smallest class — largest class

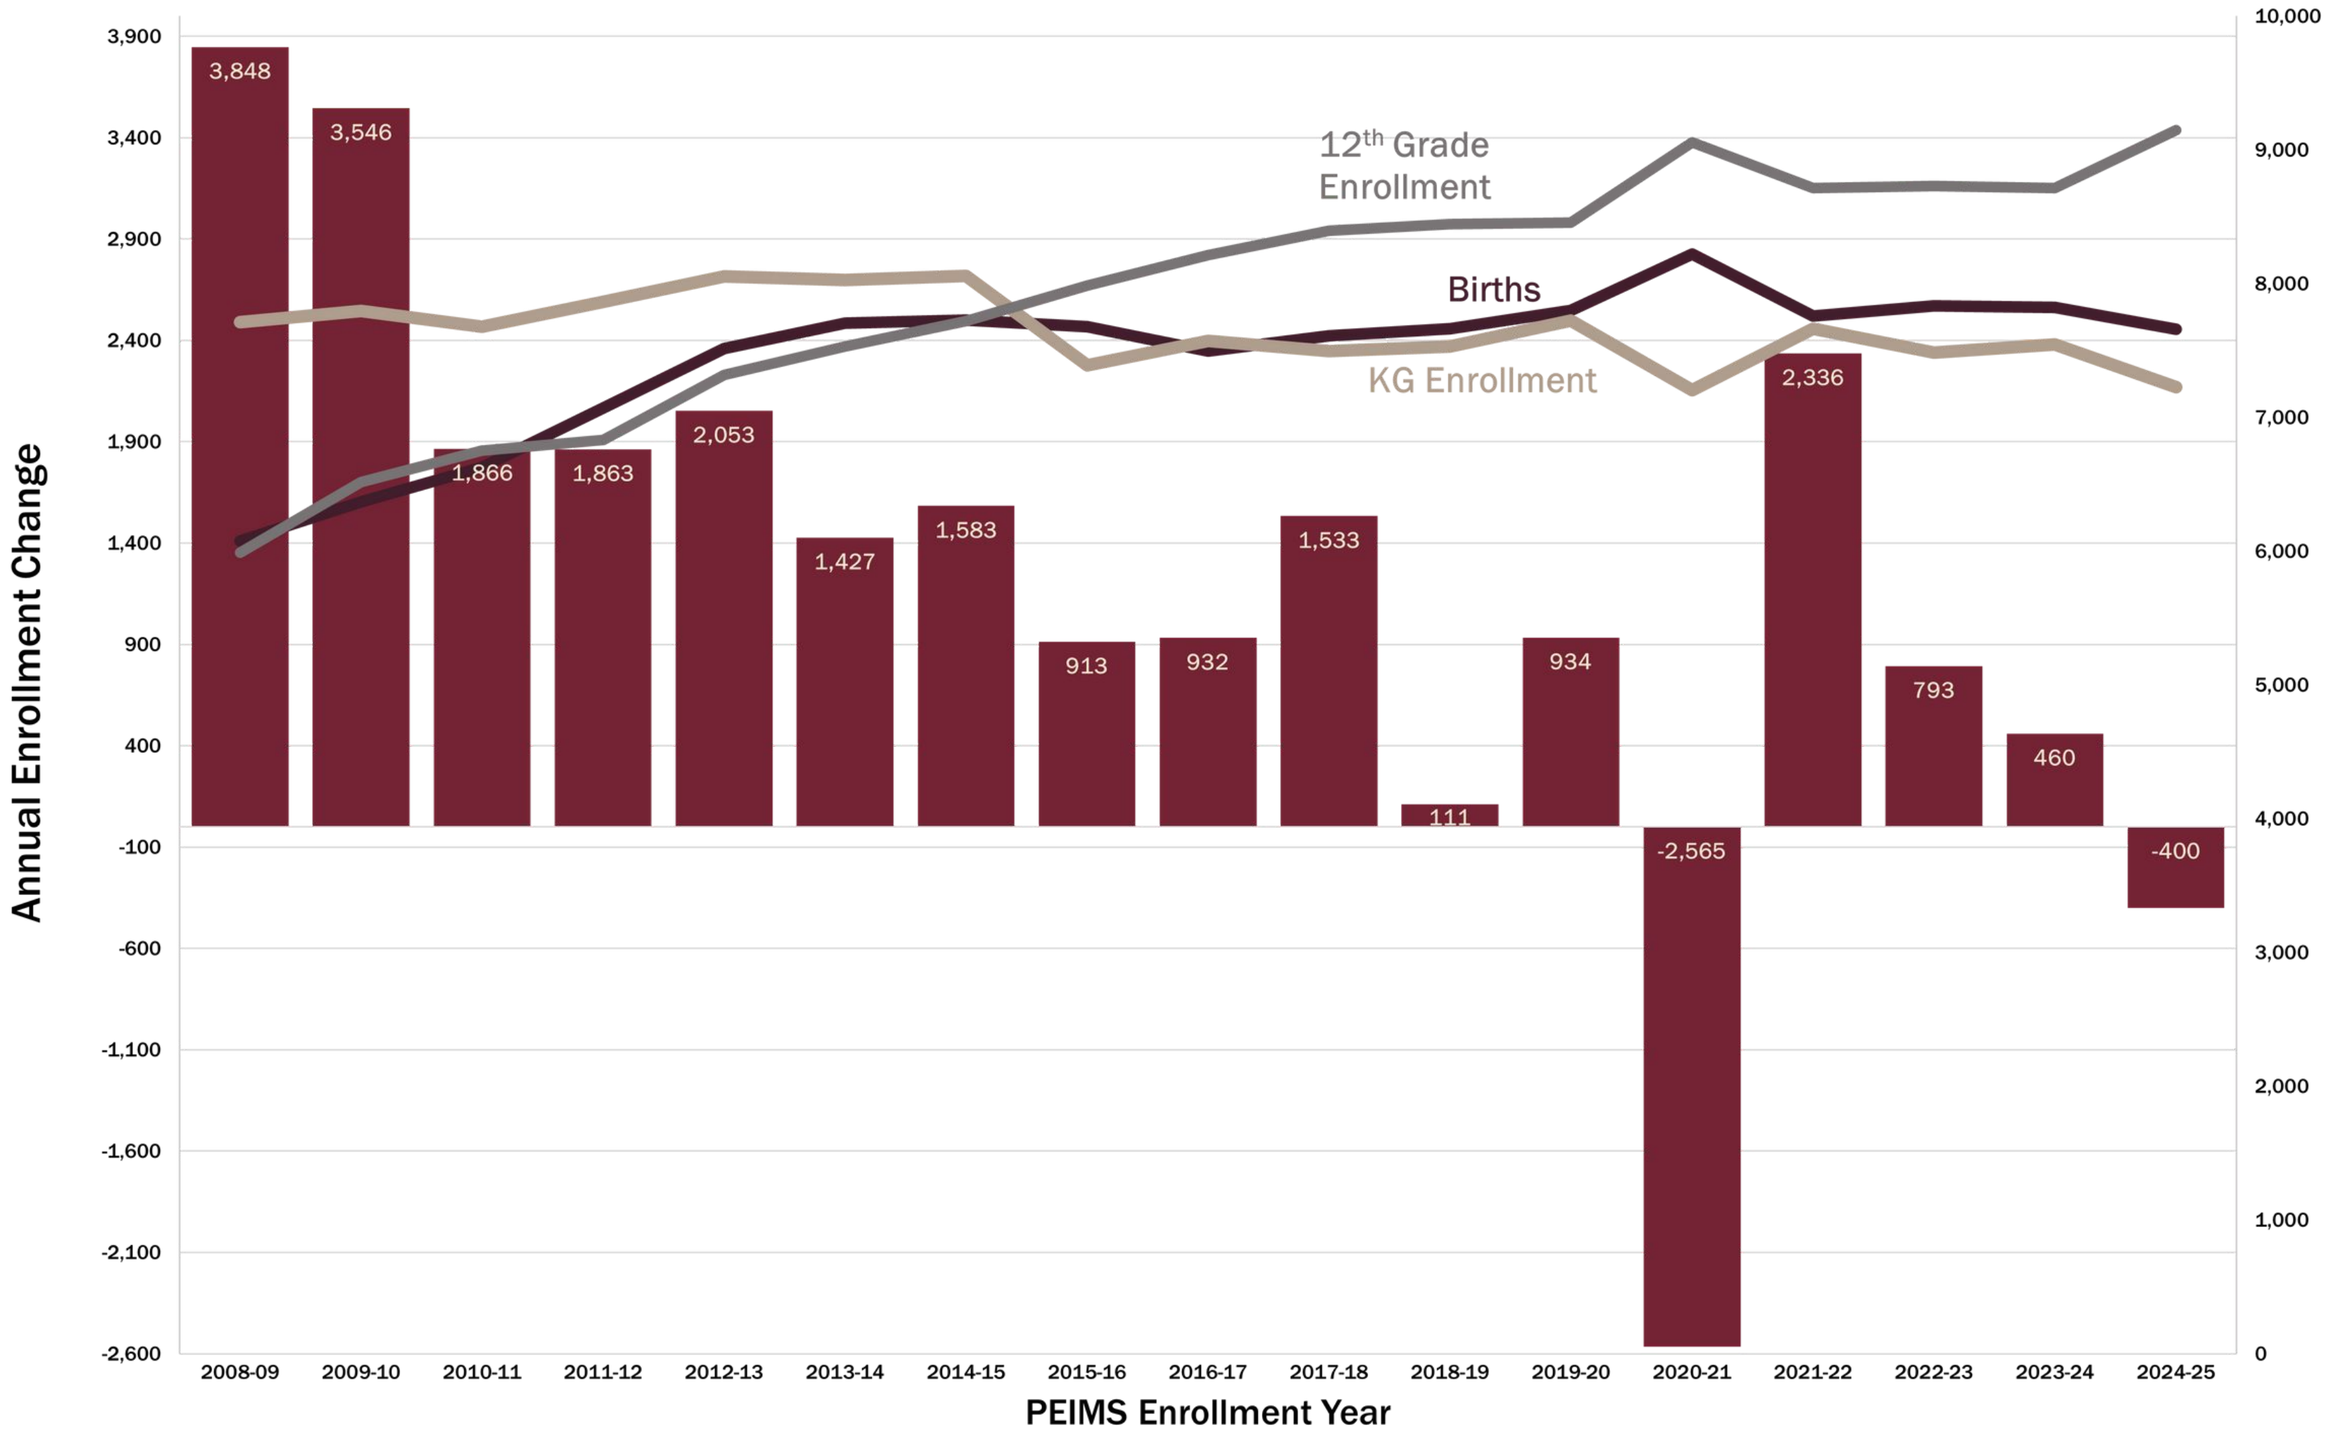

The largest cohorts (red) have been aging through the grade levels for the past decade.

