Administrative Information:

That the Wichita Falls Independent School District Board of Trustees approve the Certification of Provision of Instructional Materials form for school year 2026-2027 as submitted by Nayna Torres, Instructional Materials Coordinator and as recommended by Dr. Donny Lee, Superintendent of Schools.

Explanation:

The Instructional Materials and Technology Allotment (IMTA), formerly known as the textbook allotment, was established under Senate Bill 6 and provides funding for instructional materials, technology equipment, and technology-related services.

In accordance with Texas Education Code §31.004, school districts are required to annually certify to the State Board of Education and the Commissioner of Education that all students have access to instructional materials that cover the Texas Essential Knowledge and Skills (TEKS) for all required subjects, with the exception of physical education.

Additionally, under 19 Texas Administrative Code §66.105, districts must certify compliance with the Children’s Internet Protection Act (CIPA) by ensuring measures are in place to prevent student access to obscene or harmful content.

The Texas Education Agency (TEA) requires districts to annually identify the instructional materials used to meet TEKS requirements and submit the Certification of Provision of Instructional Materials Survey through its online system.

Fiscal Note:

All purchases funded through the Instructional Materials and Technology Allotment (IMTA) are limited to allowable expenses, including student and teacher instructional materials, technology equipment, and technology-related services.

The attached Certification of Provision of Instructional Materials Prewrite Form must be approved by the Board of Trustees. The Texas Education Agency (TEA) requires submission of the Certification Survey using the TEA prework form and a signed certification page.

Survey Prewrite Form

2026–27 Certification of Provision of Instructional Materials

In accordance with [Texas Education Code \(TEC\) §31.1011](#) local school systems are required to annually certify to the State Board of Education (SBOE) and TEA commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, school systems are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the (i) the Children's Internet Protection Act (Pub. L. No. 106-554); (ii) TEC, Section [28.0022](#); (iii) Section [43.22](#), Penal Code; and (iv) any other law or regulation that protects students from obscene or harmful content. The Certification 2026–27 Survey includes a section for school systems to certify they meet this requirement.

TEA utilizes the following tools for the Certification of Provision of Instructional Materials process:

- **Certification 2026–27 Prewrite Form:** The prewrite form is a fillable and printable PDF intended to mirror the online survey and provide guidance for successful survey completion. The prewrite form should be completed offline and presented to the board of trustees or governing body for ratification and signatures.
- **Certification 2026–27 Survey:** The survey is a web-based application where school systems will submit the responses collected on the Certification 2026–27 Prewrite Form and upload the signature page.
 - The Certification 2026–27 Survey will be open for submissions beginning **Tuesday, February 17, 2026.**

The 2026–27 Certification of Provision of Instructional Materials process requires:

- The completion of the Certification 2026–27 Prewrite Form,
- Ratification by the local school system's board of trustees or governing body in an open, public-noticed meeting, and
- Submission of the Certification 2026–27 Survey and upload the last page of the ratified Certification 2026–27 Prewrite Form.

TEA recommends that local school systems complete the prewrite form and survey by **May 1, 2026**. The prewrite form and survey can be found on the [Certification of Provision of Instructional Materials](#) web page.

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 31, 2026, and is scheduled to reopen on May 15, 2026. Completion of the Certification process **is required** to regain access to allotment funds when EMAT reopens.

Certification 2026–27 Survey submissions received after May 15, 2026, are typically processed within five business days of receipt, and access to allotment funds in EMAT will follow.

Certification of Provision of Instructional Materials Process Steps

1. **Review the Certification 2026–27 Prewrite Form:** Print the fillable Certification 2026–27 Prewrite Form on the [Certification of Provision of Instructional Materials](#) web page.
2. **Gather information:** The form may require consultation with content area leaders or other local school system staff.
3. **Complete Certification 2026–27 Prewrite Form:** Complete the prework form by hand or digitally.
4. **Schedule and obtain needed signatures:** Coordinate placement of the Certification 2026–27 Prewrite Form on the agenda of an open, publicly noticed board meeting and secure formal ratification by the local school system’s board of trustees or governing body.
5. **Submit Certification 2026–27 Survey:** Complete the online Certification 2026–27 Survey by answering the questions. Inside the survey, upload the last page of the signed and ratified Certification 2026–27 Prewrite Form from step 4.

The survey will be open for submissions beginning Tuesday, February 17, 2026, and will be located on the [Certification of Provision of Instructional Materials](#) web page.

