A number of campuses in the District have been experiencing issues with their fire control panels. Some issues include repeated false alarms and the fire panels being in alarm for extended periods of time. The contractor we use to address fire panel and fire alarm issues has stated that it is time to begin replacing the some of the older panels and sensors as they are reaching end of life and replacement parts are either in very limited supply or no longer available. The campus with the most urgent need is C.R. Clements/Hollie Parsons Elementary School. Mr. Richard Brown, CCISD Director of Maintenance, has been reaching out to vendors who have the ability to replace the panels, wiring and sensors. The recommended vendor is Firetrol Protection Systems.

EOP Summary Document October 8, 2024

Because most of the contents of the Emergency Operations Plan (EOP) are not subject to disclosure under the Texas Public Information Act, Copperas Cove ISD has published this summary document relating to the district's EOP to allow the public access to information required by law.

1. **Plan Development** – CCISD has a District Emergency Operation Plan in place each school year, including the 2024-2025 school year. Included in plan development and review are members of the community, parents, CCISD staff, law enforcement, and city emergency management staff. The Department of State Health Services was consulted for portions of the plan as well. Each campus and facility have a plan unique to their campus.
2. **Plan Review** – The CCISD EOP was reviewed by the Safety and Security Committee on September 27, 2024. The committee updated the EOP to be aligned with the Texas School Safety Center templates and added the Cybersecurity annex. The School Safety and Security Committee (SSSC) recommended the Board of Trustees adopt the plan during the October 8, 2024, board meeting.
3. The CCISD EOP incorporates all five phases of emergency management throughout the document. The five phases are **Prevention, Mitigation, Preparedness, Response, and Recovery**.
4. All CCISD employees and substitute teachers are trained to respond to an emergency based on the plan for their campus or facility. Training covers all aspects of the CCISD and Campus Emergency Operation Plans, including **lockdowns, secure (lockout), holds, shelter, evacuations, train derailments, reunification, communications, visitor procedures, weapons on school grounds, and active threats**. Training is provided by the district emergency management coordinators and the designated campus emergency coordinators.
5. Mandatory emergency drills are performed on each campus according to the following schedule:
 - a. **Fire Drills** – Once per month in any month that has more than 10 school days.
 - b. **Shelter Drills** – One drill per semester, scheduled near the beginning of each semester.
 - c. **Lockdown Drills** – One drill per semester, scheduled near the beginning of each semester.
 - d. **Hold Drills** – One drill per semester, scheduled near the beginning of each semester.
 - e. Other drills or additional drills as deemed necessary by campuses.
 - f. The drill schedule for each campus is included in the campus-specific Emergency Operation Plan that is unique to each campus.
6. Included in the District Emergency Operation Plan and each campus-specific plan are Train Derailment procedures. All campuses and facilities in CCISD that are within 1000 yards of the railroad tracks are required to incorporate this into their plan.
7. The District has included in all Emergency Operations Plans visitor policies and procedures, including single points of entry, registered sex offenders, and requirements for entry to district facilities.

October 2024

Article I: Authority

Mission

Support the development and consistent implementation across the district for safety and security best practices and policies. Activities may include, but not limited to:

- Reviewing and/or supplying information for all reports required to follow state law or submitted to the TxSSC, and as requested by administration, including the safety and security audit report.
- Reviewing and providing recommendations to district administration for the district's Emergency Operations Plan.
- Consulting with Copperas Cove Police Department on methods to ensure effective presence of and collaboration with law enforcement presence near district campuses.
- Providing a forum for CCISD stakeholders to express feedback about effectiveness and the impact of current safety and security policies on the educational mission of CCISD.
- Striving to use all available information to continuously improve district policies and practices that ensure safety and security while supporting CCISD's educational mission and complying with all applicable law and regulatory guidelines.

Section One

Establishment. Under provisions of Section 37.109 of the Texas Education Code, and district policy CK(Legal), the School Safety and Security Committee (SSSC) is established by the Board of Trustees (the Board). The Board delegates to the Superintendent to designate an appropriate staff member to serve as the SSSC Director (the Director).

Section Two

Limitations. The SSSC shall serve strictly as an advisory body at the will of the Board. Any SSSC recommendations to the Board of Trustees must go through the Superintendent. The SSSC shall have no power to expend public funds, enter contracts, or otherwise place obligation or liability upon the district.

