WELCOME

The Board of Trustees of the Richardson Independent School District welcomes members of the public to its meetings. Although Board meetings are held in public, they are not public meetings. Visitors are invited to observe their elected officials conducting the business of the school district. RISD records (audio and video) its regular, open meetings. Some work sessions and other called meetings also may be recorded. The recordings will be available on the District's website at www.risd.org.

The Board strives to conduct business in a professional and efficient manner. To ensure all attendees are able to observe the meetings without distraction, all attendees should observe rules of common courtesy and decorum during meetings. Attempts to disrupt or delay the meeting will not be tolerated. If after at least one warning from the presiding officer, any person continues to disrupt the meeting by words or actions, the presiding officer may request assistance from law enforcement officials to have the person removed from the meeting. To assist the Board in maintaining a safe and nondistracting meeting environment for all persons who attend its meetings, the Board requests that attendees observe the following standards:

- Remain quiet and seated during meetings and avoid audible conversations or other verbalizations or actions that interfere with trustees, RISD employees, or another attendee or disrupt the meeting.
- Do not bring in or display posters, signs, banners, or other items that may disrupt the meeting. (The display of small banners during the recognition portion of the meeting is permissible to support a person being recognized, provided the banners do not disrupt the meeting or prevent other visitors from viewing the proceedings and they are removed from the board meeting room following the recognition section.)
- Persons who wish to address the Board must follow the Public Comment procedures explained below.
- Do not cross any rope or barrier that limits public access to an area in any boardroom without approval from security personnel or an administrative staff member. Visitors should not enter the horseshoe seating area in the Auditorium.
- Members of the news media who bring recording equipment to the meeting may be asked to remain in a specific area designated by RISD Communications staff.
- Nonmedia visitors who bring equipment to record (video or audio) a meeting may sit in a seat of their choosing provided the recording equipment is small and handheld and does not obstruct the view of any other attendee or otherwise cause disruption. Visitors who bring larger equipment or other equipment such as tripods or stands that could obstruct or disrupt may be directed where to sit.

The Board may take occasional breaks or recesses during Board meetings. Those breaks provide an opportunity for trustees and staff to attend to personal needs and to prepare for the remainder of the meeting. Visitors should not monopolize the time of trustees or staff by attempting to address personal issues during a break or recess.

Procedures to Address the Board: The Board offers a Public Comment Section during its meetings to provide opportunities for members of the public to convey information to the Board. Speakers may comment on specific Agenda items as well as matters not on the Agenda at regular business meetings. Speakers may comment only on specific agenda items at work sessions. A copy of the Board-adopted procedures for Public Comment are available in the foyer of the Auditorium. The public comment period is not the appropriate forum for presentation of complaints. RISD maintains a formal grievance policy to address complaints. The Board will only consider complaints that remain unresolved after they have been addressed through proper administrative channels and when they have been placed on the Agenda. Specific information or reference to an existing policy may be furnished in response to inquiries or statements. However, the Board cannot deliberate or make a decision on any subject that is not on the Agenda and the Board will not engage in dialogue with the speakers.

A person who wishes to address the Board must complete a Public Comment card before the meeting to indicate he or she wishes to speak. Cards are located in the foyer of the auditorium in the Administration Building before scheduled meetings. Completed cards should be placed in the designated box no later than the posted time for the business meeting to begin, usually 6:00 p.m. Speakers' cards will not be accepted after the Board President calls the meeting to order. The speaker must indicate the specific agenda item about which he/she wishes to comment and/or indicate the comments relate to a non-agenda topic. The speaker must attach any written materials to be provided to the Board to the Public Comment card. A speaker may not distribute materials at the time he/she is called to speak.

Each speaker is limited to a total of three minutes and a speaker may not use time of another speaker to extend his or her comment period. A speaker who speaks through a translator will have additional time. A speaker may complete one Public Comment Card for each meeting. Each speaker should clearly state his or her name, the school or schools the speaker's children attend or have attended, before beginning to comment.