Additional Supports

For the Certification of Provision of Instructional Materials process, local school systems are highly encouraged to:

- View detailed Instructional Materials Review and Approval (IMRA) reports for all instructional materials reviewed through the IMRA process at im.tea.texas.gov.
- Refer to the IMRA List of [SBOE-Approved Instructional Materials](#) and [SBOE-Rejected Instructional Materials](#).
- Attend the TEA webinar about the Certification of Provision of Instructional Materials process for 2026–27 on **Tuesday, February 17th, at 11:00 a.m. CST**. [Registration](#) is required.
- Attend TEA office hours to get help and support with the Certification of Provision of Instructional Materials process; registration is required.
 - Monday, March 2nd, at 11:00 a.m. CST | [Register on Zoom](#)
 - Thursday, March 5th, at 11:00 a.m. CST. | [Register on Zoom](#)
- View the [Certification of Provision of Instructional Materials Resource List | 2026–27](#)
- Request a copy of the previous year’s submission (if needed) by submitting a [Help Desk Ticket](#).

For questions about the Certification of Provision 2026–27 Pework Form, survey, or process, please submit a [Help Desk ticket](#).

Terminology

- **Scope and Sequence:** A document that provides a brief outline of the standards and a recommended teaching order for a particular course/grade-level over the course of a school year.
- **Full-subject materials** (often referred to as Tier one or core materials): instructional material designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.
- **Supplemental materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.
- **SBOE-Approved Instructional Materials:** SBOE-approved instructional materials are any materials that go through the IMRA process and receive approval by the SBOE. In Texas, SBOE-approved instructional materials are considered HQIM and qualify for the SBOE-Approved Instructional Materials Entitlement as outlined in Section 48.307.
- **State-Adopted Instructional Materials:** state-adopted instructional materials were reviewed and adopted in the preceding Proclamation process. These materials have not been reviewed in the IMRA process, are not considered HQIM (per the Texas definition), and are not eligible for additional HB 1605 funding entitlements.

Qualtrics Survey and Pework Form Guidance

Please note that the format of the Certification 2026–27 Pework Form **will not** match the appearance of the official Certification 2026–27 Qualtrics Survey. While the **questions are identical**, this form uses **open-ended text boxes** for responses. In the survey, the questions will be presented with **drop-down menus** containing predefined answer choices.

To help support completion of the Certification 2026–27 Pework Form accurately—and to ensure responses align with the options that will appear in the survey—an [additional resource](#) is provided. The Certification of Provision of Instructional Materials Resource List provides all the instructional materials that will appear in the survey's questions with drop-down menus.

Please ensure the naming convention for the products you list on this form mirrors the naming convention on the resource list (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align with the predefined answer choices provided on the survey drop-down menus.

If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, you will be asked to manually enter the publisher and product name(s).

It is highly recommended to refer to [this resource](#) while completing this prework form.

Instructional Materials Procurement Reminder

Beginning in the 2026–27 school year, local school systems may not locally adopt, use, or spend any funds to procure materials placed on the list of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

Certification 2026–27 Survey Ratification

[Print, Sign, and Upload via Qualtrics]

In accordance with [Texas Education Code §31.1011](#), school districts and open-enrollment charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS) for the coming school year. Additionally, in accordance with Texas Administrative Code [19 TAC §66.105](#), school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C).

These certifications must be ratified by local school boards of trustees or governing bodies in public, noticed meetings. Districts and open-enrollment charter schools will be unable to order instructional materials through EMAT until the certifications have been received by the Texas Education Agency (TEA)

Agenda Item:	Texas Department of Agriculture Excess Net Cash Resource Plan		
Administrator Responsible:	Hafley, Scot, Assistant Superintendent		
Attachments:	TDA Excess Spending Plan		
<input checked="" type="checkbox"/> Action Needed	<input type="checkbox"/> Future Action	<input type="checkbox"/> Presentation	<input type="checkbox"/> Report

Administrative Recommendation:

That the Wichita Falls Independent School District Board of Trustees approve the Texas Department of Agriculture Excess Net Cash Resource Spending Plan for the fiscal 2026-27 school year as submitted by Scot Hafley, Assistant Superintendent, and as recommended by Dr. Donny Lee, Superintendent of Schools.

Explanation:

A plan was developed by members of WFISD maintenance, finance, purchasing and food services. The plan was submitted to TDA on March 5 2026 and approved. Following TDA approval, the WFISD Board of Trustees is asked to approve the spending plan as well. Prior to purchasing any item over \$10,000.00 on the plan WFISD must receive final approval from TDA again to ensure compliance. The spending plan is attached for your review. The highlights of the plan are completing the purchase of items from the previous year, new serving lines for Crockett, Zundy, Milam, and Franklin elementary schools.

Fiscal Note:

The excess cash resources are determined by subtracting the three-month average expenditures from the Net Cash resources. These funds are strictly tied to improvements in food service and food quality for WFISD students. The Food Service fund balance is separate from the WFISD fund balance and budget.

Please provide a short narrative explaining the following:

- **How the above expenses benefit the School Nutrition Program(s) and comply with procurement regulations.**
- **The processes that will be in place to prevent excess net cash resources from reoccurring in the future at all sites.**

notes: The first four items listed are from last year's TDA approved ENCR plan. Purchasing is still securing these items according to TDA guidelines.