Section Three

Bylaws. It shall be the responsibility of the Assistant Superintendent for Operations and Support, in consultation with the Superintendent, to establish and amend the bylaws. The SSSC shall observe the bylaws.

Article II: Responsibilities

The responsibilities of the SSSC shall include, but are not limited to:

- Developing and implementing emergency plans, consistent with the district multi-hazard emergency operations plan, to ensure that specific needs are addressed.
- Periodically providing recommendations to the Superintendent and Board regarding updating the district multi-hazard emergency operations plan, in accordance with established best practices.
- Providing the district with any campus, facility, or support services information required in connection with safety and security audit or other reports.
- Reviewing each report required to be submitted by the district to the Texas School Safety Center to ensure that the report contains accurate and complete information regarding each campus, facility, and support services in accordance with established criteria.
- Consulting with local law enforcement agencies on methods to increase law enforcement presence near district campuses.

Article III: Meetings

Section One

Regular Meetings. The SSSC shall conduct a minimum of three regular meetings annually: one meeting in each semester, and one meeting during the summer. The Director and Assistant Superintendent shall determine the regular meeting schedule. The regular meeting schedule shall be placed on the SSSC website. The regular meeting schedule may be revised as necessary by the Director of Safety and Security (the Director) or the Assistant Superintendent for Operations and Support (the Assistant Superintendent). If necessary, the Director and Assistant Superintendent may cancel a regular meeting, with good cause (i.e., inclement weather or other adverse conditions), and determine if the meeting should be rescheduled. Members shall be given the reason for meeting cancellations and be given sufficient notice of cancelled or rescheduled meetings.

Section Two

Subcommittees. The Director and Assistant Superintendent may establish subcommittees of the SSSC from time to time on any matter as deemed necessary or appropriate. Subcommittees may not constitute a quorum of the SSSC. The Director and Assistant Superintendent shall determine whether subcommittee meetings are open to the public (if they are open to the public, meetings must be posted under provisions of Section Eight of this Article). The Director and Assistant Superintendent may select a SSSC member to serve as the chair of a subcommittee. Unless otherwise directed by the Director and Assistant Superintendent, subcommittees shall meet at the discretion of the subcommittees. Subcommittees are not required to have a regular meeting schedule. Subcommittees shall report findings or recommendations to the

SSSC through the Director. Unless otherwise directed by the Director and Assistant Superintendent, subcommittees are not required to take minutes of meetings.

Section Three

Open Meetings. All regular and other fully constituted meetings of the SSSC shall be open to the public, and the public shall have a reasonable opportunity to provide comment. The time given to speakers will be no more than five (5) minutes.

Section Four

Quorum. For regular meetings of the SSSC, a quorum shall be a simple majority of the current membership (vacancies do not count toward a quorum). Each department will identify a representative to serve as part of the quorum of the committee. If a department representative is not available to attend a scheduled meeting, he/she may send someone from their department to serve on the committee. This representative will be a voting member for the department. Meetings may still be held without a quorum for purposes of presentations or discussion. However, no actions or voting may take place without a quorum.

Section Five

Attendance. Member attendance shall be monitored by the Director, who shall work with members to try and resolve any attendance problems. More than three unexcused absences within a one-year period may result in dismissal by the Director. Excused absences include, but are not limited to, personal or family illness, emergency situations, jury or military duty, or mandatory employment duty. It shall be the responsibility of members to report excused absences to the Director, and the Director shall record excused absences. In cases of numerous excused absences or long-term absence, the Director shall consider the factors in each individual case and determine whether continued service on the SSSC is practicable.

Section Six

Virtual Attendance. Members may virtually participate in meetings, including voting, through various means, to the extent they are readily available to the Director. Virtual attendance shall count as actual attendance for purposes of determining a quorum. Virtual attendance shall also be noted in the minutes of the meeting. Virtual attendance should be reserved for rare instances and should not be used as a routine form of participation.

Section Seven

Decision-Making. Members shall attempt to reach decisions by consensus. However, if a clear consensus cannot be obtained, decisions shall be reached by a majority vote. Proxy voting shall not be permitted.

