation. Students involved in a school-sponsored activity will be required to attend and participate in all practice sessions during the time of suspension. They may also be required to attend, but not participate, at a scheduled performance/event.

Consequences

Consequences for drug, alcohol, and tobacco violations are as follows:

First Violation – A five (5) day or less suspension from school activities. In addition, the student will be required to attend and complete an educational program endorsed by the school;

Second Violation – A seven (7) day or less suspension from school activities. In addition, the student will be required to show evidence that they have received counseling from a professional outside of the school (i.e. Central Nebraska Council on Alcohol and Addictions, drug and alcohol counselor, psychiatrist, psychologist, etc.). The school may require the student to participate in a drug/alcohol evaluation before they can participate in an activity;

Third Violation – Fourteen (14) day or less suspension from school activities and the student will be required to complete a professional evaluation and program for chemical dependency. Verification of completion of the chemical dependency treatment program must be provided in writing by the director or counselor of the chemical dependency program prior to reinstatement of the student.

In the third paragraph, Change to: Our district's goal is to strive for 90% of our students in Grand Island Public Schools to be present 95% of the school days. The district supports all students and families as they work through various challenges that make attending school difficult at times and ask families to take advantage of these supports and be part of the process.

Students who accumulate 17 absences not listed as Exempt are deemed as “Chronically Absent.” Students who accumulate Twenty (20) absences not listed as Exempt shall be deemed to have “Excessive Absences.” After a fifth absence, school staff will communicate with families about the importance of attending school regularly and employ various strategies to ensure student needs are being addressed. After the tenth absence, the school shall render all services in its power to compel the student's attendance. These services include but are not limited to the following:...

Later down the page, change the paragraph to the following:

The school may report to the county attorney of the county in which the person having control of the student resides when the school has documented the efforts to address excessive absences and/or excessive tardies, the collaborative plan to reduce barriers identified to improve regular attendance has not been successful, and the student has accumulated more than twenty (20) absences per school year or tardies adding up to twenty (20) absences. The school shall notify the child's family in writing prior to referring the child to the county attorney. Illness (including physical or mental illness) with appropriate documentation that makes attendance impossible or impracticable shall not be the basis for referral to the county attorney. A report to the county attorney may also be made when a student otherwise accrues excessive absences as herein defined.

Page 26-Forms of School Discipline

Add on the top of the existing language:

Realizing that appropriate discipline varies from situation to situation, Grand Island Public Schools recognizes that discipline in the school is extremely important to the school program. Discipline should be positive rather than negative in nature. Discipline should foster student growth while assuring an acceptable environment in which to learn. Discipline should be considered a means of teaching and as such disciplinary efforts should be as positive as is practical. Giving credit or recognition for appropriate behavior, setting appropriate examples for students, application of conditions for learning, counseling, and involvement of parents are to be expected. Measures such as exclusion from classes or from the educational setting are to be used only as last alternatives.

Any disciplinary action will be applied fairly and consistently regardless of race, color, religion, national origin, ethnicity, age, sex or gender, sexual orientation, disability, pregnancy, childbirth or related medical condition, marital status or other prohibited status. Disciplinary action will not conflict with provisions of the Individuals with Disabilities Education Act (IDEA).

Page 38 Electronic Device Voluntary Protection Plan

The implementation of laptops and other electronic devices as a learning resource represents a huge financial commitment on the part of the district. Similar to any school property, students are financially responsible for any damages to their electronic device. In order to provide end-user protection and peace of mind, GIPS is offering a voluntary electronic device protection plan. If you choose to enroll, the financial burden of accidental damage or theft will be lessened.

The cost of the GIPS Device Protection Plan is \$10.00 and covers accidental damage and theft of your student's school issued laptop with a sliding deductible per each incident.

This year we are using our new payment system, MySchoolBucks, to provide you with a way to purchase the GIPS Device Protection Plan described on page 36 of the [Student Handbook](#).

While the Device Protection Plan is not required, the plan is designed to offset additional financial burden to you — our families — in case of any device damage.

For parents and staff members who use a personal email account in Synergy ParentVUE:

1. Login to ParentVUE, Select “Fine” on the left navigation.
2. If there are any fines listed, click the button labeled “Pay Fees.”
3. You will be signed into MySchoolBucks and will need to accept terms and conditions, and provide some account information.
4. Your account should automatically link your students through this process. If it does not, you can add your students manually by clicking Add Student on the left hand side.
5. From there, review outstanding invoices, add them to the cart and checkout.

Cost for Protection Plan:

The protection plan works on a yearly fee with a per-incident deductible:

GIPS Student 1 to 1 device:

Yearly Enrollment Cost = \$10

1st Incident Deductible = \$20

2nd Incident Deductible = \$40

3rd Incident Deductible = \$60

Protection plan enrollment cost and deductibles will be adjusted as needed on an annual basis. Students can enroll in the voluntary protection plan by visiting the Grand Island Senior High, Middle School Media Center, or the elementary school office. The plan is designed for 6-12 grade students, but can include students in any grade level who are taking the device home. If the student is enrolled in Virtual School at any grade level, it is highly encouraged that they participate in the plan. If there is an issue, the student should bring the device to the Media Center immediately to get a replacement while the device is being repaired, or contact the school’s Technology Assistant for assistance.

1. Welcome Back and our Teacher of the Year awards

August 6, 2025 we will be celebrating Welcome Back and Teacher of the Year Awards. One of the Foundations favorite Program is Teacher of the Year. This past school year we asked for nominations to celebrate Teachers, staff and Administration. Ask and you shall receive. We received over 2000 PLUS nominations. That is 487 different individuals

A committee of community volunteers were tasked to read through all 2000 PLUS nominations and select one person from each of our six categories. Every year the volunteers find this task to be extremely difficult. They know that so many deserve this award, but they can only choose one per category.

Those selected 5 teachers and Staff Members will receive a certificate and a check for \$500.00.

The recipient of the Administrator Award will receive a certificate and \$1,000 of extra building or department budget authority for their administrative area.

Thank you to First National Bank of Omaha has generously sponsored our Teacher of the Year Awards for 21 years.