A digital timer appears on the screen to count down a speaker's three-minute time period. A speaker must promptly end his or her comments when the allotted time has elapsed. Any speaker who fails to stop speaking and yield the podium at the end of his or her allotted time is considered out of order and may be escorted from the podium and/or asked to leave the meeting. Remarks or other conduct that disrupt the meeting are considered out of order and will not be allowed. A person who chooses to speak during the Visitor's Section is consenting to the online publication of his/her comments.

Procedures for Public Comments During Board Meetings

The Board of Trustees of the Richardson Independent School District welcomes members of the public to its meetings. The Board offers a Public Comment Section during its meetings to provide opportunities for members of the public to convey information to the Board.

The Board adopted the following procedures concerning public comments to facilitate the efficient operation of meetings:

- **Public Comment Section.**

- The Board of Trustees will include a Public Comment Section on the posted Agenda for each meeting. The Board holds regular monthly business meetings each month of the year, excluding July. Business meetings typically are scheduled for the first Monday of the month. The Board schedules work sessions to address topics of study or as other needs arise. The Board reserves the third Monday of each month for work sessions, but they also may be scheduled at any other time when a need arises. The Board reserves the right to schedule or reschedule meetings as necessary to meet the operational needs of the District. A written Agenda is posted for each Board meeting at least 72 hours before the meeting is scheduled.
- The Public Comment Section ordinarily will be called just prior to the first business item on the Agenda. However, the Board delegates to the Board President the discretion to evaluate the number of Public Comment Cards submitted at each meeting and to defer comments related to non-Agenda topics to the end of the meeting if he/she determines such action is advisable to allow the Board to proceed in an efficient and timely manner to address items on the Agenda.

- **Speaker Topics.**

- Regular Business Meetings. Speakers may comment on specific Agenda items as well as matters not on the posted Agenda during the Public Comment Section at regular business meetings.
- Work Sessions or Other Called Meetings. Speakers may comment only on specific agenda items during the Public Comment Section at work sessions and other called meetings.

- **Public Comment Cards.**

- Persons wishing to address the Board must complete a Public Comment card. Public Comment cards are located in the foyer of the Auditorium in the Administration Building before scheduled meetings. (If the Board schedules a meeting at another location, Public Comment cards will be available in a conspicuous location at the meeting site.) A staff member typically will be present to receive Public Comment cards.
-
- Completed cards must be placed in the designated box no later than the posted time for the meeting to begin, usually 6:00 p.m. RISD will not accept Public Comment cards after the Board President calls the meeting to order. In addition to identifying information, each

speaker must indicate the specific agenda item about which he or she wishes to comment and/or identify the non-Agenda topic of the comments.

- Written Materials. A speaker who wishes to provide written materials to the Board of Trustees must attach at least nine (9) copies of the materials to the completed Public Comment card. Staff will provide a copy of the materials to the trustees before the speaker is called. The speaker may not distribute materials when he or she is called to speak.

- Time.

- Each speaker is limited to a total of three minutes and a speaker may not use time of another speaker to extend his or her comment period. *Note:* A speaker who addresses the Board through a translator will have six minutes to present comments to ensure that non-English speakers receive the same opportunity to address the Board.
- Staff will set a three-minute digital timer for each speaker. The speaker shall end his or her comments when the timer expires. Any speaker who fails to stop speaking and yield the podium at the end of his or her allotted time is considered out of order and may be escorted from the podium and/or asked to leave the meeting.

- Single comment. A speaker may complete one Public Comment Card for each meeting.

- Protocol for Speakers.

- The Board Secretary will call the name of each speaker who has submitted a public comment card and state the topic(s) on which the individual has registered to speak.
- Each speaker should approach the podium when his or her name is called. An adjustable microphone is affixed to the podium in the Auditorium. The speaker should clearly state his or her name and the school or school(s) the speaker's children attend or have attended before beginning to comment.
- The Board will not engage in dialogue with a speaker. Specific factual information or reference to an existing policy may be furnished in response to inquiries or statements. The Board cannot deliberate or make a decision on any subject that is not on the Agenda.
- The public comment period is not the appropriate forum for presentation of formal complaints. RISD maintains a formal grievance policy to address complaints. The Board will only consider complaints that remain unresolved after they have been addressed through proper administrative channels and when they have been placed on the Agenda.
- Remarks or other conduct that disrupt the meeting are considered out of order and will not be allowed.