Section Eight

Agendas. Agendas shall be prepared for all regular meetings and posted on the SSSC website and at the CCISD central office at least 72 hours in advance of meetings. Agenda items shall normally be determined by the Director and Assistant Superintendent. However, a majority of the SSSC may place an item on a future agenda.

Section Nine

Minutes. Minutes shall be kept for all regular meetings and other fully constituted meetings. Minutes may be kept for subcommittees at the direction of the Director and Assistant Superintendent. Minutes are records of meeting highlights and are not intended to provide a high level of detail. At a minimum, minutes shall include attendance of members, staff, and visitors; the time the meeting was called to order and adjourned; the outcome of any votes or other actions; and a brief synopsis of the meeting proceedings. Minutes for regular meetings and other fully constituted meetings shall be approved by the SSSC and posted on the SSSC website.

Article IV: Membership

Section One

Restrictions. The following restrictions apply to the SSSC membership:

1. Parent members must be a custodial parent or guardian of a student currently enrolled in the district. Parents may not also be employees of the district.
2. Teacher members refer to classroom teachers employed by CCISD.
3. Close relatives may not serve on the SSSC at the same time.

Section Two

Membership Criteria. Membership of the SSSC will strive to reflect the geographic, ethnic, gender, disability, and economic diversity of the district. At a minimum, the SSSC shall consist of the following members, which may be expanded upon at the discretion of the Director and Assistant Superintendent:

1. The President of the Board. [Required by law]
2. One Trustee other than the President of the Board. [Required by law]
3. The Superintendent. [Required by law]

6. CCISD Personnel:
 - a. Assistant Superintendent for Operations and Support
 - b. Director of Safety and Security
 - c. Director of Health Services
 - d. Director of Behavioral Health

- e. Director of Special Education
 - f. Director of Transportation
 - g. Director of Child Nutrition
 - h. Director of Maintenance
 - i. Director of Technology
 - j. Director of Communications/Public Information Officer
 - k. Chief Financial Officer
 - l. Elementary Administrator
 - m. Junior High Administrator
 - n. High School Administrator
7. Two parents. [Required by law]
 8. Two classroom teachers. [One required by law]

Any additional school district members attending will be ad-hoc members and not part of the quorum unless they are filling in as the department representative.

Section Three

Term of Service. The term of service for a member shall be for two school years. Members may serve multiple terms.

Section Four

Member Selection. Except for those required by law, the Director shall be responsible for selecting individuals for service on the SSSC.

Section Five

Mid-Term Vacancies. Except for those required by law, if a member resigns or is dismissed, the Director shall fill the position if a year or more remains in the term; if less than a year remains in the term, the position may be left vacant for the remainder of the term at the discretion of the Director.

Section Six

Continued Operation. Any vacated terms left unfilled shall not cause the SSSC to discontinue its operations.

Section Seven

Conflict of Interest. Conflicts of interest shall include, but are not necessarily limited to, the following:

- Having a financial interest in any discussions or recommendations of the committee.
- Involvement in any litigation or procedural challenges against the district.

Any cases or possible cases of conflict of interest shall be referred to the Assistant Superintendent, who may consult with the General Counsel as necessary, for

appropriate action. If a member is determined to have a conflict of interest, appropriate action may include:

- Required recusal from a particular agenda item or items.
- Required recusal from a particular meeting or meetings.
- Removal from the committee.

Section Eight

Code of Conduct. The District welcomes freedom of expression and debate. However, SSSC members shall conduct themselves, in meetings and at all other times, with courtesy and respect to fellow members, district parents and students, district staff and Trustees, and members of other district advisory committees. In meetings, members must be recognized by the Director before speaking, and otherwise respect the order maintained by the Director. Unless otherwise authorized by the SSSC, members shall not speak for the SSSC; and, unless otherwise authorized by the administration, members shall not speak for the district. Members, by their comments and/or actions, shall not reflect badly on the SSSC or CCISD. Violation of this code of conduct may result in reprimand or dismissal by the Director, who may consult with the Assistant Superintendent for appropriate action.

Section Nine

Undue Advantage. SSSC members shall not use their position to gain or attempt to gain an undue advantage for themselves or anyone else. Violation of this requirement may result in dismissal by the Director. (As examples, it would be considered an undue advantage if a person included his or her membership in the SSSC in the reasoning for allowing a student transfer or for allowing a student entry into a particular program; however, it would not be considered an undue advantage for a person to include SSSC membership on his or her resume.)