In the next four years, those large grades will graduate and be replaced by smaller (blue) KG classes.

This will cause base-level decreases in high school students -- BUT these will be counteracted by students enrolling due to new housing.

Actual Enrollment

Housing

- New housing was built as projected
- Fewer young students as a proportion of total students in new construction
- Existing neighborhoods are declining faster in student population

Births and KG

- Births to mothers in CFISD declined
- KG class smaller than last year, only partially due to fewer births

Alternative Educational Opportunities

- Approximately 7,000 CFISD residents attend other public education schools
- This is growing by 400-500 students per year

Intangible Trends

- Anti-traditional schooling sentiment
- Anecdotal suggestions of increasing trends in homeschools and micro-schools
- Pending voucher legislation this spring

PASA

Student Projection Factors

Factors Impacting Future Enrollment

Birth Rates

Births have been declining in recent years, but a recent small increase will yield slightly larger 2027-28 KG class

Incoming KG Class Size

KG class size smaller for two of the past three years; never returned to pre-Covid size

New Housing Construction

Drives majority of growth, adding 1,700 students per year in early years, decreasing to 800 students per year as CFISD nears build-out

Regeneration

Existing (built-out) neighborhoods on the whole are losing students as fewer students move in than move out/graduate

Alternative Educational Opportunities

New charter schools opening soon and recently opened schools that continue to add grade levels are projected to pull localized pockets of students from CFISD

Aging of Current Students

Large cohort has been aging through CFISD grades; currently in High School grades

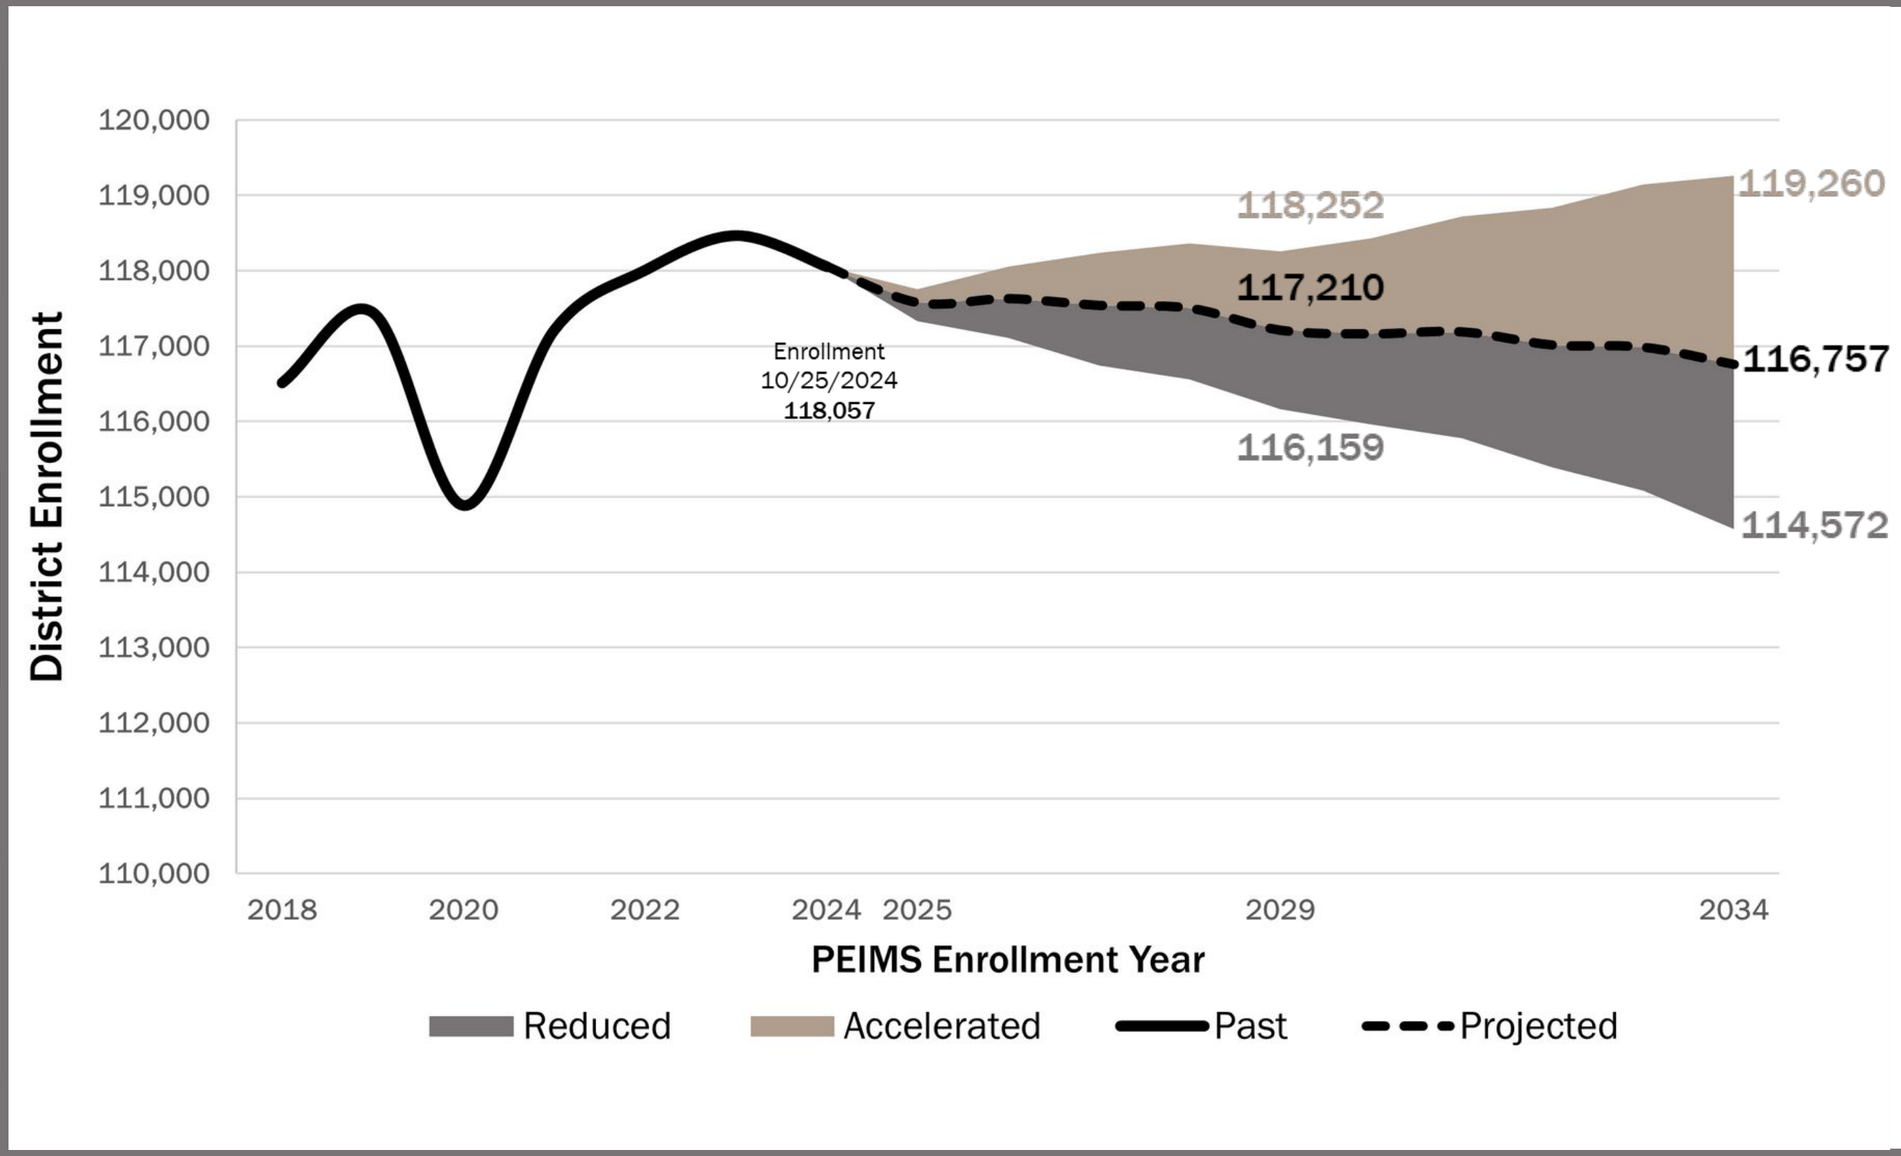

PASA

Enrollment Forecast

Every year starts with a clean slate -- not impacted by the previous year's accuracy

The Enrollment Forecast represents the most likely scenario based on the best information available at the time

Reduced and Accelerated Scenarios are also feasible, assuming changing circumstances