- Consent for Online Publication. RISD may audio and video record its meetings. A person who chooses to speak during the Public Comment Section is consenting to the online audio/video publication of his or her comments.

INFORMATION AND ACTION ITEM

TOPIC: Specified Best Value/Low Bids, Contracts, and Cumulative Purchases

BACKGROUND INFORMATION:

Bids for the items listed in Part A on the attached sheets were advertised and received for opening in the RISD Purchasing Department. The bid(s) listed under Part A are recommended for acceptance as the lowest responsive bid(s) or other qualifying bid that meets specifications and provides the best value to the District. If the lowest responsive bid does not fall within the budgeted amount for the item, supportive justification and information has been requested and may be made available.

Bids listed in Part B reflect vendors recommended for renewal of an existing bid that was originally approved as providing the best value/lowest responsive bid for the district.

Part C sets out contracts, contract modifications, and any contract change orders recommended for approval. The contract amount of items listed in Part C exceeds \$100,000. Contract(s) for the services reflected under Part C have been reviewed and negotiated, where appropriate. Each contract is within the budgeted amount for the item, category, or service. As indicated, certain contracts have been renegotiated, modified, or otherwise changed. Any such changes recommended are within budgeted amounts.

Part E is provided for the Board's information. The items reflected in this section involve contract amounts of less than \$100,000. Board policy CH (Local) delegates purchasing authority to the Superintendent for expenditure of budgeted amounts for goods and services under \$100,000.

Part F is provided for the Board's information. This section provides information about cumulative purchases from state-approved vendors under contracts or buying cooperative agreements that the Board already has approved. All such purchases have

been made through established District procedures to ensure that the purchase provided the best buy at the lowest available price.

ACTION ITEM

TOPIC: 2019-2020 Pre-K Waiver

Background Information: House Bill 3 requires that full-day prekindergarten be provided for all eligible four-year old students. Pre-kindergarten may be operated on a half-day basis for children under four years of age.

EXEMPTION CONDITIONS

Exemptions may be granted if it is determined that:

1. The local education agency (LEA) (a school district or open-enrollment charter school) would be required to construct classroom facilities in order to provide prekindergarten classes; or
2. Implementation would result in fewer eligible children being enrolled in prekindergarten.

An LEA may not receive an exemption unless the LEA has solicited and considered at a public meeting the following:

- o Proposals for partnerships with public or private entities regarding offering full-day prekindergarten for eligible four-year-old students.

Additionally, before a district or open-enrollment charter school may construct, repurpose, or lease a classroom facility, or issue bonds for the construction or repurposing of a classroom facility, the district or charter school must solicit and consider proposals for partnerships with public or private community-based childcare providers who meet **one** of the following status requirements:

- o Texas Rising Star program providers with a three-star certification or higher;
- o Nationally accredited;
- o Head Start program providers;
- o Texas School Ready! Participants; ~~or~~

- o Meet the requirements under Texas Education Code Section 29.1532: If a school district contracts with a private entity for the operation of the district's prekindergarten program, the program must at a minimum comply with the applicable child-care licensing standards adopted by the Department of Protective and Regulatory Services under Section 42.042, Human Resources Code.

A decision of the board of trustees or the governing body of an open-enrollment charter school regarding a partnership described above is final.

EXEMPTION OPTIONS

If the above conditions are met, LEAs may apply for a one, two, or three year exemption. An exemption may not be granted for a period longer than three school years and may be renewed only once.

Richardson ISD meets the criteria for a one-year Pre-K waiver as defined by the Texas Education Agency. We implemented partnerships with Head Start and identified the capacity necessary to implement full-day Pre-K for all students meeting the state qualifiers for the 2020-2021 school year.

SUPERINTENDENT'S RECOMMENDATION:

The Superintendent recommends that the Board of Trustees of the Richardson Independent School District approve a one-year Pre-K waiver for the 2019-2020 school year.

SUPERINTENDENT'S RECOMMENDATION:

The Superintendent recommends that the District approve the attached IMA Certification for 2020-21.

PROPOSED RESOLUTION:

WHEREAS, the District is required by the Texas Education Code Section 28.002 to complete the IMA certification form.