Article V: Additional Administrative Support

Section One

Additional Support. In addition to the responsibilities of the Director described under other Articles of these bylaws, the Director shall ensure an appropriate level of support for the SSSC, which shall include, but is not limited to:

1. Securing adequate facility arrangements and support staff for meetings.
2. Providing members with agendas and review materials as may be appropriate in advance of meetings.
3. Identifying a person to take minutes at each regular or other fully constituted meeting of the SSSC.
4. Serving as custodian of SSSC records, including the status of member terms.
5. Coordination of the SSSC website.
6. Communicating as needed with the Assistant Superintendent.

Article VI: Subcommittees

Section One

Applicability. These guidelines apply to subcommittees formed under Article III, Section Two.

Section Two

Formation. The Director may form a subcommittee if the advisory committee or the administration deems a subcommittee is necessary or advisable. The Director will call for volunteers to serve on the subcommittee. To provide diverse and fresh perspectives, SSSC members who have not previously served on subcommittees are encouraged to volunteer. The Director and Assistant Superintendent may attend and take part in subcommittee meetings.

Section Three

Responsibility. The Director will develop a charge for each subcommittee. The Director may establish subcommittee chair(s) or the subcommittee may select its own chair during the first meeting. The subcommittee chair(s) will:

- i. Ensure adherence to subcommittee guidelines and charges.
- ii. Develop agendas based on subcommittee input.
- iii. Convey agendas, messages, and information to the subcommittee; Pace meetings and encourage participation of all members.
- iv. Bring any problems or concerns to the Director; and
- v. Bring committee recommendations to the Director.

Section Four

Operations. Subcommittees do not constitute a quorum of the SSSC and therefore do not take any formal vote or action. Subcommittees do not speak on behalf of the SSSC or the district, nor do they make any recommendations directly to the superintendent or the school board.

All subcommittee recommendations are delivered to the Director, who may add to a future SSSC agenda item and/or take other appropriate action. The Director may direct the subcommittee to accelerate, conclude, or extend its work.

Section Five

Meetings. The Director will establish a date, time, and location for the initial meeting of the subcommittee. The minimum order of business for the initial meeting is:

1. Confirm the subcommittee chair(s), who will provide meeting schedules and highlights to the Director, as well as any required updates to the SSSC.
2. Review the subcommittee guidelines.

3. Review the subcommittee charge.
4. If minutes are deemed necessary, call for a volunteer to record meeting attendance and highlights (may rotate from meeting to meeting).
5. Initiate discussion of issues.
6. Agree on a schedule for subsequent meetings; and
7. Agree on next steps and by whom.

In addition to making recommendations, the subcommittee may also conduct research and provide findings or reports. However, the following steps may only be taken after requesting and receiving approval from the Director, who may consult with the Assistant Superintendent:

1. Requesting staff support or other district resources;
2. Conducting or directing school or community meetings, interviews, surveys, or field trips; or
3. Inviting non-SSSC members to meetings to provide information or input, or to take part in subcommittee meetings.

Dear Dr. Burns,

As you may be aware, the election of members for the Board of Directors of the Coryell Central Appraisal District must be conducted this year. The following is a recap of the procedure:

- Members of the Board of Directors are appointed by vote of the taxing unit governing bodies.
- Each taxing unit entitled to vote may nominate, by resolution adopted by its governing body, one candidate for each position to be filled. You may nominate from one to five persons. The names of these nominees must be submitted to the chief appraiser ON OR BEFORE October 15, or as soon thereafter as possible.
- Before October 30, you will receive a prepared ballot listing the candidates alphabetically.
- The governing body must cast its votes by resolution and submit the resolution to the chief appraiser by December 15.
- 1182 is the number of votes your governing body may cast in the election for new board of director members for the Coryell Central Appraisal District.
- The chief appraiser shall count the votes, declare the five candidates who receive the largest cumulative vote totals and submit the results before *December 31* to the governing body of each taxing unit in the district and to the candidates.
- The governing body may cast all its votes for one candidate or may distribute their votes among any number of the candidates.