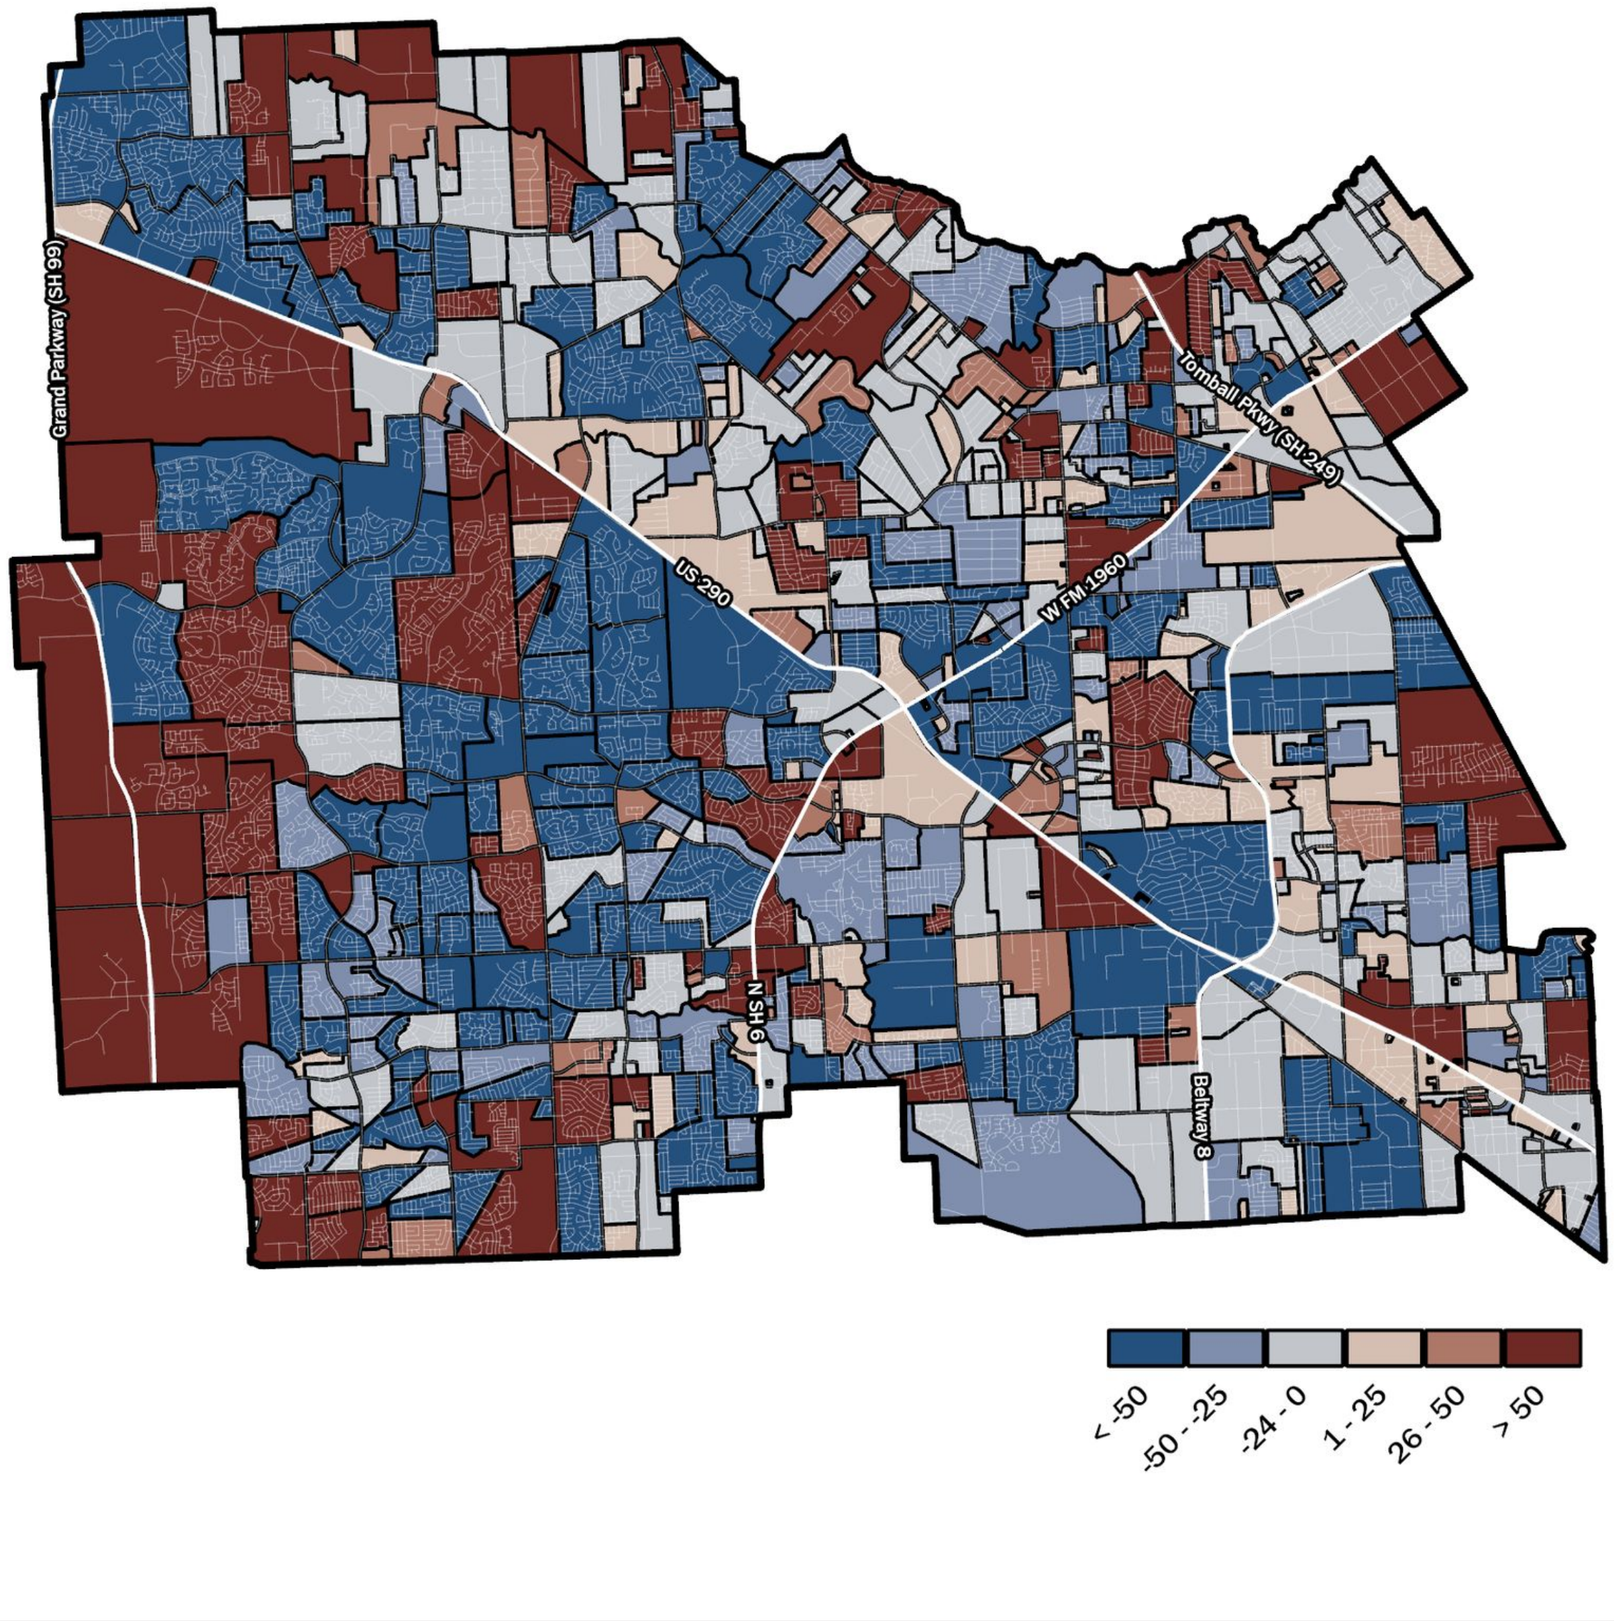

The Accelerated and Reduced Enrollment Scenarios account for potential changes in factors affecting enrollment, such as fluctuations in mortgage rates, housing construction, new charter school plans, birth rates, and resulting kindergarten class sizes.

Demographic Study Take Away Points

- **Cy-Fair ISD demographic life cycle**
  - Most of the District is built out.
  - New housing growth tapers in last half of projection period.
  - Regeneration in built out areas will not yield growth like new construction.
- **West part of the District is growing, while much of the remaining part of the District continues to decline in student population.**
- **Declining births and smaller KG classes have perpetuating impact on enrollment for many years.**
- **Public Alternative Educational Opportunities pull ~7,000 students from CFISD, and this is increasing by 400-500 students per year.**
- **General anti-traditional school sentiment is gaining traction across the State.**

Many of these declining forces have been happening for years, but they were masked by growth from new housing

AMENDMENT NO. 01

This amendment will extend the expiration date of the contract from August 31, 2025 to August 31, 2028.

The University of Texas at Austin**,** ("University" or "UT"), on behalf of the Cockrell School of Engineering's *Engineer Your World* ("*Engineer Your World*") (Performing Agency), and Cypress-Fairbanks Independent School District (Organization) (Receiving Agency) now desire to amend the terms of the contract as more particularly set forth below:

1. **Section I. Responsibilities of *Engineer Your World***, is hereby amended by deleting the existing section and inserting the following in lieu thereof:

    1. Background. *Engineer Your World* was developed by UTeach*Engineering*, which was established in 2008 with support from the National Science Foundation to address an emerging need for well-prepared high school engineering teachers. *Engineer Your World* offers high-quality, low-cost high school engineering curricula and supporting professional development opportunities for teachers.

        Engineer Your World program goals are:

        - To attract and retain more students from diverse backgrounds in K-12 science, technology, engineering and math (STEM) education career paths;
        - To prepare current secondary science, math and technology teachers to become effective teachers of high school engineering courses;
        - To develop and refine exceptional engineering curricula, that can be deployed at low cost in a variety of high school settings;
        - To build partnerships that enable school districts to offer high-quality engineering courses; and
        - To develop a viable national model for preparing and supporting secondary engineering educators.

        Engineer Your World currently offers the following courses:

        Engineering Design and Analysis (EYW: Design): an innovative, student-centered course that engages learners in authentic engineering experiences and inspires them to embrace an engineer's habits of mind. Collaborative, student-directed projects build resilient problem-solving skills and empower students to think like engineers. Our curriculum combines rigorous core concepts with cross-discipline perspectives to deliver a rich sequence of socially relevant, student-directed challenges. The project-based curriculum readily engages students of diverse backgrounds, abilities, and interests, and in a wide range of educational environments.