How the above expenses benefit the School Nutrition Program(s) and comply with financial regulations.

The excess fund balance spending plan replaces older equipment and updates our serving lines at elementary schools in order to provide more efficient service allowing students more time to enjoy their meals. Freezer and cooler upgrades allow our kitchen staff quicker access to items. Cafeteria tables and chairs at Zundy, Barwise, and Hirschi listed on this plan are not a shared cost as they are only used by child nutrition therefore, they will be paid for by child nutrition.

Preventing excess funds in the future is ongoing as we continue to rapidly replace all of our older equipment. Our inflationary numbers are now accurate and each year we reduce our excess cash resources.

Administrator Responsible:	Leah Horton, Chief Financial Officer		
Attachments:	Contract		
<input checked="" type="checkbox"/> Action Needed	<input type="checkbox"/> Future Action	<input type="checkbox"/> Information	<input type="checkbox"/> Report

Administrative Information:

That the Wichita Falls Independent School District Board of Trustees approves the contract for the Zundy Elementary Refresh Project to Trinity Hughes Construction, as submitted by Leah Horton, Chief Financial Officer, and as recommended by Dr. Donny Lee, Superintendent of Schools.

Explanation:

On December 15, 2025, the Board of Trustees approved CSP (per Policy CVB) construction method for the Zundy Refresh Project. The two-step solicitation RFQ/CSP 2526-21-S-26 was advertised twice in the Times Record News and published on WFISD’s electronic solicitation platform in a two-step process. A total of (134) vendors received the bid information by commodity code identification or direct invitation, eleven (11) vendors viewed the solicitation, and four (4) vendors submitted complete proposals and fulfilled the bid bond requirement.

Of the vendor ranking approved by the Board on April 13, 2026, Trinity Hughes Construction was the highest scoring respondent of the two-step process and presentation/interview. The contract includes:

- Base Bid: Flooring, lighting, ceiling tiles, painting, and related
- Alternate 1: Replace gym flooring
- Alternate 2: Replace cafeteria flooring
- Alternate 3B: Stabilization for front (East) portion of original school building
- Alternate 3C: Stabilization for the south and east perimeter walls of the south wing addition
- Alternate 4: Elevator modernization
- Contingency

If this contract is not approved, the next ranked vendor will be contacted for negotiation.

Fiscal Note: This expenditure will be paid with Fund Balance. Public Work expenditures require Board of Trustees approval per Texas Government Code Chapter 2269.

Administrative Information:

That the Wichita Falls Independent School District Board of Trustees approves the contract for the Booker T Elementary Exterior Refresh Project to JNA Painting & Contracting Company, Inc., as submitted by Leah Horton, Chief Financial Officer, and as recommended by Dr. Donny Lee, Superintendent of Schools.

Explanation:

On February 9, 2026, the Board of Trustees approved CSP (per Policy CVA) construction method for the Booker T. Washington Elementary Exterior Refresh Project. The two-step solicitation RFQ/CSP 2526-26-S-27 was advertised twice in the Times Record News and published on WFISD’s electronic solicitation platform in a two-step process. A total of (249) vendors received the bid information by commodity code identification or direct invitation, nine (9) vendors viewed the solicitation, six (6) vendors submitted Step 1 proposals and four (4) vendors completed their response in Step 2, with one failing to meet the bid bond requirement.

Of the vendor ranking approved by the Board on April 13, 2026, JNA Painting was the highest scoring respondent of the two-step process. The contract includes:

Painting of exterior window panels, including cleaning, removal and replacement of loose or missing caulk, sealant and materials, clean-up and removal of all debris.

If this contract is not approved, the next ranked vendor will be contacted for negotiation.

<input checked="" type="checkbox"/> Action Needed <input type="checkbox"/> Future Action <input type="checkbox"/> Presentation <input type="checkbox"/> Report	

Administrative Recommendation:

That the Wichita Falls Independent School District Board of Trustees approve the Personal Services Exemption Request as submitted by Dr. Cody Blair, Executive Director of Secondary Schools, and as recommended by Dr. Donny Lee, Superintendent of Schools.

Explanation:

House Bill 3372 (TEC §11.006) requires Board approval for administrators to receive compensation for certain external educational services. Board Policy DBD (Local) requires employees to avoid conflicts of interest and disclose outside employment or professional activities. Policy DH (Local) further requires that outside employment not interfere with the employee’s assigned duties or responsibilities to the District.

Dr. Kelly Strenski, WFISD Director of Fine Arts, is seeking approval to engage in compensated educational work outside of their contractual duties as a Suitability Reviewer for the Instructional Materials Review and Approval (IMRA) process, an initiative of the Texas State Board of Education. Total compensation for work done in May-November 2026 will range between \$3,000 and \$5,000. An additional stipend may be issued if selected to do additional work in early 2027. This work will not interfere with Dr. Strenski’s district duties and will occur outside of contracted hours. It does not present a conflict of interest with the district.