        Engineering Applications of Computer Science (EYW: Computing)**:** an engineering course that engages students in programming and computational thinking to solve hands-on engineering design challenges. The goal of this course is to engage students in meaningful versions of the

practices of professional engineers and computer scientists while sparking a passion for engineering, computational thinking, and problem-solving that will serve all students no matter what their future career goals may be.

Community Applications of Engineering Design (EYW: Applications): an authentic, project-based engineering course in which students work in teams to identify and solve a problem in their community. This special-projects course allows students to apply the engineering skills and habits of mind they learned in *EYW: Design* and in *EYW: Computing*, and to integrate and apply math, science, and communication skills to a meaningful, real-world project.

2. Copyright License to Materials. Attached here is the University's "Copyright License Agreement" ("CLA") applicable to the Materials to be used for the "*Engineering Design and Analysis*", "*Engineering Applications of Computer Science",* and *"Community Applications of Engineering Design"* online learning management systems. Subject to Organization (as the "Licensee" under the CLA) signing the CLA and this Services Agreement, Organization shall be entitled to use the Materials (as defined in the CLA) only in accordance with the terms of the CLA.

3. Furnish Copies of Materials. *Engineer Your World* will provide to the Organization copies of the "*Engineering Design and Analysis*", and/or "*Engineering Applications of Computer Science",* and/or *"Community Applications of Engineering Design"* teaching Materials (*e.g.* unit plans, lesson plans, assessments, as generally described in the CLA attached hereto in Attachment A) provided in an electronic format, for use exclusively at Organization. Enough copies of the Materials will be provided to support the number of sections of "*Engineering Design and Analysis*", and/or "*Engineering Applications of Computer Science",* and/or *"Community Applications of Engineering Design"* as mutually agreed upon in writing by *Engineer Your World* and Organization.

4. Professional Development Training. *Engineer Your World* will provide to the Organization (i) a two-week summer professional development training program for the newly identified teacher(s) and (ii) at least two years of induction support facilitated by project staff, including such elements as online resources, facilitated video conferences, and one-on-one debriefs.

5. Dual Enrollment Opportunity. Students taking *Engineer Your World's Engineering Design and Analysis* course have the opportunity to also earn college-level credit by "dual enrolling" in a course at UT Austin or another participating UT System institution, if applicable. Participating institutions may vary each year, except for UT Austin. Information about this opportunity will be distributed to students at the beginning of the academic year. Participation in this opportunity is voluntary. Details about the dual enrollment program are outlined in Attachment B.

2. **Payment Section**, is hereby amended by updating the existing section and inserting the following in lieu thereof:

Fees for items outlined in Contract are as follows:

COUNTY OF HARRIS §

THAT **CYPRESS-FAIRBANKS INDEPENDENT SCHOOL DISTRICT**, an independent school district and political subdivision of the State of Texas ("Grantor"), for and in consideration of the sum of Ten and No/100 Dollars ($10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, has GRANTED, SOLD, AND CONVEYED and, by these presents, does GRANT, SELL, AND CONVEY unto **HARRIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 165**, a political subdivision of the State of Texas, its successors and assigns ("Grantee"), a permanent and perpetual non-exclusive easement and right-of-way (the "Easement") for the laying, construction, installation, maintenance, repair, relocation, replacement, removal, modification and operation of sanitary sewer lines and all related connections and appurtenances (collectively, the "Facilities") across, along, under, over, upon and through that certain tract of land located in Harris County, Texas, containing 0.0138 acre, as more particularly described in **Exhibit A** and shown on **Exhibit B**, both attached hereto and incorporated herein for all purposes (the "Easement Tract").

Grantee may lay, construct, install, maintain, repair, relocate, replace, remove, modify and operate the Facilities across, along, under, over, upon and through the Easement Tract, and may enter upon the Easement Tract to engage in all activities as may be necessary, requisite, convenient, or appropriate in connection therewith. Grantee's rights shall include, without limitation, the right to clear and remove trees, growth, shrubbery, and other improvements from within the Easement Tract and the right to bring and operate such equipment on the Easement Tract as may be necessary, requisite, convenient, or appropriate to effectuate the purposes for which the Easement is granted. Subject to the rights granted to Grantee herein, Grantee will, at all times after doing any work in connection with the Easement, restore the surface of the Easement Tract as nearly as reasonably practicable to substantially its condition prior to the undertaking of such work; provided, however, except for any Permitted Improvements (as defined herein) removed or otherwise damaged as a direct result of

the work performed by or on behalf of Grantee within the Easement Tract, Grantee shall not be obligated to replace or restore any trees, growth, shrubbery, or other improvements or obstructions removed from within the Easement Tract in connection with the construction, installation, repair, maintenance, relocation, replacement, removal, upgrade, change in the size of, operation, placement, inspection, protection, or alteration of the Facilities or that interfere with Grantee's use of the Easement Tract for the purposes set forth herein. Grantee shall remove, at Grantee's expense, any dirt, earth, or other material excavated from the Easement Tract in connection with Grantee's construction, operation, or maintenance of the Facilities that is not used in connection with Grantee's activities hereunder.

Subject to the limitations set forth herein, Grantor expressly reserves the right to the use and enjoyment of the surface of the Easement Tract for any and all purposes; provided, however, such use and enjoyment of the surface of the Easement Tract shall not interfere with, obstruct, or restrict the full and complete use and enjoyment of the Easement for the purposes set forth herein. Notwithstanding anything herein to the contrary, Grantor shall not, without the prior written consent of Grantee, (i) construct or place or allow to be constructed or placed, any houses, buildings, structures, or other above-ground improvements or other obstructions (excluding the Permitted Improvements), whether temporary or permanent; (ii) install or permit the installation of pipelines or other underground facilities within the Easement Tract; (iii) dedicate other easements within the Easement Tract; or (iv) change the grade over the Facilities constructed under the Easement Tract, except as may be required in connection with the installation of the Permitted Improvements. Except as otherwise expressly permitted hereunder, if Grantor constructs, places, installs (or otherwise permits the construction, placement, or installation of) any obstruction that interferes with, obstructs, or restricts Grantee's full and complete use and enjoyment of the Easement for the purposes set forth herein, Grantee shall have the right to prevent or remove such obstructions, at Grantor's sole cost and expense, without any obligation to restore the same or any liability to Grantor or Grantor's successors and assigns.

Notwithstanding anything to the contrary set forth herein, Grantor may, without Grantee's prior written consent, construct and/or install the following improvements (collectively, the "Permitted Improvements") across the surface of the Easement Tract following Grantee's completion of the Facilities: (A) paved driveways and concrete sidewalks, so long as (i) Grantor places expansion joints within any such pavement and/or concrete located over the Facilities and along both sides of the Easement Tract, and (ii) the materials used for such pavement and/or concrete, as well as the quality and specifications thereof, are in accordance with industry standards for similar developments within the same geographic area; and (B) landscaping (including trees). The Permitted Improvements shall not damage or otherwise unreasonably interfere with the Facilities, and Grantor shall be responsible for any such damage to the

Facilities resulting from Grantor's installation, maintenance, repair, resurfacing or replacement of same. Further, Grantor shall be responsible for maintaining the Permitted Improvements, at its sole cost and expense, and shall keep the same in good condition and repair. In the event that any portion of the Permitted Improvements is removed or otherwise damaged as a direct result of the work performed by or on behalf of Grantee within the Easement Tract for the purposes stated herein, Grantee agrees to repair, replace and/or restore the same, at Grantee's sole cost and expense.

Grantor reserves all oil, gas, and other minerals in, on, or under the Easement Tract, but waives all right to use the surface of the Easement Tract for, and all rights of ingress and egress for, the purpose of exploring, developing, mining, or drilling for the same; provided, however, that nothing herein shall prohibit or in any manner restrict the right of Grantor to extract oil, gas, and other minerals from and under the Easement Tract by directional drilling or other means that does not interfere with or disturb the surface of the Easement Tract or Grantee's use of the Easement Tract for the purposes set forth herein.

This conveyance is further made subject to any and all restrictions, covenants, easements, rights-of-way, encumbrances, and mineral or royalty reservations or interests affecting the Easement Tract and appearing of record in the Official Public Records of Real Property of Harris County, Texas, to the extent in effect and validly enforceable against the Easement Tract (the "Permitted Encumbrances"); provided, however, to the extent that Grantor has the ability to enforce any of the Permitted Encumbrances, Grantor will not do so in a manner that would unreasonably prejudice or interfere with Grantee's exercise of its rights in the Easement and use of the Easement Tract for the purposes set forth herein.

TO HAVE AND TO HOLD, subject to the matters set forth herein and the Permitted Encumbrances, the Easement, together with, all and singular, the rights and appurtenances thereto in any wise belonging, including all necessary rights to ingress, egress, and regress, unto Grantee, its successors and assigns, forever. Grantor does hereby bind itself and its successors and assigns to WARRANT AND FOREVER DEFEND, all and singular, the Easement and right-of-way and other rights described herein unto Grantee, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof, by, through, or under Grantor, but not otherwise.

The covenants and agreements contained herein shall run with the land and shall inure to the benefit of and shall be binding upon Grantor and Grantee and their respective successors and assigns.

The prevailing party in any suit, action, or other proceeding instituted in

connection with any controversy arising out of this instrument or the Easement shall be entitled to recover its reasonable attorneys' fees from the other party.

The individual signing this instrument on behalf of Grantor represents that he/she has the requisite authority to bind Grantor.

Neither party's failure to insist on strict performance of any part of this instrument shall be construed as a waiver of the performance in any other instance.

This instrument shall be interpreted and construed in accordance with the laws of the State of Texas, without regard to conflict of laws, principles, and venue for any suit, action, or proceeding instituted in connection with any controversy arising out of this instrument or the Easement shall be the state courts situated in Harris County, Texas.

This instrument may be executed in multiple counterparts, each of which shall be deemed an original, and all of which, taken together, shall constitute one instrument.

Grantee's rights shall include, without limitation, the right to clear and remove trees, growth, shrubbery, and other improvements from within the Easement Tract and the right to bring and operate such equipment on the Easement Tract as may be necessary, requisite, convenient, or appropriate to effectuate the purposes for which the Easement is granted. Subject to the rights granted to Grantee herein, Grantee will, at all times after doing any work in connection with the Easement, restore the surface of the Easement Tract as nearly as reasonably practicable to substantially its condition prior to the undertaking of such work; provided, however, except for any Permitted Improvements (as defined herein) removed or otherwise damaged as a direct result of

the work performed by or on behalf of Grantee within the Easement Tract, Grantee shall not be obligated to replace or restore any trees, growth, shrubbery, or other improvements or obstructions removed from within the Easement Tract in connection with the construction, installation, repair, maintenance, relocation, replacement, removal, upgrade, change in the size of, operation, placement, inspection, protection, or alteration of the Facilities or that interfere with Grantee's use of the Easement Tract for the purposes set forth herein. Grantee shall remove, at Grantee's expense, any dirt, earth, or other material excavated from the Easement Tract in connection with Grantee's construction, operation, or maintenance of the Facilities that is not used in connection with Grantee's activities hereunder.

Subject to the limitations set forth herein, Grantor expressly reserves the right to the use and enjoyment of the surface of the Easement Tract for any and all purposes; provided, however, such use and enjoyment of the surface of the Easement Tract shall not interfere with, obstruct, or restrict the full and complete use and enjoyment of the Easement for the purposes set forth herein. Notwithstanding anything herein to the contrary, Grantor shall not, without the prior written consent of Grantee, (i) construct or place or allow to be constructed or placed, any houses, buildings, structures, or other above-ground improvements or other obstructions (excluding the Permitted Improvements), whether temporary or permanent; (ii) install or permit the installation of pipelines or other underground facilities within the Easement Tract; (iii) dedicate other easements within the Easement Tract; or (iv) change the grade over the Facilities constructed under the Easement Tract, except as may be required in connection with the installation of the Permitted Improvements. Except as otherwise expressly permitted hereunder, if Grantor constructs, places, installs (or otherwise permits the construction, placement, or installation of) any obstruction that interferes with, obstructs, or restricts Grantee's full and complete use and enjoyment of the Easement for the purposes set forth herein, Grantee shall have the right to prevent or remove such obstructions, at Grantor's sole cost and expense, without any obligation to restore the same or any liability to Grantor or Grantor's successors and assigns.

Notwithstanding anything to the contrary set forth herein, Grantor may, without Grantee's prior written consent, construct and/or install the following improvements (collectively, the "Permitted Improvements") across the surface of the Easement Tract following Grantee's completion of the Facilities: (A) paved driveways and concrete sidewalks, so long as (i) Grantor places expansion joints within any such pavement and/or concrete located over the Facilities and along both sides of the Easement Tract, and (ii) the materials used for such pavement and/or concrete, as well as the quality and specifications thereof, are in accordance with industry standards for similar developments within the same geographic area; and (B) landscaping (including trees). The Permitted Improvements shall not damage or otherwise unreasonably interfere with the Facilities, and Grantor shall be responsible for any such damage to the

Facilities resulting from Grantor's installation, maintenance, repair, resurfacing or replacement of same. Further, Grantor shall be responsible for maintaining the Permitted Improvements, at its sole cost and expense, and shall keep the same in good condition and repair. In the event that any portion of the Permitted Improvements is removed or otherwise damaged as a direct result of the work performed by or on behalf of Grantee within the Easement Tract for the purposes stated herein, Grantee agrees to repair, replace and/or restore the same, at Grantee's sole cost and expense.

Grantor reserves all oil, gas, and other minerals in, on, or under the Easement Tract, but waives all right to use the surface of the Easement Tract for, and all rights of ingress and egress for, the purpose of exploring, developing, mining, or drilling for the same; provided, however, that nothing herein shall prohibit or in any manner restrict the right of Grantor to extract oil, gas, and other minerals from and under the Easement Tract by directional drilling or other means that does not interfere with or disturb the surface of the Easement Tract or Grantee's use of the Easement Tract for the purposes set forth herein.

This conveyance is further made subject to any and all restrictions, covenants, easements, rights-of-way, encumbrances, and mineral or royalty reservations or interests affecting the Easement Tract and appearing of record in the Official Public Records of Real Property of Harris County, Texas, to the extent in effect and validly enforceable against the Easement Tract (the "Permitted Encumbrances"); provided, however, to the extent that Grantor has the ability to enforce any of the Permitted Encumbrances, Grantor will not do so in a manner that would unreasonably prejudice or interfere with Grantee's exercise of its rights in the Easement and use of the Easement Tract for the purposes set forth herein.

TO HAVE AND TO HOLD, subject to the matters set forth herein and the Permitted Encumbrances, the Easement, together with, all and singular, the rights and appurtenances thereto in any wise belonging, including all necessary rights to ingress, egress, and regress, unto Grantee, its successors and assigns, forever. Grantor does hereby bind itself and its successors and assigns to WARRANT AND FOREVER DEFEND, all and singular, the Easement and right-of-way and other rights described herein unto Grantee, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof, by, through, or under Grantor, but not otherwise.

The covenants and agreements contained herein shall run with the land and shall inure to the benefit of and shall be binding upon Grantor and Grantee and their respective successors and assigns.

The prevailing party in any suit, action, or other proceeding instituted in

connection with any controversy arising out of this instrument or the Easement shall be entitled to recover its reasonable attorneys' fees from the other party.

The individual signing this instrument on behalf of Grantor represents that he/she has the requisite authority to bind Grantor.

Neither party's failure to insist on strict performance of any part of this instrument shall be construed as a waiver of the performance in any other instance.

This instrument shall be interpreted and construed in accordance with the laws of the State of Texas, without regard to conflict of laws, principles, and venue for any suit, action, or proceeding instituted in connection with any controversy arising out of this instrument or the Easement shall be the state courts situated in Harris County, Texas.

This instrument may be executed in multiple counterparts, each of which shall be deemed an original, and all of which, taken together, shall constitute one instrument.

THAT **CYPRESS-FAIRBANKS INDEPENDENT SCHOOL DISTRICT**, an independent school district and political subdivision of the State of Texas ("Grantor"), for and in consideration of the sum of Ten and No/100 Dollars ($10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, has GRANTED, SOLD, AND CONVEYED and, by these presents, does GRANT, SELL, AND CONVEY unto **HARRIS COUNTY MUNICIPAL UTILITY DISTRICT NO. 165**, a political subdivision of the State of Texas, its successors and assigns ("Grantee"), a permanent and perpetual non-exclusive easement and right-of-way (the "Easement") for the laying, construction, installation, maintenance, repair, relocation, replacement, removal, modification and operation of water lines and all related connections and appurtenances (collectively, the "Facilities") across, along, under, over, upon and through that certain tract of land located in Harris County, Texas, containing 0.0123 acre, as more particularly described in **Exhibit A** and shown on **Exhibit B**, both attached hereto and incorporated herein for all purposes (the "Easement Tract").

Grantee may lay, construct, install, maintain, repair, relocate, replace, remove, modify and operate the Facilities across, along, under, over, upon and through the Easement Tract, and may enter upon the Easement Tract to engage in all activities as may be necessary, requisite, convenient, or appropriate in connection therewith. Grantee's rights shall include, without limitation, the right to clear and remove trees, growth, shrubbery, and other improvements from within the Easement Tract and the right to bring and operate such equipment on the Easement Tract as may be necessary, requisite, convenient, or appropriate to effectuate the purposes for which the Easement is granted. Subject to the rights granted to Grantee herein, Grantee will, at all times after doing any work in connection with the Easement, restore the surface of the Easement Tract as nearly as reasonably practicable to substantially its condition prior to the undertaking of such work; provided, however, except for any Permitted Improvements (as defined herein) removed or otherwise damaged as a direct result of

the work performed by or on behalf of Grantee within the Easement Tract, Grantee shall not be obligated to replace or restore any trees, growth, shrubbery, or other improvements or obstructions removed from within the Easement Tract in connection with the construction, installation, repair, maintenance, relocation, replacement, removal, upgrade, change in the size of, operation, placement, inspection, protection, or alteration of the Facilities or that interfere with Grantee's use of the Easement Tract for the purposes set forth herein. Grantee shall remove, at Grantee's expense, any dirt, earth, or other material excavated from the Easement Tract in connection with Grantee's construction, operation, or maintenance of the Facilities that is not used in connection with Grantee's activities hereunder.

Subject to the limitations set forth herein, Grantor expressly reserves the right to the use and enjoyment of the surface of the Easement Tract for any and all purposes; provided, however, such use and enjoyment of the surface of the Easement Tract shall not interfere with, obstruct, or restrict the full and complete use and enjoyment of the Easement for the purposes set forth herein. Notwithstanding anything herein to the contrary, Grantor shall not, without the prior written consent of Grantee, (i) construct or place or allow to be constructed or placed, any houses, buildings, structures, or other above-ground improvements or other obstructions (excluding the Permitted Improvements), whether temporary or permanent; (ii) install or permit the installation of pipelines or other underground facilities within the Easement Tract; (iii) dedicate other easements within the Easement Tract; or (iv) change the grade over the Facilities constructed under the Easement Tract, except as may be required in connection with the installation of the Permitted Improvements. Except as otherwise expressly permitted hereunder, if Grantor constructs, places, installs (or otherwise permits the construction, placement, or installation of) any obstruction that interferes with, obstructs, or restricts Grantee's full and complete use and enjoyment of the Easement for the purposes set forth herein, Grantee shall have the right to prevent or remove such obstructions, at Grantor's sole cost and expense, without any obligation to restore the same or any liability to Grantor or Grantor's successors and assigns.

Notwithstanding anything to the contrary set forth herein, Grantor may, without Grantee's prior written consent, construct and/or install the following improvements (collectively, the "Permitted Improvements") across the surface of the Easement Tract following Grantee's completion of the Facilities: (A) paved driveways and concrete sidewalks, so long as (i) Grantor places expansion joints within any such pavement and/or concrete located over the Facilities and along both sides of the Easement Tract, and (ii) the materials used for such pavement and/or concrete, as well as the quality and specifications thereof, are in accordance with industry standards for similar developments within the same geographic area; and (B) landscaping (including trees). The Permitted Improvements shall not damage or otherwise unreasonably interfere with the Facilities, and Grantor shall be responsible for any such damage to the

Further, Grantor shall be responsible for maintaining the Permitted Improvements, at its sole cost and expense, and shall keep the same in good condition and repair. In the event that any portion of the Permitted Improvements is removed or otherwise damaged as a direct result of the work performed by or on behalf of Grantee within the Easement Tract for the purposes stated herein, Grantee agrees to repair, replace and/or restore the same, at Grantee's sole cost and expense.

Grantor reserves all oil, gas, and other minerals in, on, or under the Easement Tract, but waives all right to use the surface of the Easement Tract for, and all rights of ingress and egress for, the purpose of exploring, developing, mining, or drilling for the same; provided, however, that nothing herein shall prohibit or in any manner restrict the right of Grantor to extract oil, gas, and other minerals from and under the Easement Tract by directional drilling or other means that does not interfere with or disturb the surface of the Easement Tract or Grantee's use of the Easement Tract for the purposes set forth herein.

From: Devon Perry**,** *Director Berry Center*

Subject: *Contract 25-04-8295R-RFP Award Recommendation – Alcohol Beverages Services (Berry Center)*

Date: *03/6/2025*

Upon careful review and evaluation of the proposals submitted for Contract 25-04-8295R-RFP, we recommend that Backyard Grill be granted the contract as the primary vendor due to their ability to offer the widest range of options and flexibility to accommodate the most type of events and that Eskimo Hunt be granted the contract as the secondary vendor due to their ability offer a specialized option for customers.

The contract will be valid for one (1) year until March 31, 2026, and will renew automatically for four (4) additional one-year terms until March 31, 2030, unless either party provides a written notice of non-renewal at least thirty (30) days in advance. Upon mutual agreement, proposed prices can be extended beyond the firm price offer date on a month-to-month basis for up to 6 months.

The alcohol beverages services provided by Backyard Grill and Eskimo Hut will be utilized by the Berry Center to offer alcohol beverage services for non-district catered events and alcohol beverages at designated concession stands for non-district public events.

Backyard Grill and Eskimo both submitted bids for the request for proposal, with each meeting or surpassing product criteria and offering the best percentage of revenue sharing.

Should you have any inquiries or require additional information regarding this recommendation, please do not hesitate to reach out.

Sincerely,

Devon Perry

Memo:

To: Jame Biscoe, *Director of Procurement Services*

From: Virginia Flores, *Director of Athletics*

Subject: *Contract 25-04-4120R-RFP Award Recommendation – Athletic Equipment, Supplies, and Related Items*

Date: *03/18/2025*

Upon careful review and evaluation of the proposals submitted for Contract 25-04-4120R-RFP, we recommend that the vendors scoring (70) seventy percent or higher on the Evaluation Matrix be granted the contract due to their ability to offer the best value to the district.

The contract will be valid for one (1) year until April 30, 2026, and will renew automatically for two (2) additional one-year terms until April 30, 2028, unless either party provides a written notice of non-renewal at least thirty (30) days in advance. Upon mutual agreement, proposed prices can be extended beyond the firm price offer date on a month-to-month basis for up to 6 months.

The athletic equipment, supplies, and related items provided by the recommended vendors will be utilized by the athletic department to address specific needs of campuses, coaches, and athletes. These vendors provide reliability, excellent service, are cost-effective, are compliant with safety standards, and have reputations for timeliness and quality.

Should you have any inquiries or require additional information regarding this recommendation, please do not hesitate to reach out.

Sincerely,

Virginia V. Flores, M., Ed.

Memo:

To: Darin Crawford*, Assist Superintendent for Support Services*

From: James Briscoe**,** *Director of Procurement Services*

Subject: Recommendation for Award – Audio Visual Supplies
Annual Contract #25-04-4520R-RFP
Date: *03/21/2025*

Background & Justification (NERD Framework)

N: Know the Need

The district maintains a continuous need for audio-visual (AV) supplies, including microphones, camcorders, projectors, cables, headsets, lighting, and other AV-related equipment. These supplies support classroom instruction, student performances, athletic events, assemblies, staff development, and district-wide communications. Given the scope and variability of district operations, a competitively bid annual contract is necessary to ensure availability, consistency, and cost-effectiveness of AV products from a variety of vendors.

E: Evaluate the Specifics

The Request for Proposal #25-04-4520R-RFP was issued to establish a qualified pool of vendors able to offer discounted pricing on AV supplies. The proposal opened on February 19, 2025, and included specific discount percentages across product categories such as stage sound, studio accessories, AV rentals, and photography equipment.

Proposals were evaluated by a cross-functional committee, with scoring based on pricing, discount structure, service capabilities, references, and overall value. Vendors scoring 70.00 or above were deemed responsive and qualified.

The contract term is May 1, 2025, through April 30, 2026, with four one-year renewal options through April 30, 2030. The estimated expenditure under this contract is $2,900,000.

R: Research the Details

The evaluation revealed considerable variation in discount offerings. Covenant Communications, for example, consistently offered a 30 percent discount across nearly all AV categories. Other vendors like Prime Systems and School Specialty demonstrated competitive pricing in multiple product groups.

Key points identified in the evaluation:

- Multi-vendor participation ensures competitive pricing and broad coverage.
- Discounts ranged from 1 percent to 35 percent across product lines.
- School Specialty offered the highest discount (35 percent) on miscellaneous AV supplies.
- Prime Systems, Adorama, AVES Audio Visual Systems, and Full Compass Systems demonstrated consistent pricing and reliable vendor histories.

These vendors offer critical coverage for both common and specialized AV needs. Having a diversified vendor pool allows departments to source the best pricing for specific needs, while also maintaining supplier flexibility in case of backorders or product unavailability.

D: Delivery

Awarded vendors will be used on an as-needed basis. Campus and department requestors will obtain quotes from the awarded vendors within each AV category to determine the best value. Orders will be placed directly with vendors and deliveries will be made to designated district locations.

This structure supports strategic sourcing, operational efficiency, and cost control, particularly for time-sensitive or large-scale AV purchases. It also provides purchasing consistency and procurement compliance across campuses.

Recommendation

It is recommended that Cypress-Fairbanks ISD award annual contracts to all vendors scoring 70.00 or above on the final evaluation. These vendors provide the best overall value, competitive pricing, and reliable service required to support the district's diverse AV needs.

Please let me know if additional information is needed.

Sincerely,

James Briscoe

Director of Procurement Services Cypress-Fairbanks ISD

James Briscoe, Director of Procurement Services

Memo:

To: Darin Crawford, *Assist Superintendent for Support Services*

From: James Briscoe, *Director of Procurement Services*

Subject: Recommendation for Award – Print Supplementary Services Annual Contract #25-04-4665R-RFP

Date: *03/21/2025*

Background & Justification (NERD Framework)

N: Know the Need

The district requires a pool of qualified vendors to provide print supplementary services for the Janie Scott Printing Center on an as-needed basis. While the district's in-house Printing Center fulfills the majority of printing needs, there are times when capacity limits or the need for specialized services necessitate outsourcing. This annual contract supports the district's ability to meet demand for high-quality print materials without delay or service interruption.

E: Evaluate the Specifics

Request for Proposal (RFP) #25-04-4665R-RFP was issued on February 5, 2025, and proposals were publicly opened on February 19, 2025. Vendors were evaluated on discount offerings, unit pricing on sample print jobs, service reliability, product quality, and past performance.

A total of eleven vendors submitted proposals. The evaluation committee recommended awarding to multiple vendors who scored above 70.00 and demonstrated capacity to deliver quality print services in a timely and cost-effective manner. This approach provides flexibility and ensures availability across a range of print job types.

The contract term is from May 1, 2025, through April 30, 2026, with two one-year renewal options through April 30, 2028. The estimated expenditure for this contract is $205,000.

R: Research the Details

The use of this contract is expected to be limited to times when the Printing Center is over capacity or when specialized services (e.g., foil stamping, blind embossing, or high-volume web printing) are required. This outsourcing strategy has historically resulted in cost savings and improved turnaround time for print jobs that cannot be managed in-house.

A thorough comparison of unit pricing across vendors revealed significant variations, reinforcing the need for a multi-award structure. For example, pricing for common items such as pocket folders ranged from $1.25 to over $3.50 per unit depending on vendor and quantity. By engaging a diverse vendor pool, the district can request quotes and select the most cost-effective option for each job.

This year's vendor list includes familiar suppliers with proven reliability such as Brunswick Press, Absolute Color Mailplex, and Instant Imprints. Additionally, the contract includes vendors offering specialized services like Weldon, Williams & Lick for ticketing solutions and Region 4 ESC for supplemental educational print needs.

D: Delivery

Awarded vendors will be engaged by the Printing Center Manager as needed. Vendors are responsible for adhering to project specifications, providing pickup and delivery services, and ensuring timely fulfillment. Projects will be competitively quoted among awarded vendors for each job, and awarded based on pricing and availability.

This structure ensures responsiveness to urgent or high-volume printing needs while maintaining fiscal responsibility. The contract also reinforces the in-house Printing Center's role as the district's primary print provider, while strategically using external vendors for overflow and specialized tasks.

Recommendation

It is recommended that the district award annual contracts to the vendors scoring 70.00 and above in response to RFP #25-04-4665R-RFP. These vendors offer the district the best overall value and capability to support the Printing Center in maintaining quality and efficiency across all print projects.

Please let me know if additional details are required.

Sincerely,

James Briscoe

Director of Procurement Services Cypress-Fairbanks ISD

(b) The ownership of a Bond may be transferred only upon the presentation and surrender of the Bond to the Paying Agent/Registrar at the Designated Payment/Transfer Office with such endorsement or other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. (e) No service charge shall be made to the Owner for the initial registration, any subsequent transfer, or exchange for a different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption within 45 days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the registered owner of the uncalled balance of a Bond.

The District or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like maturity, interest rate and principal amount and bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the District to save them harmless;

(iv) satisfies any other reasonable requirements imposed by the District and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the District and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the District or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the District and shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Notwithstanding any other provision of this Order to the contrary, the District and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute Owner of such Bond for the purpose of payment of Debt Service on the Bonds, for the purpose of giving notices of redemption, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all Debt Service only to or upon the order of the respective Owners, as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of, Debt Service to the extent of the sum or sums so paid. No person other than an Owner, shall receive a Bond certificate evidencing the obligation of the District to make payments of amounts due pursuant to this Order. Upon delivery by DTC

to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the registered Owner at the close of business on the Record Date, the word "Cede & Co." in this Order shall refer to such new nominee of DTC.

In the event that the District or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the District or the Paying Agent/Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, as applicable, in accordance with the provisions of this Order.

Section 3.11. Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments of Debt Service on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter.

As authorized by Chapter 1207 and Chapter 1371, the Authorized Officer is authorized to act on behalf of the District, from time to time, in selling and delivering the Bonds and in carrying out the other procedures specified in this Order, including determining the price at which each of the Bonds will be sold; the title, number and designation of each series or subseries of Bonds to be issued from time to time; whether each series of Bonds will be designated as "green bonds" or carry another designation; whether the Bonds will be issued as Taxable Bonds or Tax-Exempt Bonds; the form in which the Bonds shall be issued; the years and dates on which the Bonds will mature, the principal amount to mature in each of such years and the defeasance provisions for the Bonds; selecting the specific maturities or series of Refunded Obligations to be refunded by each series of Bonds from the list of Refunded Obligation Candidates; the aggregate principal amount of Refunded Obligations; the aggregate principal amount of Bonds to be issued by the District; the rate of interest to be borne by each maturity of the Bonds; whether to sell the Bonds with capitalized interest and the amount of any such capitalized interest; the Interest Payment Dates; the dates, prices, and terms upon and at which the Bonds shall be subject to redemption prior to maturity at the option of the District and shall be subject to mandatory sinking fund redemption; the verification agent, if any; the selection of Underwriters; whether the Bonds shall be insured if the Bonds do not receive the guarantee of the Permanent School Fund; and all other matters relating to the issuance, sale and delivery of the Bonds and the refunding of the Refunded Obligations, all of which shall be specified in one or more Pricing Certificates, a form of which is attached hereto as Exhibit A, as may be amended by the Authorized Officer; subject to the following conditions:

(i) the Bonds shall not bear interest at a rate greater than the maximum rate allowed under Section 1204.006, Texas Government Code, as amended;

(ii) the aggregate principal amount of the Bonds authorized to be issued for the purposes described in Section 3.01 shall not exceed the limits described in Section 3.01;

(iii) the Pricing Certificate for each series of bonds issued shall indicate the amount of refunding authority remaining under Section 3.01 of this Order, if any, following the issuance of such series of Bonds;

(iv) the refunding of any Refunded Obligations shall produce a net present value debt service savings of at least 3.00% of the principal amount of the Refunded Obligations being refunded with such series of Bonds; and

(v) no Bond shall mature later than 40 years from the date of delivery thereof.

(b) The Authorized Officer is hereby authorized and directed to execute and deliver on behalf of the District one or more Purchase Contracts providing for the sale of the Bonds to the Underwriters, in such form as determined by the Authorized Officer. The Authorized Officer is hereby authorized and directed to approve the final terms and provisions of each Purchase Contract in accordance with the terms of the Pricing Certificate and this Order, which final terms shall be determined to be the most advantageous reasonably attainable by the District, such approval and determination being evidenced by the execution of the Purchase Contract by the Authorized Officer.

(c) Any finding by the Authorized Officer relating to the sale and delivery of the Bonds shall have the same force and effect as a finding or determination made by the Board.

(d) The authority granted to the Authorized Officer under Section 7.01(a) shall expire at 11:59 p.m., Central time, on a date one year from the date of this Order, unless otherwise extended by the Board by separate action. Bonds sold pursuant to a Purchase Contract executed on or prior to such expiration date may be delivered after such expiration date.

(e) All officers, agents and representatives of the District are hereby authorized to do any and all things necessary or desirable to satisfy the conditions set out in the Purchase Contract and to provide for the issuance and delivery of the Bonds, including, without limitation, qualifying the Bonds as "green bonds" or such other designation as the bonds may carry to the extent such qualification is required. The Initial Bond for each series of Bonds shall initially be registered in the name of the Representative or such other entity as may be specified in the Purchase Contract for each series of Bonds. If the Authorized Officer is required to show debt service savings in connection with the refunding of variable rate Refunded Obligations, the Authorized Officer may demonstrate the existence of savings using a calculation that measures debt service on the variable rate Refunded Obligations using the applicable Stepped Rate (as defined in the applicable orders and pricing certificates for such variable rate Refunded Obligations) as the interest rate on the variable rate Refunded Obligations following the end of the current rate period.

(f) The Authorized Officer is hereby authorized and directed to cause to be prepared on behalf of the District one or more "Preliminary Official Statements," to be used by the Underwriter in the offering and sale of the Bonds, and to certify or otherwise represent that such Preliminary Official Statement(s) are "deemed final" Preliminary Official Statement(s) as of their dates (except for the omission of pricing and related information) within the meaning and for the purposes of paragraph (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended, with such changes, modifications and completions as may be required upon pricing and approved by the Authorized Officer (the "Preliminary Official Statement"). The use and distribution of one or more Preliminary Official Statements in the public offering of the Bonds by the Underwriters is hereby authorized. The Authorized Officer is hereby further authorized and directed (i) to cause to be prepared on behalf of the District, one or more final Official Statements

(each an "Official Statement"), (ii) to use and distribute or authorize the use and distribution of one or more Official Statements, (iii) to execute the same, if required, and (iv) to deliver appropriate numbers of copies thereof to the Underwriters. Each Official Statement as thus approved, executed and delivered, with such appropriate variations as shall be approved by the Authorized Officer and the Underwriters, may be used by the Underwriters in the public offering and sale thereof.

(g) The President or Vice President of the Board, the Secretary of the Board, the Authorized Officer and all other officers of the District are authorized to take such actions, to obtain such consents or approvals, to deliver such notices and to execute such documents, certificates and receipts as they may deem necessary and appropriate in order to consummate the delivery of the Bonds, to pay the costs of issuance of the Bonds, to effectuate the refunding of the Refunded Obligations and to effectuate the terms and provisions of this Order, including, without limitation, making application for the guarantee of the Permanent School Fund for the Bonds from the Texas Education Agency or application for bond insurance in the absence of the guarantee of the Permanent School Fund.

Section 7.02. Deposit of Proceeds. The proceeds from the sale of the Bonds shall be deposited as set forth in the Pricing Certificate. Proceeds from the sale of the Bonds may, at the option of the District, be invested in any investments authorized by Texas law, including specifically the Public Funds Investment Act and the District's investment policy, including through a guaranteed investment contract as authorized by Section 2256.015 of the Texas Government Code; provided that all such investments shall be made in such a manner that the money required to be expended will be available at the proper time or times.

Section 7.03. Control and Delivery of Bonds. (a) The Authorized Officer is hereby authorized to have control of the Initial Bond and all necessary records and proceedings pertaining thereto pending investigation, examination and approval of the Attorney General of the State, registration by the Comptroller of Public Accounts of the State, and registration with, and initial exchange or transfer by, the Paying Agent/Registrar.

(b) After registration by the Comptroller of Public Accounts of the State, delivery of the Bonds shall be made to the Representative under and subject to the general supervision and direction of the Authorized Officer, or, in his or her absence, any officer of the Board, against receipt by the District of all amounts due to the District under the terms of sale.

ARTICLE VIII

PARTICULAR REPRESENTATIONS AND COVENANTS

Section 8.01. Payment of the Bonds. On or before each date on which Debt Service is due on the Bonds, there shall be made available to the Paying Agent/Registrar, out of the interest and sinking fund, money sufficient to pay such Debt Service when due.

Section 8.02. Other Representations and Covenants. (a) The District will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Order and in each Bond; the District will promptly pay or cause to be paid Debt Service on

the dates and at the places and manner prescribed in such Bond; and the District will, at the times and in the manner prescribed by this Order, deposit or cause to be deposited the amounts of money specified by this Order.

(b) The District is duly authorized under the laws of the State to issue the Bonds; all action on its part for the creation and issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the District in accordance with their terms.

Section 8.03. Taxable Bonds. Bonds designated as Taxable Bonds will not constitute obligations described in section 103(a) of the Code.

Section 8.04. Federal Income Tax Matters for Tax-Exempt Bonds.

(a) General. The District covenants not to take any action or omit to take any action, that if taken or omitted, would cause the interest on the Tax-Exempt Bonds to be includable in gross income for federal income tax purposes. In furtherance thereof, the District covenants to comply with sections 103 and 141 through 150 of the Code and the provisions set forth in the Federal Tax Certificate executed by the District in connection with the Tax-Exempt Bonds.

(b) No Private Activity Bonds. The District covenants that it will use the proceeds of the Tax-Exempt Bonds (including investment income) and the property financed, directly or indirectly, with such proceeds so that the Tax-Exempt Bonds will not be "private activity bonds" within the meaning of section 141 of the Code. Furthermore, the District will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Tax-Exempt Bonds to be "private activity bonds" unless it takes a remedial action permitted by section 1.141-12 of the Regulations.

(c) No Federal Guarantee. The District covenants not to take any action or omit to take any action that, if taken or omitted, would cause the Tax-Exempt Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code, except as permitted by section 149(b)(3) of the Code.

(d) No Hedge Bonds. The District covenants not to take any action or omit to take action that, if taken or omitted, would cause the Tax-Exempt Bonds to be "hedge bonds" within the meaning of section 149(g) of the Code.

(e) No Arbitrage Bonds. The District covenants that it will make such use of the proceeds of the Tax-Exempt Bonds (including investment income) and regulate the investment of such proceeds of the Tax-Exempt Bonds so that the Tax-Exempt Bonds will not be "arbitrage bonds" within the meaning of section 148(a) of the Code.

(f) Required Rebate. The District covenants that, if the District does not qualify for an exception to the requirements of section 148(f) of the Code, the District will comply with the requirement that certain amounts earned by the District on the investment of the gross proceeds of the Tax-Exempt Bonds, be rebated to the United States.

(g) Information Reporting. The District covenants to file or cause to be filed with the Secretary of the Treasury an information statement concerning the Tax-Exempt Bonds in accordance with section 149(e) of the Code.

(h) Record Retention. The District covenants to retain all material records relating to (i) the expenditure of the proceeds (including investment income) of the Tax-Exempt Bonds and the Refunded Obligations being refunded with the proceeds of the Tax-Exempt Bonds and (ii) the use of the property financed, directly or indirectly, thereby until three years after the last Tax-Exempt Bond is redeemed or paid at maturity (or such other period as provided by subsequent guidance issued by the Department of the Treasury) in a manner that ensures their complete access throughout such retention period.

(i) Registration. If the Bonds are "registration-required bonds" under section 149(a)(2) of the Code, the Tax-Exempt Bonds will be issued in registered form.

(j) Favorable Opinion of Bond Counsel. Notwithstanding the foregoing, the District will not be required to comply with any of the federal tax covenants in this Section 8.04 if the District has received an opinion of nationally recognized bond counsel that such noncompliance will not adversely affect the excludability of interest on the Tax-Exempt Bonds from gross income for federal income tax purposes.

(k) Continuing Compliance. Notwithstanding any other provision of this Order, the District's obligations under the federal tax covenants set forth above will survive the defeasance and discharge of the Tax-Exempt Bonds for as long as such matters are relevant to the excludability of interest on the Tax-Exempt Bonds from gross income for federal income tax purposes.

ARTICLE IX

DISCHARGE

Section 9.01. Discharge. The District reserves the right to defease, refund or discharge the Bonds in any manner now or hereafter permitted by law.

ARTICLE X

SUBSCRIPTION FOR SECURITIES; APPROVAL OF ESCROW AGREEMENT; CASH DEFEASANCE; PAYMENT OF REFUNDED OBLIGATIONS

Section 10.01. Subscription for Securities. The Authorized Officer is authorized to make necessary arrangements for and to execute such documents and agreements in connection with the purchase of the Escrow Securities required by and referenced in the Escrow Agreement, if any, as may be necessary for the Escrow Fund and the application for the acquisition of the Escrow Securities is hereby approved.

Section 10.02. Appointment of Escrow Agent; Approval of Escrow Agreement; Deposit with Paying Agent for Refunded Obligations. The Authorized Officer is hereby authorized to execute and deliver, or cause the execution and delivery by the President or Vice President and Secretary of the Board, one or more Escrow Agreements, having such terms and provisions as are

approved by the Authorized Officer as evidenced by his execution thereof or the execution thereof by other appropriate District officials. Alternatively, the Authorized Officer may elect to deposit directly with the issuing and paying agent for the Refunded Obligations the proceeds of the Bonds, together with other available funds, in an amount sufficient to provide for the payment or redemption of the Refunded Obligations and is hereby authorized to execute and deliver one or more deposit agreements in connection with such deposits.

Section 10.03. Approval of Defeasance of Cash Defeasance Candidates; Approval of Use of Funds.

(a) It is hereby found and determined that it is in the best interest of the District to authorize the defeasance of all or a portion of the Cash Defeasance Candidates. The Board hereby authorizes Authorized Officer to designate all or a portion of the Cash Defeasance Candidates as Refunded Obligations; determine whether the Cash Defeasance Candidates designated as Refunded Obligations shall be defeased to maturity or a prior redemption date; determine the redemption date of such bonds if they will be redeemed prior to maturity; select an Escrow Agent, enter into an Escrow Agreement, and obtain Escrowed Securities as provided in this Article X; designate the verification agent, if any; and use lawfully available funds of the District in an amount not to exceed $25,000,000 to accomplish the defeasance of the Cash Defeasance Candidates designated as Refunded Obligations. The Board further authorizes and directs notice of a defeasance and redemption executed under the authority of this Section 10.03 to be given in accordance with the terms of the applicable orders authorizing the Cash Defeasance Candidates and the District's continuing disclosure undertakings, and authorizes and directs the Authorized Officer and all other appropriate officers and agents of the District to take such actions as are necessary or desirable to provide for the defeasance and/or redemption of the Cash Defeasance Candidates designated as Refunded Obligations. The exercise of authority under this Section 10.03 shall be evidenced by a Pricing Certificate.

(b) The authority granted in this Section 10.03 is in addition to the refunding authority granted under Section 3.01 and Article VII of this Order. Nothing contained in this section shall act as a limit on and no defeasance or redemption executed pursuant to the authority granted under this Section 10.03 shall be charged against the refunding authority or principal amount of Bonds authorized to be issued under Section 3.01 or Article VII of this Order. Further, nothing contained in this section shall act as a limit the authority of the Authorized Officer to contribute lawfully available funds of the District towards a refunding in connection with the issuance of Bonds under this Order from time to time.

Section 10.04. Redemption and Defeasance of Refunded Obligations. The discharge, defeasance, redemption and/or payment of the Refunded Obligations shall be carried out pursuant to the terms and provisions of this Order and the Pricing Certificate. The Refunded Obligations shall be defeased and/or paid as required by the order authorizing such Refunded Obligations. Following the adoption of this Order, the Authorized Officer is hereby authorized to deliver a notice of redemption to the paying agent/registrar for any of the Refunded Obligation Candidates if required under the plan of finance, and the paying agent/registrar for such Refunded Obligation Candidates is hereby authorized and directed to provide notice of such redemption. The Board hereby authorizes and directs the Authorized Officer to take all necessary steps to redeem and defease the Refunded Obligations and use proceeds of the Bonds and other available revenues of

the District to pay the principal of, redemption premium, if any, and interest on the respective redemption dates or payment dates set forth in the Pricing Certificate.

ARTICLE XI

PERMANENT SCHOOL FUND GUARANTEE

Section 11.01. Permanent School Fund Guarantee. The District has applied for approval from the Texas Commissioner of Education (the "Commissioner") for payment of the principal of and interest on the Bonds to be guaranteed by the Permanent School Fund of the State, subject to compliance with the Texas Education Agency's rules and regulations. If the District receives approval for the guarantee and the Bonds are defeased, the guarantee of such series of Bonds will be removed in its entirety and, in case of default and in accordance with Texas Education Code §45.061, the Comptroller of Public Accounts of the State will withhold the amount paid, plus interest, from the first state money payable to the District in the following order: foundation school fund, available school fund. In the event that the District receives the guarantee, then in connection with the guarantee of the Bonds by the Permanent School Fund, the District hereby certifies and covenants that:

(a) a certified copy of this Order and copies of the Official Statement for such series of Bonds shall be furnished to the Division of State Funding, School Facilities and Transportation, within ten (10) calendar days of the date of sale of such series of Bonds;

(b) following any determination by the District that it is or will be unable to pay maturing or matured principal or interest on any such series of Bonds, the District will take all action required by Subchapter C of Chapter 45 of the Texas Education Code, as amended, including, but not limited to, the giving of timely notice of such determination to the Commissioner; and

(c) the District will notify the Division of State Funding in writing within ten (10) calendar days of the defeasance of any guaranteed Bonds.

If the District does not receive the guarantee of the Bonds by the Permanent School Fund, then Section 11.01 shall be of no force or effect with respect to the Bonds.

ARTICLE XII

Section 12.03. Limitations, Disclaimers and Amendments. (a) The District shall be obligated to observe and perform the covenants specified in this Article for so long as, but only for so long as, the District remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the District in any event will give notice of any deposit made in accordance with Article IX that causes Bonds no longer to be outstanding.

(b) The provisions of this Article are for the sole benefit of the Owners and beneficial owners of the Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the District's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITH OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(c) No default by the District in observing or performing its obligations under this Article shall comprise a breach of or default under the Order for purposes of any other provisions of this Order.

(d) Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

(e) The provisions of this Article may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (A) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provisions of this Order that authorize such an amendment) of the outstanding Bonds consent to such amendment or (B) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Owners and beneficial owners of the Bonds. The District may also repeal or amend the provisions of this Article if the SEC amends or repeals the applicable provisions of the Rule or any court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the District also may amend the provisions of this Article in its discretion in

any other manner or circumstance, but in either case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling the Bonds in the primary offering of the Bonds, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule. If the District so amends the provisions of this Article, the District shall include with any amended financial information or operating data next provided in accordance with this Article an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

Section 12.04. Amendments to the Rule. In the event the Authorized Officer, in consultation with Bond Counsel and the District's financial advisor, determines that it is necessary or desirable to amend the provisions of this Article XII in order to facilitate compliance with amendments to the Rule and related guidance from the SEC, the Authorized Officer may make such changes in the Pricing Certificate for the Bonds and such amendments are hereby authorized and shall be deemed effective as set forth in the Pricing Certificate.

If any section, paragraph, clause or provision of this Order shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Order. [The District has reserved the option to redeem the Bonds maturing on and after [10], in whole or, from time to time, in part before their respective scheduled maturity dates, on [11], or on any date thereafter, at a redemption price equal to the principal amount thereof plus accrued interest to the date of redemption. If less than all of the Bonds are to be redeemed, the District shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot or other method that results in random selection the Bonds, or portions thereof, within such maturity and in such principal amounts, for redemption.] [12]

[Bonds maturing on [13] (the "Term Bonds") are subject to mandatory sinking fund redemption prior to their scheduled maturity, and will be redeemed by the District, in part at a redemption price equal to the principal amount thereof, without premium, plus interest accrued to the redemption date, on the dates and in the principal amounts shown in the following schedule:

The Paying Agent/Registrar will select for redemption by lot or by any other customary method that results in a random selection the specific Term Bonds (or with respect to Term Bonds having a denomination in excess of $5,000, each $5,000 portion thereof) to be redeemed by mandatory redemption. the Paying Agent/Registrar at the close of business on the business day next preceding the date of mailing such notice.

In the Order, the District reserves the right, in the case of an optional redemption, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the District retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the District delivers a certificate of the District to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding. Any notice so mailed shall be conclusively presumed to have been duly given, whether or not the registered owner receives such notice. Notice having been so given and subject, in the case of an optional redemption, to any rights or conditions reserved by the District in the notice, the Bonds called for redemption shall become due and payable on the specified redemption date, and notwithstanding that any Bond or portion thereof has not been surrendered for payment, interest on such Bonds or portions thereof shall cease to accrue.] [19]

As provided in the Order, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days after the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The District, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date) and for all other purposes, whether or not this Bond be overdue, and neither the District nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; that sufficient and proper provision for the levy and collection of taxes has been made, without limit as to rate or
